Good afternoon -

Blake asked me to follow up with you about two things after your meeting today.

1. Can our client, Rhythm of Life, hold a virtual Community Outreach Meeting on April 7th via Zoom? As you know, we need to get permission from the Town before we can set that up. After I receive your permission I will run the Notice in the paper at least 14 days before the meeting and I will send the abutter's notices at least 7 days before the meeting.

2. Can you place Rhythm of Life on the Board of Selectmen agenda for the April 14, 2021 meeting?

I look forward to receiving your response.

Best,

Karen

Religious beliefs cause tension

Dear Annie

Annie Lane

Dear Annie: I was raised, along with my two sisters, in a very strict religion that frowns upon cultivating personal relationships outside of the church. In my teens, I realized I wasn't a religious person, so I stopped participating after I moved out of my parents' house. My decision to leave the religion caused my sisters to sever communication with me. After more than a decade, we have finally reconnected.

I am overjoyed to have relationships with them again, which includes sharing interests like books, movies and music. I know they abstain from questionable content, so I'm careful about what I share. I recently had a text conversation with my sister in which I mentioned that I would never want to disrespect her beliefs, so if my sharing made her uncomfortable, she should tell me so that I can alter my behavior. She responded with appreciation and also said that she viewed our relationship as an opportunity to share positive religion-related information with me without trying to

sound too preachy or force me back into the religion.

Although her comment was without malice, I felt devastated. After all these years, despite missing and loving each other, she still can't accept me and the decisions I've made for my life. All the emotion I felt when I lost communication with her the first time came flooding back over me. I responded with a benign "I understand. Thank you!" I feel such dissonance between being honest with her and just continuing the relationship knowing it's based on an ulterior motive. I reprimand myself for foolishly believing the relationship was genuine. Should I just be grateful to have her back in my life and keep my feelings to myself? Would being honest do anything other than cause another rift?

— *Black Sheep*

Dear Black Sheep: Every relationship is different and has different limitations. Just as you want her to accept your decision, you should accept her decision to try and bring you back. You could tell her, "That's nice. I understand, but I am not changing my mind." Be kind and firm. She is doing the best she can with what she believes to be true, and you are doing the best you can with what you believe to be true.

©2021 KenKen Puzzle, LLC www.kenken.com

KenKen is a number puzzle that involves a bit of logic and a bit of simple math.

Rules: Monday through Wednesday, each row and each column must contain the numbers 1 through 4 without repeating. Thursday through Sunday, each row and column must contain the numbers 1 through 6. The numbers within heavily outlined boxes, called cages, must combine using the given operation (in any order) to produce the target number in the top-left corner. Freebies: Fill in single-box cages with the number in the top-left corner.

BRIDGE

Here is another of Anne Maverick's senryu mentioning a bidding convention: Opener bids one / With five-five in the majors / Use Michaels Cue-Bid. In the old days, if an opponent opened one of a suit and you overcalled two of that suit, you told everyone that you had game in your own hand. That cropped up about once a decade. Then a bridge player from Miami with unimaginative parents had an imaginative idea. Michael Michaels proposed that if an opponent opens one of a minor and you overcall two of that minor, you show at least 5-5 in the majors. Or, if he opens one of a major, overcalling two of that major shows at least 5-5 in the other major and either minor. There is no specific range for a Michaels. First, you find the right strain; then you worry about the correct level. In today's deal, against four spades, West leads the heart ace: nine, eight, four. He continues with the heart king: 10, two, five. What should he do next? Some deals are much easier to defend with one

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the puzzle increases from Monday to Sunday.

particular opposing hand face up on the table. Here, if South were the dummy, it would be much harder for West. Now, though, he can see that his side's only chance to defeat the contract

is to collect two trump tricks, which requires a trump promotion. South surely has the spade ace for his jump to game. West leads a low heart at trick three and hopes partner ruffs with the spade queen, a so-called uppercut. Then, when South overruffs, West gains two trump tricks.

Rhythm of Life Cannabis, LLC

Adult Use Marijuana Establishment for Cultivation and Product Manufacturing
217 River Road, Uxbridge, Mass., Worcester County
Assessor ID 45-4066

Plan to Remain Compliant with Local Permits and Zoning

Rhythm of Life Cannabis, LLC (the Applicant), is seeking a marijuana cultivation and production establishment at 217 River Road in the Town of Uxbridge and the site is located within the Town's Industrial B (IB) zoning district and these marijuana uses are allowed as of right, by building permit, in this zone. The site consists of approximately one acre and hosts an existing warehouse/storage type building to be utilized for the marijuana operations.

The Applicant is committed to remaining compliant with all applicable zoning bylaws of the Town of Uxbridge, MA, including, but not limited to Chapter 400, ZONING BYLAWS, §400-23. Pursuant to §400-23(B)(1), Applicant has secured a Host Community Agreement with the Town of Uxbridge. Applicant's cultivation and production facility is to be located at 56 Industrial Drive, Uxbridge, MA 01569, which falls within the Industrial B zoning district, and which complies with the requirements of §400-23(B)(2). Pursuant to §400-23(B)(3), Applicant's facility does not violate the 750-foot minimum distance buffer required between a marijuana establishment and a public/private school serving grades K-12. Applicant shall remain compliant with all applicable zoning requirements, both those enumerated herein that are specifically applicable to marijuana establishments, and to all other applicable zoning bylaws governing front-, side-, and rear- lot setbacks, curb cuts, signs, emergency vehicle access, and shall further remain in compliance with the terms of its certificate of occupancy. As a Cultivator and Product Manufacturer, which the Town of Uxbridge defines as a "Marijuana Establishment" under §400-23(A)(6), and which is located in the Industrial B zoning district, Applicant is permitted by right as a principal use to conduct its operations pursuant to the specific requirements enumerated herein and Article III, §400-10. Applicant shall also obtain a license from the Board of Selectmen pursuant to Uxbridge General Bylaws, Section 60, on "Marijuana Licenses".

The site is located within 200 feet of the Blackstone River and under the Massachusetts Rivers Protection Act any new construction or excavation to the land area may require the filing of a notice of intent with, and receipt of an order of conditions from, the Uxbridge Conservation Commission. However, since the parking area is currently paved and applicant is utilizing an existing warehouse building, with no planned alterations to the land area at the site, there are no anticipated filings with the conservation commission.

The time frame for obtaining permits for this marijuana establishment's is as follows: A building permit with professional engineering stamped/signed plans will be submitted for application for building permit and the building dept. has 30 days to issue upon confirmation that submitted construction filings/plans comply with building code. After construction, a certificate of use/occupancy will be required prior to commencing operations, which typically takes 15 to 30 days to obtain.

Rhythm of Life Cannabis LLC

POSITIVE IMPACT PLAN *Governed by M.G.L. c. 94G, §4 and 935 CMR 500.101(1)(a)(11)*

Rhythm of Life, LLC (“ROL”) is dedicated to serving and supporting those disproportionately harmed by cannabis prohibition specifically the following groups that the Cannabis Control Commission has identified:

1. Past or present residents of areas of disproportionate impact as defined by the Cannabis Control Commission (“CCC”).
2. Massachusetts residents who have past drug convictions.
3. Massachusetts residents who have parents or spouses who have past drug convictions.

To support such populations, ROL has created a Positive Impact Plan, summarized below, and has identified numerous goals and priorities.

GOAL: Provide at least three (3) Massachusetts residents who have past drug convictions or who have parents or spouses who have had drug convictions with education and support relating to sealing criminal records to reduce barriers to entry in the cannabis industry and the workforce in general.

PROGRAM: Our commitment to positively impact disproportionately harmed populations is an essential part of the company’s ethos. Specifically, to implement the defined Goal, ROL will:

Host an annual record sealing workshop teaching which criminal records can be sealed and how to seal them. The workshop will also assist individuals through the sealing process with the courts or probation department. The workshop will be advertised in print and online sources to include ADI and local newspapers and CCC boards. Specific sources utilized will include, but not be limited to, the Worcester Telegram and Gazette (to target the Worcester community) and the Southbridge Evening News (to target the Southbridge community). The workshop will be held at ROL’s facilities, and will each have a capacity of at least 10 participants. The topics for the workshops will include practical training and information that will assist Massachusetts residents to identify and seal eligible drug convictions.

MEASUREMENTS: ROL will develop specific initiatives, creating partnerships and achieving measurable outcomes to ensure that ROL meets the Plan’s goal. We will audit the progress of the plan annually upon provisional license renewal and will disclose tracked measurement metrics.

Metrics tracked will include the following:

Record Sealing Workshop: ROL will document the workshop date, the topics discussed, the number of attendees, to which targeted group the attendees belong and referral sources. Participating individuals or businesses will be asked to complete an assessment of the program which will provide insight into the demographics of the attendees, the helpfulness and clarity of the topics presented as well as suggestions for future programs.

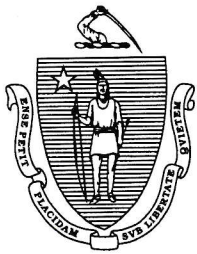

Rhythm of Life Cannabis LLC

DISCLOSURES

ROL acknowledges and will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.

Any actions taken, or programs instituted, by ROL will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

ROL understands that the progress or success of this plan must be demonstrated upon each annual license renewal period in conformity with 935 CMR 500.103(4)(b).

This Section 5.02(d) is intended to comply with the "qualified income offset" requirement in Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(e) The allocations set forth in paragraphs (a), (b), (c) and (d) above (the "Regulatory Allocations") are intended to comply with certain requirements of the Treasury Regulations under Code Section 704. Notwithstanding any other provisions of this Article V (other than the Regulatory Allocations), the Regulatory Allocations shall be taken into account in allocating Net Income and Net Losses among Members so that, to the extent possible, the net amount of such allocations of Net Income and Net Losses and other items and the Regulatory Allocations to each Member shall be equal to the net amount that would have been allocated to such Member if the Regulatory Allocations had not occurred.

