RICHMOND, Va. — Alex Bowman passed Denny Hamlin on a restart with 10 laps to go and drove away at Richmond Raceway for his third career victory in the NASCAR Cup Series.

Bowman produced a stunning conclusion to a race that Hamlin had dominated along with Martin Truex Jr. and Joey Logano. With all eyes on Hamlin and Logano on the restart, Bowman ducked inside Hamlin, easily gained the spot held it to the finish, becoming the eighth winner in nine Cup races this season.

Bowman's victory in No. 48 Chevrolet for Hendrick Motorsports came on the same day the former driver of the car, seven-time champion Jimmie Johnson, made his debut in the IndyCar Series in Alabama. It was the first victory for the No. 48 since June 4, 2017.

Hamlin, who raced with the hashtag #fedexstrong on the back of his car and on his pit wall to honor the eight people who were fatally shot at a FedEx facility in Indianapolis on Thursday, had a dominant car but couldn't carry it through to the finish.

#### **SHORT LEASH**

Chicago starter Michael Kopech, a highly touted Red Sox prospect who was dealt to the White Sox in the Chris Sale trade in 2016, was pulled after he gave up his first hit in the fourth inning of the second game. He was charged with a run, struck out four and walked one.

#### **TRAINER'S ROOM**

White Sox: Manager Tony La Russa gave Anderson the second game off because "he was on the bases so much." Anderson said: "I want to play. I did my homework on the pitcher because I thought he was pitching the first game."

Red Sox: Catcher Christian Vázquez was back in the lineup after two games off. ... Houck was hit on the lower body by Anderson's grounder for a single in the fifth. Houck said after that he felt fine.

McNealy (67), Canada's Corey Conners (68) and England's Matt Fitzpatrick (68) tied for fourth at 13-under. Morikawa slipped to seventh after a 72, tied with Chris Kirk (67) at 12-under.

Top-ranked Dustin Johnson closed with his best round of the tournament at 66 to finish tied for 13th at 10-under. Johnson was the November Masters champ, yet missed the cut there last week and was never in contention at Harbour Town.

"I just feel like I made way too many mistakes," he said. "Around here, you make mistakes, they penalize you pretty

#### PLAN FOR POSITIVE IMPACT.

Greener World's plan to Positively impact the community is at the core of our mission. We are dedicated to sharing our opportunity with the communities we work in and the people that live in them, particularly the people and communities that have been disproportionately affected by the prohibition and use of drugs. Greener World has created the following plan to positively impact the residents of Holyoke, which is identified as an Area of Disproportionate Impact, and Social Equity applicants.

#### Goals

Greener World has established the following goals:

- 1. Host youth financial literacy programs at least two (2) times per year in Holyoke.
- 2. Support Social Equity applicants financially.

#### **Programs**

#### Youth Financial Literacy Program:

Greener World' Financial Literacy programs are designed to teach the community's youth about the power of money, savings, spending habits, acquiring assets, credit, and paying bills. We know that many of the youths in our community are unaware of the intricate relationships of these issues, and how such relationships determine what they can acquire, and what they will pay. Without basic information disadvantaged youths from disproportionately impacted areas find themselves with no access to capital which is required to create, build and develop their lives, businesses, and communities. Greener World will host these financial literacy programs at least two (2) times annually for Holyoke youth. These programs will take place in the Holyoke Public Library community meeting rooms.

#### Social Equity Financial Support Program:

Greener World will assist at least one Social Equity applicant by providing a low-interest loan or funding through an investment vehicle tailored to the applicant's business circumstances. This loan is intended to assist with the initial costs and expenses for an applicant, such as Secretary of Commonwealth filing fees, CCC application/licensing fees, cost of a bond, municipal costs related to obtaining an HCA and special permit, and retaining professional services if necessary. Projected amounts are in the range of \$5,000 - \$10,000.

This financial assistance will be accompanied by mentorship and guidance which will consist of biweekly meetings (for a minimum of three months) to review entrepreneurial skills of creating a business plan, identifying and evaluating financing sources, creating financial models, assembling a complete team, networking, communication, managing the team, and sales and marketing. Guidance will be provided on issues specific to state licensing and local permitting, and operating a cannabis business.

