COMPLIANCE WITH POSITIVE IMPACT PLAN

Progress or Success Goal 1

Description of Progress or Success: Goal: Mayflower Medicinals, Inc. ("Mayflower") will institute a twelve-week paid fellowship program within its Holliston facility to offer on-the-job skills training to individuals who are past or present residents of the geographic "areas of disproportionate impact", are Social Equity Program participants, maintain marijuana-related convictions, or have parents or spouses with past marijuana related convictions. Mayflower sought to host at least 12 fellows over its first two years of operation, estimating that an average of two fellows would be on site at any given time.

Progress: Mayflower has made significant progress towards hiring its first cohort of fellowship program participants for 2020. Please see the enclosed application for the fellowship program that was made available at Mayflower's recent job fair in January 2020, posted on Mayflower's website (<https://www.mayflowermedicinals.com/fellowship-program/>), and otherwise advertised via social media. Additional career events advertising the fellowship program are currently scheduled in Worcester on April 3, 2020, and in Boston on April 17, 2020, but Mayflower anticipates rescheduling such events due to the COVID-19 outbreak. Mayflower intends to hire three cohorts of fellows for Summer 2020, Fall 2021, and Spring 2022. Four fellows will be hired per cohort.

Progress or Success Goal 2

Description of Progress or Success: Goals: Mayflower will partner with neighborhoods in areas of disproportionate impact to identify and develop gardens and green spaces within their communities. Mayflower intends to measure its progress through sustained management of a garden and green space within the local community through the duration of the program and number of community educational events held, with a goal of hosting three (3) annually.

Progress: Shortly after being awarded its Provisional License, Mayflower was informed by community members in the City of Boston that an opportunity existed to assist in beautifying an underutilized stretch of median along a street proximate to its existing Medical Marijuana Treatment Center. Working collaboratively with the City of Boston, former City Councilor Mark Ciommo, and other community members, Mayflower has entered into an agreement to fund the plantings and engage with a local group of volunteers to complete seasonal plantings at least three times per year. To achieve this goal:

- > Mayflower consulted with an architect to design a landscaping plan. Please see the enclosed plan.
- > Mayflower obtained a contract with the City of Boston for limited street improvement for two medians. Please see the enclosed contract.
- > Mayflower engaged a professional landscape company from a Commission-designated Area of Disproportionate Impact to perform the landscaping work.

Please see the enclosed quote.

> Mayflower entered into a partnership with Allston Village Main Streets to engage community volunteers to complete seasonal plantings. Mayflower is coordinating with Alex Cornacchini, Executive Director of Allston Village Main Streets. Plantings are anticipated to occur three times each year, achieving Mayflower's goal.

Progress or Success Goal 3

Description of Progress or Success: Goal: Mayflower will partner with local colleges and art schools in communities of disproportionate impact to identify students in art programs who have an interest in graphic design, packaging art, and displaying their art on Mayflower's packaging or in Mayflower's dispensaries. Within two (2) years, Mayflower intends to partner with and display the art of at least eight (8) artists from communities of disproportionate impact and to develop a regular schedule through which to issue artistic requests for information.

Progress: Mayflower has conducted outreach for the pilot portion of its art and packaging program. Please see the enclosed project timeline and draft contract with the initial artist for the pilot program. Mayflower anticipates launching its first product using artwork from this local student on April 24, 2020. Upon the successful completion of its first term, Mayflower will expand the breadth of its project to meet its goal of utilizing artwork from eight artists in two (2) years.

Progress or Success Goal 4

Description of Progress or Success: Goal: Mayflower will conduct industry-specific and business-g geared educational seminars. Monthly sessions will be held geared towards both industry-relevant and general business topics including accounting, networking, resume writing, technical writing, reading use regulations, and others. These skills seminars will be held at Mayflower's establishment and available public and community spaces in areas of disproportionate impact. Mayflower will use best efforts to host these seminars at locations that are accessible by public transportation. Mayflower intends to host at least 20 skills seminars across the Commonwealth within two (2) years.

Progress: When designing its Fellowship Program, Mayflower determined that the most effective use of time and resources would be to integrate its industry skills seminars as course components of the Fellowship Program described above. Each month, fellows will participate in a skills seminar inside or outside of the facility that will be recorded and made available via a skills training archive on YouTube. Mayflower will make its skills training library available to the public and will seek to publicize it through outreach to advocacy groups, SEO optimization, and links on Mayflower's website. Fellows will also be required to coordinate their own industry training within their communities as a condition of graduation from the program. Through this model, Mayflower anticipates that it will achieve its goal of hosting 20 skills seminars by May 2021.

COMPLIANCE WITH DIVERSITY PLAN

Diversity Progress or Success 1

Description of Progress or Success: Goal: Mayflower Medicinals, Inc. ("Mayflower") obtained its Provisional License prior to the Commission's issuance of updated, detailed guidance relative to Diversity Plans. As such, initial hiring goals were set more broadly to increase the total number of diverse individuals working in its establishment. However, in connection with the submission of additional License applications, Mayflower has internally revised its goal, instead seeking to hire at least 25% of new employees from diverse groups, subject to the suitability of the individual applicants. Mayflower will specifically make best efforts to hire at least 15% of new employees that are women and/or minorities and 10% employees that identify as veterans, LGBTQ, and with a disability.

Progress: Mayflower hired 51 new employees to work at its Holliston Cultivation and Product Manufacturing facility and Boston MTC dispensary between May 2019 – March 2020. As outlined below, Mayflower has had success in achieving its hiring goals.

- > 16 women were hired (31% of all hires);
- > 13 minorities were hired (24% of all hires)
- > Three veterans were hired (6% of all hires)

Diversity Progress or Success 2

Description of Progress or Success: Goal: Mayflower sought to host four (4) career fairs annually within the City of Worcester, the City of Lowell, and the City of Boston. Job fairs and employment opportunities were to be advertised in diverse publications including bilingual media, public boards, and networking groups.

Progress: At the time of this License Renewal submittal, Mayflower has made significant progress towards this goal by hosting two job fairs designed for its Worcester and Boston establishments on September 24, 2019 and January 10, 2020, respectively. Additional career fair events are currently scheduled in Worcester on April 3, 2020, and in Boston on April 17, 2020, but Mayflower anticipates rescheduling such events due to the COVID-19 outbreak. Please see the attached postings. In addition to traditional career fair advertisements on Indeed and Mayflower's career page on its website, Mayflower sought to reach diverse groups through public postings on EventBrite and targeted advertisements on Facebook, Instagram, and Twitter conducted in full compliance with marketing and advertising regulations set forth within 935 CMR 500.105(4). Mayflower's online advertising to promote its September 2019 fair reached 1,052 unique individuals.

Diversity Progress or Success 3

Description of Progress or Success: Goal: Utilization of job boards as well as social media for recruiting efforts.