Section 5.03 Tax Allocations.

(a) Subject to Section 5.03(b), Section 5.03(c) and Section 5.03(d), all income, gains, losses and deductions of the Company shall be allocated, for federal, state and local income tax purposes, among the Members in accordance with the allocation of such income, gains, losses and deductions pursuant to Section 5.01 and Section 5.02, except that if any such allocation for tax purposes is not permitted by the Code or other Applicable Law, the Company's subsequent income, gains, losses and deductions shall be allocated among the Members for tax purposes, to the extent permitted by the Code and other Applicable Law, so as to reflect as nearly as possible the allocation set forth in Section 5.01 and Section 5.02.

(b) Items of Company taxable income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall be allocated among the Members in accordance with Code Section 704(c) and the traditional method with curative allocations of Treasury Regulations Section 1.704-3(c), so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Book Value.

(c) If the Book Value of any Company asset is adjusted pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(f) as provided in clause (c) of the definition of Book Value in Section 1.01, subsequent allocations of items of taxable income, gain, loss and deduction with respect to such asset

shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Book Value in the same manner as under Code Section 704(c).

(d) Allocations of tax credit, tax credit recapture and any items related thereto shall be allocated to the Members according to their interests in such items as determined by the Managers taking into account the principles of Treasury Regulations Section 1.704-1(b)(4)(ii).

(e) Allocations pursuant to this Section 5.03 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Net Income, Net Losses, distributions or other items pursuant to any provisions of this Operating Agreement.

Section 5.04 Allocations in Respect of Transferred Membership Interests.

In the event of a Transfer of Membership Interests during any Fiscal Year made in compliance with the provisions of this Operating Agreement, Net Income, Net Losses and other items of income, gain, loss and deduction of the Company attributable to such Membership Interests for such Fiscal Year shall be determined using the interim closing of the books method.

**ARTICLE VI
DISTRIBUTIONS**

Section 6.01 General.

(a) Subject to Section 6.02, distributions of available cash shall be made to the Members when and in such amounts as determined by the Managers in their sole discretion. After making all distributions required for a given Fiscal Year under Section 6.02, distributions determined to be made by the Managers pursuant to this Section 6.01(a) shall be paid to the Members in accordance with their respective Membership Interests.

(b) Notwithstanding any provision to the contrary contained in this Operating Agreement, the Company shall not make any distribution to Members if such distribution would violate § 18-607 of the Massachusetts Act or other Applicable Law.

Section 6.02 Tax Advances.

(a) Subject to any restrictions in the Company's then applicable debt-financing arrangements, and subject to the determination by the Managers to retain any other amounts necessary to satisfy the Company's obligations, at least five (5) days before each date prescribed by the Code for a calendar-year corporation to pay quarterly installments of estimated tax, the Company shall use commercially reasonable efforts to distribute cash to each Member in proportion to and to the extent of such Member's Quarterly Estimated Tax Amount for the applicable calendar quarter (each such distribution, a "Tax Advance").

(b) If, at any time after the final Quarterly Estimated Tax Amount has been distributed pursuant to Section 6.02(a) with respect to any Fiscal Year, the aggregate Tax Advances to any Member with respect to such Fiscal Year are less than such Member's Tax Amount for such Fiscal Year (a "Shortfall Amount"), then the Company shall use commercially reasonable efforts to distribute cash in proportion to and to the extent of each Member's Shortfall Amount. The Company shall use commercially reasonable efforts to distribute Shortfall Amounts with respect to a Fiscal

Year before the 75th day of the next succeeding Fiscal Year; *provided*, that if the Company has made distributions other than pursuant to this Section 6.02, the Managers may apply such distributions to reduce any Shortfall Amount.

(c) If the aggregate Tax Advances made to any Member pursuant to Section 6.02 for any Fiscal Year exceed such Member's Tax Amount (an "Excess Amount"), such Excess Amount shall reduce subsequent Tax Advances that would be made to such Member pursuant to this Section 6.02, except to the extent taken into account as an advance pursuant to Section 6.02(d).

(d) Any distributions made pursuant to this Section 6.02 shall be treated for purposes of this Operating Agreement as advances on distributions pursuant to Section 6.01 and shall reduce, dollar-for-dollar, the amount otherwise distributable to such Member pursuant to Section 6.01.

Section 6.03 Tax Withholding; Withholding Advances.

(a) Tax Withholding. Each Member agrees to furnish the Company with any representations and forms as shall be reasonably requested by the Managers to assist it in determining the extent of, and in fulfilling, any withholding obligations it may have.

(b) Withholding Advances. The Company is hereby authorized at all times to make payments ("Withholding Advances") with respect to each Member in amounts required to discharge any obligation of the Company (as determined by the Tax Matters Representative based on the advice of legal or tax counsel to the Company) to withhold or make payments to any federal, state, local or foreign taxing authority (a "Taxing Authority") with respect to any distribution or allocation by the Company of income or gain to such Member and to withhold the same from distributions to such Member. Any funds withheld from a distribution by reason of this Section 6.03(b) shall nonetheless be deemed distributed to the Member in question for all purposes under this Operating Agreement. If the Company makes any Withholding Advance in respect of a Member hereunder that is not immediately withheld from actual distributions to the Member, then the Member shall promptly reimburse the Company for the amount of such payment, plus interest at a rate equal to the prime rate published in the Wall Street Journal on the date of payment plus two percent (2.0%) per annum (the "Company Interest Rate"), compounded annually, on such amount from the date of such payment until such amount is repaid (or deducted from a distribution) by the Member (any such payment shall not constitute a Capital Contribution). Each Member's reimbursement obligation under this Section 6.03(b) shall continue after such Member transfers its Membership Interests.

(c) Indemnification. Each Member hereby agrees to indemnify and hold harmless the Company and the other Members from and against any liability with respect to taxes, interest or penalties that may be asserted by reason of the Company's failure to deduct and withhold tax on amounts distributable or allocable to such Member. The provisions of this Section 6.03(c) and the obligations of a Member pursuant to Section 6.03(b) shall survive the termination, dissolution, liquidation and winding up of the Company and the withdrawal of such Member from the Company or Transfer of its Membership Interests. The Company may pursue and enforce all rights and remedies it may have against each Member under this Section 6.03(c), including bringing a lawsuit to collect repayment with interest of any Withholding Advances.

(d) Overwithholding. Neither the Company nor the Managers shall be liable for any excess taxes withheld in respect of any distribution or allocation of income or gain to a Member. In the event of an overwithholding, a Member's sole recourse shall be to apply for a refund from the appropriate Taxing Authority.

Section 6.04 Distributions in Kind.

(a) The Managers are hereby authorized, as they may reasonably determine, to make distributions to the Members in the form of securities or other property held by the Company; *provided*, that Tax Advances shall only be made in cash. In any non-cash distribution, the securities or property so distributed will be distributed among the Members in the same proportion and priority as cash equal to the Fair Market Value of such securities or property would be distributed among the Members pursuant to Section 6.01.

(b) Any distribution of securities shall be subject to such conditions and restrictions as the Managers determine are required or advisable to ensure compliance with Applicable Law. In furtherance of the foregoing, the Managers may require that the Members execute and deliver such documents as the Managers may deem necessary or appropriate to ensure compliance with all federal and state securities laws that apply to such distribution and any further Transfer of the distributed securities, and may appropriately legend the certificates that represent such securities to reflect any restriction on Transfer with respect to such laws.

**ARTICLE VII

Section 7.01 Management of the Company.

The business and affairs of the Company shall be managed, operated and controlled by or under the direction of the Managers. Subject to the provisions of Section 7.05, the Managers shall have, and are hereby granted, full and complete power, authority and discretion for, on behalf of and in the name of the Company, to take such actions as they may deem necessary or advisable to carry out any and all of the objectives and purposes of the Company, including, without limitation to consult and retain appropriate business, legal, and tax advice and counsel related thereto, and to issue additional Membership Interests or admit additional Members to the Company.

Section 7.02 Number, Election and Term of Managers.

(a) The number of Managers shall be fixed from time to time by the affirmative vote of the Member or Members holding a majority of the outstanding Membership Interests, but the number of Managers shall not be less than one (1) nor more than the number of Members. The Company shall initially have three (3) Managers, who shall be Kristofer Artz, Brett Hansen, and Sara Williamson.

(b) Each Manager shall serve until the earliest of Manager's death, resignation, or removal. Managers may be appointed, from time-to-time by the affirmative vote of the Member or Members holding a majority of the outstanding Membership Interests.

(c) The Managers shall maintain a schedule of all Managers with their respective mailing addresses (the "Managers' Schedule"), and shall update the Managers' Schedule upon the removal or replacement of any Manager in accordance with this Section 7.02 or Section 7.03. A copy of the Managers' Schedule as of the execution of this Operating Agreement is attached hereto as Schedule B.

(v) the Manager’s intentional wrongful act or gross negligence that has a material detrimental effect on the Company;

(vii) the appointment of a guardian or conservator for a Member.

(c) A Manager may resign at any time by delivering their written resignation to the Company. Any such resignation shall be effective upon receipt thereof unless it is specified to be effective at some other time or upon the occurrence of some other event. The acceptance of a resignation by the other Managers shall not be necessary to make it effective.

(d) The resignation of a Manager who is also a Member shall not constitute a withdrawal or expulsion of the Manager as a Member of the Company or otherwise affect the Manager’s rights as a Member.

