Elevated Roots LLC

Plan to Remain Compliant with Local Zoning

The Town of Kingston, MA (the “**Town**”) amended its zoning code at a Special Town Meeting on June 26, 2018, to allow the dispensing of marijuana for adult-use in the Commercial zoning district.

Elevated Roots LLC (the “**Company**”), is proposing to develop and operate a Marijuana Establishment at 44 William C Gould Jr Way, Kingston, MA 02364. This site is located in the Commercial zone, which permits the operation of a marijuana establishment, specifically a marijuana retail facility, pursuant to Section 4.21.4(p) of the Kingston Zoning By-laws and the table of use regulations for the Commercial zone, subject to the granting of a Special Permit from the Planning Board (the “**Board**”). Please see the attached zoning bylaws and zoning map for reference.

The Company has discussed its marijuana retail facility with town officials, including the Town of Kingston building and zoning department, the police department, the fire department, health department, and has appeared before the Town of Kingston Board of Selectmen and entered into a host community agreement with the Town. Pursuant to Section 4.21.3(f) and Section 4.23.5(u)(03) of the Kingston Zoning By-Laws, the Company must be issued a provisional license from the Cannabis Control Commission (the “**Provisional License**”), and include a certified copy of the Provisional License with its special permit application, prior to receiving a special permit. The Company shall apply for a special permit for a marijuana retail facility with the Board prior to, or as soon as practically possible after receiving the Provisional License for the Cannabis Control Commission.

The Company expects the following timing with respect to obtaining all Town zoning relief:

- March 2019: file for the Special Permit, provided the Company is in receipt of the Provisional License.
- June 2020: receipt of the Special Permit
- July 2020: issuance of the building permit.

The Company plans to continue to work with officials from the Town to ensure the operations will have a positive impact on the community and will work diligently to obtain all necessary approvals and permitting.

The Company hereby submits that it will continue to comply with all local and state requirements and Robert Palma, Owner and Member of the Board of Managers will be responsible for ongoing compliance with local and state rules and regulations.

Elevated Roots LLC

Plan for Positive Impact

Elevated Roots LLC (the “**Company**”) is basing its headquarters in Kingston, MA, an area that has not been identified by the Commission as an area of disproportionate impact. However, the Town of Abington, the Town of Wareham and City of Brockton have been identified as area of disproportional impact, and these communities are located approximately 16, 19 and 18 miles (respectively) from Kingston. Accordingly, the Company intends to focus its efforts in those communities and the surrounding community, and on Massachusetts Residents who have, or have parents or spouses who have, past drug convictions. (the “**Target Areas**”)

The Company will implement the following goals, programs and measurements pursuant to this Plan for Positive Impact (the “**Positive Impact Plan**”).

Goals:

The Company’s goals for this Positive Impact Plan are as follows:

1. Hire, in a legal and non-discriminatory manner, at least 25% of its employees from Target Areas including Brockton, and/or Massachusetts residents who have, or have parents or spouses who have, past drug convictions, or who are participants in the Commissions Social Equity Program (“SEP”);
2. Contribute a minimum of Ten Thousand and 00/100 Dollars (\$10,000.00) to charitable groups serving the Target Areas, including areas of disproportionate impact, and servicing individuals across Massachusetts, including Brockton, Abington, and Wareham; and/or Massachusetts residents who have, or have parents or spouses who have, past drug convictions; and
3. Provide educational programs and informational sessions geared towards individuals interested in the cannabis industry, with specific focuses on marijuana retailers and entrepreneurship, at least twice a year.

Programs:

In an effort to reach the abovementioned goals, the Company shall implement the following practices and programs:

1. In an effort to ensure that the Company has the opportunity to interview, and hire, individuals from the Target Areas or Massachusetts residents who have past drug convictions it shall post monthly notices for at least three (3) months prior to opening at the municipal offices of the Target Areas and in newspapers of general circulation in the Target Areas, including but not limited to, Abington Mariner, Brockton Enterprise, and Taunton Daily Gazette. these notices will state, among other things, that the Company is specifically looking for Massachusetts residents who are 21 years or older and either (i) live in a Target Area or another area of disproportionate impact as defined by the Commission; or (ii) have past drug convictions, for employment.

Elevated Roots LLC

Such residency, or prior drug conviction status, will be a positive factor in hiring decisions, but this does not prevent the Company from hiring the most qualified candidates and complying with all employment laws and other legal requirements.

2. In an effort to ensure that it will meet its contribution goals, the Company has corresponded with representatives from the Crohn's and Colitis Foundation (the "C&CF"), servicing individuals across Massachusetts, including Brockton, Abington, and Wareham. Please see attached letter from the C&CF confirming its willingness to accept these contributions from the Company.
3. In an effort to ensure that the Company provides opportunities for individuals from the Target Areas and/or Massachusetts residents who have past drug convictions to attend its educational events the Company shall post monthly notices at least two months two (2) months prior to hosting said educational programs or informational sessions in newspapers of general circulation in the Target Areas including but not limited to, the Abington Mariner, Brockton Enterprise, and Taunton Daily Gazette, and these notices will state, among other things, that the Company is specifically looking for Massachusetts residents who are 21 years or older and either (i) live in a Target Area or another area of disproportionate impact as defined by the Commission; or (ii) have past drug convictions to attend these events.

The Company respectfully submits that it will comply with the advertising, branding, marketing and sponsorship practices as outlined in 935 CMR 500.105(4) with respect to accomplishing the foregoing goals. The abovementioned notices will not include any Company advertisements, marketing materials or branding. To the extent the Commission deems necessary, notices and event programming materials will be made available to the Commission for review and inspection prior to publishing.

Annual Review:

Each year, the Company will review the following criteria in an effort to measure the success of its Positive Impact Plan.

1. Identify the number of individuals hired who (i) came from Target Areas, or other areas of disproportionate impact as defined by the Commission; or (ii) have past drug convictions;
2. Identify the amount of charitable donations the Company has made during the positive impact plan year, and to which organizations those donations went (documentation from said charities about whether or not they serve the Target Areas or other areas of disproportionate impact, or residents with previous drug convictions, will be available for inspection by the Commission upon request); and
3. Identify the number of educational events or informational sessions it holds and attendance at the same.

The Company affirmatively states that it: (1) has confirmed that all of the abovementioned charities have (or will) accepted donations from the Company; (2) acknowledges and is aware,

Elevated Roots LLC

and will adhere to, the requirements set forth in 935 CMR 500.105(4), which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment; (3) any actions taken, or programs instituted, will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws; and (4) the Company will be required to document progress or success of this plan, in its entirety, annually upon renewal of this provisional license.

4.2 The Board and Voting. The Company may have four persons serving as Managers from time to time, and all of those collectively shall constitute the Board of Managers. Initially, the Managers shall be all of Vivekanand Patel ("Patel"), Joshua E. Koenig, Robert Thomas Palma, Jr. and Barznab Khan ("Khan"). A quorum shall consist of all Managers if there be 2 or less Managers in office, and otherwise a quorum shall be all of the Managers then on the Board. The Board shall act by the affirmative vote of both Khan and Patel. However, if Khan and Patel do not vote in unison, the affirmative vote of a majority of Managers shall be required for any action to be approved. However, if Khan and Patel do not vote in unison, and the vote of the entire Board is deadlocked, Rahul Patel an officer of the Company shall cast the deciding vote as long as he remains an officer. Meetings of the Board shall be held at such places and times and with such frequency as is determined by the Board, and may be conducted through in-person meetings, telephonically, or through other electronic communication permitting all Managers to communicate simultaneously. Actions of the Board may also be taken by written consent of Khan and Patel. Any Manager may call a meeting of the Board upon not less than 6 hours advance notice, which notice may be given by electronic communication. Accurate minutes of any meeting of the Board shall be maintained by the Manager selected at that Board meeting.

4.3 Appointment, Removal or Replacement of a Manager. Any replacement(s) to fill the vacancy of any such Manager(s) shall be appointed by the Members.

4.4 Manager Has No Exclusive Duty to Company. Each Manager shall devote to the Company such time as he/she may deem necessary to manage the affairs of the Company. Each Manager may engage in or have an interest in other business ventures which are similar to or competitive with the business of the Company, including but not limited to, the ownership, financing, leasing, operation, management, syndication, brokerage or development of ventures competitive with ventures owned by the Company and the pursuit of such ventures shall not be deemed wrongful or improper or give the Company or the Members any rights with respect thereto. Neither the Board nor any Member shall be obligated to present an investment opportunity to the Company even if such investment opportunity is similar to or consistent with the business of the Company, and any such Person shall have a right to take for its own account or recommend to others any such investment opportunity.

4.5 Bank Accounts; Company Books. The Board may from time to time open bank accounts in the name of the Company. In accordance with Section 2.6, the Board shall maintain and preserve, during the term of the Company, and for six (6) years thereafter, all accounts, books, and other relevant Company documents. ARTICLE V
ADDITIONAL CAPITAL CONTRIBUTIONS; CAPITAL ACCOUNT;
ALLOCATIONS OF PROFITS AND LOSSES; DISTRIBUTIONS

5.1 Additional Capital Contributions; Capital Accounts.

(a) Issuance of Units; Additional Capital Contributions. Initially, the Board is authorized to issue [] Units. With the consent of the Members holding 60% of the Units, the Board may, from time to time, cause the Company to raise additional capital. In connection with any such capital raising, the Company may issue and sell additional Units, and additional classes of Units in the Company which may be *pari passu* with, or senior in right to, any class of Units, provided however, that the Company shall first comply with the provisions of Section 7.3 with respect to any newly issued, re-issued, or additional Units as though it were the Selling Party as defined in said Section.

(b) Capital Accounts. A Capital Account shall be maintained on the books and records of the Company for each Member (each, a "Capital Account") in accordance with the provisions of Section 5.3(a) and accordingly:

(i) To each Member's Capital Account there generally shall be credited such Member's Capital Contributions, such Member's distributive share of Profits and the amount of any Company liabilities assumed by such Member or that are secured by any Company property distributed to such Member.

(ii) To each Member's Capital Account there generally shall be debited the amount of cash and the Gross Asset Value of any Company property distributed to such Member pursuant to any provision of this Agreement, such Member's distributive share of Losses, and the amount of any liabilities of the Company assumed by such Member or that are secured by any property contributed by such Member to the Company.

(iii) In the event that all or a portion of any interest in the Company is Transferred in accordance with this Agreement, the Transferee shall succeed to the Capital Account of the Transferor to the extent it relates to the Transferred interest.

(iv) If during any Fiscal Year of the Company there is a change in any Member's Units of Membership Interest, allocations of Profits or Losses (or items thereof) for such Fiscal Year shall take into account the varying interests of the Members in the Company in a manner consistent with the requirements of Code Section 706.

The foregoing provisions, and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 1.704-1(b) of the Regulations and shall be interpreted and applied in a manner consistent with such Regulations. In the event that the Board shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto (including, without limitation, debits or credits relating to liabilities that are secured by contributed or distributed property or that are assumed by the Company or the Members) are computed in order to comply with such Regulations, the Board may make such modification, provided that it is not likely to have a material effect on the amounts otherwise distributable to any Member pursuant to this Agreement.

(c) Loans. No Member shall have any obligation to loan funds to the Company; provided, however, that subject to the provisions of Section 4.1(c), the Company may borrow funds or enter into other similar financial accommodations with any Member or any Affiliate of any Member. Loans to the Company by any Member shall not be considered Capital Contributions.

5.2 Calculation of Profits and Losses. For financial accounting purposes, the Profits and Losses of the Company shall be determined on an annual basis in accordance with this Agreement.

5.3 Allocation of Profits, Losses, Credits and Other Items.

(a) Profits and Losses. Profits and Losses (and each item thereof) shall be allocated among the Members in such manner and amount as shall accurately reflect (a) such Member's obligation, if any, to make future contributions to the Company, (b) such Member's right to receive distributions from the Company, and (c) such Member's economic risk of loss with respect to any liability of the Company. It is the intention of the Members that the allocations pursuant to this Section 5.3(a) be made in such manner as will have substantial economic effect or otherwise be in accordance with the Members' interest in the Company in accordance with Treasury Regulations Section 1.704-1(b) and 1.704-2. Without limiting the foregoing, it is anticipated that all allocations of Profits and Losses (and items thereof) among the Members will be allocated to the Members, in accordance with the provisions of such Regulations regarding "partner nonrecourse deductions," "nonrecourse deductions," limitations imposed on the deficit balance in a Member's capital account and "qualified income offset," "partnership minimum gain," and "partner nonrecourse debt minimum gain," as such terms are defined in Regulations Sections 1.704-2(i)(1), 1.704-2(b)(1), 1.704-1(b)(2)(ii)(d), 1.704-2(b)(2) and 1.704-2(i)(2), respectively, are incorporated herein by reference, and shall apply to the Members (and any Transferees) in such Member's capacity as a member of the Company for federal income purposes. Losses allocated to a Member pursuant to this Section 5.3(a) shall not exceed the maximum amount of Losses that can be allocated to such Member without causing such Member to have a negative Adjusted Capital Account Balance at the end of any Fiscal Year or other allocation period in which any other Member does not have a negative Adjusted Capital Account Balance.

(b) Tax Allocations.

(i) Subject to Section 5.3(b)(ii) and 5.3(b)(iii), each item of income, gain, loss, or deduction for federal income tax purposes that corresponds to an item of income, gain, loss or expense that is either taken into account in computing Profits or Losses or is specially allocated pursuant to Section 5.3(a) shall be allocated among the Members in the same proportion as the corresponding item is allocated among them pursuant to Section 5.3(a).

(ii) In the event any property of the Company is credited to the Capital Account of a Member at a value other than its tax basis, then allocations of taxable income, gain, loss and deductions with respect to such property shall be made in a manner which will comply with Code Section 704(c). In connection with the admission of a subsequent Member as of the date hereof, the Capital Accounts of the Members shall be adjusted to reflect the current Gross Asset Values of the Company's assets, as described in subsection (ii)(A) of the definition of Gross Asset Value.

(iii) The tax allocations made pursuant to this Section 5.3(b) shall be solely for tax purposes and shall not affect any Member's Capital Account or share of non-tax allocations or distributions under this Agreement.

(c) Former Members. Any allocations described above in this Section 5.3 also shall be made by the Company to any former Member to the extent applicable, as reasonably determined by the Board.

(d) Code Section 754 Election. The allocation to a Member of items of taxable income, gain, loss, and deduction of the Company also shall be adjusted to reflect any election under Code Section 754.

5.4 Non-Federal Taxes. As determined by the Board, to the extent that the laws of any state, or other local jurisdiction having jurisdiction over the Company ("Taxing Jurisdiction") require, each Member requested

to do so will submit to the Taxing Jurisdiction an agreement indicating that the Member will timely file all returns and make all income tax payments to the Taxing Jurisdiction or that the Member accepts personal jurisdiction of the Taxing Jurisdiction with regard to the collection of income taxes attributable to the Member's income, and interest and penalties assessed on such income or such other agreement as the Taxing Jurisdiction provides. If the Member fails to provide such agreement, to file such returns, or to make such tax payments, the Company may, and if required by the Taxing Jurisdiction shall, withhold and pay over to such Taxing Jurisdiction the amount of tax, penalty and interest determined as due under the laws of the Taxing Jurisdiction. Any such payments with respect to a Member shall be treated as an advance of a distribution to such Member, provided that if the Member was not entitled to such a distribution, upon written notice or demand by the Company to the Member evidencing such payments by the Company, such Member shall pay to the Company the amount the Company paid to the Taxing Jurisdiction. The Company may, where permitted by the rules of any Taxing Jurisdiction, file a composite, combined or aggregate tax return reflecting the income of the Company and pay the tax, interest and penalties of some or all of the Members on such income to the Taxing Jurisdiction, in which case the Company shall inform the Members of the amount of such tax, interest and penalties so paid and such amounts shall be also treated as such an advance distribution and, if the Member is not entitled to a distribution, be subject to repayment as provided above in this paragraph.

