Plan to Remain Compliant with Local Zoning

Ocean Breeze Cultivators, LLC (“Ocean Breeze”) will remain compliant at all times with the local zoning requirements set forth in the Gloucester Zoning Ordinance, more specifically, Gloucester Zoning Ordinance § 5.31. In accordance with Gloucester’s Zoning Ordinance, Ocean Breeze’s proposed marijuana cultivator and marijuana product manufacturer location at 11 Dory Road is located in the BP (Business Park) Zoning District, which allows for Ocean Breeze’s proposed uses upon Site Plan Approval from the City of Gloucester Planning Board. Ocean Breeze is in the process of filing a Site Plan Application.

In accordance with Gloucester Zoning Ordinance § 5.31.4 and G.L. c. 94G, §5(b)(3), Ocean Breeze’s proposed facility is not located within five hundred (500) feet of a pre-existing public or private school providing education in kindergarten or any of grades 1 through 12. Ocean Breeze will comply with all of the criteria set forth in Gloucester’s marijuana zoning amendments.

Ocean Breeze will work cooperatively with various municipal departments, boards, and officials to ensure that its facility remains compliant with all laws, regulations, rules, and codes with respect to design, construction, operation and security. In accordance with 935 CMR 500.101, Ocean Breeze convened a properly noticed Community Outreach Meeting on January 28, 2019 to inform and gather feedback from the community related to its proposed marijuana establishment. Ocean Breeze has also retained counsel to assist with ongoing compliance with local zoning and regulatory compliance.

Ocean Breeze was not required to obtain a special permit from the City of Gloucester to operate as Marijuana Cultivation and Product Manufacturing facility in the City. Pursuant to Section 5.31.4 of the Gloucester Zoning Ordinance, Ocean Breeze was required to obtain Site Plan Approval from the City of Gloucester Planning Board, which it received on October 1, 2019.

Plan to Positively Impact Areas of Disproportionate Impact

Introduction

The Cannabis Control Commission (“Commission”) has identified certain communities in Massachusetts as areas of disproportionate impact. Gloucester, Massachusetts is not one of those communities and is not nearby any of those communities. However, Ocean Breeze’s Gloucester cultivation and manufacturing facility will be located less than thirty-five miles from three such communities: 1) Lynn (~25 miles); 2) Revere (~32 miles); and 3) Chelsea (~33 miles) (collectively, the “Impacted Communities”). Ocean Breeze has developed tangible plans to lift these neighboring communities. In pursuit of that objective, Ocean Breeze will exert best efforts to provide access, foster inclusivity, and broadcast opportunities to the residents of these communities.

Positive Impact Goals

Ocean Breeze will positively impact the Impacted Communities, by providing employment opportunities and training, through real-world experience, to residents of the Impacted Communities with the paramount goal of providing avenues for advancement in the adult-use cannabis industry. More specifically, Ocean Breeze will target for employment opportunities residents of the Impacted Communities who have past marijuana-related drug convictions (to the extent permitted by law and Commission regulations) and/or parents or spouses with drug convictions. Ocean Breeze hopes that, by directing its hiring efforts at these previously marginalized communities, it can ensure that the expected prosperity from the burgeoning adult-use cannabis industry in the state will benefit and lift impacted individuals and residents of Impacted Communities from all walks of life and backgrounds. Ocean Breeze’s long-term target is to hire a staff that is at least 50% composed of residents (or former residents) of the Impacted Communities and/or individuals with past marijuana-related CORIs and/or parents or spouses with drug convictions by year 5 of operations. At the end of year 1 of operations, Ocean Breeze will employ a staff that is at least 30% composed of residents (or former residents) of the Impacted Communities and/or individuals with past marijuana-related CORIs and/or parents or spouses with drug convictions.

Positive Impact Programs

Ocean Breeze will employ a twofold approach to attracting qualified candidates from Impacted Communities. With respect to staffing and employment opportunities, Ocean Breeze will give hiring preference to qualified applicants who are residents of the Impacted Communities and/or who have marijuana-related CORIs and/or parents or spouses with drug convictions. To achieve this goal Ocean Breeze intends to identify North Shore community partners, such as the North Shore Career Center, North Shore Community College in Lynn and Danvers and Salem State

University, that can assist the company in identifying residents of the Impacted Communities to fill open positions within the company. Either independently, or in partnership with its community partner(s), Ocean Breeze will regularly participate at job fairs in the Impacted Communities, including job fairs hosted by North Shore Community College in Lynn and Danvers in order to identify and recruit residents of the Impacted Communities who have an interest in the adult-use cannabis industry. Ocean Breeze will participate in at least two job fairs during its first year of operations in Gloucester. The job fairs will be convened in one or more of the Impacted Communities.

To supplement its dedicated community outreach efforts, Ocean Breeze will also introduce an internship training program during the first 2 years of operation of its Gloucester cultivation facility, where 1-2 skilled entry-level positions will be made available to a diverse pool of North Shore applicants, with specific priority given to residents of Impacted Communities. The internship program will be used to educate and train residents of Impacted Communities who otherwise lack experience in the adult-use cannabis industry with the expectation that, upon completion of the program, interns will possess the job skills and experience to secure gainful employment at any adult-use cannabis facility within the Commonwealth. To bolster its internship program, Ocean Breeze will explore partnerships with North Shore Community College's Career Center and/or Salem State University's Career Services Department to identify students interested in employment in the adult-use cannabis industry and small-business management. Ocean Breeze shall work closely with these organizations to ensure that the internship program will not be marketed to any person or student under the age of 21. The internship program will be reevaluated annually based on Ocean Breeze' capacity and needs, with the expectation that the program will grow proportionally with the company.

The objective of the Ocean Breeze internships will be to train and supervise interns with respect to different jobs involved in the cultivation and manufacturing processes, including growing, trimming and extracting. Interns will also be trained as to the applicable state and local requirements and restrictions relating to cannabis cultivation, and they will be evaluated and given constructive feedback as they proceed through the training process.

Positive Impact Measurement

Ocean Breeze will track its positive impact and community outreach efforts. With its community organization partners, Ocean Breeze will record and maintain (in accordance with the Commission's record keeping procedures) employment applications, for both full-time employment opportunities and internship positions, with the expectation that applications from residents of the Impacted Communities will steadily increase during Ocean Breeze' first five (5) years of operation of its Gloucester cultivation and manufacturing facility. In addition, Ocean Breeze will record and document its participation at job fairs in Impacted Communities and pledges to steadily increase its participation at such job fairs in years 1 through 5 of operation.

This process will include recording (through use of sign-in sheets or the like) and following-up (via email communications or mailings) with attendees who express interest in employment opportunities at Ocean Breeze's cultivation and manufacturing facility in Gloucester. Ocean Breeze will then compare and analyze how many of these Impacted Community residents ultimately apply for either full-time opportunities or internship positions. This regular evaluation will permit Ocean Breeze to accurately measure its reach into the Impacted Communities. In turn, Ocean Breeze will regularly audit these results and recalibrate its local outreach programs, if necessary.

Ocean Breeze's long-term target is to hire a staff that is at least 50% composed of residents (or former residents) of the Impacted Communities and/or individuals with past marijuana-related CORIs and/or parents or spouses with drug convictions by year 5 of operations. The Human Resources Manager will oversee progress toward this long-term hiring goal by obtaining, at least annually, employee biographical data through self-identifying surveys. Ocean Breeze also intends to meet the following intermediate hiring goals in years 1-4 of operation:

Commencement of Operations: minimum 25% Impacted Community and/or disproportionately impacted individual employment.

End of Year 1: minimum 30% Impacted Community and/or disproportionately impacted individual employment.

End of Year 2: minimum 35% Impacted Community and/or disproportionately impacted individual employment.

End of Year 3: minimum 40% Impacted Community and/or disproportionately impacted individual employment.

End of Year 4: minimum 45% Impacted Community and/or disproportionately impacted individual employment.

These short-term metrics and will ensure that Ocean Breeze is regularly evaluating progress toward its hiring goals and employing corrective actions if intermediary targets are not met. Furthermore, Ocean Breeze will be donating \$25,000 to The Open Door, a Gloucester-based nonprofit organization dedicated to the mission of alleviating the impact of hunger and enhancing food security on Cape Ann.

Positive Impact Plan Acknowledgments

Ocean Breeze pledges to adhere to the requirements set forth in 935 CMR 500.105(4)(a) which provides the permitted advertising, branding, marketing and sponsorship practices for all Marijuana Establishments. Ocean Breeze likewise pledges not to employ any of the prohibited practices articulated in 935 CMR 500.105(4)(b). Finally, none of the actions taken or programs instituted by Ocean Breeze will violate the Commission's regulations with respect to limitations on ownership or control or any other applicable state laws.

Each Member shall be a “Member” within the meaning of the Massachusetts Act. The name, mailing address, and email address of each Member shall be as listed on Schedule A. Each Member shall promptly notify the Company of any change in the information required to be set forth for such Member on Schedule A. Any Manager may update Schedule A from time to time as necessary to accurately reflect the information relating to the Members that is intended to be set forth thereon, including each Member’s Capital Contribution, Percentage Interest, and Threshold Amount (with respect to a Membership Interest that is intended to be a Profits Interest). Any such revision to Schedule A shall not be deemed an amendment to this Agreement. Unless otherwise indicated, any reference in this Agreement to Schedule A shall be deemed a reference to Schedule A as such may be revised pursuant to this Section 3.1 or otherwise amended from time to time.

Section 3.2 Membership Interests Generally.

Except as otherwise expressly provided herein, no Member shall (i) be entitled to receive any interest or other return on his, her or its Capital Contribution, (ii) be entitled to withdraw all or any portion of his, her or its Capital Contribution or to receive any distribution or Guaranteed Payment from the Company (other than pursuant to a separate agreement with the Company relating to compensation to be paid to such Member), (iii) have the status of a creditor with respect to distributions from the Company, (iv) have the right to demand or receive Company assets (including, for avoidance of doubt, as a Guaranteed Payment, other than pursuant to a separate agreement with the Company relating to compensation to be paid to such Member), or (v) have any priority over any other Member with respect to the return of Capital Contributions, allocations of profits and losses or distributions. No property of the Company shall be deemed to be owned by any Member individually, but shall be owned by and title thereto shall be vested solely in the Company. The Membership Interests shall constitute personal property.

Section 3.3 Voting and Management Rights.

(a) No Member, in his, her or its capacity as such, shall have (i) the right to vote or to participate in the management, operation or control of the business affairs of the Company or to vote to have the Company dissolved and its affairs wound up, except as expressly provided herein, or (ii) any right, power or authority to transact any business in the name of the Company, to act for or on behalf of the Company or in its name, or to bind the Company.

(b) Except as otherwise expressly provided herein, no action of the Company or the Managers shall require approval by the Members. To the fullest extent permitted by the Massachusetts Act, to the extent that the Massachusetts Act would require a consent or approval by the Members, the consent or approval of the Managers by Manager Approval shall be sufficient and no consent or approval by the Members shall be required.

(c) Whenever action is required or permitted by this Agreement to be taken by the Members, including any consent or approval thereof, unless otherwise expressly provided herein, such action shall be deemed valid if and only if taken by Member Approval.

Section 3.4 Liability of Members.

(a) A Member who receives a distribution made in violation of the Massachusetts Act shall be liable to the Company for the amount of such distribution to the extent, and only to the extent, provided by the Massachusetts Act.

(b) Except as provided under the Massachusetts Act and this Agreement, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Member shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Member. Without limiting the foregoing, (i) no Member in the Member's capacity as such shall have any liability to restore any negative balance in such Member's Capital Account and (ii) the failure of the Company to observe any formalities or requirements relating to exercise of the Company's powers or management of its business or affairs under this Agreement or the Massachusetts Act shall not be grounds for imposing personal liability on any Member for liabilities of the Company.

Section 3.5 No Right to Division of Assets.

Each Member waives all rights, at law, in equity or otherwise, to require a partition or division into individually owned interests of all or any portion of the assets of the Company.

Section 3.6 Member's Investment.

(a) Each Member understands that the Membership Interests have not been registered under the Securities Act, or registered or qualified under the securities or "Blue Sky" laws of any other jurisdiction. Each Member is acquiring such Member's Membership Interest for the Member's own account for investment, and not for, with a view to, or in connection with the resale or distribution thereof. The nature and amount of each Member's investment in the Membership Interests is consistent with such Member's investment objectives, abilities, and resources. Each Member understands that the Membership Interests are an illiquid investment, which will not become freely transferable by reason of any "change of circumstances." Each Member has adequate means of providing for the Member's current needs and possible contingencies and has no need for liquidity in the Member's investment.

(b) Each Member, to the extent desired by such Member, has consulted with such Member's attorney or accountant with respect to the Member's purchase or grant of Membership Interests. Each Member has knowledge of the Company's business, financial condition, current activities, and prospects. Each Member and such Member's attorney or accountant to the extent requested by such Member have had the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Company's business, financial condition, current activities, and prospects.

ARTICLE 4. MANAGEMENT OF THE COMPANY

Section 4.1 Managers.

(a) The Company shall be managed by the Managers. The Members hereby designate Wallace Schwartz and Andrew Schwartz to be the initial Managers (the “Initial Managers”), and each Initial Manager hereby accepts such designation and agrees to be bound by the terms and conditions of this Agreement that relate to the Managers. Additional Managers may be elected by Member Approval. Each current and future Manager (and only each Manager in his or her capacity as such) is hereby designated as a “Manager” of the Company within the meaning of the Massachusetts Act.

(b) Any Manager may be removed from his or her position as such by Member Approval (with such Manager being permitted to participate in such vote in his or her capacity as a Member). Each Manager shall have the right, upon prior written notice to the Members, to resign from his or her position as a Manager. If there is no Manager currently in office, a successor Manager shall be elected by Member Approval. Only a Member may serve as a Manager and, upon ceasing to be a Member, shall cease to be a Manager.

Section 4.2 Manager Voting Rights; Meetings; Quorum.

(a) Each Manager shall be entitled to one (1) vote with respect to any matter before the Managers.

(b) Regularly scheduled meetings of the Managers may be held at such time, date and place as a majority of the Managers may from time to time determine. Special meetings of the Managers may be called, orally, in writing or by means of electronic communication, by any of the Managers, designating the time, date and place thereof. Managers may participate in meetings of the Managers by means of telephone conference or similar communications equipment by means of which all Managers participating in the meeting can hear each other, and participation in a meeting in accordance herewith shall constitute presence in person at such meeting. No Manager may delegate his or her rights and obligations to participate in and vote at any meeting of the Managers.

(c) Notice of the time, date and place of all meetings of the Managers shall be given to each Manager by the officer or one of the Managers calling the meeting. Notice shall be given to each Manager in person or by telephone, facsimile or electronic mail sent to his business or home address or email address, as applicable, at least twenty-four (24) hours in advance of the meeting, or by written notice mailed to his business or home address at least seventy-two (72) hours in advance of the meeting, provided that once notice has been given as to the time and date of any regularly scheduled meeting of the Managers, no further notice of such meeting need be given. Notice need not be given to any Manager if a written waiver of notice is executed by him before or after the meeting. The attendance of a Manager at a meeting shall constitute a waiver of notice of such meeting by such Manager, except where a Manager attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because such meeting is not lawfully called or convened. A notice or waiver of notice of a

meeting of the Managers need not specify the purposes of the meeting.

(d) At any meeting of the Managers, the presence of a majority of the total number of Managers then in office shall constitute a quorum.

Section 4.3 Actions of the Managers.

(a) Except as provided in this Agreement or the Massachusetts Act, or required by law, any vote or approval of a majority of the Managers present at any meeting of the Managers at which a quorum is present shall be the act of the Managers.

(b) Any action required or permitted to be taken at any meeting of the Managers may be taken without a meeting if a written consent thereto is signed (including by means of an authorized electronic, stamped or other facsimile signature or email message) by all of the Managers then in office and filed with the records of the meetings of the Managers. Such consent shall be treated as a vote of the Managers for all purposes.

Section 4.4 Manager as Agent.

Each of the Managers is an agent of the Company, and the actions of each of the Managers shall bind the Company, except as otherwise expressly provided herein.

Section 4.5 Other Agents.

From time to time, the Managers acting by Manager Approval may hire employees and appoint agents of the Company (who may be designated as officers of the Company), with such powers and duties as shall be specified by such Manager Approval. Such employees and agents (including those designated as officers) may be removed by Manager Approval.

Section 4.6 Powers of a Manager.

(a) Except as otherwise expressly provided herein, the management and operation of the Company and its business and affairs shall be, and hereby is, vested solely in the Managers.

(b) Except as otherwise expressly provided herein, all decisions respecting any matter set forth herein or otherwise affecting or arising out of the conduct of the business of the Company shall require, and shall be considered duly authorized by, Manager Approval, including the following actions:

(i) Determination of the Percentage Interest of any Member pursuant and subject to the terms and conditions of this Agreement, including the Percentage Interests of the Members (A) at the time of the admission of a new Member and (B) at the time of the issuance of any additional Percentage Interests to existing Members;

(ii) Determinations relating to Guaranteed Payments pursuant to this Agreement;

(iii) Determinations relating to vesting of Percentage Interests; and

(iv) Determinations of “Gross Asset Value” as set forth in the definition of that term in Section 1 of Schedule B.

(c) Actions within the scope of authority granted to the Managers by this Agreement shall require Manager Approval; provided, however, that such actions that are of an administrative or routine nature may be taken by any individual Manager.

(d) Except as otherwise expressly provided herein, no action of the Managers shall require approval by the Members. The Managers may choose in their sole discretion to consult with any or all of the Members regarding actions to be taken by the Managers, but such consultation shall not create any additional approval right of the Members.

(e) Each Manager shall have the power and authority, in the name and on behalf of the Company, to execute and deliver any agreement, instrument, or document, and to take any action, which is authorized, or which relates or is related to or connected with any action of the Company which has been properly authorized pursuant to this Agreement.

Section 4.7 Certain Actions Requiring Manager Approval and Member Approval.

(a) Notwithstanding the provisions of Section 4.6, the following actions shall require both Manager Approval and Member Approval:

(i) The Company’s (A) making an assignment of Company assets for the benefit of creditors, (B) filing a voluntary petition in bankruptcy, (C) filing a petition or answer seeking for the Company any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any statute, law or regulation or filing an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the Company in any such proceeding, or (D) seeking, consenting to or acquiescing in the appointment of a trustee, receiver or liquidator of the Company or of all or any substantial part of the Company’s assets;

(ii) Conversion of the Company to another form of entity for tax purposes, including to corporate form; and

(iii) Voluntary liquidation or dissolution of the Company.

Section 4.8 Reliance by Third Parties.

Notwithstanding any other provision of this Agreement, any contract, instrument, or act of a Manager on behalf of the Company shall be conclusive evidence in favor of any third party dealing with the Company that the Manager has the authority, power, and right to execute and deliver such contract or instrument and to take such action on behalf of the Company.

Section 4.9 Reimbursement.

The Company shall reimburse the Managers and other authorized representatives of the Company for all out-of-pocket expenses reasonably incurred by the Managers and such authorized representatives on behalf of the Company. Such expenses may include travel, seminars, conference attendance fees, and other expenses related to transacting business on behalf of the Company. Such reimbursement shall be treated as an expense of the Company and shall not be deemed to constitute a distribution or fee to the Managers or such authorized representatives.

ARTICLE 5. CAPITAL CONTRIBUTIONS

Each Member's Capital Contribution through the date hereof is reflected on Schedule A as of the date hereof. Subject to Manager Approval, the Company may also accept additional capital contributions in connection with the issuance of additional Membership Interests to existing Members and the admission of other Persons as additional Members pursuant to Article 7.

