Re: Request for Records of Costs Related to The Green Lady Dispensary II's Newton Operations

Dear Mayor Fuller:

Please be advised that as a requirement of The Green Lady Dispensary II, Inc. ("The Green Lady Dispensary II") license renewal application for its Marijuana Establishment in the City of Newton ("Newton" or "City"), the Cannabis Control Commission (the "Commission") is requiring The Green Lady Dispensary II to submit (1) documentation that it requested from its Host Community the records of any cost to the City, whether anticipated or actual, resulting from the licensee's operation within its borders, and (2) any response received from the Host Community in connection with such request, and if no response is received, an attestation to that effect.

Accordingly, please accept this correspondence as The Green Lady Dispensary II's formal request to the City to produce the records of any cost, whether anticipated or actual, resulting from The Green Lady Dispensary II's operation within the City. Please note that a copy of this correspondence along with any response received from the City, or barring receipt of any response, an attestation to that effect, shall be submitted by The Green Lady Dispensary II to the Commission. As the City is aware, any cost to the City imposed by the operation of a ME shall be documented and considered a public record as defined by M.G.L. c. 4, § 7, cl. 26.

Thank you for your attention to this matter, and do not hesitate to contact me with any questions.
Sincerely,

Plan to Positively Impact Areas of Disproportionate Impact

Overview

The Green Lady Dispensary II, Inc. (“TGLD”) is dedicated to serving and supporting the areas around it, particularly those Massachusetts residents who have past drug convictions. Marijuana businesses have an obligation to the health and well-being of their customers as well as the communities that have had historically high rates of arrest, conviction, and incarceration related to marijuana crimes. It is TGLD's intention to be a contributing, positive force to those Massachusetts residents who have past drug convictions and to assist in changing the perception of those associated with marijuana use.

Goals

In order for TGLD to positively impact Massachusetts residents who have past drug convictions, TGLD has established the following goals:

1. TGLD will maintain a staff comprised of 10% of individuals that have a drug-related CORI but are otherwise legally employable in a cannabis-related enterprise; and
2. TGLD will have a staff comprised of 10% of individuals from designated census tracts within the City of Boston.

Program

1. TGLD intends to make an annual \$2,500 financial donation to Greater Boston Legal Services for the purpose of providing legal services for record expungement to Massachusetts residents.
2. TGLD will post quarterly in newspapers of general circulation in Boston such as the Boston Herald. The notices will state that the TGLD is specifically looking to hire Massachusetts residents who have past drug convictions and are 21 years or older.

Plan Administration

The CEO, in conjunction with other members of the executive management team, will administer the Plan to Positively Impact Areas of Disproportionate Impact (the “Plan”). The CEO will be responsible for recording measurable outcomes and will ensure that TGLD continues to meet TGLD’s commitments made in the Plan. TGLD will complete regular staffing audits to verify compliance with its staffing commitments pursuant to the Plan, and if found not in compliance, TGLD will immediately amend its hiring practices and strategies.

The CFO/COO will administer TGLD’s donation to Greater Boston Legal Services to ensure that TGLD is providing financial support for the Massachusetts residents seeking to have their record expunged.

Progress towards meeting these goals will be assessed annually upon Provisional License renewal. TGLD will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of Marijuana Establishments. Any actions taken, or programs instituted, by the applicant will not violate the Commission’s regulations with respect to limitations on ownership or control or other applicable state laws.

OF
THE GREEN LADY DISPENSARY II, INC.

BYLAWS OF THE GREEN LADY DISPENSARY II, INC.

ARTICLE I OFFICES

Section 1.01 Principal Office. The principal office of The Green Lady Dispensary II, Inc. (the “**Corporation**”) shall be located at such place within the Commonwealth of Massachusetts as shall be fixed from time to time by the board of Directors, and if no place is fixed by the board of Directors, such place as shall be fixed by the President.

ARTICLE II SHAREHOLDERS

Section 2.01 Place of Meeting. Meetings of the shareholders shall be held at any place within or without the Commonwealth of Massachusetts that may be designated by the board of Directors. Absent such designation, meetings shall be held at the principal office. The board of Directors may, in its discretion, determine that the meeting may be held solely by means of remote electronic communication. If authorized by the board of Directors, and subject to any guidelines and procedures adopted by the board of Directors, shareholders not physically present at a meeting of shareholders, may participate in a meeting of shareholders by means of electronic transmission by and to the Corporation or electronic video screen communication; and, may be considered present in person and may vote at a meeting of shareholders, whether held at a designated place or held solely by means of electronic transmission by and to the Corporation or electronic video screen communication, subject to the conditions imposed by applicable law.

