Council approves making One-Way Broadway permanent

By Adam Swift

The City Council approved making the One-Way Broadway shared bike and bus lane pilot program permanent at its Monday night meeting.

The pilot program was approved in 2020, and includes one lane of vehicular traffic with a shared bike/bus lane on Broadway between Fifth Street and Everett Avenue.

Council President Roy Avellaneda cast the lone vote against making the bus lane permanent, after an amendment he proposed to limit the hours of the bus lane to 5 a.m. to 10 a.m. from Monday through Saturday was narrowly defeated. Councilors Giovanni Recupero and Judith Garcia were not present at Monday night’s meeting.

“I have several issues with the bus lane itself, but that being said, there are some ways to make some adjustments and some concessions on this topic,” said Avellaneda speaking on his proposed amendment. “I think most other communities have implemented bus lanes to encourage bus lane use in the downtown area when it is in fact needed the most and when it would make the most impact for those using it and want to have a faster ride into town. For that reason, I am copying what other communities have done.”

Councilor-At-Large Damali Vidot noted that there have been two sub-committee meetings on the bus lane program, and that she didn’t understand why making it permanent was running into opposition.

“The data continues to show that this is safer,” said Vidot. “The data that was provided to us tells us that we have 64 percent less accidents as a result of having this bus lane and travel lane.”

Vidot said she under-

stood that there could be ways to tweak the bus lane and make it better, but overall, she said she supported it because it increased public safety and promoted more forms of transportation in the city.

District 1 Councilor Todd Taylor said he agreed that the data showed fewer crashes along the Broadway corridor, and also noted that a survey found a majority of both Spanish- and English-speaking residents of Chelsea in favor of keeping the bus lane program as is.

“I think it is clear that most of the people in this city want to keep the bus lane as it is,” said Taylor. “It is a safer option, and I also agree with the City Manager that there is no real public policy reason to change the existing pilot program and not make it permanent. I think the statistics bear that out.”

District 8 Councilor Calvin Brown agreed that the city should be promoting safer alternatives as well as providing better options for commuters with the bus lane.

Avellaneda’s amendment failed by a 5-4 vote, with councilors Melinda Vega-Maldonado, Norieliz De Jesus, and Tanairi Garcia voting alongside the council president.

After the defeat of the amendment, Avellaneda said he would not vote for the motion as presented, and cited issues with City Manager Thomas Ambrosino’s push for increased safety when he said the administration has failed in the past to take steps to make Broadway safer.

“For as long as I remember, all I asked for was for downtown to have lights at the intersections of 4th and Broadway and 3rd and Broadway, and that would have made Broadway safer,” said Avellaneda. “But I would almost, daresay, that it was purposely not imple-

mented because of cost or because they so much needed to have a one-lane downtown Broadway.”

Avellaneda also noted that the bus lane hurts businesses on Broadway, and that the data shows there continues to be increases in rideshares and registered cars in the city.

“The dependency on vehicles has not decreased,” he said. “Parents say it is harder to drop off kids and go to work, and while we are making all the cars not go downtown, it’s hurting the businesses. There seems to be a real disconnect between this administration and the businesses downtown.”

Avellaneda added that the MBTA’s service to the city has been subpar and that they have not picked up the slack to help those most in need in the community.

Vidot said she could not understand Avellaneda’s aggressive stance against Ambrosino and his administration on the bus issue.

“We can disagree as councilors, I get that, but I want to bring to the table that the City Manager recently forwarded an email to the City Council sent to him by the president where he was berating him; it was a nasty email,” said Vidot. “It was not a way we should be talking to each other if we want to come to a consensus and really represent the community.”

Taylor conceded that while Avellaneda made some good points about safety, he added that the data shows the Broadway corridor is safer now, and that the council was not voting on past recommendations.

“I don’t see a clamoring for this to change,” said Taylor. “The survey speaks for itself. Of course, you are going to get complaints, but you are going to get complaints about everything.”

burdensome social obligations. Meanwhile, Cecily and Gwendolen are both in love with the same mythical suitor. When all four arrive at Jack’s country house on the same weekend, it soon is bedlam. Originally produced in 1895, this high farce with its clever dialogue, wry wit, and elaborate plot twists is Oscar Wilde’s most enduring and popular work.

ON THE CAMPAIGN TRAIL

MAURA HEALEY ENDORSES JUDITH GARCÍA

Gubernatorial candidate Maura Healey recently announced her support for Chelsea City Councilor Judith Garcia’s state representative campaign. The news comes after both candidates won their Democratic primaries on September 6.

Healey has more than 15 years of experience in public service, including two terms as the Massachusetts attorney general. She announced her campaign for governor in January 2022, promising to invest in housing, public transportation, the clean energy economy, and job training for Massachusetts.

“As Massachusetts faces challenges like curbing our carbon emissions, combatting homelessness, protecting reproductive rights, and expanding worker protections, I know Judith will deliver results for her community and the entire state,” Healey said in her endorsement statement.

Since announcing her candidacy for state representative in February of 2022, García has vowed to advocate for working families and to tackle the issues that affect them most. Throughout her seven years on the Chelsea City Council, she has championed issues ranging from affordable housing to access to education and environmental justice. During the most intense COVID-19 lockdowns,

Garcia led recovery and response efforts in the city, spearheading the creation of \$1.5M emergency relief fund for small businesses, securing a \$25k relief fund for burial costs for Covid-19 victims, and raised \$10k for Chelsea’s food pantry.

“Maura Healey is a fantastic leader and a great person,” García said. “I

admire the innovation and boldness she has brought to her positions and campaign, and I am honored to accept her endorsement.”

García faces two opponents in the Democratic Primary in the 11th Suffolk district’s race for state representative, which will be on September 6th, 2022.

TODD TAYLOR ON THE CAMPAIGN TRAIL

District 1 City Councilor Todd Taylor is waging an energetic and highly visible campaign for state representative in the Nov. 8 election. In the photo above, Taylor is pictured with his many supporters during a sign-holding event in Bellingham Square.

Re: Plan to Remain Compliant

JOLO CAN LLC dba Harbor House Collective ("Harbor House") is committed to compliance at all levels and has taken steps to remain compliant both in the Commonwealth of Massachusetts and in the City of Chelsea. The company has retained the services of Foley Hoag, Vicente Sederberg, Georges Cote Law, and Cohen Cleary to advise and guide Harbor House in its goals to remain compliant.

Harbor House tracks the expiration and renewal dates of its current permits and licenses below and prepares in advance of each deadline to ensure prompt renewal:

- Host Community Agreement executed with the City of Chelsea as of June 27, 2018 for an initial 5 year term, amended on August 18, 2022
- City of Chelsea Business License, expiring 3/24/25
- MC281502/MR281308/MP281369 Cannabis Licenses, expiring 1/20/23
- Occupancy Permit, issued 3/22/21
- City of Chelsea Marijuana Establishment License expiring 9/30/23
- SDO Certification (MBE), renewing on 5/20/2024

Throughout the Medical Marijuana Treatment Center (MTC) licensing process, Harbor House has identified and/or met the below objectives as listed:

- Host Community Agreement amended to include medical marijuana operations on 8/18/22
- Confirmed with City of Chelsea Zoning Board of Appeals that there is no zoning modification needed to conduct medical operations 10/11/22*
- City of Chelsea Licensing approved medical modification to existing marijuana license on 12/8/22
- Proposed updated marijuana license would carry the same expiration date of the current marijuana license of 9/30/23.

To ensure ongoing compliance, Harbor House will:

- Store all licenses and permits in its own binder/folder for inspection and examination, as well as posted at all required entrances of the facility
- Maintain a compliance calendar each year with relevant renewal dates and deadlines for each permitting and licensure submission
- Regularly examine submission dates for ancillary requirements (ie. Certificates of Good Standing, tax filings, etc)
- Address any and all other requirements and deadlines as necessary or required

*The City of Chelsea adopted a zoning ordinance allowing marijuana establishments to open in certain zones by special permit (Chapter 34 of the Chelsea Code of Ordinances). Harbor House currently holds a special permit to operate a Marijuana Cultivator, Marijuana Product Manufacturer, and Marijuana Retailer in the Industrial Zone that 80 Eastern Avenue is located within. A major site plan review and a security and access plan were submitted and approved per Chelsea Code of Ordinances Chapter 34 Sec.34-215. As confirmed with the City Solicitor and Zoning Board of Appeals on 10/11/22, the City of Chelsea Code of Ordinances does not require any additional special permit nor amended special permit for Medical Marijuana Treatment Centers in the Industrial Zone located at 80 Eastern Avenue.

Positive Impact Goals

JOLO CAN LLC dba Harbor House Collective (“HHC”) is dedicated to serving and supporting populations falling within areas of disproportionate impact, which the Commission has identified as the following:

1. Past or present residents of the geographic “areas of disproportionate impact,” which have been defined by the Commission and identified in its Guidance for Identifying Areas of Disproportionate Impact;
2. Commission-designated Economic Empowerment Priority applicants;
3. Commission-designated Social Equity Program participants;
4. Massachusetts residents who have past drug convictions; and
5. Massachusetts residents with parents or spouses who have drug convictions.

To support such populations, HHC has created the following Plan to Positively Impact Areas of Disproportionate Impact and has identified and created goals/programs to positively impact Chelsea and Revere. HHC will aim to positively impact the community by providing employment opportunities, training, and education through real-life experience to both residents of Chelsea and Revere, with the goal of providing opportunities for professional development within the cannabis industry. More specifically, our goals are as follows:

- Maintain a staff comprised 51% or more of employees who are Chelsea or Revere or designated tracts of Boston residents by year 5 of operations and thereafter; and
- Ensure that no fewer than two (2) employees who are Chelsea or Revere residents at any given time are under professional development and training.

Positive Impact Programs

HHC will direct its efforts towards Chelsea and Revere residents in three avenues: offering job opportunities through local organizations, targeted professional development, and service to the local community.

Local Organizations

HHC intends to identify and partner with community organizations, such as Roca Chelsea, to assist the company in identifying residents from Chelsea and Revere who are interested in exploring employment opportunities in the cannabis industry and may also have a marijuana-related CORI or have a relative or spouse with drug convictions. Roca Chelsea has directed HHC

job opportunities to its Young Mothers program, where HHC hopes to make the most impact. HHC will also be making a financial commitment to Roca Chelsea. This arrangement has been accepted by Roca Chelsea, as evidenced by their letter of support. The full extent of HHC and Roca Chelsea's relationship is as follows:

- All external job opportunities are offered to Roca Chelsea before other avenues
- \$10,000 donation pledged per year
- Participation at the annual Roca Job Fair
- HHC to discuss upcoming volunteer opportunities and is prepared to offer 40 hours of volunteer hours per year

Professional Development

HHC will be adopting a targeted approach to education, development, and training, where several employees (with specific priority given to Chelsea/Revere residents as well as Commission-designated Economic Empowerment and Social Equity Program participants) will undergo a professional development tract that is intended to provide equitable qualifications for further promotion and advancement.

This training program will be HHC's most effective tool for removing barriers to entry to the cannabis industry for residents of Chelsea and Revere and Commission-designated program participants. No fewer than two (2) employees meeting these qualifications will be granted this opportunity annually. Through an exhaustive 90-day professional development plan, applicants are given a structured approach to learn in-depth about their functional department as well as the industry at large, receive hands-on training from industry veterans, with the goal of assuming ownership of the processes they are learning. Training will be provided at least every 30 days during the 90 day development period.

At the conclusion of the training, participants will be given guidance and mentoring to further their careers at HHC and/or the industry at large. Exemplary completion of the training will be given prioritized consideration for advancement opportunities and leadership roles. With education and experience, training program members will gain a greater understanding of the industry and HHC, and in turn further their success in their current roles and provide equitable growth.

This training program will help build a pipeline of well-qualified individuals from Chelsea and Revere and Commission-designated programs and entrench HHC as a community partner in practical cannabis education. The training program will be reevaluated annually based on our capacity and needs, with the short-term goal of providing education and training to local employees and Commission-designated program participants, through several skills-based positions, and a long-term goal of providing opportunity for leadership positions and different functional roles within adult-use cannabis.

Community Service

HHC has partnered with a local organization, Clark Ave Creative, to commit volunteer hours for their Fall and Spring Planting events. Since HHC has an abundance of cultivation experience, volunteers will assist Clark Ave Creative with fixing up and planting flowers along Broadway Avenue, Chelsea, MA. As aforementioned, the planting events will be twice a year, spanning about 3 hours per person. HHC aims to be a positive member of the community and contribute to the beautification and upkeep of the City.

Positive Impact Measurement

During license renewal each year, HHC will assess the success and efficacy of its Positive Impact goals and initiatives.

First, in tandem with its community organization partners, HHC will track the employment applications derived from each organization, with the intention that applications steadily increase during HHC's first 5 years of operation. HHC will also record and document its selection of job placement and avenues of recruitment. This process will include recording and following-up with residents of Chelsea and Revere who express interest in employment opportunities at HHC through various local, targeted recruitment avenues. HHC will document how many of these Chelsea and Revere residents ultimately apply for either full-time positions or part-time positions. This documentation will enable HHC to measure its reach and interest in the community.

The professional development programs will be evaluated annually, and HHC will document any employees from Chelsea or Revere or Commission-designated program participants who undergo development (no fewer than two annually) and successfully advance within HHC.

HHC's long-term goal is a minimum of 51% local (i.e., residents of Chelsea and Revere) employment across the entire company by year 5 of operations. The Human Resources Administrator will oversee progress toward this long-term hiring goal by obtaining, at least annually, employee data through self-identifying surveys. This will permit the Human Resources Administrator to measure HHC's progress toward its hiring goals and assess its overall Plan to Positively Impact Areas of Disproportionate Impact. The Human Resources Administrator will annually report progress to the executive team and ensure that HHC meets its long-term hiring goal. The progress or success of this goal will be documented upon renewal of licenses each year. Furthermore, the Human Resources Administrator is responsible for ensuring that HHC meets the following intermediate goals in years 1-4 of operation:

Commencement of Adult-Use Operations (May 2021): Minimum 25% of employees comprised of Chelsea or Revere residents.

End of Year 1 (First Renewal, January 2022): Minimum 30% of employees comprised of Chelsea or Revere residents.

End of Year 2 (Second Renewal, January 2023): Minimum 35% of employees comprised of Chelsea or Revere residents.

End of Year 3, First Medical Renewal (Third Renewal, January 2024): Minimum 40% of employees comprised of Chelsea or Revere residents.

End of Year 4 (Fourth Renewal, January 2025): Minimum 45% of employees comprised of Chelsea or Revere residents.

End of Year 5 (Fifth Renewal, January 2026): Minimum of 51% of employees comprised of Chelsea or Revere residents.

These short-term metrics and oversight by the Human Resources Administrator will ensure that HHC is regularly evaluating progress toward its hiring goals and employing corrective actions if intermediary targets are not met.

Positive Impact Plan Acknowledgments

This plan acknowledges that the progress or success of its plan must be documented upon renewal (one year from provisional licensure, and each year thereafter).

HHC pledges to adhere to the requirements set forth in 935 CMR 501.105(4)(a) which provides the permitted advertising, branding, marketing, and sponsorship practices for all Marijuana Establishments. HHC likewise pledges not to employ any of the prohibited practices articulated in 935 CMR 501.105(4)(b). Finally, none of the actions taken or programs instituted by JOLO CAN will violate the Commission's regulations with respect to limitations on ownership or control or any other applicable state laws.

Conclusion

HHC will continue to target and prioritize diverse and areas of disproportionate impact as we expand our employment opportunities. As of January 2023, Harbor House Collective currently employs 49% residents of Chelsea or Revere.

