Jay,

As discussed, the meeting date and time is appropriate and can proceed. The newspaper noticing is not a Town requirement so please schedule as required or appropriate, per State requirements. We will be sure to send out an electronic notice and post the meeting to the Town's online calendar. Please submit meeting materials to be posted to the Town website so that we can provide a link in our electronic Notify Me.

Further, we will be sure to file the notice with the Town Clerk.

Subject: Re: Documenting Approval for Community Meeting re: Proposed 48 N. Beacon Marijuana Establishment Project
Importance: High

Hi Steve and Gideon,

As discussed, attached please find Eskar LLC's (d/b/a Sira Naturals, Inc.) notice of Virtual Community Outreach Meeting to be held on Thursday, September 10th at 7PM as scheduled in coordination with Councilor Feltner (copied) and your office. As agreed, we will be noticing abutters of up to 500 feet by certified mail later this week (state requirement is 300 feet), in addition to publishing the attached proof in the Watertown TAB and Watertown News. We will be running the attached legal notice this Friday (8/21), as well as next Monday (8/24) and Friday (8/28), above and beyond the single day notice requirement. We will also be posting all slides and materials by end of week at www.48nbeacon.com, ensuring folks have nearly 3-weeks to review materials and ask questions before the meeting (state requirement is 24-hours). We will be sure to also send these materials to this list as well for publishing on the Town's webpage.

If you could please 1) confirm your approval of this meeting for the purposes of documenting the approval

for our state CCC application, as well as 2) ensure the attached notice is properly filed with the Town Clerk, we would be so grateful.

Thank you and the entire team at the Town for your ongoing collaboration and work together. It has been a pleasure.

Thank you,

Jay

Subject: Documenting Approval for Community Meeting re: Proposed 48 N. Beacon Marijuana Establishment Project

Hi Steve,

Thank you and the team again for all of your time and engagement around the proposed site plan at 48 North Beacon. We have valued the time and discussions to-date.

Pursuant to CCC Guidance for Applicants on Community Outreach and the CCC Executive Director's Administrative Order Allowing Virtual Web-Based Community Outreach Meetings, I am seeking to document the contracting authority's approval of Eskar LLC's (d/b/a Sira Naturals) proposed Community Outreach Meeting for the purposes of state CCC requirements found at 935 CMR 500.101(1)(a)(9) and 935 CMR 501.101(1)(a)(9) and the Town's own Community Meeting Requirements. As discussed, we intend to hold the virtual meeting on the proposed medical and adult-use retail location on **Thursday, September 10, 2020 at 7:00PM**.

Finally, the CCC requires that the applicant designate a meeting moderator who shall not have an interest in the business. I understand that with the Historic Commission meeting scheduled that evening, your staff may not be available to participate. As Steve Winnick, my colleague Jefferson Smith and I have no direct financial interest in this project, consistent with approvals commonly received from other municipalities, we are confirming your approval of one of us participating as the designated moderator at this community meeting.

Thank you so much, again, Steve – and please let me know if you had any luck connecting with Councilor Feltner. We so appreciate the support.

With gratitude,

Jay

Policy for Separating Recreational from Medical Operations

Sira is committed to being compliant with all regulations and any other requirements or sub-regulatory guidance issued by the Massachusetts Cannabis Control Commission (“CNB” or “the Commission”) and any other requirements or sub-regulatory guidance issued by any other regulatory agency.

To clearly and concisely outline our plan to continue to dispense marijuana and marijuana products to qualifying patients and their caregivers and once licensed, to consumers in the recreational market as a Licensed Marijuana Retailer.

Purpose

The purpose of this plan is to outline the responsibilities of the Company, the Company’s management team and Agents to ensure specific, methodical, and consistent compliance of the Regulations and to ensure that there is separation between medical use of marijuana operations and recreational marijuana operations are in compliance with all regulations and laws.

General Requirements

As a Colocated Marijuana Operations (“CMO”) Sira will comply with the requirements for physical and virtual separation of medical-use and adult use marijuana and marijuana products

Sira will implement procedures for virtual, i.e., electronic, separation of medical-use and adult-use marijuana, MIPs, and marijuana products subject to Commission approval. Sira will use of plant or package tags in the Seed-to-sale SOR (“METRC”) for this separation.

Sira will attach plant tags to all marijuana clones and plants and attach package tags to all finished marijuana, MIPs and marijuana products and enter any remaining inventory, including seeds, into METRC.

Patient Supply

Sira will ensure access to a sufficient quantity and variety of Marijuana Products, including Marijuana, for Patients registered under 935 CMR 501.000.

- During the first 6 months of operation, Sira will reserve 35% of our Marijuana Products for patient sales.
- Once we have been open and dispensing for a period of six months or longer, Sira will maintain a quantity and variety of Marijuana Products for Patients registered under 935 CMR 501.000, sufficient to meet the demand indicated by an analysis of sales data collected by the Licensee during the preceding six months in accordance with 935 CMR 500.140(5): Recording Sales and 935 CMR 501.140(5).

Marijuana products reserved for patient supply shall, unless unreasonably impracticable, reflect the actual types and strains of Marijuana Products documented during the previous six months. If a substitution shall be made, the substitution shall reflect as closely as possible the type and strain no longer available.

On a biennial basis, Sira will submit to the Commission an inventory plan to reserve a sufficient quantity and variety of medical use Marijuana Products for Registered Qualifying Patients, based on reasonably anticipated patient needs as documented by sales records over the preceding six months. On each occasion that the supply of any product within the reserved patient supply is exhausted and a reasonable substitution cannot be made, Sira will submit a report to the Commission in a form determined by the Commission.

Marijuana Products reserved for patient supply will be either maintained on-site at the retailer or easily accessible at another location operated by Sira and transferable to the retailer location within 48 hours of notification that the on-site supply has been exhausted. Sira will perform audits of available patient supply on a weekly basis and retain those records for a period of six months.

Sira may transfer Marijuana Products reserved for medical-use to adult-use within a reasonable period of time prior to the date of expiration provided that the product does not pose a risk to health or safety.

Point of Sale

As a Colocated Marijuana Operations (CMO) Sira will use best efforts to prioritize patient and caregiver identification verification and physical entry into its retail area.

- Sira will have one or more separate Point of Sale (“POS”) station(s) and lines reserved solely for medical marijuana sales to Qualifying Patients or their Personal Caregivers. These POS station will:
 - Be ADA compliant for wheelchair and scooter access.
 - Be clearly marked that the POS station is for medical sales only
 - Be physically separated from the other POS stations with the use of semi-permanent stanchions with ropes or belts that create a physical barrier between medical and adult sales.
 - The stanchion and rope system will also create a separate line for patients and caregivers and will be clearly marked with a sign stating that these POS stations are for medical sales only.
 - The other POS stations will be clearly marked by signage stating that these lines and POS stations are for all sales, including medical.
 - Our patient marketing and patient/consumer education materials will also state that medical sales may be done at any POS station and that the holder of a medical

registration card may use either line and shall not be limited only to the medical use line.

- The facility has an area that is separate from the sales floor that allows for confidential consultation. The Consultation Room will have signage that reads, “Consultation Area” and will be accessible by a Qualifying Patient or caregiver without having to traverse a Limited Access Area.
- Virtual Separation of medical and adult sales will happen at the POS station. Sira POS System will be equipped to track medical and adult sales internally.
 - For each transaction Sira sales agent will ask each customer if there are any medical marijuana sales that will be completed.
 - If the answer is no, the sales agent will re-verify the customers age by checking the customers government issued ID card and entering the entire order as adult use and taxed and recorded appropriately.
 - If the customer states that medical sales are included, the Sales Agent will request the Patient Registration Card issued by the Commission and their second form of identification.
 - The Sales agent will enter the patient/caregiver information through the Commission-supported databases and verify the patient/caregiver registration is valid and that the patients 60-day supply has not been reached.
 - The sales agent will fill the patient/caregiver order and ask which items are for medical use.
 - If all items are for medical use the sales agent will first enter the amounts of marijuana purchased into the CNB interoperable database and ensure that the amount does not exceed the patients 60-day supply.
 - The order will be entered into the POS System. For each item or stock keeping unit (“SKU”) the sales agent will designate it as medical sales and the system will record it as such and not tax the transaction
 - If only some of the items are for medical use the sales agent will first enter the amounts of marijuana purchased into the Commission-supported database and ensure that the amount does not exceed the patients 60-day supply.
 - The sales agent will then verify that the patient is at least 21 years of age by checking the government

issued identification. If the patient is under 21 years of age, no adult use products may be sold

- The order will be entered into the POS System. For each item or SKU the patient/caregiver designates as medical use the sales agent will designate it as medical sales and the system will record it as such and not tax the item(s). For items or SKU's identified as adult use (and the patient is 21 years of age or older) these items will be entered into the POS system and taxed accordingly.
- At the end of each business day a report will be generated by the POS system that includes the data of all sales, medical and adult use. This report will be compared against the transaction data in the Metrc system and the Commission-supported database to ensure all medical and adult sales are correct.
- Sira will not sell to an individual more than one ounce of marijuana or five grams of marijuana concentrate per transaction.

Patients under the age of 21

Registered, Qualifying patients may be under the age of 21 and will require access to marijuana for medical use. Sira is will not restrict access to our products to patients of any age so long as they are registered with the Commission.

While we do not expect a large number of patients who are under the age of 21 we are committed to giving them access to our products while also making sure that these patients cannot access products that are intended for adult use.

No customer will have direct access to marijuana products except at point of sale. All marijuana products are stored in locked cabinets behind the POS counter.

- Registered Patients under the age of 21 will be admitted into our facility only if the individual is 18 years of age or older and produces an active patient registration card issued by the Commission or the Commission. If the individual is younger than 18 years old, he or she shall not be admitted unless they produce an active patient registration card and they are accompanied by their personal caregiver with an active patient registration card.
 - In addition to the active patient registration card, registered qualifying patients 18 years of age and older and personal caregivers must also produce proof of identification.
- In any case where a patient that is under the age of 21, Sira agent that determines the patient is under 21 years of age will notify the sales manager of this fact.

- The sales manager and the security agent will monitor the patient throughout the facility.
 - The Sales Agent or designee will offer personal assistance to the patient and/or caregiver while they are inside the facility.
 - At the POS Station the sales manager will notify the sales agent that the patient is under 21 to ensure that only medical sales occur.

Plan for Positive Impact

INTENT

Cannabis prohibition has disproportionately impacted certain communities in Massachusetts. As the Commonwealth begins to embrace the adult-use cannabis industry in earnest, Sira Naturals, Inc., (“Sira”) recognizes that it has a responsibility to contribute to areas of disproportionate impact and help disproportionately harmed by marijuana prohibition. Sira will focus its time and resources on Chelsea which has been identified by the Commission as an area of disproportionate impact.

PURPOSE

The purpose of this document is to summarize Sira’s plan to ensure its business creates positive and lasting impacts on the communities in which it will be involved.

Sira is committed to fostering positive relationships within the community and endeavoring to identify ways in which to give back. Sira seeks to utilize its resources, including time, talent and monies, to provide assistance to those who may be underserved and/or in need. We plan to achieve these goals through volunteer time and community engagement.

INITIATIVES AND METRICS

Sira aims to implement the following initiatives to assist those communities that have been disproportionately impacted and will adhere to the requirements set forth in 935 CMR500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of Marijuana Establishments.

Proposed Initiative: Sira will make a minimum annual financial contribution of at least \$5,000 to the CultivatED program to help promote participation in the cannabis industry by those who were disproportionately harmed by marijuana prohibition. CultivatED is a jails-to-jobs cannabis program that focuses on issues such as expungement, education and employment for those harmed populations. The mission of CultivatED is to empower, educate, and employ individuals from areas of disproportionate impact, as identified by the Massachusetts Cannabis Control Commission, who have been harmed by the failed War on Drugs. The program shall provide to its fellows: Responsible Vendor Training, as well as an “Introduction to Cannabis and the Law” course at Roxbury Community College, while receiving workforce development training through the Urban League of Eastern Massachusetts. Sira will provide money to CultivatED to support its mission and goals but will not offer any of its own programming through the CultivatED

program. Attached, please find a letter from CultivatED acknowledging acceptance of funds from cannabis license holders.

