Main Street Medicinals LLC

Plan for Positive Impact

Main Street Medicinals LLC (the “**Company**”) is basing its headquarters in Martha’s Vineyard MA, an area that has not been identified by the Commission as an area of disproportionate impact. However, Fall River, New Bedford and Wareham are the closest areas in proximity to Martha’s Vineyard. Collectively, Fall River, New Bedford and Wareham shall be referred to herein as the “**Target Areas**”. Accordingly, the Company intends to focus its efforts in the Target Areas and on Massachusetts Residents who have, or have parents or spouses who have, past drug convictions.

During its first year of operations, the Company will implement the following goals, programs and measurements pursuant to this Plan for Positive Impact (the “**Positive Impact Plan**”).

Goals:

The Company’s goals for this Positive Impact Plan are as follows:

1. Hire, in a legal and non-discriminatory manner, at least 25% of its employees from Target Areas, and/or Massachusetts residents who have, or have parents or spouses who have, past drug convictions; and
2. Provide educational programs and informational sessions geared towards individuals from the Target Areas and/or Massachusetts Residents who have, or have parents or spouses who have, past drug convictions that are interested in the cannabis industry, with specific focuses on marijuana cultivators, product manufactures or retailers and entrepreneurship, at least twice a year. Such educational events will specifically include, but not be limited to, information on licensing workshops (i.e., guidance on filing applications with the Commission), preparation of standard operating policies and procedures, Massachusetts cannabis market overview and METRC best practices.

Programs:

In an effort to reach the abovementioned goals, the Company shall implement the following practices and programs:

1. In an effort to ensure that the Company has the opportunity to interview, and hire, individuals from the Target Areas or Massachusetts residents who have past drug convictions it shall post monthly notices for at least three (3) months during the hiring process at the municipal offices of Tisbury and in newspapers of general circulation in Martha’s Vineyard and the Target Areas, including but not limited to, the Vineyard Gazette, Herald News and the Standard Times, these notices will state, among other things, that the Company is specifically looking for Massachusetts residents who are 21 years or older and either (i) live in a Target Area or another area of disproportionate impact as defined by the Commission; or (ii) have past drug convictions, for employment.

Such residency, or prior drug conviction status, will be a positive factor in hiring decisions, but this does not prevent the Company from hiring the most qualified candidates and complying with all employment laws and other legal requirements.

Main Street Medicinals LLC

2. In an effort to ensure that the Company provides opportunities for individuals from the Target Areas and/or Massachusetts residents who have past drug convictions to attend its educational events the Company shall post weekly notices at least two (2) weeks prior to hosting said educational programs or informational sessions in newspapers of general circulation in Martha's Vineyard and the Target Areas including but not limited to, *the Vineyard Gazette, Herald News and the Standard Times*, and these notices will state, among other things, that the Company is specifically looking for Massachusetts residents who are 21 years or older and either (i) live in a Target Area or another area of disproportionate impact as defined by the Commission; or (ii) have past drug convictions to attend these events.

The Company respectfully submits that it will comply with the advertising, branding, marketing and sponsorship practices as outlined in 935 CMR 500.105(4). The abovementioned notices will not include any Company advertisements, marketing materials or branding. To the extent the Commission deems necessary, notices and event programming materials will be made available to the Commission for review and inspection prior to publishing.

Annual Review:

Each year, the Company will review the following criteria in an effort to measure the success of its Positive Impact Plan.

1. Identify the number of individuals hired who (i) came from Target Areas, or other areas of disproportionate impact as defined by the Commission; or (ii) have past drug convictions; and
2. Identify the number of educational events or informational sessions it holds and attendance at the same.

The Company affirmatively states that it: (1) has confirmed that all of the abovementioned charities will accept donations and volunteers from the Company; (2) acknowledges and is aware, and will adhere to, the requirements set forth in 935 CMR 500.105(4), which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment; (3) any actions taken, or programs instituted, will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws; and (4) the Company will be required to document progress or success of this plan, in its entirety, annually upon renewal of its provisional license.

Except for situations in which the approval of the Members is expressly required by this Operating Agreement or by nonwaivable provisions of applicable law, the Manager(s) shall have full and complete authority, power and discretion to manage and control the business, affairs and properties of the Company, to make all decisions regarding those matters and to perform any and all other acts or activities customary or incident to the management of the Company's business. The resignation of any Manager shall take effect upon receipt of notice thereof or at such later time as shall be specified in such notice; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. The resignation of a Manager who is also a Member shall not, by itself, affect the Manager's rights as a Member and shall not constitute a withdrawal of a Member.

Section 3.9 - Removal. Any Manager may be removed at any time, with or without cause, by the Super Majority. The removal of a Manager who is also a Member shall not, by itself, affect the Manager's rights as a Member and shall not constitute a withdrawal of a Member.

Section 3.10 - Vacancies. Vacancies occurring for any reason in the number of Manager(s) of the Company shall be filled by the affirmative vote or written consent of the Super Majority.

Section 3.11 - Compensation of Manager(s). The Manager(s) shall receive no compensation for their services, except reimbursement for expenses reasonably and actually incurred and directly related to the operation of the Company. The Manager may take a reasonable salary as an employee or officer of the Company commensurate with position, taking into account the size, scope and economic position of the Company.

Section 3.12 - Duty to Devote Time. The Manager(s) hereby acknowledge the provisions of this Article III and the Manager(s)' duty to make certain decisions on behalf of and relating to the Company and to operate the business of the Company pursuant thereto. In the event of the death of any Member, any/all contractual rights or agreements entered into on behalf of such Member, including rights to the Membership Interests of such deceased Member shall, subject to the Regulations, inure to the benefit of and automatically be transferred to the estate of such deceased Member and/or such deceased Member's spouse and/or immediate family, but such rights will not be otherwise terminated merely because of the death of such Member.

