Cape Cod’s Police Chiefs Respond To The Death Of Tyre Nichols

By MICHAEL J. RAUSCH

Bourne Police Chief Brandon M. Esip had harsh words for the Memphis, Tennessee, police officers whose beating of Tyre Nichols allegedly resulted in the 29-year-old’s death. In a post on the Bourne Police Department’s Facebook page, Chief Esip said he watched “in disgust” the video that showed the officers brutally beating Mr. Nichols.

The chief went on to criticize the officers for not having “the intestinal fortitude to do what is right and intervene to save Mr. Nichols.” The officers involved in the beating, he said, “violated their oath and very basic human decency.”

“I and police officers from around the Cape, state and country stand united in absolute condemnation of this abhorrent incident,” Chief Esip said.

Chief Esip ended his post with an assurance to the public of the Bourne Police Department’s dedication to “protecting everyone in our community, treating all fairly and with dignity, and working together for the betterment of all.”

The Cape and Islands Police Chiefs Association has also issued the following statement.

“The Cape and Islands Police Chiefs Association would like to offer our deepest condolences to the family of Tyre Nichols following his death while in police custody in Memphis, Tennessee. We strongly condemn the actions of the police officers in Memphis, and we as law enforcement professionals were deeply disturbed by the images we saw on the video which resulted in the death of Mr. Nichols. Criminal activity by police officers can never be tolerated, and these officers have undermined the trust that communities place in our law enforcement agencies across the country. We hold true and are committed to transparency, accountability and the high degree of integrity that we demand of our officers and that our individual communities demand of us.”

The statement continued, “Law enforcement professionals throughout Cape Cod will continue to facilitate expressions of free speech in the form of peaceful demonstrations, and as an association we would encourage them to

Bourne Police Chief Brandon Esip

continue their efforts to support positive change. This association and its members are committed to maintaining community partnerships, public trust and civic relations in an effort to continue to make Cape Cod a great place to live, work and visit.”

On Saturday, January 7, five police officers from the Memphis Police Department severely beat Mr. Nichols during a traffic stop for alleged reckless driving. Mr. Nichols was hospitalized in critical condition and died three days later.

The five officers were fired in the aftermath of the incident, and all five now face murder charges. Three members of the Memphis Fire Department were fired for not providing adequate medical assistance at the scene.

Two more Memphis police officers have since been disciplined for their roles in the incident, and the special police unit that the five officers were part of, SCORPION (which stands for Street Crimes Operation to Restore Peace in Our Neighborhoods), has been disbanded.

During a telephone conversation this week, Chief Esip expanded on his Facebook post and his feelings about the treatment of Mr. Nichols at the hands of the Memphis police officers. The chief said that regardless of political affiliation, everyone can look at the video of what happened to Mr. Nichols and realize his treatment by the officers was wrong.

“It was not just wrong,” the chief said, “it was an abomination, what we saw there. They were not acting

humanely, and it’s right to stand up and say ‘that was not right.’”

Chief Esip said he spoke with a representative of the Bourne Patrolmen’s Association, the union representing the department’s officers, prior to issuing his statement. He added that he spoke with a number of the officers in his command about his Facebook post and “they stand by that statement.”

“They all think it was absolutely disgusting what they saw in that video,” he said. “That kind of activity should never have occurred, in any aspect, especially not a police officer.”

Chief Esip rose through the ranks of the Bourne Police Department, going from patrolman to chief in the course of 16 years. He was a lieutenant in February 2015 when a shootout occurred between Bourne officers and convicted murderer Adrian Loya.

Mr. Loya broke into a condominium on Roundhouse Road in Monument Beach, where he killed Lisa Trubnikov and severely wounded her partner, Anna Trubnikova. The incident also resulted in former patrolman, now Bourne Select Board member, Jared P.

MacDonald being shot and severely injured.

Mr. Loya is now serving multiple life sentences. Despite injuring one of their own, Chief Esip said that Mr. Loya was treated humanely once he was in custody.

“While he attempted to murder one of our officers,” the chief said, “the threat at the time when the officers encountered him, they analyzed that and determined there was not an appropriate use of force at that time. He was taken into custody and justice was served in a court.”

In the course of his 16 years in law enforcement, at no point was

he trained that the show of force on display with the Memphis officers was acceptable, Chief Esip said. He extended his criticism to officers who stood by and did not step in to stop the beating.

“We didn’t need police reform to tell us that was wrong,” he said. “That’s how our officers in the Bourne Police Department have always been. If they see something wrong, they stand up and talk about it, they stop it. Officers here know what is acceptable and what is not acceptable.”

The chief declined to comment on the training officers in the Memphis department go through. However, in Massachusetts, failure to intervene is a criminal act, so officers are trained that not

preventing an abuse of authority is not only a fireable offense but can lead to legal trouble, he said.

Video of the incident has shown that Mr. Nichols, after being pulled out of his car during the initial stop, proceeded to run away. Chief Esip said the flee response could have been a reaction by Mr. Nichols that his life was in jeopardy, which translates to a lack of trust between the public and the Memphis police.

“I think it’s important for officers to be trusted,” he said. “The community and the nation need to know that we are willing to stand up when our officers do wrong, and that we will call out those bad officers when they do that.”

The chief also joined the family of Tyre Nichols in their call for peaceful protest and the avoidance of violence. He acknowledged that it may be difficult not to respond in a physically aggressive manner after seeing something so violent, but further violence never solved anything.

“Solutions are caused by people getting together and figuring out the best solutions to correcting that from occurring again,” he said.

The availability of this service will be continuously promoted through direct engagement with participants in the Social Equity Applicant cohort.

The service is ongoing through direct engagement with Social Equity Applicants, Economic Empowerment Applicants, and ADI residents and is “promoted” in the following way.

- Our company’s consultant, Blue Skies Unlimited LLC, is owned by Social Equity applicant Ezra Parzybok and is on an email list of over 50 SE applicants within his fellow cohort who know of and utilize his pro-bono services.
- He has listed his consulting services via the providers list within the equity portal of the CCC website.
- He lists Google ads for licensing and consulting work and positive impact plan pro bono work
- Our company will not promote the work via advertising which may look good on a renewal form but is not as efficient as working with the many SE teams with whom we

are connected, and who need more services than we could possibly provide for. Ongoing efforts have been made to promote the pro bono services to SE through the CCC contact list but there is a policy of not allowing contact and the CCC response is “anyone can network with SE as they see fit.” So we continue to use our 50+ strong email group of SE.

Acknowledgments

The applicant will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.

No actions taken, or programs instituted by the applicant will violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

No donation or program to support any specifically named organizations or the furtherance of their goals have been proposed as this is a direct mentor-to-mentee program.

We acknowledge that the progress or success of our plan's goals must be documented upon license renewal, which occurs one year from provisional licensure, and each year thereafter.

We attest we will not provide any of our Positive Impact Plan program resources to Independent Testing Laboratories.

