Cannabis Control Commission
101 Federal Street, 13th floor,
Boston, MA 02110

Dear Commissioners,

Liberty Market LLC (Liberty) entered into a host agreement with the Town of Lanesborough back in June of last year. Liberty subsequently submitted their application to the Commonwealth. Lanesborough is anxiously awaiting the approval of Liberty's license.

Lanesborough is an economically depressed municipality with a failed mall and the second highest tax rate in Berkshire County. The cost of the school system consumes over 52% of the town's budget. As such we are valiantly seeking ways to continue the educational opportunities of our children without driving our seniors out of town.

Liberty coming to operate in Lanesborough will provide some relief to our residents in the way of easing some of the tax burden on the town through the fees agreed to in the Host Agreement.

Liberty is in good standing with the town and has done everything we have required and or requested. Liberty has shown itself to be knowledgeable and responsible to date and we anticipate they will be a good partner with the Town.

Lanesborough and its representatives would like encourage your speedy favorable review of the Liberty Market LLC application resulting in approval of their application.

Sincerely,

Kelli A. Robbins, Esq.
Town Manager

Liberty Market

Plan to Positively Affect Areas of Disproportionate Impact
935 CMR 500.101(1)(b)(10); 935 CMR 500.101(2)(b)(10)

Liberty Market, LLC (“Liberty Market”) is dedicated to serving and supporting the areas around it, particularly those that are classified as areas of disproportionate impact.

Affected Parties

Liberty Market will be specifically targeting past or present residents of Pittsfield and North Adams, both geographic “areas of disproportionate impact” and Massachusetts residents who have past drug convictions or with parents/spouses who have drug convictions.

Goals

Programs

As part of our Positive Impact Plan, Liberty Market will develop specific programs to effectuate its goals. These programs may include the following:

1. Liberty Market will give hiring preference to individuals from areas of disproportionate impact as defined by the Commission, specifically individuals who are past or present residents of Pittsfield and North Adams. Liberty Market intends to reach those communities by:

 - c. offer mentorship from experts in the cannabis industry
 - d. make annual donations to Berkshire County Arc, which services Berkshire and Hampden Counties (including Pittsfield and North Adams). Berkshire County Arc services the

community through a variety of initiatives, including employment services and residential services. Berkshire County Arc has been contacted and is willing to accept donations from Liberty Market (proof of correspondence attached).

Plan Administration

The Human Resources Director will administer the Plan to Positively Impact Areas of Disproportionate Impact (the “Plan”). The Director will be responsible for developing measurable outcomes and ensuring Liberty Market continues to uphold its commitment to the community to meet and maintain the staffing goals. A minimum of two times per year, the Director will evaluate and issue a report to the Board with specific statistics regarding current staff as compared to goals. In addition, the Director will present recommendations for continuing success or additional initiatives if goals are not met. The Director will also be responsible for forming philanthropic partnerships in the community to implement and enhance the Plan.

Measurements

- Number of employees hired, retained, and promoted that come from North Adams, Pittsfield, or other disproportionately impacted areas
- Specific financial data and/or employee hours showing donations to or investments in specific causes relating to the Plan’s goals and programs
- Number of businesses and/or individuals that obtained financial or mentoring services
- Number and types of jobs created in the adult-use cannabis industry in geographic areas of disproportionate impact

Hi David,

So just to confirm, your organization is able to accept donations from Herbal Pathways/Liberty Market, both adult-use marijuana dispensaries seeking to locate in Pittsfield and Lanesborough, respectively?

Thanks,

Ashley

Liberty Market: Business Plan Summary

This document provides a summary of Liberty Market, LLC (“Liberty Market”, “the Company”) and its business plan as an Adult-Use Marijuana Retail Establishment in the Town of Lanesborough.

Liberty Market was created to establish and operate Adult-Use Retail Marijuana Establishments in the State of Massachusetts. Liberty Market is comprised of an accomplished and professional owner and is a highly-skilled professional.

