In accordance with Middleboro’s Marijuana Zoning Ordinance, ARL’s proposed marijuana retailer establishment at 29 Harding Street, is located in Cannabis Business Overlay District, which allows for the siting of marijuana retailers pursuant to issuance of a Special Permit from the Middleboro Planning Board (i.e., the Special Permit Granting Authority for the Town). In compliance with § 8.5.4 of Middleboro’s Zoning Ordinance, upon receipt of a provisional license from the Cannabis Control Commission (“Commission”), ARL will apply for a Special Permit from the Middleboro Planning Board authorizing its marijuana retailer use.

In accordance with G.L. c. 94G, § 5(b)(3) and § 8.5.5.2.a of the Middleboro Zoning Ordinance, ARL’s proposed facility is not located within five hundred (500) feet of any public or private school or daycare center. Moreover, ARL’s Middleboro marijuana retailer facility will not adversely affect any libraries, playgrounds, parks, martial arts and dance studios, houses of worship, pediatric medical offices, toy stores, or comic book stores. In addition, ARL’s Middleboro marijuana retailer facility will not cause a public nuisance and shall otherwise operate in accordance with § 8.5.7 of the Marijuana Zoning Ordinance.

ARL will comply with all conditions and standards forth in any local permit required to operate a marijuana establishment at ARL’s Middleboro location, and any special conditions imposed by the Middleboro Planning Board. In addition, ARL will comply with all of the criteria set forth in the Marijuana Zoning Ordinance, including §§ 8.5.6.6.a through h. In accordance therewith, ARL has convened several meetings with various municipal officials and boards to discuss ARL’s plans for a proposed marijuana retailer establishment and executed a Host Community Agreement with Middleboro on 4/2/18. ARL will continue to work cooperatively with various Middleboro departments, boards, and officials to ensure that its marijuana retailer establishment remains compliant with all laws, regulations, rules, and codes with respect to design, construction, operation and security. In accordance with 935 CMR 500.101 and local zoning, ARL convened a properly noticed Community Outreach Meeting on 1/30/19 to inform and gather feedback from the community related to its proposed marijuana retailer establishment. Finally, ARL has retained Foley Hoag LLP to assist with ongoing compliance with local zoning and regulatory compliance.

RETAIL HOST COMMUNITY AGREEMENT

This Host Community Agreement (the "HCA") is entered into by and under the laws of the Town of Middleborough (the "TOWN"), a municipal corporation duly organized under the laws of the Commonwealth, acting through its Board of Selectmen (the "SELECTMEN") and ARL Healthcare, Inc. with a principal office address of 193 Oak Street, Suite 507, Newton, MA ("LICENSEE").

This HCA represents the understanding between the TOWN and LICENSEE (the "PARTIES") with respect to development of a tract of land with improvements located at 29 Harding Street, Middleborough (the "PROPERTY") for use as an adult use marijuana retailer.

RECITALS

WHEREAS, LICENSEE and the TOWN previously entered into a Host Community Agreement for the operation of a registered marijuana dispensary ("RMD"), dated December 5, 2016 (the "2016 HCA"); and

WHEREAS, LICENSEE plans to expand the use of the Property to add a licensed adult use marijuana retailer pursuant to 935 CMR 500, *et. seq.* (the "FACILITY"); and

WHEREAS, G.L. Chapter 94G, Section 3, and the regulations issued thereunder, require that TOWN and LICENSEE execute an agreement setting forth the conditions to have the FACILITY within it that must include, but not be limited to, all stipulations of responsibilities between the host community and the marijuana establishment; and

WHEREAS, the TOWN recognizes this development and FACILITY will benefit the TOWN and its citizens through increased economic development, offering products in a safe, licensed and secure setting; additional employment opportunities for residents, and a strengthened local tax base; and

WHEREAS, the PARTIES agree and acknowledge that the TOWN has identified certain concerns with respect to the impact of the construction of the expanded and improved facilities on the PROPERTY, as well as their subsequent operation, which the Parties hereby stipulate are likely to cause the TOWN to incur particular additional expenses and impacts on the TOWN arising from the FACILITY that may include, but are not limited to additional responses to activity from the City's Police Department; added traffic control and/or parking measures and expenses and impacts on the City's roads; and expenditure of resources for additional fire protection services, inspectional and permitting services, public health services and abuse prevention efforts, as well as additional unforeseen impacts; and

WHEREAS, LICENSEE and the TOWN have a mutual interest in the long-term sustainable development of both the LICENSEE'S FACILITY and the economic growth of the TOWN; and

WHEREAS, the parties stipulate that the Community Impact Payments set forth in this Agreement address direct or secondary impacts of the LICENSEE's operations within the TOWN pursuant to applicable Massachusetts law and regulations, including but not limited to 935 CMR 500 and G.L. c.94G, § 3(d), and are reasonably related to said direct and secondary impacts.

WHEREAS, the PARTIES intend to enter this HCA as a means of memorializing their obligations with respect to mitigation of the impacts of the FACILITY, as well as their intention to collaborate to the fullest extent possible to ensure the proposed improvements and operations occur efficiently and in a manner that will benefit the TOWN:

NOW, THEREFORE, in consideration of the mutual promises of the parties contained herein and other good and valuable consideration, the receipt of which is hereby acknowledged, the PARTIES hereby agree as set forth herein.

1. The PARTIES respectively represent and warrant that:
 - a. Each is duly organized and existing and in good standing, has the full power, authority, and legal right to enter into and perform this HCA, and the execution, delivery and performance hereof and thereof (i) will not violate any judgment, order, state law, bylaw, or regulation, and (ii) do not conflict with, or constitute a default under, any agreement or instrument to which either is a party or by which either party may be bound or affected; and
 - b. This HCA has been duly authorized, executed and delivered and constitutes legal, valid and binding obligations of each party, enforceable in accordance with its terms, and there is no action, suit, or proceeding pending, or, to the knowledge of either party, threatened against or affecting wither wherein an unfavorable decision, ruling or finding would materially adversely affect the performance of any obligations hereunder, except as otherwise specifically noted in this HCA.
2. LICENSEE agrees that it is required to obtain all local permits required pursuant to Massachusetts Law and the TOWN'S Bylaws and regulations. Provided the Town acts in accordance with the procedures set forth in G.L. c.44, §53G, LICENSEE shall be required to pay the reasonable costs of the employment by TOWN boards and/or officials of outside consultants, including without limitation, engineers, architects, scientists and attorneys required to review the application for such local permits required to operate the FACILITY.

3. LICENSEE commits to the provision of educational materials related to health, safety and responsible use of the products offered at the FACILITY. These materials shall be readily available at the point of purchase.
4. LICENSEE is deeply committed to creating a non-discriminatory workplace and a welcoming work environment. LICENSEE is also deeply committed to being a Good Neighbor to the TOWN. Therefore, where allowed by Federal, State and Municipal laws and regulations, a "Local Labor Hiring Preference" shall exist for all residents of the TOWN applying for employment by LICENSEE at the FACILITY. Within the confines of the law, and all other factors being equal, LICENSEE shall reasonably seek to employ TOWN residents before considering other candidates for open positions.
5. LICENSEE has committed to a Good Neighbor Policy regarding the TOWN. As an expression of this Policy, LICENSEE shall seek reasonable ways to contribute to the growth, development, and long-term success of the TOWN.
6. If requested by the TOWN, LICENSEE shall provide to the TOWN, for review and approval, the name and relevant information, including but not limited to the information set forth in 935 CMR 500 or any successor regulation, of the person proposed to act as on-site manager of the FACILITY. The submittal shall include authorization to perform a Criminal Offender Record Information (CORI) check. The TOWN shall consider such request for approval within thirty days following submittal to determine if the person proposed is of suitable character to act as on-site manager. Such approval shall not be unreasonably denied, conditioned or delayed. In the event the TOWN does not confirm or reject the proposed on-site manager within thirty (30) days, the manager shall be deemed approved by the TOWN for purposes of this HCA. This approval process shall also apply to any change of on-site manager.
7. LICENSEE, its assignee, nominee, or successor thereof, shall remit to the TOWN the full mill rate of its assessed property value in accordance with the standard property taxation schedule of the TOWN.
8. LICENSEE shall remit to the TOWN a community impact payment in the sum of 3% of the gross sales of all adult use marijuana and marijuana-infused products from the marijuana retailer, as those terms are defined by G. L. c. 94G,. Such payments shall be delivered to the TOWN on a quarterly basis. The first such payment shall be due 20 days after the 90th day following commencement of operations, and each subsequent payment shall be due on the same day of each quarter thereafter. As used herein, Commencement of operations shall mean the date on which a certificate of occupancy is issued for the FACILITY.

9. LICENSEE shall deliver a Community Development Payment to the TOWN in the amount of \$50,000.00 per annum, which amount shall increase annually at the rate of 2 ½ percent. The first such payment shall be due on or before the first anniversary following commencement of operations, with subsequent payments due on the annual anniversaries of the first such payment.
10. The PARTIES acknowledge that the TOWN has imposed a local sales tax upon the sale or transfer of marijuana or marijuana products by a marijuana retailer operating within the TOWN, pursuant to the provisions of G.L. c.64N. Accordingly, LICENSEE, as required by applicable law, shall remit to the Massachusetts Department of Revenue the excise tax rate determined by the Commonwealth of Massachusetts for the sale of adult-use marijuana and adult-use marijuana-infused products, currently at 3.0% of gross annual sales. Pursuant to G.L. c.64N, §3, the excise taxes received by the Department of Revenue "shall at least quarterly be distributed, credited and paid [to the Town] by the state treasurer". Nothing herein shall limit the ability of the TOWN to adjust the local sales tax in the future, should the law be amended to allow for an increase in such allowable sales tax.
11. All payments required hereunder shall remain in effect for the full duration of LICENSEE'S use of the FACILITY for the purposes stated herein. In the event such term is deemed to be contrary to law, the payments shall remain in effect for the longer of five years or the maximum period allowed by law, and this agreement together with such payments shall automatically renew for successive terms of the longer of five years or the maximum period allowed by law. Upon voluntary or involuntary permanent termination of the use, and upon delivery to the TOWN of written notice of such termination, payments or benefits shall immediately cease; provided, however, that LICENSEE shall, within seven (7) days of such notice, pay to the TOWN the payments required hereunder, prorated based upon the number of days that elapsed from the immediately prior payment date to the date of such termination of use.
12. This HCA may only be modified by the express written consent of both parties. Any and all notices, consents, demands, requests, approvals or other communications required or permitted under this HCA, shall be in writing and delivered by hand or mailed postage prepaid, return receipt requested, by registered or certified mail or by other reputable delivery service, and will be effective upon receipt for hand or said delivery and three days after mailing, to the other Party at the following addresses:

Each of the PARTIES shall have the right by notice to the other to designate additional persons to whom copies of notices must be sent, and to designate changes in address.

13. If and to the extent that either party is prevented from performing its obligations hereunder by an event of *force majeure*, such party shall be excused from performing hereunder and shall not be liable in damages or otherwise, and the parties shall instead negotiate in good faith with respect to appropriate modifications of the terms hereof. For purposes of this HCA, the term *force majeure* shall mean the supervening causes described here, each of which is beyond the reasonable control of the affected party: acts of God, fire, earthquakes, floods, explosion, actions of the elements, war, terrorism, riots, mob violence, a general shortage of labor, equipment, facilities, materials, or supplies in the open market, failure of transportation, strikes, lockouts, actions of labor unions, condemnation, laws or orders of any governmental or military authorities, or any other cause similar to the foregoing, not within the control of such party obligated to perform such obligation.
14. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts.
15. The failure of any party to strictly enforce the provisions hereof shall not be construed as a waiver of any obligation hereunder. This HCA can be modified only in a written instrument signed by the SELECTMEN and LICENSEE. This HCA shall be binding upon the PARTIES and their successors and assigns.