Pursuant to Section 5.3 below, the Company shall initially have two (2) Persons serving as Manager who shall be Catania and Lehrer; provided however, that the number of Persons serving as Manager of the Company may be increased or decreased by the Members owning a Super-Majority Interest. Notwithstanding the foregoing sentence, the Company shall not have fewer than one (1) Person serving as Manager. Each Person serving as Manager shall serve until the earliest of: (a) the resignation of such Person; (b) the removal of such Person pursuant to Section 5.3(c) below; and (c) the death or intentional dissolution and liquidation of such Person. In the event that there shall be no Person serving as

Manager (because of resignation or otherwise), Persons to serve as Manager may be elected by the vote or written consent of the Members owning a Super-Majority Interest.

5.3 *Voting Agreement.*

(a) The Members agree that in each election of the Manager (whether at a special or annual meeting or by written consent) during the term of this Agreement they each shall vote all voting securities presently owned or hereafter acquired by them or over which they exercise voting control: (a) to fix and maintain the number of Persons serving as Manager at two (2); and (b) for the election as Manager of the nominees determined as set forth in Sections 5.3(b) and 5.3(c).

(b) So long as Catania owns 25% or more of the issued and outstanding Units, Catania shall be entitled to nominate one person to serve as Manager and the initial nominee of Catania is Catania. Such nominee shall be deemed to be the nominee selected by Catania in each election until another nominee is selected by Catania and written notice of such selection has been given to the Company and the other Members.

(c) So long as Lehrer owns 25% or more of the issued and outstanding Units, Lehrer shall be entitled to nominate one person to serve as Manager and the initial nominee of Lehrer is Lehrer. Such nominee shall be deemed to be the nominee selected by Lehrer in each election until another nominee is selected by Lehrer and written notice of such selection has been given to the Company and the other Members.

(d) Each Person nominated and elected as Manager in accordance with Sections 5.3(a), (b), and (c) above shall serve until such Person's successor is nominated, elected and qualified or until such Person's earlier resignation or removal. Each Person serving as Manager may be removed during such Person's term of office only by the written consent of the Member who nominated such Person. Any Manager vacancy nominated as described in Section 5.3(b) or Section 5.3(c) may be filled, after nomination pursuant to Section 5.3(b) or Section 5.3(c), only by vote or the written consent of Members owning a Super-Majority Interest.

5.4 *Manager(s) Meetings/Actions.* Regular meetings of the Manager may be held without call or notice at such times and such places within or without the Commonwealth of Massachusetts as the Persons serving as Manager may, from time to time, determine. Special meetings of the Manager may be held at any time and at any place designated in the written notice for the meeting when called by: (a) a Person serving as Manager; or (b) Members owning a Super-Majority Interest. A Person serving as Manager may participate in any meeting of the Manager by means of a conference telephone, video conference or similar communications equipment by means of which all Persons participating in the meeting can hear each other at the same time, and participation by such means shall constitute presence in person at the meeting. It shall be sufficient notice to a Person serving as Manager to: (i) send notice of such a meeting by overnight courier or electronic mail at least twenty-four (24) hours before such meeting addressed to such Person at such Person's usual or last known business, residence or electronic mail address; or (ii) to give notice of such a meeting to a Person serving as Manager in person or by telephone at least twenty-four (24) hours before such meeting. Notice shall be given by the Person(s) calling the meeting in question. The requirement of notice to any Person serving as Manager shall be waived

by such Person's attendance at the meeting without protesting prior thereto or at its commencement the lack of notice. At any meeting of the Manager, the presence of all Persons serving as Manager then in office shall constitute a quorum for the transaction of business. Any Manager meeting may be adjourned by a majority of the votes cast upon the question, whether or not a quorum is present, and the meeting may be held as adjourned without further notice. Except where specifically required pursuant to this Agreement, the Manager may act at any meeting where there is a quorum only by majority vote of the Person(s) serving as the Manager. No Member, other than in a Member's capacity as a Person serving as Manager, may take any action on behalf of the Company unless expressly authorized to do so in writing by the Manager.

5.5 Written Consent. Any action by the Manager permitted under this Agreement or the Massachusetts Act may be taken without a meeting if all of the Persons serving as Manager consent to the action in writing and the consents are filed with the records of the Company. Such consent shall be treated for all purposes as a vote of the Manager at a meeting.

5.6 Meetings by Remote Communications. The Persons serving as Manager may meet by conference telephone call, video conference or similar communications equipment if all Persons serving as Manager participating can hear one another on such call or video conference.

5.7 Appointment and Removal of Officers. The Manager shall have the right to appoint, terminate (with or without cause), remove (with or without cause) and replace (with or without cause) officers of the Company, including, but not limited to, a Chief Executive Officer, a President, Vice Presidents, a Treasurer, and a Secretary, and to assign to such officers duties and authorities that the Manager, in its discretion, determines will benefit the Company. As of the Effective Date, the Manager appoints: (a) Catania as the Chief Executive Officer and Chief Operating Officer of the Company; and (b) Lehrer as the President of the Company. The Chief Executive Officer and Chief Operating Officer of the Company shall oversee the day-to-day operations of the Company pursuant to the provisions of Section 5.1 above. The President of the Company shall have the authority to take any actions approved by the Manager.

5.8 Tax Matters Partner; Partnership Representative.

(a) The Manager shall designate a Member from time to time to act as "tax matters partners" for the Company as prescribed by Section 6231 of the Code. Until he shall resign or be removed by the Manager, Catania shall act as the "**Tax Matters Partner**" for the Company, and shall have the powers and authority necessary to perform the functions of that role under the Code.

(b) This Section 5.8(b) shall apply for taxable years of the Company.

(i) For purposes of this Section 5.8(b), unless otherwise specified, all references to provisions of the Code shall be to such provisions as in effect following the effective date of its amendment by Section 1101 of H.R. 1314, the "Bipartisan Budget Act of 2015", as such provisions may subsequently be modified.

(ii) The Manager shall be the Company's designated "partnership representative" within the meaning of Code Section 6223 (the "**Tax Representative**") with sole

authority to act on behalf of the Company for purposes of Subchapter C of Chapter 63 of the Code and any comparable provisions of state or local income tax laws, provided, however, that the Manager may appoint any other Person to serve as Tax Representative and the Manager may remove any Person serving as Tax Representative.

(iii) If the Company is eligible to elect, pursuant to Code Section 6221(b) (or successor provision), to have Subchapter C of Chapter 63 of the Code not apply to any federal income tax audits and other proceedings for any taxable year, the Tax Representative may cause the Company to make such election.

(iv) If any partnership adjustment (as defined in Code Section 6241(2)) is determined with respect to the Company, the Tax Representative shall promptly notify the Members upon the receipt of a notice of final partnership adjustment, and the Tax Representative shall take such actions as it shall deem appropriate, including filing a petition in the applicable tax court, causing the Company to pay the amount of any such adjustment under Code Section 6225, or making an election under Code Section 6226.

(v) If any such partnership adjustment is finally determined with respect to the Company and the Tax Representative has not caused the Company to make the election under Code Section 6226, then: (x) the Members (including former Members) shall take such actions as may be requested by the Tax Representative, including filing amended tax returns and paying any tax due in accordance with Code Section 6225(c)(2); (y) the Tax Representative shall use commercially reasonable efforts to make any modifications available under Code Sections 6225(c)(3), (4) and (5); and (z) any imputed underpayment (as determined in accordance with Code Section 6225) or partnership adjustment that does not result in an imputed underpayment shall be apportioned among the Members of the Company for the taxable year in which the adjustment is finalized in such manner as may be necessary (as determined by the Tax Representative) so that, to the maximum extent possible, the tax and economic consequences of the partnership adjustment and any associated interest and penalties are borne by the Members based upon their Units (or the Units of their predecessor Members) for the “reviewed year” (as defined in Code Section 6225(d)).