ARTICLE 6. CAPITAL ACCOUNTS; ALLOCATIONS; DISTRIBUTIONS

Section 6.1 Capital Accounts.

For each Member, the Company shall establish and maintain a separate Capital Account as more fully described in Schedule B.

Section 6.2 Allocations.

The Adjusted Taxable Profit and Adjusted Taxable Loss of the Company shall be allocated among the Members in accordance with Schedule B.

Section 6.3 Distributions; Guaranteed Payments.

(a) Except as otherwise expressly provided herein, the Company shall not be required to make distributions or payments of cash or of other Company assets to the Members.

(b) Payments may be made by the Company to Members for services performed for the benefit of the Company by such Members at the time of any regular payment of wages to employees of the Company, in accordance with the Company's payroll methodology, or at such other times as may be determined by Manager Approval, it being understood that the payments made pursuant to this Section 6.3(b) shall not be treated as distributions, but rather as "guaranteed payments" within the meaning of Internal Revenue Code Section 707(c) (the "Guaranteed Payments").

(c) Distributions to Members, if any, other than under Article 10, shall be at such times and in such aggregate amounts as may be determined by Manager Approval, subject to any

limitations applicable to Profits Interests, including applicable Threshold Amounts as provided in Section 7.1, and shall be made to the Members as follows:

(i) first, to the Members to the extent of, and in proportion to, their respective Unreturned Capital Contributions, until such Unreturned Capital Contributions have been reduced to zero; and

(ii) second, the balance to the Members in proportion to their respective Percentage Interests.

(d) Notwithstanding the foregoing, the Company shall make, with respect to each Fiscal Year of the Company, minimum distributions of Distributable Cash to each Member in an amount equal to the respective Tax Liability of such Member for such Fiscal Year (such distributions pursuant to this Section 6.3(d), “Tax Distributions”); provided, however, that no such distributions shall be made if distributions that have been made or are to be made with respect to such Fiscal Year (as determined by Manager Approval) to such Member pursuant to Section 6.3(c) or Section 10.2 are sufficient to discharge such Member’s Tax Liability. Any distributions made to a Member with respect to such Member’s Tax Liability pursuant to this Section 6.3(d) shall be deemed an advance against and shall serve to reduce subsequent distributions made to such Member pursuant to Section 6.3(c) and pursuant to Section 10.2.

(e) Distributions pursuant to this Article 6 shall be made with respect to all Membership Interests, whether vested or unvested. Any distributions pursuant to Section 6.3(c) (but not, for the avoidance of doubt, pursuant to Section 6.3(d)) with respect to any portion of any Membership Interest which is reflected by a Percentage Interest which is unvested shall be held by the Company (net of amounts with respect thereto, if any, that are distributed to the applicable Member pursuant to Section 6.3(d)) until such Percentage Interest becomes a vested, at which time any such retained distributions shall be released to the applicable Member. Upon the forfeiture of any unvested Membership Interest, any retained distributions applicable to such Membership Interest shall be forfeited by the Member. Any retained distributions that are forfeited pursuant to the foregoing sentence shall thereafter be distributed to the Members in accordance with the order and priorities set forth in Section 6.3(c) or Section 10.2, as applicable.

Section 6.4 Withholding; Tax Documentation.

Notwithstanding anything to the contrary in this Agreement, the Company may withhold from any distribution or other payment, as applicable, to any Member (including any former Member) the amount (the “Member Tax Amount”) of (i) any taxes required to be, or that should have been, withheld with respect to such distribution or other payment or any other distribution, payment, or allocation to such Member, (ii) any tax liability of the Company otherwise attributable to such Member, whether or not already paid by the Company, and (iii) any interest, additions to tax and penalties in respect of taxes described in the foregoing clauses (i) or (ii). All Member Tax Amounts will be determined by the Managers. For avoidance of doubt, Member Tax Amounts will include any “imputed underpayment” within the meaning of Section 6225(c) of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law) that the Managers determine to be appropriate to treat as a tax liability attributable to Members (including former Members). All Member Tax Amounts withheld from any

distribution or other payment to a Member shall be treated as amounts distributed or paid by the Company to such Member. If no distribution or other payment is then being made to such Member in an amount sufficient to cover the Member Tax Amounts attributable to such Member, then the shortfall that the Company is obligated to pay to a taxing authority shall be deemed to be an interest-free advance from the Company to such Member, payable by such Member by withholding from subsequent distributions or other payments by the Company to such Member or within fourteen (14) days after receiving a written request for payment from the Company; provided, that, in any event such amount shall be repaid to the Company no later than the date of the final distribution in liquidation of the Company. The amount of any taxes (including interest, additions to tax and penalties in respect of such taxes) that are paid by, or withheld from distributions by, entities that are partnerships or other flow-through entities for tax purposes through or in which the Company, directly or indirectly, holds an investment shall be treated as Member Tax Amounts that are subject to this Section 6.4 on the date such taxes are paid or withheld, to the extent determined by the Managers. Each Member and former Member agrees to timely complete and deliver to the Managers any form or document, and to timely provide such other information, reasonably requested by the Company for tax purposes, including Massachusetts Form PTE-EX (as applicable).

ARTICLE 7.

ISSUANCE OF ADDITIONAL MEMBERSHIP INTERESTS; ADMISSION OF ADDITIONAL MEMBERS

Section 7.1 Additional Issuances; Additional Members; Profits Interests.

(a) By Manager Approval, a Member may purchase or be granted additional Membership Interests in the Company or a Person who is not already a Member of the Company may be admitted as a Member of the Company.

(b) The Percentage Interest, Capital Contribution (if any) and other terms with respect to any additional Membership Interests or any additional Member shall be determined by Manager Approval. Upon any issuance of Percentage Interests to a new or existing Member, the Percentage Interests of the existing Members (including the existing Member, if any, receiving an additional Percentage Interest) shall be reduced proportionately. At all times, the total amount of Percentage Interests held by the Members shall be 100%. So long as any required approval and consent has been obtained in each case, each such Person who is not already a Member of the Company shall be admitted as an additional Member of the Company by executing a counterpart of this Agreement or a separate signature page hereof. This Agreement shall thereupon be deemed amended by the admission of such additional Member and the Managers shall take such other actions as they shall deem necessary by Manager Approval to confirm or legalize any issuance of additional Membership Interests or the admission of any additional Member. The admission of any Person as an additional Member shall not be cause for dissolution of the Company.

(c) If the Managers intend, as determined by Manager Approval or as indicated on Schedule A, that a Membership Interest granted to a Person in exchange for providing services to the Company qualify as a “profits interest” for tax purposes, the Company and each Member agree to treat such Membership Interest (such interest, a “Profits Interest”) as a

separate “profits interest” within the meaning of Rev. Proc. 93-27, 1993-2 C.B. 343 or any future Internal Revenue Service guidance or other authority that supplements or supersedes the foregoing Revenue Procedure, and it is the intention of the Members that distributions to each Profits Interest under this Agreement be limited to the extent necessary so that the Profits Interest of such Member qualifies as a “profits interest” under Rev. Proc. 93-27, and this Agreement shall be interpreted accordingly.

(d) Upon the grant of a Profits Interests to a Member, the Gross Asset Value of all Company assets shall be adjusted to equal their respective gross fair market values, as provided in the definition of Gross Asset Value, and the Company’s Adjusted Taxable Profit and Company’s Adjusted Taxable Loss arising from such adjustment shall be allocated to the existing Members in accordance with Schedule B. This Section 7.1 is intended to reflect the intent of the parties hereto that such grant (aside from the portion of the new interest acquired in exchange for any capital contribution made by such Member) shall be treated as the issuance of a profits interest for United States federal income tax purposes.

(e) In connection with the issuance of any Profits Interest, the Managers, by Manager Approval, shall set a threshold dollar amount with respect to such Profits Interest (each, a “Threshold Amount”). The Threshold Amount with respect to each Profits Interest will be an amount, determined by Manager Approval, equal to the value of all outstanding Membership Interests at the time of issuance of such Profits Interest, determined based upon the amount of distributions that the holders of all such Membership Interests would be entitled to receive in a hypothetical liquidation of the Company on the date of issuance of such Profits Interest in which the Company sold its assets for their fair market value, satisfied its liabilities (excluding any nonrecourse liabilities to the extent the balance of such liabilities exceeds the fair market value of the assets that secure them) and distributed the net proceeds to the holders of Membership Interests in liquidation of the Company (excluding for these purposes the Profits Interest subject to such grant). The determination by Manager Approval of the Threshold Amount shall be final, conclusive and binding on all Members; provided, however, neither the Company nor the Managers shall bear any responsibility to any Member if such determination is incorrect.

(f) Notwithstanding any provision in this Agreement to the contrary, the Managers shall exclude a Profits Interest from participation in distributions from the Company (including pursuant to Section 6.3(c) and Article 10) in the manner and to the extent the Managers determine appropriate by Manager Approval so as to fully reflect the applicable Threshold Amount consistent with such Profits Interest’s treatment as a “profits interest” in accordance with this Section 7.1 (including, without limitation, by taking into account any subsequent capital contributions, forfeitures, recapitalizations, capital transactions and other similar transactions). For avoidance of doubt, the Managers and the Company shall not be responsible for any subsequent determination by a taxing authority that any Membership Interest that was intended to be a Profits Interest failed to so qualify.

(g) In accordance with Rev. Proc. 2001-43, 2001-2 CB 191, the Company shall treat a Member holding a Profits Interest as the owner of such Profits Interest from the date it is granted, and shall file its Internal Revenue Service Form 1065, and issue appropriate Schedule K-1s to such Member. Each Member agrees to take into account any allocations of items of income, gain, loss, deduction and credit associated with any Profits Interest held by such

Member in computing his, her or its United States federal income tax liability for the entire period during which he, she or it holds the Profits Interest. The Company and each Member agree not to claim a deduction (as wages, compensation or otherwise) for the fair market value of such Profits Interest issued to a Member, either at the time of grant of the Profits Interest or at the time the Profits Interest becomes substantially vested. The undertakings contained in this Section 7.1(g) shall be construed in accordance with Section 4 of Rev. Proc. 2001-43.

(h) The Managers shall have the right, by Manager Approval, to amend this Agreement without the approval of any other Member upon publication of final Treasury Regulations in the Federal Register (or other official pronouncement) to (i) direct and authorize the election of a “safe harbor” under Proposed Treasury Regulation Section 1.83-3(l) (or any similar successor provision) under which the fair market value of a membership interest that is transferred in connection with the performance of services is treated as being equal to the liquidation value of that interest, (ii) to provide for an agreement by the Company and all of its Members to comply with all the requirements set forth in such Treasury Regulations and Notice 2005-43 (and any other guidance provided by the Internal Revenue Service with respect to such election) with respect to all interests transferred in connection with the performance of services while the election remains effective, and (iii) to provide for any other related amendments; provided, in any case, that (x) such amendment shall not change the relative economic interest of the Members, reduce any Member’s share of distributions, or increase any Member’s liability hereunder and (y) the Company shall provide a copy of such amendment to the Members at least ten (10) days prior to the effective date of any such amendment.

(i) This Section 7.1, together with any grant document pursuant to which Membership Interests are issued to a Member in such Person’s capacity as an employee of the Company, are intended to qualify as a compensatory benefit plan within the meaning of Rule 701 of the Securities Act and the issuance of Membership Interests pursuant hereto is intended to qualify for the exemption from registration under the Securities Act provided by Rule 701; provided, that the foregoing shall not restrict or limit the Company’s ability to issue any Membership Interests pursuant to any other exemption from registration under the Securities Act available to the Company and to designate any such issuance as not being subject to Rule 701.

(j) Membership Interests may be issued subject to vesting, forfeiture and repurchase pursuant to separate written agreements, the provisions of which may be determined, altered or waived (unless otherwise specified in such agreements) in the sole discretion of the Managers pursuant to Manager Approval. Any Person holding a Membership Interest subject to a vesting arrangement, including, without limitation, any Profits Interest, shall be personally responsible for making, and shall make, a timely Internal Revenue Code Section 83(b) election in accordance with Treasury Regulation Section 1.83-2 with respect to each such Membership Interest (to the extent applicable).

ARTICLE 8.

TRANSFER OF MEMBERSHIP INTERESTS; LEGAL REPRESENTATIVES

Section 8.1 Assignability of Interests; Substitute Members.

A Member may not sell, assign, transfer, pledge or otherwise encumber, or otherwise dispose of, such Member’s Membership Interest, whether voluntarily or by operation of law, and

an Assignee of a Member's Membership Interest shall not be admitted as a Substitute Member, in each case without prior Manager Approval. Unless and until admitted as a Substitute Member, an Assignee shall not be entitled to exercise any rights or powers of, or to receive any of the benefits of, the assigning Member other than, to the extent assigned, the share of Adjusted Taxable Profit and Adjusted Taxable Loss and the rights to receive distributions to which the assigning Member was entitled. An Assignee shall have no liability as a Member solely as a result of such assignment. An Assignee may become a Substitute Member only upon the terms and conditions set forth in Section 8.2. The admission of an Assignee as a Substitute Member shall additionally in each case be conditioned upon the Assignee's written assumption, in form and substance satisfactory to the Managers, of all of the obligations, restrictions and liabilities of the assigning Member with respect to the assigned Membership Interest under this Agreement and the Assignee's execution of an instrument reasonably satisfactory to the Managers whereby such Assignee becomes a party to this Agreement as a Substitute Member. In no event shall any Member sell, assign, transfer, pledge or otherwise encumber, or otherwise dispose of, such Member's rights or obligations in an unvested Membership Interest, if any, whether voluntarily or by operation of law, and any such purported disposition shall be void *ab initio*.

Section 8.2 Additional Requirements.

As additional conditions to the validity of any assignment of a Membership Interest and any admission of an Assignee as a Substitute Member, such assignment and any such admission:

- (a) shall not violate the registration provisions of the Securities Act, or the securities laws of any applicable jurisdiction; and
- (b) shall not cause the Company to be terminated for United States federal income tax purposes or to be treated as a publicly traded partnership under the Internal Revenue Code, unless agreed to in writing by Manager Approval.

The Managers acting by Manager Approval may require reasonable evidence as to satisfaction of such conditions, including, without limitation, a favorable opinion, in form and substance satisfactory to the Managers, of legal counsel reasonably satisfactory to the Managers. Any purported assignment or admission as to which the conditions set forth in Section 8.1 and Section 8.2 are not satisfied shall be void *ab initio*.

Section 8.3 Distributions as Between Assignor and Assignee.

If a Membership Interest shall be validly assigned, then the assignor and Assignee shall each be entitled to distributions as follows: unless the assignor and Assignee shall agree otherwise and so provide in the instrument of assignment, distributions shall be made to the Person owning the Membership Interest at the date of distribution. For the purpose of making computations based on distributions, any distribution to an Assignee who, at the time of the computation, (i) has not been admitted as a Substitute Member shall be deemed to have been made to the assigning Member, and (ii) has been admitted as a Substitute Member shall be deemed to have been made to the Assignee.

Section 8.4 Deemed Agreement.

Any Person who acquires in any manner whatsoever any Membership Interest or other

interest in the Company, irrespective of whether such Person has accepted and adopted in writing the terms and provisions of this Agreement, shall be deemed by the acceptance of the benefits of the acquisition thereof to have agreed to be subject to and bound by all of the terms and conditions of this Agreement that any predecessor in such Membership Interest or other interest in the Company of such Person was subject to or by which such predecessor was bound.

Section 8.5 Transfer of Capital Accounts.

As determined by Manager Approval, the Capital Account established for each Substitute Member shall initially be in the same amount as the Capital Account of the Member (or portion thereof) to which such Substitute Member succeeds, at the time such Substitute Member is admitted as a Member of the Company. The Capital Account of any Member whose Membership Interest shall be increased by means of a transfer to it of all or part of the Membership Interest of another Member shall also be appropriately adjusted to reflect such transfer, as determined by Manager Approval. Any reference in this Agreement to a Capital Contribution of, or distribution to, a Member that has succeeded any other Member shall include any Capital Contributions or distributions previously made by or to the former Member on account of the Membership Interest of such former Member transferred to such Member. All of the foregoing shall be subject to the right of the Managers to determine the appropriate amount of allocations, distributions and Capital Contribution for each Member.

ARTICLE 9. DURATION OF THE COMPANY

Section 9.1 Duration.

The Company shall continue until it is dissolved and its affairs wound up, which shall occur on the earlier of the happening of any of the following events:

- (a) The receipt of both Manager Approval and Member Approval with respect to such dissolution and winding up.
- (b) The death, incapacitation, retirement, resignation, expulsion, or bankruptcy of all of the Members or the occurrence of any event which terminates the continued membership of all of the Members in the Company.
- (c) The entry of a decree of judicial dissolution under Section 18-802 of the Massachusetts Act.

ARTICLE 10. LIQUIDATION OF THE COMPANY

Section 10.1 General.

(a) Upon the dissolution of the Company, the Company shall be liquidated in an orderly manner in accordance with this Article 10 and the Massachusetts Act. The liquidation shall be conducted and supervised by the Managers or, if there are no Managers and no remaining Members, by the personal representative (or its nominee or designee) of the last

remaining Member (the Managers or such other Person, as applicable, being referred to in this Article 10 as the “Liquidating Agent”). The Liquidating Agent shall have all of the rights, powers, and authority with respect to the assets and liabilities of the Company in connection with the liquidation of the Company that the Members have with respect to the assets and liabilities of the Company during the term of the Company, and the Liquidating Agent is hereby expressly authorized and empowered to execute any and all documents necessary or desirable to effectuate the liquidation of the Company and the transfer of any assets of the Company. The Liquidating Agent shall have the right from time to time, by revocable powers of attorney, to delegate to one or more Persons any or all of such rights and powers and such authority and power to execute documents and, in connection therewith, to fix the reasonable compensation of each such Person, which compensation shall be charged as an expense of liquidation. The Liquidating Agent is also expressly authorized to distribute Company assets to the Members subject to liens.

(b) The Liquidating Agent shall liquidate the Company as promptly as shall be practicable after dissolution. Without limitation of the rights, powers, and authority of the Liquidating Agent as provided in this Article 10, the Liquidating Agent may, in its discretion, either distribute in kind or sell securities and other non-cash assets. Any securities or other non-cash assets which the Liquidating Agent may sell shall be sold at such prices and on such terms as the Liquidating Agent may, in its good faith judgment, deem appropriate.

Section 10.2 Final Allocations and Distributions.

Upon dissolution of the Company, the Company’s liabilities to its creditors shall be paid, or provision for such payment as determined by the Liquidating Agent shall be made, prior to any other distributions to the Members. After paying such liabilities and providing for such reserves and after giving effect to all contributions, distributions and allocations for all periods, the Liquidating Agent shall cause the remaining net assets of the Company (and the remainder, if any, of the reserves established in accordance with the foregoing) to be distributed to and among the Members in accordance with Section 6.3(c), subject to any limitations applicable to Profits Interests, including applicable Threshold Amounts as provided in Section 7.1.

ARTICLE 11. POWER OF ATTORNEY

Section 11.1 General.

