Plan to Remain Compliant with Local Zoning

The purpose of this plan is to outline how KRD Growers, LLC (“KRD”) is and will remain in compliance with local codes, ordinances and bylaws for the physical address of the cultivation, processing, and retail marijuana establishment at 89 Parker Street, Clinton, MA 01510 which shall include, but not be limited to, the identification of any local licensing requirements for the adult use of marijuana.

89 Parker Street is located in the Industrial (I) District and properly zoned pursuant to the Town of Clinton Zoning Bylaw Section 6800: Recreational Marijuana Establishments. In accordance with Section 6833 the marijuana establishment is not located within 500 feet of any lot occupied by a school attended by children under the age of 18, or any playground, public athletic field, or similar public recreational facility. Nor is the marijuana establishment located on a lot within 500 feet of any other lot in use as a Marijuana Retailer or Medical Marijuana Treatment Center.

KRD is currently in the process of obtaining a special permit from the Town of Clinton. KRD expects to receive this special permit in December of 2019. Section 6844 of Clinton’s Zoning Bylaw states that KRD’s special permit shall have a term limited to the duration of the KRDs ownership and/or lease of the premises as a Marijuana Establishment. In addition to KRD remaining compliant with existing Zoning Ordinances; KRD will continuously engage with Town of Clinton officials to remain up to date with local zoning ordinances to remain fully compliant.

Plan for Positive Impact

INTENT

Cannabis prohibition has disproportionately impacted certain communities in Massachusetts. As the Commonwealth begins to embrace the adult-use cannabis industry in earnest, KRD Growers, LLC (“KRD”) recognizes that it has a responsibility to contribute to the communities in which it does business and the surrounding areas in need. KRD will focus its time and resources on the community of Worcester which has been identified by the Commission as an area of disproportionate impact and is located not far from Clinton where KRD intends to locate their marijuana establishment. KRD is fully committed to ensuring that it is making positive and lasting contributions to the communities where KRD resides.

PURPOSE

The purpose of this document is to summarize KRD’s plan to ensure our business creates positive and lasting impacts on the communities in which it will be involved.

KRD is committed to fostering positive relationships within the community and endeavoring to identify ways in which to give back. KRD seeks to utilize our resources, including time, talent and monies, to provide assistance to those who may be underserved and/or in need. We plan to achieve these goals through charitable giving, volunteer time and community engagement.

INITIATIVES AND METRICS

KRD aims to implement the following initiatives to assist those communities that have been disproportionately impacted.

Proposed Initiative: KRD will make a minimum annual financial contribution of at least \$5,000 to the CultivatED program to help promote participation in the cannabis industry by those who were disproportionately harmed by marijuana prohibition. CultivatED is a jails-to-jobs cannabis program that focuses on issues such as expungement, education and employment for those harmed populations. KRD will provide money to CultivatED to support its mission and goals but will not offer any of its own programming through the CultivatED program. Attached, please find a letter from CultivatED acknowledging acceptance of funds from cannabis license holders.

Goal: KRD will make an annual contribution to the CultivatED program which will in turn support the mission of empowering, educating, and employing individuals from areas of disproportionate impact, as identified by the Massachusetts Cannabis Control Commission.

Metrics: KRD will maintain a record of its annual donations to the CultivatED program. KRD will keep records of feedback that we receive relative to the impact of our contributions, if any. This will in turn help us make decisions about adjustments that need to be made in the future.

CONCLUSION

KRD will conduct continuous and regular evaluations of the implementation of its goals and at any point will retool its policies and procedures in order to better accomplish the goals set out in this Plan for Positive Impact. Any actions taken or programs instituted by KRD will not violate the CCC's regulations with respect to limitations on ownership or control or other applicable state laws. KRD will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of the Marijuana Establishment.

RE: Acceptance of Cannabis Funds

Dear Cannabis Control Commission:

It is with great pleasure that we inform you that we will be graciously accepting contributions from licensed Massachusetts cannabis companies in order to assist in funding our program, CultivatED.

CultivatED is a first in the nation jails to jobs cannabis program that focuses on issues such as expungement, education and employment for those who have been affected by the prohibition of cannabis in the Commonwealth. We are an innovative public-private partnership providing our fellows with a robust co-op education program, legal services, workforce preparedness training, and cannabis externships with livable wages and benefits. We work closely with organizations such as Greater Boston Legal Services, Roxbury Community College and the Urban League of Eastern Massachusetts to achieve our program goals.

We appreciate the opportunity to allow Massachusetts licensed cannabis companies to participate through their contributions. Please do not hesitate to contact us should you have any additional questions.

Sincerely,

ARTICLE IV - Indemnification

4.1. Definitions. For purposes of this Article:

"Expenses" means all expenses, including attorneys' fees and disbursements, actually and reasonably incurred in defense of a proceeding or in seeking indemnification under this Article, and except for proceedings by or in the right of the LLC or alleging that a Manager received an improper personal benefit, any judgments, awards, fines, penalties and reasonable amounts paid in settlement of a proceeding; and

"Proceeding" means any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, and any claim which could be the subject of a proceeding.

4.2. Right to Indemnification. Except as limited by law and subject to the provisions of this Article, the LLC shall indemnify each of its Managers against all expenses incurred by them in connection with any proceeding in which a Manager is involved as a result of serving in such capacity, except that no indemnification shall be provided for a Manager regarding any matter as to which it shall be finally determined that such Manager did not act in good faith and in the reasonable belief that its action was in the best interests of the LLC. Subject to the foregoing limitations, such indemnification may be provided by the LLC with respect to a proceeding in which it is claimed that a Manager received an improper personal benefit by reason of its position, regardless of whether the claim arises out of the Manager's service in such capacity, except for matters as to which it is finally determined that an improper personal benefit was received by the Manager.

