BYLAWS

CNA STORES, INC.

BYLAWS OF CNA STORES, INC.

ARTICLE I: GENERAL

Section 1.01 Name and Purposes. The name of the Corporation is CNA STORES, INC. (the “**Corporation**”). The purpose of the Corporation shall be as set forth in the Corporation’s Articles of Organization as adopted and filed with the Office of the Secretary of State of the Commonwealth of Massachusetts (as now in effect or as hereafter amended or restated from time to time, the “**Articles of Organization**”) pursuant to Chapter 156D of the Massachusetts General Laws, as now in effect and as hereafter amended, or the corresponding provision(s) of any future Massachusetts General Law (“**Chapter 156D**”).

Section 1.02 Articles of Organization. These Bylaws (“**Bylaws**”), the powers of the Corporation and its shareholders and Board of Directors, and all matters concerning the conduct and regulation of the business of the Corporation, shall be subject to the provisions in regard thereto that may be set forth in the Articles of Organization. In the event of any conflict or inconsistency between the Articles of Organization and these Bylaws, the Articles of Organization shall control.

Section 1.03 Corporate Seal. The Board of Directors may adopt and alter the seal of the Corporation. The seal of the Corporation, if any, shall, subject to alteration by the Board of Directors, bear its name, the word “Massachusetts” and the year of its incorporation.

Section 1.04 Fiscal Year. The fiscal year of the Corporation shall commence on January 1, and end on the following December 31 of each year, unless otherwise determined by the Board of Directors.

Section 1.05 Location of Principal Office of the Corporation. The principal office of the Corporation shall be located at such place within the Commonwealth of Massachusetts as shall be fixed from time to time by the Board of Directors, and if no place is fixed by the Board of Directors, such place as shall be fixed by the President.

ARTICLE II: SHAREHOLDERS

Section 2.01 Place of Meeting. Meetings of the shareholders shall be held at any place within or without the Commonwealth of Massachusetts that may be designated by the Board of Directors. Absent such designation, meetings shall be held at the principal office. The Board of Directors may, in its discretion, determine that the meeting may be held solely by means of remote electronic communication. If authorized by the Board of Directors, and subject to any guidelines and procedures adopted by the Board of Directors, shareholders not physically present at a meeting of shareholders, may participate in a meeting of shareholders by means of electronic transmission by and to the Corporation or electronic video screen communication; and, may be considered present in person and may vote at a meeting of shareholders, whether held at a designated place or held solely by means of electronic transmission by and to the Corporation or electronic video screen communication, subject to the conditions imposed by applicable law.

Section 2.02 Annual Meeting. The annual meeting of shareholders of this Corporation shall be held on such date and at such time as may be designated from time to time by the Board

of Directors. At the annual meeting, Directors shall be elected, and any other business may be transacted that is within the power of the shareholders and allowed by law; *provided, however*, that unless the notice of meeting, or the waiver of notice of such meeting, sets forth the general nature of any proposal to (i) approve or ratify a contract or transaction with a Director or with a corporation, firm or association in which a Director has an interest; (ii) amend the Articles of Organization of this Corporation; (iii) approve a reorganization or merger involving this Corporation; (iv) elect to wind up and dissolve this Corporation; or (v) effect a plan of distribution upon liquidation otherwise than in accordance with the liquidation preferences of outstanding shares with liquidation preferences, no such proposal may be approved at an annual meeting.

Section 2.03 Special Shareholders' Meetings. Special meetings of the shareholders, for any purpose whatsoever, may be called at any time by the President, the Board of Directors or by shareholders entitled to cast not less than ten percent (10%) of the corporation's voting power. Any person entitled to call a special meeting of shareholders (other than the Board of Directors) may make a written request to the Chair of the Board (if any), President, Vice President (if any) or Secretary, specifying the general purpose of such meeting and the date, time and place of the meeting, which date shall be not less than fifteen (15) days nor more than sixty (60) days after the receipt by such officer of the request. Within twenty (20) days after receipt of the request, the officer receiving such request forthwith shall cause notice to be given to the shareholders entitled to vote at such meeting, stating that a meeting will be held on the date and at the time and place requested by the person or persons requesting a meeting and stating the general purpose of the meeting. If such notice is not given twenty (20) days after receipt by the officer of the request, the person or persons requesting the meeting may give such notice. No business shall be transacted at a special meeting unless its general nature shall have been specified in the notice of such meeting; *provided, however*, that any business may be validly transacted if the requirements for such validity, as provided in Section 2.12 of these Bylaws, are met.