Section 2.02 Annual Meeting. The annual meeting of shareholders of this Corporation shall be held on such date and at such time as may be designated from time to time by the board of Directors. At the annual meeting, Directors shall be elected, and any other business may be transacted that is within the power of the shareholders and allowed by law, provided, however, that, unless the notice of meeting, or the waiver of notice of such meeting, sets forth the general nature of any proposal to (i) approve or ratify a contract or transaction with a Director or with a corporation, firm, or association in which a Director has an interest; (ii) amend the Articles of Organization of this Corporation (the “**Articles of Organization**”); (iii) approve a reorganization or merger involving this Corporation; (iv) elect to wind up and dissolve this Corporation; or (v) effect a plan of distribution upon liquidation otherwise than in accordance with the liquidation preferences of outstanding shares with liquidation preferences, no such proposal may be approved at an annual meeting. Notwithstanding the foregoing, the failure to hold an annual meeting pursuant to these Bylaws shall not affect the validity of any corporate action.

Section 2.03 Special Shareholders’ Meetings. Special meetings of the shareholders, for any purpose whatsoever, may be called at any time by the President, the board of Directors, or by shareholders entitled to cast not less than twenty percent (20%) of the corporation’s Common Stock. Any person entitled to call a special meeting of shareholders (other than the board of Directors) may make a written request to the chair of the board (if any), President, vice President, or secretary, specifying the general purpose of such meeting and the date, time and place of the meeting, which date shall be not less than thirty-five (35) days nor more than sixty (60) days after the receipt by such officer of the request. Within twenty (20) days after receipt of the request, the

officer receiving such request forthwith shall cause notice to be given to the shareholders entitled to vote at such meeting, stating that a meeting will be held on the date and at the time and place requested by the person or persons requesting a meeting and stating the general purpose of the meeting. If such notice is not given twenty (20) days after receipt by the officer of the request, the person or persons requesting the meeting may give such notice. No business shall be transacted at a special meeting unless its general nature shall have been specified in the notice of such meeting, provided, however, that any business may be validly transacted if the requirements for such validity, as provided in Section 2.12 of these Bylaws, are met.

Section 2.04 Shareholder Nominations and Proposals. For business (including, but not limited to Director nominations) to be properly brought before an annual or special meeting by a shareholder, the shareholder or shareholders of record intending to propose the business (the “**proposing shareholder**”) must have given written notice of the proposing shareholder’s nomination or proposal, either by personal delivery or by the United States mail to the secretary of the Corporation. In the case of an annual meeting, the proposing shareholder must give such notice to the secretary of the Corporation no earlier than one hundred-twenty (120) calendar days and no later than ninety (90) calendar days before the date such annual meeting is to be held. If the current year’s meeting is called for a date that is not within thirty (30) days of the anniversary of the previous year’s annual meeting, notice must be received not later than ten (10) calendar days following the day on which public announcement of the date of the annual meeting is first made. In no event will an adjournment or postponement of an annual meeting of shareholders begin a new time period for giving a proposing shareholder’s notice as provided above.

For business to be properly brought before a special meeting of shareholders, the notice of meeting sent by or at the direction of the person calling the meeting must set forth the nature of the business to be considered. A shareholder or shareholders who have made a written request for a special meeting pursuant to Section 2.03 of these Bylaws may provide the information required for notice of a shareholder proposal under this Section simultaneously with the written request for the meeting submitted to the secretary or within ten (10) calendar days after delivery of the written request for the meeting to the secretary.

A proposing shareholder’s notice shall include as to each matter the proposing shareholder proposes to bring before either an annual or special meeting:

- (a) The name(s) and address(es) of the proposing shareholder(s).
- (b) The classes and number of shares of capital stock of the Corporation held by the proposing shareholder.
- (c) If the notice regards the nomination of a candidate for election as Director:
 - (i) The name, age, business, and residence address of the candidate;
 - (ii) The principal occupation or employment of the candidate; and
 - (iii) The class and number of shares of the Corporation beneficially owned by the candidate.

(d) If the notice is in regard to a proposal other than a nomination of a candidate for election as Director, a brief description of the business desired to be brought before the meeting and the material interest of the proposing shareholder of such proposal.