Liberty Market’s owner will be more than just names on an application; my vision is predicated on an owner-operator business model. Liberty Market’s owner will have a direct and active role in business operations at the retail facility. I will represent myself at Town meetings and throughout the application process, maintain a presence in the local community, and ensure that I am seen by customers in my retail store.

Triple Bottom Line

Liberty Market recognizes its responsibility to lead by example in all that it does. As such, I have created a business model that ensures I will own and operate an organization that enhances the quality of life for customers, community, and the planet. My triple-bottom-line approach to business ensures that I exercise best practices. Examples of how I will execute this commitment are as follows:

People

I seek to bolster the quality of life for our employees, customers, and communities in which I operate.

Employees

Liberty Market prioritizes the local community and will offer preferential hiring to Lanesborough residents. I will pay a living wage starting at \$16 per hour (see “Socially Responsible Employment Practices” herein).

Education underlies my mission and translates into my standards of customer service. All agents of Liberty Market will be extensively trained (see Policies & Procedures “Marijuana Establishment Training”) to exude professionalism and proficiency in relation to cannabis knowledge, customer service skills, compliance, and more. The employees will maintain a level of knowledge that exceeds State mandates.

Customers

The focus on education will be evident to my customers. In my dispensaries, I will have areas dedicated to consumer education. Handouts, videos, instruction manuals, and more will be readily available. Moreover, I will offer one-on-one consultations with a qualified company agent for any customer who would like additional information or assistance.

Liberty Market will listen and respond to customer feedback regarding all aspects of the operation, including customer service, product selection, and product quality

Community

Liberty Market envisions a true partnership with the Town of Lanesborough. My team and employees will integrate as a strong pillar in the community. My mission in Town is to provide safe and secure access for adult-use cannabis, educate consumers, and give back to the community. Stellar customer service will be demonstrated inside of our retail facility, and the same level of passion, integrity, and commitment to being great neighbors will translate to my community involvement.

Liberty Market is passionate about giving back to Lanesborough. At the suggestion of the Town, we will make donations that are appropriate and impactful to local causes, funds, and other recommended organizations.

Profits

As aforementioned, Liberty Market will pay a living wage to all employees; please see “Socially Responsible Employment Practices” herein. In addition to this standard, I will be participating in several local community activities, donating volunteer hours from our staff and upper management, and more.

Planet

Liberty Market will make efforts to maintain an environmentally-conscious operation. We will be using eco-friendly packaging and materials when possible. Liberty Market will offer incentives for customers to recycle their packaging and extend the Company’s eco-friendly initiatives beyond the walls of our retail facility.

Plan for Positive Community Impact

Liberty Market will be a great neighbor in Town and contribute in a positive way to the local community through the institution of socially responsible employment practices, generous contributions to Town organizations and non-profits, and the implementation of a Diversity Program outlined in our Diversity Plan. Moreover, Liberty Market has developed a Positive Impact Plan to aid communities of disproportionate impact as outlined by the Cannabis Control Commission.

Socially Responsible Employment Practices

Liberty Market is a firm believer in hiring a diverse and inclusive work force that is paid a “living wage”. Our employees are the backbone of Liberty Market’s success and they will be compensated in a manner that allows them to live successfully in their local community. The following are some of the benefits Liberty Market will be offering to its employees:

- A “Living Wage” starting at \$16 per hour with the ability to earn \$20 per hour over the course of the first year of employment. In a two-person household with both persons employed by Liberty Market at \$20.00 per hour, their household income would exceed the average Massachusetts Household income by approximately \$7,000.

- Health and dental insurance. All employees will be offered the opportunity to enroll in the company-subsidized health and dental insurance programs.
- Paid time off, sick leave, paid vacation time
- Continuing education classes in the cannabis industry
- Eventually, Liberty Market will offer a 401K retirement plan

Liberty Market has a detailed Diversity Plan to ensure the organization will continue to embrace and uphold the diversity goals of the State, Equal Opportunity, Affirmative Action, and its own cultural initiatives. Please see “Commitment to Diversity in the Workforce” herein.