4.3. Award of Indemnification. The determination of whether the LLC is authorized to indemnify a Manager hereunder and any award of indemnification shall be made in each instance (a) by a majority of the Managers who are not parties to the proceeding in question, or (b) by independent legal counsel appointed by the Managers or the Members. The LLC shall be obliged to pay indemnification applied for by a Manager unless there is an adverse determination (as provided above) within forty-five (45) days after the application. If indemnification is denied, the applicant may seek an independent determination of its right to indemnification by a court, and in such event, the LLC shall have the burden of proving that the applicant was ineligible for indemnification under this Article. Notwithstanding the foregoing, in the case of a proceeding by or in the right of the LLC in which a Manager is adjudged liable to the LLC, indemnification hereunder shall be provided to such Manager only upon a determination by a court having jurisdiction that in view of all the circumstances of the case, such Manager is fairly and reasonably entitled to indemnification for such expenses as the court shall deem proper.

4.4. Successful Defense. Notwithstanding any contrary provisions of this Article, if a Manager has been wholly successful on the merits in the defense of any proceeding in which it was involved by reason of its position as Manager or as a result of serving in such capacity (including termination of investigative or other proceedings without a finding of fault on the part of the Manager), the Manager shall be indemnified by the LLC against all expenses incurred by the Manager in connection therewith.

4.5. Advance Payments. Except as limited by law, expenses incurred by a Manager in defending any proceeding, including a proceeding by or in the right of the LLC, shall be paid by

the LLC to the Manager in advance of final disposition of the proceeding upon receipt of its written undertaking to repay such amount if the Manager is determined pursuant to this Article or adjudicated to be ineligible for indemnification, which undertaking shall be an unlimited general obligation but need not be secured and may be accepted without regard to the financial ability of the Manager to make repayment; provided, however, that no such advance payment of expenses shall be made if it is determined pursuant to Section 4.3 of this Article on the basis of the circumstances known at the time (without further investigation) that the Manager is ineligible for indemnification.

4.6 Insurance. The LLC shall have power to purchase and maintain insurance on behalf of any Manager, agent or employee against any liability or cost incurred by such person in any such capacity or arising out of its status as such, whether or not the LLC would have power to indemnify against such liability or cost.

4.7 Heirs and Personal Representatives. The indemnification provided by this Article shall inure to the benefit of the heirs and personal representatives of each Manager.

4.8 Non-Exclusivity. The provisions of this Article shall not be construed to limit the power of the LLC to indemnify its Managers, Members, employees or agents to the full extent permitted by law or to enter into specific agreements, commitments or arrangements for indemnification permitted by law. The absence of any express provision for indemnification herein shall not limit any right of indemnification existing independently of this Article.

4.8 Amendment. The provisions of this Article may be amended or repealed in accordance with Section 12.4; however, no amendment or repeal of such provisions that adversely affects the rights of a Manager under this Article with respect to its acts or omissions at any time prior to such amendment or repeal shall apply to such Manager without its consent.

4.9 Limitations. Any indemnity under this Section 4.2 shall be paid from, and only to the extent of, LLC assets, and no Member shall have any personal liability on account thereof. The LLC shall not incur the cost of that portion of any insurance, other than public liability insurance, which insures any party against any liability as to which such party is herein prohibited from being indemnified.

V - Conflicts of Interest

5.1. Transactions with Interested Persons. Unless entered into in bad faith, no contract or transaction between the LLC and one or more of its Managers or Members, or between the LLC and any other corporation, partnership, association or other organization in which one or more of its Managers or Members have a financial interest or are directors, partners, Managers or officers, shall be voidable solely for this reason or solely because such Manager or Member was present or participated in the authorization of such contract or transaction if:

(a) the material facts as to the relationship or interest of such Manager or Member and as to the contract or transaction were disclosed or known to the other Managers (if any) or

Members and the contract or transaction was authorized by the disinterested Managers (if any) or Members; or

(b) the contract or transaction was fair to the LLC as of the time it was authorized, approved or ratified by the disinterested Managers (if any) or Members;

and no Manager or Member interested in such contract or transaction, because of such interest, shall be considered to be in breach of this Agreement or liable to the LLC, any Manager or Member, or any other person or organization for any loss or expense incurred by reason of such contract or transaction or shall be accountable for any gain or profit realized from such contract or transaction.

ARTICLE VI - Capital Accounts and Contributions

6.1. Capital Accounts.

(a) There shall be established on the books of the LLC a separate capital account (a "Capital Account") for each Member.

(b) The Capital Account of each Member (regardless of the time or manner in which such Member's interest was acquired) shall be maintained in accordance with the rules of Section 704(b) of the Code, as amended, from time to time (the "Code"), and Treasury Regulation Section 1.704-1(b)(2)(iv). Adjustments shall be made to the Capital Accounts for distributions and allocations as required by the rules of Section 704(b) of the Code and the Treasury Regulations thereunder.

(c) If there is a transfer of all or a part of an interest in the LLC by a Member, the Capital Account of the transferor that is attributable to the transferred interest shall carry over to the transferee of such Member.

(d) Subject to Section 7.2, notwithstanding any other provision contained herein to the contrary, no Member shall be required to restore any negative balance in its Capital Account.

