COMPLIANCE WITH POSITIVE IMPACT PLAN

Progress or Success Goal 1

Description of Progress or Success: Goal

Hire and maintain 30% of individuals that currently reside in an area of disproportionate impact or have lived for five of the preceding ten years in the area of Pleasantrees.

Program/Plan Progress

Pleasantrees' proposed retail marijuana establishment is in Easthampton, MA which is a neighboring city of an identified area of disproportionate impact, Holyoke. Pleasantrees remains committed to hiring at least 30% percent of individuals that currently reside within or near an area of disproportionate impact or have lived in the area of our Easthampton establishment for the last five years. We will target our hiring efforts to the local community as well as Holyoke, Amherst and Springfield, all areas of historically high rates of arrest, conviction and incarceration related to marijuana crimes. As we are not yet operational, we have not begun the hiring process. We plan to begin hiring immediately following our build out, through local job boards and career fairs. Boosting the economy of our neighboring areas of impact by hiring local community members to good paying jobs with benefits is a priority for our company. We have remained in close communication with local authorities and in good faith to the local communities with our plans to do so.

Measurement

Quarterly review and check in performed by the Chief Operating Officer of Pleasantrees. Each quarter, the COO will review hiring reports to check that local community residents are being hired at the 30% rate, to evaluate the success of our plan and better adapt our strategies to benefit the Areas of Impact. Staffing reports will break down employees into the following groups to evaluate our numbers:

- Areas of Impact Local Residents
- Employees with drug-related CORI backgrounds.
- Outside Areas of Impact Employees

Progress or Success Goal 2

Description of Progress or Success:

Goal

Pleasantrees will also strive to maintain a staff comprised of at least 20% of individuals that have a drug-related CORI but are otherwise legally employable in a cannabis-related enterprise.

Program/Plan Progress

Pleasantrees remains fully committed to maintain a staff of at least 20% of individuals that have a drug-related CORI but are otherwise legally employable in a cannabis-related enterprise. As we are not yet operational, we have not begun the hiring process. We plan to begin hiring during build out. We will not deny applicants with past marijuana convictions on their records; instead, we plan to give them an opportunity to contribute to the economic growth of their local communities and businesses. We value their unique perspective on the industry, and they will be treated equally to all other employees. We will supervise management and all employees to ensure these employees are treated with respect and equal opportunity. Our educational efforts through community outreach, seminars, fundraising, will get the word out that we welcome past drug conviction records and will provide equal employment opportunity.

Measurement

Pleasantrees will perform quarterly review and check in of staffing reports to ensure we are meeting our 20% goal and adapting our strategies to better serve the local Areas of Impact. Pleasantrees will use qualitative & quantitative surveys during the hiring process to check background information of employees. The staffing reports will break employees into the following groups to evaluate our numbers:

- Areas of Impact Local Residents

- Employees with drug-related CORI backgrounds.
- Outside Areas of Impact Employees

Progress or Success Goal 3

Description of Progress or Success: Goal

To provide continuing service and reinvestment into areas of disproportionate impact, Pleasantrees is committed programming, restorative justice, jail diversion, workforce development, industry specific technical assistance, and mentoring services in areas of disproportionate impact. Pleasantrees is committed to hosting and participating in events that will support Holyoke, Amherst and other areas of disproportionate impact such as community service days, charity events, and educational seminars.

Program/Plan Progress

Pleasantrees has started our efforts to reinvest and serve areas of disproportionate impact through our work over the past two years with Treehouse Foundation, based in Easthampton, which serves surrounding areas of impact. Treehouse Foundation is a foster care and family care community whom we are committed to assisting through volunteer efforts and remaining a positive financial supporter. Jane Hawman, CEO, has personally attended their fundraising events and monthly community outreach events to create a lasting relationship with the program. Treehouse consists of diverse families and families with drug related backgrounds. Their impact on foster children and commitment to rehabilitation of families is the main reason we decided to provide them with a yearly donation of \$10,000. We also helped raised money for one of their families during a tragic event to cover funeral expenses. Our relationship with Treehouse is one example of Pleasantrees' efforts to remain committed to restorative justice and the local community. We will be targeting hiring to their families when hiring begins, to provide more job opportunities for families in need.

