### **PLAN TO REMAIN COMPLIANT WITH LOCAL ZONING**

Just Healthy, LLC (“Just Healthy”) will remain compliant at all times with the local zoning requirements set forth in the City of Northampton’s Zoning Ordinance. In accordance with Section 350 – 5.2 and Attachment 9, Table of Use, Just Healthy’s proposed Marijuana Retailer is located in the Central Business (CB) zoning district designated for retail marijuana sales and supply and medical marijuana. Both uses, retail sales and supply of marijuana and medical marijuana are allowed by right in the CB zoning district where the premises at 58 Pleasant Street are located.

Just Healthy has already attended several meetings with various municipal officials and boards to discuss Just Healthy’s plans for a proposed Marijuana Retailer location and has executed a Host Community Agreement with the City of Northampton. Just Healthy will continue to work cooperatively with various municipal departments, boards and officials to ensure that Just Healthy’s Marijuana Retailer location remains compliant with all local laws, regulations, rules and codes with respect to design, construction, operation and security.

As Just Healthy, LLC is not yet operational for adult use at this location, the municipality has not borne any costs reasonably related to the operation of the adult-use establishment.

The foregoing purpose shall be in addition to and not in limitation of the general powers of limited liability companies under the LLC Act.

2.4 Principal Office; Resident Agent. The address of the principal office of the Company in the Commonwealth of Massachusetts and the name and address of the resident agent of the Company in the Commonwealth of Massachusetts are as set forth in the Certificate of Organization. The Company may have such other offices, either within or without the Commonwealth of Massachusetts, as the business of the Company may require from time to time.

2.5 Certificate of Organization. The Certificate of Organization has been executed by an authorized person and filed for record with the Secretary. The Managing Member shall take all necessary action to maintain the Company in good standing as a limited liability company under the LLC Act, including (without limitation) the filing of any certificates of correction or amendment and such other applications and certificates as may be necessary to protect the limited liability of the Members and to cause the Company to comply with the applicable laws of any jurisdiction in which the Company owns property or transacts business.

2.6 Term. The Company shall have a perpetual existence beginning on the date that the Certificate of Organization is filed with and accepted by Secretary, except that the Company may be dissolved in accordance with the terms of Article X hereof.

2.7 Intent. It is the intent of the Members that the Company shall always be operated in a manner consistent with its treatment as a “partnership” under the Code. No election shall be made by the Company, the Managing Member, or any Member for the Company to be excluded from the application of the provisions of Subchapter K of the Code, or from any similar provisions of state and foreign tax laws which relate to the taxation of partnerships. It also is the intent of the Members that the Company not be operated or treated as a “partnership” for purposes of Section 303 of the Federal Bankruptcy Code.

No Member shall take any action inconsistent with the express intent of the Members as set forth in this Section 2.7.

2.8 No State Law Partnership. The Members intend that the Company shall not be a partnership (including a limited partnership) or joint venture, and that no Member shall be a partner or joint venturer of any other Member, for any purposes other than federal and, if applicable, state tax purposes, and this Agreement shall not be construed to the contrary.

2.9 Title to Company Property. The Company shall hold all of its real and personal property in the name of the Company and not in the name of any Member.

2.10 Liability of the Members. No Member shall be liable under a judgment, decree or order of a court, or in any other manner for the debts or any other obligations or liabilities of the Company solely by reason of being a Member of the Company.

2.11 Fictitious Names. The business of the Company may be conducted under such name or names as the Managing Member shall determine from time to time. The Managing Member is authorized to cause any such fictitious names to be registered or filed with such governmental officers as is necessary or in the best interests of the Company.

### ARTICLE III MEMBERS; CAPITAL

3.1 Members; Capital Contributions. The name, address, initial Capital Contribution, and number of Units of each Member are as set forth on Schedule 1. Schedule 1 shall be amended from time to time to reflect any changes of address, the admission of any Additional Members or Substitute Members, changes to the number of Units of any Member, or any other changes to the information set forth thereon.

3.2 Additional Capital Contributions. No Member shall be required to make any further Capital Contributions or to lend any funds to the Company. Furthermore, except as specifically provided in this Agreement, no Member shall have the right to make any further Capital Contribution or to lend any funds to the Company.

3.3 No Interest on Capital Contributions. No Member shall be paid interest on his Capital Contribution or Capital Account.

3.4 Return of Capital Contributions; Form. Except as specifically provided in this Agreement, no Member shall have the right to receive the return of any Capital Contribution. Except as specifically provided in this Agreement, if a Member is entitled to receive a return of a Capital Contribution, the Company may distribute cash, notes, property, or a combination thereof to such Member in return of the Capital Contribution.

3.5 Capital Accounts. A separate Capital Account shall be maintained for each Member. Each Member's Capital Account shall be determined, maintained and adjusted in accordance with the Code and the Regulations, including the capital account maintenance rules in Regulations Section 1.704-(1)(b)(2)(iv).

3.6 Funding of Additional Cash Requirements. If, at any time or from time to time, the Managing Member determines that the Company requires additional capital, then the Managing Member may obtain the required funds through any one or more of the following means:

(a) Cause the Company to borrow the required funds from any third-party lender, on such terms and conditions as the Managing Member may determine;

(b) Cause the Company to borrow the required funds from one or more Members (or any of their respective Affiliates) as a loan (each a "Cash Shortfall Loan"). Cash Shortfall Loans shall: (i) be evidenced by a written promissory note containing customary terms and conditions, (ii) bear interest at a fixed annual rate equal to the Adjusted Prime Rate in effect on the date such Cash Shortfall Loan is made, and (iii) to the extent of current payments of principal and interest, be an expenditure of the Company in computing Available Cash; and/or

(c) Cause the Company to obtain the required funds through the issuance of Additional Member Units to Additional Members as provided in Section 3.8 hereof.

