Plan to Remain Compliant with Local Zoning

Massbiology Technology, LLC will remain compliant at all times with the local zoning requirements set forth in the City of Holyoke Zoning Bylaws. 6 Appleton St. is located in the Holyoke Industrial (IG) Zoning District which is designated for all types of adult use marijuana businesses in the City of Holyoke's Zoning Bylaws Section 3.9.1(b). I

In accordance with Zoning Bylaws Section 4.18.7, Massbiology Technology, LLC's proposed facility is not located within 500 feet of any of the outlined setback requirements.

As required by Zoning Bylaws Sections 3.9.1(b) and 4.18.3, Massbiology Technology, LLC has applied for a Special Permit and Site Plan Review from the Planning Board. Massbiology Technology, LLC will apply for building permits and obtain a Certificate of Occupancy prior to opening.

Massbiology Technology, LLC has already attended several meetings with various municipal officials and boards to discuss its plans for a proposed Marijuana Establishment and has executed a Host Community Agreement with Holyoke. Massbiology Technology, LLC will continue to work cooperatively with various municipal departments, boards, and officials to ensure that the Marijuana Establishment remains compliant with all local laws, regulations, rules, and codes with respect to design, construction, operation, and security.

POSITIVE IMPACT PLAN FOR DISPROPORTIONATE AREAS

Overview

Massbiology Technology, LLC is dedicated to serving and supporting populations falling within areas of disproportionate impact, which the Cannabis Control Commission (CCC) has identified as the following:

1. Past or present residents of the geographic “areas of disproportionate impact,” which have been defined by the Commission and identified in its Guidance for Identifying Areas of Disproportionate Impact;
2. Commission-designated Economic Empowerment Priority applicants;
3. Commission-designated Social Equity Program participants;
4. Massachusetts residents who have past drug convictions; and
5. Massachusetts residents with parents or spouses who have drug convictions are classified as areas of disproportionate impact.

To support such populations, Massbiology Technology, LLC has created the following Plan to Positively Impact Areas of Disproportionate Impact (the “Plan”) and has identified and created goals/programs to positively impact people and groups in those census tracts within the Springfield, which has been designated by the Commission as areas of disproportionate impact. We are planning to do this through targeted hiring practices and donations of our time and funds.

Goals

In order for Massbiology Technology, LLC to positively impact those areas in Springfield, which has been designated as areas of disproportionate impact, Massbiology Technology, LLC has established the following goals:

1. Develop and implement an incubator program for those individuals that want to enter the MA cannabis industry;
2. Provide financial assistance to Clinical Support Options (“CSO”) that services the City of Springfield; and
3. Volunteer our time to help improve conditions in Springfield, through support of CSO’s services and programs.

Programs

Massbiology Technology, LLC has developed specific programs to effectuate its stated goals to positively impact those areas in Springfield designated as an area of disproportionate impact by the Commission. Such programs will include the following:

1. Massbiology Technology, LLC plans to launch a premiere accelerator/incubator program for which any entrepreneur or researcher can apply to participate in. Massbiology Technology, LLC plans to accept 3-5 applicants every six (6) months, based on an application process. Massbiology Technology, LLC would be looking for entrepreneurs and researchers that want to advance the cannabis industry with concepts including, but not limited to, new products, new brands, new cultivation techniques, new extraction techniques. Massbiology Technology, LLC is committed to empowering people from all walks of life to succeed and our incubator/accelerator program will be built for that purpose. Apart from access to our facilities, Massbiology Technology, LLC will provide those enrolled in our program with expert guidance, hands on training, raw materials, legal assistance, and other tools to succeed in the cannabis industry.
2. Providing \$2,500 quarterly to Clinical Support Options, which is located in a census tract in the City of Springfield that has been designated by the Commission as an area of disproportionate impact; and
3. Donating an average of 15 hours of volunteer work per quarter, to Friends of Homeless located in Springfield, a Commission-designated area of disproportionate impact.

Measurements

The Chief Operating Officer and HR will administer the Plan and will be responsible for developing measurable outcomes to ensure Massbiology Technology, LLC continues to meet its commitments. Such measurable outcomes, in accordance with Massbiology Technology, LLC' goals and programs described above, include:

- Maintaining annual reports showing the number of individuals that completed the incubator program and were hired, especially those individuals that are from or reside in Springfield;
- Maintaining annual financial data that shows donations made to Clinical Support Options; and
- Documenting all employee volunteer hours, for Friends of the Homeless, sponsored by Massbiology Technology, LLC.

Beginning upon receipt of Massbiology Technology, LLC's first "Commence Operations" designation from the Commission to operate a Marijuana Establishment in the Commonwealth, Massbiology Technology, LLC will utilize the proposed measurements to assess its Plan and will account for demonstrating proof of success or progress of the Plan upon the yearly renewal of the license. The Chief Operating Officer and HR will review and evaluate Massbiology Technology, LLC's measurable outcomes no less than quarterly to ensure that it is meeting its commitments. Massbiology Technology, LLC is mindful that demonstration of the Plan's progress and success will be submitted to the Commission upon renewal.

Acknowledgements

- As identified above, Massbiology Technology, LLC intends to donate to Clinical Support Options, located in Springfield MA as well as volunteering with the Friends of the Homeless and

acknowledges that the organization has been contacted and will receive the donations described herein. (see attached letter).

- Massbiology Technology, LLC will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.

- Any actions taken, or programs instituted, by Massbiology Technology, LLC will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

MASSBIOLOGY TECHNOLOGY LLC
OPERATING AGREEMENT

THIS OPERATING AGREEMENT of **Massbiology Technology LLC** (the “LLC”), dated as of 03/13, 2021, is among the persons named on *Schedule A*, attached hereto. Each of such persons is sometimes hereinafter referred to individually as a “Member,” and such persons are sometimes hereinafter referred to collectively as the “Members.”

WHEREAS, the Members have formed a limited liability company pursuant to the Massachusetts Limited Liability Company Act (the “Act”); and

WHEREAS, on October 16, 2020, the Members caused to be filed in the Office of the Secretary of State of the Commonwealth of Massachusetts a Certificate of Organization for the LLC (the “Certificate”); and

WHEREAS, the Members desire to enter into this Agreement to set forth the agreements among the Members with respect to the LLC, all as more fully set forth herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in consideration of the agreements hereinafter set forth, the parties hereby agree as follows:

ARTICLE I
General Provisions

1.01 *Formation of Limited Liability Company; Foreign Qualification.* The term of the LLC commenced upon the filing of the Certificate in the Office of the Secretary of State of the Commonwealth of Massachusetts on **October 16, 2020**.

The Members caused the Certificate to be filed. Prior to the LLC’s conducting business in any jurisdiction other than the Commonwealth of Massachusetts, the LLC shall comply, to the extent procedures are available, with all requirements necessary to qualify the LLC as a foreign limited liability company in each such jurisdiction where foreign qualification is either necessary or appropriate. Each Member shall execute, acknowledge, swear to and deliver all certificates and other instruments conforming to this Agreement that are necessary or appropriate to qualify, or, as appropriate, to continue or terminate such qualification of the LLC as a foreign limited liability company in all such jurisdictions in which the LLC may conduct business.

1.02 *Name of the LLC.* The name of the LLC is **Massbiology Technology LLC**.

1.03 *Business of the LLC.* The general character of the business of the LLC is to engage in **manufacturing, processing and cultivating plants for the wholesale market and any activities directly or indirectly related or incidental thereto** in accordance with the laws of the Commonwealth of Massachusetts.

1.04 *Place of Business of the LLC; Resident Agent.* The address of the principal place of business of the LLC, and the office of the LLC in the Commonwealth at which the LLC will maintain its

records in accordance with the Act, is **Massbiology Technology LLC, 6 Appleton Street, Holyoke, Massachusetts, 01040**. The LLC's resident agent for service of process in Massachusetts shall be **Qihang Zhang, 146 Grayson Drive, Springfield, Massachusetts, 01119**.

1.05 *Duration of the LLC*. The term of the LLC commenced upon filing the Certificate, and the LLC shall have perpetual existence, unless earlier terminated in accordance with Article VII hereof.

1.06 *Members' Names and Addresses*. The names and business addresses of the Members are set forth on *Schedule A*. Additional Members may be admitted in accordance with the procedures specified in Article VI. A Member may resign from the LLC at any time after giving the other members thirty (30) days' notice in writing.

1.07 *No Partnership*. The LLC is not intended to be a general partnership, limited partnership or joint venture, and no Member shall be considered to be a partner or joint venturer of any other Member for any purposes other than foreign and domestic federal, state, provincial and local income tax purposes, and this Agreement shall not be construed to suggest otherwise.

1.08 *Title to LLC Property*. All property owned by the LLC, whether real or personal, tangible or intangible, shall be deemed to be owned by the LLC as an entity, and no Member, individually, shall have any ownership of such property. The LLC may hold any of its assets in its own name or in the name of its nominee, which nominee may be one or more trusts. Any property held by a nominee trust for the benefit of the LLC shall, for purposes of this Agreement, be treated as if such property were directly owned by the LLC.

1.09 *Nature of Member's Interest*. The interests of all of the Members in the LLC are personal property and shall not, under any circumstances, be considered real property.

1.10 *Investment Representations*. Each Member, by execution of this Agreement or an amendment hereto reflecting such Member's admission to the LLC, hereby represents and warrants to the LLC as follows:

(a) It is acquiring an interest in the LLC for its own account for investment only, and not with a view to, or for sale in connection with, any distribution thereof in violation of the Securities Act of 1933, as amended (the "Securities Act"), or any rule or regulation thereunder.

