## **PLAN TO POSITIVELY IMPACT AREAS OF DISPROPORTIONATE IMPACT**

### **Overview**

CommCan, Inc. (“CommCan”) is dedicated to serving and supporting populations falling within areas of disproportionate impact, which the Commission has identified as the following:

1. Past or present residents of the geographic “areas of disproportionate impact,” which have been defined by the Commission and identified in its Guidance for Identifying Areas of Disproportionate Impact;
2. Commission-designated Economic Empowerment Priority applicants;
3. Commission-designated Social Equity Program participants;
4. Massachusetts residents who have past drug convictions; and
5. Massachusetts residents with parents or spouses who have drug convictions are classified as areas of disproportionate impact.

To support such populations, CommCan has created the following Plan to Positively Impact Areas of Disproportionate Impact (the “Plan”) and has identified and created goals/programs to positively impact residents of the Town of Mansfield, which the Commission has designated as an area of disproportionate impact.

### **Goals**

In order for CommCan to positively impact Mansfield, CommCan has established the following goals:

- During construction, CommCan, shall post job advertisements and hold job fairs in order to staff its ME from the local employment pool, with the goal of ensuring that at least 25% of all staff are past or present residents of Mansfield. Copies of a draft job advertisement and career fair informational flyer are uploaded with this application.
- Continuing to provide business assets in the form of quarterly \$1,000.00 donations to Mansfield’s Food Pantry—Our Daily Bread (the “Pantry”), which will have a positive impact on the members of that community in need.

### **Programs**

CommCan has developed specific programs to effectuate its stated goals to positively impact Mansfield. Such programs will include the following:

- Giving hiring preference to residents of the Town of Mansfield, whereby qualified candidates for open job postings with equal qualifications will be selected if they demonstrate they are a past or present resident of Mansfield;
- If available, participating in at least one (1) career fair annually in Mansfield;
- Advertising available positions in publications that have general circulation in Mansfield, which will include the Mansfield News, no less than annually;
- Continue to provide assistance to the Pantry through quarterly \$1,000.00 donations and volunteering; and

### Measurements

The Compliance Manager will administer the Plan and will be responsible for developing measurable outcomes to ensure CommCan continues to meet its commitments. Such measurable outcomes, in accordance with CommCan's goals and programs described above, include:

- Documenting the number of qualified past or present residents of Mansfield who were interviewed and hired as employees;
- Documenting the number of career fairs in Mansfield that CommCan has participated in;
- Documenting the number of job postings placed in publications that have general circulation in Mansfield;
- Documenting all monetary donations made to the Pantry; and

The Compliance Manager will review and evaluate CommCan's measurable outcomes to ensure that CommCan is meeting its commitments. Such evaluation will include a staffing analysis, which will include a comprehensive review of CommCan's human resources files. The staffing analysis will include the number of past or present residents of Mansfield who were hired and retained for a period of no less than six months. Said review will also include a review of the contributions given to the Pantry to ensure that the relationship is current and beneficial to all parties. CommCan is mindful that demonstration of the Plan's progress and success will be submitted to the Commission upon renewal.

### Acknowledgements

- As identified above, CommCan will continue to support the Pantry.
- CommCan will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.
- Any actions taken, or programs instituted, by CommCan will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

BYLAWS  
OF  
COMMCAN, INC.

## **BYLAWS OF COMMCAN, INC.**

### **ARTICLE I OFFICES**

**Section 1.01 Principal Office.** The principal office of the Corporation shall be located at such place within the Commonwealth of Massachusetts as shall be fixed from time to time by the board of Directors, and if no place is fixed by the board of Directors, such place as shall be fixed by the President.

### **ARTICLE II SHAREHOLDERS**

**Section 2.01 Place of Meeting.** Meetings of the shareholders shall be held at any place within or without the Commonwealth of Massachusetts that may be designated by the board of Directors. Absent such designation, meetings shall be held at the principal office. The board of Directors may, in its discretion, determine that the meeting may be held solely by means of remote electronic communication. If authorized by the board of Directors, and subject to any guidelines and procedures adopted by the board of Directors, shareholders not physically present at a meeting of shareholders, may participate in a meeting of shareholders by means of electronic transmission by and to the Corporation or electronic video screen communication; and, may be considered present in person and may vote at a meeting of shareholders, whether held at a designated place or held solely by means of electronic transmission by and to the Corporation or electronic video screen communication, subject to the conditions imposed by applicable law.

**Section 2.02 Annual Meeting.** The annual meeting of shareholders of this Corporation shall be held on such date and at such time as may be designated from time to time by the board of Directors. At the annual meeting, Directors shall be elected, and any other business may be transacted that is within the power of the shareholders and allowed by law.

**Section 2.03 Special Shareholders' Meetings.** Special meetings of the shareholders, for any purpose whatsoever, may be called at any time by the President, the board of Directors, or by shareholders entitled to cast not less than ten percent (10%) of the corporation's voting power. Any person entitled to call a special meeting of shareholders (other than the board of Directors) may make a written request to the board of Directors and the shareholders, specifying the general purpose of such meeting and the date, time and place of the meeting, which date shall be not less than thirty-five (35) days nor more than sixty (60) days after the receipt by such officer of the request.

**Section 2.04 Notice of Shareholders' Meeting.** Except as otherwise provided by law, written notice stating the place, day, and hour of the meeting shall be given at least two (2) days (or, if sent by mail, four (4) days) and not more than sixty (60) days before the meeting. In the case of an annual meeting, notice will include matters the Corporation's board of Directors intends, at the time of the giving of the first of such notices, to present to the shareholders for action. It shall not be necessary to state in a notice of any meeting of shareholders as a purpose thereof any matter relating to the procedural aspects of the conduct of such meeting. Notice shall be given

personally, by electronic transmission, or by mail, by or at the direction of the secretary, or the officer or person calling the meeting, to each shareholder entitled to vote at the meeting.