3.7 Capital Account Adjustments upon Revaluation of Company Property. Unless otherwise determined by the Managing Member, the Members' Capital Accounts shall be adjusted in accordance with Regulation Section 1.704-1(b)(2)(iv)(f) to reflect a revaluation of Company property (including, but not limited to, intangible property such as goodwill) in connection with (i) the admission of an Additional Member, (ii) a distribution in liquidation of a Member's Unit(s) in the Company, (iii) the dissolution of the Company, or (iv) such other matters as the Managing Member deems appropriate. Following such an adjustment of Capital Accounts, the Members' Capital Accounts shall be adjusted in accordance with Regulation Section 1.704-1(b)(2)(iv)(g) to reflect their distributive shares of depreciation, depletion, amortization, and gain or loss, as computed for book purposes, and the Members' distributive shares of depreciation, depletion, amortization, and gain or loss, as computed for tax purposes, shall be determined in the same manner as under Code Section 704(c) and Regulation Section 1.704-1(b)(4)(i).

### 3.8 Additional Members.

(a) Additional Members may be admitted to the Company upon such terms of admission (including, without limitation, the rights and obligations of the Additional Members) as the Managing Member may determine and upon execution and delivery by the Additional Member of a counterpart signature page to this Agreement and execution and delivery of such other agreements, documents, instruments, certificates, and other items as the Managing Member may require. Further, Additional Members may be admitted to the Company only if the Additional Member is qualified under the Medical Marijuana Code to have an ownership or economic interest in a marijuana business as evidenced by the issuance of an occupational license or other final written determination by the Licensing Authority.

(b) The admission of Additional Members to the Company shall be structured as an issuance of new Units or other ownership interests in the Company ("Additional Member Units"). Additional Member Units may be issued in exchange for cash, services performed or to be performed for or on behalf of the Company or any of its Affiliates, in-kind contributions of property to the Company, or such other consideration as may be deemed advisable by the Managing Member. Additional Member Units may have rights and obligations on parity with, superior to or subordinate to the rights and obligations of the Units. Accordingly, the admission of Additional Members and the related issuance of Additional Member Units may, among other things, decrease each existing Member's ownership interest in the Company and/or decrease the distribution rights of the Members. For the avoidance of doubt, no existing Member shall have any preemptive or similar right to purchase or acquire any Additional Member Units.

(c) In connection with any such admission of Additional Members, unless otherwise determined by the Managing Member, the Capital Accounts of the existing Members shall be adjusted to reflect the revaluation of the Company's property in accordance with the terms and conditions upon which the Additional Member Units are issued to the Additional Members, and thereafter the Members'

Capital Accounts shall be maintained and adjusted, and their distributive shares of Company items as computed for tax purposes shall be determined, in accordance with Regulations Section 1.704-1(b)(2)(iv)(f). In addition, the Managing Member may amend this Agreement in such manner as the Managing Member deems appropriate to reflect the admission of Additional Members.

3.9 Capital Account Adjustments upon Exercise of Noncompensatory Options. If the Company has outstanding or issues hereafter any warrant, convertible security or other right to acquire an interest in the Company, other than in connection with the performance of services (a “Noncompensatory Option”), that entitles the holder, upon exercise, to a share of the capital of the Company that exceeds, or is less than, the sum of the consideration paid to the Company for the issuance of the Noncompensatory Option and the consideration paid upon the exercise of the Noncompensatory Option, then upon exercise of the Noncompensatory Option the Members’ Capital Accounts shall be adjusted and maintained in accordance with Proposed Regulation Section 1.704 1(b)(2)(iv)(s), as amended or made final.

3.10 Compensatory Interests. If the Company issues Profit Only Units or any other interest in connection with the performance of services on or after the effective date of final regulations issued by the IRS concerning the federal income tax consequences of partnership interests transferred in connection with the performance of services, the Company is authorized and directed to elect to treat the fair market value of the Profit Only Units or other interest as equal to its liquidation value (the “Safe Harbor”). In such event, the Company and all of the Members shall comply with all requirements of the Safe Harbor with respect to all Profit Only Units or other interest transferred in connection with the performance of services while the election remains effective, including without limitation making such allocations as may be required following the forfeiture of Profit Only Units or other interests with respect to which the recipient made an election under Section 83(b) of the Code.

#### ARTICLE IV DISTRIBUTIONS; ALLOCATIONS

##### 4.1 Distributions.

(a) Subject to the provisions of Section 4.1(b) and Section 4.1(c) below, (i) Available Cash shall be distributed by the Company to the Members at such times and in such amounts as shall be determined by the Managing Member, and (ii) Available Cash that the Managing Member determines to be available for distribution shall be distributed by the Company to the Members in accordance with their respective Percentage Interests.

(b) The Company shall endeavor, to the extent it has cash available for such purpose, to distribute to the Members, on or before April 1 of each year, an amount of cash sufficient to enable the Members to pay the aggregate federal, state and local income taxes derived by them from the allocation of taxable net income of the Company for the prior taxable year. Tax distributions under this Section 4.1(b) shall be determined assuming that each Member’s distributive share of taxable income of the Company is subject to a combined effective federal and state income tax rate of forty percent (40%). All tax distributions made to the Members pursuant to this Section 4.1(b) shall be credited against and shall reduce subsequent distributions to the Members under the provisions of Section 4.1(a) above.

(c) The Company’s obligation to make distributions pursuant to this Agreement (including, without limitation, Section 4.1 hereof) shall be subject to the restrictions governing distributions under the LLC Act and such other pertinent governmental restrictions as are now or may hereafter become effective.

4.2 Apportionment of Certain Proceeds. Upon a merger or consolidation of the Company with or into any other entity, or any other sale or disposition of all or substantially all of the Company's outstanding Units to another entity in one transaction or a series of related transactions, the Members will apportion the proceeds of such transaction(s) among themselves in the same order, manner, and proportions as such proceeds would have been distributed by the Company to the Members pursuant to Section 4.1(a) hereof.

4.3 Allocations of Profit and Loss.

(a) Subject to the provisions of Section 4.4 below, Profit for each fiscal year of the Company shall be allocated among the Members as follows:

(i) First, if one or more Members has been allocated a Loss pursuant to Section 4.3(b) hereof, to each such Member in proportion to the amount of Loss so allocated until the amount of Profit allocated to each such Member under this Section 4.3(a)(i) is equal to the amount of Loss previously allocated to that Member pursuant to Section 4.3(b)(ii); and

(ii) Second, to the Members in accordance with their respective Percentage Interests.

