Trump fires defense secretary after election loss

By ROBERT BURNS and LOLITA C. BALDOR Associated Press

WASHINGTON - President Donald Trump fired Defense Secretary Mark Esper on Monday, an unprecedented move by a president struggling to accept election defeat and angry at a Pentagon leader he believes wasn't loyal enough.

The decision, which could unsettle international allies and Pentagon leadership, injects another element of uncertainty to a rocky transition period as Joe Biden prepares to assume the presidency.

Presidents who win reelection often replace Cabinet members, including the secretary of defense, but losing presidents have kept their Pentagon chiefs in place until Inauguration Day to preserve stability in the name of national security.

Trump announced the news in a tweet, saying that "effective immediately" Christopher Miller, the director of the National Counterterrorism Center, will serve as acting secretary, sidestepping the department's No.2-ranking official, Deputy Defense Secretary David Norquist.

"Chris will do a GREAT job!" Trump tweeted. "Mark Esper has been terminated. I would like to thank him for his service."

Trump's abrupt move to dump Esper triggers questions about what the president may try to do in the next few months before he leaves office, sues. He has a long back- Gen. James Mattis, routinely

including adjustments in the presence of troops overseas or other national security changes.

Biden has not said who he would appoint as defense chief, but is widely rumored to be considering naming the first woman to the post — Michele Flournoy. Flournoy has served multiple times in the Pentagon, starting in the 1990s and most recently as the undersecretary of defense for policy from 2009 to 2012. ground with the military, having served as an enlisted infantryman in the Army Reserves and after that as a special forces officer. He also served in the wars in Afghanistan and Iraq. After his retirement from the military, Miller worked as a defense contractor. Esper's strained relation-

ship with Trump came close to collapse last summer during civil unrest that triggered a debate within the administration over the proper role of the military in combating domestic unrest. Esper's opposition to using active duty troops to help quell protests in Washington, D.C., infuriated Trump, and led to wide speculation that the defense chief was prepared to quit if faced with such an issue again.

During his roughly 16month tenure, Esper generally supported Trump's policies but more recently he was widely expected to quit or be ousted if Trump won reelection.

Presidents historically have put a high priority on stability cal transitions. Since the creation of the Defense Departelection for a second term -Miller has most recently Gerald Ford, Jimmy Carter Counterterrorism kept their secretary of defense Dav.

Esper, who was the official

Defense Department out of politics. But it proved to be an uphill struggle as Trump alter-nately praised what he called top Pentagon leaders as warmongers devoted to drumming up business for the defense industry.

Trump soured on his first defense secretary, Mattis, who resigned in December 2018 over Trump's abrupt decision - later rescinded — to pull all U.S. troops out of Syria, and then on Esper. The splits reflected Trump's fundamentally different views on America's place in the world, the value of international defense alliances and the importance of shielding the military from domestic partisan politics.

Esper's departure has appeared inevitable ever since he publicly broke with Trump in June over the president's push to deploy military troops in the streets of the nation's capital in response to civil unrest following the police killing of George Floyd. Esper publicly opposed Trump's threats to invoke the two-centuries-old Insurrection Act, which would allow the president to use active-duty role. And Trump was furious

tially drew Esper into controversy when he joined a Trump entourage that strolled from the White House to nearby St. John's Episcopal Church for a photo op featuring Trump hoisting a Bible. Critics condemned Esper, saying he had allowed himself to be used as a political prop.

Esper said he didn't know he was heading into a photo op, but thought he was going to view damage at the church and see National Guard troops in the area. He was accompanied by Gen. H&H Cultivation LLC

Plan to Remain Compliant with Local Codes, Ordinances and Bylaws

Marijuana Establishment; Cultivation 42-48 Main Street, Holyoke, Mass. Assessor ID 33-4-9 and 33-4-10

H&H Cultivation, LLC (the Applicant), is pursuing a Marijuana Establishment for cultivation at 42-48 Main Street in the City of Holyoke. The site is located within the City's General Industrial (IG) zoning district and is allowed by special permit issued by the Holyoke City Council with Site Plan Review by the City's Planning Board.

The Applicant shall duly apply-for and comply-with the city's ordinance provisions and requirements and all applicable conditions that may be imposed by City Council and Planning Board under the special permit granting process. The Applicant's site meets the distancing/setback requirements from playgrounds, schools, etc., set forth in the City's ordinance and the CCC statutes and regulations. The Applicant has reviewed the submission requirements for a special permit and the applicable criteria/findings, all of which are consistent with the 935 CMR 500, and can and will meet all such requirements and obtain and maintain its permits as required.

The site consists of two adjoining parcels of land: 33-4-9 which is a $10,000 \pm 0.000$ sq. ft. parcel of land improved with a 3 story brick warehouse type structure; and, 33-4-10 which is a $10,000 \pm 0.000$ sq. ft. parcel of land with no improvements.

Applicant will utilize both parcels to accommodate its proposed 30,000 square foot cultivation facility, with the majority of the cultivation conducted in the 3-story brick warehouse-type structure at 33-4-9 and a portion of the cultivation conducted on the vacant parcel (33-4-10) within a newly constructed greenhouse structure. The vacant parcel (33-4-10) for the new greenhouse structure meets the dimensional/intensity requirements for new construction in the IG Industrial zoning district. The entire project will require a special permit from the City Council for use, Site Plan approval from the Planning Board for construction of the new greenhouse structure. Parking will be provided both on-site and off-site and any additional off-site parking relief may be obtained through a planning board special permit process.

The time frame for obtaining special permit(s) and site plan review is as follows: Upon formal filing with Clerk's Office, City Council and Planning Board, approximately 21 days for publishing and posting of public notice of hearing date; anticipation of one hearing to be accomplished within 65 days following filing; approximately 14 days for SPGA's writing of final decision and filing of decision with Clerk for 20-day appeal period. Total time-frame is approximately 90-to-120 days for the special permit process. A building permit with professional engineering stamped/signed plans will be submitted for application for building permit and the building dept. has 30 days to issue upon confirmation that submitted construction filings/plans comply with building code. After construction, a certificate of use/occupancy will be required prior to commencing operations, which typically takes 15 to 30 days to obtain.

END OF COMPLIANCE PLAN

H&H Cultivation LLC

POSITIVE IMPACT PLAN

In an effort to promote and encourage full participation in the regulated cannabis industry by individuals from communities disproportionately harmed by marijuana prohibition and enforcement and to support one of the Commission's priorities of having an ongoing positive impact on communities, H&H Cultivation LLC ("H&H" or "the Company") has created the following Positive Impact Plan.

H&H's Positive Impact Plan is an effort to respond to evidence which demonstrates that certain populations have been disproportionately impacted by high rates of arrest and incarceration for marijuana and other drug crimes as a result of state and federal drug policy. Criminalization has had long-term ill effects, not only on the individuals arrested and incarcerated, but on their families and communities.

The Commission has identified certain Areas of Disproportionate Impact ("ADIs") that were disproportionately harmed in the past by marijuana prohibition and enforcement as evidenced by their having historically high rates of arrest, conviction and incarceration related to marijuana crimes. Our Positive Impact Plan is focused on the following groups:

- 1. Past or present residents of areas of disproportionate impact as defined by the Cannabis Control Commission ("CCC").
- 2. Massachusetts residents who have past drug convictions.
- 3. Massachusetts residents who have parents or spouses who have past drug convictions.

H&H will implement the following goals, programs and measurements pursuant to this Positive Impact Plan.

<u>Goal #1</u>:

Provide financial support to New England Veterans Alliance ("NEVA") because it is an entity that offers support, education and/or job training to Massachusetts residents disproportionately impacted by the War on Drugs, including past or present residents of areas of disproportionate impact as defined by the CCC, Massachusetts residents who have past drug convictions, and/or Massachusetts residents who have parents or spouses who have past drug convictions.

Program:

Donate a total of \$2,500.00 annually to New England Veterans Alliance. The donation to be made to New England Veterans Alliance is intended to enhance its ability to cultivate veterans through alternative therapeutic programs. NEVA does important work in New England and across the country to improve veterans' lives, and building community for veterans. NEVA offers support, education and/or job training to Massachusetts residents disproportionately

impacted by the War on Drugs. Specifically, this donation will go towards two programming areas:

- 1. The Veterans Cultivation Program (VCP) which supports veterans in learning how to cultivate cannabis. The goal of VCP is to help educate the veteran community, to encourage self sustainability through cultivation therapy, and to alleviate the financial burden on veterans while providing a purpose and connection to the local communities and
- 2. Peer support groups for veterans across New England, specifically those veterans located in areas of disproportionate impact (ADI) and/or have had past drug convictions.