If mailed, the notice shall be deemed to be given when deposited in the United States mail addressed to the shareholder at the shareholder's address as it appears on the share transfer records of the Corporation, with postage thereon prepaid. Notice may be given to the shareholder by electronic transmission. Notice by electronic transmission is deemed given when sent, provided that the sender does not receive notification that the transmission failed.

The participation or attendance at a meeting of a person entitled to notice constitutes waiver of notice, except where the person objects, at the beginning of the meeting, to the lawfulness of the convening of the meeting.

**Section 2.05 Persons Entitled to Vote.** Except as otherwise provided by law, and except when a record date has been fixed, only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which notice is given shall be entitled to notice of a shareholders' meeting, or to vote at such meeting. In the event notice is waived, only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which the meeting is held shall be entitled to vote. If no record date has been fixed, the record date shall be:

(a) For determining shareholders entitled to give consent to action by the Corporation without a meeting, the day on which the first written consent is given.

(b) For determining shareholders for any other purpose, the later of (i) the day on which the board of Directors adopts the resolution relating thereto, or (ii) the sixtieth (60<sup>th</sup>) day prior to the date of such other action.

**Section 2.06 Fixing the Record Date.** The board of Directors may fix a time in the future as a record date to determine the shareholders entitled to notice of, and to vote at, any meeting of shareholders or give written consent to action by the Corporation without a meeting or entitled to receive any dividend or distribution, or to any change, conversion, or exchange of shares.

A record date fixed under this Section may not be more than sixty (60) days or less than ten (10) days before the meeting or more than sixty (60) days before any other action requiring a determination of shareholders. When a record date is so fixed, only shareholders of record at the close of business on that date are entitled to notice of and to vote at the meeting or to receive the dividend, distribution, or allotment of rights, or to exercise the rights, as the case may be, notwithstanding any transfer of any shares on the books of the Corporation after the record date. In the event any meeting of shareholders is adjourned for more than forty-five (45) days from the date set for the original meeting, the board shall fix a new record date for purposes of giving notice of, and determining the holders of shares entitled to vote at, such adjourned meeting.

**Section 2.07 Quorum of and Action by Shareholders.** The presence at a meeting in person or by proxy of the persons entitled to vote a majority of the voting shares constitutes a quorum for the transaction of business. The shareholders present at a duly called or held meeting

at which a quorum is present may continue to do business until adjournment notwithstanding the withdrawal of such number of shareholders so as to leave less than a quorum, if any action taken, other than adjournment, is approved by at least a majority of the shares required to constitute a quorum, except as otherwise provided by law. Except as otherwise provided by law, herein or in the Articles of Organization, the affirmative vote of a majority of the shares represented at a meeting at which a quorum is present, shall be the act of the shareholders.

**Section 2.08 Adjourned Meetings and Notice Thereof.** Any shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by a vote of the majority of the shares present, in person or proxy. When a meeting is adjourned for forty-five (45) days or more, or if a new record date for the adjourned meeting is fixed by the board of Directors, notice of the adjourned meeting shall be given to such shareholders of record entitled to vote at the adjourned meeting, as in the case of any original meeting. When a meeting is adjourned for less than forty-five (45) days, and a new record date is not fixed by the board of Directors, it shall not be necessary to give any notice of the time and place of the adjourned meeting or of the business to be transacted thereat other than by announcement at the meeting at which the adjournment is taken.

**Section 2.09 Conduct of Meetings.** The board of Directors may adopt by resolution rules and regulations for the conduct of meetings of the shareholders as it shall deem appropriate. At every meeting of the shareholders, the President, or in his or her absence or inability to act, a Director or officer designated by the board of Directors shall serve as the presiding officer. The secretary or, in his or her absence or inability to act, the person whom the presiding officer of the meeting shall appoint secretary of the meeting, shall act as secretary of the meeting and keep the minutes thereof.

The presiding officer shall determine the order of business and, in the absence of a rule adopted by the board of Directors, shall establish rules for the conduct of the meeting. The presiding officer shall announce the close of the polls for each matter voted upon at the meeting, after which no ballots, proxies, votes, changes, or revocations will be accepted. Polls for all matters before the meeting will be deemed to be closed upon final adjournment of the meeting.

**Section 2.10 Voting of Shares.** Unless otherwise provided by law or in the Articles of Organization, each shareholder entitled to vote is entitled to one (1) vote for each share of Common Stock. Any holder of shares entitled to vote on any matter may vote part of such shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal. If a shareholder fails to specify the number of shares such shareholder is voting affirmatively, it will be conclusively presumed that the shareholder's approving vote is with respect to all shares such shareholder is entitled to vote.

**Section 2.11 Consent of Absentees.** The transactions of any meeting of shareholders, however called or noticed, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. The waiver, notice, or consent need not specify the business transacted or purpose of the meeting,

except as required by G.L. c. 156D. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

**Section 2.12 Voting by Proxy or Nominee.** Every person entitled to vote or execute consents may do so either in person or by one or more agents authorized by a written proxy executed by the person or such person's duly authorized agent and filed with the secretary of the Corporation. A proxy is not valid after the expiration of eleven (11) months from the date of its execution, unless the person executing it specifies therein the length of time for which it is to continue in force. Except as set forth below, any proxy duly executed is not revoked, and continues in full force and effect, until an instrument revoking it, or a duly executed proxy bearing a later date, executed by the person executing the prior proxy and presented to the meeting is filed with the secretary of the Corporation, or unless the person giving the proxy attends the meeting and votes in person, or unless written notice of the death or incapacity of the person executing the proxy is received by the Corporation before the vote by such proxy is counted. A proxy that states on its face that it is irrevocable will be irrevocable for the period of time specified in the proxy, if held by a person (or nominee of a person) specified by law to have sufficient interest to make such proxy irrevocable and only so long as he shall have such interest, subject to G.L. c. 156D, § 7.22.