(b) Subject to the provisions of Section 4.4 below, Loss for each fiscal year of the Company shall be allocated among the Members as follows:

(i) First, to the Members in accordance with their respective Percentage Interests until the amount of Loss so allocated to each Member under this Section 4.3(b)(i) is equal to the amount of Profit previously allocated to that Member pursuant to Section 4.3(a)(ii); and

(ii) Second, to the Members in proportion to the positive balances in their respective Capital Accounts.

4.4 Regulatory Allocations.

(a) Qualified Income Offset. No Member shall be allocated Loss or deductions if the allocation causes the Member to have an Adjusted Capital Account Deficit. Any amount not allocated to a Member due to the preceding sentence shall be allocated among the Members not affected by the preceding sentence in proportion to their percentage ownership of the then-outstanding Units. If a Member receives (1) an allocation of Loss or deduction (or item thereof) or (2) any distribution which causes the Member to have an Adjusted Capital Account Deficit at the end of any taxable year, then all items of income and gain of the Company (consisting of a pro rata portion of each item of Company income, including gross income and gain) for that taxable year shall be allocated to that Member before any other allocation is made of Company items for that taxable year, in the amount and in proportions required to eliminate the excess as quickly as possible. This Section 4.4(a) is intended to comply with, and shall be interpreted consistently with, the "qualified income offset" provisions of the Regulations promulgated under Code Section 704(b).

(b) Minimum Gain Chargeback. Except as set forth in Regulation Section 1.704-2(f)(2), (3), and (4), if, during any taxable year, there is a net decrease in Minimum Gain, each Member, prior to any other allocation pursuant to this Article IV, shall be specially allocated items of gross income and gain for such taxable year (and, if necessary, subsequent taxable years) in an amount equal to that Member's share of the net decrease of Minimum Gain, computed in accordance with Regulation Section 1.704-2(g). Allocations of gross income and gain pursuant to this Section 4.4(b) shall be made first from gain recognized from the disposition of Company assets subject to nonrecourse liabilities (within the

meaning of the Regulations promulgated under Code Section 752), to the extent of the Minimum Gain attributable to those assets, and thereafter, from a pro rata portion of the Company's other items of income and gain for the taxable year. It is the intent of the parties hereto that any allocation pursuant to this Section 4.4(b) shall constitute a "minimum gain chargeback" under Regulation Section 1.704-2(f).

(c) Contributed Property and Book-Ups. In accordance with Code Section 704(c) and the Regulations thereunder, as well as Regulation Section 1.704-1(b)(2)(iv)(d)(3), income, gain, loss, and deduction with respect to any property contributed (or deemed contributed) to the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of the property to the Company for federal income tax purposes and its fair market value at the date of contribution (or deemed contribution). If the adjusted book value of any Company asset is adjusted as provided herein, subsequent allocations of income, gain, loss and deduction with respect to the asset shall take account of any variation between the adjusted basis of the asset for federal income tax purposes and its adjusted book value in the manner required under Code Section 704(c) and the Regulations promulgated thereunder.

(d) Member Minimum Gain Chargeback. Except as otherwise provided in Section 1.704-2(i)(4) of the Regulations, notwithstanding any other provision of this Article IV, if there is a net decrease in Member Minimum Gain during any taxable year, each Member who has a share of such Member Minimum Gain, determined in accordance with Section 1.704-2(i)(5) of the Regulations, shall be specially allocated items of Company income and gain for such taxable year (and, if necessary, subsequent taxable years) in an amount equal to such Member's share of the net decrease in Member Minimum Gain, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Regulations. This Section 4.4(d) is intended to comply with the partner minimum gain chargeback requirement in Section 1.704-2(i)(4) of the Regulations and shall be interpreted consistently therewith.

(e) Member Nonrecourse Deductions. Any Member Nonrecourse Deductions for any taxable year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Regulations Section 1.704-2(i)(1).

(f) Regulatory Allocations. The allocations set forth in this Section 4.4 (the "Regulatory Allocations") are intended to comply with certain requirements of Regulations Section 1.704-1(b). Notwithstanding any other provisions of this Article IV (other than the Regulatory Allocations), the Regulatory Allocations shall be taken into account in allocating other profits, losses, and other items of income, gain, loss and deduction among the Members so that, to the extent possible, the net amount of allocations of other profits, losses and other items and the Regulatory Allocations to each Member shall be equal to the net amount that would have been allocated to each such Member if the Regulatory Allocations had not occurred.

#### 4.5 General.

(a) If any assets of the Company are distributed in kind to the Members, those assets shall be valued on the basis of their fair market value, and any Member receiving any interest in those assets shall receive that interest as a tenant-in-common with all other Members so entitled to such assets. Unless the Managing Member or, if applicable, the Liquidator determines otherwise, the fair market value of the assets shall be determined by an independent appraiser who shall be selected by the Managing Member or the Liquidator (in the case of a dissolution). The Profit or Loss for each unsold asset shall be determined as if the asset had been sold at its fair market value, and the Profit or Loss shall be allocated as

provided in Section 4.3 and shall be properly credited or charged to the Capital Accounts of the Members prior to the distribution of the assets in liquidation.

(b) All Profit and Loss shall be allocated, and all distributions shall be made, to the Persons shown on the records of the Company to have been Members as of the last day of the taxable year or portion thereof for which the allocation or distribution is to be made. Notwithstanding the foregoing, unless the Company's taxable year is separated into segments, if there is a Transfer (in accordance with the provisions of this Agreement) during the taxable year, Profit or Loss shall be allocated between the transferor and the transferee on the basis of the number of days each was a Member during the taxable year. The Company's taxable year shall be segregated into two or more segments in order to account for Profit, Loss, or proceeds attributable to, any extraordinary non-recurring items of the Company.

(c) The Managing Member shall amend this Article IV so as to cause this Article IV to comply with the Code and the Regulations promulgated under Code Section 704(b).

(d) For purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of Regulation Section 1.752-3(a)(3), the Members' interests in Company Profit are in proportion to their percentage ownership of the then-outstanding Units.

(e) All amounts withheld or paid as taxes pursuant to the Code or any provision of any state or local tax law with respect to any payment, distribution, or allocation to the Company or the Members shall be treated as amounts distributed to the Members pursuant to Section 4.1 for all purposes of this Agreement. The Company is authorized to withhold from distributions (or to withhold with respect to allocations) to the Members and to pay over to the applicable federal, state, or local taxing authority any amounts required to be so withheld pursuant to the Code or any provisions of state or local law and to treat such amounts as having been distributed to the Members with respect to which such amounts were withheld.