Job offerings were listed via Roca Chelsea, Indeed, Vangst, diversityworking.com, MassHire, Veterans Association, Dept. Of Transitional Assistance, The Neighborhood Developers, Dept. Of Housing and Community Development, Elevate NE, posted in the Chelsea Library, and HHC met with the City of Chelsea manager and councilors to partner with Good Jobs Coalition. HHC will continue to use these establishments for future positions.

Currently, HHC has upwards to 10 residents of Chelsea or Revere who have undergone development and training and have ascended to supervisory or lead positions. Additionally, there are 2 Social Equity and/or Economic Empowerment employees in current development.

WHEREAS, the Original Members and the other Members made parties hereto wish to set forth the respective rights and obligations of the Members and to provide for the governance and management of the Company and its affairs and for the conduct of the business of the Company; and

NOW, THEREFORE, in consideration of the premises, representations and warranties and the mutual covenants and agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Members hereby agree as follows:

The Certificate of Organization may be amended or restated with respect to the address of the registered office of the Company in Massachusetts, the name and address of its registered agent in Massachusetts or to make corrections as may be required by the Massachusetts Act as provided in the Massachusetts Act. The Members hereby agree to continue the Company as a limited liability company under and pursuant to the provisions of the Massachusetts Act and agree that the rights, duties and liabilities of the Members shall be as provided in the Massachusetts Act, except as otherwise provided herein.

(b) The Company shall at all times have all rights in and to the Company name. The Company may use the Company name or any portion thereof in connection with any other partnership, limited liability company or business activity entered into by the Company. Upon the dissolution of the Company pursuant to the provisions of Article 12 or otherwise, except as otherwise provided herein or by applicable law, or by Manager Approval, no further business shall be done in the Company name except for the completion of any transactions in process and the taking of such action as shall be necessary for the performance and discharge of the obligations of the Company, the winding up and liquidation of its affairs and the distribution of its assets.

Section 2.3 Principal Place of Business; Agent for Service of Process.

(a) The principal office and place of business of the Company shall initially be 80 Eastern Ave., Chelsea Massachusetts 02150, or such other address as may be determined from time to time by Manager Approval.

(b) The registered office of the Company in The Commonwealth of Massachusetts shall be 80 Eastern Ave., Chelsea Massachusetts 02150, and the registered agent for service of process on the Company pursuant to the Massachusetts Act shall initially be Miguel F. Londono or, in either case, as may be designated by Manager Approval.

Section 2.4 Qualification in Other Jurisdictions.

The Managers shall cause the Company to be qualified or registered under applicable laws of any jurisdiction in which the Company owns property or engages in activities and shall be authorized to execute, deliver and file any certificates and documents necessary to effect such qualification or registration, including, without limitation, the appointment of agents for service of process in such jurisdictions, if such qualification or registration is necessary or desirable to permit the Company to own property and engage in the Company’s business in such jurisdictions.

Section 2.5 Purposes and Powers of the Company.

The purposes of the Company are to engage in any lawful business, purpose or activity for which limited liability companies may be organized under the Massachusetts Act.

ARTICLE 3.
TERMS AND CONDITIONS APPLICABLE TO MEMBERS

Section 3.1 Members.

The Members of the Company shall be the Persons identified on Schedule A hereto, as may be amended from time to time, each of whom shall be a “Member” within the meaning of the Massachusetts Act. The name, mailing address, and email address of each Member shall be as listed in Schedule A. Each Member shall promptly notify the Company of any change in the information required to be set forth for such Member on Schedule A. Any Manager may update Schedule A from time to time as necessary to accurately reflect the information therein. Any such revision to Schedule A shall not be deemed an amendment to this Agreement. Any reference in this Agreement to Schedule A shall be deemed a reference to Schedule A as in effect from time to time. The Members shall have only such rights with respect to the Company as specifically provided in this Agreement and as required by the Massachusetts Act (other than waivable provisions of the Massachusetts Act that conflict with the rights expressly granted to such Members under this Agreement). No Person shall be admitted as a new Member of the Company unless and until the Board of Managers has approved the admission of such Person as a new Member and such Person has executed this Agreement or a counterpart hereto and such other documents or agreements as the Board of Managers may request reasonably in connection with such admission.

Section 3.2 Limited Liability Company Interests Generally.

Except as otherwise specifically provided herein, no Member shall (i) be entitled to receive any interest or other return on such Member’s Capital Contributions, (ii) be entitled to withdraw all or any portion of any Capital Contribution or to receive any distribution from the Company, (iii) have the status of a creditor with respect to distributions from the Company, (iv) have the right to demand or receive property other than cash in return for its Capital Contributions, or (v) have any priority over any other Member with respect to the return of Capital Contributions, allocations of profits and losses or distributions. No property of the Company shall be deemed to be owned by any Member individually, but shall be owned by and title thereto shall be vested solely in the Company. The Units shall constitute personal property. The rights and interest of each Member in and to the future profits and income of the Company are limited to those set forth in this Agreement.

Section 3.3 Voting and Management Rights.

(a) No Member, in his, her, or its capacity as such, shall have (i) the right to vote or to participate in the management, operation or control of the business affairs of the Company or to vote to have the Company dissolved and its affairs wound up, except as expressly provided for herein, or (ii) any right, power or authority to transact any business in the name of the Company, to act for or on behalf of the Company or in its name, or to bind the Company.

(b) Except as otherwise expressly provided herein, no action of the Company or the Managers shall require approval by the Members. To the fullest extent permitted by the Massachusetts Act, to the extent that the Massachusetts Act would require a consent or approval

by the Members, the consent or approval of the Managers pursuant to the terms of this Agreement shall be sufficient and no consent or approval by the Members shall be required.

(c) Whenever action is required or permitted by this Agreement to be taken by the Members, including any consent or approval thereof, unless otherwise specified herein, such action shall be deemed valid if and only if taken by Member Approval.

Section 3.4 Liability of Members.

(a) A Member who receives a distribution made in violation of the Massachusetts Act shall be liable to the Company for the amount of such distribution to the extent, and only to the extent, provided by the Massachusetts Act.

(b) Except as provided under the Massachusetts Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Member shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Member. Without limiting the foregoing, (i) no Member in its capacity as such shall have any liability to restore any negative balance in such Member's Capital Account and (ii) the failure of the Company to observe any formalities or requirements relating to exercise of the Company's powers or management of its business or affairs under this Agreement or the Massachusetts Act shall not be grounds for imposing personal liability on any Member for liabilities of the Company.

Section 3.5 Powers of Members.

Except as otherwise expressly provided herein, no Member shall in his or her capacity as a Member take part in the day-to-day management, operation or control of the business and affairs of the Company or have any right, power or authority to transact any business in the name of the Company or to act for, or on behalf of, or to bind the Company.

Section 3.6 No Right to Division of Assets.

Each Member waives all rights, at law, in equity or otherwise, to require a partition or division into individually owned interests of all or any portion of the assets of the Company.

Section 3.7 Member's Investment.

Each Member hereby represents and warrants to the Company and acknowledges that (a) it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of an investment in the Company and making an informed investment decision with respect thereto, (b) it is able to bear the economic and financial risk of an investment in the Company for an indefinite period of time and understands that, except in connection with a Permitted Transfer in accordance with the applicable terms of this Agreement, it has no right to withdraw and/or have its Units repurchased by the Company, (c) it has acquired or is acquiring Units in the Company for investment only and not with a view to, or for resale in connection with, any distribution to the public or public offering thereof, (d) it understands that the Units in the Company have not been registered under the securities laws of any jurisdiction and cannot be disposed of unless they are subsequently registered and/or qualified under applicable securities

laws, or in accordance with an applicable exemption therefrom, and the provisions of this Agreement have been complied with, and (e) the execution, delivery and performance of this Agreement does not require it to obtain any consent or approval that has not been obtained and do not contravene or result in a default under any provision of any existing law or regulation applicable to it, any provision of its charter, by-laws or other governing documents (if applicable) or any agreement or instrument to which it is a party or by which it is bound.

ARTICLE 4. CAPITAL STRUCTURE

Section 4.1 Units.

The Members' share of the profits and losses of the Company and their right to receive distributions of the Company's assets, as well as certain other rights of the Members in the Company (which rights, collectively shall be the equivalent of each such Member's "limited liability company interest" in respect of the Company under the Massachusetts Act), shall be represented by "Units" (each, a "Unit" and, collectively, the "Units").

Section 4.2 Authorized Capital.

(a) The total number of Units that the Company shall have the authority to issue is 1,000,000, all of which are hereby designated as Common Units.

(b) Subject to the restrictions set forth herein, any unissued Units shall be available for issuance as may be authorized by the Board of Managers from time to time pursuant to, and in accordance with, the terms and conditions of an Investor Unit Subscription Agreement.

(c) The Board of Managers may authorize the Company to create and, for such consideration as the Board of Managers may deem appropriate, issue such Units or additional classes or series of Units, having such designations, preferences and relative, participating or other special rights, powers and duties, as the Board of Managers shall determine, including, without limitation: (i) the right of any such class or series of Units to share in distributions from the Company; (ii) the allocation to any such class or series of Units of items of Company income, gains, losses and deductions; (iii) the rights of any such class or series of Units upon dissolution or liquidation of the Company; and (iv) the right of any such class or series of Units to vote on matters relating to the Company and this Agreement. The Members understand and agree that rights afforded to any additional classes or series of Units (including, without limitation, rights to distributions from the Company) may result in a reduction and/or dilution in the rights of then outstanding Units. The Board of Managers may, subject to Article 8 and Section 15.3 of this Agreement, amend any provision of this Agreement, and authorize any Person to execute, swear to, acknowledge, deliver, file and record, if required, such documents, to the extent necessary or desirable to reflect the admission of any additional Member to the Company or the authorization and issuance of such class or series of Units, and the related rights and preferences thereof.

Section 4.3 Incentive Units

(a) If the Board of Managers intends that the grant of Common Units to a Person providing services to the Company qualify as a "profits interest" for tax purposes (each

such Common Unit, an “Incentive Unit”), the Company and each Member agree to treat such Incentive Units as a separate “profits interest” within the meaning of Rev. Proc. 93-27, 1993-2 C.B. 343 or any future Internal Revenue Service guidance or other authority that supplements or supersedes the foregoing Revenue Procedure, and it is the intention of the Members that distributions to each Incentive Unit under this Agreement, including pursuant to Article 7 and Article 12, shall be limited to the extent necessary so that the Incentive Units of such Member qualify as a “profits interest” under Rev. Proc. 93-27, and this Agreement shall be interpreted accordingly.

(b) Upon the grant of Incentive Units to a Member in connection with the performance of services by such Member, the Gross Asset Value of all Company assets shall be adjusted to equal their respective gross Fair Market Values, as provided in the definition of Gross Asset Value, and the Company’s Profit and Company’s Loss arising from such adjustment shall be allocated to the existing Members in accordance with the Allocation Exhibit. The foregoing is intended to reflect the intent of the parties hereto that such grant (aside from the portion of the new interest acquired in exchange for any Capital Contribution made by such Member) shall be treated as the issuance of a profits interest for United States federal income tax purposes.

(c) In connection with the issuance of any Incentive Unit, the Board of Managers shall set a threshold dollar amount with respect to such Incentive Unit (each, “Threshold Amount”). The Threshold Amount with respect to each Incentive Unit will be determined by the Board of Managers and will be an amount equal to the value of each Common Unit that is not an Incentive Unit as of the grant of such Incentive Unit, determined based upon the amount of distributions that the holders of such a Common Unit would be entitled to receive in a hypothetical liquidation of the Company on the date of issuance of such Incentive Unit in which the Company sold its assets for their Fair Market Value, satisfied its liabilities (excluding any nonrecourse liabilities to the extent the balance of such liabilities exceeds the Fair Market Value of the assets that secure them) and distributed the net proceeds to the holders of Units in liquidation of the Company. The determination of the Board of Managers of the Threshold Amount shall be final, conclusive and binding on all Members.

(d) In accordance with Rev. Proc. 2001-43, 2001-2 CB 191, the Company shall treat a Member holding Incentive Units as the owner of such Incentive Units from the date they are granted, and shall file its Internal Revenue Service Form 1065, and issue appropriate Schedule K-1s to such Member, allocating to such Member his or her distributive share of all items of income, gain, loss, deduction and credit associated with such Incentive Units as if they were fully vested. Each Member agrees to take into account such distributive share in computing his or her United States federal income tax liability for the entire period during which he or she holds any Incentive Units. The Company and each Member agree not to claim a deduction (as wages, compensation or otherwise) for the fair market value of such Incentive Units issued to a Member, either at the time of grant of the Incentive Units or at the time the Incentive Units become substantially vested. The undertakings contained in this paragraph shall be construed in accordance with Section 4 of Rev. Proc. 2001-43.

(e) The Board of Managers shall have the right to amend this Agreement without the approval of any Member upon publication of final regulations in the Federal Register (or other official pronouncement) to (i) direct and authorize the election of a “safe harbor” under

Proposed Treasury Regulation Section 1.83-3(l) (or any similar provision) under which the fair market value of a membership interest that is transferred in connection with the performance of services is treated as being equal to the liquidation value of that interest, (ii) to provide for an agreement by the Company and all of its Members to comply with all the requirements set forth in such regulations and Notice 2005-43 (and any other guidance provided by the Internal Revenue Service with respect to such election) with respect to all interests transferred in connection with the performance of services while the election remains effective, and (iii) to provide for any other related amendments; provided, in any case that (x) such amendment shall not change the relative economic interest of the Members, reduce any Member's share of distributions, or increase any Member's liability hereunder and (y) the Company shall provide a copy of such amendment to the Members at least ten (10) days prior to the effective date of any such amendment.

(f) Without limitation of any other provision herein, no transfer of any Incentive Units in the Company by a Member, to the extent permitted by this Agreement, shall be effective unless prior to such transfer, the transferee, assignee or intended recipient of such Incentive Units shall have agreed in writing to be bound by the provisions of this Agreement relating to Incentive Units, in form satisfactory to the Board of Managers.

(g) The foregoing provisions relating to the grant of Incentive Units, together with any grant document pursuant to which Incentive Units are issued to a Member in such Person's capacity as an employee or service provider of the Company, are intended to qualify as a compensatory benefit plan within the meaning of Rule 701 of the Securities Act and the issuance of Incentive Units pursuant hereto is intended to qualify for the exemption from registration under the Securities Act provided by Rule 701; provided that the foregoing shall not restrict or limit the Company's ability to issue any Incentive Units pursuant to any other exemption from registration under the Securities Act available to the Company and to designate any such issuance as not being subject to Rule 701.

(h) Incentive Units may be issued subject to vesting, forfeiture and repurchase pursuant to separate agreements, the provisions of which may be determined, altered or waived (unless otherwise specified in such agreements) in the sole discretion of the Board of Managers. Any Person holding a Unit subject to a vesting arrangement, including, without limitation, any Incentive Unit, shall make a timely Code Section 83(b) election in accordance with Treasury Regulation 1.83-2 with respect to each such Unit (to the extent applicable).

(i) Distributions pursuant to Article 7 shall be made with respect to all Incentive Units, whether vested or unvested. Any distributions pursuant to Section 7.3 (excluding, for the avoidance of doubt, Tax Distributions that are treated as advances on distributions pursuant to Section 7.3) with respect to unvested Incentive Units shall be held by the Company until such Incentive Units vest, at which time any such retained distributions shall be released to the holder of such then vested Incentive Units. Any retained distributions pursuant to the foregoing sentence that are forfeited as a result of the forfeiture without vesting of the applicable Incentive Units shall thereafter be distributed under Section 7.3.

ARTICLE 5. MANAGEMENT OF THE COMPANY

Section 5.1 Managers.

