Plan to Remain Compliant with Local Zoning

On May 9, 2022, the residents of the Town of Monson voted to amend the Town's Zoning Bylaw at its annual town meeting to allow the cultivation, production and dispensing of marijuana for adult-use in the Central Commercial (CC), General Commercial (GC), and Industrial (I) zoning districts. Please see the attached zoning bylaw for reference.

Hoop City Ventures LLC (the "**Company**"), proposes to operate a Marijuana Retailer (the "**Marijuana Establishment**") at 399 Boston Road W, Monson, MA 01057 (the "**Property**"). The Property is located in the General Commercial zoning district, which permits the operation of the proposed Marijuana Establishment subject to the granting of a Special Permit from the Monson Planning Board pursuant to Section 6.25 of the Monson Zoning Bylaw. The Company is in the process of pursuing its Special Permit.

The Property and Marijuana Establishment satisfy local zoning requirements in that this establishment will: (1) not exceed two (2) licenses in the Town of Monson; (2) not exceed 2,500 square feet of space open to the public; and (3) will not be located within three hundred (300) feet of a parcel occupied by a pre-existing public or private school or another marijuana retailer.

The Company previously discussed the existing Marijuana Establishment with Town officials, including the officials from the building department and police department and entered into a host community agreement with the Town that remains in effect.

The Company plans to continue to work with officials from the Town of Monson to ensure the operations continue to have a positive impact on the community.

The Company hereby submits that it will continue to comply with all local and state requirements and the Company will be responsible for ongoing compliance with local and state rules and regulations.

At any time and from time to time, the Board may, but shall not have any obligation to, call meetings of the Members, and Members holding not less than twenty-five percent (25%) of all of the Units then issued and outstanding may call a meeting. Written notice of any such meeting shall be given to all Members not less than five (5) days and not more than sixty (60) days prior to the date of such meeting. A Majority of Members shall constitute a quorum for all

purposes at any such meeting. Each meeting shall be conducted by the Board or a designee of the Board. Unless prohibited by applicable law, each Member may authorize any other Person (regardless of whether such Person is a Member) to act on its behalf with respect to all matters on which such Member is entitled to consent or otherwise participate. Any proxy must be signed by the Member giving such proxy or by such Member's attorney-in-fact. A Member may attend a meeting by telephonic or other electronic method of participation. Any act of the Members shall be authorized by a Majority of Members.

3.5. Written Consent in Lieu of Meeting. Any action of the Members which may be undertaken pursuant to Section 3.3 or Section 3.4 may also be taken by a written consent executed by such Members as would be required to approve such action at a duly convened meeting at which all Members were present.

3.6 Liability of the Members.

(a) No Liability for Company Obligations. All debts, obligations, and liabilities of the Company, whether arising in contract, tort, or otherwise, shall be solely the debts, obligations, and liabilities of the Company, and no Member shall have any obligation with respect to any such debt, obligation, or liability of the Company solely by reason of being a Member.

(b) Limitation on Liability. Except as otherwise expressly required by applicable law, no Member shall have any liability in excess of: (i) the amount of its aggregate Capital Contributions, (ii) its share of any assets and undistributed profits of the Company, and (iii) the amount of any distributions wrongfully distributed to such Member.

3.7 Compliance with Securities Laws and Other Laws and Obligations. Each Member hereby represents and warrants to the Company and to each other Member and acknowledges that (a) it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of an investment in the Company and making an informed investment decision with respect thereto, (b) it is able to bear the economic and financial risk of an investment in the Company for an indefinite period of time and understands that it has no right to withdraw and have its Units repurchased by the Company, (c) it is acquiring its Units in the Company for investment only and not with a view to, or for resale in connection with, any distribution to the public or public offering thereof, and (d) it understands that the Units have not been registered under the securities laws of any jurisdiction and cannot be disposed of unless they are subsequently registered and/or qualified under applicable securities laws and the provisions of this Agreement have been complied with.

3.8 Power to Bind the Company. No Member, in its capacity as a Member, shall take part in the management or control of the business of the Company, transact any business in the name of the Company, have the power or authority to bind the Company or to sign any agreement or document in the name of the Company, or have any power or authority with respect to the Company except (i) as expressly provided in this Agreement, (ii) as directed by the Board in writing, or (iii) as provided in the Certificate, as the same may be amended from time to time.

3.9 Admission of Members. New Members shall be admitted to the Company only with the prior written consent of the Board, subject to Section 3.1 and the provisions of Article VI.

3.10 Member Resignation. Except in the case of a Transfer of its Units to a Substitute Member in accordance herewith, a Member may not resign from the Company or otherwise disassociate itself from the Company without the prior written consent of the Board.

3.11 Member Duties and Obligations. Each Member shall take (or refrain from taking) all such actions and shall do (or refrain from doing) all such things as may be reasonably requested by the Board in connection with the application for, compliance with, and/or renewal of, any governmental license, permit, or approval, including, without limitation, any CCC license, any application therefor, or any renewal thereof.

ARTICLE IV MANAGEMENT OF THE COMPANY

4.1 Management by the Board. Except for the election, removal, and replacement of Managers as provided in this Agreement, (a) the management of the Company is and remain fully vested in the Board; (b) all management and other responsibilities and powers of the Company not specifically reserved to the Members in this Agreement shall be vested solely in the Board, and (c) the daily business and affairs of the Company shall be managed under the direction of the Board. All services to be furnished by the Board may be delegated to and furnished by an officer or employee of the Company or any other Person or agent designated or retained by the Board. Decisions or actions taken by the Board in accordance with this Agreement shall constitute decisions or actions by the Company and shall be binding on the Company. In connection with the management of the business and affairs of the Company, without limiting the foregoing, the Board, for and in the name of and on behalf of Company, and unless otherwise provided herein to the contrary, without any approval by or consent of a Majority of Members, are hereby authorized:

(a) to execute any and all agreements, contracts, documents, certifications, and instruments necessary or convenient in connection with the development, financing, management, maintenance, operation, and disposition of any Company asset;

(c) to borrow money from and for, and to guarantee the indebtedness of, wholly-owned Affiliates, and to issue evidences of such indebtedness as is necessary, convenient, or incidental to the accomplishment of the purposes of the Company, and to secure the same by mortgage, pledge, or other Lien on any Company asset;

(d) to prepay in whole or in part, renew, refinance, recast, consolidate, increase, modify, or extend any debt of the Company, and in connection therewith to execute and record any documents relating thereto;

(e) to enter into agreements to employ agents, attorneys, accountants, engineers, appraisers, or other consultants or contractors who may be Affiliates of, or otherwise be affiliated with, any one or more of the Managers or Members, and to enter into agreements to employ any Member, Manager, or other Person to provide management or other goods and/or services to the Company; *provided, however*, that any employment of such Member, Manager, or Person is on terms

not less favorable to the Company than those offered by Persons who are not Affiliates of a Manager or Member for comparable good or services;

(f) to pay out of Company funds any and all fees and make any and all expenditures which the Board, in its sole discretion, deems necessary or appropriate in connection with the organization of Company, the management of the affairs of Company, and the carrying out of the Board's obligations and responsibilities under this Agreement and the Act;

(g) except as otherwise directed by the Partnership Representative (as herein defined) with respect to those matters within the powers of the Partnership Representative, to make and revoke any election permitted to the Company by any taxing authority in such manner as the Board may decide, and to cause to be paid any and all taxes, charges, and assessments that may be levied, assessed, or imposed upon any of the assets of the Company, unless the same are contested by the Partnership Representative, which the Partnership Representative is hereby expressly authorized to do; and

(h) except as otherwise provided herein, to engage in any kind of activity and perform and carry out contracts of any kind necessary to, in connection with, or incidental to the accomplishment of the purposes of the Company as may be lawfully carried on or performed by a limited liability company under the laws of the Commonwealth of Massachusetts (including, without limitation, the Act) and in each jurisdiction where the Company has qualified or is doing business (including, without limitation, their respective limited liability company acts or analogs thereof).

