CANNA PROVISIONS, INC.

BUSINESS PLAN

Canna Provisions, Inc. ("CP") is a Massachusetts corporation formed for the purpose of obtaining State and municipal licensing for recreational marijuana sales and for a cultivation facility and a connected manufacturing/extraction facility.

While not currently seeking medical marijuana licensing, CP recognizes the important role of cannabis as a medicine and intends on providing information and products that meet the needs of those seeking medical benefits.

Licensing Process

CP has leases on a building in Holyoke and another in Lee. CP plans to open retail stores in both locations to sell marijuana for adult recreational use.

Canna Provisions on August 7th, 2018 was just granted two Special Use Permits from two town governments, in Holyoke and Lee, for the opening of Retail Marijuana Establishments.

This application to the CCC is for the Holyoke Retail location and for the retail location in Lee. Another application will be filed shortly for a cultivation and manufacturing facility in Lee, once the Host Community Agreement and Outreach meetings have been completed for those facilities.

CP will start construction in 2018 and expect to begin growing in its own cultivation facility in 2019. CP has a Purchase and Sale Agreement contingent on licensing for the cultivation property.

Next year, CP plans to develop one more retail store in the Boston Metro West market.

Lee Retail Store Location

CP has leased a 1.8-acre site with building on Housatonic Street in Lee, MA. Lee is the gateway to the Berkshires. A small town of almost 6,000 residents, it is noted for being a tourist destination for shopping, music, theater, art, hiking, biking, river sports as well as winter sports like snowmobiling and cross-country skiing. This four-season destination is quintessential New England.

Lee is the first exit off the Mass Pike from New York state. It sits along the banks of the Housatonic River and has two main streets- Housatonic Street and Main Street. The CP 2,500 sf Marijuana Establishment will replace the current pre-owned car business. The site has plenty of parking, +25 spots, as well as easy entry and exit from Housatonic

Street. The building is split level. The main floor of the building will be the dispensary and the upper level, with ADA access, will be offices and conference room.

Holyoke Retail Store Location

Holyoke is a former mill town of 40,000 residents. The City is surrounded by several more affluent towns and several dozen colleges with over 70,000 students within 25 minutes of the dispensary

Holyoke lies at the intersection of two major New England interstate Highways; US 91 which runs north/south and US 90 which runs east west connecting Boston to Albany, NY. Both US 91 and US 90 have exits near the Holyoke dispensary, only 5 minutes away from the Dwight Street site. This property is located in downtown Holyoke, on Dwight Street. Adequate parking is available.

The CP lease of the 3600sf dispensary is for 15 years starting at \$3500 per month with an option to acquire the property for \$400,000 (price increases depending on when option is exercised). The ground floor will be developed as the dispensary and the second floor will be used for offices and supply storage.

Cultivation Facility in Lee

CP has an 8-acre site under contract in Lee, MA. This site is permitted for marijuana cultivation under the new Town of Lee marijuana ordinance. An application for building permit is being submitted. Phase one of the cultivation facility is a pre-fabricated 10,000 sf indoor, climate controlled, multi-bay hybrid greenhouse. Annual harvest of 3000 to 3200 pounds of flower product are expected from this facility. The greenhouse structure will be supported by a solid wall building that is currently in design-phase and will include space for genetics, trim/dry/cure spaces, packaging and other ancillary areas. The facility will also include an extraction facility for oils, tinctures and other concentrates. Phase 2 will include an easy expansion by adding additional pre-fabricated 3,000sf bays each. The facility will also include an extraction facility for oils, tinctures and other concentrates.

Supply

Until our cultivation facility in Lee is licensed and built and is producing marijuana, CP plans to source product from existing third party cultivation operations within the State. CP has an LOI with one craft supplier and is negotiating with several other cultivators with existing grow facilities. CP has also developed strong relationships with current and future suppliers and are confident in our ability to procure enough product to sustain operations until our own supply comes online. There are risks of supply shortages but CP views these potential shortages as temporary as existing growers are expanding their current facilities to meet demand, new entrants are likely to emerge and CP has

the right to build its own cultivation facility. Currently there are ample supplies of oils and concentrates available for vape pens and cartridges and other forms of concentrates and edibles.

Retail Sales Financial Forecasts

Based on historical sales of medical marijuana over the past two years in Massachusetts and legal medical and recreational sales in other States over 3 to 12 years, CP's advisors have been able to project expected sales. The key assumptions underlying the forecast is that at least 10% of the population will become recreational retail customers.

In addition to the local market within each store's surroundings there will be substantial out of state consumers, depending on the ease of access of the local dispensary to this out of state population.

Colorado has made the transition from Medical-only sales to recreational sales and its historical data indicates a 3-fold increase in gross sales within the first three years of recreational sales. With Massachusetts having a much more nascent medical marijuana patient base, the expansion into recreational adult sales with most likely result in about a 5 to 8-fold increase over medical marijuana sales to date. About 50% of Colorado's recreational marijuana sales are from out of state buyers and this is expected to be the same in Massachusetts.

For the Holyoke Retail Sales forecasts, it is assumed that in the first year an average of 200-275 customers will visit each store each day. They are expected to average \$110 per visit.

Financing

CP has to date been funded directly by the majority owner, Eugene McCain and will continue to be similarly funded until licensing occurs. To date, Mr. McCain has invested over \$200,000 in leasing fees, property studies, phase one reports, cannabis industry consulting, architectural works, legal works. Funds were raised thru family and friends.

Our minimum financing needs for the build out of our first store in Lee, is \$650,000.

CP has over \$100,000 in cash on hand for continuing soft costs. Our investors are on standby to inject additional funding to build out our facilities.