5.5 Distributions.

(a) Generally. Distributions by the Company to its Members, in their capacity as such, shall be made to all the Members in accordance with Section 5.5(b) at such time and in such amounts as may be determined by the Board. The Board shall have sole discretion to determine the amounts and time for any such distributions. In this regard, the Board may take into account such matters as the repayment of obligations to creditors and the setting aside of amounts to be retained by the Company for any purpose, including the conduct of the Company's business affairs. Distributions may be made in cash or in other property, as reasonably determined by the Board. Distributions other than in cash shall be valued as reasonably determined by the Board.

(b) Priorities. All distributions hereunder shall be made simultaneously to all the Members in proportion to their respective Percentage Interests at such time.

(c) Tax Distributions to Members. Notwithstanding the other provisions of this Agreement, to the extent funds are available, the Board shall make minimum distributions to each Member from time to time with respect to any Fiscal Year or other tax period in an amount sufficient to pay when due any federal, state and local income taxes imposed on such Member, calculated using the Assumed Tax Rate, that is attributable to the cumulative taxable income allocated to such Member under this Agreement with respect to the applicable Fiscal Year or other tax period. Tax distributions pursuant to this Section 5.5(c) shall not be made with respect to the year in which the Company liquidates. Tax distributions made hereunder shall be treated as an advance on other distributions to which a Member otherwise would be entitled in respect of such Member's Units, and shall therefore reduce the amount of such other distributions payable to that Member under this Agreement in respect thereof. The amount of tax distributions made to any Member with respect to a Fiscal Year or other tax period shall be reduced by the amount of the distributions made to such Member with respect to such Fiscal Year or other period pursuant to Section 5.5(b), as determined by the Board.

(d) Prohibited Distributions. Notwithstanding anything to the contrary contained herein, the Company shall not make any distribution to the Member if such distribution would violate the Act or other applicable law.

5.6 Withholding Taxes. The Company is authorized to withhold from distributions to the Members, and to pay over to a federal, state or local government, any amounts required to be withheld pursuant to the Internal Revenue Code of 1986, as amended, or any other provisions of any other federal, state, local or foreign law. Any amounts so withheld shall be treated as having been distributed to the Members pursuant to Section 5.5(b) for all purposes of this Agreement.

5.7 Condition to Distributions. At any time or from time to time, and prior to making any distributions, the Board may request from any Member or other Person receiving a distribution an affidavit or other evidence that such Person is not a "foreign person" within the meaning of Code Section 1445 or Code Section 1446. If

such Person does not provide such affidavit or other evidence in form and content reasonably satisfactory to the Members within 30 days after such request, the Board may withhold and pay over to the IRS such portion of such Person's distribution as may be necessary to comply with Code Section 1445 or Code Section 1446, and any amount so withheld and paid over shall be treated as a distribution to such Person at the time it is paid over to the IRS.

5.8 Creditor Status. No Member shall have the status of, or be entitled to any remedies available to, a creditor of the Company with respect to any distribution to which such Member may become entitled.

ARTICLE VI TRANSFERABILITY

6.1 Transfers Generally.

(a) Generally. No Member shall have the right to Transfer all or any of its Units except in accordance with this Article VI.

(b) Requirements. In the event that Sections 6.2 - 6.6, below are satisfied with regard to any Transfer of any Units, as a condition to recognizing the effectiveness and binding nature of such Transfer as against the Company or otherwise, and the substitution of a new Member, the Board may require the Transferring Member and the proposed Transferee to execute, acknowledge and deliver to the Board such instruments of Transfer, assignment and assumption and such other certificates, representations and documents, and to perform all such other acts which the Board may deem necessary or desirable to:

- (i) constitute such Transferee as a Member;
- (ii) assure that the Transferee qualifies as a Member under Section 3.1;
- (iii) confirm that the Transferee has accepted, assumed and agreed to be subject and bound by all of the terms, obligations and conditions of this Agreement, as the same may have been further amended (whether such Person is to be admitted as a new Member);
- (iv) preserve the Company after the completion of such Transfer or substitution under the laws of each jurisdiction in which the Company is qualified, organized or does business;
- (v) maintain the status of the Company as a partnership for federal tax purposes; and
- (vi) assure compliance with any applicable state and federal laws including securities laws and regulations.

(c) Effective Date of Transfer. Any Transfer of a Unit or admission of a Member in compliance with this Article VI shall be deemed effective as of the last day of the calendar month in which the Board's written consent thereto was given, unless the Board agrees in writing to a different date.

(d) Indemnification. The Transferring Member hereby indemnifies the Company, each Member of the Board and the remaining Members against any and all loss, damage, or expense (including, without limitation, tax liabilities or loss of tax benefits and reasonable accounting and legal expense) arising directly or indirectly as a result of any Transfer.

6.2 Failure of Board to Approve. Notwithstanding anything contained herein to the contrary, if the Board does/do not approve the proposed Transfer of any Unit to a Transferee which is not a Member immediately prior to such Transfer, then the proposed Transferee shall have no right to become an owner of Units or a Member or otherwise to participate in the management of the business and affairs of the Company. No Transfer of a Member's Interest in the Company (including any Transfer which has not been approved by the Board) shall be effective unless and until written notice (including the name and address of the proposed

Handwritten initials and signature:

Transferee and the date of such transfer) has been provided to the Company and the non-transferring Members.

6.3 Right of First Refusal Upon Sale of Units

(a) In the event that any Member or Members holding less than a majority of Units (each, a "Selling Party") shall at any time desire to sell some or all of his/their Units to any Person then, in addition to other requirements and limitations set forth in this Agreement, such Selling Party shall first receive a bona fide written offer (the "Offer") from an offeror (the "Offeror") to purchase such Units. The Selling Party shall then give written notice (the "Offer Notice") to the other Members of his intention to so sell. The Offer Notice shall:

- (i) include a copy of the Offer;
- (ii) state the intention to Transfer the Units and the amount to be transferred (the "Offered Units");
- (iii) state the name, business, and address of the Offeror; and
- (iv) state the amount of the consideration and the other terms of the Offer.

(b) The non-Selling Members shall have an option to Purchase ("Purchase Option") Offered Units all, or any portion, of the Offered Units on the same terms and conditions as set forth in the Offer Notice.

(c) The Purchase Option granted in this Section must be exercised by non-Selling Members wishing to do so (the "Purchasers"), by notice given by each during the period ending fifteen (15) Business Days after the receipt by all the Members of the Offer Notice, stating the number of Units the Purchaser wishes to purchase (the "Purchase Notice"). The Closing Date for all such Purchases shall be ninety (90) days after the date of the Offer Notice. If a Purchase Notice is not timely given, or if timely given, the Purchaser does not timely close the Purchase, it shall be deemed that the Purchase Option was rejected.

(d) If and to the extent that the non-Selling Members do not exercise their right to purchase all of the Offered Units in their entirety, then the Selling Party shall then have the right to transfer that portion of the Offered Units which the non-Selling Members have not elected to purchase in accordance with the Offer Notice within a period no sooner than thirty (30) days but no later than sixty (60) days next following the expiration of the Purchase Option. In the event the Selling Party has not transferred the Offered Units during such period in accordance with the Offer Notice or the Board does not approve the transferee then any transfer shall be null and void, and the Offered Units will continue to be subject to this Agreement.

6.4 Right of First Refusal Upon Involuntary Withdrawal

(a) Notice of Withdrawal. In the event that any Member (a "Withdrawing Member") shall suffer an Event of Withdrawal, then in addition to the other requirements and limitations set forth in this Agreement, the legal representatives of the Withdrawing Member ("Representatives") shall give written notice within ninety (90) days of the occurrence of such event (the "Withdrawal Notice") to the other Members of the withdrawal of the Withdrawing Member.

(b) Option to Purchase. For a period of ninety (90) days after the receipt by the Members of the Withdrawal Notice, the non-withdrawing Members shall have an option to purchase ("Option") all, but not less than all, of the Withdrawing Member's Units in the Company ("Abandoned Interest"), on the terms and conditions set forth below in subparagraphs (c) and (d).

(c) Exercise of Option. The Option granted in this Section to the Members must be exercised by notice within said ninety (90) day period and the purchase shall occur no later than sixty (60) days thereafter. If and to the extent that the Members do not exercise their right to purchase the Abandoned Interest in its entirety, the Units represented by the Abandoned Interest and right to request admission as a Substitute Member shall pass to the authorized legal representative(s) of the Withdrawing Member by operation of law, but subject, nevertheless, to the provisions of Section 6.1.

m
sk

(d) Purchase Price. If the non-withdrawing Members elect to exercise the Option, the purchase price for the Abandoned Interest ("Abandoned Interest Purchase Price") shall be the Fair Market Value of the Abandoned Interest as determined by an appraiser selected by the Board. The value of the Abandoned Interest shall be determined as of the date of the Event of Withdrawal, unless otherwise mutually agreed by the Company and the legal representatives of the Withdrawing Member. The cost of the appraisal shall be paid by the Company. The Abandoned Interest Purchase Price shall be paid in cash by the non-withdrawing Members by wire transfer of immediately available funds or by certified or bank treasurer's check upon the Transfer of the Abandoned Interest.

6.5 Permitted Transfers.

(a) Generally. Notwithstanding anything in the Agreement to the contrary, but subject to the requirements of Section 3.1 and 6.1(b), all Transfers of Units to a current Member, an Affiliate or to a Family Member may be undertaken without restriction ("Permitted Transfers"). Notwithstanding anything in this Section 6.5 to the contrary, the Transferring Member shall maintain all voting rights attached to his Units during his lifetime in regard to any Transfer to an Affiliate or Family Member.

6.6 Tax Limitation. Notwithstanding anything to the contrary contained herein, no Transfer of, or Lien on, any interest in the Company shall be permitted if such Transfer or Lien would cause the Company to be treated as an association taxable as a corporation for federal income tax purposes, including pursuant to Code Section 7704.

6.7 Holder of Record. The Company shall be entitled to treat the record owner of Units as the absolute owner thereof in all respects, and shall incur no liability for distributions of cash or other property made in good faith to such owner until such time as (i) a written assignment of such Units has been received and accepted by the Company in accordance with the terms and conditions set forth in this Agreement and (ii) the Transferee has been admitted as a Member of the Company and has fulfilled the terms and conditions of Section 6.1(b). In the absence of the substitution (as provided herein) of a Member for any Transferring Member, any payment to a Member, or any trustee in bankruptcy in accordance with the terms of this Agreement, shall acquit the Company and all other Members of all liability to any other Persons who may be interested in such payment by reason of any purported Transfer by such Member. In addition to and not in limitation of any other legal or equitable remedies which it may have, the Company and any of its Members may enforce its rights hereunder by actions for specific performance.

6.8 Tag Along Rights.

(a) Delivery of Tag-Along Notice. Subject to the provisions of this Article VI, in the event that the holders of a majority of Units desire to Transfer all of their Units (the "Tax-Along Transferors") to any one or more Persons in an arm's length single transaction or series of related transactions, then the Tax-Along Transferors shall provide all other Members (the "Tax-Along Members") with written notice ("Transfer Notice") of their intention to Transfer the Units, specifying in such Transfer Notice the identity of the proposed Transferee, the number of Units to be transferred, the purchase price therefor (the "Purchase Price"), and the terms (the "Transfer Terms") of the proposed sale (the "Proposed Sale").

(b) Tag-Along Right. Upon receipt of Transfer Notice, each Member that is not a Tag-Along Transferor, shall have a period of twenty (20) days ("Tag-Along Exercise Period") to exercise the right and option ("Tag-Along Right") to sell to the proposed Transferee in the Proposed Sale at a price and on terms equivalent to the per Unit Purchase Price and the Transfer Terms, up to that number of Units owned by such Tax-Along Member as shall equal the product of (i) a fraction, the numerator of which is the number of Tag-Along Units and the denominator of which is the aggregate number of Units owned of record as of the date of the Tag-Along Notice by the Tag-Along Transferors, multiplied by (ii) the number of Units owned of record by such Tag-Along Member as of the date of the Tag-Along Notice. Such written notice shall state the aggregate number of Units that such Tag-Along Member proposes to include in such Transfer.

(c) Exercise. If any Tag-Along Member exercises its rights pursuant to this Section 6.8, then Tag-Along Transferors will attempt to obtain from the proposed Transferee a commitment, for the benefit of each such Tag-Along Member, to purchase the number of Units that such Tag-Along Member proposes to include in such Transfer pursuant to this Section 6.8. To the extent Tag-Along Transferors cannot obtain such a

commitment from such proposed Transferee for each of the Tag-Along Members, the Tag-Along Transferors and Tag-Along Members shall reduce the number of Units being sold by the Tag-Along Transferors and Tag-Along Members such that each Tag-Along Transferor and each Tag-Along Member sells a number of Units as is determined by multiplying (i) a fraction, the numerator of which is equal to the number of Units that such Tag-Along Transferor or such Tag-Along Member, as the case may be, would have sold if Tag-Along Transferors had obtained such commitments from such proposed Transferee, and the denominator of which is equal to the total number of Units that would have been sold by all of such Tag-Along Transferors and all of such Tag-Along Members if Tag-Along Transferors had obtained such commitments from such proposed Transferee, multiplied by (ii) the total number of Units that such proposed Transferee is in fact acquiring from all Tag-Along Transferors and all Tag-Along Members. Anything in this Section to the contrary notwithstanding, each reduction shall be determined based on the amount to be distributed to each of the Tag-Along Transferors and each of the Tag-Along Members as if the proceeds were to be distributed pursuant to Section 5.5 at the time of such Transfer.

(d) Closing. The closing of the Transfer of the Units with respect to which rights have been exercised by a Tag-Along Member pursuant to this Section 6.8 is subject to, and will take place concurrently with, the closing of the Transfer of the Units by Tag-Along Transferors to the proposed Transferee. At such closing, each Tag-Along Member electing to Transfer Units shall deliver to the proposed Transferee, free and clear of all liens, the Units to be sold and shall receive in exchange therefor, the consideration to be paid by the proposed Transferee (but giving effect to the distribution priorities set forth in Section 5.5) in respect of such Units as described in the Tag-Along Notice.

(e) Subsequent Transfer. If any Tag-Along Transfer is not closed within six (6) months from the date of the Transfer Notice, with the same proposed transferee and at the same or better Purchase Price and Transfer Terms than those set forth in the transfer Notice, then prior to concluding any other proposed transfer of a majority of Units to any one or more Persons in a single transaction or series of related transactions, the Tag-Along Transferors shall be required to give all Members a new notice of their desire to transfer in accordance with the foregoing requirements and the foregoing procedures shall again be followed.