Specifically, Greener World will solicit applications from Social Equity applicants seeking to form and operate a licensed cannabis business. The application will assess financial need, viability of business plan, and long-term goals of the applicant. Social Equity status will be verified. Selection criteria will prioritize applicants that are most in need of financial assistance and mentorship, applicants that will most benefit from this program, and applicants that document a convincing likelihood of success and likelihood of materially benefiting from this program. Greener World will choose an applicant by a vote of the Directors. The recipient will be offered either a low-interest loan, a line of credit, a revenue sharing note, or a subscription of common or preferred shares, depending on the needs and nature of the recipient's business model. Greener World will provide regular mentorship and advice as the applicant develops a business plan, applies for a license, and commences operations.

#### **Metrics**

Greener World will execute the above plan and measure the outcomes in the following way:

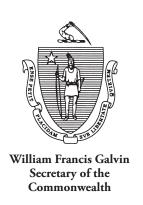

- Maintain annual reports describing the date and location of each youth financial literacy program, as well as the number of participants and the information discussed. The report will also detail the manner and methods used to advertise the youth financial literacy program and the proportion of attendees who identified as Holyoke residents.
- 2. Document in a report the application and selection process of the loan/investment recipient, the terms of the loan/investment, a description of mentoring provided, and a description of the recipient's progress towards licensure. Greener World will solicit an evaluation or feedback from the recipient regarding the effectiveness of this program which will be included in the report.

Greener World will use these metrics to assess its plan and to demonstrate success of the plan upon application for license renewal by submitting documentation of the metrics to the CCC.

#### Acknowledgments

Greener World will adhere to the requirements set forth in 935 CRM 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.

Any actions taken, or programs instituted, by Greener World will not violate the CCC's regulations with respect to limitations on ownership or control or other applicable state laws.

## Greener World, Inc., a Massachusetts Corporation

#### ARTICLE I

Section 1.1. Annual Meetings. An annual meeting of the shareholders of Greener World, Inc. (the "Corporation") will be held for the election of directors on a date and at a time and place either within or without the state of Massachusetts fixed by resolution of the Board of Directors and within six months after the end of the fiscal year.

Any other proper business may be transacted at the annual meeting, except as limited by any notice or other requirements under the Massachusetts Business Corporation Act.

Section 1.2. Special Meetings. Special meetings of the shareholders may be called at any time by the holders of shares entitled to cast not less than 10% of the votes at the meeting, such meeting to be held on a date and at a time and place either within or without the Commonwealth of Massachusetts as may be stated in the notice of the meeting.

Section 1.3. Notice of Meetings. Whenever shareholders are required or permitted to take any action at a meeting a written notice of the meeting must be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each shareholder entitled to vote thereat, except that meetings to increase the number of shares or corporate indebtedness each require at least 60 days' notice.

Notice of a shareholders' meeting or any report must be given either personally or by first-class mail or other means of written communication, addressed to the shareholder at the address of such shareholder appearing on the books of the Corporation or given by the shareholder to the Corporation for the purpose of notice. The notice shall be deemed to have been given at the time when delivered personally or deposited in the mail or sent by other means of written communication.

Section 1.4. Adjournments. When a shareholders' meeting is adjourned to another time or place, except as otherwise provided in this Section, notice need not be given of any such adjourned meeting if the date, time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 45 days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each shareholder of record entitled to vote at the meeting.

Section 1.5. Validating Meeting of Shareholders; Waiver of Notice. The transactions of any meeting of shareholders, however called and noticed, and wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice or a consent to the holding of the meeting or an approval of the minutes thereof. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Attendance of a person at a meeting shall constitute a waiver of notice of and presence at such meeting, except when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by law to be included in the notice but not so included, if such objection is expressly made at the meeting. Neither the business to be transacted at nor the purpose of any regular or special meeting of shareholders need be specified in any written waiver of notice, consent to the holding of the meeting or approval of the minutes thereof, except as required by the Massachusetts **Business Corporation Act.** 

Section 1.6. Quorum. A majority of the shares entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of the shareholders.

The shareholders present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment notwithstanding the withdrawal of enough shareholders to leave less than a quorum, if any action taken (other than adjournment) is approved by at least a majority of the shares required to constitute a quorum. In the absence of a quorum, any meeting of shareholders may be adjourned from time to time by the vote of a majority of the shares represented either in person or by proxy, but no other business may be transacted, except as provided in this Section.