Once we are further along in build out, we plan to begin more participation and hosting of events that support Easthampton and surrounding areas of impact, including Holyoke, Amherst, Springfield. These efforts will include community service days, charity events and educational seminars that will provide guidance towards working in the marijuana industry, education on the positive impact the industry can have on local communities, and the new job opportunities that await. We plan to fund-raise to help pay for registered agent fees for new employees who qualify. Pleasantrees remains open to all opportunities to help the local impact area as we value our partnership with these communities.

Measurement Plan

Monthly check-in meetings with executive and establishment management to discuss our event coordination and progress. Pleasantrees will adapt best strategies on how to extend the reach of these programs and implement them in the local areas of impact.

Progress or Success Goal 4

Description of Progress or Success: Goal

Pleasantrees will require all executives, managers, and employees to participate quarterly in a community service day. Each community service day will be organized with a charitable or local organization in an area of disproportionate impact.

Program/Plan Progress

As we begin more hiring once we approach operational capability, Pleasantrees will require executives, managers and all employees to participate in quarterly community service days in areas of disproportionate impact. We will work with local charitable organizations to organize community events. We will record all participation at each quarterly even by using a sign-in sheet and filing a summary of each community service day. Pleasantrees has worked closely with Treehouse Foundation of Easthampton, to begin a relationship with a local organization, that will help us organize events in the local community. We have developed a relationship with Treehouse through two different community days and donations to their foundation. It is an honor to work with Treehouse in providing safe and quality foster care to children and families in need.

Measurement Plan

- Monthly check-in meetings with executive and establishment management to discuss our event coordination and progress. Pleasantrees will adapt best strategies on how to extend the reach of these programs and implement them in the local areas of impact.
- Pleasantrees will meet monthly with employees to discuss the upcoming community events and hear feedback from employees on past events to allow us to evolve our outreach techniques and events.
- Attendance sign-in records kept ensuring all employees are participating in events.

Progress or Success Goal 5

Description of Progress or Success: Goal

Program/Plan Progress

When we begin operations, Pleasantrees remains committed to donating 1% of gross revenue to the Social Equity Training and Technical Assistance Fund. This fund is essential to the Social Equity Program to provide equal opportunity in the marijuana industry.

Measurement Plan

Pleasantrees will measure the total amount donated by performing monthly quarterly reports for gross revenue. These reports will include a section for the amount donated to programs and charitable causes, including the 1% of gross revenue to the Social Equity Training & Technical Assistance Fund.

Progress or Success Goal 6

Description of Progress or Success: Goal

Program/Plan Progress

Pleasantrees plans to host organizations with expertise in providing financial mentoring services to its employees as part of trainings. We want our consumer and employee base to understand responsible financial management in order to help them succeed.

Measurement Plan

Monthly check-in meetings with executive and establishment management to discuss our financial mentoring services. Pleasantrees will adapt best strategies on how to extend the reach of this service and implement them in the local areas of impact.

Progress or Success Goal 7

Description of Progress or Success: Goal

Monthly informational sessions regarding the process for sealing and expunging criminal records. Partnership and support for organizations providing jail diversion and restorative justice programs.

Program/Plan Progress

After we begin the hiring phase, Pleasantrees will host monthly informational sessions to help employees or members of areas of impact with criminal records, understand the process of sealing and expunging criminal drug related records. We will also provide guidance on applying for jobs in the marijuana industry. We want community members of areas of impact to remain educated on the topic so they can spread the word that the marijuana industry is inclusive and provides new opportunities. These events will remain in partnership with organizations that provide support in jail diversion and restorative justice. Pleasantrees is committed to helping the areas of impact that we serve to remain good citizens and provide a pathway to restorative justice with new job opportunities, education, and community events where they can be an active participant in their communities. Show success / say we have built out some of the research and are in the process of developing the agendas for the first few sessions.