6.9 Drag Along Rights.

(a) Following the expiration of the Tag-Along Exercise Period, the Tag-Along Transferors shall have a period of fifteen (15) days to elect by written notice to require all Members that did not exercise their Tag Along Right to participate in the proposed transaction (the "Drag-Along Right") at a price and on terms equivalent to the per Unit Purchase Price and the Transfer Terms, provided that the liability of any Member for any breach of representations or covenants shall be joint but not several for any Member holding less than 20% of all Units outstanding.

(b) No Member participating in a Proposed Sale ("Drag-Along Seller") pursuant to the exercise of Drag Along Rights of the Tag-Along Transferors shall be required to make any representations and warranties other than those related to authority, ownership and the ability to convey title to such Units, including, but not limited to, representations and warranties that (i) the Drag-Along Seller holds all right, title and interest in and to the Units such Drag-Along Seller purports to hold, free and clear of all liens and encumbrances, (ii) the obligations of the Drag-Along Seller in connection with the transaction have been duly authorized, if applicable, (iii) the documents to be entered into by the Drag-Along Seller have been duly executed by the Drag-Along Seller and delivered to the acquirer and are enforceable (subject to customary limitations) against the Drag-Along Seller in accordance with their respective terms; and (iv) neither the execution and delivery of documents to be entered into by the Drag-Along Seller in connection with the transaction, nor the performance of the Drag-Along Seller's obligations thereunder, will cause a breach or violation of the terms of any agreement to which the Drag-Along Seller is a party, or any law or judgment, order or decree of any court or governmental agency that applies to the Drag-Along Seller.

(c) A Drag-Along Seller is not required to agree (unless such Drag-Along Seller is a Corporation officer or employee) to any restrictive covenant in connection with the Proposed Sale (including without limitation any covenant not to compete or covenant not to solicit customers, employees or suppliers of any party to the Proposed Sale).

(d) A Drag-Along Seller is not liable for the breach of any representation, warranty or covenant

made by any other Person in connection with the Proposed Sale), other than the Corporation (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Corporation as well as breach by any member of any of identical representations, warranties and covenants provided by all Members).

(e) A Drag-Along Seller's liability shall be limited to such Drag-Along Seller applicable share (determined based on the respective proceeds payable to each Drag-Along Seller in connection with such Proposed Sale but that in no event exceeds the amount of consideration otherwise payable to such Drag-Along Seller in connection with the Proposed Sale, except with respect to claims related to fraud by such Drag-Along Seller, the liability for which need not be limited as to such Drag-Along Seller.

(f) Upon the consummation of the Proposed Sale (i) each holder of the Units must receive the same form of consideration for their Units as is received by other holders in respect of their Units, and (ii) unless waived pursuant to the terms of this Agreement and as may be required by law, the aggregate consideration receivable by all holders of the Units shall be allocated among the holders of Units giving effect to the distribution priorities set forth in Section 5.5.

6.10 Securities Issues. Notwithstanding anything to the contrary in this Agreement, the Partnership Representative may cause each Member (including any former Member) to return amounts distributed to such Member pursuant to this Agreement in order to satisfy in full any such obligation of such Member. Any distributions returned pursuant to this provision shall not be treated as Capital Contributions, but shall be treated as returns of distributions for all purposes of this Agreement.

(vi) The Partnership Representative shall have the right to retain professional assistance in respect of any audit of the Company, and all reasonable out-of-pocket expenses and fees incurred by the Partnership Representative on behalf of the Company shall be reimbursed by the Company.

ARTICLE IX EXCULPATION AND INDEMNIFICATION

9.1 Exculpation. Notwithstanding any other provisions of this Agreement, whether express or implied, or obligation or duty at law or in equity, none of (i) the members of the Board, (ii) the Members or (iii) any of their respective officers, directors, stockholders, partners, members, employees, representatives or agents, or (iii) any director, officer, employee, or representative, or any agent of the Company or any of its affiliates (each individually, an "Indemnified Person" and collectively, the "Indemnified Persons") shall be liable to the Company or any other Person for any act or omission (in relation to the Company, this Agreement, any related document or any transaction or investment contemplated hereby or thereby) taken or omitted in good faith by an Indemnified Person and in the reasonable belief that such act or omission is in or is not contrary to the best interests of the Company and is within the scope of authority granted to such Indemnified Person by this Agreement, provided that such act or omission does not constitute fraud, willful misconduct, bad faith or gross negligence.

9.2 Indemnification. To the fullest extent permitted by applicable law, the Company shall indemnify and hold harmless each of the Indemnified Persons from and against any and all losses, claims, demands, liabilities, expenses, judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, in which the Indemnified Person may be involved, or threatened to be involved, as a party or otherwise, by reason of its management of the affairs of the Company or which relates to or arises out of the Company or its property, business or affairs (a "Claim"). An Indemnified Person shall not be entitled to indemnification under this Section 9.2 with respect to any claim, issue or matter in which it has engaged in fraud, willful misconduct, bad faith or gross negligence. The Company shall advance to any Indemnified Person reasonable attorneys' fees and other costs

and expenses incurred in connection with the defense of any such Claim if the Indemnified Person agrees in writing before any such advancement that he will reimburse the Company for such fees, costs and expenses to the extent that it is determined that he was not entitled to indemnification under this Section 9.2.

9.3 Exclusions. The Company will not be liable to pay any Covered Loss or Covered Expense (an "Excluded Claim"):

- (a) For which payment is actually made to or on behalf of the Indemnified Person under such Members' and Manager's liability insurance policy as may be maintained by the Company (except for any deductible under, or excess beyond the amount covered by, such insurance);
- (b) For which the Indemnified Person is otherwise indemnified or reimbursed;
- (c) With respect to a Proceeding in which a final judgment or other final adjudication determines that the Indemnified Person is liable to the Company for breach of fiduciary duty by such person; or
- (d) If a final judgment or other final adjudication determines that such payment is unlawful.

9.4 Notice to Company; Insurance. Promptly after receipt by the Indemnified Person of notice of the commencement of or the threat of commencement of any Proceeding, the Indemnified Person will, if indemnification with respect thereto may be sought from the Company under this Article IX, notify the Company of the commencement thereof. If, at the time of the receipt of such notice, the Company has any Members' and Manager's liability insurance in effect, the Company will give prompt notice of the commencement of such Proceeding to the insurer in accordance with the procedures set forth in the policy or policies in favor of the Indemnified Person. The Company will thereafter take all necessary or desirable action to cause such insurer to pay, on behalf of the Indemnified Person, any and all Covered Loss and Covered Expense payable as a result of such Proceeding in accordance with the terms of such policies.

9.5 Indemnification Procedures.

(a) Payments on account of the Company's indemnity against Covered Loss will be subject to the Company's first determining that the Covered Loss results from a claim which is not an Excluded Claim. Such a determination will be made by a determination of the Managers not at the time parties to the Proceeding. The determination required by this Section 9.5(a) will be made within 60 days of the Indemnified Person's written request for payment of a Loss, and if it is determined that the Covered Loss is not an Excluded Claim payment will be made forthwith thereafter.

(b) Payment of an Indemnified Person's Covered Expenses in advance of the final disposition of any Proceeding will be made within 20 days of the Indemnified Person's written request therefor. From time to time prior to the payment of Covered Expenses the Company may, but is not required to, determine (in accordance with Section 9.5(a) whether the Covered Expenses claimed may reasonably be expected, upon final disposition of the Proceeding, to constitute an Excluded Claim. If such a determination is pending, payment of the Indemnified Person's Covered Expenses may be delayed up to 60 days after the Indemnified Person's written request therefor, and if it is determined that the Covered Expenses are not an Excluded Claim, payment will be made forthwith thereafter.

9.7 Settlement. The Company will have no obligation to indemnify the Indemnified Person under this Article IX for any amounts paid in settlement of any Proceeding effected without the Company's prior written consent. The Company will not unreasonably withhold or delay its consent to any proposed settlement. The Company may consent to a settlement subject to the requirement that a determination thereafter will be made as to whether the Proceeding involved an Excluded Claim or not.

9.8 Rights Not Exclusive. The rights provided hereunder will not be deemed exclusive of any other rights to which the Indemnified Person may be entitled under the Act, any agreement, vote of Members or of the disinterested Manager(s) or otherwise, both as to action in the Indemnified Person's official capacity and as to action in any other capacity while holding such position or office, and shall continue after the Indemnified Person ceases to serve the Company in an official capacity.

9.9 Enforcement.

(a) The Indemnified Person's right to indemnification hereunder will be enforceable by the Indemnified Person in any court of competent jurisdiction and will be enforceable notwithstanding that an adverse determination has been made as provided in Section 9.5.

(b) In the event that any action is instituted by the Indemnified Person under this Article IX to enforce or interpret any of the terms of this Article IX, the Indemnified Person will be entitled to be paid all court costs and expenses, including reasonable attorneys' fees, incurred by the Indemnified Person with respect to such action, unless the court determines that each of the material assertions made by the Indemnified Person as a basis for such action was not made in good faith or was frivolous.

9.10 Successors and Assigns. This Article IX will be (a) binding upon all successors and assigns of the Company (including any transferee of all or substantially all of its assets) and (b) binding on and inure to the benefit of the heirs, executors, administrators, and other personal representatives of the Indemnified Person. If the Company sells or otherwise transfers all or substantially all of its assets to a third party, the Company will, as a condition of such sale or other transfer, require such third party to assume and perform the obligations of the Company under this Article IX.

9.11 Amendment. No amendment of this Article IX will be effective as to an Indemnified Person without such Indemnified Person's written consent.

9.12 Acceptance by Indemnified Person. This Article IX will apply, and the benefits hereof will be available, to each Member and Manager(s), of the Company who by accepting a respective position and serving on behalf of the Company will be deemed to have accepted the provisions of this Article IX and to have agreed to abide by the terms contained herein.

However, the Board may amend this Agreement without the approval of the Members to (i) reflect changes validly made in the ownership of Units and the Capital Contributions of the Member, (ii) reflect a change in the name of the Company, (iii) make any change that is necessary to cure any ambiguity, to correct or supplement any provision of this Agreement that would be inconsistent with any other provision contained herein, in each case so long as such change does not adversely affect any Members in any material respect, and (iv) make a change that is necessary or desirable to satisfy any requirements, conditions, or guidelines in any opinion, directive, order, statute, ruling or regulation of any federal, state or local governmental entity so long as such change is made in a manner which minimizes any adverse effect on the Members.

This Agreement (i) shall be a legal, valid and binding agreement of the Company and the Members enforceable against the Company and each Member in accordance with its terms and (ii) may be executed in several counterparts with the same effect as if the parties executing the several counterparts had all executed one counterpart.

If it shall be determined by a court of competent jurisdiction that any provisions or wording of this Agreement shall be invalid or unenforceable under the Act or other applicable law, such invalidity or unenforceability shall not invalidate the entire Agreement. In that case, this Agreement shall be construed so as to limit any term or provision so as to make it enforceable or valid within the requirements of any applicable law, and, in the event such term or provisions cannot be so limited, this Agreement shall be construed to omit such invalid or unenforceable terms or provisions. If it shall be determined by a court of competent jurisdiction that any provision relating to the distributions and allocations of the Company or to any expenses payable by the Company is invalid or unenforceable, this Agreement shall be construed or interpreted so as (i) to make it enforceable or valid and (ii) to make the distributions and allocations as closely equivalent to those set forth in this Agreement as is permissible under applicable law.

10.8 Integration. This Agreement constitutes the entire agreement among the parties pertaining to the subject matter hereof, and supersedes all prior agreements and understanding pertaining thereto. 10.13 Waivers. The failure of any party to seek redress for violation of or to insist upon strict performance of any covenant or condition of this Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

(a) Issuance of Units; Additional Capital Contributions. Initially, the Board is authorized to issue [] Units. With the consent of the Members holding 60% of the Units, the Board may, from time to time, cause the Company to raise additional capital. In connection with any such capital raising, the Company may issue and sell additional Units, and additional classes of Units in the Company which may be *pari passu* with, or senior in right to, any class of Units, provided however, that the Company shall first comply with the provisions of Section 7.3 with respect to any newly issued, re-issued, or additional Units as though it were the Selling Party as defined in said Section.

(b) Capital Accounts. A Capital Account shall be maintained on the books and records of the Company for each Member (each, a "Capital Account") in accordance with the provisions of Section 5.3(a) and accordingly:

(i) To each Member's Capital Account there generally shall be credited such Member's Capital Contributions, such Member's distributive share of Profits and the amount of any Company liabilities assumed by such Member or that are secured by any Company property distributed to such Member.

(ii) To each Member's Capital Account there generally shall be debited the amount of cash and the Gross Asset Value of any Company property distributed to such Member pursuant to any provision of this Agreement, such Member's distributive share of Losses, and the amount of any liabilities of the Company assumed by such Member or that are secured by any property contributed by such Member to the Company.

(iii) In the event that all or a portion of any interest in the Company is Transferred in accordance with this Agreement, the Transferee shall succeed to the Capital Account of the Transferor to the extent it relates to the Transferred interest.

(iv) If during any Fiscal Year of the Company there is a change in any Member's Units of Membership Interest, allocations of Profits or Losses (or items thereof) for such Fiscal Year shall take into account the varying interests of the Members in the Company in a manner consistent with the requirements of Code Section 706.

The foregoing provisions, and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 1.704-1(b) of the Regulations and shall be interpreted and applied in a manner consistent with such Regulations. In the event that the Board shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto (including, without limitation, debits or credits relating to liabilities that are secured by contributed or distributed property or that are assumed by the Company or the Members) are computed in order to comply with such Regulations, the Board may make such modification, provided that it is not likely to have a material effect on the amounts otherwise distributable to any Member pursuant to this Agreement.

(c) Loans. No Member shall have any obligation to loan funds to the Company; provided, however, that subject to the provisions of Section 4.1(c), the Company may borrow funds or enter into other similar financial accommodations with any Member or any Affiliate of any Member. Loans to the Company by any Member shall not be considered Capital Contributions.

5.2 Calculation of Profits and Losses. For financial accounting purposes, the Profits and Losses of the Company shall be determined on an annual basis in accordance with this Agreement.

5.3 Allocation of Profits, Losses, Credits and Other Items.

(a) Profits and Losses. Profits and Losses (and each item thereof) shall be allocated among the Members in such manner and amount as shall accurately reflect (a) such Member's obligation, if any, to make future contributions to the Company, (b) such Member's right to receive distributions from the Company, and (c) such Member's economic risk of loss with respect to any liability of the Company. It is the intention of the Members that the allocations pursuant to this Section 5.3(a) be made in such manner as will have substantial economic effect or otherwise be in accordance with the Members' interest in the Company in accordance with Treasury Regulations Section 1.704-1(b) and 1.704-2. Without limiting the foregoing, it is anticipated that all allocations of Profits and Losses (and items thereof) among the Members will be allocated to the Members, in accordance with the provisions of such Regulations regarding "partner nonrecourse deductions," "nonrecourse deductions," limitations imposed on the deficit balance in a Member's capital account and "qualified income offset," "partnership minimum gain," and "partner nonrecourse debt minimum gain," as such terms are defined in Regulations Sections 1.704-2(i)(1), 1.704-2(b)(1), 1.704-1(b)(2)(ii)(d), 1.704-2(b)(2) and 1.704-2(i)(2), respectively, are incorporated herein by reference, and shall apply to the Members (and any Transferees) in such Member's capacity as a member of the Company for federal income purposes. Losses allocated to a Member pursuant to this Section 5.3(a) shall not exceed the maximum amount of Losses that can be allocated to such Member without causing such Member to have a negative Adjusted Capital Account Balance at the end of any Fiscal Year or other allocation period in which any other Member does not have a negative Adjusted Capital Account Balance.

