## **RECOMMENDATION**

Commission staff recommend provisional licensure with the following conditions:

1. Final license is subject to inspection to ascertain compliance with Commission regulations.
2. Final license is subject to inspection to ascertain compliance with applicable state laws, local codes, ordinances or bylaws, and local licensing requirements.
3. Final licensure is subject to the applicant providing Commission staff, upon inspection, with a detailed list of all proposed products to be produced with specific information as to types, forms, shapes, colors, and flavors.
4. Final licensure is subject to the applicant ensuring that all remaining required individuals be fingerprinted pursuant to previous Commission notifications.
5. Final Licensure is subject to applicant providing the Commission with its “Additional Operational Plans for Product Manufacturers” as it relates to Quality Control Samples. Licensees that opt to provide Quality Control Samples must include written policies and procedures in accordance with 935 CMR 500.130(5)(k) and as expressly enumerated in 935 CMR 500.130 (9).
6. The applicant shall cooperate with and provide information to Commission staff.
7. Provisional licensure is subject to the payment of the appropriate license fee.

The applicant has demonstrated compliance with the laws and regulations of the Commonwealth and suitability for licensure. Therefore, the applicant is recommended for provisional licensure.