Section 1.7. Organization. Meetings of shareholders shall be presided over by the Chairman of the Board of Directors, if any, or in the absence of the Chairman of the Board of Directors by the Vice Chairman of the Board of Directors, if any, or in the absence of the Vice Chairman of the Board of Directors by the President, or in the absence of the foregoing persons by a chairman designated by the Board of Directors, or in the absence of such designation by a chairman chosen at the meeting. The Secretary, or in the absence of the Secretary, an Assistant Secretary, shall act as secretary of the meeting, or in their absence the chairman of the meeting may appoint any person to act as secretary of the meeting.

Section 1.8. Voting. Unless otherwise provided in the Articles of Organization, each outstanding share, regardless of class, shall be entitled to one vote on each matter submitted to a vote of shareholders.

Any holder of shares entitled to vote on any matter may vote part of the shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal, other than elections to office, but, if the shareholder fails to specify the

number of shares such shareholder is voting affirmatively, it will be conclusively presumed that the shareholder's approving vote is with respect to all shares such shareholder is entitled to vote.

Directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors.

In all other matters, unless otherwise provided by Massachusetts law or by the Articles of Organization or these bylaws, the affirmative vote of the holders of a majority of the shares entitled to vote on the subject matter at a meeting in which a quorum is present shall be the act of the shareholders. Where a separate vote by class or classes is required, the affirmative vote of the holders of a majority of the shares of such class or classes at a meeting in which a quorum is present shall be the act of such class or classes, except as otherwise provided by the state of Massachusetts law or by the Articles of Organization or these bylaws.

Section 1.9. Shareholder's Proxies. At all meetings of shareholders, a shareholder may vote by proxy executed in writing by the shareholder or by his or her duly authorized attorney-in-fact.

Such proxy shall be filed with the Secretary of the Corporation before or at the time of the meeting. No proxy shall be valid after the expiration of 11 months from the date thereof unless otherwise provided in the proxy. Every proxy continues in full force and effect until revoked by the person executing it prior to the vote pursuant thereto, except as otherwise provided in this Section. Such revocation may be effected by a writing delivered to the Corporation stating that the proxy is revoked or by a subsequent proxy executed by the person executing the prior proxy and presented to the meeting, or as to any meeting by attendance at such meeting and voting in person by the person executing the proxy.

Section 1.10. Inspectors. In advance of any meeting of shareholders the Board of Directors may appoint inspectors of election to act at the meeting and any adjournment thereof.

Section 1.11. Fixing Date for Determination of Shareholders of Record. In order that the Corporation may determine the shareholders entitled to notice of any meeting or to vote or to express consent to corporate action in writing without a meeting or entitled to receive payment of any dividend or other distribution or allotment of any rights or entitled to exercise any rights in respect of any other lawful action, the Board of Directors may fix, in advance, a record date, which shall not be more than 60 nor less than ten days prior to the date of such meeting nor more than 60 days prior to any other action.

#### If no record date is fixed:

a) the record date for determining shareholders entitled to notice of or to vote at a meeting of shareholders shall be at the close of business on the business day next preceding the day on which notice is given or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held;

- b) the record date for determining shareholders entitled to give consent to corporate action in writing without a meeting, when no prior action by the Board of Directors has been taken, shall be the day on which the first written consent is given; and
- c) the record date for determining shareholders for any other purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto or the 6oth day prior to the date of such other action, whichever is later. When a determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this Section, such determination shall apply to any adjournment thereof.

Section 1.12. Consent of Shareholders in Lieu of Meeting. Except as otherwise provided in the Articles of Organization or under the Massachusetts Business Corporation Act, any action that may be taken at any annual or special meeting of the shareholders may be taken without a meeting and without prior notice, if a consent in writing, setting forth the action so taken, shall be signed by the holders of all outstanding shares.

#### **ARTICLE II**

#### **Board of Directors**

Section 2.1. Powers; Number; Qualifications. The business and affairs of the Corporation shall be managed by, and all corporate powers shall be exercised by or under, the direction of the Board of Directors, except as otherwise provided in these bylaws or Articles of Organization.

The number of directors comprising the initial Board of Directors shall be at least three (3). The Board of Directors may be enlarged by the shareholders at any meeting or by vote of a majority of the directors then in office, provided that, the number of directors shall not be less than three whenever the Corporation has three or more shareholders, and shall not be less than two whenever the Corporation has two shareholders.