For the full build-out of all our planned facilities, the CapEx and OpEx needs, until self-sustainability and profitability, are \$5,844,000. CP is currently in negotiations with several investors as non-equity financing in the form of buy/leaseback real estate transactions. These will be implemented upon receipt of the State licenses.

Any and all investors and financing options will be rightfully submitted to the Cannabis Control Commission for approval. Until such times as they are submitted and approved, the ownership and financing of the company will remain as currently stated.

Plans to Grow the Business

CP plans to expand its retail business from its two recreational retail stores in Lee and Holyoke to a recreational retail store in Metro West Boston. For cultivation, the size of the phase 2 expansion of the facility will be based on retail sales experience in Lee and Holyoke and the anticipated inventory needs.

Management Team

CP has been fortunate to have Meg Sanders and Erik Williams, of Will and Way Consulting, join them for the management of Canna Provisions, Inc. Initially they are working under a consulting contract with CP and will be transitioning into a full employment agreement.

Meg and Erik have over 17 years of combined experience in the legal cannabis cultivation, manufacturing and retailing industry. Meg is co-founder and former CEO of Mindful, Inc. in Denver, Colorado, and Meg and Erik set it on a positive path of growth. It now has 5 retail medical and recreational retail stores, a 44,000sf cultivation facility, and a 25,000sf extraction and product manufacturing facility. Two years ago, Meg and Erik moved back east to participate in Massachusetts' roll out of its own legal marijuana business development.

Meg and Erik are joined by Eugene McCain, who spent most of his adult life in the real estate industry in California, Hawaii, Japan and Thailand. Eugene has developed several residential communities and several hotel/resorts. He brings his general business and real estate experience to Canna Provisions. Eugene will assist Meg and Erik as they complete the licensing and permitting process and the build out and development of the properties and facilities. Meg and Erik will be the managers of the operations, once started.

Compliance

The CP team includes a team of experts as it relates to this highly regulated industry CP has engaged with AC3, LLC. an expert in regulatory compliance in the legal marijuana industry. Led by a former Massachusetts Department of Public Health regulator AC3 will consult and advise CP on licensing and compliance issues.

In addition to AC3, Meg Sanders, one of our senior executives, has been in the marijuana industry in Colorado since 2010 as Director of Operations and Compliance, and largely as the Chief Executive Officer of Mindful. Meg oversaw daily cultivation, processing, and manufacturing procedures, as well as all regulatory local, state, and applicable federal compliance procedures. Currently, Meg Sanders helps other

companies implement business development and strategies for compliant and effective operations.

Security

The CP team has extensive direct, indirect and third-party analytical experience with securing diverse cannabis properties across the United States. CP will fully comply with all State and local security requirements for Marijuana Establishments. CP has submitted, along with American Alarm Company, detailed security plans to the Police Chief of the City of Holyoke and the Police Chief in Lee. Both of the Police Chiefs have formally approved the CP Security Plans in writing to the City Council and the Town Select Board, respectively.

AMENDMENT OF CONDITIONS – PREMIUM AUDIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

The Premium Audit Condition under **Section IV – Conditions** is **replaced** by the following:

Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates. Premium shown in this Coverage Part as advance premium is a minimum and deposit premium.

The rates for each classification shown in the Declarations are multiplied by the estimated premium basis of that classification for the term to determine the advance premium.

We may conduct an audit of your books to determine the actual premium basis developed during the policy period. To calculate the actual premium developed during the policy period we will use one, or a combination, of the follow premium basis: payroll, admissions, gross sales, total cost, area, each exposure unit, units or total operating expenditures.

b. **Premium Basis.**

The premium basis are defined in accordance with our rules and the following definitions:

(1) Payroll (premium basis symbol **p**): Remuneration paid to “employees”, including but not limited to:

- (a) Money or substitutes for money; commissions; bonuses; overtime; payments to statutory insurance or pension plans; profit sharing or incentive plans; pay for holidays, vacation or sickness; and fees paid to employment agencies for temporary personnel provided to you.
- (b) If your operations consist of a number of separate operations classified individually in the Declarations, the payroll will be allocated to each classification where you have maintained records for each separate operation. Any such operation for which separate records are **not** maintained by you will be assigned to the highest rated classification.
- (c) For premium computation purposes, the payroll of executive officers, individual insureds and co-partners is subject to a minimum annual payroll per person of:

\$

(If no entry is made, the minimum payroll as established by our rating rules will apply.)

The rates apply per \$1,000 of Payroll.

- (2) **Admissions** (premium basis symbol **m**): The total number of persons, other than your “employees”, admitted to the insured event or to events conducted on the premises whether on paid admissions, tickets, complimentary tickets or passes.

The rates apply per 1,000 Admissions.

- (3) **Gross Sales** (premium basis symbol **s**): The gross amount charged by you, your concessionaries or by others trading under your name for:

- (a) All goods or products, sold or distributed;
- (b) Operations performed during the policy period; and
- (c) Rentals; or
- (d) Dues or fees.

The rates apply per \$1,000 of Gross Sales.

- (4) **“Total Cost”** (premium basis symbol **c**) means the total cost of all work let or sublet in connection with each specific project including:

- (a) The cost of all labor, materials and equipment furnished, used or delivered for use in the execution of the work excluding the cost of finished equipment installed whether or not furnished by the contractor, or subcontractor, or by you; and
- (b) All fees, bonuses or commissions made, paid or due.

The rates apply per \$1,000 of Total Cost.

- (5) **Area** (premium basis symbol **a**): The total number of square feet of floor space at the insured premises. The rates apply per 1,000 square feet of Area.

- (6) **Each** (premium basis symbol **t**): The basis of premium involves units of exposure, and the quantity compromising each unit of exposure is indicated in the Declarations, such as “per person”.