6.2. Contributions.

(a) Each Member shall make the contributions to the capital of the LLC (herein "Contributions") specified on Schedule A. All Contributions shall be paid in cash unless otherwise specified on Schedule A or agreed to by the Members. Except as set forth on Schedule A, no Member or Manager shall be entitled or required to make any contribution to the capital of the LLC; however, the LLC may borrow from its Members as well as from banks or other lending institutions to finance its working capital or the acquisition of assets upon such terms and conditions as shall be approved by the Managers, and any such borrowing from Members shall not be considered Contributions or reflected in their Capital Accounts;

(b) If the Board of Managers determines at any time, or from time to time, that the LLC requires funds to carry out its purposes, conduct its business, meet its obligations or make any expenditure authorized by this Agreement, in excess of the amounts generated from the LLC's operations and the amounts specified on Schedule A hereto, and such funds are not available from third-party lenders on terms acceptable to the Board of Managers in its sole discretion, the Members may, but shall not be required to, contribute any such additional capital. Members electing to contribute such additional capital shall contribute such portions thereof as they may agree upon, or, if they are unable to agree, each such Member shall contribute a portion of the total amount required based on its Percentage Interest and the Percentage Interests of all other contributing Members.

(c) The value of all non-cash Contributions made by Members shall be set forth on Schedule A. No Member shall be entitled to any interest or compensation with respect to its Contribution or any services rendered on behalf of the LLC except as specifically provided in this Agreement or approved by the Managers.

(d) No Member shall have any liability for the repayment of the Contribution of any other Member and each Member shall look only to the assets of the LLC for return of its Contribution.

ARTICLE VII - Profits, Losses and Distributions

7.1. Profits, Losses and Distributions.

(a) All profits and losses arising from the normal course of business operations or otherwise, and all cash available for distribution from whatever source as determined by the Managers, commencing with the date of this Agreement, shall be allocated or distributed to the Members according to their Membership Interests.

(b) All profits and losses allocated to the Members shall be credited or charged, as the case may be, to their Capital Accounts. The terms "profits" and "losses" as used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering into the computation thereof, as determined in accordance with the accounting methods followed by the LLC and computed in a manner consistent with Treasury Regulation Section 1.704-1(b)(2)(iv). Profits and losses for Federal income tax purposes shall be allocated in the same manner as profits and losses for purposes of this Article VII, except as provided in Section 7.3(a).

7.2. Distributions Upon Dissolution or From Capital Transactions.

(a) Except as provided in Section 7.3 (which shall be applied first), any Net Profits arising from a Capital Transaction or upon liquidation of the LLC shall be allocated as follows:

(i) first, to any Members having negative Adjusted Capital Account balances, in proportion to and to the extent of such negative balances; and

(ii) second, the balance, if any, to the Members in such proportions and in such amounts as would result in the respective Adjusted Capital Account balance of each Member equaling, as nearly as possible, such Member's share of the then LLC Capital;

(b) Any Net Losses arising from a Capital Transaction or upon liquidation of the LLC shall be allocated among the Members as follows:

(i) first, to each Member with a positive Adjusted Capital Account balance, in the amount of such positive balance, provided, however, that if the amount of Net Losses to be allocated is less than the sum of the Adjusted Capital Account balances of all Members having positive Adjusted Capital Account balances, then the Net Losses shall be allocated to the Members in such proportions and in such amounts as would result in the respective Adjusted Capital Account balance of each Member equaling, as nearly as possible, such Member's share of the then LLC Capital, determined as set forth in Section 7.2(a), above; and

(ii) second, the balance, if any, to the Members in accordance with their Percentage Interests.

(c) If the amount of Net Profits allocable to the Members is insufficient to allow the Adjusted Capital Account balance of each Member to equal such Member's share of the LLC Capital, such Net Profits or Net Losses shall be allocated among the Members in such a manner as to decrease the differences between the Members' respective Adjusted Capital Account balances and the Members' respective shares of the LLC Capital in proportion to such differences.

(d) Allocations of Net Profits and Net Losses provided for in this Section 7.2 shall generally be made as of the end of the fiscal year of the LLC and at any time that the Carrying Value of the LLC's assets is adjusted in accordance with clause (ii) of the definition of "Carrying Value."

(e) Net Profits and Net Losses allocated hereunder to the Members (or to any particular group of Members) as a group shall be allocated among them based on their Percentage Interests.

7.3 Regulatory Allocations. Notwithstanding the provisions of Section 7.2 above, the following allocations shall be made in the following order of priority:

(a) Items of income or gain (computed with the adjustments contained in paragraphs (i), (ii), (iii), (vi) and (vii) of the definition of "Net Profits and Net Losses") for any taxable period shall be allocated to the Members in the manner and to the minimum extent required by the "minimum gain chargeback" provisions of Treasury Regulation Section 1.704-2(f) and Treasury Regulation Section 1.704-2(i)(4).

(b) All "nonrecourse deductions" (as defined in Treasury Regulation Section 1.704-2(b)(1)) of the LLC for any year shall be allocated to the Members in accordance with their respective Percentage Interests, provided, however, that nonrecourse deductions attributable to "partner nonrecourse debt" (as defined in Treasury Regulation Section 1.704-2(b)(4)) shall be allocated to the Members in accordance with the provisions of Treasury Regulation Section 1.704-2(i)(1).

(c) Items of income or gain (computed with the adjustments contained in paragraphs (i), (ii), (iii), (vi) and (vii) of the definition of "Net Profits and Net Losses") for any taxable period shall be allocated to the Members in the manner and to the extent required by the "qualified income offset" provisions of Treasury Regulation Section 1.704-1(b)(2)(ii)(d).