Measurement and Accountability:

At the end of each year, H&H will conduct an analysis and create a report on the amounts and percentages of donations and other financial support that the H&H has given to the program outlined above. H&H will continue to assess the viability and impact of financial donations made, and annually review donation goals amounts. NEVA will be able to produce documentation that the individuals participating in their programs have had past drug convictions and are from an area of disproportionate impact.

NEVA will provide an annual report to H&H, summarizing the use of the funds, as well as the disproportionately impacted communities the programs have worked with, and whether the individuals participating in the programs have had past drug convictions. NEVA will provide a copy to the Cannabis Control Commission upon request.

<u>Goal #2</u>:

On an annual basis, cover the costs/fees associated with obtaining an expungement of the criminal record for up to 5 individuals that are past or present residents of ADI's who have cannabis-related felonies.

Program:

H&H will Commit \$2,500 per calendar year to our Cannabis Expungement Program ("CEP") that will provide financial assistance for legal/filing fees for up to 5 individuals from areas of disproportionate impact attempting to expunge cannabis criminal charges from their record. H&H will identify an attorney to help individuals with completing the necessary expungement paperwork. H&H will publish the application for the CEP on its website. Individuals will be able to apply for the Program on-line. The first 5 individuals that meet the following criteria will be eligible for participation in the program:

- 1. Must show proof of past or present residency in an ADI as identified by the Commission and
- 2. Show proof of a cannabis-related felony.

H&H Cultivation LLC

Measurement and Accountability:

H&H will use qualitative and quantitative measurement metrics in measuring the results of its program and upon renewal will demonstrate that the CEP led to measurable success of our goal. The metric to be used in determining whether the goals were met will be to produce the total number of individuals H&H has assisted with funding expungements per year and indicate the specific ADI where that individual resides or has resided. In addition, H&H will produce documentation that criminal records of individuals in the CEP have had their records expunged.

H&H acknowledges and is aware, and will adhere to, the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.

Any actions taken, or programs instituted by H&H, will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

H&H expressly understands that the progress or success of this plan will be required to be demonstrated upon each annual license renewal period in conformity with 935 CMR 500.101(1) and (2).

Section 4.07 Power of Members.

The Members shall have the power to exercise any and all rights or powers granted to Members pursuant to the express terms of this Agreement and the Massachusetts Act. Except as otherwise specifically provided by this Agreement or required by the Massachusetts Act, no Member, in its capacity as a Member, shall have the power to act for or on behalf of, or to bind, the Company.

Section 4.08 No Interest in Company Property.

No real or personal property of the Company shall be deemed to be owned by any Member individually, but shall be owned by, and title shall be vested solely in, the Company. Without limiting the foregoing, each Member hereby irrevocably waives during the term of the Company any right that such Member may have to maintain any action for partition with respect to the property of the Company.

Section 4.9 Certification of Membership Interests.

(a) The Managers may, but shall not be required to, issue certificates to the Members representing the Membership Interests held by such Member.

(b) If the Managers shall issue certificates representing Membership Interests in accordance with Section 4.9(a), then in addition to any other legend required by Applicable Law, all certificates representing issued and outstanding Membership Interests shall bear a legend substantially in the following form:

THE MEMBERSHIP INTERESTS REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A LIMITED LIABILITY COMPANY AGREEMENT AMONG THE COMPANY AND ITS MEMBERS, A COPY OF WHICH IS ON FILE AT THE PRINCIPAL EXECUTIVE OFFICE OF THE COMPANY. NO TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OF THE MEMBERSHIP INTERESTS REPRESENTED BY THIS CERTIFICATE MAY BE MADE EXCEPT IN ACCORDANCE WITH THE PROVISIONS OF SUCH LIMITED LIABILITY COMPANY AGREEMENT.

THE MEMBERSHIP INTERESTS REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER ANY OTHER APPLICABLE SECURITIES LAWS AND MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED EXCEPT PURSUANT TO (A) A REGISTRATION STATEMENT EFFECTIVE UNDER SUCH ACT AND LAWS, OR (B) AN EXEMPTION FROM REGISTRATION THEREUNDER.

Section 4.11 Other Activities; Business Opportunities.

Nothing contained in this Agreement shall prevent any Member or any of its Affiliates from engaging in any other activities or businesses, regardless of whether those activities or businesses are similar to or competitive with the Business. None of the Members nor any of their Affiliates shall be obligated to account to the Company

or to the other Member for any profits or income earned or derived from other such activities or businesses. None of the Members nor any of their Affiliates shall be obligated to inform the Company or the other Member of any business opportunity of any type or description. Notwithstanding the foregoing, the members agree not to have an ownership interest in, consult to, manage, or be employed by a competing business located within a 5mile radius of the Business of the Company, except with respect to Blake Mensing, who shall not be bound by the preceding language in this sentence with respect to his ongoing business interests in the City of Holyoke.

ARTICLE V ALLOCATIONS

Section 5.01 Allocation of Net Income and Net Loss.

For each Fiscal Year (or portion thereof), after giving effect to the special allocations set forth in Section 5.02, Net Income and Net Loss of the Company shall be allocated among the Members pro rata in accordance with their Membership Interests.

Section 5.02 Regulatory and Special Allocations.

Notwithstanding the provisions of Section 5.01:

(a) If there is a net decrease in Company Minimum Gain (determined according to Treasury Regulations Section 1.704-2(d)(1)) during any Fiscal Year, each Member shall be specially allocated Net Income for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g). The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This Section 5.02 is intended to comply with the "minimum gain chargeback" requirement in Treasury Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(b) Member Nonrecourse Deductions shall be allocated in the manner required by Treasury Regulations Section 1.704-2(i). Except as otherwise provided in Treasury Regulations Section 1.704-2(i)(4), if there is a net decrease in Member Nonrecourse Debt Minimum Gain during any Fiscal Year, each Member that has a share of such Member Nonrecourse Debt Minimum Gain shall be specially allocated Net Income for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to that Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain. Items to be allocated pursuant to this paragraph shall be determined in accordance with Treasury Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2). This Section 5.02(b) is intended to comply with the "minimum gain chargeback" requirements in Treasury Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(c) Nonrecourse Deductions shall be allocated to the Members in accordance with their Membership Interests.

(d) In the event any Member unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), Net Income shall be specially allocated to such Member in an amount and manner sufficient to eliminate the Adjusted Capital Account Deficit created by such adjustments, allocations or distributions as quickly as possible. This Section 5.02(d) is intended to comply with the "qualified income offset" requirement in Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(e) The allocations set forth in paragraphs (a), (b), (c) and (d) above (the "<u>Regulatory Allocations</u>") are intended to comply with certain requirements of the Treasury Regulations under Code Section 704. Notwithstanding any other provisions of this Article V (other than the Regulatory Allocations), the Regulatory Allocations shall be taken into account in allocating Net Income and Net Losses among Members so that, to the extent possible, the net amount of such allocations of Net Income and Net Losses and other items and the

Regulatory Allocations to each Member shall be equal to the net amount that would have been allocated to such Member if the Regulatory Allocations had not occurred.

Section 5.03 Tax Allocations.

(a) Subject to Section 5.03(b), Section 5.03(c) and Section 5.03(d), all income, gains, losses and deductions of the Company shall be allocated, for federal, state and local income tax purposes, among the Members in accordance with the allocation of such income, gains, losses and deductions pursuant to Section 5.01 and Section 5.02, except that if any such allocation for tax purposes is not permitted by the Code or other Applicable Law, the Company's subsequent income, gains, losses and deductions shall be allocated among the Members for tax purposes, to the extent permitted by the Code and other Applicable Law, so as to reflect as nearly as possible the allocation set forth in Section 5.01 and Section 5.02.

(b) Items of Company taxable income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall be allocated among the Members in accordance with Code Section 704(c) and the traditional method with curative allocations of Treasury Regulations Section 1.704-3(c), so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Book Value.

(c) If the Book Value of any Company asset is adjusted pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(f) as provided in clause (c) of the definition of Book Value in Section 1.01, subsequent allocations of items of taxable income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Book Value in the same manner as under Code Section 704(c).

(d) Allocations of tax credit, tax credit recapture and any items related thereto shall be allocated to the Members according to their interests in such items as determined by the Managers taking into account the principles of Treasury Regulations Section 1.704-1(b)(4)(ii).

(e) Allocations pursuant to this Section 5.03 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Net Income, Net Losses, distributions or other items pursuant to any provisions of this Agreement.

Section 5.04 Allocations in Respect of Transferred Membership Interests.

