NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

February 24, 2021

City of Somerville

93 Highland Ave

Somerville, MA 02143

On or about **March 4, 2021** the City of Somerville will submit a request to the Department of Housing and Urban Development (HUD) for the release of the Community Development Block Grant (CDBG) funds under Title I of the Housing and Community Development Act of 1974, as amended, to undertake a project known as the Healey Playground Project. The project is located at 5 Meacham St. at the Healey School. The project will include renovation of 65,000 sq. ft. of renovated synthetic turf, soccer field, support walls, park furnishings and ADA access. The site is adjacent to a large public housing development and will provide much needed recreational space for youth programs. The City of Somerville is requesting the release of 500,000.00 in federal funds from the HUD Community Development Block Grant funds.

The activities proposed are categorically excluded under HUD regulations at 24 CFR Part 58 from the National Environmental Policy Act (NEPA) requirements. An Environmental Review Record (ERR) that documents the environmental determinations for this project is on file at the Mayor's Office of Strategic Planning and Community Development, City of Somerville, 93 Highland Ave, Somerville, MA and may be reviewed via request to ospcd@somervillema.gov. Due to COVID restrictions the offices are closed for in person requests.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the Mayor's Office of Strategic Planning and Community Development. All comments received by March 4, 2021 will be considered by the City of Somerville prior to authorizing submission of a request for release of funds.

RELEASE OF FUNDS

The City of Somerville certifies to HUD that Joseph Curtatone in his capacity as Mayor consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows the City of Somerville to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will consider objections to its release of funds and the City of Somerville's certification for a period of fifteen days following its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the City of Somerville; (b) the City has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the project have committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to HUD Office of Community Planning and Development at Thomas P. O'Neill, Jr. Federal Building 10 Causeway Street, 3rd Floor Boston, MA 02222-1092. Potential objectors should contact HUD to verify the actual last day of the objection period.

The Human Resources Manager will review and evaluate East Coast Remedies' measurable outcomes no less than twice annually to ensure that East Coast Remedies is meeting its commitments. East Coast Remedies is mindful that demonstration of the Plan's progress and success will be submitted to the Commission upon

renewal.

**BYLAWS
OF
EAST COAST REMEDIES CORP.**

BYLAWS OF EAST COAST REMEDIES CORP.

ARTICLE I: GENERAL

Section 1.01 Name and Purposes. The name of the Corporation is **EAST COAST REMEDIES CORP.** (the “**Corporation**”). The purpose of the Corporation shall be as set forth in the Corporation’s Articles of Organization as adopted and filed with the Office of the Secretary of State of the Commonwealth of Massachusetts (as now in effect or as hereafter amended or restated from time to time, the “**Articles of Organization**”) pursuant to Chapter 156D of the Massachusetts General Laws, as now in effect and as hereafter amended, or the corresponding provision(s) of any future Massachusetts General Law (“**Chapter 156D**”).

Section 1.02 Articles of Organization. These Bylaws (“**Bylaws**”), the powers of the Corporation and its shareholders and Board of Directors, and all matters concerning the conduct and regulation of the business of the Corporation, shall be subject to the provisions in regard thereto that may be set forth in the Articles of Organization. In the event of any conflict or inconsistency between the Articles of Organization and these Bylaws, the Articles of Organization shall control.

Section 1.03 Corporate Seal. The Board of Directors may adopt and alter the seal of the Corporation. The seal of the Corporation, if any, shall, subject to alteration by the Board of Directors, bear its name, the word “Massachusetts” and the year of its incorporation.

Section 1.04 Fiscal Year. The fiscal year of the Corporation shall commence on January 1, and end on the following December 31 of each year, unless otherwise determined by the Board of Directors.

Section 1.05 Location of Principal Office of the Corporation. The principal office of the Corporation shall be located at such place within the Commonwealth of Massachusetts as shall be fixed from time to time by the Board of Directors, and if no place is fixed by the Board of Directors, such place as shall be fixed by the President.