(vi) If any Entity in which the Company owns an equity interest: (x) pays any partnership adjustment under Code Section 6225; (y) requires the Company to file an amended tax return and pay associated taxes to reduce the amount of a partnership adjustment imposed on such other Entity; or (z) makes an election under Code Section 6226, the Tax Representative may cause the Company to make the request for an administrative adjustment provided for in Code Section 6227 consistent with the principles and limitations set forth in Sections 5.9(b)(iv) and 5.9(b)(v) above for partnership adjustments of the Company, and the Members shall take such actions as may be reasonably requested by the Tax Representative in furtherance of such request for an administrative adjustment.

(vii) The obligations of each Member or former Member under this Section 5.8(b) shall survive the Transfer by such Member of its Units and the termination of this Agreement or the dissolution of the Company.

5.9 Liability.

(a) Except as otherwise provided by the Massachusetts Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Person serving as Manager and/or an officer shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Person serving as Manager and/or an officer of the Company. No Person serving as Manager and/or an officer shall be required to lend any funds to the Company.

(b) No Person serving as Manager has guaranteed any Profits for or Distributions to any Member nor has any such Person guaranteed the return of any Member's Capital Contributions. No Person serving as Manager shall be liable to the Company or to any Member for any loss or damage sustained by the Company or any Member except loss or damage resulting from: (i) the intentional misconduct of such Person; or (ii) the gross negligence of such Person. The Persons serving as Manager shall be entitled to rely on information, opinions, reports or statements, including, but not limited to, financial statements or other financial data, prepared or presented in accordance with the provisions of Section 11 of the Massachusetts Act.

5.10 Duties; Other Opportunities. The Persons serving as Manager and/or officers of the Company shall devote such time and effort as is reasonably necessary to manage the Company and may have other business interests and may engage in other activities in addition to those relating to the Company. The Company, the Persons serving as Manager and the Members agree that: (a) no business opportunities shall be deemed the property of the Company; (b) the Persons serving as Manager and/or officers, each Member and each of their Affiliates may engage in, participate in or possess an interest in any other business venture of any nature or description, independently or with others, even if any such transaction may be considered to be competitive with, or a business opportunity that may be beneficial to, the Company and/or any of its direct or indirect subsidiaries, it being expressly understood that the Persons serving as Manager and/or officers, a Member and any such Affiliates may be entering into transactions that are similar to the transactions into which the Company and/or its direct and indirect subsidiaries may enter; (c) neither the Company, the Persons serving as Manager and/or officers nor any Member shall have any right, by virtue of this Agreement, at law or equity or otherwise, to share or participate in any such transaction of the Persons serving as Manager and/or officers, a Member or any such Affiliate or to the income, profits or proceeds derived therefrom; and (d) neither any Person serving as Manager and/or an officer, a Member nor any such Affiliate shall incur any liability to the Company or any Person serving as Manager and/or an officer or any Member as a result of engaging in any other business venture.

5.11 Certain Transactions. The Company is permitted in the normal course of its business to enter into transactions with any Member, any Person serving as Manager and/or an officer, Affiliate, or with any Affiliate of any Member, Person serving as Manager and/or officer or other Affiliate, provided that the price and other terms of such transactions are fair to the Company and that the price and other terms of such transactions are not less favorable to the Company than those generally prevailing with respect to comparable transactions between unrelated Persons.

5.12 Bank Accounts. The Manager may from time to time open bank accounts in the name of the Company and only the Manager may determine the authorized signatories thereon.

5.13 Indemnity of the Manager and Officers. To the fullest extent permitted under the Massachusetts Act, the Company shall: (a) indemnify and hold harmless the Persons serving as Manager and/or officers for all costs, losses, liabilities and damages (collectively, the “*Losses*”) paid or accrued by such Persons; and (b) make advances for expenses to the Persons serving as Manager and/or officers, with respect to any matters relating, directly or indirectly, to the Company Business; provided however, that the Company shall not indemnify any Person serving as Manager and/or an officer for any Losses that arise from such Person’s intentional misconduct or gross negligence.

5.14 Resignation. Any Person serving as Manager and/or an officer of the Company may resign at any time by giving written notice to any other Person serving as Manager. The resignation of any Person serving as Manager and/or an officer shall take effect upon receipt of notice thereof or at such later time as shall be specified in such notice and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. The resignation of a Person serving as Manager and/or an officer shall not affect such Person’s rights as a Member and shall not constitute withdrawal as a Member (if applicable).

5.15 Expenses. The Persons serving as Manager and/or officers of the Company shall be reimbursed for all reasonable expenses incurred in connection with managing the Company pursuant to any expense reimbursement policy adopted by the Manager.

ARTICLE VI.

MEETINGS OF MEMBERS

6.1 Meetings. Meetings of the Members, for any purpose or purposes, unless proscribed by applicable law, may be called by: (a) the Manager; or (b) any Member.

6.2 Place of Meetings. The Manager or the Member(s) calling a meeting of the Members may designate any place, either within or outside the Commonwealth of Massachusetts, as the place of meeting for any meeting of the Members. If no designation is made, or if a special meeting is called, the place of meeting shall be the principal executive office of the Company in the Commonwealth of Massachusetts.

6.3 Notice of Meetings. Written notice stating the place, day and hour of a Members meeting and the purpose or purposes for which the meeting is called shall be delivered not less than two (2) nor more than sixty (60) calendar days before the date of the meeting by or at the direction of the Person calling the meeting, to each Member.

6.4 Quorum. Except as otherwise provided by applicable law or by this Agreement, the owners of a Majority Interest present in person or represented by proxy or attorney-in-fact shall constitute a quorum at all meetings of the Members for the transaction of business. If, however, a quorum shall not be present or represented by proxy or attorney-in-fact at any meeting of the Members, the Members owning a majority of the then issued and outstanding Units entitled to vote at such meeting and present in person or represented by proxy or attorney-in-fact, shall have power to adjourn the meeting without notice other than announcement at the meeting until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the original

meeting. If the adjournment is for more than thirty (30) calendar days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Member.

6.5 Voting Requirements. When a quorum is present at any Members meeting, the vote of the owners of a Majority Interest present in person or represented by proxy or attorney-in-fact shall decide any question brought before such meeting, unless the question is one upon which, by express provision of applicable law or of this Agreement, a different vote is required. In such a case, such express provision shall govern the decision of such question. Except as otherwise required by applicable law, whenever a vote or consent of the Members of the Company is required by this Agreement or by applicable law each holder of a Unit shall be entitled to one vote per Unit (and if a holder owns a fraction of a Unit, such holder shall be entitled to vote a fraction of a vote equal to the fraction of the Unit they own). The voting of Units pursuant to this Agreement may be effected in person, by proxy, by attorney-in-fact, by written consent or in any other manner permitted by applicable law.