In the event of a Transfer of Membership Interests during any Fiscal Year made in compliance with the provisions of this Agreement, Net Income, Net Losses and other items of income, gain, loss and deduction of the Company attributable to such Membership Interests for such Fiscal Year shall be determined using the interim closing of the books method.

ARTICLE VI DISTRIBUTIONS

Section 6.01 General.

(a) Subject to Section 6.02, distributions of available cash shall be made to the Members when and in such amounts as determined by the Managers in their sole discretion. After making all distributions required for a given Fiscal Year under Section 6.02, distributions determined to be made by the Managers pursuant to this Section 6.01(a) shall be paid to the Members in accordance with their respective Membership Interests.

(b) Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make any distribution to Members if such distribution would violate § 18-607 of the Massachusetts Act or other Applicable Law.

Section 6.02 Tax Advances.

(a) Subject to any restrictions in the Company's then applicable debt-financing arrangements, and subject to the determination by the Managers to retain any other amounts necessary to satisfy the Company's obligations, at least five (5) days before each date prescribed by the Code for a calendar-year corporation to pay quarterly installments of estimated tax, the Company shall use commercially reasonable efforts to distribute cash to each Member in proportion to and to the extent of such Member's Quarterly Estimated Tax Amount for the applicable calendar quarter (each such distribution, a "Tax Advance").

(b) If, at any time after the final Quarterly Estimated Tax Amount has been distributed pursuant to Section 6.02(a) with respect to any Fiscal Year, the aggregate Tax Advances to any Member with respect to such Fiscal Year are less than such Member's Tax Amount for such Fiscal Year (a "<u>Shortfall Amount</u>"), then the Company shall use commercially reasonable efforts to distribute cash in proportion to and to the extent of each Member's Shortfall Amount. The Company shall use commercially reasonable efforts to distribute Shortfall Amounts with respect to a Fiscal Year before the 75th day of the next succeeding Fiscal Year; *provided*, that if the Company has made distributions other than pursuant to this Section 6.02, the Managers may apply such distributions to reduce any Shortfall Amount.

(c) If the aggregate Tax Advances made to any Member pursuant to Section 6.02 for any Fiscal Year exceed such Member's Tax Amount (an "<u>Excess Amount</u>"), such Excess Amount shall reduce subsequent Tax Advances that would be made to such Member pursuant to this Section 6.02, except to the extent taken into account as an advance pursuant to Section 6.02(d).

(d) Any distributions made pursuant to this Section 6.02 shall be treated for purposes of this Agreement as advances on distributions pursuant to Section 6.01 and shall reduce, dollar-for-dollar, the amount otherwise distributable to such Member pursuant to Section 6.01.

Section 6.03 Tax Withholding; Withholding Advances.

(a) <u>Tax Withholding</u>. Each Member agrees to furnish the Company with any representations and forms as shall be reasonably requested by the Managers to assist it in determining the extent of, and in fulfilling, any withholding obligations it may have.

(b) Withholding Advances. The Company is hereby authorized at all times to make payments ("Withholding Advances") with respect to each Member in amounts required to discharge any obligation of the Company (as determined by the Tax Matters Representative based on the advice of legal or tax counsel to the Company) to withhold or make payments to any federal, state, local or foreign taxing authority (a "Taxing Authority") with respect to any distribution or allocation by the Company of income or gain to such Member and to withhold the same from distributions to such Member. Any funds withheld from a distribution by reason of this Section 6.03(b) shall nonetheless be deemed distributed to the Member in question for all purposes under this Agreement. If the Company makes any Withholding Advance in respect of a Member hereunder that is not immediately withheld from actual distributions to the Member, then the Member shall promptly reimburse the Company for the amount of such payment, plus interest at a rate equal to the prime rate published in the Wall Street Journal on the date of payment plus two percent (2.0%) per annum (the "Company Interest Rate"), compounded annually, on such amount from the date of such payment until such amount is repaid (or deducted from a distribution) by the Member (any such payment shall not constitute a Capital Contribution). Each Member's reimbursement obligation under this Section 6.03(b) shall continue after such Member transfers its Membership Interests.

(c) <u>Indemnification</u>. Each Member hereby agrees to indemnify and hold harmless the Company and the other Members from and against any liability with respect to taxes, interest or penalties that may be asserted by reason of the Company's failure to deduct and withhold tax on amounts distributable or allocable to such

Member. The provisions of this Section 6.03(c) and the obligations of a Member pursuant to Section 6.03(b) shall survive the termination, dissolution, liquidation and winding up of the Company and the withdrawal of such Member from the Company or Transfer of its Membership Interests. The Company may pursue and enforce all rights and remedies it may have against each Member under this Section 6.03(c), including bringing a lawsuit to collect repayment with interest of any Withholding Advances.

(d) <u>Overwithholding</u>. Neither the Company nor the Managers shall be liable for any excess taxes withheld in respect of any distribution or allocation of income or gain to a Member. In the event of an overwithholding, a Member's sole recourse shall be to apply for a refund from the appropriate Taxing Authority.

Section 6.04 Distributions in Kind.

(a) The Managers are hereby authorized, as they may reasonably determine, to make distributions to the Members in the form of securities or other property held by the Company; *provided*, that Tax Advances shall only be made in cash. In any non-cash distribution, the securities or property so distributed will be distributed among the Members in the same proportion and priority as cash equal to the Fair Market Value of such securities or property would be distributed among the Members pursuant to Section 6.01.

(b) Any distribution of securities shall be subject to such conditions and restrictions as the Managers determine are required or advisable to ensure compliance with Applicable Law. In furtherance of the foregoing, the Managers may require that the Members execute and deliver such documents as the Managers may deem necessary or appropriate to ensure compliance with all federal and state securities laws that apply to such distribution and any further Transfer of the distributed securities, and may appropriately legend the certificates that represent such securities to reflect any restriction on Transfer with respect to such laws.

ARTICLE VII MANAGEMENT

Section 7.01 Management of the Company.

The business and affairs of the Company shall be managed, operated and controlled by or under the direction of the Managers. Subject to the provisions of Section 7.05, the Managers shall have, and are hereby granted, full and complete power, authority and discretion for, on behalf of and in the name of the Company, to take such actions as they may deem necessary or advisable to carry out any and all of the objectives and purposes of the Company.

Section 7.02 Number, Election and Term of Managers.

(a) The number of Managers shall be fixed from time to time by the affirmative vote of Members holding a majority of the outstanding Membership Interests, but the number of Managers shall not be less than one (1) nor more than the number of Members. The Company shall initially have two (2) Managers, who shall be Oliver Homberg and Yazan Haddad.

(b) Each Manager shall serve until the earliest of Manager's death, Disability, resignation, or removal.

(c) The Managers shall maintain a schedule of all Managers with their respective mailing addresses (the "<u>Managers Schedule</u>") and shall update the Managers Schedule upon the removal or replacement of any Manager in accordance with this Section 7.02 or Section 7.03. A copy of the Managers schedule as of the execution of this Agreement is attached hereto as Schedule B.

Section 7.03 Removal; Resignation.

(iv) the Manager's intentional wrongful act or gross negligence that has a material detrimental effect on the Company;

(vii) the appointment of a guardian or conservator for a Member.

(b) A Manager may resign at any time by delivering his written resignation to the Company. Any such resignation shall be effective upon receipt thereof unless it is specified to be effective at some other time or upon the occurrence of some other event. The acceptance of a resignation by the other Managers shall not be necessary to make it effective.

(c) The resignation of a Manager who is also a Member shall not constitute a withdrawal or expulsion of the Manager as a Member of the Company or otherwise affect the Manager's rights as a Member.

(d) The removal of a Manager shall constitute a withdrawal or expulsion of the Manager as a Member.

Section 7.04 Action by Managers.

(a) If there is more than one Manager serving, all decisions requiring action of the Managers or relating to the business or affairs of the Company shall be decided by the affirmative vote or consent of a majority of the Managers as determined per capita (one (1) vote per Manager).

(b) On any matter that is to be voted on by Managers, a Manager may vote in person or by proxy, and such proxy may be granted in writing, by means of Electronic Transmission or as otherwise permitted by Applicable Law. Every proxy shall be revocable in the discretion of the Manager executing it unless otherwise provided in such proxy; *provided*, that such right to revocation shall not invalidate or otherwise affect actions taken under such proxy prior to such revocation.

(c) Any action of the Managers may be taken without a meeting with a written consent of a majority of the Managers shall approve such action.

Section 7.05 Actions Requiring Approval of Members.

Without the majority written approval of all Members, the Company shall not, and shall not enter into any commitment to:

Section 7.07 Officers.

