**Materials submitted:**

- "NSAJO Holdings Special Permit Site Plan, 20 Authority Drive" prepared by Fuss & O'Neill, dated 6/21/17
- "Application for Site Plan Review Approval for a Marijuana Retailer Dispensary Facility, NS AJO Holdings, Inc." prepared by Prince Lobel Tye, LLP, dated August 22, 2018.

**PROJECT INFORMATION**

NS AJO Holdings, having received Special Permit #2017-3 (Deed Book 8870, p. 222) to cultivate and process medical marijuana as a MMM (Medical Marijuana Manufacturer) at their 20 Authority Dr. location, a Minor Modification of that Special Permit (Deed Book 8975, p. 76), and later received a separate Special Permit #2017-5 (Deed Book 8975, p. 78) to allow a retail Medical Marijuana Dispensary (MMD) at that location, now seeks to add retail sales of adult use marijuana. Since the applicant has been granted these prior approvals, they are applying as an "Experienced Operator" under Section 181.65 of the Zoning Ordinance, which requires a Site Plan Approval to allow a Marijuana Establishment (ME) / Marijuana Retailer to be able to sell non-medical (i.e. adult use) marijuana in accordance with Massachusetts regulations.

The City of Fitchburg & NS AJO Holdings have entered into a Host Community Agreement dated 6/20/2018.

**Specific Findings:**

The Board determines that the proposed use satisfies the requirements identified under the City of Fitchburg Zoning Ordinance Section 181.65 for Experienced Operators.

## DECISION

1. Applicant is granted approval to operate a Marijuana Establishment (ME) for the sale of non-medical (i.e. adult use) marijuana at its facility located at 20 Authority Drive, Fitchburg, MA, pursuant to obtaining final licensure as a Marijuana Retailer in accordance with applicable Massachusetts regulations.
2. Site Plan Approval shall not be transferable to the Applicant's successors in interest without prior approval of the Planning Board.
3. All conditions of Special Permit #2017-3 (as modified), and Special Permit #2017-5 continue to apply.
4. Applicant shall comply with the Host Community Agreement executed between the applicant and the City of Fitchburg, or as amended. The host agreement is hereby incorporated by this reference and part of this permit as set forth in its entirety herein.
5. Transfer and deliveries of marijuana products shall be made by the Applicant or by a properly licensed Massachusetts ME permitted to transport marijuana products.
6. All conditions applicable to MMDs and MMMs under Section 181.646 of the City of Fitchburg Zoning Ordinance shall be applied to the ME, with the exception that:

  - b. Hours of operation as set forth within the special permit (#2017-5 - no sale or other distribution of marijuana shall occur upon the premises or via delivery from the premises, between the hours of 8:00 p.m. and 8:00 a.m.);

7. All business signage shall be subject to the requirements to be promulgated by the CCC and the requirements of Section 181.53 of the Zoning Ordinance.
8. The ME shall not violate any provision of the Zoning Ordinance, including but not limited to Section 181.654.
9. The ME shall regularly verify to the City its efforts to ensure the health, safety, and well-being of the public, and to limit undue impacts on the natural environment, by the use of high efficiency equipment to limit energy and water use demand, by the purchase of renewable energy credits, by the use of LED lighting equipment, by the prohibition or limitation of pesticides, insecticides and similar chemicals, and by any other methods designed to further this purpose.
10. The ME shall be operated in a responsible manner that does not materially adversely affect the public health, safety or the general welfare of the City or the immediate neighborhood where the ME is located.
11. Subject to obtaining any other necessary local, state, and federal permits and approvals.
12. Unless waived in writing either within the decision or on the site plan, all other applicable provisions of the City of Fitchburg zoning ordinances, codes, and rules and regulations apply to this site.

13. Site plan approval shall lapse after one year from the grant thereof if a substantial use thereof has not sooner commenced except for good cause. Additionally, site plan approval shall terminate upon failure of the permit holder to commence operations of the ME within twelve months of the date of approval pursuant to 181.658. Such approval may, for good cause, be extended in writing by a majority vote of the Planning Board upon the written request of the applicant. City of Fitchburg  
In the Year 2018  
Publication of an Ordinance 31-2018 - Marijuana  
BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FITCHBURG,  
AS FOLLOWS;

**Section 181.65 - MARIJUANA ESTABLISHMENTS**

**181.651 Regulation.** G.L. c. 94G authorizes a system of state licensing for businesses engaging in the cultivation, testing, processing and manufacturing, and retail sales of non-medical marijuana, collectively referred to as Marijuana Establishments (MEs). G.L. c. 94G §3 allows cities to adopt ordinances that impose reasonable safeguards on the operation of non-medical marijuana establishments, provided they are not unreasonably impracticable and are not in conflict with the law. The special permit and site plan review requirements set forth in this Section shall be in addition to, and not in lieu of, any other licensing and permitting requirements imposed by any other federal, state, or local law.

**181.652 Purpose.** The purpose of this ordinance is to allow state-licensed MEs to exist in the City of Fitchburg in accordance with applicable state laws and regulations and impose reasonable safeguards to govern the time, place and manner of ME operations and any business dealing in Marijuana Accessories in such a way as to ensure public health, safety, well-being, and reduce undue impacts on the natural environment as it relates to cultivation, processing and manufacturing subject to the provisions of this Zoning Ordinance, M.G.L. c. 40A, M.G.L. c. 94G and any other applicable law. Therefore, this ordinance may permit MEs in locations suitable for lawful MEs where there is access to regional roadways, where they may be readily monitored by law enforcement for health and public safety purposes, and to minimize adverse impacts on adjacent properties, residential neighborhoods, historic districts, schools, playgrounds and other locations where minors congregate by regulating the siting, design, placement, operation security, and removal of MEs.

This Section is intended to coexist with the existing Section 181.64 regarding MMDs and MMMs.

**181.653 Definitions.** Where not expressly defined in the Zoning Ordinance, terms used in this Zoning Ordinance referring to non-medical use marijuana shall be interpreted as defined in G.L. c. 94G, as the same may be amended from time to time, and regulations issued by the Cannabis Control Commission (CCC). The following definitions, consistent with this expressed intent, shall apply in the interpretation and enforcement of this section:

1. 181.6542 An Experienced Operator may operate a ME of the same type as the medical marijuana facility for which they have been granted a special permit and approved site plan review by the City without obtaining a new special permit, provided that the Experienced Operator must receive site plan approval for the new use as a ME, that the ME is located in the same facility for which the Experienced Operator received the prior special permit and site plan approval, and that the gross square footage of such facility is not increased by more than ten (10%) percent.

181.6543 A separate special permit is required for each different ME detailed in section 181.653, above, or in the case of an Experienced Operator, a separate site plan review.

181.6544 As defined in G.L. c. 94G, the number of MRs shall be limited to the amount specified by City ordinance Section 56-3, as the same may be amended from time to time. No special permit may be granted for a MR which results in a violation of this limit.

181.6545 A ME may only be involved in the use permitted by its definition. MRs may only be located in buildings containing other retail, commercial, residential, industrial, or any other uses, including other types of MEs, if the MR is separated by full walls from any and all other uses.

On-site or social consumption, so called, is prohibited as a use. All other MEs may be permitted under special permit by the Planning Board in the Industrial and Light Industrial Zoning Districts.

181.65411 The issuance of a special permit and site plan review pursuant to this chapter does not create an exception, defense, or immunity to any person or entity in regard to any potential criminal liability the person or entity may have for the production, distribution, or possession of marijuana.

181.65412 There shall be no use variances issued for any ME.

### **181.655 Application.**

5. Proof that the applicant provided notification in writing at the same time or prior to the submission of the application to all property owners and operators of the uses listed under 181.656(5) within three hundred (300) feet of its proposed location and use, to provide them with the opportunity to comment to the Planning Board, as well as any and all comment or response received by the applicant.
6. These boards/departments shall review the application and shall submit their written recommendations. Failure to make recommendations within 30 days of referral of the application shall be deemed lack of opposition.

181.6552 After notice and public hearing and consideration of application materials, consultant reviews, public comments, and the recommendations of other municipal boards and departments, the Planning Board may act upon the application for special permit and approval of site plan.

181.6553 In instances where any portion of a project involves a special permit application to or site plan review by the Planning Board for any ME, the Planning Board shall serve as the special permit granting authority for all other special permits required in connection with such project.

### **181.656 Special Permit Criteria and Findings**

A MR, MC, MPM or Independent Testing Facility may be permitted pursuant to a Special Permit and Site Plan Review granted by the Planning Board. In granting a special permit for a MR, MC, MPM or Independent Testing Facility, in addition to the general criteria for a special permit in Section 181.93 of the Zoning Ordinance, the Planning Board must also make the following findings:

1. If the special permit is for a MR, that the MR is located in the Commercial & Automotive (C&A), Medical Services (MSD), Neighborhood Business (NBD), Central Business (CBD), Industrial (I) or Light Industrial (LI) zoning districts, excluding the Central Business District which encompasses Main Street; or if the special permit is for an Independent Testing Facility, that the Independent Testing Facility is located in the Industrial (I), Light Industrial (LI), Central Business (CBD) Commercial & Automotive (C&A) or Neighborhood Business (NBD) Zoning District; or if the special permit is for any other ME, that the ME is located in the Industrial or Light Industrial zoning districts in accordance with 181.313 of the Table of Principal Uses.
2. The applicant has demonstrated that the ME has or will meet all of the permitting requirements of all applicable agencies within the Commonwealth and is or will be in compliance with all applicable state laws and regulations, including, but not limited to G.L. c. 94G, §12 General Marijuana Establishment Operation.
3. The applicant has entered into an approved Host Community Agreement under which the applicant pays a host fee or Impact Fee to the City with the Mayor of the City of Fitchburg.
4. The grant of the special permit will not exceed the limitation on permitted MRs set forth in Section 181.6544.
5. The ME is located at least three hundred (300) feet distant of a pre-existing public or private school providing education in kindergarten or any of grades 1 through 12, a vocational school, a public or private college, junior college, university or dormitory, a licensed child care facility, a library, a playground, a public park, a youth center, a public swimming pool, a video arcade facility, any facility in which minors commonly congregate, or any residence, including commercial residences such as hotels, motels, lodging houses, etc. The distance under this section is measured in a straight line from the nearest point of the property line of the protected uses to the nearest point of the structure of the proposed ME.
  - a. The distance requirement may be reduced by the Planning Board provided that the

applicant demonstrates, by clear and convincing evidence, that 1) the ME will employ adequate measures to prevent product diversion to minors, and 2) the ME is adequately buffered, and 3) the Planning Board determines that a shorter distance will suffice to accomplish the objectives set forth under §181.652.

