ADVESA

Plan to Remain Compliant with Zoning in Somerville

Advesa will remain compliant at all times with the local zoning requirements set forth in the Somerville Zoning Ordinance, including the December 13, 2018 Ordinance Amending the Somerville Zoning Ordinance to Amend Article 2, Article 6, and Article 7 Regarding Adult Use Marijuana Establishments.

Under the existing Somerville Zoning Ordinance, Advesa's 690 Broadway marijuana retail establishment will be located within NB ("neighborhood business") zoning, and within the marijuana overlay district. The marijuana overlay district zoning permits a marijuana retail establishment to be operated after obtaining a special permit and a license from the License Commission.

The proposed establishment complies with the adult use marijuana establishment-specific zoning requirements because:

- It is more than 500-feet from a principal entry door of a public or private school providing education in kindergarten or any of grades 1 through 12.
- It is less than 10,000 square feet of net floor area.
- There will be 20 available off-site parking spaces at 645 Boston Avenue. It will satisfy the minimum parking requirements under Article 9 of the Somerville Zoning Ordinance. Somerville Zoning Ordinance Article 9.5(9) requires one parking space for every five hundred square feet of street level retail space, reduced by 20% due to the establishment's proximity to rapid transit.
- Advesa will submit a parking and traffic study to determine any traffic mitigation or additional parking needs.
- Signage will incorporate no internal illumination, be subject to review as part of the special permit process, and conform to all requirements of 935 CMR 500 and G.L. c. 94C, § 34.
- It will satisfy the requirements set out in Article 5.1.4 of the Somerville Zoning Ordinance for special permit review:
 - Article 5.1.4(a): Advesa will proceed collaboratively with the zoning process and provide all materials necessary for review of the special permit application.
 - Article 5.1.4(b): Advesa will comply with all requirements of the Zoning Ordinance.
 - Article 5.1.4(c): Advesa's proposal is consistent with the Zoning Ordinance's purposes to promote health, safety, and welfare, as well as to prevent overcrowding, undue congestion, and similar issues. The marijuana establishment will be transit-accessible and an active participant in the Somerville business community.
 - Article 5.1.4(d): Advesa's proposal fits with the surrounding area, which is a transit-accessible commercial area currently utilized for restaurants and similar establishments.
 - Article 5.1.4(e): Advesa's proposal will not result in adverse environmental impacts, such as noise, smoke, vibration, or noxious emissions.

○ Article 5.1.4(f): Advesa’s proposal is intended to be accessible by walking or public transit, and will not result in traffic congestion or the potential for traffic accidents in the surrounding area.

○ Article 5.1.4(g): Not applicable, as no fast-food service is proposed.

○ Article 5.1.4(h): Not applicable, as no housing is proposed.

○ Article 5.1.4(i): The SomerVision plan emphasizes that the Ball Square area should leverage new access to the Green Line for local businesses and create a mix of diverse and high-quality jobs. Advesa’s proposal fits squarely within the SomerVision plan’s objectives for Ball Square, and will provide a vibrant, transit-accessible employer that employs a cross-section of local residents in high quality jobs. See Diversity Plan for additional information. Additionally, if approved, Advesa’s establishment will be one of few marijuana retailers accessible by MBTA; this will bring potential patrons from outside of Somerville who will patronize not only Advesa’s establishment but also nearby restaurants and service-oriented businesses in Ball Square and beyond.

The proposed establishment complies with the underlying requirements of NB zoning because:

-Retail establishments are permitted under NB zoning.

-It complies with dimensional requirements set forth in Article 8 of the Somerville Zoning Ordinance.

-It will satisfy the minimum parking requirements under Article 9 of the Somerville Zoning Ordinance with 20 off-site spaces, as well as bicycle storage.

18:08:37 This is a rendering of the current and proposed facade
18:08:43 Our security plan is as follows
18:08:57 Former Boston Police Commissioner Ed Davis will design and administer ADVESA's security plan and operations.
18:09:04 Edward Davis, LLC is a team of world-class security solution experts located in Boston, Massachusetts. The Davis Team works with each of their clients to assess, analyze, and develop powerful solutions that minimize their exposure to security risk.
18:09:14 He has also drafted an Opening Day Plan to ensure safe and smooth operations.
18:09:21 Engagement has already begun with ADVESA's architects, ensuring that security will be part of ADVESA design from the beginning.
18:09:27 ADVESA MA intends to participate in efforts made by Somerville business leaders and community stakeholders to continue to build a

safer, cleaner and more engaged community.

18:09:39 ADVESA must abide by all security requirements in 935 CMR 500.110 as well as address any local security concerns brought forth by Somerville public safety officials or local residents before commencing operations.

18:10:00 We must positively identify everyone entering our facility as being 21 years of age through government issued identification. License scanners will be used to ensure that every ID entering the facility is valid and that the individual in the photo matches the individual trying to enter the building

18:10:29 We must establish limited access areas pursuant to 935 CMR 500.110(4), which shall be accessible only to specifically authorized personnel limited to include only the minimum number of employees essential for efficient operation.

18:10:38 ADVESA must ensure that the outside perimeter of the Marijuana Establishment is sufficiently lit to facilitate surveillance

18:11:09 In addition to our comprehensive educational programs, the following efforts will be made to further decrease the risk of diversion to minors:

- Child resistant and tamper-proof packaging, with multiple warning labels
- No sale of any product resembling a realistic or fictional human, animal, or fruit, including artistic, caricature, or cartoon renderings.
- All Employees are licensed by state, over the age of 21, and must not have been convicted of distribution of controlled substances to minors

18:11:16 Redundant ID checks with 50-state electronic scanner technology

18:11:26 Providing written flyers in exit packages that state public consumption is illegal and provides web resources for information about youth prevention, substance abuse and adverse health warnings.

18:11:45 We will utilize Sandwich boards on nearby intersections that state: "Be a Good Neighbor" and "Public Consumption is Illegal"

18:11:53 Financial Contributions for programming in middle schools aimed at encouraging students to wait until over the age of 21 to consume cannabis.

18:12:02 We intend to be good neighborhood partners

18:12:11 Product deliveries will be made at randomized times and will not happen during time periods of heavy traffic and will only occur in a private loading bay.

18:12:17 Consumption or ingestion of marijuana on the property is strictly prohibited and security staff will monitor regularly.

18:12:33 No marijuana products will be visible from the street and no marijuana-related designs or logos will appear on the exterior, interior or any merchandise. No marijuana leaf signage or bright signage will be visible outside the dispensary.

18:12:41 Odors will be eliminated through sealed packaging and building ventilation.

18:13:02 We plan to institute an online pre-order system through the Web to prevent traffic build up

18:13:09 All cannabis and waste products will be stored in locked containers in the interior of the facility and disposed of according to DEP and CCC regulations.

18:13:21 We will be very environmentally conscious

18:13:37 We will have a focus on ensuring our customers utilize public transportation, bicycles, and recycled packaging to limit vehicle traffic.

18:13:51 We are committed to sustainability plans to provide incentives to customers who come on public transportation, walking, or

by bicycle. We plan to install bicycle racks/storage to ensure bicyclists have adequate storage while visiting our store.

18:13:57 We plan to have a minimal impact on the environment, traffic, and parking due to our incentivization of public transport and green transportation options.

18:14:10 All of our packaging is eco-friendly and compliant with State Regulations

18:14:18 We will prioritize visitors who take public transportation or come by bicycle.

18:14:38 Location is directly across from the ball square green line extension which will prevent a lot of vehicle trips to the store

18:15:19 There is hiring piece on the next slide, in terms of benefits to the employees

18:15:39 we will be training somerville resident for ownership and employment opportunities in cannabis space and beyond

18:15:53 we will also offer regular "office hours" once a month in an open location within the City to provide free support services that assist residents with expunging Controlled Substances Act records so they can reduce barriers to employment.

18:16:14 We have experience working with people from disproportionately impacted communities

18:16:32 We are expecting 15-25 employees anticipated initially. 75% of Managers and Employees will be hired from disproportionately impacted communities as determined by the Cannabis Control Commission. 25% of employees will be local hires with a social equity focus.

18:16:44 We will employ 51% of individuals with previous non-violent drug related CORI record.

18:17:05 To improve the equity fabric around the state, we will have 15% of shelf space reserved for Economic Empowerment applicants, Social Equity, Minority, and Massachusetts based growers/processors.

18:17:22 In addition to hiring, we are excited about our commitments, here are some of them

18:17:56 Youth prevention is very important to us, we will be working to improve those outcomes with financial support, we are committed to being a strong and reliable partner to the city

18:18:23 Direct benefits from the HCA include 3% local sales tax on marijuana products sold at marijuana retailers and a Community Impact Fee, no more than 3% of total gross sales.

18:18:41 We are excited to talk to the community about what we can bring to the table to improve somerville

18:18:53 Next steps from advesa are the following

18:19:01 In addition to this outreach meeting, we are also required to hold an additional Neighborhood Meeting to comply with Somerville rules and regulations

18:19:15 We must still receive license from the Somerville Licensing Commission

18:19:24 We must still be approved by the Special Permit Granting Authority.

18:19:29 City Inspectional Services Department must issue a Certificate of Occupancy once we are licensed by the State.

18:19:35 Once we have our certificate of occupancy from City Inspectional Services, we can ask the Commission to commence operations

18:20:02 Following this outreach meeting, we intend to apply for provisional licensure at the Cannabis Control Commission. Since we are an Economic Empowerment Priority Applicant, once submitted, our application should be reviewed quickly for compliance with state regulations. Once we have received our provisional license at this

location and a special permit in Somerville, we will be able to begin building out our facility at this location.

18:20:15 Once inspected by the Cannabis Control Commission for compliance with regulations, Advesa may receive its Final license from the Commission and then proceed to obtain permission to commence operations and sales. The state licensure process can be expected to take up to 12-18 months.

18:20:31 If you have any question, please direct them to support@advesawellness.com

18:20:50 Please write your questions in the chat if you have any and we will also be taking verbal questions at the end

18:21:51 Regarding on site parking, there is a lot on the street but we are also in talks with local spots for leasing parking

18:22:09 We are going to have an online queue system as well

18:22:37 Right now this is based on the progress of the state (Question is there a target date for the dispensary to open?)

18:23:14 What is the volume expected? Right now we see horror stories in Needham with lines, by the time we open the industry will be bigger, there will not be many line and queues

18:24:07 Our business was accepted in Cambridge last year, we are working on submitting the HCA now as we speak

18:24:57 Its not true, I have nothing to say to that. I support veteran access, caregivers, I did not oppose equity in Cambridge.