**Section 2.13 Action by Shareholders Without a Meeting.** Any action, that, under any provision of G.L. c. 156D may be taken at a meeting of the shareholders, may be taken without a meeting and without prior notice if a consent in writing, setting forth the action so taken, shall be signed by the holders of the outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares are entitled to vote thereon were present and voted; provided, however, that unless the consents of all shareholders entitled to vote have been solicited in writing, notice shall be given (in the same manner as notice of meetings is to be given), and within the time limits prescribed by law, of such action to all shareholders entitled to vote who did not consent in writing to such action; and provided, further, that Directors may be elected by written consent only if such consent is unanimously given by all shareholders entitled to vote, except that action taken by shareholders to fill one or more vacancies on the board other than a vacancy created by the removal of a Director, may be taken by written consent of a majority of the outstanding shares entitled to vote.

### **ARTICLE III DIRECTORS**

**Section 3.01 Number of Directors; Identity of Initial Directors.** The authorized number of Directors of the Corporation shall be three (3) until changed by an amendment to these Bylaws duly adopted in accordance with these Bylaws by the vote or written consent of a majority of the outstanding shares entitled to vote. The initial Directors shall be Ellen Rosenfeld, Marc Rosenfeld, and Jon Rosenfeld.

**Section 3.02 Powers.** All corporate power shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed under the direction of, the board of Directors, except such powers expressly conferred upon or reserved to the shareholders, and subject to any limitations set forth by law, by the Articles of Organization or by these Bylaws.

Without limiting the generality of the foregoing, and subject to the same limitations, it is hereby expressly declared that the Directors shall have the power and, to the extent required by law the duty to:

(a) Appoint and remove at pleasure of the board, all officers, managers, management companies, agents, and employees of the Corporation, prescribe their duties in addition to those prescribed in these Bylaws, supervise them, fix their compensation, and require from them security for faithful service. Such compensation may be increased or diminished at the pleasure of the Directors;

(b) Conduct, manage, and control the affairs and business of the Corporation; make rules and regulations not inconsistent with the Articles of Organization or applicable law or these Bylaws; make all lawful orders on behalf of the Corporation; and prescribe in the manner of executing the same;

(c) Incur indebtedness and borrow money on behalf of the Corporation and designate from time to time the person or persons who may sign or endorse checks, drafts, or other orders of payment of money, notes, or other evidences of indebtedness, issued in the name of, or payable to, the Corporation, and prescribe the manner of collecting or depositing funds of the Corporation, and the manner of drawing checks thereon;

(d) Appoint by resolution of a majority of the authorized number of Directors an executive committee and other committees and delegate to the executive committee any of the powers and authorities of the board in the management of the business and affairs of the Corporation, except the powers to (i) fill vacancies on the board or any committee, (ii) fix compensation of Directors; (iii) adopt, amend, or repeal these Bylaws; (iv) amend or repeal resolutions of the board that are expressly nonamendable or repealable; (v) declare a dividend or distribution to shareholders or authorize the repurchase of the Corporation's shares except at a rate, in a periodic amount or within a range, determined by the board; (vi) establish other committees of the board; or (vii) approve any action that in addition to board approval requires shareholder approval. The executive committee shall be composed of two (2) or more Directors. The provisions of these Bylaws regarding notice and meetings of Directors shall apply to all committees;

(e) Authorize the issuance of stock of the Corporation from time to time, upon such terms as may be lawful; and

(f) Prepare an annual report to be sent to the shareholders after the close of the fiscal or calendar year of this Corporation, which report shall comply with the requirements of law. To the extent permitted by law, the requirements that an annual report be sent to shareholders and the time limits for sending such reports are hereby waived, the Directors, nevertheless, having the authority to cause such report to be sent to shareholders.

**Section 3.03 Term of Office.** Directors shall hold office until the next annual meeting of shareholders and until their successors are elected.

**Section 3.04 Vacancies and Newly Created Directorships.** A vacancy on the board of Directors exists in case of the occurrence of any of the following events:

- (a) The death, resignation, or removal of any Director.
- (b) The removal or declaration of vacancy by the board of Directors of a Director who has been declared of unsound mind by a court order or convicted of a felony.
- (c) The Director is a shareholder who is divested from ownership of the marijuana business by a decision of either the state or local licensing authority.
- (d) The authorized number of Directors is increased.
- (e) At any annual, regular, or special meeting of shareholders at which any Director is elected, the shareholders fail to elect the full authorized number of Directors to be voted for at that meeting.

All vacancies (other than vacancies created by removal of a Director) may be filled by the approval of the board of Directors or, if there is less than a quorum of Directors, by (i) a vote of the majority of the remaining Directors at a meeting held pursuant to notice or waivers of notice complying with G.L. c. 156D, (ii) unanimous written consent or (iii) a sole remaining Director. Each Director so elected shall hold office until his successor is elected at an annual, regular, or special meeting of the shareholders. The shareholders may, by vote or written consent of a majority of outstanding shares entitled to vote in the election of Directors, elect a Director at any time to fill any vacancy not filled by the Directors. The shareholders may, by vote of a majority of outstanding shares entitled to vote in the election of Directors or unanimous written consent, elect a Director at any time to fill any vacancy created by removal of a Director, except that a vacancy created pursuant to clause (b) of this Section may be filled by the board of Directors. If the board of Directors accepts the resignation of a Director tendered to take effect at a future time, the board or the shareholders may elect a successor to take office when the resignation becomes effective. A reduction of the authorized number of Directors does not remove any Director prior to the expiration of that Director's term of office.

**Section 3.05 Removal.** The board of Directors may declare vacant the office of a Director who has been declared of unsound mind by an order of the court or convicted of a felony, or who has been barred from ownership of a marijuana business by a final decision of an applicable state or local licensing authority, or otherwise in a manner provided by law.

Any or all of the Directors may be removed from office at any duly called meeting without cause by a vote of the shareholders entitled to elect them. If one or more Directors are so removed at a meeting of shareholders, the shareholders may elect new Directors at the same meeting.

**Section 3.06 Resignation.** A Director may resign effective on giving written notice to the President, unless the notice specifies a later effective date.

