4. The individuals that are requesting ownership and control over the license(s) do not appear to have exceeded any ownership and control limits over any particular license type or cultivation canopy.

### **RECOMMENDATION**

Commission staff recommend review and decision on the request for change of ownership and control, and if approved, request that the approval be subject to the following conditions:

1. The licensee and the individuals associated with this change in ownership and control may now effectuate any outstanding business agreements related to the change. The licensee will notify the Commission when the change in ownership and control has occurred;
2. The licensee is subject to inspection to ascertain compliance with Commission regulations;
3. The licensee remains suitable for licensure;
4. The licensee shall cooperate with and provide information to Commission staff; and
5. The licensure is subject to notification to the Commission of any update to written operations plans required by 935 CMR 500.105(1) and/or 935 CMR 501.105(1) after effectuating the change in ownership and control, if applicable, and shall give Commission staff adequate opportunity to review said plans at the business location or the location where any such plans are maintained in the normal course of business.