Goal: Sira will make an annual financial contribution to the CultivatED program which will in turn support the mission of empowering, educating, and employing individuals from areas of disproportionate impact, as identified by the Massachusetts Cannabis Control Commission.

Metrics: Sira will maintain a record of its annual donations to the CultivatED program. Sira will keep records of feedback that are received relative to the impact of the company's contributions, if any. This will in turn help us make decisions about adjustments that need to be made in the future.

Proposed Initiative: Sira will commit to provide employees with a minimum of 8 hours per year paid time to participate in a neighborhood clean-up initiative that serves identified areas of disproportionate impact. Sira will focus their clean-ups in Chelsea. Employees will be notified of these clean-up days through an employee correspondence or public posting around the establishment.

Goal: Sira is committed to serving communities that have been disproportionately impacted by serving individuals and organization through the contribution of employee volunteer time courtesy of the company with a goal of donating 8 hours per employee per year. Sira will have a goal of 75% participation in the Chelsea neighborhood clean-up program by its employees each calendar year.

Metrics: Sira will maintain records of each employee who participates in the neighborhood clean-up program and the number of hours contributed by each employee. These clean-ups will begin once Sira obtains its Provisional License taking place within the first year of its provisional license. Sira will then solicit feedback from participating employees to learn about their experiences and determine whether adjustments should be made in the future with regards to this program. These metrics will be outlined in a report that will be completed 60 days prior to the company's annual license renewal (one year from provisional licensure, and each year thereafter) to the Cannabis Control Commission. Sira will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of Marijuana Establishments.

CONCLUSION

Sira will conduct continuous and regular evaluations of the implementation of its goals and at any point will retool its policies and procedures in order to better accomplish the goals set out in this Plan for Positive Impact. Any actions taken, or programs instituted by Sira will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws. Progress and/or success of this plan will be documented one year from provisional licensure and each year thereafter.

RE: Acceptance of Cannabis Funds

Dear Cannabis Control Commission:

It is with great pleasure that we inform you that we will be graciously accepting contributions from licensed Massachusetts cannabis companies in order to assist in funding our program, CultivatED.

CultivatED is a first in the nation jails to jobs cannabis program that focuses on issues such as expungement, education and employment for those who have been affected by the prohibition of cannabis in the Commonwealth. We are an innovative public-private partnership providing our fellows with a robust co-op education program, legal services, workforce preparedness training, and cannabis externships with livable wages and benefits. We work closely with organizations such as Greater Boston Legal Services, Roxbury Community College and the Urban League of Eastern Massachusetts to achieve our program goals.

We appreciate the opportunity to allow Massachusetts licensed cannabis companies to participate through their contributions. Please do not hesitate to contact us should you have any additional questions.

2. Voting Rights. Each owner of record of Series A Common Stock and Series B Common Stock shall be entitled to one vote for each share of Series A Common Stock or Series B Common Stock standing in such owner's name on the books of the Corporation. 6.1 Limitation Of Director Liability.

Except to the extent that Chapter 156D of the Massachusetts General Laws or any other applicable law prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty, no director of the Corporation shall be personally liable to the Corporation or its shareholders for monetary damages for any breach of fiduciary duty as a director. No amendment to or repeal of this provision shall apply to or have any effect on the liability or alleged liability of any director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment.

(b) Notwithstanding the provisions of Section 6.2(a) above, in the event that a pending or threatened action, suit or proceeding is compromised or settled in a manner which imposes any liability or obligation upon any person in a matter for which such person would otherwise be entitled to indemnification hereunder, no indemnification shall be provided to such person with respect to such matter if it is determined, pursuant to Section 6.2(c) below, on the basis of facts known at that time (without independent investigation), that such person did not act in good faith in the reasonable belief that such person's action was in the best interests of: (i) the Corporation or (ii) to the extent such matter relates to service with respect to an employee benefit plan, in the best interests of the participants or beneficiaries of such employee benefit plan.

(c) Any determination of whether a person is entitled to indemnification pursuant to this Section 6.2 shall be made by: (i) a majority vote of a quorum of the directors of the Corporation consisting of persons who are not at that time parties to the action, suit or proceeding in question (the "Disinterested Directors"); (ii) if no such quorum is obtainable, a majority vote of a committee of two or more Disinterested Directors; (iii) a majority vote of a quorum of the outstanding shares of stock of all classes entitled to vote for directors, voting as a single class, which quorum shall consist of shareholders who are not at that time parties to the action, suit or proceeding in question; (iv) independent legal counsel (who may be regular corporate counsel to the Corporation) appointed for such purpose by vote of the directors in the manner specified in clause (i) or (ii) above; or (v) a court of competent jurisdiction.

(d) The indemnification rights provided in this Section 6.2: (i) shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any law, agreement, vote of shareholders or otherwise; and (ii) shall inure to the benefit of the heirs, executors and administrators of such persons entitled to indemnification. The Corporation may, to the extent authorized from time to time by the Board, grant indemnification rights to other employees or agents of the Corporation or other persons serving the Corporation and such rights may be equivalent to, or greater or less than, those set forth in this Section 6.2.

6.3 Other Provisions.

(a) Meetings of the shareholders of the Corporation may be held anywhere in the United States.

(b) The Corporation shall have the power to be a partner in any business enterprise which this Corporation would have the power to conduct by itself.

(c) Action required or permitted by Chapter 156D of the General Laws of Massachusetts to be taken at a shareholders' meeting may be taken without a meeting by shareholders having not less than the minimum number of votes necessary to take the action at a meeting at which all shareholders entitled to vote on the action are present and voting.

(d) Notwithstanding the provisions of Section 8.03(a) of Chapter 156D of the General Laws of Massachusetts, the Corporation shall have such number of directors as shall be fixed from time to time by the shareholders or directors of the Corporation without regard to the number of shareholders.

(e) The Board (acting by majority vote) may amend, restate and/or repeal the By-Laws of the Corporation, as amended and/or restated to date, in whole or in part, except with respect to any provision thereof which by virtue of an express provision in: (i) Chapter 156D of the General Laws of Massachusetts; (ii) the Articles of Organization of the Corporation; or (iii) the By-Laws, requires action by the shareholders of the Corporation.

ARTICLE I

SHAREHOLDERS

Section 1. Annual Meeting. The Corporation shall hold an annual meeting of shareholders at a time fixed by the Directors. The purposes for which the annual meeting is to be held, in addition to those prescribed by the Articles of Organization, if any, shall be for electing directors and for such other purposes as shall be specified in the notice for the meeting, and only business within such purposes may be conducted at the meeting. In the event an annual meeting is not held at the time fixed in accordance with these Amended and Restated By-Laws (these “**By-Laws**”) or the time for an annual meeting is not fixed in accordance with these By-Laws to be held within thirteen (13) months after the last annual meeting was held, the Corporation may designate a special meeting held thereafter as a special meeting in lieu of the annual meeting, and the meeting shall have all of the effect of an annual meeting.

Section 2. Special Meetings. Special meetings of the shareholders: (a) shall be called by the Secretary, or in case of the death, absence, incapacity or refusal of the Secretary, by another officer, if the holders of at least ten percent (10%), or such lesser percentage as the Articles of Organization permit, of all the votes entitled to be cast on any issue to be considered at the proposed special meeting sign, date, and deliver to the Secretary one or more written demands for the meeting describing the purpose for which it is to be held; and (b) may be called by the Chief Executive Officer, the President or by the Directors. Only business within the purpose or purposes described in the meeting notice may be conducted at a special shareholders’ meeting.

Section 3. Place of Meetings. All meetings of shareholders shall be held at the principal office of the Corporation unless a different place is specified in the notice of the meeting or the meeting is held solely by means of remote communication in accordance with Section 11 of this Article I.

Section 4. Requirement of Notice. A written notice of the date, time, and place of each annual and special shareholders’ meeting describing the purposes of the meeting shall be given to shareholders entitled to vote at the meeting (and, to the extent required by law or the Articles of Organization, to shareholders not entitled to vote at the meeting) no fewer than seven (7) nor more than sixty (60) calendar days before the meeting date. If an annual or special meeting of shareholders is adjourned to a different date, time or place, notice need not be given of the new date, time or place if the new date, time or place, if any, is announced at the meeting before adjournment. If a new record date for the adjourned meeting is fixed, however, notice of the adjourned meeting shall be given under this Section to persons who are shareholders as of the new record date. All notices to shareholders shall conform to the requirements of Article III.

Section 5. Waiver of Notice. A shareholder may waive any notice required by law, the Articles of Organization, or these By-Laws before or after the date and time stated in the notice. The waiver shall be in writing, be signed by the shareholder entitled to the notice, and be delivered to the Corporation for inclusion with the records of the meeting. A shareholder’s attendance at a meeting: (a) waives objection to lack of notice or defective notice of the meeting, unless the shareholder at the beginning of the meeting objects to holding the meeting or transacting business at the meeting; and (b) waives objection to consideration of a particular

matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless the shareholder objects to considering the matter when it is presented.

Section 6. Quorum.

(a) Unless otherwise provided by law, or in the Articles of Organization, these By-Laws or a resolution of the Directors requiring satisfaction of a greater quorum requirement for any voting group, a majority of the votes entitled to be cast on the matter by a voting group constitutes a quorum of that voting group for action on that matter. As used in these By-Laws, a voting group includes all shares of one or more classes or series that, under the Articles of Organization or Mass. Gen. L. Ch. 156D, as in effect from time to time (the “MBCA”), are entitled to vote and to be counted together collectively on a matter at a meeting of shareholders.

(b) A share once represented for any purpose at a meeting is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless: (i) the shareholder attends solely to object to lack of notice, defective notice or the conduct of the meeting on other grounds and does not vote the shares or otherwise consent that they are to be deemed present; or (ii) in the case of an adjournment, a new record date is or shall be set for that adjourned meeting.

Section 7. Voting and Proxies. Unless the Articles of Organization provide otherwise, each outstanding share, regardless of class, is entitled to one vote on each matter voted on at a shareholders’ meeting. A shareholder may vote his or her shares: (a) in person; (b) by appointing a proxy in writing to vote or otherwise act for him or her; or (c) by appointing his or her attorney-in-fact in writing. An appointment of a proxy or attorney-in-fact is effective when received by the Secretary or other officer or agent authorized to tabulate votes. Unless otherwise provided in the form appointing the proxy or attorney-in-fact, a proxy or attorney-in-fact is valid for a period of eleven (11) months from the date the shareholder signed the form or, if it is undated, from the date of its receipt by the officer or agent. An appointment of a proxy is revocable by the shareholder unless the appointment form conspicuously states that it is irrevocable and the appointment is coupled with an interest, as defined in the MBCA. An appointment made irrevocable is revoked when the interest with which it is coupled is extinguished. The death or incapacity of the shareholder appointing a proxy or attorney-in-fact shall not affect the right of the Corporation to accept the proxy’s or attorney-in-fact’s authority. A transferee for value of shares subject to an irrevocable proxy or attorney-in-fact may revoke the appointment if he or she did not know of its existence when he or she acquired the shares and the existence of the irrevocable appointment was not noted conspicuously on the certificate representing the shares or on the information statement for shares without certificates. Subject to the provisions of Section 7.24 of the MBCA and to any express limitation on the proxy’s or the attorney-in-fact’s authority appearing on the face of the appointment form, the Corporation is entitled to accept the proxy’s vote or other action as that of the shareholder making the appointment.

Section 8. Action at Meeting. If a quorum of a voting group exists, favorable action on a matter, other than the election of Directors, is taken by a voting group if the votes cast within the group favoring the action exceed the votes cast opposing the action, unless a greater number of affirmative votes is required by law, or the Articles of Organization, these By-Laws or a

resolution of the Board of Directors requiring receipt of a greater affirmative vote of the shareholders, including more separate voting groups. Directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. No ballot shall be required for such election unless requested by a shareholder present or represented at the meeting and entitled to vote in the election.

Section 9. Action without Meeting by Written Consent.