Section 4.2 - List of Members. Section 4.3 - Priority and Return of Capital. Except as may be otherwise expressly provided in this Operating Agreement, no Member or Economic Interest Owner shall have priority over any other Member or Economic Interest Owner, either as to the return of Capital Contributions or as to Net Profits, Net Losses or distributions; provided that this Section 4.3 shall not apply to repayment of loans made by Members (as distinguished from Capital Contributions) to the Company authorized by the Consent of the Managers which by their respective terms provide for priority or preference. Subject to the foregoing sentence, and for the avoidance of doubt, nothing in this Operating Agreement or the Act to the contrary shall prevent any Member from making secured or unsecured loans to the Company by agreement with the Company authorized by the Consent of the Managers.

Section 4.4 - Duty of Loyalty. Subject to the last sentence of this Section 4.4, and the Regulations, the Members may participate in any business or investment activity, without accountability to the Company or any other Member, including any accountability for any profit, benefit or compensation received in connection with such other business or investment activities, none of which shall be void or voidable by reason of such Person's relationship with the Company. The Company recognizes that the Members and Manager are or may be engaged in the other business and investment activities, whether independently or with others, and that neither the continuation and/or development of such businesses, business opportunities and investment activities, nor the failure to disclose any information relating thereto, will give rise to a cause of action or claim by the Company or the other Members against such Members or Manager or their respective other businesses, for any of the profits thereof and the Company shall not have any rights with respect to such other businesses or investments. Notwithstanding the foregoing, no Member, directly or indirectly, may engage in any business or investment in any business located in the same municipality where the Company (presently or in the future) operates, which competes with the business of the Company, without the written approval of a majority of the disinterested Members, provided that ownership of less than five (5.0%) percent of the equity securities of any publicly traded entity shall not be deemed to constitute a breach of this Section 4.4.

Section 4.5 - Company Sale. If at any time both (a) the Consent of Managers, and (b) the Members, acting by Super Majority, elect to sell or exchange all of the Membership Interests owned by them to an unrelated third party (the "Proposed Transferee") in an arms-length transaction then, provided the aggregate gross sales price the Proposed Transferee is offering to acquire one hundred (100%) percent of the Membership Interests of the Company meets or exceeds Two Million and 00/100 (\$2,000,000.00) U.S. Dollars ("Minimum Company Sales Price"), the Company shall have the right (the "Bring-Along Right") to require each other Member of the Company to sell to the Proposed Transferee for the same pro-rata consideration received by the Majority Sellers with respect to their respective Membership Interests, all of the Membership Interests held by such Members. In the absence of a sales price meeting the Minimum Company Sales Price, both (i) the Consent of the Managers and (ii) the Members acting by a seventy-five (75%) percent vote of the Membership Interests shall be required to authorize the Bring-Along Rights contemplated herein. To exercise the Bring-Along Right, the members voting in favor of exercising the Bring-Along Rights as required herein (the "Majority Sellers") shall first give to the Company and each other Member of record a written notice (a "Bring-Along Notice") executed by the Majority Sellers and the Proposed Transferee and identifying (A) the Membership Interests to be sold or exchanged and certifying that such Membership Interests constitute all of the Membership Interests in the Company held by the Majority Sellers; (B) the name and address of the Proposed Transferee; (C) the proposed purchase price, terms of payment and other material terms and conditions of the Proposed Transferee's offer; (D) a statement by the Proposed Transferee that the Proposed Transferee (x) has been informed of the Bring-Along Right provided for in this Section 4.5 and (y) has agreed to purchase the Membership Interests in accordance with the terms hereof; and (E) the aggregate Membership Interests of each other Member with respect to which the Majority Sellers wish to exercise its Bring-Along Right pursuant hereto. Each Member shall thereafter be obligated to sell to the Proposed Transferee the Membership Interests subject to such Bring-Along Notice, provided that the sale to the Proposed Transferee is consummated within one hundred twenty (120) days of delivery of the Bring-Along Notice. If the sale is not consummated within such one hundred twenty (120) day period, then each affected Member may sell, but shall no longer be obligated to sell, such Member's Membership Interests pursuant to such Bring-Along Notice. The parties acknowledge that the Membership Interests are unique assets and that money damages would be insufficient to in the event a Member breached its obligations hereunder. Accordingly, in the event of any breach by one or more Members of the provisions of this Section 4.5, the Company and the Majority Sellers shall be entitled to seek the remedy of specific performance, in addition to all other remedies available at law or in equity.

Section 4.6 – Future Financings. Financing for debt and/or equitable securities by the Company shall be authorized by the Consent of the Managers. In the event of any prospective (and approved) private financing for debt and/or equitable securities (excluding any approved institutional debt to be entered into by the Company), the Company shall offer a right of first offer to each Member to participate in such proposed financing for up to such Member's pro rata percentage of the Company Interests. Upon Company approval of the terms of a bona fide financing, the Company shall deliver notice (via FedEx, UPS, or other comparable carrier) to each Member along with an opportunity to participate hereunder, and the Company shall allow up to thirty (30) days for such Member to respond in writing to the Company expressing its interest to participate in the financing.

Section 4.7 - Additional Members. From the date of the formation of the Company, and subject at all times to satisfaction of applicable law and the Regulations, any Person or Entity acceptable to the Super Majority and the Consent of the Managers by their written consent may become a Member in the Company either by the issuance by the Company of Membership Interests for such consideration as the Super Majority and the Consent of the Managers by their written consent shall determine, or as a permitted transferee of a Member's Membership Interest or any portion thereof, subject to the terms and conditions of this Operating Agreement, including the execution of a joinder and counterpart signature page to this Agreement in such form as the board of Managers deems proper. No new Members shall be entitled to any retroactive allocation of losses, income or expense deductions incurred by the Company. The Manager(s) may, at their option, at the time a Member is admitted, close the Company books (as though the Company's tax year had ended) or make pro-rata allocations of loss, income and expense deductions to a new Member for that portion of the Company's tax year in which a Member was admitted in accordance with the provisions of Section 706(d) of the Code and the Treasury Regulations promulgated thereunder.

