#### VIII. Commission Discussion and Votes – 00:19:58

1. Discussion and Review of Draft Regulations

- The AC thanked the members of the Social Consumption Working Group and invited further comments on the new draft Social Consumption regulations from stakeholders. The ED noted that implementing Social Consumption depended on the budget allocation in FY26. Paralegal Rachel Ferrara (Paralegal Ferrara) began reading the redline amendments to the draft regulations. Commissioner Roy asked if “liquid” in the definition of Beverage was overly prescriptive and Deputy General Counsel Michael Baker (DGC Baker) stated that the definition was intended to clarify that the beverages were a Marijuana-infused Product. Commissioner Roy requested to circle back to this topic and Paralegal Ferrara continued reading the redline amendments. Commissioner Roy asked if the definition of Close Associate allowed for people who could not pass a suitability review to act as a Non-Cannabis Business. She asked further if the Non-Cannabis Business who had contracted with a Hospitality On-Site Consumption Licensee could advertise on behalf of the latter. She discussed this concern with staff and asked to circle back to the topic. Paralegal Ferrara continued reading the redline amendments and Commissioner Roy requested that “or inhalation” be included in the definition of Cooling Down Area after “consumption.” DGC Baker proposed an amendment to the Hospitality On-site Consumption definition to replace “Marijuana and Marijuana Products” with “Marijuana or Marijuana Products.” Commissioner Roy asked about what “new business” meant in the same definition and discussed with staff.
- The Commission took a brief recess. (Returned at 01:30:05.)
- Commissioner Roy stated that the group could move on but requested further thoughts on the definition of Close Associate and Paralegal Ferrara continued reading the redline amendments. Associate General Counsel Phillip Schreffler (AGC Schreffler) proposed a new definition for Indoor Non-Smoking Consumption Area to read: “Indoor Non-Smoking Consumption Area means an enclosed space on the premises of a Social Consumption Establishment where Consumers may consume Marijuana or Marijuana Products in the form of Edibles, MIPs, and Beverages, where however, Consumers may not consume Marijuana or Marijuana Products through combustion, heat, vaporization, or aerosolization.” Commissioner Roy requested to keep the sentence prohibiting tobacco. AGC Schreffler proposed an edit to the Indoor Smoking Consumption Area definition to read “an enclosed space on the Premises of a Social Consumption Establishment where Consumers may consume Marijuana or Marijuana Products through combustion, heat, vaporization, or aerosolization, in addition to Edibles, MIPs, and Beverages.” AGC Schreffler proposed an additional edit the Marijuana Event Organizer definition to replace “and” with “or” after “Warehouse Marijuana.” Commissioner Roy requested to list “Standards Laboratory” in the Marijuana Establishment definition. AGC Schreffler proposed an amended definition for Non-Cannabis Business to end with “... may house a Hospitality On-Site Consumption Licensee, Marijuana Event Organizer, or a Temporary Consumption Event”, which Commissioners discussed with staff.
- The Commission took a brief recess. (Returned at 03:03:34.)