6.6 Proxies/Attorneys-In-Fact. At all meetings of Members, each Member may vote Units in person, by proxy executed in writing by the Member or by a duly authorized attorney-in-fact. Such proxy or, if applicable, the document authorizing the attorney-in-fact, shall be filed with a Person serving as Manager before or at the time of the meeting. No proxy or document authorizing an attorney-in-fact shall be valid after eleven (11) months from the date of its execution, unless otherwise provided in the proxy or the document authorizing the attorney-in-fact.

6.7 Record Date. For the purpose of determining the Members entitled to notice of or to vote at any meeting of Members or any adjournment thereof, or entitled to consent to Member action in writing without a meeting, or entitled to receive payment of any Distribution, or in order to make a determination of Members for any other purpose, the date on which notice of the meeting is mailed or electronically mailed or the date on which the resolution declaring such Distribution is adopted, as the case may be, shall be the record date for such determination of Members. When a determination of Members entitled to vote at any meeting of Members has been made as provided in this Section, such determination shall apply to any adjournment thereof.

6.8 Action by Members Without a Meeting. Action required or permitted to be taken at a meeting of Members may be taken without a meeting if the action is evidenced by one or more written consents describing the action taken, signed by at least the owners of then issued and outstanding Units having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which a quorum of Members entitled to vote thereon were present and voted. Written notice of such action effected by written consent shall be given to the Members who have not executed such written consent within a reasonable time after such action has been approved by the Members as herein provided.

6.9 Waiver of Notice. When any notice is required to be given to any Member, a waiver thereof in writing signed by the Member entitled to such notice, whether before, at, or after the time stated therein, shall be equivalent to the giving of such notice. In addition, if a Member is present (either in person, telephonically or by video conference) at a duly called meeting of the Members and does not object to any failure to give proper notice of such meeting promptly after

such Meeting begins or prior to such meeting, such Member is deemed to have waived notice of such meeting.

6.10 Meetings by Remote Communications. The Members may meet by conference telephone call, video conference or similar communications equipment if all Members participating can hear one another on such call or video conference.

ARTICLE VII.

LIMITATIONS ON RIGHTS AND OBLIGATIONS OF MEMBERS

7.1 Limitation of Liability. Each Member's liability with regard to the Company shall be limited as set forth in this Agreement, the Massachusetts Act and other applicable law.

7.2 No Liability for Company Obligations. Except as otherwise provided by the Massachusetts Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Member shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Member of the Company. The Members shall only be liable to make payment of their respective Capital Contributions as and when due hereunder and other payments as expressly provided in this Agreement.

7.3 Priority and Return of Capital. No Member shall have priority over any other Member, either as to the return of Capital Contributions or as to Profits, Losses or Distributions. This Section shall not apply to loans (as distinguished from Capital Contributions) which a Member has made to the Company.

ARTICLE VIII.

CONTRIBUTIONS TO THE COMPANY AND CAPITAL ACCOUNTS

8.1 Member Capital Contributions. Each Member's Capital Contributions to the Company are as set forth opposite each Member's name on **Exhibit A** attached hereto under the heading "Capital Contribution".

8.2 Additional Capital Contributions. No Member shall have any obligation to make any Capital Contribution in excess of its Initial Capital Contribution, except as agreed to in writing by such Member. Additional Capital Contributions may be requested by the Manager to be made by the Members from time to time as is determined by the Manager to be necessary and appropriate in connection with the conduct of the Company Business and in order to pay taxes, insurance premiums, principal and interest on indebtedness of the Company and various other costs of the operation of the Company, including, but not limited to, capital expenditures. Upon the making of any Additional Capital Contribution by a Member to the Company, the Manager shall update **Exhibit A** in all appropriate respects to reflect such Additional Capital Contribution and such updating of **Exhibit A** shall not be deemed to be an amendment of this Agreement pursuant to Section 14.4 below.

8.3 Maintenance of Capital Accounts. The Company shall establish and maintain a Capital Account for each Member. Capital Accounts shall, generally, be increased by: (a) the amount of any money contributed or deemed to be contributed by the Member to the capital of the Company; (b) the fair market value of any Property contributed or deemed to be contributed, as determined by the Manager and the contributing Member at arm's length at the time of contribution (net of liabilities assumed by the Company or subject to which the Company takes such Property, within the meaning of Section 752 of the Code); and (c) the Member's share of Profits and of any separately allocated items of income or gain. Each Member's Capital Account shall, generally, be decreased by: (i) the amount of any money Distributed to the Member by the Company; (ii) the fair market value of any Property Distributed to the Member, as determined in good faith by the Manager (net of liabilities of the Company assumed by the Member or subject to which the Member takes such Property within the meaning of Section 752 of the Code); and (iii) the Member's share of Losses and of any separately allocated items of deduction or loss. If the Manager decides, in its sole discretion, the Property of the Company shall be revalued and the Capital Accounts of the Members shall be adjusted as permitted by Tax Regulations Sections 1.704-1(b)(2)(iv)(f) and 1.704-1(b)(2)(iv)(g).

8.4 Compliance with Section 704(b) of the Code. The provisions of this Article VIII, as they relate to the maintenance of Capital Accounts, are intended, and shall be construed, and, if necessary, modified to cause the allocations of Profits, Losses, income, gain and credit pursuant to Article XI to have substantial economic effect under the Tax Regulations promulgated under Section 704(b) of the Code, in light of the Distributions made pursuant to Article X. Notwithstanding anything herein to the contrary, this Agreement shall not be construed as creating a deficit restoration obligation.

8.5 Loans to Company. Nothing in this Agreement shall prevent any Person serving as Manager and/or an officer, any Member, any Affiliate thereof or any third Person from making secured or unsecured loans to the Company by agreement with the Company. The making of any loan by any such Person shall not create any additional fiduciary duty between the Person making the loan (on the one hand) and the Company (on the other hand) and shall not otherwise restrict the right to foreclose, or restrict any other legal remedies which may be exercised by the Person making the loan as may be provided to a third party creditor under applicable law.

8.6 Issuance of Additional Membership Interests. Any Person acceptable to the Manager may become a Member of the Company upon the issuance by the Company of Membership Interests for such consideration as the Manager shall agree pursuant to the provisions of Section 4.2. No new Members shall be entitled to any retroactive allocation of Profits or Losses, income, expense or deductions incurred by the Company. The Company may, at its option, at the time such new Member is admitted, close the Company books (as though the Company's tax year had ended) or make allocations of Profit or Loss, income, expense or deductions to a new Member for that portion of the Company's tax year in which a Member was admitted in accordance with the provisions of Section 706(d) of the Code and the Tax Regulations. Upon the admission of any additional Member as provided herein, Exhibit A shall be updated in all appropriate respects to reflect such admission and such updating of Exhibit A shall not be deemed to be an amendment of this Agreement pursuant to Section 14.4 below.