16. LICENSEE shall reimburse the TOWN for reasonable attorney fees incurred by the TOWN in conjunction with the FACILITY, except as a result of the willful or intentional misconduct of the TOWN, including in connection with the negotiation of this HCA. Such reimbursement shall be made within fourteen days after written request by the TOWN.
17. The LICENSEE shall indemnify, defend, and hold the TOWN harmless from and against any and all claims, demands, liabilities, actions, causes of actions, defenses, and/or proceedings, including resultant costs and attorney's fees, except as a result of the willful or intentional misconduct of the TOWN (collectively, the "Claims"), brought against the TOWN, its agents, departments, officials, employees, and/or successors, by any third party arising from or relating to the FACILITY or the HCA. Such indemnification shall include, but shall not be limited to, all reasonable fees and reasonable costs of attorneys and consultants of the TOWN's choosing incurred in defending such claims, actions, proceedings or demands. The LICENSEE agrees, within thirty (30) days of written notice by the TOWN, to reimburse the TOWN for any and all costs and fees incurred in defending itself with respect to any such claim, action, proceeding or demand.
18. The LICENSEE agrees it will not challenge, in any jurisdiction, the enforceability of any provision included in this HCA; and to the extent the validity of this Agreement is challenged by LICENSEE, the LICENSEE shall pay for all reasonable fees and costs incurred by the TOWN in defending such challenge. Furthermore, the LICENSEE shall pay for all reasonable fees and costs incurred by the TOWN in enforcing this HCA if the Town prevails.
19. LICENSEE acknowledges that time is of the essence with respect to performance of its obligations hereunder and that late payments shall be subject to interest at the rates prescribed by G.L. c. 59, §57. These payments or benefits shall be made payable to the TOWN at the direction of the Town Manager.
20. Should the TOWN enter into an agreement with any other adult use marijuana retailer for siting in the TOWN that requires payments to the TOWN that are proportionally lower than those provided in this HCA, Sections 8 and 9 of this HCA shall be null and void, and the parties shall negotiate in good faith to modify the terms of this HCA to reflect such lower payments.
21. If any term or condition of the Agreement or any application thereof shall to any extent be held invalid, illegal or unenforceable by the court of competent jurisdiction or regulatory authority, the validity, legality, and enforceability of the remaining terms and conditions of this Agreement shall not be deemed affected thereby unless one or both parties would be substantially or materially prejudiced. The parties agree that should any payments or

voluntary contributions detailed herein later be deemed not enforceable or not required, LICENSEE agrees to donate or gift the equivalent amount to the TOWN on the same schedule as stated herein for the duration of the LICENSEE's operation of the FACILITY.

22. The Town shall support the LICENSEE's application as a marijuana establishment with the Cannabis Control Commission and work with the Licensee to secure a marijuana establishment license.

23. This HCA may be executed in counterparts.

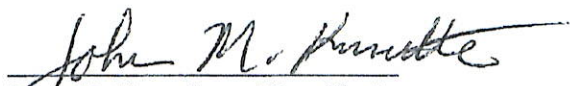

24. Nothing herein shall have the effect of nullifying or superseding the 2016 HCA, which shall remain in full force and effect.

ARL Healthcare Inc. Positive Impact Plan

Introduction

The Cannabis Control Commission ("Commission") has identified certain communities in Massachusetts as "areas of disproportionate impact." New Bedford, MA, the location of ARL Healthcare, Inc.'s ("ARL") cultivation and product manufacturing facility is one such area. In addition, the Commission has also identified Taunton, MA as an area of disproportionate impact. Taunton, MA directly abuts Middleboro, MA, the location of ARL's retail facility.

As a critical part of its commitment to improve the lives of the residents of New Bedford and Taunton and share the tremendous benefits of the Commonwealth's nascent adult-use marijuana industry, ARL will work closely with local community organizations to hire residents of New Bedford and Taunton in addition to qualified candidates who have past drug convictions or who have parents or spouses with drug convictions (these individuals and residents of New Bedford and Taunton are referred to in this plan, collectively, as "Impacted Individuals").¹ In this way, ARL hopes that its organizational successes will become New Bedford and Taunton's successes.

Positive Impact Goals

ARL will positively impact Impacted Individuals by providing employment opportunities and training, through real-world experience, with the ultimate goal of providing access to and opportunities for advancement within the Commonwealth's adult-use marijuana industry. ARL believes that by focusing its hiring efforts on these previously marginalized individuals, it can remove barriers to entry into the adult-use marijuana industry and ensure that the expected prosperity from a new industry will benefit people of all income levels and backgrounds, not merely those who have access to significant amounts of capital.

Positive Impact Programs

ARL understands and appreciates that Impacted Individuals may not have received the same opportunities to develop the skills needed to be attractive candidates for employment in the adult-use marijuana industry. Accordingly, ARL will employ a multi-faceted approach to attracting and supporting Impacted Individuals.

First, in concert with its community partners, which currently include Bristol Community College, the Greater New Bedford Career Center, Associated Career Network, LLC, CareerOneStop, and SouthCoast Job Fair ("Community Partners"), ARL will participate at

¹ For the avoidance of doubt, as used in this narrative, "Impacted Individuals" are defined to be: 1) residents of New Bedford; 2) residents of Taunton; 3) residents of other Massachusetts municipalities who have past drug convictions; and/or 4) residents of other Massachusetts municipalities or who have parents or spouses with drug convictions. Each of these groups has been identified in Commission guidance as "populations falling within areas of disproportionate impact." It is possible that a given individual may meet more than one of these criteria. In any event, this narrative targets only these Impacted Individuals, and does not target individuals that would fall within the scope of ARL's Diversity Plan.

community jobs fairs in the region, and broadcast open opportunities through its Communities Partners on a quarterly or more frequently based hiring demands. Evidence of ARL's communications with its Community Partners is attached hereto as Exhibit A. ARL will also give hiring preference to qualified Impacted Individuals. ARL's Human Recourse team will work with Community Partners to identify qualified Impacted Individuals to fill open positions within the company.

Second, to bolster its positive impact on the New Bedford and Taunton communities, ARL will also introduce an internship training program ("ARL Internship Program") during the first 2 years of operation of its facilities in New Bedford and Middleboro (the "Facilities"), where a limited number of skilled entry-level positions (e.g., trimmer and cultivation aide positions, retail assistants etc.) will be made available only to Impacted Individuals. ARL will work specifically with Bristol Community College² to identify students over the age of 21 interested in employment in the adult-use marijuana industry and small-business management. Interns will be trained on the different jobs involved in the cultivation and manufacturing processes (including growing, trimming and extracting) and/or the retail operations of a marijuana business. Interns will also be trained on applicable state and local requirements and restrictions relating to marijuana cultivation, product manufacturing and retailing, and they will be evaluated and given constructive feedback as they go through the training process. The ultimate goal of the ARL Internship Program is to educate and train Impacted Individuals who otherwise lack experience in the adult-use marijuana industry with the expectation that, upon completion of the internship program, interns will possess the job skills and experience to secure gainful employment at any adult-use facility within the Commonwealth. ARL will re-evaluate the success of the internship program after 2 years and expects that the ARL Internship Program will grow proportionally with the company.

Third, ARL will establish free, public training session for any Impacted Individuals who are interested in learning about the adult-use marijuana industry in both New Bedford and Taunton. The training sessions will be tailored to provide the basic skills and background information needed to secure employment and within the Commonwealth's adult-use marijuana industry. ARL will host these informative training sessions at Fairfield Inn located at 185 MacArthur Dr, New Bedford, MA 02740.

Positive Impact Measurement

ARL will track its positive impact and community outreach efforts. With its Community Partners, ARL will record and maintain (in accordance with the Commission's record keeping procedures) employment applications, for both full-time employment opportunities and ARL Internship Program positions, with the expectation that applications from Impacted Individuals will steadily increase during ARL's first 5 years of operation of its Facilities. In addition, ARL will record and document its participation at local job fairs and pledges to participate in at least 3 jobs fairs per year (at least one of which will be in Middleboro or Taunton, and the others in New Bedford). ARL will log and track communications with any Impacted Individuals occurring at these job fairs and also record any subsequent follow-up communications.

In addition, ARL will host at least one public training session within the first year of operations and will then reevaluate the program specifics and frequency of future training sessions based on feedback from attendees and its Community Partners.

ARL will also hire at least 2 interns as part of the ARL Internship Program during the first 2 years of operations of the Facilities, and expects that the company will hire more interns in future years, depending on the growth and success of the Facilities. During its first year of operations, ARL will hire at least one intern. Moreover, ARL's charitable support team will complete the first cycle of ARL's grant funding initiative within the first year of operations.

Finally, ARL's long-term target is to hire a working staff (i.e., all company positions below the level of manager) that is at least 50 % composed of Impacted Individuals by year 5 of operations. The Human Resources Manager will oversee progress toward this long-term hiring goal by obtaining annually, employee biographical data through self identifying surveys. ARL also intends to meet the following intermediate positive impact hiring goals in years 1-4 of operation:

Commencement of Operations: minimum 25% Impacted Individual employment.

End of Year 1: minimum 30 % Impacted Individual employment.

End of Year 2: minimum 35% Impacted Individual employment.

End of Year 3: minimum 40 % Impacted Individual employment.

End of Year 4: minimum 45 % Impacted Individual employment.

ARL's Human Resources Manager will include in the Annual Audit Report a narrative describing ARL's progress towards these interim and long-term positive impact hiring goals. These short-term metrics and will ensure that ARL is regularly evaluating progress toward its positive impact plan hiring goals and employing corrective actions if intermediary targets are not met.

Positive Impact Plan Acknowledgments

ARL pledges to adhere to the requirements set forth in 935 CMR 500.105(4)(a) which provides the permitted advertising, branding, marketing and sponsorship practices for all Marijuana Establishments. ARL likewise pledges not to employ any of the prohibited practices articulated in 935 CMR 500.105(4)(b). Finally, none of the actions taken or programs instituted by ARL will violate the Commission's regulations with respect to limitations on ownership or control or any other applicable state laws.

If any meeting is adjourned to a date more than 120 days after the date fixed for the original meeting, the directors shall fix a new record date.

5. Notice of Meetings.

Written notice of the place, day and hour of all meetings of shareholders shall be given by the secretary, the assistant secretary or an officer designated by the directors, at least seven days but no more than 60 days before the meeting, to each shareholder entitled to vote thereat and to each shareholder who, by the Act, under the articles of organization or under these bylaws, is entitled to such notice. Notice of an adjourned meeting shall be given only if a new record date is fixed, in which case notice shall be given to all shareholders as of the new record date. The notice of a meeting shall state the purposes of the meeting. At a special meeting of shareholders, only business within the purpose or purposes described in the meeting notice may be conducted. Notice may be given by leaving such notice with the shareholder or at his residence or usual place of business, by mailing it, postage prepaid, and addressed to such shareholder at his address as it appears in the books of the corporation, by facsimile telecommunication directed to a number furnished by the shareholder for the purpose, by electronic mail to the electronic mail address of the shareholder as it appears in the books of the corporation, or by any other electronic transmission (defined as any process of communication that does not directly involve the physical transfer of paper and that is suitable for the retention, retrieval and reproduction of information by the recipient). The

corporation shall be entitled to rely on the address of a shareholder last notified to the corporation. In case of the death, absence, incapacity or refusal of the secretary, the assistant secretary or the officer designated by the directors, such notice may be given by any other officer or by a person designated either by the secretary or by the person or persons calling the meeting or by the board of directors. Whenever notice of a meeting is required to be given to a shareholder under any provision of the Act or of the articles of organization or these bylaws, no such notice need be given to a shareholder, if a written waiver of notice, executed before or after the meeting by such shareholder or his attorney, thereunto authorized, is filed with the records of the meeting.