The Managers may appoint individuals as officers of the Company (the "<u>Officers</u>") as they deem necessary or desirable to carry on the business of the Company and the Managers may delegate to such Officers such power and authority as the Managers deem advisable. No Officer need be a Member of the Company. Any individual may hold two or more offices of the Company. Each Officer shall hold office until his successor is designated by the Managers or until his earlier death, Disability, resignation, or removal. Any Officer may resign at any time on written notice to the Managers. Any Officer may be removed by the Managers with or without cause at any time. A vacancy in any office occurring because of death, Disability, resignation, removal or otherwise, may, but need not, be filled by the Managers.

Section 7.08 Other Activities of Managers; Business Opportunities.

The Managers shall devote so much time and attention to the business of the Company as they deem appropriate in their sole discretion. Nothing contained in this Agreement shall prevent any Manager from engaging in any other activities or businesses, regardless of whether those activities or businesses are similar to or competitive with the Company. None of the Managers shall be obligated to account to the Company or to the Members for any profits or income earned or derived from other such activities or businesses. None of the Managers shall be obligated to inform the Company or the Members of any business opportunity of any type or description.

Section 7.09 Compensation and Reimbursement of Managers; No Employment.

(a) The Managers shall not be compensated for their services as Managers, but the Company shall reimburse the Managers for all ordinary, necessary and direct expenses incurred by the Managers in performance of their duties as Managers. All reimbursements for expenses shall be reasonable in amount. Nothing contained in this Section 7.09 shall be construed to preclude any Manager from serving the Company in any other capacity and receiving reasonable compensation for such services.

(b) This Agreement does not, and is not intended to, confer upon any Manager any rights with respect to continued employment by the Company, and nothing herein should be construed to have created any employment agreement with any Manager.

Section 7.10 No Personal Liability.

Except as otherwise provided in the Massachusetts Act, by Applicable Law or expressly in this Agreement, no Manager will be obligated personally for any debt, obligation or liability of the Company, whether arising in contract, tort or otherwise, solely by reason of being a Manager.

ARTICLE VIII TRANSFER

Section 8.01 General Restrictions on Transfer.

(a) Each Member agrees that such Member will not Transfer any of his Membership Interests unless permitted under this Agreement.

(b) Notwithstanding any other provision of this Agreement, each Member agrees that it will not Transfer all or any portion of its Membership Interest in the Company, and the Company agrees that it shall not sell any Membership Interests:

(1) except as permitted under the Securities Act and other applicable federal or state securities or blue sky laws, and then, with respect to a Transfer of Membership Interests, only upon delivery to the Company of an opinion of counsel in form and substance satisfactory to the Company to the effect that such Transfer may be effected without registration under the Securities Act;

(2) if such Transfer or issuance would cause the Company to be considered a "publicly traded partnership" under Section 7704(b) of the Code within the meaning of Treasury Regulations Section 1.7704-1(h)(1)(ii), including the look-through rule in Treasury Regulations Section 1.7704-1(h)(3);

(3) if such Transfer or issuance would affect the Company's existence or qualification as a limited liability company under the Massachusetts Act;

(4) if such Transfer or issuance would cause the Company to lose its status as a partnership for federal income tax purposes;

(5) if such Transfer or issuance would cause the Company to be required to register as an investment company under the Investment Company Act of 1940, as amended; or

(6) if such Transfer or issuance would cause the assets of the Company to be deemed "Plan Assets" as defined under the Employee Retirement Income Security Act of 1974 or its accompanying regulations or result in any "prohibited transaction" thereunder involving the Company.

(c) Any Transfer or attempted Transfer of any Membership Interest in violation of this Agreement shall be null and void, no such Transfer shall be recorded on the Company's books and the purported Transferee in any such Transfer shall not be treated (and the purported Transferor shall continue be treated) as the owner of such Membership Interest for all purposes of this Agreement.

Section 8.04 Membership Interests Covered.

This Agreement shall cover all of the Membership Interests now owned or hereafter acquired by the Members while this Agreement remains in effect.

Section 8.06. Future Issuances.

The Company may not issue Membership Interests to any Person who is not already a party to this Agreement unless, contemporaneously with the issuance of such Membership Interests such Person executes and delivers a Joinder Agreement.

ARTICLE IX

MANDATORY PURCHASE UPON TERMINATION OF MARITAL RELATIONSHIP

Section IX.1 **Purchase by Member upon Termination of Marital Relationship.**

If the Marital Relationship of a Member is terminated by the death of the Member's Spouse or by Divorce, and such Member does not succeed to all of his or her Spouse's interest at such time (the "Spouse's Interest," regardless of whether the interest is characterized as marital, non-marital or separate property, or as property held as joint tenants), then the Spouse, the Spouse's estate, or the trustee of any trust to which the Spouse's Interest passes, as the case may be, shall sell to such Member, and such Member shall purchase, the Spouse's Interest for the Purchase Price set forth in Article XIII.

Section IX.2 Membership Interests or Interest Owned in Trust.

Any Membership Interests or interest therein held by a Member as a trustee of a trust as a result of the death or incapacity of the Spouse or the Member's Divorce from the Spouse shall be treated as owned by the Member for purposes of this Agreement, and any obligation of a Member to sell or offer to sell the Membership Interests or interest therein includes any Membership Interests or interest therein held by the Member as trustee of the trust.

Section IX.3 Lump Sum or Installment Payments.

A Member may pay the Purchase Price for the Spouse's Interest in (a) one lump sum by certified or official bank check or by wire transfer of immediately available funds or (b) installment payments evidenced by a promissory note made at the time of purchase, which shall bear interest at the rate of 2.5% per annum. If paid

in installment payments, the Member shall pay the Purchase Price plus accrued interest in twelve (12) equal quarterly installments. Such Member shall have the right to pay all or any part of such Member's note at any time or times in advance of maturity without premium or penalty by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment.

Section IX.4 Transfer of Spouse's Interest.

In the event that a Spouse's Interest is purchased in accordance with the provisions hereof, upon the execution and delivery of the promissory note or the lump sum payment of the Purchase Price, in each case as provided in Section 10.3, an automatic Transfer to the relevant Member of the Spouse's Interest being purchased shall be deemed to have occurred, and the parties shall execute and deliver any instruments and perform any acts that may be necessary or reasonably requested by the Company to effectuate and evidence the Transfer.

ARTICLE X TRIGGERING EVENTS FOR OPTION TO BUY MEMBERSHIP INTERESTS

Section X.1 Voluntary Transfers.

Right of First Refusal. Before any Membership Interests may be voluntarily or (a) involuntarily sold or transferred by a Member (except as set forth in Section 10(d) below), including transfers by operation of law and by pledges or holders of other liens desiring to exercise power of sale, such Membership Interests (the "Offered Interests") must first be offered for sale to the Company by the Member by written notice to the Company (the "Seller's Notice") stating the name and address of the proposed transferee, the number of Offered Interests, the purchase price, and the terms of the proposed transaction. The Company shall thereupon have the option, but not the obligation, to acquire some or all of the Offered Interests for a price per percentage interest or portion thereof (the "Purchase Price") equal to the price per share set forth in the Seller's Notice. Within 20 calendar days (the "Option Period") after receipt of the Seller's Notice, the Company shall give written notice to the Member stating whether it has elected to purchase the Offered Interests and a date and time (the "Closing Date") for consummation of the purchase note later than 45 days after the Company's receipt of the Seller's Notice. Failure by the Company to give such notice within such time period shall be deemed an election by the Company not to exercise such option. The Member shall not vote in any capacity in connection with the decision of the Company whether to exercise its options to purchase his shares: provided that if his vote is required for valid corporate action he shall vote in accordance with the decision of the majority of the other directors or Members, as applicable.

(b) *Transfer to Third Parties*. If the Company has not elected to purchase all of the Offered Interests by the end of the Option Period, the Member may transfer all of the Offered Interests at any time during the 60-day period immediately following the termination of the Option Period, but only upon the terms and to the transferee stated in the applicable Seller's Notice. Such transferee shall become a party to and a "Member" under and shall otherwise by bound by this Agreement.

(c) *Further Restrictions*. Any attempted transfer in violation of the terms of this Agreement shall be ineffective to vest any legal or beneficial interest in the Membership Interests in any transferee and shall be null and void.

(d) *Permitted Transfers Excluded*. A Member may transfer its Shares to such Member's lineal descendants and/or spouse and any trust, limited partnership or limited liability company under which such lineal descendants and/or spouse is the sole beneficiary if in each such case the Member or such Member's spouse and/or lineal descendants controls all of the voting equity of and/or decision-

making in such trust, limited partnership or limited liability company (each, a "Permitted Transfer"). Any such Permitted Transfer shall not be required to be offered first to the Company. In the event that a Member exercises his rights under this Section 10(d), he shall provide the Company with a prompt notification of the date of the Permitted Transfer, the name of the new Member, their address and the relevant contact information. Upon the receipt of such notification, the Company shall update the

Company's stock ledger and corporate records accordingly.