6. The applicant has satisfied all of the conditions and requirements of this section and other applicable sections of the Zoning Ordinance and any applicable city ordinances.
7. The facility provides adequate security measures to ensure that there are not direct threats to the health or safety of employees, staff, or members of the public and that storage and location of cultivation is adequately secured.
8. The facility will not place an undue burden on public safety services of the City as may be adequately established to the satisfaction of the Planning Board, which shall consider the facility's lighting, whether or not all of the facility is visible from a public way, whether or not the parking is contiguous with the facility or the parking arrangements are capable of being monitored by the applicant or the City, and whether or not the facility is or can be set up to promote the effective monitoring by Police Department patrols, as well as any other factors affecting public safety.
9. The facility meets all criteria required for a Special Permit for an MMD or MMM under Section 181.645 of this Zoning Ordinance, with the exceptions that
  - a. Any reference within Section 181.645 to the Department of Public Health or regulations issued thereby shall be interpreted to refer to the CCC and its regulations, or any other state regulation or statute applicable to the ME; and
  - b. Location in an area which does not have reasonable access to medical marijuana pursuant to Section 181.644(a) shall not be required.
10. The applicant has demonstrated, by substantial evidence of Moral Character and other evidence, that it will operate the ME in conformity with all applicable municipal ordinances, state laws and regulations and that its policies and procedures are designed to prevent violation of such laws, particularly including but not limited to Section 181.654 above.

#### **181.657 Site Plan Review/Special Permit Conditions**

The Planning Board shall conduct site plan review and shall impose conditions reasonably appropriate to improve site design, traffic flow, public safety, protect water quality, air quality, and significant environmental resources, preserve the character of the surrounding area and otherwise serve the purpose of this section. In addition to any specific conditions applicable to the applicant's ME, the following conditions shall be included in any site plan review or special permit granted under this Ordinance:

1. All conditions applicable to MMDs and MMMs under Section 181.646 of this Zoning Ordinance shall be applied to an ME, with the exceptions that
  - a. Any reference within Section 181.646 to the Department of Public Health or regulations issued thereby shall be interpreted to refer to the CCC and its regulations, or any other state regulation or statute applicable to the ME;
  - b. Hours of operation shall be set forth within the special permit, and shall generally be consistent with those for package stores licensed under G.L. c. 138.
  - c. The provisions regarding signage contained in Section 181.646(f) and (g) shall not be included; and

- d. The provisions revoking a special permit for cultivation or dispensing of marijuana for non-medical purposes in Section 181.646(p) shall not be applicable.
2. All business signage shall be subject to the requirements to be promulgated by the CCC and the requirements of Section 181.53 of this Zoning Ordinance.
3. The ME shall not violate any provision of the Zoning Ordinance, including but not limited to Section 181.654 above.
4. Display of marijuana, Marijuana Products and Marijuana Accessories shall be limited to an area which is accessible only by persons aged twenty-one (21) years or older, and the applicant shall establish such controls and monitoring as are necessary to ensure that this area is not accessed by persons under the age of twenty-one (21) years.
5. The ME shall regularly verify to the City its efforts to ensure the health, safety, and well-being of the public, and to limit undue impacts on the natural environment, by the use of high efficiency equipment to limit energy and water usage demand, by the purchase of renewable energy credits, by the use of LED lighting equipment, by the prohibition or limitation of pesticides, insecticides and similar chemicals, and by any other methods designed to further this purpose.
  - a. The Planning Board may impose specific conditions relating to the preservation or improvement of public safety, including but not limited to lighting, visibility, surveillance, security cameras, parking arrangements, and accessibility for police patrol.
6. ME shall be operated in a responsible manner that does not materially adversely affect the public health, safety or the general welfare of the City or the immediate neighborhood where the ME is located.
7. The applicant has entered into an approved Host Community Agreement under which the applicant pays a host fee or Impact Fee to the City with the Mayor of the City of Fitchburg.

#### **181.6581 Termination and Modification**

181.6581 A special permit or site plan approval may be terminated due to violation of any of its conditions. In addition, a special permit or site plan approval shall terminate upon:

1. Failure of the permit holder to commence operations at the ME within twelve (12) months of the date of approval; or
2. Transfer of ownership of the ME without approval of the Planning Board. For these purposes, transfer of ownership shall include any reallocation of ownership or change in business structure which results in a change of its designated representatives or responsible individuals; or
3. Termination of the Host Community Agreement or failure to pay a host fee or Impact Fee under the Agreement to the City.

181.6582 A special permit or site plan approval may be modified by the Planning Board after public hearing. No modification is permitted for a change of location; a special permit holder must submit a new application for a change in location. Any changes in the application materials from the original materials must be submitted with a request for modification. No transfer of ownership, except a transfer to an affiliated entity, shall be permitted for two years after the date of approval of the special permit or site plan review unless required due to the death or disability

of an owner. If the special permit holder requests approval of a transfer of ownership, then the holder must submit proof:

1. That the new owner will operate the ME in accordance with the terms of the special permit, as shown by evidence of Moral Character and other substantial evidence; and
2. That all amounts due under the Host Community Agreement have been timely paid and no taxes, fines, penalties, fees, or other charges due to the City are currently unpaid.

#### **181.659 Severability.**

The provisions of this Ordinance are severable. If any provision, paragraph, sentence, or clause of this Ordinance or the application thereof to any person, establishment, or circumstances shall be held invalid, such invalidity shall not affect the other provisions or application of this Ordinance.

In an effort to reach the abovementioned goals the Company shall implement the following practices and programs:

1. In an effort to ensure it has the opportunity to interview, and hire, individuals from the Target Areas and/or Massachusetts residents who have, or have parents or spouses who have, past drug convictions, the Company will post a notice at the municipal offices in Fitchburg and Boston and at Fitchburg Community Connections for **three (3) months** during the hiring process. The Company will also post **monthly notices** for **three (3) months** during the hiring process in newspapers of general circulation in Fitchburg and Boston such as the **Fitchburg Sentinel & Enterprise and Boston Herald.** The aforementioned notices will state that the Company is specifically looking for Massachusetts residents, who are 21 years or older, and have past drug convictions for employment.

Such residency, or prior drug conviction status, will be a positive factor in hiring decisions, but this does not prevent the Company from hiring the most qualified candidates and complying with all employment laws and other legal requirements.

2. In an effort to ensure that it will meet its charitable giving and volunteering goals, the Company will contribute a minimum of **thirty-five thousand and 00/100 Dollars (\$35,000.00)** annually to local charities including, but not limited to the Montachusett Opportunity Council and encourage its employees to volunteer for the same charities by providing work related incentives such as **semi-annual paid volunteer days for at least ten (10) employees per event.**

The Montachusett Opportunity Council is an organization that supports and empowers families to achieve economic security by eliminating barriers and creating opportunities. Their projects include stable housing location support, financial literacy skill trainings, child care, family resources, and summer youth internship programs. Please see the attached letter from the Montachusett Opportunity Council confirming that they will work with the Company.

### **Annual Review**

The Company will annually review the following criteria in an effort to measure the success of its Plan to Positively Affect Areas of Disproportionate Impact:

1. Identify number of employees hired through its job development initiatives; and
2. Identify the Company's total number of hours of volunteer time provided to local charities and community groups; and
3. Identify the Company's overall financial support provided to local charities and community groups.

The Company affirmatively states that it: (1) it has reached out to the abovementioned charitable organizations to confirm that they will accept donations and volunteers (as applicable) from the Company; (2) acknowledges and is aware, and will adhere to, the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment; (3) any actions taken, or programs instituted, will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws and (4) the Company will be required to document progress or success of this plan, in its entirety, annually upon renewal of this license.

**BY-LAWS  
OF  
NS AJO HOLDINGS, INC.**

**ARTICLE I  
SHAREHOLDERS**

*Section 1. Annual Meeting.* The Corporation shall hold an annual meeting of shareholders at a time fixed by the Directors. The purposes for which the annual meeting is to be held, in addition to those prescribed by the Articles of Organization, shall be for electing directors and for such other purposes as shall be specified in the notice for the meeting, and only business within such purposes may be conducted at the meeting. In the event an annual meeting is not held at the time fixed in accordance with these Bylaws or the time for an annual meeting is not fixed in accordance with these Bylaws to be held within 13 months after the last annual meeting was held, the Corporation may designate a special meeting held thereafter as a special meeting in lieu of the annual meeting, and the meeting shall have all of the effect of an annual meeting.

*Section 2. Special Meetings.* Special meetings of the shareholders may be called by the President or by the Directors, and shall be called by the Secretary, or in case of the death, absence, incapacity or refusal of the Secretary, by another officer, if the holders of at least 10 percent, or such lesser percentage as the Articles of Organization permit, of all the votes entitled to be cast on any issue to be considered at the proposed special meeting sign, date, and deliver to the Secretary one or more written demands for the meeting describing the purpose for which it is to be held. Only business within the purpose or purposes described in the meeting notice may be conducted at a special shareholders' meeting.

*Section 3. Place of Meetings.* All meetings of shareholders shall be held at the principal office of the Corporation unless a different place is specified in the notice of the meeting or the meeting is held solely by means of remote communication in accordance with Section 11 of this Article.

*Section 4. Requirement of Notice.* A written notice of the date, time, and place of each annual and special shareholders' meeting describing the purposes of the meeting shall be given to shareholders entitled to vote at the meeting (and, to the extent required by law or the Articles of Organization, to shareholders not entitled to vote at the meeting) no fewer than seven nor more than 60 days before the meeting date. If an annual or special meeting of shareholders is adjourned to a different date, time or place, notice need not be given of the new date, time or place if the new date, time or place, if any, is announced at the meeting before adjournment. If a new record date for the adjourned meeting is fixed, however, notice of the adjourned meeting shall be given under this Section to persons who are shareholders as of the new record date. All notices to shareholders shall conform to the requirements of Article III.

*Section 5. Waiver of Notice.* A shareholder may waive any notice required by law, the Articles of Organization or these Bylaws before or after the date and time stated in the notice. The waiver shall be in writing, be signed by the shareholder entitled to the notice, and be delivered to the Corporation for inclusion with the records of the meeting. A shareholder's attendance at a meeting: (a) waives objection to lack of notice or defective notice of the meeting, unless the shareholder at the beginning of the meeting objects to holding the meeting or transacting business at the meeting; and (b) waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless the shareholder objects to considering the matter when it is presented.

*Section 6. Quorum.*

(a) Unless otherwise provided by law, or in the Articles of Organization, these Bylaws or a resolution of the Directors requiring satisfaction of a greater quorum requirement for any voting group, a majority of the votes entitled to be cast on the matter by a voting group constitutes a quorum of that voting group for action on that matter. As used in these Bylaws, a voting group includes all shares of one or more classes or series that, under the Articles of Organization or the Massachusetts Business Corporation Act, as in effect from time to time (the "MBCA"), are entitled to vote and to be counted together collectively on a matter at a meeting of shareholders.

(b) A share once represented for any purpose at a meeting is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless (1) the shareholder attends solely to object to lack of notice, defective notice or the conduct of the meeting on other grounds and does not vote the shares or otherwise consent that they are to be deemed present, or (2) in the case of an adjournment, a new record date is or shall be set for that adjourned meeting.