- (7) **Units** (premium basis symbol **u**): A single room or group or group of rooms intended for occupancy as separate living quarters by a family, by a group of unrelated persons living together, or by a person living alone. The rates apply per Unit.

- (8) **Total Operating Expenditures** (premium basis symbol **o**): Total expenditures (including grants, entitlements and shared revenue) without regard to source of revenue during the policy period including accounts payable.

The rates apply per \$1,000 of Total Operating Expenditures.

- c. The first Named Insured must keep records of the information we need for premium computation and send us copies at such times as we may request. Failure to supply such records upon request will be deemed a breach of condition and subject this policy, and may subject any in force policy of yours, to cancellation for breach of conditions.
- d. We reserve the right to examine and audit your books and records as they relate to this policy at any time during the policy period and up to three years afterward.

- e. Premium shown in this Coverage Part as advance premium is a minimum and deposit premium. Advance premium includes any payments identified as premium paid prior to policy expiration. At the close of each audit period, we will compute the earned premium for that period. Audit premium is due and payable upon notice to the first Named Insured. Failure to pay the audit premium due will be deemed a breach of contract and subject this policy, and may subject any in force policy of yours, to cancellation for non-payment of premium.
 - (1) If the actual earned premium generated as a result of an audit for the policy period is less than the advance premium, such advance premium is the minimum premium for the policy period indicated and is not subject to this adjustment.
 - (2) If the actual earned premium generated as a result of an audit for policy period is greater than the advance premium, then a final premium adjustment endorsement will be issued. The additional premium amount shown on the final premium adjustment endorsement is due and payable to us upon notice to the first Named Insured.
- f. Non-cooperation with Audits

If after three documented attempts, we are unable to complete an audit, your policy may be cancelled or non-renewed

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

- b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

- (2) The "bodily injury" or "property damage" occurs during the policy period; and

- (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

- (a) The supervision, hiring, employment, training or monitoring of others by that insured; or
- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

- (1) An "employee" of the insured arising out of and in the course of:

- (2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph (1) above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

(ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

(i) Any insured; or

(ii) Any person or organization for whom you may be legally responsible; or

However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

(ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".

(e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

These payments will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph **f.** above, are no longer met.

- b.** Coverage **A** does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
- c.** Coverage **B** does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

- a.** Insureds;
- b.** Claims made or "suits" brought; or

Subject to Paragraph **5.** above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage **A** for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, while rented to you or temporarily occupied by you with permission of the owner.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and

- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b. If a claim is made or "suit" is brought against any insured, you must:
 - (1) Immediately record the specifics of the claim or "suit" and the date received; and
 - (2) Notify us as soon as practicable.
 You must see to it that we receive written notice of the claim or "suit" as soon as practicable.
- c. You and any other involved insured must:
 - (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
 - (2) Authorize us to obtain records and other information;
 - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
 - (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

- (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
 - (iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.
- (b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;

- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance. The word "insured" means any person or organization qualifying as such under the "controlling underlying insurance".

Other words and phrases that appear in quotation marks in this Coverage Part have special meaning. Refer to Section IV – Definitions. Other words and phrases that are not defined under this Coverage Part but defined in the "controlling underlying insurance" will have the meaning described in the policy of "controlling underlying insurance".

The insurance provided under this Coverage Part will follow the same provisions, exclusions and limitations that are contained in the applicable "controlling underlying insurance", unless otherwise directed by this insurance. To the extent such provisions differ or conflict, the provisions of this Coverage Part will apply. However, the coverage provided under this Coverage Part will not be broader than that provided by the applicable "controlling underlying insurance".

There may be more than one "controlling underlying insurance" listed in the Declarations and provisions in those policies conflict, and which are not superseded by the provisions of this Coverage Part. In such a case, the provisions, exclusions and limitations of the "controlling underlying insurance" applicable to the particular "event" for which a claim is made or suit is brought will apply.

SECTION I – COVERAGES

1. Insuring Agreement

- a. We will pay on behalf of the insured the "ultimate net loss" in excess of the "retained limit" because of "injury or damage" to which insurance provided under this Coverage Part applies.

We will have the right and duty to defend the insured against any suit seeking damages for such "injury or damage" when the applicable limits of "controlling underlying insurance" have been exhausted in accordance with the provisions of such "controlling underlying insurance".

When we have no duty to defend, we will have the right to defend, or to participate in the defense of, the insured against any other suit seeking damages for "injury or damage".

However, we will have no duty to defend the insured against any suit seeking damages for which insurance under this policy does not apply.

At our discretion, we may investigate any "event" that may involve this insurance and settle any resultant claim or suit, for which we have the duty to defend.

But:

- (1) The amount we will pay for "ultimate net loss" is limited as described in Section II – Limits Of Insurance; and
 - (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under this Coverage Part. However, if the policy of "controlling underlying insurance" specifies that limits are reduced by defense expenses, our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of defense expenses, judgments or settlements under this Coverage Part.
- b. This insurance applies to "injury or damage" that is subject to an applicable "retained limit". If any other limit, such as, a sublimit, is specified in the "controlling underlying insurance", this insurance does not apply to "injury or damage" arising out of that exposure unless that limit is specified in the Declarations under the Schedule of "controlling underlying insurance".
 - c. If the "controlling underlying insurance" requires, for a particular claim, that the "injury or damage" occur during its policy period in order for that coverage to apply, then this insurance will only apply to that "injury or damage" if it occurs during the policy period of this Coverage Part. If the "controlling underlying insurance" requires that the "event" causing the particular "injury or damage" takes place during its policy period in order for that coverage to apply, then this insurance will apply to the claim only if the "event" causing that "injury or damage" takes place during the policy period of this Coverage Part.