ARTICLE II: SHAREHOLDERS

Section 2.01 Place of Meeting. Meetings of the shareholders shall be held at any place within or without the Commonwealth of Massachusetts that may be designated by the Board of Directors. Absent such designation, meetings shall be held at the principal office. The Board of Directors may, in its discretion, determine that the meeting may be held solely by means of remote electronic communication. If authorized by the Board of Directors, and subject to any guidelines and procedures adopted by the Board of Directors, shareholders not physically present at a meeting of shareholders, may participate in a meeting of shareholders by means of electronic transmission by and to the Corporation or electronic video screen communication; and, may be considered present in person and may vote at a meeting of shareholders, whether held at a designated place or held solely by means of electronic transmission by and to the Corporation or electronic video screen communication, subject to the conditions imposed by applicable law.

Section 2.02 Annual Meeting. The annual meeting of shareholders of this Corporation shall be held on such date and at such time as may be designated from time to time by the Board

of Directors. At the annual meeting, Directors shall be elected, and any other business may be transacted that is within the power of the shareholders and allowed by law; *provided, however*, that unless the notice of meeting, or the waiver of notice of such meeting, sets forth the general nature of any proposal to (i) approve or ratify a contract or transaction with a Director or with a corporation, firm or association in which a Director has an interest; (ii) amend the Articles of Organization of this Corporation; (iii) approve a reorganization or merger involving this Corporation; (iv) elect to wind up and dissolve this Corporation; or (v) effect a plan of distribution upon liquidation otherwise than in accordance with the liquidation preferences of outstanding shares with liquidation preferences, no such proposal may be approved at an annual meeting.

Section 2.03 Special Shareholders' Meetings. Special meetings of the shareholders, for any purpose whatsoever, may be called at any time by the President, the Board of Directors or by shareholders entitled to cast not less than ten percent (10%) of the corporation's voting power. Any person entitled to call a special meeting of shareholders (other than the Board of Directors) may make a written request to the Chair of the Board (if any), President, Vice President (if any) or Secretary, specifying the general purpose of such meeting and the date, time and place of the meeting, which date shall be not less than fifteen (15) days nor more than sixty (60) days after the receipt by such officer of the request. Within twenty (20) days after receipt of the request, the officer receiving such request forthwith shall cause notice to be given to the shareholders entitled to vote at such meeting, stating that a meeting will be held on the date and at the time and place requested by the person or persons requesting a meeting and stating the general purpose of the meeting. If such notice is not given twenty (20) days after receipt by the officer of the request, the person or persons requesting the meeting may give such notice. No business shall be transacted at a special meeting unless its general nature shall have been specified in the notice of such meeting; *provided, however*, that any business may be validly transacted if the requirements for such validity, as provided in Section 2.12 of these Bylaws, are met.

Section 2.04 Shareholder Nominations and Proposals. For business (including, but not limited to Director nominations) to be properly brought before an annual or special meeting by a shareholder, the shareholder or shareholders of record intending to propose the business (the "**Proposing Shareholder**") must have given written notice of the Proposing Shareholder's nomination or proposal, either by personal delivery or by the United States mail to the Secretary of the Corporation. In the case of an annual meeting, the Proposing Shareholder must give such notice to the Secretary of the Corporation no earlier than one hundred and twenty (120) calendar days and no later than ninety (90) calendar days before the date such annual meeting is to be held. If the current year's meeting is called for a date that is not within thirty (30) days of the anniversary of the previous year's annual meeting, notice must be received not later than ten (10) calendar days following the day on which public announcement of the date of the annual meeting is first made. In no event will an adjournment or postponement of an annual meeting of shareholders begin a new time period for giving a Proposing Shareholder's notice as provided above.

For business to be properly brought before a special meeting of shareholders, the notice of meeting sent by or at the direction of the person calling the meeting must set forth the nature of the business to be considered. A shareholder or shareholders who have made a written request for a special meeting pursuant to Section 2.03 of these Bylaws may provide the information required for notice of a shareholder proposal under this Section 2.04 simultaneously with the written request for the

meeting submitted to the Secretary or within ten (10) calendar days after delivery of the written request for the meeting to the Secretary.

A Proposing Shareholder's notice shall include as to each matter the Proposing Shareholder proposes to bring before either an annual or special meeting:

- (a) The name(s) and address(es) of the Proposing Shareholder(s).
- (b) The classes and number of shares of capital stock of the Corporation held by the Proposing Shareholder.
- (c) If the notice regards the nomination of a candidate for election as Director:
 - (i) The name, age, business and residence address of the candidate;
 - (ii) The principal occupation or employment of the candidate; and
 - (iii) The class and number of shares of the Corporation beneficially owned by the candidate.
- (d) If the notice is in regard to a proposal other than a nomination of a candidate for election as Director, a brief description of the business desired to be brought before the meeting and the material interest of the Proposing Shareholder of such proposal.