Section 2.05 Notice of Shareholders' Meeting. Except as otherwise provided by law, written notice stating the place, day, and hour of the meeting, and, in case of a special meeting, the nature of the business to be transacted at the meeting, shall be given at least ten (10) days (or, if sent by third class mail, thirty (30) days) and not more than sixty (60) days before the meeting. In the case of an annual meeting, notice will include matters the Corporation's board of Directors intends, at the time of the giving of the first of such notices, to present to the shareholders for action, and in the case of a meeting at which Directors are to be elected, the names of nominees that the board of Directors, at the time of the giving of the first of such notices, intends to present to the shareholders for election. It shall not be necessary to state in a notice of any meeting of shareholders as a purpose thereof any matter relating to the procedural aspects of the conduct of such meeting.

Notice shall be given personally, by electronic transmission, or by mail, by or at the direction of the secretary, or the officer or person calling the meeting, to each shareholder entitled to vote at the meeting. If remote participation in the meeting has been authorized by the board of Directors, the notice shall also provide a description of the means of any electronic transmission by and to the Corporation or electronic video screen communication by which shareholders may be considered present and may vote and otherwise participate at the meeting.

If mailed, the notice shall be deemed to be given when deposited in the United States mail addressed to the shareholder at the shareholder's address as it appears on the share transfer records of the Corporation, with postage thereon prepaid. Notice may be given to the shareholder by electronic transmission with the consent of the shareholder. Notice by electronic transmission is deemed given when the notice satisfies any of the following requirements:

(a) Transmitted to a facsimile number provided by the shareholder for the purpose of receiving notice.

(b) Transmitted to an electronic mail address provided by the shareholder for the purpose of receiving notice.

(c) Posted on an electronic network, with a separate notice sent to the shareholder at the address provided by the shareholder for the purpose of alerting the shareholder of a posting.

(d) Communicated to the shareholder by any other form of electronic transmission consented to by the shareholder.

Notice shall not be given by electronic transmission to a shareholder after either (i) the Corporation is unable to deliver two consecutive notices to such shareholder by such means or (ii) the inability to deliver such notices to such shareholder becomes known to any person responsible for giving such notices. Any person entitled to notice of a meeting may file a written waiver of notice with the secretary either before or after the time of the meeting. The participation or attendance at a meeting of a person entitled to notice constitutes waiver of notice, except where the person objects,

at the beginning of the meeting, to the lawfulness of the convening of the meeting and except that attendance is not a waiver of any right to object to conducting business at a meeting that is required to be included in the notice of the meeting, but not so included.

Section 2.06 Persons Entitled to Vote. Except as otherwise provided by law, and except when a record date has been fixed, only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which notice is given shall be entitled to notice of a shareholders' meeting, or to vote at such meeting. In the event notice is waived, only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which the meeting is held shall be entitled to vote. If no record date has been fixed, the record date shall be:

(a) For determining shareholders entitled to give consent to action by the Corporation without a meeting, the day on which the first written consent is given.

(b) For determining shareholders for any other purpose, the later of (i) the day on which the board of Directors adopts the resolution relating thereto, or (ii) the sixtieth (60th) day prior to the date of such other action.

Section 2.07 Fixing the Record Date. The board of Directors may fix a time in the future as a record date to determine the shareholders entitled to notice of, and to vote at, any meeting of shareholders or give written consent to action by the Corporation without a meeting or entitled to receive any dividend or distribution, or to any change, conversion, or exchange of shares.

A record date fixed under this Section may not be more than sixty (60) days or less than ten (10) days before the meeting or more than sixty (60) days before any other action requiring a determination of shareholders. When a record date is so fixed, only shareholders of record at the close of business on that date are entitled to notice of and to vote at the meeting or to receive the dividend, distribution, or allotment of rights, or to exercise the rights, as the case may be, notwithstanding any transfer of any shares on the books of the Corporation after the record date. In the event any meeting of shareholders is adjourned for more than forty-five (45) days from the date set for the original meeting, the board shall fix a new record date for purposes of giving notice of, and determining the holders of shares entitled to vote at, such adjourned meeting.