*Section 7. Voting and Proxies.* Unless the Articles of Organization provide otherwise, each outstanding share, regardless of class, is entitled to one vote on each matter voted on at a shareholders' meeting. A shareholder may vote his or her shares in person or may appoint a proxy to vote or otherwise act for him or her by signing an appointment form, either personally or by his or her attorney-in-fact. An appointment of a proxy is effective when received by the Secretary or other officer or agent authorized to tabulate votes. Unless otherwise provided in the appointment form, an appointment is valid for a period of 11 months from the date the shareholder signed the form or, if it is undated, from the date of its receipt by the officer or agent. An appointment of a proxy is revocable by the shareholder unless the appointment form conspicuously states that it is irrevocable and the appointment is coupled with an interest, as defined in the MBCA. An appointment made irrevocable is revoked when the interest with which it is coupled is extinguished. The death or incapacity of the shareholder appointing a proxy shall not affect the right of the Corporation to accept the proxy's authority unless notice of the death or incapacity is received by the Secretary or other officer or agent authorized to tabulate votes before the proxy exercises his or her authority under the appointment. A transferee for value of shares subject to an irrevocable appointment may revoke the appointment if he or she did not know of its existence when he or she acquired the shares and the existence of the irrevocable appointment was not noted conspicuously on the certificate representing the shares or on the information statement for shares without certificates. Subject to the provisions of Section 7.24 of the MBCA and to any express limitation on the proxy's authority appearing on the face of the appointment form, the Corporation is entitled to accept the proxy's vote or other action as that of the shareholder making the appointment.

*Section 8. Action at Meeting.* If a quorum of a voting group exists, favorable action on a matter, other than the election of Directors, is taken by a voting group if the votes cast within the group favoring the action exceed the votes cast opposing the action, unless a greater number of affirmative votes is required by law, or the Articles of Organization, these Bylaws or a resolution of the Board of Directors requiring receipt of a greater affirmative vote of the shareholders, including more separate voting groups. Directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. No ballot shall be required for such election unless requested by a shareholder present or represented at the meeting and entitled to vote in the election.

*Section 9. Action without Meeting by Written Consent.*

(a) Action taken at a shareholders' meeting may be taken without a meeting if the action is taken by all shareholders entitled to vote on the action; or to the extent permitted by the Articles of

Organization, by shareholders having not less than the minimum number of votes necessary to take the action at a meeting at which all shareholders entitled to vote on the action are present and voting. The action shall be evidenced by one or more written consents that describe the action taken, are signed by shareholders having the requisite votes, bear the date of the signatures of such shareholders, and are delivered to the Corporation for inclusion with the records of meetings within 60 days of the earliest dated consent delivered to the Corporation as required by this Section. A consent signed under this Section has the effect of a vote at a meeting.

(b) If action is to be taken pursuant to the consent of voting shareholders without a meeting, the Corporation, at least seven days before the action pursuant to the consent is taken, shall give notice, which complies in form with the requirements of Article III, of the action (1) to nonvoting shareholders in any case where such notice would be required by law if the action were to be taken pursuant to a vote by voting shareholders at a meeting, and (2) if the action is to be taken pursuant to the consent of less than all the shareholders entitled to vote on the matter, to all shareholders entitled to vote who did not consent to the action. The notice shall contain, or be accompanied by, the same material that would have been required by law to be sent to shareholders in or with the notice of a meeting at which the action would have been submitted to the shareholders for approval.

*Section 10. Record Date.* The Directors may fix the record date in order to determine the shareholders entitled to notice of a shareholders' meeting, to demand a special meeting, to vote, or to take any other action. If a record date for a specific action is not fixed by the Board of Directors, and is not supplied by law, the record date shall be the close of business either on the day before the first notice is sent to shareholders, or, if no notice is sent, on the day before the meeting or, in the case of action without a meeting by written consent, the date the first shareholder signs the consent. A record date fixed under this Section may not be more than 70 days before the meeting or action requiring a determination of shareholders. A determination of shareholders entitled to notice of or to vote at a shareholders' meeting is effective for any adjournment of the meeting unless the Board of Directors fixes a new record date, which it shall do if the meeting is adjourned to a date more than 120 days after the date fixed for the original meeting.

*Section 11. Meetings by Remote Communications.* If authorized by the Directors: any annual or special meeting of shareholders need not be held at any place but may instead be held solely by means of remote communication; and subject to such guidelines and procedures as the Board of Directors may adopt, shareholders and proxyholders not physically present at a meeting of shareholders may, by means of remote communications: (a) participate in a meeting of shareholders; and (b) be deemed present in person and vote at a meeting of shareholders whether such meeting is to be held at a designated place or solely by means of remote communication, provided that: (1) the Corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a shareholder or proxyholder; (2) the Corporation shall implement reasonable measures to provide such shareholders and proxyholders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the shareholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings; and (3) if any shareholder or proxyholder votes or takes other action at the meeting by means of remote communication, a record of such vote or other action shall be maintained by the Corporation.

*Section 12. Form of Shareholder Action.*

(a) Any vote, consent, waiver, proxy appointment or other action by a shareholder or by the proxy or other agent of any shareholder shall be considered given in writing, dated and signed, if, in lieu of any other means permitted by law, it consists of an electronic transmission that sets forth or is delivered with information from which the Corporation can determine (i) that the electronic transmission was transmitted by the shareholder, proxy or agent or by a person authorized to act for

the shareholder, proxy or agent; and (ii) the date on which such shareholder, proxy, agent or authorized person transmitted the electronic transmission. The date on which the electronic transmission is transmitted shall be considered to be the date on which it was signed. The electronic transmission shall be considered received by the Corporation if it has been sent to any address specified by the Corporation for the purpose or, if no address has been specified, to the principal office of the Corporation, addressed to the Secretary or other officer or agent having custody of the records of proceedings of shareholders.

(b) Any copy, facsimile or other reliable reproduction of a vote, consent, waiver, proxy appointment or other action by a shareholder or by the proxy or other agent of any shareholder may be substituted or used in lieu of the original writing for any purpose for which the original writing could be used, but the copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

### *Section 13. Shareholders List for Meeting.*

(a) After fixing a record date for a shareholders' meeting, the Corporation shall prepare an alphabetical list of the names of all its shareholders who are entitled to notice of the meeting. The list shall be arranged by voting group, and within each voting group by class or series of shares, and show the address of and number of shares held by each shareholder, but need not include an electronic mail address or other electronic contact information for any shareholder.

(b) The shareholders list shall be available for inspection by any shareholder, beginning two business days after notice is given of the meeting for which the list was prepared and continuing through the meeting: (1) at the Corporation's principal office or at a place identified in the meeting notice in the city where the meeting will be held; or (2) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting. If the meeting is to be held solely by means of remote communication, the list shall be made available on an electronic network.

(c) A shareholder, his or her agent or attorney is entitled on written demand to inspect and, subject to the requirements of Section 2(c) of Article VI of these Bylaws, to copy the list, during regular business hours and at his or her expense, during the period it is available for inspection.

(d) The Corporation shall make the shareholders list available at the meeting, and any shareholder or his or her agent or attorney is entitled to inspect the list at any time during the meeting or any adjournment.

## **ARTICLE II DIRECTORS**

*Section 1. Powers.* All corporate power shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed under the direction of, its Board of Directors.

*Section 2. Number and Election.* The Board of Directors shall consist of at one (1) individual, with the number fixed by the shareholders at the annual meeting but, unless otherwise provided in the Articles of Organization, if the Corporation has more than one shareholder, the number of Directors shall not be less than three, except that whenever there shall be only two shareholders, the number of Directors shall not be less than two. Except as otherwise provided in these Bylaws or the Articles of Organization, the Directors shall be elected by the shareholders at the annual meeting to hold office until the next annual election and until their successors are elected and qualify.

*Section 3. Vacancies.* If a vacancy occurs on the Board of Directors, including a vacancy resulting from an increase in the number of Directors: (a) the shareholders may fill the vacancy; (b) the Board of Directors may fill the vacancy; or (c) if the Directors remaining in office constitute fewer than a quorum of the Board, they may fill the vacancy by the affirmative vote of a majority of all the Directors remaining in office. A vacancy that will occur at a specific later date may be filled before the vacancy occurs but the new Director may not take office until the vacancy occurs.

*Section 4. Change in Size of the Board of Directors.* At the annual meeting or any meeting of the shareholders called for such purpose, the number of Directors may be fixed or changed by the shareholders or the Board of Directors, and the Board of Directors may increase or decrease the number of Directors last approved by the shareholders. If the number is increased, the additional Directors may be chosen at such meeting.

*Section 5. Tenure.* The terms of all Directors shall expire at the next annual shareholders' meeting following their election. A decrease in the number of Directors does not shorten an incumbent Director's term unless the particular Director is removed as provided in Section 7. The term of a Director elected to fill a vacancy shall expire at the next shareholders' meeting at which Directors are elected. Despite the expiration of a Director's term, he or she shall continue to serve until his or her successor is elected and qualified or until there is a decrease in the number of Directors.

*Section 6. Resignation.* A Director may resign at any time by delivering written notice of resignation to the Board of Directors, its chairman, or to the Corporation. A resignation is effective when the notice is delivered unless the notice specifies a later effective date.

*Section 7. Removal.* The shareholders may remove one or more Directors with or without cause by the affirmative vote of two-thirds of all the shares of stock outstanding and entitled to vote. A Director may be removed for cause by the Directors by vote of a majority of the Directors then in office. A Director may be removed by the shareholders or the Directors only at a meeting called for the purpose of removing him or her, and the meeting notice must state that the purpose, or one of the purposes, of the meeting is removal of the Director.

*Section 8. Regular Meetings.* Regular meetings of the Board of Directors may be held at such times and places as shall from time to time be fixed by the Board of Directors without notice of the date, time, place or purpose of the meeting.

*Section 9. Special Meetings.* Special meetings of the Board of Directors may be called by the President, by the Secretary, by any two Directors, or by one Director in the event that there is only one Director.

*Section 10. Notice.* Special meetings of the Board must be preceded by at least two days' notice of the date, time and place of the meeting. The notice need not describe the purpose of the special meeting. All notices to directors shall conform to the requirements of Article III.

*Section 11. Waiver of Notice.* A Director may waive any notice before or after the date and time of the meeting. The waiver shall be in writing, signed by the Director entitled to the notice, or in the form of an electronic transmission by the Director to the Corporation, and filed with the minutes or corporate records. A Director's attendance at or participation in a meeting waives any required notice to him or her of the meeting unless the Director at the beginning of the meeting, or promptly upon his or her arrival, objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

*Section 12. Quorum.* A quorum of the Board of Directors consists of a majority of the Directors then in office, provided always that any number of Directors (whether one or more and whether or not constituting a quorum) constituting a majority of Directors present at any meeting or at any adjourned meeting may make any reasonable adjournment thereof.