4.2 The Board and Voting. The Company shall at all times have at least one (1) Person serving as a Manager from time to time, and all of those collectively shall constitute the Board. Any Person, including a non-Member, may serve as a Manager provided such Person is eligible to serve as a Manager in accordance with the Cannabis Laws. Initially, the Managers shall be Richard Rainone, an individual, and Chris Vianello, an individual. A quorum shall consist of all Managers if there be two (2) or fewer Managers then in office, and otherwise a quorum shall be a majority of all of the Managers then serving on the Board. Meetings of the Board shall be held at such places and times and with such frequency as is determined by the Board, and may be conducted through in-person meetings, telephonically, or through other electronic communication permitting all Managers to communicate simultaneously. No action shall be taken by the Board with respect to the business and affairs of the Company unless such action has been approved by a majority of the Managers then serving. Actions of the Board may also be taken by written consent. Any Manager may call a meeting of the Board upon not less than twenty-four (24) hours advance written notice, which notice may be given by electronic communication and shall specify the time and place of the meeting. Notice of any such meeting may be waived by an instrument in writing executed before or after the meeting. Accurate minutes of any meeting of the Board shall be maintained by the Manager selected at that Board meeting for that purpose.

4.3 Appointment, Removal, and/or Replacement of a Manager. The Members shall elect each Manager by the affirmative vote of a Majority of Members. Each Manager shall serve until such Manager (i) dies, (ii) resigns upon giving sixty (60) days prior written notice to the Members, or (iii) is removed by the affirmative vote of a Majority of Members. Any replacement to fill the vacancy of any such Manager shall be appointed by the affirmative vote of a Majority of Members.

4.4 Managers Have No Exclusive Duty to Company. Each Manager shall devote to the Company such time as such Manager may deem reasonably necessary to manage the business and affairs of the Company. Each Manager may engage in or have an interest in other business ventures which are

similar to, or competitive with, the business of the Company, including, but not limited to, the ownership, financing, leasing, operation, management, syndication, brokerage, or development of ventures competitive with ventures owned by the Company, and the pursuit of such ventures shall not be deemed wrongful or improper or give the Company or the Members any rights with respect thereto. Neither the Board nor any Member shall be obligated to present an investment opportunity to the Company even if such investment opportunity is similar to or consistent with the business of the Company, and any such Person shall have a right to take for its own account or recommend to others any such investment opportunity.

4.5 Bank Accounts; Company Books. The Board may from time to time open bank accounts for and in the name of the Company. The Board shall maintain and preserve, during the term of the Company, and for six (6) years thereafter, all accounts, books, and other relevant Company documents. Upon reasonable written request, each Member shall have the right, during ordinary business hours, to inspect and copy such Company documents at the requesting Member's expense.

4.6 Officers. The Board may appoint individuals as officers of the Company with such titles as the Board may select from time to time to act for and on behalf of the Company, with such powers and authority as the Board may delegate to any such individual in writing.

4.7 Elimination of Fiduciary Duties. The fiduciary duties of the Members to the Company and of each Manager and each officer to the Company and the Members are hereby eliminated except to the limited extent expressly provided in this Agreement or as otherwise required by applicable law.

4.8 Potential Conflicts of Interest. The Members acknowledge that certain Members have, or may in the future have, equity interests in other companies which (solely by virtue of the equity ownership and/or management thereof) qualify as Affiliates of the Company hereunder. The Members further acknowledge the potential conflicts of interest that may arise between or amongst such Affiliates and the Company since such Affiliates operate or may operate in the cannabis industry and operate or may operate using the same trade name (e.g., "Dazed Cannabis"), such Affiliates and the Company may use certain services (e.g., marketing and advertising) under a single contract, such Affiliates and the Company may have overhead expenses allocated amongst them under such contracts, and ultimately, all or some of such Affiliates and the Company may, or may not, be transferred to a third-party acquirer as part of a comprehensive transaction. Notwithstanding the provisions of Section 4.7 above, with respect to any potential conflict of interest that may arise due to certain Members' equity ownership and/or management of the Company and their equity ownership and/or management of other companies which qualify as Affiliates of the Company hereunder, the Managers and officers of the Company shall at all times act in good faith and in the reasonable best interests of the Company and its Members, in recognition of the duty of good faith and fair dealing hereby assumed by the Managers and officers of the Company, and shall keep Members apprised of any potential or actual conflicts of interest situations.

ARTICLE V ADDITIONAL CAPITAL CONTRIBUTIONS; CAPITAL ACCOUNT; ALLOCATIONS OF PROFITS AND LOSSES; DISTRIBUTIONS

5.1 Additional Capital Contributions; Capital Accounts.

(a) Issuance of Units; Additional Capital Contributions. With the consent of the Majority of Members, the Board may, from time to time, cause the Company to raise additional capital. In connection with any such capital raising, the Company may issue and sell additional Units.

(b) Capital Accounts. A Capital Account shall be maintained on the books and records of the Company for each Member (each, a "Capital Account") in accordance with the provisions of Section 5.3 and accordingly:

(i) To each Member's Capital Account there generally shall be credited such Member's Capital Contributions, such Member's distributive share of Profits and the amount of any Company liabilities assumed by such Member or that are secured by any Company Property distributed to such Member.

(ii) To each Member's Capital Account there generally shall be debited the amount of cash and the Gross Asset Value of any Company Property distributed to such Member pursuant to any provision of this Agreement, such Member's distributive share of Losses, and the amount of any liabilities of the Company assumed by such Member or that are secured by any property contributed by such Member to the Company.

(iii) In the event that any Units are Transferred in accordance with this Agreement, the Transferee shall succeed to the Capital Account of the Transferor to the extent it relates to the Transferred Units.

(iv) If during any Fiscal Year there is a change in any Member's Units, allocations of Profits or Losses (or items thereof) for such Fiscal Year shall take into account the varying interests of the Members in the Company in a manner consistent with the requirements of Code Section 706.

The foregoing provisions, and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 1.704-1(b) of the Regulations and shall be interpreted and applied in a manner consistent with such Regulations. In the event that the Board shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto (including, without limitation, debits or credits relating to liabilities that are secured by contributed or distributed property or that are assumed by the Company or the Members) are computed in order to comply with such Regulations, the Board may make such modification, provided that it is not likely to have a material effect on the amounts otherwise distributable to any Member pursuant to this Agreement.

(c) Negative Capital Account Restoration. No Member shall be obligated to restore any negative balance in such Person's Capital Account. No Member shall be compensated for any positive balance in such Person's Capital Account except as otherwise expressly provided herein.

(d) Loans. No Member shall have any obligation to loan funds to the Company; provided, however, that subject to the provisions of Section 4.1(c), the Company may borrow funds or enter into other similar financial accommodations with any Member or any Affiliate of any Member. Loans to the Company by any Member shall not be considered Capital Contributions.

5.2 Calculation of Profits and Losses. For financial accounting purposes, the Profits and Losses of the Company shall be determined on an annual basis in accordance with this Agreement.

5.3 Allocation of Profits, Losses, Credits and Other Items.

(a) Allocation of Losses Generally. Except as otherwise provided herein, the Losses of the Company shall be allocated on a cumulative basis in one or more series of allocations, as follows: (i) in proportion to the Members' positive Capital Account balances until each such Capital Account balance is reduced to zero; and (ii) thereafter, in proportion to the Percentage Interest held by each Member.