Section 2.05 Notice of Shareholders' Meeting. Except as otherwise provided by law, written notice stating the place, day and hour of the meeting, and, in case of a special meeting, the nature of the business to be transacted at the meeting, shall be given at least ten (10) days and not more than sixty (60) days before the meeting. In the case of an annual meeting, notice will include matters the Corporation's Board of Directors intends, at the time of the giving of the first of such notices, to present to the shareholders for action, and in the case of a meeting at which Directors are to be elected, the names of nominees that the Board of Directors, at the time of the giving of the first of such notices, intends to present to the shareholders for election. Proof that notice was given shall be made by affidavit of the Secretary, assistant Secretary, transfer agent or Director, or of the person acting under the direction of any of the foregoing, who gives such notice, and such proof of notice shall be made part of the minutes of the meeting. Such affidavit shall be prima facie evidence of the giving of such notice. It shall not be necessary to state in a notice of any meeting of shareholders as a purpose thereof any matter relating to the procedural aspects of the conduct of such meeting.

Notice shall be given personally, by electronic transmission or by mail, by or at the direction of the Secretary, or the officer or person calling the meeting, to each shareholder entitled to vote at the meeting. If remote participation in the meeting has been authorized by the Board of Directors, the notice shall also provide a description of the means of any electronic transmission by and to the Corporation or electronic video screen communication by which shareholders may be considered present and may vote and otherwise participate at the meeting.

If mailed, the notice shall be deemed to be given when deposited in the United States mail addressed to the shareholder at the shareholder's address as it appears on the share transfer records

of the Corporation, with postage thereon prepaid. Notice may be given to the shareholder by electronic transmission. Notice by electronic transmission is deemed given when the notice satisfies any of the following requirements:

- (a) Transmitted to a facsimile number provided by the shareholder for the purpose of receiving notice.
- (b) Transmitted to an electronic mail address provided by the shareholder for the purpose of receiving notice.
- (c) Posted on an electronic network, with a separate notice sent to the shareholder at the address provided by the shareholder for the purpose of alerting the shareholder of a posting.
- (d) Communicated to the shareholder by any other form of electronic transmission consented to by the shareholder.

Notice shall not be given by electronic transmission to a shareholder after either (i) the Corporation is unable to deliver two (2) consecutive notices to such shareholder by such means or (ii) the inability to deliver such notices to such shareholder becomes known to any person responsible for giving such notices. Any person entitled to notice of a meeting may file a written waiver of notice with the Secretary either before or after the time of the meeting. The participation or attendance at a meeting of a person entitled to notice constitutes waiver of notice, except where the person objects, at the beginning of the meeting, to the lawfulness of the convening of the meeting and except that attendance is not a waiver of any right to object to conducting business at a meeting that is required to be included in the notice of the meeting, but not so included.

Section 2.06 *Reserved*

Section 2.07 Fixing the Record Date. For the purpose of determining shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, the record date shall be the date specified by the Board of Directors in the notice of the meeting. If no date is specified by the Board of Directors, the record date shall be the close of business on the day before the notice of the meeting is mailed to shareholders. If no notice is sent, the record date shall be the date set by the law applying to the type of action to be taken for which a record date must be set.

In the case of action by written consent of the shareholders without a meeting, the record date shall be (a) the date fixed by the board of directors or (b) the date that the first shareholder signs the written consent if no date has been fixed by the board.

A record date fixed under this Section may not be more than seventy (70) days before the meeting or action requiring a determination of shareholders. A determination of shareholders entitled to notice of or to vote at a shareholders' meeting is effective for any adjournment of the meeting unless the Board of Directors fixes a new record date.

Section 2.08 Quorum of and Action by Shareholders. A quorum shall be present for action on any matter at a shareholder meeting if a majority of the votes entitled to be cast on the

matter by a voting group is represented at the meeting in person or by proxy. A voting group includes all shares of one (1) or more classes or series that are entitled, by law or the Articles of Organization, to vote and to be counted together collectively on a matter at a meeting of shareholders.