Commitment to Diversity in the Workforce

Liberty Market is committed to a diverse culture throughout the organization and will continue to embrace the diversity goals of the Massachusetts Department of Health, Equal Opportunity, Affirmative Action and its own cultural goals by hiring and retaining:

- A talented staff of employees that represent the diverse groups living in Massachusetts
- Various contractors, subcontractors, vendors and suppliers from Massachusetts, which ensures a balanced representation of minority, veteran and women-owned businesses.

Affirmative Action Plan (AAP)

Liberty Market’s AAP is being drafted to meet or exceed the standards promulgated by the U.S. Equal Employment Opportunity Commission (EEOC) and be compliant with Title VII of the Civil Rights Act (Title VII), Americans with Disabilities Act (ADA), Age Discrimination in Employment Act (ADEA), and Genetic Information Nondiscrimination Act (GINA).

The AAP will demonstrate that Liberty Market is prepared to implement tactics that have been narrowly tailored to recruit and retain a diverse and high-quality employee community; and will implement a recording/reporting system to evaluate areas for growth.

Key objectives of Liberty Market’s Affirmative Action Plan:

- Increasing the utilization of minorities, women, veterans, and persons with disabilities in job classifications and EEO job categories through targeted recruitment.
- To correct any employment practices that restrict equal employment opportunity by analyzing specific practices and implementing corrective actions.
- To strengthen accountability and evaluation by assigning major responsibility to managers and supervisors in each department.
- To promote support for equal employment opportunity and workforce diversity by providing training to employees, supervisors, managers and executives, pertaining to equal employment opportunity and Liberty Market’s AAP.

Internal Diversity Goals

Liberty Market intends to target minorities, veterans, and women for hire. Such breakdown is driven by the core values of Liberty Market’s founder.

Additionally, Liberty Market’s Affirmative Action Plan will include the goal of recruiting minority applicants with outreach to local colleges. Most AAPs state that “all things being

equal, we will hire a diverse employee population.” Liberty Market recognizes that all things are not equal for minorities, abused women, and others in crisis, including educational and employment opportunities, hiring equality and other factors. Accordingly, Liberty Market intends to hire motivated minority/diverse applicants and provide comprehensive training within the organization to assure their success and upward mobility.

Liberty Market’s audit and reporting system shall:

1. Measure the effectiveness of the AAP/EEO program;
2. Document personnel activities;
3. Identify problem areas where remedial action is needed; and
4. Determine the degree to which Liberty Market’s AAP goals and objectives have been obtained.

The following personnel activities are reviewed to ensure nondiscrimination and EEO for all individuals:

1. Recruitment, advertising, job application procedures;
2. Hiring, promotion, award of tenure, layoff, recall from layoff;
3. Pay and any other forms of compensation including fringe benefits;
4. Job assignments, classifications, descriptions, and seniority lists;
5. Sick leave, leaves of absence, or any other leave;
6. Training, apprenticeships, attendance at professional conferences; and
7. Any other term, condition, or privilege of employment.

The following documents are maintained in Liberty Market’s internal audit process:

1. An applicant file with name, race, sex, date of application, job title, interview status and action taken for all individuals applying for job opportunities;
2. Summary data of external job offers, hires, promotions, resignations, terminations, and layoffs by job, sex, and minority group identifications;
3. Summary data of applicant flow by identifying total applicants, minority applicants, and female applicants for each position;
4. Maintenance of employment applications (for one year); and
5. Records pertaining to Liberty Market’s compensation system.

Diversity Outreach

Liberty Market will support its diversity goals in management, and employment by targeting diverse applicants by;

1. Identifying and partnering with local organizations that train and help secure employment for persons with disabilities.
2. Job descriptions will be carefully written to not include restrictive and unnecessary minimum requirements that might restrict the ability to employ ethnic minorities and/or those with disabilities.
3. Recruiting tools will be employed to help ensure a diverse workforce to include classified advertising in targeted newspapers, job fairs, posting job listings on the internet; working with local special interest organizations and chambers of commerce, and listing job openings with local and state agencies.
4. Liberty Market will use niche publications that reach out to a broad spectrum of

- cultures to advertise our job opportunities.
5. Liberty Market will identify civic groups and community organizations that represent diverse constituencies to help promote the message of our employment opportunities.
 6. We will recruit in different languages to promote our employment opportunities to those persons who speak English as a second language.
 7. Recruitment materials will be made available in both English and Spanish.