8.7. Record of Membership Interests Transactions. The Company shall maintain a written record in which shall be noted all transactions affecting the issuance and Transfers of Membership Interests and/or portions thereof. No Transfer of Membership Interests and/or portions thereof shall be effective as against the Company unless such Transfer complies with the provisions of this Agreement, including those contained in Section 9.3 below, and the Company has received documentation, reasonably acceptable to it, from any Person(s) it deems appropriate, evidencing such Transfer and the transferee's agreement to be bound by all provisions of this Agreement. Upon receipt of the documentation discussed in the previous sentence, the Company shall enter the Transfer upon the Company's written records.

ARTICLE IX.

SPECIAL PROVISIONS

9.1 Adjustments of Units; Dilution of Units. If the Company shall at any time or from time to time after the Effective Date effect any Unit split, reverse Unit split or other similar recapitalization with respect to the Units (an "**Equitable Adjustment Event**"), then the Company shall make an equitable adjustment to each Member's then outstanding Units such that the portion of the Profits and Losses and Distributions that a Member is entitled to in connection with such Member's Units immediately after such Equitable Adjustment Event shall remain substantially the same to the portion of the Profits and Losses and Distributions, that such Member was entitled to immediately prior to such Equitable Adjustment Event.

9.2 Information Rights/Confidentiality.

(a) From the Effective Date until the dissolution of the Company, the Company hereby agrees to provide each Member (promptly after the Company's receipt of a written notice from a Member with regard to the information referred to in clause (iii) below only) with:

(i) the Company's state and federal income tax returns for the prior Fiscal Year at the same time it provides the Members their respective Federal Schedule K-1s for such prior Fiscal Year pursuant to Section 9.2(a)(ii) below;

(ii) a Federal Schedule K-1 and any additional or substitute forms or schedules required to enable each Member to timely (subject to extensions permitted by law) file such Member's Federal and state income tax returns for each taxable year of the Company in which the Member was a Member; and

(iii) the information of the Company referenced in Section 10 of the Massachusetts Act, it being understood that: (x) the Manager in its sole discretion may limit dissemination of such information to the requesting Member; and (y) the exercise of such discretion shall be in compliance with the standards set forth in Section 10 of the Massachusetts Act.

(b) Each Member agrees that such Member will keep confidential and will not disclose, divulge, or use for any purpose (other than to monitor its ownership in the Company) any Confidential Information, unless such Confidential Information: (i) is known or becomes known

to the public in general (other than as a result of a breach of this Section 9.2(b) by such Member); (ii) has been authorized in writing by the Manager to be disclosed; or (iii) is or has been made known or disclosed to the Member by a third Person without a breach of any obligation of confidentiality such third Person may have to the Company; provided however, that a Member may disclose Confidential Information: (x) to such Member's attorneys, accountants, consultants, and other professionals to the extent necessary to obtain their services in connection with monitoring the Member's ownership in the Company; (y) to any prospective purchaser of any securities of the Company from such Member (so long as such purchaser is not a competitor, or is not Affiliated with a competitor, of the Company), if such prospective purchaser agrees in writing to be bound by the provisions substantially similar to this Section 9.2(b) (and such writing is delivered to the Company prior to any such disclosure); or (z) as may otherwise be required by law, provided that the Member notifies the Company of such potential disclosure at least 14 calendar days prior to such disclosure and takes reasonable steps to minimize the extent of any such required disclosure.

9.3 Restrictions on Transfer. No Member may Transfer all or any part of his, her or its Membership Interests (or any portion thereof) or otherwise withdraw from the Company, except with the approval of the Manager, which may be withheld for any reason or for no reason.

ARTICLE X

DISTRIBUTIONS TO MEMBERS

10.1 Ordinary Distributions of Net Distributable Cash. Net Distributable Cash shall be Distributed in the ordinary course of business (and not in connection with the consummation of a Capital Transaction or a dissolution of the Company) to the Members on a Pro Rata Basis at such times and in such amounts as shall be determined by the Manager.

10.2 No Interest on and Return of Capital Contribution. No Member shall be entitled to interest on its Capital Contributions (except as otherwise provided herein) or to return of its Capital Contributions.

10.3 Distribution of Assets. If the Company at any time Distributes any of its assets in-kind to any Member, the Capital Account of each Member shall be adjusted to account for that Member's allocable share (as determined under Article XI below) of the Profits or Losses that would have been realized by the Company had it sold the assets that were Distributed at their respective fair market values immediately prior to their Distribution, and such Distribution shall be deemed to be a Distribution made in accordance with Section 10.1 or Section 13.3, as applicable.

10.4 Limitation on Distributions. No Distribution of Company Property shall be declared and paid unless, after giving effect thereto, the assets of the Company are equal to or exceed the Company's liabilities.

10.5 Tax Withholding. If the Company incurs a withholding tax obligation with respect to the share of income allocated to any Member: (a) any amount which is (i) actually withheld from a Distribution that would otherwise have been made to such Member and (ii) paid over in

satisfaction of such withholding tax obligation shall be treated for all purposes under this Agreement as if such amount had been Distributed to such Member; and (b) any amount which is so paid over by the Company, but which exceeds the amount, if any, actually withheld from a Distribution which would otherwise have been made to such Member, shall be treated as an interest-free advance (subject to the other provisions of this Section 10.5) to such Member. Amounts treated as advanced to any Member pursuant to this Section 10.5 shall be repaid by such Member to the Company within 30 calendar days after the Manager gives written notice to such Member making demand therefor. Any amounts so advanced and not timely repaid shall bear interest, commencing on the expiration of said 30 calendar day period, compounded monthly on unpaid balances, at a rate of eight percent (8.0%) per annum. The Company shall offset any unpaid advance amounts from any future Distributions that would otherwise be made to such Member.

ARTICLE XI.

ALLOCATIONS AND TAXES

11.1 *Allocations of Profits.* Except as provided in Sections 11.3 through 11.7 and Section 11.11, the Company's Profits for each Fiscal Year shall be allocated to the Members as follows:

(a) First, to the Members in proportion to, in the inverse order in which, and to the extent of, the Losses previously allocated to them pursuant to Section 11.2, until the cumulative amounts allocated to each Member pursuant to this Section 11.1(a) for such Fiscal Year and all prior Fiscal Years are equal to the cumulative Losses so allocated to such Member; and

(b) Second, the remaining Profits shall be allocated to the Members in the amounts and proportions in which Distributions were made (and as provided below in this Section 11.1, deemed made) to them pursuant to Section 10.1 and 13.3(c);

provided however, that in making any allocations pursuant to Sections 11.1(b) for any Fiscal Year in which the Profits to be so allocated exceed the cash Distributed pursuant to Sections 10.1 and 13.3(c), such allocations shall be made as if cash in an amount equal to such Profits was actually Distributed pursuant to such Sections, with the excess being deemed Distributed for purposes of this Section 11.1, and any amounts so allocated shall be taken into account in determining the amount of any subsequent allocations of Profits pursuant to Section 11.1(b).

11.2 *Allocations of Losses.* Except as provided in Sections 11.3 through 11.7 and Section 11.11, the Company's Losses for each Fiscal Year shall be allocated to the Members as follows:

(a) First, if at such time any Member has a positive balance in its Capital Account, to such Members in proportion to their respective Capital Account balances until the balances of their respective Member's Capital Accounts are reduced to zero; and

(b) Second, the remaining Losses shall be allocated to the Members on a Pro Rata Basis.