ARTICLE V CONTRIBUTIONS TO THE COMPANY AND CAPITAL ACCOUNTS

Section 5.1 - Members' Capital Contributions. The Company Interest of each Member is set forth on Schedule 1 attached hereto.

Section 5.2 - Additional Contributions. Except as set forth in Section 5.1, no Member shall be required to make any additional Capital Contribution. The Manager(s) may determine from time to time that additional Capital Contributions are necessary or appropriate in connection with the conduct of the Company's business (including without limitation, expansion or diversification or to meet operating deficits). In such event, the Members shall have the opportunity (but not the obligation) to participate in such additional Capital Contributions on a pro rata basis in accordance with their Company Interests.

Section 5.3 - Capital Accounts.

(a) A separate Capital Account will be maintained for each Member. In general, each Member's Capital Account will be: (i) increased by (A) the Capital Contributions by such Member to the Company; (B) the agreed fair market value of property or services contributed by such Member to the Company (net of liabilities secured by such contributed property that the Company is considered to assume or take subject to Section 752 of the Code); and (C) allocations to such Member of Net Profits; and (ii) decreased by (A) the amount of money distributed to such Member by the Company; (B) the fair market value of property distributed to such Member by the Company (net of liabilities secured by such distributed property that such Member is considered to assume or take subject to Section 752 of the Code); and (C)

allocations to the account of such Member's Net Losses. Capital Accounts will be maintained in accordance with the requirements of Section 704(b) of the Code and the Treasury Regulations promulgated thereunder.

(b) In the event of a permitted sale or exchange of a Membership Interest or an Economic Interest in the Company, the Capital Account of the transferor shall become the Capital Account of the transferee to the extent it relates to the transferred Membership Interest or Economic Interest in accordance with Section 1.704-1(b)(2)(iv) of the Treasury Regulations.

(c) Upon liquidation of the Company (or the Member's Membership Interest or Economic Interest Owner's Economic Interest), liquidating distributions will be made in accordance with the positive Capital Account balances of the Members and Economic Interest Owners, as determined after taking into account all Capital Account adjustments for the Company's taxable year during which the liquidation occurs. Liquidation proceeds will be paid within sixty (60) days of the end of the taxable year (or, if later, within one hundred twenty (120) days after the date of the liquidation).

(d) Except as otherwise required in the Massachusetts Act (and subject to Section 5.1 and Section 5.2 hereof), no Member or Economic Interest Owner shall have any liability to restore all or any portion of a deficit balance in such Member's or Economic Interest Owner's Capital Account.

ARTICLE VI ALLOCATIONS, INCOME TAX AND DISTRIBUTIONS

Section 6.1 - Distribution of Available Cash Flow and Net Proceeds of a Capital Transaction.

(a) Subject to the provisions of Section 6.3, Available Cash Flow of the Company, if any, and the net proceeds from any Capital Transaction shall be distributed among the Members from time to time pro-rata according to their respective Membership Interests.

(b) Net proceeds from a Capital Transaction shall be distributed within sixty (60) days after receipt of such proceeds by the Company, including, but not limited to, payments on any promissory notes received as a portion of the proceeds of such Capital Transaction or any other deferred payments with respect to the purchase price paid to the Company in connection with such Capital Transaction.

Section 6.2 - Right of Offset. The Manager(s) shall have the right to apply any Available Cash Flow or other amounts to be distributed to a Member against any amounts due from, or required to be contributed by, such Member to the Company, in any capacity. Such application of any Available Cash Flow shall be deemed to be a distribution to such Member. If such amounts are applied against any amount required to be contributed by any Member to the capital of the Company, such application shall also be deemed to be a contribution to the capital of the Company.

Section 6.3 -Tax Distributions; Payments to Members for Services Rendered to Company. Subject to the maintenance of reasonable cash Reserves, as determined by the Managers, the Company shall use commercially reasonable efforts to distribute to the Members, prior to the due date for making quarterly federal and state estimated income tax payments, amounts that, in the aggregate, approximate the income taxes payable by each Member with respect to taxable income or gain reasonably expected to be allocated to the Member for the relevant fiscal period, minus the distributions previously received by the Member for such fiscal period under Section 6.1. Distributions shall be determined by using the highest combined marginal federal, state and local income tax rates then applicable to any individual Member of the Company,

based upon the most recent mailing address provided to the Company by such Members, taking into account the type of income allocated (e.g. ordinary income or capital gain) and any previously allocated taxable losses that may offset later taxable income. Distributions under this Section 6.3 shall take priority over those under Section 6.1 of this Agreement. Any payment made under this Section 6.3 to a Member shall be treated as an advance against, and shall reduce dollar-for-dollar, distributions otherwise to be made to such Member under Section 6.1 of this Agreement. Notwithstanding any other provisions hereof, any amounts paid to Members with respect to services rendered to the Company shall be treated as payments under Section 707 of the Code and shall not be deemed to be distributions of Available Cash Flow.

Section 6.4 - Withholding. The Company shall withhold from payments and distributions to a Member and remit to the appropriate government authority any amounts required to be withheld under the Code, Treasury Regulations, or state, local, or foreign tax law. All amounts so withheld shall be treated as paid or distributed, as the case may be, to the Member pursuant to Section 6.3 for all purposes of this Agreement.