(a) Each Member irrevocably constitutes and appoints each Manager and the Liquidating Agent the true and lawful attorney-in-fact of such Member to execute, acknowledge, swear to and file any of the following:

(i) the Certificate of Organization and all other certificates and other instruments deemed advisable by Manager Approval to carry out the provisions of this Agreement and applicable law or to permit the Company to become or to continue as a limited liability company;

(ii) this Agreement and all instruments that the Managers acting by Manager Approval deem appropriate to reflect a change or amendment to or modification of this Agreement made in accordance with this Agreement;

(iii) all conveyances and other instruments or papers deemed advisable by Manager Approval or the Liquidating Agent to effect the dissolution and termination of the Company;

(iv) all fictitious or assumed name certificates required or permitted to be filed on behalf of the Company;

(v) all other certificates, instruments or papers that may be required or permitted by law to be filed on behalf of the Company and any amendment or modification of any certificate or other instrument referred to in this Section 11.1(a); and

(vi) any agreement, document, certificate or other instrument that any Member is required to execute and deliver hereunder or pursuant to applicable law that such Member has failed to execute and deliver within ten (10) days after written request from the Managers pursuant to Manager Approval.

(b) The foregoing power of attorney is (i) coupled with an interest, (ii) irrevocable and durable, (iii) shall not be terminated or otherwise affected by any act or deed of any Member (or by any other Person) or by operation of law, whether by the legal incapacity of a Member or by the occurrence of any other event or events, and (iv) shall survive the assignment by a Member of the whole or any part of such Member's Membership Interest, except that, where the assignee of the whole of such Member's Membership Interest is to be admitted as a Member, the power of attorney of the transferor shall survive such transfer for the sole purpose of enabling the applicable attorney-in-fact to execute, swear to, acknowledge and file any instrument necessary or appropriate to effect such admission.

(c) Each Member agrees to execute, upon five (5) days' prior written notice from the Managers acting by Manager Approval or any Liquidating Agent, as applicable, a confirmatory or special power of attorney containing the substantive provisions of this Article 11, which shall be in form satisfactory to the Persons or Person providing such notice.

ARTICLE 12. DUTIES, EXCULPATION AND INDEMNIFICATION

Section 12.1 Duties of Manager, Tax Matters Person and Liquidating Agent.

Each Manager, Tax Matters Person and Liquidating Agent shall exercise in good faith such Person's judgment in carrying out such Person's functions and, otherwise, shall owe no duties (including fiduciary duties) to the Company or any Member in such capacity. The Members hereby agree that this Section 12.1 and the other provisions of this Agreement, to the extent that they restrict or eliminate duties of any Manager, Tax Matters Person or Liquidating Agent otherwise existing at law or in equity, modify such duties to such extent.

Section 12.2 Exculpation; Liability of Covered Persons.

(a) To the fullest extent permitted by law, none of the Managers, Tax Matters Persons, Liquidating Agents, or any other Persons who were, at the time of the act or omission in question, a Manager, Tax Matters Person or Liquidating Agent (each, a "Covered Person") shall

have any liability to the Company or to any Member for any loss suffered by the Company that arises out of any action or inaction of such Covered Person if such Covered Person, in good faith, determined that such course of conduct was in, or not opposed to, the best interests of the Company and such course of conduct did not constitute gross negligence, fraud, or willful misconduct of such Covered Person.

(b) No Covered Person shall have any personal liability for the repayment of the positive balance in the Capital Account of a Member. To the greatest extent permitted by applicable law, no Covered Person shall be liable to any Member by reason of any United States federal or other income tax laws or the interpretations thereof as they apply to the Company and such Member, or any changes thereto.

(c) The Members hereby agree that this Section 12.2 and the other provisions of this Agreement, to the extent that they restrict or eliminate liabilities of the Covered Persons otherwise existing at law or in equity, modify such liabilities to such extent.

Section 12.3 Indemnification of Covered Persons.

(a) To the maximum extent permitted by applicable law and subject to the other provisions of this Section 12.3, the Company shall indemnify and hold harmless Covered Persons, from and against any claim, loss, expense, liability, action or damage (including, without limitation, any action by a Member or assignee thereof against a Covered Person) due to, arising from or incurred by reason of any action, inaction or decision performed, taken, not taken or made by Covered Persons or any of them in connection with the activities and operations of the Company, or any subsidiary of the Company, as the case may be, provided (i) such action, inaction or decision is within the scope of the authority of such Covered Persons as provided herein, (ii) such Covered Person acted in good faith and in a manner such Covered Person reasonably believed to be in, or not opposed to, the best interests of the Company or any subsidiary of the Company, as the case may be, and (iii) with respect to any criminal proceeding, such Covered Person had no reasonable cause to believe the conduct of such Covered Person was unlawful. The termination of a proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not, by itself, create a presumption that the Covered Person did not act in good faith and in a manner which the Covered Person reasonably believed to be in, or not opposed to, the best interest of the Company or any subsidiary of the Company, as the case may be, or that the Covered Person had reasonable cause to believe that such Covered Person's conduct was unlawful (unless there shall have been a final adjudication in the proceeding that the Covered Person did not act in good faith and in a manner which such Covered Person reasonably believed to be in, or not opposed to, the best interests of the Company or any subsidiary of the Company, as the case may be, or that the Covered Person did have reasonable cause to believe that such Covered Person's conduct was unlawful). Any Covered Person may consult with independent counsel selected by the Covered Person (which may be counsel for the Company or any Affiliate) and any opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by such Covered Person hereunder in good faith and in accordance with the opinion of such counsel. Any indemnification under this Section 12.3 shall include reasonable attorneys' fees incurred by Covered Persons in connection with the defense of any such action including, to the extent permitted by law, all such liabilities under United States federal and state securities acts.

The reasonable expenses incurred by Covered Persons in connection with the defense of any such action shall be paid or reimbursed as incurred, upon receipt by the Company of an undertaking by such Covered Person to repay such expenses if it shall ultimately be determined that such Covered Person is not entitled to be indemnified hereunder, which undertaking may be accepted without reference to the financial ability of such Covered Person to make repayment. Such indemnification shall only be made to the extent that such Persons are not otherwise reimbursed from insurance or other means. Such indemnification shall only be paid from the assets of the Company, and no Member shall have any personal liability on account thereof.

(b) Notwithstanding the provisions of Section 12.3(a), a Covered Person shall not be entitled to be indemnified or held harmless from and against any claim, loss, expense, liability, action or damage due to or arising from the Covered Person's gross negligence, fraud or willful misconduct.

(c) The provisions of this Section 12.3 shall be in addition to and not in limitation of any other rights of indemnification and reimbursement or limitations of liability to which a Covered Person may be entitled under the charter documents of any subsidiary of the Company or otherwise. The provisions of this Section 12.3 shall apply whether or not at the time of reimbursement the Covered Person entitled to reimbursement is then a Covered Person. Notwithstanding any repeal of this Section 12.3 or other amendment hereof, its provisions shall be binding upon the Company (subject only to the exceptions above set forth) as to any claim, loss, expense, liability, action or damage due to or arising out of matters which occur during or are referable to the period prior to any such repeal or amendment of this Section 12.3.

Section 12.4 Interested Transactions.

The Company may transact business and enter into and amend contracts, agreements and arrangements with one or more Covered Persons, or with any corporation, partnership, organization or other concern of or in which any one or more Covered Persons are directors, officers, stockholders, partners, members, trustees or otherwise interested. In the absence of fraud, (i) no such transaction, contract or arrangement shall be invalidated or in any way affected by the fact that such Covered Persons have or may have interests that are or might be adverse to the interest of the Company, even though the vote, consent or other action of such Covered Persons may have been necessary to obligate the Company under such transaction, contract or arrangement, and (ii) in the additional absence of any express agreement to the contrary, no such Covered Person shall be liable to the Company, any Member, any creditor of the Company or any other Person for any loss incurred by reason of any such transaction, contract or arrangement, nor shall such Covered Person be accountable for any gains or profits realized thereon.

ARTICLE 13. MISCELLANEOUS PROVISIONS

Section 13.1 Books and Accounts; Confidentiality.

(a) Complete and accurate books and accounts shall be kept and maintained for the Company in accordance with generally accepted accounting principles, using such method of

accounting as shall be determined by Manager Approval, and shall include separate accounts for each Member. Each Member, at such Member's own expense, shall at reasonable times and upon reasonable prior written notice to the Company have access to such copy of the Agreement and of the Certificate of Organization and such books of account, but only to the extent such books of account reasonably relate to such Member's Membership Interest and not the Membership Interest of any other Member. The Members hereby acknowledge that, pursuant to Section 18-305(g) of the Massachusetts Act, the rights of a Member to obtain information from the Company shall be limited to only those rights provided for in this Section 13.1(a) and that any other rights provided under Section 18-305(a) of the Massachusetts Act shall not be available to the Members or applicable to the Company.

(b) Within a period of time after the end of each Fiscal Year of the Company as determined by Manager Approval, the Company shall provide to each Member a Form K-1 for such Member with respect to such Fiscal Year.

(c) All funds received by the Company shall be deposited in the name of the Company in such account or accounts, all securities owned by the Company may be deposited with such custodians, and withdrawals therefrom shall be made upon such signature or signatures on behalf of the Company, as may be determined from time to time by Manager Approval.

(d) Each Member agrees to maintain the confidentiality of the Company's records and affairs, including the terms of this Agreement, agrees not to provide to any other Person (including any employee of the Company) copies of any financial statements, tax returns, or other records provided or made available to such Member, and agrees not to disclose to any other Person (including any employee of the Company) any information contained therein without Manager Approval; provided, that any Member may make disclosures and may provide financial statements, tax returns, and other records: (i) to such Member's accountants and legal counsel as long as such Member instructs such accountants and legal counsel to maintain the confidentiality thereof and not to disclose to any other Person (including any employee of the Company) any information contained therein, (ii) if, and to the extent, required by law, including judicial or administrative order (provided, that, to the extent feasible, the Company is given prior notice to enable it to seek a protective order or similar relief), and (iii) in order to enforce rights under this Agreement. Schedule A, as revised from time to time pursuant to the terms and subject to the conditions of this Agreement, shall be maintained by the Managers, and Members shall not be entitled to review or receive copies of such Schedule A unless permitted pursuant to Manager Approval.

(e) Notwithstanding the foregoing, nothing in this Agreement prohibits, or is intended in any manner to prohibit, a report of a possible violation of United States federal law or regulation to any governmental agency or entity, including but not limited to the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under whistleblower provisions of United States federal law or regulation. No Person subject to the restrictions set forth in this Article 13 shall require the prior authorization of anyone at the Company or the Company's legal counsel to make any such reports or disclosures, and no such Person is required to notify the Company that it has made such reports or disclosures. Additionally, nothing in this Agreement is intended to interfere with or restrain the immunity provided under 18 U.S.C. Section 1833(b) for confidential

disclosures of trade secrets to government officials, or lawyers, solely for the purpose of reporting or investigating a suspected violation of law; or in a sealed filing in court or other proceeding.

Section 13.2 Survival of Rights and Remedies.

No failure or delay by any party in exercising any right or remedy hereunder shall operate as a waiver thereof, and a waiver of a particular right or remedy on one occasion shall not be deemed a waiver of any other right or remedy or a waiver on any subsequent occasion.

Section 13.3 Notices.

All notices, demands, solicitations of consent or approval, and other communications hereunder shall be in writing and shall be sufficiently given if personally delivered or sent by postage prepaid, registered or certified mail, return receipt requested, or by overnight courier, addressed as follows: if intended for the Company or the Managers in their capacity as such, to the Company's principal place of business determined pursuant to Section 2.3, and if intended for any Member to the address of such Member set forth on Schedule A or at such other address as any Member may designate by written notice. Notices shall be deemed to have been given when personally delivered, if mailed, on the earlier of (A) three (3) days after the date on which deposited in the mails, and (B) the date on which received, or if sent by overnight courier, on the date on which received; provided, that notices of a change of address shall not be deemed given until the actual receipt thereof. The provisions of this Section 13.3 shall not prohibit the giving of written notice in any other manner, including email; any written notice given in any other manner shall be deemed given only when actually received.

Section 13.4 Waivers; Amendments.

The operation or effect of any provision of this Agreement may only be waived, and this Agreement may only be amended, in accordance with this Section 13.4. Capital Accounts; Allocations of Adjusted Taxable Profit and Adjusted Taxable Loss

1. Defined Terms. For purposes of this *Schedule B* and this Agreement, the following capitalized terms have the respective meanings ascribed to them:

“*Adjusted Capital Account Balance*” shall mean with respect to any Member, such Member’s Capital Account balance maintained in accordance with this Agreement, as of the end of the relevant Fiscal Year or other allocation period, after giving effect to the following adjustments:

(a) increase such Capital Account by any amounts that such Member is obligated to restore pursuant to any provision of this Agreement, is treated as obligated to restore pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(c), or is deemed obligated to restore pursuant to the penultimate sentences of Treasury Regulation Sections 1.704-2(g)(1) and 1.704-2(i)(5); and

(b) decrease such Capital Account by the items described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4) through (d)(6).

The foregoing definition of Adjusted Capital Account Balance is intended to comply with the provisions of Treasury Regulation Sections 1.704-1(b)(2)(ii)(d) and 1.704-2 and shall be interpreted consistently therewith.

“*Adjusted Taxable Profit*” and “*Adjusted Taxable Loss*” mean, as to any transaction or Fiscal Year or other allocation period, the taxable income or loss of the Company for United States federal income tax purposes, and each item of income, gain, loss or deduction entering into the computation thereof, with the following adjustments:

(a) Any tax-exempt income or gain of the Company that is not otherwise taken into account in computing Adjusted Taxable Profit or Adjusted Taxable Loss shall be deemed to increase the amount of such taxable income or decrease the amount of such loss;

(b) Any expenditures of the Company described in Section 705(a)(2)(B) of the Internal Revenue Code (or treated as such) and not otherwise taken into account in computing Adjusted Taxable Profit or Adjusted Taxable Loss shall decrease the amount of such taxable income or increase the amount of such loss; and

(c) In the event the Gross Asset Value of any Company asset is adjusted, (i) the amount of such adjustment (including an adjustment resulting from a distribution of such asset but excluding an adjustment resulting from a contribution of such asset) shall be taken into account in the same manner as gain or loss from the disposition of such asset for purposes of computing Adjusted Taxable Profit or Adjusted Taxable Loss, (ii) gain or loss resulting from any disposition of such asset with respect to which gain or loss is recognized for United States federal income tax purposes shall be computed by reference to the Gross Asset Value of such

asset, and (iii) in lieu of the cost recovery or similar deductions taken into account with respect to any asset with a Gross Asset Value which differs from its adjusted basis under the Internal Revenue Code, such deductions shall be an amount equal to the Depreciation with respect to such asset.

“*Company Minimum Gain*” has the meaning set forth for “partnership minimum gain” in Treasury Regulation Sections 1.704-2(b)(2), (d), and (g).

“*Depreciation*” means, for each Fiscal Year of the Company or other period, an amount equal to the depreciation, depletion, amortization or other cost recovery deduction allowable under the Internal Revenue Code with respect to an asset for such Fiscal Year or other period; provided, however, that if the Gross Asset Value of an asset differs from its adjusted basis for United States federal income tax purposes at the beginning of such Fiscal Year or other period, Depreciation shall be an amount that bears the same ratio to such beginning Gross Asset Value as the United States federal income tax depreciation, amortization or other cost recovery deduction with respect to such asset for such Fiscal Year or other period bears to such beginning adjusted tax basis; and provided further that if the United States federal income tax depreciation, amortization or other cost recovery deduction for such Fiscal Year or other period is zero, Depreciation shall be determined with reference to such beginning Gross Asset Value using any reasonable method selected by Manager Approval.

“*Gross Asset Value*” means, with respect to any asset, such asset’s adjusted basis for United States federal income tax purposes, except as follows:

(a) the Gross Asset Value of all Company assets shall be adjusted to equal their respective gross fair market values, as determined by Manager Approval in accordance with the Internal Revenue Code, as of the following times: (i) the acquisition of an additional interest in the Company by any new or existing Member in exchange for more than a de minimis capital contribution; (ii) the distribution by the Company to a Member of more than a de minimis amount of Company assets as consideration for an interest in the Company, including, without limitation, in connection with the withdrawal of a Member; (iii) the grant of an interest in the Company (other than a de minimis interest) as consideration for the provision of services to or for the benefit of the Company by a new or existing Member acting in a Member capacity or in anticipation of becoming a Member; (iv) in connection with the issuance by the Company of a noncompensatory option (other than an option for a de minimis interest); and (v) the liquidation of the Company within the meaning of Treasury Regulation Section 1.704-1(b)(2)(ii)(g); provided, however, that adjustments pursuant to clauses (i) through (iv) of this sentence shall not be made if the Managers, acting by Manager Approval, determine that such adjustments are not necessary or appropriate to reflect the relative economic interests of the Members in the Company;

(b) the Gross Asset Value of any Company asset (other than cash) distributed in kind to any Member shall be adjusted to equal the gross fair market value of such asset on the date of distribution, as determined by Manager Approval in accordance with the Internal Revenue Code;

(c) the initial Gross Asset Value of any asset contributed to the Company shall be adjusted to equal its gross fair market value at the time of its contribution, as determined by Manager Approval in accordance with the Internal Revenue Code; and

(d) the Gross Asset Value of Company assets shall otherwise be determined or adjusted, in the discretion of the Managers, acting by Manager Approval, as required or permitted for purposes of maintaining Capital Accounts under the Internal Revenue Code.

If the Gross Asset Value of an asset has been determined or adjusted pursuant to paragraph (a), (c) or (d) above, such Gross Asset Value shall thereafter be adjusted by the Depreciation taken into account with respect to such asset for purposes of computing Adjusted Taxable Profit or Adjusted Taxable Loss and as otherwise required by Treasury Regulation Section 1.704-1(b)(2)(iv)(g).

“Internal Revenue Code” means the United States Internal Revenue Code of 1986, as amended from time to time, and any regulations, including temporary regulations, promulgated thereunder, as such regulations may be amended from time to time (including corresponding provisions of succeeding regulations).

“Member Nonrecourse Debt” has the same meaning as the term “partner nonrecourse debt” set forth in Treasury Regulation Section 1.704-2(b)(4).

“Member Nonrecourse Debt Minimum Gain” means an amount, with respect to each Member Nonrecourse Debt, equal to the Company Minimum Gain that would result if the Member Nonrecourse Debt were treated as a Nonrecourse Liability, determined in accordance with Treasury Regulation Section 1.704-2(i).

“Nonrecourse Deductions” shall have the meaning set forth in Treasury Regulation Sections 1.704-2(b)(1) and 1.704-2(c).

“Nonrecourse Liability” shall have the meaning set forth in Treasury Regulation Section 1.704-2(b)(3).

“Partnership Tax Audit Rules” means Sections 6221 through 6241 of the Internal Revenue Code, as amended by the Bipartisan Budget Act of 2015, together with any Treasury Regulations and guidance issued thereunder or successor provisions, and any similar provision of state or local tax laws, including any Treasury Regulations, guidance or provisions issued or enacted after the date hereof.

“Treasury Regulations” means the United States income tax regulations, including temporary regulations, promulgated under the Internal Revenue Code, as such regulations may be amended from time to time (including corresponding provisions of succeeding regulations).

2. Capital Accounts. A capital account shall be maintained for each Member (a “Capital Account”) that shall be:

(a) increased by (i) any capital contributions made to the Company by such Member pursuant to this Agreement and (ii) any amounts in the nature of income or gain

allocated to the Capital Account of such Member pursuant to this Schedule B based on such Member's ownership of an interest in the Company;

(b) decreased by (i) the cash and fair market value of other property distributed to the Member and (ii) any amounts in the nature of loss or expense allocated to the Capital Account of such Member pursuant to this Schedule B based on such Member's ownership of an interest in the Company; and

(c) otherwise adjusted in accordance with this Agreement and for such other matters as the Managers, acting by Manager Approval, may reasonably determine appropriate, in all events in accordance with applicable provisions of the Internal Revenue Code.