(b) Tax Allocations.

(i) Subject to Section 5.3(b)(ii) and 5.3(b)(iii), each item of income, gain, loss, or deduction for federal income tax purposes that corresponds to an item of income, gain, loss or expense that is either taken into account in computing Profits or Losses or is specially allocated pursuant to Section 5.3(a) shall be allocated among the Members in the same proportion as the corresponding item is allocated among them pursuant to Section 5.3(a).

(ii) In the event any property of the Company is credited to the Capital Account of a Member at a value other than its tax basis, then allocations of taxable income, gain, loss and deductions with respect to such property shall be made in a manner which will comply with Code Section 704(c). In connection with the admission of a subsequent Member as of the date hereof, the Capital Accounts of the Members shall be adjusted to reflect the current Gross Asset Values of the Company's assets, as described in subsection (ii)(A) of the definition of Gross Asset Value.

(iii) The tax allocations made pursuant to this Section 5.3(b) shall be solely for tax purposes and shall not affect any Member's Capital Account or share of non-tax allocations or distributions under this Agreement.

(c) Former Members. Any allocations described above in this Section 5.3 also shall be made by the Company to any former Member to the extent applicable, as reasonably determined by the Board.

(d) Code Section 754 Election. The allocation to a Member of items of taxable income, gain, loss, and deduction of the Company also shall be adjusted to reflect any election under Code Section 754.

5.4 Non-Federal Taxes. As determined by the Board, to the extent that the laws of any state, or other local jurisdiction having jurisdiction over the Company ("Taxing Jurisdiction") require, each Member requested

to do so will submit to the Taxing Jurisdiction an agreement indicating that the Member will timely file all returns and make all income tax payments to the Taxing Jurisdiction or that the Member accepts personal jurisdiction of the Taxing Jurisdiction with regard to the collection of income taxes attributable to the Member's income, and interest and penalties assessed on such income or such other agreement as the Taxing Jurisdiction provides. If the Member fails to provide such agreement, to file such returns, or to make such tax payments, the Company may, and if required by the Taxing Jurisdiction shall, withhold and pay over to such Taxing Jurisdiction the amount of tax, penalty and interest determined as due under the laws of the Taxing Jurisdiction. Any such payments with respect to a Member shall be treated as an advance of a distribution to such Member, provided that if the Member was not entitled to such a distribution, upon written notice or demand by the Company to the Member evidencing such payments by the Company, such Member shall pay to the Company the amount the Company paid to the Taxing Jurisdiction. The Company may, where permitted by the rules of any Taxing Jurisdiction, file a composite, combined or aggregate tax return reflecting the income of the Company and pay the tax, interest and penalties of some or all of the Members on such income to the Taxing Jurisdiction, in which case the Company shall inform the Members of the amount of such tax, interest and penalties so paid and such amounts shall be also treated as such an advance distribution and, if the Member is not entitled to a distribution, be subject to repayment as provided above in this paragraph.

5.5 Distributions.

(a) Generally. Distributions by the Company to its Members, in their capacity as such, shall be made to all the Members in accordance with Section 5.5(b) at such time and in such amounts as may be determined by the Board. The Board shall have sole discretion to determine the amounts and time for any such distributions. In this regard, the Board may take into account such matters as the repayment of obligations to creditors and the setting aside of amounts to be retained by the Company for any purpose, including the conduct of the Company's business affairs. Distributions may be made in cash or in other property, as reasonably determined by the Board. Distributions other than in cash shall be valued as reasonably determined by the Board.

(b) Priorities. All distributions hereunder shall be made simultaneously to all the Members in proportion to their respective Percentage Interests at such time.

(c) Tax Distributions to Members. Notwithstanding the other provisions of this Agreement, to the extent funds are available, the Board shall make minimum distributions to each Member from time to time with respect to any Fiscal Year or other tax period in an amount sufficient to pay when due any federal, state and local income taxes imposed on such Member, calculated using the Assumed Tax Rate, that is attributable to the cumulative taxable income allocated to such Member under this Agreement with respect to the applicable Fiscal Year or other tax period. Tax distributions pursuant to this Section 5.5(c) shall not be made with respect to the year in which the Company liquidates. Tax distributions made hereunder shall be treated as an advance on other distributions to which a Member otherwise would be entitled in respect of such Member's Units, and shall therefore reduce the amount of such other distributions payable to that Member under this Agreement in respect thereof. The amount of tax distributions made to any Member with respect to a Fiscal Year or other tax period shall be reduced by the amount of the distributions made to such Member with respect to such Fiscal Year or other period pursuant to Section 5.5(b), as determined by the Board.

(d) Prohibited Distributions. Notwithstanding anything to the contrary contained herein, the Company shall not make any distribution to the Member if such distribution would violate the Act or other applicable law.

5.6 Withholding Taxes. The Company is authorized to withhold from distributions to the Members, and to pay over to a federal, state or local government, any amounts required to be withheld pursuant to the Internal Revenue Code of 1986, as amended, or any other provisions of any other federal, state, local or foreign law. Any amounts so withheld shall be treated as having been distributed to the Members pursuant to Section 5.5(b) for all purposes of this Agreement.

5.7 Condition to Distributions. At any time or from time to time, and prior to making any distributions, the Board may request from any Member or other Person receiving a distribution an affidavit or other evidence that such Person is not a "foreign person" within the meaning of Code Section 1445 or Code Section 1446. If

such Person does not provide such affidavit or other evidence in form and content reasonably satisfactory to the Members within 30 days after such request, the Board may withhold and pay over to the IRS such portion of such Person's distribution as may be necessary to comply with Code Section 1445 or Code Section 1446, and any amount so withheld and paid over shall be treated as a distribution to such Person at the time it is paid over to the IRS.

5.8 Creditor Status. No Member shall have the status of, or be entitled to any remedies available to, a creditor of the Company with respect to any distribution to which such Member may become entitled.

ARTICLE VI TRANSFERABILITY

6.1 Transfers Generally.

(a) Generally. No Member shall have the right to Transfer all or any of its Units except in accordance with this Article VI.

(b) Requirements. In the event that Sections 6.2 - 6.6, below are satisfied with regard to any Transfer of any Units, as a condition to recognizing the effectiveness and binding nature of such Transfer as against the Company or otherwise, and the substitution of a new Member, the Board may require the Transferring Member and the proposed Transferee to execute, acknowledge and deliver to the Board such instruments of Transfer, assignment and assumption and such other certificates, representations and documents, and to perform all such other acts which the Board may deem necessary or desirable to:

(i) constitute such Transferee as a Member;

(ii) assure that the Transferee qualifies as a Member under Section 3.1;

(iii) confirm that the Transferee has accepted, assumed and agreed to be subject and bound by all of the terms, obligations and conditions of this Agreement, as the same may have been further amended (whether such Person is to be admitted as a new Member);

(iv) preserve the Company after the completion of such Transfer or substitution under the laws of each jurisdiction in which the Company is qualified, organized or does business;

(v) maintain the status of the Company as a partnership for federal tax purposes; and

(vi) assure compliance with any applicable state and federal laws including securities laws and regulations.

(c) Effective Date of Transfer. Any Transfer of a Unit or admission of a Member in compliance with this Article VI shall be deemed effective as of the last day of the calendar month in which the Board's written consent thereto was given, unless the Board agrees in writing to a different date.

(d) Indemnification. The Transferring Member hereby indemnifies the Company, each Member of the Board and the remaining Members against any and all loss, damage, or expense (including, without limitation, tax liabilities or loss of tax benefits and reasonable accounting and legal expense) arising directly or indirectly as a result of any Transfer.

6.2 Failure of Board to Approve. Notwithstanding anything contained herein to the contrary, if the Board does/do not approve the proposed Transfer of any Unit to a Transferee which is not a Member immediately prior to such Transfer, then the proposed Transferee shall have no right to become an owner of Units or a Member or otherwise to participate in the management of the business and affairs of the Company. No Transfer of a Member's Interest in the Company (including any Transfer which has not been approved by the Board shall be effective unless and until written notice (including the name and address of the proposed

Transferee and the date of such transfer) has been provided to the Company and the non-transferring Members.

6.3 Right of First Refusal Upon Sale of Units

(a) In the event that any Member or Members holding less than a majority of Units (each, a "Selling Party") shall at any time desire to sell some or all of his/their Units to any Person then, in addition to other requirements and limitations set forth in this Agreement, such Selling Party shall first receive a bona fide written offer (the "Offer") from an offeror (the "Offeror") to purchase such Units. The Selling Party shall then give written notice (the "Offer Notice") to the other Members of his intention to so sell. The Offer Notice shall:

- (i) include a copy of the Offer;
- (ii) state the intention to Transfer the Units and the amount to be transferred (the "Offered Units");
- (iii) state the name, business, and address of the Offeror; and
- (iv) state the amount of the consideration and the other terms of the Offer.

(b) The non-Selling Members shall have an option to Purchase ("Purchase Option") Offered Units all, or any portion, of the Offered Units on the same terms and conditions as set forth in the Offer Notice.

(c) The Purchase Option granted in this Section must be exercised by non-Selling Members wishing to do so (the "Purchasers"), by notice given by each during the period ending fifteen (15) Business Days after the receipt by all the Members of the Offer Notice, stating the number of Units the Purchaser wishes to purchase (the "Purchase Notice"). The Closing Date for all such Purchases shall be ninety (90) days after the date of the Offer Notice. If a Purchase Notice is not timely given, or if timely given, the Purchaser does not timely close the Purchase, it shall be deemed that the Purchase Option was rejected.

(d) If and to the extent that the non-Selling Members do not exercise their right to purchase all of the Offered Units in their entirety, then the Selling Party shall then have the right to transfer that portion of the Offered Units which the non-Selling Members have not elected to purchase in accordance with the Offer Notice within a period no sooner than thirty (30) days but no later than sixty (60) days next following the expiration of the Purchase Option. In the event the Selling Party has not transferred the Offered Units during such period in accordance with the Offer Notice or the Board does not approve the transferee then any transfer shall be null and void, and the Offered Units will continue to be subject to this Agreement.

6.4 Right of First Refusal Upon Involuntary Withdrawal

(a) Notice of Withdrawal. In the event that any Member (a "Withdrawing Member") shall suffer an Event of Withdrawal, then in addition to the other requirements and limitations set forth in this Agreement, the legal representatives of the Withdrawing Member ("Representatives") shall give written notice within ninety (90) days of the occurrence of such event (the "Withdrawal Notice") to the other Members of the withdrawal of the Withdrawing Member.

(b) Option to Purchase. For a period of ninety (90) days after the receipt by the Members of the Withdrawal Notice, the non-withdrawing Members shall have an option to purchase ("Option") all, but not less than all, of the Withdrawing Member's Units in the Company ("Abandoned Interest"), on the terms and conditions set forth below in subparagraphs (c) and (d).

(c) Exercise of Option. The Option granted in this Section to the Members must be exercised by notice within said ninety (90) day period and the purchase shall occur no later than sixty (60) days thereafter. If and to the extent that the Members do not exercise their right to purchase the Abandoned Interest in its entirety, the Units represented by the Abandoned Interest and right to request admission as a Substitute Member shall pass to the authorized legal representative(s) of the Withdrawing Member by operation of law, but subject, nevertheless, to the provisions of Section 6.1.

(d) Purchase Price. If the non-withdrawing Members elect to exercise the Option, the purchase price for the Abandoned Interest ("Abandoned Interest Purchase Price") shall be the Fair Market Value of the Abandoned Interest as determined by an appraiser selected by the Board. The value of the Abandoned Interest shall be determined as of the date of the Event of Withdrawal, unless otherwise mutually agreed by the Company and the legal representatives of the Withdrawing Member. The cost of the appraisal shall be paid by the Company. The Abandoned Interest Purchase Price shall be paid in cash by the non-withdrawing Members by wire transfer of immediately available funds or by certified or bank treasurer's check upon the Transfer of the Abandoned Interest.

6.5 Permitted Transfers.

(a) Generally. Notwithstanding anything in the Agreement to the contrary, but subject to the requirements of Section 3.1 and 6.1(b), all Transfers of Units to a current Member, an Affiliate or to a Family Member may be undertaken without restriction ("Permitted Transfers"). Notwithstanding anything in this Section 6.5 to the contrary, the Transferring Member shall maintain all voting rights attached to his Units during his lifetime in regard to any Transfer to an Affiliate or Family Member.

6.6 Tax Limitation. Notwithstanding anything to the contrary contained herein, no Transfer of, or Lien on, any interest in the Company shall be permitted if such Transfer or Lien would cause the Company to be treated as an association taxable as a corporation for federal income tax purposes, including pursuant to Code Section 7704.

6.7 Holder of Record. The Company shall be entitled to treat the record owner of Units as the absolute owner thereof in all respects, and shall incur no liability for distributions of cash or other property made in good faith to such owner until such time as (i) a written assignment of such Units has been received and accepted by the Company in accordance with the terms and conditions set forth in this Agreement and (ii) the Transferee has been admitted as a Member of the Company and has fulfilled the terms and conditions of Section 6.1(b). In the absence of the substitution (as provided herein) of a Member for any Transferring Member, any payment to a Member, or any trustee in bankruptcy in accordance with the terms of this Agreement, shall acquit the Company and all other Members of all liability to any other Persons who may be interested in such payment by reason of any purported Transfer by such Member. In addition to and not in limitation of any other legal or equitable remedies which it may have, the Company and any of its Members may enforce its rights hereunder by actions for specific performance.

6.8 Tag Along Rights.

(a) Delivery of Tag-Along Notice. Subject to the provisions of this Article VI, in the event that the holders of a majority of Units desire to Transfer all of their Units (the "Tax-Along Transferors") to any one or more Persons in an arm's length single transaction or series of related transactions, then the Tax-Along Transferors shall provide all other Members (the "Tax-Along Members") with written notice ("Transfer Notice") of their intention to Transfer the Units, specifying in such Transfer Notice the identity of the proposed Transferee, the number of Units to be transferred, the purchase price therefor (the "Purchase Price"), and the terms (the "Transfer Terms") of the proposed sale (the "Proposed Sale").

(b) Tag-Along Right. Upon receipt of Transfer Notice, each Member that is not a Tag-Along Transferor, shall have a period of twenty (20) days ("Tag-Along Exercise Period") to exercise the right and option ("Tag-Along Right") to sell to the proposed Transferee in the Proposed Sale at a price and on terms equivalent to the per Unit Purchase Price and the Transfer Terms, up to that number of Units owned by such Tax-Along Member as shall equal the product of (i) a fraction, the numerator of which is the number of Tag-Along Units and the denominator of which is the aggregate number of Units owned of record as of the date of the Tag-Along Notice by the Tag-Along Transferors, multiplied by (ii) the number of Units owned or record by such Tag-Along Member as of the date of the Tag-Along Notice. Such written notice shall state the aggregate number of Units that such Tag-Along Member proposes to include in such Transfer.