(a) The business of the Company shall be managed by a Board of Managers (the “Board of Managers”) who may exercise all the powers of the Company, except as otherwise provided by law or by this Agreement, and by any committees that the Board of Managers may from time to time establish. Each member of the Board of Managers shall be a “Manager” for all purposes under the Massachusetts Act. Subject to the terms and conditions of this Agreement, at least a majority of the Board of Managers then in office must vote or consent in favor of an action in order to bind the Company with respect to such action. Subject to Section 5.2(b), each individual Manager shall have any right, power or authority to bind the Company, including to the extent such Manager has been designated as an officer of the Company, such Manager acting in his or her capacity as an officer shall have the authority to bind the Company for limited liability company actions under such officer’s control. A Manager shall be held to the same standards of fiduciary duty with respect to the Company to which a director of a corporation organized under the laws of The Commonwealth of Massachusetts is held with respect to such corporation. Any determination of whether a Manager has breached his or her fiduciary duty to the Company shall be made by reference to whether, under Massachusetts law as it then exists, a director of a Massachusetts corporation would be held to have breached his or her fiduciary duty to such corporation under similar facts. Notwithstanding the foregoing, or any other provision of this Agreement to the contrary (but subject to any particular written agreement between the Company and any Manager), it is expressly understood and agreed that a Manager shall not be required to devote his entire time or attention to the business of the Company.

(b) The Board of Managers shall consist of one or more Managers. As of the Effective Date, the authorized number of Managers shall be three. In the event of a vacancy in the Board of Managers, the remaining Managers, except as otherwise provided by law, may exercise the powers of the full Board of Managers until the vacancy is filled, provided that in the event of a vacancy in one of the seats appointed pursuant to Section 5.1(c)(i) or Section 5.1(c)(ii), such seat may only be filled by a Manager designated by the parties entitled pursuant to such Section to designate a Manager to fill such seat.

(c) From and after the date of this Agreement, each Member shall vote, or cause to be voted, all Units and all other voting securities of the Company presently owned or hereafter acquired by such Member, or over which such Member has voting control, at any meeting of the Members called for the purpose of filling positions on the Board of Managers, or to execute a written consent in lieu of a meeting of the Members, for purpose of filling positions on the Board of Managers and to elect and continue in office as Managers the following:

(i) for so long as Miguel F. Londono holds not less than 100,000 Common Units, one individual designated by Miguel F. Londono, who shall be Miguel F. Londono unless otherwise agreed in writing by Miguel F. Londono and Herbert Jordan;

(ii) for so long as Herbert Jordan holds not less than 100,000 Common Units, one individual designated by Herbert Jordan, who shall be Herbert Jordan unless otherwise agreed in writing by Miguel F. Londono and Herbert Jordan; and

(iii) one individual appointed by holders of a majority of then-outstanding Units and mutually agreeable to Miguel F. Londono and Herbert Jordan.

(d) In the event that the Member or Members that has or have the right to designate a Manager pursuant to clause Section 5.1(c) requests that the Manager so designated by such Member or Members be removed (with or without cause), by written notice to the other holders of Units, then in such case, such Manager shall be removed and each Member hereby agrees to vote all Units, and all other voting securities of the Company over which such Member has voting control, to effect such removal upon such request. Any Manager may be removed by the affirmative vote or written consent of holders of a majority of the Common Units then outstanding, provided that no Manager specified in either Section 5.1(c)(i) or Section 5.1(c)(ii) may be removed without the consent of the Members who have the right pursuant to such Section to designate such Manager, so long as such Members hold such right. Each Member agrees not to vote any Units, or any voting securities over which such Member has voting control, to remove any Manager other than in accordance with this Section 5.1(d).

(e) Except as otherwise provided by law or by this Agreement, Managers shall hold office until their successors are elected and duly qualified or until their earlier death, disability, resignation or removal. Any Manager may resign by delivering his written resignation to the Company. Such resignation shall be effective upon receipt unless it is specified to be effective at some other time or upon the happening of some other event.

Section 5.2 Powers and Duties of the Managers.

(a) Subject to the provisions of Section 5.2(b), the Board of Managers shall have and may exercise on behalf of the Company all of its rights, powers, duties and responsibilities under Section 5.1 or as otherwise provided by law or this Agreement:

(i) to manage the business and affairs of the Company and for this purpose to employ, retain or appoint any officers, employees, consultants, agents, brokers, professionals or other Persons in any capacity with the Company for such compensation and on such terms as the Board of Managers deems necessary or desirable and to delegate to such Persons such of its duties and responsibilities as the Board of Managers shall determine, and to remove such Persons or revoke their delegated authority on such terms or under such conditions as the Board of Managers shall determine;

(ii) to merge or consolidate the Company or any Subsidiary with or into any other entity or otherwise effect the sale of the Company and its business;

(iii) to acquire or invest in other entities or businesses;

(iv) to enter into, execute, deliver, acknowledge, make, modify, supplement or amend any documents or instruments in the name of the Company;

(v) to borrow money or otherwise obtain credit and other financial accommodations on behalf of the Company on a secured or unsecured basis and to perform or cause to be performed all of the Company's obligations in respect of its indebtedness or guarantees and any mortgage, lien or security interest securing such indebtedness; and

(vi) to issue additional Units or other rights or other interests in the Company and to designate additional classes of interest in the Company as provided herein.

(b) Notwithstanding the foregoing, the Company shall not take the following actions without having first obtained the consent of the Board of Managers, which consent must include the consent of the Managers elected pursuant to Sections 5.2(c)(i) and (ii):

(i) pledge or grant a security interest in any assets of the Company or any Subsidiary, except in the ordinary course of business when all such pledges or grants in the ordinary course of business (excluding pledges or grants provided for in the Operating Plan) do not secure indebtedness of more than \$50,000 in the aggregate;

(ii) issue any Units;

(iii) enter into any agreements, including but not limited to leases, that obligate the Company or any Subsidiary to make aggregate annual payments in excess of \$50,000, unless provided for in the Board-approved operating plan of the Company;

(iv) establish or amend any employee incentive plan or similar equity compensation plan (except as set forth in this Agreement) or grant any equity compensation;

(v) acquire any asset or assets with a value in excess of \$50,000 in a single transaction or a series of related transactions, unless provided for in the Board-approved operating plan of the Company;

(vi) make any loan or advance to any person, including, any employee or manager, except advances and similar expenditures in the ordinary course of business or under the terms of an employee equity compensation plan approved by the Board of Managers;

(vii) incur any aggregate indebtedness in excess of \$50,000 that is not already included in the operating plan of the Company approved by the Board of Managers, other than trade credit incurred in the ordinary course of business;

(viii) change the principal business of the Company, enter new lines of business, or exit the current line of business; or

(ix) enter into any corporate strategic relationship involving the payment, contribution or assignment by the Company or to the Company of assets greater than \$50,000.

Section 5.3 Reliance by Third Parties.

Any Person dealing with the Company, the Managers or any Member may rely upon a certificate signed by all of the Managers as to: (i) the identity of any Managers or Members; (ii) any factual matters relevant to the affairs of the Company; (iii) the Persons who are authorized to execute and deliver any document on behalf of the Company; or (iv) any action taken or omitted by the Company, the Managers or any Member.

Section 5.4 Board Voting Rights; Meetings; Quorum.

(a) Each Manager shall be entitled to one (1) vote with respect to any matter before the Board of Managers or committee thereof. At any meeting of the Board of Managers, the presence of a majority of the total number of Managers then in office shall constitute a quorum.

(b) Regularly scheduled meetings of the Board of Managers may be held at such time, date and place as a majority of the Managers may from time to time determine. Special meetings of the Board of Managers may be called, orally, in writing or by means of electronic communication, by any Manager, designating the time, date and place thereof.

(c) Notice of the time, date and place of all meetings of the Board of Managers shall be given to each Manager by the appropriate officer of the Company or one of the Managers calling the meeting. Notice shall be given to each Manager in person or by telephone, facsimile or electronic mail sent to his business or home address or email address, as applicable, at least twenty-four (24) hours in advance of the meeting, or by written notice mailed to his business or home address at least seventy-two (72) hours in advance of the meeting. The attendance of a Manager at a meeting shall constitute a waiver of notice of such meeting by such Manager, except where a Manager attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because such meeting is not lawfully called or convened. A notice or waiver of notice of a meeting of the Board of Managers need not specify the purposes of the meeting.

Section 5.5 Actions of the Board of Managers.

(a) Except as provided in this Agreement, or required by law, any vote or approval of a majority of the Managers present at any meeting of the Board of Managers at which a quorum is present shall be the act of the Board of Managers.

(b) Any action required or permitted to be taken at any meeting of the Board of Managers may be taken without a meeting if a written consent thereto is signed (including by means of an authorized electronic, stamped or other facsimile signature or email message) by all of the Managers then in office and filed with the records of the meetings of the Board of Managers. Such consent shall be treated as a vote of the Board of Managers for all purposes.

Section 5.6 Reimbursement of Managers.

The Company shall promptly reimburse in full each Manager who is not an employee of the Company or any Subsidiary for all such Manager's reasonable out-of-pocket expenses incurred in

connection with attending any meeting of the Board of Managers or a committee thereof or any Board of Managers or committee thereof of any Subsidiary.

Section 5.7 Transactions with Interested Persons.

Unless entered into in bad faith, no contract or transaction between the Company or any Subsidiary and one of its or their Managers, officers or Members or Affiliates of the foregoing, or between the Company or any Subsidiary and any other Person or Affiliates of such Person in which one or more of its or any Subsidiary's Managers, officers or Members have a financial interest or are directors, managers, partners, members, stockholders, officers or employees, shall be voidable solely for this reason or solely because said Member, Manager or officer was present or participated in the authorization of such contract or transaction if (i) the material facts as to the relationship or interest of said Person and as to the contract or transaction were disclosed or known to the Board of Managers and the contract or transaction was authorized by a majority of the votes held by disinterested members of the Board of Managers (if any) or (ii) the contract or transaction was entered into on terms and conditions that were fair and reasonable to the Company as of the time it was authorized, approved or ratified. Subject to compliance with the provisions of this Section 5.7, no Member, Manager or officer interested in such contract or transaction, because of such interest, shall be considered to be in breach of this Agreement or liable to the Company, any other Member, Manager or other Person for any loss or expense incurred by reason of such contract or transaction or shall be accountable for any gain or profit realized from such contract or transaction.

Section 5.8 Limitation of Liability of Managers.

No Manager shall be obligated personally for any debt, obligation or liability of the Company or of any Member, whether arising in contract, tort or otherwise, by reason of being or acting as Manager of the Company. A Manager shall be fully protected in relying in good faith upon the Company's records and upon such information, opinions, reports or statements by any of the Company's Members, Managers, employees, consultants, advisors or agents, or by any other Person as to matters such Manager reasonably believes are within such other Person's professional or expert competence and who has been selected in good faith and with reasonable care by such Manager, including, without limitation, information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits or losses of the Company. No Manager shall be personally liable to the Company or its Members for any action undertaken or omitted in good faith reliance upon the provisions of this Agreement unless the acts or omissions of the Manager were not in good faith or involved gross negligence or intentional misconduct. Any Person alleging any act or omission as not taken or omitted in good faith shall have the burden of proving by a preponderance of the evidence the absence of good faith.

Section 5.9 Other Agents.

From time to time, the Board of Managers acting by Manager Approval may appoint agents of the Company (who may be designated as officers of the Company), with such powers and duties as shall be specified by such Manager Approval. Such agents (including those designated as officers) may be removed by Manager Approval.

ARTICLE 6. CAPITAL CONTRIBUTIONS

Section 6.1 Amount and Payment.

(a) As of the Effective Date, the Members holding Common Units have made Capital Contributions in the aggregate amount of \$[10,000], in exchange for such Common Units, as set forth on Schedule A attached hereto.

(b) With Manager Approval, the Company may accept additional Capital Contributions in connection with the issuance of additional Units, at a price per Unit to be determined pursuant to Manager Approval at the time of the sale and issuance of Units, up to the total number of authorized Units, to existing Members and in connection with the admission of other Persons as additional Members, in each case pursuant to Article 8.

(c) Any Capital Contributions that the Members have made in exchange for their Units and the number of Units held by each Member shall be set forth on Schedule A, which Schedule shall be updated by the Board of Managers from time to time to reflect changes in the information set forth therein made in accordance with the terms of this Agreement and as may be agreed by the Board of Managers pursuant to Manager Approval from time to time. Schedule A shall be held confidentially by the Board of Managers, and may not be disclosed to any Member other than a Major Member and its Affiliates, without the prior consent of the Board of Managers.

Section 6.2 Interest.

The Members shall not be entitled to receive any interest on any Capital Contribution to the Company.

Section 6.3 Withdrawal.

Except as otherwise specifically provided herein, a Member shall not be entitled to withdraw any Capital Contribution or portion thereof or to receive any Guaranteed Payment or distribution from the Company.

ARTICLE 7. CAPITAL ACCOUNTS; ALLOCATIONS; DISTRIBUTIONS

Section 7.1 Capital Accounts.

For each Member, the Company shall establish and maintain a separate Capital Account as more fully described in Schedule B.

Section 7.2 Allocations.

Allocations of Profit and Loss, and allocations for tax purposes of items of income, gain, loss, deduction and expense and tax credits, shall be made to and among the Members in accordance with Schedule B attached hereto (the "Allocation Exhibit"). Certain other tax matters,

including provisions concerning limited liability company interests that change throughout the Fiscal Year and the allocation of tax items, are also governed by the Allocation Exhibit.

Section 7.3 Distributions.

(a) Except as otherwise provided herein, the Company shall not be required to make distributions or payments of cash or other Company assets to the Members.

(b) Distributions to Members, if any, other than under Article 12 shall be at times and in such aggregate amounts as may be determined by Manager Approval. Subject to any limitations applicable to Profits Interests, including applicable Threshold Amounts, such distributions shall be made to the respective Members on a pro rata basis in proportion to the number of Units held by each Member.

(c) Notwithstanding the foregoing, the Company shall make, with respect to each Fiscal Year of the Company, distributions of Distributable Cash, if any, to the Members in an amount equal to the respective Projected Tax Liability of each Member for such tax year, to enable the Members to pay income taxes on Profit allocated to them with respect to such tax year (any such distribution, a “Tax Distribution”). The amount of the Tax Distributions to which a Member otherwise would be entitled with respect to a Fiscal Year shall be reduced dollar-for-dollar by the amount of any other cash distributions received by such Member (or such Member’s predecessor in interest) for such Fiscal Year (other than any distributions received that are Tax Distributions with respect to a prior Fiscal Year). All Tax Distributions made to a Member shall be treated as advances of distributions to be made to that Member (or that Member’s successor in interest) pursuant to Section 7.3 (including pursuant to Section 12.2) of this Agreement, as applicable, and shall reduce such future distributions dollar for dollar. The aggregate amount of Tax Distributions with respect to any Fiscal Year may be reduced, on a pro rata basis, or not made, if and to the extent the Board of Managers determines that the Company has insufficient Distributable Cash to make such Tax Distributions in full.

Section 7.4 Guaranteed Payments

Payments may be paid to Members for services performed for the benefit of the Company by such Members at the time of any regular payment of wages to employees of the Company, in accordance with the Company’s payroll methodology, or at such other times as may be determined by Manager Approval in the sole discretion of the Managers, it being understood that the payments made pursuant to this Section 7.4 shall be treated as “guaranteed payments” within the meaning of Section 707(c) of the Code (the “Guaranteed Payments”).

Section 7.5 Withholding; Tax Documentation.