Once a quorum for a voting group has been established at a meeting, the shareholders in that voting group represented in person or by proxy at the meeting are deemed present for quorum purposes for the remainder of the meeting and for any adjournment unless:

- a. The shareholder attends the meeting solely to object to defective notice or the conduct of the meeting on other grounds and does not vote the shares or take any other action at the meeting.
- b. The meeting is adjourned and a new record date is set for the adjourned meeting.

The shareholders in a voting group represented in person or by proxy at a meeting of shareholders, even if not comprising a quorum, may adjourn the meeting as to the voting group until a time and place as may be determined by a vote of the holders of a majority of the shares of the voting group represented in person or by proxy at that meeting. If the meeting is adjourned for more than one hundred and twenty (120) days after the date fixed for the original meeting, a new record date must be fixed by the Board of Directors; notice of the meeting must be given to the shareholders who are members of the voting group as of the new record date, and a new quorum for the meeting must be established.

Section 2.09 *Reserved*

Section 2.10 Conduct of Meetings. The Board of Directors may adopt by resolution rules and regulations for the conduct of meetings of the shareholders as it shall deem appropriate. At every meeting of the shareholders, the President, or in his or her absence or inability to act, a Director or officer designated by the Board of Directors, shall serve as the presiding officer. The Secretary or, in his or her absence or inability to act, the person whom the presiding officer of the meeting shall appoint secretary of the meeting, shall act as secretary of the meeting and keep the minutes thereof.

The presiding officer shall determine the order of business and, in the absence of a rule adopted by the Board of Directors, shall establish rules for the conduct of the meeting. The presiding officer shall announce the close of the polls for each matter voted upon at the meeting, after which no ballots, proxies, votes, changes or revocations will be accepted. Polls for all matters before the meeting will be deemed to be closed upon final adjournment of the meeting.

Section 2.11 Voting of Shares. Unless otherwise provided by law or in the Articles of Organization, each shareholder entitled to vote is entitled to one (1) vote for each share of common stock. Any holder of shares entitled to vote on any matter may vote part of such shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal. If a shareholder fails to specify the number of shares such shareholder is voting affirmatively, it will be conclusively presumed that the shareholder's approving vote is with respect to all shares such shareholder is entitled to vote.

Section 2.12 Consent of Absentees. The transactions of any meeting of shareholders, however called or noticed, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. The waiver notice, or consent need not specify the business transacted or purpose of the meeting, except as required by Chapter 156D. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 2.13 Voting by Proxy or Nominee. Every person entitled to vote or execute consents may do so either in person or by one (1) or more agents authorized by a written proxy executed by the person or such person's duly authorized agent and filed with the Secretary of the Corporation. A proxy is not valid after the expiration of eleven (11) months from the date of its execution, unless the person executing it specifies therein the length of time for which it is to continue in force. Except as set forth below, any proxy duly executed is not revoked, and continues in full force and effect, until an instrument revoking it, or a duly executed proxy bearing a later date, executed by the person executing the prior proxy and presented to the meeting, is filed with the Secretary of the Corporation, or unless the person giving the proxy attends the meeting and votes in person, or unless written notice of the death or incapacity of the person executing the proxy is received by the Corporation before the vote by such proxy is counted. A proxy that states on its face that it is irrevocable will be irrevocable for the period of time specified in the proxy, if held by a person (or nominee of a person) specified by law to have sufficient interest to make such proxy irrevocable and only so long as he shall have such interest, subject to Chapter 156D, § 7.22.

Section 2.14 Action by Shareholders Without a Meeting. Any action, that, under any provision of Chapter 156D may be taken at a meeting of the shareholders, may be taken without a meeting and without prior notice if a consent in writing, setting forth the action so taken, shall be signed by the holders of the outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares are entitled to vote thereon were present and voted; *provided, however*, that unless the consents of all shareholders entitled to vote have been solicited in writing, notice shall be given (in the same manner as notice of meetings is to be given), and within the time limits prescribed by law, of such action to all shareholders entitled to vote who did not consent in writing to such action; and *provided, further*, that Directors may be elected by written consent only if such consent is unanimously given by all shareholders entitled to vote, except that action taken by shareholders to fill one (1) or more vacancies on the Board other than a vacancy created by the removal of a Director, may be taken by written consent of a majority of the outstanding shares entitled to vote.