(c) Exercise. If any Tag-Along Member exercises its rights pursuant to this Section 6.8, then Tag-Along Transferors will attempt to obtain from the proposed Transferee a commitment, for the benefit of each such Tag-Along Member, to purchase the number of Units that such Tag-Along Member proposes to include in such Transfer pursuant to this Section 6.8. To the extent Tag-Along Transferors cannot obtain such a

commitment from such proposed Transferee for each of the Tag-Along Members, the Tag-Along Transferors and Tag-Along Members shall reduce the number of Units being sold by the Tag-Along Transferors and Tag-Along Members such that each Tag-Along Transferor and each Tag-Along Member sells a number of Units as is determined by multiplying (i) a fraction, the numerator of which is equal to the number of Units that such Tag-Along Transferor or such Tag-Along Member, as the case may be, would have sold if Tag-Along Transferors had obtained such commitments from such proposed Transferee, and the denominator of which is equal to the total number of Units that would have been sold by all of such Tag-Along Transferors and all of such Tag-Along Members if Tag-Along Transferors had obtained such commitments from such proposed Transferee, multiplied by (ii) the total number of Units that such proposed Transferee is in fact acquiring from all Tag-Along Transferors and all Tag-Along Members. Anything in this Section to the contrary notwithstanding, each reduction shall be determined based on the amount to be distributed to each of the Tag-Along Transferors and each of the Tag-Along Members as if the proceeds were to be distributed pursuant to Section 5.5 at the time of such Transfer.

(d) Closing. The closing of the Transfer of the Units with respect to which rights have been exercised by a Tag-Along Member pursuant to this Section 6.8 is subject to, and will take place concurrently with, the closing of the Transfer of the Units by Tag-Along Transferors to the proposed Transferee. At such closing, each Tag-Along Member electing to Transfer Units shall deliver to the proposed Transferee, free and clear of all liens, the Units to be sold and shall receive in exchange therefor, the consideration to be paid by the proposed Transferee (but giving effect to the distribution priorities set forth in Section 5.5) in respect of such Units as described in the Tag-Along Notice.

(e) Subsequent Transfer. If any Tag-Along Transfer is not closed within six (6) months from the date of the Transfer Notice, with the same proposed transferee and at the same or better Purchase Price and Transfer Terms than those set forth in the transfer Notice, then prior to concluding any other proposed transfer of a majority of Units to any one or more Persons in a single transaction or series of related transactions, the Tag-Along Transferors shall be required to give all Members a new notice of their desire to transfer in accordance with the foregoing requirements and the foregoing procedures shall again be followed.

6.9 Drag Along Rights.

(a) Following the expiration of the Tag-Along Exercise Period, the Tag-Along Transferors shall have a period of fifteen (15) days to elect by written notice to require all Members that did not exercise their Tag Along Right to participate in the proposed transaction (the "Drag-Along Right") at a price and on terms equivalent to the per Unit Purchase Price and the Transfer Terms, provided that the liability of any Member for any breach of representations or covenants shall be joint but not several for any Member holding less than 20% of all Units outstanding.

(b) No Member participating in a Proposed Sale ("Drag-Along Seller") pursuant to the exercise of Drag Along Rights of the Tag-Along Transferors shall be required to make any representations and warranties other than those related to authority, ownership and the ability to convey title to such Units, including, but not limited to, representations and warranties that (i) the Drag-Along Seller holds all right, title and interest in and to the Units such Drag-Along Seller purports to hold, free and clear of all liens and encumbrances, (ii) the obligations of the Drag-Along Seller in connection with the transaction have been duly authorized, if applicable, (iii) the documents to be entered into by the Drag-Along Seller have been duly executed by the Drag-Along Seller and delivered to the acquirer and are enforceable (subject to customary limitations) against the Drag-Along Seller in accordance with their respective terms; and (iv) neither the execution and delivery of documents to be entered into by the Drag-Along Seller in connection with the transaction, nor the performance of the Drag-Along Seller's obligations thereunder, will cause a breach or violation of the terms of any agreement to which the Drag-Along Seller is a party, or any law or judgment, order or decree of any court or governmental agency that applies to the Drag-Along Seller.

(c) A Drag-Along Seller is not required to agree (unless such Drag-Along Seller is a Corporation officer or employee) to any restrictive covenant in connection with the Proposed Sale (including without limitation any covenant not to compete or covenant not to solicit customers, employees or suppliers of any party to the Proposed Sale).

(d) A Drag-Along Seller is not liable for the breach of any representation, warranty or covenant

made by any other Person in connection with the Proposed Sale), other than the Corporation (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Corporation as well as breach by any member of any of identical representations, warranties and covenants provided by all Members).

(e) A Drag-Along Seller's liability shall be limited to such Drag-Along Seller applicable share (determined based on the respective proceeds payable to each Drag-Along Seller in connection with such Proposed Sale but that in no event exceeds the amount of consideration otherwise payable to such Drag-Along Seller in connection with the Proposed Sale, except with respect to claims related to fraud by such Drag-Along Seller, the liability for which need not be limited as to such Drag-Along Seller.

(f) Upon the consummation of the Proposed Sale (i) each holder of the Units must receive the same form of consideration for their Units as is received by other holders in respect of their Units, and (ii) unless waived pursuant to the terms of this Agreement and as may be required by law, the aggregate consideration receivable by all holders of the Units shall be allocated among the holders of Units giving effect to the distribution priorities set forth in Section 5.5.

(g) If any Proposed Sale is not closed within six (6) months from the date of the Transfer Notice, with the same proposed transferee and at the same or better Purchase Price and Transfer Terms than those set forth in the Transfer Notice, then prior to concluding any other proposed transfer of a majority of Units to any one or more Persons in a single transaction or series of related transactions, the Tag-Along Transferors shall be required to give all Members a new notice of their desire to transfer in accordance with the foregoing requirements and the foregoing procedures shall again be followed.

6.10 Securities Issues. If the consideration to be paid in exchange for the Units pursuant to this Section 6 includes any securities and due receipt thereof by any Member would require under applicable law (x) the registration or qualification of such securities or of any person as a broker or dealer or agent with respect to such securities; or (y) the provision to any Member of any information other than such information as a prudent issuer would generally furnish in an offering made solely to "accredited investors" as defined in Regulation D promulgated under the Securities Act of 1933, as amended, the Company may cause to be paid to any such Member in lieu thereof, against surrender of the Units which would have otherwise been sold by such Member, an amount in cash equal to the fair value (as determined in good faith by the Board) of the securities which such Member would otherwise receive as of the date of the issuance of such securities in exchange for the Units; provided that if there is insufficient cash available for such Members, the Company shall make such other arrangements as are reasonably necessary to make such payments within one year of the Closing.

(ii) The Partnership Representative shall have the right to take all actions authorized, permitted or required by the Code (or any similar provision of state or local tax law) for such a "partnership representative," but subject to the restrictions and limitations set forth in this Agreement and subject to Board approval. Without limiting the generality of the foregoing, the Partnership Representative shall have the discretion to determine all matters, and shall be authorized to take any actions necessary, with respect to any audit, examination or investigation (including any judicial or

administrative proceedings) of the Company by any taxing authority and whether to make any available election under Code Sections 6221 through 6241 (or any successor provision or similar provision of state or local tax law) with respect to any audit or other examination of the Company relating to taxes; provided, however, that the Partnership Representative shall make any tax election requested by the remaining Members holding a Majority Interest if such election does not materially increase the tax obligations of any other Member. If there is a deadlock between the Managers regarding any tax election or other material duty to be performed by the Partnership Representative, the Partnership Representative shall present the issue to the Company's accountants and follow the recommendation of such accountants. In making any recommendation hereunder, the Company's accountants shall consider the interests of the Company and all of the Members.

(iii) Each Member shall promptly, upon request, furnish to the Partnership Representative any information that the Partnership Representative may reasonably request in connection with (A) any tax election of the Company (and the Company's and such Member's compliance with any such election) or (B) any audit, examination or investigation (including any judicial or administrative proceeding) of the Company by any taxing authority. Without limiting the foregoing, at the request of the Partnership Representative in connection with an adjustment of any item of income, gain, loss, deduction or credit of the Company or any partnership in which the Company invests, directly or indirectly, each Member shall promptly file one or more amended returns in the manner contemplated by Code Section 6225(c) (or any successor provision or similar provision of state or local tax law) and pay any tax due with respect to such returns. If the Partnership Representative makes an election pursuant to Code Section 6226 (or any successor provision or similar provision of state or local tax law) with respect to an "imputed underpayment," each Member shall comply with the applicable requirements under the Code and applicable Regulations.

(iv) At the request of the Partnership Representative, each Member shall provide the Partnership Representative and the Company with any information available to such Member and with such representations, certificates or forms relating to such Member (or its direct or indirect owners or account holders) and any other documentation, in each case, that the Partnership Representative determines are necessary to make an election under Code Section 6221(b)(1) (or any successor provision or similar provision of state or local tax law), to modify an "imputed underpayment" under Code Section 6225(c) (or any successor provision or similar provision of state or local tax law), or to take any other actions or make any elections allowed to be taken or made under Code Sections 6221 through 6241 (or any successor provision or similar provision of state or local tax law). Notwithstanding anything to the contrary in this Agreement, any information, representations, certificates, forms or documentation so provided may be disclosed to any applicable taxing authority.

(v) In the event that the Company is responsible for the payment of any "imputed underpayment" in respect of an administrative adjustment pursuant to Code Section 6225(a) (or any successor provision or similar provision of state or local tax law), the Partnership Representative shall determine the treatment of, including the relative obligations of the Members with respect to any amounts paid by the Company to any taxing authority with respect to, such "imputed underpayment," and each Member hereby agrees to satisfy in full such obligations as so determined. Notwithstanding anything to the contrary in this Agreement, the Partnership Representative may cause each Member (including any former Member) to return amounts distributed to such Member pursuant to this Agreement in order to satisfy in full any such obligation of such Member. Any distributions returned pursuant to this provision shall not be treated as Capital Contributions, but shall be treated as returns of distributions for all purposes of this Agreement.

(vi) The Partnership Representative shall have the right to retain professional assistance in respect of any audit of the Company, and all reasonable out-of-pocket expenses and fees incurred by the Partnership Representative on behalf of the Company shall be reimbursed by the Company.

(vii) The provisions of this Section 7.5(b) shall apply to all actions taken by the Partnership Representative in its capacity as such. The provisions of, and each Member's obligations to comply with, the requirements of this Section 7.5(b) shall survive the Member's ceasing to be a Member of the Company and/or the termination, dissolution and winding up of the Company.

ARTICLE VIII DISSOLUTION

8.1 Duration and Dissolution. The Company shall be dissolved and its affairs shall be wound up upon the first to occur of the following:

- (a) the determination by the Board to dissolve the Company; and
- (b) the entry of a decree of judicial dissolution under Section 44 of the Act.

The Company shall not be dissolved or otherwise terminated by reason of any Member Bankruptcy, and the Company shall continue its existence as a limited liability company upon, during and following any Member Bankruptcy.

8.2 Winding Up. Subject to the provisions of the Act and, unless otherwise required by law, the Board shall have the right to wind up the Company's affairs in accordance with Section 45 of the Act (and shall promptly do so upon dissolution of the Company in accordance with Section 43 or 44 of the Act) and shall also have the right to act as or appoint a liquidating trustee in connection therewith.

8.3 Distribution of Assets. Upon the winding up of the Company, once the Company has made payment of, or adequate provisions for, the debts, expenses and obligations of the Company, the remaining assets of the Company shall be distributed to the Members in proportion to their relative Percentage Interests.

8.4 Certificate of Termination. Upon the completion of the winding up of the Company and the distribution of the Company's assets, the Company shall be terminated and the Board shall cause the Company to execute and file a Certificate of Termination in accordance with Section 14 of the Act.

ARTICLE IX EXCULPATION AND INDEMNIFICATION

9.1 Exculpation. Notwithstanding any other provisions of this Agreement, whether express or implied, or obligation or duty at law or in equity, none of (i) the members of the Board, (ii) the Members or (iii) any of their respective officers, directors, stockholders, partners, members, employees, representatives or agents, or (iii) any director, officer, employee, or representative, or any agent of the Company or any of its affiliates (each individually, an "Indemnified Person" and collectively, the "Indemnified Persons") shall be liable to the Company or any other Person for any act or omission (in relation to the Company, this Agreement, any related document or any transaction or investment contemplated hereby or thereby) taken or omitted in good faith by an Indemnified Person and in the reasonable belief that such act or omission is in or is not contrary to the best interests of the Company and is within the scope of authority granted to such Indemnified Person by this Agreement, provided that such act or omission does not constitute fraud, willful misconduct, bad faith or gross negligence.

9.2 Indemnification. To the fullest extent permitted by applicable law, the Company shall indemnify and hold harmless each of the Indemnified Persons from and against any and all losses, claims, demands, liabilities, expenses, judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, in which the Indemnified Person may be involved, or threatened to be involved, as a party or otherwise, by reason of its management of the affairs of the Company or which relates to or arises out of the Company or its property, business or affairs (a "Claim"). An Indemnified Person shall not be entitled to indemnification under this Section 9.2 with respect to any claim, issue or matter in which it has engaged in fraud, willful misconduct, bad faith or gross negligence. The Company shall advance to any Indemnified Person reasonable attorneys' fees and other costs

and expenses incurred in connection with the defense of any such Claim if the Indemnified Person agrees in writing before any such advancement that he will reimburse the Company for such fees, costs and expenses to the extent that it is determined that he was not entitled to indemnification under this Section 9.2.

9.3 Exclusions. The Company will not be liable to pay any Covered Loss or Covered Expense (an "Excluded Claim"):

(a) For which payment is actually made to or on behalf of the Indemnified Person under such Members' and Manager's liability insurance policy as may be maintained by the Company (except for any deductible under, or excess beyond the amount covered by, such insurance);

(b) For which the Indemnified Person is otherwise indemnified or reimbursed;

(c) With respect to a Proceeding in which a final judgment or other final adjudication determines that the Indemnified Person is liable to the Company for breach of fiduciary duty by such person; or

(d) If a final judgment or other final adjudication determines that such payment is unlawful.

9.4 Notice to Company; Insurance. Promptly after receipt by the Indemnified Person of notice of the commencement of or the threat of commencement of any Proceeding, the Indemnified Person will, if indemnification with respect thereto may be sought from the Company under this Article IX, notify the Company of the commencement thereof. If, at the time of the receipt of such notice, the Company has any Members' and Manager's liability insurance in effect, the Company will give prompt notice of the commencement of such Proceeding to the insurer in accordance with the procedures set forth in the policy or policies in favor of the Indemnified Person. The Company will thereafter take all necessary or desirable action to cause such insurer to pay, on behalf of the Indemnified Person, any and all Covered Loss and Covered Expense payable as a result of such Proceeding in accordance with the terms of such policies.

9.5 Indemnification Procedures.

(a) Payments on account of the Company's indemnity against Covered Loss will be subject to the Company's first determining that the Covered Loss results from a claim which is not an Excluded Claim. Such a determination will be made by a determination of the Managers not at the time parties to the Proceeding. The determination required by this Section 9.5(a) will be made within 60 days of the Indemnified Person's written request for payment of a Loss, and if it is determined that the Covered Loss is not an Excluded Claim payment will be made forthwith thereafter.