(d) In no event shall Net Losses of the LLC be allocated to a Member if such allocation would cause or increase a negative balance in such Member's Adjusted Capital Account (determined, for purposes of this Section 7.3 only, by increasing the Member's Adjusted Capital Account balance by the amount the Member is obligated to restore to the LLC pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(c) and decreasing it by the amounts specified in Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(4), (5) and (6)).

(e) In the event that items of income, gain, loss or deduction are allocated to one or more Members pursuant to subsections (c) or (d) above, subsequent items of income, gain, loss or deduction from operations will first be allocated (subject to the provisions of subsections (c) and (d)) to the Members in a manner designed to result in each Member having a Capital Account balance equal to what it would have been if the original allocation of items pursuant to subsections (c), or (d) had not occurred.

7.4. Special Provisions.

Notwithstanding the foregoing provisions in this Article VII:

(a) Income, gain, loss and deduction with respect to LLC property which has a variation between its basis computed in accordance with Treasury Regulation Section 1.704-(b) and its basis computed for Federal income tax purposes shall be shared among Members so as to take account of the variation in a manner consistent with the principles of Section 704(c) of the Code and Treasury Regulation Section 1.704-3.

(b) Section 704 of the Code and the Treasury Regulations issued thereunder, including but not limited to the provisions of such regulations addressing qualified income offset provisions, minimum gain chargeback requirements and allocations of deductions attributable to nonrecourse debt and partner nonrecourse debt, are hereby incorporated by reference into this Agreement.

7.5. Distribution of Assets in Kind. No Member shall have the right to require any distribution of any assets of the LLC to be made in cash or in kind. If the Board of Managers determines to distribute assets of the LLC in kind, such assets shall be distributed on the basis of

their fair market value as determined by the Managers. Any Member entitled to any interest in such assets shall, unless otherwise determined by the Managers, receive separate assets of the LLC, and not an interest as tenant-in-common with other Members so entitled in each asset being distributed. Distributions in kind need not be made on a pro-rata basis but may be made on any basis which the Managers determine to be reasonable under the circumstances.

7.6 Withholding and Other Taxes. If the Board of Managers determines in good faith that there is a material possibility that the LLC may be obligated to pay (or collect and pay over) the amount of any tax with respect to any Member's share of any income or distributions from the LLC, the LLC shall pay (or collect and pay over) the amount of such tax to the appropriate taxing authority. Any amount so paid with respect to a Member shall reduce the amount of any distribution that the Member would otherwise be entitled to receive at the time of the payment. If the amount paid with respect to a Member exceeds the amount of distributions then payable to such Member, such excess shall be treated as a loan to the Member from the LLC, payable with interest at the rate of the prime rate of interest announced from time to time within ten (10) days after such time that the LLC makes payment to the appropriate taxing authority. If for any reason the amount of such loan is not timely paid, then such unpaid amount shall be set off against any future distributions to which such Member otherwise would have been entitled.

ARTICLE VIII - Death or Incompetence of a Member

8.1. Death or Incompetence of a Member. If a Member dies, such Member's executor, administrator, or trustee, or, if he or she is adjudicated incompetent, such Member's guardian, or, if it is a corporation, trust, limited liability LLC or partnership and is dissolved, the liquidator, shall automatically become an assignee (the "Assignee") of the Membership Interest of the deceased, incompetent, or dissolved Member. The Assignee may receive distributions and shall have all the rights of a Member for the purpose of settling or managing such deceased or incompetent Member's estate, but shall not be a Member and shall not have the power to vote such Member's Membership Interest. The Assignee shall also have such power as the decedent, incompetent or dissolved entity possessed to assign all or any part of the Member's Membership Interest.

ARTICLE IX - Dissolution, Liquidation and Termination

9.1. Dissolution. The LLC shall dissolve and its affairs shall be wound up upon the first to occur of the following:

- (a) the written consent of the Members;
- (b) the entry of a decree of judicial dissolution under Section 44 of the Act;
- (c) the consolidation or merger of the LLC in which it is not the resulting or surviving entity; or

(d) the sale or other disposition of all or substantially all of the assets of the LLC, unless the disposition is a transfer of assets of the LLC in return for consideration other than cash and the Board of Managers determines not to distribute all or substantially all of such non-cash items to the Members.

9.2. Liquidation. Upon dissolution of the LLC, the Board of Managers shall act as its liquidating trustees or the Board of Managers may appoint one or more Managers or Members as liquidating trustee. The liquidating trustees shall proceed diligently to liquidate the LLC and wind up its affairs and shall dispose of the assets of the LLC as provided in Section 7.2 hereof. Until final distribution, the liquidating trustees may continue to operate the business and properties of the LLC with all of the power and authority of the Board of Managers. As promptly as possible after dissolution and again after final liquidation, the liquidating trustees shall cause an accounting by the accounting firm then serving the LLC of the LLC's assets, liabilities, operations and liquidating distributions to be given to the Members.

9.3. Certificate of Cancellation. Upon completion of the distribution of LLC assets as provided herein, the LLC shall be terminated, and the Board of Managers (or such other person or persons as the Act may require or permit) shall file a Certificate of Cancellation with the Secretary of the Commonwealth of Massachusetts under the Act and take such other actions as may be necessary to terminate the existence of the LLC.