18:25:15 I know Michael on a personal level and supported equity in Cambridge

18:26:11 on his past actions, Michael has done a lot of equity, has done many interactive labs for equity, and donated 100 hours of consulting for applicants applying to the CCC who were unfamiliar with the procedures

18:26:23 he has done a lot for equity that is not talked about often

18:27:14 actually Grover, thank you for that, Grover was talking to another company we were affiliated with who wanted to lease his facility, they ended up not pursuing operations and has nothing to do with us

18:27:50 we will not be having a police presence, all dispensaries have security guards and a head of security, we will not be having a police presence

18:29:09 I don't know about the doctor there, Thomas Riselli would know more. The doctor is not a partner. I know COVID impacted his business but I do not know if he is retiring, Tom would have more info regarding that

18:30:09 this meeting was publicized with certified mail to abutters and a notice in the local newspaper, we would be happy to take suggestions on how to communicate better in the future

18:30:31 this is just the first meeting and is not the official neighborhood meeting

18:31:05 we do apologize if there was not enough notice, please suggest a Facebook group to post to or an individual to share this information with

18:31:34 we are going to have another community meeting for Somerville, we will be publishing that and it will be in January

18:32:04 we followed state regulations but we are happy to take suggestions on how to make future meetings more accessible to the community

18:32:47 if you have any further questions please send them to support@advesawellness.com

18:32:52 any further questions?

18:33:48 if you have other questions you run across please send to support@advesawellenss.com. I appreciate the feedback on notification of meeting, we will use online facebook groups, instagram, and other social media and look forward to speaking to you at the next permit meeting

18:21:16 From Teresa McGowan : Hi, thank you for this. Can you talk a little bit more about the onsite parking ?

18:21:50 From Emmanuel Vincent : is there a target date for the dispensary to open?

18:23:17 From Eric Schwartz : There was a discussion today on Facebook about a local business called Jumbo's that apparently had a bad experience with your company. What happened there?

18:23:37 From jshwom : Hi. Jeff from the Ball Square District Association. Thanks for having this meeting. Why was your business not accepted in Cambridge last year?

18:23:39 From Michael Crawford : How do you support equity with Mike Latullipe who opposed equity in Cambridge? Who opposed expanding veteran access? Who campaigned against caregivers? All the while repping patients taking money from dispensaries to not help us patients?

18:24:04 From jshwom : Thanks!

18:25:05 From Michael Crawford : you cant separate him on his past actions.

18:26:21 From Theresa : Could you please answer Eric's question about the issue involving Jumbo's?

18:26:23 From jshwom : Another question. What will the police presence be for this, beyond the security you will have? I am asking because as we know, the presence of police could be perceived by persons of color or minorities as not welcoming.

18:26:28 From Eric Schwartz : my question is up top

18:26:33 From Theresa : It's above

18:27:42 From jshwom : Gotcha. Thanks!

18:28:10 From jshwom : Is Dr Cordima retiring? Is that why the space is available? Or is he a partner as well?

18:29:13 From jshwom : Gotcha. Last thing, in the future, this meeting was not really well publicized. Most of us heard about it about two hours ago. How will communication of future meetings occur?

18:30:12 From jshwom : Right. Of course. Just giving feedback. =)

18:30:54 From Teresa McGowan : Hi Michael or Jessica, can you repeat the part about the next community meeting? Thanks !

18:31:01 From Theresa : It was not well publicized. I only heard about it through FB Davis Square.

18:31:44 From Theresa : Apparently, not enough. Thank you.

18:32:07 From Theresa : Hit every Somerville group, for starts.

18:32:09 From Michael Crawford : Im sorry Michael I lied. This is the record, latullipe opposed steven mandile

18:32:18 From Michael Crawford : his veteran bill. that happened

18:32:22 From Michael Crawford : its on the record

18:33:13 From Michael Crawford : Im asking you to acknowledge that Michael wasn't accurate

18:33:33 From Michael Crawford : He was against the veteran bill expanding veteran access

18:33:51 From Michael Crawford : great job ignoring that class act

18:34:41 From Theresa : There are a bunch of people that just joined.

We will apply the following employment criteria.

- Advesa will **contribute financially** to and share anonymized data with the Somerville Board of Health and others within the City to assist youth and substance abuse prevention efforts. In support of these broad efforts within the City, Advesa already has begun a dialogue through in-person meetings with officials from Tufts University, the Cambridge Health Alliance Foundation, and the Welcome Project;

- There is also expected to be a Community Impact Fee, no more than 3% of total gross sales.
- In addition to the HCA requirements, ADVESA must also abide by the State-mandated Economic Empowerment requirements which include contributions to the community in the form of education and job skills support.
- Advesa is also open to aiding in other initiatives that meet Somerville's immediate needs.

NEXT STEPS FOR ADVESA

ADVESA
SOMERVILLE

LOCAL PERMITTING

- Advesa MA, Inc. has executed a Host Community Agreement with the City of Somerville to operate a Marijuana Retailer at 690 Broadway.
- In addition to this outreach meeting, we are also required to hold an additional Neighborhood Meeting to comply with Somerville rules and regulations.
- Must still receive license from the Somerville Licensing Commission
- Must still be approved by the Special Permit Granting Authority.
- City Inspectional Services Department must issue a Certificate of Occupancy once we are licensed by the State.
- Once we have our certificate of occupancy from City Inspectional Services, we can ask the Commission to commence operations.

- Following this outreach meeting, we intend to apply for provisional licensure at the Cannabis Control Commission.
- Since we are an Economic Empowerment Priority Applicant, once submitted, our application should be reviewed quickly for compliance with state regulations.
- Once we have received our provisional license at this location and a special permit in Somerville, we will be able to begin building out our facility at this location.
- Once inspected by the Cannabis Control Commission for compliance with regulations, Advesa may receive its Final license from the Commission and then proceed to obtain permission to commence operations and sales.

Greetings Charlotte,

I hope you are well and enjoying the warmer weather. The Cannabis Control Commission is currently requiring we renew our license for the next year and they need the following from Somerville before we can submit for our renewal.

1. We request any records of any costs imposed on the city or town that are reasonably related to the operation of the Marijuana Establishment or Medical Marijuana Treatment Center. In accordance with M.G.L. c. 94G, § 3(d), any cost to a city or town imposed by the operation of a Marijuana Establishment or MTC shall be documented and considered a public record as defined by M.G.L. c. 4, § 7, cl. 26.

We are required to submit a copy of this request as well as Somerville's response to the CCC as part of the license renewal.

I'm not sure if you're the correct recipient of this request, so if you can point me in the right direction if you are not the correct recipient of the request, I would be very grateful.

Thank you for your time, and I look forward to hearing back.

Sincerely,

Michael Latulippe

Advesa MA, Inc.

Plan for Positive Impact Executive Summary

Somerville Marijuana Retailer

Advesa's principals' success and Advesa's certification by the Cannabis Control Commission (CCC) as an economic empowerment applicant are built upon Advesa's long history of empowering diverse individuals within the cannabis industry. In addition to the requirements on hiring for Economic Empowerment applicants mandated by the CCC, Advesa will contribute to diversity in both hiring and economic development in Somerville by combining the lessons it has learned in Oakland with community engagement and understanding. Advesa's Plan for Positive Impact will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of Marijuana Establishments. Additionally, any actions taken, or programs instituted, by the Advesa MA, Inc. will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws. We also acknowledge that the progress or success of this plan must be documented upon renewal in order for us to obtain or maintain licensure.

Our Goals

Advesa will build upon the success of our equity program in California and have the goal to educate, incubate and assist at least one Social Equity Program Participant (SE) or Economic Empowerment Priority Applicant (EE). In addition to incubating at least one applicant, we will hold quarterly educational events, and make a regular monetary donation to an organization that helps individuals harmed by the war on drugs.

Goal 1: Provide Office Space and Assistance to an EE or SE applicant

The goal of the Advesa Incubation Program will be to provide free office space and assistance with creating a cannabis focused business either licensed or ancillary in a twelve-month time frame to one EE or SE applicant. Developing generational wealth for individuals and communities of disproportionate impact starts with the proper set and setting which we believe will be an office setting inside an operational Marijuana Retailer where the chosen applicant will be exposed to operational management of a marijuana business, as well as have a

location for which to develop their own business and pathway forward with confidence.

- I. If the applicant wishes to become a licensed Marijuana Establishment (ME), our goal here will be to have the EE/SE applicant set up in an office space where they can utilize our office resources to accomplish their goals during the twelve months they're incubated.

- III. EE/SE Applicant will have to have been previously incarcerated for a marijuana related offense and/or from an area of disproportionate impact as determined by the Cannabis Control Commission.

We intend to host an online outreach event for participants joining the Incubator Program 45 days after we have received our commence operations notice from the Commission. Once the event is held, we will make our choice on which applicant we intend to incubate within 10 business days. Advessa will not take ownership in any applicants we incubate.
- **Quarterly Progress Reports** - For the purpose of reporting to the CCC and also internal progress we will create quarterly progress reports on the applicants venture and what is still needed to comply with the twelve-month time frame goal of the incubation program. These reports will be prepared by Advessa's Executive Director Shanel Lindsay.

Goal 2: Host Quarterly Educational Online Events on Cannabis for SE, EE, and qualifying individuals with a conviction from a marijuana related crime.

We believe that it is a spark of inspiration that leads to some of the greatest innovations and generational wealth created in our history. Advessa's Quarterly educational events are meant to be that spark that helps EE/SE applicants and individuals from areas of disproportionate impact connect with the ideas and resources necessary to thrive. The goal of our four annual educational events will be focused on **how to create a successful cannabis product, niche marketing, how royalties and wholesale contracts work with MEs, and how to successfully create a licensed cannabis business.** These online events will only be available to qualifying individuals and will be directed towards areas of disproportionate impact as determined by the Cannabis Control Commission. It is often events where people connect and learn about others journey to become successful entrepreneurs and bring generational wealth back to their home communities.

- **Quarterly Event Goals** - Each of the four topics will be separated into an event and we have a goal of at least 30 participants per event from areas of disproportionate impact and/or previous marijuana convictions as well as EE/SE applicants. We will also follow up with these individuals and ensure they apply to participate in our incubation program. Events will link all attendees with information and resources to learn more about the discussion topic as well as connect with the highlighted speaker.
- **Launching the Event Series** - Advessa will begin hosting these quarterly educational events 90 days following the receipt of commence operations from the CCC.

**BYLAWS
OF
ADVESA MA INC.**

**ARTICLE I
NAME, OFFICES AND PURPOSE**

Section 1.01. Name. The name of the corporation is Advesa MA, Inc. (the “Corporation”).

Section 1.02. Registered Office. The registered office of the Corporation shall be at 690 Broadway, City of Somerville, MA, Zip Code 02144. The Registered Agent in charge thereof is Jessica Verzura.

Section 1.03. Change of Registered Address. The Board of Directors of the Corporation (the “Board” or “Board of Directors”) may change the registered office from one location to another within the Commonwealth of Massachusetts by a resolution of the Board, and such change of address shall not require an amendment of these bylaws (the “Bylaws”).

Section 1.04. Principal Executive or Business Offices. The Board will fix the location of the principal executive office of the Corporation at any place within or outside the Commonwealth of Massachusetts. If the principal executive office is located outside Massachusetts and the Corporation has one or more business offices in Massachusetts, the Board will fix and designate a principal business office in Massachusetts.