Section 2.04 Shareholder Nominations and Proposals. For business (including, but not limited to Director nominations) to be properly brought before an annual or special meeting by a shareholder, the shareholder or shareholders of record intending to propose the business (the "**Proposing Shareholder**") must have given written notice of the Proposing Shareholder's nomination or proposal, either by personal delivery or by the United States mail to the Secretary of the Corporation. In the case of an annual meeting, the Proposing Shareholder must give such notice to the Secretary of the Corporation no earlier than one hundred and twenty (120) calendar days and no later than ninety (90) calendar days before the date such annual meeting is to be held. If the current year's meeting is called for a date that is not within thirty (30) days of the anniversary of the previous year's annual meeting, notice must be received not later than ten (10) calendar days following the day on which public announcement of the date of the annual meeting is first made. In no event will an adjournment or postponement of an annual meeting of shareholders begin a new time period for giving a Proposing Shareholder's notice as provided above.

For business to be properly brought before a special meeting of shareholders, the notice of meeting sent by or at the direction of the person calling the meeting must set forth the nature of the business to be considered. A shareholder or shareholders who have made a written request for a special meeting pursuant to Section 2.03 of these Bylaws may provide the information required for notice of a shareholder proposal under this Section 2.04 simultaneously with the written request for the

meeting submitted to the Secretary or within ten (10) calendar days after delivery of the written request for the meeting to the Secretary.

A Proposing Shareholder's notice shall include as to each matter the Proposing Shareholder proposes to bring before either an annual or special meeting:

- (a) The name(s) and address(es) of the Proposing Shareholder(s).
- (b) The classes and number of shares of capital stock of the Corporation held by the Proposing Shareholder.
- (c) If the notice regards the nomination of a candidate for election as Director:
 - (i) The name, age, business and residence address of the candidate;
 - (ii) The principal occupation or employment of the candidate; and
 - (iii) The class and number of shares of the Corporation beneficially owned by the candidate.
- (d) If the notice is in regard to a proposal other than a nomination of a candidate for election as Director, a brief description of the business desired to be brought before the meeting and the material interest of the Proposing Shareholder of such proposal.

Section 2.05 Notice of Shareholders' Meeting. Except as otherwise provided by law, written notice stating the place, day and hour of the meeting, and, in case of a special meeting, the nature of the business to be transacted at the meeting, shall be given at least ten (10) days and not more than sixty (60) days before the meeting. In the case of an annual meeting, notice will include matters the Corporation's Board of Directors intends, at the time of the giving of the first of such notices, to present to the shareholders for action, and in the case of a meeting at which Directors are to be elected, the names of nominees that the Board of Directors, at the time of the giving of the first of such notices, intends to present to the shareholders for election. Proof that notice was given shall be made by affidavit of the Secretary, assistant Secretary, transfer agent or Director, or of the person acting under the direction of any of the foregoing, who gives such notice, and such proof of notice shall be made part of the minutes of the meeting. Such affidavit shall be prima facie evidence of the giving of such notice. It shall not be necessary to state in a notice of any meeting of shareholders as a purpose thereof any matter relating to the procedural aspects of the conduct of such meeting.

Notice shall be given personally, by electronic transmission or by mail, by or at the direction of the Secretary, or the officer or person calling the meeting, to each shareholder entitled to vote at the meeting. If remote participation in the meeting has been authorized by the Board of Directors, the notice shall also provide a description of the means of any electronic transmission by and to the Corporation or electronic video screen communication by which shareholders may be considered present and may vote and otherwise participate at the meeting.

If mailed, the notice shall be deemed to be given when deposited in the United States mail addressed to the shareholder at the shareholder's address as it appears on the share transfer records

of the Corporation, with postage thereon prepaid. Notice may be given to the shareholder by electronic transmission. Notice by electronic transmission is deemed given when the notice satisfies any of the following requirements:

- (a) Transmitted to a facsimile number provided by the shareholder for the purpose of receiving notice.
- (b) Transmitted to an electronic mail address provided by the shareholder for the purpose of receiving notice.
- (c) Posted on an electronic network, with a separate notice sent to the shareholder at the address provided by the shareholder for the purpose of alerting the shareholder of a posting.
- (d) Communicated to the shareholder by any other form of electronic transmission consented to by the shareholder.