(f) The Profit or Loss of the Company shall be determined in accordance with the accounting methods followed for federal income tax purposes and otherwise in accordance with sound accounting principles and procedures applied in a consistent manner. An accounting shall be made for each fiscal year by the accountants employed by the Company as soon as possible after the close of each such fiscal year, to determine the Members' respective shares of Profit or Loss of the Company, which shall be credited or debited, as the case may be, to the Members' respective Capital Accounts. For tax purposes, all items of income, gain, loss, deduction or credit shall be allocated to and among the Members in the same proportion in which they share Profit and Loss.

(g) No Member shall have the right to receive distributions from the Company in any form other than cash.

(h) No Member shall be obligated to restore a Negative Capital Account.

(i) If a Unit is issued, through the exercise of an option or otherwise, under terms that give the Member acquiring the Unit a share of Profits accruing prior to the date the Unit is issued, then, notwithstanding any other provision of this Agreement: (i) such Member shall be specially allocated, from such Profits accruing from and after the date the Unit is issued, an amount equal to the Member's share of such Profits accruing prior to the date the Unit is issued, and (ii) the amount of that special allocation shall reduce the amount of such Profits accruing from and after the date the Unit is issued that is allocated to each other Member in proportion to the amount of such Profits accruing prior to the date the Unit is issued that were allocated to that Member.

4.6 Tax Matters Partner. The Managing Member shall serve as the “tax matters partner” (as defined in Code Section 6231) of the Company. The tax matters partner is authorized and required to represent the Company (at the Company’s expense) in connection with all examinations of the Company’s affairs by tax authorities, including, without limitation, administrative and judicial proceedings (collectively, “Audits”), and to expend Company funds for professional services and costs associated therewith. The Members agree to cooperate with each other and to do or refrain from doing any and all things reasonably required to conduct such proceedings. The Company shall indemnify and hold harmless the tax matters partner from and against any loss, expense, damage or injury suffered or sustained by them by reason of any acts, omissions or alleged acts or omissions arising out of its activities on behalf of the Company as tax matters partner, treating the tax matters partner as a Covered Person under Section 12.2 below. The Members specifically acknowledge that the tax matters partner shall not be liable, responsible or accountable in damages or otherwise to the Company or any Member with respect to any action taken by the tax matters partner with respect to an Audit.

## ARTICLE V MANAGEMENT

5.1 Managing Member. Except as specifically provided in this Agreement (including, but not limited to, Section 6.2 below), the Managing Member shall have the full, exclusive, and complete discretion, right, power, and authority to manage, control, administer, and operate the business and affairs of the Company, to make all decisions affecting such business and affairs, and to do all things which the Managing Member deems necessary or desirable in connection with the conduct of the business and affairs of the Company. Except as specifically provided in this Agreement, the Managing Member is authorized to act without the requirement of any consent or approval by the Members, including, without limitation, authorizing or taking any actions for which the unanimous consent of the Members is required under the LLC Act. The Managing Member shall be a “manager” within the meaning of the LLC Act.

5.2 Right to Rely on the Managing Member. No Person dealing with the Company shall be required to inquire into or to obtain any other documentation as to the authority of the Managing Member to take any action permitted under Section 5.1 hereof.

5.3 Reimbursement. The Managing Member shall be entitled to reimbursement for reasonable, ordinary and necessary fees and expenses incurred by the Managing Member in connection with his duties as Managing Member of the Company.

5.4 Time and Efforts. The Members acknowledge and agree that the Managing Member is not required to devote its full time and efforts to the Company, but shall devote such time to the Company as is necessary to operate and manage the Company in a professional and competent manner.

5.5 Delegation of Duties. Notwithstanding anything to the contrary contained in this Agreement, the Managing Member may delegate all or any part of his duties as Managing Member to other Persons. The fees paid by the Company to any such Person shall be determined by the Managing Member.

5.6 Resignation of Managing Member. The Managing Member may resign as the Managing Member of the Company upon sixty (60) days notice to all Members. If a Terminating Event occurs with respect to the Managing Member, then the Managing Member shall be deemed to have resigned as Managing Member of the Company immediately following the occurrence of such Terminating Event. The Managing Member’s resignation as the Managing Member of the Company shall not affect the Managing Member’s interest in his capacity as a Member (except as otherwise provided by this Agreement upon the occurrence of a Terminating Event).

5.7 Election of New Managing Member The election of a new Managing Member following the resignation of the Managing Member pursuant to Section 5.6 above shall be effective only if each of the following conditions has been satisfied:

(a) The new Managing Member shall have agreed to accept the responsibilities of the Managing Member hereunder; and

(b) The new Managing Member shall have been elected by the Required Percentage of Members.

In the event of the election of a new Managing Member, the new Managing Member shall amend this Agreement to reflect the election of the new Managing Member and shall make all necessary or appropriate filings with the Commonwealth of Massachusetts or other authorities.

5.8 Interpretation of Terms. Whenever this Agreement provides that an act or decision or determination or similar matter (each a "Determination") be made by the Managing Member, such Determination shall be made in the sole discretion of the Managing Member, even if the reference to the sole discretion of the Managing Member is not elsewhere provided in this Agreement.

5.9 Reserves. The Managing Member may cause the Company to establish, fund, and maintain reasonable reserves for working capital, taxes, insurance, replacements and capital improvements, contingent or anticipated liabilities, payment of Company indebtedness, and other Company expenses.

5.10 No Certificates. The Units will not be evidenced or represented by certificates of membership interest issued by the Company.

## ARTICLE VI MEMBERS

6.1 No Management Rights. Except as specifically provided in this Agreement (including, but not limited to, Section 6.2 below), no Member, in his or its capacity as such, shall have any authority or right to act for or bind the Company or to participate in or have any control over the Company's business or affairs, except for such authority to act for and bind the Company as the Managing Member may, from time to time and in the exercise of its sole discretion, delegate to such Member in writing.