Professional Development

In the hiring process, to encourage diversity, motivated diverse individuals who do not have the necessary education or experience background, if interested, will be considered for internship programs within the organization. New hires will be required to participate in Liberty Market's in-house educational initiatives (see "Marijuana Establishment Training" in Liberty Market's Policies & Procedures herein).

If any of the diverse group of employees needs tutoring or language assistance, for success in completing any of the offered educational programs, services will be provided from within Liberty Market or with outside consultants or educators, if necessary.

Liberty Market will not tolerate harassment or discrimination on the basis of sex, race, color, national origin, age, religion, disability, sexual orientation, gender identity, gender expression, or any other trait or characteristic protected by any applicable federal, state, or local law or ordinance. Harassment or discrimination on the basis of any protected trait or characteristic is contrary to Liberty Market's values and is a violation of the Company Code of Conduct. Harassment is a form of discrimination. There is a broad range of behavior that could constitute harassment. In general, harassment is any verbal or physical conduct that:

- Has the purpose or effect of creating an intimidating, hostile, or offensive working environment;
- Has the purpose or effect of unreasonably interfering with an individual's work performance; or

- Adversely affects an individual's employment opportunities.

Employees are expected to maintain the highest degree of professional behavior. Any harassment or discrimination by employees is strictly prohibited. Further, harassing or discriminatory behavior of non-employees directed at Liberty Market employees or customers is also condemned and will be promptly addressed.

Alcohol, Smoke, Drug-free Workplace Policies

Liberty Market's goal is to have an alcohol-, smoke-, and drug-free, healthy, and safe workplace. To promote this goal, employees are required to report to work in the appropriate mental and physical condition to perform their jobs in an exemplary and professional manner. This policy is violated when employees use, possess, or abuse marijuana, alcohol, and illegal drugs. Thus, while on-premises and while conducting business-related activities off-premises, employees may not use, possess, distribute, sell or be under the influence of alcohol or illegal drugs. In addition, while on-premises and while conducting business-related activities off-premises employees may not be under the influence of marijuana unless medically necessary, and employees are expected to follow all state of Massachusetts laws concerning marijuana possession and consumption.

Working while engaged in the legal use of prescribed drugs including marijuana-based medication, is allowed only to the extent that the agent's ability to perform the essential functions of the job effectively and in a safe manner is not impaired and that other individuals in the workplace are not endangered. The agent should notify their manager whenever the use of legal drugs for medical purposes may impair the agent's performance, safety, and/or judgment so that the appropriate accommodations can be made.

Violations of this policy may lead to disciplinary actions, up to and including immediate termination of employment, and/or required participation in a substance abuse rehabilitation or treatment program. Such violations may also have legal consequences.

Violence and Weapons in the Workplace

Any and all acts of violence in the workplace will result in immediate dismissal of the employee, customer, or parties involved. Law enforcement will be contacted immediately in the case of a violent event. Weapons are not permitted to be brought on site by employees, customers, or other parties. Any employee found carrying a weapon on the premises of a Liberty Market facility will be immediately terminated, and any customer found carrying a weapon on the premises will be asked to leave and/or the police will be notified accordingly.

At-Will Employment

In the state of Massachusetts, employment is assumed to be at-will unless otherwise stated. At-will employment implies that employer and employee alike may terminate the work relationship at any given moment and for any legitimate purpose. Wrongful termination may be more difficult to prove in an at-will arrangement because of the freedom that each party has to end the employment. However, there are still many instances wherein a termination or discharge can be called wrongful, even in an at-will employment.