Notice shall not be given by electronic transmission to a shareholder after either (i) the Corporation is unable to deliver two consecutive notices to such shareholder by such means or (ii) the inability to deliver such notices to such shareholder becomes known to any person responsible for giving such notices. Any person entitled to notice of a meeting may file a written waiver of notice with the Secretary either before or after the time of the meeting. The participation or attendance at a meeting of a person entitled to notice constitutes waiver of notice, except where the person objects, at the beginning of the meeting, to the lawfulness of the convening of the meeting and except that attendance is not a waiver of any right to object to conducting business at a meeting that is required to be included in the notice of the meeting, but not so included.

Section 2.06 Shareholder Approvals. Notwithstanding any other provision of these Bylaws, the shareholders shall be entitled to exercise their right to approve, by not less than a majority vote of all outstanding shares entitled to vote at a meeting of the shareholders, of the following actions proposed to be taken by the Corporation, its officers or the Board of Directors:

- (a) The formation, acquisition, substantial sale of the assets, merger or disposal of any subsidiary companies of the Corporation;
- (b) The acquisition or disposal of any real property of the Corporation;
- (c) The issuance of a distribution of any profits of the Corporation to the shareholders; and
- (d) Any amendment to any shareholder agreement or other agreement by which the shareholders of the Corporation have consented to be bound with respect to shares or equity securities in the Corporation;

provided, further, that notwithstanding any other provision of these Bylaws, the shareholders shall be entitled to exercise their right to approve, by not less than a sixty percent (60%) super-majority vote of all outstanding shares entitled to vote at a meeting of the shareholders, of the following action proposed to be taken by the Corporation, its officers or the Board of Directors:

(e) The issuance of new shares or equity securities in the Corporation or the introduction of new shareholders to the Corporation;

(f) Corporation's purchase of shares or equity securities in the Corporation;

(g) A decision by the Board to change the nature of the business of the Corporation or commencement of a new business by the Corporation;

(h) A substantial sale of the assets of the Corporation or merger or disposal of business by the Corporation;

(i) Borrowing capital in excess of ONE MILLION UNITED STATES DOLLARS (\$1,000,000.00 USD); and

(j) Capital expenditures in excess of ONE MILLION UNITED STATES DOLLARS (\$1,000,000.00 USD).

Section 2.07 Fixing the Record Date. For the purpose of determining shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, the record date shall be the date specified by the Board of Directors in the notice of the meeting. If no date is specified by the Board of Directors, the record date shall be the close of business on the day before the notice of the meeting is mailed to shareholders. If no notice is sent, the record date shall be the date set by the law applying to the type of action to be taken for which a record date must be set.

In the case of action by written consent of the shareholders without a meeting, the record date shall be (a) the date fixed by the board of directors or (b) the date that the first shareholder signs the written consent if no date has been fixed by the board.

A record date fixed under this Section may not be more than seventy (70) days before the meeting or action requiring a determination of shareholders. A determination of shareholders entitled to notice of or to vote at a shareholders' meeting is effective for any adjournment of the meeting unless the Board of Directors fixes a new record date.

Section 2.08 Quorum of and Action by Shareholders. A quorum shall be present for action on any matter at a shareholder meeting if a majority of the votes entitled to be cast on the matter by a voting group is represented at the meeting in person or by proxy. A voting group includes all shares of one (1) or more classes or series that are entitled, by law or the Articles of Organization, to vote and to be counted together collectively on a matter at a meeting of shareholders.

Once a quorum for a voting group has been established at a meeting, the shareholders in that voting group represented in person or by proxy at the meeting are deemed present for quorum purposes for the remainder of the meeting and for any adjournment unless:

- a. The shareholder attends the meeting solely to object to defective notice or the conduct of the meeting on other grounds and does not vote the shares or take any other action at the meeting.

- b. The meeting is adjourned and a new record date is set for the adjourned meeting.

The shareholders in a voting group represented in person or by proxy at a meeting of shareholders, even if not comprising a quorum, may adjourn the meeting as to the voting group until a time and place as may be determined by a vote of the holders of a majority of the shares of the voting group represented in person or by proxy at that meeting. If the meeting is adjourned for more than one hundred and twenty (120) days after the date fixed for the original meeting, a new record date must be fixed by the Board of Directors; notice of the meeting must be given to the shareholders who are members of the voting group as of the new record date, and a new quorum for the meeting must be established.