### **Section 3.07 Meetings of Directors.**

(a) Regular Meetings. A regular annual meeting of the board shall be held immediately after, and at the same place as, the annual meeting of shareholders for the purpose of electing officers and transacting any other business. The board may provide for other regular meetings from time to time by resolution.

(b) Special Meetings. Special meetings of the board for any purpose or purposes may be called at any time by at least one Director. Notice of the time and place of special meetings shall be delivered by mail, electronic delivery, or orally. If notice is mailed, it shall be deposited in the United States mail at least three (3) days before the time of the meeting. In the case the notice is delivered either orally or by electronic delivery shall be delivered at least forty-eight (48) hours before the time of the meeting. Any oral notice given personally or by telephone may be communicated either to the Director or to a person at the office of the Director whom the person giving notice has reason to believe will promptly communicate it to the Director. The notice need not specify the purpose of the meeting nor the place if it is to be held at the principal office of the Corporation.

(c) Place of Meetings. Meetings of the Board may be held at any place within or without the Commonwealth of Massachusetts that has been designated in the notice. If a place has not been stated in the notice or there is no notice, meetings shall be held at the principal office of the Corporation unless another place has been designated by a resolution duly adopted by the board.

**Section 3.08 Electronic Participation.** Members of the board may participate in a meeting through conference telephone, electronic video screen communication, or other electronic transmission by and to the Corporation. Participation in a meeting by conference telephone or electronic video screen communication constitutes presence in person as long as all Directors participating can hear one another. Participation by other electronic transmission by and to the Corporation (other than conference telephone or electronic video screen communication) constitutes presence in person at the meeting as long as participating Directors can communicate with other participants concurrently, each Director has the means to participate in all matters before the board, including the ability to propose or object to a specific corporate action, and the Corporation implements some means of verifying that each person participating is entitled to participate and all votes or other actions are taken by persons entitled to participate.

**Section 3.09 Quorum of and Action by Directors.** A majority of the authorized number of Directors constitutes a quorum of the board for the transaction of business. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present is the act of the board of Directors, unless G.L. c. 156D or the Articles of Organization require a greater number. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, if any action is approved by at least a majority of the Directors who constitute the required quorum for such meeting. A quorum of the Directors may adjourn any Directors' meeting to meet again at a stated time and place. In the absence of quorum, a majority of the Directors present may adjourn from time to time. Notice of the time and place of a meeting that has been adjourned for more than twenty-four (24) hours shall be given to the Directors not present at the time of the adjournment.

**Section 3.10 Compensation.** Directors shall not receive compensation in connection with his or her service as a Director, provided, however, that Directors shall not be prohibited from holding any other position with the Corporation or providing any other services to the Corporation and receiving compensation from the Corporation in connection with such employment or services. Directors may receive reimbursement for reasonable costs incurred in connection with his or her service as a Director.

**Section 3.11 Action by Directors Without a Meeting.** Any action required or permitted to be taken by the board of Directors or any committee thereof under G.L. c. 156D may be taken without a meeting if, prior or subsequent to the action, a consent or consents thereto by all of the Directors in office, or all the committee members then appointed, is filed with the secretary to be filed with the minutes of the proceedings of the board of Directors. Such action by written consent shall have the same force and effect as a unanimous vote of such Directors.

**Section 3.12 Committees of the Board of Directors.** The board of Directors, by resolution adopted by a majority of authorized Directors, may designate one or more committees, each consisting of two or more Directors, to serve at the pleasure of the board and to exercise the authority of the board of Directors to the extent provided in the resolution establishing the committee and permitted by law. The board of Directors may adopt governance rules for any committee consistent with these Bylaws. The provisions of these Bylaws applicable to meetings and actions of the board of Directors shall govern meetings and actions of each committee, with the necessary changes made to substitute the committee and its members for the board of Directors and its members.

A committee of the board of Directors does not have the authority to:

- (a) Approve actions that require approval of the shareholders or the outstanding shares.
- (b) Fill vacancies on the board or in any committee.
- (c) Fix compensation of the Directors for serving on the board or on any committee.
- (d) Amend or repeal bylaws or adopt new bylaws.
- (e) Amend or repeal any resolution of the board of Directors that by its terms is not so amendable or repealable.
- (f) Make a distribution to shareholders, except at a rate, in a periodic amount or within a price range set forth in the Articles of Organization or determined by the board.
- (g) Appoint other committees or board members.

The board of Directors, by resolution adopted by the majority of authorized Directors, may designate one or more Directors as alternate members of any committee who may replace any absent or disqualified member at any meeting of the committee or for the purposes of any written action by the committee.

The designation of a committee of the board of Directors and the delegation thereto of authority shall not operate to relieve the board of Directors, or any member thereof, of any responsibility imposed by law.

## **ARTICLE IV OFFICERS**

**Section 4.01 Positions and Election.** The officers of the Corporation shall be elected by the board of Directors and shall be a chair of the board or a President or both, a secretary and a treasurer. At the discretion of the board of Directors, the Corporation may also have other officers, including but not limited to one or more vice Presidents or assistant vice Presidents, one or more assistant secretaries, a chief financial officer, and a chief operations officer, as may be appointed by the board of Directors, with such authority as may be specifically delegated to such officers by the board of Directors. Any two or more offices may be held by the same person.

Officers shall be elected annually at the meeting of the board of Directors held after each annual meeting of shareholders. Each officer shall serve until a successor is elected and qualified or until the earlier death, resignation or removal of that officer. Vacancies or new offices shall be filled at the next regular or special meeting of the board of Directors.

**Section 4.02 Removal and Resignation.** Any officer elected or appointed by the board of Directors may be removed with or without cause by the affirmative vote of the majority of the board of Directors. Removal shall be without prejudice to the contract rights, if any, of the officer so removed.

Any officer chosen by the board of Directors may resign at any time by giving written notice to the Corporation. Unless a different time is specified in the notice, the resignation shall be effective upon its receipt by the chair, the President, the secretary, or the board.