3. General Allocations.

(a) General Application. The rules set forth below in this Section 3 of this Schedule B shall apply for the purposes of determining each Member's allocable share of the items of income, gain, loss or expense of the Company comprising Adjusted Taxable Profit or Adjusted Taxable Loss for each Fiscal Year or other period, determining special allocations of other items of income, gain, loss and expense, and adjusting the balance of each Member's Capital Account to reflect these general and special allocations. For each Fiscal Year or other period, any required special allocations in Section 4 of this Schedule B shall be made immediately prior to the general allocations of Section 3(b) of this Schedule B.

(b) General Allocations. The items of income, gain, loss, and expense comprising Adjusted Taxable Profit or Adjusted Taxable Loss for a Fiscal Year or other period shall be allocated among the Members during such Fiscal Year or other period in a manner that will, as nearly as possible, cause the Capital Account balance of each Member at the end of such Fiscal Year or other period to equal:

(i) the amount of the hypothetical distribution (if any) that such Member would receive if, on the last day of the Fiscal Year or other period, (A) all Company assets, including cash, were sold for cash equal to their Gross Asset Values, as determined by Manager Approval, taking into account any adjustments thereto for such Fiscal Year or other period, (B) all Company liabilities were satisfied in cash according to their terms (limited, with respect to each Nonrecourse Liability, to the Gross Asset Value, as determined by Manager Approval, of the assets securing such liability), and (C) the net proceeds thereof (after satisfaction of such liabilities) were distributed in full in accordance with Section 10.2, minus

(ii) the sum of (A) the amount, if any, which such Member is obligated (or deemed obligated) to restore to such Member's Capital Account, (B) such Member's share of the Company Minimum Gain determined pursuant to Treasury Regulations Section 1.704-2(g), and (C) such Member's share of Member Nonrecourse Debt Minimum Gain determined pursuant to Treasury Regulations Section 1.704-2(i)(5), all computed immediately prior to the hypothetical sale described in Section 3(b)(i) of this Schedule B.

(c) The Managers, acting by Manager Approval, may modify the allocations otherwise provided for in this Section 3 of this Schedule B or offset prior allocations provided for in Section 4 of this Schedule B, including by specially allocating items of gross income, gain,

deduction, loss or expense among the Members, so that such modifications or offsets will cause the Capital Accounts of the Members to reflect more closely the Members' relative economic interests in the Company as set forth in this Agreement.

(d) Except as required by the Massachusetts Act or this Agreement, no Member shall be obligated to the Company, to any other Member, or to any third party to restore or repay any deficit in its Capital Account.

4. Special Allocations. The following special allocations shall be made in the following order:

(a) *Minimum Gain Chargeback.* In the event that there is a net decrease during a Fiscal Year or other period in either Company Minimum Gain or Member Nonrecourse Debt Minimum Gain, then notwithstanding any other provision of this Schedule B, each Member shall receive such special allocations of items of Company income and gain as are required in order to conform to Treasury Regulation Section 1.704-2.

(b) *Qualified Income Offset.* Subject to Section 4(a) of this Schedule B, but notwithstanding any provision of this Schedule B to the contrary, items of income and gain shall be specially allocated to the Members in a manner that complies with the "qualified income offset" requirement of Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(3).

(c) *Deductions Attributable to Member Nonrecourse Debt.* Any item of Company loss or expense that is attributable to Member Nonrecourse Debt shall be specially allocated to the Members in the manner in which they share the economic risk of loss (as defined in Treasury Regulation Section 1.752-2) for such Member Nonrecourse Debt.

(d) *Allocation of Nonrecourse Deductions.* Each Nonrecourse Deduction of the Company shall be allocated among the Members in accordance with the partners' interests in the partnership within the meaning of Treasury Regulations Sections 1.704-2(b)(1) and 1.704-1(b)(3).

(e) *Loss Limitation.* Adjusted Taxable Losses allocated to a Member pursuant to this Schedule B shall not exceed the maximum amount of Adjusted Taxable Losses that can be allocated to such Member without causing such Member to have a negative Adjusted Capital Account Balance at the end of any Fiscal Year or other allocation period in which any other Member does not have a negative Adjusted Capital Account Balance.

(f) The allocations set forth in Section 4(a) through Section 4(e) of this Schedule B are intended to comply with Treasury Regulation Sections 1.704-1(b) and 1.704-2 and shall be interpreted consistently with this intention. Any terms used in such provisions that are not specifically defined in this Agreement shall have the meaning, if any, given such terms in such Treasury Regulations.

(g) If during any Fiscal Year of the Company there is a change in any Member's interest in the Company, allocations of income or loss for such Fiscal Year shall take into account the varying interests of the Members in the Company in a manner consistent with the requirements of Section 706 of the Internal Revenue Code.

5. Tax Allocations.

(a) *Section 704(b) Allocations.* Subject to Section 5(b) and Section 5(c) of this Schedule B, each item of income, gain, loss, or deduction for United States federal income tax purposes that corresponds to an item of income, gain, loss or expense that is either taken into account in computing Adjusted Taxable Profit or Adjusted Taxable Loss or is specially allocated pursuant to Section 4 of this Schedule B (a “Book Item”) shall be allocated among the Members in the same proportion as the corresponding Book Item is allocated among them pursuant to Section 3 or Section 4 of this Schedule B.

(b) *Section 704(c) Allocations.* In the event any property of the Company is credited to the Capital Account of a Member at a value other than its tax basis, then allocations of taxable income, gain, loss and deductions with respect to such property shall be made in a manner which will comply with Sections 704(b) and 704(c) of the Internal Revenue Code. Such allocations also shall be made by the Company to any former Member to the extent applicable, as determined by Manager Approval. The allocation to a Member of items of taxable income, gain, loss, and deduction of the Company also shall be adjusted to reflect any election under Section 754 of the Internal Revenue Code.

(c) *Capital Accounts.* The tax allocations made pursuant to this Section 5 of this Schedule B shall be solely for tax purposes and shall not affect any Member’s Capital Account or share of non-tax allocations or distributions under this Agreement.

6. Tax Matters Person; Tax Audits.

(a) The Managers will designate one Manager that is a Member to be the “tax matters partner” of the Company within the meaning of Section 6231(a)(7) of the Internal Revenue Code, as in effect prior to the effective date of the Partnership Tax Audit Rules (or any similar provision of state or local tax law), to the extent such role as “tax matters partner” remains relevant with respect to state or local taxes. The Managers will designate one Manager (which may or may not be a Member) to be the “partnership representative” of the Company within the meaning of Section 6223 of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law). (b) The Tax Matters Person shall have the right and obligation to take all actions authorized or required, respectively, by applicable law for a “tax matters partner” or “partnership representative,” as applicable, but subject to the restrictions and limitations set forth in this Agreement. Without limiting the generality of the foregoing, the Tax Matters Person shall have the sole discretion to determine all matters, and shall be authorized to take any actions necessary, with respect to any audit, examination or investigation of the Company by any taxing authority (including any judicial or administrative proceeding related thereto), and whether to cause the Company to make any available election under the Partnership Tax Audit Rules with respect to

any audit or other examination of the Company relating to taxes.

(c) Each Member shall promptly upon request furnish to the Tax Matters Person any information that the Tax Matters Person may reasonably request in connection with (i) the preparation or filing of any tax returns of the Company, (ii) any tax election of the Company (and the Company's and Member's compliance with any such election), or (iii) any audit, examination or investigation of the Company by any taxing authority (including any judicial or administrative proceeding related thereto). No Member shall, without the consent of the Tax Matters Person, (A) file a request for administrative adjustment of Company items, (B) file a petition with respect to any Company item or other tax matters involving the Company, or (C) enter into a settlement agreement with any taxing authority with respect to any Company items.

(d) Without limiting the foregoing, at the request of the Tax Matters Person in connection with an adjustment of any item of income, gain, loss, deduction or credit of the Company or any partnership in which the Company invests, directly or indirectly, each Member shall promptly file one or more amended returns in the manner contemplated by Section 6225(c) of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law) and pay any tax due with respect to such returns. If the Tax Matters Person causes the Company to make an election pursuant to Section 6226 of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law) with respect to an "imputed underpayment," each Member shall comply with the applicable requirements under Code and applicable Treasury Regulations (or any similar provision of state or local tax law). At the request of the Tax Matters Person, each Member shall provide the Tax Matters Person and the Company with any information available to such Member and with such representations, certificates or forms relating to such Member (or its direct or indirect owners or account holders) and any other documentation, in each case, that the Tax Matters Person determines, in its sole discretion, are necessary to make an election under Section 6221(b)(1) of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law), to modify an "imputed underpayment" under Section 6225(c) of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law), or to take any other actions or make any elections allowed to be taken or made under the Partnership Tax Audit Rules. Notwithstanding anything to the contrary in this Agreement, any information, representations, certificates, forms or documentation so provided may be disclosed to any applicable taxing authority.

(e) In the event that the Company is responsible for the payment of any "imputed underpayment" in respect of an administrative adjustment pursuant to Section 6225(a) of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law), the Tax Matters Person shall determine the treatment of, including the relative obligations of the Members with respect to any amounts paid by the Company to any taxing authority with respect to, such "imputed underpayment," and each Member hereby agrees to satisfy in full such obligations as so determined.

(f) The Tax Matters Person shall have the right to retain professional assistance in respect of any audit of the Company (including any judicial or administrative proceeding related thereto), and all out-of-pocket expenses and fees incurred by the Tax Matters Person on behalf of the Company as Tax Matters Person shall be reimbursed by the Company

(g) The provisions of, and each Member's obligations to comply with, the requirements of Section 6 of this Schedule B shall survive the Member's ceasing to be a Member of the Company and the winding up, liquidation and dissolution of the Company, and any reference to "Member" in Section 6 of this Schedule B refers to a "current or former Member."

7. Tax Elections and Other Tax Decisions. Subject to the provisions of this Schedule B, the Managers, acting by Manager Approval, shall have the authority to make any tax elections and other tax decisions with respect to the Company, to approve any returns regarding any foreign, federal, state or local tax obligations of the Company, and to make all determinations regarding the allocations contemplated by Schedule B.

8. Tax Consequences. The Members are aware of the income tax consequences of the allocations made by this Schedule B and hereby agree to be bound by the provisions of this Schedule B and this Agreement in reporting their shares of the Company's income and loss for income tax purposes.

Section 2.4 Purposes and Powers of the Company.

(b) The Company shall have the power and authority to take any and all actions necessary or convenient to, or for the furtherance of, the purposes set forth in Section 2.4(a), including, but not limited to, the power and authority:

(vii) to sue and be sued, complain and defend, and participate in administrative or other proceedings, in its name, and to pay, collect, compromise, litigate, arbitrate or otherwise adjust or settle any and all other claims or demands of or against the Company and to hold proceeds against the payment of contingent liabilities;

(viii) to indemnify any Person in accordance with the Massachusetts Act;

(ix) to make, execute, acknowledge and file any and all documents or instruments necessary, convenient or incidental to the accomplishment of the purposes of the Company; and

Section 2.5 Fiscal Year.

The "Fiscal Year" of the Company shall be the tax year of the Company and shall initially be the calendar year, or such other Fiscal Year as may be designated by Manager Approval and permitted by the Internal Revenue Code.

ARTICLE 3. GENERAL PROVISIONS

Section 3.1 Members.

Each Member shall be a “Member” within the meaning of the Massachusetts Act. The name, mailing address, and email address of each Member shall be as listed on Schedule A. Each Member shall promptly notify the Company of any change in the information required to be set forth for such Member on Schedule A. Any Manager may update Schedule A from time to time as necessary to accurately reflect the information relating to the Members that is intended to be set forth thereon, including each Member’s Capital Contribution, Percentage Interest, and Threshold Amount (with respect to a Membership Interest that is intended to be a Profits Interest). Any such revision to Schedule A shall not be deemed an amendment to this Agreement. Unless otherwise indicated, any reference in this Agreement to Schedule A shall be deemed a reference to Schedule A as such may be revised pursuant to this Section 3.1 or otherwise amended from time to time.

Section 3.2 Membership Interests Generally.

Except as otherwise expressly provided herein, no Member shall (i) be entitled to receive any interest or other return on his, her or its Capital Contribution, (ii) be entitled to withdraw all or any portion of his, her or its Capital Contribution or to receive any distribution or Guaranteed Payment from the Company (other than pursuant to a separate agreement with the Company relating to compensation to be paid to such Member), (iii) have the status of a creditor with respect to distributions from the Company, (iv) have the right to demand or receive Company assets (including, for avoidance of doubt, as a Guaranteed Payment, other than pursuant to a separate agreement with the Company relating to compensation to be paid to such Member), or (v) have any priority over any other Member with respect to the return of Capital Contributions, allocations of profits and losses or distributions. No property of the Company shall be deemed to be owned by any Member individually, but shall be owned by and title thereto shall be vested solely in the Company. The Membership Interests shall constitute personal property.

Section 3.3 Voting and Management Rights.

(a) No Member, in his, her or its capacity as such, shall have (i) the right to vote or to participate in the management, operation or control of the business affairs of the Company or to vote to have the Company dissolved and its affairs wound up, except as expressly provided herein, or (ii) any right, power or authority to transact any business in the name of the Company, to act for or on behalf of the Company or in its name, or to bind the Company.

(b) Except as otherwise expressly provided herein, no action of the Company or the Managers shall require approval by the Members. To the fullest extent permitted by the Massachusetts Act, to the extent that the Massachusetts Act would require a consent or approval by the Members, the consent or approval of the Managers by Manager Approval shall be sufficient and no consent or approval by the Members shall be required.

(c) Whenever action is required or permitted by this Agreement to be taken by the Members, including any consent or approval thereof, unless otherwise expressly provided herein, such action shall be deemed valid if and only if taken by Member Approval.

Section 3.4 Liability of Members.

(a) A Member who receives a distribution made in violation of the Massachusetts Act shall be liable to the Company for the amount of such distribution to the extent, and only to the extent, provided by the Massachusetts Act.

(b) Except as provided under the Massachusetts Act and this Agreement, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Member shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Member. Without limiting the foregoing, (i) no Member in the Member's capacity as such shall have any liability to restore any negative balance in such Member's Capital Account and (ii) the failure of the Company to observe any formalities or requirements relating to exercise of the Company's powers or management of its business or affairs under this Agreement or the Massachusetts Act shall not be grounds for imposing personal liability on any Member for liabilities of the Company.

Section 3.5 No Right to Division of Assets.

Each Member waives all rights, at law, in equity or otherwise, to require a partition or division into individually owned interests of all or any portion of the assets of the Company.

Section 3.6 Member's Investment.

(a) Each Member understands that the Membership Interests have not been registered under the Securities Act, or registered or qualified under the securities or "Blue Sky" laws of any other jurisdiction. Each Member is acquiring such Member's Membership Interest for the Member's own account for investment, and not for, with a view to, or in connection with the resale or distribution thereof. The nature and amount of each Member's investment in the Membership Interests is consistent with such Member's investment objectives, abilities, and resources. Each Member understands that the Membership Interests are an illiquid investment, which will not become freely transferable by reason of any "change of circumstances." Each Member has adequate means of providing for the Member's current needs and possible contingencies and has no need for liquidity in the Member's investment.

(b) Each Member, to the extent desired by such Member, has consulted with such Member's attorney or accountant with respect to the Member's purchase or grant of Membership Interests. Each Member has knowledge of the Company's business, financial condition, current activities, and prospects. Each Member and such Member's attorney or accountant to the extent requested by such Member have had the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the Company's business, financial condition, current activities, and prospects.

ARTICLE 4. MANAGEMENT OF THE COMPANY

Section 4.1 Managers.

(a) The Company shall be managed by the Managers. The Members hereby designate Wallace Schwartz and Andrew Schwartz to be the initial Managers (the “Initial Managers”), and each Initial Manager hereby accepts such designation and agrees to be bound by the terms and conditions of this Agreement that relate to the Managers. Additional Managers may be elected by Member Approval. Each current and future Manager (and only each Manager in his or her capacity as such) is hereby designated as a “Manager” of the Company within the meaning of the Massachusetts Act.

(b) Any Manager may be removed from his or her position as such by Member Approval (with such Manager being permitted to participate in such vote in his or her capacity as a Member). Each Manager shall have the right, upon prior written notice to the Members, to resign from his or her position as a Manager. If there is no Manager currently in office, a successor Manager shall be elected by Member Approval. Only a Member may serve as a Manager and, upon ceasing to be a Member, shall cease to be a Manager.

Section 4.2 Manager Voting Rights; Meetings; Quorum.

(a) Each Manager shall be entitled to one (1) vote with respect to any matter before the Managers.

(b) Regularly scheduled meetings of the Managers may be held at such time, date and place as a majority of the Managers may from time to time determine. Special meetings of the Managers may be called, orally, in writing or by means of electronic communication, by any of the Managers, designating the time, date and place thereof. Managers may participate in meetings of the Managers by means of telephone conference or similar communications equipment by means of which all Managers participating in the meeting can hear each other, and participation in a meeting in accordance herewith shall constitute presence in person at such meeting. No Manager may delegate his or her rights and obligations to participate in and vote at any meeting of the Managers.

(c) Notice of the time, date and place of all meetings of the Managers shall be given to each Manager by the officer or one of the Managers calling the meeting. Notice shall be given to each Manager in person or by telephone, facsimile or electronic mail sent to his business or home address or email address, as applicable, at least twenty-four (24) hours in advance of the meeting, or by written notice mailed to his business or home address at least seventy-two (72) hours in advance of the meeting, provided that once notice has been given as to the time and date of any regularly scheduled meeting of the Managers, no further notice of such meeting need be given. Notice need not be given to any Manager if a written waiver of notice is executed by him before or after the meeting. The attendance of a Manager at a meeting shall constitute a waiver of notice of such meeting by such Manager, except where a Manager attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because such meeting is not lawfully called or convened. A notice or waiver of notice of a

meeting of the Managers need not specify the purposes of the meeting.

(d) At any meeting of the Managers, the presence of a majority of the total number of Managers then in office shall constitute a quorum.

Section 4.3 Actions of the Managers.

(a) Except as provided in this Agreement or the Massachusetts Act, or required by law, any vote or approval of a majority of the Managers present at any meeting of the Managers at which a quorum is present shall be the act of the Managers.

(b) Any action required or permitted to be taken at any meeting of the Managers may be taken without a meeting if a written consent thereto is signed (including by means of an authorized electronic, stamped or other facsimile signature or email message) by all of the Managers then in office and filed with the records of the meetings of the Managers. Such consent shall be treated as a vote of the Managers for all purposes.

Section 4.4 Manager as Agent.

Each of the Managers is an agent of the Company, and the actions of each of the Managers shall bind the Company, except as otherwise expressly provided herein.

Section 4.5 Other Agents.

From time to time, the Managers acting by Manager Approval may hire employees and appoint agents of the Company (who may be designated as officers of the Company), with such powers and duties as shall be specified by such Manager Approval. Such employees and agents (including those designated as officers) may be removed by Manager Approval.

Section 4.6 Powers of a Manager.

(a) Except as otherwise expressly provided herein, the management and operation of the Company and its business and affairs shall be, and hereby is, vested solely in the Managers.