(a) Action taken at a shareholders' meeting may be taken without a meeting if the action is taken either: (i) by all shareholders entitled to vote on the action; or (ii) to the extent permitted by the Articles of Organization, by shareholders having not less than the minimum number of votes necessary to take the action at a meeting at which all shareholders entitled to vote on the action are present and voting. The action shall be evidenced by one or more written consents that describe the action taken, are signed by shareholders having the requisite votes, bear the date of the signatures of such shareholders, and are delivered to the Corporation for inclusion with the records of meetings within sixty (60) calendar days of the earliest dated consent delivered to the Corporation as required by this Section. A consent signed under this Section has the effect of a vote at a meeting.

(b) If action is to be taken pursuant to the consent of voting shareholders without a meeting, the Corporation, at least seven (7) days before the action pursuant to the consent is taken, shall give notice, which complies in form with the requirements of Article III, of the action: (i) to nonvoting shareholders in any case where such notice would be required by law if the action were to be taken pursuant to a vote by voting shareholders at a meeting; and (ii) if the action is to be taken pursuant to the consent of less than all the shareholders entitled to vote on the matter, to all shareholders entitled to vote who did not consent to the action. The notice shall contain, or be accompanied by, the same material that would have been required by law to be sent to shareholders in or with the notice of a meeting at which the action would have been submitted to the shareholders for approval.

Section 10. Record Date. The Directors may fix the record date in order to determine the shareholders entitled to notice of a shareholders' meeting, to demand a special meeting, to vote, or to take any other action. If a record date for a specific action is not fixed by the Board of Directors, and is not supplied by law, the record date shall be the close of business either on the day before the first notice is sent to shareholders, or, if no notice is sent, on the day before the meeting or, in the case of action without a meeting by written consent, the date the first shareholder signs the consent. A record date fixed under this Section may not be more than seventy (70) calendar days before the meeting or action requiring a determination of shareholders. A determination of shareholders entitled to notice of or to vote at a shareholders' meeting is effective for any adjournment of the meeting unless the Board of Directors fixes a new record date, which it shall do if the meeting is adjourned to a date more than one hundred twenty (120) calendar days after the date fixed for the original meeting.

Section 11. Meetings by Remote Communications. Unless otherwise provided in the Articles of Organization, if authorized by the Directors, any annual or special meeting of shareholders: (a) need not be held at any place, but may instead be held solely by means of remote communication; and (b) shall be subject to such guidelines and procedures as the Board

of Directors may adopt. Shareholders, proxyholders and attorneys-in-fact not physically present at a meeting of shareholders may, by means of remote communications: (i) participate in a meeting of shareholders; and (ii) be deemed present in person and vote at a meeting of shareholders whether such meeting is to be held at a designated place or solely by means of remote communication, provided that: (x) the Corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a shareholder, proxyholder or attorney-in-fact; (y) the Corporation shall implement reasonable measures to provide such shareholders, proxyholders and attorneys-in-fact a reasonable opportunity to participate in the meeting and to vote on matters submitted to the shareholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings; and (z) if any shareholder, proxyholder or attorney-in-fact votes or takes other action at the meeting by means of remote communication, a record of such vote or other action shall be maintained by the Corporation.

Section 12. Form of Shareholder Action.

(a) Any vote, consent, waiver, proxy appointment or other action by a shareholder, proxy, attorney-in-fact or other agent of any shareholder shall be considered given if it is in writing, dated and signed and, in lieu of any other means permitted by law, it consists of an electronic transmission that sets forth or is delivered with information from which the Corporation can determine: (i) that the electronic transmission was transmitted by the shareholder, proxy, attorney-in-fact or agent or by a person authorized to act for the shareholder, proxy, attorney-in-fact or agent; and (ii) the date on which such shareholder, proxy, attorney-in-fact, agent or authorized person transmitted the electronic transmission. The date on which the electronic transmission is transmitted shall be considered to be the date on which it was signed. The electronic transmission shall be considered received by the Corporation if it has been sent to any address specified by the Corporation for the purpose or, if no address has been specified, to the principal office of the Corporation, addressed to the Secretary or other officer or agent having custody of the records of proceedings of shareholders.

(b) Any copy, facsimile or other reliable reproduction of a vote, consent, waiver, proxy appointment or other action by a shareholder or by the proxy or other agent of any shareholder may be substituted or used in lieu of the original writing for any purpose for which the original writing could be used, but the copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

Section 13. Shareholders List for Meeting.

(a) After fixing a record date for a shareholders' meeting, the Corporation shall prepare an alphabetical list of the names of all its shareholders who are entitled to notice of the meeting. The list shall be arranged by voting group, and within each voting group by class or series of shares, and show the address of and number of shares held by each shareholder, but need not include an electronic mail address or other electronic contact information for any shareholder.

(b) The shareholders list shall be available for inspection by any shareholder, beginning two (2) business days after notice is given of the meeting for which the list was

prepared and continuing through the meeting: (i) at the Corporation's principal office or at a place identified in the meeting notice in the city where the meeting will be held; or (ii) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting. If the meeting is to be held solely by means of remote communication, the list shall be made available on an electronic network.

(c) A shareholder, his or her agent, or attorney is entitled on written demand to inspect and, subject to the requirements of Section 2(c) of Article VI of these By-Laws, to copy the list, during regular business hours and at his or her expense, during the period it is available for inspection.

(d) The Corporation shall make the shareholders list available at the meeting, and any shareholder or his or her agent or attorney is entitled to inspect the list at any time during the meeting or any adjournment.

ARTICLE II

DIRECTORS

Section 1. Powers. All corporate power shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed under the direction of, its Board of Directors.

Section 2. Number and Election. The Board of Directors shall consist of one or more individuals, with the number fixed by the shareholders at the annual meeting or by the Board of Directors. The number of directors constituting the Board of Directors shall initially be fixed at five (5) until the first annual meeting of stockholders. Except as otherwise provided in these By-Laws or the Articles of Organization, the Directors shall be elected by the shareholders at the annual meeting.

Section 3. Vacancies. If a vacancy occurs on the Board of Directors, including a vacancy resulting from an increase in the number of Directors: (a) the shareholders may fill the vacancy; (b) the Board of Directors may fill the vacancy; or (c) if the Directors remaining in office constitute fewer than a quorum of the Board, they may fill the vacancy by the affirmative vote of a majority of all the Directors remaining in office. A vacancy that will occur at a specific later date may be filled before the vacancy occurs, but the new Director may not take office until the vacancy occurs.

Section 4. Chairman of the Board and Vice-Chairman of the Board. The Board of Directors may appoint: (a) a Chairman of the Board; and (b) a Vice-Chairman of the Board. The Chairman of the Board, if any, shall preside at all meetings of the Board of Directors and of the stockholders at which such person shall be present. If the Board of Directors appoints a Chairman of the Board, he or she shall also perform such duties and possess such powers as are assigned by the Board of Directors and as may be provided by law. If the Board of Directors appoints a Vice-Chairman of the Board, he or she shall, in the absence or disability of the Chairman of the Board, perform the duties and exercise the powers of the Chairman of the Board.

and shall perform such other duties and possess such other powers as may from time to time be vested by the Board of Directors.

Section 5. Change in Size of the Board of Directors. The number of Directors may be fixed or changed from time to time by the shareholders or the Board of Directors, and the Board of Directors may increase or decrease the number of Directors last approved by the shareholders.

Section 6. Tenure. The terms of all Directors shall expire at the next annual shareholders' meeting following their election. A decrease in the number of Directors does not shorten an incumbent Director's term. The term of a Director elected to fill a vacancy shall expire at the next shareholders' meeting at which Directors are elected. Despite the expiration of a Director's term, he or she shall continue to serve until his or her successor is elected and qualified or until there is a decrease in the number of Directors.

Section 7. Resignation. A Director may resign at any time by delivering written notice of resignation to the Board of Directors, the Chairman of the Board, or to the Corporation. A resignation is effective when the notice is delivered unless the notice specifies a later effective date.

Section 8. Removal. Except as otherwise provided in any written agreement to which the Corporation is a party: (a) the shareholders may remove one or more Directors with or without cause; (b) a Director may be removed for cause by the Directors by vote of a majority of the Directors then in office; and (c) a Director may be removed by the shareholders or the Directors only at a meeting called for the purpose of removing him or her, and the meeting notice must state that the purpose, or one of the purposes, of the meeting is removal of the Director.

Section 9. Regular Meetings. Regular meetings of the Board of Directors may be held at such times and places as shall from time to time be fixed by the Board of Directors without notice of the date, time, place or purpose of the meeting.

Section 10. Special Meetings. Special meetings of the Board of Directors may be called by the President, by the Secretary, by any two Directors, or by one Director in the event that there is only one Director.

Section 11. Notice. Special meetings of the Board must be preceded by at least 24 hours' notice of the date, time and place of the meeting. The notice need not describe the purpose of the special meeting. All notices to directors shall conform to the requirements of Article III.

Section 12. Waiver of Notice. A Director may waive any notice before or after the date and time of the meeting. The waiver shall be in writing, signed by the Director entitled to the notice, or in the form of an electronic transmission by the Director to the Corporation, and filed with the minutes or corporate records. A Director's attendance at or participation in a meeting waives any required notice to him or her of the meeting unless the Director at the beginning of the meeting, or promptly upon his or her arrival, objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

Section 13. Quorum. A quorum of the Board of Directors consists of a majority of the Directors then in office, provided always that any number of Directors (whether one or more and

whether or not constituting a quorum) constituting a majority of Directors present at any meeting or at any adjourned meeting may make any reasonable adjournment thereof.

Section 14. Action at Meeting. If a quorum is present when a vote is taken, the affirmative vote of a majority of Directors present is the act of the Board of Directors. A Director who is present at a meeting of the Board of Directors or a committee of the Board of Directors when corporate action is taken is considered to have assented to the action taken unless: (a) he or she objects at the beginning of the meeting, or promptly upon his or her arrival, to holding it or transacting business at the meeting; (b) his or her dissent or abstention from the action taken is entered in the minutes of the meeting; or (c) he or she delivers written notice of his or her dissent or abstention to the presiding officer of the meeting before its adjournment or to the Corporation immediately after adjournment of the meeting. The right of dissent or abstention is not available to a Director who votes in favor of the action taken.

Section 15. Action Without Meeting. Any action required or permitted to be taken by the Directors may be taken without a meeting if the action is taken by the unanimous consent of the members of the Board of Directors. The action must be evidenced by one or more consents describing the action taken, in writing, signed by each Director, or delivered to the Corporation by electronic transmission, to the address specified by the Corporation for the purpose or, if no address has been specified, to the principal office of the Corporation, addressed to the Secretary or other officer or agent having custody of the records of proceedings of Directors, and included in the minutes or filed with the corporate records reflecting the action taken. Action taken under this Section is effective when the last Director signs or delivers the consent, unless the consent specifies a different effective date. A consent signed or delivered under this Section has the effect of a meeting vote and may be described as such in any document.

Section 16. Meetings Not in Person. The Board of Directors may permit any or all Directors to participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all Directors participating may simultaneously hear each other during the meeting. A Director participating in a meeting by this means is considered to be present in person at the meeting.

Section 17. Committees. The Board of Directors may create one or more committees and appoint members of the Board of Directors to serve on them. Each committee may have one or more members, who serve at the pleasure of the Board of Directors. The creation of a committee and appointment of members to it must be approved by a majority of all the Directors in office when the action is taken. Article III and Sections 11 through 16 of this Article shall apply to committees and their members. To the extent specified by the Board of Directors, each committee may exercise the authority of the Board of Directors. A committee may not, however: (a) authorize distributions; (b) approve or propose to shareholders action that the MBCA requires be approved by shareholders; (c) change the number of the Board of Directors, remove Directors from office or fill vacancies on the Board of Directors; (d) amend the Articles of Organization; (e) adopt, amend or repeal By-Laws; or (f) authorize or approve reacquisition of shares, except according to a formula or method prescribed by the Board of Directors. The creation of, delegation of authority to, or action by a committee does not alone constitute compliance by a Director with the standards of conduct described in Section 19 of this Article.