Progress: Mayflower utilizes JazzHR as a tool to manage postings across a wide variety of human resources platforms to reach as diverse of a range of applicants as possible. Through JazzHR, Mayflower posted each available position across 24 different online job boards in order to reach a vast cross section of diverse applicants. Job boards included Career Builder, Monster, LinkedIn, Glassdoor, ZipRecruiter, Google, Facebook, Adzuna, Neuvoo, Jobcase, Zoek, Indeed, Sercanto, Careerjet Jooble, the Muse, Oodle, Myjobhelper.com, Wowjobs, Trovit, Twitter, Flexjobs, Job.net, and Cbcjobs.

Diversity Progress or Success 4

Description of Progress or Success: Goal: Mayflower will host one training annually on cultural sensitivity and recognizing unconscious bias.

Progress: Mayflower held a diversity and inclusion training for managerial staff in October 2019. Please see the enclosed presentation materials. Mayflower will continue developing cannabis-specific trainings for staff over the coming year.

Diversity Progress or Success 5

Description of Progress or Success: Goal: Mayflower will encourage employees to refer candidates from diverse groups for employment.

Progress: During the year, Mayflower posts job openings internally. This is to allow for team members to apply internally and to solicit any referrals. Mayflower specifically indicates in internal job postings the following: "Mayflower encourages applicants for employment without regard to race, color, religion, sex, national origin, age, disability or genetics. We value all team members by embracing their diverse talents, perspectives, and experiences, and fostering inclusion that inspires innovation, encourages respect and promotes unlimited success. Our goal is to attract and sustain a diverse workforce by recruiting, hiring, developing and retaining high-performing employees who work collaboratively to carry out the mission of Mayflower."

Diversity Progress or Success 6

Description of Progress or Success: Goal: Mayflower will provide briefings to representatives from recruitment sources tailored to diverse individuals concerning current and future job openings and develop relationships with community programs designed to improve employment opportunities for diverse persons.

Progress: As Mayflower prepares for the opening of other licensed facilities, including a marijuana retailer in Worcester, it has developed initial relationships with workforce development programs seeking to provide re-entry services that it will utilize as a partner to identify individuals for hire in its retail facility or in its Holliston cultivation and product manufacturing facilities.

Diversity Progress or Success 7

Description of Progress or Success: Goals: Mayflower will utilize suppliers that value diversity and inclusion.

Progress: Mayflower has not utilized any new suppliers during this permit term as its facility and operations were built out and established under its medical license. When it procures new vendors, it will seek to utilize diverse vendors that maintain a valid certificate issued by a third-party certifying organization (Unified Certification Program (UCP), Woman's Business Enterprise National Council (WBENC), National Minority Supplier Development Council (NMSDC), United States Small Business Administration (SBA) 8(a) Program, or Vets First Verification Program (vetbiz.gov)

or a valid Massachusetts certificate issued by the Supplier Diversity Office to demonstrate the entity is a Diverse Group.

Diversity Progress or Success 8

Description of Progress or Success: Goal: Mayflower will establish a Diversity Committee to assist the executive management team with the implementation and growth of the Diversity Plan. The Diversity Committee will provide annual reports measuring the success of Mayflower's programs and initiatives.

Progress: After identifying target areas for Mayflower's Diversity & Inclusion Plan (Recruitment, Retention and Development), the Diversity and Inclusion Committee determined that it needed a tool to help evaluate how to support and improve retention and development efforts. To create a standard from which to measure success of program actions, the Diversity and Inclusion Committee created a Company Culture Benchmark Survey. Selected portions of this analysis are attached. The goals of this survey were to 1) help inform the creation of objective standards for measurement of company progress, and 2) engage all team members in the process of identifying focus areas and improvement plans. The starting point provided by the Benchmark Survey will show the company where it already succeeds and where we can continue to improve. Active participation and engagement of all team members in conversations about Diversity and Inclusion are essential to program and company success. The responses obtained through the survey directly impacted the program goals and next steps of the Diversity and Inclusion Committee. The Committee has proactively reviewed this feedback and directly incorporated it into its day-to-day operations.

In accordance with Zoning Ordinance Article IV, Section 15, Mayflower’s proposed Marijuana Retailer Establishment is located at 645 Park Avenue in the BG-3.0 Business, General Zoning District designated for Marijuana Retailer Establishments.

PLAN TO POSITIVELY IMPACT AREAS OF DISPROPORTIONATE IMPACT

Overview

Mayflower Medicinals, Inc. (“Mayflower”) is dedicated to serving and supporting the areas around it, particularly those that are classified as areas of disproportionate impact. The Cannabis Control Commission (“the Commission”) has identified the following as populations falling within areas of disproportionate impact:

1. Past or present residents of the geographic “areas of disproportionate impact,” which have been defined by the Commission and identified in its Guidance for Identifying Areas of Disproportionate Impact;
2. Commission-designated Economic Empowerment Priority applicants;
3. Commission-designated Social Equity Program participants;
4. Massachusetts residents who have past drug convictions; and
5. Massachusetts residents with parents or spouses who have drug convictions.

It is Mayflower's intention to be a contributing, positive force in areas of disproportionate impact and to assist in changing the perception of those associated with marijuana use. The objective of Mayflower’s Plan to Positively Impact Areas of Disproportionate Impact is to create an integrated program with multiple approaches to promote economic empowerment and community support, with a focus on providing training and skills which will enable individuals to find employment both in the cannabis industry and general hiring markets.

Mayflower’s goals include:

1. Reducing barriers to entry in the commercial adult-use cannabis industry;
2. Providing mentoring, professional, and technical services for individuals and businesses facing systemic barriers;
3. Promoting sustainable, socially and economically reparative practices in the cannabis industry in Massachusetts; and
4. Providing business assets (time, organization skills, finances) towards endeavors in a geographical location designated as a disproportionately impacted area that will have a positive impact on the members of that community or the community as a whole.

The Mayflower CLONE Program (Cannabis Learning Opportunities New England)

This program is designed with the objectives of providing skills, training and education in industry and business-applicable areas to facilitate in resume building and employment seeking. This program will focus on making such opportunities accessible to individuals facing systemic

barriers and individuals in geographical communities of disproportionate impact. to help tailor its efforts for the greatest positive impacts.

Mayflower believes these objectives will be best accomplished through an integrated program approach with multiple avenues, including:

Mayflower Paid Fellowship Program

Each semester, eligible fellows from the local community will be given an opportunity to gain relevant skills and industry experience in an area(s) of interest as a registered Mayflower agent. To be eligible as a fellow, a candidate must be at least 21 years of age, pass a background check and suitability determination, and meet the other minimum qualifications set forth in 935 CMR 500.000 for Marijuana Establishment Agents.

In addition, individuals will need to meet one or more of the below qualifications to be considered for the fellowship program:

- Past or present residents of the geographic “areas of disproportionate impact,” which have been designated by the Cannabis Control Commission and identified in its “Guidance for Identifying Areas of Disproportionate Impact”;
- State-designated Social Equity Program participants;
- Massachusetts residents who have past drug convictions; or
- Massachusetts residents with parents or spouses who have past drug convictions.

Areas of focus will include operations, cultivation, product manufacturing, marketing and branding, and business management. Each fellowship will last approximately 3 months, and fellows will receive one-on-one training, training manuals and materials, and regular evaluations. At the end of the fellowship, fellows will be eligible for full-time hiring. Mayflower will also serve as a reference when appropriate.