(b) Except as otherwise expressly provided herein, all decisions respecting any matter set forth herein or otherwise affecting or arising out of the conduct of the business of the Company shall require, and shall be considered duly authorized by, Manager Approval, including the following actions:

(i) Determination of the Percentage Interest of any Member pursuant and subject to the terms and conditions of this Agreement, including the Percentage Interests of the Members (A) at the time of the admission of a new Member and (B) at the time of the issuance of any additional Percentage Interests to existing Members;

(ii) Determinations relating to Guaranteed Payments pursuant to this Agreement;

(iii) Determinations relating to vesting of Percentage Interests; and

(iv) Determinations of “Gross Asset Value” as set forth in the definition of that term in Section 1 of Schedule B.

(c) Actions within the scope of authority granted to the Managers by this Agreement shall require Manager Approval; provided, however, that such actions that are of an administrative or routine nature may be taken by any individual Manager.

(d) Except as otherwise expressly provided herein, no action of the Managers shall require approval by the Members. The Managers may choose in their sole discretion to consult with any or all of the Members regarding actions to be taken by the Managers, but such consultation shall not create any additional approval right of the Members.

(e) Each Manager shall have the power and authority, in the name and on behalf of the Company, to execute and deliver any agreement, instrument, or document, and to take any action, which is authorized, or which relates or is related to or connected with any action of the Company which has been properly authorized pursuant to this Agreement.

Section 4.7 Certain Actions Requiring Manager Approval and Member Approval.

(a) Notwithstanding the provisions of Section 4.6, the following actions shall require both Manager Approval and Member Approval:

(i) The Company’s (A) making an assignment of Company assets for the benefit of creditors, (B) filing a voluntary petition in bankruptcy, (C) filing a petition or answer seeking for the Company any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any statute, law or regulation or filing an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the Company in any such proceeding, or (D) seeking, consenting to or acquiescing in the appointment of a trustee, receiver or liquidator of the Company or of all or any substantial part of the Company’s assets;

(ii) Conversion of the Company to another form of entity for tax purposes, including to corporate form; and

(iii) Voluntary liquidation or dissolution of the Company.

Section 4.8 Reliance by Third Parties.

Notwithstanding any other provision of this Agreement, any contract, instrument, or act of a Manager on behalf of the Company shall be conclusive evidence in favor of any third party dealing with the Company that the Manager has the authority, power, and right to execute and deliver such contract or instrument and to take such action on behalf of the Company.

Section 4.9 Reimbursement.

The Company shall reimburse the Managers and other authorized representatives of the Company for all out-of-pocket expenses reasonably incurred by the Managers and such authorized representatives on behalf of the Company. Such expenses may include travel, seminars, conference attendance fees, and other expenses related to transacting business on behalf of the Company. Such reimbursement shall be treated as an expense of the Company and shall not be deemed to constitute a distribution or fee to the Managers or such authorized representatives.

ARTICLE 5. CAPITAL CONTRIBUTIONS

Each Member's Capital Contribution through the date hereof is reflected on Schedule A as of the date hereof. Subject to Manager Approval, the Company may also accept additional capital contributions in connection with the issuance of additional Membership Interests to existing Members and the admission of other Persons as additional Members pursuant to Article 7.

ARTICLE 6. CAPITAL ACCOUNTS; ALLOCATIONS; DISTRIBUTIONS

Section 6.1 Capital Accounts.

For each Member, the Company shall establish and maintain a separate Capital Account as more fully described in Schedule B.

Section 6.2 Allocations.

The Adjusted Taxable Profit and Adjusted Taxable Loss of the Company shall be allocated among the Members in accordance with Schedule B.

Section 6.3 Distributions; Guaranteed Payments.

(a) Except as otherwise expressly provided herein, the Company shall not be required to make distributions or payments of cash or of other Company assets to the Members.

(b) Payments may be made by the Company to Members for services performed for the benefit of the Company by such Members at the time of any regular payment of wages to employees of the Company, in accordance with the Company's payroll methodology, or at such other times as may be determined by Manager Approval, it being understood that the payments made pursuant to this Section 6.3(b) shall not be treated as distributions, but rather as "guaranteed payments" within the meaning of Internal Revenue Code Section 707(c) (the "Guaranteed Payments").

(c) Distributions to Members, if any, other than under Article 10, shall be at such times and in such aggregate amounts as may be determined by Manager Approval, subject to any

limitations applicable to Profits Interests, including applicable Threshold Amounts as provided in Section 7.1, and shall be made to the Members as follows:

(i) first, to the Members to the extent of, and in proportion to, their respective Unreturned Capital Contributions, until such Unreturned Capital Contributions have been reduced to zero; and

(ii) second, the balance to the Members in proportion to their respective Percentage Interests.

(d) Notwithstanding the foregoing, the Company shall make, with respect to each Fiscal Year of the Company, minimum distributions of Distributable Cash to each Member in an amount equal to the respective Tax Liability of such Member for such Fiscal Year (such distributions pursuant to this Section 6.3(d), “Tax Distributions”); provided, however, that no such distributions shall be made if distributions that have been made or are to be made with respect to such Fiscal Year (as determined by Manager Approval) to such Member pursuant to Section 6.3(c) or Section 10.2 are sufficient to discharge such Member’s Tax Liability. Any distributions made to a Member with respect to such Member’s Tax Liability pursuant to this Section 6.3(d) shall be deemed an advance against and shall serve to reduce subsequent distributions made to such Member pursuant to Section 6.3(c) and pursuant to Section 10.2.

(e) Distributions pursuant to this Article 6 shall be made with respect to all Membership Interests, whether vested or unvested. Any distributions pursuant to Section 6.3(c) (but not, for the avoidance of doubt, pursuant to Section 6.3(d)) with respect to any portion of any Membership Interest which is reflected by a Percentage Interest which is unvested shall be held by the Company (net of amounts with respect thereto, if any, that are distributed to the applicable Member pursuant to Section 6.3(d)) until such Percentage Interest becomes a vested, at which time any such retained distributions shall be released to the applicable Member. Upon the forfeiture of any unvested Membership Interest, any retained distributions applicable to such Membership Interest shall be forfeited by the Member. Any retained distributions that are forfeited pursuant to the foregoing sentence shall thereafter be distributed to the Members in accordance with the order and priorities set forth in Section 6.3(c) or Section 10.2, as applicable.

Section 6.4 Withholding; Tax Documentation.

Notwithstanding anything to the contrary in this Agreement, the Company may withhold from any distribution or other payment, as applicable, to any Member (including any former Member) the amount (the “Member Tax Amount”) of (i) any taxes required to be, or that should have been, withheld with respect to such distribution or other payment or any other distribution, payment, or allocation to such Member, (ii) any tax liability of the Company otherwise attributable to such Member, whether or not already paid by the Company, and (iii) any interest, additions to tax and penalties in respect of taxes described in the foregoing clauses (i) or (ii). All Member Tax Amounts will be determined by the Managers. For avoidance of doubt, Member Tax Amounts will include any “imputed underpayment” within the meaning of Section 6225(c) of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law) that the Managers determine to be appropriate to treat as a tax liability attributable to Members (including former Members). All Member Tax Amounts withheld from any

distribution or other payment to a Member shall be treated as amounts distributed or paid by the Company to such Member. If no distribution or other payment is then being made to such Member in an amount sufficient to cover the Member Tax Amounts attributable to such Member, then the shortfall that the Company is obligated to pay to a taxing authority shall be deemed to be an interest-free advance from the Company to such Member, payable by such Member by withholding from subsequent distributions or other payments by the Company to such Member or within fourteen (14) days after receiving a written request for payment from the Company; provided, that, in any event such amount shall be repaid to the Company no later than the date of the final distribution in liquidation of the Company. The amount of any taxes (including interest, additions to tax and penalties in respect of such taxes) that are paid by, or withheld from distributions by, entities that are partnerships or other flow-through entities for tax purposes through or in which the Company, directly or indirectly, holds an investment shall be treated as Member Tax Amounts that are subject to this Section 6.4 on the date such taxes are paid or withheld, to the extent determined by the Managers. Each Member and former Member agrees to timely complete and deliver to the Managers any form or document, and to timely provide such other information, reasonably requested by the Company for tax purposes, including Massachusetts Form PTE-EX (as applicable).

ARTICLE 7.

ISSUANCE OF ADDITIONAL MEMBERSHIP INTERESTS; ADMISSION OF ADDITIONAL MEMBERS

Section 7.1 Additional Issuances; Additional Members; Profits Interests.

(a) By Manager Approval, a Member may purchase or be granted additional Membership Interests in the Company or a Person who is not already a Member of the Company may be admitted as a Member of the Company.

(b) The Percentage Interest, Capital Contribution (if any) and other terms with respect to any additional Membership Interests or any additional Member shall be determined by Manager Approval. Upon any issuance of Percentage Interests to a new or existing Member, the Percentage Interests of the existing Members (including the existing Member, if any, receiving an additional Percentage Interest) shall be reduced proportionately. At all times, the total amount of Percentage Interests held by the Members shall be 100%. So long as any required approval and consent has been obtained in each case, each such Person who is not already a Member of the Company shall be admitted as an additional Member of the Company by executing a counterpart of this Agreement or a separate signature page hereof. This Agreement shall thereupon be deemed amended by the admission of such additional Member and the Managers shall take such other actions as they shall deem necessary by Manager Approval to confirm or legalize any issuance of additional Membership Interests or the admission of any additional Member. The admission of any Person as an additional Member shall not be cause for dissolution of the Company.

(c) If the Managers intend, as determined by Manager Approval or as indicated on Schedule A, that a Membership Interest granted to a Person in exchange for providing services to the Company qualify as a “profits interest” for tax purposes, the Company and each Member agree to treat such Membership Interest (such interest, a “Profits Interest”) as a

separate “profits interest” within the meaning of Rev. Proc. 93-27, 1993-2 C.B. 343 or any future Internal Revenue Service guidance or other authority that supplements or supersedes the foregoing Revenue Procedure, and it is the intention of the Members that distributions to each Profits Interest under this Agreement be limited to the extent necessary so that the Profits Interest of such Member qualifies as a “profits interest” under Rev. Proc. 93-27, and this Agreement shall be interpreted accordingly.

(d) Upon the grant of a Profits Interests to a Member, the Gross Asset Value of all Company assets shall be adjusted to equal their respective gross fair market values, as provided in the definition of Gross Asset Value, and the Company’s Adjusted Taxable Profit and Company’s Adjusted Taxable Loss arising from such adjustment shall be allocated to the existing Members in accordance with Schedule B. This Section 7.1 is intended to reflect the intent of the parties hereto that such grant (aside from the portion of the new interest acquired in exchange for any capital contribution made by such Member) shall be treated as the issuance of a profits interest for United States federal income tax purposes.

(e) In connection with the issuance of any Profits Interest, the Managers, by Manager Approval, shall set a threshold dollar amount with respect to such Profits Interest (each, a “Threshold Amount”). The Threshold Amount with respect to each Profits Interest will be an amount, determined by Manager Approval, equal to the value of all outstanding Membership Interests at the time of issuance of such Profits Interest, determined based upon the amount of distributions that the holders of all such Membership Interests would be entitled to receive in a hypothetical liquidation of the Company on the date of issuance of such Profits Interest in which the Company sold its assets for their fair market value, satisfied its liabilities (excluding any nonrecourse liabilities to the extent the balance of such liabilities exceeds the fair market value of the assets that secure them) and distributed the net proceeds to the holders of Membership Interests in liquidation of the Company (excluding for these purposes the Profits Interest subject to such grant). The determination by Manager Approval of the Threshold Amount shall be final, conclusive and binding on all Members; provided, however, neither the Company nor the Managers shall bear any responsibility to any Member if such determination is incorrect.

(f) Notwithstanding any provision in this Agreement to the contrary, the Managers shall exclude a Profits Interest from participation in distributions from the Company (including pursuant to Section 6.3(c) and Article 10) in the manner and to the extent the Managers determine appropriate by Manager Approval so as to fully reflect the applicable Threshold Amount consistent with such Profits Interest’s treatment as a “profits interest” in accordance with this Section 7.1 (including, without limitation, by taking into account any subsequent capital contributions, forfeitures, recapitalizations, capital transactions and other similar transactions). For avoidance of doubt, the Managers and the Company shall not be responsible for any subsequent determination by a taxing authority that any Membership Interest that was intended to be a Profits Interest failed to so qualify.

(g) In accordance with Rev. Proc. 2001-43, 2001-2 CB 191, the Company shall treat a Member holding a Profits Interest as the owner of such Profits Interest from the date it is granted, and shall file its Internal Revenue Service Form 1065, and issue appropriate Schedule K-1s to such Member. Each Member agrees to take into account any allocations of items of income, gain, loss, deduction and credit associated with any Profits Interest held by such

Member in computing his, her or its United States federal income tax liability for the entire period during which he, she or it holds the Profits Interest. The Company and each Member agree not to claim a deduction (as wages, compensation or otherwise) for the fair market value of such Profits Interest issued to a Member, either at the time of grant of the Profits Interest or at the time the Profits Interest becomes substantially vested. The undertakings contained in this Section 7.1(g) shall be construed in accordance with Section 4 of Rev. Proc. 2001-43.

(h) The Managers shall have the right, by Manager Approval, to amend this Agreement without the approval of any other Member upon publication of final Treasury Regulations in the Federal Register (or other official pronouncement) to (i) direct and authorize the election of a “safe harbor” under Proposed Treasury Regulation Section 1.83-3(l) (or any similar successor provision) under which the fair market value of a membership interest that is transferred in connection with the performance of services is treated as being equal to the liquidation value of that interest, (ii) to provide for an agreement by the Company and all of its Members to comply with all the requirements set forth in such Treasury Regulations and Notice 2005-43 (and any other guidance provided by the Internal Revenue Service with respect to such election) with respect to all interests transferred in connection with the performance of services while the election remains effective, and (iii) to provide for any other related amendments; provided, in any case, that (x) such amendment shall not change the relative economic interest of the Members, reduce any Member’s share of distributions, or increase any Member’s liability hereunder and (y) the Company shall provide a copy of such amendment to the Members at least ten (10) days prior to the effective date of any such amendment.

(i) This Section 7.1, together with any grant document pursuant to which Membership Interests are issued to a Member in such Person’s capacity as an employee of the Company, are intended to qualify as a compensatory benefit plan within the meaning of Rule 701 of the Securities Act and the issuance of Membership Interests pursuant hereto is intended to qualify for the exemption from registration under the Securities Act provided by Rule 701; provided, that the foregoing shall not restrict or limit the Company’s ability to issue any Membership Interests pursuant to any other exemption from registration under the Securities Act available to the Company and to designate any such issuance as not being subject to Rule 701.

(j) Membership Interests may be issued subject to vesting, forfeiture and repurchase pursuant to separate written agreements, the provisions of which may be determined, altered or waived (unless otherwise specified in such agreements) in the sole discretion of the Managers pursuant to Manager Approval. Any Person holding a Membership Interest subject to a vesting arrangement, including, without limitation, any Profits Interest, shall be personally responsible for making, and shall make, a timely Internal Revenue Code Section 83(b) election in accordance with Treasury Regulation Section 1.83-2 with respect to each such Membership Interest (to the extent applicable).

ARTICLE 8.

TRANSFER OF MEMBERSHIP INTERESTS; LEGAL REPRESENTATIVES

Section 8.1 Assignability of Interests; Substitute Members.

A Member may not sell, assign, transfer, pledge or otherwise encumber, or otherwise dispose of, such Member’s Membership Interest, whether voluntarily or by operation of law, and

an Assignee of a Member's Membership Interest shall not be admitted as a Substitute Member, in each case without prior Manager Approval. Unless and until admitted as a Substitute Member, an Assignee shall not be entitled to exercise any rights or powers of, or to receive any of the benefits of, the assigning Member other than, to the extent assigned, the share of Adjusted Taxable Profit and Adjusted Taxable Loss and the rights to receive distributions to which the assigning Member was entitled. An Assignee shall have no liability as a Member solely as a result of such assignment. An Assignee may become a Substitute Member only upon the terms and conditions set forth in Section 8.2. The admission of an Assignee as a Substitute Member shall additionally in each case be conditioned upon the Assignee's written assumption, in form and substance satisfactory to the Managers, of all of the obligations, restrictions and liabilities of the assigning Member with respect to the assigned Membership Interest under this Agreement and the Assignee's execution of an instrument reasonably satisfactory to the Managers whereby such Assignee becomes a party to this Agreement as a Substitute Member. In no event shall any Member sell, assign, transfer, pledge or otherwise encumber, or otherwise dispose of, such Member's rights or obligations in an unvested Membership Interest, if any, whether voluntarily or by operation of law, and any such purported disposition shall be void *ab initio*.

Section 8.2 Additional Requirements.

As additional conditions to the validity of any assignment of a Membership Interest and any admission of an Assignee as a Substitute Member, such assignment and any such admission:

- (a) shall not violate the registration provisions of the Securities Act, or the securities laws of any applicable jurisdiction; and
- (b) shall not cause the Company to be terminated for United States federal income tax purposes or to be treated as a publicly traded partnership under the Internal Revenue Code, unless agreed to in writing by Manager Approval.

The Managers acting by Manager Approval may require reasonable evidence as to satisfaction of such conditions, including, without limitation, a favorable opinion, in form and substance satisfactory to the Managers, of legal counsel reasonably satisfactory to the Managers. Any purported assignment or admission as to which the conditions set forth in Section 8.1 and Section 8.2 are not satisfied shall be void *ab initio*.

Section 8.3 Distributions as Between Assignor and Assignee.

If a Membership Interest shall be validly assigned, then the assignor and Assignee shall each be entitled to distributions as follows: unless the assignor and Assignee shall agree otherwise and so provide in the instrument of assignment, distributions shall be made to the Person owning the Membership Interest at the date of distribution. For the purpose of making computations based on distributions, any distribution to an Assignee who, at the time of the computation, (i) has not been admitted as a Substitute Member shall be deemed to have been made to the assigning Member, and (ii) has been admitted as a Substitute Member shall be deemed to have been made to the Assignee.

Section 8.4 Deemed Agreement.

Any Person who acquires in any manner whatsoever any Membership Interest or other

interest in the Company, irrespective of whether such Person has accepted and adopted in writing the terms and provisions of this Agreement, shall be deemed by the acceptance of the benefits of the acquisition thereof to have agreed to be subject to and bound by all of the terms and conditions of this Agreement that any predecessor in such Membership Interest or other interest in the Company of such Person was subject to or by which such predecessor was bound.

Section 8.5 Transfer of Capital Accounts.

As determined by Manager Approval, the Capital Account established for each Substitute Member shall initially be in the same amount as the Capital Account of the Member (or portion thereof) to which such Substitute Member succeeds, at the time such Substitute Member is admitted as a Member of the Company. The Capital Account of any Member whose Membership Interest shall be increased by means of a transfer to it of all or part of the Membership Interest of another Member shall also be appropriately adjusted to reflect such transfer, as determined by Manager Approval. Any reference in this Agreement to a Capital Contribution of, or distribution to, a Member that has succeeded any other Member shall include any Capital Contributions or distributions previously made by or to the former Member on account of the Membership Interest of such former Member transferred to such Member. All of the foregoing shall be subject to the right of the Managers to determine the appropriate amount of allocations, distributions and Capital Contribution for each Member.

ARTICLE 9. DURATION OF THE COMPANY

Section 9.1 Duration.

The Company shall continue until it is dissolved and its affairs wound up, which shall occur on the earlier of the happening of any of the following events:

- (a) The receipt of both Manager Approval and Member Approval with respect to such dissolution and winding up.
- (b) The death, incapacitation, retirement, resignation, expulsion, or bankruptcy of all of the Members or the occurrence of any event which terminates the continued membership of all of the Members in the Company.
- (c) The entry of a decree of judicial dissolution under Section 18-802 of the Massachusetts Act.