Section 18. Compensation. The Board of Directors may fix the compensation of Directors.

Section 19. Standard of Conduct for Directors.

(a) A Director shall discharge his or her duties as a Director, including his or her duties as a member of a committee: (i) in good faith; (ii) with the care that a person in a like position would reasonably believe appropriate under similar circumstances; and (iii) in a manner the Director reasonably believes to be in the best interests of the Corporation. In determining what the Director reasonably believes to be in the best interests of the Corporation, a Director may consider the interests of the Corporation's employees, suppliers, creditors and customers, the economy of the state, the region and the nation, community and societal considerations, and the long-term and short-term interests of the Corporation and its shareholders, including the possibility that these interests may be best served by the continued independence of the Corporation.

(b) In discharging his or her duties, a Director who does not have knowledge that makes reliance unwarranted is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (i) one or more officers or employees of the Corporation whom the Director reasonably believes to be reliable and competent with respect to the information, opinions, reports or statements presented; (ii) legal counsel, public accountants, or other persons retained by the Corporation, as to matters involving skills or expertise the Director reasonably believes are matters (x) within the particular person's professional or expert competence or (y) as to which the particular person merits confidence; or (iii) a committee of the Board of Directors of which the Director is not a member if the Director reasonably believes the committee merits confidence.

(c) A Director is not liable for any action taken as a Director, or any failure to take any action, if he or she performed the duties of his or her office in compliance with this Section.

Section 20. Conflict of Interest.

(a) A conflict of interest transaction is a transaction with the Corporation in which a Director of the Corporation has a material direct or indirect interest. A conflict of interest transaction is not voidable by the Corporation solely because of the Director's interest in the transaction if any one of the following is true:

(i) the material facts of the transaction and the Director's interest were disclosed or known to the Board of Directors or a committee of the Board of Directors and the Board of Directors or committee authorized, approved, or ratified the transaction;

(ii) the material facts of the transaction and the Director's interest were disclosed or known to the shareholders entitled to vote and they authorized, approved, or ratified the transaction; or

(iii) the transaction was fair to the Corporation.

(b) For purposes of this Section, and without limiting the interests that may create conflict of interest transactions, a Director of the Corporation has an indirect interest in a

transaction if: (i) another entity in which he or she has a material financial interest or in which he or she is a general partner is a party to the transaction; or (ii) another entity of which he or she is a director, officer, manager or trustee or in which he or she holds another position is a party to the transaction and the transaction is or should be considered by the Board of Directors of the Corporation.

(c) For purposes of clause (1) of subsection (a), a conflict of interest transaction is authorized, approved, or ratified if it receives the affirmative vote of a majority of the Directors on the Board of Directors (or on the committee) who have no direct or indirect interest in the transaction, but a transaction may not be authorized, approved, or ratified under this Section by a single Director. If a majority of the Directors who have no direct or indirect interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum is present for the purpose of taking action under this Section. The presence of, or a vote cast by, a Director with a direct or indirect interest in the transaction does not affect the validity of any action taken under clause (1) of subsection (a) if the transaction is otherwise authorized, approved, or ratified as provided in that subsection.

(d) For purposes of clause (2) of subsection (a), a conflict of interest transaction is authorized, approved, or ratified if it receives the vote of a majority of the shares entitled to be counted under this subsection. Shares owned by or voted under the control of a Director who has a direct or indirect interest in the transaction, and shares owned by or voted under the control of an entity described in clause (i) of subsection (b), may not be counted in a vote of shareholders to determine whether to authorize, approve, or ratify a conflict of interest transaction under clause (2) of subsection (a). The vote of those shares, however, is counted in determining whether the transaction is approved under other Sections of these By-Laws. A majority of the shares, whether or not present, that are entitled to be counted in a vote on the transaction under this subsection constitutes a quorum for the purpose of taking action under this Section.

Section 21. Loans to Directors. The Corporation may not lend money to, or guarantee the obligation of a Director of, the Corporation unless: (a) the specific loan or guarantee is approved by a majority of the votes represented by the outstanding voting shares of all classes, voting as a single voting group, except the votes of shares owned by or voted under the control of the benefited Director; or (b) the Corporation's Board of Directors determines that the loan or guarantee benefits the Corporation and either approves the specific loan or guarantee or a general plan authorizing loans and guarantees. The fact that a loan or guarantee is made in violation of this Section shall not affect the borrower's liability on the loan.

ARTICLE III

MANNER OF NOTICE

All notices hereunder shall conform to the following requirements:

Section 1. Written Notice. Notice shall be in writing unless oral notice is reasonable under the circumstances. Notice by electronic transmission is written notice.

Section 2. Method of Notice. Notice may be communicated in person; by telephone, voice mail or other electronic means; by mail; by electronic transmission; or by messenger or delivery service. If these forms of personal notice are impracticable, notice may be communicated by a newspaper of general circulation in the area where published; or by radio, television, or other form of public broadcast communication.

Section 3. Effectiveness of Notice; General. Written notice, other than notice by electronic transmission, if in a comprehensible form, is effective upon deposit in the United States mail, if mailed post-paid and correctly addressed to the shareholder's address shown in the Corporation's current record of shareholders.

Section 4. Effectiveness of Electronic Notice. Written notice by electronic transmission, if in comprehensible form, is effective: (a) if by facsimile telecommunication, when directed to a number furnished by the shareholder for the purpose; (b) if by electronic mail, when directed to an electronic mail address furnished by the shareholder for the purpose; (c) if by a posting on an electronic network together with separate notice to the shareholder of such specific posting, directed to an electronic mail address furnished by the shareholder for the purpose, upon the later of (i) such posting and (ii) the giving of such separate notice; and (iii) if by any other form of electronic transmission, when directed to the shareholder in such manner as the shareholder shall have specified to the Corporation. An affidavit of the Secretary or an Assistant Secretary of the Corporation, the transfer agent or other agent of the Corporation that the notice has been given by a form of electronic transmission shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

Section 5. Other Effectiveness of Notice. Except as provided in Sections 3 and 4 of the Article III, written notice, if in a comprehensible form, is effective at the earliest of the following: (a) when received; or (b) on the date of publication if notice by publication is permitted.

Section 6. Effectiveness of Oral Notice. Oral notice is effective when communicated if communicated in a comprehensible manner.

ARTICLE IV

OFFICERS

Section 1. Enumeration. The Corporation shall have a Chief Executive Officer, a President, a Treasurer, a Secretary and such other officers as may be appointed by the Board of Directors from time to time in accordance with these By-Laws, including, but not limited to, one or more Vice Presidents, Assistant Treasurers and Assistant Secretaries.

Section 2. Appointment. The officers shall be appointed by the Board of Directors. A duly appointed officer may appoint one or more officers or assistant officers if authorized by the Board of Directors. Each officer has the authority and shall perform the duties set forth in these By-Laws or, to the extent consistent with these By-Laws, the duties prescribed by the Board of Directors or by direction of an officer authorized by the Board of Directors to prescribe the duties of other officers.

Section 3. Qualification. The same individual may simultaneously hold more than one office in the Corporation.

Section 4. Tenure. Officers shall hold office until the first meeting of the Directors following the next annual meeting of shareholders after their appointment and until their respective successors are duly appointed, unless a shorter or longer term is specified in the vote appointing them.

Section 5. Resignation. An officer may resign at any time by delivering notice of the resignation to the Corporation. A resignation is effective when the notice is delivered unless the notice specifies a later effective date. If a resignation is made effective at a later date and the Corporation accepts the future effective date, the Board of Directors may fill the pending vacancy before the effective date if the Board of Directors provides that the successor shall not take office until the effective date. An officer's resignation shall not affect the Corporation's contract rights, if any, with the officer.

Section 6. Removal. The Board of Directors may remove any officer at any time with or without cause. The appointment of an officer shall not itself create contract rights. An officer's removal shall not affect the officer's contract rights, if any, with the Corporation.

Section 7. Chief Executive Officer. The Chief Executive Officer shall have the duties and responsibilities as customarily belong to the office of Chief Executive Officer and shall have charge of the affairs of the Corporation subject to the supervision of the Board of Directors. Unless a Chairman of the Board and/or Vice-Chairman of the Board is elected by the Board of Directors, the Chief Executive Officer shall preside at all meetings of the stockholders, and if the Chief Executive Officer is a director, at all meetings of the Board of Directors.

Section 8. President. The President shall, subject to the direction of the Board of Directors and the Chief Executive Officer, have general charge and supervision of the day-to-day operations and business of the Corporation. Unless the Board of Directors has designated the Chairman of the Board or another officer as Chief Executive Officer, the President shall be the Chief Executive Officer of the Corporation. The President shall perform such other duties and shall have such other powers as the Board of Directors and/or the Chief Executive Officer may from time to time prescribe. The President shall execute bonds, mortgages and other contracts requiring a seal, under the seal of the Corporation, except where required or permitted by law to be otherwise signed and executed and except where the signing and execution thereof shall be expressly delegated by the Board of Directors to some other officer or agent of the Corporation.

Section 9. Vice Presidents. Any Vice President shall perform such duties and possess such powers as the Board of Directors or the Chief Executive Officer or President may from time to time prescribe. In the event of the absence, inability or refusal to act of the Chief Executive Officer and the President, the Vice President (or if there shall be more than one, the Vice Presidents in the order determined by the Board of Directors, or in the absence of any determination, then in the order of their election) shall perform the duties of the Chief Executive Officer and President (as applicable) and when so performing shall have all the powers of and be subject to all the restrictions upon the President. The Board of Directors may assign to any Vice

President the title of Executive Vice President, Senior Vice President or any other title selected by the Board of Directors.

Section 10. Treasurer. The Treasurer shall, subject to the direction of the Directors, have general charge of the financial affairs of the Corporation and shall cause to be kept accurate books of accounts. He or she shall have custody of all funds, securities, and valuable documents of the Corporation, except as the Directors may otherwise provide. The Treasurer shall perform such duties and have such powers additional to the foregoing as the Directors may designate.

Section 11. Secretary. The Secretary shall have responsibility for preparing minutes of the Directors' and shareholders' meetings and for authenticating records of the Corporation. The Secretary shall perform such duties and have such powers additional to the foregoing as the Directors shall designate.

Section 12. Standards Of Conduct For Officers. An officer shall discharge his or her duties: (a) in good faith; (b) with the care that a person in a like position would reasonably exercise under similar circumstances; and (c) in a manner the officer reasonably believes to be in the best interests of the Corporation. In discharging his or her duties, an officer, who does not have knowledge that makes reliance unwarranted, is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (i) one or more officers or employees of the Corporation whom the officer reasonably believes to be reliable and competent with respect to the information, opinions, reports or statements presented; or (ii) legal counsel, public accountants, or other persons retained by the Corporation as to matters involving skills or expertise the officer reasonably believes are matters (x) within the particular person's professional or expert competence or (y) as to which the particular person merits confidence. An officer shall not be liable to the Corporation or its shareholders for any decision to take or not to take any action taken, or any failure to take any action, as an officer, if the duties of the officer are performed in compliance with this Section.

ARTICLE V

PROVISIONS RELATING TO SHARES

Section 1. Issuance and Consideration. The Board of Directors may issue the number of shares of each class or series authorized by the Articles of Organization. The Board of Directors may authorize shares to be issued for consideration consisting of any tangible or intangible property or benefit to the Corporation, including cash, promissory notes, services performed, contracts for services to be performed, or other securities of the Corporation. Before the Corporation issues shares, the Board of Directors shall determine that the consideration received or to be received for shares to be issued is adequate. The Board of Directors shall determine the terms upon which the rights, options or warrants for the purchase of shares or other securities of the Corporation are issued and the terms, including the consideration, for which the shares or other securities are to be issued.