Section 6.5 - Audit Adjustments to Company Tax Returns. The Members acknowledge that the Internal Revenue Service (“IRS”) has adopted new policies and procedures related to any audit of Company’s federal income tax returns, effective January 1, 2018. In general terms, the IRS will no longer make audit adjustments at the Company level and then seek payment of any additional taxes, interest, etc. directly from individual Members who were Members of the Company in the year under audit. Rather, the IRS will now make audit adjustments at the Company level and then seek payment of any additional taxes, interest, etc. directly from the Company in the year of the audit, without regard to the fact the identity of Members or their interests in the Company may have changed between the year under audit and the year of an assessment of any additional taxes. In order to address the potential inequities that could arise with respect to the IRS’ new audit procedures, the Members and all future Members hereby agree as follows:

(a) In the event an income tax return of the Company is subject to audit by the IRS and an adjustment to any items of income, deduction or tax credit is proposed by the IRS and agreed to by the Managers acting by Consent of the Managers on behalf of the Company, or such adjustment otherwise becomes a final adjustment to the federal income tax return of the Company (an “Final Audit Adjustment”), then each Person who was a Member of the Company for all or any part of the year to which the Final Audit Adjustment relates hereby agrees to pay to the Company upon written notice from the Company, such Member’s pro-rata share of the Final Audit Adjustment, including any interest and penalties, based upon such Member’s share of profits and losses as of the fiscal year of the Company to which the Final Audit Adjustment relates.

(b) Any such notice from the Company to the Members shall be accompanied by documentation evidencing in reasonable detail the nature and calculation of the Final Audit Adjustment(s) and each Member’s share thereof. The Members acknowledge and agree that this Section 6.5 shall apply notwithstanding any other provisions of this Agreement and shall survive liquidation and dissolution of the Company and the termination of any Member’s Membership Interest in the Company.

Section 6.6 - Allocation of Profits and Losses.

(a) General Allocation. Subject to the remainder of this Section 6.6, for each fiscal period, the Company’s items of income, gain, loss, and deduction shall be allocated among the Members in such a manner that, immediately after giving effect to such allocations, each Member’s Target Capital Account balance, taking into account all contributions by such Member and distributions to such Member equals, as

nearly as possible, the amount of cash, if any, that would be distributed to such Member if (i) all the Company's assets were sold for cash equal to their respective book values (as determined under Treasury Regulations Section 1.704-(b)(2)(iv)), reduced, but not below zero, by the amount of nonrecourse debt to which such assets are subject; (ii) all the Company's liabilities (other than nonrecourse liabilities) were paid in full; and (iii) all the remaining cash were distributed to the Members under Section 6.1.

(b) Allocations Without Economic Effect.

(i) Tax credits, nonrecourse deductions, and other items the allocation of which cannot have economic effect shall be allocated at the discretion of the Managers in a manner consistent with the Treasury Regulations under Code Section 704(b).

(ii) Nonrecourse liabilities, including excess nonrecourse liabilities, shall be allocated at the discretion of the Managers in a manner consistent with the Treasury Regulations under Code Section 752.

(c) Regulatory Allocations. The provisions of the Treasury Regulations under Code Section 704(b) relating to qualified income offset, minimum gain chargeback, minimum gain chargeback with respect to partner nonrecourse debt, allocations of nonrecourse deductions, allocations with respect to partner nonrecourse debt, and forfeiture allocations with respect to unvested Shares, as well as allocations relating to Section 704(c) of the Code are hereby incorporated by reference and shall be applied to the allocation of income, gain, loss, or deduction in the manner provided in the Treasury Regulations. Notwithstanding anything to the contrary in this Agreement, the Company shall make no allocation of loss or deduction to cause or increase a Member's Adjusted Capital Account deficit, and such loss or deduction shall be allocated to other Member's in accordance with their positive Adjusted Capital Account balances. The Managers may, in their discretion, adjust the subsequent allocations of income, gain, losses, or deduction to prevent distortion of the economic arrangement of the Members, as otherwise described in this Agreement, due to allocations resulting from the foregoing.

(d) Income Tax Allocations.

(i) Unless otherwise determined by the Managers, a Member's distributive share shall be deemed to consist of a pro rata portion of each item of income, gain, loss, or deduction required to be separately stated under Code Section 702(a).

(ii) If the book value of Company property differs from its adjusted tax basis, including but not limited to by reason of a contribution of property to the Company, the revaluation of Company property, or the exercise of an option to acquire an interest in the Company, the Managers shall adjust allocations of income, gain, loss, or deduction for income tax purposes to take into account such difference by any method permitted by the Treasury Regulations under Code Section 704(c).

ARTICLE VII ACCOUNTING, REPORTS

Section 7.1 - Accounting Period. The Company's accounting period shall be the calendar year.

Section 7.2 - Records, Audits and Reports. The Manager(s) shall maintain records and accounts of all operations and expenditures of the Company. At a minimum, the Company shall keep at its principal place of business the following records:

- (a) A current and a past list setting forth in alphabetical order the full name and last known business, residence, or mailing address of each Member, Economic Interest Owner and Manager, both past and present;
- (b) A copy of the Certificate of Organization of the Company and all amendments thereto, together with executed copies of any powers of attorney pursuant to which any articles of amendment have been executed;
- (c) Copies of the Company's federal, state, and local income tax returns and financial statements for the three (3) most recent years, or, if such returns or statements were not prepared for any reason, copies of the information and statements provided to, or which should have been provided to, the Members to enable them to prepare their federal, state and local tax returns for such period;
- (d) Copies of the Company's current effective written Operating Agreement and all amendments thereto and copies of any written operating agreements no longer in effect;
- (e) A writing setting forth the amount of cash, if any, and a statement of the agreed value of other property or services contributed by each Member and the times at which or the events upon the happening of which any additional contributions are to be made by each Member;
- (f) A writing stating events, if any, upon the happening of which the Company is to be dissolved and its affairs wound up; and
- (g) Other writings, if any, prepared pursuant to a requirement in this Agreement.