9.4 Procedures on Dissolution. Dissolution of the LLC shall be effective on the day on which occurs the event giving rise to the dissolution, but the LLC shall not terminate until the Certificate shall have been canceled and the assets of the LLC shall have been distributed as provided herein. Notwithstanding the dissolution of the LLC, prior to the termination of the LLC, as aforesaid, the business of the LLC and the affairs of the Members, as such, shall continue to be governed by this Agreement. The Board of Managers or a liquidator appointed by the Board of Managers, shall liquidate the assets of the LLC, apply and distribute the proceeds thereof as contemplated by this Agreement and cause the cancellation of the Certificate.

ARTICLE X - Fiscal Matters

10.1 Books and Records. The Board of Managers shall keep complete and accurate books and records of the LLC on the income tax method of reporting and otherwise in accordance with generally accepted accounting principles consistently applied, which shall be maintained and be available, in addition to any documents and information required to be furnished to the Members under the Act, at the office of the LLC for examination and copying by any Member or Manager at its reasonable request and at its expense during ordinary business hours. A current list of the full name of each Member and Manager; a copy of this Agreement and any amendments thereto; the Certificate, including all certificates of amendment thereto; executed copies of all powers of attorney, if any, pursuant to which this Agreement, any amendment, the Certificate or any certificate of amendment has been executed; and copies of the LLC's financial statements and federal, state and local income tax returns and reports, if any, for the three most recent fiscal years, shall be maintained at the registered office of the LLC as required by Section 5 of the Act.

10.2 Bank Accounts. The Board of Managers or the Treasurer shall be responsible for causing one or more accounts to be maintained in a bank (or banks) that is a member of the FDIC, which accounts shall be used for the payment of the expenditures incurred by the Board of Managers in connection with the business of the LLC, and in which shall be deposited any and all cash receipts of the LLC. All deposits and funds not needed for the operations of the LLC may be invested in short-term investments, including securities issued or fully guaranteed by United States government agencies; certificates of deposit of banks; bank repurchase agreements covering the securities of the United States government; commercial paper; money market funds; interest-bearing time deposits in banks and thrift institutions; and such other similar investments as the Board of Managers may approve. All such amounts shall be and remain the property of the LLC, and shall be received, held and disbursed by the Board of Managers for the purposes specified in this Agreement. There shall not be deposited in any of said accounts any funds other than funds belonging to the LLC, and no other funds shall in any way be commingled with such funds. Withdrawals from any LLC bank or similar account shall be made and other activity conducted on such signature or signatures as shall be approved by the Board of Managers.

10.3 Loans and Mortgages. Each Member shall cooperate in providing all documents and information necessary for securing any financing, loans, or mortgages, or maintaining them, as requested by the Board of Managers within 14 days of such a request.

ARTICLE XI - Transfers of Interest

11.1 General Restrictions on Transfer of Interests by Members.

(a) No Member may Transfer some or all of his, her or its interest in the LLC unless the Board of Managers (acting exclusive of any Manager that is, or is affiliated with, the Transferring Member) shall have previously approved such Transfer unanimously in writing, the granting or denying of which approval shall be in the Board of Managers' absolute discretion.

(b) No assignment of the interest of a Member shall be made if, in the opinion of counsel to the LLC, such assignment (i) may not be effected without registration under the Securities Act; (ii) would result in the violation of any applicable state securities laws; (iii) unless approved by the Board of Managers (acting exclusive of any Manager which is, or is affiliated with, the Transferring Member), would result in a termination of the LLC under Code § 708; or (iv) unless approved by the Board of Managers (acting exclusive of any Manager which is, or is affiliated with, the Transferring Member), would result in the treatment of the LLC as an association taxable as a "publicly traded limited partnership" for tax purposes. The LLC shall not be required to recognize any such assignment until the instrument conveying such interest has been delivered to the Board of Managers for recordation on the books of the LLC. Unless an assignee becomes a substituted Member in accordance with the provisions of Section 11.1(b), the assignee shall not be entitled to any of the rights granted to a Member hereunder, other than the right to receive all or part of the share of the Gross Income, Net Profits, Net Losses, Nonrecourse Deductions, cash distributions or returns of capital to which his or her assignor would otherwise be entitled.

(c) An assignee of the interest of a Member, or any portion thereof, shall become a substituted Member entitled to all the rights of a Member if, and only if:

(i) the assignor gives the assignee such right;

(ii) the Board of Manager approves the transfer;

(iii) the assignee pays to the LLC all costs and expenses incurred in connection with such substitution, including specifically, without limitation, costs incurred in the review and processing of the assignment and in amending the LLC's then current Certificate and/or Operating Agreement, if required; and

(iv) the assignee executes and delivers an Instrument relating to this Agreement (and to the Certificate, if required), which Instrument shall be executed by a person authorized by the Board of Managers and by such assignee, and such other instruments, in form and substance satisfactory to the Board of Managers (acting exclusive of any Manager which is, or is affiliated with, the assigning Member), as may be necessary, appropriate or desirable to effect such substitution and to confirm the agreement of the assignee to be bound by the terms and provisions of this Agreement.

(d) The LLC and the Board of Managers shall be entitled to treat the record owner of any LLC interest as the absolute owner thereof in all respects, and shall incur no liability for distributions of cash or other property made in good faith to such owner until such time as a written assignment of such interest has been received and accepted by the Board of Managers and recorded on the books of the LLC. The Board of Managers may refuse to accept an assignment until the end of the next successive quarterly accounting period. In no event shall any membership interest, or any portion thereof, be sold, transferred or assigned to a minor or incompetent, and any such attempted sale, transfer or assignment shall be void and ineffectual and shall not bind the LLC or the Board of Managers.