*Section 13. Action at Meeting.* If a quorum is present when a vote is taken, the affirmative vote of a majority of Directors present is the act of the Board of Directors. A Director who is present at a meeting of the Board of Directors or a committee of the Board of Directors when corporate action is taken is considered to have assented to the action taken unless: (a) he or she objects at the beginning of the meeting, or promptly upon his or her arrival, to holding it or transacting business at the meeting; (b) his or her dissent or abstention from the action taken is entered in the minutes of the meeting; or (c) he or she delivers written notice of his or her dissent or abstention to the presiding officer of the meeting before its adjournment or to the Corporation immediately after adjournment of the meeting. The right of dissent or abstention is not available to a Director who votes in favor of the action taken.

*Section 14. Action Without Meeting.* Any action required or permitted to be taken by the Directors may be taken without a meeting if the action is taken by the unanimous consent of the members of the Board of Directors. The action must be evidenced by one or more consents describing the action taken, in writing, signed by each Director, or delivered to the Corporation by electronic transmission, to the address specified by the Corporation for the purpose or, if no address has been specified, to the principal office of the Corporation, addressed to the Secretary or other officer or agent having custody of the records of proceedings of Directors, and included in the minutes or filed with the corporate records reflecting the action taken. Action taken under this Section is effective when the last Director signs or delivers the consent, unless the consent specifies a different effective date. A consent signed or delivered under this Section has the effect of a meeting vote and may be described as such in any document.

*Section 15. Telephone Conference Meetings.* The Board of Directors may permit any or all Directors to participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all Directors participating may simultaneously hear each other during the meeting. A Director participating in a meeting by this means is considered to be present in person at the meeting.

*Section 16. Committees.* The Board of Directors may create one or more committees and appoint members of the Board of Directors to serve on them. Each committee may have one or more members, who serve at the pleasure of the Board of Directors. The creation of a committee and appointment of members to it must be approved by a majority of all the Directors in office when the action is taken. Article III and Sections 10 through 15 of this Article shall apply to committees and their members. To the extent specified by the Board of Directors, each committee may exercise the authority of the Board of Directors. A committee may not, however: (a) authorize distributions; (b) approve or propose to shareholders action that the MBCA requires be approved by shareholders; (c) change the number of the Board of Directors, remove Directors from office or fill vacancies on the Board of Directors; (d) amend the Articles of Organization; (e) adopt, amend or repeal Bylaws; or (f) authorize or approve reacquisition of shares, except according to a formula or method prescribed by the Board of Directors. The creation of, delegation of authority to, or action by a committee does not alone constitute compliance by a Director with the standards of conduct described in Section 18 of this Article.

*Section 17. Compensation.* The Board of Directors may fix the compensation of Directors.

*Section 18. Standard of Conduct for Directors.*

(a) A Director shall discharge his or her duties as a Director, including his or her duties as a member of a committee: (1) in good faith; (2) with the care that a person in a like position would

reasonably believe appropriate under similar circumstances; and (3) in a manner the Director reasonably believes to be in the best interests of the Corporation. In determining what the Director reasonably believes to be in the best interests of the Corporation, a Director may consider the interests of the Corporation's employees, suppliers, creditors and customers, the economy of the state, the region and the nation, community and societal considerations, and the long-term and short-term interests of the Corporation and its shareholders, including the possibility that these interests may be best served by the continued independence of the Corporation.

(b) In discharging his or her duties, a Director who does not have knowledge that makes reliance unwarranted is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers or employees of the Corporation whom the Director reasonably believes to be reliable and competent with respect to the information, opinions, reports or statements presented; (2) legal counsel, public accountants, or other persons retained by the Corporation, as to matters involving skills or expertise the Director reasonably believes are matters (i) within the particular person's professional or expert competence or (ii) as to which the particular person merits confidence; or (3) a committee of the Board of Directors of which the Director is not a member if the Director reasonably believes the committee merits confidence.

(c) A Director is not liable for any action taken as a Director, or any failure to take any action, if he or she performed the duties of his or her office in compliance with this Section.

#### *Section 19. Conflict of Interest.*

(a) A conflict of interest transaction is a transaction with the Corporation in which a Director of the Corporation has a material direct or indirect interest. A conflict of interest transaction is not voidable by the Corporation solely because of the Director's interest in the transaction if any one of the following is true:

- (1) the material facts of the transaction and the Director's interest were disclosed or known to the Board of Directors or a committee of the Board of Directors and the Board of Directors or committee authorized, approved, or ratified the transaction;
- (2) the material facts of the transaction and the Director's interest were disclosed or known to the shareholders entitled to vote and they authorized, approved, or ratified the transaction; or
- (3) the transaction was fair to the Corporation.

(b) For purposes of this Section, and without limiting the interests that may create conflict of interest transactions, a Director of the Corporation has an indirect interest in a transaction if: (1) another entity in which he or she has a material financial interest or in which he or she is a general partner is a party to the transaction; or (2) another entity of which he or she is a director, officer, or trustee or in which he or she holds another position is a party to the transaction and the transaction is or should be considered by the Board of Directors of the Corporation.

(c) For purposes of clause (1) of subsection (a), a conflict of interest transaction is authorized, approved, or ratified if it receives the affirmative vote of a majority of the Directors on the Board of Directors (or on the committee) who have no direct or indirect interest in the transaction, but a transaction may not be authorized, approved, or ratified under this Section by a single Director. If a majority of the Directors who have no direct or indirect interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum is present for the purpose

of taking action under this Section. The presence of, or a vote cast by, a Director with a direct or indirect interest in the transaction does not affect the validity of any action taken under clause (1) of subsection (a) if the transaction is otherwise authorized, approved, or ratified as provided in that subsection.

(d) For purposes of clause (2) of subsection (a), a conflict of interest transaction is authorized, approved or ratified if it receives the vote of a majority of the shares entitled to be counted under this subsection. Shares owned by or voted under the control of a Director who has a direct or indirect interest in the transaction, and shares owned by or voted under the control of an entity described in clause (1) of subsection (b), may not be counted in a vote of shareholders to determine whether to authorize, approve, or ratify a conflict of interest transaction under clause (2) of subsection (a). The vote of those shares, however, is counted in determining whether the transaction is approved under other Sections of these Bylaws. A majority of the shares, whether or not present, that are entitled to be counted in a vote on the transaction under this subsection constitutes a quorum for the purpose of taking action under this Section.

*Section 20. Loans to Directors.* The Corporation may not lend money to, or guarantee the obligation of a Director of, the Corporation unless: (a) the specific loan or guarantee is approved by a majority of the votes represented by the outstanding voting shares of all classes, voting as a single voting group, except the votes of shares owned by or voted under the control of the benefited Director; or (b) the Corporation's Board of Directors determines that the loan or guarantee benefits the Corporation and either approves the specific loan or guarantee or a general plan authorizing loans and guarantees. The fact that a loan or guarantee is made in violation of this Section shall not affect the borrower's liability on the loan.

### **ARTICLE III**

#### **MANNER OF NOTICE**

*Section 1. Notices.* All notices hereunder shall conform to the following requirements:

(a) Notice shall be in writing unless oral notice is reasonable under the circumstances. Notice by electronic transmission is written notice.

(b) Notice may be communicated in person; by telephone, voice mail, telegraph, electronic transmission or other electronic means; by mail; or by messenger or delivery service. If these forms of personal notice are impracticable, notice may be communicated by a newspaper of general circulation in the area where published; or by radio, television, or other form of public broadcast communication.

(c) Written notice, other than notice by electronic transmission, if in a comprehensible form, is effective upon deposit in the United States mail, if mailed postpaid and correctly addressed to the shareholder's address shown in the Corporation's current record of shareholders.

(d) Written notice by electronic transmission, if in comprehensible form, is effective: (1) if by facsimile telecommunication, when directed to a number furnished by the shareholder for the purpose; (2) if by electronic mail, when directed to an electronic mail address furnished by the shareholder for the purpose; (3) if by a posting on an electronic network together with separate notice to the shareholder of such specific posting, directed to an electronic mail address furnished by the shareholder for the purpose, upon the later of (i) such posting and (ii) the giving of such separate notice; and (4) if by any other form of electronic transmission, when directed to the shareholder in such manner as the shareholder shall have specified to the Corporation. An affidavit of the Secretary or an Assistant Secretary of the Corporation, the transfer agent or other agent of the Corporation that

the notice has been given by a form of electronic transmission shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

(e) Except as provided in subsection (c), written notice, other than notice by electronic transmission, if in a comprehensible form, is effective at the earliest of the following: (1) when received; (2) five days after its deposit in the United States mail, if mailed postpaid and correctly addressed; (3) on the date shown on the return receipt, if sent by registered or certified mail, return receipt requested; or if sent by messenger or delivery service, on the date shown on the return receipt signed by or on behalf of the addressee; or (4) on the date of publication if notice by publication is permitted.

(f) Oral notice is effective when communicated if communicated in a comprehensible manner.

## **ARTICLE IV OFFICERS**

*Section 1. Enumeration.* The Corporation shall have a President, a Treasurer, a Secretary and such other officers as may be appointed by the Board of Directors from time to time in accordance with these Bylaws. The Board may appoint one of its members to the office of Chairman of the Board and from time to time define the powers and duties of that office notwithstanding any other provisions of these Bylaws.

*Section 2. Appointment.* The officers shall be appointed by the Board of Directors. A duly appointed officer may appoint one or more officers or assistant officers if authorized by the Board of Directors. Each officer has the authority and shall perform the duties set forth in these Bylaws or, to the extent consistent with these Bylaws, the duties prescribed by the Board of Directors or by direction of an officer authorized by the Board of Directors to prescribe the duties of other officers.

*Section 3. Qualification.* The same individual may simultaneously hold more than one office in the Corporation.

*Section 4. Tenure.* Officers shall hold office until the first meeting of the Directors following the next annual meeting of shareholders after their appointment and until their respective successors are duly appointed, unless a shorter or longer term is specified in the vote appointing them.

*Section 5. Resignation.* An officer may resign at any time by delivering notice of the resignation to the Corporation. A resignation is effective when the notice is delivered unless the notice specifies a later effective date. If a resignation is made effective at a later date and the Corporation accepts the future effective date, the Board of Directors may fill the pending vacancy before the effective date if the Board of Directors provides that the successor shall not take office until the effective date. An officer's resignation shall not affect the Corporation's contract rights, if any, with the officer.

*Section 6. Removal.* The Board of Directors may remove any officer at any time with or without cause. The appointment of an officer shall not itself create contract rights. An officer's removal shall not affect the officer's contract rights, if any, with the Corporation.

*Section 7. President.* The President when present shall preside at all meetings of the shareholders and, if there is no Chairman of the Board of Directors, of the Directors. He or she shall be the chief executive officer of the Corporation except as the Board of Directors may otherwise provide. The President shall perform such duties and have such powers additional to the foregoing as the Directors shall designate.

*Section 8. Treasurer.* The Treasurer shall, subject to the direction of the Directors, have general charge of the financial affairs of the Corporation and shall cause to be kept accurate books of accounts. He or she shall have custody of all funds, securities, and valuable documents of the Corporation, except as the Directors may otherwise provide. The Treasurer shall perform such duties and have such powers additional to the foregoing as the Directors may designate.