Section 1.05. Other Offices. The Corporation may also have offices at such other places, within or without the Commonwealth of Massachusetts, where it is qualified to do business, as its business may require and as the Board may, from time to time, designate.

Section 1.06. Objective and Purpose. The primary objective and purpose of the Corporation shall be to engage in any lawful act or activity for which corporations may be organized under the laws of Massachusetts.

**ARTICLE II
SHAREHOLDERS**

Section 2.01. Place and Conduct of Meetings. Meetings of shareholders will be held at any place within or outside the Commonwealth of Massachusetts designated by the Board. In the absence of a designation by the Board, shareholders’ meetings will be held at the Corporation’s principal executive office. If authorized by the Board (in its sole discretion) and any guidelines and procedures adopted by the Board, shareholders not physically present in person or by proxy at a meeting of shareholders may, by electronic transmission by and to the Corporation or by electronic video screen communication, participate in a meeting of shareholders, be deemed present in person or by proxy, and vote, whether the meeting is to be held at a designated place or in whole or in

part by means of electronic transmission by and to the Corporation or by electronic video screen communication. A meeting of shareholders may be conducted, in whole or in part, by electronic transmission by and to the Corporation or by electronic video screen communication if:

(a) The Corporation implements reasonable measures to provide shareholders (in person or by proxy) a reasonable opportunity to participate in the meeting and to vote on matters submitted to the shareholders, including an opportunity to read or hear the proceedings of the meeting concurrently with those proceedings; and

(b) The Corporation maintains a record of the vote or action and any shareholder votes or other shareholder action is taken at the meeting by means of electronic transmission to the Corporation or electronic video screen communication.

Any request by the Corporation to a shareholder for consent to conduct a meeting of shareholders by electronic transmission must include a notice that absent consent of the shareholder, the meeting will be held at a physical location.

Section 2.02 Annual Meeting. An annual meeting shall be held once each calendar year for the purpose of electing directors and for the transaction of such other business as may properly come before the meeting. The annual meeting shall be held at the time and place designated by the Board of Directors from time to time.

Section 2.03 Special Meetings. A special meeting of the shareholders may be called at any time by the Board, by the chair of the Board (if any), by the president, or by shareholders entitled to cast not less than ten percent (10%) of the Corporation's voting power. If a special meeting is called by anyone other than the Board, the person or persons calling the meeting will make a request in writing, delivered personally or sent by registered mail, or by electronic transmission to the Corporation, to the chair of the Board (if any), president, any vice president, or secretary, by any person entitled to call a special meeting of shareholders (other than the Board), specifying the time and date of the meeting (which is not less than thirty (30) nor more than sixty (60) days after receipt of the request) and the general nature of the business proposed to be transacted. Within twenty (20) days after receipt, the officer receiving the request will cause notice to be given to the shareholders entitled to vote, in accordance with Sections 2.04, stating that a meeting will be held at the time requested by the person(s) calling the meeting, and stating the general nature of the business proposed to be transacted. If notice is not given within twenty (20) days after receipt of the request, the person or persons requesting the meeting may give the notice. Nothing in this paragraph will be construed as limiting, fixing, or affecting the time when a meeting of shareholders called by action of the Board may be held.

Section 2.04. Notice. Written notice of all shareholder meetings, whether regular or special meetings, shall be provided under this section or as otherwise required by law. The Notice shall state the place, date, and hour of meeting, and if for a special meeting, the purpose of the meeting. Such notice shall be mailed to all shareholders of record at the address shown on the corporate books, at least 10 days prior to the meeting. Such notice shall be deemed effective when deposited in ordinary U.S. mail, properly addressed, with postage prepaid.

Section 2.05. Quorum. A majority of the outstanding voting shares, whether represented in person or by proxy, shall constitute a quorum at a shareholders meeting. In the absence of a quorum, a majority of the represented shares may adjourn the meeting to another time without further notice. If a quorum is represented at an adjourned meeting, any business may be transacted that might have been transacted at the meeting as originally scheduled. The shareholders present at a meeting represented by a quorum may continue to transact business until adjournment, even if the withdrawal of some shareholders results in representation of less than a quorum.

Section 2.06. Adjourned Meeting; Notice.

(a) Any shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by the vote of the majority of the shares represented at that meeting, either in person or by proxy, but in the absence of a quorum, no other business may be transacted at that meeting, except as provided in Section 5 Quorum.

(b) When any meeting of shareholders, either annual or special, is adjourned to another time or place, notice of the adjourned meeting need not be given if the time and place (or the means of electronic transmission by and to the Corporation or electronic video screen communication, if any, by which shareholders may participate) are announced at the meeting at which the adjournment is taken, unless a new record date for the adjourned meeting is fixed, or unless the adjournment is for more than forty-five (45) days after the date set for the original meeting, in which case the Board of Directors will set a new record date. Notice of any such adjourned meeting, if required, will be given to each shareholder of record entitled to vote at the adjourned meeting, in accordance with Sections 3 Notice and 4 Place of Meeting. At any adjourned meeting, the Corporation may transact any business that might have been transacted at the original meeting.

Section 2.07. Voting.

(a) The shareholders entitled to vote at any meeting of shareholders will be determined in accordance with Section 2.09, in the name of a corporation, or in joint ownership. The shareholders' vote may be by voice vote or by ballot, provided, however, that any election for directors must be by ballot if demanded by any shareholder before the voting has begun. On any matter other than the election of directors, any shareholder may vote part of the shares the shareholder is to vote in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal, but, if the shareholder fails to specify the number of shares that the shareholder is voting affirmatively, it will be conclusively presumed that the shareholder's approving vote is with respect to all shares that the shareholder is entitled to vote. If a quorum is present (or if a quorum has been present earlier at the meeting but some shareholders have withdrawn), the affirmative vote of a majority of the shares represented and voting, provided such shares voting affirmatively also comprise a majority of the number of shares required for a quorum, will constitute an act of the shareholders unless the vote of a greater number or a vote by classes is required by law or by the Articles.

(b) At a shareholders' meeting at which directors are to be elected, no shareholder will be entitled to cumulate votes (i.e., cast for any candidate a number of votes greater than the number of votes which that shareholder normally would be entitled to cast), unless the candidates' names have been placed in nomination before commencement of the voting and a shareholder has given notice at

the meeting, before the voting has begun, of the shareholder's intention to cumulate votes. If any shareholder has given such a notice, then all shareholders entitled to vote may cumulate their votes for candidates in nomination. Thus each such shareholder may give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which that shareholder's shares are normally entitled, or may distribute the shareholder's votes on the same principle among any or all of the candidates. The candidates receiving the highest number of votes, up to the number of positions to be filled, will be elected.

Section 2.08. Record Date for Shareholder Notice of Meeting, Voting, and Giving Consent.

(a) For purposes of determining the shareholders entitled to receive notice of and vote at a shareholders' meeting or give written consent to corporate action without a meeting, the Board may fix in advance a record date that is not more than sixty (60) nor less than ten (10) days before the date of a shareholders' meeting, or not more than sixty (60) days before any other action.

(b) If no record date is fixed:

(i) The record date for determining shareholders entitled to receive notice of and vote at a shareholders' meeting will be the business day next preceding the day on which notice is given, or, if notice is waived as provided in Section 2.09, the business day next preceding the day on which the meeting is held.

(ii) The record date for determining shareholders entitled to give consent to corporate action in writing without a meeting, if no prior action has been taken by the Board, will be the day on which the first written consent is given.

(c) A determination of shareholders of record entitled to receive notice of and vote at a shareholders' meeting will apply to any adjournment of the meeting unless the Board fixes a new record date for the adjourned meeting. However, the Board will fix a new record date if the adjournment is to a date more than forty-five (45) days after the date set for the original meeting.

(d) Only shareholders of record on the Corporation's books at the close of business on the record date will be entitled to any of the notice and voting rights listed in subsection (a) of this section, notwithstanding any transfer of shares on the Corporation's books after the record date, except as otherwise required by law.

Section 2.09. Waiver of Notice or Consent by Absent Shareholders.

(a) The transactions of any meeting of shareholders, either annual or special, however called and noticed and wherever held, will be as valid as though they were had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if each person entitled to vote who was not present in person or by proxy, either before or after the meeting, signs a written waiver of notice or a consent to holding the meeting or an approval of the minutes of the meeting. The waiver of notice or consent need not specify either the business to be transacted or the purpose of any annual or special meeting of the shareholders, except that, if action is taken or proposed to be taken for approval of any of those matters such as (i) a transaction in which a

director has a financial interest; (ii) an amendment of the Articles; (iii) a reorganization; (iv) a voluntary dissolution; or (v) a distribution in dissolution that requires approval of the outstanding shares.

(b) The waiver of notice or consent is required to state the general nature of the action or proposed action. All waivers, consents, and approvals will be filed with the corporate records or made a part of the minutes of the meeting.

(c) A shareholder's attendance at a meeting also constitutes a waiver of notice of that meeting, unless the shareholder at the beginning of the meeting objects to the transaction of any business on the ground that the meeting was not lawfully called or convened. In addition, attendance at a meeting does not constitute a waiver of any right to object to consideration of matters required by law to be included in the notice of the meeting which were not so included, if that objection is expressly made at the meeting.

Section 2.10. Proxies. Every person entitled to vote for directors or on any other matter will have the right to do so either in person or by one or more agents authorized by a written proxy signed by the person and filed with the secretary of the Corporation. A proxy will be deemed signed if the shareholder's name is placed on the proxy (whether by manual signature, electronic signature, or otherwise) by the shareholder or the shareholder's attorney in fact. A validly executed proxy that does not state that it is irrevocable will continue in full force and effect unless (i) revoked by the person executing it, before the vote pursuant to that proxy, by a writing delivered to the Corporation stating that the proxy is revoked, or by attendance at the meeting and voting in person by the person executing the proxy or by a subsequent proxy executed by the same person and presented at the meeting; or (ii) written notice of the death or incapacity of the maker of that proxy is received by the Corporation before the vote pursuant to that proxy is counted; provided, however, that no proxy will be valid after the expiration of eleven (11) months from the date of the proxy, unless otherwise provided in the proxy.

Section 2.11. Informal Action. Any action required to be taken, or which may be taken, at a shareholders meeting, may be taken without a meeting and without prior notice if a consent in writing, setting forth the action so taken, is signed by the shareholders who own all of the shares entitled to vote with respect to the subject matter of the vote.

ARTICLE III DIRECTORS

Section 3.01. Number of Directors. The number of directors shall be not fewer than three (3) nor more than seven (7). The exact number of directors shall be fixed within these specified limits by the Board or the shareholders in the manner provided in these Bylaws. Contemporaneous with the adoption of these Bylaws, be the following named persons shall be recognized as the initial Directors of the Corporation:

1. Jessica Pelletier

Without prejudice to these general powers, and subject to the same limitations, the Board will have the power to:

(a) Select and remove all officers, agents, and employees of the Corporation; prescribe any powers and duties for them that are consistent with law, with the Articles, and with these Bylaws; fix their compensation; and require from them security for faithful service.