11.2 Restrictions as to Certain Matters. Every Transfer of an interest of a Member of the LLC permitted by this Article VIII shall be subject to the following restrictions:

(a) No Transfer of any interest in the LLC may be made if such Transfer would cause or result in a breach of any agreement binding upon the LLC or of then applicable rules and regulations of any governmental authority having jurisdiction over such Transfer. The Board of Managers may require as a condition of any Transfer that the transferor furnish an opinion of counsel, satisfactory to the LLC (both as to counsel and as to the substance of the opinion), that the proposed Transfer complies with applicable law, including federal and state securities laws, and does not cause the LLC to be an investment company as such term is defined in the Investment Company Act of 1940, as amended;

(b) Any person who acquires in any manner whatsoever an interest (or any part thereof) in the LLC, whether or not such person has accepted and assumed in writing the terms

and provisions of this Agreement or been admitted into the LLC as a Member as provided in Section 8.01(b), shall be deemed, by acceptance of the acquisition thereof, to have agreed to be subject to and bound by all of the obligations of this Agreement with respect to such interest and shall be subject to the provisions of this Agreement with respect to any subsequent Transfer of such interest;

(c) Any Transfer in contravention of any of the provisions of this Agreement shall be null and void and ineffective to transfer any interest in the LLC, and shall not bind, or be recognized by, or on the books of, the LLC, and any transferee or assignee in such transaction shall not be or be treated as or deemed to be a Member for any purpose.

ARTICLE XII - General Provisions

12.1. Offset. Whenever the LLC is obligated to make a distribution or payment to any Member, any amounts that such Member owes the LLC may be deducted from said distribution or payment by the Managers.

12.2. Notices. Except as expressly set forth to the contrary in this Agreement, all notices, requests, or consents required or permitted to be given under this Agreement must be in writing and shall be deemed to have been properly given if sent by registered or certified mail, postage prepaid, by commercial overnight courier, by facsimile, by email or if delivered in hand to Members at their addresses on Schedule A, or such other address as a Member may specify by notice to the Managers. Whenever any notice is required to be given by law, the Certificate or this Agreement, a written waiver thereof, signed by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

12.3. Entire Agreement; Binding Effect. This Agreement constitutes the entire agreement of the Members and the Managers relating to the LLC and supersedes all prior oral or written agreements or understandings with respect to the LLC. This Agreement is binding on and inures to the benefit of the parties and their respective successors, permitted assigns and legal representatives.

12.4. Amendment or Modification. Except as specifically provided herein, this Agreement may be amended or modified from time to time only by a written instrument signed by all Members.

12.5. Governing Law; Severability. This Agreement is governed by and shall be construed in accordance with the law of The Commonwealth of Massachusetts, exclusive of its conflict-of-laws principles. In the event of a conflict between the provisions of this Agreement and any provision of the Certificate or the Act, the applicable provision of this Agreement shall control, to the extent permitted by law. If any provision of this Agreement or the application thereof to any person or circumstance is held invalid or unenforceable to any extent, the remainder of this Agreement and the application of that provision shall be enforced to the fullest extent permitted by law. The exclusive jurisdiction and venue for any proceedings brought

under this Agreement shall be the courts of Suffolk County, Massachusetts, and the parties expressly consent to such jurisdiction and venue.

12.6. Waiver of Certain Rights. Each Member irrevocably waives any right it may have to maintain any action for dissolution of the LLC or for partition of the property of the LLC. The failure of any Member to insist upon strict performance of a covenant hereunder or of any obligation hereunder, irrespective of the length of time for which such failure continues, shall not be a waiver of such Member's right to demand strict compliance herewith in the future. No consent or waiver, express or implied, to or of any breach or default in the performance of any obligation hereunder shall constitute a consent or waiver to or of any other breach or default in the performance of the same or any other obligation hereunder.

12.7. Third-Party Beneficiaries. The provisions of this Agreement are not intended to be for the benefit of any creditor or other person to whom any debts or obligations are owed by, or who may have any claim against, the LLC or any of its Members or Managers, except for Members or Managers in their capacities as such. Notwithstanding any contrary provision of this Agreement, no such creditor or person shall obtain any rights under this Agreement or shall, by reason of this Agreement, be permitted to make any claim against the LLC or any Member or Manager.

12.8. Interpretation. For the purposes of this Agreement, terms not defined in this Agreement shall be defined as provided in the Act; and all nouns, pronouns and verbs used in this Agreement shall be construed as masculine, feminine, neuter, singular, or plural, whichever shall be applicable. Titles or captions of Articles and Sections contained in this Agreement are inserted as a matter of convenience and for reference, and in no way define, limit, extend or describe the scope of this Agreement or the intent of any provision hereof.

12.9. Counterparts. This Agreement may be executed in any number of counterparts with the same effect as if all parties had signed the same document, and all counterparts shall be construed together and shall constitute the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Operating Agreement under seal as of the date set forth above.

EXECUTIVE SUMMARY

KRD Growers, LLC. is a registered Massachusetts corporation. We are entering the adult use cannabis industry. This is an industry, in its infant stage, with great opportunity for growth. To assure a top quality product, we are a vertically integrated company, meaning we will grow, process and retail our products.

The projected sales for Massachusetts in 2019 are \$700 million to \$1 billion and Marijuana Business Daily projects Massachusetts to be one of the largest

markets in the country. We forecast, conservatively, that we will be able to capture 1% of the market giving us projected sales of seven to ten million dollars annually.