- d. Any additional insured under any policy of "controlling underlying insurance" will automatically be an additional insured under this insurance. If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance required by the contract, less any amounts payable by any "controlling underlying insurance".

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "controlling underlying insurance".

2. Exclusions

The following exclusions, and any other exclusions added by endorsement, apply to this Coverage Part. In addition, the exclusions applicable to any "controlling underlying insurance" apply to this insurance unless superseded by the following exclusions, or superseded by any other exclusions added by endorsement to this Coverage Part.

Insurance provided under this Coverage Part does not apply to:

a. Medical Payments

Medical payments coverage or expenses that are provided without regard to fault, whether or not provided by the applicable "controlling underlying insurance".

b. Auto

Any loss, cost or expense payable under or resulting from any of the following auto coverages:

- (1) First-party physical damage coverage;
- (2) No-fault coverage;
- (3) Personal injury protection or auto medical payments coverage; or
- (4) Uninsured or underinsured motorists coverage.

c. Pollution

- (1) "Injury or damage" which would not have occurred, in whole or in part, but for the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of pollutants at any time.
- (2) Any loss, cost or expense arising out of any:
 - (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, pollutants; or

- (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, pollutants.

This exclusion does not apply to the extent that valid "controlling underlying insurance" for the pollution liability risks described above exists or would have existed but for the exhaustion of underlying limits for "injury or damage".

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

SECTION II – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations, and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or suits brought, or number of vehicles involved;
 - c. Persons or organizations making claims or bringing suits; or
 - d. Limits available under any "controlling underlying insurance".
2. The Limits of Insurance of this Coverage Part will apply as follows:
 - a. This insurance only applies in excess of the "retained limit".
 - b. The Aggregate Limit is the most we will pay for the sum of all "ultimate net loss", for all "injury or damage" covered under this Coverage Part.

However, this Aggregate Limit only applies to "injury or damage" that is subject to an aggregate limit of insurance under the "controlling underlying insurance".
 - c. Subject to Paragraph 2.b. above, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" under this insurance because of all "injury or damage" arising out of any one "event".
 - d. If the Limits of Insurance of the "controlling underlying insurance" are reduced by defense expenses by the terms of that policy, any payments for defense expenses we make will reduce our applicable Limits of Insurance in the same manner.

3. If any "controlling underlying insurance" has a policy period that is different from the policy period of this Coverage Part then, for the purposes of this insurance, the "retained limit" will only be reduced or exhausted by payments made for "injury or damage" covered under this insurance.

The Aggregate Limit of this Coverage Part applies separately to each consecutive annual period of this Coverage Part and to any remaining period of this Coverage Part of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION III – CONDITIONS

The following conditions apply. In addition, the conditions applicable to any "controlling underlying insurance" are also applicable to the coverage provided under this insurance unless superseded by the following conditions.

1. Appeals

If the "controlling underlying insurer" or insured elects not to appeal a judgment in excess of the amount of the "retained limit", we may do so at our own expense. We will also pay for taxable court costs, pre- and postjudgment interest and disbursements associated with such appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section II – Limits Of Insurance.

2. Bankruptcy

a. Bankruptcy Of Insured

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

b. Bankruptcy Of Controlling Underlying Insurer

Bankruptcy or insolvency of the "controlling underlying insurer" will not relieve us of our obligations under this Coverage Part.

However, insurance provided under this Coverage Part will not replace any "controlling underlying insurance" in the event of bankruptcy or insolvency of the "controlling underlying insurer". The insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect and recoverable.

3. Duties In The Event Of An Event, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "event", regardless of the amount, which may result in a claim under this insurance. To the extent possible, notice should include:

- (1) How, when and where the "event" took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any "injury or damage" arising out of the "event".

- b. If a claim is made or suit is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or suit and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or suit as soon as practicable.

- c. You and any other insured involved must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the suit; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of "injury or damage" to which this insurance may also apply.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

4. First Named Insured Duties

The first Named Insured is the person or organization first named in the Declarations and is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for giving and receiving of notice of cancellation or the receipt of any return premium that may become payable.

At our request, the first Named Insured will furnish us, as soon as practicable, with a complete copy of any "controlling underlying insurance" and any subsequently issued endorsements or policies which may in any way affect the insurance provided under this Coverage Part.

5. Cancellation

- a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.
- b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:
 - (1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- c. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.
- d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
- e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.
- f. If notice is mailed, proof of mailing will be sufficient proof of notice.

6. Changes

This Coverage Part contains all the agreements between you and us concerning the insurance afforded. The first Named Insured is authorized by all other insureds to make changes in the terms of this Coverage Part with our consent. This Coverage Part's terms can be amended or waived only by endorsement.

7. Maintenance Of/Changes To Controlling Underlying Insurance

Any "controlling underlying insurance" must be maintained in full effect without reduction of coverage or limits except for the reduction of aggregate limits in accordance with the provisions of such "controlling underlying insurance" that results from "injury or damage" to which this insurance applies.

Such exhaustion or reduction is not a failure to maintain "controlling underlying insurance". Failure to maintain "controlling underlying insurance" will not invalidate insurance provided under this Coverage Part, but insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect.

The first Named Insured must notify us in writing, as soon as practicable, if any "controlling underlying insurance" is cancelled, not renewed, replaced or otherwise terminated, or if the limits or scope of coverage of any "controlling underlying insurance" is changed.

8. Other Insurance

- a. This insurance is excess over, and shall not contribute with any of the other insurance, whether primary, excess, contingent or on any other basis. This condition will not apply to insurance specifically written as excess over this Coverage Part.

When this insurance is excess, if no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

- b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:
 - (1) The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this Coverage Part; and
 - (2) The total of all deductible and self-insured amounts under all that other insurance.

9. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. If this policy is auditable, the premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premium is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

10. Loss Payable

Liability under this Coverage Part does not apply to a given claim unless and until:

- a. The insured or insured's "controlling underlying insurer" has become obligated to pay the "retained limit"; and
- b. The obligation of the insured to pay the "ultimate net loss" in excess of the "retained limit" has been determined by a final settlement or judgment or written agreement among the insured, claimant, "controlling underlying insurer" (or a representative of one or more of these) and us.

11. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a suit asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, "controlling underlying insurer" and the claimant or the claimant's legal representative.

12. Transfer Of Defense

a. Defense Transferred To Us

When the limits of "controlling underlying insurance" have been exhausted, in accordance with the provisions of "controlling underlying insurance", we may elect to have the defense transferred to us. We will cooperate in the transfer of control to us of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

b. Defense Transferred By Us

When our limits of insurance have been exhausted our duty to provide a defense will cease.

We will cooperate in the transfer of control of defense to any insurer specifically written as excess over this Coverage Part of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

In the event that there is no insurance written as excess over this Coverage Part, we will cooperate in the transfer of control to the insured and its designated representative.

13. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

c. As used in this endorsement:

"Hazardous properties" includes radioactive, toxic or explosive properties.

"Nuclear material" means "source material", "special nuclear material" or "by-product material".

"Source material", "special nuclear material", and "by-product material" have the meanings given them in the Atomic Energy Act of 1954 or in any law amendatory thereof.

"Spent fuel" means any fuel element or fuel component, solid or liquid, which has been used or exposed to radiation in a "nuclear reactor".

EXCLUSION OF CERTIFIED ACTS OF TERRORISM AND EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE PART

Any endorsement addressing acts of terrorism (however defined) in any "controlling underlying insurance" does not apply to this excess insurance. The following provisions addressing acts of terrorism apply with respect to this excess insurance:

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Injury or damage" arising, directly or indirectly, out of a "certified act of terrorism", or out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the coverage territory. However, with respect to an "other act of terrorism", this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds \$25,000,000 (valued in US dollars). In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - a. Physical injury that involves a substantial risk of death; or
 - b. Protracted and obvious physical disfigurement; or
 - c. Protracted loss of or impairment of the function of a bodily member or organ; or

3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs 1. and 2. describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
 - a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;
 - b. The act resulted in damage:
 - (1) Within the United States (including its territories and possessions and Puerto Rico); or

- (2) Outside of the United States in the case of:

**THIS INSURANCE PROVIDES CLAIMS-MADE COVERAGE.
PLEASE READ THE ENTIRE FORM CAREFULLY.**

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section VI – Definitions.

SECTION I – COVERAGES

PRODUCTS/COMPLETED OPERATIONS BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" included within the "products-completed operations hazard" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments.

- b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
- (2) The "bodily injury" or "property damage" did not occur before the Retroactive Date, if any, shown in the Declarations or after the end of the policy period; and
- (3) A claim for damages because of the "bodily injury" or "property damage" is first made against any insured, in accordance with Paragraph c. below, during the policy period or any Extended Reporting Period we provide under Section V – Extended Reporting Periods.

- c. A claim by a person or organization seeking damages will be deemed to have been made at the earlier of the following times:

- (1) When notice of such claim is received and recorded by any insured or by us, whichever comes first; or
- (2) When we make settlement in accordance with Paragraph a. above.

All claims for damages because of "bodily injury" to the same person, including damages claimed by any person or organization for care, loss of services, or death resulting at any time from the "bodily injury", will be deemed to have been made at the time the first of those claims is made against any insured.

All claims for damages because of "property damage" causing loss to the same person or organization will be deemed to have been made at the time the first of those claims is made against any insured.

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;

- (a) The supervision, hiring, employment, training or monitoring of others by that insured; or
- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

- (2) Premises you sell, give away or abandon, if the "property damage" arises out of any part of those premises;
- (3) Property loaned to you; or
- (4) Personal property in the care, custody or control of the insured.

Paragraph (2) of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

1. We will pay, with respect to any claim we investigate or settle, or any "suit" against an insured we defend:
 - a. All expenses we incur.
 - b. The cost of bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.
 - c. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to \$250 a day because of time off from work.
 - d. All court costs taxed against the insured in the "suit". However, these payments do not include attorneys' fees or attorneys' expenses taxed against the insured.

- e. Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.
- f. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

- 2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:
 - a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
 - b. This insurance applies to such liability assumed by the insured;
 - c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
 - d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;
 - e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and
 - f. The indemnitee:
 - (1) Agrees in writing to:
 - (a) Cooperate with us in the investigation, settlement or defense of the "suit";
 - (b) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";
 - (c) Notify any other insurer whose coverage is available to the indemnitee; and
 - (d) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and

- (2) Provides us with written authorization to:

- (a) Obtain records and other information related to the "suit"; and
- (b) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph 2.b.(2) of Section I – Coverages – Bodily Injury And Property Damage Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements; or the conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

SECTION II – WHO IS AN INSURED

- 1. If you are designated in the Declarations as:
 - a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.
 - b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.
 - c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.
 - d. An organization other than a partnership, joint venture or limited liability company, you are an insured. Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

2. Each of the following is also an insured:

- a. Your "employees", other than either your "executive officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" is an insured for:

(1) "Bodily injury":

- (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), or to a co-"employee" while that co-"employee" is either in the course of his or her employment or performing duties related to the conduct of your business;
- (b) To the spouse, child, parent, brother or sister of that co-"employee" as a consequence of Paragraph (a) above;
- (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (a) or (b) above; or
- (d) Arising out of his or her providing or failing to provide professional health care services.