Section 2. Share Certificates. If shares are represented by certificates, at a minimum each share certificate shall state on its face: (a) the name of the Corporation and that it is organized

under the laws of The Commonwealth of Massachusetts; (b) the name of the person to whom issued; and (c) the number and class of shares and the designation of the series, if any, the certificate represents. If different classes of shares or different series within a class are authorized, then the variations in rights, preferences and limitations applicable to each class and series, and the authority of the Board of Directors to determine variations for any future class or series, must be summarized on the front or back of each certificate. Alternatively, each certificate may state conspicuously on its front or back that the Corporation will furnish the shareholder this information on request in writing and without charge. Each share certificate shall be signed, either manually or in facsimile, by the: (i) Chief Executive Officer or the President; and (ii) by the Treasurer or the Secretary. If the person who signed, either manually or in facsimile, a share certificate no longer holds office when the certificate is issued, the certificate shall be nevertheless valid.

Section 3. Uncertificated Shares. The Board of Directors may authorize the issue of some or all of the shares of any or all of the Corporation's classes or series without certificates. The authorization shall not affect shares already represented by certificates until they are surrendered to the Corporation. Within a reasonable time after the issue or transfer of shares without certificates, the Corporation shall send the shareholder a written statement of the information required by the MBCA to be on certificates.

Section 4. Record and Beneficial Owners. The Corporation shall be entitled to treat as the shareholder the person in whose name shares are registered in the records of the Corporation or, if the Board of Directors has established a procedure by which the beneficial owner of shares that are registered in the name of a nominee will be recognized by the Corporation as a shareholder, the beneficial owner of shares to the extent of the rights granted by a nominee certificate on file with the Corporation.

Section 5. Lost or Destroyed Certificates. The Board of Directors may, subject to Massachusetts General Laws, Chapter 106, Section 8-405, determine the conditions upon which a new share certificate may be issued in place of any certificate alleged to have been lost, destroyed, or wrongfully taken. The Board of Directors may, in its discretion, require the owner of such share certificate, or his or her legal representative, to: (a) give a bond, sufficient in its opinion, with or without surety; and/or (b) indemnify the Corporation, against any loss or claim which may arise by reason of the issue of the new certificate.

ARTICLE VI

CORPORATE RECORDS

Section 1. Records to be Kept.

(a) The Corporation shall keep as permanent records minutes of all meetings of its shareholders and Board of Directors, a record of all actions taken by the shareholders or Board of Directors without a meeting, and a record of all actions taken by a committee of the Board of Directors in place of the Board of Directors on behalf of the Corporation. The Corporation shall maintain appropriate accounting records. The Corporation or its agent shall maintain a record of its shareholders, in a form that permits preparation of a list of the names

and, addresses of all shareholders, in alphabetical order by class of shares showing the number and class of shares held by each. The Corporation shall maintain its records in written form or in another form capable of conversion into written form within a reasonable time.

(b) The Corporation shall keep within The Commonwealth of Massachusetts a copy of the following records at its principal office or an office of its transfer agent or of its Secretary or Assistant Secretary or of its registered agent:

(i) its Articles of Organization and all amendments and/or restatements to them currently in effect;

(ii) its By-Laws and all amendments and/or restatements to them currently in effect;

(iii) resolutions adopted by its Board of Directors creating one or more classes or series of shares, and fixing their relative rights, preferences, and limitations, if shares issued pursuant to those resolutions are outstanding;

(iv) the minutes of all shareholders' meetings, and records of all action taken by shareholders without a meeting, for the past three (3) years;

(v) all written communications to shareholders generally within the past three years, including the financial statements furnished under Section 16.20 of the MBCA for the past three (3) years;

(vi) a list of the names and business addresses of its current Directors and officers; and

(vii) its most recent annual report delivered to the Secretary of The Commonwealth of Massachusetts.

Section 2. Inspection of Records by Shareholders.

(a) A shareholder is entitled to inspect and copy, during regular business hours at the office where they are maintained pursuant to Section 1(b) of this Article, copies of any of the records of the Corporation described in said Section if he or she gives the Corporation written notice of his or her demand at least five (5) business days before the date on which he or she wishes to inspect and copy.

(b) A shareholder is entitled to inspect and copy, during regular business hours at a reasonable location specified by the Corporation, any of the following records of the Corporation if the shareholder meets the requirements of subsection (c) and gives the Corporation written notice of his or her demand at least five (5) business days before the date on which he or she wishes to inspect and copy:

(i) excerpts from minutes reflecting action taken at any meeting of the Board of Directors, records of any action of a committee of the Board of Directors while acting in place of the Board of Directors on behalf of the Corporation, minutes of any meeting of the

shareholders, and records of action taken by the shareholders or Board of Directors without a meeting, to the extent not subject to inspection under subsection (a) of this Section 1;

(ii) accounting records of the Corporation, but if the financial statements of the Corporation are audited by a certified public accountant, inspection shall be limited to the financial statements and the supporting schedules reasonably necessary to verify any line item on those statements; and

(iii) the record of shareholders described in Section 1(a) of this Article.

(c) A shareholder may inspect and copy the records described in subsection (b) of this Section 1 only if:

(i) his or her demand is made in good faith and for a proper purpose;

(ii) he or she describes with reasonable particularity his or her purpose and the records he or she desires to inspect;

(iii) the records are directly connected with his or her purpose; and

(iv) the Corporation shall not have determined in good faith that disclosure of the records sought would adversely affect the Corporation in the conduct of its business.

(d) For purposes of this Section, "shareholder" includes a beneficial owner whose shares are held in a voting trust or by a nominee on his or her behalf.

Section 3. Scope of Inspection Right.

(a) A shareholder's agent or attorney has the same inspection and copying rights as the shareholder represented.

(b) The Corporation may, if reasonable, satisfy the right of a shareholder to copy records under Section 2 of this Article by furnishing to the shareholder copies by photocopy or other means chosen by the Corporation including copies furnished through an electronic transmission.

(c) The Corporation may impose a reasonable charge, covering the costs of labor, material, transmission and delivery, for copies of any documents provided to the shareholder. The charge may not exceed the estimated cost of production, reproduction, transmission or delivery of the records.

(d) The Corporation may comply at its expense, with a shareholder's demand to inspect the record of shareholders under Section 2(b)(iii) of this Article by providing the shareholder with a list of shareholders that was compiled no earlier than the date of the shareholder's demand.

(e) The Corporation may impose reasonable restrictions on the use or distribution of records by the demanding shareholder.

Section 4. Inspection of Records by Directors. A Director is entitled to inspect and copy the books, records and documents of the Corporation at any reasonable time to the extent reasonably related to the performance of the Director's duties as a Director, including duties as a member of a committee, but not for any other purpose or in any manner that would violate any duty to the Corporation.

ARTICLE VII

INDEMNIFICATION

Section 1. Definitions. In this Article the following words shall have the following meanings unless the context requires otherwise:

"Corporation", includes any domestic or foreign predecessor entity of the Corporation in a merger.

"Director" or "officer", an individual who is or was a Director or officer, respectively, of the Corporation or who, while a Director or officer of the Corporation, is or was serving at the Corporation's request as a director, officer, manager, partner, trustee, employee, or agent of another domestic or foreign corporation, limited liability company, partnership, joint venture, trust, employee benefit plan, or other entity. A Director or officer is considered to be serving an employee benefit plan at the Corporation's request if his or her duties to the Corporation also impose duties on, or otherwise involve services by, him or her to the plan or to participants in or beneficiaries of the plan. "Director" or "officer" includes, unless the context requires otherwise, the estate or personal representative of a Director or officer.

"Disinterested Director", a Director who, at the time of a vote or selection referred to in Section 4 of this Article, is not: (a) a party to the proceeding, or (b) an individual having a familial, financial, professional or employment relationship with the Director whose indemnification or advance for expenses is the subject of the decision being made, which relationship would, in the circumstances, reasonably be expected to exert an influence on the Director's judgment when voting on the decision being made.

"Expenses", all reasonable expenses incurred by a Party in connection with a Proceeding, includes counsel fees.

"Liability", the obligation to pay a judgment, settlement, penalty, fine including an excise tax assessed with respect to an employee benefit plan, or reasonable expenses incurred with respect to a proceeding.

"Party", an individual who was, is, or is threatened to be made, a defendant or respondent in a Proceeding.

"Proceeding", any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, arbitative, or investigative and whether formal or informal.

Section 2. Indemnification of Directors and Officers.

(a) Except as otherwise provided in this Section 2, the Corporation shall indemnify to the fullest extent permitted by law an individual who is a party to a Proceeding because he or she is a Director or officer against liability incurred in the Proceeding if:

(i) (x) he or she conducted himself or herself in good faith; (y) he or she reasonably believed that his or her conduct was in the best interests of the Corporation or that his or her conduct was at least not opposed to the best interests of the Corporation; and (z) in the case of any criminal proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful; or

(ii) he or she engaged in conduct for which he or she shall not be liable under a provision of the Articles of Organization authorized by Section 2.02(b)(4) of the MBCA or any successor provision to such Section.

(b) A Director's or officer's conduct with respect to an employee benefit plan for a purpose he or she reasonably believed to be in the interests of the participants in, and the beneficiaries of, the plan is conduct that satisfies the requirement that his or her conduct was at least not opposed to the best interests of the Corporation.

(c) The termination of a Proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, is not, of itself, determinative that the Director or officer did not meet the relevant standard of conduct described in this Section.

(d) Unless ordered by a court, the Corporation may not indemnify a Director or officer under this Section if his or her conduct did not satisfy the standards set forth in subsection (a) or subsection (b).

Section 3. Advance for Expenses. The Corporation shall, before final disposition of a Proceeding, advance funds to pay for or reimburse the reasonable Expenses incurred by a Director or officer who is a Party to a Proceeding because he or she is a Director or officer if he or she delivers to the Corporation:

(a) a written affirmation of his or her good faith belief that he or she has met the relevant standard of conduct described in Section 2 of this Article or that the Proceeding involves conduct for which liability has been eliminated under a provision of the Articles of Organization as authorized by Section 2.02(b)(4) of the MBCA or any successor provision to such Section; and

(b) his or her written undertaking to repay any funds advanced if he or she is not wholly successful, on the merits or otherwise, in the defense of such Proceeding and it is ultimately determined pursuant to Section 4 of this Article or by a court of competent jurisdiction that he or she has not met the relevant standard of conduct described in Section 2 of this Article. Such undertaking must be an unlimited general obligation of the Director or officer, but need not be secured and shall be accepted without reference to the financial ability of the Director or officer to make repayment.

Section 4. Determination of Indemnification. The determination of whether a Director officer has met the relevant standard of conduct set forth in Section 2 shall be made:

(a) if there are two or more Disinterested Directors, by the Board of Directors by a majority vote of all the Disinterested Directors, a majority of whom shall for such purpose constitute a quorum, or by a majority of the members of a committee of two (2) or more Disinterested Directors appointed by vote;

(b) by special legal counsel: (i) selected in the manner prescribed in clause (a); or (ii) if there are fewer than two (2) Disinterested Directors, selected by the Board of Directors, in which selection Directors who do not qualify as Disinterested Directors may participate; or

(c) by the shareholders, but shares owned by or voted under the control of a Director who at the time does not qualify as a Disinterested Director may not be voted on the determination.

Section 5. Notification and Defense of Claim; Settlements.

(a) In addition to and without limiting the foregoing provisions of this Article and except to the extent otherwise required by law, it shall be a condition of the Corporation's obligation to indemnify under Section 2 of this Article (in addition to any other condition provide in these By-Laws or by law) that the Party asserting, or proposing to assert, the right to be indemnified, must notify the Corporation in writing as soon as practicable of any Proceeding or investigation involving such Party for which indemnity will or could be sought, but the failure to so notify shall not affect the Corporation's obligation to indemnify except to the extent the Corporation is adversely affected thereby. With respect to any Proceeding as to which the Corporation is so notified, the Corporation will be entitled to participate therein at its own expense and/or to assume the defense thereof at its own expense, with legal counsel reasonably acceptable to the applicable Party. After notice from the Corporation to such Party of its election so to assume such defense, the Corporation shall not be liable to such Party for any legal or other expenses subsequently incurred by such Party in connection with such Proceeding or investigation other than as provided below in this subsection (a). The applicable Party shall have the right to employ his or her own counsel in connection with such Proceeding or investigation, but the fees and expenses of such counsel incurred after notice from the Corporation of its assumption of the defense thereof shall be at the expense of such Party unless: (i) the employment of counsel by such Party has been authorized by the Corporation; (ii) counsel to such Party shall have reasonably concluded, in a writing provided to the Corporation, that there may be a conflict of interest or position on any significant issue between the Corporation and such Party in the conduct of the defense of such Proceeding or investigation; or (iii) the Corporation shall not in fact have employed counsel to assume the defense of such Proceeding or investigation, in each of which cases the Expenses of counsel for such Party shall be at the expense of the Corporation, except as otherwise expressly provided by this Article. The Corporation shall not be entitled, without the consent of the applicable Party, to assume the defense of any claim brought by or in the right of the Corporation or as to which counsel for such Party shall have reasonably made the conclusion provided for in clause (ii) above.