(b) Allocation of Profits Generally. Except as otherwise provided herein, the Profits of the Company shall be allocated on a cumulative basis in one or more series of allocations, as follows: (i) first, to that Member, or to those Members, pro rata, whose Capital Account to Percentage Interest ratio is the least of all Members, until all Members' Capital Account to Percentage Interest ratio is the same; (ii) second, in proportion to prior allocated net Losses for which no prior allocation has been made pursuant to this Section 5.3(b); (iii) third, to that Member, or to those Members pro rata, whose Capital Account to Percentage Interest ratio is the least of all Members, until all Members' Capital Account to Percentage Interest ratio is the same, and (iv) thereafter, pro rata in accordance with the Percentage Interest held by each such Member, all of which shall be subject to, and in compliance with applicable tax law.

(c) It is the intention of the Members that the allocations pursuant to Sections 5.3(a) and 5.3(b) be made in such manner as will have substantial economic effect or otherwise be in accordance with the Members' interest in the Company in accordance with Regulations Section 1.704-1(b) and 1.704-2. Without limiting the foregoing, it is anticipated that all allocations of Profits and Losses (and items thereof) among the Members will be allocated to the Members, in accordance with the provisions of such Regulations regarding "partner nonrecourse deductions," "nonrecourse deductions," limitations imposed on the deficit balance in a Member's capital account and "qualified income offset," "partnership minimum gain," and "partner nonrecourse debt minimum gain," as such terms are defined in Regulations Sections 1.704-2(i)(1), 1.704-2(b)(1), 1.704-1(b)(2)(ii)(d), 1.704-2(b)(2) and 1.704-2(i)(2), respectively, are incorporated herein by reference, and shall apply to the Members (and any Transferees) in such Member's capacity as a Member for federal income purposes. Losses allocated to a Member pursuant to this Section 5.3(a) shall not exceed the maximum amount of Losses that can be allocated to such Member without causing such Member to have a negative Adjusted Capital Account Balance at the end of any Fiscal Year or other allocation period in which any other Member does not have a negative Adjusted Capital Account Balance.

(d) Tax Allocations.

(i) Subject to Section 5.3(d)(ii) and 5.3(d)(iii), each item of income, gain, loss, or deduction for federal income tax purposes that corresponds to an item of income, gain, loss or expense that is either taken into account in computing Profits or Losses or is specially allocated pursuant to Section 5.3(b) shall be allocated among the Members in the same proportion as the corresponding item is allocated among them pursuant to Section 5.3(b).

(ii) In the event any property of the Company is credited to the Capital Account of a Member at a value other than its tax basis, then allocations of taxable income, gain, loss and deductions with respect to such property shall be made in a manner which will comply with Code Section 704(c). In connection with the admission of a subsequent Member as of the date hereof, the Capital Accounts of the Members shall be adjusted to reflect the current Gross

Asset Values of the Company's assets, as described in subsection (ii)(A) of the definition of Gross Asset Value.

(iii) The tax allocations made pursuant to this Section 5.3(d) shall be solely for tax purposes and shall not affect any Member's Capital Account or share of non-tax allocations or distributions under this Agreement.

(e) Former Members. Any allocations described above in this Section 5.3 also shall be made by the Company to any former Member to the extent applicable, as reasonably determined by the Board.

(f) Code Section 754 Election. The allocation to a Member of items of taxable income, gain, loss, and deduction of the Company also shall be adjusted to reflect any election under Code Section 754.

5.4 Non-Federal Taxes. As determined by the Board, to the extent that the laws of any state or other local jurisdiction having jurisdiction over the Company (each, a "Taxing Jurisdiction") require, each Member requested to do so will submit to the Taxing Jurisdiction an agreement indicating that the Member will timely file all returns and make all income tax payments to the Taxing Jurisdiction or that the Member accepts personal jurisdiction of the Taxing Jurisdiction with regard to the collection of income taxes attributable to the Member's income, and interest and penalties assessed on such income or such other agreement as the Taxing Jurisdiction provides. If the Member fails to provide such agreement, to file such returns, or to make such tax payments, the Company may, and if required by the Taxing Jurisdiction shall, withhold and pay over to such Taxing Jurisdiction the amount of tax, penalty and interest determined as due under the laws of the Taxing Jurisdiction. Any such payments with respect to a Member shall be treated as an advance of a distribution to such Member, *provided, however*, that if the Member was not entitled to such a distribution, upon written notice or demand by the Company to the Member evidencing such payments by the Company, such Member shall pay to the Company the amount the Company paid to the Taxing Jurisdiction. The Company may, where permitted by the rules of any Taxing Jurisdiction, file a composite, combined, or aggregate tax return reflecting the income of the Company and pay the tax, interest, and penalties of some or all of the Members on such income to the Taxing Jurisdiction, in which case the Company shall inform the Members of the amount of such tax, interest, and penalties so paid and such amounts shall be also treated as such an advance distribution and, if the Member is not entitled to a distribution, be subject to repayment as provided above in this Section 5.4.

5.5 Distributions.

(a) Generally. Distributions by the Company to its Members, in their capacity as such, shall be made to all the Members in accordance with this Section 5.5 at such times and in such amounts as may be determined by the Board. Subject to the provisions of Sections 5.5(b), 5.5(d), and 5.5(f), the Board shall have sole discretion to determine the amounts and time for any such distributions. In this regard, the Board may take into account such matters as the repayment of obligations to creditors and the setting aside of amounts to be retained by the Company for any purpose, including the conduct of the Company's business affairs. Distributions may be made in cash or in other property, as reasonably determined by the Board. Distributions other than in cash shall be valued as reasonably determined by the Board.

(b) Distributions. Subject to Sections 5.5(d) and 5.5(f), all distributions from available cash flow and capital event proceeds shall be distributed to the Members pro rata in proportion to such Members' respective Percentage Interests.

(c) Reserved.

(d) Tax Distributions to Members. Notwithstanding the other provisions of this Agreement to the contrary, to the extent funds are available, the Board shall make minimum distributions to each Member from time to time with respect to any Fiscal Year or other tax period in an amount sufficient to pay when due any federal, state, and local income taxes imposed on such Member, calculated using the Assumed Tax Rate, that is attributable to the cumulative taxable income allocated to such Member under this Agreement with respect to the applicable Fiscal Year or other tax period. Tax distributions pursuant to this Section 5.5(d) shall not be made with respect to the Fiscal Year in which the Company liquidates. Tax distributions made hereunder shall be treated as an advance on other distributions to which a Member otherwise would be entitled in respect of such Member's Units, and shall therefore reduce the amount of such other distributions payable to that Member under this Agreement in respect thereof. The amount of tax distributions made to any Member with respect to a Fiscal Year or other tax period shall be reduced by the amount of the distributions made to such Member with respect to such Fiscal Year or other period pursuant to Section 5.5(b) and Section 5.5(c).

(e) Prohibited Distributions. Notwithstanding anything to the contrary contained herein, the Company shall not make any distributions to the Members if such distributions would violate the Act or other applicable law.

(f) Liquidation Distributions. Upon liquidation of the Company, the assets of the Company shall be distributed as follows:

First, unless and until each Member has received one or more distributions pursuant to Section 5.5(b) and this Section 5.5(f) totaling an amount equal to 100% of such member's total Capital Contributions, to each Member on the basis of such Member's Percentage Interest;

Second, to the Members with a positive balance in their Capital Accounts, the Company shall distribute pro rata the amount of such positive balances; and

Third, to the extent there remain any assets of the Company to distribute, then such assets shall be distributed pro rata in proportion to the Percentage Interest held by each Member.

5.6 Withholding Taxes. The Company is authorized to withhold from distributions to the Members, and to pay over to a federal, state, or local government, any amounts required to be withheld pursuant to the Code, as amended, or any other provisions of any other federal, state, local, or foreign law. Any amounts so withheld shall be treated as having been distributed to the Members pursuant to Section 5.5 for all purposes of this Agreement.