6. Shareholders List for Meeting.

After fixing a record date for a meeting of shareholders, the secretary shall prepare an alphabetical list of all shareholders who are entitled to notice of the meeting. The shareholders list shall be available for inspection by any shareholder, his agent or attorney during the period beginning two days after notice of the meeting is given and continuing through the meeting at the corporation's principal office, at a place identified in the meeting notice or, if the meeting is to be held only by remote communication, on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting. A shareholder or his agent or attorney may copy the list at the principal office at his own expense as permitted by the Act.

7. Quorum.

At any meeting of the shareholders, a majority in interest of all the shares issued, outstanding and entitled to vote upon a question to be considered at such meeting shall constitute a quorum for the consideration of such question, except that, if two or more voting groups are entitled to vote upon such question as separate voting groups, then, in the case of each such voting group, a quorum shall consist of a majority of the votes entitled to be cast by the voting group for action on that matter. Notwithstanding the foregoing, shareholders, by a majority of the votes properly cast upon the question whether or not a quorum is present, may adjourn any meeting from time to time, and the meeting may be held as adjourned without further notice. A share once represented for any purpose at a meeting is deemed present for quorum purposes for the remainder of the meeting and for any adjournment thereof, unless (a) the shareholder attends solely to object to lack of notice, defective notice, or the conduct of the meeting on other grounds, and does not vote the shares or otherwise consent that they are to be deemed present; or (b) in the case of an adjournment, a new record date is or shall be set for that adjourned meeting.

8. Voting and Proxies.

Unless otherwise provided by the articles of organization, each shareholder shall have one vote for each share held by him of record on the record date and entitled to vote on the question or questions to be considered at any meeting of the shareholders according to the records of the corporation. Shareholders may vote either in person or by proxy appointed by written appointment form signed by the shareholder or his attorney in fact. An appointment form shall be valid for the period stated therein, or, if no period is stated, for a period of 11 months from the date the shareholder signed the form, or the date of its receipt by the secretary or his agent, if undated. Appointment forms shall be filed with the secretary or other officer or agent authorized to tabulate votes before being voted. Except as otherwise limited therein, appointment forms appointing

proxies for a particular meeting shall entitle the persons named therein to vote at any adjournment of such meeting but shall not be valid after final adjournment of such meeting.

9. Action at Meeting.

When a quorum of a voting group is present for the consideration of a matter at any meeting of the shareholders, favorable action on a matter, otherwise than the election of directors, is taken by the voting group if a majority in interest of the shares present in person or by proxy and entitled to vote on such question votes in favor of the action, except where a larger vote is required by the Act, the articles of organization or these bylaws. Any election of directors by a voting group shall be determined by a plurality of the votes cast by shareholders in the voting group present in person or by proxy at the meeting and entitled to vote in the election. No ballot shall be required for such election unless requested by a shareholder present in person or by proxy at the meeting and entitled to vote in the election. Shares of the corporation are not entitled to vote if they are owned, directly or indirectly, by another entity of which the corporation owns, directly or indirectly, a majority of the voting interests. The corporation may, however, vote any shares, including its own shares, held by it, directly or indirectly, in a fiduciary capacity.

10. Action without Meeting.

Any action required or permitted to be taken at any meeting of the shareholders may be taken without a meeting by all shareholders entitled to vote on the action, or if the articles of organization so provide, by shareholders having not less than the minimum number of votes necessary to take the action at a meeting at which all shareholders entitled to vote on the action are present and voting, as evidenced by written consents of such shareholders that describe the action taken, are signed by shareholders having the requisite votes, bear the date of the signatures of such shareholders, and are delivered to the corporation for inclusion with the records of meetings within 60 days of the date of the earliest dated consent delivered to the corporation. The corporation must, at least seven days before it takes any action in reliance on consent obtained in accordance with this provision, give written notice of its intended action to shareholders not entitled to vote on the action in any case where the Act would require such notice if the action were to be taken by voting shareholders at a meeting, and, if the action will be taken with less than unanimous consent, to all shareholders entitled to vote who did not consent to the action. Such notice shall be accompanied by the same material that the Act or these bylaws would require to be sent to such shareholders with a notice of meeting. The corporation may, for convenience, specify an effective date for such consents, provided that the corporation shall not take action in reliance upon such consents except in compliance with the articles of organization and these bylaws.

11. Electronic Action.

Any vote, consent, waiver, proxy appointment or other action by a shareholder shall be considered given in writing, dated and signed if it consists of an electronic transmission that allows the corporation to determine: (a) the date the transmission was sent; and (b) that the sender of the transmission was the relevant shareholder, proxy, or agent, or a person authorized to act on any such person's behalf. The date on which the electronic transmission was sent shall be considered the date on which it was signed.

ARTICLE III

DIRECTORS

1. Powers.

All corporate power shall be exercised by or under the authority of, and the business and affairs of the corporation shall be managed under the direction of, a board of directors, subject to any limitation set forth in the articles of organization or in a shareholders' agreement. In the event of a vacancy in the board of directors, the remaining directors may exercise the powers of the full board until the vacancy is filled.

2. Size of Board.

The board of directors shall consist of at least one director. No director need be a shareholder.

3. Vacancies.

Any vacancy in the board of directors, including a vacancy resulting from the enlargement of the board, may be filled by the shareholders, by the board of directors, or if the directors remaining in office constitute fewer than a quorum, they may fill the vacancy by the vote of a majority of all the directors remaining in office. If the vacant office was held by a director elected by a voting group of shareholders, only the shareholders of that voting group or directors elected by that voting group are entitled to fill the vacancy.

4. Tenure.

Except as otherwise provided by the articles of organization or by these bylaws, each director shall hold office until the next annual meeting of shareholders and thereafter until such director's successor is elected and qualified or until such director sooner dies, resigns, is removed or becomes disqualified.

5. Committees.

The directors may, by vote of a majority of all directors then in office, elect from their number an executive or other committees, provided however that if the articles of organization or these bylaws provide that the number of directors required to take board action is greater than a majority of all directors then in office, then the vote of such greater number shall be required to elect any committee. Except as the directors may otherwise determine, any such committee may make rules for the conduct of its business, but unless otherwise provided by the directors or in such rules, its business shall be conducted as nearly as may be in the same manner as is provided by these bylaws for the directors. The directors may delegate to any committee some or all of their powers except those which they are prohibited from delegating by any provision of law or by the articles of organization or these bylaws. Without limitation of the foregoing, a committee may not (a) authorize distributions; (b) approve or propose to shareholders action that is required by law to be approved by shareholders; (c) change the number of the board of directors, remove directors from office or fill vacancies on the board of directors; (d) amend the articles of organization; (e)

adopt, amend or repeal these bylaws; or (f) authorize or approve reacquisition of shares, except according to a formula or method prescribed by the board of directors.

6. Meetings.

Regular meetings of the directors may be held without call or notice at such places and at such times as the directors may from time to time determine. Any or all of the directors may participate in a meeting of the directors or of a committee thereof by, or conduct the meeting through the use of, any means of communication by which all directors participating may simultaneously hear each other during the meeting; and participation by such means shall constitute presence in person at any such meeting.

A regular meeting of the directors may be held immediately following the annual meeting of shareholders at the same place as such shareholders' meeting. Special meetings of the directors may be held at any time and place designated in a call of the meeting by the chairman of the board, if any, the president or two or more directors.

7. Notice of Special Meetings.

Notice of the date, time and place of all special meetings of the directors shall be given to each director by the secretary, or assistant secretary, or by the officer or one of the directors calling the meeting. Notice shall be given to each director in person, by telephone, voice mail, facsimile telecommunication, telegram or other electronic means sent to his usual or last known business or home address or phone number or by electronic mail to the electronic mail address of the director as last notified to the corporation at least 24 hours in advance of the meeting or by mailing it to either such business or home address at least 48 hours in advance of the meeting. Notice need not be given to any director if a written waiver of notice, executed by him before or after the meeting, is filed with the records of the meeting, or to any director who attends the meeting without protesting, prior to or at the meeting's commencement, the lack of notice to him. A notice or waiver of notice of a directors' meeting need not specify the purposes of the meeting.

8. Quorum.

At any meeting of the directors, a quorum of the board of directors shall be a majority of the directors in office immediately before the meeting begins. Any meeting may be adjourned from time to time by a majority of the votes cast upon the question, whether or not a quorum is present, and the meeting may be held as adjourned without further notice.

9. Action at Meeting.

If a quorum is present when a vote is taken, the vote of a majority of the directors present is an act of the board of directors, unless the articles of organization or these bylaws require the vote of a greater number of directors.

10. Action by Consent.

Any action required or permitted to be taken at any meeting of the directors may be taken without a meeting if all directors then in office consent to the action in a writing signed by each director, or by electronic transmission delivered to the corporation to the address specified by the

corporation for the purpose or, if no address is specified, to the principal office of the corporation addressed to the secretary or other officer or agent having custody of the records of proceedings of directors, provided that such written consents and/or electronic transmissions shall be included in the minutes or filed with the corporate records reflecting the action taken. Action taken by written consent is effective when the last director signs or delivers consent, unless the consent specifies a different effective date. Consents given in accordance with this provision shall be treated as a vote of the directors for all purposes.

ARTICLE IV

OFFICERS

1. Enumeration.

The officers of the corporation shall consist of a president, a treasurer, a secretary, and such other officers, if any, including a chairman and a vice chairman of the board of directors, one or more vice presidents, assistant treasurers and assistant secretaries, as the incorporators at their initial meeting or the directors from time to time may choose or appoint.

2. Appointment.

The president, treasurer and secretary shall be appointed annually by the directors at their first meeting following the annual meeting of shareholders. Other officers, if any, may be appointed by the board of directors at such meeting or at any other time.

3. Vacancies.

If any office becomes vacant by reason of death, resignation, removal, disqualification or otherwise, the directors may choose a successor or successors, who shall hold office for the unexpired term, except as otherwise provided by the Act, by the articles of organization or by these bylaws.

4. Qualification.

The president may, but need not be, a director. No officer need be a shareholder. Any two or more offices may be held by the same person. Any officer may be required by the directors to give bond for the faithful performance of his duties to the corporation in such amount and with such sureties as the directors may determine.

5. Tenure.

Except as otherwise provided by the articles of organization or by these bylaws, the president, treasurer and secretary shall hold office until the first meeting of the directors following the annual meeting of shareholders, and thereafter until such officer's successor is chosen and qualified; and all other officers shall hold office until the first meeting of the directors following the annual meeting of the shareholders or the special meeting in lieu thereof, unless a shorter term is specified in the vote choosing or appointing them, or in each case until such officer sooner dies, resigns, is removed or becomes disqualified.

6. Chairman and Vice Chairman of the Board.

A chairman or vice chairman of the board of directors shall have such powers as the directors may from time to time designate. Unless the board of directors otherwise specifies, the chairman of the board, or in his absence the vice chairman, shall preside at all meetings of the shareholders and of the board of directors. The chairman or vice chairman must be a director.

7. President and Vice President.

Except as otherwise determined by the directors, the president shall be the chief executive officer of the corporation and shall, subject to the direction of the directors, have general supervision and control of its business. Unless the board of directors otherwise specifies, in the absence of the chairman and vice chairman, if any, of the board of directors, the president shall preside, when present, at all meetings of shareholders and of the board of directors.

Any vice president shall have such powers as the directors may from time to time designate.