Notwithstanding anything to the contrary in this Agreement, the Company may withhold from any allocation, distribution or other payment made to any Member any amount required to be withheld under the Code or any other applicable federal, state, local or foreign law. All amounts so withheld with regard to any distribution or payment shall be treated as amounts distributed or paid to such Member. If no distribution or payment is being made to a Member in an amount sufficient to pay the Company’s withholding obligation with respect to such Member, any amount that the Company is obligated to pay shall be deemed an interest-free advance from the Company

to such Member, payable by such Member by withholding by the Company from any subsequent distributions or payments to such Member or within ten days after receiving written request for payment from the Company. Each Member agrees to timely complete and deliver to the Managers any form, document or provide such other information reasonably requested by the Company for tax purposes.

ARTICLE 8.

ISSUANCE OF ADDITIONAL UNITS; ADMISSION OF ADDITIONAL MEMBERS

Section 8.1 Additional Issuances; Additional Members.

(a) A Member may purchase or be granted additional Units in the Company or a Person who is not already a Member of the Company may be admitted as a Member of the Company by Manager Approval.

(b) The Capital Contribution (if any) and other terms with respect to such additional Units or such additional Member shall be determined by Manager Approval.

ARTICLE 9. TRANSFER OF UNITS; LEGAL REPRESENTATIVES

Section 9.1 Assignability of Interests; Substitute Members.

A Member may not sell, assign, transfer, pledge or otherwise encumber, or otherwise dispose of, such Member's Units, whether voluntarily or by operation of law, and an assignee shall not be admitted as a Substitute Member, without prior Manager Approval. Unless and until admitted as a Substitute Member, an Assignee shall not be entitled to exercise any rights or powers of, or to receive any of the benefits of, the assigning Member other than, to the extent assigned, the share of Profit and Loss and the rights to receive distributions to which the assigning Member was entitled. An Assignee shall have no liability as a Member solely as a result of such assignment. An Assignee may become a Substitute Member only upon the terms and conditions set forth in Section 9.2. The admission of an Assignee as a Substitute Member shall additionally in each case be conditioned upon (a) the Assignee's written assumption, in form and substance satisfactory to all of the Members, of all of the obligations, restrictions and liabilities of the assigning Member under this Agreement and (b) the Assignee's execution of an instrument reasonably satisfactory to all of the Members whereby such Assignee becomes a party to this Agreement as a Substitute Member.

Section 9.2 Additional Requirements.

As additional conditions to the validity of any assignment of a Unit and any admission of an Assignee as a Substitute Member, such assignment and any such admission:

(i) shall not violate the registration provisions of the Securities Act, or the securities laws of any applicable jurisdiction; and

(ii) shall not cause the Company to be terminated for federal income tax purposes or to be treated as a publicly traded partnership under the Code, unless agreed to in writing by Manager Approval.

The Managers may require reasonable evidence as to satisfaction of such conditions, including, without limitation, a favorable opinion, in form and substance satisfactory to the Managers, of legal counsel reasonably satisfactory to the Managers. Any purported assignment or admission as to which the conditions set forth in clauses (i) and (ii) are not satisfied shall be void *ab initio*.

ARTICLE 10. WITHDRAWAL AND RESIGNATION OF MEMBERS; PURCHASE RIGHTS AMONG MAJOR MEMBERS

Section 10.1 Withdrawal and Resignation.

No Member may withdraw or resign from the Company except (i) pursuant to a purchase of its and all of its Affiliates' Units in accordance with the terms of this Article 10 or (ii) with the written consent of the Major Members. Any Member who attempts to resign or withdraw from the Company in violation of the foregoing provision shall cease to be a Member of the Company and shall forfeit any right to distributions or payments from the Company, including, without limitation, any right to any payment pursuant to Section 32 of the Massachusetts Act.

Section 10.2 Definition of Trigger Event.

A Major Member shall have caused a "Trigger Event" for purposes of this Agreement in the event that such Major Member is in material breach of this Agreement if any such breach continues for more than fifteen days following receipt by the breaching Major Member from the other Major Member of notice of breach and demand for cure; provided, however, that if the cure is commenced in good faith within the fifteen-day period but cannot reasonably be completed within that period, an extension thereof of reasonable duration, not to exceed thirty days, shall be provided to permit cure.

Section 10.3 Purchase Right in the Event of a Trigger Event.

If a Major Member (the "Non-Breaching Major Member") believes that the other Major Member (the "Breaching Major Member") has caused a Trigger Event, the Non-Breaching Major Member may provide a notice to the Breaching Major Member with respect to such Trigger Event (the "Trigger Notice"). The Trigger Notice shall specify the claimed nature of the Trigger Event and shall state whether the Non-Breaching Major Member will elect to purchase all of the Units of the Breaching Major Member in accordance with the buy-out procedure set forth in Section 10.5 below. If the Trigger Notice does not contain an election to purchase all of the Units of the Breaching Major Member, the Breaching Major Member shall have thirty days after the date of its receipt of the Trigger Notice to send a written response to the Non-Breaching Major Member electing to purchase all of the Units of the Non-Breaching Major Member in accordance with the buy-out procedure set forth in Section 10.5 below. If neither Major Member makes an election to purchase all of the Units of the other Major Member pursuant to this Section 10.3, the Company shall dissolve in accordance with the terms of this Agreement.

Section 10.4 Purchase Right in the Event of a Material Disagreement.

In the event there is a material disagreement between the Managers appointed by the Major Members relating to any matter requiring consent of both such Managers, and such material disagreement is not resolved by the dispute resolution process set forth in Section 10.6, each Major

Member shall have the right to elect to purchase all of the Units of the other Major Member in accordance with the buy-out procedure set forth in Section 10.5 below. If each of the Major Members elects to purchase all of the Units of the other Major Member, the Major Members shall agree on random, unbiased means (which may include a coin toss) of determining who shall be the Electing Member for purposes of Section 10.5.

Section 10.5 Purchase Price and Process.

(a) The purchase price for Units of a Major Member purchased pursuant to Section 10.3 or Section 10.4 (the “Buyout Purchase Price”) shall be equal to the amount that would be distributed to the selling Major Member if the assets and business of the Company were sold at fair market value and the Company were dissolved immediately prior to sale. Fair market value of the Company’s assets and business shall be determined by mutual agreement of the Members (including pursuant to the engagement of such independent third-party valuation firm as the Major Members may mutually agree upon), with such agreement to take place within thirty days after the date (the “Election Date”) on which a Major Member (the “Non-Electing Major Member”) has received an election to acquire all of its Units from the other Major Member (the “Electing Major Member”) under Section 10.3 or Section 10.4. If the Major Members are able to agree with respect to fair market value within thirty days after the Election Date, the purchase and sale of the applicable Units shall take place on the date that is sixty days after the Election Date, or the next Business Day if such date is not a Business Day.

(b) In the event that the Major Members cannot agree on the fair market value of the Company’s assets and business within thirty days after the Election Date, the Electing Major Member shall have the right to serve notice to the Non-Electing Major Member (the “Value Notice”) setting forth the Electing Major Member’s determination as to the fair market value of the Company’s assets and business and each Major Member’s respective share thereof, providing a Buyout Purchase Price for each Major Member’s Units. If the Non-Electing Major Member does not receive the Value Notice within thirty days after the Election Date, the Company shall dissolve in accordance with the terms of this Agreement.

(c) If the Non-Electing Major Member receives the Value Notice within thirty days after the Election Date, the Non-Electing Major Member shall have the right either (i) to sell all of its Units at the Buyout Purchase Price for such Units contained in the Value Notice or (ii) to purchase all of the Electing Major Member’s Units for the applicable Buyout Purchase Price for such Units contained in the Value Notice. To exercise this purchase right, the Non-Electing Major Member must send a written notice to the Electing Major Member within fifteen days after the Non-Electing Major Member’s receipt of the Value Notice. If the Non-Electing Major Member exercises its purchase right within the required time period, the purchase and sale of the applicable Units shall take place on the date that is forty-five days after the Non-Electing Major Member’s receipt of the Value Notice, or the next Business Day if such date is not a Business Day. If the Non-Electing Major Member does not exercise its purchase right within the required time period, the Electing Major Member shall purchase all of the Units of the Non-Electing Major Member on the date that is thirty days after the Non-Electing Major Member’s receipt of the Value Notice, or the next Business Day if such date is not a Business Day.

(d) Any purchase of Units pursuant to this Article 10 shall be evidenced by such assignments, instruments of conveyance, bills of sale or other transfer documents as either of the Major Members may reasonably request. The aggregate Buyout Purchase Price shall be paid on the date specified for such purchase in this Article 10 by delivery of a promissory note in the amount of such aggregate Buyout Purchase Price. The promissory note shall be secured by a security interest in all Units held by the purchasing Major Member, with such security interest to be granted pursuant to documents reasonably satisfactory to the selling Major Member. The principal amount of such promissory note shall bear interest, payable annually, at the lowest rate per annum then required by the Code in order to avoid the imputation of interest, and shall be payable in not more than three equal annual installments. Each note shall provide as follows: that the maker shall have the right to prepay the principal or any portion thereof at any time or times without premium or penalty; that upon default for thirty days in any payment of principal or interest, or in the event of bankruptcy or insolvency of the maker, or if the maker shall make any assignment for the benefit of creditors, the entire balance of principal and interest then remaining unpaid on the note shall become due and payable forthwith at the option of the holder of the note; and that presentment, protest and notice of protest shall be waived.

(e) Notwithstanding any other provision of this Article 10, any purchaser of Units under this Article 10 shall, as a condition to such purchase, (i) assume all of the liabilities, obligations and/or guarantees of the selling Major Member which relate to the business of the Company, (ii) indemnify the selling Major Member for the liabilities, obligations and guarantees so assumed and (iii) obtain the release of all guarantees, letters of credit and documents granting security interests in the Units which the selling Major Member shall have provided in connection with the Company or its business. Such assumption, indemnification and release shall be evidenced by instruments and other documents reasonably satisfactory, in form and substance, to the selling Major Member.

(f) Upon the effectiveness of a purchase pursuant to this Article 10, (i) the selling Major Member shall be deemed to have withdrawn and resigned from the Company and shall cease to be a Member of the Company, (ii) the selling Major Member's Capital Account shall be re-allocated to the purchasing Major Member, (iii) any Managers appointed solely by the selling Major Member shall be deemed to have resigned as Managers as of such date and (iv) the purchasing Major Member shall be deemed substituted for the selling Major Member for the purposes of the appointment of Managers pursuant to Section 5.1(c)(i) or Section 5.1(c)(ii), as applicable.

(g) If the purchase of Units under this Article 10 is not completed by reason of the failure of either Major Member to comply with the terms of this Article 10, then (i) the complying Major Member shall be entitled to specific performance of the purchase and (ii) if the selling Major Member is the non-complying Major Member, upon compliance by the purchasing Major Member with the terms of this Article 10, including the payment of the aggregate Buyout Purchase Price in accordance with Section 10.5, the purchasing Major Member shall be entitled to treat itself for all purposes as, and thereafter shall be, the owner of the Units which were to be purchased under this Article 10.

Section 10.6 Dispute Resolution between Major Members.

The Major Members will attempt in good faith to resolve any controversy or claim between them and arising out of or relating to this Agreement promptly by negotiations between such Major Members. Should the dispute not be resolved through the aforementioned process, the Major Members agree first to try in good faith to settle the dispute (other than disputes with respect to the fair market value of the Company's assets and business under Article 10) by non-binding mediation administered by the American Arbitration Association under its Commercial Mediation Rules. If the matter has not been resolved within thirty days of submission to non-binding mediation, either Major Member may initiate buy/sell procedures to the extent permitted by Section 10.4 above.

ARTICLE 11. DURATION OF THE COMPANY

Section 11.1 Duration.

The Company shall continue until it is dissolved and its affairs wound up, which shall occur on the earlier of the happening of any of the following events:

- (a) Written Manager Approval and written approval of Members holding a majority of then-outstanding Common Units with respect to such dissolution and winding up.
- (b) The death, incapacitation, retirement, resignation, expulsion, or bankruptcy of all of the Members or the occurrence of any event which terminates the continued membership of all of the Members in the Company.
- (c) The entry of a decree of judicial dissolution under Section 44 of the Massachusetts Act.

ARTICLE 12. LIQUIDATION OF THE COMPANY

Section 12.1 General.

(a) Upon the dissolution of the Company, the Company shall be liquidated in an orderly manner in accordance with this Article and the Massachusetts Act. The liquidation shall be conducted and supervised by the Managers or, if none, by the Members, or, if none, by the personal representative (or its nominee or designee) of the last remaining Member (the Managers, Members or such other Person, as applicable, being referred to in this Article as the "Liquidating Agent"). The Liquidating Agent shall have all of the rights, powers, and authority with respect to the assets and liabilities of the Company in connection with the liquidation of the Company that the Members have with respect to the assets and liabilities of the Company during the term of the Company, and the Liquidating Agent is hereby expressly authorized and empowered to execute any and all documents necessary or desirable to effectuate the liquidation of the Company and the transfer of any assets of the Company. The Liquidating Agent shall have the right from time to time, by revocable powers of attorney, to delegate to one or more Persons any or all of such rights and powers and such authority and power to execute documents and, in connection therewith, to fix the reasonable compensation of each such Person, which

compensation shall be charged as an expense of liquidation. The Liquidating Agent is also expressly authorized to distribute Company property to the Members subject to liens.

(b) The Liquidating Agent shall liquidate the Company as promptly as shall be practicable after dissolution. Without limitation of the rights, powers, and authority of the Liquidating Agent as provided in this Article, the Liquidating Agent may, in its discretion, either distribute in kind or sell securities and other non-cash assets. Any securities or other non-cash assets which the Liquidating Agent may sell shall be sold at such prices and on such terms as the Liquidating Agent may, in its good faith judgment, deem appropriate.

Section 12.2 Final Allocations and Distributions.

In settling accounts upon dissolution, winding up and liquidation of the Company, the assets of the Company shall be applied and distributed as expeditiously as possible in the following order:

(a) To pay (or make reasonable provision for the payment of) all creditors of the Company, including, to the extent permitted by law, Members or other Affiliates that are creditors, in satisfaction of liabilities of the Company in the order of priority provided by law, including expenses relating to the dissolution and winding up of the Company, discharging liabilities of the Company, distributing the assets of the Company and terminating the Company as a limited liability company in accordance with this Agreement and the Act); and

(b) To the Members in accordance with Section 7.3(b) (taking into account, for the avoidance of doubt, any distributions previously made under Section 7.3(c) that were treated as advances on distributions under Section 7.3(b)).

ARTICLE 13. POWER OF ATTORNEY

Section 13.1 General.

(a) Each Member irrevocably constitutes and appoints each Manager and the Liquidating Agent the true and lawful attorney-in-fact of such Member to execute, acknowledge, swear to and file any of the following: (i) the Certificate of Organization and all other certificates and other instruments deemed advisable by Manager Approval to carry out the provisions of this Agreement and applicable law or to permit the Company to become or to continue as a limited liability company; (ii) this Agreement and all instruments that the Managers acting by Manager Approval deem appropriate to reflect a change or amendment to or modification of this Agreement made in accordance with this Agreement; (iii) all conveyances and other instruments or papers deemed advisable by Manager Approval or the Liquidating Agent to effect the dissolution and termination of the Company; (iv) all fictitious or assumed name certificates required or permitted to be filed on behalf of the Company; (v) all other certificates, instruments or papers that may be required or permitted by law to be filed on behalf of the Company and any amendment or modification of any certificate or other instrument referred to in this Section 13.1(a); and (vi) any agreement, document, certificate or other instrument that any Member is required to execute and deliver hereunder or pursuant to applicable law that such Member has failed to execute and deliver within ten days after written request from the Managers pursuant to Manager Approval.