6.2 Member Approval Requirements. Notwithstanding anything to the contrary contained in this Agreement, the Company shall not take any of the following actions without the prior consent of the Required Percentage of Members:

- (i) merge or consolidate with any Person;
- (ii) sell or otherwise transfer all or substantially all of the Company's assets;
- (iii) issue Units or other ownership interests in the Company (or securities convertible into or exchangeable for Units or other ownership interests in the Company) to any Person; or
- (iv) purchase, redeem or otherwise acquire for value any Units or other ownership interests in the Company, except pursuant to Article VIII hereof.

### 6.3 Meetings of and Voting by Members.

(a) If the vote, consent, approval or determination of the Members is required pursuant to this Agreement, a meeting of the Members may be called by the Managing Member or any Member. Meetings of Members shall be held at the Company's principal place of business in the Commonwealth of Massachusetts or at any other place designated by the Managing Member. No less than two (2) or more than ninety (90) days before the meeting, the Managing Member shall give written notice of the meeting to each Member. The notice shall state the time, place, and purpose of the meeting. Notwithstanding the foregoing provisions, each Member waives notice if before or at the meeting the Member signs a waiver of the notice which is filed with the records of Members' meetings, or is present at the meeting in person or by proxy. A Member may vote either in person or by written proxy signed by the Member or by the Member's duly authorized attorney in fact. A Member may participate in any meeting by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation by such means shall constitute presence in person at the meeting. Except as specifically provided in this Agreement, action by the Members under this Agreement, if required, shall be taken only by the Required Percentage of Members.

(b) In lieu of holding a meeting, the Members may vote or otherwise take action by a written instrument indicating the consent of the Required Percentage of Members or such other percentage as may be required by this Agreement.

### 6.4 Withdrawal.

(a) A Member may not withdraw from the Company as a Member without the prior written consent of the Managing Member, which consent may be withheld for any reason or for no reason, or unless such withdrawal is in connection with the sale or other transfer of all of such Member's Units pursuant to Article VII or Article VIII hereof. If a Member withdraws in violation of this Section 6.4, then such Member hereby agrees that such withdrawal will constitute a breach of this Agreement and such Member also agrees that the Company, in addition to any remedies otherwise available to the Company, may offset any damages due to such breach against any amounts otherwise distributable to such Member. Notwithstanding anything contained herein to the contrary, in the event any Member is determined to be unfit for marijuana licensure by the final decision of the Licensing Authority, such Member shall be subject to Automatic Divestiture as set forth in Section 8.5 below.

(b) Unless a Member withdraws with the consent of the Managing Member or such Member's Units are sold or otherwise transferred pursuant to Article VII or Article VIII hereof, upon withdrawal by any Member the withdrawn Member shall not be entitled to receive any monies or property for its Units, and the withdrawn Member and/or the successor to the withdrawn Member shall have only the rights of an assignee under Section 39 of the LLC Act.

6.5 Liability for Member Indebtedness; Indemnification by Members. If any Member (or any of such Member's Affiliates, directors, officers, stockholders, managers, members, partners, employees or agents) (each a "Liable Person") has incurred any indebtedness or obligation prior to the date of this Agreement that relates to or otherwise affects the Company, then neither the Company nor the other Members shall have any liability or responsibility for or with respect to such indebtedness or obligation, unless such indebtedness or obligation is assumed by the Company with the consent of the Managing Member. Furthermore, neither the Company nor any Member shall be responsible or liable for any indebtedness or obligation that is hereafter incurred by any Liable Person, unless such indebtedness or obligation is incurred in accordance with the authority granted to such Member under the terms of this Agreement. Each Liable Person shall indemnify and hold harmless the Company and the other Members from and against any and all claims, actions, demands, costs, expenses (including reasonable attorneys'

fees), liabilities, damages and losses resulting or arising, directly or indirectly, from any indebtedness or obligation such Liabe Person has incurred prior to the date of this Agreement or that such Liabe Person may incur hereafter for which neither the Company nor the other Members has any liability or responsibility.

6.6 Business Opportunities. Each Member (the “Referring Member”) shall offer first to the Company all business opportunities that the Referring Member or any of its Affiliates may be offered, or that the Referring Member or any of its Affiliates may itself determine to undertake, which involve, directly or indirectly, the Business (each a “Business Opportunity”). The Referring Member shall deliver written notice (the “Business Opportunity Notice”) of each such Business Opportunity to the Managing Member as soon as practicable. If the applicable Business Opportunity originates with a third party, it shall be offered to the Company under the same terms that it was offered to the Referring Member or its Affiliate. If the Company desires to pursue the applicable Business Opportunity, the Managing Member shall so notify the Referring Member in writing within thirty (30) days after the date of the Business Opportunity Notice (the “Business Opportunity Acceptance”). If the Managing Member affirmatively rejects the applicable Business Opportunity or fails to deliver a Business Opportunity Acceptance to the Referring Member as provided in the immediately preceding sentence, then the Referring Member or its Affiliate shall be free to pursue such Business Opportunity on its own, subject to the provisions of Article IX hereof.

6.7 Related-Party Transactions. The Company may engage in transactions with its Members and their respective Affiliates on such terms as are determined to be appropriate by the Managing Member.

6.8 Other Businesses of Members. Subject to the provisions of Section 6.6 above and Article IX below, any Member and any Affiliate thereof may engage in or possess an interest in other business ventures of any nature or description independently or with others, and neither the Company nor any Member shall have any rights in or to such independent ventures or the income or profits derived therefrom, and such activities shall not be construed as a breach of any duty of loyalty or other duty to the other Members or the Company.

## ARTICLE VII TRANSFERS

### 7.1 General Rule.

(a) Except as specifically permitted in this Article VII or in Article VIII hereof, no Member shall Transfer all or any portion of such Member’s Units (or any interest therein) without the prior written consent of the Required Percentage of Members, which consent may be withheld for any reason or for no reason. Without limiting the generality of the foregoing, no such Transfer shall be approved hereunder if such Transfer would cause the Company to be unfit for licensure by the Licensing Authority or otherwise subject to Licensing Authority disciplinary action.

(b) Every Transfer shall be subject to all of the terms, conditions, restrictions and obligations set forth in this Agreement. In addition, each Transfer shall be evidenced by a written agreement, in form and substance satisfactory to the Managing Member, which is executed by the transferor and the transferee(s). No Person shall be a transferee of Units hereunder unless such Person is qualified under the Medical Marijuana Code to have an ownership or economic interest in a marijuana business as evidenced by the issuance of an occupational license or other final written determination by the Licensing Authority.