ARTICLE 10. LIQUIDATION OF THE COMPANY

Section 10.1 General.

(a) Upon the dissolution of the Company, the Company shall be liquidated in an orderly manner in accordance with this Article 10 and the Massachusetts Act. The liquidation shall be conducted and supervised by the Managers or, if there are no Managers and no remaining Members, by the personal representative (or its nominee or designee) of the last

remaining Member (the Managers or such other Person, as applicable, being referred to in this Article 10 as the “Liquidating Agent”). The Liquidating Agent shall have all of the rights, powers, and authority with respect to the assets and liabilities of the Company in connection with the liquidation of the Company that the Members have with respect to the assets and liabilities of the Company during the term of the Company, and the Liquidating Agent is hereby expressly authorized and empowered to execute any and all documents necessary or desirable to effectuate the liquidation of the Company and the transfer of any assets of the Company. The Liquidating Agent shall have the right from time to time, by revocable powers of attorney, to delegate to one or more Persons any or all of such rights and powers and such authority and power to execute documents and, in connection therewith, to fix the reasonable compensation of each such Person, which compensation shall be charged as an expense of liquidation. The Liquidating Agent is also expressly authorized to distribute Company assets to the Members subject to liens.

(b) The Liquidating Agent shall liquidate the Company as promptly as shall be practicable after dissolution. Without limitation of the rights, powers, and authority of the Liquidating Agent as provided in this Article 10, the Liquidating Agent may, in its discretion, either distribute in kind or sell securities and other non-cash assets. Any securities or other non-cash assets which the Liquidating Agent may sell shall be sold at such prices and on such terms as the Liquidating Agent may, in its good faith judgment, deem appropriate.

Section 10.2 Final Allocations and Distributions.

Upon dissolution of the Company, the Company’s liabilities to its creditors shall be paid, or provision for such payment as determined by the Liquidating Agent shall be made, prior to any other distributions to the Members. After paying such liabilities and providing for such reserves and after giving effect to all contributions, distributions and allocations for all periods, the Liquidating Agent shall cause the remaining net assets of the Company (and the remainder, if any, of the reserves established in accordance with the foregoing) to be distributed to and among the Members in accordance with Section 6.3(c), subject to any limitations applicable to Profits Interests, including applicable Threshold Amounts as provided in Section 7.1.

ARTICLE 11. POWER OF ATTORNEY

Section 11.1 General.

(a) Each Member irrevocably constitutes and appoints each Manager and the Liquidating Agent the true and lawful attorney-in-fact of such Member to execute, acknowledge, swear to and file any of the following:

(i) the Certificate of Organization and all other certificates and other instruments deemed advisable by Manager Approval to carry out the provisions of this Agreement and applicable law or to permit the Company to become or to continue as a limited liability company;

(ii) this Agreement and all instruments that the Managers acting by Manager Approval deem appropriate to reflect a change or amendment to or modification of this Agreement made in accordance with this Agreement;

(iii) all conveyances and other instruments or papers deemed advisable by Manager Approval or the Liquidating Agent to effect the dissolution and termination of the Company;

(iv) all fictitious or assumed name certificates required or permitted to be filed on behalf of the Company;

(v) all other certificates, instruments or papers that may be required or permitted by law to be filed on behalf of the Company and any amendment or modification of any certificate or other instrument referred to in this Section 11.1(a); and

(vi) any agreement, document, certificate or other instrument that any Member is required to execute and deliver hereunder or pursuant to applicable law that such Member has failed to execute and deliver within ten (10) days after written request from the Managers pursuant to Manager Approval.

(b) The foregoing power of attorney is (i) coupled with an interest, (ii) irrevocable and durable, (iii) shall not be terminated or otherwise affected by any act or deed of any Member (or by any other Person) or by operation of law, whether by the legal incapacity of a Member or by the occurrence of any other event or events, and (iv) shall survive the assignment by a Member of the whole or any part of such Member's Membership Interest, except that, where the assignee of the whole of such Member's Membership Interest is to be admitted as a Member, the power of attorney of the transferor shall survive such transfer for the sole purpose of enabling the applicable attorney-in-fact to execute, swear to, acknowledge and file any instrument necessary or appropriate to effect such admission.

(c) Each Member agrees to execute, upon five (5) days' prior written notice from the Managers acting by Manager Approval or any Liquidating Agent, as applicable, a confirmatory or special power of attorney containing the substantive provisions of this Article 11, which shall be in form satisfactory to the Persons or Person providing such notice.

ARTICLE 12. DUTIES, EXCULPATION AND INDEMNIFICATION

Section 12.1 Duties of Manager, Tax Matters Person and Liquidating Agent.

Each Manager, Tax Matters Person and Liquidating Agent shall exercise in good faith such Person's judgment in carrying out such Person's functions and, otherwise, shall owe no duties (including fiduciary duties) to the Company or any Member in such capacity. The Members hereby agree that this Section 12.1 and the other provisions of this Agreement, to the extent that they restrict or eliminate duties of any Manager, Tax Matters Person or Liquidating Agent otherwise existing at law or in equity, modify such duties to such extent.

Section 12.2 Exculpation; Liability of Covered Persons.

(a) To the fullest extent permitted by law, none of the Managers, Tax Matters Persons, Liquidating Agents, or any other Persons who were, at the time of the act or omission in question, a Manager, Tax Matters Person or Liquidating Agent (each, a "Covered Person") shall

have any liability to the Company or to any Member for any loss suffered by the Company that arises out of any action or inaction of such Covered Person if such Covered Person, in good faith, determined that such course of conduct was in, or not opposed to, the best interests of the Company and such course of conduct did not constitute gross negligence, fraud, or willful misconduct of such Covered Person.

(b) No Covered Person shall have any personal liability for the repayment of the positive balance in the Capital Account of a Member. To the greatest extent permitted by applicable law, no Covered Person shall be liable to any Member by reason of any United States federal or other income tax laws or the interpretations thereof as they apply to the Company and such Member, or any changes thereto.

(c) The Members hereby agree that this Section 12.2 and the other provisions of this Agreement, to the extent that they restrict or eliminate liabilities of the Covered Persons otherwise existing at law or in equity, modify such liabilities to such extent.

Section 12.3 Indemnification of Covered Persons.

(a) To the maximum extent permitted by applicable law and subject to the other provisions of this Section 12.3, the Company shall indemnify and hold harmless Covered Persons, from and against any claim, loss, expense, liability, action or damage (including, without limitation, any action by a Member or assignee thereof against a Covered Person) due to, arising from or incurred by reason of any action, inaction or decision performed, taken, not taken or made by Covered Persons or any of them in connection with the activities and operations of the Company, or any subsidiary of the Company, as the case may be, provided (i) such action, inaction or decision is within the scope of the authority of such Covered Persons as provided herein, (ii) such Covered Person acted in good faith and in a manner such Covered Person reasonably believed to be in, or not opposed to, the best interests of the Company or any subsidiary of the Company, as the case may be, and (iii) with respect to any criminal proceeding, such Covered Person had no reasonable cause to believe the conduct of such Covered Person was unlawful. The termination of a proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not, by itself, create a presumption that the Covered Person did not act in good faith and in a manner which the Covered Person reasonably believed to be in, or not opposed to, the best interest of the Company or any subsidiary of the Company, as the case may be, or that the Covered Person had reasonable cause to believe that such Covered Person's conduct was unlawful (unless there shall have been a final adjudication in the proceeding that the Covered Person did not act in good faith and in a manner which such Covered Person reasonably believed to be in, or not opposed to, the best interests of the Company or any subsidiary of the Company, as the case may be, or that the Covered Person did have reasonable cause to believe that such Covered Person's conduct was unlawful). Any Covered Person may consult with independent counsel selected by the Covered Person (which may be counsel for the Company or any Affiliate) and any opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by such Covered Person hereunder in good faith and in accordance with the opinion of such counsel. Any indemnification under this Section 12.3 shall include reasonable attorneys' fees incurred by Covered Persons in connection with the defense of any such action including, to the extent permitted by law, all such liabilities under United States federal and state securities acts.

The reasonable expenses incurred by Covered Persons in connection with the defense of any such action shall be paid or reimbursed as incurred, upon receipt by the Company of an undertaking by such Covered Person to repay such expenses if it shall ultimately be determined that such Covered Person is not entitled to be indemnified hereunder, which undertaking may be accepted without reference to the financial ability of such Covered Person to make repayment. Such indemnification shall only be made to the extent that such Persons are not otherwise reimbursed from insurance or other means. Such indemnification shall only be paid from the assets of the Company, and no Member shall have any personal liability on account thereof.

(b) Notwithstanding the provisions of Section 12.3(a), a Covered Person shall not be entitled to be indemnified or held harmless from and against any claim, loss, expense, liability, action or damage due to or arising from the Covered Person's gross negligence, fraud or willful misconduct.

(c) The provisions of this Section 12.3 shall be in addition to and not in limitation of any other rights of indemnification and reimbursement or limitations of liability to which a Covered Person may be entitled under the charter documents of any subsidiary of the Company or otherwise. The provisions of this Section 12.3 shall apply whether or not at the time of reimbursement the Covered Person entitled to reimbursement is then a Covered Person. Notwithstanding any repeal of this Section 12.3 or other amendment hereof, its provisions shall be binding upon the Company (subject only to the exceptions above set forth) as to any claim, loss, expense, liability, action or damage due to or arising out of matters which occur during or are referable to the period prior to any such repeal or amendment of this Section 12.3.

Section 12.4 Interested Transactions.

The Company may transact business and enter into and amend contracts, agreements and arrangements with one or more Covered Persons, or with any corporation, partnership, organization or other concern of or in which any one or more Covered Persons are directors, officers, stockholders, partners, members, trustees or otherwise interested. In the absence of fraud, (i) no such transaction, contract or arrangement shall be invalidated or in any way affected by the fact that such Covered Persons have or may have interests that are or might be adverse to the interest of the Company, even though the vote, consent or other action of such Covered Persons may have been necessary to obligate the Company under such transaction, contract or arrangement, and (ii) in the additional absence of any express agreement to the contrary, no such Covered Person shall be liable to the Company, any Member, any creditor of the Company or any other Person for any loss incurred by reason of any such transaction, contract or arrangement, nor shall such Covered Person be accountable for any gains or profits realized thereon.

ARTICLE 13. MISCELLANEOUS PROVISIONS

Section 13.1 Books and Accounts; Confidentiality.

(a) Complete and accurate books and accounts shall be kept and maintained for the Company in accordance with generally accepted accounting principles, using such method of

accounting as shall be determined by Manager Approval, and shall include separate accounts for each Member. Each Member, at such Member's own expense, shall at reasonable times and upon reasonable prior written notice to the Company have access to such copy of the Agreement and of the Certificate of Organization and such books of account, but only to the extent such books of account reasonably relate to such Member's Membership Interest and not the Membership Interest of any other Member. The Members hereby acknowledge that, pursuant to Section 18-305(g) of the Massachusetts Act, the rights of a Member to obtain information from the Company shall be limited to only those rights provided for in this Section 13.1(a) and that any other rights provided under Section 18-305(a) of the Massachusetts Act shall not be available to the Members or applicable to the Company.

(b) Within a period of time after the end of each Fiscal Year of the Company as determined by Manager Approval, the Company shall provide to each Member a Form K-1 for such Member with respect to such Fiscal Year.

(c) All funds received by the Company shall be deposited in the name of the Company in such account or accounts, all securities owned by the Company may be deposited with such custodians, and withdrawals therefrom shall be made upon such signature or signatures on behalf of the Company, as may be determined from time to time by Manager Approval.

(d) Each Member agrees to maintain the confidentiality of the Company's records and affairs, including the terms of this Agreement, agrees not to provide to any other Person (including any employee of the Company) copies of any financial statements, tax returns, or other records provided or made available to such Member, and agrees not to disclose to any other Person (including any employee of the Company) any information contained therein without Manager Approval; provided, that any Member may make disclosures and may provide financial statements, tax returns, and other records: (i) to such Member's accountants and legal counsel as long as such Member instructs such accountants and legal counsel to maintain the confidentiality thereof and not to disclose to any other Person (including any employee of the Company) any information contained therein, (ii) if, and to the extent, required by law, including judicial or administrative order (provided, that, to the extent feasible, the Company is given prior notice to enable it to seek a protective order or similar relief), and (iii) in order to enforce rights under this Agreement. Schedule A, as revised from time to time pursuant to the terms and subject to the conditions of this Agreement, shall be maintained by the Managers, and Members shall not be entitled to review or receive copies of such Schedule A unless permitted pursuant to Manager Approval.

(e) Notwithstanding the foregoing, nothing in this Agreement prohibits, or is intended in any manner to prohibit, a report of a possible violation of United States federal law or regulation to any governmental agency or entity, including but not limited to the Department of Justice, the Securities and Exchange Commission, the Congress, and any agency Inspector General, or making other disclosures that are protected under whistleblower provisions of United States federal law or regulation. No Person subject to the restrictions set forth in this Article 13 shall require the prior authorization of anyone at the Company or the Company's legal counsel to make any such reports or disclosures, and no such Person is required to notify the Company that it has made such reports or disclosures. Additionally, nothing in this Agreement is intended to interfere with or restrain the immunity provided under 18 U.S.C. Section 1833(b) for confidential

disclosures of trade secrets to government officials, or lawyers, solely for the purpose of reporting or investigating a suspected violation of law; or in a sealed filing in court or other proceeding.

Section 13.2 Survival of Rights and Remedies.

No failure or delay by any party in exercising any right or remedy hereunder shall operate as a waiver thereof, and a waiver of a particular right or remedy on one occasion shall not be deemed a waiver of any other right or remedy or a waiver on any subsequent occasion.

Section 13.3 Notices.

All notices, demands, solicitations of consent or approval, and other communications hereunder shall be in writing and shall be sufficiently given if personally delivered or sent by postage prepaid, registered or certified mail, return receipt requested, or by overnight courier, addressed as follows: if intended for the Company or the Managers in their capacity as such, to the Company's principal place of business determined pursuant to Section 2.3, and if intended for any Member to the address of such Member set forth on Schedule A or at such other address as any Member may designate by written notice. Notices shall be deemed to have been given when personally delivered, if mailed, on the earlier of (A) three (3) days after the date on which deposited in the mails, and (B) the date on which received, or if sent by overnight courier, on the date on which received; provided, that notices of a change of address shall not be deemed given until the actual receipt thereof. The provisions of this Section 13.3 shall not prohibit the giving of written notice in any other manner, including email; any written notice given in any other manner shall be deemed given only when actually received.

Section 13.4 Waivers; Amendments.

The operation or effect of any provision of this Agreement may only be waived, and this Agreement may only be amended, in accordance with this Section 13.4. The operation or effect of any provision of this Agreement may be waived, and this Agreement may be amended, upon receipt of both Member Approval and Manager Approval; provided, that (A) this Agreement may be amended by Manager Approval, to the extent required to conform to actions properly taken by the Company, the Managers, or any of the Members in accordance with this Agreement, including, without limitation, that are in accordance with Section 7.1(h) and amendments to Schedule A to reflect changes made pursuant to the terms of this Agreement, (B) except as otherwise set forth herein, no waiver or amendment pursuant to this Section 13.4 shall, without a Member's consent, (I) create personal liability for such Member or (II) require capital from such Member, and (C) any provision of this Agreement may be waived by the waiving party on such party's own behalf, without the consent of any other party.

Section 13.5 Applicable Law; Jurisdiction; Damages.

(a) This Agreement shall be governed by, and construed in accordance with, the law of The Commonwealth of Massachusetts without regard to principles of conflicts of law.

(b) The parties (i) hereby irrevocably and unconditionally submit to the jurisdiction of the state courts of Massachusetts and to the jurisdiction of the United States

District Court for the District of Massachusetts for the purpose of any suit, action or other proceeding arising out of or based upon this Agreement, (ii) agree not to commence any suit, action or other proceeding arising out of or based upon this Agreement except in the state courts of Massachusetts located in Middlesex or Suffolk County or the United States District Court for the District of Massachusetts located in Boston, and (iii) hereby waive, and agree not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof may not be enforced in or by such court.

(c) A Member or former Member who initiates an action or suit in violation of this Agreement shall be liable to the Company and its Managers and any Members who are defendant parties for all damages and expenses which such defendant parties incur as a result, including, without limitation, reasonable fees and expenses of legal counsel and expert witnesses and court costs.

Section 13.6 Legal Counsel.

The Company has engaged Foley Hoag LLP (“Foley”) as legal counsel to the Company. Moreover, Foley has previously represented or concurrently represents the interests of the Company and parties related thereto in connection with matters other than the preparation of this Agreement and may represent such Persons in the future. Each Member hereby approves Foley’s representation of the Company in the preparation of this Agreement and acknowledges that (a) actual or potential conflicts of interest may exist among the Members in connection with the preparation of this Agreement, (b) whether or not Foley has in the past represented or is currently representing such Member with respect to other matters, Foley has not represented the interests of any Member in the preparation and negotiation of this Agreement, and (c) Foley does not represent any Member in any Member’s capacity as a Member in the absence of a clear and explicit written agreement to such effect between such Member and Foley (and then, only to such extent as set forth in the such agreement) and, in the absence of any such agreement, Foley shall owe no duties directly to such Member. In the event any dispute or controversy arises between any Member and the Company, then each Member agrees that Foley may represent the Company in any such dispute or controversy to the extent permitted under the Massachusetts Rules of Professional Conduct or similar rules in any other jurisdiction or other laws and ethical rules governing the conduct of attorneys, and each Member hereby consents to such representation.

Capital Accounts; Allocations of Adjusted Taxable Profit and Adjusted Taxable Loss

1. Defined Terms. For purposes of this *Schedule B* and this Agreement, the following capitalized terms have the respective meanings ascribed to them:

“Adjusted Capital Account Balance” shall mean with respect to any Member, such Member’s Capital Account balance maintained in accordance with this Agreement, as of the end of the relevant Fiscal Year or other allocation period, after giving effect to the following adjustments:

(a) increase such Capital Account by any amounts that such Member is obligated to restore pursuant to any provision of this Agreement, is treated as obligated to restore pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(c), or is deemed obligated to restore pursuant to the penultimate sentences of Treasury Regulation Sections 1.704-2(g)(1) and 1.704-2(i)(5); and

(b) decrease such Capital Account by the items described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4) through (d)(6).

The foregoing definition of Adjusted Capital Account Balance is intended to comply with the provisions of Treasury Regulation Sections 1.704-1(b)(2)(ii)(d) and 1.704-2 and shall be interpreted consistently therewith.

“Adjusted Taxable Profit” and *“Adjusted Taxable Loss”* mean, as to any transaction or Fiscal Year or other allocation period, the taxable income or loss of the Company for United States federal income tax purposes, and each item of income, gain, loss or deduction entering into the computation thereof, with the following adjustments:

(a) Any tax-exempt income or gain of the Company that is not otherwise taken into account in computing Adjusted Taxable Profit or Adjusted Taxable Loss shall be deemed to increase the amount of such taxable income or decrease the amount of such loss;

(b) Any expenditures of the Company described in Section 705(a)(2)(B) of the Internal Revenue Code (or treated as such) and not otherwise taken into account in computing Adjusted Taxable Profit or Adjusted Taxable Loss shall decrease the amount of such taxable income or increase the amount of such loss; and

(c) In the event the Gross Asset Value of any Company asset is adjusted, (i) the amount of such adjustment (including an adjustment resulting from a distribution of such asset but excluding an adjustment resulting from a contribution of such asset) shall be taken into account in the same manner as gain or loss from the disposition of such asset for purposes of computing Adjusted Taxable Profit or Adjusted Taxable Loss, (ii) gain or loss resulting from any disposition of such asset with respect to which gain or loss is recognized for United States federal income tax purposes shall be computed by reference to the Gross Asset Value of such

asset, and (iii) in lieu of the cost recovery or similar deductions taken into account with respect to any asset with a Gross Asset Value which differs from its adjusted basis under the Internal Revenue Code, such deductions shall be an amount equal to the Depreciation with respect to such asset.