8. Treasurer and Assistant Treasurers.

The treasurer shall, subject to the direction of the directors, have general charge of the financial concerns of the corporation and the care and custody of the funds and valuable papers of the corporation, and books of account and accounting records. He shall have power to endorse for deposit or collection all notes, checks, drafts, and other obligations for the payment of money payable to the corporation or its order, and to accept drafts on behalf of the corporation.

Any assistant treasurer shall have such powers as the directors may from time to time designate.

9. Secretary and Assistant Secretary.

Unless a transfer agent is appointed, the secretary shall keep or cause to be kept the stock and transfer records of the corporation in which are contained the names of all shareholders and the record address and the amount of shares held by each. The secretary shall record all proceedings of the shareholders in a paper record, or in another form capable of conversion into a paper record within a reasonable time. Such records shall be kept at the principal office of the corporation or at the office of its transfer agent or of the secretary and shall be open at all reasonable times to the inspection of any shareholder.

If a secretary is elected, he shall record all proceedings of the directors in a paper record, or in another form capable of conversion into a paper record within a reasonable time. Any assistant secretary shall have such powers as the directors may from time to time designate. In the absence of the secretary from any meeting of the directors, any assistant secretary, or a temporary secretary designated by the person presiding at such meeting, shall record such proceedings.

10. Other Powers and Duties.

Each officer shall, subject to these bylaws, have in addition to the duties and powers specifically set forth in these bylaws, such duties and powers as are customarily incident to his office, and such duties and powers as the directors may from time to time designate.

ARTICLE V

RESIGNATIONS AND REMOVALS

1. Resignation.

Any director or officer may resign at any time by delivering his resignation in writing to the chairman of the board, if any, the president, the treasurer or the secretary or to a meeting of the directors. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

2. Removal of Director.

A director (including persons elected by directors to fill vacancies in the board) may be removed from office (a) with or without cause by majority vote of the shareholder voting group entitled to appoint such director, or (b) with cause by vote of the greater of a majority of the directors then in office or of the number of directors otherwise required to take an action of the board, except that if a director is appointed by a voting group of shareholders, only directors appointed by that voting group may vote to remove him. A director may be removed by the shareholders or the directors only at a meeting called for the purpose of removing him and the meeting notice must state that the purpose, or one of the purposes, of the meeting is removal of the director.

3. Removal of Officer.

The directors may remove any officer at any time with or without cause.

4. No Right to Compensation.

No director or officer resigning and (except where a right to receive compensation shall be expressly provided in a duly authorized written agreement with the corporation) no director or officer removed, shall have any right to any compensation as such director or officer for any period following his resignation or removal, or any right to damages on account of such removal, whether his compensation be by the month or by the year or otherwise, unless in the case of a resignation, the directors, or in the case of a removal, the body acting on the removal, shall in their or its discretion provide for compensation.

ARTICLE VI

SHARES

1. Amount Authorized.

The total number of authorized shares shall be as fixed in the articles of organization.

2. Stock Certificates; Statements for Uncertificated Stock.

Shares of the corporation may be certificated or uncertificated. Each shareholder shall be entitled to: (a) for certificated stock, a certificate of the stock of the corporation setting forth the

number of shares and the class and the designation of the series in such form as shall, in conformity with law, be prescribed from time to time by the directors; and (b) for uncertificated stock, a written information statement setting forth the number of shares and the class and the designation of the series of the stock. Each certificate shall be signed by any two of the following officers: the president, any vice president, the treasurer, any assistant treasurer, the secretary or any assistant secretary, either by real or facsimile signatures, and may bear the corporate seal or its facsimile. In case any officer who has signed or whose facsimile signature has been placed on such certificate shall have ceased to be such officer before such certificate is issued, it may be issued by the corporation with the same effect as if he were such officer at the time of its issue.

Every certificate or information statement for shares which are subject to any restriction on transfer pursuant to the articles of organization, these bylaws or any agreement to which the corporation is a party shall have the restriction noted conspicuously on the certificate or information statement and shall also set forth on the face or back either the full text of the restriction or a statement of the existence of such restriction and a statement that the corporation will furnish a copy thereof to the holder of such certificate or statement upon written request and without charge. Every certificate or statement issued when the corporation is authorized to issue more than one class or series of stock shall set forth on its face or back either the full text of the preferences, voting powers, qualifications and special and relative rights of the stock of each class and series authorized to be issued or a statement of the existence of such preferences, powers, qualifications and rights and a statement that the corporation will furnish a copy thereof to the holder of such certificate or statement upon written request and without charge.

3. Transfers.

Subject to the restrictions, if any, stated or noted on the stock certificates or information statements, shares may be transferred on the books of the corporation by: (a) for certificated stock, the surrender to the corporation or its transfer agent of the certificate therefor properly endorsed or accompanied by a written assignment and power of attorney properly executed, with necessary transfer stamps affixed, and with such proof of the authenticity of signature as the corporation or its transfer agent may reasonably require; and (b) for uncertificated stock, by delivery to the corporation or its transfer agent of an instruction with a request to register a transfer properly executed by the transferring shareholder, and with such proof of authenticity of signature as the corporation or its transfer agent may reasonably require. Except as may be otherwise required by the Act, by the articles of organization or by these bylaws, the corporation shall be entitled to treat the record holder of shares as shown on its books as the owner of such shares for all purposes, including the payment of dividends and the right to receive notice and to vote with respect thereto, regardless of any transfer, pledge or other disposition of such shares, until the shares have been transferred on the books of the corporation in accordance with the requirements of these bylaws.

4. Record Date for Purposes Other Than Meetings.

The directors may fix in advance a time not more than 70 days preceding the date for the payment of any dividend or the making of any distribution to shareholders or the last day on which the consent or dissent of shareholders may be effectively expressed for any purpose, as the record date for determining the shareholders having the right to receive such dividend or distribution or the right to express such consent or dissent. In such case only shareholders of record on such date shall have such right, notwithstanding any transfer of shares on the books of the corporation after the

record date. If no record date is fixed, the record date for determining shareholders shall be at the close of business on the day on which the board of directors acts with respect thereto.

5. Replacement of Certificates.

In case of the alleged loss or destruction or the mutilation of a stock certificate, a duplicate certificate may be issued in place thereof, upon such terms as the directors may prescribe.

ARTICLE VII

MISCELLANEOUS PROVISIONS

1. Fiscal Year.

The fiscal year of the corporation shall end on the date determined from time to time by the board of directors.

2. Seal.

The seal of the corporation shall, subject to alteration by the directors, consist of a flat-faced circular die with the word "Massachusetts", together with the name of the corporation and the year of its organization cut or engraved thereon.

3. Registered Agent and Registered Office.

The corporation shall continuously maintain in Massachusetts: (a) a registered agent who may be an officer of the corporation or another individual, a domestic corporation or not-for-profit domestic corporation, or a foreign corporation or not-for-profit foreign corporation qualified to do business in Massachusetts; and (b) a registered office, which may, but need not be, the same as any of its places of business. The business office of the registered agent shall also be the registered office of the corporation. The corporation shall record any change of its registered office or registered agent by filing a statement of change with the Secretary of the Commonwealth.

4. Execution of Instruments.

All deeds, leases, transfers, contracts, bonds, notes and other obligations authorized to be executed on behalf of the corporation shall be signed by the chairman of the board, if any, the president or the treasurer except as the directors may generally or in particular cases otherwise determine.

5. Voting of Securities.

Except as the directors may otherwise designate, the president or treasurer may waive notice of, act and appoint any person or persons to act as proxy or attorney in fact for this corporation (with or without power of substitution) at any meeting of the shareholders, members or other constituent parties of any other corporation, organization or entity in which the corporation holds securities or other type of ownership interest.

6. Corporate Records to be Maintained and Available to All Shareholders.

The corporation shall keep in Massachusetts at the principal office of the corporation, or at an office of its transfer agent, secretary, assistant secretary or registered agent, a copy of the following records: (a) its articles of organization and bylaws then in effect; (b) resolutions adopted by the directors creating classes or series of stock and fixing their relative rights, preferences and limitations, if shares issued pursuant to those resolutions are outstanding; (c) the minutes of all shareholders' meetings, and records of all action taken by shareholders without a meeting, for the past three years; (d) all written communications to shareholders generally during the past three years, including annual financial statements issued pursuant to the Act; (e) a list of the names and business addresses of its current directors and officers; and (f) its most recent annual report delivered to the Massachusetts Secretary of the Commonwealth. Said copies and records may be kept in written form or in another form capable of conversion into written form within a reasonable time. A shareholder is entitled to inspect and copy such records, during regular business hours at the office at which they are maintained, on written notice given at least five business days before the date he wishes to inspect and copy.

7. Indemnification.

The corporation shall, to the fullest extent permitted by law, indemnify each of its directors and officers (including persons who serve at its request as directors, officers, or trustees of another organization in which it has any interest as a shareholder, creditor or otherwise or in any capacity with respect to any employee benefit plan), against all liabilities and expenses, including amounts paid in satisfaction of judgments, in settlement or as fines and penalties, and counsel fees, reasonably incurred by him in connection with the defense or disposition of any action, suit or other proceeding, whether civil or criminal, in which he may be involved or with which he may be threatened, while in office or thereafter, by reason of his being or having been such a director or officer, if: (a) he conducted himself in good faith and in the reasonable belief that his conduct was in the best interests of the corporation or at least not opposed to the best interests of the corporation, and, in the case of any criminal proceeding, he had no reasonable cause to believe his conduct was unlawful; or (b) he engaged in conduct for which he shall not be liable under the articles of organization; provided, however, that the corporation shall not indemnify or advance expenses to any person in connection with any action, suit, proceeding, claim or counterclaim initiated by or on behalf of such person. Such indemnification shall be provided although the person to be indemnified is not currently a director, officer, partner, trustee, employee or agent of the corporation or such other organization or no longer serves with respect to any such employee benefit plan.

Notwithstanding the foregoing, no indemnification shall be provided unless a determination has been made that indemnification is permitted by law for a specific proceeding:

(a) if there are two or more disinterested directors, by the board of directors by a majority vote of all the disinterested directors, a majority of whom for such purpose shall constitute a quorum, or by a majority of the members of a committee of two or more disinterested directors appointed by vote; or

(b) by special legal counsel selected either (i) in the manner prescribed in clause (a) above, or (ii) if there are fewer than two disinterested directors, by the board of directors, in which case directors who do not qualify as disinterested directors may participate in the selection; or

(c) by the holders of a majority of the corporation's outstanding shares at the time entitled to vote for directors, voting as a single voting group, exclusive of any shares owned by or voted under the control of any interested director or officer.

The right of indemnification hereby provided shall not be exclusive of or affect any other rights to which any director or officer may be entitled; nothing contained in this section shall affect any rights to indemnification to which employees, independent contractors or agents, other than directors and officers, may be entitled by contract or otherwise under law. As used in this paragraph, the terms "director" and "officer" include their respective heirs, executors and administrators, and an "interested" director or officer is one against whom in such capacity the proceedings in question or another proceeding on the same or similar grounds is then pending.

Any repeal or modification of the foregoing provisions of this section shall not adversely affect any right or protection of a director or officer of the corporation with respect to any acts or omission of such director or officer occurring prior to such repeal or modification.

8. Advance of Expenses.

The corporation shall, before final disposition of a proceeding, and to the fullest extent permitted by law, advance funds to pay for or reimburse the reasonable expenses incurred by a director, officer or other person who is a party to a proceeding for which he would be or may be entitled to indemnification as set forth in these bylaws, provided that he delivers to the corporation a written affirmation of his good faith belief that he has met the relevant standard of conduct described in these bylaws, and his written undertaking to repay any funds advanced if he is not entitled to mandatory indemnification under applicable law and it is ultimately determined that he has not met the relevant standard for indemnification set forth in these bylaws.