7.3 Effect of Bankruptcy, Dissolution or Termination of a Member. The bankruptcy, dissolution, liquidation or termination of a Member shall not cause the termination or dissolution of the Company and the business of the Company shall continue. Except as otherwise provided in this Agreement, (i) upon any such occurrence, the trustee, receiver, executor, administrator, committee or conservator of such Member shall have all the rights of such Member for the purpose of settling or managing its estate or property, subject to the provisions of Section 7.5 hereof; and (ii) the Transfer by such trustee, receiver, executor, administrator, committee or conservator of any Member of any Units shall be subject to all of the restrictions hereunder to which such Transfer would have been subject if such Transfer had been made by such bankrupt, dissolved, liquidated or terminated Member.

7.4 Securities Laws Restrictions. Each Member understands that in addition to the restrictions on transfer contained in this Agreement, such Member must bear the economic risks of such Member's investment for an indefinite period because the Units have not been registered under the Securities Act and, therefore, may not be sold or otherwise transferred unless they are registered under the Securities Act or an exemption from such registration is available. Each Member agrees with all other Members that such Member will not Transfer its Units unless such Units have been so registered or in the opinion of counsel for the Company, or of other counsel reasonably satisfactory to the Company, such an exemption is available.

(b) Immediately upon the occurrence of a Member Dissociation Event, the Former Member shall cease to have any rights under this Agreement as a Member and shall only have the rights of an assignee to receive distributions which the Former Member was entitled to receive with respect to his or its Units pursuant to the provisions of this Agreement. A Former Member expressly shall have no right to require the Company to redeem and liquidate the Former Member's Units.

#### 7.6 Admission of Substitute Member.

(a) A Member who Transfers all or any part of its Units in accordance with the provisions of this Agreement shall remain a Member of the Company notwithstanding the Transfer of such Units, unless and until the transferee is admitted to the Company as a Substitute Member in accordance with the terms of this Section. Upon any permitted Transfer of any Member's Units pursuant to this Agreement, the transferor and transferee shall file with the Company an executed or authenticated copy of the written instrument of transfer.

(b) A transferee of a Member may be admitted as a Substitute Member with respect to the Units acquired by such transferee pursuant to this Agreement only if and when each and all of the following conditions are satisfied:

(i) the Managing Member approves the substitution of the transferee for the transferor;

(ii) the transferor and transferee have executed and acknowledged such instruments as the Managing Member may reasonably deem necessary or desirable to effect such Transfer;

(iii) unless waived by the Managing Member, a transfer fee has been paid to the Company sufficient to cover all expenses of the Company connected with such Transfer;

(v) a duly executed and acknowledged written instrument of transfer approved in form by the Managing Member has been filed with the Company setting forth the intention of the transferor that the transferee become a substituted Member in his place;

(vi) the transferee accepts and agrees to be bound by all the provisions of this Agreement by executing any documents required by the Managing Member; and

7.7 Status of Certain Transferees.

(a) *Permitted Transfers*

(i) Any transferee in a Transfer made in accordance with this Agreement shall have all the economic rights of a Member with respect to the interest transferred, to the maximum extent permitted by the LLC Act and the Code, and shall be subject to the terms, conditions, and restrictions set forth in this Agreement.

(ii) Unless and until the transferee of part or all of the Units of a Member is admitted to the Company as a Substitute Member pursuant to this Agreement: (A) the transferee shall have no right to participate with the Members in any votes taken or consents granted or withheld by the Members hereunder, (B) the transferee shall have no right to further Transfer the Units transferred to him, and (C) the transferor shall remain liable to the Company for all contributions and other amounts payable with respect to the transferred Units to the same extent as if no Transfer had occurred.

(b) *Non-permitted Transfers*

(i) Unless and until all requirements set forth in this Agreement have been satisfied with respect to a proposed Transfer of Units, the Company shall continue to treat the transferor as the sole owner of the Units purportedly transferred, shall make no distributions to the purported transferee, shall not furnish to purported transferee any tax or financial information regarding the Company, and shall otherwise not treat the purported transferee as an owner of any Units or any other interest in the Company (either legal or equitable), unless otherwise required by law.

ARTICLE VIII  
TERMINATING EVENTS; REDEMPTION

8.1 Terminating Event. Upon the occurrence of a Terminating Event with respect to a Member, such Member or such Member's legal or personal representative(s), as applicable (individually and collectively, the "Terminating Member") immediately shall give written notice thereof to the Company, and the Company shall have the right (but not the obligation) to redeem (the "Redemption Option") all (but not less than all) of the Units held by such Terminating Member (collectively, the "Redemption Units") for an aggregate redemption price (the "Redemption Option Purchase Price") equal to the Fair Market Value (as defined below) of the Redemption Units; provided, however, that if the applicable Terminating Event is any event or condition described in clause (g), clause (h), or clause (i) of the definition of Terminating Event, then the Redemption Option Purchase Price shall be an amount equal to fifty percent (50%) of the Fair Market Value of the Redemption Units. If the Company desires to exercise the Redemption Option, then the Company shall so notify the Terminating Member in writing. The closing of the Redemption Option shall be held at the Company's principal office within sixty (60) days after the date on which the Company delivers to the Terminating Member written notice of the exercise of the Redemption Option. At such closing, (i) the Terminating Member shall assign and transfer to the Company all right, title, and interest in and to the Redemption Units (free and clear of all liens, security interests, and other encumbrances) and shall execute and deliver to the Company such other and further assurances as the Company's attorney may reasonably require to transfer to and vest the Redemption Units in the Company; and (ii) the Company shall execute and deliver to the Terminating Member a promissory note in such form as determined to be reasonable by the Board of Managers and with a principal amount equal to the Redemption Option Purchase Price. Such promissory note shall

provide for sixty (60) consecutive equal monthly payments of principal, plus interest on the unpaid balance at a rate equal to the minimum rate necessary to avoid imputed interest or original issue discount under the Code, beginning three (3) months after the date of the closing. In addition, such promissory note will provide that the unpaid balance thereof may be prepaid at any time without premium or penalty. Furthermore, such promissory note shall be subject and subordinate to the Company's current and future obligations to any bank, finance company, or other financial institution in respect of extensions of credit to the Company, and the Terminating Member shall take such steps and execute such agreements, documents, instruments, and certificates as may be necessary or appropriate to effectuate such subordination.