Section 11.02 Involuntary Transfer.

Prior to any Involuntary Transfer of Shares during the life of a Member (the "<u>Transferring Member</u>") for any reason (other than in connection with the Divorce of a Member as addressed in Article X of this Agreement), the Member shall give prompt written notice to the Company and the Remaining Members disclosing in full the nature and details of the Involuntary Transfer, and the Company, *first*, and each Remaining Stockholder, *second*, shall have the option to purchase all (but not less than all) of the Shares owned by the Transferring Member at the effective date of the Involuntary Transfer pursuant to the terms of Article X and Article XIII. For the purposes hereof, an "Involuntary Transfer" includes, but is not limited to, a potential Transfer of Membership Interest that occurs in connection with any of the following: (a) a sale upon execution or in foreclosure of any pledge, hypothecation, lien or charge; (b) a voluntary or involuntary petition under any federal or state bankruptcy, insolvency or related law; (c) the appointment of a receiver; (d) an assignment for the benefit of creditors; (e) attachment, assignment or other collection action; and (f) the appointment of a guardian or conservator for a Member.

ARTICLE XI OPTION PROCEDURES

Section XI.1 Exercise of Option.

Whenever the Company and/or the Remaining Members have the option to purchase (1) the Offered Interests of an Offering Member pursuant to the terms of Section 11.01or (2) all of the Membership Interests owned by a Transferring Member pursuant to the terms of Section 11.02 (in either the case of (1) or (2), the "Option Interests"), the following procedures shall apply:

(a) The initial right of the Company to purchase all (but not less than all) of the Option Interests shall be exercisable with the delivery of a written notice by the Company to the Offering Member or the Transferring Member, as the case may be, and the Remaining Members within thirty (30) days of (i) in the case of a voluntary Transfer pursuant to 11.01, the receipt of the Offering Member's written notice regarding the Offered Interests; or (ii) in the case of an Involuntary Transfer pursuant to Section 11.02, the receipt of the Transferring Member's written notice of Involuntary Transfer. The Company's written notice of exercise shall be binding upon delivery and irrevocable by the Company.

(b) If the Company does not elect to purchase all of the Option Interests, the Remaining Members shall have the right to purchase all (but not less than all) of the Option Interests. For a period of thirty (30) days following the earlier of the expiration of the Company's option period set forth in Section 12.01(a) or receipt of written notice from the Company that it does not elect to purchase the Option Interests, each Remaining Member shall have the right to elect to purchase all (but not less than all) of his pro rata portion of the Option Interests by delivering written notice to the Company and the Offering Member or the Transferring Member, as the case may be. The pro rata portion of each Remaining Member for the purposes of this Section 12.01(b) shall be determined by dividing (i) the number of Membership Interests owned by a Remaining Member. Each Remaining Member's exercise notice shall be binding upon delivery and irrevocable by such Remaining Member.

(c) If the Remaining Members pursuant to Section 12.01(b) do not, in the aggregate, elect to purchase all of the Option Interests, each Remaining Member electing to purchase his or her pro rata portion of the Option Interests in accordance with Section 12.01(b) (each, an "Exercising Member") shall have the right to purchase all (but not less than all) of any remaining Option Interests not elected to be purchased by the other Remaining Members. For a period of thirty (30) days following the receipt of such written notice, each Exercising Member shall have the right to elect to purchase all (but not less than all) of the remaining Option Interests by delivering a written notice to the Company and the Offering Member or the Transferring Member, as the case may be. If more than one Exercising Member delivers an exercise notice pursuant to this Section 12.01(c) (each, an "Over-Allotment Participating Member"), the remaining Option Interests shall be allocated pro rata among the Over-Allotment Participating Members based on a fraction determined by dividing (i) the number of Membership Interests owned by the Over-Allotment Participating Member by (ii) the number of Membership Interests owned by all Over-Allotment Participating Members; unless within thirty (30) days following the receipt of written notice to that effect, the Over-Allotment Participating Members deliver a joint written notice to the Company and the Offering Member or Transferring Member, as the case may be, agreeing to a different allocation for all (but not less than all) of the remaining Option Interests, Each Over-Allotment Participating Member's exercise notice shall be binding upon delivery and irrevocable by the Over-Allotment Participating Member.

(d) The failure of the Company or any Remaining Member to deliver an exercise notice by the end of their respective option periods shall constitute a waiver of the applicable rights of first offer under Article XII with respect to the Transfer of such Option Interests, but shall not affect their respective rights with respect to any future Transfers.

Section XI.2 Lump Sum or Installment Payments.

Any purchaser of Membership Interests pursuant to this Article XII may pay the applicable Purchase Price in (a) one lump sum by certified or official bank check or by wire transfer of immediately available funds or (b) installment payments evidenced by a promissory note made at the time of purchase, which shall bear interest at the rate of five percent (5%) per annum (or the maximum rate allowable under Applicable Law if less than five percent (5%) per annum). If paid in installment payments, the Member shall pay the Purchase Price plus accrued interest in twelve (12) equal quarterly installments. The purchaser shall have the right to pay all or any part of the purchaser's note at any time or times in advance of maturity without premium or penalty by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment.

Section XI.3 Cooperation.

Each Member shall take all actions as may be reasonably necessary to consummate any sale that complies with this Article XII, including executing and delivering agreements, certificates, instruments, and consents as may be deemed necessary or appropriate.

Section XI.4 Failure to Exercise Option.

In the case of an option to purchase the Offered Interests of an Offering Member pursuant to Section 12.01, if neither the Company nor the Remaining Members elect to purchase all of the Offered Interests, then the Offering Member may, during the thirty (30) day period following the expiration of the required periods of such option (which period may be extended for a reasonable time not to exceed ninety (90) days), subject to and under this Agreement, Transfer, all of such Offered Membership Interests on terms and conditions no more favorable to such Transfere than those specified in an offer made under or as provided by this Agreement. If the Offering Member does not Transfer the Option Interests within such period, the rights provided hereunder shall be

deemed to be revived and the Option Interests shall not be offered to any Person unless first re-offered to the Company and the Remaining Members in accordance with this Agreement.

Section XI.5 No Further Rights or Obligations.

If a Member's Membership Interests are sold in connection with a voluntary Transfer or Involuntary Transfer, the Member shall cease to be a party to this Agreement and shall have no further rights or obligations hereunder, and this Agreement may be amended or terminated without the Member's consent.

ARTICLE XII PURCHASE PRICE

Section XII.1 Stipulated Value.

As of the date of this Agreement, through the date on which the Company has been Operational for twenty-four consecutive (24) months (the "<u>Initial Period</u>"), the value of the Company shall be determined upon a unanimous consent of the Members on a quarterly basis. After the date on which the Company is Operational (the "<u>Post Period</u>"), the value of the Company shall be determined on the basis of four times (4X) the average net earnings (annual gross revenues of the Company minus annual expenses and minus any annual federal, state, and local income taxes payable by the Company) for the two (2) most recent Fiscal Years. The value of an individual Member's Membership Interest shall be the entire value for the Company as determined under this Section 13.01, multiplied by his ownership percentage. Such value shall remain effective until a new stipulation is agreed to in accordance with Section 13.02 (such per Membership Interest value, as updated from time to time, the "<u>Stipulated Value</u>").

Section XII.2 Value to be Stipulated Quarterly or Annually.

In the case of (a) the Initial Period, within thirty (30) days after the end of each fiscal quarter; or (b) the Post Period, within thirty (30) days after the end of each Fiscal Year, the Members of record on the last day of such quarter or Fiscal Year, as the case may be, voting in proportion to their respective Membership Interests held as of such day, shall agree upon the Stipulated Value to be computed as of the end of such quarter or Fiscal Year, as the case may be. The Stipulated Value shall be agreed to in writing by such Members holding a majority of the Membership Interests issued and outstanding on such day. In the event a Member of record on such day is no longer a Member at the time of such vote (which shall not be more than thirty (30) days after the end of such quarter or Fiscal Year, as the case may be), the transferee, if any, of such Member's Membership Interests with respect to such Stipulated Value; *provided, however*, if the Company has redeemed such Interests, such Membership Interests shall be deemed canceled with respect to such vote. In the event of the death or Disabled of any such Member of record after the last day of such quarter or Fiscal Year, as the case may be, and if such Member's Membership Interests have not yet been transferred or redeemed at the time of such vote, none of the executor, administrator, surviving Spouse, or other legal representative of such deceased or Disabled Member shall be entitled to vote the deceased or Disabled Member's Membership Interests with respect to such Stipulated Value.