**Section 4.03 Powers and Duties of Officers.** The powers and duties of the officers of the Corporation shall be as provided from time to time by resolution of the board of Directors or by direction of an officer authorized by the board of Directors to prescribe the duties of other officers. In the absence of such resolution, the respective officers shall have the powers and shall discharge the duties customarily and usually held and performed by like officers of corporations similar in organization and business purposes to the Corporation subject to the control of the board of Directors.

## **ARTICLE V INDEMNIFICATION OF DIRECTORS AND OFFICERS**

**Section 5.01 Indemnification of Officers or Directors.** The Corporation shall, to the extent permitted by G.L. c. 156D, indemnify all persons who have served or may serve at any time as officers or Directors of the Corporation and their heirs, executors, administrators, successors, and assigns, from and against any and all loss and expense, including amounts paid in settlement before or after suit is commenced, and reasonable attorney's fees, actually and necessarily incurred as a result of any claim, demand, action, proceeding, or judgment that may have been asserted against any such persons, or in which these persons are made parties by reason of their being or having been officers or Directors of the Corporation. This right of indemnification shall not exist in relation to matters as to which it is adjudged in any action, suit or proceeding that these persons are liable for negligence or misconduct in the performance of duty.

**Section 5.02 Non-Exclusivity of Indemnification Rights and Authority to Insure.**

The foregoing rights of indemnification and advancement of expenses shall be in addition to and not exclusive of any other rights to which any person may be entitled pursuant to any agreement with the Corporation, or under any statute, provision of the Articles of Organization or any action taken by the Directors or shareholders of the Corporation.

The Corporation may buy and maintain insurance to protect itself and any agent against any expense asserted against them or incurred by an agent, whether or not the Corporation could indemnify the agent against the expense under applicable law or the provisions of this Article V.

**ARTICLE VI  
SHARE CERTIFICATES AND TRANSFER**

**Section 6.01 Share Certificates.** Shares of the Corporation may, but need not, be represented by certificates. Each certificate issued shall bear all statements or legends required by law to be affixed thereto. For all shares issued or transferred without certificates, the Corporation shall within a reasonable time after such issuance or transfer send the shareholder a written statement of the information required on share certificates pursuant to G.L. c. 156D, § 6.25(b) & (c) and § 6.27. Shareholders can request and obtain a statement of rights, restrictions, preferences, and privileges regarding classified shares or a class of shares with two or more series, if any, from the Corporation's principal office. Each certificate issued shall bear all statements or legends required by law to be affixed thereto.

Every certificate for shares shall be signed by (i) the chair of the board, if any, a vice chair, if any, the President, or a vice President and (ii) the chief financial officer, an assistant treasurer, the secretary, or any assistant secretary.

**Section 6.02 Transfers of Shares.** Transfer of shares of the Corporation shall be made only on the books of the Corporation by the registered holder thereof or by such other person as may under law be authorized to endorse such shares for transfer, or by such shareholder's attorney thereunto authorized by power of attorney duly executed and filed with the secretary or transfer agent of the Corporation. Except as otherwise provided by law, upon surrender to the Corporation or its transfer agent of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignment, or authority to transfer, it shall be the duty of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate, and record the transaction upon its books. Shareholders shall not transfer or attempt to transfer any shares to any person or entity that is prohibited from holding such interest in the Corporation or to a person or entity whose ownership of such shares would jeopardize any license held by the Corporation. Any purported transfer that would violate the preceding sentence shall be null and void.

**Section 6.03 Registered Shareholders.** The Corporation may treat the holder of record of any shares issued by the Corporation as the holder in fact thereof, for purposes of voting those shares, receiving distributions thereon or notices in respect thereof, transferring those shares, exercising rights of dissent with respect to those shares, exercising or waiving any preemptive right with respect to those shares, entering into agreements with respect to those shares in accordance with the laws of the Commonwealth of Massachusetts, or giving proxies with respect to those shares.

**Section 6.04 Lost, Stolen, or Destroyed Certificates.** The board of Directors may issue a new share certificate in place of any certificate it previously issued that the shareholder alleges to have been lost, stolen, or destroyed provided that the shareholder or the shareholder's legal representative of the lost, stolen, or destroyed certificate shall give the Corporation a bond or other adequate security sufficient to indemnify the Corporation against any potential claim against the Corporation because of the alleged loss, theft, or destruction of any such certificate or the issuance of such new certificate.

## **ARTICLE VII CORPORATE RECORDS AND INSPECTION**

**Section 7.01 Records.** The Corporation shall maintain adequate and correct books and records of account, minutes of the proceedings of the shareholders, board of Directors, and committees of the board of Directors, and a record of its shareholders, including names and addresses of all shareholders and the number and class of shares held, along with any other records required by law. The Corporation shall keep such record of its shareholders at its principal office, as fixed by the board of Directors from time to time, or at the office of its transfer agent or registrar. The Corporation shall keep its books and records of account and minutes of the proceedings of the shareholders, board of Directors, and committees of the board of Directors at its principal office, or such other location as shall be designated by the board of Directors from time to time.

**Section 7.02 Inspection of Books and Records.** The Corporation's accounting books and records and minutes of proceedings of the shareholders, board of Directors, and committees of the board of Directors shall, to the extent provided by law, be open to inspection of Directors, shareholders, and voting trust certificate holders, in the manner provided by law.

**Section 7.03 Certification and Inspection of Bylaws.** The Corporation shall keep in its principal office the original or a copy of these Bylaws as amended or otherwise altered to date, which shall be open to inspection by the shareholders at all reasonable times during office hours.

## **ARTICLE VIII MISCELLANEOUS**

**Section 8.01 Checks, Drafts, Etc.** All checks, drafts or other instruments for payment of money or notes of the Corporation shall be signed by an officer or officers or any other person or persons as shall be determined from time to time by resolution of the board of Directors.

**Section 8.02 Fiscal Year.** The fiscal year of the Corporation shall commence on January 1 of each year.

**Section 8.03 Conflict with Applicable Law or Articles of Organization.** Unless the context requires otherwise, the general provisions, rules of construction, and the definitions of G.L. c. 156D shall govern the construction of these Bylaws. These Bylaws are adopted subject to any applicable law and the Articles of Organization. Whenever these Bylaws may conflict with any applicable law or the Articles of Organization, such conflict shall be resolved in favor of such law or the Articles of Organization.