Section 2.08 Quorum of and Action by Shareholders. The presence at a meeting in person or by proxy of the persons holding a majority of Common Stock of the Corporation constitutes a quorum for the transaction of business. The shareholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment notwithstanding the withdrawal of such number of shareholders so as to leave less than a quorum, if any action taken, other than adjournment, is approved by at least a majority of the shares required to constitute a quorum, except as otherwise provided by law. Except as otherwise provided by law, herein or in the Articles of Organization, the affirmative vote of a majority of the shares represented at a meeting at which a quorum is present and that are entitled to vote on the matter being considered, shall be the act of the shareholders.

Section 2.09 Adjourned Meetings and Notice Thereof. Any shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by a vote of the majority of the shares present, in person or proxy. When a meeting is adjourned for forty-five (45) days or more, or if a new record date for the adjourned meeting is fixed by the board of Directors, notice of the adjourned meeting shall be given to such shareholders of record entitled to vote at the adjourned meeting, as in the case of any original meeting. When a meeting is adjourned for less than forty-five (45) days, and a new record date is not fixed by the board of Directors, it shall not be necessary to give any notice of the time and place of the adjourned meeting, means of electronic transmission or electronic video screen communication, if any, or of the business to be transacted thereat other than by announcement at the meeting at which the adjournment is taken, provided only business that might have been transacted at the original meeting may be conducted at such adjourned meeting.

Section 2.10 Conduct of Meetings. The board of Directors may adopt by resolution rules and regulations for the conduct of meetings of the shareholders as it shall deem appropriate. At every meeting of the shareholders, the President, or in his or her absence or inability to act, a Director or officer designated by the board of Directors shall serve as the presiding officer. The secretary or, in his or her absence or inability to act, the person whom the presiding officer of the meeting shall appoint secretary of the meeting, shall act as secretary of the meeting and keep the minutes thereof.

The presiding officer shall determine the order of business and, in the absence of a rule adopted by the board of Directors, shall establish rules for the conduct of the meeting. The presiding officer shall announce the close of the polls for each matter voted upon at the meeting, after which no ballots, proxies, votes, changes, or revocations will be accepted. Polls for all matters before the meeting will be deemed to be closed upon final adjournment of the meeting.

Section 2.11 Voting of Shares. Unless otherwise provided by law, the Shareholders Agreement, or in the Articles of Organization, each shareholder entitled to vote is entitled to one (1) vote for each share of Common Stock. Any holder of shares entitled to vote on any matter may vote part of such shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal. If a shareholder fails to specify the number of shares such shareholder is voting affirmatively, it will be conclusively presumed that the shareholder's approving vote is with respect to all shares such shareholder is entitled to vote.

Section 2.12 Consent of Absentees. The transactions of any meeting of shareholders, however called or noticed, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. The waiver, notice, or consent need not specify the business transacted or purpose of the meeting, except as required by G.L. c. 156D. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 2.13 Voting by Proxy or Nominee. Every person entitled to vote or execute consents may do so either in person or by one or more agents authorized by a written proxy executed by the person or such person's duly authorized agent and filed with the secretary of the

Corporation. A proxy is not valid after the expiration of eleven (11) months from the date of its execution, unless the person executing it specifies therein the length of time for which it is to continue in force, which may be an unlimited amount of time. Except as set forth below, any proxy duly executed is not revoked, and continues in full force and effect, until an instrument revoking it, or a duly executed proxy bearing a later date, executed by the person executing the prior proxy and presented to the meeting is filed with the secretary of the Corporation, or unless the person giving the proxy attends the meeting and votes in person, or unless written notice of the death or incapacity of the person executing the proxy is received by the Corporation before the vote by such proxy is counted. A proxy that states on its face that it is irrevocable will be irrevocable for the period of time specified in the proxy, if held by a person (or nominee of a person) specified by law to have sufficient interest to make such proxy irrevocable and only so long as he shall have such interest, subject to G.L. c. 156D, § 7.22.

Section 2.14 Action by Shareholders Without a Meeting. Any action, that, under any provision of G.L. c. 156D may be taken at a meeting of the shareholders, may be taken without a meeting and without prior notice if a consent in writing, setting forth the action so taken, shall be signed by the holders of the outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares are entitled to vote thereon were present and voted; provided, however, that unless the consents of all shareholders entitled to vote have been solicited in writing, notice shall be given (in the same manner as notice of meetings is to be given), and within the time limits prescribed by law, of such action to all shareholders entitled to vote who did not consent in writing to such action; and provided, further, that Directors may be elected by written consent only if such consent is unanimously given by all shareholders entitled to vote, except that action taken by shareholders to fill one or more vacancies on the board other than a vacancy created by the removal of a Director, may be taken by written consent of a majority of the outstanding shares entitled to elect such Director.