(b) It understands that (i) the interest in the LLC it is acquiring has not been registered under the Securities Act or applicable state securities laws and cannot be resold unless subsequently registered under the Securities Act and such laws or unless an exemption from such registration is available; (ii) such registration under the Securities Act and such laws is unlikely at any time in the future, and neither the LLC nor the Members are obligated to file a registration statement under the Securities Act or such laws; and (iii) the assignment, sale, transfer, exchange or other disposition of the interests in the LLC is restricted in accordance with the terms of this Agreement.

(c) It has had such opportunity as it has deemed adequate to ask questions of and receive answers from representatives of the LLC concerning the LLC, and to obtain from representatives of the LLC such information the LLC possesses, or can acquire without unreasonable effort or expense, as is necessary to evaluate the merits and risks of an investment in the LLC.

(d) It has, either alone or with its professional advisors, sufficient experience in business, financial and investment matters to be able to evaluate the merits and risks involved in investing in the LLC and to make an informed decision with respect to such investment.

(e) It can afford a complete loss of the value of its investment in the LLC and is able to bear the economic risk of holding such investment for an indefinite period.

(f) If it is an entity, (i) it is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization; (ii) it has full organizational power to execute and deliver this Agreement and to perform its obligations hereunder; (iii) its execution, delivery and performance of this Agreement has been authorized by all requisite action on behalf of the entity; and (iv) it has duly executed and delivered this Agreement.

ARTICLE II

Capital Contributions, Profits and Losses

2.01 Capital Contributions.

(a) Each Member has contributed in cash to the capital of the LLC in the amount set forth opposite his or her name on *Schedule A*.

Each Member has agreed to contribute in cash to the capital of the LLC in the amount of “Additional Capital” specified opposite his or her name on *Schedule A*, hereto, as and when required for the conduct of the business and operations of the LLC, as determined by the Members in accordance with Section 4.01, hereof. Upon any such determination, each Member shall be notified in writing of the need for capital and the total amount called for, and each Member shall contribute its proportionate share of the total amount called for (which share shall equal such Member’s Percentage Interest, as specified on *Schedule A*, hereto) within 10 business days following such notice. In the event that any Member fails to contribute Additional Capital as and when required, such Member’s interest shall be subject to purchase by the other Members, as provided in Section 2.01(b), below. Notwithstanding any other provision of this Agreement, no Member shall be obligated to contribute to the capital of the LLC an aggregate amount of Additional Capital in excess of the amount specified opposite his or her name on *Schedule A*, hereto.

(b) In the event that a Member fails to contribute all or any portion of its Additional Capital in accordance with the provisions of Section 2.01(a), above (a “Defaulting Member”), each of the other Members shall have the option to purchase the interest in the LLC of the Defaulting Member, for the purchase price specified in this Section 2.01(b). In the event that more than one of the non-Defaulting Members desire to purchase the interest of the Defaulting Member, they shall each be entitled to purchase a portion thereof based on their respective Percentage Interests, unless all Members desiring to purchase such interest otherwise agree. In the event that more than one of the non-Defaulting Members purchases the interest of the Defaulting Member, each shall pay a portion of the total purchase price therefor (as specified below), which is allocable to the portion of the interest so purchased.

Each non-Defaulting Member shall have 30 days from the date on which the contribution of the Defaulting Member became due within which to exercise the option to purchase the interest of the Defaulting Member, by providing written notice of such exercise to all Members (Defaulting

and non-Defaulting). If any non-Defaulting Member fails to notify all other Members of its election to purchase the interest of the Defaulting Member, such non-Defaulting Member shall be deemed to have elected not to purchase such interest. After any non-Defaulting Member has given such notice to the other Members, the Defaulting Member may not cure its default without the consent of all such electing non-Defaulting Members.

The aggregate purchase price for the interest of the Defaulting Member shall be (i) an amount, payable in cash or by delivery of an interest-bearing note, as described below, equal to the excess of (A) the amount of cash actually contributed to the capital of the LLC by the Defaulting Member over (B) the aggregate amount previously distributed by the LLC to the Defaulting Member, in each case prior to its default hereunder; and (ii) an undertaking to pay the Additional Capital installments required to be made by the Defaulting Member to the extent that such Additional Capital has not been contributed by the Defaulting Member. Any Member electing to purchase the interest of the Defaulting Member (a "Purchaser") may elect to pay all or any portion of the amount specified in clause (i), above, by delivery of a promissory note. Any such promissory note shall be unsecured, and shall provide for payment of equal annual installments over a term not to exceed five years, and shall bear interest at the then Applicable Federal Rate (as defined in the Internal Revenue Code of 1986 and regulations promulgated thereunder) for a note with the maturity date of such promissory note. Such promissory note shall be prepayable at any time without premium or penalty.

The closing of the acquisition of the interest of the Defaulting Member by the Purchaser(s) shall occur on the 15th day after the last day of the 30-day period during which the non-Defaulting Members may exercise the option, or, if such 15th day is not a business day, on the first business day after such 15th day. Alternatively, such closing may occur on another day agreed upon by the Purchasers and the Defaulting Member. The closing shall occur at the office of the LLC or at such other place as shall be agreed upon by the Purchasers and the Defaulting Member. At such closing, the Purchasers shall pay the purchase price for the interest of the Defaulting Member set forth above, and the Defaulting Member shall execute and deliver such agreements, instruments, and other documents as are necessary to transfer to the Purchasers all of the Defaulting Member's right, title and interest in and to the Defaulting Member's interest in the LLC, free and clear of all liens, encumbrances and restrictions, other than liens, encumbrances and restrictions imposed under the terms of this Agreement.

Notwithstanding whether any option contained in this Section 2.01(b) is exercised, so long as a Defaulting Member remains in default, it shall have no right to vote on any matters submitted to the Members, to receive any cash distributions or to be allocated any Net Profits or Net Losses (as defined in Section 2.02 below); but any successor to such interest who shall be admitted to the LLC as a substituted Member as provided herein shall receive the benefits of the same, to the extent of the Defaulting Member's interest.

(c) Except as provided in this Section 2.01, no Member shall be obligated or permitted to contribute any additional capital to the LLC. No interest shall accrue on any contributions to the capital of the LLC. Upon resignation, a resigning member is entitled to receive the fair value of his or her limited liability company interest as of the date of resignation based upon his or her right to share in distributions.

2.02 *Definitions.* For purposes of this Agreement, the following terms shall have the meanings ascribed to them in this Section 2.02:

(a) “*Capital Account*” means a separate account maintained for each Member and adjusted in accordance with U.S. Treasury Regulations. To the extent consistent with such Regulations, the adjustments to such accounts shall include the following: there shall be credited to each Member’s Capital Account the amount of any cash or the net fair market value of any property actually contributed by such Member to the capital of the LLC and such Member’s share of the Net Profits of the LLC and of any items in the nature of income or gain separately allocated to the Members; and there shall be charged against each Member’s Capital Account the amount of any cash and the net fair market value of any property distributed to such Member and such Member’s share of the Net Losses of the LLC and of any items in the nature of losses or deductions separately allocated to the Members.

(b) “*Carrying Value*” means, with respect to any asset, the asset’s adjusted basis for federal income tax purposes, *provided, however*, that (i) the initial Carrying Value of any asset contributed to the LLC shall be adjusted to equal its gross fair market value (as determined by the greater of 1. the value assigned to the asset by an independent appraiser retained and compensated by the LLC, or 2. the asset’s purchase price at the time of its contribution) and (ii) the Carrying Values of all assets held by the LLC shall be adjusted to equal their respective gross fair market values (which shall be no less than any unsecured indebtedness to which such assets are subject).

(c) “*Excess Negative Balance*” for a Member means the excess, if any, of (i) the negative balance in a Member’s Capital Account after reducing such balance by any net adjustments, allocations and distributions which, as of the end of the LLC’s taxable year, are reasonably expected to be made to such Member, over (ii) the amount, if any, the Member is required to restore to the LLC upon liquidation of such Member’s interest in the LLC.

(d) “*I.R.C.*” means the Internal Revenue Code of 1986, as amended from time to time.

(e) “*Net Profits*” and “*Net Losses*” mean the taxable income or loss, as the case may be, for a period as determined in the same manner as in the case of an individual.

2.03 *General Allocations of Net Profits and Net Losses.*

Net Profits and Net Losses of the LLC for any fiscal period shall be to the Members in such proportions and in such amounts as may be necessary so that the Capital Account balances of the Members are in proportion to their respective Percentage Interests.

2.04 *Intentionally Omitted.*

2.05 *Intentionally Omitted.*

2.06 *Timing of Allocations.* Allocations of Net Profits, Net Losses and other items of income, gain, loss and deduction pursuant to this Article II shall be made for each fiscal year of the LLC as of the end of such fiscal year.

ARTICLE III
Cash Distributions

3.01 *Definitions.* For purposes of this Agreement, the term “Distributable Cash” means, with respect to any fiscal period, the excess of all cash receipts of the LLC from any source whatsoever; cash generated from normal operations; sales of assets; proceeds of borrowings; capital contributions of the Members; proceeds from a capital transaction; and any and all other sources over the sum of the following amounts:

(i) any cash disbursements for items that are customarily considered to be “operating expenses,” including salary and bonus payments, employee benefits costs and rental payments for space and equipment;

(ii) payments of interest, principal and premium and points and other costs of borrowing under any indebtedness of the LLC, including, without limitation, any loans from any Member made pursuant to Section 4.08;

(iii) payments made to purchase capital assets, and for capital construction, rehabilitation and acquisitions; and

(iv) amounts set aside as reserves for working capital, contingent liabilities or replacements, or for any of the expenditures described in clauses (i), (ii) and (iii), above, that are deemed to be necessary by the Members to meet the current and anticipated future needs of the LLC.