“*Company Minimum Gain*” has the meaning set forth for “partnership minimum gain” in Treasury Regulation Sections 1.704-2(b)(2), (d), and (g).

“*Depreciation*” means, for each Fiscal Year of the Company or other period, an amount equal to the depreciation, depletion, amortization or other cost recovery deduction allowable under the Internal Revenue Code with respect to an asset for such Fiscal Year or other period; provided, however, that if the Gross Asset Value of an asset differs from its adjusted basis for United States federal income tax purposes at the beginning of such Fiscal Year or other period, Depreciation shall be an amount that bears the same ratio to such beginning Gross Asset Value as the United States federal income tax depreciation, amortization or other cost recovery deduction with respect to such asset for such Fiscal Year or other period bears to such beginning adjusted tax basis; and provided further that if the United States federal income tax depreciation, amortization or other cost recovery deduction for such Fiscal Year or other period is zero, Depreciation shall be determined with reference to such beginning Gross Asset Value using any reasonable method selected by Manager Approval.

“*Gross Asset Value*” means, with respect to any asset, such asset’s adjusted basis for United States federal income tax purposes, except as follows:

(a) the Gross Asset Value of all Company assets shall be adjusted to equal their respective gross fair market values, as determined by Manager Approval in accordance with the Internal Revenue Code, as of the following times: (i) the acquisition of an additional interest in the Company by any new or existing Member in exchange for more than a de minimis capital contribution; (ii) the distribution by the Company to a Member of more than a de minimis amount of Company assets as consideration for an interest in the Company, including, without limitation, in connection with the withdrawal of a Member; (iii) the grant of an interest in the Company (other than a de minimis interest) as consideration for the provision of services to or for the benefit of the Company by a new or existing Member acting in a Member capacity or in anticipation of becoming a Member; (iv) in connection with the issuance by the Company of a noncompensatory option (other than an option for a de minimis interest); and (v) the liquidation of the Company within the meaning of Treasury Regulation Section 1.704-1(b)(2)(ii)(g); provided, however, that adjustments pursuant to clauses (i) through (iv) of this sentence shall not be made if the Managers, acting by Manager Approval, determine that such adjustments are not necessary or appropriate to reflect the relative economic interests of the Members in the Company;

(b) the Gross Asset Value of any Company asset (other than cash) distributed in kind to any Member shall be adjusted to equal the gross fair market value of such asset on the date of distribution, as determined by Manager Approval in accordance with the Internal Revenue Code;

(c) the initial Gross Asset Value of any asset contributed to the Company shall be adjusted to equal its gross fair market value at the time of its contribution, as determined by Manager Approval in accordance with the Internal Revenue Code; and

(d) the Gross Asset Value of Company assets shall otherwise be determined or adjusted, in the discretion of the Managers, acting by Manager Approval, as required or permitted for purposes of maintaining Capital Accounts under the Internal Revenue Code.

If the Gross Asset Value of an asset has been determined or adjusted pursuant to paragraph (a), (c) or (d) above, such Gross Asset Value shall thereafter be adjusted by the Depreciation taken into account with respect to such asset for purposes of computing Adjusted Taxable Profit or Adjusted Taxable Loss and as otherwise required by Treasury Regulation Section 1.704-1(b)(2)(iv)(g).

“Internal Revenue Code” means the United States Internal Revenue Code of 1986, as amended from time to time, and any regulations, including temporary regulations, promulgated thereunder, as such regulations may be amended from time to time (including corresponding provisions of succeeding regulations).

“Member Nonrecourse Debt” has the same meaning as the term “partner nonrecourse debt” set forth in Treasury Regulation Section 1.704-2(b)(4).

“Member Nonrecourse Debt Minimum Gain” means an amount, with respect to each Member Nonrecourse Debt, equal to the Company Minimum Gain that would result if the Member Nonrecourse Debt were treated as a Nonrecourse Liability, determined in accordance with Treasury Regulation Section 1.704-2(i).

“Nonrecourse Deductions” shall have the meaning set forth in Treasury Regulation Sections 1.704-2(b)(1) and 1.704-2(c).

“Nonrecourse Liability” shall have the meaning set forth in Treasury Regulation Section 1.704-2(b)(3).

“Partnership Tax Audit Rules” means Sections 6221 through 6241 of the Internal Revenue Code, as amended by the Bipartisan Budget Act of 2015, together with any Treasury Regulations and guidance issued thereunder or successor provisions, and any similar provision of state or local tax laws, including any Treasury Regulations, guidance or provisions issued or enacted after the date hereof.

“Treasury Regulations” means the United States income tax regulations, including temporary regulations, promulgated under the Internal Revenue Code, as such regulations may be amended from time to time (including corresponding provisions of succeeding regulations).

2. Capital Accounts. A capital account shall be maintained for each Member (a “Capital Account”) that shall be:

(a) increased by (i) any capital contributions made to the Company by such Member pursuant to this Agreement and (ii) any amounts in the nature of income or gain

allocated to the Capital Account of such Member pursuant to this Schedule B based on such Member's ownership of an interest in the Company;

(b) decreased by (i) the cash and fair market value of other property distributed to the Member and (ii) any amounts in the nature of loss or expense allocated to the Capital Account of such Member pursuant to this Schedule B based on such Member's ownership of an interest in the Company; and

(c) otherwise adjusted in accordance with this Agreement and for such other matters as the Managers, acting by Manager Approval, may reasonably determine appropriate, in all events in accordance with applicable provisions of the Internal Revenue Code.

3. General Allocations.

(a) General Application. The rules set forth below in this Section 3 of this Schedule B shall apply for the purposes of determining each Member's allocable share of the items of income, gain, loss or expense of the Company comprising Adjusted Taxable Profit or Adjusted Taxable Loss for each Fiscal Year or other period, determining special allocations of other items of income, gain, loss and expense, and adjusting the balance of each Member's Capital Account to reflect these general and special allocations. For each Fiscal Year or other period, any required special allocations in Section 4 of this Schedule B shall be made immediately prior to the general allocations of Section 3(b) of this Schedule B.

(b) General Allocations. The items of income, gain, loss, and expense comprising Adjusted Taxable Profit or Adjusted Taxable Loss for a Fiscal Year or other period shall be allocated among the Members during such Fiscal Year or other period in a manner that will, as nearly as possible, cause the Capital Account balance of each Member at the end of such Fiscal Year or other period to equal:

(i) the amount of the hypothetical distribution (if any) that such Member would receive if, on the last day of the Fiscal Year or other period, (A) all Company assets, including cash, were sold for cash equal to their Gross Asset Values, as determined by Manager Approval, taking into account any adjustments thereto for such Fiscal Year or other period, (B) all Company liabilities were satisfied in cash according to their terms (limited, with respect to each Nonrecourse Liability, to the Gross Asset Value, as determined by Manager Approval, of the assets securing such liability), and (C) the net proceeds thereof (after satisfaction of such liabilities) were distributed in full in accordance with Section 10.2, minus

(ii) the sum of (A) the amount, if any, which such Member is obligated (or deemed obligated) to restore to such Member's Capital Account, (B) such Member's share of the Company Minimum Gain determined pursuant to Treasury Regulations Section 1.704-2(g), and (C) such Member's share of Member Nonrecourse Debt Minimum Gain determined pursuant to Treasury Regulations Section 1.704-2(i)(5), all computed immediately prior to the hypothetical sale described in Section 3(b)(i) of this Schedule B.

(c) The Managers, acting by Manager Approval, may modify the allocations otherwise provided for in this Section 3 of this Schedule B or offset prior allocations provided for in Section 4 of this Schedule B, including by specially allocating items of gross income, gain,

deduction, loss or expense among the Members, so that such modifications or offsets will cause the Capital Accounts of the Members to reflect more closely the Members' relative economic interests in the Company as set forth in this Agreement.

(d) Except as required by the Massachusetts Act or this Agreement, no Member shall be obligated to the Company, to any other Member, or to any third party to restore or repay any deficit in its Capital Account.

4. Special Allocations. The following special allocations shall be made in the following order:

(a) *Minimum Gain Chargeback.* In the event that there is a net decrease during a Fiscal Year or other period in either Company Minimum Gain or Member Nonrecourse Debt Minimum Gain, then notwithstanding any other provision of this Schedule B, each Member shall receive such special allocations of items of Company income and gain as are required in order to conform to Treasury Regulation Section 1.704-2.

(b) *Qualified Income Offset.* Subject to Section 4(a) of this Schedule B, but notwithstanding any provision of this Schedule B to the contrary, items of income and gain shall be specially allocated to the Members in a manner that complies with the "qualified income offset" requirement of Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(3).

(c) *Deductions Attributable to Member Nonrecourse Debt.* Any item of Company loss or expense that is attributable to Member Nonrecourse Debt shall be specially allocated to the Members in the manner in which they share the economic risk of loss (as defined in Treasury Regulation Section 1.752-2) for such Member Nonrecourse Debt.

(d) *Allocation of Nonrecourse Deductions.* Each Nonrecourse Deduction of the Company shall be allocated among the Members in accordance with the partners' interests in the partnership within the meaning of Treasury Regulations Sections 1.704-2(b)(1) and 1.704-1(b)(3).

(e) *Loss Limitation.* Adjusted Taxable Losses allocated to a Member pursuant to this Schedule B shall not exceed the maximum amount of Adjusted Taxable Losses that can be allocated to such Member without causing such Member to have a negative Adjusted Capital Account Balance at the end of any Fiscal Year or other allocation period in which any other Member does not have a negative Adjusted Capital Account Balance.

(f) The allocations set forth in Section 4(a) through Section 4(e) of this Schedule B are intended to comply with Treasury Regulation Sections 1.704-1(b) and 1.704-2 and shall be interpreted consistently with this intention. Any terms used in such provisions that are not specifically defined in this Agreement shall have the meaning, if any, given such terms in such Treasury Regulations.

(g) If during any Fiscal Year of the Company there is a change in any Member's interest in the Company, allocations of income or loss for such Fiscal Year shall take into account the varying interests of the Members in the Company in a manner consistent with the requirements of Section 706 of the Internal Revenue Code.

5. Tax Allocations.

(a) *Section 704(b) Allocations.* Subject to Section 5(b) and Section 5(c) of this Schedule B, each item of income, gain, loss, or deduction for United States federal income tax purposes that corresponds to an item of income, gain, loss or expense that is either taken into account in computing Adjusted Taxable Profit or Adjusted Taxable Loss or is specially allocated pursuant to Section 4 of this Schedule B (a “Book Item”) shall be allocated among the Members in the same proportion as the corresponding Book Item is allocated among them pursuant to Section 3 or Section 4 of this Schedule B.

(b) *Section 704(c) Allocations.* In the event any property of the Company is credited to the Capital Account of a Member at a value other than its tax basis, then allocations of taxable income, gain, loss and deductions with respect to such property shall be made in a manner which will comply with Sections 704(b) and 704(c) of the Internal Revenue Code. Such allocations also shall be made by the Company to any former Member to the extent applicable, as determined by Manager Approval. The allocation to a Member of items of taxable income, gain, loss, and deduction of the Company also shall be adjusted to reflect any election under Section 754 of the Internal Revenue Code.

(c) *Capital Accounts.* The tax allocations made pursuant to this Section 5 of this Schedule B shall be solely for tax purposes and shall not affect any Member’s Capital Account or share of non-tax allocations or distributions under this Agreement.

6. Tax Matters Person; Tax Audits.

(a) The Managers will designate one Manager that is a Member to be the “tax matters partner” of the Company within the meaning of Section 6231(a)(7) of the Internal Revenue Code, as in effect prior to the effective date of the Partnership Tax Audit Rules (or any similar provision of state or local tax law), to the extent such role as “tax matters partner” remains relevant with respect to state or local taxes. The Managers will designate one Manager (which may or may not be a Member) to be the “partnership representative” of the Company within the meaning of Section 6223 of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law). The designated “tax matters partner” or “partnership representative,” as applicable, is referred to herein as the “Tax Matters Person.” Each Member hereby consents to such designations and agrees that, upon the request of the Tax Matters Person, such Member shall execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such consent.

(b) The Tax Matters Person shall have the right and obligation to take all actions authorized or required, respectively, by applicable law for a “tax matters partner” or “partnership representative,” as applicable, but subject to the restrictions and limitations set forth in this Agreement. Without limiting the generality of the foregoing, the Tax Matters Person shall have the sole discretion to determine all matters, and shall be authorized to take any actions necessary, with respect to any audit, examination or investigation of the Company by any taxing authority (including any judicial or administrative proceeding related thereto), and whether to cause the Company to make any available election under the Partnership Tax Audit Rules with respect to

any audit or other examination of the Company relating to taxes.

(c) Each Member shall promptly upon request furnish to the Tax Matters Person any information that the Tax Matters Person may reasonably request in connection with (i) the preparation or filing of any tax returns of the Company, (ii) any tax election of the Company (and the Company's and Member's compliance with any such election), or (iii) any audit, examination or investigation of the Company by any taxing authority (including any judicial or administrative proceeding related thereto). No Member shall, without the consent of the Tax Matters Person, (A) file a request for administrative adjustment of Company items, (B) file a petition with respect to any Company item or other tax matters involving the Company, or (C) enter into a settlement agreement with any taxing authority with respect to any Company items.

(d) Without limiting the foregoing, at the request of the Tax Matters Person in connection with an adjustment of any item of income, gain, loss, deduction or credit of the Company or any partnership in which the Company invests, directly or indirectly, each Member shall promptly file one or more amended returns in the manner contemplated by Section 6225(c) of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law) and pay any tax due with respect to such returns. If the Tax Matters Person causes the Company to make an election pursuant to Section 6226 of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law) with respect to an "imputed underpayment," each Member shall comply with the applicable requirements under Code and applicable Treasury Regulations (or any similar provision of state or local tax law). At the request of the Tax Matters Person, each Member shall provide the Tax Matters Person and the Company with any information available to such Member and with such representations, certificates or forms relating to such Member (or its direct or indirect owners or account holders) and any other documentation, in each case, that the Tax Matters Person determines, in its sole discretion, are necessary to make an election under Section 6221(b)(1) of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law), to modify an "imputed underpayment" under Section 6225(c) of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law), or to take any other actions or make any elections allowed to be taken or made under the Partnership Tax Audit Rules. Notwithstanding anything to the contrary in this Agreement, any information, representations, certificates, forms or documentation so provided may be disclosed to any applicable taxing authority.

(e) In the event that the Company is responsible for the payment of any "imputed underpayment" in respect of an administrative adjustment pursuant to Section 6225(a) of the Internal Revenue Code (or any successor provision or similar provision of state or local tax law), the Tax Matters Person shall determine the treatment of, including the relative obligations of the Members with respect to any amounts paid by the Company to any taxing authority with respect to, such "imputed underpayment," and each Member hereby agrees to satisfy in full such obligations as so determined.

(f) The Tax Matters Person shall have the right to retain professional assistance in respect of any audit of the Company (including any judicial or administrative proceeding related thereto), and all out-of-pocket expenses and fees incurred by the Tax Matters Person on behalf of the Company as Tax Matters Person shall be reimbursed by the Company

(g) The provisions of, and each Member's obligations to comply with, the requirements of Section 6 of this Schedule B shall survive the Member's ceasing to be a Member of the Company and the winding up, liquidation and dissolution of the Company, and any reference to "Member" in Section 6 of this Schedule B refers to a "current or former Member."

7. Tax Elections and Other Tax Decisions. Subject to the provisions of this Schedule B, the Managers, acting by Manager Approval, shall have the authority to make any tax elections and other tax decisions with respect to the Company, to approve any returns regarding any foreign, federal, state or local tax obligations of the Company, and to make all determinations regarding the allocations contemplated by Schedule B.

8. Tax Consequences. The Members are aware of the income tax consequences of the allocations made by this Schedule B and hereby agree to be bound by the provisions of this Schedule B and this Agreement in reporting their shares of the Company's income and loss for income tax purposes.

1. EXECUTIVE SUMMARY

1.1 Mission Statement

Ocean Breeze is committed to producing the highest-quality cannabis in an energy-efficient facility with laboratory conditions and state-of-the-art security features. Ocean Breeze will adhere to strict compliance with of all state and local regulations. As a company with roots in the Gloucester community, Ocean Breeze is dedicated to creating sustainable value for its employees and its customers by drawing inspiration from the Gloucester traditions of authenticity, hard-work, family and community.

1.2 Product

Ocean Breeze will offer high-grade cannabis and extract products consistent with the limits, quality and testing standards set forth by the Commission. In addition to traditional sativa, indica, and hybrid cannabis flower, Ocean Breeze will offer a variety of products, including oils, balms, and other marijuana-infused products.

1.3 Customers/Preliminary Market Analysis

Ocean Breeze is currently looking for a dispensary location in the Gloucester area, in which case most of our product would be reserved for sale at such location. We are also in discussions to secure supply agreements with unrelated Massachusetts dispensaries. Studies by New Frontier forecast that the legal cannabis market in Massachusetts will grow to an estimated \$1.07 billion by 2020. Massachusetts has a larger, denser population, with higher annual income, more potential users, and higher tourism revenue than Colorado, which generated \$1.7 billion in cannabis sales in 2017 (as reported in the Denver Post). Accordingly, we are confident that there are many potential sources that are seeking our product.

1.4 Specific Product Offerings

Specifically, Ocean Breeze will manufacture: 1) edible and oral products such as chocolate, lozenges, tinctures, capsules and RSO; 2) topical products such as salve, lip balm and pain relief cream; and 3) inhalable products such as vaporizing oil and dabbing extracts that include distilled and isolated cannabinoids. Ocean Breeze will use a super critical carbon dioxide extraction process for our concentrates.

2. COMPANY DESCRIPTION

2.1 Structure

Ocean Breeze is a Massachusetts domestic limited liability company applying for a Certificate of Registration from the Massachusetts Cannabis Control Commission (the "Commission") to operate a Marijuana Establishment ("ME"); specifically a Tier 3 Marijuana Cultivator and a Marijuana Product Manufacturer.

2.2 Operations

The Ocean Breeze cultivation and manufacturing facility will be located in 43,000 square feet at 11 Dory Road, Gloucester, MA. We have engaged Rochette Consulting Services, a company with significant experience with cannabis cultivation and processing facilities, to design and construct the property. The facility is expected to include ten 2,000 square foot grow rooms.

Ocean Breeze will obtain and maintain general liability insurance coverage for no less than \$ 1,000,000 per occurrence and \$2,000,000 in aggregate, annually, and product liability insurance coverage for no less than \$ 1,000,000 per occurrence and \$2,000,000 in aggregate, annually, except as provided in 935 CMR 500.105 (10)(b) or otherwise approved by the Commission. The deductible for each policy shall be no higher than \$5,000 per occurrence.

Ocean Breeze will provide adequate lighting, ventilation, temperature, humidity, space, and equipment, in accordance with applicable provisions of 935 CMR 500.105 and 500.110.