(2) "Property damage" to property:

- (a) Owned, occupied or used by;
- (b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;
you, any of your "employees", any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company).
- b. Any person (other than your "employee") or any organization while acting as your real estate manager.
- c. Any person or organization having proper temporary custody of your property if you die, but only:
 - (1) With respect to liability arising out of the maintenance or use of that property; and
 - (2) Until your legal representative has been appointed.
- d. Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.

3. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

- a. Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier; and
- b. Coverage does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

- 1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
- 2. The Aggregate Limit is the most we will pay for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".
- 3. Subject to Paragraph 2. above, the Each Occurrence Limit is the most we will pay for damages because of all "bodily injury" and "property damage" arising out of any one "occurrence".

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – PRODUCTS/COMPLETED OPERATIONS LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence".

Notice of an "occurrence" is not notice of a claim.

- b. If a claim is received by any insured, you must:

- (1) Immediately record the specifics of the claim and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim as soon as practicable.

- c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis that is effective prior to the beginning of the policy period shown in the Declarations of this insurance and applies to "bodily injury" or "property damage" included within the "products-completed operations hazard" on other than a claims-made basis, if:

- (1) No Retroactive Date is shown in the Declarations of this insurance; or
- (2) The other insurance has a policy period which continues after the Retroactive Date shown in the Declarations of this insurance.

When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

- (b) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

10. Your Right To Claim And Occurrence Information

We will provide the first Named Insured shown in the Declarations the following information relating to this and any preceding products/completed operations liability claims-made Coverage Part we have issued to you during the previous three years:

- a. A list or other record of each "occurrence", not previously reported to any other insurer, of which we were notified in accordance with Paragraph 2.a. of the Section IV – Duties In The Event Of Occurrence, Claim Or Suit Condition. We will include the date and brief description of the "occurrence" if that information was in the notice we received.
- b. A summary by policy year, of payments made and amounts reserved, stated separately, under the Aggregate Limit.

Amounts reserved are based on our judgment. They are subject to change and should not be regarded as ultimate settlement values.

You must not disclose this information to any claimant or any claimant's representative without our consent.

If we cancel or elect not to renew this Coverage Part, we will provide such information no later than 30 days before the date of policy termination. In other circumstances, we will provide this information only if we receive a written request from the first Named Insured within 60 days after the end of the policy period. In this case, we will provide this information within 45 days of receipt of the request.

We compile claim and "occurrence" information for our own business purposes and exercise reasonable care in doing so. In providing this information to the first Named Insured, we make no representations or warranties to insureds, insurers, or others to whom this information is furnished by or on behalf of any insured. Cancellation or nonrenewal will be effective even if we inadvertently provide inaccurate information.

SECTION V – EXTENDED REPORTING PERIODS

1. We will provide one or more Extended Reporting Periods, as described below, if:
 - a. This Coverage Part is cancelled or not renewed; or
 - b. We renew or replace this Coverage Part with insurance that:
 - (1) Has a Retroactive Date later than the date shown in the Declarations of this Coverage Part; or
 - (2) Does not apply to "bodily injury" or "property damage" on a claims-made basis.
2. Extended Reporting Periods do not extend the policy period or change the scope of coverage provided. They apply only to claims for "bodily injury" or "property damage" that occurs before the end of the policy period but not before the Retroactive Date, if any, shown in the Declarations.

Once in effect, Extended Reporting Periods may not be cancelled.
3. A Basic Extended Reporting Period is automatically provided without additional charge. This period starts with the end of the policy period and lasts for:
 - a. Five years with respect to claims because of "bodily injury" and "property damage" arising out of an "occurrence" reported to us, not later than 60 days after the end of the policy period, in accordance with Paragraph 2.a. of the Section IV – Duties In The Event Of Occurrence, Claim Or Suit Condition; and
 - b. Sixty days with respect to claims arising from "occurrences" not previously reported to us.

The Basic Extended Reporting Period does not apply to claims that are covered under any subsequent insurance you purchase, or that would be covered but for exhaustion of the amount of insurance applicable to such claims.

4. The Basic Extended Reporting Period does not reinstate or increase the Limits of Insurance.
5. A Supplemental Extended Reporting Period of unlimited duration is available, but only by an endorsement and for an extra charge. This supplemental period starts when the Basic Extended Reporting Period, set forth in Paragraph 3. above, ends.

You must give us a written request for the endorsement within 60 days after the end of the policy period. The Supplemental Extended Reporting Period will not go into effect unless you pay the additional premium promptly when due.

We will determine the additional premium in accordance with our rules and rates. In doing so, we may take into account the following:

- a. The exposures insured;
- b. Previous types and amounts of insurance;
- c. Limits of Insurance available under this Coverage Part for future payment of damages; and
- d. Other related factors.

The additional premium will not exceed 200% of the annual premium for this Coverage Part.

This endorsement shall set forth the terms, not inconsistent with this section, applicable to the Supplemental Extended Reporting Period, including a provision to the effect that the insurance afforded for claims first received during such period is excess over any other valid and collectible insurance available under policies in force after the Supplemental Extended Reporting Period starts.

6. If the Supplemental Extended Reporting Period is in effect, we will provide a supplemental aggregate limit of insurance described below, but only for claims first received and recorded during the Supplemental Extended Reporting Period.

The supplemental aggregate limit of insurance will be equal to the dollar amount shown in the Declarations in effect at the end of the policy period for the Aggregate Limit.

Paragraph 2. of Section III – Limits Of Insurance will be amended accordingly. The Each Occurrence Limit shown in the Declarations will then continue to apply, as set forth in Paragraph 3. of that section.

We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:
- (1) The amount we will pay for damages and "claim expenses" is limited as described in Section III – Limits Of Insurance; and
 - (2) Our right and duty to defend end when we have used up the applicable Limits of Insurance in the payment of judgments or settlements including "claim expenses". "Claim expenses" are payable within, and not in addition to, the Limits of Insurance. When the applicable limit has been exhausted, the Named Insured shall, upon notice from us, promptly take over control of the defense.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments.