3.02 *Distribution of Distributable Cash.* Except as provided in Section 7.02(b) below, Distributable Cash of the LLC shall be distributed to the Members, at such times and in such amounts as the Members may determine, in the proportions that their respective Percentage Interests bear to each other.

3.03 *Distributions in Kind.* A Member, regardless of the nature of his or her contribution to the LLC, shall have no right to demand or receive any distribution from the LLC in any form other than cash. The LLC may, at any time and from time to time, make distributions in kind to the Members. If any assets of the LLC are distributed in kind, such assets shall be distributed on the basis of their fair market value as determined by the Members. Any Member entitled to any interest in such assets shall, unless otherwise determined by the Members, receive separate assets of the LLC and not an interest as a tenant in common with other Members so entitled in any asset being distributed.

ARTICLE IV
Management

4.01 *Management of the LLC.*

(a) Subject to the provisions of this Agreement and the Act, all powers shall be exercised by, or under the authority of, and the business and affairs of the LLC shall be controlled by, the Members.

(b) Except to the extent that this Agreement specifically provides for a higher or lower number or percentage of Members, all decisions respecting any matter set forth herein or otherwise affecting or arising out of the conduct of the business of the LLC shall be made by action of Members owning a majority of the Percentage Interests owned by all Members then entitled to vote on such action (a "Majority in Interest of the Members"). Subject to the foregoing, the Members shall have the exclusive right and full authority to manage, conduct and operate the LLC business.

Specifically, but not by way of limitation, the Members (by action of such Majority in Interest) shall be authorized, for and on behalf of the LLC, to do as follows:

(i) to borrow money, to issue evidences of indebtedness and to guarantee the debts of others for whatever purposes they may specify, whether or not related to the LLC or the LLC's assets, and, as security therefor, to mortgage, pledge or otherwise encumber the assets of the LLC;

(ii) to cause to be paid on or before the due date thereof all amounts due and payable by the LLC to any person or entity;

(iii) to employ such agents, employees, managers, accountants, attorneys, consultants and other persons necessary or appropriate to carry out the business and affairs of the LLC, whether or not any such persons so employed are Members or are affiliated or related to any Member; and to pay such fees, expenses, salaries, wages and other compensation to such persons as the Members shall in their sole discretion determine;

(iv) to pay, extend, renew, modify, adjust, submit to arbitration, prosecute, defend or compromise, upon such terms as they may determine and upon such evidence as they may deem sufficient, any obligation, suit, liability, cause of action or claim, including taxes, either in favor of or against the LLC;

(v) to pay any and all fees and to make any and all expenditures that the Members, in their discretion, deem necessary or appropriate in connection with the organization of the LLC, and the carrying out of its obligations and responsibilities under this or any other Agreement;

(vi) to cause the LLC's property to be maintained, operated and insured in a manner that satisfies in all respects the obligations imposed with respect to such maintenance and operation by law, by any mortgages encumbering such property from time to time, and by any lease, agreement or rental arrangement pertaining to such property;

(vii) to lease, sell, finance or refinance all or any portion of the LLC's property;

(viii) to cause the LLC to make or revoke any of the elections referred to in any section of the I.R.C.;

(ix) to establish and maintain reserves for such purposes and in such amounts as it deems appropriate from time to time;

(x) to pay all organizational expenses and general and administrative expenses of the LLC;

(xi) to deal with, or otherwise engage in business with, or provide services to and receive compensation therefor from, any person who has provided or may in the future provide any services to, lend money to, sell property to or purchase property from the LLC, including, without limitation, a Member;

(xii) to engage in any kind of activity and to perform and carry out contracts of any kind necessary to, or in connection with, or incidental to the accomplishment of the purposes of the LLC;

(xiii) to compromise the obligation of a Member to make a contribution to the capital of the LLC or to return to the LLC money or other property paid or distributed to such Member in violation of this Agreement or the Act;

(xiv) to cause to be paid any and all taxes, charges and assessments that may be levied, assessed or imposed upon any of the assets of the LLC, unless the same are contested by the Members;

(xv) to exercise all powers and authority granted by the Act to members, except as otherwise specifically provided in this Agreement; and

(xvi) to buy and sell real property on behalf of the LLC.

(c) Any Member is authorized to execute, deliver and file on behalf of the LLC any documents to be filed with the Secretary of State of the Commonwealth of Massachusetts. Any Member is authorized to execute, acknowledge, deliver and record on behalf of the LLC any recordable instrument purporting to affect an interest in real property.

The signature of one Member on any agreement, contract, instrument or other document shall be sufficient to bind the LLC in respect thereof and conclusively evidence the authority of such Member and the LLC with respect thereto, and no third-party need look to any other evidence or require the joinder or consent of any other party.

4.04 Tax Matters Partner. The member who has the largest interest in the profits of the LLC for the year or, where there is more than one such member, the member whose last name is first alphabetically of all such members' last names shall be the "tax matters partner" for the LLC who shall control audits related to federal income taxes.

4.05 Liability of the Members; Indemnification.

Neither the Members, nor any of their respective Affiliates (as hereinafter defined) shall have any liability to the LLC or to any other Member for any loss suffered by the LLC that arises out of any action or inaction of such Member or their Affiliates, if such Member or its Affiliates, as the case may be, in good faith determined that such course of conduct was in the best interests of the LLC and such course of conduct did not constitute gross negligence or willful misconduct of such Member or its Affiliates. Each Member and its Affiliates shall be defended and indemnified by the LLC against any losses, judgments, liabilities, expenses and amounts paid in settlement of any claims sustained by them with respect to actions taken by them on behalf of the LLC, provided that the same were taken in good faith and not the result of gross negligence or willful misconduct on the part of such Member or their Affiliates. Any defense or indemnity, or both, under this

Section 4.05 shall be paid from, and only to the extent of, LLC assets, and no Member shall have any personal liability on account thereof.

For purposes of this Agreement, the term “Affiliate” shall mean, with respect to any specified person or entity, (i) any person or entity that directly or indirectly controls, is controlled by, or is under common control with such specified person or entity; (ii) any person or entity that directly or indirectly controls 10 percent or more of the outstanding equity securities of the specified entity or of which the specified person or entity is directly or indirectly the owner of 10 percent or more of any class of equity securities; (iii) any person or entity that is an officer of, director of, partner in, member in or trustee of, or serves in a similar capacity with respect to, the specified person or entity or of which the specified person or entity is an officer, director, partner, member or trustee, or with respect to which the specified person or entity serves in a similar capacity; or (iv) any person that is a member of the immediate family of the specified person (“immediate family” as used herein shall mean spouse, mother, father, brother, sister or lineal descendant).

4.06 Liability of Members. The liability of the Members for the losses, debts and obligations of the LLC shall be limited to their capital contributions, *provided, however*, that under applicable law, the Members shall be liable to the LLC to the extent of any previous wrongful distributions made to them under circumstances under which they knew or should have known such distributions were wrongful.

4.07 Certain Fees and Expenses. All out-of-pocket expenses reasonably incurred by any Member in connection with the LLC’s business (other than overhead and similar expenses of any Member) shall be paid by the LLC or reimbursed to the Member by the LLC.

4.08 Certain Loans from the Members to the LLC. In the event that the LLC’s funds are insufficient to meet its costs, expenses, obligations, liabilities and charges, or to make any expenditure authorized by this Agreement, and additional funds are not available from the Members (pursuant to Section 2.01(a), above) or from third parties on terms acceptable to a Majority in Interest of the Members, any Member may, but shall not be obligated to, loan such funds to the LLC. Any loan made pursuant to this Section 4.08 (a “Voluntary Loan”) shall be nonrecourse to the Members; shall be evidenced by a promissory note; shall be unsecured; shall bear interest, compounded monthly, at a fixed rate of interest equal to the prime rate of interest announced from time to time by *The Wall Street Journal*; shall be repaid out of the first funds available therefor after payment of LLC expenses to third parties and in any event prior to any distribution to any Member of Distributable Cash; and shall become due and payable in full not more than five years after the date such loan is made. If more than one Member desires to make a Voluntary Loan to fund a particular LLC deficit, each Member shall loan such portion of the required amount as the Members shall mutually agree upon, and, if they are unable to agree, they shall each loan such portion of the required amount in the proportions that their respective Percentage Interests in the LLC bear to each other.

4.09 Other Activities. The Members, Managers and any of their Affiliates may engage in and possess interests in other business ventures and investment opportunities of every kind and description, independently or with others, including without limitation serving as directors, officers, stockholders, managers, members and general or limited partners of corporations, partnerships or other LLCs with purposes similar to or the same as those of the LLC. Neither the LLC,

nor any other Member or Manager, shall have any rights in or to such ventures or opportunities, or the income or profits therefrom.

ARTICLE V
Books, Records and Bank Accounts

5.01 *Books and Records.* The Members shall keep, or cause to be kept, just and true books of account with respect to the operations of the LLC. Such books shall be maintained at the LLC's principal place of business, or at such other place as the Members shall determine, and all Members and their duly authorized representatives shall at all reasonable times have access to such books, as well as any information required to be made available to the Members under the Act. The Members shall not be required to deliver or mail copies of the LLC's Certificate of Organization, or copies of certificates of amendment thereto, or cancellation thereof to the Members, although such documents shall be available for review or copying by the Members at the LLC's principal place of business.