**Section 8.04 Invalid Provisions.** If any one or more of the provisions of these Bylaws, or the applicability of any provision to a specific situation, shall be held invalid or unenforceable, the provision shall be modified to the minimum extent necessary to make it or its application valid and enforceable, and the validity and enforceability of all other provisions of these Bylaws and all other applications of any provision shall not be affected thereby.

**Section 8.05 Emergency Management of the Corporation.** In anticipation of or during an emergency, as defined in G.L. c. 156D, § 3.03(d), the board, in order to conduct the ordinary business affairs of the Corporation, shall modify procedures, including, but not limited to, calling a board meeting, quorum requirements for such board meeting, and designation of additional or substitute Directors; provided that such modifications may not conflict with the Articles of Organization.

In anticipation of or during an emergency, the Corporation shall be able to take any and all of the following actions to conduct the Corporation's ordinary business affairs and operations:

- (a) Modify lines of succession to accommodate the incapacity of any Director, officer, employee, or agent resulting from the emergency.
- (b) Relocate the principal office, or designate alternative principal offices or regional offices.

## **ARTICLE IX AMENDMENT OF BYLAWS**

**Section 9.02 Amendment by Directors.** Subject to the rights of shareholders as provided in Section 9.01, and the statutory limitations of G.L. c. 156D, the board of Directors may adopt, amend, or repeal bylaws.

Explanation:

CommCan was originally organized as a non-profit in Massachusetts as was required when CommCan first entered the industry. Upon filing its Articles of Entity Conversion from a non-profit to a for-profit corporation in 2018, CommCan was issued a new registration number by the Secretary of the Commonwealth: 001326676. Additionally, the Articles of Entity Conversion also amended the officers and directors to solely Ellen Rosenfeld, Jon Rosenfeld, and Marc Rosenfeld. All other individuals were removed from the Company. It was for that reason that CommCan included the Articles of Entity Conversion in this Application for a Marijuana Retailer in Mansfield, MA.

Annette A. Cazenave was replaced by Ellen Rosenfeld as Treasurer and Ms. Cazenave removed as a Director.

Joel C. Frost was removed as a Director.

These changes are reflected in the Articles of Entity Conversion uploaded with the Application.

An additional Articles of Organization doesn't exist, that's what the Articles of Entity Conversion serve as.

Please don't hesitate to contact us with any questions, comments, or concerns.

All the best,

---

## **1. EXECUTIVE SUMMARY**

### **1.1 Mission Statement**

CommCan, Inc. (“CommCan”) is an established, vertically-integrated medical and adult-use marijuana company that is committed to operating compliant, safe, and high-quality Co-located Marijuana Operation (“CMOs”) in the Commonwealth of Massachusetts. CommCan seeks to establish itself as an industry leader through excellence in operational protocol, product quality, and community integration.

### **1.2 Product**

CommCan will offer high-grade cannabis and extract products compliant with the guidelines and regulations set out by the Cannabis Control Commission (“CCC”). In addition to traditional sativa, indica, and hybrid cannabis flower, CommCan will offer a wide range of products and services that will allow CommCan to serve customers with a wide variety of needs and preferences. The products CommCan intends to offer include, but will not be limited to:

1. Topical Salves
2. Tinctures
3. Inhalation Ready to Use CO2 Extracted Oils
4. Pre-Dosed Oil Vaporizers
5. Ingestion Capsules
6. Food and Beverages

### **1.3 Customers**

CommCan’s target customers are consumers who are twenty-one (21) years of age and older and registered patients and caregivers who live and work in the MetroWest and the southeastern Massachusetts areas, who are seeking to purchase high-quality marijuana and marijuana products in a secure, professional, welcoming and conveniently-located retail establishment.

### **1.4 What Drives Us**

CommCan’s goals include providing safe and high-grade cannabis and extract products to qualified patients and consumers above the age of twenty-one (21). CommCan strives to contribute to the local economy and community in which its facilities are located by providing jobs, organizing employee volunteer days and industry specific training classes to prospective employees.

## **2. COMPANY DESCRIPTION**

### **2.1 Corporate and Application Status**

CommCan is a Massachusetts domestic profit corporation in good standing that is currently applying for a license from the CCC to operate an adult-use dispensing facility in Mansfield, which combined with an existing PCR for a medical dispensing facility, will result in its third CMO in the Commonwealth.

CommCan will file, in a form and manner specified by the Commission, applications for licensure as a Marijuana Establishment (“ME”), in addition to submission of the required fees.

CommCan has received three (3) Certificates of Registration from the Massachusetts Department of Public Health (the “DPH”) to operate vertically-integrated Medical Marijuana Treatment Centers (“MMTCs”), which are now overseen by the Cannabis Control Commission; specifically, Millis, Southborough and Mansfield. CommCan recently moved its MMTC license from Southborough to Rehoboth to become a CMO in Rehoboth. CommCan’s medical and adult-use marijuana cultivation and product manufacturing facility in Medway and CommCan’s CMOs in Millis and Rehoboth are currently operational. CommCan is in the process of building out a medical marijuana dispensary in Mansfield and is currently applying for licensure of an adult-use dispensary in Mansfield so that its mission of owning and operating three (3) CMOs in the Commonwealth is realized.

## **2.2 Operations**

CommCan intends to operate three (3) CMOs as well as an adult-use and medical Marijuana Cultivator and Product Manufacturer.

CommCan cultivates and produces marijuana and marijuana products at 2 Marc Road in Medway. The facility is a 60,000 sq ft stand-alone building that has been custom built for CommCan’s operations. Currently, CommCan is constructing a 20,000 sq ft addition to the existing facility for storage and ancillary purposes. CommCan has invested in security, interior design, quality control, product testing, and staff training. There is also ample parking on site for staff and visitors.