Workplace Attire

The required attire for registered agents at Liberty Market varies based upon required duties. New hire training and the onboarding process will go over the workplace attire specific to each role and the department manager will be responsible for ensuring compliance with all requirements is met.

Disciplinary Policies

Purpose

Liberty Market's progressive discipline policies and procedures are designed to provide a structured corrective action process to improve and prevent a recurrence of undesirable behavior and/or performance issues. The steps outlined below of Liberty Market's progressive discipline policies and procedures have been designed consistent with Liberty Market's organizational values, best practices, and state and federal employment laws.

Liberty Market reserves the right to combine or skip steps depending upon the facts of each situation and the nature of the offense. The level of disciplinary intervention may also vary. Some of the factors that will be considered are whether the offense is repeated despite coaching, counseling, and/or training; the employee's work record; and the impact the employee's performance, conduct and/or attendance issues have on Liberty Market as an organization.

Procedure

Step 1: Counseling and Verbal Warning

Step 1 creates an opportunity for the immediate supervisor to schedule a meeting with an employee to bring attention to the existing performance, conduct, or attendance issue. The supervisor should discuss with the employee the nature of the problem and/or violation of company policies and procedures. The supervisor is expected to clearly outline expectations and steps the employee must take to improve performance or resolve the problem.

Within five business days, the supervisor will prepare written documentation of a Step 1 meeting. The employee will be asked to sign the written documentation. The employee's signature is needed to demonstrate the employee's understanding of the issues and the corrective action needed.

Step 2: Written Warning

While it is hoped that the performance, conduct, or attendance issues that were identified in Step 1 have been corrected, Liberty Market recognizes that this may not always be the case. A written warning involves a more formal documentation of the performance, conduct, or attendance issues and consequences.

During Step 2, the immediate supervisor and a department manager or director will meet with the employee and review any additional incidents or information about the performance, conduct, or attendance issues as well as any prior relevant corrective action plans. Management will outline the consequences for the employee of his or her continued failure to meet performance, conduct and/or attendance expectations. A formal performance improvement plan (PIP) requiring the employee's immediate and sustained corrective action will be issued within five business days of a Step 2 meeting. A warning outlining that the employee may be subject to additional discipline up to and including termination if immediate and sustained corrective action is not taken may also be included in the PIP.

Step 3: Suspension and Final Written Warning

There may be performance, conduct, or safety incidents so problematic and harmful that the most effective action may be the temporary removal of the employee from the workplace. When immediate action is necessary to ensure the safety of the employee or others, the immediate supervisor may suspend the employee pending the results of an investigation.

Suspensions that are recommended as part of the normal progression of the progressive discipline policies and procedures are subject to approval from a next-level manager and the Human Resources Manager.

Depending upon the seriousness of the infraction, an employee may be suspended without pay in full-day increments consistent with federal, state and local wage-and-hour employment laws. Nonexempt/hourly employees may not substitute or use an accrued paid vacation or sick day in lieu of the unpaid suspension. Due to Fair Labor Standards Act (FLSA) compliance issues, unpaid suspension of salaried/exempt employees is reserved for serious workplace safety or conduct issues. The Human Resources Manager will provide guidance so that discipline is administered without jeopardizing the FLSA exemption status.

Pay may be restored to an employee if an investigation of the incident or infraction absolves the employee.

Step 4: Recommendation for Termination of Employment

The last and most serious step in the progressive discipline procedures is a recommendation to terminate employment. Generally, Liberty Market will try to utilize the progressive steps of this policy by first providing warnings, a final written warning, and/or suspension from the workplace before proceeding to a recommendation to

terminate employment. However, Liberty Market reserves the right to combine and skip steps depending upon the circumstances of each situation and the nature of the offense, and an employee may be terminated without prior notice or disciplinary action.

Management's recommendation to terminate employment must be approved by the Human Resources Manager and department manager or designee. Final approval may be required from the CEO or designee.