ARTICLE III DIRECTORS

Section 3.01 Number of Directors; Identity of Initial Directors. The authorized number of Directors of the Corporation shall be four (4) until changed by an amendment to these Bylaws duly adopted in accordance with these Bylaws by the vote or written consent of shareholders holding a majority of the outstanding shares of Common Stock of the Corporation. The initial Directors shall be Nicole Campbell, Rupert Campbell, Corbet Campbell, and Cleantha Campbell.

Section 3.02 The Directors shall be elected annually at the annual shareholders meeting by a vote of shareholders holding a majority of the outstanding shares of Common Stock of the Corporation.

Section 3.03 Powers. All corporate power shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed under the direction of, the board of Directors, except such powers expressly conferred upon or reserved to the shareholders, and subject to any limitations set forth by law, by the Articles of Organization or by these Bylaws.

Without limiting the generality of the foregoing, and subject to the same limitations, it is hereby expressly declared that the Directors shall have the power and, to the extent required by law the duty to:

(a) Appoint and remove at pleasure of the board, all officers, managers, management companies, agents, and employees of the Corporation, prescribe their duties in addition to those prescribed in these Bylaws, supervise them, fix their compensation, and require from them security for faithful service. Such compensation may be increased or diminished at the pleasure of the Directors;

(b) Conduct, manage, and control the affairs and business of the Corporation; make rules and regulations not inconsistent with the Articles of Organization or applicable law or these Bylaws; make all lawful orders on behalf of the Corporation; and prescribe in the manner of executing the same;

(c) Incur indebtedness and borrow money on behalf of the Corporation and designate from time to time the person or persons who may sign or endorse checks, drafts, or other orders of payment of money, notes, or other evidences of indebtedness, issued in the name of, or payable to, the Corporation, and prescribe the manner of collecting or depositing funds of the Corporation, and the manner of drawing checks thereon;

(d) Appoint by resolution of a majority of the authorized number of Directors an executive committee and other committees and delegate to the executive committee any of the powers and authorities of the board in the management of the business and affairs of the Corporation, except the powers to (i) fill vacancies on the board or any committee; (ii) adopt, amend, or repeal these Bylaws; (iii) amend or repeal resolutions of the board that are expressly nonamendable or repealable; (iv) declare a dividend or distribution to shareholders or authorize the repurchase of the Corporation's shares except at a rate, in a periodic amount or within a range, determined by the board; or (v) establish other committees of the board. The executive committee shall be composed of two (2) or more Directors. The provisions of these Bylaws regarding notice and meetings of Directors shall apply to all committees;

(e) Authorize the issuance of stock of the Corporation from time to time, upon such terms as may be lawful; and

(f) Prepare an annual report to be sent to the shareholders after the close of the fiscal or calendar year of this Corporation, which report shall comply with the requirements of law. To the extent permitted by law, the requirements that an annual report be sent to shareholders and the time limits for sending such reports are hereby waived, the Directors, nevertheless, having the authority to cause such report to be sent to shareholders.

Section 3.04 Term of Office. Directors shall hold office until the next annual meeting of shareholders or otherwise until their successors are elected.

Section 3.05 Vacancies and Newly Created Directorships. A vacancy on the board of Directors exists in case of the occurrence of any of the following events:

- (a) The death, resignation, or removal of any Director.
- (b) The removal or declaration of vacancy by the board of Directors of a Director who has been declared of unsound mind by a court order or convicted of a felony.
- (c) The Director is an individual who is divested from ownership of the marijuana business pursuant to applicable state or local laws or regulations, or the Director is otherwise prohibited from holding such position with the Corporation by virtue of applicable state or local laws or regulations.
- (d) The authorized number of Directors is increased.
- (e) At any annual, regular, or special meeting of shareholders at which any Director is elected, the shareholders fail to elect the full authorized number of Directors to be voted for at that meeting.