(d) Adopt, make, and use a corporate seal; prescribe the forms of certificates of stock; and alter the form of the seal and certificates.

(e) Authorize the issuance of shares of stock of the Corporation on any lawful terms, in consideration of money paid, labor done, services actually rendered, debts or securities canceled, or tangible or intangible property actually received.

(f) Borrow money and incur indebtedness on behalf of the Corporation, and cause to be executed and delivered for the Corporation's purposes, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations, and other evidences of debt and securities.

Section 3.03. Election and Term of Office. The directors shall be elected at the annual shareholders meeting. Each director shall serve a term of three (3) years, or until a successor has been elected and qualified.

Section 3.04. Quorum. A majority of directors shall constitute a quorum.

Section 3.05. Adverse Interest. In the determination of a quorum of the directors, or in voting, the disclosed adverse interest of a director shall not disqualify the director or invalidate his or her vote.

Section 3.06. Regular Meeting. An annual meeting shall be held, without notice, immediately following and at the same place as the annual meeting of the shareholders. The Board of Directors may provide, by resolution, for additional regular meetings without notice other than the notice provided by the resolution.

Section 3.07. Special Meeting. Special meetings may be requested by the President, Vice-President, Secretary, or any two directors by providing five days written notice by ordinary United States mail, effective when mailed. Minutes of the meeting shall be sent to the Board of Directors within two weeks after the meeting.

Section 3.08. Procedures. The vote of a majority of the directors present at a properly called meeting at which a quorum is present shall be the act of the Board of Directors, unless the vote of a greater number is required by law or by these bylaws for a particular resolution. A director of the corporation who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless their dissent shall be entered in the minutes of the meeting. The Board shall keep written minutes of its proceedings in its permanent records.

If authorized by the governing body, any requirement of a written ballot shall be satisfied by a ballot submitted by electronic transmission, provided that any such electronic transmission must either set forth or be submitted with information from which it can be determined that the electronic transmission was authorized by the member or proxy holder.

Section 3.09. Informal Action. Any action required to be taken at a meeting of directors, or any action which may be taken at a meeting of directors or of a committee of directors, may be taken without a meeting if a consent in writing setting forth the action so taken, is signed by all of the directors or all of the members of the committee of directors, as the case may be.

Section 3.10. Removal / Vacancies. A director shall be subject to removal, with or without cause, at a meeting of the shareholders called for that purpose. Any vacancy that occurs on the Board of Directors, whether by death, resignation, removal or any other cause, may be filled by the remaining directors. A director elected to fill a vacancy shall serve the remaining term of his or her predecessor, or until a successor has been elected and qualified.

Section 3.11. Resignation. Any director may resign effective upon giving written notice to the chairperson of the board, the president, the secretary or the Board of Directors of the corporation, unless the notice specifies a later time for the effectiveness of such resignation. If the resignation is effective at a future time, a successor may be elected to take office when the resignation becomes effective.

Section 3.12. Compensation. Directors and members of committees of the Board may be compensated for their services, and will be reimbursed for expenses, as fixed or determined by resolution of the Board. This section will not be construed to preclude any director from serving the Corporation in any other capacity, as an officer, agent, employee, or otherwise, or from receiving compensation for those services.

ARTICLE IV COMMITTEES

Section 4.01. **Committees.** The Board may, by resolution adopted by a majority of the authorized number of directors, designate one or more committees, each consisting of two or more directors. The Board may designate one or more directors as alternate members of any committee, to replace any absent member at a committee meeting. The appointment of committee members or alternate members requires the vote of a majority of the authorized number of directors. A committee may be granted any or all of the powers and authority of the Board, to the extent provided in the resolution of the Board establishing the committee, except with respect to:

- (a) Approving any action for which the Massachusetts Business Corporation Act also requires the approval of the shareholders or of the outstanding shares;
- (b) Filling vacancies on the Board or any committee of the Board;
- (c) Fixing directors compensation for serving on the Board or a committee of the Board;
- (d) Adopting, amending, or repealing Bylaws;
- (e) Amending or repealing any resolution of the Board that by its express terms is not so amendable or repealable;
- (f) Making distributions to shareholders, except at a rate or in a periodic amount or within a price range determined by the Board; or
- (g) Appointing other committees of the Board or their members.

Section 4.02. Meetings; Action of Committees. Meetings and action of committees will be governed by, and held and taken in accordance with, Bylaw provisions applicable to meetings and actions of the Board, with such changes in the context of those Bylaws as are necessary to substitute the committee and its members for the Board and its members, except that (1) the time of regular meetings of committees may be determined either by resolution of the Board or by resolution of the committee; (2) special meetings of committees may also be called by resolution of the Board; and (3) notice of special meetings of committees will also be given to all alternative members who will have the right to attend all meetings of the committee. The Board may adopt rules for the governance of any committee not inconsistent with these Bylaws.

ARTICLE V OFFICERS

Section 5.01. Officers. The officers of the corporation shall be a Chief Executive Officer/President, Chief Operating Officer, Treasurer, and a Secretary. The Corporation may also have, at the discretion of the Board, one or more vice presidents, one or more assistant secretaries, one or more assistant treasurers, and such other officers as may be appointed in accordance with Section 5.02. Any number of offices may be held by the same person.

Chief Executive Officer. The Chief Executive Officer shall also be the President and shall preside at all meetings of the Board of Directors and its Executive Committee, if such a committee is created by the Board. The Chief Executive Officer is expected to report on board accomplishments, insofar as the goals of the company are concerned. The Chief Executive Officer is also expected to make reports on the job performance of the directors and managers that work under the board. The initial Chief Executive Officer shall be Jessica Pelletier.

Chief Operating Officer. The Chief Operating Officer is expected to manage the day to day operations of the Corporation and oversee and be responsible for all non-executive employees. The Chief Operating Officer shall report directly to the Chief Executive Officer. The initial Chief Operating Officer shall be Tony Michael Verzura.

Treasurer. The Treasurer has a watchdog role over all aspects of financial management, working closely with other members of the Management Committee to safeguard the organization's finances. The Treasurer shall report directly to the Chief Executive Officer. The initial Treasurer shall be Isiah Benjamin.

Secretary. The Secretary shall give notice of all meetings of the Board of Directors and Executive Committee, if any, shall keep an accurate list of the directors, and shall have the authority to certify any records, or copies of records, as the official records of the corporation. The Secretary shall maintain the minutes of the Board of Directors' meetings and all committee meetings. The Secretary shall report directly to the Chief Executive Officer. The initial Secretary shall be Michael James Latulippe.

Section 5.02. Appointment. The officers of the Corporation, except for subordinate officers appointed in accordance with Section 5.03, will be appointed by the Board, and will serve at the pleasure of the Board.

Section 5.03. Subordinate Officers. The Board may appoint, and may empower the Chief Executive Officer to appoint, other officers as required by the business of the Corporation, whose duties will be as provided in the Bylaws, or as determined from time to time by the Board or the Chief Executive Officer.

Section 5.04. Removal and Resignation.

(a) Any officer chosen by the Board may be removed at any time, with or without cause or notice, by the Board. Subordinate officers appointed by persons other than the Board under Section 2.03 may be removed at any time, with or without cause or notice, by the Board or by the officer by whom appointed. Officers may be employed for a specified term under a contract of employment if authorized by the Board; such officers may be removed from office at any time under this section, and will have no claim against the Corporation or individual officers or Board members because of the removal except any right to monetary compensation to which the officer may be entitled under the contract of employment.

(b) Any officer may resign at any time by giving written notice to the Corporation. Resignations will take effect on the date of receipt of the notice, unless a later time is specified in the notice. Unless otherwise specified in the notice, acceptance of the resignation is not necessary to make it effective. Any resignation is without prejudice to the rights, if any, of the Corporation to monetary damages under any contract of employment to which the officer is a party.

Section 5.05. Vacancies. A vacancy in any office resulting from an officer's death, resignation, removal, or disqualification, or from any other cause, will be filled in the manner prescribed in these Bylaws for regular election or appointment to that office.

ARTICLE VI CORPORATE SEAL, EXECUTION OF INSTRUMENTS

The corporation shall not have a corporate seal. All instruments that are executed on behalf of the corporation which are acknowledged and which affect an interest in real estate shall be executed by the Chief Executive Officer/President, Chief Operating Officer, Treasurer, and Secretary. All other instruments executed by the corporation, including a release of mortgage or lien, may be executed by the Chief Executive Officer/President or Chief Operating Officer. Notwithstanding the preceding provisions of this section, any written instrument may be executed by any officer(s) or agent(s) that are specifically designated by resolution of the Board of Directors.

ARTICLE VII AMENDMENT TO BYLAWS

The bylaws may be amended, altered, or repealed by the Board of Directors or the shareholders by unanimous vote at any regular or special meeting; provided however, that the shareholders may from time to time specify particular provisions of the bylaws which shall not be amended or repealed by the Board of Directors.

ARTICLE VIII STOCK CERTIFICATES

Section 8.04. Certificates for Shares. Every owner of shares in the Corporation will be entitled to have a certificate, in such form, not inconsistent with the Articles or any law, as will be prescribed by the Board, certifying the number of shares, and class or series, owned by such shareholder in the Corporation. Shareholders can request and obtain a statement of rights, restrictions, preferences and privileges regarding classified shares or a class of shares with two or more series, if any, from the Corporation's principal executive office. Each certificate issued shall bear all statements or legends required by law to be affixed thereto. Every certificate for shares shall be signed by either the chair of the Board, the vice chair of the Board, the Chief Executive Officer/President, the Treasurer, or the Secretary. Any or all of the signatures on the certificate may be facsimile. If any officer, transfer agent, or registrar who has signed or whose facsimile signature has been placed on a certificate will have ceased to be that officer, transfer agent, or registrar before that certificate is issued, the certificate may be issued by the Corporation with the same effect as if that person were an officer, transfer agent, or registrar at the date of issue.

Section 8.05. Lost Certificates. Except as provided in this Section 8.05, no new certificates for shares will be issued to replace old certificates unless the old certificate is surrendered to the Corporation for cancellation at the same time. If share certificates or certificates for any other security have been lost, stolen, or destroyed, the Board may authorize the issuance of replacement certificates on terms and conditions as required by the Board, which may include a requirement that the owner give the Corporation a bond (or other adequate security) sufficient to indemnify the Corporation against any claim that may be made against it (including any expense or liability) on account of the alleged loss, theft, or destruction of the old certificate or the issuance of the replacement certificate.