Mayflower intends to host 12 or more fellows within the first two (2) years of program operation. Within five (5) years, Mayflower intends to host 30 or more fellows, expand the program to additional facility locations, and offer additional length learning opportunities (expansion of time, mini internships for shorter periods).

Fellowship opportunities may be advertised through:

- Advertising fellowship opportunities in diverse publications including bilingual media, local networking groups and public boards;
- Providing briefings to representatives from recruitment sources tailored to individuals falling in the above-listed demographics concerning current and future fellowship openings;
- Encouraging current fellows to refer applicants from diverse groups for employment;
- Hosting informational sessions about the fellowship program; and
- Developing relationships with programs designed to improve employment opportunities for diverse persons.

Mayflower Community Gardens

Mayflower will partner with neighborhoods in geographic areas of disproportionate impact to identify and develop gardens and green spaces within their communities, with the intention of providing:

- Cultivation skills and techniques related to gardening and pesticide-free/green processes, which would be applicable both within the cannabis industry and as best practices for other types of cultivation;
- Green eating, and food desert knowledge;
- Sustainable practices;
- Additional community spaces; and
- Potential to cooperate with local farms, farmer's markets and food banks.

Mayflower intends to measure its progress through sustained management of a garden and green space within the local community through the duration of the program and number of community educational events held, with a goal of hosting three (3) annually.

Mayflower Art and Packaging Program

Mayflower will seek to identify fledgling artists in areas of disproportionate impact to identify individuals with an interest in graphic design, packaging art, and displaying their art on Mayflower's packaging or in Mayflower's dispensaries. Opportunities will be advertised in local media, within the facility, and via local community boards.

Program participation will involve art and design submissions to be selected, placed on packaging for promotion (as well as potentially featured on our social media), or working with selected submitters on process of developing compliant packaging. Participants must be 21 years of age or older. Mayflower believes that participants can utilize this program to enhance their artistic portfolio, expand exposure to their craft, and demonstrate proven experience working with clients.

Within two (2) years, Mayflower intends to partner with and display the art of at least eight (8) artists from communities of disproportionate impact and to develop a regular schedule through which to issue artistic requests for information.

Mayflower Skills Seminars

Mayflower will conduct industry-specific and business-g geared educational seminars on one or more of the following topics: marijuana cultivation, marijuana product manufacturing, marijuana retailing, or marijuana business training. Monthly sessions will be held with members of our Executive and Management teams and will be geared towards both industry-relevant and general business topics including accounting, networking, resume writing, technical writing, reading use regulations, and others.

These skills seminars will be held at Mayflower's establishment and available public and community spaces in areas of disproportionate impact. Mayflower will use best efforts to host these seminars at locations that are accessible by public transportation. Mayflower intends to

host at least 20 skills seminars across the Commonwealth within two (2) years and at least 50 skills seminars across the Commonwealth within five (5) years.

Skills seminars may be advertised through:

- Advertising seminars in diverse publications including bilingual media, local networking groups and public boards;
- Providing briefings to representatives from recruitment sources tailored to individuals falling in the above-listed demographics concerning upcoming skills seminars; and
- Developing relationships with programs designed to improve employment opportunities for diverse persons.

Plan Measurement and Accountability

Mayflower will utilize qualitative and quantitative measures to ensure that its goals are achieved.

Mayflower's Community Outreach Associate will be responsible for implementing all plans, measuring plan impact, and preparing quarterly reports for assessment by Mayflower's executive management team.

Mayflower will measure its program implementation by:

- Paid Fellowship Program: Count the number of fellows each year and measure against goals.
- Community Gardens: Count the number of events held each year and measure against goals.
- Art and Packaging Program: Count the number of artists selected each year and measure against goals.
- Skills Seminar: Count the number of events held each year and measure against goals.

At the end of the fiscal year, Mayflower's Executive Management Team will compare its goals versus actual impact. For each and every missed measure, Mayflower will make a contribution of \$2,500 to the Cannabis Control Commission's Social Equity Training and Technical Assistance Fund.

Acknowledgements

Mayflower will adhere to the requirements set forth in 935 CMR 500.105(4), which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.

Any actions taken or programs instituted by Mayflower will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

Section 1.1. Principal Office. The principal office of the Corporation shall be located at such place within the Commonwealth of Massachusetts as shall be fixed from time to time by the Board of Directors, and if no place is fixed by the Board of Directors, such place as shall be fixed by the President.

Article II SHAREHOLDERS

Section 2.1. Place of Meeting. Meetings of the shareholders shall be held at any place within or without the Commonwealth of Massachusetts that may be designated by the Board of Directors. Absent such designation, meetings shall be held at the principal office. The Board of Directors may, in its discretion, determine that the meeting may be held solely by means of remote electronic communication. If authorized by the Board of Directors, and subject to any guidelines and procedures adopted by the Board of Directors, shareholders not physically present at a meeting of shareholders, may participate in a meeting of shareholders by means of electronic transmission by and to the Corporation or electronic video screen communication; and, may be considered present in person and may vote at a meeting of shareholders, whether held at a designated place or held solely by means of electronic transmission by and to the Corporation or electronic video screen communication, subject to the conditions imposed by applicable law.

Section 2.2. Annual Meeting. The annual meeting of shareholders of this Corporation shall be held on such date and at such time as may be designated from time to time by the Board of Directors. At the annual meeting, Directors shall be elected, and any other business may be transacted that is within the power of the shareholders and allowed by law, provided, however, that, unless the notice of meeting, or the waiver of notice of such meeting, sets forth the general nature of any proposal to (i) approve or ratify a contract or transaction with a Director or with a corporation, firm, or association in which a Director has an interest; (ii) amend the Articles of Organization of this Corporation (the “**Articles of Organization**”); (iii) approve a reorganization or merger involving this Corporation; (iv) elect to wind up and dissolve this Corporation; or (v) effect a plan of distribution upon liquidation otherwise than in accordance with the liquidation preferences of outstanding shares with liquidation preferences, no such proposal may be approved at an annual meeting.

Section 2.3. Special Shareholders’ Meetings. Special meetings of the shareholders, for any purpose whatsoever, may be called at any time by the President, the Board of Directors, or by shareholders entitled to cast not less than ten percent (10%) of the corporation’s voting power. Any person entitled to call a special meeting of shareholders (other than the Board of Directors) may make a written request to the chair of the Board (if any), President, vice President, or secretary, specifying the general purpose of such meeting and the date, time and place of the meeting, which date shall be not less than thirty-five (35) days nor more than sixty (60) days after the receipt by such officer of the request. Within twenty (20) days after receipt of the request, the officer receiving such request forthwith shall cause notice to be given to the shareholders entitled

to vote at such meeting, stating that a meeting will be held on the date and at the time and place requested by the person or persons requesting a meeting and stating the general purpose of the meeting. If such notice is not given twenty (20) days after receipt by the officer of the request, the person or persons requesting the meeting may give such notice. No business shall be transacted at a special meeting unless its general nature shall have been specified in the notice of such meeting, provided, however, that any business may be validly transacted if the requirements for such validity, as provided in Section 2.12 of these Bylaws, are met.