8.2 Determination of Fair Market Value. The fair market value (the "Fair Market Value") of the Redemption Units, shall be determined in accordance with this Section 8.2:

(a) Agreement of Parties. If the Company and the Terminating Member, can agree in writing as to the Fair Market Value of the Redemption Units, then such agreed value shall be the Fair Market Value of the Redemption Units. If no agreement on the Fair Market Value of the Redemption Units can be reached within fifteen (15) days after the date on which the Company first elects to redeem the Redemption Units pursuant to Section 8.1 then the Fair Market Value of the Redemption Units shall be determined pursuant to Section 8.2(b) below.

(b) Third Party Appraisal. If the Fair Market Value of the Redemption Units is not agreed upon as provided in Section 8.2(a) above within the time period stated therein, then, within seven (7) days thereafter, an appraiser shall be jointly selected by the Company and the Terminating Member. The determination of such jointly selected appraiser as to the Fair Market Value of the Redemption Units shall be final, binding, and conclusive. If the Company and the Terminating Member are unable to reach an agreement as to an appraiser within the time period herein stated, then the provisions of Section 8.2(c) below shall apply.

(c) Additional Appraiser. If the Company and the Terminating Member do not agree upon the selection of an appraiser as provided in Section 8.2(b) above within the period stated therein, then, within five (5) days after the expiration of the seven (7) day period provided for in Section 8.2(b) hereof, the Company and the Terminating Member each shall select one (1) appraiser and those two (2) appraisers shall select a third appraiser. All such appraisers shall be regionally recognized appraisers with substantial experience valuing entities similar to the Company. If either party fails to deliver the name of an appraiser within said five (5) day period, then the other party's appraiser shall serve as the sole appraiser. The appraiser so selected shall, within fifteen (15) days of being selected, determine the Fair Market Value of the Redemption Units. The determination of such appraiser shall be final, binding, and conclusive.

(d) Costs of Appraisals. The costs, expenses, and fees of the appraiser(s) shall be shared equally by the Company and the Terminating Member. Otherwise, each of the Company and the Terminating Member shall bear its own respective costs, expenses, and fees (including, without limitation, legal, accounting, and consulting fees) incurred in connection with the appraisal and closing process.

(e) Valuation Factors. All determinations of Fair Market Value hereunder shall take into account discounts for (i) minority interests, and/or (ii) any lack of liquidity or marketability of the Units.

8.3 Company Decisions. All elections, determinations, and other decisions by the Company under this Article VIII shall be made by the Managing Member; provided, however, that if the Terminating Member was, prior to such Terminating Event, the Managing Member or an Affiliate

thereof, then all elections, determinations, and other decisions of the Company under this Article VIII shall be made by the Required Percentage of Members.

8.4 Life Insurance. The Company may purchase insurance on the lives of one or more of its Members in connection with its rights under Section 8.1 above. The Company shall be the sole owner of the policies described in this Section and shall have all incidents of ownership connected with those policies. Each Member shall complete all applications and submit to all physical examinations required by any company to which an application is submitted for the insurance on his life. The amount to be paid to a deceased Member's personal or legal representative under this Article VIII shall be deemed to be paid in exchange for the interest of the Member in Company property, in accordance with Section 736(b) of the Code.

8.5 Automatic Divestiture. If, during anytime while the Company holds a local or state license pursuant to the Medical Marijuana Code, any of the following occur to a Member or to a member of an entity that is a Member of Company, all interests of that Member in the Company (the "Affected Member") will automatically and immediately terminate, and the Affected Member will cease to be a Member:

(a) The Affected Member is charged with or convicted of any criminal offense, if a conviction of the offense in question would, pursuant to the Medical Marijuana Code, disqualify the Affected Member from owning a marijuana business. However, where an Affected Member is only charged with a criminal offense and not convicted, and where the Licensing Authority and the local or state licensing authority upon request have agreed to defer pursuing any action against the Company's marijuana business license(s) based upon such charges, or where any such actions of the Licensing Authority and local licensing authorities are subject to a stay order, then the Affected Member's Units shall not be subject to divestiture under this Section;

(b) The Affected Member or any entity that it owns or controls incurs a revocation of any Massachusetts marijuana business license, and it is determined by the Manager that such revocation has a material adverse effect upon the issuance or continued good standing of the Company's marijuana business license;

(c) The Licensing Authority or local licensing authority issues a formal recommendation stating that the Affected Member is unfit for occupational licensure under the Medical Marijuana Code;

(d) The Licensing Authority or local licensing authority issues a formal recommendation against the issuance to the Company of a marijuana business license or revokes a marijuana business license, which recommendation cites the participation of the Affected Member as a material factor in the decision, or the Licensing Authority or local licensing authority conditions the issuance of a marijuana business license on the Company removing the Affected Member in the Company;

(e) The Licensing Authority or local licensing authority advises the Company in writing, or it is otherwise determined by court order, that a decision on the Company's marijuana business license is being delayed beyond one (1) year following the filing of the Company's application for a marijuana business license, and the Company is advised before or after said date that the sole reason for such delay is the participation of or concerns about the Affected Member;

(f) The Affected Member demonstrates a repeated failure to attend meetings with the Licensing Authority or any local licensing authority as required for Company business to be

conducted. As used herein, repeated failure to attend shall be demonstrated by failure to attend any meeting without good cause, or any two (2) meetings with any licensing authority;

(g) The Affected Member fails to provide information to the Licensing Authority which is requested by or required by the Licensing Authority; and

(h) If the Affected Member is a partnership or other business entity and not a natural person, a member of the Affected Member is disqualified from obtaining an ownership interest in a licensed marijuana business by final written determination of the Licensing Authority, unless, unless such member is divested from the Affected Member in a timely manner.

#### 8.6 Settling of Accounts Following Automatic Divestiture.

(a) The Company shall continue in existence notwithstanding the automatic termination of any Member pursuant to Section 8.5 above. Notwithstanding any provision of this Agreement to the contrary, if the Affected Member is a corporate entity and the occurrence of any of the events enumerated in Section 8.5 above, is due to a member, shareholder, or manager of the Affected Member, the Affected Member shall have an option to redeem its Units and shall be restored to its ownership position before the divestiture event occurred if the Affected Member, a court of law, or the Licensing Authority provides a written assurance or order that Affected Member has removed the member, shareholder, or manager that caused any of the events enumerated in Section 8.5 above, pursuant to the terms of the Affected Member's governing documents.