Section 7.3 - Returns and Other Elections. To the extent permissible under applicable income tax laws, the Company shall be treated as a partnership for purposes of federal and state income taxation. Notwithstanding the foregoing, it is the intent of the Members that the Company not be a partnership or joint venture for any purpose other than federal and state income tax laws. The Manager(s) shall cause the preparation and timely filing of all returns required to be filed by the Company pursuant to the Code and all other tax returns deemed necessary and required in each jurisdiction in which the Company does business. Copies of such returns, or pertinent information therefrom, shall be furnished to the Members as soon as practical after the end of the Company's Fiscal Year but, in any event, prior to the date upon which federal and state tax returns are required to be filed by Members. The Manager (or in the case more than one (1) Manager exists, a Super Majority appointed Manager) is hereby designated as the Company's "Partnership Representative" under Code Section 6223(a) and shall have all the powers and responsibilities of such position as provided in the Code. The Partnership Representative is specifically directed and authorized to take whatever steps the Partnership Representative, in its discretion, deems necessary or desirable to perfect such designation, including filing any forms or documents with the Internal Revenue Service and taking such other action as may from time to time be required under applicable Treasury Regulations. Each Member hereby agrees to cooperate with the Partnership Representative with respect to all matters within its authority as Partnership Representative. Expenses incurred by the Partnership Representative, in its capacity as such, will be borne by the Company. All elections permitted to be made

by the Company under federal or state laws shall be made by the Manager(s) in their sole discretion, provided that the Manager(s) shall make any tax election requested by the Super Majority.

ARTICLE VIII TRANSFERABILITY

Section 8.1 - General. Except as to a Permitted Transferee or pursuant to Section 4.5, and subject to the Regulations, neither a Member nor an Economic Interest Owner shall have the right to: (a) sell, assign, transfer, pledge, hypothecate, exchange or otherwise transfer for consideration, (collectively, "sell"), or (b) gift, bequeath or otherwise transfer for no consideration (whether or not by operation of law, except in the case of bankruptcy) all or any part of its Membership Interest or Economic Interest without the vote or written consent of the Managers and the Super Majority. In the event of either the purchase of the Selling Member's interest in the Company by a third-party purchaser or the gift of an interest in the Company (including an Economic Interest), and as a condition to recognizing the effectiveness and binding nature of any such sale or gift and (subject to Section 8.2, below) substitution of a new Member as against the Company or otherwise, the remaining Members may require the Selling Member or Gifting Member and the proposed purchaser, donee or successor-in-interest, as the case may be, to execute, acknowledge and deliver to the remaining Members such instruments of transfer, assignment and assumption and such other certificates, representations and documents, and to perform all such other acts which the Managers acting by Consent may deem necessary or desirable to: (i) constitute such purchaser, donee or successor-in-interest as a Member; (ii) confirm that the Person desiring to acquire an interest or interests in the Company, or to be admitted as a Member, has accepted, assumed and agreed to be subject and bound by all of the terms, obligations and conditions of this Operating Agreement, as the same may have been further amended (whether such Person is to be admitted as a new Member or will merely be an Economic Interest Owner); (iii) preserve the Company after the completion of such sale, transfer, assignment, or substitution under the laws of each jurisdiction in which the Company is qualified, organized or does business; (iv) maintain the status of the Company as a partnership for federal tax purposes; and (v) assure compliance with any applicable state and federal laws including securities laws and regulations as well as the Regulations. Any sale or gift of a Membership Interest or Economic Interest or admission of a Member in compliance with this Article VIII shall be deemed effective as of the last day of the calendar month in which the Manager's Consent thereto was given, and any approved transfer hereunder requires the transferee to execute a joinder agreement to become subject to and bound by the terms of this Operating Agreement. The Selling Member hereby indemnifies the Company, the Manager(s) and the remaining Members against any and all loss, damage, or expense (including, without limitation, tax liabilities or loss of tax benefits) arising directly or indirectly as a result of any transfer or purported transfer in violation of this Article VIII. A Transferring Member may gift all or any portion of its Membership Interest and Economic Interest without regard to Section 8.1(a) and Section 8.1(b) only to a Permitted Transferee, so long as such Permitted Transferee executes a joinder agreement to become subject to and bound by the terms of this Operating Agreement and so long as the transfer complies with the Regulations.

Section 8.2 - Transferee Not Member in Absence of a Super Majority and Consent of Managers.

(a) Notwithstanding anything contained herein to the contrary (including, without limitation, this Section 8.2), if the Super Majority does not approve, by written consent, of the proposed sale or gift of the Transferring Member's Membership Interest or Economic Interest to a transferee or donee which is not a Member or a Permitted Transferee immediately prior to the sale or gift, then the proposed transferee or donee shall have no right to participate in the management of the business and affairs of the Company nor

to become a Member. Subject to the transfer being permitted and valid under the Regulations, the transferee or donee shall be merely an Economic Interest Owner. No transfer of a Member's interest in the Company (including any transfer of the Economic Interest or any other transfer which has not been approved by written consent of the Super Majority) shall be effective unless and until written notice (including the name and address of the proposed transferee or donee and the date of such transfer) has been provided to the Company and the non-transferring Members.

(b) Subject to the net effect of the following not resulting in a violation of the Regulations, upon and contemporaneously with any sale or gift of a Transferring Member's Economic Interest in the Company which does not at the same time transfer the balance of the rights associated with the Economic Interest transferred by the Transferring Member (including, without limitation, the rights of the Transferring Member to participate in the management of the business and affairs of the Company), the Company shall purchase from the Transferring Member, and the Transferring Member shall sell to the Company for a purchase price of \$100.00, all remaining rights and interests retained by the Transferring Member which immediately prior to such sale or gift were associated with the transferred Economic Interest.

ARTICLE IX DISSOLUTION

Section 9.1 - Dissolution.

(a) The Company shall be dissolved and its affairs shall be wound up upon the happening of any of the first to occur of the following: (i) the time specified in its Certificate of Organization; (ii) the written consent of at least seventy-five (75%) Percent of the Membership Interests and the Consent of the Managers; or (iii) entry of a court-decreed dissolution under the Massachusetts Act.