ARTICLE IX CORPORATE RECORDS AND REPORTS

Section 9.01. Maintenance of Shareholder Record and Inspection by Shareholders. The Corporation will keep at its principal executive office or at the office of its transfer agent or registrar, as determined by resolution of the Board, a record of the names and addresses of all shareholders and the number and class of shares held by each shareholder. A shareholder or shareholders holding at least five percent (5%) in the aggregate of the outstanding voting shares of the Corporation have the right to do either or both of the following:

- (a) Inspect and copy the record of shareholders names and addresses and shareholdings during usual business hours, on five (5) days prior written demand on the Corporation, or
- (b) Obtain from the Corporation's transfer agent, on written demand and tender of the transfer agent's usual charges for this service, a list of the names and addresses of shareholders who are entitled to vote for the election of directors, and their shareholdings, as of the most recent record date for which a list has been compiled or as of a specified date later than the date of demand. This list will be made available within five (5) days after (i) the date of demand or (ii) the specified later date as of which the list is to be compiled.

The record of shareholders will also be open to inspection on the written demand of any shareholder or holder of a voting trust certificate, at any time during usual business hours, for a purpose reasonably related to the holder's interests as a shareholder or holder of a voting trust certificate. Any inspection and copying under this section may be made in person or by an agent or attorney of the shareholder or holder of a voting trust certificate making the demand.

Section 9.02. Maintenance and Inspection of Bylaws. The Corporation will keep at its principal executive office, or if its principal executive office is not in the Commonwealth of Massachusetts, at its principal business office in Massachusetts, the original or a copy of the Bylaws as amended to date, which will be open to inspection by the shareholders at all reasonable times during office hours. If the principal executive office of the Corporation is outside the Commonwealth of Massachusetts and the Corporation has no principal business office in this state, the secretary will, on the written request of any shareholder, furnish to that shareholder a copy of the Bylaws as amended to date.

Section 9.03. Maintenance and Inspection of Minutes and Accounting Records. The minutes of proceedings of the shareholders, Board, and committees of the Board, and the accounting books and records, will be kept at the principal executive office of the Corporation, or at such other place or places as designated by the Board. The minutes and the accounting books and records will be kept either in written form or in a form capable of being converted into written form. The minutes and accounting books and records will be open to inspection on the written demand of any shareholder or holder of a voting trust certificate at any reasonable time during usual business hours, for a purpose reasonably related to the holder's interests as a shareholder or holder of a voting trust certificate. The inspection may be made in person or by an agent or attorney, and will include the right to copy and make extracts. These rights of inspection will extend to the records of each subsidiary of the Corporation.

Section 9.04. Inspection by Directors. Every director will have the absolute right at any reasonable time to inspect all books, records, and documents of every kind and the physical properties of the Corporation and each of its subsidiary corporations. This inspection by a director may be made in person or by an agent or attorney, and the right of inspection includes the right to copy and make extracts of documents.

Section 9.05. Annual Report.

(a) Inasmuch as, and for as long as, there are fewer than one hundred (100) shareholders, the requirement of an annual report to shareholders is expressly waived. However, nothing in this provision will be interpreted as prohibiting the Board from issuing annual or other periodic reports to the shareholders, as the Board considers appropriate.

(b) If at any time the number of shareholders will exceed one hundred (100), the first paragraph of Section 9.05 will be repealed, and the following provisions will be substituted:

The Board will cause an annual report to be sent to the shareholders not later than one hundred twenty (120) days after the close of the fiscal year adopted by the Corporation. This report will be sent at least fifteen (15) before the annual meeting of shareholders to be held during the next fiscal year and in the manner specified for giving notice to shareholders in Section 2.05 of these Bylaws. The annual report will contain a balance sheet as of the end of the fiscal year and an income statement and a statement of cash flows for the fiscal year that are (1) prepared in accordance with generally accepted accounting principles applied on a consistent basis and (2) accompanied by any report of independent accountants, or, if there is no such report, the certificate of an authorized officer of the Corporation that the statements were prepared from the Corporation's books and records without audit.

Section 9.06. Financial Statements.

(a) The Corporation will keep a copy of each annual financial statement, quarterly or other periodic income statement, and accompanying balance sheets prepared by the Corporation on file in the Corporation's principal executive office for twelve (12) months; these documents will be exhibited at all reasonable times, or copies provided, to any shareholder on demand. Quarterly income statements and balance sheets referred to in this section will be accompanied by the report, if any,

of independent accountants engaged by the Corporation or the certificate of an authorized corporate officer stating that the financial statements were prepared from the Corporation's books and records without audit.

(b) If no annual report for the last fiscal year has been sent to shareholders, on written request of any shareholder made more than one hundred twenty (120) days after the close of the fiscal year the Corporation will deliver or mail to the shareholder, within thirty (30) days after receipt of the request, a balance sheet as of the end of that fiscal year and an income statement and statement of cash flows for that fiscal year.

(c) A shareholder or shareholders holding five percent (5%) or more of the outstanding shares of any class of stock of the Corporation may request in writing an income statement for the most recent 3-month, 6-month, or 9-month period (ending more than thirty (30) days before the date of the request) of the current fiscal year, and a balance sheet of the Corporation as of the end of that period. If such documents are not already prepared, the chief financial officer will cause them to be prepared and will deliver the documents personally or mail them to the requesting shareholders within thirty (30) days after receipt of the request. A balance sheet, income statement, and statement of cash flows for the last fiscal year will also be included, unless the Corporation has sent the shareholders an annual report for the last fiscal year.

Section 9.07. Annual Statement of General Information.

(a) The Corporation shall file a statement with the Secretary of State on the prescribed form, setting forth the authorized number of directors; the names and complete business or residence addresses of all incumbent directors; the names and complete business or residence addresses of the chief executive officer, the secretary, and the chief financial officer; the street address of the Corporation's principal executive office or principal business office in this state; a statement of the general type of business constituting the principal business activity of the Corporation; and a designation of the agent of the Corporation for the purpose of service of process, all in compliance with the Massachusetts Business Corporation Act.

(b) Despite the provisions of paragraph (a) of this section, if there has been no change in the information in the Corporation's last statement on file with the Secretary of State's office, the Corporation may, in lieu of filing the statement described in paragraph (a) of this section, advise the Secretary of State, on the appropriate form, that no changes in the required information have occurred during the applicable period.

**ARTICLE X
INDEMNIFICATION**

Section 10.01. Agents, Proceedings, and Expenses. For the purposes of this Article, "agent" means any person who is or was a director, officer, employee, or other agent of the Corporation, or who is or was serving at the request of the Corporation as a director, officer, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, or who was a director, officer, employee, or agent of a foreign or domestic corporation that was a

predecessor corporation of the Corporation or of another enterprise at the request of such predecessor corporation; “proceeding” means any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative; and “expenses” includes, without limitation, attorney fees and any expenses of establishing a right to indemnification under Section 10.04 or Section 10.05(d).

Section 10.02. Actions Other Than by the Corporation. The Corporation will have the power to indemnify any person who was or is a party, or is threatened to be made a party, to any proceeding (other than an action by or in the right of the Corporation to procure a judgment in its favor) by reason of the fact that such person is or was an agent of the Corporation, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with such proceeding if that person acted in good faith and in a manner that the person reasonably believed to be in or not opposed to the best interests of the Corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of that person was unlawful. The termination of any proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, will not, of itself, create a presumption either that the person did not act in good faith and in a manner that the person reasonably believed to be in the best interests of the Corporation or that the person had reasonable cause to believe that the person’s conduct was not unlawful.

Section 10.03. Actions by or in the Right of the Corporation. The Corporation will have the power to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action by or in the right of the Corporation to procure a judgment in its favor, by reason of the fact that such person is or was an agent of the Corporation, against expenses actually and reasonably incurred by such person in connection with the defense or settlement of that action, if such person acted in good faith, in a manner such person believed to be in or not opposed to the best interests of the Corporation and its shareholders. No indemnification will be made under this Section 10.03 for the following:

- (a) Any claim, issue, or matter on which such person has been adjudged to be liable to the Corporation in the performance of such person’s duty to the Corporation and its shareholders, unless and only to the extent that the court in which such proceeding is or was pending will determine on application that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for expenses, and then only to the extent that the court will determine;
- (b) Amounts paid in settling or otherwise disposing of a pending action without court approval; or
- (c) Expenses incurred in defending a pending action that is settled or otherwise disposed of without court approval.

Section 10.04. Successful Defense by Agent. To the extent that an agent of the Corporation has been successful on the merits in defense of any proceeding referred to in Section 10.02 or 10.03, or in defense of any claim, issue, or matter therein, the agent will be indemnified against expenses actually and reasonably incurred by the agent in connection therewith.

Section 10.05. Required Approval. Except as provided in Section 10.04, any indemnification under this section will be made by the Corporation only if authorized in the specific case, after a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in Section 10.02 or 10.03 by one of the following:

(a) A majority vote of a quorum consisting of directors who are not parties to such proceeding;

(b) Independent legal counsel in a written opinion if a quorum of directors who are not parties to such a proceeding is not available;

(c) The affirmative vote of a majority of shares of the Corporation entitled to vote represented at a duly held meeting at which a quorum is present; or the written consent of holders of a majority of the outstanding shares entitled to vote (for purposes of this Section 10.05(c), the shares owned by the person to be indemnified will not be considered outstanding or entitled to vote thereon);

(d) The court in which the proceeding is or was pending, on application made by the Corporation or the agent or the attorney or other person rendering services in connection with the defense, whether or not such application by the agent, attorney, or other person is opposed by the Corporation.

Section 10.06. Advance of Expenses. Expenses incurred in defending any proceeding may be advanced by the Corporation before the final disposition of such proceeding on receipt of an undertaking by or on behalf of the agent to repay such amounts if it will be determined ultimately that the agent is not entitled to be indemnified as authorized in this Article 10.

Section 10.07. Other Contractual Rights. The indemnification provided by this Article 10 will not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under, e.g., any bylaw, agreement, or vote of shareholders or disinterested directors, both regarding action in an official capacity and regarding action in another capacity while holding such office, to the extent that such additional rights to indemnification are authorized in the Articles of the Corporation. Nothing in this section will affect any right to indemnification to which persons other than such directors and officers may be entitled by contract or otherwise.

Section 10.08. Limitations. No indemnification or advance will be made under this Article 6, except as provided in Section 10.04 or Section 10.05(d), in any circumstance if it appears:

(a) That it would be inconsistent with a provision of the Articles or Bylaws, a resolution of the shareholders, or an agreement which prohibits or otherwise limits indemnification; or

(b) That it would be inconsistent with any condition expressly imposed by a court in approving settlement.

Section 10.09. Insurance. The Corporation may purchase and maintain insurance on behalf of any agent of the Corporation insuring against any liability asserted against or incurred by the agent

in that capacity or arising out of the agent's status as such, whether or not the Corporation would have the power to indemnify the agent against that liability under the provisions of this Article 10.

Section 10.10. Fiduciaries of Corporate Employee Benefit Plan. This Article 10 does not apply to any proceeding against any trustee, investment manager, or other fiduciary of an employee benefit plan in that person's capacity as such, even though that person may also be an agent of the Corporation. The Corporation will have the power to indemnify, and to purchase and maintain insurance on behalf of any such trustee, investment manager, or other fiduciary of any benefit plan for any or all of the directors, officers, and employees of the Corporation or any of its subsidiary or affiliated corporations.