- B. SUPPLEMENTARY PAYMENTS of SECTION I – COVERAGES** is replaced by the following:

 - g. All court costs taxed against the insured in the "suit". However, these payments do not include attorneys' fees or attorneys' expenses taxed against the insured.

Payments noted in **a.**, **b.**, **c.**, and **d.** above will not reduce the limits of insurance.

Payments noted in **e.**, **f.**, and **g.** above will reduce limits of insurance.

Notwithstanding the provisions of Paragraph 2.b.(2) of Section I – Coverages – Bodily Injury And Property Damage Liability, such payments will be deemed to be "claim expenses" and will not be deemed to be damages for "bodily injury" and "property damage".

These payments will reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements, including "claim expenses"; or the conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

Business transacted at any special meeting shall be confined to the purpose or purposes set forth in the notice of the special meeting.

Section 4. *Notice of Meetings*: Whenever shareholders are required to be permitted to take any action at a meeting, a written notice of the meeting shall be provided to each shareholder of record entitled to vote at or entitled to notice of the meeting, which shall state the place, date, and hour of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Unless otherwise provided by law, written notice of any meeting shall be given not less than ten nor more than sixty days before the date of the meeting to each shareholder entitled to vote at such meeting.

Section 7. *Voting at Meetings*: If a quorum exists, action on a matter (other than the election of directors) is approved if the votes cast favoring the action exceed the votes cast opposing the action. Unless otherwise provided by law or in the Corporation's Articles of Incorporation, and subject to other provisions of these Bylaws, each shareholder

Section 9. *Consent in Lieu of Meetings:* Any action required to be taken or which may be taken at any meeting of shareholders, whether annual or special, may be taken without a meeting, without prior notice, and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to take such action at a meeting at which all shareholders entitled to vote were present and voted. The action must be evidenced by one or more written consents, describing the action taken, signed and dated by the shareholders entitled to take action without a meeting, and delivered to the Corporation at its registered office or to the officer having charge of the Corporation's minute book.

Not Applicable

Canna Provisions, Inc. is not a Medical Marijuana Treatment Center or Existing RMD Applicant

Plan to Positively Impact Areas of Disproportionate Impact

Canna Provisions, Inc. is committed to do our part in positively impacting areas of disproportionate impact. Our plan focuses on employment, donations, Social Justice Leader Status and the use of suppliers, contractors and partners.

Holyoke has been designated as “Areas of Disproportionate Impact” and Lee is within a 20-minute drive to Pittsfield, another “Area of Disproportionate Impact” It is our plan to engage employees, suppliers, contractors and other partners from these communities when possible.

Canna Provisions, Inc. will be a three-manager run business with Meg Sanders being one of the managers. Meg has been in the legal cannabis industry for 9 years and is a nationally recognized leader in promoting women in cannabis, speaking at events, supporting women-focused organizations and has been recognized year after year for her groundbreaking female leadership in the industry.

EMPLOYMENT-

GOAL: Positively impact areas of disproportionate impact by providing good-paying jobs with benefits, including paid time for local volunteerism, and to develop long-term career opportunities.

PROGRAMS FOR ACHEIVING GOALS:

Canna Provisions is required, as part of our Host Community Agreements (“HCA”), to hire locally when possible. We are committed to compliance with this requirement and will make every effort to hire ~50% of our employees from the Cities of Holyoke and Pittsfield.

1. We will engage with CareerPoint, which as a Massachusetts One Stop Career center. CareerPoint serves the City of Holyoke. Canna Provisions will post all job posing through CareerPoint and will engage in job fairs and other services that CareerPoint offers.
2. We will engage with BerkshireWorks Career Center, which as a Massachusetts One Stop Career center. BerkshireWorks serves the City of Pittsfield. Canna Provisions will post all job posing through BerkshireWorks and will engage in job fairs and other services that BerkshireWorks offers.
3. We will engage with Greater Holyoke Chamber of Commerce, Greater Pittsfield Chamber of Commerce, the Berkshire Chamber of Commerce, Centennial Foundation, and Holyoke Job Link. We will post all job posing through this job site.
4. Candidates from these communities will be given preference for open positions at our RME.
5. We will make every effort to provide meaningful participation of communities disproportionately affected by cannabis prohibition and enforcement, including Minority Business Enterprises, Women Business Enterprises, and Veteran Business Enterprises in all of our hiring practices. We have begun vetting and hiring key employees and, thus far, everyone is an existing small farmer, woman, person of color, and/or veteran.
6. We will work directly with local veteran organizations to notify their members of any and all hiring fairs and open positions and will actively recruit veterans.

MEASUREMENT AND ACCOUNTABILITY:

Canna Provisions, Inc. will produce a full report annually on all attempts to hire, actual hires, from where they came, their training, pay, benefits, and advancement. This report will be made available to the Commonwealth of Massachusetts, the City of Holyoke and the Town of Lee. The report's conglomeration of data will also be used as an evolving tool for Canna Provisions to determine the best hiring practices to reach our stated goals above. Canna Provisions Managers and leaders from all employment partners organizations will meet to discuss the report and make any necessary adjustments. We also intend to present this report publicly to the Lee Board of Selectmen, the Mayor of Holyoke and the Holyoke City Council.

DONATIONS-

GOAL: To positively impact areas of disproportionate impact by making direct donations and encouraging employee volunteerism through paid volunteer days.

PROGRAMS FOR ACHIEVING GOALS:

Canna Provisions will make monetary donations to the following organizations on an ongoing basis. The amounts of these donations have not been determined. Once the company is stable in its finances and fiscal projections are more solid, these donations will increase.