5.7 Condition to Distributions. At any time or from time to time, and prior to making any distributions, the Board may request from any Member or other Person receiving a distribution an affidavit or other evidence that such Person is not a "foreign person" within the meaning of Code Section 1445 or Code Section 1446. If such Person does not provide such affidavit or other evidence in form and content reasonably satisfactory to the Members within thirty (30) days after such request,

the Board may withhold and pay over to the IRS such portion of such Person's distribution as may be necessary to comply with Code Section 1445 or Code Section 1446, and any amount so withheld and paid over shall be treated as a distribution to such Person at the time it is paid over to the IRS.

5.8 Creditor Status. No Member shall have the status of, or be entitled to any remedies available to, a creditor of the Company with respect to any distribution to which such Member may become entitled.

ARTICLE VI TRANSFERABILITY

6.1 Transfers Generally.

(a) Generally. No Member shall have the right to Transfer any of its Units except in accordance with this Article VI and in compliance with the Cannabis Laws. Notwithstanding any other provision of this Agreement to the contrary, any Transfer or attempted Transfer in violation of this Article VI and/or the requirements of the Cannabis Laws is void ab initio.

(b) Requirements. In the event that Sections 6.2 - 6.9, below, are satisfied with regard to any Transfer of any Units, as a condition to recognizing the effectiveness and binding nature of such Transfer as against the Company or otherwise, and the substitution of a new Member, the Board may require the Transferring Member and the proposed Transferee to execute, acknowledge, and deliver to the Board such instruments of Transfer, assignment, and assumption and such other certificates, representations, and documents, and to perform all such other acts which the Board may deem necessary or desirable to:

- (i) duly admit such Transferee as a new Member;
- (ii) assure that the Transferee qualifies as a Member under Section 3.1;
- (iii) confirm that the Transferee has accepted, assumed, and agreed to be subject and bound by all of the terms, obligations, and conditions of this Agreement, as the same may have been further amended;
- (iv) preserve the Company after the completion of such Transfer or substitution under the laws of each jurisdiction in which the Company is qualified, organized, or does business;
- (v) maintain the status of the Company as a partnership for federal tax purposes;
and
- (vi) assure compliance with any applicable state and federal laws including, but not limited to, securities laws and regulations and the Cannabis Laws.

(c) Effective Date of Transfer. Any Transfer of a Unit or admission of a Member in compliance with this Article VI shall be deemed effective as of the last day of the calendar month in which the Board's written consent thereto was given, unless the Board agrees in writing to a different date.

(d) Indemnification. The Transferring Member hereby indemnifies the Company, each Manager, and the remaining Members against any and all loss, damage, or expense (including, without limitation, tax liabilities or loss of tax benefits and reasonable accounting and legal expenses) arising directly or indirectly as a result of any Transfer.

6.2 Board Approval. The prior consent of the Board is a necessary condition to any Transfer, except that with respect to any Transfer to be made in accordance with Section 6.3 below, the Board's consent shall not be unreasonably withheld, conditioned, or delayed. Notwithstanding anything contained herein to the contrary, if the Board does not approve the proposed Transfer of any Unit to a Transferee then the proposed Transferee shall have no right to become a Member or an owner of any Units or to otherwise participate in the management of the business and affairs of the Company.

6.3 Permitted Transfers. Subject to the requirements of Section 3.1, Section 6.1, and Section 6.2, all Transfers of Units to a current Member, an Affiliate of a current Member, or to a Family Member of a current Member may be undertaken without compliance with the terms of Section 6.4, Section 6.8, and Section 6.9 (the "Permitted Transfers"), it being understood that all Permitted Transfers shall be exempt from the requirements of said Section 6.4, Section 6.8, and Section 6.9.

6.4 Right of First Refusal Upon Sale of Units

(a) In the event that any Member(s) (each, a "Selling Party") shall at any time desire to sell a number of Units which constitute less than a majority of all of the then issued and outstanding Units then, in addition to other requirements and limitations set forth in this Agreement, such Selling Party shall first receive a bona fide written offer (the "Offer") from an offeror (the "Offeror") to purchase such Units. The Selling Party shall then give written notice (the "Offer Notice") to the other Members of such Member's intention to so sell. The Offer Notice shall:

(i) state the name, business, and address of the Offeror;

(ii) include a copy of the Offer with the amount of the consideration and the other terms of the Offer;

(iii) include the Offeror's representation and covenant that he or she or it satisfies and will comply with each and every condition imposed by the terms of this Agreement;

(iv) state the intention to Transfer the Units and the amount of Units to be transferred (the "Offered Units");

(v) include the Offeror's agreement to pay for, and reasonable deposit for the payment of, all costs and fees to be incurred or suffered by the Company to seek any consents or approvals required or reasonably deemed needed by the Company from any governmental authorities (including, but not limited to, the CCC), or any third party to admit the Offeror;

(b) The non-Selling Members shall have an option to purchase all, or any portion, of the Offered Units on the same terms and conditions as set forth in the Offer Notice (the "Purchase Option").

(c) The Purchase Option granted in this Section must be exercised by the non-Selling Members wishing to do so (the "Purchasers") by written notice given by each during the period ending fifteen (15) business days after the receipt by all of the Members of the Offer Notice, stating the

number of Units the Purchaser wishes to purchase (the “Purchase Notice”). The Closing Date for all such Purchases shall be ninety (90) days after the date of the Offer Notice. If a Purchase Notice is not timely given, or if timely given, the Purchaser does not timely close the Purchase, it shall be deemed that the Purchase Option was rejected.

(d) If and to the extent that the non-Selling Members do not exercise their right to purchase all of the Offered Units in their entirety, then the Selling Party shall then have the right to transfer that portion of the Offered Units which the non-Selling Members have not elected to purchase in accordance with the Offer Notice within a period no sooner than thirty (30) days but no later than sixty (60) days next following the expiration of the Purchase Option. In the event the Selling Party has not transferred the Offered Units during such period in accordance with the Offer Notice or the Board does not approve the Transferee then any transfer shall be null and void, and the Offered Units will continue to be subject to this Agreement.

6.5 Right of First Refusal Upon Event of Withdrawal.

(a) Notice of Event of Withdrawal. In the event that any Member (a “Withdrawing Member”) shall suffer an Event of Withdrawal, then in addition to the other requirements and limitations set forth in this Agreement, the legal representatives of the Withdrawing Member (the “Representatives”) shall give written notice within ninety (90) days of the occurrence of such event (the “Withdrawal Notice”) to the Board and to the other Members of the withdrawal of the Withdrawing Member.

(b) Option to Purchase. For a period of ninety (90) days after the receipt by the Members of the Withdrawal Notice, the non-withdrawing Members shall have an option to purchase (the “Withdrawal Purchase Option”) all, but not less than all, of the Withdrawing Member’s Units in the Company (the “Abandoned Interest”), on the terms and conditions set forth below in subparagraphs (c) and (d) below.

(c) Exercise of Option. The Withdrawal Purchase Option granted in this Section to the Members must be exercised by written notice within said ninety (90) day period and the purchase shall occur no later than sixty (60) days thereafter. If and to the extent that the Members do not exercise their right to purchase the Abandoned Interest in its entirety, the Units represented by the Abandoned Interest and right to request admission as a Substitute Member shall pass to the authorized legal representative(s) of the Withdrawing Member by operation of law, but subject, nevertheless, to the provisions of Section 3.1 and Section 6.1.

(d) Purchase Price. If the non-withdrawing Members elect to exercise the Withdrawal Purchase Option, the purchase price for the Abandoned Interest (the “Abandoned Interest Purchase Price”) shall be the Fair Market Value of the Abandoned Interest as determined by an appraiser selected by the Board. The value of the Abandoned Interest shall be determined as of the date of the Event of Withdrawal, unless otherwise mutually agreed by the Company and the legal representatives of the Withdrawing Member. The cost of the appraisal shall be paid by the Company. The Abandoned Interest Purchase Price shall be paid in cash by the non-withdrawing Members by wire transfer of immediately available funds or by certified or bank treasurer’s check upon the Transfer of the Abandoned Interest.