Section 10.11. Effect of Amendment. Any amendment, repeal, or modification of this Article 10 will not adversely affect an agent's right or protection existing at the time of such amendment, repeal, or modification.

Section 10.12. Survival of Rights. The rights provided by this Article 10 will continue for a person who has ceased to be an agent and will inure to the benefit of the heirs, executors, and administrators of such person.

Section 10.13. Settlement of Claims. The Corporation will not be liable to indemnify any agent under this Article 10 or (a) any amounts paid in settlement of any action or claim effected without the Corporation's written consent, which consent will not be unreasonably withheld, or (b) any judicial award, if the Corporation was not given a reasonable and timely opportunity to participate, at its expense, in the defense of such action.

Section 10.14. Subrogation. In the event of payment under this Article 10, the Corporation will be subrogated, to the extent of such payment, to all of the rights of recovery of the agent, who will execute all papers required and will do everything that may be necessary to secure such rights, including the execution of such documents as may be necessary to enable the Corporation effectively to bring suit to enforce such rights.

Section 10.15. No Duplication of Payments. The Corporation will not be liable under this Article 10 to make any payment in connection with any claim made against the agent to the extent the agent has otherwise actually received payment, whether under a policy of insurance, an agreement, or a vote, or through other means, of the amounts otherwise indemnifiable under this Article.

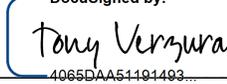

ARTICLE XI DISSOLUTION

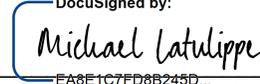

The corporation may be dissolved only with authorization of its Board of Directors given at a special meeting called for that purpose, and with the subsequent approval by a unanimous vote of the members.

Plan to Obtain and Maintain Liability Insurance

Advesa will carry insurance as required by Massachusetts statute and regulations.

Advesa does not produce its own products, but rather acquires them from other cultivators/manufacturers. Any product, whether or not a cannabis product, that passes through an Advesa corporate entity or real estate controlled by such will require that the selling entity, i.e., supplier, carry sufficient product liability insurance and fully indemnify and defend Advesa should any such product cause damage to a consumer or property.

Additionally, products must strictly adhere to the more stringent of Advesa's or Massachusetts law's testing, track and trace, and quality specifications. Any product or brand that does not adhere to insurance requirements or the stringent specifications will not be allowed within Advesa's retail establishment.

Upon receipt of licenses in Massachusetts, Advesa will procure the required insurance or post the necessary security at opening and until such insurance is procured. Advesa also intends to carry the standard general liability, property, and umbrella insurance consistent with a consumer retail establishment of this type, plus any additional property or general liability endorsements required.

a. General. The policy will include general liability and product liability insurance coverage of no less than \$1 million per occurrence and \$2 million in aggregate annually. The deductible for each policy will be no higher than \$5,000 per occurrence as per *935 CMR 500.101(1)*; *935 CMR 500.105(10)*.

b. Workers' Compensation and Employers' Liability. The statutory limits of workers' compensation and employers' liability insurance in amounts adequate to satisfy the umbrella underlying requirements.

c. Excess/Umbrella Liability. Umbrella liability coverage in an amount not less than \$10,000,000 per occurrence. Umbrella liability coverage is to be in excess of the general liability and employers' liability requirements outlined above and such requirement shall be subject to reasonable modification based on market changes and insurance coverage standards generally applicable to commercial real estate

similar in type, use and location as the Premises. Such insurance shall name the City as an additional named insured.

Our team was certified by the Cannabis Control Commission in 2018 as having demonstrated experience in or business practices that promote economic empowerment in communities disproportionately impacted by high rates of arrest and incarceration for offenses under chapter 94C of the General Laws. 4.1 OPERATIONS

Advesa's first target marijuana retailer will be located in the city of Somerville, where Advesa has an option to lease an approximately 2,500 square foot location with twenty (20) available parking and ample bicycle storage (the "Site" or "Location" or "Establishment"). The Site is located at 690 Broadway in the neighborhood known as Ball Square, across Broadway from the planned Ball Square Station on the MBTA's Green Line Extension. Advesa envisions being a catalyst for Transit Oriented Development and economic vibrancy in Ball Square.

The facility in Somerville is well positioned, and it matches the ideal picture of a community dispensary store. Before taking over the facility, it was an underutilized restaurant that cycled through multiple tenancies. The space was not achieving its highest and best use. Advesa will be launching with one outlet in Somerville but has plans to open two (2) other outlets in key locations in Massachusetts.

4.2 INVENTORY CONTROL

Advesa will establish inventory controls and procedures for conducting inventory reviews and comprehensive inventories of marijuana products in the process of cultivation and finished, stored marijuana all of which will meet and exceed the measures in 935 CMR 500. Advesa will tag and track all marijuana seeds, clones, plants, and marijuana products, using a seed-to-sale methodology in a form and manner to be approved by the Commission.

Advesa will comply with all local rules, regulations, ordinances, and bylaws. Advesa has a Host Community Agreement for the Somerville location.

5.0 SECURITY

Advesa restricts access to any part of the site to persons who are over the age of 21 – *no exceptions*. In a secure entry room, monitored by security cameras, Advesa’s thoroughly trained security personnel will perform an Identification Check using a 50-state ID scanner and a visual age verification prior to admitting any person onto the dispensary floor. 5.5 CONTROLS TO PREVENT DIVERSION, THEFT, OR LOSS OF MARIJUANA

A. SECURITY CULTURE

Safety for consumers and the community is a key priority for our dispensary and management team. Legitimate and well-functioning cannabis facilities adopt a security culture to ensure safety and complete security. Security culture refers to a set of practices and strategies that work together to maintain community and facility standards. The “security culture” of our facility will involve the following elements:

- Employing professional, trained security personnel
- Staying alert to detect problems before they occur
- Educating consumers to be sure they know the rules
- Implementing policies to prevent diversion
- Restricting access to the facility to authorized persons
- Using appropriate security technology and equipment to monitor and secure the facility
- Maintaining communication with local law enforcement
- Training staff to prevent and respond to emergencies
- Educating staff and members as to their rights and responsibilities under the law.

Individually, these elements help make a dispensary safer. When coupled together, they provide a comprehensive safety strategy that makes a legitimate dispensary one of the best and most secure neighbors in any given community. Cannabis facilities carry out important work in a discrete and professional manner. Our stringent security measures and careful membership screening serves to protect our facility and the wider community from undesirable elements in general. In order for us as a company to be pro-active and ensure consumer safety, it is imperative that we self-regulate the adult use products that are being dispensed to consumers. Cannabis products intended for adult use must meet certain packaging, labeling, and sanitary requirements to guarantee safe consumption by our consumers.

B. LIMITED ACCESS AREAS

Limited access areas will be identified by clear signage (at least a 12x12 sign). Within the facility, there will be a diagram of the premises that displays Limited Access Areas, including walls, counters, storage areas, dispensing areas, and all entryways and exits. All employees and staff must wear identification badges at all times while working within the facility. If there

are outside visitors, an identification badge must be obtained, and a registered dispensary agent must escort the visitor during their entire duration visiting the premise.

Many areas will be limited access areas that require key card and biometric hand recognition to gain entry. Executive offices, storage, security, and vaults will all have multiple access requirements. These will all be secure areas that not only have strict access requirements, but all areas will be locked when not in use.

6.0 BENEFITS TO THE MUNICIPALITY

Advesa looks forward to working cooperatively with the City of Somerville—which approved Ballot Question 4 in 2016 with a staggering 75.6% of residents in favor of cannabis legalization—to ensure that the business operates as a responsible, contributing member of the community. Advesa anticipates establishing a mutually beneficial relationship with the City in exchange for permitting to site and operate in Somerville. The City stands to benefit in various ways, including but not limited to the following:

A. Jobs

- A dispensing facility will add 25-35 full-time jobs, at least 75% of which will be staffed by persons from communities designated by the Cannabis Control Commission as “disproportionately impacted” by Controlled Substances Act enforcement or neighborhoods with similar demographics in Somerville, persons with Drug CORI records, in addition to hiring qualified, local contractors and vendors.

B. Monetary Benefits

- A Host Community Agreement with significant monetary donations would provide the City with additional financial benefits beyond local property taxes.

C. Access to Quality Product

- Will allow qualified consumers in the Commonwealth to have access to high quality marijuana and marijuana products that are tested for cannabinoid content and contaminants

D. Control

E. Responsibility

- Advesa is comprised of experienced professionals who will be thoroughly background checked and scrutinized by the Cannabis Control Commission.

F. Economic Development

6.1 FACILITY AND ZONING- SOMERVILLE

Advesa will remain compliant at all times with the local zoning requirements set forth in the Somerville Zoning Ordinance, including the December 13, 2018 Ordinance Amending the Somerville Zoning Ordinance to Amend Article 2, Article 6, and Article 7 Regarding Adult Use Marijuana Establishments.

Under the existing Somerville Zoning Ordinance,¹ Advesa's 690 Broadway marijuana retail establishment will be located within NB ("neighborhood business") zoning, and within the marijuana overlay district. The marijuana overlay district zoning permits a marijuana retail establishment to be operated after obtaining a special permit and a license from the License Commission.

The proposed establishment complies with the adult use marijuana establishment-specific zoning requirements because:

- It is more than 500-feet from a principal entry door of a public or private school providing education in kindergarten or any of grades 1 through 12.
- It is less than 10,000 square feet of net floor area.
- There will be 20 available off-site parking spaces at 645 Boston Avenue. It will satisfy the minimum parking requirements under Article 9 of the Somerville Zoning Ordinance. Somerville Zoning Ordinance Article 9.5(9) requires one parking space for every five hundred square feet of street level retail space, reduced by 20% due to the establishment's proximity to rapid transit.
- Advesa will submit a parking and traffic study to determine any traffic mitigation or additional parking needs.
- Signage will incorporate no internal illumination, be subject to review as part of the special permit process, and conform to all requirements of 935 CMR 500 and G.L. c. 94C, § 34.
- It will satisfy the requirements set out in Article 5.1.4 of the Somerville Zoning Ordinance for special permit review:
 - Article 5.1.4(a): Advesa will proceed collaboratively with the zoning process and provide all materials necessary for review of the special permit application.
 - Article 5.1.4(b): Advesa will comply with all requirements of the Zoning Ordinance.
 - Article 5.1.4(c): Advesa's proposal is consistent with the Zoning Ordinance's purposes to promote health, safety, and welfare, as well as to prevent overcrowding, undue congestion, and similar issues. The marijuana

¹ The City of Somerville is in the process of undertaking an "overhaul" of its zoning code that will, if approved, divide and refine requirements for the "neighborhood business" district into several "mid-rise" mixed-use districts. The adult use marijuana overlay district is anticipated to remain part of the overhauled zoning. Advesa is closely monitoring zoning developments in Somerville and will retain counsel as necessary to ensure compliance with all applicable requirements.

establishment will be transit-accessible and an active participant in the Somerville business community.