(b) The Corporation shall not be required to indemnify any applicable Party under this Article for any amounts paid in settlement of any Proceeding unless authorized in the same manner as the determination that indemnification is permissible under Section 4 of this Article, except that if there are fewer than two (2) Disinterested Directors, authorization of indemnification shall be made by the Board of Directors, in which authorization Directors who do not qualify as Disinterested Directors may participate. The Corporation shall not settle any Proceeding or investigation without the applicable Party's written consent unless such settlement: (i) includes a full release of the applicable Party from all claims comprising the Proceeding or investigation; (ii) does not in any manner indicate that the applicable Party contributed to or was responsible for the cause of any claims comprising the Proceeding or investigation; or (iii) does not impose any obligations upon the applicable Party or requires the applicable Party to take any action. Neither the Corporation nor such Party will unreasonably withhold their consent to any proposed settlement.

Section 6. Insurance. The Corporation may purchase and maintain insurance on behalf of an individual who is a Director or officer of the Corporation, or who, while a Director or officer of the Corporation, serves at the Corporation's request as a director, officer, manager, partner, trustee, employee, or agent of another domestic or foreign corporation, limited liability company, partnership, joint venture, trust, employee benefit plan, or other entity, against liability asserted against or incurred by him or her in that capacity or arising from his or her status as a Director or officer, whether or not the Corporation would have power to indemnify or advance expenses to him or her against the same liability under this Article.

Section 7. Application of this Article.

(a) The Corporation shall not be obligated to indemnify or advance expenses to a Director or officer of a predecessor of the Corporation, pertaining to conduct with respect to the predecessor, unless otherwise specifically provided.

(b) This Article shall not limit the Corporation's power to: (i) pay or reimburse expenses incurred by a Director or an officer in connection with his or her appearance as a witness in a Proceeding at a time when he or she is not a Party; or (ii) indemnify, advance expenses to or provide or maintain insurance on behalf of an employee or agent.

(c) The indemnification and advancement of expenses provided by, or granted pursuant to, this Article shall not be considered exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled.

(d) Each person who is or becomes a Director or officer shall be deemed to have served or to have continued to serve in such capacity in reliance upon the indemnity provided for in this Article. All rights to indemnification under this Article shall be deemed to be provided by a contract between the Corporation and the person who serves as a Director or officer of the Corporation at any time while these By-Laws and the relevant provisions of the MBCA are in effect. Any repeal or modification thereof shall not affect any rights or obligations then existing.

(e) If the laws of The Commonwealth of Massachusetts are hereafter amended from time to time to increase the scope of permitted indemnification, indemnification hereunder shall be provided to the fullest extent permitted or required by any such amendment.

ARTICLE VIII

FISCAL YEAR

The fiscal year of the Corporation shall be the year ending with December 31 in each year.

ARTICLE IX

Section 4. Board of Director Restrictions. A By-Law dealing with quorum or voting requirements for shareholders, including additional voting groups, may not be adopted, amended or repealed by the Board of Directors.

Section 5. Amendment of Board of Directors Quorum Requirements. SUMMARY BUSINESS PLAN

Business Description

Sira Naturals currently operates three Registered Marijuana Dispensaries pursuant to 935 CMR 501.000 et. seq. In support of its RMDs, Sira Naturals operates two 30,000 square foot cannabis cultivation and product manufacturing facilities at 13 Commercial Way and 1 Industrial Way, Milford, Massachusetts. The Milford facilities currently hold two adult-use Tier 3 Cultivation License, one adult-use Product Manufacturing license and one adult-use Existing Licensee Transporter license, in addition to its medical licenses.

Market Analysis

Sira believes that significant latent demand exists for consumption of adult-use cannabis products in Massachusetts. The pace of adult-use cultivation and manufacturing capacity expansion will not match the demand for cannabis products in the near to medium term. Because of these market conditions, Sira believes that additional retail locations and cultivation and manufacturing capacity is required to satisfy the growing demand for regulated cannabis products in Massachusetts.

Organization Management

Sira Naturals was founded and is operated by Massachusetts natives and residents. Sira operates a vertically integrated business that encompasses the following business units: cultivation, flower processing, extractions, infusions, packaging, logistics, and retail. The complexity of the business necessitates an integrated management structure. Each department is headed by an area expert who reports up to a Vice President/Department Head. Department Heads are grouped into the areas of sales, production, finance, community and government relations, and human resources. Department Heads report to the Board of Directors, led by David Rosenberg, President.

A Sira Naturals' founder, David Rosenberg, a 4-year veteran of the Sira Board, transitioned as Sira's President effective April 1, 2020. David brings a long and storied career running successful New England companies. Among many other accolades, David was recently awarded the Boston Business Journal's 2019 CEO Social Leadership Award given to the regional executive who has gone above and beyond to innovate and create solutions to the area's biggest community challenges. Sira is thrilled to have David who embodies Sira's priorities of family, community, and a commitment to equity and excellence.

Sales Strategies

Regulated cannabis market participants will compete on quality, price and service support of their product mix. Moreover, Sira believes that success in this market depends on public participation with the broad cannabis stakeholder community to ensure a strong and well-regulated industry in Massachusetts. Sira plans to expand upon its presence as a wholesaler in the adult-use marketplace with three, wholly-owned, adult use dispensaries in the cities of Somerville, Watertown, and Boston. Sira will leverage relationships with existing retailers and build relationships with new product manufacturers and retailers as they are licensed by the Commission.

Sira's five-year sales projections, should we be awarded the applied-for licenses are as follows:

Sira Naturals 5 Year Sales Projections	Total 2020	Total 2021	Total 2022	Total 2023	Total 2024	Total 2025
Total Wholesale Sales	\$ 32,771,089	\$ 25,894,284	\$ 62,729,738	\$ 53,913,441	\$ 43,505,319	\$ 34,437,594
Total Retail Sales	\$ 18,609,927	\$ 30,829,543	\$ 57,552,076	\$ 66,171,020	\$ 73,797,723	\$ 82,391,684
TOTAL SIRA Sales	\$ 51,381,016	\$ 56,723,827	\$ 120,281,814	\$ 120,084,461	\$ 117,303,043	\$ 116,829,278

Funding Requirements

Sira Naturals will continue to fund its operations with cash flows generated by operations.

Sira Naturals, Inc.
Plan for Obtaining Liability Insurance

Purpose

The purpose of this plan is to outline how Sira Naturals, Inc. will obtain and maintain the required General Liability and Product Liability insurance coverage as required pursuant to 935 CMR 500.105(10), or otherwise comply with this requirement.

Research

Sira Naturals, Inc. has engaged with multiple insurance providers offering General and Product Liability Insurance coverage in the amounts required in 935 CMR 500.105(10). These providers are established in the legal marijuana industry. We are continuing these discussions with the insurance providers and will engage with the provider who best suits the needs of the company once we receive a Provisional License.

Plan

Once Sira Naturals, Inc. receives its Provisional Marijuana Establishment License we will engage with an insurance provider who is experienced in the legal marijuana industry.

Sira Naturals, Inc. will obtain and maintain general liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually, and product liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually.

The deductible for each policy will be no higher than \$5,000 per occurrence.

In the event that Sira Naturals, Inc. cannot obtain the required insurance coverage, Sira Naturals, Inc. will place a minimum of \$250,000 in an escrow account. These funds will be used solely for the coverage of liabilities.

Sira Naturals, Inc. will replenish this account within ten business days of any expenditure.

Sira Naturals, Inc. will maintain reports documenting compliance with 935 CMR 500.105(10) in a manner and form determined by the Commission and make these reports available to the Commission up request.

RESTRICTING ACCESS TO AGE 21 AND OLDER-RETAIL

The Adult-Use cannabis regulations at 935 MR 500.000 et. seq. contains a variety of restrictions on access to Marijuana Establishments to those who are under 21 years of age. All Sira board members, directors, employees, executives, managers, and volunteers must be 21 years of age or older. Employees include a consultant or contractor who provides on-site services to Sira Naturals related to the cultivation, harvesting, preparation, packaging, storage, testing, or dispensing of marijuana.

Sira Management team is responsible for ensuring that all persons who enter the facility or are otherwise associated with the operations of Sira are 21 years of age or older, except in the case of a Registered Qualifying Patient with the Massachusetts Medical Use of Marijuana Program in possession of a valid Program ID from the Commission.

Sira will Positively identify all individuals seeking access to the facility to limit access solely to individuals 21 years of age or older, or registered Qualifying Patients or personal caregivers.

Upon entry into the facility by an individual, a Sira agent will immediately inspect the individual's proof of identification and determine that the individual is 21 years of age or older. A patient registration card is not sufficient proof of age.

- If the individual is between 18 and 21 years of age, he or she shall not be admitted unless they produce an active patient registration card issued by the Commission.
- If the individual is younger than 18 years old, he or she shall not be admitted without an active patient registration card and a personal caregiver with an active patient registration card.
- In addition to the patient registration card, registered Qualifying Patients 18 years of age and older and personal caregivers must also produce proof of identification.

Other individuals who can access the facility include:

- Sira Agents (including board members, directors, employees, executives, managers, or volunteers)
 - While at the facility or transporting marijuana for the facility all Sira Agents must carry their valid Agent Registration Card issued by the Commission
 - All Sira Agents are verified to be 21 years of age or older prior to being issued a Marijuana Establishment Agent card.
- Visitors (including outside vendors and contractors)
 - Prior to being allowed access to the facility or any Limited Access Area, the visitor must produce a Government issued Identification Card to a member of the management team and have their age verified to be 21 years of age or older.

- If there is any question as to the visitors age, or of the visitor cannot produce a Government Issued Identification Card, they will not be granted access.
 - After the age of the visitor is verified they will be given a Visitor Identification Badge
 - Visitors will be escorted at all times by a marijuana establishment agent authorized to enter the limited access area.
 - Visitors will be logged in and out of the facility and must return the Visitor Identification Badge upon exit.
 - The visitor log will be available for inspection by the Commission at all times
- Representatives of the Commission, Emergency Responders and Law Enforcement.
 - The following individuals shall have access to a Marijuana Establishment or Marijuana Establishment transportation vehicle:
 - Representatives of the Commission in the course of responsibilities authorized by St. 2016, c. 334, as amended by St. 2017, c. 55 or 935 CMR 500.000;
 - Representatives of other state agencies of the Commonwealth; and
 - Emergency responders in the course of responding to an emergency.
 - Law enforcement personnel or local public health, inspectional services, or other permit-granting agents acting within their lawful jurisdiction.
 - Individuals described above in this policy will be granted immediate access to the facility.