Section 2.4. Shareholder Nominations and Proposals. For business (including, but not limited to Director nominations) to be properly brought before an annual or special meeting by a shareholder, the shareholder or shareholders of record intending to propose the business (the “**proposing shareholder**”) must have given written notice of the proposing shareholder’s nomination or proposal, either by personal delivery or by the United States mail to the secretary of the Corporation. In the case of an annual meeting, the proposing shareholder must give such notice to the secretary of the Corporation no earlier than one hundred-twenty (120) calendar days and no later than ninety (90) calendar days before the date such annual meeting is to be held. If the current year’s meeting is called for a date that is not within thirty (30) days of the anniversary of the previous year’s annual meeting, notice must be received not later than ten (10) calendar days following the day on which public announcement of the date of the annual meeting is first made. In no event will an adjournment or postponement of an annual meeting of shareholders begin a new time period for giving a proposing shareholder’s notice as provided above.

For business to be properly brought before a special meeting of shareholders, the notice of meeting sent by or at the direction of the person calling the meeting must set forth the nature of the business to be considered. A shareholder or shareholders who have made a written request for a special meeting pursuant to Section 2.3 of these Bylaws may provide the information required for notice of a shareholder proposal under this Section simultaneously with the written request for the meeting submitted to the secretary or within ten (10) calendar days after delivery of the written request for the meeting to the secretary.

A proposing shareholder’s notice shall include as to each matter the proposing shareholder proposes to bring before either an annual or special meeting:

- (a) The name(s) and address(es) of the proposing shareholder(s).
- (b) The classes and number of shares of capital stock of the Corporation held by the proposing shareholder.
- (c) If the notice regards the nomination of a candidate for election as Director:
 - (i) The name, age, business, and residence address of the candidate;
 - (ii) The principal occupation or employment of the candidate; and
 - (iii) The class and number of shares of the Corporation beneficially owned by the candidate.

- (d) If the notice is in regard to a proposal other than a nomination of a candidate for election as Director, a brief description of the business desired to be brought before the meeting and the material interest of the proposing shareholder of such proposal.

Section 2.5. Notice of Shareholders' Meeting. Except as otherwise provided by law, written notice stating the place, day, and hour of the meeting, and, in case of a special meeting, the nature of the business to be transacted at the meeting, shall be given at least ten (10) days (or, if sent by third class mail, thirty (30) days) and not more than sixty (60) days before the meeting. In the case of an annual meeting, notice will include matters the Corporation's Board of Directors intends, at the time of the giving of the first of such notices, to present to the shareholders for action, and in the case of a meeting at which Directors are to be elected, the names of nominees that the Board of Directors, at the time of the giving of the first of such notices, intends to present to the shareholders for election. Proof that notice was given shall be made by affidavit of the secretary, assistant secretary, transfer agent, or Director, or of the person acting under the direction of any of the foregoing, who gives such notice, and such proof of notice shall be made part of the minutes of the meeting. Such affidavit shall be prima facie evidence of the giving of such notice. It shall not be necessary to state in a notice of any meeting of shareholders as a purpose thereof any matter relating to the procedural aspects of the conduct of such meeting.

Notice shall be given personally, by electronic transmission, or by mail, by or at the direction of the secretary, or the officer or person calling the meeting, to each shareholder entitled to vote at the meeting. If remote participation in the meeting has been authorized by the Board of Directors, the notice shall also provide a description of the means of any electronic transmission by and to the Corporation or electronic video screen communication by which shareholders may be considered present and may vote and otherwise participate at the meeting.

If mailed, the notice shall be deemed to be given when deposited in the United States mail addressed to the shareholder at the shareholder's address as it appears on the share transfer records of the Corporation, with postage thereon prepaid. Notice may be given to the shareholder by electronic transmission with the consent of the shareholder. Notice by electronic transmission is deemed given when the notice satisfies any of the following requirements:

- (a) Transmitted to a facsimile number provided by the shareholder for the purpose of receiving notice.
- (b) Transmitted to an electronic mail address provided by the shareholder for the purpose of receiving notice.
- (c) Posted on an electronic network, with a separate notice sent to the shareholder at the address provided by the shareholder for the purpose of alerting the shareholder of a posting.
- (d) Communicated to the shareholder by any other form of electronic transmission consented to by the shareholder.

Notice shall not be given by electronic transmission to a shareholder after either (i) the Corporation is unable to deliver two consecutive notices to such shareholder by such means or (ii) the inability

to deliver such notices to such shareholder becomes known to any person responsible for giving such notices. Any person entitled to notice of a meeting may file a written waiver of notice with the secretary either before or after the time of the meeting. The participation or attendance at a meeting of a person entitled to notice constitutes waiver of notice, except where the person objects, at the beginning of the meeting, to the lawfulness of the convening of the meeting and except that attendance is not a waiver of any right to object to conducting business at a meeting that is required to be included in the notice of the meeting, but not so included.

Section 2.6. Persons Entitled to Vote. Except as otherwise provided by law, and except when a record date has been fixed, only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which notice is given shall be entitled to notice of a shareholders' meeting, or to vote at such meeting. In the event notice is waived, only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which the meeting is held shall be entitled to vote. If no record date has been fixed, the record date shall be:

- (a) For determining shareholders entitled to give consent to action by the Corporation without a meeting, the day on which the first written consent is given.
- (b) For determining shareholders for any other purpose, the later of (i) the day on which the Board of Directors adopts the resolution relating thereto, or (ii) the sixtieth (60th) day prior to the date of such other action.

Section 2.7. Fixing the Record Date. The Board of Directors may fix a time in the future as a record date to determine the shareholders entitled to notice of, and to vote at, any meeting of shareholders or give written consent to action by the Corporation without a meeting or entitled to receive any dividend or distribution, or to any change, conversion, or exchange of shares.

A record date fixed under this Section may not be more than sixty (60) days or less than ten (10) days before the meeting or more than sixty (60) days before any other action requiring a determination of shareholders. When a record date is so fixed, only shareholders of record at the close of business on that date are entitled to notice of and to vote at the meeting or to receive the dividend, distribution, or allotment of rights, or to exercise the rights, as the case may be, notwithstanding any transfer of any shares on the books of the Corporation after the record date. In the event any meeting of shareholders is adjourned for more than forty-five (45) days from the date set for the original meeting, the Board shall fix a new record date for purposes of giving notice of, and determining the holders of shares entitled to vote at, such adjourned meeting.

Section 2.8. Quorum of and Action by Shareholders. The presence at a meeting in person or by proxy of the persons entitled to vote a majority of the voting shares constitutes a quorum for the transaction of business. The shareholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment notwithstanding the withdrawal of such number of shareholders so as to leave less than a quorum, if any action taken, other than adjournment, is approved by at least a majority of the shares required to constitute a quorum, except as otherwise provided by law. Except as otherwise provided by law, herein or in

the Articles of Organization, the affirmative vote of a majority of the shares represented at a meeting at which a quorum is present, shall be the act of the shareholders.