(b) The foregoing power of attorney is (i) coupled with an interest, (ii) irrevocable and durable, (iii) shall not be terminated or otherwise affected by any act or deed of any Member (or by any other Person) or by operation of law, whether by the legal incapacity of a Member or by the occurrence of any other event or events, and (iv) shall survive the transfer by a Member of the whole or any part of such Member's Units, except that, where the transferee of the whole of such Member's Units is to be admitted as a Member, the power of attorney of the transferor shall survive such transfer for the sole purpose of enabling the applicable attorney-in-fact to execute, swear to, acknowledge and file any instrument necessary or appropriate to effect such admission.

(c) Each Member agrees to execute, upon five days' prior written notice from the Managers acting by Manager Approval or any Liquidating Agent, as applicable, a confirmatory or special power of attorney containing the substantive provisions of this Article 13, which shall be in form satisfactory to the Persons or Person providing such notice.

ARTICLE 14.

DUTIES, EXCULPATION AND INDEMNIFICATION

Section 14.1 Duties of Manager, Tax Matters Person and Liquidating Agent.

Each Manager, Tax Matters Person and Liquidating Agent shall exercise in good faith such Person's judgment in carrying out such Person's functions and, otherwise, shall owe no duties (including fiduciary duties) to the Company or any Member in such capacity. The Members hereby agree that this Section 14.1 and the other provisions of this Agreement, to the extent that they restrict or eliminate duties of any Manager, Tax Matters Person or Liquidating Agent otherwise existing at law or in equity, modify such duties to such extent, as permitted by applicable law.

Section 14.2 Exculpation; Liability of Covered Persons.

(a) To the fullest extent permitted by applicable law, none of the Managers, Tax Matters Person, Liquidating Agents, or any other Persons who were, at the time of the act or omission in question, a Manager, Tax Matters Person or Liquidating Agent (each, a "Covered Person") shall have any liability to the Company or to any Member for any loss suffered by the Company that arises out of any action or inaction of such Covered Person if such Covered Person, in good faith, determined that such course of conduct was in, or not opposed to, the best interests of the Company and such course of conduct did not constitute gross negligence, fraud or willful misconduct of such Covered Person.

(b) No Covered Person shall have any personal liability for the repayment of the positive balance in the Capital Account of a Member. To the greatest extent permitted by applicable law, no Covered Person shall be liable to any Member by reason of any federal or other income tax laws or the interpretations thereof as they apply to the Company and such Member, or any changes thereto.

(c) The Members hereby agree that this Section 14.2 and the other provisions of this Agreement, to the extent that they restrict or eliminate liabilities of the Covered Persons otherwise existing at law or in equity, modify such liabilities to such extent.

Section 14.3 Indemnification of Covered Persons.

(a) To the maximum extent permitted by applicable law and subject to the other provisions of this Section 14.3, the Company shall indemnify and hold harmless Covered Persons, from and against any claim, loss, expense, liability, action or damage (including, without limitation, any action by a Member or assignee thereof against a Covered Person) due to, arising from or incurred by reason of any action, inaction or decision performed, taken, not taken or made by Covered Persons or any of them in connection with the activities and operations of the Company, or any subsidiary of the Company, as the case may be, provided (i) such action, inaction or decision is within the scope of the authority of such Covered Persons as provided herein, (ii) such Covered Person acted in good faith and in a manner such Covered Person reasonably believed to be in, or not opposed to, the best interests of the Company or any subsidiary of the Company, as the case may be, and (iii) with respect to any criminal proceeding, such Covered Person had no reasonable cause to believe the conduct of such Covered Person was unlawful. The termination of a proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not, by itself, create a presumption that the Covered Person did not act in good faith and in a manner which the Covered Person reasonably believed to be in, or not opposed to, the best interest of the Company or any subsidiary of the Company, as the case may be, or that the Covered Person had reasonable cause to believe that such Covered Person's conduct was unlawful (unless there shall have been a final adjudication in the proceeding that the Covered Person did not act in good faith and in a manner which such Covered Person reasonably believed to be in, or not opposed to, the best interests of the Company or any subsidiary of the Company, as the case may be, or that the Covered Person did have reasonable cause to believe that such Covered Person's conduct was unlawful). Any Covered Person may consult with independent counsel selected by the Covered Person (which may be counsel for the Company or any Affiliate) and any opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by such Covered Person hereunder in good faith and in accordance with the opinion of such counsel. Any indemnification under this Section 14.3 shall include reasonable attorneys' fees incurred by Covered Persons in connection with the defense of any such action including, to the extent permitted by applicable law, all such liabilities under United States federal and state securities acts. The reasonable expenses incurred by Covered Persons in connection with the defense of any such action shall be paid or reimbursed as incurred, upon receipt by the Company of an undertaking by such Covered Person to repay such expenses if it shall ultimately be determined that such Covered Person is not entitled to be indemnified hereunder, which undertaking may be accepted without reference to the financial ability of such Covered Person to make repayment. Such indemnification shall only be made to the extent that such Persons are not otherwise reimbursed from insurance or other means. Such indemnification shall only be paid from the assets of the Company, and no Member shall have any personal liability on account thereof.

(b) Notwithstanding the provisions of Section 14.3(a), a Covered Person shall not be entitled to be indemnified or held harmless from and against any claim, loss, expense, liability, action or damage due to or arising from the Covered Person's gross negligence, fraud or willful misconduct.

(c) The provisions of this Section 14.3 shall be in addition to and not in limitation of any other rights of indemnification and reimbursement or limitations of liability to which a

Covered Person may be entitled under the charter documents of any subsidiary of the Company or otherwise. The provisions of this Section 14.3 shall apply whether or not at the time of reimbursement the Covered Person entitled to reimbursement is then a Covered Person. Notwithstanding any repeal of this Section 14.3 or other amendment hereof, its provisions shall be binding upon the Company (subject only to the exceptions above set forth) as to any claim, loss, expense, liability, action or damage due to or arising out of matters which occur during or are referable to the period prior to any such repeal or amendment of this Section 14.3.

ARTICLE 15. MISCELLANEOUS PROVISIONS

Section 15.1 Books and Accounts; Confidentiality.

(a) Complete and accurate books and accounts shall be kept and maintained for the Company in accordance with generally accepted accounting principles, using such method of accounting as shall be determined by Manager Approval, and shall include separate accounts for each Member. Each Member, at such Member's own expense, shall at reasonable times and upon reasonable prior written notice to the Company have access to such copy of the Agreement and of the Certificate of Organization and such books of account, but only to the extent such books of account reasonably relate to such Member's Units and not the Units of any other Member. The Members hereby acknowledge that the rights of a Member to obtain information from the Company shall be limited to only those rights provided for in this Section 15.1(a), except as otherwise specifically required by the Massachusetts Act.

(b) Within a period of time after the end of each Fiscal Year of the Company as determined by Manager Approval, the Company shall provide to each Member a Form K-1 for such Member with respect to such Fiscal Year.

(c) All funds received by the Company shall be deposited in the name of the Company in such account or accounts, all securities owned by the Company may be deposited with such custodians, and withdrawals therefrom shall be made upon such signature or signatures on behalf of the Company, as may be determined from time to time by Manager Approval.

(d) Each Member agrees to maintain the confidentiality of the Company's records and affairs, including the terms of this Agreement, agrees not to provide to any other Person (including any employee of the Company) copies of any financial statements, tax returns, or other records provided or made available to such Member, and agrees not to disclose to any other Person (including any employee of the Company) any information contained therein without the written approval of the Managers; provided, that any Member may make disclosures and may provide financial statements, tax returns, and other records: (i) to such Member's accountants and legal counsel as long as such Member instructs such accountants and legal counsel to maintain the confidentiality thereof and not to disclose to any other Person (including any employee of the Company) any information contained therein, (ii) if, and to the extent, required by law, including judicial or administrative order (provided, that, to the extent feasible, the Company is given prior notice to enable it to seek a protective order or similar relief), and (iii) in order to enforce rights under this Agreement. Notwithstanding the foregoing, nothing in this Agreement prohibits, or is intended in any manner to prohibit, a report of a possible violation of federal law or regulation to

any governmental agency or entity, including but not limited to the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under whistleblower provisions of federal law or regulation. No Person subject to the restrictions set forth in this Section 15.1(d) shall require the prior authorization of anyone at the Company or the Company's legal counsel to make any such reports or disclosures, and no such Person is required to notify the Company that it has made such reports or disclosures. Additionally, nothing in this Agreement is intended to interfere with or restrain the immunity provided under 18 U.S.C. section 1833(b) for confidential disclosures of trade secrets to government officials, or lawyers, solely for the purpose of reporting or investigating a suspected violation of law; or in a sealed filing in court or other proceeding.

Section 15.2 Notices.

All notices, demands, solicitations of consent or approval, and other communications hereunder shall be in writing and shall be sufficiently given if personally delivered or sent by postage prepaid, registered or certified mail, return receipt requested, or by overnight courier, addressed as follows: if intended for the Company or the Managers in their capacity as such, to the Company's principal place of business determined pursuant to Section 2.3, and if intended for any Member to the address of such Member set forth on Schedule A or at such other address as any Member may designate by written notice. Notices shall be deemed to have been given (i) when personally delivered, (ii) if mailed, on the earlier of (A) three days after the date on which deposited in the mails, and (B) the date on which received, or (iii) if sent by overnight courier, on the date on which received; provided, that notices of a change of address shall not be deemed given until the actual receipt thereof. The provisions of this Section 15.2 shall not prohibit the giving of written notice in any other manner, including facsimile transmission and email; any written notice given in any other manner shall be deemed given only when actually received.

Section 15.3 Waivers; Amendments.

The operation or effect of any provision of this Agreement may only be waived, and this Agreement may only be amended, in accordance with this Section 15.3. The operation or effect of any provision of this Agreement may be waived, and this Agreement may be amended, pursuant to (i) the approval of each Major Member and (ii) Manager Approval, *provided that* (A) this Agreement may be amended by Manager Approval, to the extent required to conform to actions properly taken by the Company, the Managers, or any of the Members in accordance with this Agreement, including, without limitation, amendments to Schedule A to reflect changes made pursuant to the terms of this Agreement, (B) for so long as Miguel F. Londono holds any Units, any amendment to Section 5.1(c)(i) shall require the approval of Miguel F. Londono, (C) for so long as Herbert Jordan holds any Units, any amendment to Section 5.1(c)(ii) shall require the approval of Herbert Jordan, and (D) except as otherwise set forth herein, no waiver or amendment pursuant to this Section 15.3 shall, without a Member's consent, create personal liability for such Member or require additional capital from such Member.

Section 15.4 Applicable Law; Jurisdiction.

(a) This Agreement is governed by and shall be construed in accordance with the law of The Commonwealth of Massachusetts, exclusive of its conflict-of-laws principles. In

the event of a conflict between the provisions of this Agreement and any provision of the Certificate or the Massachusetts Act, the applicable provision of this Agreement shall control, to the extent permitted by law.

of JOLO CAN LLC

Allocation Exhibit

1. **Definitions.** Each capitalized term used but not otherwise defined in this Allocation Exhibit shall have the meaning set forth in this Section 1 or, if not so defined, in the Agreement.

“**Adjusted Capital Account Balance**” shall mean with respect to any Member, such Member’s Capital Account balance maintained in accordance with this Agreement, as of the end of the relevant fiscal year or other allocation period, after giving effect to the following adjustments:

(a) increase such Capital Account by any amounts that such Member is obligated to restore pursuant to any provision of this Agreement, is treated as obligated to restore pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(c), or is deemed obligated to restore pursuant to the penultimate sentences of Treasury Regulation Sections 1.704-2(g)(1) and 1.704-2(i)(5); and

(b) decrease such Capital Account by the items described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4) through (d)(6).

The foregoing definition of Adjusted Capital Account Balance is intended to comply with the provisions of Treasury Regulation Sections 1.704-1(b)(2)(ii)(d) and 1.704-2 and shall be interpreted consistently therewith.

“**Adjusted Taxable Profit**” and “**Adjusted Taxable Loss**” mean, as to any transaction or fiscal period, the taxable income or loss of the Company for United States federal income tax purposes, and each item of income, gain, loss or deduction entering into the computation thereof, with the following adjustments:

(a) Any tax-exempt income or gain of the Company that is not otherwise taken into account in computing Adjusted Taxable Profit or Adjusted Taxable Loss shall be deemed to increase the amount of such taxable income or decrease the amount of such loss;

(b) Any expenditures of the Company described in Section 705(a)(2)(B) of the Internal Revenue Code (or treated as such) and not otherwise taken into account in computing Adjusted Taxable Profit or Adjusted Taxable Loss shall decrease the amount of such taxable income or increase the amount of such loss; and

(c) In the event the Gross Asset Value of any Company asset is adjusted, (i) the amount of such adjustment (including an adjustment resulting from a distribution of such asset but excluding an adjustment resulting from a contribution of such asset) shall be taken into account in the same manner as gain or loss from the disposition of such asset for purposes of computing Adjusted Taxable Profit or Adjusted Taxable Loss, (ii) gain or loss resulting from any disposition of such asset with respect to which gain or loss is recognized for United States federal income tax purposes shall be computed by reference to the Gross Asset Value of such asset, and (iii) in lieu

of the cost recovery or similar deductions taken into account with respect to any asset with a Gross Asset Value which differs from its adjusted basis under the Internal Revenue Code, such deductions shall be an amount equal to the Depreciation with respect to such asset.

“Company Minimum Gain” has the meaning set forth for “partnership minimum gain” in Treasury Regulation Section 1.704-2(d) and (g).

“Depreciation” means, for each fiscal year of the Company or other period, an amount equal to the depreciation, depletion, amortization or other cost recovery deduction allowable under the Internal Revenue Code with respect to an asset for such fiscal year or other period; provided, however, that if the Gross Asset Value of an asset differs from its adjusted basis for United States federal income tax purposes at the beginning of such fiscal year or other period, Depreciation shall be an amount that bears the same ratio to such beginning Gross Asset Value as the United States federal income tax depreciation, amortization or other cost recovery deduction with respect to such asset for such fiscal year or other period bears to such beginning adjusted tax basis; and provided further that if the United States federal income tax depreciation, amortization or other cost recovery deduction for such fiscal year or other period is zero, Depreciation shall be determined with reference to such beginning Gross Asset Value using any reasonable method selected by Manager Approval.

“Gross Asset Value” means, with respect to any asset, such asset’s adjusted basis for United States federal income tax purposes, except as follows:

(a) the Gross Asset Value of all Company assets shall be adjusted to equal their respective gross fair market values, as determined by Manager Approval, as of the following times: (i) the acquisition of an additional interest in the Company by any new or existing Member in exchange for more than a de minimis Capital Contribution; (ii) the distribution by the Company to a Member of more than a de minimis amount of Company assets as consideration for a membership interest in the Company, including, without limitation, in connection with the withdrawal of a Member; (iii) the grant of a membership interest in the Company (other than a de minimis interest) as consideration for the provision of services to or for the benefit of the Company by a new or existing Member acting in a Member capacity or in anticipation of becoming a Member; (iv) in connection with the issuance by the Company of a noncompensatory option (other than an option for a de minimis interest); and (v) the liquidation of the Company within the meaning of Treasury Regulation Section 1.704-1(b)(2)(ii)(g); provided, however, that adjustments pursuant to clauses (i) through (iv) of this sentence shall not be made if the Managers, acting by Manager Approval, determine that such adjustments are not necessary or appropriate to reflect the relative economic interests of the Members in the Company;

(b) the Gross Asset Value of any Company asset (other than cash) distributed in kind to any Member shall be adjusted to equal the gross fair market value of such asset on the date of distribution, as determined by Manager Approval;

(c) the initial Gross Asset Value of any asset contributed to the Company shall be adjusted to equal its gross fair market value at the time of its contribution, as determined by Manager Approval; and

(d) the Gross Asset Value of Company assets shall otherwise be determined or adjusted, in the discretion of the Managers, acting by Manager Approval, as required or permitted for purposes of maintaining Capital Accounts under relevant Treasury Regulations.