Section 2.09 *Reserved*

Section 2.10 Conduct of Meetings. The Board of Directors may adopt by resolution rules and regulations for the conduct of meetings of the shareholders as it shall deem appropriate. At every meeting of the shareholders, the President, or in his or her absence or inability to act, a Director or officer designated by the Board of Directors, shall serve as the presiding officer. The Secretary or, in his or her absence or inability to act, the person whom the presiding officer of the meeting shall appoint secretary of the meeting, shall act as secretary of the meeting and keep the minutes thereof.

The presiding officer shall determine the order of business and, in the absence of a rule adopted by the Board of Directors, shall establish rules for the conduct of the meeting. The presiding officer shall announce the close of the polls for each matter voted upon at the meeting, after which no ballots, proxies, votes, changes or revocations will be accepted. Polls for all matters before the meeting will be deemed to be closed upon final adjournment of the meeting.

Section 2.11 Voting of Shares. Unless otherwise provided by law or in the Articles of Organization, each shareholder entitled to vote is entitled to one (1) vote for each share of common stock. Any holder of shares entitled to vote on any matter may vote part of such shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal. If a shareholder fails to specify the number of shares such shareholder is voting affirmatively, it will be conclusively presumed that the shareholder's approving vote is with respect to all shares such shareholder is entitled to vote.

Section 2.12 Consent of Absentees. The transactions of any meeting of shareholders, however called or noticed, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. The waiver notice, or consent need not specify the business transacted or purpose of the meeting, except as required by Chapter 156D. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 2.13 Voting by Proxy or Nominee. Every person entitled to vote or execute consents may do so either in person or by one (1) or more agents authorized by a written proxy executed by the person or such person's duly authorized agent and filed with the Secretary of the

Corporation. A proxy is not valid after the expiration of eleven (11) months from the date of its execution, unless the person executing it specifies therein the length of time for which it is to continue in force. Except as set forth below, any proxy duly executed is not revoked, and continues in full force and effect, until an instrument revoking it, or a duly executed proxy bearing a later date, executed by the person executing the prior proxy and presented to the meeting, is filed with the Secretary of the Corporation, or unless the person giving the proxy attends the meeting and votes in person, or unless written notice of the death or incapacity of the person executing the proxy is received by the Corporation before the vote by such proxy is counted. A proxy that states on its face that it is irrevocable will be irrevocable for the period of time specified in the proxy, if held by a person (or nominee of a person) specified by law to have sufficient interest to make such proxy irrevocable and only so long as he shall have such interest, subject to Chapter 156D, § 7.22.

Section 2.14 Action by Shareholders Without a Meeting. Any action, that, under any provision of Chapter 156D may be taken at a meeting of the shareholders, may be taken without a meeting and without prior notice if a consent in writing, setting forth the action so taken, shall be signed by the holders of the outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares are entitled to vote thereon were present and voted; *provided, however*, that unless the consents of all shareholders entitled to vote have been solicited in writing, notice shall be given (in the same manner as notice of meetings is to be given), and within the time limits prescribed by law, of such action to all shareholders entitled to vote who did not consent in writing to such action; and *provided, further*, that Directors may be elected by written consent only if such consent is unanimously given by all shareholders entitled to vote, except that action taken by shareholders to fill one (1) or more vacancies on the Board other than a vacancy created by the removal of a Director, may be taken by written consent of a majority of the outstanding shares entitled to vote.

ARTICLE III: DIRECTORS

Section 3.01 Number of Directors; Identity of Initial Directors. The authorized number of Directors of the Corporation shall be no fewer than two (2) and no greater than five (5) at any time, unless changed by an amendment to these Bylaws duly adopted in accordance with these Bylaws by the vote or written consent of a majority of the outstanding shares entitled to vote. There shall be two (2) initial Directors, who shall be:

- (a) Robert DiFazio; and
- (b) Billie Ray Haggard, Jr.

Section 3.02 Powers. All corporate power shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed under the direction of, the Board of Directors, except such powers expressly conferred upon or reserved to the shareholders, and subject to any limitations set forth by law, by the Articles of Organization or by these Bylaws.

Section 3.03 Term of Office. Directors shall hold office until the next annual meeting of shareholders and until their successors are elected.

Section 3.04 Vacancies and Newly Created Directorships. Vacancies and newly created directorships, whether resulting from an increase in the size of the Board of Directors, from

the death, resignation, disqualification or removal of a Director or otherwise, may be filled by election at an annual or special meeting of shareholders called for that purpose or by the affirmative vote of a majority of the remaining Directors then in office, even though less than a quorum of the Board of Directors. A Director elected to fill a vacancy shall be elected for the unexpired term of his or her predecessor in office.