Such records shall include the those required by Section 9 of the Massachusetts Limited Liability Company Act:

- (1) a current list of the full name and last known address of each member and manager;
- (2) a copy of the certificate of organization and all certificates of amendment thereof, together with executed copies of any powers of attorney pursuant to which any certificate has been executed;
- (3) copies of the LLC's federal, state and local income tax returns and reports, if any, for the three most recent years;
- (4) copies of any then-effective written operating agreements and any financial statements of the LLC for the three most recent years; and
- (5) unless contained in a written operating agreement, a writing setting out:
 - (i) the capital contributions made and required to be made by each member,
 - (ii) the times at which additional contributions are to be made,
 - (iii) any right of a member to receive or a manager to make distributions to a member, and
 - (iv) any events that would dissolve the LLC.

5.02 *Accounting Basis and Fiscal Year.* The LLC's books shall be kept on such method of accounting as the Members may from time to time determine and shall be closed and balanced at the end of each fiscal year of the LLC. The fiscal year of the LLC shall be the calendar year or such other fiscal year as the Members may from time to time determine [unless I.R.C. § 706 requires the use of a different taxable year in which case the fiscal year shall be the same as such taxable year].

5.03 *Bank Accounts.* The Members shall be responsible for causing one or more accounts to be maintained in a bank (or banks), which accounts shall be used for the payment of the expenditures incurred by the Members in connection with the business of the LLC, and in which shall be deposited all cash receipts of the LLC. All deposits and funds unnecessary for the operations of the LLC may be invested in short-term investments, as the Members may determine. All such amounts shall be and remain the property of the LLC, and shall be received, held and disbursed

by the Members for the purposes specified in this Agreement. There shall not be deposited in any of said accounts funds other than those belonging to the LLC, and no other funds shall in any way be commingled with such funds.

5.04 Reports to Members. Within 90 days after the end of each fiscal year, the Members shall cause the LLC to furnish each Member with such information as is needed to enable the Members to file their federal income tax returns and any required state income tax returns. The cost of such reporting shall be paid by the LLC as an LLC expense. Any Member may, at any time, and at its own expense, cause an audit of the LLC books to be made by a certified public accountant of the Member's own selection. All expenses incurred by such accountant shall be borne by such Member.

ARTICLE VI Transfers of Interests of Members

6.01 Substitution and Assignment of Member's Interest.

(a) No Member may sell, transfer, assign, pledge, hypothecate or otherwise dispose of all or any part of its interest in the LLC (whether voluntarily, involuntarily or by operation of law) and unless a Majority in Interest of the other Members previously consented to such assignment in writing, the granting or denying of which consent shall be in the other Members' absolute discretion. The provisions of this Section 6.01(a) shall not be applicable to (i) any transfer of an interest in the LLC pursuant to Section 6.03 or (ii) any transfer of an interest to a Permitted Transferee (as hereinafter defined).

"Permitted Transferee" means (A) any Member; (B) any spouse, parent, lineal descendant, brother, sister, spouse of a brother or sister, nephew or niece of a Member; (C) any trust, corporation or partnership or other entity in which a Member or one of the persons designated in clause (B) is a principal, beneficiary, majority stockholder, member or limited or general partner; (D) any grantor or beneficiary of a trust that is a Member (or of which the trustees thereof are, in their capacities as trustees are Members); or (E) any charitable foundation created or primarily endowed by a Member, or a member of his or her immediate family (defined above).

(b) No assignment of the interest of a Member shall be made if, in the opinion of counsel to the LLC, such assignment (i) may not be effected without registration under the Securities Act; (ii) would result in the violation of any applicable state securities laws; (iii) unless consented to by the Members, would result in termination of the LLC under I.R.C. § 708; or (iv) unless consented to by the Members, would result in the treatment of the LLC as an association taxable as a corporation or as a "publicly traded limited partnership" for tax purposes. The LLC shall not be required to recognize any assignment until the instrument conveying such interest has been delivered to the LLC for recordation on the books of the LLC. Unless an assignee becomes a substituted Member in accordance with the provisions of Section 6.01(c), he, she or it shall not be entitled to any of the rights granted to a Member hereunder, other than the right to receive all or part of the share of the Net Profits, Net Losses, cash distributions or returns of capital to which his, her or its assignor would otherwise be entitled.

(c) An assignee of the interest or any portion thereof of a Member shall become a substituted Member entitled to all the rights of a Member, if and only if the following occurs:

(i) the assignor gives the assignee such rights;

(ii) all other Members (by action of a Majority in Interest thereof) consent to such substitution, the granting or denying of which consent shall be in the other Members' absolute discretion;

(iii) the assignee or the assignor pays to the LLC all costs and expenses incurred in connection with such substitution, including, specifically and without limitation, costs incurred in reviewing and processing the assignment and amending this Agreement; and

(iv) the assignee executes and delivers such instruments in form and substance satisfactory to the LLC, as may be necessary or desirable to effect such substitution, and to confirm the agreement of the assignee to be bound by all of the terms and provisions of this Agreement.

The provisions of clause (ii) of this Section 6.01(c) shall not apply to (A) any transfer of an interest in the LLC pursuant to Section 6.03, or (B) any transfer of an interest to a Permitted Transferee.

(d) The LLC and the Members shall be entitled to treat the record owner of any interest in the LLC as the absolute owner thereof in all respects and shall incur no liability for distributions of cash or other property made in good faith to such owner, until such time as a written assignment of such interest has been received and accepted by the Members and recorded on the books of the LLC. The Members may refuse to accept an assignment until the end of the next successive quarterly accounting period. In no event shall any interest in the LLC or any portion thereof be sold, transferred or assigned to a minor or incompetent; and any such attempted sale, transfer or assignment shall be void and ineffectual and shall not bind the LLC.

(e) If a Member who is an individual dies, or if a court of competent jurisdiction adjudges him or her to be incompetent to manage his or her person or property, the Member's executor, administrator, guardian, conservator or other legal representative may exercise all of the Member's rights hereunder solely for the purpose of settling his or her estate or administering his or her property. In no event shall such executor, administrator, guardian, conservator or legal representative participate in any way in the conduct of the business of the LLC, or in making any decision or taking any action provided for hereunder (including, without limitation, Section 4.01(a) or (b)) for any other purpose. If a Member is a corporation, trust or other entity that is dissolved or terminated, the powers of that Member may be exercised by its legal representative or successor.

6.02 Additional Members. Except as provided in Sections 6.01 and 6.03, additional Members may be admitted to the LLC only upon the written consent of Members who hold, in the aggregate, at least 75 percent of the total Percentage Interests held by all Members ("75 percent in Interest of the Members"); and any such consent shall specify the capital contribution, Percentage Interest and any other rights and obligations of such additional Member. Such approval shall bind all Members. In connection with any such admission, this Agreement (including *Schedule A*) shall be amended to reflect the additional Member; its capital contribution, if any; its Percentage Interest; and any other rights and obligations of the additional Member.

In connection with any such admission of additional Members, the Percentage Interests of the Members shall be diluted proportionately, based on their respective Percentage Interests immediately prior to any such dilution. Without in any way limiting the foregoing, the interest of any third party admitted to the LLC, pursuant to this Section 6.02, in the Net Profits, Net Losses and distributions of cash or property of any nature, may have such priority or priorities in relationship to the interests therein of the Members, as 75 percent in Interest of the Members may in their sole discretion determine, provided that the relative priorities of the Members in the Net Profits, Net Losses and cash distributions of any nature of the LLC shall not be altered as a result of the admission of any such new member.

Each Member and each person who is hereinafter admitted to the LLC as a Member hereby (i) consents to the admission of any such third party on such terms as 75 percent in Interest of the Members may determine (subject to the provisions of this Section 6.02), and to any amendment to this Agreement that may be necessary or appropriate to reflect the admission of any such third party and the terms on which it invests in the LLC; and (ii) acknowledges that, in connection with admission of any such person, such Member's interest in allocations of Net Profits and Net Losses, and distributions of cash and property of the LLC, and net proceeds upon liquidation of the LLC, may be diluted or otherwise altered (subject to the provisions of this Section 6.02). Any amendment to this Agreement that shall be made to effectuate the provisions of this Section 6.02 shall be executed by not less than 75 percent in Interest of the Members, and any such amendment shall be binding upon all of the Members.

6.03 Put Option.

(a) If, following the death of any Member, the LLC is continued in accordance with the provisions of Section 7.01(b) below, the estate or legal representative of such Member (the "Deceased Member") shall have the option to cause the LLC to purchase the interest of the Deceased Member. Any such election shall be made by delivery of written notice thereof to all other Members within 120 days following the date of death of the Deceased Member (the "Termination Date"). The purchase price for such interest shall be determined in accordance with this Section 6.03. If the estate or legal representative of the Deceased Member fails to make an election within the time period specified in the preceding sentence, the option shall expire.

(b) If the estate or legal representative of the Deceased Member elects to cause the LLC to purchase the interest of the Deceased Member, such purchase shall be made on the following terms. The purchase price for the interest shall equal (x) the Percentage Interest of the Terminated Member multiplied by (y) the Appraised Value, as hereinafter defined. The Appraised Value shall equal the fair market value of the assets of the LLC (determined by an appraiser who is mutually acceptable to the estate or its legal representative and to a Majority in Interest of the other Members) net of any liabilities of the LLC. Such appraiser shall estimate the fairest price (in terms of money) that could be obtained if the LLC's assets were offered for sale in the open market, allowing a reasonable time to find a purchaser who buys with knowledge of the uses to which such LLC assets in their then current condition are adapted, and for which use such assets are capable of being put at the time of the appraisal. The appraiser shall also take into consideration whether any debt to which the assets are subject is prepayable or callable.