11.3 Limitation on Loss Allocation. Notwithstanding the provisions of Section 11.2, if the amount of Losses for any Fiscal Year that would otherwise be allocated to a Member under Section 11.2 would cause or increase an Adjusted Capital Account Deficit of such Member as of the last day of such Fiscal Year, then an amount of such Losses equal to such excess shall be allocated to the other Members to the extent allowable under this Section 11.3, and the remainder of such Losses, if any, shall be allocated to that Member.

11.4 Member Nonrecourse Deductions. Notwithstanding any provision of this Agreement to the contrary, any item of Company Loss, deduction or expenditure described in Code Section 705(a)(2)(B) for any Fiscal Year (or any portion of any such item) that is required to be allocated to the Members under Section 1.704-2(i)(1) of the Tax Regulations shall be allocated to the Members for such Fiscal Year in the manner so required by such Tax Regulation.

11.5 Minimum Gain and Member Nonrecourse Debt Minimum Gain Chargeback. Notwithstanding any provision hereof to the contrary, any item of Company income or gain for any Fiscal Year (or any portion of any such item) that is required to be allocated to the Members under Sections 1.704-2(f) or 1.704-2(i)(4) of the Tax Regulations shall be allocated to the Members for such Fiscal Year in the manner so required by such Tax Regulations. This Section 11.5 is intended to comply with the minimum gain chargeback requirements in Section 1.704-2(f) of the Tax Regulations and Section 1.704-2(i)(4) of the Tax Regulations, as applicable, and shall be interpreted consistently therewith.

11.6 Qualified Income Offset. In the event any Member, in such capacity, unexpectedly receives an Offsettable Decrease, such Member will be allocated items of income and gain (consisting of a pro rata portion of each item of partnership income and gain for such year) in an amount and manner sufficient to offset such Offsettable Decrease as quickly as possible. This Section 11.6 is intended to constitute a “qualified income offset” within the meaning of Tax Regulations Section 1.704-1(b)(2)(ii)(d)(3) and shall be interpreted consistently therewith.

11.7 Gross Income Allocation. Notwithstanding any provision of this Agreement to the contrary, if a Member has an Adjusted Capital Account Deficit as of the last day of any Fiscal Year, then all items of income and gain of the Company (consisting of a pro rata portion of each item of Company income and gain) for such Fiscal Year shall be allocated to such Member in the amount and in the manner sufficient to eliminate such Adjusted Capital Account Deficit as quickly as possible.

11.8 Section 704(c) Allocation. In accordance with Code Section 704(c) and the Tax Regulations thereunder, income, gain, loss, and deduction (including depreciation) with respect to any Property contributed to the capital of the Company by a Member shall, solely for tax purposes, be allocated so as to take into account any variation between the adjusted basis of such Property to the Company for federal income tax purposes and its initial Book Value at the time it was contributed to the Company (computed in accordance with subparagraph (a) of the definition of Book Value). In the event the Book Value of any Company asset is adjusted, pursuant to subparagraph (d) of the definition of Book Value, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Book Value in the same manner as required under Section 704(c) of the Code and the Tax Regulations thereunder. Allocations pursuant to

this Section are solely for purposes of Federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of allocations or distributions pursuant to any provision of this Agreement.

11.9 Distributions Allocable to Nonrecourse Liabilities. For purposes of Section 11.7 hereof, the determination of whether any Distribution by the Company pursuant to Article X hereof is allocable to the proceeds of a nonrecourse liability of the Company shall be made by the Manager under any reasonable method in accordance with Section 1.704-2(h)(2) of the Tax Regulations which, to the extent possible, will prevent any such Distribution from ultimately causing an allocation to one or more Members under Section 11.7 hereof that will result in a distortion of the manner in which the Members intend to divide Company Distributions under Articles X and XIII hereof.

11.10 Excess Nonrecourse Liabilities. Excess nonrecourse liabilities (as the same is defined in Tax Regulations Section 1.752-3(a)(3)) shall be allocated among the Members on a Pro Rata Basis.

11.11 Curative Allocations. The allocations set forth in Sections 11.4, 11.5, 11.6 and 11.7 hereof (the "**Regulatory Allocations**") are intended to comply with certain requirements of Sections 1.704-1(b) and 1.704-2 of the Tax Regulations. The Members do hereby acknowledge and agree that the Regulatory Allocations may not be consistent with the manner in which the Members intend to divide Company Distributions. Accordingly, the Manager is hereby authorized and directed to divide other allocations of Profit and Loss (or portions thereof) among the Members in any reasonable manner so that, after such offsetting special allocations are made, the amount of each Member's Capital Account will be, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not a part of this Agreement and all Company items had been allocated to the Members solely pursuant to Sections 11.1, 11.2 and 11.3 hereof.

11.12 Allocations Relating to Taxable Issuance of Membership Interests. Any income, Profit, gain, Loss, or deduction realized as a direct or indirect result of the issuance of a Membership Interests of the Company by the Company to a Member (the "**Issuance Items**") shall be allocated among the Members so that, to the extent possible, the net amount of such Issuance Items, together with all other allocations under this Agreement to each Member, shall be equal to the net amount that would have been allocated to each such Member if the Issuance Items had not been realized.

11.13 Elections. The Manager may make any tax elections for the Company allowed under the Code or the tax laws of any state or other jurisdiction having taxing jurisdiction over the Company.

11.14 Taxes of Taxing Jurisdictions. To the extent that the laws of any taxing jurisdiction require, each Member requested to do so by the Manager will submit an executed agreement indicating that the Member will make timely income tax payments to the taxing jurisdiction in question and that the Member accepts personal jurisdiction of the taxing jurisdiction in question with regard to the collection of income taxes attributable to the Member's income, and interest, and penalties assessed on such income. If the Member fails to provide such agreement,

the Company may withhold and pay over to such taxing jurisdiction income taxes with respect to such income. Any such payments with respect to the income of a Member shall be treated as a Distribution for purposes of Article X. The Members may, where permitted by the rules of any taxing jurisdiction, file a composite, combined or aggregate tax return reflecting the income of the Company and pay the tax, interest and penalties of some or all of the Members on such income to the taxing jurisdiction, in which case the Company shall inform the Members of the amount of such tax, interest and penalties so paid.

ARTICLE XII.

BOOKS AND RECORDS

12.1 Books of Account and Records. Proper and complete records and books of account shall be kept or shall be caused to be kept by the Manager in which shall be entered fully and accurately all transactions and other matters relating to the Company's business in such detail and completeness as is customary and usual for businesses of the type engaged in by the Company. The books and records shall at all times be maintained at the principal executive office of the Company.

12.2 Records, Audits and Reports. At the expense of the Company, the Manager shall maintain (or shall arrange for the maintenance of) records and accounts of all operations and expenditures of the Company, including, but not limited to, the following records:

- (a) A current list of the full name and last known address of each Member;
- (b) Copies of records to enable a Member to determine the relative voting rights, if any;
- (c) A copy of the Massachusetts Certificate and all amendments thereto;
- (d) Copies of the Company's federal, state, and local income tax returns and reports, if any, for the six (6) most recent years;
- (e) Copies of this Agreement, together with any amendments and/restatements thereto; and
- (f) Copies of any financial statements of the Company for the six (6) most recent years.