(e) The removal of a Manager under Section 7.03(i)-(v) above shall constitute a withdrawal or expulsion of the Manager as a Member.

Section 7.04 Action by Managers.

(a) If there is more than one Manager serving, all decisions requiring action of the Managers or relating to the business or affairs of the Company shall be decided by the affirmative vote or consent of a majority of the Managers as determined per capita (one (1) vote per Manager). In the event of a deadlock between or among Managers, the Member with the largest Membership Interest among the Members at such time shall provide the final vote on such action. Notwithstanding anything to the contrary herein, every Manager will seek the written consent of Kristofer Artz before undertaking any action.

(b) On any matter that is to be voted on by Managers, a Manager may vote in person or by proxy, and such proxy may be granted in writing, by means of Electronic Transmission or as

otherwise permitted by Applicable Law. Every proxy shall be revocable in the discretion of the Manager executing it unless otherwise provided in such proxy; *provided*, that such right to revocation shall not invalidate or otherwise affect actions taken under such proxy prior to such revocation.

(c) Any action of the Managers may be taken without a meeting if either (i) a written consent of a majority of the Managers shall approve such action; *provided*, that prior written notice of such action is provided to all Managers at least one (1) Business Day before such action is taken, or (ii) a written consent constituting all of the Managers shall approve such action. Such consent shall have the same force and effect as a vote at a meeting and may be stated as such in any document or instrument filed with the Secretary of the Commonwealth of Massachusetts.

Without the written approval of a majority of the Members, the Company shall not, and shall not enter into any commitment to:

Each Member hereby irrevocably grants and assigns to the Company all rights in the Works free from any restrictions and limitations.

(d) No Membership Interest shall be pledged, hypothecated, or otherwise voluntary encumbered without the unanimous approval of the disinterested Members.

Section 9.02 Admission of Transferees as Members.

**ARTICLE X
EVENTS THAT TRIGGER OPTION TO BUY MEMBERSHIP INTERESTS**

Section 10.01 Triggering Voluntary Transfers.

When a Member (the "Offering Member") desires to Transfer any or all of its Membership Interests (the "Offered Interests") other than as provided in Section 9.01(b), the Offering Member shall give prompt, written, unconditional, and irrevocable notice to the Company and the Remaining Members of such intention, and the Company, first, and each Remaining Member, second, shall have the option to purchase all (but not less than all) of the Offered Interests pursuant to the terms of Article XII and Article XIII of this Operating Agreement.

Section 10.02 Triggering Involuntary Transfer.

(a) Prior to a potential Transfer of Membership Interest that occurs in connection with: (i) a sale upon execution or in foreclosure of any pledge, hypothecation, lien or charge; (ii) a voluntary or involuntary petition under any federal or state bankruptcy, insolvency or related law; (iii) the appointment of a receiver; (iv) an assignment for the benefit of creditors; or (v) attachment, assignment or other collection action, (each, an "Involuntary Transfer"); the Member shall give prompt written notice to the Company and the Remaining Members disclosing in full the nature and details of the Involuntary Transfer, and the Company, *first*, and each Remaining Member, *second*, shall have the option to purchase all (but not less than all) of the Membership Interests owned by the

Transferring Member at the effective date of the Involuntary Transfer pursuant to the terms of Article X and Article XIII.

ARTICLE XI

PROCEDURES TO EXECUTE AN OPTION TO BUY MEMBERSHIP INTERESTS

Section 11.01 Exercise of Option.

Whenever the Company and/or the Remaining Members have the option to purchase (1) the Offered Interests of an Offering Member pursuant to the terms of Section 10.01; or (2) all of the Membership Interests owned by a Transferring Member pursuant to the terms of Section 10.02 (in either the case of (1) or (2), the “Option Interests”), the following procedures shall apply:

(a) The initial right of the Company to purchase all (but not less than all) of the Option Interests shall be exercisable with the delivery of a written notice by the Company to the Offering Member or the Transferring Member, as the case may be, and the Remaining Members within thirty (30) days of (i) in the case of a voluntary Transfer pursuant to 10.01, the receipt of the Offering Member’s written notice regarding the Offered Interests; or (ii) in the case of an Involuntary Transfer pursuant to Section 10.02, the receipt of the Transferring Member’s written notice of Involuntary Transfer. The Company’s written notice of exercise shall be binding upon delivery and irrevocable by the Company.

(b) If the Company does not elect to purchase all of the Option Interests, the Remaining Members shall have the right to purchase all (but not less than all) of the Option Interests. For a period of thirty (30) days following the earlier of the expiration of the Company’s option period set forth in Section 11.01(a) or receipt of written notice from the Company that it does not elect to purchase the Option Interests, each Remaining Member shall have the right to elect to purchase all (but not less than all) of their pro rata portion of the Option Interests by delivering written notice to the Company and the Offering Member or the Transferring Member, as the case may be. The pro rata portion of each Remaining Member for the purposes of this Section 11.01(b) shall be determined by dividing (i) the number of Membership Interests owned by a Remaining Member by (ii) the total number of Membership Interests owned by all of the Remaining Members. Each Remaining Member’s exercise notice shall be binding upon delivery and irrevocable by such Remaining Member.

(c) If the Remaining Members pursuant to Section 11.01(b) do not, in the aggregate, elect to purchase all of the Option Interests, each Remaining Member electing to purchase its pro rata portion of the Option Interests in accordance with Section 11.01(b) (each, an “Exercising Member”) shall have the right to purchase all (but not less than all) of any remaining Option Interests not elected to be purchased by the other Remaining Members. As promptly as practicable following the expiration of the Remaining Members’ option period set out in Section 11.01(b), the Offering Member or Transferring Member, as the case may be, shall deliver a written notice to each Exercising Member stating the number of remaining Option Interests available for purchase. For a period of thirty (30) days following the receipt of such written notice, each Exercising Member shall have the right to elect to purchase all (but not less than all) of the remaining Option Interests by delivering a written notice to the Company and the Offering Member or the Transferring Member, as the case may be. If more than one Exercising Member delivers an exercise notice pursuant to this Section 11.01(c) (each, an “Over-Allotment Participating Member”), the remaining Option Interests shall be allocated pro rata among the Over-Allotment Participating Members based on a fraction determined by dividing (i) the number of Membership Interests owned by the Over-Allotment Participating Member by (ii) the number of Membership Interests owned by all Over-Allotment Participating Members;

unless within thirty (30) days following the receipt of written notice to that effect, the Over-Allotment Participating Members deliver a joint written notice to the Company and the Offering Member or Transferring Member, as the case may be, agreeing to a different allocation for all (but not less than all) of the remaining Option Interests. Each Over-Allotment Participating Member's exercise notice shall be binding upon delivery and irrevocable by the Over-Allotment Participating Member.

(d) The failure of the Company or any Remaining Member to deliver an exercise notice by the end of their respective option periods shall constitute a waiver of the applicable rights of first offer under Article XII with respect to the Transfer of such Option Interests, but shall not affect their respective rights with respect to any future Transfers.

Section 11.02 Lump Sum or Installment Payments.

Any purchaser of Membership Interests pursuant to this Article XII may pay the applicable Purchase Price in (a) one lump sum by certified or official bank check or by wire transfer of immediately available funds or (b) installment payments evidenced by a promissory note made at the time of purchase, which shall bear interest at the rate of five percent (5%) per annum (or the maximum rate allowable under Applicable Law if less than five percent (5%) per annum). If paid in installment payments, the Member shall pay the Purchase Price plus accrued interest in twelve (12) equal quarterly installments. The purchaser shall have the right to pay all or any part of the purchaser's note at any time or times in advance of maturity without premium or penalty by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment.

Section 11.03 Cooperation.

Each Member shall take all actions as may be reasonably necessary to consummate any sale that complies with this Article XII, including executing and delivering agreements, certificates, instruments, and consents as may be deemed necessary or appropriate.

Section 11.04 Failure to Exercise Option.

In the case of an option to purchase the Offered Interests of an Offering Member pursuant to Section 11.01, if neither the Company nor the Remaining Members elect to purchase all of the Offered Interests, then the Offering Member may, during the thirty (30) day period following the expiration of the required periods of such option (which period may be extended for a reasonable time not to exceed ninety (90) days), subject to and under this Operating Agreement, Transfer, all of such Offered Membership Interests on terms and conditions no more favorable to such Transferee than those specified in an offer made under or as provided by this Operating Agreement. If the Offering Member does not Transfer the Option Interests within such period, the rights provided hereunder shall be deemed to be revived and the Option Interests shall not be offered to any Person unless first re-offered to the Company and the Remaining Members in accordance with this Operating Agreement.

Section 11.05 Drag-Along Rights

(a) Participation. If the Offering Member holds a majority of the Membership Interests (such Offering Member, the "Dragging Member"), proposes to Transfer all of the Membership Interests owned by the Dragging Member (a "Drag-along Sale"), the Dragging Member shall have the right, after delivering the Drag-along Notice in accordance with Section 11.05(c) and subject to compliance with Section 11.05(d), to require that each other Member (each, a "Drag-along Member") participate in such sale in the manner set forth in Section 11.05(b).

(b) Sale of Membership Interests. Subject to compliance with Section 11.05(d), each Drag-along Member shall sell in the Drag-along Sale all of the Membership Interests held by such Drag-along Member

(c) Sale Notice. The Dragging Member shall exercise its rights pursuant to this Section 11.05 by delivering a written notice (the "Drag-along Notice") to the Company and each Drag-along Member no more than ten (10) Business Days after the execution and delivery by all of the parties thereto of the definitive agreement entered into with respect to the Drag-along Sale and, in any event, no later than twenty (20) Business Days prior to the closing date of such Drag-along Sale. The Drag-along Notice shall make reference to the Dragging Members' rights and obligations hereunder and shall describe in reasonable detail:

- (1) the name of the person or entity to whom such Membership Interests are proposed to be sold;
- (2) the proposed date, time and location of the closing of the sale;
- (3) the proposed amount of consideration for the Drag-along Sale and the other material terms and conditions of the Drag-along Sale, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; and
- (4) a copy of any form of agreement proposed to be executed in connection therewith.