Nothing in this policy provides any contractual rights regarding employee discipline or counseling nor should anything in this policy be read or construed as modifying or altering the employment-at-will relationship between Liberty Market and its employees.

Appeal Process

Any employee subject to a disciplinary action will have the opportunity to present information on their own behalf that may challenge information management relied upon in making the decision to issue the disciplinary action. The purpose of this appeal process is to provide insight into extenuating circumstances that may have contributed to the employee's performance, conduct and/or attendance issues, while allowing for an equitable solution.

If an employee does not present information on their own behalf during a step meeting, they will have five business days after the meeting to present such information to the supervisor who conducted the meeting.

Performance and Conduct Issues Not Subject to Progressive Discipline

Behavior that is illegal is not subject to progressive discipline and may be reported to local law enforcement. Theft, intoxication at work, fighting and other acts of violence are also not subject to progressive discipline and may be grounds for immediate termination.

Documentation

Any employee subject to progressive discipline will be provided with copies of all relevant documentation related to the progressive discipline process, including all PIPs. The employee will be asked to sign copies of this documentation attesting to their receipt and understanding of the corrective action outlined in these documents. Copies of these documents will be placed in the employee's official personnel file.

Separation of Employment

Separation of employment within an organization can occur for several different reasons. Employment may end as a result of resignation, retirement, release (end of season or assignment), reduction in workforce, or termination. When an employee separates from Liberty Market, the employee's supervisor must contact the Human Resources Manager to schedule an exit interview, which will typically take place on the employee's last workday.

Types of Separation

1. Resignation

Resignation is a voluntary act initiated by the employee to end employment with Liberty Market. The employee must provide a minimum of two (2) weeks' notice prior to

resignation. If an employee does not provide advance notice or fails to actually work the remaining two weeks, the employee will be ineligible for rehire. The resignation date must not fall on the day after a holiday.

2. *Retirement*

An employee who wishes to retire is required to notify their department director and the Human Resources Manager in writing at least one (1) month before planned retirement date. It is the practice of Liberty Market to give special recognition to employees at the time of their retirement.

3. *Job Abandonment*

An employee who fails to report to work or contact their supervisor for two (2) consecutive workdays will be considered to have abandoned their job without notice effective at the end of the employee's normal shift on the second day. The department manager will notify the Human Resources Manager at the expiration of the second workday and initiate the paperwork to terminate the employee. Employees who are separated due to job abandonment are ineligible for rehire.

4. *Termination*

Employees of Liberty Market are employed on an at-will basis, and the company retains the right to terminate an employee at any time.

5. *Reduction in Workforce*

An employee may be laid off due to changes in duties, organizational changes, lack of funds, or lack of work. Employees who are laid off may not appeal the layoff decision through the appeal process.

6. *Release*

Release is the end of temporary or seasonal employment. The Human Resources Manager, in consultation with the department manager, will inform the temporary or seasonal worker of their release according to the terms of the individual's temporary employment.

Exit Interview

The separating employee will contact the HR department as soon as notice is given to schedule an exit interview. The interview will be held on the employee's last day of work or another day, as mutually agreed upon.

Return of Property

The separating employee must return all company property at the time of separation, including but not limited to, uniforms, cell phones, keys, computers, and identification cards. Failure to return certain items may result in deductions from the employee's final paycheck. All separating employees will be required to sign a Wage Deduction Authorization Agreement, allowing Liberty Market to deduct the costs of such items from their final paycheck.

Termination of Benefits

An employee separating from Liberty Market is eligible to receive benefits as long as the appropriate procedures are followed as stated above. Two weeks' notice must be given, and the employee must work the full two work weeks. Accrued vacation leave will be paid in the last paycheck.

Health Insurance

Health insurance terminates on the last day of the month of employment, unless employee requests immediate termination of benefits. Information about the Consolidated Omnibus Budget Reconciliation Act (COBRA) continued health coverage will be provided. Employees will be required to pay their share of the dependent health and dental premiums through the end of the month.