1. Social Equity Training and Technical Assistance Fund
2. CareerPoint
3. BerkshireWorks
4. Brien Center
5. Goodwill Industries of the Berkshires, Pittsfield Regional Office & Training Center
6. Girls, Inc. of Holyoke

Canna Provisions has entered into a Memorandum of Understanding with the South Holyoke Neighborhood Association's Verde Fund to make annual minimum contributions of at least \$5000. MOU is attached and lays out the basis for the Verde Fund making grants and otherwise providing assistance locally.

MEASUREMENT AND ACCOUNTABILITY:

Canna Provisions, Inc. will produce a full report annually on all charitable donations. This report will be made available to the Commonwealth of Massachusetts, the City of Holyoke and the Town of Lee. Canna Provisions Managers and appropriate community leaders will meet to discuss the report and make any necessary adjustments. We also intend to present this report publicly to the Lee Board of Selectmen, the Mayor of Holyoke and the Holyoke City Council.

SOCIAL JUSTICE LEADER-

GOAL: TO positively impact areas of disproportionate impact by becoming a Social Justice Leader.

PROGRAMS FOR ACHIEVING GOALS:

Canna Provisions is committed to attaining Social Justice Leader status pursuant to 935 CMR 500.040(3)(a). While we may not be able to attain this status in year 1, it is our plan to make every effort to attain this leadership rating in year 2 of operation.

1. Once our fiscal projections are solid and we feel that the one percent of gross revenue required for this rating will not destabilize the company fiscally, we will make this required donation.
2. We plan to engage with Holyoke Community College, other educational institutions and other organizations for the purposes holding educational seminars in Marijuana Retailing and Marijuana Business Training.

MEASUREMENT AND ACCOUNTABILITY:

Canna Provisions, Inc. will produce a comprehensive report annually on all actions taken to achieve Social Justice Leader status. This report will be made available to the Commonwealth of Massachusetts, the City of Holyoke and the Town of Lee. Canna Provisions Managers and appropriate community leaders will meet to discuss the report and make any necessary adjustments. We also intend to present this report publicly to the Lee Board of Selectmen, the Mayor of Holyoke and the Holyoke City Council.

SUPPLIERS, CONTRACTORS and PARTNERS-

GOAL: To positively impact areas of disproportionate impact by partnering with existing businesses.

PROGRAMS FOR ACHIEVING GOALS:

Canna Provisions plans to utilize suppliers, contractors and other partners who are from areas of disproportionate impact and are people of color, women, veterans, farmers, and people with drug convictions.

1. It is our goal that ~50% of our vendors, contractors and builders will be sourced locally from Holyoke and/or Pittsfield.
2. As for our wholesale suppliers and partners, we will first engage with Marijuana Establishments that have attained Social Justice Leader rating from the Commission to fulfill our product needs. Suppliers for non-marijuana will be sourced from Holyoke, Pittsfield or other areas designated as an area of disproportionate impact.

MEASUREMENT AND ACCOUNTABILITY:

Canna Provisions, Inc. will produce an ongoing comprehensive ledger on all expenses that includes whether or not the expense is a qualifying one under this program's goals. This ledger will be part of a report to be made available to the Commonwealth of Massachusetts, the City of Holyoke and the Town of Lee. Canna Provisions Managers and appropriate community leaders will meet to discuss the report and make any necessary adjustments. We also intend to present this report publicly to the Lee Board of Selectmen, the Mayor of Holyoke and the Holyoke City Council.

INCUBATOR AND ACCELERATOR PROGRAMS

GOAL: To positively impact areas of disproportionate impact by helping small businesses effectively and efficiently start marijuana and marijuana support businesses.

PROGRAMS FOR ACHIEVING GOALS:

Managers Meg Sander and Erik Williams have a combined 17 years of legal cannabis business experience and will develop Canna Provisions' plans and programs for business incubators and business technical assistance. As consultants, Meg and Erik regularly provide pro bono work for those who are seeking to be a part of the Massachusetts marijuana industry and would continue that work as Managers with Canna Provisions. As these businesses and individuals are in the early stages along with the Massachusetts marijuana industry, we will develop the specific programs as long terms needs become more apparent.

These programs are expected to include:

1. Regular roundtable discussions and networking events for those seeking to enter the industry.
2. Hold regular working sessions on making applications to municipalities, writing business plans, developing financial projections, and addressing other technical issues they may be facing and/or may face.
3. Continuing to mentor all of the individuals currently being mentored.
4. Making un- or underused space available to small businesses as allowed by law.
5. Making commitments to purchase products and/or services from small businesses and those disproportionately impacted, including providing payment for such products and services in advance of delivery, providing much-needed cash flow.

Additionally, Canna Provisions is currently pursuing a plan to develop a "condominium-style" incubator space in property controlled by Canna Provisions, abutting our proposed Holyoke retail site. In addition to providing all of the benefits as described above to those 'tenants,' we would provide shared services at cost, and within all applicable laws. Those would include, but not be limited to, shared security equipment and professional monitoring, shared systems management, shared tracking and computer systems, shared temporary workforces, shared advertising, marketing, branding and distribution services, and encourage bulk-purchasing to how down costs.

MEASUREMENT AND ACCOUNTABILITY:

Canna Provisions, Inc. will produce look-book detailing the actions taken, the 'tenants' in our facilities, the finances of this program and will include forward-looking goals and statements. It is your intention that this presentation be publicly available and used as a blueprint for other companies to create similar incubator programs. Canna Provisions will form a group of affected persons to present to Managers any ways we can make the program work better. We also intend to present this publicly to the Lee Board of Selectmen, the Mayor of Holyoke and the Holyoke City Council.