(b) The Company shall be liable for the terminated ownership interest of the Affected Member as follows: (i) the Company and the Affected Member shall determine the fair market value of the Affected Member's Units by a mutually-agreed upon third party appraisal; (ii) If the Affected Member and the Company cannot agree on a third party appraisal, they shall both individually choose and pay for their own appraisal and the differences, if any, between the two valuations of the Affected Member's Units shall be averaged and used for calculating the Payoff Note (as defined herein); (iii) once the value of the Affected Member's Units is determined, the Company shall deliver a note (the "Payoff Note") to the Affected Member for fifty percent (50%) of the value determined by the appraisal or the average of the appraisals. The Payoff Note shall be payable over a five (5) year period and shall bear interest at a rate equal to the prime rate of interest as announced from time to time by the Wall Street Journal or shall be discounted (using the same rate) to present value if an earlier payoff is required under the Medical Marijuana Code. The terms of the Payoff Note shall include equal monthly payments and shall be reasonable and customary for a transaction of this type. The Company may sell the Affected Member's Units, in accordance with the terms of this Agreement, to finance the Payoff Note or for any other lawful reason.

(c) The provisions of Section 8.5 and Section 8.6 are in addition to, and not in limitation of, the provisions of Section 7.5 and Section 8.1 above.

### ARTICLE IX MEMBER COVENANTS

#### 9.1 Confidential Information.

In addition, each Member acknowledges and agrees that the potential harm to the Company of the non-enforcement of the provisions of Section 9.1, Section 9.2, and/or Section 9.3 outweighs any harm to such Member of their enforcement by injunction or otherwise. Each Member agrees that each provision of Section 9.1, Section 9.2, and Section 9.3 hereof shall be treated as a separate and independent clause, and the unenforceability of any one clause shall in no way impair the enforceability of any of the

other clauses hereof. Moreover, each Member agrees that if one or more of such provisions shall for any reason be held to be unenforceable, such provision or provisions shall be construed by the appropriate judicial body so as to be enforceable to the maximum extent compatible with applicable law.

(g) Any repeal of or amendment to this Section 12.2 shall be prospective only and shall not limit or eliminate the right to indemnification provided hereunder with respect to acts or omissions occurring prior to such repeal or amendment.

12.3 Conflicting Provisions. If any Covered Person or Indemnitee or the Company itself is subject to any federal or state law, rule or regulation which restricts the extent to which any Person may be exonerated or indemnified by the Company, then the exonerated provisions set forth in Section 12.1 and the indemnification provisions set forth in Section 12.2 shall be deemed to be amended, automatically and without further action by the Managing Member or the Members, to the minimum extent necessary to conform to such restrictions.

## **PLAN FOR SEPARATING RECREATIONAL FROM MEDICAL OPERATIONS**

Just Healthy, LLC (“Just Healthy”) has developed plans and procedures to ensure virtual and physical separation between medical and adult use marijuana operations in accordance with 935 CMR 502.000.

Prior to the point of sale or at the point of sale, Just Healthy will designate whether marijuana and/or Marijuana Products are intended for sale for adult use or medical use through the SOR. All marijuana and Marijuana Products will be transferred to the appropriate license within the Seed-to-Sale SOR prior to sale. After the point of sale, Just Healthy will reconcile that inventory in the SOR.

In compliance with 935 CMR 502.140, Just Healthy will ensure that registered patients have access to a sufficient quantity and variety of medical marijuana and marijuana products. For the first six (6) months of operations, 35% of Just Healthy’s marijuana product inventory will be marked for medical use and reserved for registered patients. Thereafter, Just Healthy will maintain a quantity and variety of medical marijuana products for registered patients that is sufficient to meet the demand indicated by an analysis of sales data collected during the preceding six (6) months. Marijuana products reserved for patient supply will, unless unreasonably impracticable, reflect the actual types and strains of marijuana products documented during the previous six (6) months. If a substitution must be made, the substitution will reflect the type and strain no longer available as closely as possible.

On a quarterly basis, Just Healthy will submit to the Commission an inventory plan to reserve a sufficient quantity and variety of medical marijuana and Marijuana products for registered patients, based on reasonably anticipated patient needs as documented by sales records over the preceding six (6) months. On each occasion that the supply of any product within the reserved patient supply is exhausted and a reasonable substitution cannot be made, Just Healthy will submit a report to the Commission. Marijuana products reserved for patient supply will be either: (1) maintained on-site at Just Healthy’s retailer or easily accessible at another Just Healthy location and transferable to the retailer location within 48 hours of notification that the

on-site supply has been exhausted. Just Healthy will perform audits of patient supply available on a weekly basis and retain those records for a period of six (6) months.

In addition to virtual separation, Just Healthy will provide for physical separation between the medical and adult use sales areas. A temporary or semi-permanent physical barrier, such as a stanchion or other divider, will be installed to create separate, clearly marked lines for patients/caregivers and adult-use consumers. Trained marijuana establishment agents will verify the age of all individuals, as well the validity of any Medical Use of Marijuana Program ID Cards, upon entry to the facility and direct them to the appropriate queue. Just Healthy's agents will prioritize patient and caregiver identification verification and physical entry into the retail area.

Access to the adult-use marijuana queue will be limited to individuals 21 years of age or older, regardless if the individual is registered as a patient/caregiver. Registered patients under the age of 21 will only have access to the medical marijuana queue. A registered patient/caregiver 21 years of age or older will be permitted to access either queue and will not be limited only to the medical marijuana queue, so long as the transaction can be recorded in accordance with 935 CMR 501.105.

Just Healthy will also provide an enclosed patient consultation area that is separate from the sales floor to allow privacy and for confidential visual and auditory consultation. The patient consultation area will have signage stating, "Consultation Area" and will be accessible by patients and caregivers without having to traverse a Limited Access area.

Just Healthy will also maintain separate financial records for adult-use products and medical products to ensure compliance with the applicable tax laws.