Section XII.3 Purchase Price.

In the event of a sale or Transfer of Membership Interests pursuant to this Agreement, the purchase price shall be the Stipulated Value multiplied by the number of Membership Interests subject to sale (the "<u>Purchase</u> <u>Price</u>").

Section XII.4 Failure to Stipulate Does Not Invalidate Agreement.

The failure of the Members to update the Stipulated Value as provided for herein shall not affect the validity or enforceability of this Agreement.

Section XII.5 Termination of Marital Relationship.

In the event of a purchase of the Spouse's Interest as provided by Article X of this Agreement, the Purchase Price shall be determined by multiplying (a) the Stipulated Value <u>by</u> (b) the number of Membership Interests held by the Member, <u>and by</u> (c) the fraction or percentage that represents the interest of the Spouse in the Member's Interest.

ARTICLE XIV EXCULPATION AND INDEMNIFICATION

Section 14.01 Exculpation of Covered Persons.

(a) <u>Covered Persons</u>. As used herein, the term "<u>Covered Person</u>" shall mean (i) each Member; (ii) each officer, director, stockholder, partner, member, Affiliate, employee, agent or representative of each Member, and each of their Affiliates; and (iii) each Manager, Officer, employee, agent or representative of the Company.

(b) <u>Standard of Care</u>. No Covered Person shall be liable to the Company or any other Covered Person for any loss, damage or claim incurred by reason of any action taken or omitted to be taken by such Covered Person in his, her or its capacity as a Covered Person, so long as such action or omission does not constitute fraud or willful misconduct by such Covered Person.

(c) <u>Good Faith Reliance</u>. A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements (including financial statements and information, opinions, reports or statements as to the value or amount of the assets, liabilities, Net Income or Net Losses of the Company or any facts pertinent to the existence and amount of assets from which distributions might properly be paid) of the following Persons or groups: (i) another Manager; (ii) one or more Officers or employees of the Company; (iii) any attorney, independent accountant, appraiser or other expert or professional employed or engaged by or on behalf of the Company; or (iv) any other Person selected in good faith by or on behalf of the Company, in each case as to matters that such relying Person reasonably believes to be within such other Person's professional or expert competence. The preceding sentence shall in no way limit any Person's right to rely on information to the extent provided in the Massachusetts Act.

Section 14.02 Liabilities and Duties of Covered Persons.

This Agreement is not intended to, and does not, create or impose any fiduciary duty on any Covered Person. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Covered Person otherwise existing at law or in equity, are agreed by the Members to replace such other duties and liabilities of such Covered Person.

Section 14.03 Indemnification.

(a) Indemnification. To the fullest extent permitted by the Massachusetts Act, as the same now exists or may hereafter be amended, substituted or replaced (but, in the case of any such amendment, substitution or replacement, only to the extent that such amendment, substitution or replacement permits the Company to provide broader indemnification rights than the Massachusetts Act permitted the Company to provide prior to such amendment, substitution or replacement), the Company shall indemnify, hold harmless, defend, pay and reimburse any Covered Person against any and all losses, claims, damages, judgments, fines or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines or liabilities, and any amounts expended in settlement of any claims (collectively, "Losses") to which such Covered Person may become subject by reason of:

(1) any act or omission or alleged act or omission performed or omitted to be performed on behalf of the Company, any Member or any direct or indirect Subsidiary of the foregoing in connection with the Business of the Company; or

(2) such Covered Person being or acting in connection with the business of the Company as a member, stockholder, Affiliate, manager, director, officer, employee or agent of the Company, any Member, or any of their respective Affiliates, or that such Covered Person is or was serving at the request of the Company as a member, manager, director, officer, employee or agent of any Person including the Company;

(3) provided, however, that (x) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and within the scope of such Covered Person's authority conferred on him or it by the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful, and (y) such Covered Person's conduct did not constitute fraud or willful misconduct. In connection with the foregoing, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the Covered Person did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful, or that the Covered Person's conduct constituted fraud or willful misconduct.

(b) Control of Defense. Upon a Covered Person's discovery of any claim, lawsuit or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 14.03, the Covered Person shall give prompt written notice to the Company of such claim, lawsuit or proceeding; provided, that the failure of the Covered Person to provide such notice shall not relieve the Company of any indemnification obligation under this Section 14.03, unless the Company shall have been materially prejudiced thereby. Subject to the approval of the disinterested Members, the Company shall be entitled to participate in or assume the defense of any such claim, lawsuit or proceeding at its own expense. After notice from the Company to the Covered Person of its election to assume the defense of any such claim, lawsuit or proceeding, the Company shall not be liable to the Covered Person under this Agreement or otherwise for any legal or other expenses subsequently incurred by the Covered Person in connection with investigating, preparing to defend or defending any such claim, lawsuit or other proceeding. If the Company does not elect (or fails to elect) to assume the defense of any such claim, lawsuit or proceeding, the Covered Person shall have the right to assume the defense of such claim, lawsuit or proceeding as it deems appropriate, but it shall not settle any such claim, lawsuit or proceeding without the consent of the Company (which consent shall not be unreasonably withheld, conditioned or delayed).

(c) <u>Reimbursement</u>. The Company shall promptly reimburse (and/or advance to the extent reasonably required) each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend or defending any claim, lawsuit or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 14.03; *provided*, that if it is finally judicially determined that such Covered Person is not entitled to the indemnification provided by this Section 14.03, then such Covered Person shall promptly reimburse the Company for any reimbursed or advanced expenses.

(d) <u>Entitlement to Indemnity</u>. The indemnification provided by this Section 14.03 shall not be deemed exclusive of any other rights to indemnification to which those seeking indemnification may be entitled under any agreement or otherwise. The provisions of this Section 14.03 shall continue to afford protection to each Covered Person regardless of whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to indemnification under this Section 14.03 and shall inure to the benefit of the executors, administrators, legatees and distributees of such Covered Person.

(e) <u>Funding of Indemnification Obligation</u>. Notwithstanding anything contained herein to the contrary, any indemnity by the Company relating to the matters covered in this Section 14.03 shall be provided out of and to the extent of Company assets only, and no Member (unless such Member otherwise agrees in

writing) shall have personal liability on account thereof or shall be required to make additional Capital Contributions to help satisfy such indemnity by the Company.

(f) <u>Savings Clause</u>. If this Section 14.03 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Covered Person pursuant to this Section 14.03 to the fullest extent permitted by any applicable portion of this Section 14.03 that shall not have been invalidated and to the fullest extent permitted by Applicable Law.

(g) <u>Amendment</u>. The provisions of this Section 14.03 shall be a contract between the Company, on the one hand, and each Covered Person who served in such capacity at any time while this Section 14.03 is in effect, on the other hand, pursuant to which the Company and each such Covered Person intend to be legally bound. No amendment, modification or repeal of this Section 14.03 that adversely affects the rights of a Covered Person to indemnification for Losses incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Covered Person's entitlement to indemnification for such Losses without the Covered Person's prior written consent.

Section 14.04 Survival.

The provisions of this Article XIV shall survive the dissolution, liquidation, winding up and termination of the Company.

(d) **Discretion of Liquidator.** Notwithstanding the provisions of Section 16.03(c) that require the liquidation of the assets of the Company, but subject to the order of priorities set forth in Section 16.03(c), if upon dissolution of the Company the Liquidator reasonably determines that an immediate sale of part or all of the Company's assets would be impractical or could cause undue loss to the Members, the Liquidator may defer the liquidation of any assets except those necessary to satisfy Company liabilities and reserves, and may, upon unanimous consent of the Members, distribute to the Members, in lieu of cash, as tenants in common and in accordance with the provisions of Section 16.03(c), undivided interests in such Company assets as the Liquidator deems not suitable for liquidation. Any such distribution in kind shall be subject to such conditions relating to the disposition and management of such properties at such time. For purposes of any such distribution, any property to be distributed will be valued at its Fair Market Value as determined by the Liquidator in good faith.

Section 16.04 Cancellation of Certificate.

Upon completion of the distribution of the assets of the Company as provided in Section 16.03(c) hereof, the Company shall be terminated and the Liquidator shall cause the cancellation of the Certificate of Organization in the Commonwealth of Massachusetts and of all qualifications and registrations of the Company

For the avoidance of doubt, none of the foregoing shall replace, diminish or otherwise adversely affect any Member's right to indemnification pursuant to Section 10.03.

Section 16.06 Recourse for Claims.