- Number of public information sessions performed
- Areas of concern to consider for next session

Progress or Success Goal 8

Description of Progress or Success: Goal

Transportation support for employees in areas of impact. Any necessary accommodations that will be provided for individuals coming from areas of disproportionate impact.

Program/Plan Progress

Pleasantrees will provide transportation support to employees in areas of disproportionate impact to ensure they have safe and affordable transportation to work. Employees that have no transportation or cannot afford it will receive a monthly transportation stipend towards the local

bus or Uber/Lyft. Lyft now offers a program for applicants to have free transportation to apply for jobs, interview and their first few weeks on the job. We will communicate this program and our ability to help with transportation costs to each prospective employee that needs it.

Accommodations for employees in need will be provided on a case by case basis. We are happy to assist in providing accommodations or temporary housing to employees for a three-month period, until they can afford their own accommodations near their place of work. Pleasantrees will ensure all employees have a safe roof over their head when they begin work in order to assist in the transition.

Measurement Plan

Pleasantrees will perform monthly reviews of staffing records to provide the efficient assistance to employees in need. Monthly review of staffing records which will include:

- Number of employees who need transportation
- Transportation type needed and amount
- Number employees who need accommodations
- Accommodation type and amount needed

Program/Plan Progress

When Pleasantrees opens its doors to the public, we will host ongoing donation drives for direct giving of food and clothing to local charities.

We plan to have an area dedicated to donation drives, and employees will participate in the delivering of goods to local charitable programs. We plan to host donations for our current charitable organization relationship, Treehouse Foundation, among other local organizations designed to assist families and individuals in areas of impact.

THE PET PLACE

Milo Retriever, Labrador Chinese Shar-Pei
Location: Leverett: Dakin Humane Society
Male, 9 months

Milo grew up living on the streets with his human companion but clearly not on the "Mean Streets." You'd be hard-pressed to find a more happy, goofy, gentle and lovable dog than Milo. He came to Dakin when a skin condition necessitated treatment and a more stable living situation; fortunately he has responded well to medication and a limited ingredient diet. Milo is still a playful youngster with a lot to learn; he needs work on housetraining and basic manners which should come easily for a dog as motivated and eager to please as he is. Potential adopters should bring along existing dogs to meet Milo as his exuberant play style can be off-putting to some dogs. Milo may have come up through the School of Hard Knocks but this happy-go-lucky fellow just wiggles and wags his troubles away. If you're looking for a dog with an upbeat, positive attitude about life and the energy to meet it head on, then Milo's your guy. Don't wait too long to come meet him--this pup will be charming his way into a new home and family soon! **Come by our Leverett Adoption Center to meet Milo, or call us at 413-548-9898 for more information. Pleasantrees, Inc. (“Pleasantrees”), formerly known as Herbology Group, Inc., executed a Host Community Agreement (the ‘Agreement’) with the City of Easthampton on May 7, 2018. Pursuant to the terms of the Agreement, no additional payments must be remitted until Pleasantrees commences operations. Pleasantrees is not yet operational at this location.

Please be advised that the MassCIP did not permit Pleasantrees to answer “zero” in the text field in which Marijuana Establishments were to input the total amount of financial benefits accruing to the municipality as a result of the Agreement. As such, Pleasantrees submitted the response of “1”.

Plan to Positively Impact Areas of Disproportionate Impact

Overview

Herbology Group, Inc. (“HGI”) is dedicated to serving and supporting the areas around it, particularly those that are classified as areas of disproportionate impact. Marijuana businesses have an obligation to the health and well-being of their customers as well as the communities that have had historically high rates of arrest, conviction, and incarceration related to marijuana crimes. It is HGI's intention to be a contributing, positive force in areas of disproportionate impact and to assist in changing the perception of those associated with marijuana use.

HGI's Team

HGI's ownership team is made up of individuals from Black, African American, Hispanic, or Latino descent. HGI's team consists of two individuals, Anna Gray and Michael Duku, who have previously held positions in organizations that primarily serve areas of disproportionate impact or where primary responsibilities included economic education, resource provision, or empowerment to disproportionately impacted individuals or communities.