- The AC stated that an additional meeting would be held on March 31<sup>st</sup> to continue review of the redline amendments. Chief of Investigations and Enforcement Nomxolisi Jones (Chief Jones) proposed a revised version of AGC Schreffler’s amendment for Non-Cannabis Business to read: “... may house or host a Hospitality On-site Consumption Licensee or a Marijuana Event Organizer Licensee or a Temporary Consumption Event” Commissioner Roy asked if the regulations would allow for a Social Consumption at residential addresses. Commissioners discussed and agreed to circle back on the topic. AGC Schreffler proposed a new definition to read: “Outdoor Non-Smoking Consumption Area means an outdoor space on the Premises of a Social Consumption Establishment where Consumers may consume Marijuana or Marijuana Products in the form of Edibles, MIPs, and Beverages provided however, Consumers may not consume Marijuana or Marijuana Products through combustion, heat, vaporization, or aerosolization.” DGC Baker proposed including the sentence “Tobacco shall not be sold or consumed in any Indoor Smoking Consumption Area” at the end of the definition. DGC Baker additionally proposed a new definition for Outdoor Smoking Consumption Area to read: “... means an outdoor space on the Premises of a Social Consumption Establishment where Customers may consume Marijuana or Marijuana Products through combustion smoke, heat, vaporization, or aerosolization, in addition to Edibles, MIPs, and Beverages.” Paralegal Ferrara continued reading the redline amendments until Commissioner Roy requested an edit to the Person or Entity Having Indirect Control definition to replace “shall” with “may” in the third sentence. Director of Investigations Katherine Binkoski (Director Binkoski) and Chief Jones confirmed that “shall” would be better for enforcement. Paralegal Ferrara continued reading the redline amendments until Commissioner Roy asked if Third-party Transporters should be listed in the Supplemental On-site Consumption definition. Commissioners discussed and agreed to circle back to this point as well as the Temporary On-site Consumption Permit definition. Commissioner Roy noted that the definition of Warehouse would need to include Third-party Transporters if the Commission decided to allow that License type to offer Supplemental On-site Consumption.
- Commissioners circled back to the definition of Person or Entity Having Indirect Control and Chief Jones provided updated language starting at the third sentence to read: “A Hospitality On-site Consumption Licensee may contract with a Non-Cannabis Business to operate within the Non-Cannabis Business solely for physical space therefore the Non-Cannabis Business shall not be considered a Person or Entity Having Indirect Control by virtue of this relationship alone. A Marijuana Event Organizer Licensee may contract with a Non-Cannabis Business to operate within the Non-Cannabis Business’ solely for physical space therefore the Non-Cannabis Business shall not be considered a Person or Entity Having Indirect Control by virtue of this relationship alone.”
- Paralegal Ferrara continued reading the redline amendments. Regarding 935 Code Mass. Regs. § 500.005(1)(d), Commissioner Roy asked how the Application Fees for Social Consumption Licenses was determined and the AC explained how the group had tried to keep the fees in line with other Licenses. Commissioner Roy asked if the

Hospitality On-site Consumption annual License fee could be reduced to \$5,000, Chief Jones concurred as did Commissioner Camargo and the AC. Commissioner Roy asked for clarification on 935 Code Mass. Regs. § 500.050(1)(b)9.b.i. and discussed with staff.

- The Commission took a brief recess. (Returned at 04:37:29.)
- DGC Baker proposed new language for 935 Code Mass. Regs. § 500.050(1)(b)9.b.i. to read: “Provide a set percentage or portion of sales to the Non-Cannabis Business as a condition of being housed or hosted by a Non-Cannabis Business.” EC Goodin noted that this area of the regulations would be the appropriate place to address Commissioner Roy’s concerns regarding a Non-Cannabis Business advertising on behalf of a Social Consumption Establishment. AGC Schreffler suggested a new 935 Code Mass. Regs. § 500.050(1)(b)9.b.iii. to read: “Shall not allow its name or intellectual property to be used in advertisements by the Non-Cannabis Business.” Commissioners discussed and agreed to circle back to the topic. Paralegal Ferrara continued reading the redline regulations and there were no further amendments until Commissioner Roy asked if 935 Code Mass. Regs. § 500.050(2)(f) should include the word “adjacent.” Commissioners discussed the distinction between premises and property and decided to strike “or attached to”. The AC asked if there were any objections to adjourning and picking up the regulations on March 31<sup>st</sup> and there were none.

IX. Next Meeting Date – 05:17:45

- The AC stated that the next meeting was scheduled for March 31<sup>st</sup> at 10:00 a.m.

X. Adjournment – 05:18:03

- Commissioner Camargo moved to adjourn.
- Commissioner Roy seconded the motion.
- The AC took a roll call vote:
  - Commissioner Camargo – Yes
  - Commissioner Roy – Yes
  - AC Stebbins – Yes
- The Commission unanimously approved the motion to adjourn.