(d) Conditions of Sale. The obligations of the Drag-along Members in respect of a Drag-along Sale under this Section 11.05 are subject to the satisfaction of the following conditions:

- (1) the consideration to be received by each Drag-along Member shall be the same form and amount of consideration to be received by the Dragging Member per percentage interest and the terms and conditions of such sale shall, except as otherwise provided in Section 11.05(d)(iii), be the same as those upon which the Dragging Member sells its Membership Interests;
- (2) if the Dragging Member or any Drag-along Member is given an option as to the form and amount of consideration to be received, the same option shall be given to all Drag-along Members; and
- (3) each Drag-along Member shall execute the applicable purchase agreement, if applicable, and make or provide the same representations, warranties, covenants, indemnities and agreements as the Dragging Member makes or provides in connection with the Drag-along Sale (except that in the case of representations, warranties, covenants, indemnities and agreements pertaining specifically to the Dragging Member, the Drag-along Member shall make the comparable representations, warranties, covenants, indemnities and agreements pertaining specifically to itself); *provided*, that all representations, warranties, covenants and indemnities shall be made by the Dragging Member and each Drag-along Member severally and not jointly and any indemnification obligation shall be pro rata based on the consideration received by the Dragging Member and each Drag-along Member (other than any indemnification obligation pertaining specifically to the Dragging Member or a Drag-along Member, which obligation shall be the sole obligation of such Dragging Member or Drag-along Member), in each case in an amount not to exceed the aggregate proceeds received by the Dragging Member and each such Drag-along Member in connection with the Drag-along Sale.

(e) Cooperation. Each Drag-along Member shall take all actions as may be reasonably necessary to consummate the Drag-along Sale, including, without limitation, entering into agreements and delivering certificates and instruments, in each case, consistent with the agreements being entered into and the certificates being delivered by the Dragging Member, but subject to Section 11.05(d)(iii).

(f) Expenses. The fees and expenses of the Dragging Member incurred in connection with a Drag-along Sale and for the benefit of all Drag-along Members (it being understood that costs incurred by or on behalf of a Dragging Member for its sole benefit will not be considered to be for the benefit of all Drag-along Members), to the extent not paid or reimbursed by the Company, shall be shared by the Dragging Member and all the Drag-along Members on a pro rata basis, based on the consideration received by each such Member; provided, that no Drag-along Member shall be obligated to make any out-of-pocket expenditure prior to the consummation of the Drag-along Sale.

(g) Consummation of Sale. The Dragging Member shall have sixty (60) days following the date of the Drag-along Notice in which to consummate the Drag-along Sale, on the terms set forth in the Drag-along Notice (which period may be extended for a reasonable time not to exceed ninety (90) days). If at the end of such period the Dragging Member has not completed the Drag-along Sale, the Dragging Member may not then exercise its rights under this Section 11.05 without again fully complying with the provisions of this Section 11.05.

Section 11.06 No Further Rights or Obligations.

If a Member's Membership Interests are sold in connection with a voluntary Transfer or Involuntary Transfer, the Member shall cease to be a party to this Agreement and shall have no further rights or obligations hereunder, and this Agreement may be amended or terminated without the Member's consent.

ARTICLE XII PURCHASE PRICE

Section 12.01 Stipulated Value.

As of the date of this Agreement, through the date on which the Company has been Operational for twenty-four consecutive (24) months (the "Initial Period"), the value of the Company shall be determined upon the consent of at least two thirds of the Members (a "Supermajority") on a quarterly basis. After the date on which the Company is Operational (the "Post Period"), the value of the Company shall be determined on the basis of four times (4X) the average net earnings (annual gross revenues of the Company minus annual expenses and minus any annual federal, state, and local income taxes payable by the Company) for the two (2) most recent Fiscal Years. The value of an individual Member's Membership Interest shall be the entire value for the Company as determined under this Section 12.01, multiplied by their ownership percentage. Such value shall remain effective until a new stipulation is agreed to in accordance with Section 12.02 (such per Membership Interest value, as updated from time to time, the "Stipulated Value").

Section 12.02 Value to be Stipulated Quarterly or Annually.

Within thirty (30) days after the end of each Fiscal Year, the Members of record on the last day of such quarter or Fiscal Year, as the case may be, voting in proportion to their respective Membership Interests held as of such day, shall agree upon the Stipulated Value to be computed as of the end of such quarter or Fiscal Year, as the case may be. The Stipulated Value shall be agreed to in writing by a Supermajority of Membership Interests issued and outstanding on such day. In the event that a Member of record on such day is no longer a Member at the time of such vote (which shall not be more than thirty (30) days after the end of such quarter or Fiscal Year, as the case may be), the transferee, if any, of such Member's Membership Interests shall vote such Membership Interests with respect to such Stipulated Value; *provided, however*, if the Company has redeemed such Membership Interests, such Membership Interests shall be deemed canceled with respect to such vote. In the event of the death of any such Member of record after the last day of such quarter or Fiscal Year, as the case may be, and if such Member's Membership Interests have not yet been transferred or redeemed at the time of such vote, none of the executor, administrator, surviving spouse, or other legal representative of such deceased Member shall be entitled to vote the deceased Member's Membership Interests with respect to such Stipulated Value.

Section 12.03 Purchase Price.

In the event of a sale or Transfer of Membership Interests pursuant to this Operating Agreement, the purchase price shall be the Stipulated Value multiplied by the number of Membership Interests subject to sale (the "Purchase Price").

Section 12.04 Failure to Stipulate Does Not Invalidate Operating Agreement.

The failure of the Members to update the Stipulated Value as provided for herein shall not affect the validity or enforceability of this Operating Agreement.

**ARTICLE XIII
EXCULPATION AND INDEMNIFICATION**

Section 14.01 Exculpation of Covered Persons.

(a) Covered Persons. As used herein, the term "Covered Person" shall mean (i) each Member; (ii) each officer, director, stockholder, partner, member, Affiliate, employee, agent or representative of each Member, and each of their Affiliates; and (iii) each officer, employee, agent or representative of the Company.

(b) Standard of Care. No Covered Person shall be liable to the Company or any other Covered Person for any loss, damage or claim incurred by reason of any action taken or omitted to be taken by such Covered Person in their capacity as a Covered Person, so long as such action or omission does not constitute fraud or willful misconduct by such Covered Person.

Section 13.02 Good Faith Reliance.

Each Covered Person and each Manager shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements (including financial statements and information, opinions, reports or statements as to the value or amount of the assets, liabilities, Net Income or Net Losses of the Company or any facts pertinent to the existence

and amount of assets from which distributions might properly be paid) of the following Persons or groups: (i) another Manager; (ii) one or more officers or employees of the Company; (iii) any attorney, independent accountant, appraiser or other expert or professional employed or engaged by or on behalf of the Company; or (iv) any other Person selected in good faith by or on behalf of the Company, in each case as to matters that such relying Person reasonably believes to be within such other Person's professional or expert competence. The preceding sentence shall in no way limit any Person's right to rely on information to the extent provided in the Massachusetts Act.

Section 13.03 Liabilities and Duties of Covered Persons and Managers.

(a) This Operating Agreement is not intended to, and does not, create or impose any fiduciary duty on any other Covered Person. Furthermore, each of the Members and the Company hereby waives any and all fiduciary duties that, absent such waiver, may be implied by Applicable Law, and in doing so, acknowledges and agrees that the duties and obligation of each Covered Person to each other and to the Company are only as expressly set forth in this Operating Agreement. The provisions of this Operating Agreement, to the extent that they restrict the duties and liabilities of a Covered Person otherwise existing at law or in equity, are agreed by the Members to replace such other duties and liabilities of such Covered Person.

(b) In fulfilling their managerial responsibilities, each Manager shall be charged with a fiduciary duty to the Company and its Members. Each Manager shall be attentive and inform themselves of all material facts regarding a decision before taking action. Each Manager's actions shall be motivated solely by the best interests of the Company and its Members.

Section 13.04 Indemnification.

(a) Indemnification. To the fullest extent permitted by the Massachusetts Act, as the same now exists or may hereafter be amended, substituted or replaced (but, in the case of any such amendment, substitution or replacement, only to the extent that such amendment, substitution or replacement permits the Company to provide broader indemnification rights than the Massachusetts Act permitted the Company to provide prior to such amendment, substitution or replacement), the Company shall indemnify, hold harmless, defend, pay and reimburse any Covered Person or Manager (collectively, the "Indemnified Person") against any and all losses, claims, damages, judgments, fines or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines or liabilities, and any amounts expended in settlement of any claims (collectively, "Losses") to which such Indemnified Person may become subject by reason of:

(i) any act or omission or alleged act or omission performed or omitted to be performed on behalf of the Company or any Member in connection with the business of the Company; or

(ii) such Indemnified Person being or acting in connection with the business of the Company as a member, stockholder, Affiliate, manager, director, officer, employee or agent of the Company, any Member, or any of their respective Affiliates, or that such Indemnified Person is or was serving at the request of the Company as a member, manager, director, officer, employee or agent of any Person including the Company;

(iii) *provided, however*, that (x) such Indemnified Person acted in good faith and in a manner believed by such Indemnified Person to be in, or not opposed to, the best interests of the Company and within the scope of such Indemnified Person's authority conferred on them by the

Company and, with respect to any criminal proceeding, had no reasonable cause to believe their conduct was unlawful, and (y) either (i) in the case of a Covered Person, such Covered Person's conduct did not constitute fraud or willful misconduct or (ii) in the case of a Manager, such Manager's conduct did not constitute a breach of their fiduciary duties. In connection with the foregoing, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the Indemnified Person did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Indemnified Person's conduct was unlawful, or that the Indemnified Person's conduct constituted fraud or willful misconduct.