6.6 Tax Limitation. Notwithstanding anything to the contrary contained herein, no Transfer of, or Lien on, any interest in the Company shall be permitted if such Transfer or Lien would cause the

Company to be treated as an association taxable as a corporation for federal income tax purposes, including pursuant to Code Section 7704.

6.7 Holder of Record. The Company shall be entitled to treat the record owner of Units as the absolute owner thereof in all respects, and shall incur no liability for distributions of cash or other property made in good faith to such owner until such time as (i) a written assignment of such Units has been received and accepted by the Company in accordance with the terms and conditions set forth in this Agreement, and (ii) the Transferee has been admitted as a Member of the Company and has fulfilled the terms and conditions of Section 6.1. In the absence of the substitution (as provided herein) of a Member for any Transferring Member, any payment to a Member, or any trustee in bankruptcy in accordance with the terms of this Agreement, shall acquit the Company and all other Members of all liability to any other Persons who may be interested in such payment by reason of any purported Transfer by such Member. In addition to and not in limitation of any other legal or equitable remedies which it may have, the Company and any of its Members may enforce its rights hereunder by actions for specific performance.

6.8 Tag-Along Rights.

(a) Delivery of Tag-Along Notice. Subject to the provisions of this Article VI, in the event that any Member(s) desires to Transfer Units which constitute a majority of all of the then issued and outstanding Units (the “Tag-Along Transferors”) to any one or more Persons in an arm’s length single transaction or series of related transactions, then the Tag-Along Transferors shall provide all other Members (the “Tag-Along Members”) with written notice (each, a “Transfer Notice”) of their intention to Transfer the Units, specifying in such Transfer Notice the identity of the proposed Transferee, the number of Units to be transferred, the purchase price therefor (the “Purchase Price”), and the terms (the “Transfer Terms”) of the proposed sale (the “Proposed Sale”).

(b) Tag-Along Right. Upon receipt of a Transfer Notice, each Member that is not a Tag-Along Transferor, shall have a period of twenty (20) days (the “Tag-Along Exercise Period”) to exercise the right and option (the “Tag-Along Right”) to sell to the proposed Transferee in the Proposed Sale at a price and on terms equivalent to the per Unit Purchase Price and the Transfer Terms, up to that number of Units owned by such Tag-Along Member as shall equal the product of (i) a fraction, the numerator of which is the number of Tag-Along Units and the denominator of which is the aggregate number of Units owned of record as of the date of the Tag-Along Notice by the Tag-Along Transferors, multiplied by (ii) the number of Units owned or record by such Tag-Along Member as of the date of the Tag-Along Notice. Such written notice shall state the aggregate number of Units that such Tag-Along Member proposes to include in such Transfer.

(c) Exercise. If any Tag-Along Member exercises its rights pursuant to this Section 6.8, then Tag-Along Transferors will attempt to obtain from the proposed Transferee a commitment, for the benefit of each such Tag-Along Member, to purchase the number of Units that such Tag-Along Member proposes to include in such Transfer pursuant to this Section 6.8. To the extent Tag-Along Transferors cannot obtain such a commitment from such proposed Transferee for each of the Tag-Along Members, the Tag-Along Transferors and Tag-Along Members shall reduce the number of Units being sold by the Tag-Along Transferors and Tag-Along Members such that each Tag-Along Transferor and each Tag-Along Member sells a number of Units as is determined by multiplying (i) a fraction, the numerator of which is equal to the number of Units that such Tag-Along Transferor or such Tag-Along Member, as the case may be, would have sold if Tag-Along Transferors had obtained such commitments from such proposed Transferee, and the denominator of which is equal to the total

number of Units that would have been sold by all of such Tag-Along Transferors and all of such Tag-Along Members if Tag-Along Transferors had obtained such commitments from such proposed Transferee, multiplied by (ii) the total number of Units that such proposed Transferee is in fact acquiring from all Tag-Along Transferors and all Tag-Along Members. Anything in this Section to the contrary notwithstanding, each reduction shall be determined based on the amount to be distributed to each of the Tag-Along Transferors and each of the Tag-Along Members as if the proceeds were to be distributed pursuant to Section 5.5 at the time of such Transfer.

(d) Closing. The closing of the Transfer of the Units with respect to which rights have been exercised by a Tag-Along Member pursuant to this Section 6.8 is subject to, and will take place concurrently with, the closing of the Transfer of the Units by Tag-Along Transferors to the proposed Transferee. At such closing, each Tag-Along Member electing to Transfer Units shall deliver to the proposed Transferee, free and clear of all liens, the Units to be sold and shall receive in exchange therefor, the consideration to be paid by the proposed Transferee (but giving effect to the distribution priorities, if any, set forth in Section 5.5) in respect of such Units as described in the Tag-Along Notice.

(e) Subsequent Transfer. If any Tag-Along Transfer is not closed within six (6) months from the date of the Transfer Notice, with the same proposed Transferee and at the same or better Purchase Price and Transfer Terms than those set forth in the Transfer Notice, then prior to concluding any other proposed transfer of a majority of Units to any one or more Persons in a single transaction or series of related transactions, the Tag-Along Transferors shall be required to give all Members a new notice of their desire to transfer in accordance with the foregoing requirements and the foregoing procedures shall again be followed.

6.9 Drag-Along Rights.

(a) Following the expiration of the Tag-Along Exercise Period, the Tag-Along Transferors shall have a period of fifteen (15) days to elect by written notice to require all Members that did not exercise their Tag Along Right to participate in the proposed transaction (the “Drag-Along Right”) at a price and on terms equivalent to the per Unit Purchase Price and the Transfer Terms, provided that the liability of any Member for any breach of representations or covenants shall be joint but not several for any Member holding less than twenty percent (20%) of all Units outstanding.

(b) No Member participating in a Proposed Sale (a “Drag-Along Seller”) pursuant to the exercise of Drag Along Rights of the Tag-Along Transferors shall be required to make any representations and warranties other than those related to authority, ownership, and the ability to convey title to such Units, including, but not limited to, representations and warranties that (i) the Drag-Along Seller holds all right, title, and interest in and to the Units such Drag-Along Seller purports to hold, free and clear of all liens and encumbrances, (ii) the obligations of the Drag-Along Seller in connection with the transaction have been duly authorized, if applicable, (iii) the documents to be entered into by the Drag-Along Seller have been duly executed by the Drag-Along Seller and delivered to the acquirer and are enforceable (subject to customary limitations) against the Drag-Along Seller in accordance with their respective terms, and (iv) neither the execution and delivery of documents to be entered into by the Drag-Along Seller in connection with the transaction, nor the performance of the Drag-Along Seller’s obligations thereunder, will cause a breach or violation of the terms of any agreement to which

the Drag-Along Seller is a party, or any law or judgment, order, or decree of any court or governmental agency that applies to the Drag-Along Seller.

(c) A Drag-Along Seller is not required to agree (unless such Drag-Along Seller is a Manager, officer, or employee of the Company) to any restrictive covenant in connection with the Proposed Sale (including, without limitation, any covenant not to compete or covenant not to solicit customers, employees, or suppliers of any party to the Proposed Sale).

(d) A Drag-Along Seller is not liable for the breach of any representation, warranty, or covenant made by any other Person in connection with the Proposed Sale, other than the Company (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties, and covenants of the Company as well as breach by any Member of any identical representations, warranties, and covenants provided by all Members).

(e) A Drag-Along Seller's liability shall be limited to such Drag-Along Seller's applicable share of the proceeds from such Proposed Sale (as determined based on the respective proceeds payable to each Drag-Along Seller in connection with such Proposed Sale) but that in no event exceeds the amount of consideration otherwise payable to such Drag-Along Seller in connection with the Proposed Sale, except with respect to claims related to fraud by such Drag-Along Seller, the liability for which need not be limited as to such Drag-Along Seller.