(b) Payment of an Indemnified Person's Covered Expenses in advance of the final disposition of any Proceeding will be made within 20 days of the Indemnified Person's written request therefor. From time to time prior to the payment of Covered Expenses the Company may, but is not required to, determine (in accordance with Section 9.5(a) whether the Covered Expenses claimed may reasonably be expected, upon final disposition of the Proceeding, to constitute an Excluded Claim. If such a determination is pending, payment of the Indemnified Person's Covered Expenses may be delayed up to 60 days after the Indemnified Person's written request therefor, and if it is determined that the Covered Expenses are not an Excluded Claim, payment will be made forthwith thereafter.

9.7 Settlement. The Company will have no obligation to indemnify the Indemnified Person under this Article IX for any amounts paid in settlement of any Proceeding effected without the Company's prior written consent. The Company will not unreasonably withhold or delay its consent to any proposed settlement. The Company may consent to a settlement subject to the requirement that a determination thereafter will be made as to whether the Proceeding involved an Excluded Claim or not.

9.8 Rights Not Exclusive. The rights provided hereunder will not be deemed exclusive of any other rights to which the Indemnified Person may be entitled under the Act, any agreement, vote of Members or of the disinterested Manager(s) or otherwise, both as to action in the Indemnified Person's official capacity and as to action in any other capacity while holding such position or office, and shall continue after the Indemnified Person ceases to serve the Company in an official capacity.

9.9 Enforcement.

(a) The Indemnified Person's right to indemnification hereunder will be enforceable by the Indemnified Person in any court of competent jurisdiction and will be enforceable notwithstanding that an adverse determination has been made as provided in Section 9.5.

(b) In the event that any action is instituted by the Indemnified Person under this Article IX to enforce or interpret any of the terms of this Article IX, the Indemnified Person will be entitled to be paid all court costs and expenses, including reasonable attorneys' fees, incurred by the Indemnified Person with respect to such action, unless the court determines that each of the material assertions made by the Indemnified Person as a basis for such action was not made in good faith or was frivolous.

9.10 Successors and Assigns. This Article IX will be (a) binding upon all successors and assigns of the Company (including any transferee of all or substantially all of its assets) and (b) binding on and inure to the benefit of the heirs, executors, administrators, and other personal representatives of the Indemnified Person. If the Company sells or otherwise transfers all or substantially all of its assets to a third party, the Company will, as a condition of such sale or other transfer, require such third party to assume and perform the obligations of the Company under this Article IX.

9.11 Amendment. No amendment of this Article IX will be effective as to an Indemnified Person without such Indemnified Person's written consent.

9.12 Acceptance by Indemnified Person. This Article IX will apply, and the benefits hereof will be available, to each Member and Manager(s), of the Company who by accepting a respective position and serving on behalf of the Company will be deemed to have accepted the provisions of this Article IX and to have agreed to abide by the terms contained herein.

ARTICLE X
MISCELLANEOUS

10.1 Power of Attorney. Each Member does hereby irrevocably constitute and appoint each of the Managers and any Person which becomes an additional or substituted Manager, and any of the foregoing acting alone, in each case with full power of substitution, his, her or its true and lawful agent and attorney-in-fact, with full power and authority in his, her or its name, place, and stead, to make, execute, acknowledge, swear to, attest, seal, deliver, file, register, and record such documents and instruments as may be necessary, convenient, or advisable, in the sole discretion of any such attorney-in-fact, to carry out the provisions of this Agreement, including (a) such amendments to this Agreement and the Articles of Organization as are necessary, convenient, or advisable as are described below or to admit to the Company any additional or Substitute Member or an additional or substituted Manager in accordance with the terms and provisions of this Agreement, (b) such documents and instruments as are necessary to cancel the Articles of Organization, (c) an amended Articles of Organization reflecting the terms of this Agreement, (d) all certificates and other instruments deemed necessary, convenient, or advisable by the Manager to permit the Company to become or to continue as a limited liability company wherein the Members have limited liability in the jurisdictions where the Company may be doing business, (e) all fictitious or assumed name certificates required or permitted to be filed on behalf of the Company, and (f) all other instruments which may be required or permitted by law to be filed on behalf of the Company. The foregoing power of attorney is coupled with an interest and shall be irrevocable and survive the death, dissolution, bankruptcy, or incapacity of any Member.

10.2 Title to Company Property. All Company Property shall be deemed to be owned by the Company as an entity, and no Member, individually, shall have any ownership of such property. The Company may hold any of its assets in its own name or in the name of its nominee, which nominee may be one or more trusts, corporations, individuals or other entities. Any property held by a nominee trust for the benefit of the Company shall, for purposes of this Agreement, be treated as if such property were directly owned by the Company.

10.3 Amendments to the Agreement. Amendments to this Agreement may be made from time to time upon the approval of the Board and a Majority of Members, except that no amendment may amend Section 5.5, eliminate any Member's or Class of Members rights to consent or approve any action of the Company; or

reduce any Units' share of the Company's Profits, Losses or distributions without the consent of the adversely affected Members. However, the Board may amend this Agreement without the approval of the Members to (i) reflect changes validly made in the ownership of Units and the Capital Contributions of the Member, (ii) reflect a change in the name of the Company, (iii) make any change that is necessary to cure any ambiguity, to correct or supplement any provision of this Agreement that would be inconsistent with any other provision contained herein, in each case so long as such change does not adversely affect any Members in any material respect, and (iv) make a change that is necessary or desirable to satisfy any requirements, conditions, or guidelines in any opinion, directive, order, statute, ruling or regulation of any federal, state or local governmental entity so long as such change is made in a manner which minimizes any adverse effect on the Members.

10.4 Successors, Counterparts. This Agreement (i) shall be a legal, valid and binding agreement of the Company and the Members enforceable against the Company and each Member in accordance with its terms and (ii) may be executed in several counterparts with the same effect as if the parties executing the several counterparts had all executed one counterpart.

10.5 Waiver of Action for Partition. Each Member irrevocably waives during the term of the Company any right that such Member has or may have to maintain any action for partition with respect to the property of the Company.

10.6 Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts without giving effect to the principles of conflict of laws thereof. In particular, this Agreement shall be construed to the maximum extent possible to comply with all the terms and conditions of the Act. Each Member hereby irrevocably consents to the exclusive jurisdiction of the state and federal courts sitting in Boston, Massachusetts in connection with any matter or dispute relating to or arising under this Agreement or relating to the affairs of the Company. Further, each of the parties to this Agreement hereby waives any and all rights such party may have to a trial by jury in connection with any such matter or dispute.

10.7 Severability. If it shall be determined by a court of competent jurisdiction that any provisions or wording of this Agreement shall be invalid or unenforceable under the Act or other applicable law, such invalidity or unenforceability shall not invalidate the entire Agreement. In that case, this Agreement shall be construed so as to limit any term or provision so as to make it enforceable or valid within the requirements of any applicable law, and, in the event such term or provisions cannot be so limited, this Agreement shall be construed to omit such invalid or unenforceable terms or provisions. If it shall be determined by a court of competent jurisdiction that any provision relating to the distributions and allocations of the Company or to any expenses payable by the Company is invalid or unenforceable, this Agreement shall be construed or interpreted so as (i) to make it enforceable or valid and (ii) to make the distributions and allocations as closely equivalent to those set forth in this Agreement as is permissible under applicable law.

10.8 Integration. This Agreement constitutes the entire agreement among the parties pertaining to the subject matter hereof, and supersedes all prior agreements and understanding pertaining thereto. No covenant shall affect or be deemed to interpret, change or restrict the express provisions hereof.

10.9 Filings. Following the execution and delivery of this Agreement, the Board shall promptly prepare or cause to be prepared any documents required to be filed and recorded under the Act and shall promptly cause each such document to be filed and recorded in accordance with the Act and, to the extent required by applicable law, to be filed and recorded or notice thereof to be published in the appropriate place in each jurisdiction in which the Company may hereafter establish a place of business. The Board shall also promptly cause to be filed, recorded and published such statements of fictitious business name and any other notices, certificates, statements or other instruments required by any provision of any applicable law of the United States or any state or other jurisdiction which governs the conduct of its business from time to time.

10.12 Notices. All notices, requests and other communications shall be in writing (including facsimile or similar writing) and shall be given to the Members (and any other Person designated by any Member) at its address or facsimile number set forth in his, her or its Subscription for the Units or such other address or facsimile number as such Member may hereafter specify for the purpose by notice. Each such notice, request or other communication shall be effective (a) if given by facsimile, when transmitted to the number specified pursuant to this Section 10.12 and the appropriate confirmation is received, (b) if given by mail, 72 hours after such communication is deposited in the mails with first-class postage prepaid, addressed as aforesaid, or (c) if given by any other means, when delivered at the address specified pursuant to this Section 10.12.

10.13 Waivers. The failure of any party to seek redress for violation of or to insist upon strict performance of any covenant or condition of this Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

10.14 Rights and Remedies Cumulative. The rights and remedies provided by this Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive the right to use any or all other remedies.  APPENDIX: YEAR 1 FINANCIALS BY MONTH.....	 51

EXECUTIVE SUMMARY

The American cannabis industry is expanding and changing at a blistering pace. In 2018, the sale of legal cannabis in America generated more than \$10 billion. In 2019, the economic impact of the industry is expected to top \$40 billion. And this is only the beginning. With so many states joining the cannabis market, the cannabis industry is clearly here to stay. A majority of American citizens in both parties support legalization, and discussions are already underway in Washington as to what federal legalization might look like. As a result of these and many other factors, analysts predict spending on legal cannabis will quickly exceed \$50 billion a year, making the industry about as large as the domestic wine and spirits industries.

In Massachusetts, the rollout of recreational cannabis took some time, but recreational sales have been in full swing since January 2019. After six full months of operations, Massachusetts adult-use marijuana sales were approaching \$140 million, sales were growing steadily with each passing month, and total sales for 2019 are expected to reach \$400-\$450 million. Analysts with *Crain's New York* estimate that up to 50% of adult-use sales in Massachusetts may be coming from New Yorkers. As the Massachusetts cannabis market solidifies and continues to stabilize, the time is ripe for new operators.

Elevated Roots, LLC (also referred to as “the Company”) is a new cannabis venture intending to launch an adult-use dispensary in Kingston, Massachusetts. Committed to providing the best quality cannabis products to support its community’s health, wellness, and continued education in the uses and benefits of cannabis. Elevated Roots intends to source most—if not all—of its marijuana and non-marijuana products and non-sale items from local businesses within the state to support local vendors and economies. Moreover, the Company intends to partner closely with the Town of Kingston, local law enforcement, and area businesses to foster mutually beneficial, healthy, and safe partnerships for future growth.

Already approved by the Town of Kingston, pursuant to a Host Community Agreement, Elevated Roots will be applying for approval with the state and the Town Planning Board in the near future. This fast pace will potentially allow the Company to position itself as the only dispensary in the surrounding area, as few of the 24 approved cannabis licenses in Plymouth County are operational or in the Company’s vicinity. Elevated Roots will provide its high-quality cannabis products to its community, specifically those already purchasing items for personal care or nonprescription solutions to conditions or concerns. Tellingly, adults within 15 miles of the Company’s location are 32% more likely to purchase items in each of these categories than the national average. Elevated Roots will operate as a recreational Marijuana Establishment within the multi-billion *Recreational Marijuana Stores* industry, which has seen explosive growth as marijuana approval and legislation has spread across the country. Though still illegal at the federal

level, rising demand and acceptance of marijuana will continue to drive industry growth. As mentioned previously, few other licensed dispensaries are currently operating in the Company's vicinity, though Elevated Roots will compete against all future dispensaries in the area by solidifying its position as first-to-market. The Company will also leverage its dedication to quality, as well as local product sourcing and a mutually beneficial relationship with the local community.

As it establishes itself, Elevated Roots will initiate a dynamic marketing campaign designed to reach nearby customers and partners seeking the highest quality and most compliant marijuana products in the area. To this end, the Company will develop an educational and easy-to-use website, an engaging presence on a variety of social media sites, tasteful and compliant outdoor signage, and special event sponsorship to solidify its position in the community. These strategies are specifically designed to drive sales and encourage potential customers to visit the dispensary.

Elevated Roots is owned by Mr. Joshua Koenig, BAMA Holdings, and BKVP 420 Holdings, and operated by a diverse team of Kingston residents and professionals. Mr. Koenig currently oversees the chiropractic needs of the community from his clinic in Plymouth and brings an in-depth understanding of the health and wellness benefits of cannabis use to the Company. He will be joined by Mr. Vivekanand Patel, who operates Whit's Market in Kingston and has spent over 20 years of experience within the pharmaceutical industry handling controlled substances. Mr. Robert Palma serves as a dentist in Kingston and Plymouth, and understands the management requirements of a successful company. Lastly, Mr. Barznab Khan has served in managerial and executive positions in the retail, real estate, and pharmaceutical industries, and has led beneficial community efforts through his positions in the past. Together, this team brings many years of experience with business startup and management, as well as expertise in other key areas necessary for the Company's success.

To achieve the Company's objective, Elevated Roots is seeking \$350,000 in investor funding, as well as an additional \$159,000 from other investors. These funds will be used for inventory purchases, build out, public relations, legal expenses, and other startup expenses and asset purchases. The 40% owner of the Company is investing up to \$106,000, and the 60% owner of the Company is investing up to \$159,000, to fund the launch of Elevated Roots.

ELEVATED ROOTS: AN OVERVIEW

Dedicated to assisting its community live better, healthier lives, Elevated Roots intends to develop a professional, medically informed, and welcoming approach to Massachusetts' budding adult-use marijuana market. Located in the heart of Kingston, the Company will offer a large selection of highly vetted and curated products from cultivators and vendors throughout the state. While sourcing its products, the Company will specifically source products from strains known to impact or benefit specific symptoms, conditions, or other concerns customers may have. Also, Elevated Roots will endeavor to only source organically grown products and manufactured products with rigorous test results, aiming to ensure the continued health and wellbeing of its patients.

For all non-cannabis products—such as branded apparel, air-tight containers, lighters, torches, glass pipes, and more—the Company will source as much as possible directly from other local businesses in Kingston and the surrounding towns. At the very least, Elevated Roots will ensure all products in its dispensary are Massachusetts-made, in an effort to support local economies and communities. This Massachusetts-business-first attitude will also extend to all non-sale items, such as furniture, signage, printed products, and safes, as well as all business needs like secure cash transportation, waste removal, and all contract positions. This dedication not only reflects positively on Elevated Roots as a business, but it also promotes local vendors and provides them an outlet of advertisement that will increase their personal sales as well.

Elevated Roots intends to make sure its dispensary appeals to all potential patients, regardless of race, ethnicity, gender, sexual orientation, ability, and income level. Low income patients tend to medicate more frequently than higher income medicinal patients, while nearly half of all low-income patients are medicated daily versus less than 30% of high-income patients medicate daily. To better meet the needs of the lower income community, the Company plans to offer discounts to the following groups with proper ID or documentation:

- Senior citizens
- Veterans
- Social security recipients

Dispensary

Based in Kingston, Massachusetts, Elevated Roots intends to develop an adult-use boutique-style dispensary with this facility's square footage (approximately 5,200 square feet). The Company has been approved by the city of Kingston to operate a dispensary and will be applying for State certification and the Special Permit Process through Kingston's Town Planning Board. Elevated Roots' property meets all current zoning requirements with the Town of Kingston including, but not limited to, buffer zone

requirements established under local zoning bylaws and has received a Host Community Agreement with the Board of Selectmen.