Section 2.15 Automatic Divestiture. If, during anytime while the Corporation holds a local or state marijuana business license, any of the following occur to a shareholder or to a member of an entity that is a shareholder of the Corporation, all interests of that shareholder in the Corporation (the "Affected Shareholder") will automatically and immediately terminate, and the Affected Shareholder will cease to be a shareholder:

- (a) The Affected Shareholder is charged with or convicted of any criminal offense, if a conviction of the offense in question would, pursuant to the applicable laws and regulations, disqualify the Affected Shareholder from having an ownership interest in

a marijuana business; *however*, where an Affected Shareholder is only charged with a criminal offense and not convicted, and where the applicable cannabis regulatory body and any other local or state licensing authority upon request have agreed to defer pursuing any action against the Corporation's marijuana business license(s) based upon such charges, or where any such actions of the applicable cannabis regulatory body and local licensing authorities are subject to a stay order, then the Affected Shareholder's shares shall not be subject to divestiture under this Section 2.15;

(b) The Affected Shareholder or any entity that it owns or controls incurs a revocation of any Massachusetts marijuana business license, and it is determined by the Board that such revocation has a material adverse effect upon the issuance or continued good standing of the Corporation's marijuana business license;

(c) The applicable cannabis regulatory body or local licensing authority issues a formal recommendation stating that the Affected Shareholder is unfit to have an ownership or economic interest in a marijuana business;

(d) The applicable cannabis regulatory body or local licensing authority issues a formal recommendation against the issuance to the Corporation of a marijuana business license or revokes a marijuana business license, which recommendation cites the participation of the Affected Shareholder as a material factor in the decision, or the applicable cannabis regulatory body or local licensing authority conditions the issuance of a marijuana business license on the Corporation removing the Affected Shareholder in the Corporation;

(e) The applicable cannabis regulatory body or local licensing authority advises the Corporation in writing, or it is otherwise determined by court order, that a decision on the Corporation's marijuana business license is being delayed beyond one (1) year following the filing of the Corporation's application for a marijuana business license, and the Corporation is advised before or after said date that the sole reason for such delay is the participation of or concerns about the Affected Shareholder;

(f) The Affected Shareholder demonstrates a repeated failure to attend meetings with the applicable cannabis regulatory body or any local licensing authority as required for Corporation business to be conducted. As used herein, repeated failure to attend shall be demonstrated by failure to attend any meeting without good cause, or any two (2) meetings with any licensing authority.

(g) The Affected Shareholder fails to provide information to the applicable cannabis regulatory body which is requested by or required by the applicable cannabis regulatory body.

(h) If the Affected Shareholder is a partnership or other business entity and not a natural person, a member of the Affected Shareholder is disqualified from obtaining an ownership interest in a licensed marijuana business by final written determination of the applicable cannabis regulatory body, unless, unless such member is divested from the Affected Shareholder in a timely manner.

Section 2.16 Redemption of Shares Following Automatic Divestiture.

(a) The Corporation shall continue in existence notwithstanding the automatic termination of any Affected Shareholder pursuant to Section 2.15 above. Notwithstanding any provision of this Agreement to the contrary, if the Affected Shareholder is a corporate entity and the occurrence of any of the events enumerated in Section 2.15, above, is due to a member, shareholder, manager, director or officer of the Affected Shareholder, the Affected Shareholder shall have an option to reclaim its shares and shall be restored to its ownership position before the divestiture events occurred if the Board, a court of law or the applicable cannabis regulatory body provides a written assurance or order that Affected Shareholder has removed the member, shareholder, manager, director or officer that caused any of the events enumerated in Section 2.15, above, pursuant to the terms of the Affected Shareholder's governing documents.

(b) The Corporation shall be liable for the terminated ownership interest of the Affected Shareholder as follows:

(i) The Corporation and the Affected Shareholder shall determine the fair market value of the Affected Shareholder's shares by a mutually agreed upon third party appraisal.

(ii) If the Affected Shareholder and the Corporation cannot agree on a third-party appraisal, they shall both individually choose and pay for their own appraisal and the differences, if any, between the two valuations of the Affected Shareholder's shares shall be averaged and used for calculating the Payoff Note (as defined herein).