(f) Upon the consummation of the Proposed Sale (i) each holder of the Units must receive the same form of consideration for their Units as is received by other holders in respect of their Units, and (ii) unless waived pursuant to the terms of this Agreement and as may be required by applicable law, the aggregate consideration receivable by all holders of the Units shall be allocated among the holders of Units giving effect to the distribution priorities set forth in Section 5.5.

(g) If any Proposed Sale is not closed within six (6) months from the date of the Transfer Notice, with the same proposed transferee and at the same or better Purchase Price and Transfer Terms than those set forth in the Transfer Notice, then prior to concluding any other proposed transfer of a majority of Units to any one or more Persons in a single transaction or series of related transactions, the Tag-Along Transferors shall be required to give all Members a new notice of their desire to transfer in accordance with the foregoing requirements and the foregoing procedures shall again be followed.

6.10 Redemption Upon Cannabis Event of Withdrawal. Upon the occurrence of a Cannabis Event of Withdrawal with respect to any Member, the Company shall have the right, exercisable at any time following the occurrence of such a Cannabis Event of Withdrawal, to redeem all of the applicable Member's Units for a purchase price equal to the book value of such Member's Units, as such book value is reasonably determined by the Company's then current certified public accounting firm.

ARTICLE VII BOOKS, ACCOUNTING AND TAX TREATMENT

7.1 Books and Records; Accounting. The Board shall keep or cause to be kept at the principal place of business of the Company (or at such other place as the Board shall determine in its sole discretion from time to time) true and complete books and records regarding the status of the business and financial condition of the Company. At a minimum, the Company shall keep (and, at the request

of a Member, shall deliver to such Member by United States Mail or by electronic mail, as requested by the Member) the following records:

(a) A copy of the Certificate and all amendments thereto;

(b) Copies of the Company's federal, state, and local income tax returns and financial statements for the six (6) most recent years, or, if such returns or statements were not prepared for any reason, copies of the information and statements provided to, or which should have been provided to, the Members to enable them to prepare their federal, state and local tax returns for such period. Tax returns and financial statements shall be prepared by a certified public accountant selected by the Board;

(c) Copies of the Agreement and all amendments thereto and copies of any written operating agreements no longer in effect;

(d) A writing setting forth the amount of cash, if any, and a statement of the agreed value of other property or services contributed by each Member and the times at which or the events upon the happening of which any additional Capital Contributions are to be made by each Member;

(e) A writing stating events, if any, upon the happening of which the Company is to be dissolved and its affairs wound up;

(f) Other writings, if any, prepared pursuant to a requirement in this Agreement or prepared according to requirements of the Act.

7.2 Financial Statements. The Company will send to all Members not more than ninety (90) days after the end of each Fiscal Year a financial report including a balance sheet and statements of income, changes in Member's equity and changes in cash flows, prepared in accordance with accounting principles used to prepare the Company's federal income tax return and a statement for each Member of its Capital Account. In addition, within sixty (60) days after the end of each calendar quarter the Company will provide the Members with unaudited financial statements. Notwithstanding the foregoing, the Board may, in its discretion, also provide an audited financial report and/or any other Company information to any Member.

7.3 Accounting Period. The Company's accounting period shall be the Fiscal Year.

7.4 Tax Treatment. The Members intend for the Company to be considered a partnership for federal income tax purposes and agree that the Company will be governed by the provisions of Subchapter K of the Code and the applicable Regulations promulgated thereunder. The Members are aware of the income tax consequences of the allocations made by Article V and hereby agree to be bound by the provisions of Article V in reporting their respective shares of Profits and Losses (and items thereof) for income tax purposes. The Board will undertake any and all actions necessary under the Code and the Regulations to ensure that the Company will be classified as a partnership for federal income tax purposes and will file or cause to be filed any elections that may be required (but only if required) under the Code and the Regulations in order to ensure that the Company will be classified as a partnership for federal income tax purposes.

7.5 Tax Returns; Partnership Representative.

(a) Preparation and Filing. The Board shall cause the preparation and timely filing of all tax returns required to be filed by the Company pursuant to the Code and all other tax returns deemed necessary and required in each jurisdiction in which the Company does business. Copies of such tax returns, or pertinent information therefrom, shall be furnished to each Member as soon as practical after the end of the Fiscal Year but in any event not more than ninety (90) days after the end of each Fiscal Year. The tax information provided to each Member shall include, without limitation, such Member's federal tax Schedule K-1.

(b) Partnership Representative.

(i) The Board shall, from time to time, designate a Person to serve as the "partnership representative" within the meaning of Code Section 6223 or any successor provision or similar provision of state or local tax law (the "Partnership Representative"). Each Member hereby consents to such designation and agrees that, upon the request of the Partnership Representative, such Member shall execute, certify, acknowledge, deliver, swear to, file, and record such documents as may be reasonably necessary or appropriate to evidence such consent.

(ii) The Partnership Representative shall have the right to take all actions authorized, permitted, or required by the Code (or any similar provision of state or local tax law) for such a "partnership representative," but subject to the restrictions and limitations set forth in this Agreement and subject to Board approval. Without limiting the generality of the foregoing, the Partnership Representative shall have the discretion to determine all matters, and shall be authorized to take any actions necessary, with respect to any audit, examination, or investigation (including any judicial or administrative proceedings) of the Company by any taxing authority and whether to make any available election under Code Sections 6221 through 6241 (or any successor provision or similar provision of state or local tax law) with respect to any audit or other examination of the Company relating to taxes; *provided, however*, that the Partnership Representative shall make any tax election requested in writing by a Majority of Members if such election does not materially increase the tax obligations of any other Member. If there is a deadlock between the Managers regarding any tax election or other material duty to be performed by the Partnership Representative, the Partnership Representative shall present the issue to the Company's accountants and follow the recommendation of such accountants. In making any recommendation hereunder, the Company's accountants shall consider the interests of the Company and all of the Members.

(iii) Each Member shall promptly, upon request, furnish to the Partnership Representative any information that the Partnership Representative may reasonably request in connection with (A) any tax election of the Company (and the Company's and such Member's compliance with any such election) or (B) any audit, examination, or investigation (including any judicial or administrative proceeding) of the Company by any taxing authority. Without limiting the foregoing, at the request of the Partnership Representative in connection with an adjustment of any item of income, gain, loss, deduction, or credit of the Company or any partnership in which the Company invests, directly or indirectly, each Member shall promptly file one or more amended returns in the manner contemplated by Code Section 6225(c) (or any successor provision or similar provision of state or local tax law) and pay any tax due with respect to such returns. If the Partnership Representative makes an election pursuant to Code Section 6226 (or any successor provision or similar provision of state or local tax law)

with respect to an “imputed underpayment,” each Member shall comply with the applicable requirements under the Code and applicable Regulations.

(iv) At the request of the Partnership Representative, each Member shall provide the Partnership Representative and the Company with any information available to such Member and with such representations, certificates, or forms relating to such Member (or its direct or indirect owners or account holders) and any other documentation, in each case, that the Partnership Representative determines are reasonably necessary to make an election under Code Section 6221(b)(1) (or any successor provision or similar provision of state or local tax law), to modify an “imputed underpayment” under Code Section 6225(c) (or any successor provision or similar provision of state or local tax law), or to take any other actions or make any elections allowed to be taken or made under Code Sections 6221 through 6241 (or any successor provision or similar provision of state or local tax law). Notwithstanding anything to the contrary in this Agreement, any information, representations, certificates, forms, or documentation so provided may be disclosed to any applicable taxing authority.

(v) In the event that the Company is responsible for the payment of any “imputed underpayment” in respect of an administrative adjustment pursuant to Code Section 6225(a) (or any successor provision or similar provision of state or local tax law), the Partnership Representative shall determine the treatment of, including the relative obligations of the Members with respect to any amounts paid by the Company to any taxing authority with respect to, such “imputed underpayment,” and each Member hereby agrees to satisfy in full such obligations as so determined. Notwithstanding anything to the contrary in this Agreement, the Partnership Representative may cause each Member (including any former Member) to return amounts distributed to such Member pursuant to this Agreement in order to satisfy in full any such obligation of such Member. Any distributions returned pursuant to this provision shall not be treated as Capital Contributions, but shall be treated as returns of distributions for all purposes of this Agreement.