*Section 9. Secretary.* The Secretary shall have responsibility for preparing minutes of the Directors' and shareholders' meetings and for authenticating records of the Corporation. The Secretary shall perform such duties and have such powers additional to the foregoing as the Directors shall designate.

*Section 10. Standards Of Conduct For Officers.* An officer shall discharge his or her duties: (a) in good faith; (b) with the care that a person in a like position would reasonably exercise under similar circumstances; and (c) in a manner the officer reasonably believes to be in the best interests of the Corporation. In discharging his or her duties, an officer, who does not have knowledge that makes reliance unwarranted, is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers or employees of the Corporation whom the officer reasonably believes to be reliable and competent with respect to the information, opinions, reports or statements presented; or (2) legal counsel, public accountants, or other persons retained by the Corporation as to matters involving skills or expertise the officer reasonably believes are matters (i) within the particular person's professional or expert competence or (ii) as to which the particular person merits confidence. An officer shall not be liable to the Corporation or its shareholders for any decision to take or not to take any action taken, or any failure to take any action, as an officer, if the duties of the officer are performed in compliance with this Section.

## **ARTICLE V**

### **PROVISIONS RELATING TO SHARES**

*Section 1. Issuance and Consideration.* The Board of Directors may issue the number of shares of each class or series authorized by the Articles of Organization. The Board of Directors may authorize shares to be issued for consideration consisting of any tangible or intangible property or benefit to the Corporation, including cash, promissory notes, services performed, contracts for services to be performed, or other securities of the Corporation. Before the Corporation issues shares, the Board of Directors shall determine that the consideration received or to be received for shares to be issued is adequate. The Board of Directors shall determine the terms upon which the rights, options or warrants for the purchase of shares or other securities of the Corporation are issued and the terms, including the consideration, for which the shares or other securities are to be issued.

*Section 2. Share Certificates.* If shares are represented by certificates, at a minimum each share certificate shall state on its face: (a) the name of the Corporation and that it is organized under the laws of The Commonwealth of Massachusetts; (b) the name of the person to whom issued; and (c) the number and class of shares and the designation of the series, if any, the certificate represents. If different classes of shares or different series within a class are authorized, then the variations in rights, preferences and limitations applicable to each class and series, and the authority of the Board of Directors to determine variations for any future class or series, must be summarized on the front or back of each certificate. Alternatively, each certificate may state conspicuously on its front or back that the Corporation will furnish the shareholder this information on request in writing and without charge. Each share certificate shall be signed, either manually or in facsimile, by the President or a Vice President and by the Treasurer or an Assistant Treasurer, or any two officers designated by the Board of Directors, and shall bear the corporate seal or its facsimile. If the person who signed, either manually or in facsimile, a share certificate no longer holds office when the certificate is issued, the certificate shall be nevertheless valid.

*Section 3. Uncertificated Shares.* The Board of Directors may authorize the issue of some or all of the shares of any or all of the Corporation's classes or series without certificates. The authorization shall not affect shares already represented by certificates until they are surrendered to the Corporation. Within a reasonable time after the issue or transfer of shares without certificates, the Corporation shall send the shareholder a written statement of the information required by the MBCA to be on certificates.

*Section 4. Record and Beneficial Owners.* The Corporation shall be entitled to treat as the shareholder the person in whose name shares are registered in the records of the Corporation or, if the Board of Directors has established a procedure by which the beneficial owner of shares that are registered in the name of a nominee will be recognized by the Corporation as a shareholder, the beneficial owner of shares to the extent of the rights granted by a nominee certificate on file with the Corporation.

*Section 5. Lost or Destroyed Certificates.* The Board of Directors of the Corporation may, subject to Massachusetts General Laws, Chapter 106, Section 8-405, determine the conditions upon which a new share certificate may be issued in place of any certificate alleged to have been lost, destroyed or wrongfully taken. The Board of Directors may, in its discretion, require the owner of such share certificate, or his or her legal representative, to give a bond, sufficient in its opinion, with or without surety, to indemnify the Corporation against any loss or claim which may arise by reason of the issue of the new certificate.

## **ARTICLE VI CORPORATE RECORDS**

### *Section 1. Records to be Kept.*

(a) The Corporation shall keep as permanent records minutes of all meetings of its shareholders and Board of Directors, a record of all actions taken by the shareholders or Board of Directors without a meeting, and a record of all actions taken by a committee of the Board of Directors in place of the Board of Directors on behalf of the Corporation. The Corporation shall maintain appropriate accounting records. The Corporation or its agent shall maintain a record of its shareholders, in a form that permits preparation of a list of the names and addresses of all shareholders, in alphabetical order by class of shares showing the number and class of shares held by each. The Corporation shall maintain its records in written form or in another form capable of conversion into written form within a reasonable time.

(b) The Corporation shall keep within The Commonwealth of Massachusetts a copy of the following records at its principal office or an office of its transfer agent or of its Secretary or Assistant Secretary or of its registered agent:

- (1) its Articles or Restated Articles of Organization and all amendments to them currently in effect;
- (2) its Bylaws or restated Bylaws and all amendments to them currently in effect;
- (3) resolutions adopted by its Board of Directors creating one or more classes or series of shares, and fixing their relative rights, preferences, and limitations, if shares issued pursuant to those resolutions are outstanding;
- (4) the minutes of all shareholders' meetings, and records of all action taken by shareholders without a meeting, for the past three years;

- (5) all written communications to shareholders generally within the past three years, including the financial statements furnished under Section 16.20 of the MBCA for the past three years;
- (6) a list of the names and business addresses of its current Directors and officers; and
- (7) its most recent annual report delivered to the Massachusetts Secretary of State.

*Section 2. Inspection of Records by Shareholders.*

(a) A shareholder is entitled to inspect and copy, during regular business hours at the office where they are maintained pursuant to Section 1(b) of this Article, copies of any of the records of the Corporation described in said Section if he or she gives the Corporation written notice of his or her demand at least five business days before the date on which he or she wishes to inspect and copy.

(b) A shareholder is entitled to inspect and copy, during regular business hours at a reasonable location specified by the Corporation, any of the following records of the Corporation if the shareholder meets the requirements of subsection (c) and gives the Corporation written notice of his or her demand at least five business days before the date on which he or she wishes to inspect and copy:

(1) excerpts from minutes reflecting action taken at any meeting of the Board of Directors, records of any action of a committee of the Board of Directors while acting in place of the Board of Directors on behalf of the Corporation, minutes of any meeting of the shareholders, and records of action taken by the shareholders or Board of Directors without a meeting, to the extent not subject to inspection under subsection (a) of this Section;

(2) accounting records of the Corporation, but if the financial statements of the Corporation are audited by a certified public accountant, inspection shall be limited to the financial statements and the supporting schedules reasonably necessary to verify any line item on those statements; and

(3) the record of shareholders described in Section 1(a) of this Article.

(c) A shareholder may inspect and copy the records described in subsection (b) only if:

(1) his or her demand is made in good faith and for a proper purpose;

(2) he or she describes with reasonable particularity his or her purpose and the records he or she desires to inspect;

(3) the records are directly connected with his or her purpose; and

(4) the Corporation shall not have determined in good faith that disclosure of the records sought would adversely affect the Corporation in the conduct of its business.

(d) For purposes of this Section, "shareholder" includes a beneficial owner whose shares are held in a voting trust or by a nominee on his or her behalf.

*Section 3. Scope of Inspection Right.*

(a) A shareholder's agent or attorney has the same inspection and copying rights as the shareholder represented.

(b) The Corporation may, if reasonable, satisfy the right of a shareholder to copy records under Section 2 of this Article by furnishing to the shareholder copies by photocopy or other means chosen by the Corporation including copies furnished through an electronic transmission.

(c) The Corporation may impose a reasonable charge, covering the costs of labor, material, transmission and delivery, for copies of any documents provided to the shareholder. The charge may not exceed the estimated cost of production, reproduction, transmission or delivery of the records.

(d) The Corporation may comply at its expense, with a shareholder's demand to inspect the record of shareholders under Section 2(b)(3) of this Article by providing the shareholder with a list of shareholders that was compiled no earlier than the date of the shareholder's demand.

(e) The Corporation may impose reasonable restrictions on the use or distribution of records by the demanding shareholder.

*Section 4. Inspection of Records by Directors.* A Director is entitled to inspect and copy the books, records and documents of the Corporation at any reasonable time to the extent reasonably related to the performance of the Director's duties as a Director, including duties as a member of a committee, but not for any other purpose or in any manner that would violate any duty to the Corporation.

## **ARTICLE VII**

### **INDEMNIFICATION**

*Section 1. Definitions.* In this Article the following words shall have the following meanings unless the context requires otherwise:

"*Corporation*", includes any domestic or foreign predecessor entity of the Corporation in a merger.

"*Director*" or "*officer*", an individual who is, was or has agreed to become, a Director or officer, respectively, of the Corporation or who, while a Director or officer of the Corporation, is or was serving at the Corporation's request as a director, officer, partner, trustee, employee, or agent of another domestic or foreign corporation, partnership, joint venture, trust, employee benefit plan, or other entity. A Director or officer is considered to be serving an employee benefit plan at the Corporation's request if his or her duties to the Corporation impose duties on, or otherwise involve services by, him or her to the plan or to participants in or beneficiaries of the plan. "Director" or "officer" includes, unless the context requires otherwise, the estate or personal representative of a Director or officer.

"*Disinterested Director*", a Director who, at the time of a vote or selection referred to in Section 4 of this Article, is not (i) a party to the proceeding, or (ii) an individual having a familial, financial, professional, or employment relationship with the Director whose indemnification or advance for expenses is the subject of the decision being made, which relationship would, in the circumstances, reasonably be expected to exert an influence on the Director's judgment when voting on the decision being made.

"*Expenses*", includes all reasonable out of pocket costs, including but not limited to the fees of counsel and other professionals.

"*Liability*", the obligation to pay a judgment, settlement, penalty, or fine (including an excise tax assessed with respect to an employee benefit plan), or reasonable expenses incurred with respect to a Proceeding.

"*MBCA*". Chapter 156D of the Massachusetts General Laws, as amended from time to time,

"*Party*", an individual who was, is, or is threatened to be made, a defendant or respondent in a Proceeding.

"*Proceeding*", any threatened, pending, or completed action, suit, proceeding, or investigation, whether civil, criminal, administrative, arbitrative, or investigative and whether formal or informal.

"*Qualified Party*" means a Director or Officer who is a Party to a Proceeding because he or she is a Director or Officer or by reason of any action alleged to have been taken or omitted in such capacity.

*Section 2. Indemnification of Directors and Officers.* To the fullest extent permitted by these Articles and applicable provisions of the MBCA, the Corporation shall indemnify each Qualified Party who was or is a Party to any Proceeding against all Liability and Expenses incurred by or on behalf of the Qualified Party in connection with such Proceeding and any appeal therefrom:

(a) The Corporation shall indemnify fully each Qualified Person who is wholly successful, on the merits or otherwise, in the defense of any Proceeding against Expenses incurred by him or her in connection with the Proceeding.