12.3 Tax Returns. The Manager shall cause the preparation and timely filing of all tax returns required to be filed by the Company pursuant to the Code and all other tax returns deemed necessary and required in each jurisdiction in which the Company does business.

12.4 Accounting Period. The Company's accounting period shall be the Fiscal Year.

ARTICLE XIII.

DISSOLUTION AND TERMINATION

13.1 Dissolution. The Company shall be dissolved only: (a) upon the consummation of a Capital Transaction; or (b) upon the vote or written consent of the Manager followed by the approval of the Members owning a Super-Majority Interest.

13.2 Effect of Dissolution. Upon dissolution, the Company shall cease to carry on its business, except as permitted by Section 45 of the Massachusetts Act. Upon dissolution, the Manager shall wind up the affairs of the Company, leaving adequate Reserves for any anticipated known or unknown claims against the Company.

13.3 Winding Up, Liquidation and Distribution of Assets. Upon the dissolution of the Company (including, in connection with the consummation of a Capital Transaction), its affairs shall be wound up and it shall be liquidated. The Company's Profit or Loss (including, without limitation, any gain or loss resulting from any sales or other dispositions of Company Property in connection with the liquidation of the Company) shall continue to be computed and shall be allocated to the Members in accordance with Article XI, and the Members' Capital Accounts shall be adjusted in accordance with Article VIII. The proceeds of such liquidation and the Company's other assets shall be Distributed as follows:

- (a) First, to pay and discharge in the order provided by applicable law all of the Company's ascertained debts and liabilities to creditors, including Members;
- (b) Second, to set aside Reserves in an amount reasonably required in the judgment of the Manager to provide for contingent or other liabilities of the Company;
- (c) Third, to the Members on a Pro Rata Basis.

In implementing this Section 13.3, each Member shall receive his or her share of such Distributions in cash or in kind, and the portion of such share that is received in cash may vary from Member to Member, all as the Manager may determine in its sole discretion. In addition, as soon as practicable, the remaining balance, if any, of the Reserves established in accordance with Section 13.3(b) shall be distributed to Members in the manner set forth in Section 13.3(c).

Notwithstanding the provisions of Article XI, the Profits and Losses (and items of gross income, gain, loss and deduction) of the Company for the Fiscal Year in which the liquidation of the Company occurs and, to the extent the Manager determines necessary, prior open years, shall be allocated or, in the case of prior open years, reallocated by filing amended tax returns, in a manner such that, to the extent possible, the Capital Account of each Member, immediately prior to the final liquidating Distribution, is equal to the amount which such Member is entitled to receive under Section 13.3(c).

13.4 Distribution in Kind. Notwithstanding Section 13.3, if any assets of the Company are to be Distributed in kind, such assets shall be Distributed on the basis of the fair market value thereof, as determined by the Manager in its sole discretion. Any Member entitled to any interest in such assets shall, to the extent such assets cannot be appropriately subdivided by the Company

at the time of such Distribution, receive such interest therein as a tenant-in-common with all other Members so entitled (except in the case of any interests held by Members as joint tenants or tenants by the entirety). All liquidating Distributions shall be made by the end of the taxable year of the Company in which there is a liquidation of the Company for purposes of Regulation Sections 1.704-1(b)(2)(ii)(b) and 1.704-1(b)(2)(ii)(g), or, if later, within 90 calendar days after the date of such liquidation.

13.5 Distribution Constitutes Complete Return. Distribution of cash or Property to the Members in accordance with the provisions of Sections 13.3 and 13.4 shall constitute a complete return to the Members of their respective interests in the Company.

13.6 Conduct of Winding Up. The winding up of the Company's affairs and the liquidation and distribution of its assets shall, subject to the provisions of the Massachusetts Act and this Agreement, be conducted exclusively by the Manager who is authorized to do any and all acts authorized by law for such purposes.

13.7 Return of Contribution Nonrecourse to Other Members. Except as provided by law or as expressly provided in this Agreement, upon dissolution each Member shall look solely to the assets of the Company for the return of its Capital Contribution. If the Company Property remaining after the payment or discharge of amounts set forth in Section 13.3 is insufficient to return the Capital Contribution of one or more Members, such Member or Members shall have no recourse against the Company any other Member, or any Person serving (or who has served) as Manager. In no event shall any Member with a negative Capital Account balance have any obligation to restore any amount to such Capital Account.

ARTICLE XIV.

Mr. David Weeden, Chair
The Honorable Members of the Select Board
16 Great Neck Road N
Mashpee, MA 02649

Re: CatDogg LLC. d/b/a Sublime Cannabis Letter of Intent - Host Community Agreement for
Marijuana Retail and Product Manufacturing Establishment

November 28, 2022

Dear Chair Weeden and the Honorable Members of the Mashpee Select Board,

As local community members who have paid attention to the local and statewide regulatory landscape of the Adult Use Recreational Cannabis Industry and as professionals who have developed expertise in that industry, CatDogg LLC is an entity the Select Board and Town of Mashpee at-large can have confidence in. We are writing to notify the Town of Mashpee Select Board of our intent to seek local licensure from the Select Board for the purposes of obtaining provisional-licensure from the Massachusetts Cannabis Control Commission to sell adult-use recreational cannabis at retail as well as for marijuana product manufacturing. We humbly request the Select Board consider entering into a Host Community Agreement (HCA) with CatDogg LLC consistent with the "Local Control" provisions of M.G. L. c. 94G, § 3 and particularly Chapter 180 of the Acts of 2022 if the Select Board opts not to waive the HCA as allowed. As such, we request an appearance before the Mashpee Select Board on an upcoming agenda to further demonstrate our commitment to the Town of Mashpee as meaningful and productive partners and as capable and honest business people.

We have sought and obtained site control of real property located at 800 Falmouth Road, Unit 102A, by the property owner, Kevin P. Andrade, Trustee of the Summerfield Park Realty Trust. As such, we are in a position to seek approval of a Host Community Agreement from the Select Board as well as a special permit from the Zoning Board of Appeals pursuant to Mashpee Zoning Bylaw Section 174-24 K: Marijuana Establishments. As you know, the Town of Mashpee limits the number of Marijuana Retailers within town-limits to "the number fewer than 20% of the licenses issued within the Town for the retail sale of alcoholic beverages not to be drunk on the premises under M.G.L. c. 138 Sec. 15." There are 10 off-premise retail liquor licenses (package licenses) available for issuance in the Town as such, there is 1 additional retail cannabis license available to be issued.