Each Member shall look solely to the assets of the Company for all distributions with respect to the Company, such Member's Capital Account, and such Member's share of Net Income, Net Loss and other items of income, gain, loss and deduction, and shall have no recourse therefor (upon dissolution or otherwise) against the Liquidator or any other Member.

Legal Entity

H&H Cultivation LLC, d/b/a Terra Vita (hereinafter "H&H") is a Limited Liability Corporation (ID #001465016) under the laws of the Commonwealth of Massachusetts.

The Company

H&H is a Massachusetts limited liability corporation seeking a product manufacturer's license from the Cannabis Control Commission (hereinafter, the "CCC"), in order to operate a product manufacturing facility located at 42-48 Main Street, Holyoke, Massachusetts. H&H will utilize a portion of the space to manufacture marijuana products that will be sold wholesale to other licensed marijuana establishments throughout Massachusetts.

H&H was founded by Oliver Homberg and Yazan Haddad. This team intends to utilize their experience and skill sets to establish a highly-regarded product and brand.

The Team

Oliver Homberg Founder

Oliver Homberg grew up in Mallorca, Spain, developing a passion for the natural world and sustainability at an early age. After his formative years in the Balearics and later Leysin, Switzerland, Oliver attended Northeastern University in Boston where he majored in International Affairs with a focus on Sustainable Development. In his last semester at Northeastern Oliver founded Boston Microgreens (BMG), a hyper-local urban farming business located in the heart of Boston. BMG provides chefs and residents with organic and sustainably grown microgreens and salad mixes. BMG grows over 70 varieties of microgreens and works with many of Boston's best Chefs. BMG has a strong sustainability mission and is 100% powered by renewable energy. Starting in 2018 Oliver and his team at BMG developed a farm management software aimed at helping small farmers all around the world that will be released in 2020 as a SaaS model. His time at BMG helped Oliver deepen his love for indoor farming while developing a thirst for operations, customer relations, product creation and the development of company culture.

IV. Legal Landscape & Market Overview

National Landscape

Public support for legalizing recreational cannabis in the United States has risen steadily from 12% in 1969, to an estimated 66% today. In December of 2020, the U.S. House of Representatives voted to approved legislation that

would remove marijuana from the Controlled Substances Act. This legislation would eliminate criminal penalties, generate about \$132 billion in tax revenue and create job opportunities for a million people.

In November of 2020, four new states legalized recreational, adult-use of marijuana: Arizona, New Jersey, Montana, and South Dakota, bringing the total to fifteen states and the District of Columbia. In 2016, the legal marijuana industry generated \$7.2 billion in revenue and it is estimated that by 2025, the cannabis industry will exceed \$24 billion in annual economic activity.

Massachusetts Landscape

In November of 2008, Massachusetts voters passed the Sensible Marijuana Policy Initiative, also known as Question 2, which decriminalized cannabis, reducing possession charges from a criminal to a civil offense. While Question 2 mitigated the punishment associated with possession of cannabis, selling and cultivation was still deemed a criminal act and those who violated the law faced incarceration.

In 2012, 63% of Massachusetts voters passed the Massachusetts Medical Marijuana Initiative allowing cannabis use and production for medical purposes only. The Massachusetts Department of Public Health ("MDPH") was in charge of overseeing this new field and created the Medical Use of Marijuana Program. Under this program, the MDPH established a centralized registry for patients, doctors, caregivers and dispensaries.

In 2016, Massachusetts residents voted 'yes' on Question 4 making the recreational use of cannabis in the state legal for adults 21 years of age and older. The CCC has issued licenses for cultivation, manufacturing, testing and retail. Since dispensary doors first opened in November of 2020, the gross revenue totals approximately \$1.17B.

Massachusetts Market

It is estimated that the average consumer spends approximately \$46 per visit to the dispensary. According to data on the CCC website, raw bud and pre-rolls account for more than half of all products sold in the Massachusetts' market and manufactured products like, edibles, concentrates and infused non-edibles account for nearly a quarter of sales.

DIVERSITY PLAN

H&H Cultivation LLC ("H&H" or the "Company") is committed to actively promoting diversity, inclusion, and cultural competency, by implementing programmatic and operational procedures and policies that will help to make H&H a leader and champion of diversity, both locally and throughout the broader Massachusetts cannabis industry.

Town Specific Data - According to DataUSA, Holyoke has a population of 40,400 people. The 5 largest ethnic groups in Holyoke are White (Hispanic) 54.1%, White (Non-Hispanic) 41.7%, Black or African american (Non-Hispanic) 3.6% and Asian 2.1%. 50% of the population is Female and 50% are Male.

H&H's commitment to diversity is reflected in the following Goals, which shall be pursued through the Programs outlined herein, and the progress of which shall be judged by the Measurements/ Metrics as stated below, and adjusted as needed if necessary:

Goal One: Achieve at least 25% of our staffing needs from people of Latinx background and at least 25% women.

Programs to Achieve Diversity Goal One:

- Provide on-site interactive workshops, twice a year at H&H's Establishment at a date and time determined by H&H management. These workshops would cover such topics as the prevention of sexual harassment, racial and cultural diversity, and methods of fostering an inclusive work atmosphere.
- Increase diversity of the make-up of our staff by actively seeking out people of Latinx background and women, both through in-house hiring initiatives and participation in online diversity job boards and in-person job fairs at least once a year and as frequently as needed as staffing needs dictate.
- Establish clearly written policies regarding diversity and a zero-tolerance policy for discrimination and/or sexual harassment, which shall be incorporated into our employee handbook.

Measurements:

- *Qualitative Metrics*: Perform annual evaluation of inclusion/diversity initiatives to ensure diversity is one of H&H's strengths and remains a primary focus. This may include anonymous employee surveys or other private submission opportunities so that we can attempt to avoid any sort of reluctance for our employees to inform management how we are truly doing in pursuit of our diversity plan goals. The results of the surveys shall be compared to prior years' results to allow H&H to adjust our programs in the event that our goals are not being achieved.
- *Quantitative Metrics*: We will strive to achieve at least 25% of our staffing needs from people of Latinx background, and at least 25% women.
- The personnel files shall be evaluated on a semi-annual basis to determine how many employees are of Latinx background or women that occupy positions within the company and that number shall be divided by H&H's total staffing at its facility to determine the percentage achieved.

Is our goal objectively reasonable?

H&H's goal of hiring 25% Latinx and 25% women to compromise our staffing needs at our Establishment is objectively reasonable because of the facts (the demographics listed in the paragraph

above) and our ability to advertise job positions quarterly in several of the following publications: *Professional Diversity Network, Diversity Jobs, Beyond.com.*

H&H acknowledges that the progress or success of our plan will be documented upon renewal (one year from provisional licensure, and each year thereafter).

H&H will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of Marijuana Establishments.

H&H acknowledges that any actions taken, or programs instituted will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

Product Recall Plan

If the facility's cannabis or manufactured cannabis product proves to be non-conforming upon retest the facility will initiate a recall in accordance with the guidelines put forth by the CPSC. Manufacturers, importers, distributors and retailers of consumer goods are liable for the products they provide to consumers and face the potential of product recalls for potentially dangerous or hazardous products. The same is true for the Company as a manufacturer and/or retailer of consumer cannabis products. As a result, the company may need to conduct a product recall in the future. For consumer products, the recall process is regulated by the CPSC, for all intents and purposes the Company recall plan will follow the guidelines of the CPSC.

Cannabis operators often learn of potential product safety problems at an early stage. For this reason, companies involved in the manufacture, importation, distribution, or sale of consumer products should develop a system for maintaining and reviewing information about their products that might suggest that their product has a defect or poses an unreasonable risk. Such information includes, but is not limited to, consumer complaints, reports of production problems, product testing, or other critical analyses of products.

Experts have shown that one of the best ways to ensure that a product recall is effective is to have a recall plan already in place and to execute the plan as quickly as possible. A well thought out, well-executed recall plan can save lives and prevent injuries in addition to limiting damage to our company's brand and bottom line.

The CPSC has compiled resources to assist companies that manufacture, import, distribute, retail, or otherwise sell consumer products. The CPSC has developed a Recall Handbook that can be utilized in case a product recall needs to be ordered. The Recall Handbook details how to recognize potentially hazardous consumer products as soon as possible. The book explains how to develop and implement a *"corrective action plan"* (called a CAP) to address the hazards; it explains the CPSC's Fast Track Program.

The Recall Handbook also discusses how to communicate recall information to consumers and how to monitor product recalls. The Consumer Product Safety Commission's Recall Handbook will be a valuable tool utilized by the Company if the need for a product recall ever arises.