9. Amendments to Bylaws.

These bylaws may at any time be amended by vote of the shareholders or may be amended by vote of a majority of the directors then in office, except that bylaw provisions dealing with quorum or voting requirements for shareholders, including additional voting groups, may not be adopted, amended or repealed by the board of directors. Notice of any change to these bylaws by the directors, stating the substance of such change, shall be given to all shareholders entitled to vote on amending these bylaws not later than the time that notice of the shareholders' meeting next following such change is required to be given.

10. Director Conflict of Interest

A conflict of interest transaction is a transaction with the corporation in which a director has a material direct or indirect interest (an "Interested Director"). Without limiting the interests that may create conflict of interest transactions, a director has an indirect interest in a transaction if another entity in which he has a material financial interest or in which he is a general partner is a party to the transaction (a "Related Party"), or if another entity of which he is a director, officer, or trustee or in which he holds another position is a party to the transaction and the transaction is or should be considered by the board of directors of the corporation.

A conflict of interest transaction is not voidable by the corporation solely because of the director's interest in the transaction if: (a) the material facts of the transaction and the director's interest were disclosed or known to the board or a committee of the board, and the board or

committee authorized, approved or ratified the transaction by the vote of a majority of the directors on the board or committee who have no direct or indirect interest in the transaction, but a transaction may not be authorized, approved, or ratified by a single director; (b) the material facts of the transaction and the director's interest were disclosed or known to the shareholders entitled to vote and they authorized, approved, or ratified the transaction by the vote of a majority of the shares entitled to vote or (c) the transaction was fair to the corporation. In the case of clause (b) above, shares owned by or voted under the control of any Interested Director or Related Party shall not be entitled to vote.

1.2 Vision

ARL envisions being a community-oriented organization that provides registered patients and customers over the age of 21 with safe access to high quality marijuana, wellness services and educational resources.

ARL foresees the Middleboro facility serving as a model marijuana retailer in the Commonwealth comprised of experts from a diverse range of backgrounds that will adhere to strict compliance with all state and local regulations, while maintaining the highest standards of safe and professional operation.

As a company with roots in the community, ARL is committed to creating sustainable value for its employees and its customers by drawing inspiration from the traditions of authenticity, hard-work, family and community.

1.3 Product

ARL will offer high-grade marijuana and extract products consistent with the limits, quality and testing standards set forth by the Cannabis Control Commission (the “Commission”). In addition to traditional sativa, indica, and hybrid marijuana flower, ARL will offer marijuana-infused products containing THC in weights and dosages consistent with Commission limits, quality and testing standards, tracking and traceability, other regulatory standards, and consumer demands for safe and regulated products.

1.4 Customers

Target customers include qualified registered patients and consumers who are over the age of 21. ARL intends to serve all demographics equally and without differentiation by creating an experience appealing to anyone with an interest in purchasing high quality marijuana products.

2. COMPANY DESCRIPTION

2.1 Structure

ARL is a Massachusetts domestic for-profit corporation applying for a licenses from the Massachusetts Cannabis Control Commission (the “Commission”) to operate Collocated Marijuana Operations (“CMO”); specifically, a Tier 4 Marijuana Cultivator, a Marijuana Product Manufacturer, and Marijuana Retailer in the Commonwealth for both medical and adult-use marijuana. ARL currently has a provisional Certificate of Registration for a Registered Marijuana Dispensary for a Retail Dispensary in Middleboro (Harding Street) and a Cultivation and Processing Facility in New Bedford. ARL is currently in good

standing and in compliance with the RMD operational and security requirements and any other conditions imposed by the Commission to ensure the RMD will operate in accordance with applicable Massachusetts laws and regulations.

The location for ARL's retail facility will be located at 29 Harding Street, Middleboro, MA, formerly the Kahian's Furniture store. We are proud to be taking a formerly productive community business that was vacant and revitalize it so it can once again be a productive respected local business. MariMed, Inc. ("MariMed"), ARL's parent company, purchased the 8,000 square foot facility in August of 2017, and will lease the facility to ARL.

In accordance with G.L. c. 94G, § 5(b)(3) and § 8.5.5.2.a of the Middleboro Zoning Ordinance, ARL's proposed facility is not located within five hundred (500) feet of any public or private school or daycare center. Moreover, ARL's Middleboro marijuana retailer facility will not adversely affect any libraries, playgrounds, parks, martial arts and dance studios, houses of worship, pediatric medical offices, toy stores, or comic bookstores. In addition, ARL's Middleboro marijuana retailer facility will not cause a public nuisance and shall otherwise operate in accordance with § 8.5.7 of the Marijuana Zoning Ordinance.

The site build-out will consist of completing a construction program to build the infrastructure specified in its site design specifications. Cosmetic and functional modifications will be based on the recommendations of design consultants. The build out includes electrical upgrades, design and remodel of the dispensary portion of the building, HVAC upgrades and plumbing installation.

The location of ARL's cultivation and manufacturing facility will be located at 177 John Verdent Blvd, New Bedford, MA. The building was previously home to Aerovox Corp. The Facility is approximately 70,000 square foot, owned by Marimed and leased to ARL.

In accordance with the City of New Bedford's Zoning Ordinance ARL Healthcare's proposed growing and processing marijuana establishment in New Bedford is located in a IC district e.g., industrial zoning district (A [IA], B [IB], C [IC]), which allows for the siting of marijuana producers pursuant to issuance of a special permit. In compliance with 4143B of New Bedford's Zoning Ordinance, ARL Healthcare has received a Host Community Agreement and is in the process of special permitting from the New Bedford Planning Board.

Furthermore it meets 4131B.(ii)(a) qualifications in the ordinance as the proposed facility is not located within five hundred (500) feet of any public or private school providing education in grades 1-12, licensed day care center, nursery school, preschool, or building which operates as part of a public or private institute of higher learning, playground, park, public library, church... substance abuse treatment facility, Marijuana establishment, or Medical Marijuana Treatment Center or two hundred (200) of any dwelling unit.

ARL will file, in a form and manner specified by the Commission, an application for licensure as a CMO consisting of three packets: an Application of Intent packet; a Background Check packet; and a Management and Operations Profile packet (in addition to submission of the required fees).

2.2 Operations

ARL intends to be a vertically integrated CMO, operating under both an RMD registration pursuant to 935 CMR 501.000: *Medical Use of Marijuana*, and under a Marijuana Establishment license pursuant to 935 CMR 500.00: *Adult Use of Marijuana*, on the same premise. As a CMO, retail operations will be conducted at the Middleboro facility, and the cultivation and product manufacturing will be conducted at our New Bedford facility.

ARL will establish inventory controls and procedures for conducting inventory reviews and comprehensive inventories of marijuana products in the process of cultivation and finished, stored marijuana. ARL will tag and track all marijuana seeds, clones, plants, and marijuana products, using a seed-to-sale methodology in a form and manner to be approved by the Commission. Please see ARL's Inventory Procedures for greater detail.

No marijuana product, including marijuana, will be sold or otherwise marketed that is not tested by Independent Testing Laboratories, except as allowed under 935 CMR 500.000.

ARL will maintain records, including all records required in any section of 935 CMR 500.000, which will be available for inspection by the Commission, upon request. The records will also be maintained in accordance with generally accepted accounting principles. Please see ARL's Recordkeeping Procedures for greater detail.

ARL will obtain and maintain general liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually, and product liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually, except as provided in 935 CMR

500.105(10)(b) or otherwise approved by the Commission. The deductible for each policy shall be no higher than \$5,000 per occurrence.

ARL will provide adequate lighting, ventilation, temperature, humidity, space, and equipment, in accordance with applicable provisions of 935 CMR 500.105 and 500.110.

All recyclables and waste, including organic waste composed of or containing finished marijuana and marijuana products, will be stored, secured, and managed in accordance with applicable state and local statutes, ordinances, and regulations. Organic material, recyclable material, solid waste, and liquid waste containing marijuana or by-products of marijuana processing will be disposed of in compliance with all applicable state and federal requirements.

ARL will demonstrate consideration of the factors for Energy Efficiency and Conservation outlined in 935 CMR 500.105(15) as part of its operating plan and application for licensure.

Prior to commencing operations, ARL will provide proof of having obtained a surety bond in an amount equal to its licensure fee payable to the Marijuana Regulation Fund to ensure payment of the cost incurred

for the destruction of cannabis goods necessitated by a violation of St. 2016, c. 334, as amended by St. 2017, c. 55 or 935 CMR 500.000 or the cessation of operation of and agents will comply with all local rules, regulations, ordinances, and bylaws.

ARL has already received:

1. RMD Priority Applicant Status for its Marijuana Establishment license applications;
2. Provisional Certificate of Registration for RMD status;
3. Host Community Agreements for its proposed facilities; and
4. Retail License Bond (\$5,000).

2.3 Security

ARL will contract with a professional security and alarm company to design, implement, and monitor a comprehensive security plan to ensure that the facility is a safe and secure environment for employees and the local community.

The state-of-the-art security system will consist of perimeter windows, as well as duress, panic, and holdup alarms connected to local law enforcement for efficient notification and response in the event of a security threat. The system will also include a failure notification system that will immediately alert the executive management team if a system failure occurs.

A redundant alarm system will be installed to ensure that active alarms remain operational if the primary system is compromised.

Security personnel will be on-site during business hours, and all interior and exterior HD video surveillance of all areas that contain marijuana, entrances, exits, and parking lots will be operational and

monitored 24/7 and available to local law enforcement for review and monitoring as well. These surveillance cameras will remain operational even in the event of a power outage.

The exterior of both facilities will be sufficiently lit, and foliage will be minimized to ensure clear visibility of the area at all times.

Only registered agents and other authorized visitors (e.g. contractors, vendors) will be allowed access to limited access areas of the facility, and a visitor log will be maintained in perpetuity.

All agents and visitors will be required to visibly display an ID badge and will maintain a current list of individuals with access.

On-site consumption of marijuana by employees and visitors will be strictly prohibited.

2.4 Benefits to the Municipality

ARL looks forward to working cooperatively with the local municipalities to ensure that we operate as a responsible, contributing member of the community. ARL anticipates establishing a mutually beneficial relationship with the community in exchange for permitting ARL to site and operate in Middleboro and New Bedford. Each community stands to benefit in various ways, including but not limited to the following:

- **Additional Revenue.** Generating substantial tax (including local marijuana tax and real estate taxes) revenues, as well as significant monetary donations required by the Host Community Agreement.
- **Jobs.** The dispensing facility in Middleboro will add approximately 20-25 full-time jobs, the cultivation facility in New Bedford will have an additional 50-100 full and part-time jobs in addition to hiring qualified, local contractors and vendors.
- **Quality Products.** Will provide the opportunity for qualified consumers in the Commonwealth to obtain high quality marijuana and marijuana products that are diligently tested for cannabinoid content and contaminants.⁵
- **Security and Controls.** In addition to strict compliance with the Commission's security regulations, work closely with local Police Departments and other municipal departments that have oversight over the security systems and processes.
- **Economic Development.** Ensuring the continued use of important commercial property as part of the ongoing development efforts in both New Bedford and the Town of Middleboro. The build-out and occupancy of the property will also contribute to the revitalization of the surrounding area and further contribute to the overall economic development of the local community.

2.5 Competitive Advantage

Experience is one of ARL's major competitive advantages over its competition. Our team of executives has decades of combined experience in highly-competitive retail markets including the marijuana

industry. Additionally, ARL is an affiliate of MariMed, a publicly-traded company involved nationwide in operating and consulting for all aspects of the marijuana industry—cultivating, extracting, infusing, retail, wholesale, medical, and recreational. MariMed has significant experience advising and managing marijuana cultivation and dispensing sites. MariMed is affiliated with 11 marijuana licenses across five states—two in Delaware, two in Illinois, one in Nevada, three in Maryland, one in Rhode Island (the Thomas C. Slater Compassion Center, the largest not-for-profit medical marijuana facility in RI).