(vi) The Partnership Representative shall have the right to retain professional assistance in respect of any audit of the Company, and all reasonable out-of-pocket expenses and fees incurred by the Partnership Representative on behalf of the Company shall be reimbursed by the Company.

(vii) The provisions of this Section 7.5(b) shall apply to all actions taken by the Partnership Representative in its capacity as such. The provisions of, and each Member’s obligations to comply with, the requirements of this Section 7.5(b) shall survive the Member’s ceasing to be a Member of the Company and/or the termination, dissolution and winding up of the Company.

ARTICLE VIII DISSOLUTION

8.1 Duration and Dissolution. The Company shall be dissolved and its affairs shall be wound up upon the first to occur of the following:

- (a) the determination by the Board to dissolve the Company with the consent of a Majority of Members; and

(b) the entry of a decree of judicial dissolution under Section 44 of the Act.

The Company shall not be dissolved or otherwise terminated by reason of any Member Bankruptcy, and the Company shall continue its existence as a limited liability company upon, during, and following any Member Bankruptcy.

8.2 Winding Up. Subject to the provisions of the Act and, unless otherwise required by law, the Board shall have the right to wind up the Company's affairs in accordance with Section 45 of the Act (and shall promptly do so upon dissolution of the Company in accordance with Section 43 or 44 of the Act) and shall also have the right to act as or appoint a liquidating trustee in connection therewith.

8.3 Distribution of Assets. Upon the winding up of the Company, once the Company has made payment of, or adequate provisions for, the debts, expenses, and obligations of the Company, the remaining assets of the Company shall be distributed to the Members in accordance with the terms of Section 5.5(f).

8.4 Certificate of Cancellation. Upon the completion of the winding up of the Company and the distribution of the Company's assets, the Company shall be terminated and the Board shall cause the Company to execute and file a Certificate of Cancellation in accordance with Section 14 of the Act.

ARTICLE IX EXCULPATION AND INDEMNIFICATION

9.1 Exculpation. Notwithstanding any other provisions of this Agreement, whether express or implied, or obligation or duty at law or in equity, none of (i) the Managers, (ii) the Members, or (iii) any of their respective officers, directors, stockholders, partners, members, employees, representatives, or agents, or (iii) any director, officer, employee, or representative, or any agent of the Company or any of its affiliates (each individually, an "Indemnified Person" and collectively, the "Indemnified Persons") shall be liable to the Company or any other Person for any act or omission (in relation to the Company, this Agreement, any related document or any transaction or investment contemplated hereby or thereby) taken or omitted in good faith by an Indemnified Person and in the reasonable belief that such act or omission is in or is not contrary to the best interests of the Company and is within the scope of authority granted to such Indemnified Person by this Agreement, *provided, however,* that such act or omission does not constitute fraud, willful misconduct, bad faith, or gross negligence.

9.2 Indemnification. To the fullest extent permitted by applicable law, the Company shall indemnify and hold harmless each of the Indemnified Persons from and against any and all losses, claims, demands, liabilities, expenses, judgments, fines, settlements, and other amounts arising from any and all claims, demands, actions, suits, or proceedings, civil, criminal, administrative or investigative, in which the Indemnified Person may be involved, or threatened to be involved, as a party or otherwise, by reason of its management of the affairs of the Company or which relates to or arises out of the Company or its property, business or affairs (a "Claim"). An Indemnified Person shall not be entitled to indemnification under this Section 9.2 with respect to any claim, issue or matter in which it has engaged in fraud, willful misconduct, bad faith, or gross negligence. The Company shall advance to any Indemnified Person reasonable attorneys' fees and other costs and expenses incurred in connection with the defense of any such Claim if the Indemnified Person agrees in writing before any such advancement that he, she, or it will reimburse the Company for such fees, costs, and

expenses to the extent that it is determined that he, she, or it was not entitled to indemnification under this Section 9.2.

9.3 Exclusions. The Company will not be liable to pay any Covered Loss or Covered Expense (each, an “Excluded Claim”):

(a) For which payment is actually made to or on behalf of the Indemnified Person under such Members’ and Manager’s liability insurance policy as may be maintained by the Company (except for any deductible under, or excess beyond the amount covered by, such insurance);

(b) For which the Indemnified Person is otherwise indemnified or reimbursed;

(c) With respect to a proceeding in which a final judgment or other final adjudication determines that the Indemnified Person is liable to the Company for breach of fiduciary duty by such person; or

(d) If a final judgment or other final adjudication determines that such payment is unlawful.

9.4 Notice to Company; Insurance. Promptly after receipt by the Indemnified Person of notice of the commencement of or the threat of commencement of any proceeding, the Indemnified Person will, if indemnification with respect thereto may be sought from the Company under this Article IX, notify the Company of the commencement thereof. If, at the time of the receipt of such notice, the Company has any Members’ and Managers’ liability insurance in effect, the Company will give prompt notice of the commencement of such proceeding to the insurer in accordance with the procedures set forth in the policy or policies in favor of the Indemnified Person. The Company will thereafter take all necessary or desirable action to cause such insurer to pay, on behalf of the Indemnified Person, any and all Covered Loss and Covered Expense payable as a result of such proceeding in accordance with the terms of such policies.

9.5 Indemnification Procedures.

(a) Payments on account of the Company’s indemnity against Covered Loss will be subject to the Company’s first determining that the Covered Loss results from a claim which is not an Excluded Claim. Such a determination will be made by a determination of the Managers not at the time parties to the proceeding. The determination required by this Section 9.5(a) will be made within sixty (60) days of the Indemnified Person’s written request for payment of a Loss, and if it is determined that the Covered Loss is not an Excluded Claim payment will be made forthwith thereafter.

(b) Payment of an Indemnified Person’s Covered Expenses in advance of the final disposition of any proceeding will be made within twenty (20) days of the Indemnified Person’s written request therefor. From time to time prior to the payment of Covered Expenses the Company may, but is not required to, determine (in accordance with Section 9.5(a)) whether the Covered Expenses claimed may reasonably be expected, upon final disposition of the proceeding, to constitute an Excluded Claim. If such a determination is pending, payment of the Indemnified Person’s Covered Expenses may be delayed up to sixty (60) days after the Indemnified Person’s written request therefor, and if it is determined that the Covered Expenses are not an Excluded Claim, payment will be made forthwith thereafter.

9.6 Settlement. The Company will have no obligation to indemnify the Indemnified Person under this Article IX for any amounts paid in settlement of any proceeding effected without the Company's prior written consent. The Company will not unreasonably withhold, condition, or delay its consent to any proposed settlement. The Company may consent to a settlement subject to the requirement that a determination thereafter will be made as to whether the proceeding involved an Excluded Claim or not.

9.7 Rights Not Exclusive. The rights provided hereunder will not be deemed exclusive of any other rights to which the Indemnified Person may be entitled under the Act, any agreement, vote of Members or of the disinterested Manager(s), or otherwise, both as to action in the Indemnified Person's official capacity and as to action in any other capacity while holding such position or office, and shall continue after the Indemnified Person ceases to serve the Company in an official capacity.

9.8 Enforcement.

(a) The Indemnified Person's right to indemnification hereunder will be enforceable by the Indemnified Person in any court of competent jurisdiction and will be enforceable notwithstanding that an adverse determination has been made as provided in Section 9.5.

(b) In the event that any action is instituted by the Indemnified Person under this Article IX to enforce or interpret any of the terms of this Article IX, the Indemnified Person will be entitled to be paid all court costs and expenses, including reasonable attorneys' fees, incurred by the Indemnified Person with respect to such action, unless the court determines that each of the material assertions made by the Indemnified Person as a basis for such action was not made in good faith or was frivolous.