Anna Gray (EEO Officer) is passionate about advancing underserved Hispanic or Latino communities and is an active community volunteer. Anna is a proud veteran of the United States Air Force. After her enlistment she became a Big Sister for Big Brothers/Big Sister Program to help underserved children and started working full-time for the non-profit retirement community, Franke at Seaside. In 2009, Mrs. Gray began working at the Ralph H Johnson VA Medical Center as a Patient Services Assistant and a year later was asked to serve on the EEO/ Diversity & Advisory Committee as the Hispanic Employment Special Emphasis Program Manager. As the Chairperson, she has organized and managed various community outreach events, to include a yearly Hispanic Heritage/Diversity Month Event, Community Health Fairs, Stand Down for Homelessness, and participating and marching in Charleston's 1st LGBT parade. Anna received her Bachelor of Arts in Sociology from The College of Charleston. She has participated in various local charities to include Habitat for Humanity. Throughout her life and career Anna's focus has been creating, growing and maintaining community relationships, striving to enhance the quality of life of people and minority groups in need.

Michael Duku (Chief Financial Officer, Director, and Treasurer) spent summers as a counselor for Jesuit Prep School children in Brooklyn, NY. He served as a positive role model for impacted communities by providing guidance and education. He is a first generation Ghanian American, dedicated to the advancement of minorities in the work place, specifically the marijuana industry. He is an active member of his International church in Hartford, CT where he organized and volunteers for community fundraising events for local programs in need. Michael often organizes basketball tournaments in underprivileged communities for children and teens in East Hartford.

As HGI expands, our goal will be to maintain 30% of individuals that currently reside in an area of disproportionate impact or have lived for five of the preceding ten years in an area of

disproportionate impact. HGI's proposed retail marijuana establishment is located in Easthampton, MA which is a neighboring city of an identified area of disproportionate impact, Holyoke. HGI plans to focus efforts on Holyoke, which is not only a local community, but it is also an area of disproportionate impact. However, HGI's efforts will not be limited to Holyoke, as our positive impact plan will be as expansive as possible to support as multiple areas which have had historically high rates of arrest, conviction, and incarceration related to marijuana crimes. HGI will also strive to maintain a staff comprised of at least 20% of individuals that have a drug-related CORI but are otherwise legally employable in a cannabis-related enterprise. In alignment with HGI's Diversity Plan, HGI will focus hiring and education efforts on diverse populations including individuals from Black, African American, Hispanic or Latino descent.

Plan Administration

The EEO Officer will administer the Plan to Positively Impact Areas of Disproportionate Impact (the "Plan"). The EEO Officer will be responsible for developing measurable outcomes and ensure HGI continues to meet its commitment to the community. The EEO Officer will also be responsible for forming philanthropic partnerships in the community to implement and enhance the Plan.

Continuing Efforts

To provide continuing service and reinvestment into areas of disproportionate impact, HGI is committed programming, restorative justice, jail diversion, workforce development, industry-specific technical assistance, and mentoring services in areas of disproportionate impact. HGI is committed to hosting and participating in events that will support Holyoke, Amherst and other areas of disproportionate impact such as community service days, charity events, and educational seminars. HGI will require all executives, managers, and employees to participate quarterly in a community service day. Each community service day will be organized with a charitable or local organization in an area of disproportionate impact. Further plans to positively affect areas of disproportionate impact may include the following:

- Conducting industry specific educational seminars in one or more of the following: marijuana cultivation, marijuana product manufacturing, marijuana retailing, or marijuana business training;
- Donate 1% of gross revenue to the Social Equity Training and Technical Assistance Fund;
- Providing financial mentoring services or hosting organizations providing such services;
- Monthly informational sessions regarding the process for sealing and expunging criminal records;
- Partnership and support for organizations providing jail diversion and restorative justice programs;
- Transportation support for employees in these areas;
- Hiring practices prioritizing individuals from these areas;
- Any necessary accommodations that will be provided for individuals coming from areas of disproportionate impact;
- In-store donation drives including direct giving and ongoing food and clothing drives;

and

- Donation jars in HGI's facilities where customers can donate directly to the Social Equity Training and Technical Assistance Fund.