## **2.3 Inventory Procedures**

CommCan has established inventory controls and procedures for reviewing inventories of marijuana products; conducts a monthly inventory of finished, stored marijuana; conducts a comprehensive annual inventory at least once every year after the date of the previous comprehensive inventory and promptly transcribes inventories if taken by use of an oral recording device.

CommCan tracks all marijuana products using a seed-to-sale methodology in the form and manner approved by the Commission. Such procedures have a well-established track record in the industry of preventing internal diversion of product.

CommCan maintains records, which will be available for inspection by the Commission and the host municipality upon request. The records are maintained in accordance with generally accepted accounting principles and in compliance with state regulations.

## **2.4 Security**

CommCan has designed and implemented a comprehensive security plan to ensure that the facility is a safe and secure environment for employees and the local community.

CommCan's security system consists of duress, panic, and holdup alarms connected to local law enforcement for efficient notification and response in the event of a security threat. The system includes a failure notification system that will immediately alert management if a system failure occurs. A redundant alarm system ensures that alarms remain operational if the primary system is compromised.

Interior and exterior HD video surveillance of all areas that contain marijuana, entrances, exits, and parking lots are operational 24/7 and available to the municipal Police Department. These surveillance cameras remain operational even in the event of a power outage. The exterior of the facility and surrounding area are sufficiently lit, and foliage is minimized to ensure clear visibility of the area at all times.

Only CommCan's registered agents and other authorized visitors (e.g., contractors, vendors) are allowed access to the facility, and a visitor log is maintained in perpetuity. All agents and visitors are required to visibly display an ID badge, and CommCan maintains a current list of individuals with access.

On-site consumption of marijuana by CommCan's employees and visitors is strictly prohibited. CommCan has security personnel on-site during business hours.

## **2.5 Benefits to the Municipality**

CommCan shall work cooperatively with the Town of Mansfield to ensure that CommCan operates as a responsible, contributing member of the local community. CommCan anticipates establishing a mutually beneficial relationship with the municipality, which will benefit the community in various ways, including but not limited to the following:

## **3. MARKET RESEARCH**

### **3.1 Industry**

Thirty-seven (37) States and the District of Columbia have legalized medical cannabis use with twenty-two (22) of those jurisdictions also legalizing recreational cannabis use. Approximately sixty (60%) percent of Americans support the legalization of marijuana with eighty-nine (89%) percent of Americans supporting the legalization of marijuana use for medical purposes.

According to a recent YouGov poll, 52% of U.S. adults say that they have tried marijuana., the highest percentage to date. Just eight years ago, that number stood at 40%. Among those who have tried marijuana, 43% used it in the past year and 72% used it in the past month. It was adults between the ages of 45 and 64 who were the most likely to say they've tried marijuana. An independently conducted poll from Jushi uncovered that despite inflationary pressure and cost-saving behaviors, demand for cannabis is resilient. In Massachusetts, gross sales of all recreational marijuana products totaled \$4 billion at the end of January 2023, and are projected to reach as much as \$2.6 billion by 2025, according to Marijuana Business Daily.

### **3.2 Customers**

In accordance with 935 CMR 500.140(3), access to CommCan's establishment will be limited to verified individuals who are twenty-one (21) years of age and older, qualified and registered patients, and their caregivers. Prior to entering the dispensary, a customer must present a valid, government-issued photo identification to a CommCan security agent to determine whether the customer is twenty-one (21) years of age or older, a qualified patient, or their caregiver. Once the customer's identity and age are verified, the dispensary agent will permit the customer to enter the establishment's sales area.

Once inside the sales area, the customer will enter a queue to obtain individualized service from a CommCan agent who will help the customer select from the available products and complete the transaction. Prior to checkout, customers will be required to confirm their identities and ages a second time. The checkout also activates the seed-to-sale tracking system that will be compliant with 935 CMR 500.105(8). Sales will be limited to one (1) ounce of marijuana flower or five (5) grams of marijuana concentrate per adult use consumer transaction. All required taxes will be collected at the point of sale.

### **PLAN FOR SEPARATING MEDICAL AND ADULT USE OPERATIONS**

CommCan, Inc. (“CommCan”) has developed plans and procedures to ensure virtual and physical separation between medical and adult use marijuana operations in accordance with 935 CMR 502.000.

CommCan will virtually separate medical and adult-use marijuana and Marijuana Products in its cultivation and product manufacturing operations by using separate medical and adult-use plant and/or package tags in Metrc.

Prior to the point of sale or at the point of sale, CommCan will designate whether marijuana and/or Marijuana Products are intended for sale for adult use or medical use through Metrc. All marijuana and Marijuana Products will be transferred to the appropriate license within Metrc prior to sale. After the point of sale, CommCan will reconcile that inventory in Metrc.

In compliance with 935 CMR 502.140, CommCan will ensure that registered patients have access to a sufficient quantity and variety of medical marijuana and marijuana products. For the first six (6) months of operations, 35% of CommCan’s marijuana product inventory will be marked for medical use and reserved for registered patients. Thereafter, CommCan will maintain a quantity and variety of medical marijuana products for registered patients that is sufficient to meet the demand indicated by an analysis of sales data collected during the preceding six (6) months. Marijuana products reserved for patient supply will, unless unreasonably impracticable, reflect the actual types and strains of marijuana products documented during the previous six (6) months. If a substitution must be made, the substitution will reflect the type and strain no longer available as closely as possible.

On a quarterly basis, CommCan will submit to the Commission an inventory plan to reserve a sufficient quantity and variety of medical marijuana and marijuana products for registered patients, based on reasonably anticipated patient needs as documented by sales records over the preceding six (6) months. On each occasion that the supply of any product within the reserved patient supply is exhausted and a reasonable substitution cannot be made, CommCan will submit a report to the Commission. Marijuana products reserved for patient supply will be either: (1) maintained on-site at CommCan’s retailer or easily accessible at another CommCan

location and transferable to the retailer location within 48 hours of notification that the on-site supply has been exhausted. CommCan will perform audits of patient supply available on a weekly basis and retain those records for a period of six (6) months. CommCan may transfer marijuana products reserved for medical-use to adult-use within a reasonable period of time prior to the date of expiration provided that the product does not pose a risk to health or safety.