Section 2.2. Election; Term of Office; Resignation; Vacancies. At each annual meeting of shareholders, directors shall be elected to hold office until the next annual meeting. Each director, including a director elected to fill a vacancy, shall hold office until the expiration of the term for which elected and until a successor has been elected and qualified. Any director may resign effective upon giving written notice to the Chairman of the Board of Directors, the Secretary of the Board of Directors, or the Board of Directors of the Corporation, unless the notice specifies a later time for the effectiveness of such resignation. If the resignation is effective at a future time, a successor may be elected to take office when the resignation becomes effective.

Subject to the provisions of the Massachusetts Business Corporation Act, any director may be removed with or without cause at any time by the shareholders of the Corporation at a special meeting called for such purpose. In addition, any director may be removed for cause by action of the Board of Directors.

Unless otherwise provided in the Articles of Organization or these bylaws and except for a vacancy caused by the removal of a director, vacancies on the Board of Directors may be filled by appointment by the Board of Directors. The shareholders may elect a director at any time to fill a vacancy not filled by the Board of Directors.

Section 2.3. Regular Meetings. Regular meetings of the Board of Directors may be held without notice at such places within or without the state of Massachusetts and at such times as the Board of Directors may from time to time determine.

Section 2.4. Special Meetings; Notice of Meetings; Waiver of Notice. Special meetings of the Board of Directors may be held at any time or place within or without the state of Massachusetts whenever called by the Chairman of the Board of Directors, by the Vice Chairman of the Board of Directors, if any, or by any two directors. Subject to any greater notice requirements set forth in the Massachusetts Business Corporation Act, special meetings shall be held on five days' notice by mail or 48 hours' notice delivered personally or by telephone, telegraph or any other means of communication authorized by the Massachusetts Business Corporation Act. Notice delivered personally or by telephone may be transmitted to a person at the director's office who can reasonably be expected to deliver such notice promptly to the director.

Notice of a meeting need not be given to any director who signs a waiver of notice or a consent to holding the meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to such director. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. A notice, or waiver of notice, need not specify the purpose of any regular or special meeting of the Board of Directors.

Section 2.5. Participation in Meetings by Conference Telephone Permitted. Members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of the Board or of such committee, as the case may be, through the use of conference telephone or similar communications equipment permitted by the Massachusetts Business Corporation Act, so long as all members participating in such meeting can hear one another, and participation in a meeting pursuant to this Section shall constitute presence in person at such meeting.

Section 2.6. Quorum; Adjournment; Vote Required for Action. At all meetings of the Board of Directors a majority of the authorized number of directors shall constitute a quorum for the transaction of business. Subject to the provisions of the Massachusetts Business Corporation Act, every act or decision done or made by a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board unless the Articles of Organization or these bylaws shall require a vote of a greater number.

A majority of the directors present, whether or not a quorum is present, may adjourn any meeting to another time and place. If the meeting is adjourned for more than 24 hours, notice of any adjournment to another time or place shall be given prior to the

time of the adjourned meeting to the directors who were not present at the time of the adjournment.

Section 2.7. Organization. Meetings of the Board of Directors shall be presided over by the Chairman of the Board of Directors, or in the absence of the Chairman of the Board by the Vice Chairman of the Board of Directors, if any, or in their absence by a chairman chosen at the meeting. The Secretary, or in the absence of the Secretary, an Assistant Secretary, will act as secretary of the meeting, but in the absence of the Secretary and any Assistant Secretary the chairman of the meeting may appoint any person to act as secretary of the meeting.

Section 2.8. Action by Directors Without a Meeting. Any action required or permitted to be taken by the Board of Directors, or any committee thereof, may be taken without a meeting if all members of the Board or of such committee, as the case may be, shall individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board of Directors Such action by written consent shall have the same force and effect as a unanimous vote of such directors.

Section 2.9. Compensation of Directors. The Board of Directors shall have the authority to fix the compensation of directors for services in any capacity.

#### **ARTICLE III**

#### **Executive and Other Committees**

Section 3.1. Executive and Other Committees of Directors. The Board of Directors, by resolution adopted by a majority of the authorized number of directors, may designate an executive committee and other committees, each consisting of two or more directors, to serve at the pleasure of the Board of Directors, and each of which, to the extent provided in the resolution but subject to the Massachusetts Business Corporation Act, will have all the authority of the Board.

The Board of Directors may designate one or more directors as alternate members of any such committee, who may replace any absent member or members at any meeting of such committee.