(c) The purchase price for the interest of the Deceased Member shall be paid in cash, by delivery of a promissory note of the purchaser or some combination thereof, as the LLC may determine. Any such promissory note shall be unsecured, shall provide for payment of equal annual installments over a term not to exceed five years, and shall bear interest at the then applicable federal rate (as defined in the Code and regulations promulgated thereunder) for a note with the maturity date of such promissory note. Such promissory note shall be prepayable at any time without premium or penalty.

(d) The closing of a purchase pursuant to this Section 6.03 shall be held at the principal office of the LLC or such other place as is agreed upon by the buyer and seller within 60 days after the estate or legal representative of the Deceased Member elects to sell the interest of the Deceased Member to the LLC on a date that shall be mutually acceptable to the buyer and the seller, or as soon as practicable thereafter. The estate or legal representative of the Deceased Member shall transfer to the LLC (or its designee) the entire interest of the Deceased Member in the LLC, free and clear of all liens, security interests and competing claims, and shall deliver to the LLC or its designee such instruments of assignment, transfer, release, and evidence of due authorization, execution and delivery, and absence of any liens, security interests or competing claims, as the LLC shall reasonably request. Each Member shall execute and deliver at such closing such other instruments as shall be necessary, appropriate or convenient to effectuate such transfer.

ARTICLE VII

Dissolution and Termination

7.01 Events of Dissolution.

(a) The LLC shall be dissolved:

(i) on a date designated in writing by all Members;

(ii) upon the death, retirement, expulsion, bankruptcy or dissolution of a Member subject to an election in accordance with Section 7.01(b);

(iii) upon the sale or other disposition of all of the LLC's assets; or

(iv) upon the entry of a decree of judicial dissolution.

(b) Notwithstanding the occurrence of an event specified in Section 7.01(a)(ii), the LLC shall not be dissolved, its business and affairs shall not be discontinued, and the LLC shall remain in existence as a limited liability company under the laws of the Commonwealth of Massachusetts, if all of remaining Members elect within 90 days after such occurrence to continue the LLC and its business.

(c) Dissolution of the LLC shall be effective on the day on which the event giving rise to the dissolution occurs, but the LLC shall not terminate until the LLC's Certificate of Organization shall have been canceled, and the assets of the LLC shall have been distributed, as provided herein. Notwithstanding the dissolution of the LLC, the business of the LLC and the affairs of its Members, as such, prior to the termination of the LLC as aforesaid, shall continue to be governed by this Agreement. A liquidator appointed by the remaining Members (who may also be a Member)

shall liquidate the assets of the LLC, distribute the proceeds thereof as contemplated by this Agreement and cause the cancellation of the LLC's Certificate of Organization.

7.02 Distributions upon Liquidation.

(a) After paying liabilities owed to creditors, the liquidator shall set up such reserves as it deems reasonably necessary for any contingent or unforeseen liabilities or obligations of the LLC. Said reserves may be paid over by such liquidator to a bank, to be held in escrow for the purpose of paying any such contingent or unforeseen liabilities or obligations, and, at the expiration of such period as such liquidator may deem advisable, such reserves shall be distributed to the Members or their assigns in the manner set forth in paragraph (b), below.

(b) After paying such liabilities and providing for such reserves, the liquidator shall cause the remaining net assets of the LLC to be distributed to all Members with positive Capital Account balances, in proportion to and to the extent of such positive balances. If any part of such net assets consists of notes or accounts receivable or other noncash assets, the liquidator may take whatever steps it deems appropriate to convert such assets into cash or into any other form that would facilitate the distribution thereof. If any assets of the LLC are to be distributed in kind, such assets shall be distributed on the basis of their fair market value, net of any liabilities.

ARTICLE VIII Miscellaneous

8.01 *Notices.* Any and all notices, requests, elections, consents or demands, permitted or required to be made under this Agreement, shall be in writing; signed by the Member giving such notice, request, election, consent or demand; and shall be delivered personally, or sent by email if confirmed by the recipient or other electronic means or registered or certified mail, or by overnight mail, Federal Express or other similar commercial overnight courier, to the other Member or Members at their addresses set forth in *Schedule A*. Signatures may be electronic. Notice to the LLC should be sent to the address of the LLC's principal office as set forth in Article I, hereof, or at such other address as may be supplied by written notice given in conformity with the terms of this Section 8.01. The date of personal delivery, *i.e.*, three days after the date of mailing or the business day after delivery to an overnight courier, or the date of actual delivery if sent by any other method, as the case may be, shall be the date of such notice. If notice was sent by electronic means, some proof of receipt must exist, showing the date of delivery (such as, without limitation, an electronic "read receipt" or the recipient's acknowledgment.)

8.02 *Successors and Assigns.* Subject to the restrictions on transfer set forth herein, this Agreement and each and every provision hereof shall be binding upon and shall inure to the benefit of the Members, their respective successors, successors in title, heirs and assigns; and each and every successor in interest to any Member, whether such successor acquires such interest by way of gift, purchase, foreclosure or by any other method, shall hold such interest subject to all of the terms and provisions of this Agreement.

8.03 *Amendments.* Except as otherwise specifically provided in this Agreement (including, without limitation, Section 6.02), this Agreement may be amended or modified only by a Majority in Interest of the Members, provided that (x) no such amendment shall increase the liability of, in-

crease the obligations of, or disproportionately adversely affect the interest of any Member, without the specific approval of such Member; (y) if any provision of this Agreement provides for the approval or consent of a greater number of Members or of Members holding a higher percentage of the total Percentage Interests of the Members, any amendment effectuated pursuant to such provision, and any amendment to such provision, shall require the approval or consent of such greater number of Members or of Members holding such higher percentage of Percentage Interests; and (z) subject to clauses (x) and (y), above, any amendment to this Section 8.03 shall require the approval of Members holding not less than two-thirds of all Percentage Interests.

8.04 *Partition.* The Members hereby agree that no Member or any successor in interest to any Member shall have the right, while this Agreement remains in effect, to have the property of the LLC partitioned, or to file a complaint or institute any proceeding at law or in equity to have the property of the LLC partitioned; and each Member, on behalf of himself or herself, his or her successors, representatives, heirs and assigns, hereby waives any such right. It is the intention of the Members that, during the term of this Agreement, the rights of the Members and their successors in interest, as among themselves, shall be governed by the terms of this Agreement; and that the right of any Member or successor in interest to assign, transfer, sell or otherwise dispose of his or her interest in the LLC shall be subject to the limitations and restrictions of this Agreement.

8.05 *No Waiver.* The failure of any Member to insist on strict performance of a covenant or any obligation hereunder, irrespective of the length of time for which such failure continues, shall not be a waiver of such Member's right to demand strict compliance in the future. No consent or waiver, express or implied, to or of any breach or default in the performance of any obligation hereunder, shall constitute a consent or waiver to or of any other breach or default in the performance of the same or any other obligation hereunder.

8.06 *Entire Agreement.* This Agreement constitutes the full and complete agreement of the parties hereto with respect to the subject matter hereof.

8.07 *Captions.* Titles or captions of Articles or sections contained in this Agreement are inserted only as a matter of convenience and for reference, and in no way define, limit, extend or describe the scope of this Agreement or the intent of any provision hereof.

8.08 *Counterparts.* This Agreement may be executed in a number of counterparts, all of which together shall, for all purposes, constitute one Agreement, binding on all the Members, notwithstanding that all Members have not signed the same counterpart.

8.09 *Applicable Law.* This Agreement and the rights and obligations of the parties hereunder shall be governed by, and interpreted, construed and enforced in accordance with, the laws of the Commonwealth of Massachusetts.

8.10 *Gender, Etc.* In the case of all terms used in this Agreement, the singular shall include the plural, and the masculine gender shall include the feminine and neuter, and vice versa, as the context requires.

8.11 *Creditors.* None of the provisions of this Agreement shall be for the benefit of, or enforceable by, any creditor of any Member or of the LLC, other than a Member who is such a creditor of the LLC in his, her or its capacity as a Member.

IN WITNESS WHEREOF, the Members have signed and sworn to this Agreement under penalties of perjury as of the date first above written.

EXECUTIVE SUMMARY

1.1 Mission and Vision Statements of Massbiology Technology, LLC

Mission Statement

Our mission is to provide consumers the highest quality cannabis, produced in our state-of-the-art cultivation and manufacturing facility. We don't strive to follow best practices; we aspire to set them by building an *industry leading company* that transforms the perception of cannabis and responsibly elevates the consumer experience.

Vision

Our goal is to establish a successful cannabis business comprised of passionate, daring people, driven by quality and integrity, who are determined to positively change the perception of cannabis and to collaborate with City and community leaders in changing the conversation around cannabis, by promoting the positive and healthy lifestyle of responsible consumers, and providing educational and employment opportunities.

1.2 Product

In addition to traditional and newly created strains of cannabis flower, Massbiology Technology, LLC will offer a wide range of products and services that will allow Massbiology Technology, LLC to separately serve various needs. Products, Massbiology Technology, LLC intends to offer, include but will not be limited to:

1. Pre-packaged flower and pre-rolls
2. Inhalation ready to use CO2 Vape cartridges
3. Edibles, including but not limited to, gummies, chocolates and cookies

1.3 Target

Massbiology Technology, LLC's target is adults over the age of 21.