- Article 5.1.4(d): Advesa's proposal fits with the surrounding area, which is a transit-accessible commercial area currently utilized for restaurants and similar establishments.
- Article 5.1.4(e): Advesa's proposal will not result in adverse environmental impacts, such as noise, smoke, vibration, or noxious emissions.
- Article 5.1.4(f): Advesa's proposal is intended to be accessible by walking or public transit, and will not result in traffic congestion or the potential for traffic accidents in the surrounding area.
- Article 5.1.4(g): Not applicable, as no fast-food service is proposed.
- Article 5.1.4(h): Not applicable, as no housing is proposed.
- Article 5.1.4(i): The SomerVision plan emphasizes that the Ball Square area should leverage new access to the Green Line for local businesses and create a mix of diverse and high-quality jobs. Advesa's proposal fits squarely within the SomerVision plan's objectives for Ball Square, and will provide a vibrant, transit-accessible employer that employs a cross-section of local residents in high quality jobs. See Diversity Plan for additional information. Additionally, if approved, Advesa's establishment will be one of few marijuana retailers accessible by MBTA; this will bring potential patrons from outside of Somerville who will patronize not only Advesa's establishment but also nearby restaurants and service-oriented businesses in Ball Square and beyond.

The proposed establishment complies with the underlying requirements of NB zoning because:

- Retail establishments are permitted under NB zoning.
- It complies with dimensional requirements set forth in Article 8 of the Somerville Zoning Ordinance.
- It will satisfy the minimum parking requirements under Article 9 of the Somerville Zoning Ordinance with 20 off-site spaces, as well as bicycle storage.

7. MARKET RESEARCH

7.1 CUSTOMERS

While cannabis in Massachusetts is predicted to be a \$450MM market in 2018 rising to as much as \$1.2B by 2021, there are still strict restrictions preventing operators from proliferating in the market. There are still few dispensaries with Final Licenses and Notices to Commence Operations from the Cannabis Control Commission, but a pipeline with dozens more marijuana retailers expected to be licensed within the coming months. Advesa expects to capitalize on an early mover advantage and distinguish itself from operating business with superior products, operational excellence, seamless access to public transit, and our focus on economic empowerment of individuals and communities harmed most by cannabis prohibition.

7.2 COMPETITORS

Advesa's main competitors include the licensed marijuana dispensaries that are currently operating in the metro Boston area.

7.3 COMPETITIVE ADVANTAGE

Advesa's competitive advantages over their competition include a team of executives who have decades of combined experience thriving in highly competitive retail markets. Additionally, all executives have extensive experience in the sale of high value products sold to both consumers and businesses as well as economically empowering those impacted by the War on Drugs.

ADVESA'S approach to cannabis is rooted in implementing innovative manufacturing and retail technologies, as well as standardizing cannabinoid-based products for adult-use.. Our community leadership, management team's experience, and our history of delivering products without the use of any chemical solvents provides the company's competitive advantage. Additionally, our manufactured product lines in other states have won 81+ awards and are currently being used by thousands of recreational consumers globally. Our business model within both the retail and manufacturing space has been tried, tested and proven to work in other comparative markets

Major market advantages also include a location directly adjacent to the new Ball Square MBTA Station on the Green Line Extension, as well as distance from anticipated growth areas for cannabis retail in Davis Square and the East Somerville/Union Square. Walkability and access for cyclists is a distinct advantage. Within one mile of the proposed retail establishment are: parts of Davis, Porter, and Magoun Squares, parts of Tufts University, and South Medford.

In every business, there is competition; however, the retail cannabis industry is known to be especially competitive. Advesa possesses several strengths which will allow us to stand apart from our competition. The industry is rapidly growing, and customers are scrutinizing the quality of cannabis dispensed, the services offered, the location of the dispensary, our mission to empower communities and individuals harmed by marijuana prohibition, and to some extent, the branding of the business.

7.4 SWOT ANALYSIS

OPPORTUNITIES

- Overall declining state laws and a general acceptance amongst the public regarding cannabis use as a viable, safe, and natural application.
- Opportunity to serve the industries rapidly changing needs as they arise.
- "States Rule" now protects law-abiding and compliant cannabis institutions from most federal involvement.
- Massachusetts recreational use demand supersedes the supply available by the current number of cannabis operations.
- Due to our company's focus on technologically advanced cannabis processing and dispensing, we have a forefront opportunity to service the demand of recreational consumers.
- With continued demand growing, competition in the market will remain low and stable

THREATS

- The continuing black market with the prices and supply it provides.
- State and city levied taxes that have a potential to increase and affect the end consumers' prices.

- The remaining societal stigma about cannabis. Our company will continue to work through organizations and public outreach to help the ongoing effort to inform and educate while preventing underage use.

8. SALES

8.1 GROWTH STRATEGY

Advesa's plan to grow the company includes hosting community events, engaging adult-use consumers via social media, creating a unique retail destination, and creating unique products that appeal to an ever-evolving demographic. Our key customer base will be adult cannabis consumers. This customer base includes a wide variety of individuals who seek to use cannabis for adult use purposes.

Word-of-mouth marketing due to streamlined dispensary operations and a diverse product selection is the most prominent way to garner consistent sales in the adult use cannabis industry. Upon opening, ensuring that dispensary operations are consistent, safe, and quick will aid in ongoing consumer purchases. Ensuring that staff members are properly trained in products, applications, and consumer needs also establishes long term relationships and sales.

8.2 COMMUNICATION

Advesa will engage in reasonable marketing, advertising, and branding practices that are not otherwise prohibited in 935 CMR 500.105(4)(b) that do not jeopardize the public health, welfare or safety of the general public or promote the diversion of marijuana or marijuana use in individuals younger than 21 years old. 8.3 PRODUCT SALES

Advesa will sell its product and service by analyzing market trends and creating products that meet the demands of the ever-changing cannabis market. Advesa will further promote its brand by utilizing a proprietary state of the art e-commerce platform currently under development.

Advesa will ensure that all marijuana products that are provided for sale to consumers are sold in tamper or child-resistant packaging. At no point will an individual serving size of any marijuana product contain more than five (5) milligrams of delta-nine tetrahydrocannabinol.

8.4 CUSTOMER RELATIONSHIP PLAN

ADVESA’s retail sales strategy will be based on generating and maintaining long-term relationships with customers. The most important method of facilitating and maintaining these long-term relationships lies within continued, positive interactions between customers, the community, and dispensary staff and sales agents. Training our staff in both informative

merchandising and an individualized and personal approach to sales is one of the ways in which we will ensure that our staff represents this mission.

8.5 LOGO

Advesa has developed a logo to be used in labeling, signage, and other materials such as letterhead and distributed materials.

Harassment or discrimination on the basis of any protected trait or characteristic contravenes Advesa's Code of Conduct. A broad range of behavior could constitute harassment and/or discrimination. In general, harassment is any verbal or physical conduct that: 1) has the purpose or effect of creating an intimidating, hostile, or offensive working environment; 2) as the purpose or effect of unreasonably interfering with an individual's work performance; or 3) adversely and unjustifiably affects an individual's employment opportunities.

Employees are expected to maintain the highest degree of professional behavior. All harassment or discrimination by employees is strictly prohibited. Furthermore, harassing or discriminatory behavior of non-employees directed at Advesa's employees or customers also is condemned and will be promptly addressed.

Violence and Weapons in the Workplace

Any and all acts of violence in the workplace will result in immediate dismissal of the employee, customer, or parties involved. The Somerville Police Department and other law enforcement authorities, as applicable, will be contacted immediately in the case of a violent event. Weapons are not permitted at Advesa's marijuana retailer establishment by employees, customers, or any other parties. Agents (including employees) found carrying weapons at Advesa's facility will be

immediately terminated. Vendors or other visitors to the facility found carrying weapons on the premises will be asked to leave and/or the police will be notified accordingly.

Alcohol, Smoke, and Drug-Free Workplace Policies

It is the Policy of the Advesa MA, Inc. to provide employees with a working environment that is free of the problems associated with the use and abuse of alcohol, tobacco, and of other controlled substances. The use of alcohol, tobacco, marijuana, or controlled substances is inconsistent with the behavior expected of employees as an unacceptable risk for workplace accidents or other failures that could undermine Advesa's ability to operate effectively and efficiently.

A. The following is prohibited:

1. Off-Duty: Any use, sale, possession, distribution, dispensation, manufacture, or transfer of controlled substances or marijuana, except, in the case of marijuana, where authorized by Massachusetts law.
2. On Duty: Any consumption of alcohol, tobacco, controlled substances, marijuana whether on or off Advesa property, or at any other worksite where employees may be assigned, or elsewhere during work hours.
3. The use of controlled substances, tobacco, or marijuana, or any use of alcohol on non-working time, to the extent that such use: (i) impairs an employee's ability to perform the employee's job; (ii) adversely impacts the safety of the employee or others; (iii) or affects the reputation of Advesa to the general public or otherwise threatens its integrity.

B. Employees who are convicted of substance-related violations under state or federal law in the workplace, including alcohol or marijuana related violations, or who plead guilty or *nolo contendere* to such charges, must inform their department head or manager within five (5) days of such conviction or plea. C. Employees who are convicted or who plead guilty or *nolo contendere* to such drug-related violations or are found to have consumed or be impaired by controlled substances, marijuana or alcohol while on-duty, may be required to successfully complete a substance abuse or similar program as a condition of continued employment or re-employment with Advesa.

D. All employees must sign a statement acknowledging that they have been informed of the rules and requirements of our Drug-Free Workplace requirements.

EMPLOYEE ASSISTANCE PROGRAM

Advesa recognizes drug and alcohol dependency as an illness and a major public health problem. To that end, Advesa encourages affected individuals to voluntarily seek medical help. Employees who wish to obtain help in dealing with such problems may contact the head of Human Relations and ask about the Employee Assistance Program. Advesa may independently refer an employee

to the Employee Assistance Program or other substance use/abuse counseling agency or program for help, particularly where there is a pattern of deteriorating job performance or excessive absenteeism of the employee associated with substance use/abuse.

SANCTIONS

Substance use/abuse, however, does not relieve an employee of job performance standards and obligations. Violations of any and all provisions of this Policy may result in disciplinary action, up to and including termination from employment.

At-Will Employment

In the state of Massachusetts, employment is assumed to be at-will unless otherwise stated. At-will employment implies that employer and employee alike may terminate the work relationship at any given moment and for any legitimate purpose. Wrongful termination may be more difficult to prove in an at-will arrangement because of the freedom that each party has to end the employment. However, there are still many instances wherein a termination or discharge can be called wrongful, even in an at-will employment.

Workplace Attire

The required attire for registered marijuana agents at Advesa's facility varies based upon required duties. New hire training will define appropriate attire for each role and the Human Resources Manager will be responsible for ensuring compliance with all requirements is met.

Disciplinary Policies

Purpose

ADVESA

MASSACHUSETTS

Advesa's discipline policy and procedure is designed to provide a structured corrective action process to improve and prevent a recurrence of undesirable behavior and/or performance issues. The steps outlined below have been designed for consistency with Advesa's organizational values, best practices, and employment laws.