Section 2.9. Adjourned Meetings and Notice Thereof. Any shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by a vote of the majority of the shares present, in person or proxy. When a meeting is adjourned for forty-five (45) days or more, or if a new record date for the adjourned meeting is fixed by the Board of Directors, notice of the adjourned meeting shall be given to such shareholders of record entitled to vote at the adjourned meeting, as in the case of any original meeting. When a meeting is adjourned for less than forty-five (45) days, and a new record date is not fixed by the Board of Directors, it shall not be necessary to give any notice of the time and place of the adjourned meeting, means of electronic transmission or electronic video screen communication, if any, or of the business to be transacted thereat other than by announcement at the meeting at which the adjournment is taken, provided only business that might have been transacted at the original meeting may be conducted at such adjourned meeting.

Section 2.10. Conduct of Meetings. The Board of Directors may adopt by resolution rules and regulations for the conduct of meetings of the shareholders as it shall deem appropriate. At every meeting of the shareholders, the President, or in his or her absence or inability to act, a Director or officer designated by the Board of Directors shall serve as the presiding officer. The secretary or, in his or her absence or inability to act, the person whom the presiding officer of the meeting shall appoint secretary of the meeting, shall act as secretary of the meeting and keep the minutes thereof.

The presiding officer shall determine the order of business and, in the absence of a rule adopted by the Board of Directors, shall establish rules for the conduct of the meeting. The presiding officer shall announce the close of the polls for each matter voted upon at the meeting, after which no ballots, proxies, votes, changes, or revocations will be accepted. Polls for all matters before the meeting will be deemed to be closed upon final adjournment of the meeting.

Section 2.11. Voting of Shares. Unless otherwise provided by law or in the Articles of Organization, each shareholder entitled to vote is entitled to one (1) vote for each share of Common Stock. Any holder of shares entitled to vote on any matter may vote part of such shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal. If a shareholder fails to specify the number of shares such shareholder is voting affirmatively, it will be conclusively presumed that the shareholder's approving vote is with respect to all shares such shareholder is entitled to vote.

Section 2.12. Consent of Absentees. The transactions of any meeting of shareholders, however called or noticed, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. The waiver, notice, or consent need not specify the business transacted or purpose of the meeting, except as required by G.L. c. 156D. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 2.13. Voting by Proxy or Nominee. Every person entitled to vote or execute consents may do so either in person or by one or more agents authorized by a written proxy executed by the person or such person's duly authorized agent and filed with the secretary of the Corporation. A proxy is not valid after the expiration of eleven (11) months from the date of its execution, unless the person executing it specifies therein the length of time for which it is to continue in force. Except as set forth below, any proxy duly executed is not revoked, and continues in full force and effect, until an instrument revoking it, or a duly executed proxy bearing a later date, executed by the person executing the prior proxy and presented to the meeting is filed with the secretary of the Corporation, or unless the person giving the proxy attends the meeting and votes in person, or unless written notice of the death or incapacity of the person executing the proxy is received by the Corporation before the vote by such proxy is counted. A proxy that states on its face that it is irrevocable will be irrevocable for the period of time specified in the proxy, if held by a person (or nominee of a person) specified by law to have sufficient interest to make such proxy irrevocable and only so long as he shall have such interest, subject to G.L. c. 156D, § 7.22.

Section 2.14. Action by Shareholders Without a Meeting. Any action, that, under any provision of G.L. c. 156D may be taken at a meeting of the shareholders, may be taken without a meeting and without prior notice if a consent in writing, setting forth the action so taken, shall be signed by the holders of the outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares are entitled to vote thereon were present and voted; provided, however, that unless the consents of all shareholders entitled to vote have been solicited in writing, notice shall be given (in the same manner as notice of meetings is to be given), and within the time limits prescribed by law, of such action to all shareholders entitled to vote who did not consent in writing to such action; and provided, further, that Directors may be elected by written consent only if such consent is unanimously given by all shareholders entitled to vote, except that action taken by shareholders to fill one or more vacancies on the Board other than a vacancy created by the removal of a Director, may be taken by written consent of a majority of the outstanding shares entitled to vote.

Article III DIRECTORS

Section 3.1. Number of Directors; Identity of Initial Directors. The authorized number of Directors of the Corporation shall be three (3) until changed by an amendment to these Bylaws duly adopted in accordance with these Bylaws by the vote or written consent of a majority of the outstanding shares entitled to vote. The initial Directors shall be John Henderson, Hadley Ford and Randy Maslow.

Section 3.2. Powers. All corporate power shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed under the direction of, the Board of Directors, except such powers expressly conferred upon or reserved to the shareholders, and subject to any limitations set forth by law, by the Articles of Organization or by these Bylaws. Without limiting the generality of the foregoing, and subject to the same limitations, it is hereby expressly declared that the Directors shall have the power and, to the extent required by law the duty to:

- (a) Appoint and remove at pleasure of the Board, all officers, managers, management companies, agents, and employees of the Corporation, prescribe their duties in addition to those prescribed in these Bylaws, supervise them, fix their compensation, and require from them security for faithful service. Such compensation may be increased or diminished at the pleasure of the Directors;
- (b) Conduct, manage, and control the affairs and business of the Corporation; make rules and regulations not inconsistent with the Articles of Organization or applicable law or these Bylaws; make all lawful orders on behalf of the Corporation; and prescribe in the manner of executing the same;
- (c) Incur indebtedness and borrow money on behalf of the Corporation and designate from time to time the person or persons who may sign or endorse checks, drafts, or other orders of payment of money, notes, or other evidences of indebtedness, issued in the name of, or payable to, the Corporation, and prescribe the manner of collecting or depositing funds of the Corporation, and the manner of drawing checks thereon;
- (d) Appoint by resolution of a majority of the authorized number of Directors an executive committee and other committees and delegate to the executive committee any of the powers and authorities of the Board in the management of the business and affairs of the Corporation, except the powers to (i) fill vacancies on the Board or any committee, (ii) fix compensation of Directors; (iii) adopt, amend, or repeal these Bylaws; (iv) amend or repeal resolutions of the Board that are expressly non-amendable or repealable; (v) declare a dividend or distribution to shareholders or authorize the repurchase of the Corporation's shares except at a rate, in a periodic amount or within a range, determined by the Board; (vi) establish other committees of the Board; or (vii) approve any action that in addition to Board approval requires shareholder approval. The executive committee shall be composed of two (2) or more Directors. The provisions of these Bylaws regarding notice and meetings of Directors shall apply to all committees;
- (e) Authorize the issuance of stock of the Corporation from time to time, upon such terms as may be lawful; and
- (f) Prepare an annual report to be sent to the shareholders after the close of the fiscal or calendar year of this Corporation, which report shall comply with the requirements of law. To the extent permitted by law, the requirements that an annual report be sent to shareholders and the time limits for sending such reports are hereby waived, the Directors, nevertheless, having the authority to cause such report to be sent to shareholders.

Section 3.3. Term of Office. Directors shall hold office until the next annual meeting of shareholders and until their successors are elected.