(iii) Once the value of the Affected Shareholder's shares is determined in relation to the Corporation's fair market value, the Corporation shall deliver a note (the "**Payoff Note**") to the Affected Shareholder for fifty percent (50%) of the asset value of Affected Shareholder's shares. The Payoff Note may be payable over a five (5) year period and may bear interest at a rate equal to the prime rate of interest as announced from time to time by the Wall Street Journal or may be discounted (using the same rate) to present value if an earlier payoff is required under the applicable laws and regulations. The terms of the Payoff Note may include equal monthly payments and shall be reasonable and customary for a transaction of this type. The Corporation may sell the Affected Shareholder's shares, in accordance with the terms of these Bylaws, to finance the Payoff Note or for any other lawful reason.

Section 3.04 Vacancies and Newly Created Directorships. Vacancies and newly created directorships, whether resulting from an increase in the size of the Board of Directors, from the death, resignation, disqualification or removal of a Director or otherwise, may be filled by election at an annual or special meeting of shareholders called for that purpose or/solely by the affirmative vote of a majority of the remaining Directors then in office, even though less than a quorum of the Board of Directors. A Director elected to fill a vacancy shall be elected for the unexpired term of his or her predecessor in office.

Section 3.05 Removal. The Board of Directors may declare vacant the office of a Director who has been declared of unsound mind by an order of the court or convicted of a felony, or who has been barred from ownership of or participation in a marijuana business by a final decision of an applicable state or local licensing authority, or otherwise in a manner provided by law.

Any or all of the Directors may be removed from office at any duly called meeting without cause by a vote of the shareholders entitled to elect them. If one (1) or more Directors are so removed at a meeting of shareholders, the shareholders may elect new Directors at the same meeting.

Section 3.06 Resignation. A Director may resign effective on giving written notice to the President, unless the notice specifies a later effective date.

Section 3.07 Meetings of Directors.

(a) Regular Meetings. A regular annual meeting of the Board shall be held immediately after, and at the same place as, the annual meeting of shareholders for the purpose of electing officers and transacting any other business. If notice is mailed, it shall be deposited in the United States mail at least two (2) days before the time of the meeting. In the case the notice is delivered either orally or by electronic delivery shall be delivered at least forty-eight (48) hours before the time of the meeting. Any oral notice given personally or by telephone may be communicated either to the Director or to a person at the office of the Director whom the person giving notice has reason to believe will promptly communicate it to the Director. The notice need not specify the purpose of the meeting nor the place if it is to be held at the principal office of the Corporation.

(c) **Place of Meetings.** Meetings of the Board may be held at any place within or without the Commonwealth of Massachusetts that has been designated in the notice. If a place has not been stated in the notice or there is no notice, meetings shall be held at the principal office of the Corporation unless another place has been designated by a resolution duly adopted by the Board.

Section 3.08 Electronic Participation. Members of the Board may participate in a meeting through conference telephone, electronic video screen communication or other electronic transmission by and to the Corporation. Participation in a meeting by conference telephone or electronic video screen communication constitutes presence in person as long as all Directors participating can hear one another. Participation by other electronic transmission by and to the Corporation (other than conference telephone or electronic video screen communication) constitutes presence in person at the meeting as long as participating Directors can communicate with other participants concurrently, each Director has the means to participate in all matters before the Board, including the ability to propose or object to a specific corporate action, and the Corporation implements some means of verifying that each person participating is entitled to participate and all votes or other actions are taken by persons entitled to participate.

Section 3.09 Quorum of and Action by Directors. A majority of the authorized number of Directors constitutes a quorum of the Board for the transaction of business. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present is the act of the Board of Directors, unless Chapter 156D or the Articles of Organization require a greater number. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, if any action is approved by at least a majority of the Directors who constitute the required quorum for such meeting. A quorum of the Directors may adjourn any Directors' meeting to meet again at a stated time and place. In the absence of quorum, a majority of the Directors present may adjourn from time to time. Notice of the time and place of a meeting that has been adjourned for more than twenty-four (24) hours shall be given to the Directors not present at the time of the adjournment.