This will not be a typical dispensary, due to the intelligent layout of the facility. Customer and employee comfort will come second only to their safety and security, as the Company aims to develop an atmosphere where customers can feel welcome and not overwhelmed with making a decision on what products to get. Comfortable seating will be available for those waiting, as will a self-serve water station with compostable cups. Security will be implemented at the front and the back of the business to ensure safety. As the customer enters the front of the facility, security will greet them to make sure the client has proper identification(s) to ensure all who enter are over the age of 21.

In addition, all patient-facing employees be trained on the specifics of the Company's marijuana products, as well as the benefits and effects of different strains in addition to their operational duties to provide customers with additional resources for information. Budtenders will also be kept up to date with trainings focused on new research and technology that is introduced into the cannabis field. Elevated Roots plans to also have a database that includes each strain offered and its intended uses, so Budtenders can search the database when a patient asks for a recommendation and is able to offer a selection of products based on the customer's requests or areas of concern.

The Company will seek to obtain and maintain a dispensary license from the CCC and a business permit. Elevated Roots plans to run a safe and secure facility for both the community and the Company's workers that mitigates all external risks and prevents theft or misuse of cannabis products.

The Company's security plan shall be reviewed, at minimum, on an annual basis or as required.

Sustainability Plan

The Company will develop a written environmental Sustainability Plan that details energy efficiency, water reduction, land reclamation, enhancement of biological communities, and reuse of resources that demonstrates progress toward sustainable operations. The plan will include documentation of a completed environmental impact assessment that identifies positive and negative environmental impacts and possible remediation actions, as well as a biodiversity plan to support and protect all rare and endangered species or habitats. The Company will also integrate energy audits and energy reduction plans, review water use plans, integrate water reduction and reuse plans, and integrate carbon footprint reduction plans.

Elevated Roots will implement efficient lighting and HVAC systems and processes, including maximizing the use of natural light, using timing controllers and motion detectors in offices and non-production workspaces, as well as energy-efficient HVAC systems

The Company will also use efficient equipment procedures including efficient processing equipment, maintain equipment on schedule, conduct prompt repairs; and train workers on efficiency methods and behaviors such as shutting down idle equipment to avoid standby energy loads, among other things. Furthermore, to the extent possible the

Company is actively exploring the use of renewable power such as solar solutions, geothermal, biomass, and hydropower to support the utility infrastructure.

The Company will not use diesel or gasoline generators for crop production and will eliminate or limit any open release of CO₂ gas or the use of open flame burners to produce a CO₂-enriched environment.

Reduce & Recycle

The Company believes that all parts of society should play a role in sustainable development. A large part of sustainable development involves reducing waste (solid or liquid) and minimizing its carbon footprint. Elevated Roots will implement green technologies and protocols whenever possible. From energy efficient LED retail lighting to paper reduction through computer- and email-based files, receipts, and coupons, the Company will find ways to reduce the ecological footprint of its operation. The Company will utilize recycled and recyclable materials whenever possible, along with reusable, resealable child-resistant packaging for all multiple-use products sold. The Company will employ a discount program that will incentive the reuse of these child-resistant packaging. In addition, the Company will offer discounts for patients and clients to bring in their glass and other recyclable packaging.

Elevated Roots' storage bins and containers will be reusable in order to minimize waste, while the Company intends to provide its employees a reusable water bottle upon employment. This will lead to a drastic reduction in paper and plastic waste and consumption in the Company's operations from bottled water and single-use cups. All Company vehicles will be fuel efficient and will also offer preferred high occupancy vehicle (HOV) parking, employee subsidies for public transit, and bicycle parking for staff and patients alike.

66% Electricity Reduction

Elevated Roots' sustainability plan focuses on the reduction of power consumption and consumable waste. The Company will be using the newest in LED lighting, the most efficient form of light technology currently available. LED's will be used throughout the facility, including but not limited to general work areas, storage areas, perimeter lighting, and display lighting.

Solar panels will be installed upon city approval to provide both heating and electricity for the facility. Solar will provide many advantages over traditional sources of energy: not only it is completely renewable but is also protects the environment. This energy will reduce the Company's dependence on other countries for consistent supply of coal to produce electricity, as well as reducing its use of the city's utility grid.

However, with the Company's significant additional financial investment in LED lighting and solar, the Company will be using less than 66% of the power and cooling required for conventional fluorescence lighting and energy sources. With the Company using

highly efficient LEDs, this translates into both: (1) a substantial recurring cost savings in the operations which will be passed along to patients; (2) and an almost 66% reduction in the Company's operational carbon footprint.

Water Conservation

Elevated Roots' dedication to water conservation will also reduce its carbon footprint and waste produced. As such, the Company's restrooms and shower facilities will feature water-saving technologies such as timed faucets, waterless urinals, recycled paper, and biodegradable soap. Indoor and outdoor plumbing will be maintained and inspected in order to prevent leaks, and any leaks will be repaired promptly. Additionally, the Company's cultivation and extraction areas will be designed around reducing waste and consumption of water and other materials, while all landscape plants will be drought tolerant.

Waste Disposal Plan

In accordance with Kingston's ordinances, the Company's waste disposal plan includes procedures for disposing of chemical waste, plant waste, and water disposal from each section of the Company. Elevated Roots will test all materials resulting from its extraction processes to ensure no harmful chemicals or waste remain before properly disposing of all waste products. This plan will be subject to review and approval by appropriate regulatory bodies.

This plan shall protect against any portion of plant material being possessed or ingested by any person or animal. This is a plan for the disposal of any marijuana in any form that is not sold including, but not limited to, marijuana infused products.

Odor Control and Ventilation

The Company's proposed site is located in an area designated for retail use. The proposed retail cannabis facility will take every measure to mitigate and eliminate cannabis-related odors, as well as all other intruding odors, by storing all products and waste in sealed containers and utilizing a high-quality air filtration and circulation system, in accordance with the ordinances of the state and Kingston.

Maintenance

Regular inspection, maintenance, servicing, and replacement of systems and appliances can make an impact on energy efficiency. Elevated Roots will have a well-maintained property in order to ensure that appliances and systems necessary for the business are in good working condition and operating efficiently. The following are examples of systems that will be maintained for maximum efficiency:

- HVAC system and filters
- Water heater
- Lighting
- Irrigation

- Indoor and outdoor plumbing

Community Relations

Elevated Roots is committed to maintaining good relations with the city and neighborhoods of which it will be a part. Company management will ensure the Company avoids becoming a nuisance or has any negative impact on its neighbors and the community by regularly removing and storing all trash each day and properly disposing of it, so as to ensure that it is not ingested by any person or animal. Waste will not be disposed of in a sewer or by burning. Elevated Roots will also remove graffiti within 48 hours and keep all driveways and sidewalks clear and clean. The Company will take care to avoid causing any adverse impacts within at least 300 feet of the business.

To help facilitate relations, the Company will appoint a community relations contact to whom notice of problems associated with the business can be provided. To ensure prompt communication, the Company will provide the name, telephone number, and email address of this community relations contact to the applicable City and State enforcement divisions, as well as all businesses located within 100 hundred feet of the dispensary and to all residences located within 300 hundred feet of the dispensary.

In addition to making a representative available to handle problems and complaints from the community, the Company's owner, manager, and community relations contact will, during the business's first year of operations, attend regular meetings with the Community Board, local elected officials, and any other interested parties deemed appropriate to discuss the costs, benefits, and other community issues that may arise as a result of operating a cannabis dispensary. After its first year of operations, the Company will ensure the owner, manager, and community relations contact are available to meet with any interested parties upon reasonable request.

Social Impact

Social impact and good corporate citizenship are core values of Elevated Roots' brand. Connecting with and giving back to the community will be an important aspect of the Company's long-term development plan. Under the guidance of a Social Impact advisor, Elevated Roots will identify causes and initiatives that serve the public good, with a focus on disadvantaged and minority communities that have been disproportionately affected by marijuana prohibition and the war on drugs. These programs may include community beautification programs, job training programs, and youth services and education programs. Elevated Roots will take an active role in supporting these initiatives, encouraging staff participation and involvement, and committing a portion of revenue to nonprofit organizations aligned with the brand's values.

The Company believes that diversity and inclusion will be instrumental to its success and will commit to ensuring at least 40% of its staff is comprised of women, people of color, and veterans.

Traffic, Parking, Emissions, and Carbon Footprint

The proposed facility will not generate a significant amount of traffic or other sources of air emissions; development of the site will include parking spaces required for the proposed use, along with bicycle parking. Additionally, the Company hopes to position itself within easy walking distance from public transportation stops for convenient access to customers utilizing the Cities' public transit program. In order to reduce the Company's effect on the surrounding environment, Elevated Roots will endeavor to use low-VOC emissions paints and materials in the development of both facilities. In addition, construction waste will be recycled as possible. Deliveries will be scheduled weekly to reduce traffic impacts.

Although the proposed operation will not generate a significant amount of traffic or other sources of emission, the Company will seek to do its part to reduce the carbon footprint during the development and use of the facility.

Job Creation, Timeline, and Staffing Plan

The Company intends to benefit its community in many ways, one of which is the creation of multiple jobs for Kingston residents. The Company hopes to primarily hire staff from the surrounding communities and will supply a living wage to all employees, annual bonuses and raises for outstanding employees, and clear advancement paths for those interested.

Specifically, Elevated Roots expects to hire four (4) residents on a full-time basis in its first six months of operation, which will sustain the Company through its first year. By Year 5, the Company intends to grow its staff to nine (9) residents on a full-time basis, with contracted security personnel.

- Full-time Managers
- Full-time Budtenders
- Full-time Security personnel (contracted)

The Company will provide onsite, hands-on training for management and employees before it opens its doors. Training content will be reinforced with written materials, a manual of standard operating procedures, instruction from managers, and performance evaluations. Employees will be trained in all safety and security measures, as well as possess a full understanding of how to report hazards and safety concerns. The Company will comply with all applicable state and federal OSHA workplace safety and health requirements and maintain occupational safety and health standards that equal or exceed the current best practices in the industry.

In addition, per CMR 500.105(2)(b)(7)(b), Elevated Roots will require employees to complete annual trainings on all aspects of their jobs including diversion prevention, prevention of sales to minors, and best practices to detect and respond to incidents of possible diversion.

Customer Recordkeeping Plan

The Company will create a comprehensive recordkeeping plan, which will track the quantities sold to individuals, as well as itemize products between adult- use products. The recordkeeping plan will additionally track and monitor inventory on hand.

Consumer Education

Elevated Roots will create and make available a variety of educational materials about marijuana products. According to CMR 500.140(8), A retailer must have an adequate supply of current educational material available for distribution. Educational materials must be available in commonly spoken languages designated by the Commission, which will include, but not be limited to appropriate materials for the visually- and hearing-impaired. Such materials shall be made available for inspection by the Commission upon request. The Commission will establish fines or other civil penalties for a Marijuana Establishment's failure to provide these materials. The educational material must include at least the following:

1. A warning that marijuana has not been analyzed or approved by the FDA, that there is limited information on side effects, that there may be health risks associated with using marijuana, and that it should be kept away from children;
2. A warning that when under the influence of marijuana, driving is prohibited by M.G.L. c. 90, § 24, and machinery should not be operated;
3. Information to assist in the selection of marijuana, describing the potential differing effects of various strains of marijuana, as well as various forms and routes of administration;
4. Materials offered to consumers to enable them to track the strains used and their associated effects;
5. Information describing proper dosage and titration for different routes of administration. Emphasis shall be on using the smallest amount possible to achieve the desired effect. The impact of potency must also be explained;
6. A discussion of tolerance, dependence, and withdrawal;
7. Facts regarding substance abuse signs and symptoms, as well as referral information for substance abuse treatment programs;
8. A statement that consumers may not sell marijuana to any other individual;
9. Information regarding penalties for possession or distribution of marijuana in violation of Massachusetts law; and
10. Any other information required by the Commission.

In addition to creating printed educational materials, Elevated Roots will also include educational material and additional links on its website.

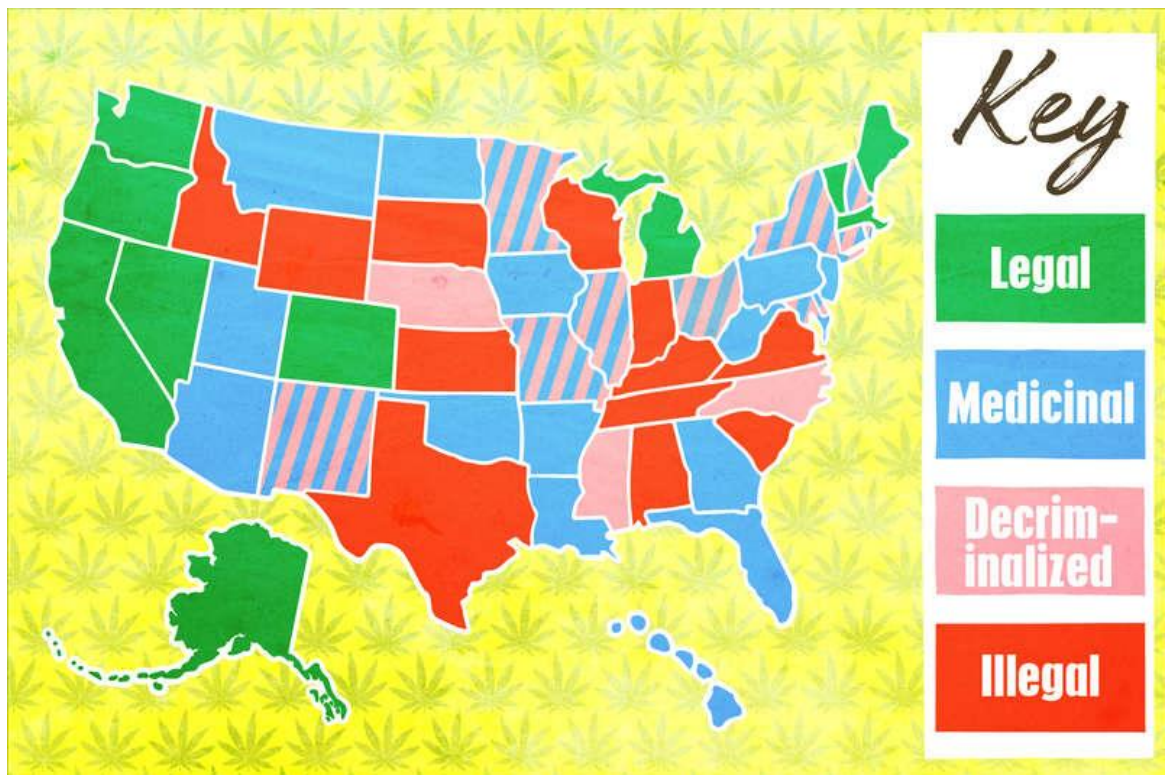

Testing Procedures

Cannabis products will be tested for THC content, as well as undergo photo gas chromatographic testing and mass spectrographic testing. Photo gas chromatographic testing determines the exact strength of the product, as well as the mixture of active ingredients present. Mass spectrographic testing is used on the finished product to test for potentially harmful contaminants such as insecticides, molds, or mildew. The information gathered from these rigorous testing procedures will be used to ensure accurate labeling and information concerning the product to all patients and purchasing cardholders. Furthermore, this testing will be used to make educated and informed purchasing and distribution decisions, as well as determine the safety and potency of each product.