(b) Control of Defense. Upon a Indemnified Person's discovery of any claim, lawsuit or other proceeding relating to any Losses for which such Indemnified Person may be indemnified pursuant to this Section 13.04, the Indemnified Person shall give prompt written notice to the Company of such claim, lawsuit or proceeding; *provided*, that the failure of the Indemnified Person to provide such notice shall not relieve the Company of any indemnification obligation under this Section 13.04, unless the Company shall have been materially prejudiced thereby. Subject to the approval of the disinterested Members, the Company shall be entitled to participate in or assume the defense of any such claim, lawsuit or proceeding at its own expense. After notice from the Company to the Indemnified Person of its election to assume the defense of any such claim, lawsuit or proceeding, the Company shall not be liable to the Indemnified Person under this Operating Agreement or otherwise for any legal or other expenses subsequently incurred by the Indemnified Person in connection with investigating, preparing to defend or defending any such claim, lawsuit or other proceeding. If the Company does not elect (or fails to elect) to assume the defense of any such claim, lawsuit or proceeding, the Indemnified Person shall have the right to assume the defense of such claim, lawsuit or proceeding as it deems appropriate, but it shall not settle any such claim, lawsuit or proceeding without the consent of the Company (which consent shall not be unreasonably withheld, conditioned or delayed).

(c) Reimbursement. The Company shall promptly reimburse (and/or advance to the extent reasonably required) each Indemnified Person for reasonable legal or other expenses (as incurred) of such Indemnified Person in connection with investigating, preparing to defend or defending any claim, lawsuit or other proceeding relating to any Losses for which such Indemnified Person may be indemnified pursuant to this Section 13.04; *provided*, that if it is finally judicially determined that such Indemnified Person is not entitled to the indemnification provided by this Section 13.04, then such Indemnified Person shall promptly reimburse the Company for any reimbursed or advanced expenses.

(d) Entitlement to Indemnity. The indemnification provided by this Section 13.04 shall not be deemed exclusive of any other rights to indemnification to which those seeking indemnification may be entitled under any agreement or otherwise. The provisions of this Section 13.04 shall continue to afford protection to each Indemnified Person regardless of whether such Indemnified Person remains in the position or capacity pursuant to which such Indemnified Person became entitled to indemnification under this Section 13.04 and shall inure to the benefit of the executors, administrators, legatees and distributees of such Indemnified Person.

(e) Insurance. To the extent available on commercially reasonable terms, the Company may purchase, at its expense, insurance to cover Losses covered by the foregoing indemnification provisions and to otherwise cover Losses for any breach or alleged breach by any Indemnified Person of such Indemnified Person's duties in such amount and with such deductibles as the Managers may determine; *provided*, that the failure to obtain such insurance shall not affect the right to indemnification of any Indemnified Person under the indemnification provisions contained herein,

including the right to be reimbursed or advanced expenses or otherwise indemnified for Losses hereunder. If any Indemnified Person recovers any amounts in respect of any Losses from any insurance coverage, then such Indemnified Person shall, to the extent that such recovery is duplicative, reimburse the Company for any amounts previously paid to such Indemnified Person by the Company in respect of such Losses.

(f) Funding of Indemnification Obligation. Notwithstanding anything contained herein to the contrary, any indemnity by the Company relating to the matters covered in this Section 13.04 shall be provided out of and to the extent of Company assets only, and no Member (unless such Member otherwise agrees in writing) shall have personal liability on account thereof or shall be required to make additional Capital Contributions to help satisfy such indemnity by the Company.

(g) Savings Clause. If this Section 13.04 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Indemnified Person pursuant to this Section 13.04 to the fullest extent permitted by any applicable portion of this Section 13.04 that shall not have been invalidated and to the fullest extent permitted by Applicable Law.

(h) Amendment. The provisions of this Section 13.04 shall be a contract between the Company, on the one hand, and each Indemnified Person who served in such capacity at any time while this Section 13.04 is in effect, on the other hand, pursuant to which the Company and each such Indemnified Person intend to be legally bound. No amendment, modification or repeal of this Section 13.04 that adversely affects the rights of an Indemnified Person to indemnification for Losses incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Indemnified Person's entitlement to indemnification for such Losses without the Indemnified Person's prior written consent.

Section 13.05 Survival.

The provisions of this Article XIV shall survive the dissolution, liquidation, winding up and termination of the Company.

ARTICLE XIV ACCOUNTING; TAX MATTERS

Section 14.01 Financial Statements.

The Company shall furnish to each Member the following reports:

(a) Annual Financial Statements. As soon as available, and in any event within one hundred and twenty (120) days after the end of each Fiscal Year, unaudited consolidated balance sheets of the Company as at the end of each such Fiscal Year and unaudited consolidated statements of income, cash flows and Members' equity for such Fiscal Year, in each case setting forth in comparative form the figures for the previous Fiscal Year, accompanied by the certification of independent certified public accountants of recognized national standing selected by the Managers, certifying to the effect that, except as set forth therein, such financial statements have been prepared in accordance with GAAP, applied on a basis consistent with prior years, and fairly present in all material respects the financial condition of the Company as of the dates thereof and the results of their operations and changes in their cash flows and Members' equity for the periods covered thereby.

(b) Quarterly Financial Statements. As soon as available, and in any event within 60 days after the end of each quarterly accounting period in each Fiscal Year (other than the last fiscal quarter of the Fiscal Year), unaudited consolidated balance sheets of the Company as at the end of each such fiscal quarter and for the current Fiscal Year to date and unaudited consolidated statements of income, cash flows and Members' equity for such fiscal quarter and for the current Fiscal Year to date, in each case setting forth in comparative form the figures for the corresponding periods of the previous fiscal quarter, all in reasonable detail and all prepared in accordance with GAAP, consistently applied (subject to normal year-end audit adjustments and the absence of notes thereto), and certified by the principal financial or accounting officer of the Company.

(c) Monthly Financial Statements. As soon as available, and in any event within 30 days after the end of each monthly accounting period in each fiscal quarter (other than the last month of the fiscal quarter), unaudited consolidated balance sheets of the Company as at the end of each such monthly period and for the current Fiscal Year to date and unaudited consolidated statements of income, cash flows and Members' equity for each such monthly period and for the current Fiscal Year to date, all in reasonable detail and all prepared in accordance with GAAP, consistently applied (subject to normal year-end audit adjustments and the absence of notes thereto).

Section 14.02 Inspection Rights.

Upon reasonable notice from a Member of no less than five (5) Business Days, and no more than one (1) time per calendar year, the Company shall afford such Member and its Representatives access during normal business hours to (i) the Company's properties, offices, and/or facilities; (ii) the corporate, financial and similar records, reports and documents of the Company, including all books and records, minutes of proceedings, internal management documents, reports of operations, reports of adverse developments, copies of any management letters and communications with Members or Managers, and to permit each Member and its Representatives to examine such documents and make copies thereof or extracts therefrom; and (iii) any officers, senior employees and accountants of the Company, and to afford each Member and its Representatives the opportunity to discuss and advise on the affairs, finances and accounts of the Company with such officers, senior employees and accountants (and the Company hereby authorizes such employees and accountants to discuss with such Member and its Representatives such affairs, finances and accounts); *provided* that (x) the requesting Member shall bear its own expenses and all reasonable expenses incurred by the Company in connection with any inspection or examination requested by such Member pursuant to this Section 14.02 and (y) if the Company provides or makes available any report or written analysis for any Member pursuant to this Section 14.02, it shall promptly provide or make available such report or analysis to or for the other Members.

Section 14.03 Income Tax Status.

It is the intent of this Company and the Members that this Company shall be treated as a partnership for U.S., federal, state and local income tax purposes. Neither the Company nor any Member shall make an election for the Company to be classified as other than a partnership pursuant to Treasury Regulations Section 301.7701-3.

Section 14.04 Tax Matters Representative.

(a) Appointment; Removal. The Members hereby appoint Kristofer Artz as the “partnership representative” as provided in Code Section 6223(a) (the “Tax Matters Representative”). The Tax Matters Representative may resign at any time. The Tax Matters Representative may be removed at any time by a vote of the Member or Members holding a majority of the Membership Interests. In the event of the resignation or removal of the Tax Matters Representative, the Member or Members holding a majority of the Membership Interests shall select a replacement Tax Matters Representative.

(b) Tax Examinations and Audits. The Tax Matters Representative is authorized and required to represent the Company (at the Company’s expense) in connection with all examinations of the Company’s affairs by Taxing Authorities, including resulting administrative and judicial proceedings, and to expend Company funds for professional services and costs associated therewith. The Tax Matters Representative shall promptly notify the Members in writing of the commencement of any tax audit of the Company, upon receipt of a tax assessment and upon the receipt of a notice of final partnership adjustment, and shall keep the Members reasonably informed of the status of any tax audit and resulting administrative and judicial proceedings. Without the consent of the Member or Members holding a majority of the Membership Interests, the Tax Matters Representative shall not extend the statute of limitations, file a request for administrative adjustment, file suit relating to any Company tax refund or deficiency or enter into any settlement agreement relating to items of income, gain, loss or deduction of the Company with any federal, state, local or foreign taxing authority.