Section 3.4. Vacancies and Newly Created Directorships. A vacancy on the Board of Directors exists in case of the occurrence of any of the following events:

- (a) The death, resignation, or removal of any Director.
- (b) The removal or declaration of vacancy by the Board of Directors of a Director who has been declared of unsound mind by a court order or convicted of a felony.
- (c) The Director is a member who is divested from ownership of the marijuana business by a decision of either the state or local licensing authority.
- (d) The authorized number of Directors is increased.
- (e) At any annual, regular, or special meeting of shareholders at which any Director is elected, the shareholders fail to elect the full authorized number of Directors to be voted for at that meeting.

All vacancies (other than vacancies created by removal of a Director) may be filled by the approval of the Board of Directors or, if there is less than a quorum of Directors, by (i) a vote of the majority of the remaining Directors at a meeting held pursuant to notice or waivers of notice complying with G.L. c. 156D, (ii) unanimous written consent or (iii) a sole remaining Director. Each Director so elected shall hold office until his successor is elected at an annual, regular, or special meeting of the shareholders. The shareholders may, by vote or written consent of a majority of outstanding shares entitled to vote in the election of Directors, elect a Director at any time to fill any vacancy not filled by the Directors. The shareholders may, by vote of a majority of outstanding shares entitled to vote in the election of Directors or unanimous written consent, elect a Director at any time to fill any vacancy created by removal of a Director, except that a vacancy created pursuant to clause (b) of this Section may be filled by the Board of Directors. If the Board of Directors accepts the resignation of a Director tendered to take effect at a future time, the Board or the shareholders may elect a successor to take office when the resignation becomes effective. A reduction of the authorized number of Directors does not remove any Director prior to the expiration of that Director's term of office.

Section 3.5. Removal. The Board of Directors may declare vacant the office of a Director who has been declared of unsound mind by an order of the court or convicted of a felony, or who has been barred from ownership of a marijuana business by a final decision of an applicable state or local licensing authority, or otherwise in a manner provided by law.

Any or all of the Directors may be removed from office at any duly called meeting without cause by a vote of the shareholders entitled to elect them. If one or more Directors are so removed at a meeting of shareholders, the shareholders may elect new Directors at the same meeting.

Section 3.6. Resignation. A Director may resign effective on giving written notice to the President, unless the notice specifies a later effective date.

Section 3.7. Meetings of Directors.

- (a) Regular Meetings. A regular annual meeting of the Board shall be held immediately after, and at the same place as, the annual meeting of shareholders for the purpose of

electing officers and transacting any other business. The Board may provide for other regular meetings from time to time by resolution.

- (b) Special Meetings. Special meetings of the Board for any purpose or purposes may be called at any time by at least two Directors. Notice of the time and place of special meetings shall be delivered by mail, electronic delivery, or orally. If notice is mailed, it shall be deposited in the United States mail at least four days before the time of the meeting. In the case the notice is delivered either orally or by electronic delivery shall be delivered at least forty-eight (48) hours before the time of the meeting. Any oral notice given personally or by telephone may be communicated either to the Director or to a person at the office of the Director whom the person giving notice has reason to believe will promptly communicate it to the Director. The notice need not specify the purpose of the meeting nor the place if it is to be held at the principal office of the Corporation.
- (c) Place of Meetings. Meetings of the Board may be held at any place within or without the Commonwealth of Massachusetts that has been designated in the notice. If a place has not been stated in the notice or there is no notice, meetings shall be held at the principal office of the Corporation unless another place has been designated by a resolution duly adopted by the Board.

Section 3.8. Electronic Participation. Members of the Board may participate in a meeting through conference telephone, electronic video screen communication, or other electronic transmission by and to the Corporation. Participation in a meeting by conference telephone or electronic video screen communication constitutes presence in person as long as all Directors participating can hear one another. Participation by other electronic transmission by and to the Corporation (other than conference telephone or electronic video screen communication) constitutes presence in person at the meeting as long as participating Directors can communicate with other participants concurrently, each Director has the means to participate in all matters before the Board, including the ability to propose or object to a specific corporate action, and the Corporation implements some means of verifying that each person participating is entitled to participate and all votes or other actions are taken by persons entitled to participate.

Section 3.9. Quorum of and Action by Directors. A majority of the authorized number of Directors constitutes a quorum of the Board for the transaction of business. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present is the act of the Board of Directors, unless G.L. c. 156D or the Articles of Organization require a greater number. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, if any action is approved by at least a majority of the Directors who constitute the required quorum for such meeting. A quorum of the Directors may adjourn any Directors' meeting to meet again at a stated time and place. In the absence of quorum, a majority of the Directors present may adjourn from time to time. Notice of the time and place of a meeting that has been adjourned for more than twenty-four (24) hours shall be given to the Directors not present at the time of the adjournment.

Section 3.10. Compensation. A Director shall not receive compensation or reimbursement in connection with his or her service as a Director but shall be eligible to receive reimbursement for reasonable out-of-pocket expenses related to Director's performance of duties.

Section 3.11. Action by Directors Without a Meeting. Any action required or permitted to be taken by the Board of Directors or any committee thereof under G.L. c. 156D may be taken without a meeting if, prior or subsequent to the action, a consent or consents thereto by all of the Directors in office, or all the committee members then appointed, is filed with the secretary to be filed with the minutes of the proceedings of the Board of Directors. Such action by written consent shall have the same force and effect as a unanimous vote of such Directors.

Section 3.12. Committees of the Board of Directors. The Board of Directors, by resolution adopted by a majority of authorized Directors, may designate one or more committees, each consisting of two or more Directors, to serve at the pleasure of the Board and to exercise the authority of the Board of Directors to the extent provided in the resolution establishing the committee and permitted by law. The Board of Directors may adopt governance rules for any committee consistent with these Bylaws. The provisions of these Bylaws applicable to meetings and actions of the Board of Directors shall govern meetings and actions of each committee, with the necessary changes made to substitute the committee and its members for the Board of Directors and its members.

A committee of the Board of Directors does not have the authority to:

- (a) Approve actions that require approval of the shareholders or the outstanding shares.
- (b) Fill vacancies on the Board or in any committee.
- (c) Fix compensation of the Directors for serving on the Board or on any committee.
- (d) Amend or repeal bylaws or adopt new bylaws.
- (e) Amend or repeal any resolution of the Board of Directors that by its terms is not so amendable or repealable.
- (f) Make a distribution to shareholders, except at a rate, in a periodic amount or within a price range set forth in the Articles of Organization or determined by the Board.
- (g) Appoint other committees or Board members.

The Board of Directors, by resolution adopted by the majority of authorized Directors, may designate one or more Directors as alternate members of any committee who may replace any absent or disqualified member at any meeting of the committee or for the purposes of any written action by the committee.

The designation of a committee of the Board of Directors and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any member thereof, of any responsibility imposed by law.