By-laws Herbology Group, Inc.

Article I – NAME AND PRINCIPLE OFFICE

The name of our corporation shall be Herbology Group, Inc.; also known as HGI.

Article II – PURPOSE OF CORPORATION

The purpose of the corporation is to promote access to health care, and engage in any activity in which a corporation organized under MGL Chapter 180(4) of the Laws of the Commonwealth of Massachusetts may lawfully engage. (A) For civic, educational, charitable, and benevolent purposes; (B) for the prosecution of any antiquarian, historical, literary, scientific, medical, chiropractic, artistic, monumental or musical purposes.

Article III – MEMBERS AND MEMBERSHIP

HGI shall have no membership, no voting corporate members, and any action or vote required or permitted by Massachusetts General Laws Chapter 180, as amended, or any other law, rule or regulation to be taken by corporate members shall be taken by action or vote of the same percentage of the Directors of HGI.

Article IV – BOARD OF DIRECTORS

1. **Powers** – The affairs of HGI shall be managed by a Board of Directors, who shall exercise all of the Corporation. In the event of a vacancy in the Board of Directors, except as otherwise provided by law, may exercise the powers of the full Board until the vacancy is filled.
2. **Number and Classes** – The Board of Directors shall consist of a minimum of three and a maximum of eleven members. There shall be two classes of Directors: (1) Elected Directors; and (2) Appointed Directors. Appointed Directors shall be those Directors who hold office pursuant to contractual Board appointment rights. Elected Directors shall be all other Directors.
3. **Qualification of Directors** – All Appointed and Elected Directors shall be chosen with a view toward maintaining a balanced Board of Directors having in aggregate the kinds of skills and experience which can contribute to the purposes and mission of HGI. These qualifications may include expertise in medicine, education, horticulture, business, law, finance, development, public relations and a cross section of the community served. Each Director must be in position to attend Board of Director meetings regularly, in person or teleconference, to serve on committees, to devote a substantial amount of time to the affairs of HGI, and to become and remain acquainted with current developments.
4. **Election, Appointment, and Term of Office of Directors** – Elected Directors shall be elected solely by other Elected Directors. The initial Elected Directors shall be those persons holding

office on July 7th, 2015. Those Elected Directors then holding office shall designate among themselves approximately one-third of their members as having a one year term, approximately one-third as having a two year term, and approximately one-third as having a three year term. Thereafter, Elected Directors shall be elected at the Annual Meeting of the Corporation. Each Elected Director shall be elected for a term of three years and shall hold office until a successor has been elected. Terms of Elected Directors are intended to be staggered so that approximately one-third of the Directors are elected each year at the annual meeting. Appointed Directors shall be appointed to the Board pursuant to contractual appointment rights as such rights shall, from time to time, be in effect.