(c) US Federal Tax Proceedings. To the extent permitted by applicable law and regulations, the Tax Matters Representative shall cause the Company to annually elect out of the partnership audit procedures set forth in Subchapter C of Chapter 63 of the Code as amended by the BBA (the “Revised Partnership Audit Rules”) pursuant to Code Section 6221(b). For any year in which applicable law and regulations do not permit the Company to elect out of the Revised Partnership Audit Rules, then within forty-five (45) days of any notice of final partnership adjustment, the Tax Matters Representative shall cause the Company to elect the alternative procedure under Code Section 6226, and furnish to the Internal Revenue Service and each Member during the year or years to which the notice of final partnership adjustment relates a statement of the Member’s share of any adjustment set forth in the notice of final partnership adjustment.

(d) Tax Returns and Tax Deficiencies. Each Member agrees that such Member shall not treat any Company item inconsistently on such Member’s federal, state, foreign or other income tax return with the treatment of the item on the Company’s return. Any deficiency for taxes imposed on any Member (including penalties, additions to tax or interest imposed with respect to such taxes and taxes imposed pursuant to Code Section 6226) will be paid by such Member and if required to be paid (and actually paid) by the Company, will be recoverable from such Member as provided in Section 6.03(b).

(e) Section 754 Election. The Tax Matters Representative will make an election under Code Section 754 if requested in writing by another Member.

(f) Indemnification. The Company shall defend, indemnify, and hold harmless the Tax Matters Representative against any and all liabilities sustained as a result of any act or decision concerning Company tax matters and within the scope of the Tax Matters Representative’s responsibilities, so long as such act or decision was done or made in good faith and does not constitute gross negligence or willful misconduct

Section 14.05 Tax Returns.

At the expense of the Company, the Managers (or any officer that the Managers may designate pursuant to Section 7.06) shall endeavor to cause the preparation and timely filing (including extensions) of all tax returns required to be filed by the Company pursuant to the Code as well as all other required tax returns in each jurisdiction in which the Company owns property or does business. As soon as reasonably possible after the end of each Fiscal Year, the Managers or designated officer will cause to be delivered to each Person who was a Member at any time during such Fiscal Year, IRS Schedule K-1 to Form 1065 and such other information with respect to the Company as may be necessary for the preparation of such Person's federal, state and local income tax returns for such Fiscal Year.

Section 14.06 Company Funds.

All funds of the Company shall be deposited in its name, or in such name as may be designated by the Managers, in such checking, savings or other accounts, or held in its name in the form of such other investments as shall be designated by the Managers. The funds of the Company shall not be commingled with the funds of any other Person. All withdrawals of such deposits or liquidations of such investments by the Company shall be made exclusively upon the signature or signatures of such officer or officers as the Managers may designate.

**ARTICLE XV
DISSOLUTION AND LIQUIDATION**

Section 15.01 Events of Dissolution.

The Company shall be dissolved and its affairs wound up only upon the occurrence of any of the following events:

- (a) an election to dissolve the Company made by all of the holders of the Membership Interests;
- (b) the sale, exchange, involuntary conversion, or other disposition or Transfer of all or substantially all the assets of the Company; or
- (c) The entry of a decree of judicial dissolution under the Massachusetts Act.

Section 15.02 Effectiveness of Dissolution.

Dissolution of the Company shall be effective on the day on which the event described in Section 15.01 occurs, but the Company shall not terminate until the winding up of the Company has been completed, the assets of the Company have been distributed as provided in Section 15.03 and the Certificate of Organization shall have been cancelled as provided in Section 15.04.

Section 15.03 Liquidation.

If the Company is dissolved pursuant to Section 15.01, the Company shall be liquidated and its business and affairs wound up in accordance with the Massachusetts Act and the following provisions:

(a) Liquidator. At least one (1) of the Managers, or another Person selected by the Managers, shall act as liquidator to wind up the Company (the "Liquidator"). The Liquidator shall have full power and authority to sell, assign, and encumber any or all of the Company's assets and to wind up and liquidate the affairs of the Company in an orderly and business-like manner.

(b) Accounting. As promptly as possible after dissolution and again after final liquidation, the Liquidator shall cause a proper accounting to be made by a recognized firm of certified public accountants of the Company's assets, liabilities and operations through the last day of the calendar month in which the dissolution occurs or the final liquidation is completed, as applicable.

(c) Distribution of Proceeds. The Liquidator shall liquidate the assets of the Company and distribute the proceeds of such liquidation in the following order of priority, unless otherwise required by mandatory provisions of Applicable Law:

(i) *first*, to the payment of all of the Company's debts and liabilities to its creditors (including Members, if applicable) and the expenses of liquidation (including sales commissions incident to any sales of assets of the Company);

(ii) *second*, to the establishment of and additions to reserves that are determined by the Liquidator to be reasonably necessary for any contingent unforeseen liabilities or obligations of the Company; and

(iii) *third*, to the Members in accordance with the positive balances in their respective Capital Accounts, as determined after taking into account all Capital Account adjustments for the taxable year of the Company during which the liquidation of the Company occurs.

(d) **Discretion of Liquidator**. Notwithstanding the provisions of Section 15.03(c) that require the liquidation of the assets of the Company, but subject to the order of priorities set forth in Section 15.03(c), if upon dissolution of the Company the Liquidator reasonably determines that an immediate sale of part or all of the Company's assets would be impractical or could cause undue loss to the Members, the Liquidator may defer the liquidation of any assets except those necessary to satisfy Company liabilities and reserves, and may, upon unanimous consent of the Members, distribute to the Members, in lieu of cash, as tenants in common and in accordance with the provisions of Section 15.03(c), undivided interests in such Company assets as the Liquidator deems not suitable for liquidation. Any such distribution in kind shall be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any agreements governing the operating of such properties at such time. For purposes of any such distribution, any property to be distributed will be valued at its Fair Market Value as determined by the Liquidator in good faith.

Section 15.04 Cancellation of Certificate of Organization.

Upon completion of the distribution of the assets of the Company as provided in Section 15.03(c) hereof, the Company shall be terminated and the Liquidator shall cause the cancellation of the Certificate of Organization in the Commonwealth of Massachusetts and of all qualifications and registrations of the Company as a foreign limited liability company in jurisdictions other than the Commonwealth of Massachusetts and shall take such other actions as may be necessary to terminate the Company.

Section 15.05 Survival of Rights, Duties and Obligations.

Dissolution, liquidation, winding up or termination of the Company for any reason shall not release any party from any Loss that at the time of such dissolution, liquidation, winding up or termination already had accrued to any other party or thereafter may accrue in respect of any act or omission prior to such dissolution, liquidation, winding up or termination. For the avoidance of doubt, none of the foregoing shall replace, diminish or otherwise adversely affect any Member's right to indemnification pursuant to Section 13.04.

Section 15.06 Recourse for Claims.

Each Member shall look solely to the assets of the Company for all distributions with respect to the Company, such Member's Capital Account, and such Member's share of Net Income, Net Loss and other items of income, gain, loss and deduction, and shall have no recourse therefor (upon dissolution or otherwise) against the Liquidator or any other Member.

**ARTICLE XVI
MISCELLANEOUS**

Section 16.01 Expenses.

Except as otherwise expressly provided herein, all costs and expenses, including fees and disbursements of counsel, financial advisors and accountants, incurred in connection with the preparation and execution of this Operating Agreement, or any amendment or waiver hereof, and the transactions contemplated hereby shall be paid by the party incurring such costs and expenses.

Section 16.02 Further Assurances.

In connection with this Operating Agreement and the transactions contemplated hereby, the Company and each Member hereby agrees, at the request of the Company or any other Member, to execute and deliver such additional documents, instruments, conveyances and assurances and to take such further actions as may be required to carry out the provisions hereof and give effect to the transactions contemplated hereby.

Section 16.03 Confidentiality.

(a) Each Member acknowledges that during the term of this Operating Agreement, it will have access to and become acquainted with trade secrets, proprietary information and confidential information belonging to the Company and its Affiliates that are not generally known to the public, including, but not limited to, information concerning business plans, financial statements and other information provided pursuant to this Operating Agreement, operating practices and methods, expansion plans, strategic plans, marketing plans, contracts, customer lists or other business documents that the Company treats as confidential, in any format whatsoever (including oral, written, electronic or any other form or medium) (collectively, "Confidential Information"). In addition, each Member acknowledges that: (i) the Company has invested, and continues to invest, substantial time, expense and specialized knowledge in developing its Confidential Information; (ii) the Confidential Information provides the Company with a competitive advantage over others in the marketplace; and (iii) the Company would be irreparably harmed if the Confidential Information were disclosed to competitors or made available to the public. Without limiting the applicability of any other agreement to which any Member is subject, no Member shall, directly or indirectly, disclose or use (other than

solely for the purposes of such Member monitoring and analyzing its investment in the Company, including, without limitation, use for personal, commercial or proprietary advantage or profit, any Confidential Information of which such Member is or becomes aware. Each Member in possession of Confidential Information shall take all appropriate steps to safeguard such information and to protect it against disclosure, misuse, espionage, loss and theft.