Section 3.05 Removal. The Board of Directors may declare vacant the office of a Director who has been declared of unsound mind by an order of the court or convicted of a felony, or who has been barred from ownership of a marijuana business by a final decision of an applicable state or local licensing authority, or otherwise in a manner provided by law.

Any or all of the Directors may be removed from office at any duly called meeting without cause by a vote of the shareholders entitled to elect them. If one (1) or more Directors are so removed at a meeting of shareholders, the shareholders may elect new Directors at the same meeting.

Section 3.06 Resignation. A Director may resign effective on giving written notice to the President, unless the notice specifies a later effective date.

Section 3.07 Meetings of Directors.

(a) Regular Meetings. A regular annual meeting of the Board shall be held immediately after, and at the same place as, the annual meeting of shareholders for the purpose of electing officers and transacting any other business. The Board may provide for other regular meetings from time to time by resolution.

(b) Special Meetings. Special meetings of the Board for any purpose or purposes may be called at any time by the President, Vice President (if any), Chairman of the Board, the Secretary, by any two (2) Directors or by one (1) Director in the event that there is only one (1) Director. Notice of the time and place of special meetings shall be delivered by mail, electronic delivery or orally. If notice is mailed, it shall be deposited in the United States mail at least two (2) days before the time of the meeting. In the case the notice is delivered either orally or by electronic delivery shall be delivered at least forty-eight (48) hours before the time of the meeting. Any oral notice given personally or by telephone may be communicated either to the Director or to a person at the office of the Director whom the person giving notice has reason to believe will promptly communicate it to the Director. The notice need not specify the purpose of the meeting nor the place if it is to be held at the principal office of the Corporation.

(c) Place of Meetings. Meetings of the Board may be held at any place within or without the Commonwealth of Massachusetts that has been designated in the notice. If a place has not been stated in the notice or there is no notice, meetings shall be held at the principal office of the Corporation unless another place has been designated by a resolution duly adopted by the Board.

Section 3.08 Electronic Participation. Members of the Board may participate in a meeting through conference telephone, electronic video screen communication or other electronic transmission by and to the Corporation. Participation in a meeting by conference telephone or electronic video screen communication constitutes presence in person as long as all Directors

participating can hear one another. Participation by other electronic transmission by and to the Corporation (other than conference telephone or electronic video screen communication) constitutes presence in person at the meeting as long as participating Directors can communicate with other participants concurrently, each Director has the means to participate in all matters before the Board, including the ability to propose or object to a specific corporate action, and the Corporation implements some means of verifying that each person participating is entitled to participate and all votes or other actions are taken by persons entitled to participate.

Section 3.09 Quorum of and Action by Directors. A majority of the authorized number of Directors constitutes a quorum of the Board for the transaction of business. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present is the act of the Board of Directors, unless Chapter 156D or the Articles of Organization require a greater number. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, if any action is approved by at least a majority of the Directors who constitute the required quorum for such meeting. A quorum of the Directors may adjourn any Directors' meeting to meet again at a stated time and place. In the absence of quorum, a majority of the Directors present may adjourn from time to time. Notice of the time and place of a meeting that has been adjourned for more than twenty-four (24) hours shall be given to the Directors not present at the time of the adjournment.

Section 3.10 Compensation. Directors may receive compensation for their services, and the Board of Directors may authorize payment of a fixed fee and expenses of attendance, if any, for attendance at any meeting of the Board of Directors or committee thereof. A Director shall not be precluded from serving the Corporation in any other capacity and receiving compensation for services in that capacity. The Directors may, from time to time, establish compensation policies of the Corporation consistent with this Section 3.10.

Section 3.11 Action by Directors Without a Meeting. Any action required or permitted to be taken by the Board of Directors or any committee thereof under Chapter 156D may be taken without a meeting if, prior or subsequent to the action, a consent or consents thereto by all of the Directors in office, or all the committee members then appointed, is filed with the Secretary to be filed with the minutes of the proceedings of the Board of Directors. Such action by written consent shall have the same force and effect as a unanimous vote of such Directors.

