Plan for Positive Impact:

Baked Bean LLC (the “Company”) is a Veteran owned and operated business. Accordingly, it intends to focus its positive impact efforts on local veteran groups and other veteran groups from Uxbridge and other areas of Disproportionate Impact as identified by the Commission. The Company has identified, and plans to focus efforts in, Worcester (18 miles by car from Uxbridge) and Southbridge (25 Miles by car from Uxbridge), both of which are areas disproportionately impacted by the war on drugs and in close proximity to the Company’s headquarters in Uxbridge, MA.

The Company will have a 4-part approach to its Plan to Positively Affect Areas of Disproportionate Impact as follows: (1) Jobs; (2) Charity; (3) Education; and (4) Evaluation.

Jobs

1. Engage with local veteran groups such as the local VFW in Uxbridge (Post 1385) and Veteran’s Inc. (Worcester), Worcester Veterans Center, and the Southbridge Veterans Council to identify potential employees;

3. Work with local workforce development boards in Worcester and Southbridge to identify and recruit potential employees.
4. Hire directly from the disproportionately affected areas of Worcester and Southbridge; and
5. Partner with Quinsigamond Community College in Worcester as a recruitment resource in an effort to identify interested candidates and qualified local community members.

To the extent allowed by law, the Company will give a hiring preference to individuals from areas of disproportionate impact.

Charity

1. Make charitable donations to the Wounded Warrior Project, Uxbridge Supports Our Troops, Southbridge Veterans Council and other local non-profit organizations; and
2. Conduct food drives to benefit local food pantries;
3. Host charitable events in Worcester, Southbridge and Uxbridge;
4. Support local community organizations;
5. Conduct community service days at the VFW’s in Worcester, Southbridge and Uxbridge;
6. Coordinate with local groups fighting addiction issues; and
7. Coordinate efforts with local veterans councils and community groups to positively affect problematic or underfunded issues facing the community on an ongoing basis.

Education

1. Hold education and informational sessions at least twice a year at any of the following: (1) the local VFW in Uxbridge, Worcester and Southbridge; (2) Veterans Inc. (Worcester); The Worcester Vet Center at least twice a year
2. Provide a minimum of twenty (20) hours of educational programs annually;
3. Develop and implement educational programs geared towards individuals living in disproportionately impacted areas who are interested in the cannabis industry;
4. Engage with local community groups such as Worcester's Veterans Affairs Outpatient Clinic, to educate the public on the responsible consumption of cannabis and the prevention of diversion to individuals under 21; and
5. Provide educational seminars in the areas of restorative justice, jail diversion, and workforce development.

Annual Review

The Company will annually review the following criteria in an effort to measure the success of its Plan to Positively Affect Areas of Disproportionate Impact:

Baked Bean LLC

Executive Summary

Baked Bean LLC (BB) holds a provisional manufacturing license at 504 Quaker Highway in Uxbridge MA. The entity was recently taken over in March 2020 by a new owner, Hao Li, in 2020. Mr Li has already begun the process to relocate the license to 79 River Road in Uxbridge so as to co-locate all three of the licenses he purchased in 2020. Mr. Li has been approved by the town to relocate this license and will apply to CCC for change of location in the coming weeks.

BB will purchase cannabis material from approved CCC licensed sellers in MA and we will use a variety of methods to extract, distill, or isolate the cannabinoids and other compounds from the cannabis plant. Those extracted or isolated compounds may then be infused into a variety of products including foods, lotions or salves, vape carts, or drinks for example.

We will submit our final products for testing from an approved cannabis testing lab in MA and include all results in our labeling, and we will sell those products to CCC licensed cannabis retailers and wholesalers in MA.

Our mission is to create quality products at a reasonable price, while developing a company that employees are proud to work for and customers are proud to purchase from. We want to be a positive addition to both Uxbridge and the MA cannabis landscape. We are proud of our ties to the Blackstone Valley and we hope to share the spirit of innovation with legal adult consumers throughout MA.

Manufacturing Process

- RAW MATERIAL BAKING
 - Raw material is loaded into convection ovens. The dried raw material is then loaded into a processor and chopped to the consistency of coffee grounds.
- ETHANOL
 -
- BLENDING AND PACKAGING
 - The refined oil is now mixed with natural flavoring components. Once complete, the oil is then inserted into the atomizers and other products. Then packaged for delivery to the local retail shops.
- QUALITY CONTROL AND SAFETY
 - Chemical and pesticide free. Flavors are derived from natural sources. CO2 extraction is the cleanest and safest method for extracting plants such as hops, cannabis and a wide range of organic crops. CO2 is classified as a non-flammable, non-toxic liquefied gas and is commonly used in fire extinguishers to put out electrical fires.
- Additional Methods
 - We may also employ alternate methodology such as dry sift, bubble hash, flash frozen trim, butane extraction, nano extraction and novel extraction methods as they become available for commercial use.
- Infusions
 - We may infuse other products with cannabinoids and terpenes including food, drinks, lotions, salves, vape cartridges, oils, tinctures, and other personal use products.