If the Gross Asset Value of an asset has been determined or adjusted pursuant to paragraph (a), (c) or (d) above, such Gross Asset Value shall thereafter be adjusted by the Depreciation taken into account with respect to such asset for purposes of computing Adjusted Taxable Profit or Adjusted Taxable Loss and as otherwise required by Treasury Regulation Section 1.704-1(b)(2)(iv)(g).

“Member Nonrecourse Debt” has the same meaning as the term “partner nonrecourse debt” set forth in Treasury Regulation Section 1.704-2(b)(4).

“Member Nonrecourse Debt Minimum Gain” means an amount, with respect to each Member Nonrecourse Debt, equal to the Company Minimum Gain that would result if the Member Nonrecourse Debt were treated as a Nonrecourse Liability, determined in accordance with Treasury Regulation Section 1.704-2(i).

“Nonrecourse Deductions” shall have the meaning set forth in Treasury Regulation Sections 1.704-2(b)(1) and 1.704-2(c).

“Nonrecourse Liability” shall have the meaning set forth in Treasury Regulation Section 1.704-2(b)(3).

“Treasury Regulations” means the United States income tax regulations, including temporary regulations, promulgated under the Internal Revenue Code, as such regulations may be amended from time to time (including corresponding provisions of succeeding regulations).

2. Capital Accounts. A capital account shall be maintained for each Member (a “Capital Account”) that shall be:

(a) increased by (i) any Capital Contributions made to the Company by such Member pursuant to this Agreement and (ii) any amounts in the nature of income or gain allocated to the Capital Account of such Member pursuant to this Schedule B based on such Member’s ownership of membership interests;

(b) decreased by (i) the cash and fair market value of other property distributed to the Member and (ii) any amounts in the nature of loss or expense allocated to the Capital Account of such Member pursuant to this Schedule B based on such Member’s ownership of membership interests; and

(c) otherwise adjusted in accordance with this Agreement and for such other matters as the Managers, acting by Manager Approval, may reasonably determine appropriate, in all events in accordance with applicable provisions of the Internal Revenue Code and Treasury Regulations, including without limitation Treasury Regulation Section 1.704-1(b)(2)(iv).

3. General Allocations.

(a) General Application. The rules set forth below in this Section 3 of this Schedule B shall apply for the purposes of determining each Member's allocable share of the items of income, gain, loss or expense of the Company comprising Adjusted Taxable Profit or Adjusted Taxable Loss for each fiscal year or other period, determining special allocations of other items of income, gain, loss and expense, and adjusting the balance of each Member's Capital Account to reflect these general and special allocations. For each fiscal year or other period, any required special allocations in Section 4 of this Schedule B shall be made immediately prior to the general allocations of Section 3(b) of this Schedule B.

(b) General Allocations. The items of income, expense, gain and loss comprising Adjusted Taxable Profit or Adjusted Taxable Loss for a fiscal year or other period, shall be allocated among the Members during such fiscal year or other period in a manner that will, as nearly as possible, cause the Capital Account balance of each Member at the end of such fiscal year or other period to equal:

(i) the amount of the hypothetical distribution (if any) that such Member would receive if, on the last day of the fiscal year or other period, (A) all Company assets, including cash, were sold for cash equal to their Gross Asset Values, as determined by Manager Approval, taking into account any adjustments thereto for such fiscal year or other period, (B) all Company liabilities were satisfied in cash according to their terms (limited, with respect to each Nonrecourse Liability), to the Gross Asset Value, as determined by Manager Approval, of the assets securing such liability), and (C) the net proceeds thereof (after satisfaction of such liabilities) were distributed in full in accordance with Section 12.2, minus

(ii) the sum of (A) the amount, if any, which such Member is obligated (or deemed obligated) to restore to such Member's Capital Account, (B) such Member's share of the Company Minimum Gain determined pursuant to Treasury Regulations Section 1.704-2(g), and (C) such Member's share of Member Nonrecourse Debt Minimum Gain determined pursuant to Treasury Regulations Section 1.704-2(i)(5), all computed immediately prior to the hypothetical sale described in Section 3(b)(i) of this Schedule B.

(c) The Managers, acting by Manager Approval, may modify the allocations otherwise provided for in this Section 3 of this Schedule B or offset prior allocations provided for in Section 4 of this Schedule B, including by specially allocating items of gross income, gain, deduction, loss or expense among the Members, so that such modifications or offsets will cause the Capital Accounts of the Members to reflect more closely the Members' relative economic interests in the Company.

4. Special Allocations. The following special allocations shall be made in the following order:

(a) Minimum Gain Chargeback. In the event that there is a net decrease during a fiscal year or other period in either Company Minimum Gain or Member Nonrecourse Debt Minimum Gain, then notwithstanding any other provision of this Schedule B, each Member shall

receive such special allocations of items of Company income and gain as are required in order to conform to Treasury Regulation Section 1.704-2.

(b) Qualified Income Offset. Subject to Section 4(a) of this Schedule B, but notwithstanding any provision of this Schedule B to the contrary, items of income and gain shall be specially allocated to the Members in a manner that complies with the “qualified income offset” requirement of Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(3).

(c) Deductions Attributable to Member Nonrecourse Debt. Any item of Company loss or expense that is attributable to Member Nonrecourse Debt shall be specially allocated to the Members in the manner in which they share the economic risk of loss (as defined in Treasury Regulation Section 1.752-2) for such Member Nonrecourse Debt.

(d) Allocation of Nonrecourse Deductions. Each Nonrecourse Deduction of the Company shall be allocated among the Members in accordance with the partners’ interests in the partnership within the meaning of Treasury Regulations Sections 1.704-2(b)(1) and 1.704-1(b)(3).

(e) Loss Limitation. Adjusted Taxable Losses allocated to a Member pursuant to this Schedule B shall not exceed the maximum amount of Adjusted Taxable Losses that can be allocated to such Member without causing such Member to have a negative Adjusted Capital Account Balance at the end of any fiscal year or other allocation period in which any other Member does not have a negative Adjusted Capital Account Balance.

(f) The allocations set forth in Section 4(a) through Section 4(e) of this Schedule B (the “Regulatory Allocations”) are intended to comply with Treasury Regulation Sections 1.704-1(b) and 1.704-2 and shall be interpreted consistently with this intention. Any terms used in such provisions that are not specifically defined in this Agreement shall have the meaning, if any, given such terms in such Treasury Regulations.

(g) If during any taxable year of the Company there is a change in any Member’s membership interest in the Company, allocations of income or loss for such taxable year shall take into account the varying interests of the Members in the Company in a manner consistent with the requirements of Section 706 of the Internal Revenue Code. Any Member that is transferred a membership interest from another Member but not the corresponding portion of such other Member’s Capital Account shall not be entitled to any allocation or distribution arising from Company operations prior to the date of such transfer, unless otherwise determined by Manager Approval or required by the Internal Revenue Code.

5. Tax Allocations.

(a) Section 704(b) Allocations. Subject to Section 5(b) and Section 5(c) of this Schedule B, each item of income, gain, loss, or deduction for United States federal income tax purposes that corresponds to an item of income, gain, loss or expense that is either taken into account in computing Adjusted Taxable Profit or Adjusted Taxable Loss or is specially allocated pursuant to Section 4 of this Schedule B (a “Book Item”) shall be allocated among the Members in the same proportion as the corresponding Book Item is allocated among them pursuant to Section 3 or Section 4 of this Schedule B.

(b) Section 704(c) Allocations. In the event any property of the Company is credited to the Capital Account of a Member at a value other than its tax basis, then allocations of taxable income, gain, loss and deductions with respect to such property shall be made in a manner which will comply with Sections 704(b) and 704(c) of the Internal Revenue Code. Such allocations also shall be made by the Company to any former Member to the extent applicable, as determined by Manager Approval. The allocation to a Member of items of taxable income, gain, loss, and deduction of the Company also shall be adjusted to reflect any election under Section 754 of the Internal Revenue Code.

(c) Capital Accounts. The tax allocations made pursuant to this Section 5 of this Schedule B shall be solely for tax purposes and shall not affect any Member's Capital Account or share of non-tax allocations or distributions under this Agreement.

market is expected to witness significant growth owing to legalization in several countries and high demand for both medical and recreational purposes. Over the past few years, the number of companies operating in this market has increased exponentially. Products currently being offered include varieties of strains and extracts such as oils, tinctures, resins, and consumables based on concentration of cannabinoids like THC and CBD. As countries begin to liberalize laws related to this drug, the market is expected to witness a surge in demand. Currently, majority of the cannabis is sold through illicit channels. To curb this illegal trade, governments have started legalizing marijuana in order to monitor the products that enter the supply chain and reap benefits through taxes levied on these products. In North America, it has been reported that currently about 70-75% of cannabis trade is illegal, which has reduced to nearly 30.0% in states where marijuana has been legalized. This in turn has prompted several countries to initiate legalization programs. Keen investors are awaiting legalization of recreational marijuana. As recreational cannabis is legalized, the number of patients consuming it is expected to reduce by 40.0%, owing to patients seeking easier means of access

than going through medical supply channels. On the basis of type, the market is segmented into medical and recreational. The medical segment is estimated to dominate the global market and accounted for around 80.3% of the revenue in 2016. Several countries have legalized hemp products as treatment options for conditions such as multiple sclerosis, cancer-induced nausea, and chronic pain. Moreover, several countries have recognized health benefits of this product and are in process of legalizing it. With increase in volume of scientific studies and clinical trials, demand for cannabis for clinical use is expected to grow over the forecast period. Countries such as U.S. (on state level) and Uruguay have legalized marijuana for recreational purposes. These countries are expected to provide growth opportunities to producers, as consumption of this drug and its derivatives is expected to increase with rise in number of consumers. Recreational use of this drug is considered as a substitute for cigarettes and alcoholic beverages such as beer. Producers in Canada and several U.S. states with legalized recreational use are focusing their marketing strategies on targeting beer and cigarette consumers. Manufacturers have also started promoting derivatives such as tinctures, oils, and resins, along with products like vaporizers, among millennials who are considered primary consumers. The market for recreational cannabis is

anticipated to witness faster growth as compared to that for medical usage owing to large customer pool. Moreover, it has been reported that patients in U.S., where recreational use is legal, opt for recreational version of this drug over medical variants. This is mainly because of the stringent regulatory and approval process for receiving prescription of medical marijuana. Moreover, high cost and complex distribution channels wherein dispensaries include cost of packaging and labeling could deter buyers from purchasing the medical form of the product. Medical buyers therefore avoid additional cost by opting for recreational products. Furthermore, patients who do not qualify for medical usage are benefitted through recreational programs due to easy accessibility and low price of the products. All these factors are expected to boost the legal marijuana market over the forecast period. The recreational segment is expected to register a CAGR of 43.2% between 2017 and 2025. Bud form is anticipated to be a dominant segment throughout the forecast period. Wide acceptability of buds and their lower price as compared to derivatives or extracts are expected to boost demand for these products. Buds are widely used for smoking and are in high demand in recreational markets. This segment was valued at USD 5.8 billion in 2016 and is anticipated to witness significant growth owing to

increase in number of market participants focusing on catering to the ever-increasing demand.

Countries such as U.S., Canada, Columbia, and Israel have witnessed entry of new players that focus on

increasing production output and expanding their geographical reach. The oil segment is expected to

register the fastest CAGR of 40.4% over the forecast period. Hemp oil is in high demand for its clinical

use. Doctors who prescribe cannabis are concerned about the quantity of cannabinoid intake.

Complications associated with smoking is another key factor that restricts physicians from prescribing it

for smoking. Owing to this, several physicians prefer hemp extracts in the form of oil or edibles, which is

expected to boost demand during the forecast period. Extracts are gaining popularity in countries where

the market is regulated and well-established. Consumers in these countries prefer variety of options for

consumption, owing to which, buds are expected to witness a decline in growth rate as compared to

extracts. However, growing demand for extracts may still not have a significant impact on the revenue

share of buds, and therefore this segment is anticipated to dominate the market throughout the

forecast period. North America accounted for the largest share in the global market and was valued at

USD 7.2 billion in 2016. U.S. and Canada are anticipated to be largest in terms of revenue. After

legalization of recreational cannabis in most U.S. states, the market has witnessed considerable growth.

California and Colorado are some of the most lucrative states in the country. However, marijuana remains illegal at federal level in U.S., which in turn, may affect overall revenue growth in the country.”

Opportunities

In November of 2016, Massachusetts voters passed Question 4, legalizing recreational marijuana for individuals 21 years of age or older via 935 CMR 500. The law went into effect December 15, 2016, and the state’s recreational use market went into effect July 1, 2018. Geographically, Harbor House stands to serve a large demographic of cannabis users. Due to the ability of local municipalities to enact bans and moratoriums based off Question 4 voting results, Harbor House expects its territory to encompass Everett, Revere, Winthrop, Chelsea, and parts of East Boston. Total residents of the geographic market over 21 years of age reach 140,000 plus. Taking into account general poll results regarding regular marijuana usage, Harbor House expects its geographic target market or regular marijuana users to encompass over 14,000 customers. The Company’s goal should be to attract and serve upwards to 100% of this market, in the absence of other recreational marijuana facilities. Additionally, the close proximity

of the facility at 80 Eastern Avenue to the following transit makes the proposed location ripe for

opportunity from non-geographic target demographics: • Route 1/1A • I-93 • Eastern Avenue • Logan

Airport Harbor House has identified a segmented and diversified market. The non-cannabis product

section of the dispensary will target all socio-economic classes of the cannabis market. The retail side of

the dispensary will target the same market as the other side, but will also target the markets of

consumers with intent for quick sale service. By having two separate sides of the dispensary, which carry

products ranging in price, the Company is able to target customers from all classes as well as non-

cannabis users interested in retail products. This gives us the opportunity to educate and inform those

who may not be educated about cannabis and still have quality products for them to purchase. Risks and

Threats Although Harbor House aims to become one of the first vertically-integrated marijuana

businesses in Suffolk County, we recognize the emergence of a number of risks that may or may not be

able to be mitigated. The ongoing existence of a black market for marijuana is a risk and a problem that

legalized recreational marijuana seeks to mitigate in its existence. Harbor House seeks to utilize the

legalized status of marijuana to its advantage, and stamp out black market activity through the

accessibility of properly cultivated, lab tested, and properly packaged/labeled marijuana. The benefits of knowing what exactly is being consumed is priceless. Additionally, through economies of scale and efficient management, Harbor House aims to compete with black market pricing to provide an obvious value proposition. As additional licensure is granted within the City of Chelsea and Suffolk County, we expect the increase in supply to adversely affect demand at Harbor House. The City of Chelsea alone aims to approve marijuana licensure commiserate to the number of liquor licenses in the municipality. Additionally, large marijuana establishments throughout Boston and metro areas threaten to provide centralized convenience. Through careful observation of local competitors, Harbor House aims to remain competitive against additional marijuana facilities by methods including, but not limited to:

- o Marijuana strain choice
- o High quality plant phenotypes
- o Diverse product mix
- o Superior customer service
- o Unique brand experience

Additionally, threats to the marijuana industry cannot be explained without mentioning the precarious nature of its status within federal law. As cannabis remains a Schedule 1 substance, federal law conflicts with the status of recreational marijuana within the Commonwealth of Massachusetts. Due to the prevailing sentiment of legalized marijuana in the United

States, no actions have been taken against the industry by the federal government, yet. As the country grows more accustomed to the idea of legalized marijuana (as evidenced by recent polls), Harbor House expects this threat to subside in the following years. As such, Harbor House can and will do everything in its power to fully comply with 935 CMR 500, maintain stringent standards towards recordkeeping and financial information, and implement best practices to mitigate the federal risk. However, we do acknowledge the possibility that the industry at large can collapse. What are the most important activities being performed in order to make the facility successful? Production: Crop cycles and rotation are key to maximizing supply and filling customer demands. Through tracking sales at the store, we will know what we need to grow more of to manage demand. The general manger will be in charge of overseeing the cycles and adequately keeping each rotation in its proper location. Each cycle will be lollipopped, topped, trellised, pruned, and harvested on a fixed schedule. The cycles will also be sprayed with preventive organic fungicides and pesticides to prevent the risk of pests or molds. Bulbs will be changed every 5-7 months to provide the most adequate lumens for photosynthesis. Growing climates are documented twice daily to provide the most comprehensive data needed to produce a perfect

growing environment. Problem Solving: We believe education is the foundation of problem solving.