Section 3.10 Compensation. Directors may receive compensation for their services, and the Board of Directors may authorize payment of a fixed fee and expenses of attendance, if any, for attendance at any meeting of the Board of Directors or committee thereof. A Director shall not be precluded from serving the Corporation in any other capacity and receiving compensation for services in that capacity. The Directors may, from time to time, establish compensation policies of the Corporation consistent with this Section 3.10.

Section 3.11 Action by Directors Without a Meeting. Any action required or permitted to be taken by the Board of Directors or any committee thereof under Chapter 156D may be taken without a meeting if, prior or subsequent to the action, a consent or consents thereto by all of the Directors in office, or all the committee members then appointed, is filed with the Secretary to be filed with the minutes of the proceedings of the Board of Directors. Such action by written consent shall have the same force and effect as a unanimous vote of such Directors.

Section 3.12 Committees of the Board of Directors. The Board of Directors, by resolution adopted by a majority of authorized Directors, may designate one (1) or more committees, each consisting of two (2) or more Directors, to serve at the pleasure of the Board and

The Board of Directors may adopt governance rules for any committee consistent with these Bylaws. The provisions of these Bylaws applicable to meetings and actions of the Board of Directors shall govern meetings and actions of each committee, with the necessary changes made to substitute the committee and its members for the Board of Directors and its members.

- (d) Amend or repeal any resolution of the Board of Directors that by its terms is not so amendable or repealable.
- (e) Make a distribution to shareholders, except at a rate, in a periodic amount or within a price range set forth in the Articles of Organization or determined by the Board.

The Board of Directors, by resolution adopted by the majority of authorized Directors, may designate one (1) or more Directors as alternate members of any committee who may replace any absent or disqualified member at any meeting of the committee or for the purposes of any written action by the committee.

The designation of a committee of the Board of Directors and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any member thereof, of any responsibility imposed by law.

ARTICLE IV: OFFICERS

Section 4.01 Positions and Election. The officers of the Corporation shall be elected by the Board of Directors and shall be a President, a Secretary, a Treasurer and all other officers as may from time to time be determined by the Board of Directors. At the discretion of the Board of Directors, the Corporation may also have other officers, including but not limited to one (1) or more Vice Presidents or assistant Vice Presidents, one (1) or more assistant Secretaries, a Chief Financial Officer and a Chief Operations Officer, as may be appointed by the Board of Directors, with such authority as may be specifically delegated to such officers by the Board of Directors. Any two (2) or more offices may be held by the same person.

Each officer shall serve until a successor is elected and qualified or until the earlier death, resignation or removal of that officer. Vacancies or new offices shall be filled at the next regular or special meeting of the Board of Directors.

Section 4.02 Removal and Resignation. Any officer elected or appointed by the Board of Directors may be removed with or without cause by the affirmative vote of the majority of the

Board of Directors. Removal shall be without prejudice to the contract rights, if any, of the officer so removed.

Any officer chosen by the Board of Directors may resign at any time by giving written notice to the Corporation. Unless a different time is specified in the notice, the resignation shall be effective upon its receipt by the President, the Secretary or the Board.

Section 4.03 Powers and Duties of Officers. The powers and duties of the officers of the Corporation shall be as provided from time to time by resolution of the Board of Directors or by direction of an officer authorized by the Board of Directors to prescribe the duties of other officers. In the absence of such resolution, the respective officers shall have the powers and shall discharge the duties customarily and usually held and performed by like officers of corporations similar in organization and business purposes to the Corporation subject to the control of the Board of Directors.

ARTICLE V: INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 5.01 Indemnification of Officers or Directors. The Corporation shall, to the extent permitted by Chapter 156D, indemnify all persons who have served or may serve at any time as officers or Directors of the Corporation and their heirs, executors, administrators, successors and assigns, from and against any and all loss and expense, including amounts paid in settlement before or after suit is commenced, and reasonable attorney's fees, actually and necessarily incurred as a result of any claim, demand, action, proceeding or judgment that may have been asserted against any such persons, or in which these persons are made parties by reason of their being or having been officers or Directors of the Corporation. This right of indemnification shall not exist in relation to matters as to which it is adjudged in any action, suit or proceeding that these persons are liable for negligence or misconduct in the performance of duty.