(b) Except as otherwise provided in this Section, the Corporation shall indemnify to the fullest extent permitted by law a Qualified Party against Expenses and Liabilities incurred in a Proceeding if:

(1) (i) he or she conducted himself or herself in good faith; and (ii) he or she reasonably believed that his or her conduct was in the best interests of the Corporation or that his or her conduct was at least not opposed to the best interests of the Corporation; and (iii) in the case of any criminal proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful; or

(2) he or she engaged in conduct for which he or she shall not be liable under a provision of the Articles of Organization authorized by Section 2.02(b)(4) of the MBCA or any successor provision to such Section.

Clause (2) of subsection (a) shall apply to an officer who is also a Director if the basis on which he is made a party to the proceeding is an act or omission solely as an officer. If the Qualified Party is an officer but not a Director, and if the basis on which he is made a party to the Proceeding is an act or omission solely as an officer, the Corporation shall indemnify to such Qualified Party to such further extent as may be provided by these Articles of Organization, the bylaws, a resolution of the board of directors, or contract except for liability arising out of acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law.

(c) A Director's or officer's conduct with respect to an employee benefit plan for a purpose he or she reasonably believed to be in the interests of the participants in, and the beneficiaries of, the plan is conduct that satisfies the requirement that his or her conduct was at least not opposed to the best interests of the Corporation.

(d) The termination of a proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, is not, of itself, determinative that the Director or officer did not meet the relevant standard of conduct described in this Section.

(e) Unless ordered by a court, the Corporation may not indemnify a Director or officer under this Section if his or her conduct did not satisfy the standards set forth in subsection (b) or subsection (c).

*Section 3. Advance for Expenses.* The Corporation shall, before final disposition of a proceeding, advance funds to pay for or reimburse the reasonable expenses incurred by a Director or officer who is a party to a proceeding because he or she is a Director or officer if he or she delivers to the Corporation:

(a) a written affirmation of his or her good faith belief that he or she has met the relevant standard of conduct described in Section 2 of this Article or that the proceeding involves conduct for which liability has been eliminated under a provision of the Articles of Organization as authorized by Section 2.02(b)(4) of the MBCA or any successor provision to such Section; and

(b) his or her written undertaking to repay any funds advanced if he or she is not wholly successful, on the merits or otherwise, in the defense of such proceeding and it is ultimately determined pursuant to Section 4 of this Article or by a court of competent jurisdiction that he or she has not met the relevant standard of conduct described in Section 2 of this Article. Such undertaking must be an unlimited general obligation of the Director or officer but need not be secured and shall be accepted without reference to the financial ability of the Director or officer to make repayment.

*Section 4. Determination of Indemnification.* The determination of whether a Director or officer has met the relevant standard of conduct set forth in Section 2 shall be made:

(a) if there are two or more Disinterested Directors, by the Board of Directors by a majority vote of all the Disinterested Directors, a majority of whom shall for such purpose constitute a quorum, or by a majority of the members of a committee of two or more Disinterested Directors appointed by vote;

(b) by a majority vote of a quorum of the outstanding shares of stock of all classes entitled to vote for directors voting as a single class, but shares owned by or voted under the control of a Director who at the time does not qualify as a disinterested Director may not be voted on the determination,

(c) by independent legal counsel (who may, to the extent permitted by law, be regular legal counsel to the Corporation) *1)* selected in the manner prescribed in clause (a); or *2)* if there are fewer than two Disinterested Directors, selected by the Board of Directors, in which selection Directors who do not qualify as Disinterested Directors may participate, or

(d) by a court of competent jurisdiction.

*Section 5. Notification and Defense of Claim; Settlements.*

(a) In addition to and without limiting the foregoing provisions of this Article and except to the extent otherwise required by law, it shall be a condition of the Corporation's obligation to indemnify under Section 2 of this Article (in addition to any other condition provided in the by-laws or by law) that the Qualified Person asserting, or proposing to assert, the right to be indemnified, must notify the Corporation in writing as soon as practicable of any action, suit,

proceeding or investigation involving such Qualified Person for which indemnity will or could be sought, but the failure to so notify shall not affect the Corporation's objection to indemnify except to the extent the Corporation is adversely affected thereby.

(b) With respect to any Proceeding of which the Corporation is so notified, the Corporation will be entitled to participate therein at its own expense and/or to assume the defense thereof at its own expense, with legal counsel reasonably acceptable to such Qualified Person. After notice from the Corporation to such Qualified Person of its election so to assume such defense, the Corporation shall not be liable to such Qualified Person for any legal or other expenses subsequently incurred by such Qualified Person in connection with such Proceeding other than as provided below in this subsection (b). Such Qualified Person shall have the right to employ his or her own counsel in connection with such action, suit, proceeding or investigation, but the fees and expenses of such counsel incurred after notice from the Corporation of its assumption of the defense thereof shall be at the expense of such Qualified Person unless (1) the employment of counsel by such Qualified Person has been authorized by the Corporation, (2) counsel to such Qualified Person shall have reasonably concluded that there may be a conflict of interest or position on any significant issue between the Corporation and such Qualified Person in the conduct of the defense of such action, suit, proceeding or investigation or (3) the Corporation shall not in fact have employed counsel to assume the defense of such Proceeding, in which case the Expenses of counsel for such Qualified Person shall be at the expense of the Corporation, except as otherwise expressly provided by this Article. The Corporation shall not be entitled, without the consent of such Qualified Person, to assume the defense of any claim brought by or in the right of the Corporation or as to which counsel for such Qualified Person shall have reasonably made the conclusion provided for in clause (2) above.

(c) *Settlements.* The Corporation shall not be required to indemnify a Qualified Person under this Article for any amounts paid in settlement of any Proceeding unless authorized in the same manner as the determination that indemnification is permissible under Section 4 of this Article, except that if there are fewer than two Disinterested Directors, authorization of indemnification shall be made by the Board of Directors, in which authorization Directors who do not qualify as Disinterested Directors may participate. The Corporation shall not settle any Proceeding in any manner which would impose any penalty or limitation on such Qualified Person without such Qualified Person's written consent. Neither the Corporation nor such Qualified Person will unreasonably withhold their consent to any proposed settlement.

*Section 6. Insurance.* The Corporation may purchase and maintain insurance on behalf of a Director or officer against Expenses and Liabilities asserted against or incurred by him or her in that capacity or arising from his or her status as a Director or officer, whether or not the Corporation would have power to indemnify or advance expenses to him or her against the same liability under this Article. The Corporation shall not indemnify any such Qualified Person to the extent such Qualified Person is reimbursed from the proceeds of insurance, and, in the event the corporation makes any indemnification payments to any such Qualified Person and such Qualified Person is subsequently reimbursed from the proceeds of insurance, such Qualified Person shall promptly refund such indemnification payments to the corporation to the extent of such insurance reimbursement.

#### *Section 7. Further Limitations*

(a) The Corporation shall not indemnify a Qualified Person seeking indemnification in connection with a Proceeding (or part thereof) initiated by such Qualified Person unless the initiation thereof was approved by the Board of Directors of the Corporation.

(b) If Qualified Person is entitled to indemnification by the corporation for some or a portion of the Liabilities or Expenses actually and reasonably incurred by him or on his behalf, but

not, however, for the total amount thereof, the Corporation shall nevertheless indemnify such Qualified Person for the portion of Liabilities or Expenses to which Qualified Person is entitled.

*Section 8. Application of this Article.*

(a) The Corporation shall not be obligated to indemnify or advance expenses to a Director or officer of a predecessor of the Corporation, pertaining to conduct with respect to the predecessor, unless otherwise specifically provided.

(b) This Article shall not limit the Corporation's power to (1) pay or reimburse expenses incurred by a Director or an officer in connection with his or her appearance as a witness in a proceeding at a time when he or she is not a party or (2) indemnify, advance expenses to or provide or maintain insurance on behalf of an employee or agent of the corporation or other persons serving the corporation and such rights may be equivalent to, or greater or less than, those set forth in this Article. The corporation may, to the extent authorized from time to time by its Board of Directors, grant indemnification rights to other employees or agents

(c) The indemnification and advancement of expenses provided by, or granted pursuant to, this Article shall not be considered exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any law, agreement or vote of shareholders or directors or otherwise, and (ii) shall inure to the benefit of the heirs, executors and administrators of such Qualified Persons.

(d) Each person who is or becomes a Director or officer shall be deemed to have served or to have continued to serve in such capacity in reliance upon the indemnity provided for in this Article. All rights to indemnification under this Article shall be deemed to be provided by a contract between the Corporation and the person who serves as a Director or officer of the Corporation at any time while this Article and the relevant provisions of the MBCA are in effect. Any repeal or modification thereof shall not affect any rights or obligations then existing.

(e) If the laws of the Commonwealth of Massachusetts are hereafter amended from time to time to increase the scope of permitted indemnification, indemnification hereunder shall be provided to the fullest extent permitted or required by any such amendment.

**ARTICLE VIII  
FISCAL YEAR**

The fiscal year of the Corporation shall be the year ending with December 31 in each year.

**ARTICLE IX  
AMENDMENTS**

(a) The power to make, amend or repeal these Bylaws shall be in the shareholders. If authorized by the Articles of Organization, the Board of Directors may also make, amend or repeal these Bylaws in whole or in part, except with respect to any provision thereof which by virtue of an express provision in the MBCA, the Articles of Organization, or these Bylaws, requires action by the shareholders.

(b) Not later than the time of giving notice of the meeting of shareholders next following the making, amending or repealing by the Board of Directors of any By-Law, notice

stating the substance of the action taken by the Board of Directors shall be given to all shareholders entitled to vote on amending the Bylaws. Any action taken by the Board of Directors with respect to the Bylaws may be amended or repealed by the shareholders.

(c) Approval of an amendment to the Bylaws that changes or deletes a quorum or voting requirement for action by shareholders must satisfy both the applicable quorum and voting requirements for action by shareholders with respect to amendment of these Bylaws and also the particular quorum and voting requirements sought to be changed or deleted.

(d) A By-Law dealing with quorum or voting requirements for shareholders, including additional voting groups, may not be adopted, amended or repealed by the Board of Directors.

(e) A By-Law that fixes a greater or lesser quorum requirement for action by the Board of Directors, or a greater voting requirement, than provided for by the MBCA may be amended or repealed by the shareholders, or by the Board of Directors if authorized pursuant to subsection (a).

(f) If the Board of Directors is authorized to amend the Bylaws, approval by the Board of Directors of an amendment to the Bylaws that changes or deletes a quorum or voting requirement for action by the Board of Directors must satisfy both the applicable quorum and voting requirements for action by the Board of Directors with respect to amendment of the Bylaws, and also the particular quorum and voting requirements sought to be changed or deleted.