(b) Nothing contained in Section 16.03(a) shall prevent any Member from disclosing Confidential Information: (i) upon the order of any court or administrative agency; (ii) upon the request or demand of any regulatory agency or authority having jurisdiction over such Member; (iii) to the extent compelled by legal process or required or requested pursuant to subpoena, interrogatories or other discovery requests; (iv) to the extent necessary in connection with the exercise of any remedy hereunder; (v) to the other Member; (vi) to such Member's Representatives who, in the reasonable judgment of such Member, need to know such Confidential Information and agree to be bound by the provisions of this Section 16.03 as if a Member; or (vii) to any potential permitted Transferee in connection with a proposed Transfer of Membership Interests from such Member, as long as such Transferee agrees to be bound by the provisions of this Section 16.03 as if a Member; *provided*, that in the case of clause (i), (ii) or (iii), such Member shall notify the Company and other Member of the proposed disclosure as far in advance of such disclosure as practicable (but in no event make any such disclosure before notifying the Company and other Member) and use reasonable efforts to ensure that any Confidential Information so disclosed is accorded confidential treatment satisfactory to the Company, when and if available.

Except as provided in Section 13.04(g), upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Operating Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 16.07 Entire Agreement.

This Operating Agreement, together with the Certificate of Organization and all related Exhibits and Schedules, constitutes the sole and entire agreement of the parties to this Operating Agreement with respect to the subject matter contained herein and therein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.

Section 16.08 Successors and Assigns.

Subject to the restrictions on Transfers set forth herein, this Operating Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors and permitted assigns. This Operating Agreement may not be assigned by

Section 16.10 Amendment.

No provision of this Operating Agreement may be amended or modified except by an instrument in writing executed by the Company and the Member or Members holding a majority of the Membership Interests. (a) Jurisdiction and Venue. The jurisdiction and venue for any controversy or claim between or among the Parties arising out of or relating to this Operating Agreement (a "Dispute") shall be Boston, Massachusetts.

(b) Mediation. A Dispute shall first be resolved by nonbinding confidential mediation with a single mediator administered by the Judicial Arbitration and Mediation Services ("JAMS").

Mediation may be initiated by written notice by any Member to the other Members, and shall be treated as compromise and settlement negotiations under the standards set forth in the Federal Rules of Evidence and all applicable state counterparts, together with any applicable statutes protecting the confidentiality of mediations or settlement discussions. The Members shall jointly choose the mediator from the list of JAMS Neutrals. If the Members cannot agree on a mediator, at the written request of a Member, JAMS shall designate a mediator.

(c) Arbitration. If a Dispute has not been resolved by mediation within ninety calendar (90) days after the effective date of the written notice beginning the mediation process (or such longer period, if the Members so agree in writing), the mediation shall terminate and the Dispute shall be settled by binding arbitration. The arbitration shall be conducted in accordance with the Commercial Arbitration Rules and the Supplementary Procedures for Consumer Related Disputes (the “AAA Rules”) then in effect, except as modified by this Section 16.13.

(d) The Federal Arbitration Act shall govern the interpretation and enforcement of this Operating Agreement on Arbitration. If any court or arbitrator finds that any term makes this Arbitration agreement unenforceable for any reason, the court or arbitrator shall have the power to modify such term (or if necessary delete such term) to the minimum extent necessary to make this Arbitration agreement enforceable to the fullest extent permitted by law.

(e) The arbitration shall be conducted before a panel of three (3) arbitrators. The arbitrators will be selected by the parties from the AAA’s roster of consumer dispute arbitrators. Each of the Members shall designate one (1) arbitrator. No arbitrator may serve on the panel unless they have agreed in writing to abide by the terms of this Section 16.13.

(f) The arbitrators may render a summary disposition relative to all or some of the issues, provided that the responding Member has had an adequate opportunity to respond to any such application for such disposition. No discovery shall be permitted in connection with the arbitration, except to the extent that it is expressly authorized by the arbitrators upon a showing of substantial need by the Member seeking discovery. Before making any disclosure permitted by the AAA Rules, a Member shall give written notice to the other Members and afford such Member a reasonable opportunity to protect its interests.

(g) Each Member shall bear its own costs in both the mediation and the arbitration; however, the Members shall share the fees and expenses of both the mediator and the arbitrators equally.

(h) The arbitration panel shall have no power to award non-monetary or equitable relief of any sort. It shall also have no power to award damages inconsistent with the indemnification provisions herein or any other terms in this Operating Agreement. Judgment on any arbitration award may be entered in any court having jurisdiction. All aspects of the arbitration shall be treated as Confidential. The Members acknowledge that any demand for arbitration arising from or in connection with this Operating Agreement must be issued within one (1) year from the date the Member became aware or should reasonably have become aware of the facts that give rise to alleged liability and, in any event, no later than two (2) years after the cause of action accrued.

(i) Any Member may bring an action in court to compel arbitration under this Operating Agreement, to enforce an arbitration award or to obtain temporary injunctive relief pending a judgment based on the arbitration award. Otherwise, no Member shall initiate or prosecute any lawsuit or administrative action in any way related to any arbitrable claim.

(j) THE MEMBERS HEREBY WAIVE ANY RIGHTS THEY MAY HAVE TO TRIAL BY JURY IN REGARD TO ARBITRABLE CLAIMS, INCLUDING WITHOUT LIMITATION ANY RIGHT TO TRIAL BY JURY AS TO THE MAKING, EXISTENCE, VALIDITY, OR ENFORCEABILITY OF THE OPERATING AGREEMENT TO ARBITRATE.

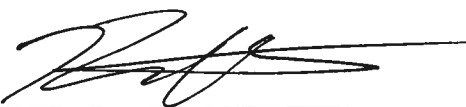

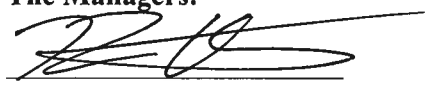

(k) With respect to any mediation or binding arbitration conducted under this Operating Agreement, the Members may choose for themselves whether to appear in person, by phone, video conferencing, or through the submission of documents.

(l) The provisions of this Section 16.13 shall survive the dissolution, liquidation, winding up and termination of the Company.

3. Market Research

3.1. Industry

The legal marijuana industry is new to the United States economy, with the birth of recreational marijuana being introduced in 2012, and sales beginning in 2014 in the states of Colorado and Washington. The success of these industries has been recognized by other states across the United States. Alaska, Arizona, California, the District of Columbia, Illinois, Maine, Massachusetts, Montana,, Michigan, Nevada, Oregon, South Dakota, and Vermont, have become

recreationally legal and that number will only continue to grow overtime. The legalization of marijuana has untold potential for the US economy, with Grand View Research projecting the value of the legal marijuana industry to be worth \$73.6 billion by the year 2027. The legal marijuana industry in the US is still incredibly young and has untold potential as more and more states relax their marijuana laws and head towards full legalization for recreational use. Bottom line is that there are millions, if not billions of dollars to be made in a young market with infinite potential and possibilities. The Massachusetts cannabis industry has made \$1.2 billion dollars in sales from November 1, 2018 to February 16, 2021.. While these numbers may be affected by the Covid-19 pandemic, these sales numbers are projected to have more than doubled in a single year and could represent up to 1.6% of the state's economic revenue.

3.2. Competitors

Rhythm of Life will be competing against other licensed Cultivator Establishments located in the Commonwealth of Massachusetts. Some of our local competitors are: Blackstone Valley Naturals, Cultivate Holdings, Gibby's Gardens, Deep Roots, Xiphias Wellness (Natures Med), Baked Bean, Coyote Cannabis, Bare Naked Greens, Grass Appeal, Ideal Craft Cannabis Inc., Mainley Productions, Neamat, LLC , Regenerative LLC, and Top Shelf Cannaseurs LLC/TSC Delivery LLC.

3.3. Competitive Advantage

Rhythm of Life is created by a team of well-rounded, highly skilled individuals led and directed by Master Grower Kristofer Artz. Kristofer has been working in the Colorado cannabis industry since 2016. He has extensive plant knowledge and possesses the leadership and skills to lead this business to success. Kristofer has a strong knowledge not only on how to grow and nourish the cannabis plant but is also experienced as a leader from his experience as director of cultivation facilities.

Supporting him in the manufacturing department will be Brett Hansen, who holds a Bachelor of Science in Chemistry from Clemson University. With years of experience working in a laboratory environment, Mr. Hansen understands not only the cannabis plant, but the standards of cleanliness and sanitation needed in a lab environment to make extractions as safe and effective as possible that lead to a high yield of product during extraction. Mr. Hansen also plans on using absolutely zero solvents for his extraction methods, creating a pure, clean product for consumption.

3.4. Regulations

Rhythm of Life is a Marijuana Establishment, consistent with the objectives of St. 2016, c. 334, as amended by St. 2017, c. 55 and 935 CMR 500.000. Rhythm of Life is registered to do business in the Commonwealth as a Massachusetts limited liability company. Rhythm of Life will maintain the LLC in good standing with the Massachusetts Secretary of the Commonwealth and the Department of Revenue. Rhythm of Life will apply for all state and local permits and approvals required to renovate and operate the facility. Rhythm of Life will also work cooperatively with various municipal departments to ensure that the proposed facility complies with all state and local codes, rules and regulations with respect to design, renovation, operation, and security.

4. Marketing and Sales

4.1. Growth Strategy

Rhythm of Life has a bright future in expansion. ROL plans to not only expand in creating multiple cultivation facilities locally and throughout the nation but also expanding in manufacturing of our own products, including but not limited to: edibles, concentrates, and pre-rolls. All the products will be tested and follow all regulations to ensure nothing but the safest and highest quality for consumers. We have plans to use our cannabis to create several different extractions to increase the variety of products currently available. We strive to create products that can be consumed by everyone above the age of 21. ROL will create options for consumers with food allergies to enjoy, as well as vegan options for edibles so everyone will have options to consume. ROL will use strategic branding techniques that are strong and consistent to further promote company growth.