## Memorandum

---

**To:** Commissioners Concepcion, Camargo and Roy and Acting Chair Stebbins  
**Cc:** Travis Ahern, Executive Director  
Debra Hilton-Creek, Chief People Officer  
Michael Baker, Deputy General Counsel  
Kate Flanagan, Executive Assistant  
**From:** Kajal Chattopadhyay, General Counsel  
**Date:** May 8, 2025  
**Subject:** May 8, 2025, Public Meeting - Tri-annual Review of Executive Session Minutes –  
FOR INFORMATION & BACKGROUND

---

**Summary Recommendation:** As part of the Commission's Tri-annual review process of executive session minutes,<sup>1</sup> the Legal Department recommends continued withholding of two sets of minutes relating to a protective order, twelve sets pertaining to litigation, two sets pertaining to strategy sessions held in preparation for negotiations with nonunion personnel and one set pertaining to a complaint against the Commission. In addition, Legal recommends the release of one set of minutes pertaining to the review of Executive Session minutes.

Below is a chronological list of executive session minutes, annotated with the purpose of the meeting and the analysis for disclosure or withholding.

**October 8, 2020.** The Commission entered executive session under Purpose 7, which allows the Commission to comply with, or act under the authority of, any general or special law. In this executive session, the Commission discussed matters subject to the Second Amended Protective Order (Protective Order) entered in the matter of United States v. Jasiel F. Correia, II & another, United States District Court for the District of Massachusetts Criminal Action No. 18-cr-10364-DPW.

*Recommendation:* Withhold. As the minutes address matters subject to the Protective Order, we recommend withholding the minutes.

**November 19, 2020.** The Commission entered executive session under Purpose 7, which is described above, specifically to discuss matters subject to the protective order and that involved Nature's Medicine, Agricultural Healing, and Northeast Alternatives, Inc.

---

<sup>1</sup> This process satisfies the Commission's statutory obligations to review executive session minutes. G. L. c. 30A, § 22 (g) (1).

*Recommendation:* Withhold for the reason stated above.

**February 8, 2024 - Present.**

The Commission entered executive session twelve times under Purpose 3, which allows Commissioners to discuss strategy with respect to litigation if an open meeting may have a detrimental effect on the litigating position of the public body and the chair so declares.

*Recommendation:* Withhold, because there is an ongoing need to protect the litigation position of the Commission and disclosure of the materials at an open session would jeopardize the Commission's ongoing need to protect its litigation position. Therefore, the Commission should withhold these minutes until the next Tri-annual review. G. L. c. 30A, §22 (f). These sets include Executive Session meetings held on: February 8, 2024; February 27, 2024; April 11, 2024; October 11, 2024; October 31, 2024; November 8, 2024; December 16, 2024; January 17, 2025; January 23, 2025; February 18, 2025; February 25, 2025; and April 10, 2025.

**November 25, 2024, and December 4, 2024.** The Commission entered executive session two times under Purpose 2, which allows Commissioners to conduct strategy sessions in preparation for negotiations with nonunion personnel.

*Recommendation:* Withhold, because there is an ongoing need to protect the negotiating and litigation position of the Commission and disclosure of the materials at an open session would jeopardize the Commission's ongoing need to protect its position.

**December 17, 2024.** The Commission entered executive session under Purpose 1, which allows Commissioners to discuss complaints against the Commission, a public body.

*Recommendation:* Withhold, because there is an ongoing need to protect the strategic position of the Commission and discussing the content at an open session would have a detrimental effect. Therefore, the Commission should withhold these minutes until the Commission's position is not negatively impacted.

**March 13, 2025.** The Commission entered executive session under Purpose 7, which allows Commissioners to discuss Executive Session minutes.

*Recommendation:* Release as Legal has determined that the purpose for entering the executive session has ended.