In order to open our facility we need to obtain a “host agreement” with the Town of Clinton, MA. Once we have the host agreement then we will submit our application for the licenses to the Cannabis Control Commission (CCC). This process may take six to eight months. When the licenses are approved we will begin our build- out for the facility.

Our plan is to obtain our retail license as soon as possible and open the retail store, while we are building out our cultivation and processing facility. We can purchase product from other licensed cultivators to supply our retail store, until we have our own product ready.

Objectives

The objective timeline for operation is as follows.

- Obtain a host agreement from the Town of Clinton, MA and licensing from the CCC – six to eight months.
- From the time of license approval is the projected timeline for the following:
 - Three months to open retail with product sourced from an outside vendor.
 - Six months to start cultivation.
 - One year to start processing.

MISSION STATEMENT

DESCRIPTION OF BUSINESS

We are vertically integrated providing the control of product from seed to sale. This, also will enable us to maximize quality by being the manufacturer and retailer. Our commitment to detail, trends and record keeping will ensure compliance with the CCC and the demand of our customers.

Company Ownership/Legal Entity

KRD Growers, LLC is registered in the state of Massachusetts. Kalpesh Desai is the stock holder.

A leading architecture firm, BKA Architects, with extensive experience in designing cannabis facilities has been hired as consultants to help design the building and grow products.

Location

KRD Growers has executed a Twenty year lease of a thirty thousand square foot property located at 89 Parker St., Clinton, MA. We have negotiated an option to buy the property at our discretion at a predetermined price.

The building is a 100 year old manufacturing building with all manufacturing and retail to be done on the first floor at street level. Executive and administrative offices will be on the second floor. There is parking for approximately 65 vehicles including employee parking.

Interior

We have hired the architecture firm BKA Architects to design the interior and exterior

modifications to the building. BKA has extensive experience in designing cannabis facilities.

Construction will be extensive with the building of grow rooms, four – two thousand sq. feet flower rooms, one – two thousand sq. foot vegetative room, drying and curing rooms, clone room, process room, storage rooms, kitchen and retail space of four thousand sq. feet. In addition we will install a state of the art HVAC system, CO2 system and water and nutrient system.

The entire premises, inside and out will have a security system with lighting, alarms and 24/7 cameras with ninety days backup.

The retail store will have security personnel to check ID's and control the flow of customers from the waiting room into the retail store. All products will be in glass cases and not accessible to the customer. There will be eight registers with trained "budtenders" to wait on the customers.

Hours of Operation

Hours of retail operation will be everyday 8:00am - 10:00pm

Products and Services

Products offered will be a minimum of 10 strains of flower to include sativa, indica and hybrid. Edibles in the form of gummies, cookies and chocolates. Extract oils, tinctures and CBD products. All products will be tested by independent state approved labs to ensure quality and absence of contaminants and harmful chemicals.

We will, also offer rolling papers, pipes, water pipes and vaporizers.

Our staff will be trained to consult with our customers by asking questions about their use and will have extensive knowledge of the products.

Manufacturing

To manufacture extracts and oils we will use a super critical CO2 process

where the CO2 is pressurized into liquid form and washed over the plant material thereby separating the cannabinoids and terpenes from the plant. We feel this is the safest and most desirable method of extraction. The extracted oil can be used directly in vaporizer cartridges or further distilled. After further distillation the oil can be infused into edible and topical products without effecting taste or smell. The pure and concentrated oil is a homogenized product that allows patients/customers to ingest their medicine in a way that does not involve smoking.

KRD GROWERS, LLC. IS PROUD TO JOIN CLINTON AND THE STATE OF MASSACHUSETTS AS INDUSTRY LEADERS.

Massachusetts Officially Joins The Legal Cannabis Market

Legal cannabis sales for adults 21 and over launched on Tuesday [November 20, 2018] in Massachusetts, marking the first legal adult-use dispensaries to open on the East Coast! The first customers to purchase cannabis were two U.S. military veterans, including Northampton Mayor David Narkewicz.

Residents in the Bay State voted to legalize cannabis in 2016. While only two dispensaries are currently licensed and open for business, a slow roll out of additional licenses are expected to be fully realized over the coming years. The market in Massachusetts is expected to grow to over \$1 billion by the year 2022, according to Arcview Market Research.

“Congratulations to Massachusetts for taking this important step toward implementing the rational cannabis policies supported by voters across the commonwealth,” stated NCIA executive director Aaron Smith in response to the launch of regulated sales. “It’s been a long time coming but we look forward to the development of a prosperous cannabis industry in the Bay State, as criminal markets are replaced by licensed businesses that create jobs and tax revenue while responsibly serving adult consumers safe cannabis products.”

In the densely populated Northeast region of the U.S., Massachusetts is setting the stage for nearby states to adopt similar cannabis policies.

THE FUTURE

Predicting the future of cannabis isn't the easiest thing to do, but here are three guesses from leaders in the cannabis industry.

“Based upon informed consensus that cannabis will be federally de-scheduled in 2021, this single industry will fork into three primary sectors: recreational/wellness, medical/pharmaceutical, and industrial. Each of these will likely in turn have disbursed into numerous sub-forks e.g., infusion/food, families of related pharmaceuticals indicated for broad & specific medical conditions, and a wide range of sub-industry sectors related to whole new hemp-based industrial and commercial applications. Aggregate revenue across all related sectors will exceed \$100B, employing 10%-15% of the US population.”