The Recall Handbook should be referenced to determine exact protocol for recall and the requirements from the Consumer Product Safety Commission. The Recall Handbook can be obtained online from http://www.cpsc.gov/PageFiles/106141/8002.pdf. The Company will carefully review the Recall Handbook in order to: become familiar with their reporting requirements under sections 15(b) and 37 of the Consumer Product Safety Act, and Section 102 of the Child Safety Protection Act, Pub. L. 103-267; help learn how to recognize potentially hazardous consumer products as soon as possible; and develop and implement *"corrective action plans"* that address the hazards if we discover we have manufactured, imported, distributed, or retailed such products.

Recall Regulations

The Company shall establish, maintain and comply with the policies and procedures contained in the Operations and Management Practices Plan, approved by the CCC, for the production, security, storage, inventory and distribution of cannabis products. The policies and procedures shall include methods for identifying, recording and reporting diversion, theft and loss, and for correcting all errors and inaccuracies in inventories. We will include in our written policies and procedures a process for the following:

• Handling mandatory and voluntary recalls of cannabis or manufactured cannabis products. The procedure shall be adequate to deal with:

o Recalls due to any action initiated at the request of the CCC and any voluntary action to remove from the market defective or potentially defective cannabis or cannabis infused products, or any product that has failed laboratory testing as required by this Part or has been found to have a reasonable probability that its use or exposure will cause serious adverse health consequences; and

o Any action undertaken to promote public health and safety by replacing existing cannabis or manufactured cannabis products with improved products or packaging.

Recall

We will establish a policy for communicating a recall for cannabis or a cannabis-derived product that has been shown to present a reasonable or a remote probability that use of or exposure to the product will cause serious adverse health consequences. Our policy will include:

A mechanism to contact all customers who have, or likely have, obtained the product from the facility. The communication will include the following information on the policy for return of the recalled product:

- A mechanism to contact us;
- · Communication with the CCC within 24 hours; and
- Outreach as necessary and appropriate.

Any recalled cannabis product will be disposed of in accordance with waste disposal procedures.

When to Recall Cannabis Products

As a manufacturer, distributor, and/or retailer of consumer products, the Company has a legal obligation to immediately report the following types of information to the Consumer Product Safety Commission:

- 1. A defective product that could create a substantial risk of injury to consumers; and
- 2. A product that creates an unreasonable risk of serious injury or death.

How to Recall Cannabis Products

The Company will develop a recall plan following guidance from the Recall Handbook provided by the CPSC. Once the need for a product recall has been determined, the Company will proceed with the product recall Corrective Action Plan (CAP). If the need for a product recall arises, we will have inventory management systems in place to determine and pinpoint which products to recall, how many of those products are in the supply chain, and will be able to determine exactly where those products are within the supply chain. The inventory management systems and procedures required by State Regulations will ensure a streamlined recall process if ever necessary.

• Corrective Action Plan (CAP)

A corrective action plan is defined as improvements to an organization's processes taken to eliminate causes of non-conformities or other undesirable situations. The goal of a corrective action plan should be to retrieve as many hazardous products from the distribution chain and from consumers as is possible in the most efficient, cost-effective manner. The CAP will outline the procedures and steps the Company needs to take once a product recall is required.

• Step One: Industry Notification

If cannabis or manufactured cannabis products are believed to need to be recalled, the Company will contact all wholesale partners and dispensing organizations to make them aware of the situation and the need for product recall. The Company will also contact the CCC within 24 hours of obtaining reportable information. As the wholesaler of the product needing to be recalled, contacting the end users of the recalled product; cannabis consumers, will prove difficult if not impossible. At this stage of the recall, dispensing organizations will need to ensure that they have a proper recall process in place to contact the end users of the product being recalled.

• Step Two: Public Notification

Facility center will post notifications about the product recall on its website as well as making partnering facility centers and dispensing organizations aware of the product recall. The actual recalling processes will be handled by the dispensing organizations with help and support from the facility center. As the dispensing organization issuing a recall notice it will be important to reach the end users or the recalled product. The Company will post notification about the recall on the Company websites and social media as well as post written notices of the recall on location for customers to view. The recall notice will include all pertinent information regarding the product being recalled, contact information and other information relating to the recall. Information will include but not be limited to:

- · Product name
- · Product batch number
- · Dispensing date range of recalled product
- · Dispensing organization locations

Once the recall notification has been issued to all applicable dispensing organizations and cannabis consumers, the Company will wait to receive recalled products from dispensing organizations. Once recalled products have been received, the Company will properly dispose of all recalled products.

• Step Three: Procurement

The dispensing organization issuing a product recall to cannabis consumers will need to be ready to obtain and secure recalled products from consumers. Consumers should be able to bring in the products being recalled to the dispensing organization's location. It will be at the dispensing organization's discretion whether to issue a refund, replace the recalled product at no cost, or to take other measures.

- Step Four: Documentation and Record Retention The Company will maintain all documentation and records regarding any and all product recalls issued.
- Step Five: Disposal

The Company will ensure that any and all recalled cannabis products are disposed of according to all state and local regulations. The Company will follow waste destruction and disposal procedures outlined below for proper disposal of recalled cannabis and manufactured cannabis.

Emergency Protocol

The Company will establish emergency procedures and protocols to be implemented organization wide. Employees of the organization will be fully trained on emergency protocols. Emergencies protocols will be developed for robbery or theft, fire emergency, chemical spill and for other emergencies as needed.

Robbery or Theft

- If being robbed at gunpoint or if you feel your life is in danger, comply with all requests from the perpetrator. Give them whatever they ask for.
- Try to signal for help through security panic buttons provided or through the panic button or police services button located on the alarm panel.
- Contact police as soon as possible.
- Notify any required state or local authorities.
- If any marijuana is stolen, we will secure, inventory, and document all remaining product.

Fire Emergency

- If a fire is small and isolated, try to extinguish the fire with one of the fire extinguishers to be strategically placed throughout the facility
- In case of a fire emergency, dial 911 for Fire Department or push the symbol on the alarm panel for fire emergency.

Chemical Spill

- Try to use the chemical spill kit for smaller incidents of chemical spill.
- If the chemical spill is large or you do not know how to handle the situation, get the facility manager to handle the situation.

Other Emergencies

- Contact 911 for break-ins or burglaries.
- Contact any required state or local authority in cases of theft, break-ins or burglaries

Energy Compliance Plan

H&H Cultivation LLC ("H&H" or the "Company") will work with our architect and engineer to identify as many energy saving strategies as possible. In addition, H&H will implement, as much as is feasible, the following energy saving strategies:

- Increasing or adding insulation
- Installing "smart" thermostats to identify periods where heating/cooling loads can be reduced
- Installing LED lighting
- Ensuring that the restrooms use low flow toilets and sinks
- Coordinating with the HVAC contractor to identify any energy saving opportunities
- Evaluating the efficacy of switching the kitchen(s) in the space to on-demand hot water heaters
- Installing Photovoltaic panels and solar water heaters
- Increase daylight into work areas
- Minimize night work
- Source raw materials from suppliers that also implement energy saving measures, to the extent such materials are commercially available and the cost is feasible
- H&H intends to do some cultivation in greenhouses which will help save energy by harnessing the power of the sun.

In the future, any replacements or upgrades of heating/cooling, lighting, plumbing, will include energy efficiency as part of its criteria for evaluation.

H&H will investigate rooftop solar arrays to generate electricity, and rooftop solar hot water to provide both hot water and heat for the space.

H&H acknowledges that if a Provisional License is issued, H&H, at the Architectural Review stage, will submit further information to demonstrate actual consideration of energy reduction opportunities, use of renewable energy and renewable energy generation, including a list of opportunities that were considered and information that demonstrates actual engagement with energy efficiency programs and any financial incentives received. This information will include whether opportunities are being implemented, will be implemented at a later date, or are not planned to be implemented.

H&H will also include a summary of information that was considered to make the decision (i.e. costs, available incentives, and bill savings). H&H will engage in either a MassSave audit or coordinate with our local municipal electric company to conduct an audit, which will be included in the energy compliance plan to be drafted by a Massachusetts licensed architect or engineer.

As part of our written operating procedures we will conduct an annual energy audit and request regular meetings with our municipal utilities to identify energy efficiency programs, incentives, opportunities, and areas for H&H to optimize its energy usage.

H&H is committed to considering how to optimally use energy early in the facility design process and continually assess new opportunities for reduced energy usage and costs. H&H will use best management practices to reduce energy and water usage, engage in energy consideration, and mitigate other environmental impacts.

H&H will meet all applicable environmental laws and regulations; receive permits and other applicable approvals, including those related to water quality and solid and hazardous waste management, as a requirement of obtaining a final license.