Ocean Breeze will demonstrate consideration of the factors for Energy Efficiency and Conservation outlined in 935 CMR 500.105(15) as part of its operating plan and application for licensure.

Prior to commencing operations, Ocean Breeze will provide proof of having obtained a surety bond or escrow account in an amount equal to its licensure fee payable to the Marijuana Regulation Fund to ensure payment of the cost incurred for the destruction of cannabis goods necessitated by a violation of St. 2016, c. 334, as amended by St. 2017, c. 544 or 935 CMR 500.000 or the cessation of operation of Ocean Breeze.

2.3 Security

Ocean Breeze has engaged Platinum Protection Systems, a security company that has extensive experience with cannabis facilities, to design, implement, and monitor a comprehensive security plan to ensure that the facility is a safe and secure environment for employees and the local community.

Our state-of-the-art security system will consist of perimeter windows, as well as duress, panic, and holdup alarms connected to local law enforcement for efficient notification and response in the event of a security threat. The system will also include a failure notification system that will immediately alert the executive management team if a system failure occurs.

We have engaged Sam Schwartz as our Director of Security, a law enforcement professional who is a graduate of the highly regarded Police Academy of the New Orleans Police Department and has had experience as a Security Officer for The Mead Art Museum and Beneski Natural History Museum at Amherst College in Massachusetts.

2.4 Benefits to the Municipality

Ocean Breeze has already started the process of working together with the local officials of the City of Gloucester to develop and operate a business that will be beneficial for the entire community.

The Ocean Breeze cannabis cultivation facility at 11 Dory Road, Gloucester, MA, will produce comprehensive benefits for the City of Gloucester, including:

- Revenue. Generating substantial tax (including local marijuana tax and real estate taxes) revenues, as well as payments required by the Host Community Agreement.
- Quality Products. Ocean Breeze will provide the opportunity for qualified consumers, through registered dispensaries, to obtain high quality marijuana and marijuana products that are diligently tested for cannabinoid content and contaminants.
- Security and Controls. In addition to CCC compliance, Ocean Breeze will work closely with the City of Gloucester Police Department and other municipal departments that have oversight over the security systems and processes.
- Commercial Development. The occupancy and build-out of 43,000 SF in the Blackburn Industrial Park will contribute to the economic development and success of the industrial area of the City.

2.5 Logo

Ocean Breeze has developed a logo to be used in labeling, signage, and other materials such as letterhead and distributed materials.

3. MARKETING AND PRICING

The goal of Ocean Breeze will be to develop a high quality product that will be recognized and sought after among adult use dispensaries in Massachusetts. Our focus on branding and brand messaging, and our commitment to quality will differentiate our product in the marketplace. Our location in the industrial park in Gloucester will enable us to keep costs down and we expect that our pricing will be competitive in the adult use market.

There are currently no other adult use cannabis cultivators in the Gloucester area, so competition will be minimal as we commence our operations in the northern portion of the North Shore area.

4. CAPITALIZATION AND FINANCIAL PROJECTIONS

The founders of Ocean Breeze have in place \$3,000,000 of start-up funding for a project budget of approximately \$9,000,000. Ocean Breeze is currently in discussions with private entities, non-institutional lenders, and cannabis companies that are interested in lending the balance of the project budget. In addition, the principals of Ocean Breeze have the personal financial resources to contribute additional capital, if required. To date, the principals have funded the initial business operations of the company.

See the Pro-Forma Operating Budget and Project Cost Budget attached as Attachment I.

5. TEAM

5.1 General

Ocean Breeze has put together a qualified team to implement the operations of the cultivation and manufacturing facility.

Ocean Breeze intends to create 35-40 full-time positions within the first three years of operations in Gloucester.

5.2 Executive Team

CEO and Founder: Andrew Schwartz

Andrew Schwartz is the founder and CEO of Ocean Breeze. A Gloucester resident and recent graduate of Endicott College, where he majored in business, he worked with the renowned Time magazine photographer Professor Steve Liss of Endicott College on the film *Sacred Cod*, a critically acclaimed documentary about the Gloucester fishing industry. While making the film, Andrew became enamored with the town's storied-past and its proud, hard-working traditions. He fell in love with the North Shore and upon graduation, was determined to figure out how to create a local business that could contribute to Gloucester's next economic chapter-and the result is Ocean Breeze.

Wallace Schwartz is co-founder, principal investor, and will oversee financial and strategic affairs for Ocean Breeze. A real estate attorney who spent thirty years at a major international law firm, Wallace recently, together with several colleagues, started from the ground up the real estate practice for Kasowitz Benson Torres. In seven years, they grew the practice to more than 30 professionals, generating over \$30 million in revenue. Besides his extensive legal experience, his experience managing rapid-growth at a start-up will be very valuable in the early phase of Ocean Breeze.

At the end of year 1 of operations, Ocean Breeze will employ a staff that is at least 30% diverse. Ocean Breeze's long-term goal is a minimum of 50% diverse (i.e., minorities, women, veterans, people with disabilities, and LGBTQ+ individuals) individual employment across the entire company by year 5 of operations. To achieve that goal, by year 5, Seagrass intends to hire a workforce that is composed of:

- A. at least 25% minority employees;

- C. at least 5-10% employees with disabilities;
- D. at least 10-15% veterans; and
- E. at least 15-20% LGBTQ+ employees.

Diversity Programs

As part of its diversity hiring initiative, Ocean Breeze will regularly assess the language barriers to entry for both job applicants and persons expressing interest in employment opportunities during community job fairs. Ocean Breeze's regular participation at community job fairs in diverse communities near Gloucester, will ensure that a diverse pool of applicants is aware of employment opportunities within the company. Ocean Breeze will participate in at least two job fairs during its first year of operations in Gloucester. The job fairs will be convened in Lynn, Revere or Chelsea. Moreover, Ocean Breeze's internship program will ensure that a diverse population of the community has the opportunity to learn about the adult-cannabis industry and

gain the expertise needed to fill open opportunities within the company. Ocean Breeze will give hiring preference to internship candidates meeting one or more of the Commission's diversity criteria.

Ocean Breeze is also committed to promoting equity in Gloucester. In order to ensure and maintain a diverse staff of employees, Ocean Breeze will ensure that all diverse employees receive clear information regarding opportunities for promotions (to the extent applicable to a diverse employee's job function or career ambitions), career counseling, and training to provide such employees with a strong platform for growth within the organization and to decrease turnover among Ocean Breeze's diverse employees. In addition, every diverse employee will be assigned a mentor, with whom the employee will meet regularly (at least twice per year) to discuss ongoing professional development and career goals. Mentors shall work closely with the Human Resources Manager to ensure that all diverse employees are receiving appropriate job training and information about opportunities for promotion within the company when they arise.

Ocean Breeze will instill its commitment to diversity in new employees from day 1 of operations. Ocean Breeze will develop a robust diversity training program for all new employees. Each new employee will be required to complete the program before performing any job functions. In the state of Massachusetts, employment is assumed to be at-will unless otherwise stated. At-will employment implies that employer and employee alike may terminate the work relationship at any given moment and for any legitimate purpose. However, there are still many instances wherein a termination or discharge can be called wrongful, even in an at-will employment.

Job Classifications

Positions at Ocean Breeze are categorized by rank and by department. Ocean Breeze's executive management team oversees the overall success toward achieving the company's mission. Ocean Breeze's CEO Andrew Schwartz is responsible for implementation of the mission and the greater executive management team is responsible for ensuring that all departments are properly executing their functions and responsibilities. Job classification is comprised of three rank tiers: Executive Management, Management/Supervisors, and Non-Management Employee Staff.

Work Schedules

Work schedules will be either part-time, full-time, or salaried, depending of the specific position¹. Schedules will be set according to the needs of each department as determined by the applicable department manager and the supervising executive manager. It is the department manager's responsibility to develop and implement a work schedule that provides necessary duty and personnel coverage but does not exceed what is required for full implementation of operations. The department manager will also ensure that adequate coverage occurs on a daily basis and does not lead to unnecessary utilization of overtime coverage.

Mandatory Meetings and Community Service Days

There will be a mandatory reoccurring company-wide meeting on a quarterly basis. All full-time employees will be notified of their required attendance. Ocean Breeze will also organize and encourage employee participation in community service activities in Gloucester.

Breaks

Daily breaks, including lunch breaks, will comply with the laws of the Commonwealth of Massachusetts.

Performance Reviews

Performance reviews will be conducted by executive or department managers. Reviews will be conducted at three-month intervals for new employees during the first year of employment and at 6-month intervals thereafter. A written review will be provided to, and signed by, the employee under review. Reviews must be retained in each employee's personnel file and treated as a personnel record in accordance with Ocean Breeze's Recordkeeping Policies. Performance reviews must take into account positive performance factors and areas requiring improvement. Scoring systems may be utilized to help reflect the employee's overall performance.

Leave Policies

Ocean Breeze leave policies will comport with all state and federal law. All full-time employees will receive two 40-hour weeks of paid vacation per annum. Additional leave must be requested at least 2 weeks in advance and approved by the employee's department manager. Ocean Breeze will determine which holidays will be observed and which departments will not be required to

Disciplinary Policies

Purpose

Ocean Breeze's discipline policy and procedure is designed to provide a structured corrective action process to improve and prevent a recurrence of undesirable behavior and/or performance issues. The steps outlined below have been designed for consistency with Ocean Breeze's organizational values, best practices, and employment laws.

Ocean Breeze reserves the right to combine or skip steps depending upon facts of each situation and the nature of the offense – each offense will be reviewed and remediated on a case-by-case basis. The level of disciplinary intervention may also vary. The procedure outlined below is intended to provide guidance to the Ocean Breeze Human Resources Manager and executive management team and not bind them in any given disciplinary scenario. Some of the factors that will be considered depend upon whether the offense is repeated despite coaching, counseling, and/or training; the employee's work record; and the impact the conduct and performance issues have on Ocean Breeze's organization.

Procedure

Step 1: Counseling and Verbal Warning

Step 1 creates an opportunity for the immediate supervisor to schedule a meeting with an employee to bring attention to the existing performance, conduct, or attendance issue. The supervisor should discuss with the employee the nature of the problem or violation of company policies and procedures. The supervisor is expected to clearly outline expectations and steps the employee must take to improve performance or resolve the problem.

Within five business days, the supervisor will prepare written documentation of a Step 1 meeting. The employee will be asked to sign the written documentation. The employee's signature is needed to demonstrate the employee's understanding of the issues and the corrective action needed.

Step 2: Written Warning

While it is hoped that the performance, conduct, or attendance issues that were identified in Step 1 have been corrected, Ocean Breeze recognizes that this may not always be the case. A written warning involves a more formal documentation of the performance, conduct, or attendance issues and consequences.

During Step 2, the immediate supervisor and a department manager or director will meet with the employee and review any additional incidents or information about the performance, conduct, or attendance issues as well as any prior relevant corrective action plans. Ocean Breeze management will outline the consequences for the employee of his or her continued failure to meet performance and/or conduct expectations. A formal performance improvement plan (PIP) requiring the employee's immediate and sustained corrective action will be issued within five business days of a Step 2 meeting. A warning outlining that the employee may be subject to additional discipline up to and including termination if immediate and sustained corrective action is not taken may also be included in the written warning.

Step 3: Suspension and Final Written Warning

There may be performance, conduct, or safety incidents so problematic and harmful that the most effective action may be the temporary removal of the employee from the workplace. When immediate action is necessary to ensure the safety of the employee or others, the immediate supervisor may suspend the employee pending the results of an investigation.

Suspensions that are recommended as part of the normal progression of this progressive discipline policy and procedure are subject to approval from a next-level manager and the Human Resources Manager.

Depending upon the seriousness of the infraction, the employee may be suspended without pay in full-day increments consistent with federal, state and local wage-and-hour employment laws. Nonexempt/hourly employees may not substitute or use an accrued paid vacation or sick day in lieu of the unpaid suspension. Due to Fair Labor Standards Act (FLSA) compliance issues, unpaid suspension of salaried/exempt employees is reserved for serious workplace safety or conduct issues. The Human Resources Manager

will provide guidance so that the discipline is administered without jeopardizing the FLSA exemption status.

Pay may be restored to the employee if an investigation of the incident or infraction absolves the employee.

Step 4: Recommendation for Termination of Employment

The last and most serious step in the progressive discipline procedure is a recommendation to terminate employment. Generally, Ocean Breeze will endeavor to exercise the progressive nature of this policy by first providing warnings, a final written warning, and/or suspension from the workplace before proceeding to a recommendation to terminate employment. However, Ocean Breeze reserves the right to combine and skip steps depending upon the circumstances and severity of each situation and the nature of the offense. Furthermore, employees may be terminated without prior notice or disciplinary action.

Management's recommendation to terminate employment must be approved by the Human Resources Manager and department manager or designee. Final approval may be required from the CEO or designee.

Notwithstanding the foregoing, nothing in this policy provides any contractual rights regarding employee discipline or counseling nor should anything in this policy be read or construed as modifying or altering the employment-at-will relationship between Ocean Breeze and its employees.

Appeal Process

Employees will have the opportunity to present information that may challenge information management has used to issue disciplinary action. The purpose of this process is to provide insight into extenuating circumstances that may have contributed to the employee performance and/or conduct issues while allowing for an equitable solution. If the employee does not present this information during any of the step meetings, he or she will have five business days after that meeting to present information.

Performance and Conduct Issues Not Subject to Progressive Discipline

Behavior that is illegal is not subject to progressive discipline and may be reported to the Gloucester Police Department or other law enforcement authorities. Theft, intoxication at work, fighting and other acts of violence are also not subject to progressive discipline and are grounds for immediate termination.

Documentation

The employee will be provided copies of all progressive discipline documentation, including all performance improvement plans. The employee will be asked to sign copies of this documentation attesting to their receipt and understanding of the corrective action outlined in these documents. Copies of these documents will be placed in the employee's official personnel file.

Separation of Employment

Separation of employment within an organization can occur for several different reasons. Employment may end as a result of resignation, retirement, release (end of season or assignment), reduction in workforce, or termination. When an employee separates from Ocean Breeze, his or her supervisor must contact the Human Resources Manager to schedule an exit interview, typically to take place on employee's last workday.

Types of Separation

1. Resignation

Resignation is a voluntary act initiated by the employee to end employment with Ocean Breeze. The employee must provide a minimum of two (2) weeks' notice prior to resignation. If an employee does not provide advance notice or fails to actually work the remaining two weeks, the employee will be ineligible for rehire and will not receive accrued benefits. The resignation date must not fall on the day after a holiday.

2. Retirement

An employee who wishes to retire is required to notify his or her department director and the Human Resources Manager in writing at least one (1) month before planned retirement date. It is the practice of Ocean Breeze to give special recognition to valued employees at the time of their retirement.

3. Job Abandonment

An employee who fails to report to work or contact his or her supervisor for two (2) consecutive workdays will be considered to have abandoned the job without notice effective at the end of the employee's normal shift on the second day. The department manager will notify the Human Resources Manager at the expiration of the second workday and initiate the paperwork to terminate the employee. Employees who are separated due to job abandonment are ineligible to receive accrued benefits and are ineligible for rehire.

4. Termination

Employees of Ocean Breeze are employed on an at-will basis, and the company retains the right to terminate an employee at any time.

5. *Reduction in Workforce*

An employee may be laid off due to changes in duties, organizational changes, lack of funds, or lack of work. Employees who are laid off may not appeal the layoff decision through the appeal process.

6. *Release*

Release is the end of temporary or seasonal employment. The Human Resources Manager, in consultation with the department manager, will inform the temporary or seasonal worker of their release according to the terms of the individual's temporary employment.

Exit Interview

The separating employee will contact the Human Resources Manager as soon as notice is given to schedule an exit interview. The interview will be on the employee's last day of work or other day, as mutually agreed upon.

Return of Property

The separating employee must return all company property at the time of separation, including but not limited to uniforms, cell phones, keys, facility access cards, computers, and identification cards. Failure to return some items may result in deductions from final paycheck. An employee will be required to sign the Wage Deduction Authorization Agreement to deduct the costs of such items from the final paycheck.

Termination of Benefits

An employee separating from Ocean Breeze is eligible to receive benefits as long as the appropriate procedures are followed as stated above. Two weeks' notice must be given, and the employee must work the full two work weeks. Any accrued vacation and/or accrued sick leave will be paid in the last paycheck.

Health Insurance

Health insurance terminates on the last day of the month of employment, unless the employee requests immediate termination of benefits. Information about the Consolidated Omnibus Budget Reconciliation Act (COBRA) continued health coverage will be provided. Employees will be required to pay their share of the dependent health and dental premiums through the end of the month.

Rehire

Former employees who left in good standing and were classified as eligible for rehire may be considered for reemployment. An application must be submitted to the Human Resources Manager, and the applicant must meet all minimum qualifications and requirements of the position, including any qualifying exam and current registration with the Commission, when required.

Department managers must obtain approval from the Human Resources Manager or designee prior to rehiring a former employee. Rehired employees begin benefits just as any other new employee. Previous tenure will not be considered in calculating longevity, leave accruals, or any other benefits. An applicant or employee who is terminated for violating policy or who resigned in lieu of termination from employment due to a policy violation will be ineligible for rehire.

Compensation

Ocean Breeze believes that it is in the best interests of both the organization and its employees to fairly compensate its workforce for the value of the work provided. Ocean Breeze intends to use a compensation system that will determine the current market value of a position based on the skills, knowledge, and behaviors required of a fully-competent incumbent. The system used for determining compensation will be objective and non-discriminatory in theory, application and practice. The company has determined that this can best be accomplished by using a professional compensation consultant, as needed, and a system recommended and approved by the executive management team.

Selection Criteria

1. The compensation system will price positions to market by using local, national, and marijuana-industry specific survey data.
2. The market data will primarily include marijuana-related businesses and will include survey data for more specialized positions and will address significant market differences due to geographical location.
3. The system will evaluate external equity, which is the relative marketplace job worth of every marijuana-industry job directly comparable to similar jobs at Ocean Breeze, factored for general economic variances, and adjusted to reflect the local economic marketplace.
4. The system will evaluate internal equity, which is the relative worth of each job in the organization when comparing the required level of job competencies, formal training and experience, responsibility and accountability of one job to another, and arranging all jobs in a formal job-grading structure.
5. Professional support and consultation will be available to evaluate the compensation system and provide on-going assistance in the administration of the program.

6. The compensation system must be flexible enough to ensure that the company is able to recruit and retain a highly-qualified workforce, while providing the structure necessary to effectively manage the overall compensation program.

Responsibilities

The executive management team will possess final approval authority over Ocean Breeze's compensation system.

1. On an annual basis the executive management team will review and approve, as appropriate, recommended changes to position-range movement as determined through the vendor's market analysis process.
2. As part of the annual budgeting process, the executive management team will review and approve, as appropriate, funds to be allocated for total compensation, which would include base salaries, bonus, variable based or incentive-based pay, and all other related expenses, including benefit plans.

Management Responsibility

1. The CEO is charged with ensuring that Ocean Breeze is staffed with highly-qualified, fully-competent employees and that all company programs are administered within appropriate guidelines and within the approved budget.
2. The salary budget will include a gross figure for the following budget adjustments, but the individual determinations for each employee's salary adjustment will be the exclusive domain of the CEO: determining the appropriate head count, titles, position levels, merit and promotional increases and compensation consisting of salary, incentive, bonus, and other discretionary pay for all positions.
3. The CEO will ensure that salary ranges are updated at least annually, that all individual jobs are market priced at least once every two years, and that pay equity adjustments are administered in a fair and equitable manner.