Article IV OFFICERS

Section 4.1. Positions and Election. The officers of the Corporation shall be elected by the Board of Directors and shall be a chair of the Board or a President or both, a secretary and a treasurer. At the discretion of the Board of Directors, the Corporation may also have other officers, including but not limited to one or more vice Presidents or assistant vice Presidents, one or more assistant secretaries, a chief financial officer, and a chief operations officer, as may be appointed by the Board of Directors, with such authority as may be specifically delegated to such officers by the Board of Directors. Any two or more offices may be held by the same person.

Officers shall be elected annually at the meeting of the Board of Directors held after each annual meeting of shareholders. Each officer shall serve until a successor is elected and qualified or until the earlier death, resignation or removal of that officer. Vacancies or new offices shall be filled at the next regular or special meeting of the Board of Directors.

Section 4.2. Removal and Resignation. Any officer elected or appointed by the Board of Directors may be removed with or without cause by the affirmative vote of the majority of the Board of Directors. Removal shall be without prejudice to the contract rights, if any, of the officer so removed.

Any officer chosen by the Board of Directors may resign at any time by giving written notice to the Corporation. Unless a different time is specified in the notice, the resignation shall be effective upon its receipt by the chair, the President, the secretary, or the Board.

Section 4.3. Powers and Duties of Officers. The powers and duties of the officers of the Corporation shall be as provided from time to time by resolution of the Board of Directors or by direction of an officer authorized by the Board of Directors to prescribe the duties of other officers. In the absence of such resolution, the respective officers shall have the powers and shall discharge the duties customarily and usually held and performed by like officers of corporations similar in organization and business purposes to the Corporation subject to the control of the Board of Directors.

Article V INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 5.1. Indemnification of Officers or Directors. The Corporation shall, to the extent permitted by G.L c. 156D, indemnify all persons who have served or may serve at any time as officers or Directors of the Corporation and their heirs, executors, administrators, successors, and assigns, from and against any and all loss and expense, including amounts paid in settlement before or after suit is commenced, and reasonable attorney's fees, actually and necessarily incurred as a result of any claim, demand, action, proceeding, or judgment that may have been asserted against any such persons, or in which these persons are made parties by reason of their being or

having been officers or Directors of the Corporation. This right of indemnification shall not exist in relation to matters as to which it is adjudged in any action, suit or proceeding that these persons are liable for negligence or misconduct in the performance of duty.

Section 5.2. Non-Exclusivity of Indemnification Rights and Authority to Insure. The foregoing rights of indemnification and advancement of expenses shall be in addition to and not exclusive of any other rights to which any person may be entitled pursuant to any agreement with the Corporation, or under any statute, provision of the Articles of Organization or any action taken by the Directors or shareholders of the Corporation.

The Corporation may buy and maintain insurance to protect itself and any agent against any expense asserted against them or incurred by an agent, whether or not the Corporation could indemnify the agent against the expense under applicable law or the provisions of this Article V.

Article VI SHARE CERTIFICATES AND TRANSFER

Section 6.1. Share Certificates. Shares of the Corporation may, but need not, be represented by certificates. Each certificate issued shall bear all statements or legends required by law to be affixed thereto. For all shares issued or transferred without certificates, the Corporation shall within a reasonable time after such issuance or transfer send the shareholder a written statement of the information required on share certificates pursuant to G.L. c. 156D, § 6.25(b) & (c) and § 6.27. Shareholders can request and obtain a statement of rights, restrictions, preferences, and privileges regarding classified shares or a class of shares with two or more series, if any, from the Corporation's principal office. Each certificate issued shall bear all statements or legends required by law to be affixed thereto.

Every certificate for shares shall be signed by (i) the chair of the Board, if any, a vice chair, if any, the President, or a vice President and (ii) the chief financial officer, an assistant treasurer, the secretary, or any assistant secretary.

Section 6.2. Transfers of Shares. Transfer of shares of the Corporation shall be made only on the books of the Corporation by the registered holder thereof or by such other person as may under law be authorized to endorse such shares for transfer, or by such shareholder's attorney thereunto authorized by power of attorney duly executed and filed with the secretary or transfer agent of the Corporation. Except as otherwise provided by law, upon surrender to the Corporation or its transfer agent of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignment, or authority to transfer, it shall be the duty of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate, and record the transaction upon its books.

Section 6.3. Registered Shareholders. The Corporation may treat the holder of record of any shares issued by the Corporation as the holder in fact thereof, for purposes of voting those shares, receiving distributions thereon or notices in respect thereof, transferring those shares, exercising rights of dissent with respect to those shares, exercising or waiving any preemptive right with respect to those shares, entering into agreements with respect to those shares in accordance

with the laws of the Commonwealth of Massachusetts, or giving proxies with respect to those shares.

Section 6.4. Lost, Stolen, or Destroyed Certificates. The Board of Directors may issue a new share certificate in place of any certificate it previously issued that the shareholder alleges to have been lost, stolen, or destroyed provided that the shareholder or the shareholder's legal representative of the lost, stolen, or destroyed certificate shall give the Corporation a bond or other adequate security sufficient to indemnify the Corporation against any potential claim against the Corporation because of the alleged loss, theft, or destruction of any such certificate or the issuance of such new certificate.

Article VII CORPORATE RECORDS AND INSPECTION

Section 7.1. Records. The Corporation shall maintain adequate and correct books and records of account, minutes of the proceedings of the shareholders, Board of Directors, and committees of the Board of Directors, and a record of its shareholders, including names and addresses of all shareholders and the number and class of shares held, along with any other records required by law. The Corporation shall keep such record of its shareholders at its principal office, as fixed by the Board of Directors from time to time, or at the office of its transfer agent or registrar. The Corporation shall keep its books and records of account and minutes of the proceedings of the shareholders, Board of Directors, and committees of the Board of Directors at its principal office, or such other location as shall be designated by the Board of Directors from time to time.

The Corporation's accounting books and records and minutes of proceedings of the shareholders, Board of Directors, and committees of the Board of Directors shall, to the extent provided by law, be open to inspection of Directors, shareholders, and voting trust certificate holders, in the manner provided by law.

Section 7.3. Certification and Inspection of Bylaws. The Corporation shall keep in its principal office the original or a copy of these Bylaws as amended or otherwise altered to date, which shall be open to inspection by the shareholders at all reasonable times during office hours.

Article VIII MISCELLANEOUS

3. COMPANY DESCRIPTION

3.1 Structure

Mayflower is a Massachusetts domestic for-profit corporation that also seeks to operate marijuana retailers in Worcester, Lowell, and Boston.

Mayflower will file, in a form and manner specified by the Commission, an application for licensure as a ME consisting of three packets: an Application of Intent packet; a Background Check packet; and a Management and Operations Profile packet.

3.2 Operations

Mayflower's Cultivation and Manufacturing facilities are located in Holliston, MA and are already operational as part of the Commonwealth of Massachusetts' Medical Use of Marijuana Program and within the adult use program.

Our retail facilities are designed to be aesthetically pleasing while allowing for optimal customer flow across the facility. The interior of the facility is designed to facilitate a calm, comfortable customer experience. All facilities are developed with security and operations at the forefront.