Employees need to be taught the expected "outcome," and the nuances of both the "raw product" and

"processes" needed to achieve that outcome. Managers and leaders must be good trainers. Failure

happens and can be learned from, but most failure can be prevented by comprehensive and forward-

looking cooperation. We will exercise effective planning, organizing, and cooperating to result in

potential obstacles being identified before they are manifested. Value Propositions Harbor House's

dispensary will create a professional, informative, and innovative environment for our customers.

Shopping at our store will be of value to our customers because they will not only have the opportunity

to purchase marijuana, they will also be able to shop in our retail store for culturally-related products.

Having the two categories will give every customer a shopping experience with the opportunity to

purchase something in their price range. The dispensary will provide products for people who do not

consume marijuana but are still involved with the culture. No customer will be left behind. Harbor

House will have a large variety of retail products for sale. This will allow the Company to target every

angle of the cannabis culture. The website shall be concise, informative, and clearly display any relevant

information pertaining to Harbor House and its products offered. Blogs and forums on our website will allow us to gain a stronger social media following than any of our competitors. Harbor House is unique due to the use of vertical integration that allows us to make and sell our own cannabis, MIPs, extracts, and merchandise. Harbor House's operations will offer an extravagant selection of hand picked elite genetics. All cannabis will be grown in a lab, fed properly, cured properly, and stored properly. During the entire growing process 1-3 people will touch each plant protecting valuable resin glands and trichomes. All marijuana and derivative products will be tested prior to manufacturing, extraction production and packaging to ensure contaminant-free purity and potency. An independent laboratory that is accredited according to the International Organization for Standardization (ISO) 17025; or is certified, registered or accredited by an organization approved by DPH will perform testing. Lab testing will analyze the cannabinoid profile of each strain, potency, along with mold, mildew, heavy metals, plant-growth regulators and the presence of non-organic pesticides required by the DPH. Should a random sample be contaminated, the entire harvest or batch that sample originated from will be quarantined and tested. Batches associated with positive samples will be discarded according to waste

disposal protocols. Only independently tested products that meet high quality standards will be dispensed. Knowing the contents of our cannabis products will help the customer decide which strain is best for his/her needs, while ensuring their best interests while using our products. Harbor House employees will receive monthly goals. Small perks and incentives will be given out each month for individuals meeting these goals. Managers will have larger goals to meet each year. Meeting these goals will result in bonuses. Harbor House will create optional surveys for customers to rate our products. This information will be used to drive decisions on product production. There will be a suggestion box at the dispensary. This will be located in a spot which every customer will pass entering and exiting the store. Customers' suggestions may include new strains for us to carry, new edibles, or any idea they may have for our company. The suggestions will be read at our weekly team meetings. Harbor House will have branded bags, jars, and pop-tops (containers) with Harbor House Collective branding on them.

The Harbor House dispensary has a unique design compared to other dispensaries. Most dispensaries have a hospital waiting room feel, Harbor House will have a comfortable bohemian boutique motif and atmosphere. The retail store will be equipped with two flat screen TVs that will display 3-D images of the

flowers cultivated by Harbor House, along with compliance, safety, and pricing details. This design will give a technologically advanced customer experience that will leave a lasting impression. Tasteful logo placement viewable from the sidewalk or street front, our distinctive original logo, a beautiful retail storefront, informative customer service, and an innovative attitude towards the industry will set Harbor House's dispensary apart as truly unique. Harbor House's marijuana will consistently be the highest quality and will be lab tested to ensure contaminant-free purity and potency. Customers will know what to expect and will not be disappointed. Assigned employees will gather information from websites and local competing dispensaries. There will be a survey sheet that each employee must fill out whenever researching a competing company. Harbor House will offer daily specials and have a rewards system to offer discounts and give customers incentive to show loyalty. We will implement a loyalty program based on accumulating points that can be exchanged for both cannabis products and/or non-cannabis products. Harbor House's shelves will be stocked full of different styles of pipes, vaporizers, and storage containers. Our wide range of products will make our marijuana easily usable and enjoyable. Consumer education is key in this emerging industry; we will offer a diverse spectrum of goods and a

knowledgeable staff to help guide customers in their decisions. We will offer two different cultivation practices in order to diversify our product offering. One practice uses soil and one uses soilless mediums. The customer will be able to see first hand the differences between soil and soilless grown marijuana to decide first hand what products they prefer. This unique strategy exemplifies “unity in the community”, as we seek to educate and inform our customer base in the science behind our quality driven cultivation strategies. Harbor House value propositions:

- Harbor House is a consumer driven company.
- Harbor House’s success is based upon its understanding of the consumer.
- Harbor House’s consumer focus is not limited by cultural, ethnic, or national boundaries.
- Harbor House believes in doing business ethically, honestly, and confidentially.

Marketing and Sales

Harbor House Collective has developed a logo to be used in labeling, signage, and other materials. There is no use of medical symbols, images of marijuana, related paraphernalia, and/or colloquial references to cannabis.

All Cannabis and Cannabis products will be displayed in secure, locked cases. These cases have a clear front and top glass in order to allow the consumer to visually inspect product compliant with 935 CMR 500.110. Authorized marijuana establishment agents may remove a sample of cannabis or cannabis products from the case and provide it to a consumer for inspection, provided the sample is not used for anything other than inspection. There will be no consumption on premises at anytime. Prices will be printed on menu boards strategically placed throughout the retail store, as well as on our private website. Harbor House Collectives website will be regulated by age verification run by ageverify.co. All web users visiting the website will be greeted by an initial page that will verify age through birthdate,

once age is confirmed web users can navigate the HHC website. Harbor House will immediately be paying to advertise with Weedmaps, Leafly, local magazines, social Media, and newspapers, and other avenues that expect at least 85% target audience over the age of 21. These are websites and literature that are read frequently in the cannabis culture and will help raise company awareness. Social media is one of the most effective ways to communicate in this generation. Harbor House will be posting strain reviews, industry news, hosting forums, and providing a growers' blog throughout our multiple social media sites. All of these sites will provide links to our website. Bud tenders are required to attend bud tastings whenever the warehouse harvests a new strain. This will allow the bud tenders to have a first hand account of our product and give customers personal opinions to help drive sales. This knowledge base will also be used to upsell our top shelf products.

HARBOR HOUSE

COLLECTIVE

Communication is of upmost importance at Harbor House. How employees communicate with customers will strongly influence what the customer purchases and if they will come back. Our non-verbal communication will be impeccable. Employees will be dressed to impress, have professional

stature, look customers in the eyes when they speak, and have a caring and inviting air about them. We will listen to the customer and give them our most educated opinion on what will be the best product for them. All employees will be required to have in depth knowledge about all retail items being sold, regardless of which side they work on. All retail artists will be strongly encouraged to meet employees of Harbor House by the grand opening party at the latest. We believe that having a personal relationship with the artist will improve an employees' capability to sell their art and connect with the local community. The dispensary will also contain a tablet that the customers may use in order to get bud recommendations electronically. Customers will read full descriptions and see pictures of the marijuana on the tablet and then may ask the bud tenders any remaining questions. This will make Harbor House more efficient and will be a technologically advanced way of impressing customers. All sales will be made with cash or debit cards. We will have advance order systems set up at Harbor House to make the shopping experience as quick as possible for customers who know what they want. Customers will be able to place orders online, which we will have packaged and ready for payment upon their arrival. We will also have office phones which they may call and place orders. This will make purchasing our

products as efficient as possible. All of Harbor House's non-cannabis retail products will also be sold online. These products may be purchased by anyone in the United States who has a working debit or credit card. Customers buying marijuana will have an immersive experience in the dispensary. They will receive their purchase in a unique Harbor House logo package. Our delivery will give customers a sense of status and they will have something with our logo on it to show off to friends and family after leaving our dispensary. The dispensary will have a voluntary sign up sheet to receive e-mails and text messages from Harbor House. This service will be optional to prevent customers from feeling like they are getting spammed. Customers who choose to sign up will receive an automated thank you message whenever they make a purchase at Harbor House. They will also receive promotional communications sporadically. Employees will encourage customers to rate us online. This will also give us time to build a trusting relationship with customers before they rate us. Harbor House will have a customer appreciation event every year. This will be to celebrate our culture and give back to our customers/community directly for showing their loyalty. Marketing to: • Locals: Dedicated personal assistance. This is the most personal relationship the dispensary may have with a customer. We will take interest in our patients' lives and

needs. Fostering these relationships will bring loyalty and allow us to give the best customer service

experience as possible. We will reach out to all customers to become loyal customers of Harbor House. •

Visitors: Our average customer will be treated with respect and dignity. They will get personal assistance

equally, as will all customers. We will reach out to these customers through social media marketing,

Harbor House brand clothing, and podcast/radio. These lines of communication will allow us to reach

the masses with automated messages, but still give them a personal shopping experience. • Internet

Customers: This customer segment has no personal interaction with Harbor House employees. They do

play a very important role in setting trends and spreading the word about our retail products. We will do

our best to engage them in our online blogs, forums, and social media sites. These customers will be

great to help our online marketing.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a.** We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1)** The amount we will pay for damages is limited as described in Section **III** – Limits Of Insurance; and
- (2)** Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A** or **B** or medical expenses under Coverage **C**.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B**.

- b.** This insurance applies to "bodily injury" and "property damage" only if:

- (1)** The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
- (2)** The "bodily injury" or "property damage" did not occur before the Retroactive Date, if any, shown in the Declarations or after the end of the policy period; and
- (3)** A claim for damages because of the "bodily injury" or "property damage" is first made against any insured, in accordance with Paragraph **c.** below, during the policy period or any Extended Reporting Period we provide under Section **V** – Extended Reporting Periods.

- c.** A claim by a person or organization seeking damages will be deemed to have been made at the earlier of the following times:

- (1)** When notice of such claim is received and recorded by any insured or by us, whichever comes first; or
- (2)** When we make settlement in accordance with Paragraph **a.** above.

All claims for damages because of "bodily injury" to the same person, including damages claimed by any person or organization for care, loss of services, or death resulting at any time from the "bodily injury", will be deemed to have been made at the time the first of those claims is made against any insured.

All claims for damages because of "property damage" causing loss to the same person or organization will be deemed to have been made at the time the first of those claims is made against any insured.

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

- (a) The supervision, hiring, employment, training or monitoring of others by that insured; or

- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

 - (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
 - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;
 - (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

- (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".
- (2) Any loss, cost or expense arising out of any:
 - (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

 - (1) With respect to liability arising out of the maintenance or use of that property; and
 - (2) Until your legal representative has been appointed.
 - d. Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.
3. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
- a. Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;
 - b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
 - c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.
- No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.
- ### SECTION III – LIMITS OF INSURANCE
1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
 2. The General Aggregate Limit is the most we will pay for the sum of:
 - a. Medical expenses under Coverage C;
 - b. Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and

c. Damages under Coverage B.

3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage A for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".
4. Subject to Paragraph 2. above, the Personal And Advertising Injury Limit is the most we will pay under Coverage B for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.
5. Subject to Paragraph 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
 - a. Damages under Coverage A; and
 - b. Medical expenses under Coverage Cbecause of all "bodily injury" and "property damage" arising out of any one "occurrence".
6. Subject to Paragraph 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage A for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, while rented to you or temporarily occupied by you with permission of the owner.
7. Subject to Paragraph 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or offense which may result in a claim. To the extent possible, notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and
 - (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

Notice of an "occurrence" or offense is not notice of a claim.

- b. If a claim is received by any insured, you must:

- (1) Immediately record the specifics of the claim and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim as soon as practicable.

- c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or a "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below.

b. Excess Insurance

(1) This insurance is excess over:

- (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) That is effective prior to the beginning of the policy period shown in the Declarations of this insurance and applies to "bodily injury" or "property damage" on other than a claims-made basis, if:
 - i. No Retroactive Date is shown in the Declarations of this insurance; or
 - ii. The other insurance has a policy period which continues after the Retroactive Date shown in the Declarations of this insurance;
 - (ii) That is Fire, Extended Coverage, Builders' Risk, Installation Risk or similar coverage for "your work";

- (iii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
- (iv) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
- (v) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section I – Coverage A – Bodily Injury And Property Damage Liability.

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

- (2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.
- (3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
 - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
 - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

10. Your Right To Claim And Occurrence Information

We will provide the first Named Insured shown in the Declarations the following information relating to this and any preceding general liability claims-made Coverage Part we have issued to you during the previous three years:

- a. A list or other record of each "occurrence", not previously reported to any other insurer, of which we were notified in accordance with Paragraph 2.a. of the Section IV – Duties In The Event Of Occurrence, Offense, Claim Or Suit Condition. We will include the date and brief description of the "occurrence" if that information was in the notice we received.
- b. A summary by policy year, of payments made and amounts reserved, stated separately, under any applicable General Aggregate Limit and Products-Completed Operations Aggregate Limit.

Amounts reserved are based on our judgment. They are subject to change and should not be regarded as ultimate settlement values.

You must not disclose this information to any claimant or any claimant's representative without our consent.

If we cancel or elect not to renew this Coverage Part, we will provide such information no later than 30 days before the date of policy termination. In other circumstances, we will provide this information only if we receive a written request from the first Named Insured within 60 days after the end of the policy period. In this case, we will provide this information within 45 days of receipt of the request.

We compile claim and "occurrence" information for our own business purposes and exercise reasonable care in doing so. In providing this information to the first Named Insured, we make no representations or warranties to insureds, insurers, or others to whom this information is furnished by or on behalf of any insured. Cancellation or nonrenewal will be effective even if we inadvertently provide inaccurate information.

SECTION V – EXTENDED REPORTING PERIODS

1. We will provide one or more Extended Reporting Periods, as described below, if:
 - a. This Coverage Part is canceled or not renewed; or
 - b. We renew or replace this Coverage Part with insurance that:
 - (1) Has a Retroactive Date later than the date shown in the Declarations of this Coverage Part; or
 - (2) Does not apply to "bodily injury", "property damage" or "personal and advertising injury" on a claims-made basis.
 2. Extended Reporting Periods do not extend the policy period or change the scope of coverage provided. They apply only to claims for:
 - a. "Bodily injury" or "property damage" that occurs before the end of the policy period but not before the Retroactive Date, if any, shown in the Declarations; or
 - b. "Personal and advertising injury" caused by an offense committed before the end of the policy period but not before the Retroactive Date, if any, shown in the Declarations.
- Once in effect, Extended Reporting Periods may not be canceled.
3. A Basic Extended Reporting Period is automatically provided without additional charge. This period starts with the end of the policy period and lasts for:
 - a. Five years with respect to claims because of "bodily injury" and "property damage" arising out of an "occurrence" reported to us, not later than 60 days after the end of the policy period, in accordance with Paragraph 2.a. of the Section IV – Duties In The Event Of Occurrence, Offense, Claim Or Suit Condition;
 - b. Five years with respect to claims because of "personal and advertising injury" arising out of an offense reported to us, not later than 60 days after the end of the policy period, in accordance with Paragraph 2.a. of the Section IV – Duties In The Event Of Occurrence, Offense, Claim Or Suit Condition; and
 - c. Sixty days with respect to claims arising from "occurrences" or offenses not previously reported to us.