(b) As soon as possible following the occurrence of any of the events specified in this Section 9.1 effecting the dissolution of the Company, the Manager(s) shall proceed to wind up the Company's business in accordance with the Massachusetts Act. Notwithstanding anything in this Agreement to the contrary, the Company shall be liquidated in connection with its dissolution and the assets of the Company shall be distributed as follows: (a) to the payment of debts and liabilities of the Company; and (b) to the establishment of reasonable reserves for unliquidated claims, contingent liabilities and expenses of dissolution and liquidation. After taking into consideration all Capital Account adjustments for all prior periods and for the current fiscal year, any remaining assets shall be distributed to the Members, pro-rata, according to their positive Capital Account balances. IN NO EVENT SHALL ANY MEMBER HAVING A DEFICIT CAPITAL ACCOUNT BALANCE UPON TERMINATION OF THE COMPANY OR SUCH MEMBER'S INTEREST IN THE COMPANY BE REQUIRED TO RESTORE SUCH DEFICIT.

(c) A Member may not voluntarily resign as a Member of the Company without the express written consent of the Super Majority and the Consent of the Managers. Upon any such approved resignation, a Member who resigns shall not be entitled to receive any distributions to which such Member would not have been entitled had such Member remained a Member.

ARTICLE X

Section 10.7 - Waivers. The failure of any party to seek redress for violation of or to insist upon the strict performance of any covenant or condition of this Operating Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

Section 10.8 - Rights and Remedies Cumulative. The rights and remedies provided by this Operating Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive the right to use any or all other remedies. Said rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

Section 10.9 - Severability. If any provision of this Operating Agreement or the application thereof to any person or circumstance shall be invalid, illegal or unenforceable to any extent, the remainder of this

Section 10.11 - Creditors. None of the provisions of this Operating Agreement shall be for the benefit of or enforceable by any creditors of the Company.

Section 10.12 - Counterparts. This Operating Agreement may be executed in counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.

Section 10.13 - Rule Against Perpetuities. The parties hereto intend that the Rule against Perpetuities (and any similar rule of law) not be applicable to any provisions of this Operating Agreement or with respect to the Membership Interests. However, notwithstanding anything to the contrary in this Operating Agreement, if any provision in this Operating Agreement would be invalid or unenforceable because of the Rule against Perpetuities or any similar rule of law but for this Section 10.13, the parties hereto hereby agree that any future interest which is created pursuant to said provision shall cease if it is not vested within twenty-one (21) years after the death of the survivor of the group composed of the initial Members who are individuals and their issue who are living on the date of this Operating Agreement and their issue, if any, who are living on the effective date of this Operating Agreement.

Executive Summary

This Business Plan relates to Main Street Medicinals LLC's ("MSM") plan to open a Marijuana Retailer, Marijuana Cultivator and Marijuana Manufacturing Facility pursuant to the State of Massachusetts' Adult-Use of Marijuana laws.

MSM is seeking to license a vertically integrated cultivation, production and retail location at 65 Mechanics' Street in Tisbury, MA.

Our work force will be trained to operate within the framework of our company's corporate culture and also to meet the needs of all our customers.

MSM will ensure that all our customers are provided with compassionate treatment whenever they visit our store. We have a CRM software that will enable us manage one on one relationships with our customers no matter how large the number of our customer base grows. In regards to the products we offer, we will ensure that we educate our customers and suggest the best product/s relative to their symptoms.

Our Products

MSM will retail a wide range of marijuana flower and marijuana infused products, i.e. edibles, distillates, concentrates, oils, and topical creams. We will only enter into agreements for the wholesale purchase of marijuana from licensed cultivators.

Our Vision Statement

Our vision is to provide the highest quality marijuana products for our customers and serve the communities we operate in.

Our Mission Statement

Main Street Medicinals LLC

Our mission is to establish a premier Marijuana Establishment that will sell only the highest quality marijuana and marijuana infused products made available at affordable prices to the residents and visitors of Tisbury and surrounding areas.

Business Structure

MSM is a business that will be built on a solid foundation of compassion and ethics. From the outset, we have decided to recruit only qualified people to take on the various job positions in our organization. We will, of course, operate within the rules and regulations set forth by the CCC. We are recruiting experienced and qualified employees to be the foundational staff of the organization. We hope to leverage on their expertise to build our business and brand as the premier marijuana dispensary in the area.

When hiring, we will look for applicants that are not just qualified and experienced, but honest, customer centric and willing to learn. Our team will help us build a prosperous business that will benefit all stake holders (the owners, workforce, and customers). We are considering a profit-sharing arrangement that will be made available to all of our management team. It will be performance based for a period of three years or more.

Market Analysis

Market Trends

Cannabis industry analysts see major potential for the Massachusetts marijuana market. Adult-Use Marijuana sales, which began on November 20, 2018, exceed \$1.2 billion statewide, bringing in approximately \$240 million in state and local tax revenue.

The Department of Revenue issued an analysis in March of 2017 examining potential sales and tax revenue scenarios, including potential outcomes under the effective 12 percent tax rate that was still on the table at that time. Under the 12 percent tax, the DOR projected first year sales could range from \$375 million to \$696 million, and by fiscal 2020 would reach a range of \$747 million to \$1.38 billion.

The March 9th analysis did not include projections under a 20 percent effective tax rate, but forecast that under a rate of 22 percent, fiscal 2020 cannabis sales would be approximately \$1 billion, with a projected low of \$716 million and a high of \$1.33 billion.

Tom Adams, of ArcView Market Research, said that in addition to seeing \$1.2 billion in sales by 2021, his organization projects that the legal cannabis industry will generate \$2.3 billion in total economic activity in Massachusetts, including nearly 17,400 pot industry jobs statewide.

Main Street Medicinals LLC

The industry will continue to grow and become more profitable due to the aging baby-boomer generation in the United States which is projected to drive increasing demand for marijuana.

Existing marijuana dispensary stores are now making use of technology to effectively manage their business by plugging financial leakages which happens to be one of the biggest challenges that retail businesses face. The use of technology, i.e. CRM software is very effective in helping retail businesses manage their clientele base.