All vacancies (other than vacancies created by removal of a Director) may be filled by the approval of the board of Directors or, if there is less than a quorum of Directors, by (i) a vote of the majority of the remaining Directors at a meeting held pursuant to notice or waivers of notice complying with G.L. c. 156D, (ii) unanimous written consent or (iii) a sole remaining Director. Each Director so elected shall hold office until his successor is elected at an annual, regular, or special meeting of the shareholders. The shareholders may, by vote or written consent, elect a Director pursuant to the voting requirements described in Section 3.02 at any time to fill any vacancy not filled by the Directors. If the board of Directors accepts the resignation of a Director tendered to take effect at a future time, the board or the shareholders may elect a successor to take office when the resignation becomes effective. A reduction of the authorized number of Directors does not remove any Director prior to the expiration of that Director's term of office.

Section 3.06 Removal. The board of Directors may declare vacant the office of a Director who has been declared of unsound mind by an order of the court or convicted of a felony, or who has been barred from ownership of a marijuana business by a final decision of an applicable state or local licensing authority or as determined by the Corporation's legal counsel, or otherwise in a manner provided by law.

Any or all of the Directors may be removed from office at any duly called meeting without cause by a majority vote of the shareholders entitled to elect such Director. If one or more Directors are so removed at a meeting of shareholders, the shareholders may elect new Directors at the same meeting.

Section 3.07 Resignation. A Director may resign effective on giving written notice to the President, unless the notice specifies a later effective date.

Section 3.08 Meetings of Directors.

(a) Regular Meetings. A regular annual meeting of the board shall be held immediately after, and at the same place as, the annual meeting of shareholders for the purpose of electing officers and transacting any other business. The board may provide for other regular meetings from time to time by resolution.

(b) Special Meetings. Special meetings of the board for any purpose or purposes may be called at any time by at least two Directors. Notice of the time and place of special meetings shall be delivered by mail, electronic delivery, or orally. If notice is mailed, it shall be deposited in the United States mail at least four days before the time of the meeting. In the case the notice is delivered either orally or by electronic delivery shall be delivered at least forty-eight (48) hours before the time of the meeting. Any oral notice given personally or by telephone may be communicated either to the Director or to a person at the office of the Director whom the person giving notice has reason to believe will promptly communicate it to the Director. The notice need not specify the purpose of the meeting nor the place if it is to be held at the principal office of the Corporation.

ENERGY COMPLIANCE PLAN

The Green Lady Dispensary II, Inc. (“TGLD II”) is currently exploring potential energy-use reduction opportunities such as natural lighting and energy efficiency measures and a plan for implementation of such opportunities. TGLD II will update this plan as necessary and will further provide relevant documentation to the Commission during Architectural Review and during inspections processes.

Potential Energy-Use Reduction Opportunities

TGLD II is considering the following potential opportunities for energy-use reduction and plans for implementation of such opportunities.

1. Natural Lighting;
2. Energy efficient exterior wall construction, which may include batt insulation, continuous rigid insulation, and air and vapor barriers; and
3. Plumbing fixtures that are Water Sense rated for reduced water consumption.

As the need and opportunity for facility upgrades and maintenance arise in the future and the company becomes cash flow positive, TGLD II will continue to evaluate energy-use reduction opportunities.

Renewable Energy Generation Opportunities

TGLD II is in the process of considering opportunities for renewable energy generation (including wind and solar options). TGLD II’s preliminary examination of renewable energy generation has determined that the upfront costs of such options are too expensive at this time, although TGLD II may reconsider at a future date. Our team is dedicated to consistently strive for sustainability and emissions reduction.

Energy Efficiency and Conservation

TGLD II has identified potential energy use reduction opportunities such as

1. Natural lighting and energy efficiency measures and a plan for implementation of such opportunities. Our facility has been fully designed with features including spray foam insulation to achieve R-21 at the walls and R-45 at the roof. Air sealing strategies have been detailed throughout.
2. Our team is dedicated to consistently striving for sustainability and emissions reduction. TGLD II has considered opportunities for renewable energy generation. The windows and storefront are being replaced with new windows that will have a low U value.
3. TGLD II is pursuing the following strategies to reduce electric demand. Energy efficient LED lighting will be provided throughout the facility. LED is a highly energy-efficient lighting technology, use at least 75% less energy, and last up to 25 times longer, than incandescent lighting.

As the need and opportunity for facility upgrades and maintenance arise in the future and the company becomes cash flow positive, TGLD II will continue to evaluate strategies to reduce electric demand.

Opportunities for Engagement with Energy Efficiency Programs

TGLD II also plans on engaging with energy efficiency programs offered by Mass Save.