4.2. Communication

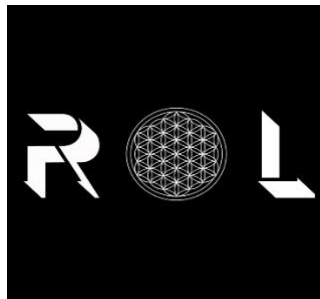

ROL has many plans to engage in marketing, advertising, and branding in a manner that will be safe to the community. Our focus will be to only attract adults over the age of 21 and will not have designs that attract younger consumers. We will market within the confines of Massachusetts law at all times.

4.3. Sales

Rhythm of Life will only sell Cannabis products to licensed Cannabis Establishments in Massachusetts.

4.4. Logo

Rhythm of Life created a logo that uses the Flower of Life to replace the letter “O” in “ROL”. The Flower of Life symbolizes creation and unity. It is used to remind everyone that: we are all built from the same blueprint and all come from the same source. It is especially important to everyone who created Rhythm of Life Cannabis to share the love and light embodied by that symbol.

We will use our logo in labeling, apparel to sell to consumers, placed on stickers, as well as being used as letterhead and included in marketing materials. Our logo is discrete and does not have any display of the cannabis plant itself in order to remain compliant with the Commission’s regulations.

4.5. Projected Profits

Rhythm of Life expects to grow approximately 200 lbs. of flower cannabis a month, which results in 2,400 lbs. a year. The current market wholesale value of a pound of premium flower can be estimated at \$4,000/lb. If all 2,400 lbs. are sold at wholesale value, the gross revenues comes out to \$9.6 million a year.

With the addition of a manufacturing license, these profits will increase significantly. With each monthly harvest of 200 lbs., we will also have approximately 45 lbs. of ‘trim’ cannabis that will be used to make pre-rolls, hash, and oils. We estimate that these products and extracts can produce an extra \$1.7 million in gross revenues per year.

With both the cultivation and manufacturing licenses, Rhythm of Life’s profit projections round up to \$11,314,608 a year before taxes and expenses.

5. Team

5.1. General

We are a family-owned business that consists of two cousins who share a strong passion and understanding of the cannabis plant. We will be directed by Master Grower Kristofer Artz. He has been in the Colorado Cannabis industry since 2016. He has extensive plant knowledge and possesses the leadership and skills to lead this business to success. Mr. Artz has worked professionally with plants starting in 2014 after graduating from the University of Colorado. His first job was working for an organic fertilizing company, Organo Lawn. He learned the inner workings of organic fertilizers and how to make them work at their highest performance. Mr. Artz learned about plants, including how to identify and rectify signs of malnutrition, their diseases, along with insect pressure (insect infestations), and how to control them and how to prevent harm to the harvest. One of the most important lessons that Mr. Artz has learned through his 6+ years of experience is the proper watering techniques and working with over 500+ irrigation systems a year. He knows how to build the most efficient irrigation systems for our cultivation facility, saving water and utilizing resources properly, along with the proper amount of water use with nutrients to keep our plants thriving while prioritizing efficiency. ROL will hire 2-3 local growers as well as 15-20 local trimmers to come in bi-weekly to trim the plants during harvesting phases.

5.2. Founding Members

Kristofer Artz- was born and raised in the mountains of Colorado in a small town called Nederland. He has a bachelor's degree from Colorado University in Communication. He is well versed in legal cannabis and will help lead this company to success with his experience and expertise.

Brett Hansen- BS in Chemistry from Clemson University. He worked closely with professors at the University in research projects during his time there. He is also a decorated US Navy Veteran who served during the years of 2006-2010, serving in Operation Iraqi Freedom and the Humanitarian Relief Effort during the earthquake in Haiti in 2010.

Sara Williamson- BS in Kinesiology from Sam Houston State University in Huntsville, TX. She has worked in Customer Service for 7+ years. She has always had a passion for helping people and is eager to begin growing high quality cannabis to help the quality of life to the people in Massachusetts.

Rhythm of Life Cannabis LLC

Energy Compliance Plan

Rhythm of Life Cannabis LLC (“Rhythm of Life” or “ROL” or the “Company”) will work with our architect and engineer to identify as many energy saving strategies as possible. In addition, ROL will implement, as much as is feasible, the following energy saving strategies:

- Increasing or adding insulation
- Installing “smart” thermostats to identify periods where heating/cooling loads can be reduced
- Installing LED lighting
- Ensuring that the restrooms use low flow toilets and sinks
- Coordinating with the HVAC contractor to identify any energy saving opportunities
- Evaluating the efficacy of switching the kitchen(s) in the space to on-demand hot water heaters
- Installing Photovoltaic panels and solar water heaters
- Increase daylight into work areas
- Minimize night work
- Source raw materials from suppliers that also implement energy saving measures, to the extent such materials are commercially available and the cost is feasible
- ROL intends to install clear polyurethane panels in the top 5 feet of our building below the roof all the way around (walls are 20' tall and no marijuana will be visible). This will allow us to harness energy from the sun reducing our energy usage and costs. The building envelope will still meet all Massachusetts building code requirements.

In the future, any replacements or upgrades of heating/cooling, lighting, plumbing, will include energy efficiency as part of its criteria for evaluation.

ROL will investigate rooftop solar arrays to generate electricity, and rooftop solar hot water to provide both hot water and heat for the space.

ROL acknowledges that if a Provisional License is issued, ROL, at the Architectural Review stage, will submit further information to demonstrate actual consideration of energy reduction opportunities, use of renewable energy and renewable energy generation, including a list of opportunities that were considered and information that demonstrates actual engagement with energy efficiency programs and any financial incentives received. This information will include whether opportunities are being implemented, will be implemented at a later date, or are not planned to be implemented.

ROL will also include a summary of information that was considered to make the decision (i.e. costs, available incentives, and bill savings). ROL will engage in either a MassSave audit or coordinate with our local municipal electric company to conduct an audit, which will be

Rhythm of Life Cannabis LLC

included in the energy compliance plan to be drafted by a Massachusetts licensed architect or engineer.

As part of our written operating procedures we will conduct an annual energy audit and request regular meetings with our municipal utilities to identify energy efficiency programs, incentives, opportunities, and areas for ROL to optimize its energy usage.

ROL is committed to considering how to optimally use energy early in the facility design process and continually assess new opportunities for reduced energy usage and costs.

ROL will use best management practices to reduce energy and water usage, engage in energy consideration, and mitigate other environmental impacts.

ROL will meet all applicable environmental laws and regulations; receive permits and other applicable approvals, including those related to water quality and solid and hazardous waste management, as a requirement of obtaining a final license.

Rhythm of Life Cannabis LLC

DIVERSITY PLAN

Rhythm of Life Cannabis LLC (“Rhythm of Life” “ROL” or the “Company”) is committed to actively promoting diversity, inclusion, and cultural competency, by implementing programmatic and operational procedures and policies that will help to make ROL a leader and champion of diversity, both locally and throughout the broader Massachusetts cannabis industry.

Town Specific Data - According to 2010 Census information, the Town of Uxbridge, has approximately 13,457 people. 50.2% of the population is Female and 49.8% are Male. The median resident age is 41.3. The population is 94.8% White, 1.9% Hispanic, 1% Asian alone, .8% Black alone and 1.3% two or more races.

ROL’s commitment to diversity is reflected in the following Goals, which shall be pursued through the Programs outlined herein, and the progress of which shall be judged by the Measurements/ Metrics as stated below, and adjusted as needed if necessary:

Goals:

- Achieve at least 33% of our staffing needs from women
- Achieve at least 15% of our staffing needs from people of color, specifically Latinx
- Achieve at least 25% of our staffing needs from Veterans
- Achieve at least 10% of our staffing needs from persons with disabilities
- Achieve at least 17% of our staffing needs from LGBTQ+ people

Programs to Achieve Diversity Goals:

- Provide on-site interactive workshops, once a year at ROL’s Establishment at a date and time determined by ROL management. These workshops would cover such topics as the prevention of sexual harassment, racial and cultural diversity, and methods of fostering an inclusive work atmosphere.
- Increase diversity of the make-up of our staff by actively seeking out individuals from the aforementioned groups, both through in-house hiring initiatives and participation in online diversity job boards and in-person job fairs at least once a year and as frequently as needed as staffing needs dictate. Rhythm of Life plans to publish advertisements on hiring and participation in job fairs in The Worcester Telegram and Gazette.
- Establish clearly written policies regarding diversity and a zero-tolerance policy for discrimination and/or sexual harassment, which shall be incorporated into our employee handbook.

Measurements:

- *Qualitative Metrics:* Perform an annual evaluation of inclusion/diversity initiatives to ensure diversity is one of ROL’s strengths and remains a primary focus. This may include anonymous employee surveys or other private submission opportunities so that we can attempt to avoid any sort of reluctance for our employees to inform management how we are truly doing in pursuit of our diversity plan goals. The results of the surveys shall be compared to prior years’ results to allow ROL to adjust our programs in the event that our goals are not being achieved.
- *Quantitative Metrics:* We will strive to achieve at least the percentages listed above for all five groups.

Rhythm of Life Cannabis LLC

- The personnel files shall be evaluated on a semi-annual basis to determine how many employees are women, people of color, specifically Latinx, Veterans, persons with disabilities and LGBTQ+ people.

Are our goals objectively reasonable?

ROL's hiring goals as listed above are objectively reasonable because of the facts (the demographics listed in the paragraph above) and our ability to advertise job positions quarterly in several of the following publications: *Professional Diversity Network*, *Diversity Jobs*, *Beyond.com*.

ROL acknowledges that the progress or success of our plan will be documented upon renewal (one year from provisional licensure, and each year thereafter).

ROL will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of Marijuana Establishments.

ROL acknowledges that any actions taken, or programs instituted will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.