Our Target Market

It should come as no surprise that the majority of respondents are between the ages of 21-35. What is significant is that a combined 32.52% of adults 45 years or older consume Cannabis. This signifies that Cannabis consumers are professional adults and not those types that are stereotypically portrayed as misguided and unmotivated young adults. When adding in the 36–45-year-old group, a total of 58.27% of cannabis consumers are in the age group of professional adults. Another important thing to consider is that baby boomers, those born between 1946 and 1964, are reaching retirement and by 2030, all of them will be over the age of 65. According to analysts, combined, people between the ages of 46 – 65 make up 28.76% of Cannabis consumers. This demographic is already looking to alternative therapies to manage symptoms of the various age-related ailments and diseases, including. In fact, baby boomers are the fastest growing Cannabis consumers with a NYU study reporting a 71% increase in usage by those over the age of 50 during 2006 – 2013.

Our Competitive Advantage

In every business there is competition, however, we believe we possess several strengths that will allow us to be successful.

In this industry, the competitive dynamics center around the quality of cannabis dispensed, the service offered, the location, discounts offered for the products, and the branding, as this plays a significant role in positive perception.

It is through our customer service that we can secure a fair share of the available market. We will ensure that all customers are educated, and that each order is properly dispensed under the State's guidelines with informational printouts.

MSM is entering into the market prepared to favorably compete in the industry. Our storefronts are well positioned and visible. We will have plenty of parking and shuttle services available with qualified security. Our management staff is well groomed in retail/hospitality and all our employees will be trained to provide customized customer service to all of our clients.

Products

As described herein, MSM is seeking licensure of a vertically integrated marijuana establishment and upon opening will supply itself with all of its own marijuana and marijuana products. The core product as a licensed cannabis cultivator will be marijuana flower which will come in a variety of different strains. Aside from providing marijuana flower, MSM will manufacture and retail a wide range of marijuana infused edibles, distillates, concentrates, oils, and topical creams.

Marketing

The marketing and sales strategy of MSM will be based on generating long-term personalized relationships with customers. We will ensure that we offer the highest quality product at fair pricing.

All of our employees will be well trained and equipped to provide excellent and knowledgeable customer service. We know that if we are consistent with offering high quality marijuana and excellent customer service, we will consistently increase our customer base.

Before choosing a location for our establishment, we conducted a thorough market survey and feasibility studies confirming the ability for us to penetrate the available market and become the preferred market choice.

We have hired experts who have a solid understanding of the retail industry to help us develop marketing strategies that will allow us to achieve our business goal of winning a larger percentage of the available market in Martha's Vineyard. Hiring these groups in marketing and data management is a wise investment that will guarantee a large return within a short period of time.

In summary, MSM will adopt the following informational and marketing approach to communicate with the community we will serve;

- Introduce our business by offering informational sessions to residents, business owners and organizations
- Responsibly advertise our business where permitted

Main Street Medicinals LLC

- Engage in email segmentation and marketing with our customers
- Encourage and leverage word of mouth marketing (referrals)
- Offer a Reserve Ahead Online option for convenience and efficiency

Publicity and Advertising Strategy

We will constantly attempt to intensify public awareness for our business within the guidelines for advertising set forth by the State regulatory agencies. We are going to explore all available conventional and non – conventional means to promote our retail business.

Our publicity and advertising strategy is to responsibly and effectively communicate our brand to the general public. Below are the platforms we intend to leverage in order to promote and advertise MSM;

- Place adverts on both print (community-based newspapers and magazines) and electronic media platforms
- Sponsor relevant community programs
- Leverage social media platforms like; Instagram, Facebook, twitter, YouTube, Google +

Our Pricing Strategy

It would be short-sighted to fix pricing without first determining other factors that surround costing. This is one of the reasons why we will work towards ensuring that all our products are offered at highly competitive prices compared to what is obtainable in the market area.

Although we may offer our products at lower prices than our competitors does not in any way mean that we will sell sub – standard products. Selling our products at a lower price than what is obtainable in our competitors' stores means that we will only reduce our profit margin and gain sales margin.

Growth

It is the wish of any business to become so successful that there is a good succession plan to act upon. More often than not, having a good succession plan will help you know the direction your business is headed. As such, the future of a business lies in the number of loyal customers, the capacity and competence of the employees, their investment strategy, and the business structure.

Main Street Medicinals LLC

One of our major goals in starting MSM is to build a business that will survive off its own cash flow without the need for injecting finances from external sources once the business is officially up and running. We know that one of the ways of gaining approval and winning customers over is to sell our product cheaper than what is currently obtainable in the market. We are well prepared to survive on lower-than-normal profit margins.

MSM will implement the correct foundation, structures, and processes to ensure that our staff is well taken of. Our company's corporate culture is designed to drive our business to greater heights and training and re – training of our workforce is a top priority. A profit-sharing arrangement will be made available to all our management staff and it will be based on their performance for a period of three years or more. We know that with this policy, we will be able to successfully hire and retain the best team we can get in the industry; they will be more committed to help us build a sustainable business.

Financial Projections

Sources of Income

Our source of income will be in the retailing and wholesaling of marijuana and marijuana infused products.

Sales Forecast

One of the true marks of an effective entrepreneur is being able to forecast sales based on the magnitude of work that has been put into the business. It is important to state that our sales forecast is based on the data gathered during our feasibility studies, market survey, and also some of the assumptions readily available in the field.

Projections for the first three years of operation have been prepared and are on file with MSM's Chief Financial Officer. MSM's financial projections the confidential information of the company and may fairly be considered to be a "trade secret". As such, MSM is prohibited from disclosing such information in any document which may become publicly available pursuant to a Freedom of Information Request.