1.4 What Drives Us

Massbiology Technology, LLC's goals include:

1. Serving consumers with high quality, consistent, laboratory-tested premier-grade cannabis and derivatives;
2. Assisting local communities in offsetting the cost of Massbiology Technology, LLC's operations within their communities;
3. Hiring employees and contractors from within the communities we serve and those that have been particularly harmed by the war on drugs;
4. Hiring employees from economically distressed communities and giving them the space and knowledge to flourish professionally within Massbiology Technology, LLC and the cannabis industry, as a whole;
5. Having a diverse and socially representative pool of employees;

6. Empowering the next generation of leaders through hiring, training, and teaching through programs. Massbiology Technology, LLC plans to create a cannabis incubator/accelerator program to introduce potential hires in the cultivation and production of cannabis and cannabis products;
7. Being the most environmentally friendly cannabis operator in the Commonwealth of Massachusetts, through the use of our cultivation methods which include, but are not limited to, climate-controlled facilities with an advanced HVAC system, and more:
8. Creating branded cannabis products that stand for safe, effective, consistent, and high-quality cannabis products.

2. COMPANY DESCRIPTION

2.1 Structure

Massbiology Technology, LLC is a Massachusetts domestic limited liability corporation applying for licenses from the Massachusetts Cannabis Control Commission ("CCC") to operate a Cannabis Cultivation and Product Manufacturing facility.

Massbiology Technology, LLC will file, in a form and manner specified by the Commission, an application for licensure as a ME consisting of three packets: an Application of Intent packet; a Background Check packet; and a Management and Operations Profile packet.

2.2 Operations in Holyoke,

The Cultivation and Product Manufacturing will be located at Massbiology Technology, LLC's facility, 6 Appleton St., Holyoke MA 01040 (all actives referred to, collectively, as "the facility").

The facility is well positioned to match the ideal picture of a community cultivation and product manufacturer. Prior to Massbiology Technology, LLC taking over the facility, it was a defunct paper mill.

The facility encompasses 1 building totaling ±59,000 square feet on over .72 acres of land.

In Phase 1, Upon receipt of the Special Permit from the City of Holyoke and license approval from the Massachusetts Cannabis Control Commission, Massbiology Technology, LLC plans on converting the warehouse space immediately into a marijuana cultivation space in compliance with state guidelines. Massbiology Technology, LLC will be using ~21,000 square feet of a newly renovated, climate-controlled area for flowering canopy, and ~5,000 square feet consisting of an employee entrance, preparation area, mother room, clone/vegetative room, irrigation room, and a room dedicated to the system controls. Additionally, Massbiology Technology, LLC has an area totaling ~5,000 square feet, dedicated to drying, curing, trimming and packaging, harvested cannabis within the facility. It is the goal to have the initial build-out of the facility to be completed by September 2022. Further cultivation expansion (Phase 2) is planned to begin within 12 months of business operations commencing.

Massbiology Technology, LLC will establish inventory controls and procedures for inventory review, and will conduct of a monthly inventory of cannabis in the process of cultivation and finished, stored cannabis; as well, as conducting of a comprehensive annual inventory at least once every year after the date of the previous comprehensive inventory; with prompt transcription of inventories, if taken by use of an oral recording device.

Massbiology Technology, LLC will tag and track all cannabis clones, plants, and cannabis products, using METRC and a seed-to-sale methodology (TBD) in a form and manner to be approved by the Commission.

No cannabis product, including cannabis, will be sold or otherwise marketed that is not tested by Independent Testing Laboratories, except as allowed under 935 CMR 500.000.

Massbiology Technology, LLC maintains, and will continue to maintain, records, including all records required in any section of 935 CMR 500.000, which will be available for inspection by the Commission, upon request. The records shall be maintained in accordance with generally accepted accounting principles. Records shall be maintained for at least 12 months.

Massbiology Technology, LLC shall obtain and maintain for its adult-use activities, general liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually, and product liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually, except as provided in 935 CMR 500.105(10)(b) or otherwise approved by the Commission. The deductible for each policy shall be no higher than \$5,000 per occurrence.

Massbiology Technology, LLC will provide, adequate lighting, ventilation, temperature, humidity, space, and equipment, in accordance with applicable provisions of 935 CMR 500.105 and 500.110.

All recyclables and waste, including organic waste composed of or containing finished cannabis and cannabis products, will be stored, secured, and managed in accordance with applicable state and local statutes, ordinances, and regulations. Organic material, recyclable material, solid waste, and liquid waste containing cannabis or by-products of cannabis processing shall be disposed of in compliance with all applicable state and CCC requirements.

Massbiology Technology, LLC will demonstrate consideration of the factors for Energy Efficiency and Conservation outlined in 935 CMR 500.105(15) as part of its operating plan and application for licensure.

Massbiology Technology, LLC will obtain and shall provide proof of having obtained a surety bond in an amount equal to its licensure fee payable to the Cannabis Regulation Fund to ensure payment of the cost incurred for the destruction of cannabis goods necessitated by a violation of St. 2016, c. 334, as amended by St. 2017, c. 55 or 935 CMR 500.000 on the cessation of operation of Massbiology Technology, LLC and Massbiology Technology, LLC agents shall comply with all local rules, regulations, ordinances, and bylaws.

2.3 Security Massbiology Technology, LLC will contract with a professional security and alarm company, which will design, implement and monitor our comprehensive security plan to ensure that the facility is a safe and secure environment for employees and the local community. A redundant alarm system will be installed to ensure that active alarms remain operational, if the primary system is compromised.

Massbiology Technology, LLC's state-of-the-art security system will consist of perimeter cameras, as well as duress, panic, and holdup alarms connected to local law enforcement for efficient notification and response in the event of a security threat. The system also includes a failure notification system that will immediately alert the executive management team if a system failure occurs.

Interior and exterior HD video surveillance of all areas that contain cannabis, entrances, exits, and parking lots are operational 24/7 and available to the local Police Departments. These surveillance cameras remain operational even in the event of a power outage.

The exterior of the facility and surrounding area will be sufficiently lit and foliage will be minimized to ensure clear visibility of the area at all times.

Building Security

Property Security will be compliant with all state guidelines and will include the following:

- Perimeter Fencing;
- Facility to have opaque windows;
- Limited access to employees and vendors only over 21 years of age; resulting in a low risk of diversion of products to minors;
- Grow rooms and Lab area electronically secure.
- Finished marijuana to be stored in a vault;
- Interior Motion Detection during non-business hours
- Exterior and interior video surveillance with 24 hour recording, per state requirements;
- Duress, panic and hold up alarms connected to local law enforcement;
- Back up security system;
- Refuse to be removed from property in accordance with state guidelines; and
- Product transportation in accordance with state guidelines.
- Security personnel on site during business hours.

Only Massbiology Technology, LLC's registered agents and other authorized visitors (e.g. contractors, vendors) will be allowed access to the facility, with proper ID, validating that they are 21 years or older and a visitor log will be maintained in perpetuity.

All agents and visitors are required to visibly display an ID badge, with Massbiology Technology, LLC maintaining a current list of individuals with access.

On-site consumption of cannabis by Massbiology Technology, LLC employees and visitors will be prohibited.

Odor Control

Massbiology Technology, LLC shall satisfy air pollution control, including prevention of odor and noise pursuant to 310 CMR 7.00: Air Pollution Control as a condition of obtaining a final license under 935 CMR 500.103(2) and as a condition of renewal under 935 CMR 500.103(4).

2.4 Benefits to the Municipality

Massbiology Technology, LLC looks forward to working cooperatively with the City of Holyoke, and to operate as a responsible, contributing member of the community. The city stands to benefit in various ways, including but not limited to the following:

- **Jobs:** The Holyoke Facility will add over time ~50 full-time jobs, in addition to hiring qualified, local contractors and vendors
- **Monetary Benefits:** A Host Community Agreement will provide the municipality with additional financial benefits beyond local property taxes.
- **Access to Quality Product:** Massbiology Technology, LLC will allow consumers in the Commonwealth to have access to high quality cannabis and cannabis products that are tested for cannabinoid content and contaminants
- **Control:** In addition to the CCC, Holyoke's Police Department will have oversight over Massbiology Technology, LLC's security systems and processes
- **Responsibility:** Massbiology Technology, LLC will be comprised of experienced cultivators and professionals who have been thoroughly background checked and scrutinized by the Cannabis Control Commission.

3. MARKET RESEARCH

3.1 Industry: Massachusetts is still an immature market with adult use cannabis only being legal since 2018. The industry is growing exponentially with over 100 licensed adult use dispensaries in MA. Most adult use dispensaries are not vertically integrated and rely on wholesale product. This will benefit Massbiology Technology, LLC in the supply and demand of wholesale product to other MA licensed dispensaries.

3.2 Consumers: In Massachusetts, sales are expected to increase from \$539 million in 2020, to eventually \$1.4 billion in 2025, according to New Frontier Data.

3.3 Competitors Massbiology Technology, LLC's competitors include all currently open Marijuana Establishments (MEs) in the greater Holyoke area including, but not limited to, Green Thumb Industries (GTI), Resinate, INSA, and NETA.

3.4 Competitive Advantage: In every business, there is competition, however, the cannabis industry is known to be highly competitive. Massbiology Technology, LLC possesses several strengths which will allow it to stand apart from the competition. The industry is rapidly growing, and consumers are scrutinizing the quality of cannabis produced, and in some way also the branding of the business.

3.5 Regulations: Massbiology Technology, LLC plans to become a Marijuana Establishment (ME) consistent with the objectives of 935 CMR 500.000.

It is registered to do business in the Commonwealth as a domestic limited liability company (LLC) in compliance with 935 CMR 500.000 and maintains the corporation in good standing with the MA Secretary of State and the MA Department of Revenue.