5. **Vacancies** – Any vacancy of an Elected Director, however occurring, may be filled for the unexpired portion of the term by vote of a majority of the Elected Directors then in office. Any vacancy of an Appointed Director, however occurring, shall be filled pursuant to contractual appointment procedures, if any, that are in effect at the time of such vacancy.
6. **Resignation** – Any Director may resign by delivering his or her written resignation to HGI at its principal office, or to the President or Secretary/Clerk. Such resignation shall be effective upon receipt unless it is specified to be effective at some other time or upon the happening of some other event. Any Director, who fails to attend two consecutive meetings of the Board of Directors without adequate reason and approval of the President, shall be deemed to have delivered his or her resignation as a Director as of the close of business of the meeting of the Board at which such second consecutive failure to attend shall have occurred.
7. **Removal** – A Director may be removed from office with or without cause by vote of two-thirds (2/3) of the Directors then in office. A Director may be removed for cause only after reasonable notice and opportunity to be heard before the Board of Directors.
8. **Annual Meeting of the Board of Directors** – The Annual Meeting of the Board of Directors will be held in June of each year at such time and place as the Board shall determine. In addition to those prescribed by law, the Articles of Organization, or these By-laws, further purposes for which an Annual Meeting is to be held may be specified by the Board of Directors or by the President. If an Annual Meeting is not held in accordance with foregoing provisions, a special meeting may be held in place thereof with all the force and effect of an Annual Meeting.
9. **Other Meetings** – Regular meetings of the Board of Directors shall be held without call or notice at such places and at such times as the Board of Directors may from time to time determine, provided that any Directors who is absent when such determination is made shall be given notice of the determination. Special meetings of the Directors may be held upon the written call by the President, or two or more Directors, designating the date, hour and place thereof.
10. **Notice of Special Meetings** – Notice of the date, hour and place of all special meetings of the Board of Directors shall be given to each Director by the Secretary/Clerk, or in case of the death, absence, incapacity, or refusal of such person, by the President or one of the Directors calling the meeting. Notice shall be given to each Director either in person, by telephone, e-mail, or by telegram sent to the Directors business or home address at least twenty-four hours in advance of the meeting, or by written notice mailed postage-prepaid to such business or home address at least seventy-two hours in advance of the meeting, or to any Director who attends the meeting without protesting prior thereto or at its commencement of the lack of notice to such

Director. A notice or waiver of notice of a meeting of the Board of Directors need not specify the purposes of the meeting.

11. **Quorum** – At any meeting of the Board of Directors, a majority of the Directors then in office shall constitute a quorum. Less than a quorum may adjourn any meeting from time to time, and the meeting may be held as adjourned without further notice. Unless otherwise provided by law or the Articles of Organization, Directors may participate in a meeting by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can communicate with each other at the same time. Participation in a meeting pursuant to the foregoing sentence shall constitute presence in person at such meeting.
12. **Action at Meeting** – At any meeting of the Board of Directors at which a quorum is present, a majority of those present and voting shall decide any question, including election of Officers, unless otherwise provided by law, the Articles of Organization, or these By-laws.
13. **Action Without Meeting** – Any action by the Board of Directors may be taken without a meeting if a written consent thereto is signed by all the Directors then in office and filed with the records of the meetings of the Board of Directors. Such consents shall be treated as a vote of the Board of Directors for all purposes.
14. **Honorary Directors** – The Board of Directors may designate persons and groups of persons as honorary Directors, advisors, sponsors, benefactors, contributors, advisors or friends of HGI or such other title as it deems appropriate. In such capacity these persons and groups shall have no right to notice of, or vote at any meeting, shall not be considered for purposes of establishing a quorum, and shall have no fiduciary duties, other rights or responsibilities.
15. **Committees** – The Board of Directors may elect or appoint one or more committees as it sees fit and shall, by vote of a majority of the Directors then in office, elect as Standing Committees of the Board an Audit and Finance Committee, Executive Compensation and Evaluation Committee, and a Governance Committee. Unless otherwise specified below, the Chair of each committee shall be a Director. Each Committee shall have only such power and authority as the Board, in its discretion, shall choose to delegate, provided, however, that the Board shall not delegate its powers to any committee not solely comprised of Directors. Each Committee shall conduct its business as nearly as may be in the same manner as is provided by these By-laws for the Board of Directors.
16. **Duties** – A Director shall perform the duties of a Director, including duties as a member of any Board Committee on which the Director may serve, in good faith, in a manner such Director believes to be in the best interest of HGI, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like situation would use under similar circumstances. In performing the duties of a Director, a Director shall be entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, in each case prepared under the supervision of, or presented by:
 - (A) one or more Officers or employees of HGI whom the Director believes to be reliable and competent as to the matters presented;
 - (B) counsel, independent accountants, or other person as to matters which the Director believes to be within such persons professional or expert competence; or
 - (C) a Committee upon which the Director does not serve, as to matters within its designated authority, provided that the Director believes such committee

merits confidence; so long as in each such case, the Director acts in good faith after reasonable inquiry when the need therefore is indicated by the circumstances and without knowledge that would cause such reliance to be unwarranted.