Equally as important, ARL's purpose-driven mission and brand messaging will create a competitive advantage over other marijuana retailers in the Commonwealth. Similarly, we believe commitment to source product from our own local cultivation and manufacturing facility will provide the highest quality products that will resonate with consumers and differentiate us from the competition. So too will the quality and uniqueness of the shopping experience and superior customer service. ARL will utilize state-of-the-art technology and showcase products in a beautifully designed interior retail space modeled after the proven high-end marijuana retailer affiliates of MariMed.

3. MARKETING AND PRICING

ARL will engage in reasonable marketing, advertising, and branding practices that are not otherwise prohibited in 935 CMR 500.105(4)(b) that do not jeopardize the public health, welfare or safety of the general public or promote the diversion of marijuana or marijuana use in individuals younger than 21 years old. Any such marketing, advertising and branding created for viewing by the public shall include the statement "Please Consume Responsibly," in a conspicuous manner on the face of the advertisement and shall include a minimum of two of the warnings, located at 935 CMR 500.105(4)(a), in their entirety in a conspicuous manner on the face of the advertisement.

All marketing, advertising and branding produced by or on behalf of ARL shall include the following warning, including capitalization, in accordance with M.G.L. c. 94G, § 4(a½)(xxvi): "This product has not been analyzed or approved by the Food and Drug Administration (FDA). There is limited information on the side effects of using this product, and there may be associated health risks. Marijuana use during pregnancy and breast-feeding may pose potential harms. It is against the law to drive or operate machinery when under the influence of this product. KEEP THIS PRODUCT AWAY FROM CHILDREN. There may be health risks associated with consumption of this product. Marijuana can impair concentration, coordination, and judgment. The impairment effects of edible marijuana may be delayed by two hours or more. In case of accidental ingestion, contact poison control hotline 1-800-222-1222 or 9-1-1. This product may be illegal outside of MA."

The goal of ARL is to provide a high-quality product that will be recognized and sought after by consumers and among adult use dispensaries in Massachusetts. Our focus on branding and brand messaging, and our commitment to quality will differentiate our product in the marketplace.

ARL is planning a responsible, targeted and integrated marketing program to raise awareness, interest and understanding of ARL's brand, its sustainability mission, its products and its educational resources. The program will include fully integrated website and digital marketing tools, proprietary search engine optimization techniques, social media, direct marketing and partnership programs with uncompromised attentiveness to only targeting adult markets per Commission regulations.

The ARL service model, shopping experience, variety of products and its plan to feature locally-sourced products combine to create unique selling opportunities, driving profitability. ARL also plans to offer loyalty programs and other incentives for high-volume customers.

Our locations will enable us to keep costs down and we anticipate that our pricing will be extremely competitive in the adult-use market. Pricing will also depend on a variety of factors including the availability of product in an emerging market.

4. CAPITALIZATION & FINANCIAL PROJECTIONS

4.1 Capitalization.

ARL currently has a provisional Certificate of Registration for a Registered Marijuana Dispensary for a Medical Marijuana Retailer facility in Middleboro and Cultivation in New Bedford and does not require additional funding to pursue a Marijuana Establishment license pursuant to 935 CMR 500.00: *Adult Use of Marijuana*, on the same premise as a CMO.

Marijuana Establishment Agent Background Checks

In addition to completing the Agent registration process required by the Commission, all Agents hired to work for ARL will undergo a detailed background investigation prior to being granted access to any of ARL's facilities or beginning work duties. Background checks will be conducted on all Agents in their capacity as employees pursuant to 935 CMR 500.100 and will be used by the Director of Security, who will be registered with the Department of Criminal Justice Information Systems pursuant to 803 CMR 2.04: iCORI Registration and the Commission for purposes of determining the suitability of individuals for registration as a marijuana establishment agent with the licensee.

4. In addition to the requirements established in 935 CMR 500.800, ARL will:
 - a. Comply with all guidance provided by the Commission and 935 CMR 500.802: Tables B through D to determine if the results of the background reviews are grounds for Mandatory Disqualification or Presumptive Negative Suitability Determination;
 - b. Consider whether offense(s) or information that would result in a Presumptive Negative Suitability Determination under 935 CMR 500.802. In the event a Presumptive Negative Suitability Determination is made, will consider the following factors:

- x. Any other relevant information, including information submitted by the subject.

Consider appeals of determinations of unsuitability based on claims of erroneous information received as part of the background check during the application process in accordance with 803 CMR 2.17: Requirement to Maintain a Secondary Dissemination Log and 2.18: Adverse Employment Decision Based on CORI or Other Types of Criminal History Information Received from a Source Other than the DCJIS. Upon an adverse determination for a particular applicant, ARL will provide the applicant a copy of his/her background screening report and a pre-adverse determination letter and provide the applicant with a copy of his/her right to dispute the contents of the report, whom to contact in order to do so, and the opportunity to provide a supplemental statement to ARL. After 10 business days, if the applicant does not dispute the contents of the report and no applicant-provided statement gives cause to alter the suitability determination, an adverse action letter will be issued providing the applicant with information on the final determination made by ARL along with any legal notices required. All suitability determinations will be documented in compliance with all requirements set forth in 935 CMR 500 *et seq.* and applicable guidance provided by the Commission.

All ARL background screenings will be conducted by an investigative firm holding the National Association of Professional Background Screeners (NAPBS®) Background Screening Credentialing Council (BSCC) accreditation and capable of performing the searches required by the Commission's regulations and any applicable guidance provided by the Commission. Any references provided by the applicant will be verified at the time of hire. As deemed necessary, individuals applying to be hired for key positions with unique and sensitive access (e.g., members of the executive management team and security staff) will undergo additional screening, which may include ARL's conducting of interviews with prior employers and/or colleagues. As a condition of continued employment or business relationship with ARL, Agents, contractors, and subcontractors are required to renew their Registration Cards (as that term is defined in 935 CMR 500.002) annually and submit to other background screening as may be required by ARL or the Commission.

Staffing Plan and Business Hours

Hiring and Recruitment

ARL's Human Resources Manager will work with the executive management team on a regular basis to determine if vacancies are anticipated at ARL's facilities in Middleboro and New Bedford and determine whether specific positions need to be created in response to company needs. ARL's hiring practices will include but are not limited to the following and apply to all types of workforce determinations including hiring, firing, promotions, harassment or discrimination complaints, training, wages and benefits:

1. Equal Employment Opportunity Commission (EEOC) Compliance.
2. ARL's Diversity Plan.
3. ARL's Positive Impact Plan.
4. Background checks and references.
5. Mandatory reporting of criminal convictions (and termination if necessary).
6. The Federal Family and Medical Leave Act and analogous state law.
7. State and Federal Workplace Safety Laws;
8. State and Federal Minimum Wage Requirements.
9. Non-Disclosure and Non-Compete Agreements.

Standards of Employee Conduct

ARL's mission is to provide a professional workplace free from harassment and discrimination for all employees. ARL has a zero-tolerance policy against harassment or discrimination based on sex, race, color, national origin, age, religion, disability, sexual orientation, gender identity, gender expression, or any other trait or characteristic protected by any applicable federal, state, or local law or ordinance. Harassment or discrimination on the basis of any protected trait or characteristic contravenes ARL's employee policies. A broad range of behavior could constitute harassment and/or discrimination. In general, harassment is any verbal or physical conduct that:

1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment.
2. Has the purpose or effect of unreasonably interfering with an individual's work performance.
3. Adversely and unjustifiably affects an individual's employment opportunities.

ARL Employees are expected to maintain the highest degree of professional behavior. Any harassment or discrimination by ARL employees is strictly prohibited. Furthermore, harassing or discriminatory behavior of non-employees (including customers, vendors or other visitors to ARL's facilities) directed at ARL employees or ARL customers also will be condemned and promptly addressed.

Violence and Weapons in the Workplace

Any and all acts of violence in the workplace will result in immediate removal of the employee, customer, or offending parties from ARL's premises. Any ARL employee engaging in acts of violence in the workplace will be terminated. Local police (either Middleboro P.D. or New Bedford P.D., depending on the location of the incident) and other law enforcement authorities, as applicable, will be contacted immediately in the case of a violent event. Weapons are not permitted at any of ARL's facilities by employees, customers, or any other persons. Agents (including employees) found carrying weapons at any ARL facility will be immediately terminated. Vendors or other visitors to the facility found carrying weapons on the premises will be asked to leave and/or the local police department will be notified accordingly.

At-Will Employment

In the state of Massachusetts, employment is assumed to be at-will unless otherwise stated. At will employment implies that employer and employee alike may terminate the work relationship at any given moment and for any legitimate purpose. Wrongful termination may be more difficult to prove in an at-will arrangement because of the freedom that each party has to end the employment. However, there are still many instances wherein a termination or discharge can be called wrongful, even in an at-will employment.

Workplace Attire

The required attire for registered marijuana agents at ARL varies based upon the facility at which the employee works (Middleboro v. New Bedford) and the employee's job functions. New hire training will define appropriate attire for each role and the Human Resources Manager will be responsible for ensuring employee compliance.

Overview of Personnel Policies and Procedures

Employee Advancement Practices

ARL's facilities in Middleboro and New Bedford will be structured in a relatively flat manner, with promotional opportunities available within each department. Participation in training and bi-annual performance evaluations will be a prerequisite for any promotions or pay increases. ARL pledges to be an equal opportunity employer and advancer of its employees.

ARL's written employment policies will address the Family and Medical Leave Act ("FMLA"), the Consolidated Omnibus Budget Reconciliation Act ("COBRA"), equal employment opportunity, discrimination, harassment, the Employee Retirement Income Security Act ("ERISA"), disabilities, maintenance of personnel files, privacy, email policy, 935 CMR 500.000 et. seq., holidays, hours, sick time, personal time, overtime, performance reviews, disciplinary procedures, working hours, pay rates, overtime, bonuses, veteran preferences, drug testing, personnel policies, military leaves of absence, bereavement leave, jury duty, CORI checks, smoking, Health Insurance Portability and Accountability Act ("HIPAA"), patient confidentiality, and compliance hotline.

Designated Outside Counsel

ARL may retain counsel specializing in employment law to assist the Human Resources Manager with any issues and questions.

Job Status

Job Classifications

Positions at ARL are categorized by rank and by department. ARL's executive management team will oversee the overall success of achieving the company's mission. ARL's CEO is responsible for implementation of the mission and the larger executive management team is responsible for ensuring that all departments are properly executing their functions and responsibilities. Job classification is comprised of three rank tiers: 1) executive management; 2) managers/supervisors; and 3) non-manager employee staff.

Work Schedules

Work schedules will be part-time, full-time, or salaried, depending of the specific position. Schedules will be set according to the needs of each department as determined by the applicable department manager in consultation with the executive management team. It is the department management's duty and responsibility to develop a work schedule that provides necessary duty and personnel coverage but does not exceed what is required for normal operations of the facility. Department managers will also ensure that adequate coverage occurs on a daily basis and does not lead to unnecessary utilization of overtime coverage.

Mandatory Meetings

ARL will convene a mandatory, reoccurring, company-wide meeting on a quarterly basis. This meeting may be held at either the Middleboro facility, New Bedford facility, or any other convenient location. All full-time employees will be notified of their required attendance.

Breaks

Daily breaks, including lunch breaks, will comply with the laws of the Commonwealth of Massachusetts.

