In circumstances where a Host Community imposes a cap on the number of Marijuana Establishments or MTCs that may obtain local approval to operate, if a Host Community later decides to allow additional Marijuana Establishments or MTCs, at least 50% of those licenses, but no less than one license, above the previously-established cap shall be reserved for: License Applicants that are Social Equity Businesses; License Applicants that have been designated as Social Equity Program Participants, Economic Empowerment Priority Applicants, or both; or individuals or entities verified or pre-verified pursuant to 935 CMR 500.101(7), including pre-verified individuals or entities that have already been designated as Social Equity Businesses, Economic Empowerment Applicants, or both.  - (c) Subsequent to its review of a suitability matter, make recommendations to the Executive Director, or the Commission, or a Commission Delegee(s).
- (6) When reviewing an adverse suitability recommendation by staff that there is an offense resulting in a Mandatory Disqualification, the Commission shall consider credible and reliable information demonstrating that:
- (a) The disqualifying event was based on erroneous information or evidence; and
 - (b) The subject can demonstrate that prior to the informal proceeding, the adverse suitability recommendation can no longer be supported because the error was corrected.
- (7) When reviewing an offense resulting in a Presumptive Negative Suitability Determination, the committee shall take into consideration the following factors:

 - (c) Nothing in 935 CMR 500.800(9) precludes the Commission from initiating a suitability review based on background information received after the Commission's initial suitability review.
- (10) The Executive Director in consultation with the Committee may determine that a subject's suitability warrants the Commission's consideration. The Executive Director may also remand a matter to staff for further investigation prior to making a determination. The Commission may consider the determination when acting on the application or renewal.

- (d) Where applicable, all look back periods for criminal conditions, offenses, and violations included in 935 CMR 500.801: *Table A* commence on the date of disposition; provided, however, that if disposition results in incarceration in any institution, the look back period shall commence on release from incarceration.
- (e) Unless otherwise specified in 935 CMR 500.801: *Table A*, a criminal condition, offense or violation shall include both convictions, which include guilty pleas and pleas of *nolo contendere*, and dispositions resulting in continuances without a finding or other disposition constituting an admission to sufficient facts, but shall exclude other non-conviction dispositions.

(3) Licensees and Registered Agents shall remain suitable at all times a License or registration remains in effect. An individual subject to this section shall notify the Commission in writing of any charge or conviction of an offense that would result in a presumptive negative suitability determination or mandatory disqualification under 935 CMR 500.801: *Table A*, 935 CMR 500.802: *Tables B through D* and 935 CMR 500.803: *Table E* within ten days of such individual's arrest or summons, and within ten days of the disposition on the merits of the underlying charge. 500.802: Suitability Standard for Registration as a Marijuana Establishment Agent

(1) In accordance with M.G.L. c. 94G, § 4(a½)(iii), the Commission has established qualifications for licensure and minimum standards for employment that are directly and demonstrably related to the operation of a Marijuana Establishment and similar to qualifications for licensure and employment standards in connection with alcoholic beverages as regulated under M.G.L. c. 138, provided that a prior conviction solely for a Marijuana-related offense or for a violation of M.G.L. c. 94C, § 34 shall not disqualify an individual or otherwise affect eligibility for employment or licensure in connection with a Marijuana Establishment, unless the offense involved the distribution of a controlled substance, including Marijuana, to a minor.

(2) For purposes of determining suitability based on background checks in accordance with 935 CMR 500.030 and 500.101:

- (a) All conditions, offenses, and violations are construed to include Massachusetts law or like or similar law(s) of Other Jurisdictions.
- (b) All criminal disqualifying conditions, offenses, and violations include the crimes of attempt, accessory, conspiracy and solicitation.
- (c) Juvenile dispositions shall not be considered as a factor for determining suitability.
- (d) Where applicable, all look back periods for criminal conditions, offenses, and violations included in 935 CMR 500.802: *Tables B through D* commence on the date of disposition; provided, however, that if disposition results in incarceration in any institution, the look back period shall commence on release from incarceration.

All suitability determinations will be made in accordance with the procedures set forth in 935 CMR 500.800. In addition to the requirements established in 935 CMR 500.800 shall:
