This Host Community Agreement ("HCA") is entered into this 15th day of March, 2021, by and between the Town of Blandford, a Massachusetts municipal corporation with an address of One Russell Stage Road, Blandford, MA 01008, acting by and through its Board of Selectmen (the "Town"), and Pudding Hill Farm, LLC with a principal office address of 1 Julius Hall Road, Blandford, Massachusetts (the "Company"). The Town and Company collectively are referred to as the "Parties".

WHEREAS, the Company intends utilize the property located at 1 Julius Hall Road, Blandford, MA 01008, (the "Premises") for the purposes of operating as a Marijuana Micro-Business in accordance with and pursuant to applicable state laws and regulations, including, but not limited to G. L. c. 94G, 105 CMR 750.00 and/or 935 CMR 500.00 and such local approvals and permits as may be issued by the Town in accordance with its Zoning By-Laws and other applicable local regulations and covenants in Town; and

WHEREAS, the Company intends to submit applications to the Cannabis Control Commission (the "Commission") for such adult marijuana licenses; and

WHEREAS, the Company intends to provide certain benefits to the Town in the event that it receives the requisite licenses from the Commission or such other state licensing or monitoring authority, as the case may be, to operate as a Marijuana Micro-Business at the Premises and receives all required local permits and approvals from the Town; and

WHEREAS, the parties intend by this Agreement to satisfy the provisions of G.L. c.94G, § 3(d), applicable to the Company's operation as a Marijuana Cultivator and Marijuana Product Manufacturer at the Premises, such activities to be undertaken in accordance with the applicable state and local laws and regulations in the Town.

NOW THEREFORE, in consideration of the mutual promises and covenants set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Recitals

The Parties agree that the above Recitals are true and accurate and that they are incorporated herein and made a part hereof.

2. Community Impact Fees

Company shall make annual Community impact fees, which are due on June 1 of each year, pursuant to G. L. c. 94G, §3 to the Town in the following amounts:

One percent (1%) of the wholesale value of marketable product produced by the cultivation and/or manufacturing operations at the Establishment which are not sold directly to consumers on-site, but are distributed to other off-site marijuana establishments. Wholesale Value shall be determined by arms-length wholesale sales made by the Establishment during the year and shall include all marijuana and marijuana infused products.

Community impact fees shall be paid by Company annually each year on the 1st of June. Said Community impact fees shall be tendered for the purpose of addressing the cost of such direct and secondary impacts of the Company's operation within the Town, provided, however, that the Town may use Community Impact Fees to address appropriate Town needs at the sole discretion of the Town's Board of Selectmen. The Parties agree that the amount of the Community Impact Fees set forth herein is reasonably related to the real tangible and intangible mitigation costs imposed upon the Town due to the Company's activities within the Town.

Community Impact Fees shall be paid to the Town yearly as specified above and commence upon receipt of the certificate of occupancy issued for the Premises, and shall continue for a period of three (3) years. At the conclusion of each of the respective three year terms, the parties shall negotiate in good faith a new Community Impact Fee to be incorporated into an Amendment to this Agreement; provided, however, that if the parties are unable to reach an Agreement on a successor Community Impact Fee, the Community Impact Fee specified in Section 1 of this Agreement shall remain in effect and shall not be reduced below the amount set forth above until such time as the Parties negotiate a successor Community Impact Fee and execute an amendment to this Agreement.

Revenues are expected to be reported to the Commission and the Department of Revenue. Company shall maintain its books, financial records, and other compilations of data pertaining to the requirements of this HCA in accordance with standard accounting practices and any applicable regulations or guidelines of the Commission. All records shall be kept for a period of at least seven (7) years. Review of Company's books, financial records, or other documents may be made upon not less than thirty (30) days prior written notice from the Town and shall occur only during normal business hours at such place where said books, financial records and accounts are maintained. The Town's examination, copying or audit of such records shall be conducted in such manner as not to interfere with Company's normal business activities.

The Company shall submit annual financial statements to the Town within 30 days after the payment of its Annual Community Impact Fee with a certification of its annual sales.

Company acknowledges that time is of the essence with respect to their timely payment of the Community impact fees required under this Section of this Agreement. In the event that any such payments are not fully made with ten (10) days of the date they are due, Company shall be required to pay the Town a late payment penalty equal to five percent (5%) of such required payments.

3. Annual Charitable/Non-Profit Contributions

The Company, in addition to any funds specified herein, shall annually contribute to public local charities/non-profit organizations in the Town, said charities/non-profit organizations to be determined by Company in its reasonable discretion. The Annual Charitable Non/Profit Contribution shall be made annually beginning on the first anniversary following the commencement of the operations, and shall continue for the term of this Agreement.

4. Additional Costs, Payments, and Reimbursements

The Company hereby acknowledges and accepts, and waives all rights to challenge, contest or appeal, the Town's building permit fee and other permit application fees, and all other local charges and fees generally applicable to other commercial developments in the Town.

The Company shall reimburse the Town for any and all reasonable consulting costs and fees related to any land use applications concerning the facility, negotiation of this and any other related agreements, and any review concerning the facility, including planning, engineering, legal and/or environmental professional consultants and any related reasonable disbursements at standard rates charged by the above-referenced consultants in relation to the facility.

The Company shall reimburse the Town for the actual costs incurred by the Town in connection with holding public meetings and forums substantially devoted to discussing the facility and/or reviewing the facility and for any and all reasonable consulting costs and fees related to the monitoring and enforcement of the terms of this Agreement, including, but not limited to independent financial auditors and legal fees.

5. Local Vendors and Employment Preferences

To the extent such practice and its implementation are consistent with federal, state, and municipal laws and regulations, Company will make every effort in a legal and non-discriminatory manner to give priority to local businesses, suppliers, contractors, builders and vendors in the provision of goods and services called for in the construction, maintenance and continued operation of the Premises when such contractors and suppliers are properly qualified and price competitive. Company shall use good faith efforts and give hiring preferences to residents of the Town who otherwise meet the qualifications for employment at the Premises.

6. Local Taxes

At all times during the Term of this Agreement, property, both real and personal, owned or operated by Company shall be treated as taxable, and all applicable real estate and personal property taxes for that property shall be paid either directly by Company or by its landlord and neither Company nor its landlord shall object or otherwise challenge the taxability of such property and shall not seek a nonprofit or agricultural exemption or reduction with respect to such taxes.

Notwithstanding the foregoing, (i) if real or personal property owned, leased or operated by the Company is determined to be non-taxable or partially non-taxable, or (ii) if the value of such property is abated with the effect of reducing or eliminating the tax which would otherwise be paid if assessed at fair cash value as defined in G.L.c.59, §38, or (iii) if Company is determined to be entitled or subject to exemption with the effect of reducing or eliminating the tax which would otherwise be due if not so exempted, then Company shall pay to the Town an amount, which when added to the taxes if any, paid on such property, shall be equal to the taxes which would have been payable on such property at fair cash value and at the otherwise applicable tax rate, if there had been no abatement or exemption; this payment shall be in addition to the payment made by Company under Section 2 of this Agreement.

7. Security

To the extent requested by the Town's Police Department, and subject to the security and architectural review requirements of the Commission, or such other state licensing or monitoring authority, as the case may be, Company shall coordinate with the Town's Police Department in the development and implementation of security measures, as required pursuant to applicable regulations and otherwise, including determining the placement of exterior security cameras. Company will maintain a cooperative relationship with the Town's Police Department, including but not limited to, periodic meetings to review operational concerns, communication to the

Town's Police Department of any suspicious activities on the Premises, and development of anti-diversion procedures, as required.

8. Community Impact Concerns

Company agrees to employ its best efforts to work collaboratively and cooperatively with its neighboring businesses and residents to establish written policies and procedures to address mitigation of any concerns or issues that may arise through its operation of the Premises, including, but not limited to any and all concerns or issues raised at the Company's required Community Outreach Meeting relative to the operation of the Premises; said written policies and procedures, as may be amended from time to time, shall be reviewed and approved by the Town and shall be incorporated herein by reference and made a part of this Agreement, the same as if each were fully set forth herein.

9. Additional Obligations

Company shall comply with all state and local laws, rules, regulations and orders applicable to the Premises and work provided pursuant to this HCA, such provisions being incorporated herein by reference, and shall be responsible for obtaining all necessary licenses, permits, and approvals required for the performance of renovation or construction of the Premises and as required for the performance of such work.

This agreement does not affect, limit, or control the authority of Town boards, commissions, and departments to carry out their respective powers and duties to decide upon and to issue, or deny, applicable permits and other approvals under the statutes and regulations of the Commonwealth, the General and Zoning Bylaws of the Town, or applicable regulations of those boards, commissions, and departments or to enforce said statutes, bylaws, and regulations. The Town, by entering into this Agreement, is not thereby required or obligated to issue such permits and approvals as may be necessary for the Company to operate in the Town, or to refrain from enforcement action against the Company and/or its facility for violation of the terms of said permits and approvals or said statutes, bylaws, and regulations.

10. Support

The Town agrees to submit to the Commission, or such other state licensing or monitoring authority, as the case may be, the required certifications relating to the Company's application for a license to operate the Facility where such compliance has been properly met, but makes no representation or promise that it will act on any other license or permit request, including, but not limited to any zoning application submitted for the facility, in any particular way other than by the Town's normal and regular course of conduct and in accordance with its rules and regulations and any statutory guidelines governing them.

11. Term

Except as expressly provided herein, this Agreement shall take effect on the date set forth above, and shall be applicable for as long as the Company operates as a Marijuana Micro-Business at

the Premises in the Town with the exception of the Community Impact Fee, which shall be limited to the terms set forth above in §2 of this Agreement.

In the event the Company has not secured a final license from the Commission and all necessary local permits from the Town and commenced operations at the Premises within two years from the date this Agreement takes effect, this Agreement shall expire and the Company shall be required to negotiate a new Host Community Agreement in order to operate as a Marijuana Micro-Business at the Premises within the Town. The Select Board, in its discretion, may agree to an extension of the two year expiration, for good cause, which shall include the time required to pursue or await the determination of an appeal of the special permit or other legal proceeding.

14. Severability

If any term or condition of this HCA or any application thereof shall to any extent be held invalid, illegal or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining terms and conditions of this HCA shall not be deemed affected thereby unless one or both parties would be substantially or materially prejudiced. Further, the Company and Town agree not to challenge, in any jurisdiction, the enforceability of any provision included in this Agreement; and to the extent the validity of this Agreement is challenged by the Company or Town in a court of competent jurisdiction, the challenging party shall pay for all reasonable fees and costs incurred by the the other party should the challenging party not prevail.

Re: Records of any costs imposed on the Town of Blandford that are reasonably related to the operation of the Pudding Hill Farm, LLC

Dear Mr. Fielding and Mr. O'Connor:

The Town of Blandford is in receipt of your letter dated September 23, 2022, requesting record of any impacts to the Town reasonably related to the operation of your establishment, per M.G.L. c. 94G, § 3(d).

Given the small footprint of the facility and as well as the anticipated infrequent traffic associated with transportation of Pudding Hill Farm's products, the Town does not plan to document any impacts stemming from the operation of your establishment or attempt to collect compensation for any such impacts at this time. The Town further plans to propose an amendment to the existing Host Community Agreement with Pudding Hill Farm to reflect this policy.

Please do not hesitate to contact our Town Administrator, Christopher Dunne, should you have any additional questions or concerns.

Sincerely,

PLAN TO POSITIVELY IMPACT AREAS OF DISPROPORTIONATE IMPACT

OVERVIEW

To promote and encourage full participation in the regulated cannabis industry by individuals from communities disproportionately harmed by marijuana prohibition and enforcement and to positively impact those communities, we have developed a plan, inclusive of specific goals, programs, and measurements, to invest in people who have been disproportionately impacted by cannabis prohibition.

Specifically, we will focus our efforts to benefit Massachusetts individuals disproportionately harmed by marijuana prohibition:

- Certified Economic Empowerment Priority recipients
- Commission-designated Social Equity Program participants.
- Massachusetts residents who have past drug convictions.
- Massachusetts residents with parents or spouses who have drug convictions.

GOALS

1. Reducing barriers to entry in the adult-use cannabis industry for disproportionately harmed individuals by providing mentoring, professional, and technical services for 1 disproportionately harmed individual each year.

As an applicant applying for any Marijuana Establishment license, and to provide community benefits and positively impact workers disproportionately harmed by marijuana prohibition, we will work to reduce barriers to entry to the adult-use cannabis industry by providing disproportionately harmed individuals with training and mentorship programs.

PROGRAMS

Our TRAINING AND MENTORSHIP PROGRAM will take on 4 mentees annually (1 per quarter) to help participants (1) fine-tune talents and products, (2) learn about the industry, and (3) maintain enthusiasm regardless of the obstacles. Specifically, as we are a very small business with only two employees, we will provide this program annually to 4 individuals (who have been disproportionately harmed by the war on drugs) with comprehensive education and training addressing all aspects of the cannabis industry including, but not limited to, license application, hiring, growing, business administration, sales, and marketing, labeling and packaging, transportation, storage, and financial reporting - at no cost to the participant.

To identify qualified individuals for our program, we will post advertisements in local newspapers seeking Massachusetts residents who have past drug convictions, or whose family members have past drug convictions - for our cannabis mentorship program, with the possibility of part-time or full-time employment following the program's completion.

MEASUREMENTS

To properly measure our progress and success towards our goals, our efforts to implement, monitor and measure this plan we will meet twice annually to oversee our efforts toward achieving the plan's goals.

Specific measurements will include:

- Total number of mentorship programs provided.
- Total individuals trained (100% must be Massachusetts residents who have past drug convictions, or whose family members have past drug convictions).
- Total trained individuals who we ultimately hire.

ACKNOWLEDGEMENT

The Company affirmatively states the following:

1. The progress or success of our plan must and will be documented upon renewal (one year from provisional licensure, and each year thereafter).
2. The applicant acknowledges and is aware, and will adhere to, the requirements set forth in 935 CMR 500.105(4), which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment; and
3. Any actions taken, or programs instituted, will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

Except as otherwise provided in this Agreement, any action with respect to the conduct of the business of the LLC may be taken on the consent or affirmative vote on the approval or consent, either in writing or at a meeting of the members or by a majority of the Members.
- 9.2 Voting rights; allocation of votes. On each LLC matter where the Members are required to vote, each member shall have a number of votes equivalent to his percentage interest shown on Exhibit A. In significant matters relating to the business and affairs of the LLC, the LLC shall record the vote of each Member, and shall maintain permanent records of these votes accessible to all Members.
- 9.3 Meetings of the LLC. Meetings of the LLC shall be held on five (5) days' notice or on such shorter notice as may be mutually agreeable to the Members,

Except as otherwise provided in this Agreement, the vote of a majority of the interests in the LLC that are present at any meeting is required to approve any action taken at a meeting of the Members. At all meetings, a Member may vote in person or by proxy executed in writing by the Member or the Member's duly authorized attorney-in-fact.

- 9.4 Action by Consent. Any action required or permitted by this Agreement to be taken at a meeting of Members may be taken without a meeting, without prior notice, and without a vote by that number of Members having not less than the minimum interests in the LLC that would be necessary to take such action at a meeting at which all Members entitled to vote thereon were present and voted. The action must be evidenced by one or more written consents, describing the action taken, signed by the number of Members necessary to take such action, indicating the date of the signature of each Member, and delivered by hand, or by certified or registered mail, return receipt requested, to the LLC for inclusion in the minutes or filing with the LLC's records. If any member (the "selling Member") receives a bona fide and legally enforceable offer from a third party to purchase the selling Member's membership in the LLC (his "Membership"), the selling Member may not sell that Membership to that third party unless he complies with Section 10 and he first offers it to each of the other Members upon the same terms and conditions of sale as those offered by the third party. The other Members shall have 30 days within which to decide whether to accept this offer. The selling Member may sell his Membership to the third party only if, within this 30 days, each other member refuses the offer or fails to reply to it and he has complied with Section 10.

13.2 Rules for arbitration. The following rules shall govern every arbitration under this Section 13:

- a. Notice of arbitration selection, etc., of arbitrator. Any Member or Members may give notice to the other Members that a Dispute shall be resolved by arbitration under this Section 13. Promptly after this notice is received, the LLC shall request from the American Arbitration Association ("AAA") a list containing the names of six arbitrators known to AAA. Promptly after receiving this list, the Members shall agree upon a single person from this list as the person who shall serve as arbitrator (the "Arbitrator") to resolve the Dispute, and the LLC shall engage this person as Arbitrator. The LLC shall formalize this engagement in a written agreement whose provisions shall be consistent with the provisions of this Section 13, and which shall provide for any indemnification reasonably requested by the Arbitrator.
- b. Payment of Arbitrator and arbitration fees and costs; allocation of fees and costs. The Arbitrator shall be paid by the LLC for his or her services as arbitrator at a rate or fee to be agreed upon in advance of the arbitration. At the beginning of the arbitration and at any time during its process or upon its conclusion, the Arbitrator in his or her sole discretion may allocate his or her fees and all other arbitration costs among the Members in any manner the Arbitrator chooses and may require the Members to pay these fees and costs directly to those to whom they are owed.

In particular (but without limitation), the Arbitrator in his or her sole discretion may allocate all such fees and costs to a single Member if the Arbitrator determines that the position of that Member in requiring or participating in the arbitration is unmeritorious.

- c. Miscellaneous rules. Except as otherwise provided in this Section 13, the Arbitrator shall determine in his or her sole discretion all rules and procedures governing the arbitration, including, without limitation:
- (i) The timetable for the resolution of the Dispute and the implementation of any remedy;
 - (ii) The extent to which any Member may require the others to provide oral, written or other evidence to the Arbitrator concerning the Dispute;
 - (iii) The extent to which, in connection with the arbitration, any Member may make use of any Attorney or offer witnesses or evidence; and
 - (iv) Whether to retain one or more experts to assist the Arbitrator on technical issues.

- d. Duration and cost of the arbitration. The Arbitrator shall use his or her best efforts to resolve each arbitration issue as promptly and economically as possible.
- e. Written statement of award. Upon conclusion of the arbitration, the Arbitrator shall provide each Member with a brief written statement of the Arbitrator's award, signed by the Arbitrator. This statement shall set forth only the Arbitrator's decision. Promptly after preparing the statement, the Arbitrator shall destroy all other documents in his or her possession or control relating to the arbitration. The Arbitrator shall not disclose to any Member any of the Arbitrator's findings of fact or rulings of law or any of the reasons for his or her award or for any allocation of fees or costs.
- f. Members' waiver of claims against Arbitrator. Each Member hereby irrevocably waives any claims he may have against any Arbitrator relating to any arbitration under this Agreement.
- g. Remedies. Upon resolving a Dispute, the Arbitrator may impose any remedy that he or she determines to be appropriate. Without limitation:
 - (i) The arbitrator may require either Member to pay money damages to one or more other Members or to the LLC.
 - (ii) The Arbitrator may require any Member to sell his Membership to one or more other Members or to the LLC or to purchase the Membership of one or more other Members on terms provided by the Arbitrator.
 - (iii) The Arbitrator may require the dissolution of the LLC.
 - (iii) The Arbitrator may impose one or more remedies proposed by any Member.
- h. Confidentiality. The Members and the Arbitrator shall use every reasonable effort to maintain in confidence the existence and outcome of any arbitration under this Section 13 and all other facts relating to the arbitration.
- i. Finality. The award of the Arbitrator shall be final, shall bind the Members and the LLC.

- Section 14. Confidentiality. During the period in which any Member holds a Membership, the Member shall maintain in secrecy all confidential information relating to the LLC, its products, services and operations. After the Member has disposed of his Membership, he shall continue to maintain this information in secrecy until it enters the public domain.
- Section 15. Liquidation and Termination. Subject to any restrictions in agreements to which the LLC is a party, the affairs of the LLC shall be wound up upon notice of dissociation served in writing by certified Return Receipt Mail by any member upon all other members. In such event, the Members shall promptly liquidate and terminate the affairs of the LLC by discharging all debts and liabilities of the LLC and by distributing all assets in accordance with Section 6.2. All disputes and disagreements related to liquidation and termination of the LLC whether referenced in this section or Section 8 herein shall be resolved by way of arbitration as more particularly set forth in Section 13 herein.
- Section 16. Entire Agreement; Amendments. This Agreement and the Certificate of Formation constitute the complete agreement between the parties with respect to the subject matter of the Agreement, and they supersede any earlier agreements among the parties relating to this subject matter. This Agreement may not be amended except by unanimous vote of the Members.
- Section 17. Notices. Notices under this Agreement shall be sent to the LLC at its registered office and to each Member at the Member's address stated on the first page of this Agreement. A Member may change his address for purposes of this Section 17 at any time upon reasonable notice to the other parties.
- Section 18. Governing Law; Severability. This Agreement is governed by and shall be construed in accordance with the law of the Commonwealth of Massachusetts. In the event of a conflict between the provisions of this Agreement and any provision of the Certificate or the Act, the applicable provision of this Agreement shall control, to the extent permitted by law. If any provision of this Agreement or the application thereof to any person or circumstance is held invalid or unenforceable to any extent, the remainder of this Agreement and application of that provision shall be enforced to the fullest extent permitted by law. MISSION

Pudding Hill Farm is slated to be a licensed cannabis cultivation micro business with a cultivation canopy of roughly 150 sf. Our goal is to produce small-batch, high quality cannabis flower, from approximately 45 plants annually in a renovated corner of our barn. Our focus is to create a uniquely small niche in the rapidly growing cannabis market. Our facility will be small enough to be strictly owner operated utilizing cultivation methods that are centered around sustainability, efficiency and practicality while adhering to proper security measures, compliance and workflow. We will be installing state of the art HVAC systems and odor control technology involving sealed spaces and multiple levels of filtration to ensure no odor emissions and provide a clean air environment for our plants. We plan on wholesaling our small-batch cannabis flower to local, licensed adult-use dispensaries only, there will be no sale of product from our facility. Our product will be delivered personally by us to our wholesale dispensary clients.

CAPITAL

Pudding Hill Farm LLC will be the sole investor in this business. Start up cost for build out and equipment, including security system and transforming a 200 year old barn into a fully operational "clean space" with plumbing and electrical upgrades is approximately \$110,500

REVENUE

When fully operational, we expect an annual yield of roughly 35 pounds of flower with an average market price of \$3000/pound resulting in approximately \$105,000 in annual gross sales.

PROMOTION

As employees, owners and residents of Pudding Hill Farm we realize that a lot is at stake when it comes to our reputation and future. We will only seek out responsible, like-minded dispensaries who care as much about the product that they are putting on their shelves as we do about the nutrients we are putting into our soil.

Prior to being offered an employment position with the facility, all potential applicants will be required to pass a background check to ensure the potential applicant does not have any criminal felony convictions or have been convicted of the crimes listed in the state's regulations and otherwise is of good moral character. The facility intends to offer competitive wages and salaries, as well as benefits packages that include paid time off and health insurance, to all employees. Exact compensation and benefits plan and packages are in the process of being developed. It is the facility's goal to pay salaries that are, at a minimum, equitable and commensurate with salaries paid for similar work within the labor market. Accordingly, positions will generally be classified and then assigned a salary range that defines a minimum and maximum pay rate. An employee's salary may advance within the salary range as the result of performance reviews, promotions, market conditions and other business considerations. Such increases in pay are considered merit adjustments which are not guaranteed and may vary in timing and degree from employee to employee.

In accordance with State legal requirements, employees will be compensated for hours worked in excess of forty (40) hours per week. Non-exempt employees will be paid one and one-half times their regular rate of pay for hours worked more than forty (40) hours in a workweek. Overtime pay is based on actual hours worked. Paid time off for holidays and vacations does not count as "hours worked" for overtime purposes. Any overtime hours worked by a nonexempt employee will be required to be approved in advance by the employee's supervisor. Non-exempt employees are not to work before, beyond or outside

their normal working hours without such prior approval. Employees who fail to work scheduled overtime or who work overtime without prior authorization from a supervisor may be subject to disciplinary action, up to and including termination of employment.

Number of Employees: Exact number of employees employed by the facility is to be determined upon deployment of operations and the establishment of personnel requirements; the breakdown of these requirements can be seen below within the job description section.

Type of Labor: The team at the facility will comprise skilled, unskilled, and professional workers. The various positions within the organization will call for different laborers with different skill sets. The cultivation manager will need to be very skilled in the cultivation of marijuana, whereas an entry-level cultivation laborer will likely be unskilled and trained to the job requirements and functions.

Pay Structure: The facility will determine this upon deployment of operations and the establishment of personnel requirements. Employee compensation will be competitive with industry standards.

Job Termination: All termination actions will follow standard procedures. Basic steps include:

- Notify key personnel of job termination.
- Obtain all facility keys, ID badges or other company property.
- Disable/change all terminated key personnel facility security access codes or passwords.
- Notify required authorities of the job termination of the key personnel.
- Notify all remaining staff of the job termination of the key personnel and inform them of the conditions of termination.
- Contact security vendor and monitoring company to notify them of the job termination of key personnel.
- Remove terminated key personnel from any notification, contact or call lists.

Job Separation: At times key personnel may decide to part ways on their own accord. In such circumstances there will be some basic steps and procedures to follow in for job separations.

- Obtain all facility keys, ID badges, or other company property.
- Disable/change all key personnel facility security access codes or passwords.
- Notify required authorities of the job separation of the key personnel.
- Notify all remaining staff of the job separation of the key personnel and inform them of the conditions of separation.
- Contact security vendor and monitoring company to notify them of the job separation of key personnel.

Replacement of Key Personnel Position: Find and interview a suitable replacement for the position that was vacated. Key personnel positions will need to be filled as soon as possible by management without compromising the quality of potential candidates.

References: Please refer to the personnel manual found in the human resources office, and the training modules put together for vetting and hiring new personnel.

Reporting: All new hires must have personnel files, copies of which must be uploaded to our cloud server. All new hires should be placed immediately into the contact list as well.

Personnel Files

Purpose: The purpose of this SOP is to provide guidance for the storage, updating and backup of personnel files.

Scope: The scope of this SOP is for all employees who have access to or update personnel files.

Prerequisites: Employees who have access to personnel files must have been vetted to do so and must follow all security protocols and specific training to ensure their security and confidentiality.

Responsibilities: It is the responsibility of the head of personnel to ensure all records are properly annotated and securely stored.

Procedure: Attendance at formal training classes will be mandatory and documented. Additionally, specific training on SOPs, including applicable laws and regulations, will be signed off by both the employee and a supervisor. This documentation will be retained in the employee's personnel file so that it can be audited by the compliance division. Human resource files and training documentation will be maintained in hard copy and an electronic environment for ease of interaction, retention, and inspection by the commission. Employment contracts will specify attendance at training classes, and in the event the employee does not complete the required training in the specified time, this would be grounds restricting their hours until the training is completed and ultimately dismissal. Personnel files will contain all information related to the hiring and/or employment of any individual who is or was employed by the facility.

References: Please refer to the SOPs for evaluations and for other documents that become a part of all employee's personnel files.

PUDDING HILL FARM, LLC

Diversity Plan

Our Vision: Notwithstanding the fact that we will only have two employees, we will seek to create a thoughtful and forward-facing organization that attracts, implements, maintains, and leverages all that diversity in our staff and vendor relations can provide; and to specifically promote equity among women, minorities, veterans, people with disabilities and LGBTQ+.

Our Goals: Our ongoing goals over time, in addressing and maintaining diversity and promoting and encouraging broad participation in our company, include:

- 75% LGBTQ+
 - 25% People of color, particularly Black, African American, Latinx and Indigenous people
 - 25% Women
 - 15% Veterans
 - 15% Persons with disabilities
- 50% of all vendors we work with will be women-owned, minority, veteran, people with disabilities and LGBTQ+ certified vendors. We will partner with vendors in the following percentages:
- 50% women
 - 75% minorities
 - 10% veterans
 - 10% persons with disabilities
 - 30% LGBTQ+

Our Program: We will work to provide mentorship, apprentice, and incubation programs to promote equity for women, minorities, veterans, people with disabilities and LGBTQ+; and include them in the operations of our Marijuana Establishment. Our programmatic efforts include:

- Our **MENTORSHIP PROGRAM** will serve to influence, guide, and promote equity among diverse mentees to help drive their personal and professional growth in the Massachusetts legal cannabis industry, and to help mentees gain proficiency with cannabis systems and tools. This program will take on 4 mentees annually (1 per quarter), and focus on building and growing a business, complying with local and state regulations, and handling and storing cannabis inventory. To identify qualified individuals for our program, we will post advertisements in local newspapers seeking Massachusetts residents from diverse communities and backgrounds - for our cannabis mentorship program, with the possibility of part-time or full-time employment following the program's completion.
- Our **VENDOR LOYALTY PROGRAM** will provide women-owned, minority, veteran, people with disabilities and LGBTQ+ certified partner vendors with testimonials, referrals, and the first right to additional engagements. This will ensure we achieve our goal that 50% of all vendors we work with will be women-owned, minority, veteran, people with disabilities and LGBTQ+ certified vendors, while at the same time supporting and promoting these vendors.

Metrics and Measurements: To properly assess the progress and success of our effort to promote and encourage full participation in the regulated cannabis industry by women, minorities, veterans, people with disabilities and LGBTQ+, and to positively impact this specific community, we will measure the progress and success of this plan on a quarterly basis and at least annually (one year from provisional licensure, and each year thereafter) upon renewal.

In measuring the success of our diversity programs, we will ensure that we:

- Count the number of mentees trained who are women, minority, veteran, people with disabilities and from the LGBTQ+ community. This number will be assessed from the total number of mentees trained to ensure that 100%% of all mentees trained fall within this goal.
- Count the number of individuals hired who are women, minority, veteran, people with disabilities and from the LGBTQ+ community. This number will be assessed from the total number of individuals hired to ensure that 100%% of all individuals hired fall within this goal.
- Work with vendors who promote equity among women, minorities, veterans, people with disabilities and LGBTQ+. As noted above, we will partner with vendors in the following percentages:
 - 50% women
 - 75% minorities
 - 10% veterans
 - 10% persons with disabilities
 - 30% LGBTQ+
- Provide one exit survey to each trained participant (following their training) to collect feedback data to measure mentee feelings and perceptions about the diversity within the Company and the attitudes towards supporting and promoting equity among individuals from diverse communities.