Except as provided in the Articles of Organization, a person who performs the duties of a Director in accordance with this Section shall have no liability based upon any failure or alleged failure to discharge that person's obligations as a Director, including, without limiting the generality of the foregoing, any actions or omissions which exceed or defeat a public or non-profit purpose to which the corporation, or assets held by it, are dedicated.

17. **Inspection** – Every Director shall have the right upon reasonable notice and at any reasonable time to inspect all books, records, and documents, and to inspect the physical properties of HGI.
18. **Compensation** – The Board of Directors may authorize, by resolution, the payment to a Director of a reasonable fee for services and expenses as a Director and for attending meetings of the Board and Board Committees. Nothing herein precludes payment of reasonable compensation to the Directors for services rendered the corporation in another capacity.

ARTICLE V – OFFICERS

1. **Enumeration** – The Officers of HGI shall be a President, Vice President, Assistant Vice President, Treasurer, Secretary/Clerk, and Assistant Secretary/Clerk. The Officers of HGI may also include such other Officers as the Board of Directors may determine shall serve the best interests of the organization.
2. **Election** – The President, Vice President, Treasurer, and Secretary/Clerk shall be elected annually by the Board of Directors at the Annual Meeting of the Corporation. Other Officers may be chosen and their terms designated by the Board of Directors at such meeting or at any other meeting.
3. **Qualification** – An officer may be, but need not be a Director. One person may hold more than one office, except no person may simultaneously hold the offices of President and Treasurer. Introduction

The purpose of the conflict of interest policy of Herbology Group, Inc. nonprofit organization (the Organization) is to protect the Organizations interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of the director, officer, member of a committee with governing board delegated powers, or senior employee of the Organization or where a director, officer, member of a committee with governing board delegated powers, or senior employee otherwise has an outside interest that might affect his or her independence of judgement.

Anyone making decisions on behalf of the Organization should always act based on the best interests of the Organization; and no individual associated with the Organization should use his or her position for personal financial benefit. The conflict of interest policies are designed to help ensure that the interests of the Organization remain a top priority for all with decision making responsibilities for the Organization. The policy is intended to guide everyone at the Organization in performing their duties with the highest ethical standards regarding conflict. It is a proactive and affirmative policy that creates transparency and opportunity to determine conflict and appropriate procedure.

In furtherance of the protection of the Organization interests, it is the Organization's policy, in addition to the requirements set forth elsewhere herein, that:

- A. A director, officer, committee member, or employee shall not, except in compliance with the requirements and procedures below, receive gifts or favors that might influence, or form which it could be reasonable inferred that the gift or favor was intended to influence, the individual in the performance of Organization duties (a "Gift Transaction");
- B. A director, officer, committee member, or employee shall not disclose or use Organization (an "Information Use Transaction"); and

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

- b. A person has a “duality interest” if the person serves as an officer, director, trustee, senior employee, or corporation member of an Organization or entity, for-profit or non-profit, with which the Organization has or is considering a transaction or arrangement, including a grant or funding arrangement.
- c. “Senior employee” means a chief management or administrative official, such as executive director or department head.
- d. A financial or duality interest is not necessarily a conflict of interest. A person who has a financial or duality interest has a conflict of interest if the appropriate governing board or committee decides that a conflict of interest exists. Please see below under Procedures - Determining Whether a Conflict of Interest Exists for more information.
- e. Conflicts of interest most frequently arise in (but are in no way limited to) the context of:

 - ii. Decisions about transactions with entities in which an interested person holds an ownership or financially-based interest;
 - iii. Decisions about transitions with an entity by which an interested person is employed.

For this and other purposes under this Policy, if the number of directors or trustees without a potential conflict of interest is less than the normal number for a quorum, then the number of directors or trustees without a potential conflict of interest shall constitute a quorum.