Performance Reviews

Performance reviews will be conducted by the ARL executive management team or department managers. Reviews will be conducted at three-month intervals for new employees during the first year of employment and at 6-month intervals thereafter. A written review will be provided to, and signed by, the employee under review. All review documentation will be saved in employee personnel files and treated as a personnel record in accordance with ARL's records

maintenance policies. Performance reviews must take into account positive performance factors and areas requiring improvement.

Leave Policies

ARL's leave policies will comply with all applicable state and federal laws. All full-time employees will receive two 40-hour weeks of paid vacation per year. Additional leave must be requested in writing at least 2 weeks in advance and must be approved by the department management or executive management team in consultation with the Human Resources Manager. ARL will offer paid maternity leave. Additional leave will not be paid and must be approved by the department manager. ARL's executive management team will determine which holidays will be observed and which departments will not be required to work on those. The holidays currently recognized and observed by ARL are:

1. New Years
2. Martin Luther King Day
3. Presidents Day
4. Memorial Day
5. Independence Day
6. Labor Day
7. Thanksgiving
8. Christmas

Disciplinary Policies

Purpose

ARL's disciplinary policies and procedures are designed to provide a structured and uniform corrective action process to improve and prevent a recurrence of undesirable employee behavior and/or job performance issues. The steps outlined below have been designed for consistency with ARL's organizational values, industry best practices, and applicable employment laws. ARL reserves the right to combine or skip steps depending upon facts of each situation and the nature of the offense. Each offense will be reviewed and remediated on a case-by-case basis. The level of disciplinary intervention may also vary. The procedure outlined below is intended to provide guidance to the Human Resources Manager and executive management team and not bind them in any given disciplinary scenario. Some of the factors that will be considered depend upon: 1) whether the offense is repeated despite coaching, counseling, and/or training; 2) the employee's work record; and 3) the overall impact of the conduct and performance issues on ARL as a company.

Procedure

Step 1: Informal Counseling and Verbal Warning

Step 1 creates an opportunity for the immediate supervisor/manager to schedule a meeting with an employee to bring attention to an existing performance, conduct, or attendance issue. The supervisor/manager should discuss with the employee the nature of the problem or violation of

company policies and procedures. The supervisor/manager shall clearly outline expectations and steps the employee must take to improve performance or resolve the problem. Within five business days, the supervisor/manager will prepare written documentation of the preliminary meeting. The employee will be asked to sign the written documentation to demonstrate: 1) that the meeting took place; and 2) that the employee understands the issue and, if applicable, any corrective action that is needed.

Step 2: Written Warning

A written warning involves a more formal documentation of the performance, conduct, or attendance issue and potential consequences.

At Step 2, the employee's immediate supervisor and a department manager or an executive team member will meet with the employee and review any additional incidents or information about the performance, conduct, or attendance issues as well as any prior relevant corrective action plans implemented at Step 1. Management staff will then outline the consequences for the employee of his or her continued failure to meet performance and/or conduct expectations. A formal performance improvement plan ("PIP") formally implementing corrective action(s) will be issued within five business days of a Step 2 meeting. Management staff may also include in the PIP a written warning explaining that the employee may be subject to additional discipline up to and including termination if immediate and sustained corrective action is not taken.

Step 3: Suspension and Final Written Warning

There may be egregious performance, conduct, or safety incidents requiring the temporary removal of the employee from the workplace while the offending conduct is being investigated or remediated. When immediate action is necessary to ensure the safety of the employee or others, the employee's immediate supervisor may suspend the employee pending the results of an investigation. Suspensions that are recommended as part of the normal progression of this progressive discipline policy and procedure are subject to approval from the executive management team and the Human Resources Manager.

Depending upon the seriousness of the infraction, the employee may be suspended without pay in full-day increments consistent with federal, state and local wage-and-hour employment laws. Nonexempt/hourly employees may not substitute or use an accrued paid vacation or sick day in lieu of the unpaid suspension. Due to Fair Labor Standards Act ("FLSA") compliance issues, unpaid suspension of salaried/exempt employees is reserved for serious workplace safety or conduct issues. The Human Resources Manager will provide guidance so that the discipline is administered without jeopardizing ARL's FLSA exemption status. Pay may be restored, and back pay provided, to the employee if an investigation of the incident or infraction absolves the employee of wrongdoing.

Step 4: Recommendation for Termination of Employment

The final and most serious step in ARL's progressive discipline procedure is a recommendation to terminate employment. ARL will endeavor to utilize and implement the progressive nature of this discipline policy by first providing warnings, a final written warning, and/or suspension

from the workplace before instituting termination proceedings. However, ARL reserves the right to combine and skip steps depending upon the circumstances and severity of each situation and the nature of the offense. For the avoidance of doubt, ARL reserves the right to terminate employees without prior notice or disciplinary action. All management recommendations to terminate an employee must be approved by the Human Resources Manager and the employee's department manager or direct supervisor. Notwithstanding the foregoing, nothing in this policy provides any contractual rights regarding employee discipline or counseling nor should anything in this policy be read or construed as modifying or altering the employment-at-will relationship between ARL and its employees.

Appeal Process

ARL employees will have the opportunity to present information that may challenge information ARL management has relied upon in issuing disciplinary action. The purpose of this process is to permit the employee to counter allegations or provide additional detail into extenuating circumstances that may have contributed to the employee's performance and/or conduct issues while allowing for an equitable solution. If an employee does not present information (either orally or in written form) during any of the above-described meetings, the employee will have five business days after that meeting to present information.

Performance and Conduct Issues Not Subject to Progressive Discipline

Behavior that is illegal is not subject to progressive discipline and may be reported to the Police Department or other law enforcement authorities. Theft, intoxication at work, fighting and other acts of violence are also not subject to progressive discipline and are grounds for immediate termination.

Documentation

The employee will be provided copies of all progressive discipline documentation, including all PIPs. The employee will be required to sign copies of this documentation attesting to his/her receipt and understanding of the allegations and corrective action, if any, outlined in therein documents. All such documents will be placed in employee's personnel file and maintained in accordance with the recordkeeping requirements of the Commission.

Separation of Employment

Separation of employment from ARL can occur for several different reasons. Employment may end as a result of resignation, retirement, release (end of season or assignment), reduction in workforce, or termination. When an employee separates from ARL, his or her manager must contact the Human Resources Manager to schedule an exit interview. Exit interviews generally take place on the employees last day of work.

Types of Separation

1. **Resignation:** Resignation is a voluntary act initiated by the employee to end employment with ARL. The employee must provide a minimum of two (2) weeks' notice prior to the employee's last day. If an employee does not provide advance notice or fails to actually work the remaining two weeks, the employee will be ineligible for rehire and will not receive accrued benefits.
2. **Retirement:** An ARL employee who wishes to retire is required to notify his or her department manager and the Human Resources Manager in writing at least one (1) month before planned his or her retirement date.
3. **Job Abandonment:** An employee who fails to report to work or contact his or her supervisor for two (2) consecutive workdays will be considered to have abandoned the job without notice effective at the end of the employee's normal shift on the second day. The department manager responsible for the employee will notify the Human Resources Manager at the expiration of the second workday and initiate the paperwork to terminate the employee. Employees who are separated due to job abandonment are ineligible to receive accrued benefits and are ineligible for rehire.
4. **Termination:** Employees of ARL are employed on an at-will basis, and the company retains the right to terminate an employee at any time.
5. **Reduction in Workforce:** An ARL employee may be laid off due to changes in duties, organizational changes, lack of funds, or lack of work. ARL employees who are laid off may not appeal the layoff decision through the appeal process.
6. **Release:** Release is the end of temporary or seasonal employment. The Human Resources Manager, in consultation with the department manager, will inform the temporary or seasonal worker of their release in accordance to the terms of the individual's temporary employment.

Exit Interview

The separating employee will contact the Human Resources Manager as soon as notice is given to schedule an exit interview. This will be scheduled on the last day of the separating employee's employment.

Return of Property

The separating employee must return all ARL property at the time of separation, including but not limited to uniforms, cell phones, keys, facility access cards, computers, and identification cards. Failure to return some items may result in deductions from final paycheck. At the time of hiring, all employees will be required to sign the Wage Deduction Authorization Agreement, which shall permit ARL to deduct the costs of any such items from the employee's final paycheck.

Termination of Benefits

An employee separating from ARL is eligible to receive benefits as long as he or she follows the appropriate procedures described stated above. Any accrued vacation and/or accrued sick leave will be paid in the last paycheck.

Health Insurance

Health insurance terminates on the last day of the last month of employment, unless the employee requests immediate termination of benefits. ARL will provide information about COBRA continued health coverage. Employees will be required to pay their share of the dependent health and dental premiums through the end of the month.

Rehire

Former ARL employees who left the company in good standing and were classified as eligible for rehire may be considered for reemployment in the future. An application must be submitted to the Human Resources Manager, and the applicant must meet all then-existing, minimum qualifications and requirements of the open position, including the satisfactory completion of any qualifying exam and current registration processes with the Commission, if applicable. Department managers must obtain approval from the Human Resources Manager or designee prior to rehiring a former employee. Rehired employees will be classified, for benefits purposes, as a new employee. For example, previous tenure will not be considered in calculating longevity, leave accruals, or any other benefits. An ARL applicant or employee who is terminated for violating company policy or who resigned in lieu of termination as a result of a company policy violation will be ineligible for rehire.

Compensation

ARL believes that it is in the best interests of both the organization and its employees to fairly compensate its workforce for the value of the work provided. ARL therefore intends to use a compensation system that will determine the current market value of a position based on the skills, knowledge, and behaviors required of a fully-competent incumbent. The system used for determining compensation will be objective and non-discriminatory in theory, application and practice. ARL has determined that this can best be accomplished by using a professional compensation consultant, as needed, and a system recommended and approved by the executive management team.

Selection Criteria

1. The compensation system will price employee positions to market by using local, national, and marijuana-industry specific survey data.
2. The market data will primarily include marijuana-related businesses and will include survey data for more specialized positions and will address significant market differences due to geographical location.

3. The system will evaluate external equity, which is the relative marketplace job worth of every marijuana-industry job directly comparable to similar jobs at ARL, factored for general economic variances, and adjusted to reflect the local economic marketplace.
4. The system will evaluate internal equity, which is the relative worth of each job in the organization when comparing the required level of job competencies, formal training and experience, responsibility and accountability of one job to another, and arranging all jobs in a formal job-grading structure.
5. Professional support and consultation will be available to evaluate the compensation system and provide on-going assistance in the administration of the program.
6. The compensation system will be flexible enough to ensure that the ARL is able to recruit and retain a highly-qualified workforce, while providing the structure necessary to effectively manage the company's overall compensation program.

Responsibilities

The executive management team will possess final approval authority over ARL's compensation system, and, on an annual basis will:

1. Review and approve, as appropriate, recommended changes to position-range movement as determined through the vendor's market analysis process.
2. Review and approve, as appropriate, funds to be allocated for total compensation, which would include base salaries, bonus, variable-based or incentive-based pay, and all other related expenses, including benefit plans.

Management Responsibility

The CEO is charged with ensuring that ARL is staffed with highly-qualified, fully-competent employees and that all company programs are administered within appropriate guidelines and within the approved salary budget. The salary budget will include a gross figure for the following budget adjustments, but the individual determinations for each employee's salary adjustment will be the exclusive domain of the CEO: determining the appropriate head count, titles, position levels, merit and promotional increases and compensation consisting of salary, incentive, bonus, and other discretionary pay for all positions. Finally, the CEO will ensure that salary ranges are updated at least annually, that all individual jobs are market priced at least once every two years, and that pay equity adjustments are administered in a fair and equitable manner.