Massachusetts is one of the fastest growing cannabis markets in the country. Registered patient cardholders have increased steadily year-over-year and the market is on track to reach **\$300MM** dollars in annual sales by 2020.<sup>1</sup> The adult-use market is expected to come online by mid-2018 which could contribute an additional **\$900MM** in annual sales by 2020. Businesses must undergo a highly competitive application process in order to secure a license to cultivate and distribute cannabis, and cities have voted to limit the number of licenses issued. The restrictions have created an oligopoly market structure and ideal operational conditions for licensed cannabis businesses.

NS AJO Holdings, Inc., d/b/a “Natural Selections” (“Natural Selections,” or “the business”) is capitalizing on these market conditions to expand their brand and establish a chain of dispensaries throughout the Boston metro area. The business has received city approval as well as a provisional certification of registration (“PCR”)<sup>2</sup> from the Department of Health to establish a cultivation and manufacturing facility in Fitchburg. The company has also secured city approval to establish dispensaries in three strategic locations in Massachusetts—Watertown, Dorchester, and Fitchburg—to distribute cannabis directly to patients and customers.

Co-founders Aidan O’Donovan and Brandon Banks have been operating Natural Selections, a cannabis cultivation facility and dispensary in Colorado since 2015. Originally from Boston, O’Donovan has spent the past two years navigating Massachusetts city and state politics to secure the licenses for the business. O’Donovan has already relocated to Massachusetts to oversee the architectural, engineering, and security contractors during the development of the facility. Banks is currently overseeing the Colorado location and will relocate within the next few months. The company has projected solid revenue growth for its Massachusetts business based on estimates drawn from its cultivation facility in Denver, Colorado, as is reflected in the projected financials detailed below.

O’Donovan and Banks have assembled a team of experienced professionals excited to dedicate their business and cultivation expertise to produce cannabis in Massachusetts. Their business advisors include Isador Mitzner, an entrepreneur with decades of experience leading retail businesses, and Bob Aldworth, an experienced financial executive. The business’s board of directors will include some of the most influential business, health, nonprofit, and law enforcement leaders in the State.

Due to the high barriers to entry within this market and the city-imposed restrictions on the licenses, the Company expects substantial revenue from its business and high returns for its investors.

## Overview of the Market

---

National sales for the legal cannabis market grew to \$6.7 billion in 2016 from \$5.7 billion in 2015, making it the fastest growing industry in the United States. The staggering market demand for this plant and the recent legislation decriminalizing its usage has led investors and market

speculators to consider it America's "next great industry." As more and more states introduce laws regulating retail cannabis markets, major business opportunities in this new sector will emerge.

California became the first state to implement statewide cannabis legislation in 1996, dovetailing scientific data and statements released by medical associations in support of medical cannabis use and research. In 2009, the US Department of Justice submitted the "Ogden Memorandum" stating that although it will continue to enforce the Controlled Substances Act, it will not be an enforce priority to enforce the CSA against medical cannabis patients and caregivers who are in clear and unambiguous compliance with state law. This tacit approval paved the way for greater improvement and investment in the cannabis industry.

While federal law still prohibits the use of cannabis, many state and local governments have passed legislation decriminalizing possession, cultivation, and use of cannabis for both medical and recreational purposes. Currently, 29 states, the District of Columbia, Guam, and Puerto Rico allow for comprehensive public medical cannabis programs. Recently approved efforts in 18 states allow use of "low THC, high cannabidiol (CBD)" products for medical reasons in limited situations or as a legal defense. Colorado, Washington, Alaska, and Oregon currently permit sales to adults over the age of 21. In the November 2016 elections, Massachusetts, Maine, and Nevada voted to follow suit.

*The State of Legal Marijuana Markets*, published by ArcView Market Research, concluded that cannabis sales reached \$6.7 billion nationwide in 2016. National sales were fueled by the adult-use markets in Colorado, Washington, and Oregon, as well as the addition of medical markets in Illinois, Nevada, New York, Hawaii, and Maryland.

### **The Massachusetts Cannabis Market**

---

Since the implementation of 105 CMR 725.000, the Massachusetts market has seen substantial growth. The current legal regulations permit the use of cannabis for patients suffering from the following medical conditions: ALS, HIV, multiple sclerosis, cancer, epilepsy, Hepatitis C, Crohn's disease, Glaucoma, and Parkinson's disease. As of April of 2017, there were 40,842 patients holding medical marijuana registration cards with the Department of Health, which was a 36% increase from the previous year.<sup>3</sup>

<sup>3</sup> *Massachusetts Department of Health*

In order to establish a cannabis dispensary, a business must undergo a highly competitive license application process and receive approval from the local municipality as well as the State Department of Health. Many cities throughout Massachusetts are releasing a limited number of licenses, which has created an oligopoly market structure. These cities have hosted competitive bidding processes, which has been highly beneficial for operating cultivators and dispensaries. Data from the Department of Health indicates that approximately **19,127** ounces of flower<sup>4</sup> were sold to patients during the month of April. This implies that each operational dispensary is selling approximately **105 pounds** of cannabis flower per month.

### *Adult Use*

In the November 2016 elections, voters approved the Massachusetts Regulations and Taxation of Marijuana Initiative. This legislation permits the possession, use, distribution, and cultivation of cannabis for adults over the age of 21. The adult-use market is expected to come online by mid-2018 and could add an additional \$900MM in statewide sales by 2020. The Department of Health has signaled its intent to follow the patterns of states like Colorado and Oregon, which have given licensed medical dispensaries the first opportunity to sell to the adult use market. Natural Selections has secured permission from Fitchburg to establish adult-use sales in its dispensary and is confident that its other two locations will permit the sale of adult-use cannabis as well, once the Department of Health has signified its approval to proceed.

### **Market Capture**

---

The success of the Natural Selections' cultivation and dispensary facility will be contingent on supply and demand market dynamics within the state.

The company has utilized data from other medical markets to estimate how many patients will sign up for the program over the course of the next five years. Based on this research, the company has assumed that approximately 1.68% of the resident population in Massachusetts will register as medical cannabis patients within the first three years of operations. This estimate is based on an age-adjusted analysis of patient populations in Colorado,<sup>5</sup> Arizona,<sup>6</sup> and Oregon.<sup>7</sup> This market will be slightly enhanced by non-resident patients from other states, such as New Hampshire.

Natural Selections anticipates that there will be 126 operational dispensaries within the state during its first few years of operations. As per DPH data released in July, 109 businesses have received a Provisional Certification of Registration ("PCR")<sup>8</sup> to operate a medical dispensary in Massachusetts. There are 11 medical dispensaries currently operational throughout the state, and 6 dispensaries that have been awarded final approval from the Department of Health and will likely begin selling soon. The business has calculated its market capture based on the assumption that cities will award additional licenses over the next 2-3 years, as market demand grows.

Natural Selections has been awarded city approval to establish dispensaries in three strategic locations throughout metro Boston with significant population density. Natural Selections' most competitive location will likely be in a centrally located shopping district in Watertown, Massachusetts. The dispensary, located at 23 Elm Street, is blocks away from a retail outlet featuring Target, the Home Depot, and Best Buy. The dispensary is on the outskirts of Cambridge, Allston, Brighton, Belmont, and Newton. Approximately 450,000 residents live within a five-mile radius of the facility, which translates to roughly 2,698 patients currently registered with the Department of Health. There are 11 competitive licensees in this radius, but 8 of them are concentrated to the Northeast in Cambridge and Somerville. Natural Selections is confident that they will only have two direct competitors within the region, which will give them a substantial base of customers.

*Watertown Dispensary*

The Dorchester dispensary is located just 10 miles from the Watertown location but will attract an entirely different demographic of consumers and patients. This location will likely draw patients and customers from Roxbury, South Boston, and the South End. Approximately 440,000 residents live within a three-mile radius of the facility, which translates to roughly 2,638 patients currently registered with the Department of Health. Dorchester has had a rigorous city approval process and the business is confident that there will be only two other licensed dispensaries in this region: Patriot Care at Milk Street in Downtown Boston and Compassionate Organics on Newbury St in Back Bay.

The Fitchburg dispensary will draw a steady flow from smaller towns in Western Massachusetts due to its proximity to the George Stanton Highway. Approximately 150,000 residents live within a 10-mile radius of the facility, which translates to roughly 899 patients currently registered with the Department of Health. Although this location is more remote, Natural Selections expects only 2 other competitors in this zone, which will contribute to a higher patient count. The vast majority of the inhabitants in this zone should be able to access the dispensary within 15-20 minutes. The Fitchburg dispensary will also likely attract out-of-state customers from New Hampshire and other states in New England.

*Population estimates surrounding dispensary regions*

Natural Selections anticipates obtaining a significant market capture between these three locations, especially after the adult-use market is implemented. The business has applied population data to ramp-up rates extrapolated from Colorado and Arizona to determine how many patients they could potentially serve. By 2021, the company anticipates selling approximately 897 pounds of flower and 8,400 grams of concentrate per month across its three dispensaries.

In order to understand future demand for the adult-use cannabis market within the state of Massachusetts, the company analyzed current consumption patterns. The company has applied data from the National Survey on Drug Use and Health on cannabis consumption to the Massachusetts census data to determine how many residents fall into the category of a “Past Month Cannabis Consumer.” Based on an aged-adjusted analysis of this “past month cannabis consumer” data, it is reasonable to estimate that there will be a customer base of approximately **62,400** residents in its operational locations, which could create an additional demand of **3,167** pounds of flower annually when this market comes online. These projections are consistent with population-adjusted data extrapolated from the adult-use market in Colorado.

### ***The Locations***

The company has secured a lease agreement on a 50,000 square foot warehouse in Fitchburg, Massachusetts. The building will provide 18,486 square feet of flowering canopy with the option to build a 30,000 square foot greenhouse on the property for additional flowering canopy. The building will also house a 5,000 square foot extraction lab where it will create concentrates, edibles, and other infused cannabis products.

Natural Selections has secured real estate for three strategically located dispensaries to sell cannabis flower and products directly to patients and customers throughout Massachusetts. The founders intend to emulate the branding/design strategy at their dispensary in Northglenn, Colorado, which has garnered praise from customers and the press. They will keep the dispensary clean and open with minimalist design features, bright light fixtures, and a spacious waiting area with couches and chairs. To this effect, the business has secured lease agreements on facilities with sufficient square footage to create a comfortable retail experience for customers. The Watertown dispensary is 2,800 square feet, the Fitchburg dispensary is 5,000 square feet, and the Dorchester dispensary is 6,000 square feet.

### **Product Niche & Strain Specialties**

---

Natural Selections is committed to providing its patients with high quality cannabis that offers palliative care and pain relief, while reducing the side effects and symptoms of certain disorders. While the company acknowledges the lack of double-blind placebo-controlled tests illustrating the efficacy of cannabis in treating certain medical conditions, the company has taken scientific approach to strain development, aggregating data based on patient feedback and carefully studying plant and terpenoid profiles. Based on this objective: Natural Selections has developed its business plan based on three commitments: high-quality products tailored for medical conditions, product transparency, and high standards for cannabis cultivation, and processing. The company is confident that investing in best practices and building high quality products will serve its brand and investors in the long-run.