Massbiology Technology, LLC will apply for all state and local permits and approvals required to renovate and operate the facility and will continue to work cooperatively with various municipal

departments to ensure that the proposed facility complies with all state and local codes, rules and regulations with respect to design, renovation, operation and security.

The Holyoke Facility will cultivate cannabis, manufacture cannabis products, transport cannabis products, and conduct research and development.

4. PRODUCT / SERVICE

4.1 Product & Service: Massbiology Technology, LLC has strict and thorough standard operating procedures (“SOPs”) for its various operations. Said SOPs will be available to be reviewed by the staff at the Commission and the government officials, police, and fire officials in Holyoke, within which Massbiology Technology, LLC operates.

The core products Massbiology Technology, LLC will produce and distribute include, but are not limited to, smokable cannabis with varying levels of THC and CBD, ingestible infused products, and vaporizing cartridges.

4.2 Pricing Structure: Massbiology Technology, LLC pricing structure will vary based on market conditions. Massbiology Technology, LLC plans to produce products and of superior quality and will price its products accordingly.

4.3 Research & Development: Massbiology Technology, LLC plans to utilize a tissue culture laboratory to provide propagation through tissue cultures. If successful, not only would Massbiology Technology, LLC generate an even more consistent product, but Massbiology Technology, LLC will also be able to further reduce its environmental impact as it would negate the need to have a “mother room” from which to create clones.

Externally, Massbiology Technology, LLC plans to launch a premiere accelerator/incubator program for which any entrepreneur or researcher can apply to participate in. Massbiology Technology, LLC plans to accept 5-10 applicants every six months, based on an application process. Massbiology Technology, LLC would be looking for entrepreneurs and researchers that want to advance the cannabis industry with concepts including, but not limited to, new products, new brands, new cultivation techniques, new extraction techniques. Massbiology Technology, LLC is committed to empowering people from all walks of life to succeed and our incubator/accelerator program will be built for that purpose.

Apart from access to our facilities, Massbiology Technology, LLC will provide those enrolled in our program with expert guidance, hands on training, raw materials, legal assistance, and other tools to succeed in the cannabis industry.

5. MARKETING & SALES

5.1 Growth Strategy

Massbiology Technology, LLC’s plan to grow the company includes:

1. Strong and consistent branding;
2. A caring and thoughtful team made of consummate professionals; and
3. Superior products

5.2 Communication

Massbiology Technology, LLC will engage in reasonable marketing, advertising, and branding practices that are not otherwise prohibited in 935 CMR 500.105(4)(b) that do not jeopardize the public health, welfare or safety of the general public or promote the diversion of cannabis or cannabis use in individuals younger than 21 years old. Any such marketing, advertising and branding created for viewing by the public shall include the statement “Please Consume Responsibly,” in a conspicuous manner on the face of the advertisement and shall include a minimum of two of the warnings, located at 935 CMR 500.105(4)(a), in their entirety in a conspicuous manner on the face of the advertisement.

All marketing, advertising and branding produced by or on behalf of Massbiology Technology, LLC shall include the following warning, including capitalization, in accordance with M.G.L. c. 94G, § 4(a)(xxvi): “This product has not been analyzed or approved by the Food and Drug Administration (FDA). There is limited information on the side effects of using this product, and there may be associated health risks. Cannabis use during pregnancy and breast-feeding may pose potential harms. It is against the law to drive or operate machinery when under the influence of this product. KEEP THIS PRODUCT AWAY FROM CHILDREN. There may be health risks associated with consumption of this product. Cannabis can impair concentration, coordination, and judgment. The impairment effects of edible cannabis may be delayed by two hours or more. In case of accidental ingestion, contact poison control hotline 1-800-222-1222 or 9-1-1. This product may be illegal outside of MA.”

Massbiology Technology, LLC shall ensure that all cannabis products that are provided for sale to Consumers are sold in tamper or child-resistant packaging. Packaging for cannabis products sold or displayed for Consumers, including any label or imprint affixed to any packaging containing cannabis products or any exit packages, shall not be attractive minors.

Packaging for cannabis products sold or displayed for consumers in multiple servings shall allow a consumer to easily perform the division into single servings and include the following statement on the exterior of the package in a printed font that is no smaller than ten-point Times New Roman, Helvetica or Arial, including capitalization: “INCLUDES MULTIPLE SERVINGS.” Massbiology Technology, LLC will not sell multiple serving beverages and each single serving of an edible cannabis product contained in a multiple-serving package shall be marked, stamped, or otherwise imprinted with the symbol issued by the Commission under 935 CMR 500.105(5) that indicates that the single serving is a cannabis product. At no point will an individual serving size of any cannabis product contain more than five (5) milligrams of delta-nine tetrahydrocannabinol.

5.4 Logo: Massbiology Technology, LLC will develop a logo to be used in labeling, signage, and other materials such as letterhead and distributed materials.

The logo will be discreet, unassuming, and does not use medical symbols, images of cannabis, related paraphernalia, or colloquial references to cannabis or cannabis.

5.5 Management Profile

Massbiology Technology, LLC is owned by an individual as the sole investor:

Qihang Zhang: lives in Springfield, MA and has previously studied Economics and

Management. Mr. Zhang plans to be actively involved in the Holyoke community and to provide support financially and through volunteer hours for ongoing projects, focusing on the homeless and those with addiction issues. Mr. Zhang hopes to create an diverse and welcoming community at Massbiology Technology, LLC as the general manager.

Conclusion

Massbiology Technology, LLC will be a cannabis cultivation and manufacturing facility at a Tier 4 level. Located in Holyoke MA and founded by a MA resident without any outside investors, the company will specialize in quality flower and process goods without any hazardous chemicals. Massbiology Technology, LLC hopes to be a long-time member and contributor to the community with future expansion within the town.

Policy for Separating Recreational from Medical Operations

Not Applicable

(Massbiology Technology is not a Medical Marijuana Treatment Center or Existing RMD Applicant)

1) Energy Efficiency, Conservation and Compliance

The MassBiology Technology Commercial Cultivator Facility will select lighting fixtures that are either on the Design Light Consortium (DLC) Horticultural Qualified Products List (HQPL) and/or that meet the Horticultural Lighting Power Density (HLPD) requirements at 2.7 umol/J while maintaining under 36 watts per square foot of active canopy on average across the entire facility unless otherwise determined in guidelines issued by the Commission, and utilizes a state of the art, closed loop Heating, Ventilation, and Air Conditioning (HVAC) system in each room.

MassBiology Technology will implement automated systems to control, monitor, and maintain temperature and humidity levels throughout each individual cultivation room within the facility. Cultivation rooms are individually controlled and monitored using a Direct Digital Control (DDC), which is an automated control of a condition or process by a digital device. This device system(s) allows for adjustable environmental parameters including temperature and humidity, light intensity, and CO₂ distribution. Cultivation rooms that house plant material will be under video surveillance as outlined in the MassBiology Technology Security Policies and Procedures.

The MassBiology Technology Commercial Cultivator Facility will be constantly aiming toward improving energy efficiencies and conservations. Current utilization of LED grow lights for cultivation have been implemented providing lower energy use in many ways. The fixtures themselves use less energy and produce less heat than traditional fixtures. With significantly less heat comes another exponential saving of energy typically used for HVAC.

MassBiology Technology shall satisfy minimum energy efficiency and equipment standards established by the Commission and meet all applicable environmental laws, regulations, permits and other applicable approvals including, but not limited to, those related to water quality and quantity, wastewater, solid and hazardous waste management, and air pollution control, including prevention of odor and noise pursuant to 310 CMR 7.00: Air Pollution Control as a condition of obtaining a final license under 935 CMR 500.103(2) and as a condition of renewal under 935 CMR 500.103(4).

MassBiology Technology shall adopt and use additional best management practices as determined by the Commission, in consultation with the working group established under St. 2017, c. 55, § 78(b) or applicable departments or divisions of the Executive Office of Energy and Environmental Affairs (EOEEA), to reduce energy and water usage, engage in energy conservation and mitigate other environmental impacts, and shall provide energy and water usage reporting to the Commission.

MassBiology Technology will satisfy and comply with the minimum energy efficiency and equipment standards established by the Commission and meet all applicable environmental laws, regulations, permits and other applicable approvals, including those related to water quality and solid and hazardous waste management, prior to obtaining a final license under 935 CMR 500.103(2).

MassBiology Technology will adopt and use additional best management practices as determined by the Commission, in consultation with the working group established under St. 2017, c. 55, § 78(b) to reduce energy and water usage, engage in energy conservation and mitigate other environmental impacts, and shall provide energy and water usage reporting to the Commission in a form determined by the Commission.

MassBiology Technology has engaged in conversations with engineers and consultants in order to meet and exceed the following minimum energy efficiency and equipment standards:

The building envelope for our facilities will meet minimum Massachusetts Building Code requirements and all Massachusetts amendments (780 CMR: State Building Code), International Energy Conservation Code (IECC) Section C. 402 or The American Society of Heating, Refrigerating and Air-conditioning Engineers (ASHRAE) Chapters 5.4 and 5.5 as applied or incorporated by reference in 780 CMR: State Building Code, except that facilities using existing buildings may demonstrate compliance by showing that the envelope insulation complies with code minimum standards for Type Factory Industrial F-1, as further defined in guidelines issued by the Commission.

MassBiology Technology has already begun the research and initiated conversations with engineers and consultants to ensure the modification of our proposed facility meets these standards.

MassBiology Technology has engaged in conversations with industry consultants and engineers to ensure we meet the LPD requirement.