Employee Qualifications and Training

ARL Healthcare Inc. (“ARL”) shall ensure that all marijuana establishment agents undergo and maintain comprehensive training prior to performing job functions, and at regular intervals. Training shall be tailored to the roles and responsibilities of the job function of each marijuana establishment agent, and at a minimum, shall include participation in a Commission-mandated Responsible Vendor Program pursuant to 935 CMR 500.105(2)(b). The documentation and maintenance of records plan will be overseen by the organization's Chief Operating Officer ("COO"), with daily oversight by the Director of Compliance. The documentation and maintenance of records program at ARL is focused on multi-platform record keeping that is secure, accessible to regulators, and comprehensive in scope. The program in all respects complies with 935 CMR 500.000.ss

Records related to the Sale of Marijuana, Marijuana products and infused products are essential to the standardization of ARL's processes. ARL will maintain written operating policies of the facility as required by 935 CMR 500.501(1).

Documentation and Maintenance of Records Plan

Record keeping is essential to maintaining proper regulatory controls for inventory oversight, as well as ensuring full compliance for functions like finance, security, and audits. ARL's management plans, business records, transaction records, equipment maintenance logs, operating procedures, security records, inventory reports, and audit records will be recorded, secured, and available for review and inspection by state regulators and law enforcement officials at any time. The guiding principles of the record keeping program are to discourage any potential unlawful activity as well as ensuring the organization's operating efficiency and compliance.

ARL will maintain clear records of maintenance of equipment that comes in contact with marijuana in the facility. As part of the regular maintenance of operation of this equipment, ARL will routinely calibrate, check and inspect all automatic, mechanical or electronic equipment in its facility used in the dispensing of marijuana. Scales, balances, and other measurement devices used in the Middleborough facility's operations will be included maintenance program. Detailed records of maintenance of equipment, cleaning of equipment, and calibration will be recorded each day by ARL staff and included in Leaflogix. These records will be maintained as part of the organization's recordkeeping protocol, and stored for a period of five years in hard copy and electronic format. The hard copy records will be maintained on-site and held in fire-resistant containers.

In accordance with 935 CRM 500.105(8), inventory and transaction records are another significant component of ARL's maintenance of records plan. Once again, the ARL will utilize the industry-leading electronic inventory control system LeafLogix. ARL has a thorough protocol for entering all inventories into the LeafLogix system as marijuana, marijuana products and infused products are created or enter the facility, with immediate identification and tracking through unique 16-digit barcodes applied to every single product in inventory. A product record is maintained in the LeafLogix system which will include a description of the Marijuana product; product type (species); name; address; percentage of THC and CBD per independent lab testing results; amount of doses per package; the form and quantity of marijuana; expiration date; packaging date; proper storage information, if applicable; and price.

ARL's electronic inventory system will record the unbroken chain of custody of all marijuana, marijuana products and infused products throughout the facility pursuant to 935 CMR 500.105(8)(e). In addition, protections are built into the system to ensure that no amount of Marijuana will be available for transport, recall, or disposal without being appropriately tracked in the electronic records system.

By utilizing LeafLogix, ARL will track exact records of all marijuana, marijuana products and infused products in its facility in real time. Inventory reports can be run at any time by the organization's execution management team or other employees with inventory management responsibilities. The inventory reports will be reconciled with regular counts of all marijuana, marijuana products and infused products contained in the facility, regularly monthly inventory reviews, and a comprehensive annual inventory of all items contained in the facility. All inventory reports will be documented and maintained for a period of five years. Inventory reports will be maintained electronically on the ARL's internal file servers, with hard copies retained in fire-resistant storage containers on site. Inventory reports and records will be made available to the Commission at any time.

Along with cultivation, equipment maintenance, and inventory records, ARL will institute a record keeping program for other organizational records, including the following:

ARL Healthcare Diversity Plan

I. Introduction

New Bedford is one of the most culturally-diverse cities in New England. New Bedford's rich diversity traces its roots back to the 17th century when the city became an attractive destination for immigrants, in particular Portuguese immigrants, because of its thriving whaling and fishing industries. This proud legacy of diversity has survived until today. In fact, in 2014, the Boston Business Journal ranked New Bedford as the 13th most diverse municipality in the Commonwealth based on 2010 census data.¹

ARL Healthcare Inc. ("ARL") will welcome New Bedford's legacy of diversity into its cultivation and manufacturing facility located at 167 John Vertente Blvd, and also its retail facility located nearby in Middleboro (the "Facilities"). ARL is committed to hiring, retaining and promoting a workforce that reflects the diversity of the surrounding community. Underlying this commitment is the recognition that diversity in the workforce will be a critical aspect of the ARL's contributions to the City of New Bedford and Town of Middleboro. ARL will foster a diverse culture and pledges to promote equity among minorities, women, veterans, people with disabilities, and people identifying as LGBTQ+. In addition, ARL will make every effort to hire and advance in employment qualified and diverse people at all levels within the company.

II. Diversity Goals

ARL will develop and maintain a diverse, aware and inclusive working environment through its: 1) diversity hiring initiative; 2) diversity training and advancement policies; and 3) Diversity Committee. Drawing primarily the region's diverse population, ARL plans to employ a workforce at its Facilities that is at least 50% comprised of diverse individuals and will devote significant institutional resources to ensuring that those diverse individuals have every chance at succeeding within the company. ARL will also implement a zero-tolerance policy against discrimination in the workplace and encourage its employees to report and speak out against any forms of discrimination or intolerance within the company.

III. Diversity Programs

a. Diversity Hiring Initiative

As part of its diverse candidate outreach and hiring practices, ARL will broadcast job openings to diverse individuals in New Bedford, Middleboro and the surrounding region and proactively seek out qualified, diverse candidates for employment. ARL will achieve this goal primarily through participation at community job fairs and leveraging the diverse networks of its community partners. Those community partners currently include Bristol Community College,

the Greater New Bedford Career Center, Associated Career Network, LLC, CareerOneStop, and SouthCoast Job Fair (“Community Partners”). ARL’s regular participation at local job fairs and ARL’s regular communication with its Community Partners about open job postings and career opportunities will ensure that a broad base of diverse individuals is aware of and interested in job openings within the company.

b. Diversity Training and Advancement Policies

ARL is also committed to being an equitable opportunity employer in New Bedford and Middleboro. In order to ensure and maintain a diverse staff, ARL will offer promotions, career counseling, and training to provide all employees with opportunity for growth. ARL will provide this opportunity by communicating opportunities for promotion within the company and clearly defining job responsibilities. ARL will also provide all employees with opportunity for career counseling, counsel employees on advancement opportunities, and provide training programs (either internally, or in partnership with its Community Partners or other third-party job training vendors) to assist all employees in their career development.

In addition, peer mentoring will play an important role in advancing ARL’s diversity efforts. Peer mentors will be trained at ARL by the Human Resources Manager and Diversity Committee on issues of concern that are specific to individuals from diverse communities. Opportunities to match new diverse employees with seasoned diverse mentors will be an ongoing initiative at ARL in order to promote a positive and productive work environment.

Moreover, ARL will instill its commitment to diversity in all new employees from the date of hire. ARL will offer a robust diversity and anti-bias training program for all new employees. This program will require that all employees undergo diversity awareness and anti-bias training in accordance with industry best practices. ARL’s diversity and anti-bias training will underscore the company’s zero-tolerance commitment against discrimination and intolerance in the workplace. The executive management team and managers will also be encouraged to enroll in executive diversity and anti-bias trainings as identified by the Human Resources Manager. ARL will pay for or reimburse for the cost of these trainings.

c. Diversity Committee

Finally, ARL will establish the Diversity Committee to support Human Resources Manager and the ARL executive management team with the implementation, growth and regular review of this Diversity Plan. The Human Resources Manager will chair the Diversity Committee. Other members of the committee will be appointed by the executive management team and shall include representatives from all levels (i.e., executives, managers, and staff) of ARL’s corporate hierarchy. The Diversity Committee will be responsible for:

- A. Developing equitable employment opportunity statements and policy goals for inclusion within the ARL employee handbook;
- d. Reviewing and resolving any complaints of discrimination or intolerance within the workplace and, if appropriate, recommending remedial or disciplinary actions to the executive management team;

- e. Assisting the executive management team in arriving at effective solutions to problems regarding issues of diversity and inclusion in the workplace;
- f. In accordance with the process set forth in section IV below, assisting the Human Resources Manager in measuring ARL's progress towards achievement of its interim and long-term diversity hiring goals; and
- g. Developing diversity and anti-discrimination/bias training curricula and/or contracting with third-parties to provide diversity awareness and anti-discrimination/bias training to all ARL employees on a regular basis.

All employees will be encouraged to report any incidents of discrimination or intolerance to the Human Resources Manager or other member of the Diversity Committee. The Diversity Committee shall then investigate and report all bona fide complaints to the ARL executive management team, and provide recommendations for resolving the complaint and/or remedial/disciplinary actions. The executive management team is ultimately responsible for implementing any recommendations of the Diversity Committee and shall take any other action necessary or appropriate to effect the ARL's zero-tolerance commitment against discrimination and intolerance in the workplace.

IV. Diversity Measurement

Under the leadership of the Diversity Committee, ARL will regularly analyze the effectiveness of its diversity hiring initiative and diversity training and advancement policies. As part of that regular analysis, ARL's Human Resources Manager will annually audit all job applications received by the company to ensure that the company is attracting interest from the diverse populations of New Bedford, Middleboro, and the surrounding region. The Human Resources Manager will also audit all new hiring decisions to ensure that the ARL's commitment to a diverse and inclusive work environment is reflected in its hiring decisions. The Human Resources Manager will report the results of these annual audits to the ARL executive management team in the form of an Annual Diversity Audit Report. The executive team will annually review the results of the report and determine whether the company's diversity policies have yielded a staff that reflects the diverse communities of New Bedford and Middleboro and demonstrates progress toward or satisfaction of ARL's interim and long-term diversity hiring goals. The Diversity Committee shall be responsible for updating the company's diversity hiring policies and diversity training and advancement policies as necessary to ensure that the policies yield a diverse workforce that reflects the diversity in the region.

ARL pledges to participate in at least 3 community job fairs per year (at least one of which will be in Middleboro or Taunton, and the others in New Bedford) and will also encourage its diverse employees to publicize job openings to other qualified diverse candidates within their communities. ARL will log and track communications with any diverse candidates occurring at these job fairs and also record any subsequent follow-up communications.

ARL's long-term hiring goal is a minimum of 50% diverse (i.e., minorities, women, veterans, people with disabilities, and LGBTQ+ individuals) individual employment across the entire company by year 3 of operations in New Bedford and Middleboro. ARL's Human Resources Manager will oversee progress toward this long term hiring goal by obtaining, at least annually, employee biographical data through self-identifying surveys. This will permit the Human

Resources Manager to measure ARL's progress toward its diversity hiring goals. ARL also intends to meet the following intermediate goals in the first two years of operation in New Bedford and Middleboro:

Commencement of Operations: minimum 20% diverse individual employment.

End of Year 1: minimum 30% diverse individual employment.

End of Year 2: minimum 40% diverse individual employment.

The Human Resources Manager will include in the Annual Audit Report a narrative describing ARL's progress towards these interim and long-term hiring goals. These short-term metrics and oversight by the Human Resources Manager will ensure that ARL is regularly evaluating progress toward its diversity hiring goals and employing corrective actions if interim targets are not met.

V. Diversity Plan Acknowledgments

ARL pledges to adhere to the requirements set forth in 935 CMR 500.105(4)(a) which provides the permitted advertising, branding, marketing and sponsorship practices for all Marijuana Establishments. ARL likewise pledges not to employ any of the prohibited practices articulated in 935 CMR 500.105(4)(b). Finally, none of the actions taken or programs instituted by ARL will violate the Commission's regulations with respect to limitations on ownership or control or any other applicable state laws.