In addition to virtual separation, CommCan will provide for physical separation between the medical and adult use sales areas. A temporary or semi-permanent physical barrier, such as a stanchion or other divider, will be installed to create separate, clearly marked lines for patients/caregivers and adult-use consumers. Trained marijuana establishment agents will verify the age of all individuals, as well the validity of any Medical Use of Marijuana Program ID Cards, upon entry to the facility and direct them to the appropriate queue. CommCan's agents will prioritize patient and caregiver identification verification and physical entry into the retail area.

Access to the adult-use marijuana queue will be limited to individuals 21 years of age or older, regardless if the individual is registered as a patient/caregiver. Registered patients under the age of 21 will only have access to the medical marijuana queue. A registered patient/caregiver 21 years of age or older will be permitted to access either queue and will not be limited only to the medical marijuana queue, so long as the transaction can be recorded in accordance with 935 CMR 501.105.

CommCan will also provide an enclosed patient consultation area that is separate from the sales floor to allow privacy and for confidential visual and auditory consultation. The patient consultation area will have signage stating, "Consultation Area" and will be accessible by patients and caregivers without having to traverse a Limited Access area.

CommCan will also maintain separate financial records for adult-use products and medical products to ensure compliance with the applicable tax laws.

CommCan, Inc. (“CommCan”) has developed the following policies to ensure that its co-located Medical Marijuana Treatment Center and adult-use Marijuana Retailer facilities have reasonable substitutions of marijuana types and strains in accordance with 935 CMR 500.140.

In compliance with 935 CMR 502.140, CommCan will ensure that registered patients have access to a sufficient quantity and variety of medical marijuana and marijuana products. For the first six (6) months of operation, CommCan will reserve thirty-five percent (35%) of its marijuana product inventory for patient supply.

Following the initial six (6) months of operations, CommCan will maintain a quantity and variety of marijuana products for patients registered under 935 CMR 501.000: *Medical Use of Marijuana*, sufficient to meet the demand indicated by an analysis of sales data collected by CommCan during the preceding six months in accordance with 935 CMR 500.140(6).

CommCan will ensure that all marijuana and marijuana products reserved for patient supply will, unless unreasonably impracticable, reflect the actual types and strains of marijuana and marijuana products documented the previous six (6) months. If a substitution must be made, the substitution will reflect as closely as possible the type and strain no longer available.

- Identification of potential energy use reduction opportunities (such as natural lighting and energy efficiency measures), and a plan for implementation of such opportunities.
- Consideration of opportunities for renewable energy generation, including, where applicable, submission of building plans showing where energy generators could be placed on the site, and an explanation of why the identified opportunities were not pursued, if applicable.

## **Diversity Plan**

### **Overview**

CommCan, Inc. (“CommCan”) is dedicated to promoting equity in its operations for diverse populations, which the Commission has identified as the following:

1. Minorities;
2. Women;
3. Veterans;
4. People with disabilities; and
5. People who identify as LGBTQ+.

However, CommCan believes that simply hiring diverse individuals to fulfill open positions is not enough; providing the tools to ensure success at their positions is the true goal and measure of success.

CommCan believes strongly in maintaining gender diversity in its ownership structure and in the highest levels of management. CommCan has been certified as a Women-Owned Business Enterprise (WBE) by the Supplier Diversity Office. Ellen Rosenfeld is the majority shareholder of the company and serves as a Director on the Board of Directors, President and Treasurer.

CommCan is proud to be one of a limited number of woman-owned and operated marijuana businesses in the Commonwealth. As a gay woman, Ellen has committed CommCan to prioritize gender diversity throughout every level of employment in the organization, provided the individual meets employment qualifications. Qualified applicants for employment of all backgrounds are invited to join CommCan. Once employed, they are encouraged to bring their individualities, passions and knowledge to a company that rewards such uniqueness. Diversity promotes growth and CommCan depends upon this growth to compete in this nascent industry. Individuals from diverse backgrounds working toward a common goal is the most effective way to ensure that CommCan leaves no stone unturned and no opportunity missed.

To support such populations, CommCan has created the following Diversity Plan (the “Plan”) and has identified and created goals/programs to promote equity in CommCan’s operations.

### **Goal<sup>1</sup>**

---

<sup>1</sup> Although CommCan will make efforts to accomplish these goals, the main priority will be to best serve the patients and cannabis consumers in the Commonwealth. In order for CommCan to promote equity for the above-listed groups in its operations, CommCan has established the following goals:

law standards. These percentages are intended to represent CommCan's efforts for hiring a diverse workforce and 3<sup>rd</sup> party contracts; however, CommCan is limited in its ability to confirm the ultimate percentages of these demographics in its workforce and 3<sup>rd</sup> party contracts due to applicable employment and labor laws. Geographic constraints may additionally challenge these goals.

<https://www.glassdoor.com/>, in order to attract diverse, qualified applicants for open job postings as they become available, but no less than once annually;

3. Implementing an employee referral program to encourage our diverse staff to recruit from their social/business circles to increase our overall diversity workforce;
4. Measure, on an annual basis, the effectiveness of programs designed to support a company culture that fosters diversity;
5. Reviewing the Plan with management at all levels of CommCan no less than annually to ensure that the Plan is understood.
6. Utilize the Massachusetts Supplier Diversity Office and other available resources, including the CCC's public documents, to find and prioritize the engagement of qualified wholesale suppliers, vendors and other contractors that are majority owned and controlled by diverse individuals.

#### Measurements

The Compliance Manager will administer the Plan and is responsible for developing measurable outcomes to ensure CommCan continues to meet its commitments. The Compliance Manager will review and evaluate CommCan's measurable outcomes to ensure that CommCan is meeting its commitments and said review will include the following:

CommCan is mindful that demonstration of the Plan's progress and success will be submitted to the Commission upon renewal.