Age Verification

To verify an individual is 21 or older Sira Agent must receive and examine from the individual one of the following authorized government issued ID Cards;

- Massachusetts Issued driver's license
- Massachusetts Issued ID card
- Out-of-state driver's license or ID card (with photo)
- Passport
- U.S. Military I.D.
 - To verify the age of the individual the Agent will use an Age Verification Smart ID Scanner that will be supplied by Sira .
 - In the event that the ID is not a scannable ID, or if for any reason the scanner is not operational or available or if the ID is questionable the Agent must use the **FLAG** methodology of ID verification

F. Feel

- Have the customer remove the ID from their wallet or plastic holder (never accept a laminated document)

- Feel for information cut-out or pasted on (especially near photo and birth date areas)
- Feel the texture – most driver's license should feel smooth, or (depending on your State) they will have an identifying texture

L. Look

- Look for the State seals or water marks; these seals are highly visible without any special light.
- Look at the photograph. Hairstyles, eye makeup and eye color can be altered, so focus your attention on the person's nose and chin as these features don't change. When encountering people with beards or facial hair, cover the facial hair portion of the photo and concentrate on the nose or ears.
- Look at the height and weight. They should reasonably match the person.
- Look at the date of birth and do the math!
- Compare the age on the ID with the person's apparent age.
- Look at the expiration date. If the ID has expired, it is not acceptable.
- If needed, compare the ID to the book of Government Issued ID's

A. Ask

- Ask questions of the person, such as their middle name, zodiac sign, or year of high school graduation. Ask them the month they were born. If they respond with a number, they may be lying. If the person is with a companion, ask the companion to quickly tell you the person's name.
- If you have questions as to their identity, ask the person to sign their name, and then compare signatures.

G. Give Back

- If the ID looks genuine, give the ID back to the customer and allow entry.
- If for any reason the identity of the customer or the validity of the ID is in question, the individual will not be granted access to the facility.

Training

Sira will train all Retail and Security Agents on the verification and identification of individuals. This training will be done prior to Agents performing age verification duties. Management will supply Age Verification Smart ID Scanners and hardcover books to assist Agents in age verification.

All Sira agents will enroll and complete the Responsible Vendor Training Program when it is available. This curriculum will include:

- Diversion prevention and prevention of sales to minors;
- Acceptable forms of identification, including:

- How to check identification;
- Spotting false identification;
- Medical registration cards issued by the Commission;
- Provisions for confiscating fraudulent identifications; and
- Common mistakes made in verification.

MAINTAINING OF FINANCIAL RECORDS

Sira Naturals' business success rests, in part, on sound financial recordkeeping practices. Without accurate records it is impossible to determine the financial condition or profitability of the business. Sira Naturals maintains a staff of internal accounting personnel and a sophisticated financial record keeping system to guide Sira management in financial decision making.

Sira Naturals employs an Enterprise Resource Planning Platform to track and record all financial and operational transactions. The ERP system records all internal and external transactions to a general ledger and maintains journals for accounts receivable, accounts payable, payroll, inventory, petty cash, and other financial accounts. The system records and stores all income and expenses and provides reports on demand for all accounts. The system generates all financial statements (balance sheet, income statement, cash flow statement, etc.) on demand. All such financial records are maintained according to the statutory and regulatory minimum time frames.

Sira Naturals maintains a secure electronic record keeping system to store all contracts, agreements, leases, titles, licenses, insurance policies, permits and other key documents. Sira employs a third-party provider to handle payroll disbursements and records. Sira maintains a contractual relationship with its payroll provider that includes provisions for the security of data and action plans in the vent of data breach. Sira engages third-party professional tax advisors and maintains all tax records in a secure records system that is only accessible to authorized personnel.

Sira Naturals engages third-party banking services from a licensed banking institution. This banking institution monitors all Sira Naturals transactions pursuant to guidance from the Financial Crimes Enforcement Network (FinCen) entitled: *BSA Expectations Regarding Marijuana-Related Businesses* (Feb. 2014). Though Sira does not have direct access to reports filed with FinCen by our banking institution, if there is any unexplained financial activity occurring with any of Sira's business accounts, Sira is to be notified by our banking institution and given an opportunity to explain or correct such activity. From the inception of the organization to today, Sira has never been notified of any unexplained financial activity occurring in any of its business accounts.

Sira Naturals maintains a number of different accounts with its financial institution, including business banking accounts, petty cash accounts, budget reserve accounts and others. Sira monitors these accounts on a systematic basis to ensure that no activity that is inconsistent with its expectations is occurring.

When Sira is involved in, or anticipates that it may be involved in, litigation that implicates financial records, the CEO's office will issue a litigation hold on any such records. This means that all financial records and documents relating to the litigation matter must be set aside in order to preserve any potential evidence. In the event that the CEO announces a litigation hold on any or all Sira financial records as a result of pending or anticipated litigation, all such records covered MUST NOT be discarded, deleted or destroyed.

Sira Naturals takes reasonable and prudent steps to ensure the security of all financial records and that such records are only accessible to authorized individuals.

Access to the Commission

All Sira electronic and hard copy (written) records will be available to the Commission upon request pursuant to 935 CMR 500.105(9). The records will be maintained in accordance with

generally accepted accounting principles. All written records required in any section of 935 CMR 500.000, 501.000, 502.000 are subject to inspection.

Access to the Massachusetts Department of Revenue ("DOR")

Sira books, records, papers and other data will be made available upon request by the DOR. Accounting records and information in electronic format will be provided in a searchable electronic format if requested by the Commission of the DOR. Any additional reports and schedules relating to the preparation of tax returns will be maintained and made available upon request. Inventory system data as well as any additional purchase reports, schedules or documentation that reconcile to other books and records, such as purchase journals or a general ledger, will also be maintained and made available upon request.

These records will be kept so long as their contents are material in the administration of Massachusetts tax laws. At a minimum, unless the DOR Commissioner consents in writing to an earlier destruction, the records will be preserved until the statute of limitations for making additional assessments for the period for which the return was due has expired. The DOR may require a longer retention period, such as when the records are the subject of an audit, court case, or other proceeding.

Additionally, Sira will comply with all records retention requirements outlined in the DOR Regulations including but limited to 830 CMR 62C.25.1: Record Retention.

Point of Sale (POS) Systems

Sira will utilize a POS system that complies with the requirements in G.L. c. 62C, § 25; 830 CMR 62C.25.1 (the Records Retention Regulation); and the Massachusetts Department of Revenue ("DOR") Directive 16-1 *"Recordkeeping Requirements for Sales and Use Tax Vendors Utilizing Point of Sale (POS) Systems"*. The POS System will be approved by the Commission

- Our POS system will record all transactions in a manner that will allow the DOR to verify what was sold and whether the appropriate amount of tax was collected. Along with the data in the POS system, Sira will maintain the following records:
 - A journal or its equivalent, which records daily all non-cash transactions affecting accounts payable;
 - A cash journal or its equivalent, which records daily all cash receipts and cash disbursements, including any check transactions;
 - A sales slip, invoice, cash register tape, or other document evidencing the original transaction, which substantiates each entry in the journal or cash journal;
 - Memorandum accounts, records or lists concerning inventories, fixed assets or prepaid items, except in cases where the accounting system clearly records such information; and
 - A ledger to which totals from the journal, cash journal and other records have been periodically posted. The ledger must clearly classify the individual accounts receivable and payable and the capital account.
- Each POS transaction record will provide enough detail to independently determine the taxability of each sale and the amount of tax due and collected. Information on each sales transaction will include, but is not limited to the:
 - individual item(s) sold,
 - selling price,
 - tax due,
 - invoice number,

- date of sale,
- method of payment, and
- POS terminal number and POS transaction number.
- Sira will maintain auditable internal controls to ensure the accuracy and completeness of the transactions recorded in the POS system. The audit trail details include, but are not limited to:
 - Internal sequential transaction numbers;
 - Records of all POS terminal activity; and
 - Procedures to account for voids, cancellations, or other discrepancies in sequential numbering.
 - The POS audit trail or logging functionality must be activated and operational at all times, and it must record:
 - Any and all activity related to other operating modes available in the system, such as a training mode; and
 - Any and all changes in the setup of the system.
- Sira will comply with the provisions of 935 CMR 500.000, 501.000, 502.000 but specifically herein to 935 CMR 500.140(6): Recording Sales.
 - Sira will only utilize a point-of-sale (POS) system approved by the Commission, in consultation with the DOR.
 - Sira may utilize a sales recording module approved by the DOR.
 - Sira will not utilize software or other methods to manipulate or alter sales data.
 - Sira will conduct a monthly analysis of our equipment and sales data to determine that no software has been installed that could be utilized to manipulate or alter sales data and that no other methodology has been employed to manipulate or alter sales data. It is the policy of Sira to provide equal employment opportunities to all employees and employment applicants without regard to unlawful considerations of race, religion, creed, color, national origin, sex, pregnancy, sexual orientation, gender identity, age, ancestry, physical or mental disability, genetic information, marital status or any other classification protected by applicable local, state or federal laws. This policy prohibits unlawful discrimination based on the perception that anyone has any of those characteristics or is associated with a person who has or is perceived as having any of those characteristics. This policy applies to all aspects of employment, including, but not limited to, hiring, job assignment, working conditions, compensation, promotion, benefits, scheduling, training, discipline, and termination.

Sira expects all employees to support our equal employment opportunity policy, and to take all steps necessary to maintain a workplace free from unlawful discrimination and harassment and to accommodate others in line with this policy to the fullest extent required by law. For example, Sira will make reasonable accommodations for employees' observance of religious holidays and practices unless the accommodation would cause an undue hardship on Sira operations. If an employee desires religious accommodation, they are required to make the request in writing to their manager as far in advance as possible. Employees requesting accommodations are expected to attempt to find co-workers who can assist in the accommodation (e.g. trade shifts) and cooperate with Sira in seeking and evaluating alternatives.

Moreover, in compliance with the Americans with Disabilities Act (ADA), Sira provides reasonable accommodations to qualified individuals with disabilities to the fullest extent required by law. Sira may require medical certification of both the disability and the need for accommodation. Keep in mind that Sira can only seek to accommodate the known physical or mental limitations of an otherwise qualified individual. Therefore, it is the employees' responsibility to come forward if they are in need of accommodation. Sira will engage in an interactive process with the employee to identify possible accommodations if any will help the applicant or employee perform the job.

Sira seeks to promote a workplace that is free from discrimination and harassment, whether based on race, color, gender, age, religion, creed, national origin, ancestry, sexual orientation, marital status, or disability. Inappropriate interference with the ability of Sira employees to perform their expected job duties is not tolerated. It is illegal and against Sira's policy for any employee, male or female, to harass another employee. Examples of such harassment include making sexual advances or favors or other verbal or physical conduct of a sexual nature a condition of any employee's employment; using an employee's submission to or rejection of such conduct as the basis for, or as a factor in, any employment decision affecting the individual; or otherwise creating an intimidating, hostile, or offensive working environment by such conduct. The creation of an intimidating, hostile, or offensive working environment may include but is not limited to such actions as persistent comments on an employee's sexual preferences, the display of obscene or sexually-oriented photographs or drawings, or the telling of sexual jokes. Conduct or actions that arise out of a personal or social relationship and that are not intended to have a discriminatory employment effect may not be viewed as harassment. Sira will determine whether such conduct constitutes sexual harassment, based on a review of the facts and circumstances of each situation.

Sira will not condone any sexual harassment of its employees. All employees, including supervisors and managers, will be subject to severe discipline, up to and including discharge, for any act of sexual harassment they commit. Sira will not condone sexual harassment of its employees by non-employees, and instances of such harassment should be reported as indicated below for harassment by employees.

If an employee feels victimized by sexual harassment, they are instructed to report the harassment to their manager immediately. If their immediate manager is the source of the alleged harassment, they should report the problem to Executive Management. Managers who receive a sexual harassment complaint should carefully investigate the matter, questioning all employees who may have knowledge of either the incident in question or similar problems. The complaint, the investigative steps and findings, and disciplinary actions (if any) should be documented as thoroughly as possible. Any employee who makes a complaint, or who cooperates in any way in the investigation of the same, will not be subjected to any retaliation or discipline of any kind.

In addition to the above, if an employee believes they have been subjected to sexual harassment, they may file a formal complaint with either or both of the government agencies set forth below. Using our complaint process does not prohibit you from filing a complaint with these agencies. Each of the agencies has a short time period for filing a claim (EEOC - 300 days; MCAD - 300 days).

The United States Equal Employment Opportunity Commission ("EEOC") One Congress Street, 10th Floor Boston, MA 02114, (617) 565-3200.

The Massachusetts Commission Against Discrimination ("MCAD") One Ashburton Place, Rm. 601, Boston, MA 02108, (617) 994-6000.