— *Nathaniel Gurien | CEO of FINCANN*

“Over the next couple years we will see 40 or more states approving cannabis for medicinal use, the overwhelming majority of those states going full recreational. I anticipate the next administration will lean left and that will likely be the catalyst to a push for re-scheduling and federal approval. With this deregulation, we will see national support among citizens grow into the 70% or higher range, making M&A activity more commonplace among traditional firms and corporate sponsorships from cannabis companies less stigmatized and more mainstream. From a product perspective, I foresee concentrates continuing to dominate the marketplace and software and workflow automation systems pushing standardization across the industry.”

— *Danny Davis | Managing Partner of Convectium*

“I predict there will be a new mainstream name for “cannabis”-derived products and we will have gained enough understanding to arrange the properties freely to target different conditions or symptoms. Creative consumption methods will appear and we will see a market more dynamic than the one from the wine industry, which cannabis is often compared to. I believe the world will be a better place in terms of cannabis acceptance and adaptation.”

Diversity Plan

I. Intent

KRD Growers, LLC (“KRD”) is committed to creating a diverse workforce by utilizing hiring practices that do not discriminate against women, minorities, veterans, persons with disabilities and LGBTQ+ individuals. Furthermore, it is our belief that the more diverse and inclusive our team is the more successful KRD will be in Massachusetts as we seek to utilize ideas and innovations from a variety of backgrounds, experiences and cultures.

II. Purpose

KRD’s Diversity Plan has been created to ensure that our hiring practices create a diverse and inclusive organization. In doing so, individuals will be able to apply their life experiences and talents to support the goals of the company.

KRD’s Diversity Plan is meant to be an evolving document designed to guide decisions and practices that ensure we are able to reach our goals described below. The Diversity Plan represents an initial approach to establish a comprehensive management plan with goals and measures for inclusion and diversity. The Diversity Plan will be evaluated and modified, when necessary, as our company grows and expands.

Any actions taken, or programs instituted, by KRD will not violate the Cannabis Control Commission’s regulations with respect to limitations on ownership or control or other applicable state laws or regulations.

III. Proposed Initiatives, Goals and Metrics

GOAL 1: Recruit and hire a diverse group of employees that values and promotes inclusiveness among the workforce with a goal of hiring a workforce that is made up of at least 50% women and 25% described as minorities, veterans, people with disabilities, and LGBTQ individuals with a goal to increase the number of individuals falling into these demographics working in the establishment.

Proposed Initiative: To achieve this goal, KRD will:

- Create gender-neutral job descriptions;
- Recruit from state and local employment staffing groups such as Masshire Worcester Career Center;
- Post hiring needs in diverse publications such as a variety of web-based recruitment platforms such as indeed.com;
- Participate in local hiring events and job fairs, at least two annually, including events held by the Massachusetts Cannabis Business Association (MassCBA);

- Attend community group meetings in and around Clinton, at least two annually, to introduce KRD and address our existing hiring needs to attract a diverse array of individuals, with an emphasis on those affiliated with the cannabis industry.

KRD will adhere to the requirements set forth in 935 CMR 500.105(4) relative to the permitted and prohibited advertising, brand, marketing, and sponsorship practices of marijuana establishments. KRD will engage with community groups and leaders to further identify ways in which to attract candidates that may not otherwise be aware of employment opportunities with KRD. To ensure that our workplace is an inclusive environment and to promote equity among our team, all hiring managers will undergo training to address bias and cultural sensitivity.

Metrics and Evaluation: KRD will assess the demographics of its employees to see if it is meeting its goal of increasing diversity in these positions. KRD will annually analyze the staffing makeup and based upon the outcome of those analytics, determine what steps are necessary to further increase the diversity of KRD. KRD will assess and review its progress within a year of receiving its Provisional License from the Cannabis Control Commission for an adult-use marijuana establishment and then annually thereafter during the time of its renewal. Based upon this annual review and in conjunction with the renewal of its license, KRD will be able to demonstrate to the Commission the success of this initiative.

GOAL 2: Ensure that all participants in our supply chain and ancillary services are committed to the same goals of promoting equity and diversity in the adult-use marijuana industry. KRD's goal will be to work with at least 15% of businesses who identify as one of the Plan Populations throughout its supply chain and services.

Proposed Initiative: To accomplish this goal, KRD will prioritize working with businesses in our supply chain and required ancillary services that are owned and/or managed by minority groups; women, veterans, people with disabilities, and/or LGBTQ+ individuals (herein referred to as Plan Populations). In order to target a diverse supplier base, KRD will post hiring needs in diverse publications such as a variety of web-based recruitment platforms and attend community group meetings, at least two annually, to introduce KRD and address the existing hiring needs to attract a diverse array of suppliers. KRD will adhere to the requirements set forth in 935 CMR 500.105(4) relative to the permitted and prohibited advertising, brand, marketing, and sponsorship practices of marijuana establishments. During its engagement with community groups and leaders referenced in Goal 1, KRD will further identify ways in which to attract diverse supply chain candidates that may not otherwise be aware of employment opportunities with KRD.

Metrics and Evaluation: KRD will measure how many of its ancillary services and participants in its supply chain are owned and/or managed by Plan Populations and will calculate the percentage of services and members of its supply chain who meet this requirement. KRD will ask suppliers and ancillary services if they would identify themselves as a business that is owned or managed by one of the Plan Populations and give supplier contractor priority to these

businesses. KRD will assess these percentages annually and will be able to demonstrate to the Commission the success of its progress upon the renewal of its license each year.

IV. Conclusion

KRD will conduct continuous and regular evaluations of the implementation of its goals and at any point will retool its policies and procedures in order to better accomplish the goals set out in this Diversity Plan. Any actions taken, or programs instituted by KRD will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.