Mayflower will establish inventory controls and procedures for the conduct of inventory reviews, and comprehensive inventories of marijuana products in the process of cultivation, and finished, stored marijuana; conduct a monthly inventory of marijuana in the process of cultivation and finished, stored marijuana; conduct a comprehensive annual inventory at least once every year after the date of the previous comprehensive inventory; and promptly transcribe inventories if taken by use of an oral recording device.

Mayflower will tag and track all marijuana seeds, clones, plants, and marijuana products, using a seed-to-sale methodology in a form and manner to be approved by the Commission.

No marijuana product, including marijuana, will be sold or otherwise marketed that is not tested

by Independent Testing Laboratories, except as allowed under 935 CMR 500.000.

Mayflower will maintain records, including all records required in any section of 935 CMR 500.000, which will be available for inspection by the Commission, upon request. The records will be maintained in accordance with generally accepted accounting principles. Records will be maintained for at least 12 months.

Mayflower will obtain and maintain general liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually, and product liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually, except as provided in 935 CMR 500.105(10)(b) or otherwise approved by the Commission. 3.3 Security

Mayflower has contracted with a professional security company to help design, implement, and evaluate a comprehensive security system to ensure that the facility is a safe and secure environment for employees and the local community.

The state-of-the-art security system consists of intrusion detection sensors on all exit and entry points, including windows, as well as duress, panic, and hold-up alarms that are monitored by a primary and backup alarm monitor company. All alarms are received and assessed by security staff in real-time and valid alarms are relayed to local law enforcement to enable a timely response. The security system includes a failure notification system that will immediately alert the executive management team and designated personnel if a failure occurs.

Interior and exterior high-definition video surveillance cameras are employed 24/7 in all areas that contain marijuana and at all entrances, exits, and parking lots and will be made available to the Worcester Police Department and other regulatory bodies upon request.

The security system, including video surveillance, will remain operational at all times even in the event of a power outage.

Trained, uniformed security guards will be present at the facility during all hours of operation to observe, report and prevent on-site consumption of product, unauthorized access, unauthorized parking, and to ensure employee and community safety as well as compliance with state and local regulations.

The facility perimeter and parking lot will remain well-lit and the exterior grounds will be maintained.

Product will be stored in a locked, secure vault room under 24/7 video surveillance. No more than the anticipated inventory required for two days will be stored on-site. Only designated employees will have access to secure storage areas and any other area designated as a 'Limited

Access Area’.

3.4 Nuisance Prevention

Mayflower will never permit the consumption of marijuana on our site or in the immediate neighborhood, monitored by video surveillance and on-site security. Mayflower’s facility is discrete and resembles an industrial park. Signage is utilized for wayfinding purposes and will not advertise what is grown within the facility. No products are visible from the exterior of the facility.

4. MARKET RESEARCH

4.1 Industry

Mayflower’s facility is located in Worcester, Massachusetts.

4.2 Competitors

Mayflower's competitors include local adult use marijuana retailers.

4.3 Competitive Advantage

Every industry experiences competition. However, the retail cannabis industry is known to be highly competitive. This industry is rapidly growing, and customers are scrutinizing the quality of cannabis dispensed, the service offered, the location of the dispensary, discounts offered for the products, and to some extent, the branding of the business. Mayflower possesses several strengths which will allow us to stand apart from our competition.

Mayflower’s competitive advantages include a network of operational expertise both on the direct Mayflower team and throughout the iAnthus affiliates, a compliant Boston location, and experience in the regulated cannabis industry here in Massachusetts through Mayflower’s Registered Medical Dispensary.

4.4 Regulations

Mayflower is a Marijuana Establishment, consistent with the objectives of St. 2016, c. 334, as amended by St. 2017, c. 55 and 935 CMR 500.000.

Mayflower is registered to do business in the Commonwealth as a domestic business corporation in compliance with 935 CMR 500.000 and maintains the corporation in good standing with the Massachusetts Secretary of the Commonwealth and the Department of Revenue.

Mayflower will apply for all state and local permits and approvals required to continue to operate in the facility.

Mayflower will also work cooperatively with various municipal departments to ensure that the facility complies with all state and local codes, rules and regulations with respect to design, renovation, operation and security.

5. PRODUCT / SERVICE

5.1 Product & Service

Retail Dispensing

In accordance with 935 CMR 500.140(3), access to Mayflower's retail facility is limited to individuals 21 years of age and older. Security guards will verify that they have a valid, government-issued photo identification. Identification will be verified again at the point of sale prior to initiating any sale transaction.

Consumers will have access to educational materials during each transaction, as well as verbal guidance provided by dispensary agents on topics such as safe storage, transport and consumption of product. They will be informed about the legal consequences of diverting product to minors. No product will be sampled or consumed on-site at any Mayflower facility.

Storage of all products will be confined to designated Limited Access Areas. All products will be packaged in opaque, resealable, and child or tamper-resistant materials, and labeled in compliance with 935 CMR 500.105(5). Mayflower retail facilities are designed to be aesthetically pleasing and respectful, with compliant signage for wayfinding only.

Cultivation

Mayflower will cultivate, process and package marijuana at 89 October Hill Road in Holliston, currently licensed as Mayflower's Registered Marijuana Dispensary cultivation and manufacturing location. Mayflower's 10,000 sq. ft. canopy places it into Tier 2 licensing category. Cultivation processes will comply with all regulatory requirements as set forward by the Cannabis Control Commission and use best practices to limit all contamination including but not limited to mold, mildew, fungus, pest, and any pesticide not in compliance with 935 CMR 500.120(5).

Mayflower utilizes state-of-the-art facilities and best practices learned from a wealth of operational experience. The Cultivation facility consists of eight rooms designed to support just plant cultivation, and eight rooms dedicated to supporting the cultivation rooms. Mayflower's robust health and safety program strives to protect our agents as well as our facility from any ill practice or outside interference. Registered agents of the facility will only have access to the specific areas within the facility related to their specific job functions.

Daily procedures utilizing proper plant care techniques, advanced irrigation systems, pest control prevention, sanitation, as well constant monitoring allow Mayflower to properly identify any pest issues throughout the entire cultivation process. This IPM (Integrated Pest Management) program makes for best practices, used in environmental controls to create the perfect environment for the cultivation of cannabis indoors, and an ideal climate to control pests, mold, mildew, and fungus. Data tracking procedures allow day to day evaluation and improvement of best practices.

Marijuana cultivated under Mayflower's Marijuana Cultivator license will only be transferred to other Marijuana Establishments, and not to consumers. No marijuana product will be transferred or otherwise marketed for adult-use that has not been tested by an independent testing laboratory

and deemed to comply with the standards required under 935 CMR 500.160. All soils and environmental media will be tested in compliance with the *Protocol for Sampling and Analysis of Environmental Media for Massachusetts Registered Medical Marijuana Dispensaries*, per 935 CMR 500.160(1). Mayflower will maintain all records for no less than one year.

5.2 Pricing Structure

When determining the pricing structure for our products, Mayflower takes many factors into consideration. Specifically, we understand that it is important to strike a balance between prices low enough that they are affordable for consumers, but not so low as to incentivize diversion to the illicit market.