MARKET ANALYSIS SUMMARY

Overall Cannabis Market

As of July 2019, 11 U.S. states had fully legalized cannabis for adult use (along with the District of Columbia), so that more than 25% of all Americans now live in a state where cannabis is legal. Given that another 27 states have passed laws broadly legalizing marijuana for medical use and/or decriminalizing the possession of marijuana, there are now only 12 states in the entire country where cannabis use is fully illegal, as shown on the map below (note that this map was drawn prior to the passage of adult legalization in Illinois).¹

In 2018, retail sales of legal cannabis in the United States totaled more than \$10 billion.² Overall, the legal and illegal sale of cannabis in the United States is estimated to generate around \$50 billion a year, placing it on par with the spirits and wine industries.³

Perhaps driving the acceptance is the understanding of the size of the cannabis economy. In 2017, Colorado received \$210.4 million in tax revenues from marijuana, but only \$45.7 million from alcohol.⁴ If marijuana was fully legal in all 50 states, analysis by New Frontier Data indicates that it would generate \$131 billion in federal tax revenue between 2017 and 2025, based on an estimated 15% retail sales tax, payroll tax deductions, and business tax revenue. Federally legalizing cannabis would also create an additional 782,000 jobs, which would increase to 1.1 million jobs by 2025.⁵

Sales of cannabis, if made fully legal, could generate \$75 billion by 2030. This places cannabis at roughly the same industry-wide revenue as wine, which generates about \$60 billion in sales annually. In 2017, overall marijuana sales in the United States retail segment generated \$5.1 billion, buoyed by the increasing numbers of recreational marijuana sales. According to marijuana-industry platform düber, “the legal cannabis market is one of the world’s biggest growth opportunities. In North America alone, the industry is forecasted to top \$20 billion by 2021, from US\$6.7 billion in 2016.”⁷ The Brightfield Group issued a projection reporting that internationally, the cannabis industry would be worth \$31.4 billion in 2021.⁸

Massachusetts’ Cannabis Market

In 2012, voters in Massachusetts legalized medical cannabis as established by Chapter 369 of the Acts of 2012, “An Act for the Humanitarian Medical Use of Marijuana.”⁹ Following this, authorized medical professionals could prescribe medical cannabis to qualifying patients with specific conditions—such as ALS, cancer, HIV or AIDS, multiple sclerosis, Crohn’s disease, etc.¹⁰—but the purchase of recreational cannabis remained illegal until the Massachusetts Marijuana Legalization Initiative, or Question 4, was passed on November 8, 2016.¹¹

In Massachusetts, where the first dispensaries licensed to sell recreational cannabis opened in January of 2019, over \$140 million worth of cannabis was sold in the first six months of 2019 and annual sales for the industry’s first year are expected to total \$400-\$450 million. As of May 31, 2019, the state of Massachusetts had issued final licenses to

Market Segmentation

As the cannabis industry matures, it is also growing much more diverse, both in terms of customer demographics and products. According to a survey of American cannabis consumers performed by Miner and Company and summarized in *Forbes*, the average cannabis consumer is slightly older, has a higher income, and has a better employment history than the average American. More than 84% of cannabis consumers are employed full-time, 77% earn more than \$75,000 per year, and more than 90% self-describe as professional, active, and open-minded.¹³

Industry Analysis

As it begins operations, Elevated Roots will operate within the *Recreational Marijuana Stores* industry, which generated multi- billions of dollars in 2018. The industry has exploded in the last five years and is still growing. The 2016 election cycle, in particular, provided landslide victories for recreational cannabis retailers. Consequently, the legalization of marijuana for recreational purposes and the growing acceptance of marijuana provided operators and investors with unprecedented opportunities. There has been no shortage of demand in recent years, and the cannabis industry has become one of the fastest growing in the United States.

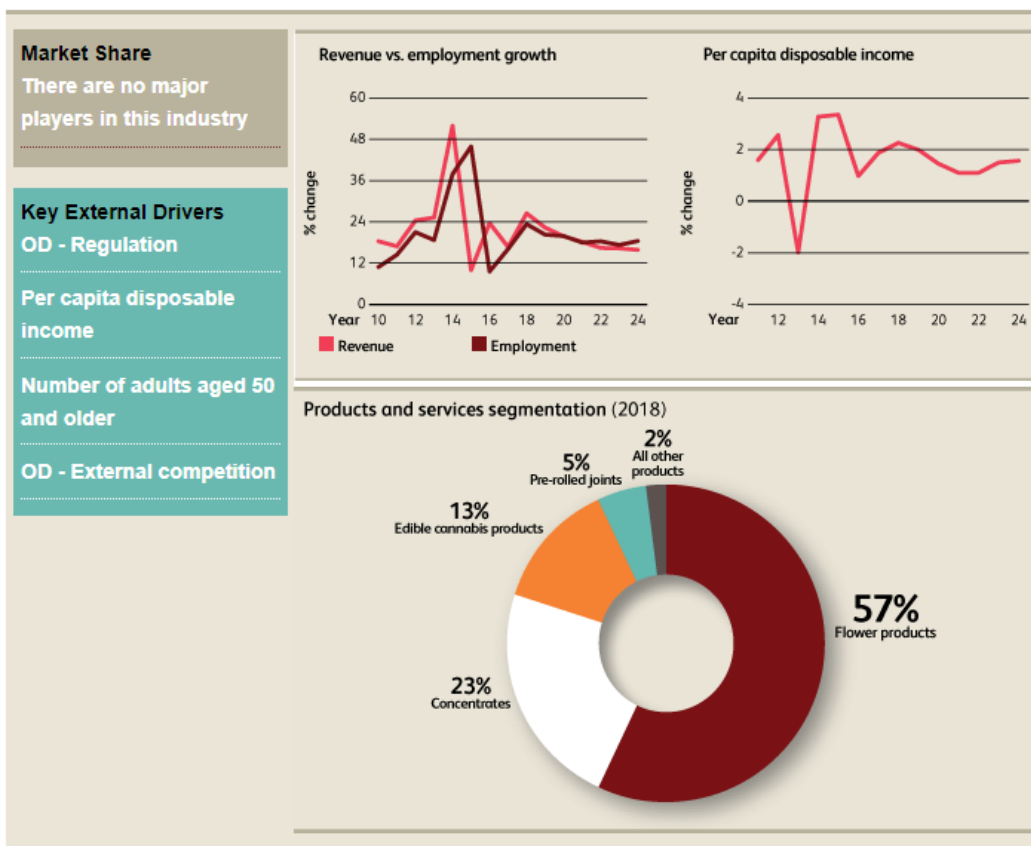

More recently, the legalization of recreational marijuana sales in several states fueled revenue growth. The licensing of commercial recreational marijuana retailers contributed to industry revenue growth of 23.7% in 2016, as new entrants flooded the recently legalized market. Marijuana dispensaries continue to benefit from the steadily aging population and growing acceptance of the medical applications of marijuana. Chronic illnesses have become more prevalent as the U.S. population continues to age, driving demand for medical marijuana products. Additionally, the development of edible cannabis products helped attract consumers that were unfamiliar with marijuana products or averse to smoking. Edible products and vaporizer pens are projected to be a growth segment for the industry in the coming years, as they are convenient alternatives to traditional cannabis consumption.

Over the next five years, IBISWorld expects to continue growing despite remaining at risk until the federal government definitively changes its position on the legality of marijuana. Until then, an uptick in the number of medical marijuana patients and a growing recreational cannabis legalization movement will likely reap long-term benefits for the industry. Rising demand is also forecast to widen profit margins, as is the success of for-profit recreational marijuana businesses in states with large consumer markets such as California, Colorado, and Washington.

Competitive Edge

Elevated Roots intends to provide premium quality cannabis products, instruction, and expertise to recreational customers in Kingston while emphasizing the natural health benefits of marijuana through the education of customers. The Company will provide a

vast selection of locally sourced high-quality products and all staff will be knowledgeable enough to help customers choose the right product or strain for their needs.

STRATEGY & IMPLEMENTATION SUMMARY

Objectives

The Company has identified the following objectives and benchmarks as it begins operations:

Short-term

- Establish itself as a trusted provider of high-quality adult use marijuana
- Curate a selection of superior local products for customers
- Build a base of customers and suppliers large enough to sustain business

Long-term

- Enhance its client base to sustain the business and support its growth objectives
- Generate enough revenue to expand operations

Marketing Strategy

The Company will leverage a sales and marketing funnel based on a direct and localized marketing approach that leverages a variety of online and offline efforts, including an informative website, an engaging presence across multiple social medias, and special community events and sponsorships. This strategy is specifically designed to reach potential customers in the Kingston area.

A cohesive brand identity, including a memorable logo and all necessary marketing collateral, will transmit a clear message of these values to the Company's customers and guide the development of marketing campaigns.

Brand Awareness Channels

The Company will use a direct sales approach and a variety of advertising channels to increase its exposure among prospective customers. Specific channels will include:

Outdoor signage	Website
Word of mouth	Social media
Promotions	Special events

First and foremost, Elevated Roots will create a website to generate interest in its products and services. This website will be search engine optimized, mobile compatible, and will include an online ordering platform for fast pickup, product information, links to the Company's pages on Leafly and Weedmaps, regularly updated educational blog on the benefits, concerns, and current standing of marijuana, community outreach information, event photo gallery, company profile, location, and contact information.

The Company will develop a distinctive and authentic, but regulated presence on social networking sites including Facebook, Instagram, Twitter, Snapchat, and Tik Tok. Customers can “like” the Company on Facebook or “follow” the Company’s Twitter, Snapchat, or Instagram feed in order to gain access to special discounts or promotions. The Company will regularly monitor and interact with patients through social networking sites, and facilitate organic engagement through catchy, indexable hashtags, and distribute harvest dates, new product introductions, and upcoming promotions to its following. About 68% of all internet users in the U.S. are active on social networks, while 79% of adults use Facebook.¹⁹ Meanwhile, 89% of all Millennial consumers are active social network users, and 63% of Millennials report using social media to stay updated on the activity of their favorite brands.²⁰ However, because marijuana is still a Schedule 1 drug in the eyes of the federal government, all popular social medias have established advertising policies that limit the effectiveness of marketing for marijuana businesses:²¹

- Facebook’s advertising policies differentiate between restricted content and prohibited content. Unfortunately for cannabis companies, promoting drugs and drug-related products, including prescription and recreational drugs, is strictly prohibited. This includes both the text and images included in ads. Due to federal restrictions, cannabis companies are prohibited from running ads even in states where cannabis is legal. Failing to comply with Facebook’s advertising guidelines could, at best, get the ads shut down or, at the worst, your account deleted.
- Instagram was acquired by Facebook in 2012 and has the same advertising policies.
- Twitter similarly prohibits ads for illegal goods in its ads policies. Specifically, the Drugs and Drug Paraphernalia section lists “illegal drugs, recreational and herbal drugs, accessories associated with drug use, drug dispensaries, and depictions of hard drug use” as examples of prohibited ad content.

Elevated Roots will work to comply with the policies in place on its chosen social media sites and must therefore reach and engage with its audiences without advertising. Through a smart social media strategy and dynamic, engaging organic content, the Company will maximize its organic reach.

Given the demand from marijuana businesses hindered by these advertising rules, it’s no wonder marketing companies have developed workarounds that help spread brand awareness organically. These strategies are discussed further below.

The Company will research and identify major influencers and micro-influencers in the local marijuana community who are active on social media sites such as Instagram, Pinterest, and YouTube, or who run their own blogs. These influencers have large

followings and they are normally willing to accept payment or free services in exchange for product reviews and blog posts that link directly to the Company's site. Influencer marketing has been shown to be highly effective in delivering a strong return on investment for advertisers, up to 11-times the ROI of traditional advertising.²² Recent research into influencers is pointing to the effectiveness of using influencers with between 1,000 and 50,000 followers, or microinfluencers. According to polling conducted by One Productions, "only 3% of people say they would consider buying a product if it were endorsed by a celebrity, but 30% of people say they are more likely to purchase a product based on a recommendation from a non-celebrity blogger."²³ Influencer marketing is a viable strategy for marijuana businesses like Elevated Roots to thrive on social media despite strict advertising guidelines, expanding the brand's reach organically without the use of advertising.²⁴

Most social media algorithms grant further reach to content that yields higher engagement rates. Therefore, to increase the organic reach of the content posted to social media, brands should aim to post the most engaging forms of content. Video content is among the most engaging type of content brands can post to social media.²⁵ Therefore, Elevated Roots will create videos for its YouTube channel that can easily cross over to social media, including images and stories of its Company journey, refinement processes, and behind-the-scenes exclusives. These videos will include subtitles, to facilitate the many people consume video content with the sound off.

The advent of social media means that word travels faster than ever before between family members, peers, and colleagues who are pleased with their experiences with a particular business. The Company will actively cultivate this effective and inexpensive resource to generate interest in its high-quality adult use marijuana products, educational efforts, and community outreach. According to research conducted by Nielsen's Harris Poll Online, word of mouth remains among the most trusted forms of advertising: 82% of consumers around the world say they trust earned advertising, such as word of mouth or recommendations from friends and family, above all other forms of advertising.²⁶

Elevated Roots will also seek to employ strategic digital marketing strategies such as Search Engine Optimization (SEO) to organically improve the quality and volume of traffic to its website. SEO is particularly valuable because, according to research by Moz, the top 5 search results on Google get 70% of the clicks.²⁷ And according to BrightWeb,

50.1% of traffic on websites comes from organic search.²⁸ Currently, Google does not allow cannabis-related paid search advertising on Google Ads or Google retargeting. If/when cannabis becomes legal at the federal level and/or Google changes its policy regarding cannabis-related advertising, the Company will invest in search advertising on Google, which has been shown to produce an average of \$2 in income for every \$1 spent.²⁹ Research by the software company Unbounce has also shown that pay-per-click website visitors are 50% more likely to purchase something than organic visitors.³⁰

Current and prospective customers and product partners will benefit from receiving strategic email updates and newsletters on a regular basis. This will provide the Company's database of clients and opt-in members with information regarding promotional specials, new products and services, upcoming events, and relevant business news. All emails will be optimized for desktop and mobile viewing. The number of email users in the U.S. is projected to grow to 254.7 million by 2020, while 73% of Millennials identify email as their preferred means of business communication.³¹ Email marketing delivers the highest ROI of any digital marketing tactic: an average of \$44 per dollar spent.³²

Offline, Elevated Roots will create large, tasteful, eye-catching signs that are prominently placed for maximum visibility to both foot and vehicular traffic to notify potential customers of the Company's products and services. These signs will help the Company advertise its grand opening event, which will be designed to generate initial buzz for the Company and signal its formal launch. This event will feature live entertainment, complimentary refreshments, and special discounts.

The Company will enhance its exposure among members of the public and incentivize customers by providing a range of promotional opportunities. This may include periodic, limited-time specials to drive consumer traffic during slow periods, weekly specials, and a loyalty program to encourage repeat patronage.

Lastly, Elevated Roots will sponsor local events and organizations aligned with its mission in an effort to give back to surrounding neighborhoods and the overall community. This will simultaneously build awareness of the Company's products and community services while fostering loyalty from current customers who see the Company participating in local events, functions, and community-building activities.