Section 3.12 Committees of the Board of Directors. The Board of Directors, by resolution adopted by a majority of authorized Directors, may designate one (1) or more committees, each consisting of two (2) or more Directors, to serve at the pleasure of the Board and to exercise the authority of the Board of Directors to the extent provided in the resolution establishing the committee and permitted by law. The Board of Directors may adopt governance rules for any committee consistent with these Bylaws. The provisions of these Bylaws applicable to meetings and actions of the Board of Directors shall govern meetings and actions of each committee, with the necessary changes made to substitute the committee and its members for the Board of Directors and its members.

A committee of the Board of Directors does not have the authority to:

- (a) Approve actions that require approval of the shareholders or the outstanding shares.
- (b) Fill vacancies on the Board or in any committee.
- (c) Amend or repeal bylaws or adopt new bylaws.
- (d) Amend or repeal any resolution of the Board of Directors that by its terms is not so amendable or repealable.
- (e) Make a distribution to shareholders, except at a rate, in a periodic amount or within a price range set forth in the Articles of Organization or determined by the Board.

The Board of Directors, by resolution adopted by the majority of authorized Directors, may designate one (1) or more Directors as alternate members of any committee who may replace any absent or disqualified member at any meeting of the committee or for the purposes of any written action by the committee.

The designation of a committee of the Board of Directors and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any member thereof, of any responsibility imposed by law.

ARTICLE IV: OFFICERS

Section 4.01 Positions and Election. The officers of the Corporation shall be elected by the Board of Directors and shall be a President, a Secretary, a Treasurer and all other officers as may from time to time be determined by the Board of Directors. At the discretion of the Board of Directors, the Corporation may also have other officers, including but not limited to one (1) or more Vice Presidents or assistant Vice Presidents, one (1) or more assistant Secretaries, a Chief Financial Officer and a Chief Operations Officer, as may be appointed by the Board of Directors, with such authority as may be specifically delegated to such officers by the Board of Directors. Any two (2) or more offices may be held by the same person.

Each officer shall serve until a successor is elected and qualified or until the earlier death, resignation or removal of that officer. Vacancies or new offices shall be filled at the next regular or special meeting of the Board of Directors.

Section 4.02 Removal and Resignation. Any officer elected or appointed by the Board of Directors may be removed with or without cause by the affirmative vote of the majority of the Board of Directors. Removal shall be without prejudice to the contract rights, if any, of the officer so removed.

Any officer chosen by the Board of Directors may resign at any time by giving written notice to the Corporation. Unless a different time is specified in the notice, the resignation shall be effective upon its receipt by the President, the Secretary or the Board.

Section 4.03 Powers and Duties of Officers. The powers and duties of the officers of the Corporation shall be as provided from time to time by resolution of the Board of Directors or

by direction of an officer authorized by the Board of Directors to prescribe the duties of other officers. In the absence of such resolution, the respective officers shall have the powers and shall discharge the duties customarily and usually held and performed by like officers of corporations similar in organization and business purposes to the Corporation subject to the control of the Board of Directors.

ARTICLE V: INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 5.01 Indemnification of Officers or Directors. The Corporation shall, to the extent permitted by Chapter 156D, indemnify all persons who have served or may serve at any time as officers or Directors of the Corporation and their heirs, executors, administrators, successors and assigns, from and against any and all loss and expense, including amounts paid in settlement before or after suit is commenced, and reasonable attorney's fees, actually and necessarily incurred as a result of any claim, demand, action, proceeding or judgment that may have been asserted against any such persons, or in which these persons are made parties by reason of their being or having been officers or Directors of the Corporation. This right of indemnification shall not exist in relation to matters as to which it is adjudged in any action, suit or proceeding that these persons are liable for negligence or misconduct in the performance of duty.

Section 5.02 Non-Exclusivity of Indemnification Rights and Authority to Insure. The foregoing rights of indemnification and advancement of expenses shall be in addition to and not exclusive of any other rights to which any person may be entitled pursuant to any agreement with the Corporation, or under any statute, provision of the Articles of Organization or any action taken by the Directors or shareholders of the Corporation.

The Corporation may buy and maintain insurance to protect itself and any agent against any expense asserted against them or incurred by an agent, whether or not the Corporation could indemnify the agent against the expense under applicable law or the provisions of this Article V.

ARTICLE VI: SHARE CERTIFICATES AND TRANSFER

Section 6.01 Share Certificates. Shares of the Corporation may, but need not, be represented by certificates. Each certificate issued shall bear all statements or legends required by law to be affixed thereto.