Rehire

Former employees who left in good standing and were classified as eligible for rehire may be considered for reemployment. An application must be submitted to the Human Resources Manager, and the applicant must meet all minimum qualifications and requirements of the position, including any qualifying exam, when required.

Department managers must obtain approval from the Human Resources Manager or designee prior to rehiring a former employee. Rehired employees begin benefits just as any other new employee. Previous tenure will not be considered in calculating longevity, leave accruals, or any other benefits.

An applicant or employee who is terminated for violating policy or who resigned in lieu of termination from employment due to a policy violation will be ineligible for rehire.

Compensation

As an employer, Liberty Market believes that it is in the best interest of both the organization and Liberty Market's employees to fairly compensate its workforce for the value of the work provided. It is Liberty Market's intention to use a compensation system that will determine the current market value of a position based on the skills, knowledge, and behaviors required of a fully-competent incumbent. The system used for determining compensation will be objective and non-discriminatory in theory, application and practice. The company has determined that this can best be accomplished by using a professional compensation consultant, as needed, and a system recommended and approved by the executive management team.

Selection Criteria

1. The compensation system will price positions to market by using local, national, and industry specific survey data.
2. The market data will primarily include marijuana-related businesses and will include survey data for more specialized positions and will address significant market differences due to geographical location.
3. The system will evaluate external equity, which is the relative marketplace job worth of every marijuana industry job directly comparable to similar jobs at Liberty Market,

factored for general economic variances, and adjusted to reflect the local economic marketplace.

4. The system will evaluate internal equity, which is the relative worth of each job in the organization when comparing the required level of job competencies, formal training and experience, responsibility and accountability of one job to another, and arranging all jobs in a formal job-grading structure.
5. Professional support and consultation will be available to evaluate the compensation system and provide on-going assistance in the administration of the program.
6. The compensation system must be flexible enough to ensure that the company is able to recruit and retain a highly-qualified workforce, while providing the structure necessary to effectively manage the overall compensation program.

Responsibilities

The executive management team will give final approval for the compensation system that will be used by Liberty Market.

1. On an annual basis the executive management team will review and approve, as appropriate, recommended changes to position-range movement as determined through the vendor's market analysis process.
2. As part of the annual budgeting process, the executive management team will review and approve, as appropriate, funds to be allocated for total compensation, which would include base salaries, bonuses, variable based or incentive-based pay, and all other related expenses, including benefit plans.

Management Responsibility

3. The CEO is charged with ensuring that Liberty Market is staffed with highly-qualified, fully-competent employees and that all programs are administered within appropriate guidelines and within the approved budget.
4. The salary budget will include a gross figure for the following budget adjustments, but the individual determinations for each employee's salary adjustment will be the exclusive domain of the CEO: determining the appropriate head count, titles, position levels, merit and promotional increases and compensation consisting of salary, incentive, bonus, and other discretionary pay for all positions.
5. The CEO will ensure that salary ranges are updated at least annually, that all individual jobs are market priced at least once every two years, and that pay equity adjustments are administered in a fair and equitable manner.

- Suitability determinations will be made in accordance with the procedures set forth in 935 CMR 500.800. In addition to the requirements established in 935 CMR 500.800, Liberty Market will:
 - a. Comply with all guidance provided by the Commission and 935 CMR 500.802: Tables B through D to determine if the results of the background are grounds for Mandatory Disqualification or Presumptive Negative Suitability Determination.
 - b. Consider whether offense(s) or information that would result in a Presumptive Negative Suitability Determination under 935 CMR 500.802. In the event a Presumptive Negative Suitability Determination is made, Liberty Market will consider the following factors:
 - i. Time since the offense or incident;

Other Types of Criminal History Information Received from a Source Other than the DCJIS.

 - a. After 10 business days, if the applicant is not disputing the contents of the report and any provided statement does not alter the suitability determination, an adverse action letter will be issued providing the applicant information on the final determination made by Liberty Market along with any legal notices required.
- All suitability determinations will be documented in compliance with all requirements set forth in 935 CMR 500 et seq. and guidance provided by the Commission.
