RECOMMENDATION

Commission staff recommend provisional licensure with the following conditions:

1. Final license is subject to inspection to ascertain compliance with Commission regulations.
2. Final license is subject to inspection to ascertain compliance with applicable state laws, local codes, ordinances or bylaws, and local licensing requirements.
3. The applicant shall cooperate with and provide information to Commission staff.
4. Provisional licensure is subject to the payment of the appropriate license fee.
5. Final license is subject to the applicant informing the Commission of any "Additional Operational Plans for Product Manufacturers" as it relates to Quality Control Samples. Licensees that opt to provide Quality Control Samples must include written policies and procedures in accordance with 935 CMR 500.130(5)(k) and as expressly enumerated in 935 CMR 500.130(9).

The applicant has demonstrated compliance with the laws and regulations of the Commonwealth and suitability for licensure. Therefore, the applicant is recommended for provisional licensure.