Advesa reserves the right to combine or skip steps depending upon facts of each situation and the nature of the offense – each offense will be reviewed and remediated on a case-by-case basis. The level of disciplinary intervention may also vary. The procedure outlined below is intended to provide guidance to the Advesa Human Resources Manager and executive management team and not bind them in any given disciplinary scenario. Some of the factors that will be considered depend upon whether the offense is repeated despite coaching, counseling, and/or training; the employee's work record; and the impact the conduct and performance issues have on Advesa's organization.

Procedure

Step 1: Counseling and Verbal Warning

Step 1 creates an opportunity for the immediate supervisor to schedule a meeting with an employee to bring attention to the existing performance, conduct, or attendance issue. The supervisor should discuss with the employee the nature of the problem or violation of company policies and procedures. The supervisor is expected to clearly outline expectations and steps the employee must take to improve performance or resolve the problem.

Within five business days, the supervisor will prepare written documentation of a Step 1 meeting. The employee will be asked to sign the written documentation. The employee's signature is needed to demonstrate the employee's understanding of the issues and the corrective action needed.

Step 2: Written Warning

While it is hoped that the performance, conduct, or attendance issues that were identified in Step 1 have been corrected, Advesa recognizes that this may not always be the case. A written warning involves a more formal documentation of the performance, conduct, or attendance issues and consequences.

During Step 2, the immediate supervisor and a department manager or director will meet with the employee and review any additional incidents or information about the performance, conduct, or attendance issues as well as any prior relevant corrective action plans. Advesa management will outline the consequences for the employee of his or her continued failure to meet performance and/or conduct expectations. A formal performance improvement plan (PIP) requiring the employee's immediate and sustained corrective action will be issued within five business days of a Step 2 meeting. A warning outlining that the employee may be subject to additional discipline up to and including termination if immediate and sustained corrective action is not taken may also be included in the written warning.

Step 3: Suspension and Final Written Warning

There may be performance, conduct, or safety incidents so problematic and harmful that the most effective action may be the temporary removal of the employee from the workplace. When immediate action is necessary to ensure the safety of the employee or others, the immediate supervisor may suspend the employee pending the results of an investigation.

Suspensions that are recommended as part of the normal progression of this progressive discipline policy and procedure are subject to approval from a next-level manager and the Human Resources Manager.

Depending upon the seriousness of the infraction, the employee may be suspended without pay in full-day increments consistent with federal, state and local wage-and-hour employment laws. Nonexempt/hourly employees may not substitute or use an accrued paid vacation or sick day in lieu of the unpaid suspension. Due to Fair Labor Standards Act (FLSA) compliance issues, unpaid suspension of salaried/exempt employees is reserved for serious workplace safety or conduct issues. The Human Resources Manager will provide guidance so that the discipline is administered without jeopardizing the FLSA exemption status.

Pay may be restored to the employee if an investigation of the incident or infraction absolves the employee.

Step 4: Recommendation for Termination of Employment

The last and most serious step in the progressive discipline procedure is a recommendation to terminate employment. Generally, Advesa will endeavor to exercise the progressive nature of this policy by first providing warnings, a final written warning, and/or suspension from the workplace before proceeding to a recommendation to terminate employment. However, Advesa reserves the right to combine and skip steps depending upon the circumstances and severity of each situation and the nature of the offense. Furthermore, employees may be terminated without prior notice or disciplinary action.

Management's recommendation to terminate employment must be approved by the Human Resources Manager and department manager or designee. Final approval may be required from the CEO or designee.

Notwithstanding the foregoing, nothing in this policy provides any contractual rights regarding employee discipline or counseling nor should anything in this policy be read or construed as modifying or altering the employment-at-will relationship between Advesa and its employees.

Appeal Process

Employees will have the opportunity to present information that may challenge information management has used to issue disciplinary action. The purpose of this process is to provide insight into extenuating circumstances that may have contributed to the employee performance

and/or conduct issues while allowing for an equitable solution. If the employee does not present this information during any of the step meetings, he or she will have five business days after that meeting to present information.

Performance and Conduct Issues Not Subject to Progressive Discipline

Behavior that is illegal is not subject to progressive discipline and may be reported to the Somerville Police Department or other law enforcement authorities. Theft, intoxication at work, fighting and other acts of violence are also not subject to progressive discipline and are grounds for immediate termination.

Documentation

The employee will be provided copies of all progressive discipline documentation, including all performance improvement plans. The employee will be asked to sign copies of this documentation attesting to their receipt and understanding of the corrective action outlined in these documents. Copies of these documents will be placed in the employee's official personnel file.

Immediate Expulsion

Advesa maintains a policy for the immediate dismissal of any agent who has diverted marijuana, engaged in unsafe practices, or been convicted or entered a guilty plea for a felony charge of distribution of a drug to a minor.

Separation of Employment

Separation of employment within an organization can occur for several different reasons. Employment may end as a result of resignation, retirement, release (end of season or assignment), reduction in workforce, or termination. When an employee separates from Advesa, his or her supervisor must contact the Human Resources Manager to schedule an exit interview, typically to take place on employee's last workday.

Types of Separation

1. Resignation

Resignation is a voluntary act initiated by the employee to end employment with Advesa. The employee must provide a minimum of two (2) weeks' notice prior to resignation. If an employee does not provide advance notice or fails to actually work the remaining two weeks, the employee will be ineligible for rehire and will not receive accrued benefits. The resignation date must not fall on the day after a holiday.

2. Retirement

An employee who wishes to retire is required to notify his or her department director and the Human Resources Manager in writing at least one (1) month before planned retirement date. It is the practice of Advesa to give special recognition to valued employees at the time of their retirement.

3. Job Abandonment

An employee who fails to report to work or contact his or her supervisor for two (2) consecutive workdays will be considered to have abandoned the job without notice effective at the end of the employee's normal shift on the second day. The department manager will notify the Human Resources Manager at the expiration of the second workday and initiate the paperwork to terminate the employee. Employees who are separated due to job abandonment are ineligible to receive accrued benefits and are ineligible for rehire.

4. Termination

Employees of Advesa are employed on an at-will basis, and the company retains the right to terminate an employee at any time.

5. Reduction in Workforce

An employee may be laid off due to changes in duties, organizational changes, lack of funds, or lack of work. Employees who are laid off may not appeal the layoff decision through the appeal process.

6. Release

Release is the end of temporary or seasonal employment. The Human Resources Manager, in consultation with the department manager, will inform the temporary or seasonal worker of their release according to the terms of the individual's temporary employment.

7. Expulsion

Advesa maintains a policy for the immediate dismissal of any agent who has diverted marijuana, engaged in unsafe practices, or been convicted or entered a guilty plea for a felony charge of distribution of a drug to a minor.

Exit Interview

ADVESA

MASSACHUSETTS

The separating employee will contact the Human Resources Manager as soon as notice is given to schedule an exit interview. The interview will be on the employee's last day of work or other day, as mutually agreed upon.

Return of Property

The separating employee must return all company property at the time of separation, including but not limited to uniforms, cell phones, keys, facility access cards, computers, and identification cards. Failure to return some items may result in deductions from final paycheck. An employee will be required to sign the Wage Deduction Authorization Agreement to deduct the costs of such items from the final paycheck.

Termination of Benefits

An employee separating from Advesa is eligible to receive benefits as long as the appropriate procedures are followed as stated above. Two weeks' notice must be given, and the employee must work the full two work weeks. Any accrued vacation and/or accrued sick leave will be paid in the last paycheck.

Health Insurance

Health insurance terminates on the last day of the month of employment, unless the employee requests immediate termination of benefits. Information about the Consolidated Omnibus Budget Reconciliation Act (COBRA) continued health coverage will be provided. Employees will be required to pay their share of the dependent health and dental premiums through the end of the month.

Rehire

Former employees who left in good standing and were classified as eligible for rehire may be considered for reemployment. An application must be submitted to the Human Resources Manager, and the applicant must meet all minimum qualifications and requirements of the position, including any qualifying exam and current registration with the Commission, when required.

Department managers must obtain approval from the Human Resources Manager or designee prior to rehiring a former employee. Rehired employees begin benefits just as any other new employee. Previous tenure will not be considered in calculating longevity, leave accruals, or any other benefits. An applicant or employee who is terminated for violating policy or who resigned in lieu of termination from employment due to a policy violation will be ineligible for rehire.

Compensation

Advesa believes that it is in the best interests of both the organization and its employees to fairly compensate its workforce for the value of the work provided. Advesa intends to use a

ADVESA

MASSACHUSETTS

compensation system that will determine the current market value of a position based on the skills, knowledge, and behaviors required of a fully competent incumbent. The system used for determining compensation will be objective and non-discriminatory in theory, application and practice. The company has determined that this can best be accomplished by using a professional compensation consultant, as needed, and a system recommended and approved by the executive management team.

Selection Criteria

1. The compensation system will price positions to market by using local, national, and marijuana-industry specific survey data.
2. The market data will primarily include marijuana-related businesses and will include survey data for more specialized positions and will address significant market differences due to geographical location.
3. The system will evaluate external equity, which is the relative marketplace job worth of every marijuana-industry job directly comparable to similar jobs at Advessa, factored for general economic variances, and adjusted to reflect the local economic marketplace.
4. The system will evaluate internal equity, which is the relative worth of each job in the organization when comparing the required level of job competencies, formal training and experience, responsibility and accountability of one job to another, and arranging all jobs in a formal job-grading structure.
5. Professional support and consultation will be available to evaluate the compensation system and provide on-going assistance in the administration of the program.
6. The compensation system must be flexible enough to ensure that the company is able to recruit and retain a highly qualified workforce, while providing the structure necessary to effectively manage the overall compensation program.

In addition to the above-referenced guidelines, Advessa will utilize as its minimum wage the amount established under Somerville Ordinance, unless superseded by Massachusetts or federal law.

Responsibilities

The executive management team will possess final approval authority over Advessa's compensation system.

1. On an annual basis the executive management team will review and approve, as appropriate, recommended changes to position-range movement as determined through the vendor's market analysis process.
2. As part of the annual budgeting process, the executive management team will review and approve, as appropriate, funds to be allocated for total compensation, which would include base salaries, bonus, variable based or incentive-based pay, and all other related expenses, including benefit plans.

Management Responsibility

ADVESA

MASSACHUSETTS

1. The CEO, Jessica Pelletier, is charged with ensuring that Advesa is staffed with highly-qualified, fully competent employees and that all company programs are administered within appropriate guidelines and within the approved budget.
2. The salary budget will include a gross figure for the following budget adjustments, but the individual determinations for each employee's salary adjustment will be the exclusive domain of the CEO: determining the appropriate head count, titles, position levels, merit and promotional increases and compensation consisting of salary, incentive, bonus, and other discretionary pay for all positions.
3. The CEO will ensure that salary ranges are updated at least annually, that all individual jobs are market priced at least once every two years, and that pay equity adjustments are administered in a fair and equitable manner.