Unless the Board of Directors otherwise provides, each committee designated by the Board may adopt, amend and repeal rules for the conduct of its business. In the absence of a provision by the Board of Directors or a provision in the rules of such committee to the contrary, each committee shall conduct its business in the same manner as the Board of Directors conducts its business pursuant to Article II of these bylaws.

ARTICLE IV

Officers

Section 4.1. Officers; Election. As soon as practicable after the annual meeting of shareholders each year, the Board of Directors shall appoint a President, a Treasurer and a Secretary. The Board may also elect one or more Vice Presidents, one or more Assistant Secretaries, and such other officers as the Board may deem desirable or appropriate and may give any of them such further designations or alternate titles as it considers desirable. Any number of offices may be held by the same person.

Section 4.2. Term of Office; Resignation; Removal; Vacancies. Except as otherwise provided in the resolution of the Board of Directors electing any officer, each officer will hold office until his or her successor is elected and qualified or until his or her earlier resignation or removal. Any officer may resign at any time upon written notice to the Board or to the Chairman of the Board or the Secretary of the Corporation. Such resignation will take effect when the notice is delivered, unless the notice specifies a later time, and unless otherwise specified therein no acceptance of such resignation will be necessary to make it effective. The Board may remove any officer with or without cause at any time. Any such removal will be without prejudice to the contractual rights of such officer, if any, with the Corporation, but the election of an officer will not of itself create contractual rights. Any vacancy occurring in any office of the Corporation by death, resignation, removal or otherwise may be filled for the unexpired portion of the term by the Board at any regular or special meeting.

Section 4.3. Powers and Duties. The officers of the Corporation will have such powers and duties in the management of the Corporation as are stated in these bylaws or in a resolution of the Board of Directors that is not inconsistent with these bylaws and, to the extent not so stated, as generally pertain to their respective offices, subject to the control of the Board of Directors. The Secretary will have the duty to record the proceedings of the meetings of the shareholders, the Board of Directors and any committees in a book to be kept for that purpose.

Section 4.4. Salaries. The salaries, compensation and other benefits, if any, of the officers will be fixed from time to time by the Board of Directors, and no officer will be prevented from receiving such salary by reason of the fact that he or she is also a Director of the Corporation.

#### ARTICLE V

#### Forms of Certificates; Loss and Transfer of Shares

Section 5.1. Forms of Certificates. Every holder of shares in the Corporation is entitled to have a certificate signed in the name of the Corporation by (1) the President, any Vice President, Chairman of the Board or Vice Chairman, and by (2) the Chief Financial Officer, Treasurer, Assistant Treasurer, or Secretary of the Corporation, certifying the number of shares and the class or series of shares owned by such shareholder. If such certificate is manually signed by at least one officer or manually countersigned by a transfer agent or by a registrar, then any other signature on the certificate may be a facsimile signature. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer

Section 5.3. Uncertificated Shares. Notwithstanding the above, the Corporation may issue uncertificated shares accompanied by information statements which note conspicuously all transfer restrictions applicable to the shares and contain a summary of all rights of each class or series of shares or a statement that the Corporation will furnish this information upon request.

#### ARTICLE VI

The minutes of proceedings of the shareholders, the Board of Directors, and committees of the Board, and the accounting books and records will be kept at the principal executive office of the Corporation, or at such other place or places as designated by the Board of Directors. The minutes will be kept in written form, and the accounting books and records will be kept either in written form or in a form capable of being converted into written form.

Section 6.4. Inspection by Directors. # PLAN TO OBTAIN LIMITED LIABILITY INSURANCE.

Greener World Inc. plans to seek insurance brokers that already have experience with the cannabis industry. This allows us to get a better understanding regarding requirements, premiums and coverage. With the assistance of Gilbert Insurance Agency, we are obtaining quotes for coverage, meeting the Cannabis Control Commission standards and requirements, through Cannagen Insurance for general and product liability. These quotes are not binding due to our licensing process, but provide realistic figures to work into our financial projections. We are confident we can secure our insurance requirements, contingent on licensing, and we will ensure that coverage is in effect prior to commencing operations. Greener World Inc. will meet all insurance requirements set by the Commission and acquire coverage that includes general liability and product liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually, or otherwise approved by the Commission. The deductible for each policy will be no higher than \$5,000 per occurrence.

Such notification will describe a proposed plan of action for both the destruction of the contaminated product and the assessment of the source of contamination.