Heating Ventilation and Air Condition (HVAC) and dehumidification systems must meet Massachusetts Building Code requirements and all Massachusetts amendments (780 CMR: State Building Code), IECC Section C. 403 or ASHRAE Chapter 6 as applied or incorporated by reference in (780 CMR: State Building Code).

MassBiology Technology has begun to research HVAC engineers and consultants to design and install compliant HVAC and dehumidification systems.

Safety protocols will be established and documented to protect workers (e.g., eye protection near operating grow lights).

MassBiology Technology safety protocols require that all agents, or other persons must wear Personal Protective Equipment (“PPE”) when in certain areas of the facility.

MassBiology Technology understands that the Commission may further define these standards, or create reasonable exemptions or modifications, through guidelines issued in consultation with the energy and environmental standards working group established under St. 2017, c. 55, § 78(b), including but not limited to provisions for greenhouses and agricultural buildings.

Environmentally Friendly:

MassBiology Technology will be conscious in equipment selection, operations, as well as any future modifications to help minimize power consumption, decrease water usage, and always be further optimizing facility inputs while minimizing outputs and decreasing our carbon footprint. Indoor cultivation can be good for the environment because it massively reduces the amount of fossil fuels needed for farming equipment which is not required to sow, fertilize, weed, or harvest crops.

Optimized Use of Space:

MassBiology Technology's vertical racking vegetative grow-systems allow us to expand upwards. With this methodology, it is possible to achieve higher productivity in a smaller footprint. Depending on which strain is grown, one vertical vegetative room can consistently produce easily two (2) to three (3) times, or more, the amount produced in the same footprint of traditional indoor cannabis cultivation facilities, but with identical vegetative square footages being used.

Minimized Water Usage:

MassBiology Technology is extremely committed to being environmentally conscious and friendly. One of the main benefits of indoor cultivation is that the cultivation process uses about 10% of the amount of water, and as a result nutrients and fertilizers, compared to traditional methods. MassBiology Technology will be committed to ongoing analysis of both incoming and outgoing water quality to suitably treat and dispose of. Cultivation plans will focus on grow methods to minimize the volumes of runoff as well, while being conscious of, and testing runoff for analysis of treatment and/or disposal. MassBiology Technology will utilize crop steering methods as well as stacking techniques when and where applicable, to further minimize water usage while maintaining or increasing quality and yield.

Less Chemicals and/or Pesticides:

Growing cannabis in an indoor cultivation setting, when managed correctly, offers the opportunity to significantly reduce the need for pesticides. Pests have a much greater difficulty entering the controlled environment to cause crop damage and fungal diseases struggle to gain a foothold as humidity levels are managed. The result of which is a product which is cleaner, healthier, safer, and which continues to guarantee a steady and uninterrupted supply of cannabis. MassBiology Technology is committed to providing barriers to entry to aid in minimizing exposure to pests and/or pathogens. Uniforms will be supplied to minimize outside contaminants from entering the facility and a paramount focus will be help on cleanliness and sanitation.

Highly Energy Efficient:

MassBiology Technology specializes in renewable technologies and systems solutions which can harness excess energy to be reused elsewhere in the facility. The use of LED lighting fixtures allows for MassBiology Technology to meet both LPD requirements of 2.2 umol/J minimum or 36 watts per square foot maximum, operating at 2.7 umol/J and under 36 watts per square foot. The use of vertical vegetative racking systems allows for MassBiology Technology to begin production being conscious of energy usages. MassBiology Technology will always be committed to taking further steps to assure energy usages and efficiencies are continuously monitored and optimized throughout the life of the business.

Safe for Staff:

Traditional cultivation has gained an unwanted reputation for being a workplace burdened with health and safety risks. With little to no heavy machinery or chemicals used for indoor cultivation, it obviously does not possess the same occupational hazards, thus significantly reducing the risk of injury. MassBiology Technology is committed to putting the health and safety of agents first, providing proper PPE, training, and safety measures throughout the facility.

Unaffected by Adverse Weather Conditions:

Growing in a fully enclosed and climate-controlled environment completely eradicates the need to rely on, or worry about, the weather. Whereas crops in a field can be ruined by excessive rain, wind, droughts, pests, diseases, etc., indoor farming provides significantly greater harvest certainties. MassBiology Technology HVAC systems will also have the future potential to utilize the filtration and sterilization to aid in controlling the indoor cultivation spaces utilizing any potential beneficial and/or adverse weather conditions and exterior pressures significantly reducing the energy uses of compressors within the units.

Reliable, Year-Round Crop Production:

The biggest indoor cultivation benefit is the fact that it is not dependent on the weather, meaning you can achieve a consistent year-round crop production without worrying about the impact of adverse weather conditions can have both on quality and profiling of production and yield. Cultivating in a protected, well-monitored, and managed environment brings assurance and peace of mind for growers providing repeatable programmable production. Indoor cultivation also successfully reduces harvest times and improves volume without compromising, while increasing on quality, potency, aromas, and flavors, which always remain consistent. Quality, potency, aromas, flavors, and shelf life have consistently been able to demonstrate improved attributes when using an indoor growing system, when designed and managed correctly. This allows MassBiology Technology to confidently commit to delivery schedules and agreements to fulfill orders supplying a steady and uninterrupted supply of cannabis to the Massachusetts market.

ACCESS RESTRICTION TO AGE 21 AND OLDER

Pursuant to 935 CMR 500.110(1)(a), marijuana will only be accessible to consumers 21 years of age or older with a verified and valid, government-issued photo ID.

MASSBIOLOGY TECHNOLOGY, LLC DIVERSITY PLAN

Overview

Massbiology Technology, LLC is dedicated to promoting equity in its operations for diverse populations, which the Commission has identified as the following:

1. Minorities;
2. Women;
3. Veterans;
4. People with disabilities; and
5. LGBTQ+.

To support such populations, Massbiology Technology, LLC has created the following Diversity Plan (the "Plan") and has identified and created goals/programs to promote equity in Massbiology Technology, LLC's operations.

Goals

In order to promote equity for the above-listed groups in its operations, Massbiology Technology, LLC has established the following goals:

1. Hiring and retaining a talented staff of employees that represent the diverse groups living in Massachusetts, preferably in Holyoke and surrounding communities by:
 - Ensuring that the number of individuals hired fall into the above listed demographics. More specifically, the goal for employment composition is:
 - At least 10% of staff is comprised of minorities;
 - At least 30% of staff is comprised of women;
 - At least 10% of staff is comprised of veterans;
 - At least 10% of staff is comprised of Disabled Individuals; and
 - At least 10% of staff is comprised of individuals who identify as LGBTQ.
2. Sourcing various contractors, subcontractors, vendors and suppliers from Massachusetts, preferably in Holyoke and surrounding communities, which ensures a balanced representation of minority, veteran and women-owned businesses; More specifically the goal for sourcing contractors, subcontractors, vendors and suppliers is estimated at:
 - 20% is comprised of minorities
 - 20% is comprised of veterans
 - 20% is comprised of women

Programs

Massbiology Technology, LLC has developed specific programs to effectuate its stated goals to promote diversity and equity in its operations, which will include the following:

1. Advertising employment opportunities in diverse publications including bilingual media, networking groups for those who identify with the above-listed demographics, and posting job options on public boards, as positions open up, but no less than annually; Massbiology Technology, LLC shall post quarterly advertisements in the local newspaper The Holyoke Sun and Masslive.com stating that Massbiology Technology, LLC is specifically looking for minorities, women, veterans, people with disabilities and people who identify as LGBTQ+.
2. Providing briefings to representatives from recruitment sources tailored to individuals falling in the above-listed demographics concerning current and future job openings;
3. Encouraging employees to refer applicants from diverse groups for employment, as positions open up; and
4. Hosting a least one (1) career fair annually in Holyoke, with a focus on interviewing members of the diverse populations.
5. Massbiology Technology, LLC plans to source contractors, suppliers and vendors by placing public notices, at the time of construction, in the local newspaper The Holyoke Sun and Masslive.com stating that Massbiology Technology, LLC is looking for minorities, women, and veteran owned contractors to bid on the marijuana establishment's ongoing construction, and Massbiology Technology, LLC also plans to reach out to churches and community centers, in Holyoke and surrounding communities, to source and identify local vendors and suppliers.

Measurements

The Chief Operating Officer and HR will administer the Plan and will be responsible for developing measurable outcomes to ensure Massbiology Technology, LLC continues to meet its commitments. Such measurable outcomes, in accordance with its goals and programs described above, include:

- Employee data, including the number of individuals from the above-referenced demographic groups who were hired and retained after the issuance of a license;
- Number of positions created since initial licensure;
- Number of and type of information sessions held or participated in with supporting documentation since initial licensure;
- Number of postings in diverse publications or general publications with supporting documentation on an annual basis;
- Number and subject matter of trainings held and the number of individuals falling into the above-listed demographics in attendance; and

- A comprehensive description of all efforts made by Massbiology Technology, LLC to monitor and enforce the Plan.

Beginning upon receipt of Massbiology Technology, LLC's first "Commence Operations" designation from the Commission to operate a marijuana establishment in the Commonwealth, Massbiology Technology, LLC will utilize the proposed measurements to assess its Plan and will account for demonstrating documented proof of success or progress of the Plan, one year from provisional licensure.

The Chief Operating Officer and HR will review and evaluate Massbiology Technology, LLC's measurable outcomes no less than annually to ensure that it is meeting its commitments. Massbiology Technology, LLC is mindful that demonstration of the Plan's progress and success will be submitted to the Commission upon renewal.