Sira strongly supports the policies of the Americans with Disabilities Act and is completely committed to treating all applicants and employees with disabilities in accordance with the requirements of that act. Sira judge individuals by their abilities, not their disabilities, and seeks to give full and equal employment opportunities to all persons capable of performing successfully in the company's positions. Sira will provide reasonable accommodations to any persons with disabilities who require them, who advise Sira of their particular needs. Information concerning individuals' disabilities and their need for accommodation will, of course, be handled with the utmost discretion.

Sira is committed to providing its employees with a safe and productive work environment. In keeping with this commitment, it maintains a strict policy against the use of alcohol and the unlawful use of drugs in the workplace. Consequently, no employee may consume or possess alcohol, or use, possess, sell, purchase, or transfer illegal drugs at any time while on Sira premises or while using Sira vehicles or equipment, or at any location during work time. No employee may report to work with illegal drugs (or their metabolites) or alcohol in his or her bodily system. The only exception to this rule is that employees may engage in moderate consumption of alcohol that may be served and/or consumed as part of an authorized Company social or business event. "Illegal drug" means any drug that is not legally obtainable or that is legally obtainable but has not been legally obtained. It includes prescription drugs not being used for prescribed purposes or by the person to whom it is prescribed or in prescribed amounts. It also includes any substance a person holds out to another as an illegal drug. Any violation of this policy will result in disciplinary action, up to and including termination.

Any employee who feels he or she has developed an addiction to, dependence upon, or problem with alcohol or drugs, legal or illegal, is strongly encouraged to seek assistance before a violation of this policy occurs. Any employee who requests time off to participate in a rehabilitation program will be reasonably

accommodated. However, employees may not avoid disciplinary action, up to and including termination, by entering a rehabilitation program after a violation of this policy is suspected or discovered.

Policy for Separating Recreational from Medical Operations

Sira is committed to being compliant with all regulations and any other requirements or sub-regulatory guidance issued by the Massachusetts Cannabis Control Commission (“CNB” or “the Commission”) and any other requirements or sub-regulatory guidance issued by any other regulatory agency.

To clearly and concisely outline our plan to continue to dispense marijuana and marijuana products to qualifying patients and their caregivers and once licensed, to consumers in the recreational market as a Licensed Marijuana Retailer.

Purpose

The purpose of this plan is to outline the responsibilities of the Company, the Company’s management team and Agents to ensure specific, methodical, and consistent compliance of the Regulations and to ensure that there is separation between medical use of marijuana operations and recreational marijuana operations are in compliance with all regulations and laws.

General Requirements

As a Colocated Marijuana Operations (“CMO”) Sira will comply with the requirements for physical and virtual separation of medical-use and adult use marijuana and marijuana products

Sira will implement procedures for virtual, i.e., electronic, separation of medical-use and adult-use marijuana, MIPs, and marijuana products subject to Commission approval. Sira will use of plant or package tags in the Seed-to-sale SOR (“METRC”) for this separation.

Sira will attach plant tags to all marijuana clones and plants and attach package tags to all finished marijuana, MIPs and marijuana products and enter any remaining inventory, including seeds, into METRC.

Patient Supply

Sira will ensure access to a sufficient quantity and variety of Marijuana Products, including Marijuana, for Patients registered under 935 CMR 501.000.

- During the first 6 months of operation, Sira will reserve 35% of our Marijuana Products for patient sales.
- Once we have been open and dispensing for a period of six months or longer, Sira will maintain a quantity and variety of Marijuana Products for Patients registered under 935 CMR 501.000, sufficient to meet the demand indicated by an analysis of sales data collected by the Licensee during the preceding six months in accordance with 935 CMR 500.140(5): Recording Sales and 935 CMR 501.140(5).

Marijuana products reserved for patient supply shall, unless unreasonably impracticable, reflect the actual types and strains of Marijuana Products documented during the previous six months. If a substitution shall be made, the substitution shall reflect as closely as possible the type and strain no longer available.

On a biennial basis, Sira will submit to the Commission an inventory plan to reserve a sufficient quantity and variety of medical use Marijuana Products for Registered Qualifying Patients, based on reasonably anticipated patient needs as documented by sales records over the preceding six months. On each occasion that the supply of any product within the reserved patient supply is exhausted and a reasonable substitution cannot be made, Sira will submit a report to the Commission in a form determined by the Commission.

Marijuana Products reserved for patient supply will be either maintained on-site at the retailer or easily accessible at another location operated by Sira and transferable to the retailer location within 48 hours of notification that the on-site supply has been exhausted. Sira will perform audits of available patient supply on a weekly basis and retain those records for a period of six months.

Sira may transfer Marijuana Products reserved for medical-use to adult-use within a reasonable period of time prior to the date of expiration provided that the product does not pose a risk to health or safety.

Point of Sale

As a Colocated Marijuana Operations (CMO) Sira will use best efforts to prioritize patient and caregiver identification verification and physical entry into its retail area.

- Sira will have one or more separate Point of Sale (“POS”) station(s) and lines reserved solely for medical marijuana sales to Qualifying Patients or their Personal Caregivers. These POS station will:
 - Be ADA compliant for wheelchair and scooter access.
 - Be clearly marked that the POS station is for medical sales only
 - Be physically separated from the other POS stations with the use of semi-permanent stanchions with ropes or belts that create a physical barrier between medical and adult sales.
 - The stanchion and rope system will also create a separate line for patients and caregivers and will be clearly marked with a sign stating that these POS stations are for medical sales only.
 - The other POS stations will be clearly marked by signage stating that these lines and POS stations are for all sales, including medical.
 - Our patient marketing and patient/consumer education materials will also state that medical sales may be done at any POS station and that the holder of a medical

registration card may use either line and shall not be limited only to the medical use line.

- The facility has an area that is separate from the sales floor that allows for confidential consultation. The Consultation Room will have signage that reads, “Consultation Area” and will be accessible by a Qualifying Patient or caregiver without having to traverse a Limited Access Area.
- Virtual Separation of medical and adult sales will happen at the POS station. Sira POS System will be equipped to track medical and adult sales internally.
 - For each transaction Sira sales agent will ask each customer if there are any medical marijuana sales that will be completed.
 - If the answer is no, the sales agent will re-verify the customers age by checking the customers government issued ID card and entering the entire order as adult use and taxed and recorded appropriately.
 - If the customer states that medical sales are included, the Sales Agent will request the Patient Registration Card issued by the Commission and their second form of identification.
 - The Sales agent will enter the patient/caregiver information through the Commission-supported databases and verify the patient/caregiver registration is valid and that the patients 60-day supply has not been reached.
 - The sales agent will fill the patient/caregiver order and ask which items are for medical use.
 - If all items are for medical use the sales agent will first enter the amounts of marijuana purchased into the CNB interoperable database and ensure that the amount does not exceed the patients 60-day supply.
 - The order will be entered into the POS System. For each item or stock keeping unit (“SKU”) the sales agent will designate it as medical sales and the system will record it as such and not tax the transaction
 - If only some of the items are for medical use the sales agent will first enter the amounts of marijuana purchased into the Commission-supported database and ensure that the amount does not exceed the patients 60-day supply.
 - The sales agent will then verify that the patient is at least 21 years of age by checking the government

issued identification. If the patient is under 21 years of age, no adult use products may be sold

- The order will be entered into the POS System. For each item or SKU the patient/caregiver designates as medical use the sales agent will designate it as medical sales and the system will record it as such and not tax the item(s). For items or SKU's identified as adult use (and the patient is 21 years of age or older) these items will be entered into the POS system and taxed accordingly.
- At the end of each business day a report will be generated by the POS system that includes the data of all sales, medical and adult use. This report will be compared against the transaction data in the Metrc system and the Commission-supported database to ensure all medical and adult sales are correct.
- Sira will not sell to an individual more than one ounce of marijuana or five grams of marijuana concentrate per transaction.

Patients under the age of 21

Registered, Qualifying patients may be under the age of 21 and will require access to marijuana for medical use. Sira is will not restrict access to our products to patients of any age so long as they are registered with the Commission.

While we do not expect a large number of patients who are under the age of 21 we are committed to giving them access to our products while also making sure that these patients cannot access products that are intended for adult use.

No customer will have direct access to marijuana products except at point of sale. All marijuana products are stored in locked cabinets behind the POS counter.

- Registered Patients under the age of 21 will be admitted into our facility only if the individual is 18 years of age or older and produces an active patient registration card issued by the Commission or the Commission. If the individual is younger than 18 years old, he or she shall not be admitted unless they produce an active patient registration card and they are accompanied by their personal caregiver with an active patient registration card.
 - In addition to the active patient registration card, registered qualifying patients 18 years of age and older and personal caregivers must also produce proof of identification.
- In any case where a patient that is under the age of 21, Sira agent that determines the patient is under 21 years of age will notify the sales manager of this fact.

- The sales manager and the security agent will monitor the patient throughout the facility.
 - The Sales Agent or designee will offer personal assistance to the patient and/or caregiver while they are inside the facility.
 - At the POS Station the sales manager will notify the sales agent that the patient is under 21 to ensure that only medical sales occur.

- Post hiring needs in a variety of web-based recruitment platforms such as indeed.com;
- Participate in local hiring events and job fairs, at least two annually, including events held by the Massachusetts Cannabis Business Association (MassCBA);
- Attend community group meetings in and around Boston, Somerville, Watertown, Chelsea and Revere, at least two annually, to introduce Sira and address our existing hiring needs to attract a diverse array of individuals, with an emphasis on those affiliated with the cannabis industry.

Sira will adhere to the requirements set forth in 935 CMR 500.105(4) relative to the permitted and prohibited advertising, brand, marketing, and sponsorship practices of marijuana establishments. Sira will engage with community groups and leaders to further identify ways in which to attract candidates that may not otherwise be aware of employment opportunities with Sira. To ensure that our workplace is an inclusive environment and to promote equity among our team, all hiring managers will undergo training to address bias and cultural sensitivity.

Metrics and Evaluation: Sira will assess the demographics of its employees to see if it is meeting its goal of increasing diversity in these positions. Sira will annually analyze the staffing makeup and based upon the outcome of those analytics, determine what steps are necessary to further increase the diversity of Sira. Sira will assess and review its progress within a year of receiving its Final License from the Cannabis Control Commission for an adult-use marijuana establishment and then annually, thereafter. Based upon this annual review and in conjunction with the renewal of its license, Sira will be able to demonstrate to the Commission the success of this initiative. The progress or success will be documented one year from provisional licensure.

GOAL 2: Ensure that at least 25% participants in our supply chain and ancillary services are committed to the same goals of promoting equity and diversity in the adult-use marijuana industry.

Proposed Initiative: To accomplish this goal, Sira will prioritize working with businesses in our supply chain and required ancillary services that are owned and/or managed by minority groups; women, veterans, people with disabilities, and LGBTQ+ individuals. (herein referred to as Plan Populations).

Metrics and Evaluation: Sira will measure how many of its ancillary services and participants in its supply chain are owned and/or managed by Plan Populations and will calculate the percentage of services and members of its supply chain who meet this requirement. Sira will ask suppliers and ancillary services if they would identify themselves as a business that is owned or managed by one of the Plan Populations and give supplier contractor priority to these businesses. In order to target a diverse supplier base, Sira will post hiring needs in diverse publications such as a variety of web-based recruitment platforms such as indeed.com and attend community group meetings, at least two annually, to introduce Sira and address the existing hiring needs to attract a diverse array of suppliers. Sira will adhere to the requirements set forth in 935 CMR 500.105(4) relative to the permitted and prohibited advertising, brand, marketing, and sponsorship practices of marijuana establishments. During its engagement with community groups and leaders

referenced in Goal 1, Sira will further identify ways in which to attract diverse supply chain candidates that may not otherwise be aware of employment opportunities with Sira. Sira's goal will be to work with at least 15% of businesses who identify as one of the Plan Populations throughout its supply chain and services. Sira will assess these percentages annually and will be able to demonstrate and document to the Commission the progress or success will be documented one year from provisional licensure.

IV. Conclusion

Sira will conduct continuous and regular evaluations of the implementation of its goals and at any point will retool its policies and procedures in order to better accomplish the goals set out in this Diversity Plan. Any actions taken, or programs instituted by Sira will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.