6. Procedures for Addressing the Conflict of Interest

DIVERSITY PLAN

Overview

Pleasantrees, Inc. (“Pleasantrees”) believes in creating and sustaining a robust policy of inclusivity and diversity. Pleasantrees recognizes that diversity in the workforce is key to the integrity of a company’s commitment to its community. 1. Minorities;
2. Women;
3. Veterans;
4. People with disabilities; and

To support such populations, Pleasantrees has created the following Diversity Plan (the “Plan”) and has identified and created goals/programs to promote equity in Pleasantrees’s operations.

3. Veterans: 5%
4. People with disabilities: 5%
5. People who identify as LGBTQ+: 5%

Diversity Recruitment and Sourcing

Pleasantrees’s recruitment efforts are designed to maintain a steady flow of qualified diverse applicants. Measures that Pleasantrees will take include:

PLAN FOR SEPARATING RECREATIONAL FROM MEDICAL OPERATIONS

Pleasantrees, Inc. (“Pleasantrees”) has developed plans and procedures to ensure virtual and physical separation between medical and adult use marijuana operations in accordance with 935 CMR 502.000.

Prior to the point of sale or at the point of sale, Pleasantrees will designate whether marijuana and/or Marijuana Products are intended for sale for adult use or medical use through the SOR. All marijuana and Marijuana Products will be transferred to the appropriate license within the Seed-to-Sale SOR prior to sale. After the point of sale, Pleasantrees will reconcile that inventory in the SOR.

In compliance with 935 CMR 502.140, Pleasantrees will ensure that registered patients have access to a sufficient quantity and variety of medical marijuana and marijuana products. For the first six (6) months of operations, 35% of Pleasantrees’ marijuana product inventory will be marked for medical use and reserved for registered patients. Thereafter, Pleasantrees will maintain a quantity and variety of medical marijuana products for registered patients that is sufficient to meet the demand indicated by an analysis of sales data collected during the preceding six (6) months. Marijuana products reserved for patient supply will, unless unreasonably impracticable, reflect the actual types and strains of marijuana products documented during the previous six (6) months. If a substitution must be made, the substitution will reflect the type and strain no longer available as closely as possible.

On a quarterly basis, Pleasantrees will submit to the Commission an inventory plan to reserve a sufficient quantity and variety of medical marijuana and Marijuana products for registered patients, based on reasonably anticipated patient needs as documented by sales records over the preceding six (6) months. On each occasion that the supply of any product within the reserved patient supply is exhausted and a reasonable substitution cannot be made, Pleasantrees will submit a report to the Commission. Marijuana products reserved for patient supply will be either: (1) maintained on-site at Pleasantrees’ retailer or easily accessible at another Pleasantrees location and transferable to the retailer location within 48 hours of notification that the on-site supply has been exhausted. Pleasantrees will perform audits of patient supply available on a weekly basis and retain those records for a period of six (6) months.

In addition to virtual separation, Pleasantrees will provide for physical separation between the medical and adult use sales areas. A temporary or semi-permanent physical barrier, such as a stanchion or other divider, will be installed to create separate, clearly marked lines for patients/caregivers and adult-use consumers. Trained marijuana establishment agents will verify the age of all individuals, as well the validity of any Medical Use of Marijuana Program ID Cards, upon entry to the facility and direct them to the appropriate queue. Pleasantrees’ agents

will prioritize patient and caregiver identification verification and physical entry into the retail area.

Access to the adult-use marijuana queue will be limited to individuals 21 years of age or older, regardless if the individual is registered as a patient/caregiver. Registered patients under the age of 21 will only have access to the medical marijuana queue. A registered patient/caregiver 21 years of age or older will be permitted to access either queue and will not be limited only to the medical marijuana queue, so long as the transaction can be recorded in accordance with 935 CMR 501.105.

Pleasantrees will also provide an enclosed patient consultation area that is separate from the sales floor to allow privacy and for confidential visual and auditory consultation. The patient consultation area will have signage stating, "Consultation Area" and will be accessible by patients and caregivers without having to traverse a Limited Access area.

Pleasantrees will also maintain separate financial records for adult-use products and medical products to ensure compliance with the applicable tax laws.