9.9 Successors and Assigns. This Article IX will be (a) binding upon all successors and assigns of the Company (including any transferee of all or substantially all of its assets) and (b) binding on and inure to the benefit of the heirs, executors, administrators, and other personal representatives of the Indemnified Person. If the Company sells or otherwise transfers all or substantially all of its assets to a third party, the Company will, as a condition of such sale or other transfer, require such third party to assume and perform the obligations of the Company under this Article IX.

9.10 Amendment. No amendment of this Article IX will be effective as to an Indemnified Person without such Indemnified Person's written consent.

9.11 Acceptance by Indemnified Person. This Article IX will apply, and the benefits hereof will be available, to each Member and Manager of the Company who by accepting a respective position and serving on behalf of the Company will be deemed to have accepted the provisions of this Article IX and to have agreed to abide by the terms contained herein.

ARTICLE X MISCELLANEOUS

10.1 Power of Attorney. Each Member does hereby irrevocably constitute and appoint each of the Managers and any Person which becomes an additional or substituted Manager, and any of the foregoing acting alone, in each case with full power of substitution, his, her, or its true and lawful agent and attorney-in-fact, with full power and authority in his, her, or its name, place, and stead, to make, execute, acknowledge, swear to, attest, seal, deliver, file, register, and record such documents

and instruments as may be necessary, convenient, or advisable, in the sole discretion of any such attorney-in-fact, to carry out the provisions of this Agreement, including (a) such amendments to this Agreement and the Certificate as are necessary, convenient, or advisable as are described below or to admit to the Company any additional or Substitute Member or an additional or substituted Manager in accordance with the terms and provisions of this Agreement, (b) such documents and instruments as are necessary to cancel the Certificate, (c) an amended Certificate reflecting the terms of this Agreement, (d) all certificates and other instruments deemed necessary, convenient, or advisable by the Manager to permit the Company to become or to continue as a limited liability company wherein the Members have limited liability in the jurisdictions where the Company may be doing business, (e) all fictitious or assumed name certificates required or permitted to be filed on behalf of the Company, and (f) all other instruments which may be required or permitted by law to be filed on behalf of the Company. The foregoing power of attorney is coupled with an interest and shall be irrevocable and survive the death, dissolution, bankruptcy, or incapacity of any Member.

10.2 Title to Company Property. All Company Property shall be deemed to be owned by the Company as an entity, and no Member, individually, shall have any ownership of such property. The Company may hold any of its assets in its own name or in the name of its nominee, which nominee may be one or more trusts, corporations, individuals or other entities. Any property held by a nominee trust for the benefit of the Company shall, for purposes of this Agreement, be treated as if such property were directly owned by the Company.

10.3 Amendments to the Agreement. Amendments to this Agreement may be made from time to time upon the approval of the Board and a Majority of Members, except that no amendment may amend Section 5.5, eliminate any Member's rights to consent to or approve any action of the Company; or reduce any Units' share of the Company's Profits, Losses, or distributions without the consent of the adversely affected Members. However, the Board may amend this Agreement without the approval of the Members to (i) reflect changes validly made in the ownership of Units and the Capital Contributions of the Members, (ii) reflect a change in the name of the Company, (iii) make any change that is necessary to cure any ambiguity, to correct or supplement any provision of this Agreement that would be inconsistent with any other provision contained herein, in each case so long as such change does not adversely affect any Members in any material respect, and (iv) make a change that is necessary or desirable to satisfy any requirements, conditions, or guidelines in any opinion, directive, order, statute, ruling or regulation of any federal, state, or local governmental entity so long as such change is made in a manner which minimizes any adverse effect on the Members.

10.4 Successors, Counterparts. This Agreement (i) shall be a legal, valid, and binding agreement of the Company and the Members enforceable against the Company and each Member in accordance with its terms, and (ii) may be executed in several counterparts with the same effect as if the parties executing the several counterparts had all executed one counterpart.

10.5 Waiver of Action for Partition. Each Member irrevocably waives during the term of the Company any right that such Member has or may have to maintain any action for partition with respect to the Company Property.

10.6 Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts without giving effect to the principles of conflict of laws thereof. In particular, this Agreement shall be construed to the maximum extent possible to comply with all the terms and conditions of the Act. Each Member hereby irrevocably consents to the exclusive jurisdiction of the state courts of the

Commonwealth of Massachusetts in connection with any matter or dispute relating to or arising under this Agreement or relating to the affairs of the Company. Further, each of the parties to this Agreement hereby waives any and all rights such party may have to a trial by jury in connection with any such matter or dispute.

10.7 Severability. If it shall be determined by a court of competent jurisdiction that any provisions or wording of this Agreement shall be invalid or unenforceable under the Act or other applicable law, such invalidity or unenforceability shall not invalidate the entire Agreement. In that case, this Agreement shall be construed so as to limit any term or provision so as to make it enforceable or valid within the requirements of any applicable law, and, in the event such term or provisions cannot be so limited, this Agreement shall be construed to omit such invalid or unenforceable terms or provisions. If it shall be determined by a court of competent jurisdiction that any provision relating to the distributions and allocations of the Company or to any expenses payable by the Company is invalid or unenforceable, this Agreement shall be construed or interpreted so as (i) to make it enforceable or valid and (ii) to make the distributions and allocations as closely equivalent to those set forth in this Agreement as is permissible under applicable law.

10.8 Integration. This Agreement constitutes the entire agreement among the parties pertaining to the subject matter hereof, and supersedes all prior agreements and understanding pertaining thereto. No covenant shall affect or be deemed to interpret, change, or restrict the express provisions hereof.

10.9 Filings. Following the execution and delivery of this Agreement, the Board shall promptly prepare or cause to be prepared any documents required to be filed and recorded under the Act and shall promptly cause each such document to be filed and recorded in accordance with the Act and, to the extent required by applicable law, to be filed and recorded or notice thereof to be published in the appropriate place in each jurisdiction in which the Company may hereafter establish a place of business. The Board shall also promptly cause to be filed, recorded, and published such statements of fictitious business name and any other notices, certificates, statements, or other instruments required by any provision of any applicable law of the United States or any state or other jurisdiction which governs the conduct of its business from time to time.

DAZED HOLYOKE, MA

"Our Holyoke MA store has been open since August 27, 2021. Prior to construction, the building was dilapidated, the roof was open to the outside elements, there were birds living inside, and the exterior was in terrible shape."

DAZED HOLYOKE, MA

“Since opening, we pumped new life into a previously vacant property and hired locally. Holyoke has been deemed by the state to have been disproportionately affected by the war on drugs. Upholding our commitment to positive impact in an area has been vocalized by the CCC as ‘beyond exceptional.’ Additionally, 23 of our 25 employees identify as minority with 15 being women. The Company shall refuse to sell marijuana to any registered qualifying patient or personal caregiver who is unable to produce a registration card and valid proof of identification, or who does not have a valid certification. The Company shall additionally provide a patient consultation area, an area that is separate from the sales floor to allow for confidential visual and auditory consultation with qualifying patients. Such consultation area shall have signage stating “Consultation Area”, be separate from the sales area, and accessible by a qualifying patient or caregiver without having to traverse a limited access area.

If the Company determines that a product must be discontinued, or it is unreasonably impracticable to continue to stock those products, a reasonable substitution shall be made pursuant to this policy. In the event that a substitution must be made, the substitution shall reflect, as closely as reasonably practicable, the type and strain no longer available.
4. On a quarterly basis, the Company shall submit to the Commission an inventory plan to reserve a sufficient quantity and variety of marijuana products for registered patients, based on reasonably anticipated patient needs as documented by sales records over the preceding six (6) months. 5. Marijuana products reserved for patient supply shall be either maintained on site at the retailer or easily accessible at another Company location.

6.