#### **1) High Quality Products Tailored for Medical Conditions**

Natural Selections is committed to providing its patients with high quality cannabis that offers palliative care and pain relief, while reducing the side effects and symptoms of certain disorders. While Natural Selections acknowledges the lack of double-blind placebo-controlled tests illustrating the efficacy of cannabis in treating certain medical conditions, the company has taken a scientific approach to strain development, aggregating data based on patient feedback and carefully studying plant and terpenoid profiles.

David R. Goodman, MD, will serve as Medical Director for the business. Dr. Goodman is an Anesthesiology Specialist based in Newton, Massachusetts. He has more than 14 years of

medical experience and is affiliated with Newton-Wellesley Hospital. Goodman will be responsible for developing, organizing, and facilitating education programs for patients, caregivers, board members, and the community at large concerning methods of consumption, cannabinoid profiles, regulation updates, as well as the applicant's services and programs.

The company has studied the medical conditions eligible for treatment under 105 CMR 725.000 and intends to provide an array of cannabis products best suited to treat these conditions. Natural Selections will initially introduce an array of strains that have demonstrated success in alleviating symptoms of HIV, AIDS, multiple sclerosis, cancer, epilepsy, and Crohn's disease, and Parkinson's disease.

While the following list is not comprehensive, it provides an overview of strains that the company expects to provide in order to offer the best medication for its patients. The company will adjust its product line based on available data and science, regulations, and market demand as the business evolves.

### **Otto #1**

Otto #1 is sativa-dominant CBD-rich strain popular among patients suffering with Multiple Sclerosis. Patients have noted that this strain was helpful in mitigating symptoms such as pain, muscle spasms, lack of motor control, and general fatigue. Anecdotal evidence suggested that patients with Multiple Sclerosis were able to obtain relief very quickly, frequently in under 12 hours after the first use. In addition to its high level of CBD, laboratory tests revealed that the Natural Selection, Colorado's Otto #1 strain had significant levels of pinene, which is clinically proven to have anti-inflammatory properties.

### **Harlequin**

Harlequin is a high CBD/low-THC strain; it is ideal for patients who wish to treat seizures and muscle spasms without experiencing a euphoric THC-induced high. Natural Selections, Colorado has been carrying this strain since 2014. Patients have noted that this strain significantly reduces inflammation and greatly reduces the number of attacks brought forth by Crohn's disease.

### **Blue Dream**

Blue Dream is a sativa-dominant hybrid that has proven popular among patients suffering from the effects of chemotherapy—chronic pain, nausea, and loss of appetite. It delivers high levels of THC without sedative effects, making it ideal for daytime pain management. The plant has a flowering period of 58 days.

### **Spectrum #12**

Spectrum #12 contains the cannabinoid THC-V (typically found in African landrace strains like Durban Poison) and has made a dramatic effect in the lives of many epilepsy patients. This strain was highly effective with a number of children and adults, who in the past were suffering from over 100 elliptic attacks per day. Many of these same patients have tried the "Charlotte's Web" strain, and did not experience nearly as much relief, if any, compared to Natural Selections, Colorado's Spectrum #12 and THC-V combination.

## **2) Product Transparency**

The founders of Natural Selections are committed to transparent and ethical business practices and understand that these practices are particularly essential within the medical cannabis industry.

Natural Selections will only offer quality, lab tested products. The applicant guarantees that all batches of medical cannabis are tested at a certified laboratory for potency, terpenes, metals, pesticides, and microbials, as well as THC/CBD content. The results of these tests will be displayed on the packaging of all products. As per the regulations outlined under 105 CMR 725.105(E), information is placed describing our nutrients, pesticides, ingredients, and recommendations on methods of intake, dosing, batch information and contact information.

Dispensary agents will be trained to explain the significance of laboratory testing results, so they can make accurate recommendations based on a patient's specific ailments and needs.

The applicant will provide extensive educational materials in its RMD as well as on its website. Its website will have an extensive R&D section that posts information on all strains produced along with current testing results. Natural Selections' website will also have a research portal that shares reliable medical journal articles from high profile entities such as GW Pharmaceuticals, so qualifying patients and dispensary agents are able to conduct their own research concerning the medicinal benefits of medical cannabis.

### 3) Best Practices for Cultivation, Processing, & Manufacturing

Natural Selections is committed to maintaining high standards of production throughout all elements of the cultivation and processing medical cannabis. Chief Operating Officer Aidan O'Donovan will lead the team in managing, tending, and cultivating the plants throughout all stages of the cultivation and dispensing process. O'Donovan has extensive experience in in developing, implementing, and maintaining standard operating procedures for cannabis cultivation and dispensing facilities

The applicant intends to emulate its cultivation strategies at its cultivation facility in Colorado. In contrast to a perpetual harvest cycle, Natural Selections uses a 4-week cycle in which a different flower room is cut down every week. The applicant separates flowering rooms based on the unique needs of each strain group. This strategy prevents the early harvest of immature plants and mitigates many common problems that are associated with strains growing in non-ideal environments. Cannabis grown at the cultivation facilities will be inspected thoroughly to ensure the medicine is free of pathogens and contaminants. Plants will be cultivated with the highest quality, lab tested, state approved fertilizer and pesticides to prevent potential carcinogens and residual contaminants from being consumed. Natural Selections strives to have minimal impact on the environment and on plants. The applicant utilizes as few chemicals as possible and uses clean salt-based nutrients that are extremely low in heavy metal content. These practices ensure the overall quality of finished product.

#### ***Capital Expenditure & Project Costs***

---

Natural Selections estimates that it will require approximately **\$21MM** in funds to secure final licensing from the Department of Public Health, build out and equip its facilities, and

cover the operation's pre-operating expenses and burn rate.

The company has a purchase agreement lease on a warehouse based in Fitchburg, Massachusetts to use as its cultivation facility and manufacturing/processing lab for **\$3.2MMM**. Once the facility has been purchased, the applicant will build out approximately 18,486 square feet of plant canopy space. Based on the market analysis, Natural Selections anticipates that this will be sufficient plant canopy to meet the demand of medical patients for the first three years of operation. The approximate costs for the first phase of the build out, which encompasses electrical upgrades, HVAC architectural drawings and designs, construction and building costs, fire suppression, plumbing, electronic safety and security, and contractor's fees and insurance, will come to **\$7.9MM**. The applicant also intends to build out its three dispensary locations, which will come to a total of approximately **\$2.07MM**.

Although the bulk of the capital required will be allocated for build out costs, the company also anticipates spending a large portion of its budget (**\$3.9MM**) to equip its cultivation/manufacturing facility and furnish its three dispensary operations. The applicant intends to replicate its cultivation techniques and strategies utilized at its facilities in Denver, Colorado. Natural Selections has incurred a number of pre-operating expenses associated with the Department of Public Health's licensing process. The applicant has worked closely with a number of Massachusetts-based architects, engineers, and land surveyors to create site plans, floors plans, and land surveys to ensure that the operation is feasible and will be compliant with all zoning regulations. The applicant has also hired a legal team, security team, and a cannabis application/compliance regulation expert to assist with the RFP process. The costs have totaled over **\$1.02MM** to date.

Lastly, the company has also allocated funds to cover pre-operating marketing expenses, pre-operating payroll, and working capital to cover the applicant's burn for the first few months of operations before the company turns profitable. Based on the applicant's extensive design/development experience, these pre-operating expenses will total roughly **\$1.8MM**.

The applicant has also allocated for a contingency of **\$845,000** in case any additional CCC, construction expenses, or unexpected issues arise.

### **Projected Revenue and Operating Expenses**

The company has prepared forward-looking financial statements, basing its projected revenue on its market analysis (described above) and its projected operating expenses and payroll on data points gathered from its facility in Denver, Colorado. Investors will have the opportunity to invest in the business as a vertically integrated unit. Profit and Loss ("P&L") will be calculated based on aggregated numbers from the dispensary, the cultivation facility, and the manufacturing facility. Natural Selections has also prepared a conservative and upside scenario,

indicating how different price points and market conditions may affect its business strategy.

Natural Selections intends to build out the full **18,486 square feet** of flowering canopy in its cultivation facility. After the cultivation facility has been established and the plants have moved through vegetative and flowering cycles, the company will produce approximately **739** pounds of raw flower per month for its first year of operations. The company anticipates selling **337** pounds of flower through its own retail division and then selling the remaining **397** pounds to retail buyers at a wholesale price of **\$3,000 per pound**. The company anticipates selling its product to patients in its dispensary for roughly **\$400/ounce in the first year of operations, with subsequent price degradation in subsequent years**. Production estimates are based on a yield of 2 pounds per light and an 8-week flowering cycle per plant. The business will also bring in additional revenue from its line of infused products which will include oil, shatter, wax, topicals, and edibles.

Based on these assumptions, the company expects to net **\$2.9MM** in Gross Revenue per month for flower sales and an additional **\$115,000** per month for the sale of concentrates and infused products. After accounting for the first three months of the cultivation cycle, including drying, curing, and total revenue in Year 1 will come to around **\$24MM**.

The company is budgeting for Cost of Goods Sold and consumable expenses, such as direct wages, materials, CO2 equipment, growing supplies, nutrients, and power/electricity, which will increase as a function of the company's plant canopy and harvest. These costs will come to approximately **\$3.4MM annually** and will increase as the company increases its plant count and begins to accumulate more revenue. Cost of Goods Sold associated with the processing facility, including solvent costs, packaging, and other costs associated with production, will come to **\$35,000** each year.

The company will incur a number of operating expenses including rent, property management, liability and property insurance, point of sale system, security monitoring, and internet and cable to operate the production facility and the retail location; these expenses will be subject to inflation but will otherwise remain fairly flat as the business expands. Natural Selections will also incur monthly fees for professional services, including legal, lobbying, and marketing and advertising. These operating costs will total around **\$1.2MM** for the cultivation facility for the first year of operations and will jump up to **\$1.3MM** in Year 2. Annual operating costs for the three dispensaries, including rent, marketing, insurance, and electricity, will come to approximately **\$612,000**.

Additionally, the company has considered its fixed payroll schedule when calculating its projected EBITDA. Payroll and benefits, which include social security, Medicare, worker's compensation, and health insurance, will amount to **\$3.1MM** annually across all divisions of the business.

The company expects to incur a burn rate in its first three months of operations while the first cycle of plants are moving through the vegetative, flowering, and curing phase. The company will be responsible for operating expenses, like rent, consumables, and payroll before it has harvested its first crop. The burn rate will amount to approximately **\$518K per month** for the first four months of operations. After the company is harvesting a crop of flowering plant each month, the business will be in the black, netting roughly **\$2.7MM** across all of the business divisions each month. Based on these projections, the company plans to net approximately **\$10MM** in EBITDA in its first year of operations.

### **Plan for Obtaining Liability Insurance**

NS AJO Holdings, Inc. (the “**Company**”) will work with an insurance broker licensed in the Commonwealth of Massachusetts to obtain insurance that meets or exceeds the requirements set forth in 935 CMR 500.105 (10).