Section 5.02 Non-Exclusivity of Indemnification Rights and Authority to Insure. The foregoing rights of indemnification and advancement of expenses shall be in addition to and not exclusive of any other rights to which any person may be entitled pursuant to any agreement with the Corporation, or under any statute, provision of the Articles of Organization or any action taken by the Directors or shareholders of the Corporation.

The Corporation may buy and maintain insurance to protect itself and any agent against any expense asserted against them or incurred by an agent, whether or not the Corporation could indemnify the agent against the expense under applicable law or the provisions of this Article V.

Notwithstanding any other provision of these Bylaws, each shareholder agrees that it will not, directly or indirectly, Transfer any of its shares or share equivalents, and the Corporation agrees that it shall not issue any shares or share equivalents if such Transfer would cause the Corporation to be unfit for licensure by the applicable cannabis regulatory body or otherwise subject to the applicable cannabis regulatory body for disciplinary action. In any event, the Board may refuse the Transfer of shares to any person if such Transfer would have a material adverse effect on the Corporation as a result of any regulatory or other restrictions imposed by any governmental authority.

Transfer of shares of the Corporation shall be made only on the books of the Corporation by the registered holder thereof or by such other person as may under law be authorized to endorse such shares for Transfer, or by such shareholder's attorney thereunto authorized by power of attorney duly executed and filed with the Secretary or transfer agent of the Corporation. Except as otherwise provided by law, upon surrender to the Corporation or its Transfer agent of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignment or authority to Transfer, it shall be the duty of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction upon its books.

"Transfer" means to, directly or indirectly, sell, transfer, assign, pledge, encumber, hypothecate or similarly dispose of, either voluntarily or involuntarily, by operation of law or otherwise, or to enter into any contract, option or other arrangement or understanding with respect to the sale, transfer, assignment, pledge, encumbrance, hypothecation or similar disposition of, any shares owned by a person or any interest (including a beneficial interest) in any shares or share equivalents owned by a person.

ENERGY COMPLIANCE PLAN

East Coast Remedies Corp. (“East Coast Remedies”) is currently exploring potential energy-use reduction opportunities such as natural lighting and energy efficiency measures and a plan for implementation of such opportunities. East Coast Remedies will update this plan as necessary and will further provide relevant documentation to the Commission during Architectural Review and during inspections processes.

Potential Energy-Use Reduction Opportunities

East Coast Remedies is considering the following potential opportunities for energy-use reduction and plans for implementation of such opportunities.

1. Natural Lighting;
2. Energy efficient exterior wall construction, which may include batt insulation, continuous rigid insulation, and air and vapor barriers; and
3. Plumbing fixtures that are Water Sense rated for reduced water consumption.

As the need and opportunity for facility upgrades and maintenance arise in the future and the company becomes cash flow positive, East Coast Remedies will continue to evaluate energy-use reduction opportunities.

Renewable Energy Generation Opportunities

East Coast Remedies is in the process of considering opportunities for renewable energy generation (including wind and solar options). East Coast Remedies’ preliminary examination of renewable energy generation has determined that the upfront costs of such options are too expensive at this time, although East Coast Remedies may reconsider at a future date. East Coast Remedies will also consult with its architects and engineers when designing the facility to determine the building’s capacity for renewable energy options (e.g. whether or not the roof can support the weight of solar panels). Nevertheless, our team is dedicated to consistently strive for sustainability and emissions reduction.

Strategies to Reduce Electric Demand

East Coast Remedies is considering the following strategies to reduce electric demand:

1. Exterior and interior glazing on windows such that maximum natural daylight can enter the building without compromising security, reducing the reliance on artificial light during daytime hours;
2. Lighting fixtures that are energy efficient and used with Energy Star rated bulbs; and
3. Room lighting and switching will have occupancy sensors to reduce electrical consumption when rooms are unoccupied.

As the need and opportunity for facility upgrades and maintenance arise in the future and the company becomes cash flow positive, East Coast Remedies will continue to evaluate strategies to reduce electric demand.

Opportunities for Engagement with Energy Efficiency Programs

East Coast Remedies also plans on engaging with energy efficiency programs offered by Mass Save and the Massachusetts Clean Energy Center and will coordinate with municipal officials to

identify other potential energy saving programs and initiatives. East Coast Remedies will also coordinate with its utility companies to explore any energy efficiency options available to East Coast Remedies.