Main Street Medicinals LLC

Separating Recreational from Medical Operations

Currently, Main Street Medicinals LLC (the “**Company**”) is only applying for Marijuana Retailer, Marijuana Cultivator and Marijuana Product Manufacturer licenses at this location. Should the Company ultimately apply for, and be licensed as, a Medical Marijuana Treatment Center, thus permitting the sale of Medical Marijuana then it shall be a policy of the Company that marijuana and marijuana products for medical use shall only be sold to registered qualifying patients and personal caregivers. The Company shall refuse to sell marijuana to any registered qualifying patient or personal caregiver who is unable to produce a registration card and valid proof of identification, or who does not have a valid certification. The identification shall contain a name, photograph, and date of birth, and shall be limited to one of the following:

1. A driver’s license;
2. A government-issued identification card;
3. A military identification card; or
4. A passport.

If the Company is licensed for the sale of medical marijuana, then it shall be a policy of the Company that: (1) if an individual is younger than 21 years old, but 18 years of age or older, he or she shall not be admitted unless they produce an active patient registration card issued by the DPH or the Commission; and (2) if the individual is younger than 18 years old, he or she shall not be admitted unless they produce an active patient registration card and they are accompanied by a Personal Caregiver (as defined in 935 CMR 501.002) with an active patient registration card. In addition to the patient registration card, registered qualifying patients 18 years of age and older and Personal Caregivers must also produce proof of identification. A patient registration card is not sufficient proof of age.

The Company shall physically separate medical and adult-use sales areas. Subject to final approval by the Commission, such separation shall be provided by a temporary or semi-permanent physical barrier, such as a stanchion, that adequately separates sales areas of marijuana or marijuana products for medical use from sales areas of marijuana or marijuana products for adult use for the purpose of patient confidentiality.

The Company shall provide for separate lines for sales of marijuana or marijuana products for medical use from marijuana or marijuana products for adult use within the sales area, provided, however, that the holder of a medical registration card shall be permitted to use either line and shall not be limited only to the medical use line so long as compliance with 935 CMR 501.105(5)(d) can be maintained.

The Company shall adopt separate accounting practices at the point-of-sale for medical and adult-use sales and implement procedures for virtual, i.e., electronic, separation of medical and adult use marijuana and marijuana products, which procedures shall be subject to the Commission’s approvals, but may include the use of plant or package tags in the seed-to-sale tracking system.

The Company shall additionally provide a patient consultation area, an area that is separate from the sales floor to allow for confidential visual and auditory consultation with qualifying patients.

Main Street Medicinals LLC

Such consultation area shall have signage stating “Consultation Area”, be separate from the sales area, and accessible by a qualifying patient or caregiver without having to traverse a limited access area.

The Company shall also use best efforts to prioritize patient and caregiver identification verification and physical entry into its retail area.

Pursuant to 935 CMR 500.140(15) the Company shall, as a co-located Medical Marijuana Treatment Center and Marijuana Establishment (together a “Co-located Marijuana Establishment” or “CMO”), strive to ensure access to a sufficient quantity and variety of marijuana products, including marijuana, for patients registered under 935 CMR 501.000: *Medical Use of Marijuana*. The Company is constantly working to ensure that, at a minimum, its medical marijuana customers have access to a mirrored assortment of products as are available to its adult-use customers.

In furtherance of this goal and in an effort to maintain compliance with 935 CMR 500.000 *et. seq.* and 935 CMR 501.000 *et. seq.*, as the same may be amended from time to time, the Company shall establish an Internal Review Committee (the “**Committee**”) to ensure that a sufficient Patient Supply is maintained and to ensure that any time a product must be discontinued that all applicable regulations are followed and its patient population is made aware of the product change.

The Internal Review Committee Members are:

The Company shall implement the following policies and procedures in furtherance of this policy:

1. The Company shall maintain a quantity and variety of marijuana products for patients registered under 935 CMR 501.000 that is sufficient to meet the demand indicated by an analysis of sales data for the preceding six (6) months as collected and recorded pursuant to 935 CMR 500.140(6) and its *Record Retention Policy*, which policy shall be incorporated herein by reference.
2. On a bi-annual basis, the Company shall maintain and provide to the Commission, accurate sales data collected by the it for the purpose of ensuring an adequate supply of marijuana and marijuana products under 935 CMR 500.140(15)
3. Marijuana products reserved for patient supply shall, unless determined to be unreasonably impracticable by the Committee, reflect the actual types and strains of marijuana products documented during the previous six (6) months. If the Committee determines that a product must be discontinued, or it is unreasonably impracticable to continue to stock those products, a reasonable substitution shall be made pursuant to this policy. In the event that a substitution must be made, the substitution shall reflect, as closely as reasonably practicable, the type and strain no longer available.
4. On a quarterly basis, the Company shall submit to the Commission an inventory plan to reserve a sufficient quantity and variety of marijuana products for registered patients, based on reasonably anticipated patient needs as documented by sales records over the preceding six (6) months. On each occasion that the supply of any product within the

Main Street Medicinals LLC

reserved patient supply is exhausted and a reasonable substitution cannot be made, the Company shall submit a report to the Commission in a form determined by the Commission.

5. Marijuana products reserved for patient supply shall be either maintained on site at the retailer or easily accessible at another Company location.
6. If a Marijuana product, reserved for patient supply, has been exhausted and the reserves are available, but maintained at another Company location, an adequate amount of reserved product shall be transferred to the retail location within 48 hours of notification that the on-site supply has been exhausted.
7. The Company shall perform audits of patient supply available at its Marijuana Retailer locations on a weekly basis and retain those records for a period of six months.
8. All records and reports produced by the Committee shall be available for Commission inspection at any time.
9. If deemed appropriate by the Committee, Company staff or management, the Company shall transfer marijuana products reserved for medical use to adult use within a reasonable period of time prior to the date of expiration, provided that the product does not pose a risk to health or safety.

This policy may also be referred to by the Company as the **“Policy for Separating Recreational from Medical Operations”**.