The Basic Extended Reporting Period does not apply to claims that are covered under any subsequent insurance you purchase, or that would be covered but for exhaustion of the amount of insurance applicable to such claims.

4. The Basic Extended Reporting Period does not reinstate or increase the Limits of Insurance.
5. A Supplemental Extended Reporting Period of unlimited duration is available, but only by an endorsement and for an extra charge. This supplemental period starts when the Basic Extended Reporting Period, set forth in Paragraph 3. above, ends.

You must give us a written request for the endorsement within 60 days after the end of the policy period. The Supplemental Extended Reporting Period will not go into effect unless you pay the additional premium promptly when due.

We will determine the additional premium in accordance with our rules and rates. In doing so, we may take into account the following:

- a. The exposures insured;
- b. Previous types and amounts of insurance;
- c. Limits of Insurance available under this Coverage Part for future payment of damages; and
- d. Other related factors.

The additional premium will not exceed 200% of the annual premium for this Coverage Part.

This endorsement shall set forth the terms, not inconsistent with this section, applicable to the Supplemental Extended Reporting Period, including a provision to the effect that the insurance afforded for claims first received during such period is excess over any other valid and collectible insurance available under policies in force after the Supplemental Extended Reporting Period starts.

6. If the Supplemental Extended Reporting Period is in effect, we will provide the supplemental aggregate limits of insurance described below, but only for claims first received and recorded during the Supplemental Extended Reporting Period.

The supplemental aggregate limits of insurance will be equal to the dollar amount shown in the Declarations in effect at the end of the policy period for such of the following limits of insurance for which a dollar amount has been entered:

General Aggregate Limit

Products-Completed Operations Aggregate Limit

Paragraphs 2. and 3. of Section III – Limits Of Insurance will be amended accordingly. The Personal and Advertising Injury Limit, the Each Occurrence Limit and the Damage To Premises Rented To You Limit shown in the Declarations will then continue to apply, as set forth in Paragraphs 4., 5. and 6. of that section.

AMENDMENT OF INSURED CONTRACT DEFINITION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

The definition of "insured contract" in the **Definitions** section is replaced by the following:

"Insured contract" means:

- a.** A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract";
- b.** A sidetrack agreement;
- c.** Any easement or license agreement, except in connection with construction or demolition operations on or within 50 feet of a railroad;
- d.** An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
- e.** An elevator maintenance agreement;
- f.** That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization, provided the "bodily injury" or "property damage" is caused, in whole or in part, by you or by those acting on your behalf. However, such part of a contract or agreement shall only be considered an "insured contract" to the extent your assumption of the tort liability is permitted by law. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraph **f.** does not include that part of any contract or agreement:

“Location” means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

3) Responsibilities:

This SOP applies to all energy efficiency and conservation policies in the Colocated Marijuana Establishment. HHC management will update SOP's as needed per regulation or other mandates. This SOP will be reviewed at least yearly.

1. HHC will demonstrate consideration of the following factors:
 - a. Identification of potential energy use reduction opportunities (such as natural lighting and energy efficiency measures), and a plan for implementation of such opportunities;
 - b. Consideration of opportunities for renewable energy generation, including, where applicable, submission of building plans showing where energy generators could be placed on the site, and an explanation of why the identified opportunities were not pursued, if applicable;
 - c. Strategies to reduce electric demand (such as lighting schedules, active load management, and energy storage); and
 - d. Engagement with energy efficiency programs offered pursuant to [M.G.L. c. 25, § 21](#), or through municipal lighting plants.
2. To the extent updates are required to the information provided for initial licensure, HHC will submit an updated energy compliance letter prepared by a Massachusetts Licensed Professional Engineer or Massachusetts Licensed Registered Architect with supporting documentation, together with a renewal application submitted under 935 CMR 500.103(4) and 935 CMR 501.103(4).
3. HHC will use additional best management practices as determined by the Commission, in consultation with the working group established under St. 2017, c. 55, § 78(b), to reduce energy and water usage, engage in energy conservation and mitigate other environmental impacts, and will provide energy and water usage reporting to the Commission in a form determined by the Commission.
4. Each license renewal application under 935 CMR 500.103(4) & 935 CMR 501.103 (4) will include a report of HHC's energy and water usage over the twelve-month period prior to the date of application

4) Energy Efficiency and Conservation

1. HHC has identified potential energy use reduction opportunities such as natural lighting and energy efficiency measures and a plan for implementation of such opportunities. Our facility has been fully designed with features including 9 flower rooms, a vegetative

room, and two drying rooms equipped with 3” Insulated metal panels with a continuous R-factor of 22.2. In Office/support area envelope, existing gypsum wallboard was removed along the exterior wall assembly including existing insulation. All existing wood furring remained and new R21 Type 2 Batt insulation was installed with a single layer of 5/8” gypsum wall board. All single pane existing window assemblies including but not limited to frames, glazing, and flashing were removed and replaced with insulated windows per 780 CMR/2015 IECC. All exterior doors and overhead receiving doors including but not limited to frames, door assembly and flashing were removed and replaced with insulated assemblies per 780 CMR/2015 IECC. The facility will utilize a 278-ton dry cooler for all flower and vegetation rooms as a water side economizer system when the ambient air is 64 degrees Fahrenheit or below. Piping is distributed from the dry cooler to the chilled water coil in each packaged rooftop unit and air handling units. Stair vents, Elevator shaft vents, and outdoor air and exhaust systems have been equipped with motorized dampers that automatically close shut when not in use and meet maximum leakage prevention rates to reduce temperature swings. In addition to the above, HHC has incorporated several energy-use reduction opportunities including night time fan setback, flower/vegetative light dimming schedules, and energy efficient LED lighting in Propagation Room, Mother Room, Vegetative Room, and Flower Rooms 6, 8 & 9. To further demonstrate HHC’s compliance with the energy efficiency and conservation regulations, a letter prepared by BLW Engineers, INC., a Massachusetts Licensed Professional Engineer, and supporting documentation is attached. In addition to the above letter, HHC has engaged in the Mass Save Energy Efficiency Program with National Grid.

2. HHC has considered opportunities for renewable energy generation. Our team is dedicated to consistently striving for sustainability and emissions reduction. Renewable energy opportunities were explored for HHC, however, we are unable to employ any renewable energy due to site restriction. Please see Energy Efficiency and Conservation Regulation letter provided by BLW Engineers Inc., for more detail.
3. HHC is pursuing the following strategies to reduce electric demand. Programs may include lighting schedules, active load management and energy storage programs. In an effort to reduce electric demand, HHC will stagger lighting schedules in Flower Rooms, incorporate Dimming schedules into each stage of the plant life cycle in cultivation, and have a night time fan setback programmed into our HVAC scheduling/deployment.
4. HHC is working with Fluence by Osram to create an energy efficient lighting plan and plans on using Fluence by Osram SPYDR 2x LED fixture in Vegetation Stage, and Mother Room. In Flower Rooms 6, 8, & 9 HHC will use Fluence by Osram’s SPYDR 2i LED fixture.

Re: Plan to Provide Free or Discounted Product to Patients with Financial Hardship

Per 935 CMR 501.050 (1)(h), JOLO CAN LLC dba Harbor House Collective ("Harbor House") plans to offer free or discounted products to patients with a Verified Financial Hardship. Proposed discounts are as follows:

1. Registered Medical Marijuana Patients who are verified to have a terminal illness will receive a discount of 80% off their total purchase.
2. Registered Medical Marijuana Patients who present a MassHealth, EBT, or Snap card will receive a discount of 10% off their total purchase.
3. Registered Medical Marijuana Patients who are verified to hold status as a Veteran will receive a discount of 15% off their purchase.

This program will aim to provide financial relief to registered medical marijuana patients who also seek alternative care and relief. The goal of the program is to have 100% of all patients who qualify for any of the aforementioned statuses to have taken full advantage of the discounts being proposed.

Harbor House will seek to achieve this goal by monitoring events where qualified registered marijuana patients are unable to receive a discount. Harbor House will additionally look into setting a goal to make sure any registered medical marijuana patient that can qualify for discounts, is able to be properly credentialled and identified at Harbor House.

The overall efficacy of this proposal will ultimately be measured by total amount of dollars being discounted year over year.

Background

JOLO CAN LLC dba Harbor House Collective (“HHC”) is committed to developing and maintaining a robust policy of inclusivity and diversity at its facilities. As part of that commitment, HHC recognizes that diversity in the workforce is a critical aspect of a company’s contribution to Chelsea and the surrounding communities. HHC is a minority-owned company, certified by the Massachusetts Supplier Diversity Office, dedicated to fostering a diverse culture and promoting equity among all employees, including minorities, women, veterans, people with disabilities, and people of all gender identities and sexual orientations. HHC will make every effort to employ and advance employment in qualified and diverse people at all levels within the company.

Overview

HHC is dedicated to promoting equity in its operations for diverse populations, which the Commission has identified as the following:

1. Minorities;
2. Women;
3. Veterans;
4. People with disabilities; and
5. People identifying as LGBTQIA+.

Diversity Goals

HHC will promote equity and accessibility through community outreach and a commitment to a diverse and representative workforce. For HHC to promote equity to the above-listed groups in its operations, HHC has established the following goals:

1. HHC will recruit from diverse talent pools and local organizations with the long-term goal that at least 50% of HHC’s workforce is comprised of women and at least 50% of HHC’s workforce is comprised of individuals identifying as either minorities, veterans (5%), people with disabilities (5%), or people identifying as LGBTQ+ (8%);
2. HHC will develop targeted professional development plans for no less than (2) individuals per year meeting diversity qualifications; and
3. HHC will train and educate all its employees through one (1) annual, mandatory training session on unconscious bias.

Diversity Programs

HHC will address its diversity goals through two avenues - employment opportunity postings (at diverse job boards/fairs and local organizations) as well as targeted professional development plans for no less than 2 diverse employees per year.

Professional Development

The forefront of HHC's diversity initiatives is development, education, and training. The goal is to empower and educate our employees belonging to disproportionately represented demographics (such as minorities, women, veterans, people with disabilities, and people of all gender identities and sexual orientations). The aim of this development is to broaden our agents' knowledge of the industry, increase diverse representation with the cannabis industry, and provide employees with the tools to succeed and advance.

This development program will be HHC's most effective tool for removing barriers to entry to the cannabis industry for individuals from diverse backgrounds. No fewer than two (2) employees meeting these qualifications will be granted this opportunity annually. Through an exhaustive 90-day professional development plan, applicants are given a structured approach to learn in-depth about their functional department as well as the industry at large, receive hands-on training from industry veterans, with the goal of assuming ownership of the processes they are learning. Training will be provided at least every 30 days during the 90-day development period.

At the conclusion of this training, agents will be given guidance and mentoring to help expand their careers at HHC and/or the industry at large. With education and experience, employees will gain a greater understanding of the industry and HHC, and in turn further their success in their current roles and provide equitable growth and representation.

Employment Opportunities

HHC will be seeking out diverse individuals for employment opportunities through affiliations with community organizations such as Roca Chelsea and the City of Chelsea Department of Veterans Services. Leveraging the networks of such organizations will develop a pipeline of diverse individuals seeking employment in Massachusetts' nascent cannabis industry. For example, Roca Chelsea provides services and assistance to high-risk young mothers, many of

whom are minorities as well. The City of Chelsea Department of Veterans Services will give HHC an avenue to reach out to veterans for potential employment opportunities.

The Human Resources Administrator will attend the annual Boston In-Person Diversity Employment Day Career Fair that promotes hiring minorities, LGBTQIA+, disabled individuals, and veterans. HHC will continually look for other similar opportunities to promote current available positions.

HHC will also implement a diversity training program and policy for all employees, including upper management. HHC will require all new employees to undergo diversity awareness training in accordance with industry best practices. HHC will seek to deploy annual online training to its employees and executives to cover topics such as:

- Race, language, culture
- Gender, sexual orientation
- Religion
- Age
- Disabilities
- Physical appearance
- Other forms of harassment
- Incident reporting

Diversity Measurement

The Human Resources Manager will administer the plan and will be responsible for developing measurable outcomes to ensure HHC continues to meet its commitments. Measurable outcomes include maintaining a copy of all employment opportunities published on diverse job boards or provided to community organizations.

HHC will record and document its participation of local job postings. This process will include following-up with individuals from diverse backgrounds who express interest in employment opportunities at HHC. HHC will document how many of these individuals from diverse backgrounds apply for full-time positions. This documentation will enable HHC to measure its reach into the local community and actively identify individuals from diverse backgrounds for open positions within the company.

HHC's long-term goal is a minimum of 50% diverse (i.e., minorities, women, veterans, people with disabilities, and LGBTQ+ individuals) individual employment across the entire company by year 5 of operations. The Human Resources Manager will oversee progress toward this long-term hiring goal by obtaining, at least annually, employee biographical data through self-identifying surveys. This will permit the Human Resources Manager to measure HHC's progress toward its diversity hiring goals. The Human Resources Manager will annually report progress to the executive team and ensure that HHC meets its long-term diversity hiring goal. Furthermore, the Human Resources Manager is responsible for ensuring that HHC meets the following intermediate goals in years 1-4 of operation. Our percentages are based on the 2018-2020 reports of LGBTQ+, veterans, and disabled individuals in Massachusetts:

2022: minimum 35% diverse individual employment. (29% minority, 2% veterans, 2% LGBTQ+, 2% disabled individuals)

2023: minimum 40% diverse individual employment. (30% minority, 3% veterans, 4% LGBTQ+, 3% disabled individuals)

2024: minimum 45% diverse individual employment. (31% minority, 4% veterans, 6% LGBTQ+, 4% disabled individuals)

2025: minimum 50% diverse individual employment. (32% minority, 5% veterans, 5% LGBTQ+, 8% disabled individuals)

Tracking employment metrics, in combination with oversight by the Human Resources Administrator will ensure that HHC is regularly evaluating progress toward its diversity hiring goals and employing corrective actions if intermediary targets are not met.

Diversity Plan Acknowledgments

This plan acknowledges that the progress or success of its plan must be documented upon renewal (one year from provisional licensure, and each year thereafter).

JOLO CAN pledges to adhere to the requirements set forth in 935 CMR 500.105(4) & 935 CMR 501.105(4) which provides the permitted advertising, branding and sponsorship practices for all Marijuana Establishments.

Conclusion

Within the initial years of operation at HHC, the year 2 goal of 35% diversity hires was exceeded, and currently comprised of 57% minority employees. There are currently 35% women and this number is growing rapidly as retail and manufacturing continue their onboarding process. The hiring manager's process is carefully monitored and HHC continues to assess our demographics to ensure we are meeting our goals as additional staff is onboarded.

HHC focused on extending employment opportunities to Chelsea and Revere residents, which is naturally 76% Hispanic, as well as its surrounding areas. Majority of employment has been found through Indeed and other individual job sourcing sites, however HHC continues to review applicants found through ROCA Chelsea, Elevate NE, diversityworking.com as well as the City of Chelsea Department of Veteran's Services.

Positions offered include:

- Post-Harvest Agents
- Cultivation Agents
- Custodians
- Security Agents
- Extraction Technicians
- Assistant Retail Managers
- Compliance Manager
- Inventory Manager
- Wholesale Manager
- Dispensary Agents

Moving forward, HHC plans to continue to meet initial diversity goals, offer additional employment roles, and provide annual anonymous employment engagement surveys to analyze feedback on hiring, management, and job atmosphere.