As supplemental submissions for your consideration we are providing the following documents for your review:

1. Business Plan Overview and Process Summary
2. Executive Profiles / Resumes
3. Site Control Authorization

Thank you for your thoughtful consideration,

Rob Catania, Chief Executive Officer

BUSINESS PLAN OVERVIEW

SUBLIME CANNABIS SEEKS TO SECURE AN APPROXIMATELY 2,500 SQ. FT RETAIL SPACE AND AN ADDITIONAL 1,500 SQ. FT. MANUFACTURING SPACE FOR FUTURE PHASES. THE COMPANY WILL CONTRACT WITH A HIGHLY QUALIFIED AND BRAND COMPATIBLE ARCHITECT/DESIGNER TO CREATE A ONE-OF-A-KIND CANNABIS RETAIL EXPERIENCE THAT FOCUS ON HIGH QUALITY MATERIALS, LIGHTING, DISPLAYS, AND LAYOUT THAT COMPLEMENTS THE QUALITY OF PRODUCTS WE ARE SEEKING TO BRING TO RETAIL IN MASHPEE.

ADDITIONALLY THE COMPANY WILL BE WORKING WITH OUR CONSULTING FIRM WHO SPECIALIZES IN THE CANNABIS SPACE BOTH IN TERMS OF PERMITTING AND OPERATIONS. WE HAVE AN ONGOING RELATIONSHIP WITH THESE CONSULTANTS.

MARKET TRENDS

SUBLIME HERBALS SEEKS TO ESTABLISH ITSELF AFTER BENEFITTING FROM THE EXPERIENCES OF OTHER RETAIL CANNABIS ESTABLISHMENTS OPENING UP ACROSS CAPE COD. THESE RETAILERS HAVE DEMONSTRATED STEADY GROWTH WITH MASHPEE'S ONLY LOCAL STORE DOING \$9M IN SALES IN THE MOST RECENT FISCAL YEAR (FY2022).

NATIONWIDE STATISTICS TOUTED IN TRADE MAGAZINES AND OUR CONVERSATIONS WITH INDUSTRY PROFESSIONALS HAVE SOLIDIFIED A FEW OBVIOUS TRENDS THAT SUBLIME HERBALS WILL SEEK TO RELY ON WHEN CURATING ITS MIX OF PRODUCTS FOR SALE. WHILE DRIED CANNABIS FLOWER HOLDS THE LARGEST SHARE OF THE MARKET REPRESENTING NEARLY 50% OF ALL DISPENSARY SALES, THEIR SALES NUMBERS ARE SLOWLY DECLINING AS CONSUMERS BECOME MORE EDUCATED REGARDING THE ALTERNATIVE PRODUCTS AVAILABLE ON THE MARKET. CANNABIS CONCENTRATES ARE GROWING IN POPULARITY ACROSS DEMOGRAPHIC GROUPS AS WELL AS "E-PENS" AND DISTILLATE VAPORIZER CARTRIDGES. IN ADDITION TO DRIED FLOWER, CONCENTRATES, AND VAPORIZER CARTRIDGES WE WISH TO CURATE A ROTATING MENU OF CANNABIS EDIBLE PRODUCTS.

PRODUCTS IN THE MARKET

DRIED FLOWER

- STILL THE LEADER IN SALES AND IS MOST IN-DEMAND PRODUCT
- GENERALLY SOLD IN 1/8 OUNCE OR 1/4 OUNCE SIZES
- CAN BE PROCESSED INTO PRE-ROLLED JOINTS AS A 'HIGHER END' LOW VOLUME ITEM.

TINCTURES AND TOPICALS

- MANY ACCESS CANNABIS' MEDICAL BENEFITS THROUGH TINCTURES AND TOPICALS: LOTIONS, SALVES, AND OILS
- TINCTURES ARE LIQUIDS TAKEN ORALLY.
- CAN REDUCE INFLAMMATION, PAIN AND ITCHING, ASSIST WITH WOUND CARE, REDUCE ANXIETY, ETC.

PURE CONCENTRATES

- ACCOUNTS FOR APPROXIMATELY 20% OF THE RETAIL CANNABIS MARKETPLACE
- GROWING MARKETSHARE
- CURRENTLY LICENSED MANUFACTURERS CAN SELL ALREADY PROCESSED CONCENTRATES AT WHOLESALE TO OTHER MANUFACTURERS

E-PENS AND VAPE CARTRIDGES

- ALSO EXPERIENCING GROWTH IN USER BASE AS CONSUMER KNOWLEDGE INCREASES
- PROVIDES OPPORTUNITY TO SELL THE INDUSTRY'S BEST BATTERIES AND ACCESSORIES TO ACCOMMODATE THE MARKET

CANNABIS INFUSED EDIBLES

- ACCOUNTS FOR ANOTHER 20% OF THE PRODUCT MARKET
- VARIETY AND DIVERSITY OF EDIBLES IS EVER-EXPANDING

TIMELINE AND PROCESS

1. SUBMIT FOR APPROVAL OF HOST COMMUNITY AGREEMENT
2. PETITION ZONING BOARD OF APPEALS FOR SPECIAL PERMIT
3. APPLY FOR PROVISIONAL LICENSE WITH THE CANNABIS CONTROL COMMISSION CONGRUENTLY WITH ZBA SUBMISSION
4. IMPROVE STOREFRONT IN ACCORDANCE WITH DESIGN PLANS AND CANNABIS CONTROL COMMISSION REGULATIONS

WE WILL BE WORKING WITH LOCAL ARCHITECTS AND OTHER CONSULTANTS TO ACHIEVE THIS .

IMPORTANT NOTE

The manufacture of cannabis products is our reason for existence. We have been licensed by the state and local authorities to provide and sell inspected, quality cannabis products for adult use, and, where appropriate, to educate our clientele on any questions they might have about the safe use of these products.

Inevitably, many customers will seek out cannabis for its perceived medical benefits. **We are not doctors, and consequently, cannot give medical advice.** We can offer guidance and share anecdotal stories of what customers have experienced from some of the different strains and delivery methods (tincture, edibles, etc...) that we offer, but **we cannot give assurances that any cannabis product will work to alleviate any particular ailment or symptom.**

As a licensed manufacturing establishment we are mandated to follow the state's requirements for tracking sales. Our license only permits wholesale sales to licensed marijuana retail establishments. The state requires that we track and record all sales transactions including customer details. This is also an essential element of our company policy of rigorous compliance with all state and local legislation and by-laws, and a key component of our strategy to combat diversion. All customers must have their details, including their verified state retail marijuana license entered into the database prior to any sale or transfer. These details, together with a record of their purchases, will be recorded and maintained for the benefit of state inspectors.

NO customer may enter our production premises without first presenting a valid, recognized, photo ID to the Duty Manager. Valid ID must be shown before entering the facility and at the Point of Sale for data-entry purposes.

There are NO EXCEPTIONS, and NO EXCUSES to this rule.

1. Restricting Access to age 21 and older

- 1.4. Valid ID must be presented to the Duty Manager prior to entering the facility, and at the Point of Sale for data-entry purposes.
- 1.5. No person under 21 years of age may enter the premises. There are **NO** exceptions to this rule.
- 1.6. Loitering, in accordance with 935 CMR 500.110 (1) (b) is not permitted under any circumstances. Any person suspected of loitering should be politely questioned by a member of staff and, if unable to credibly account for their presence, be asked to leave the vicinity. Should the person refuse, the matter should be elevated to the Operations Manager who may, if necessary, contact local law enforcement for assistance in removing the person from the facility.
- 1.7. All cannabis waste will be rendered unusable and safely disposed of as outlined in **Cannabis Waste Disposal Procedures**, above.
