Subject: Request from Local Roots NE

Hello Patrick:

I hope this e-mail finds you well and I hope the “new” job is going well for you.

I am in the process of renewing our license with the Cannabis Control Commission for our dispensary at 371 Lunenburg St. One component of the renewal requires us to request from the municipality any “costs associated” with our business being in Fitchburg, primarily law enforcement and emergency services.

- Proof that the licensee requested from the host community the records of any costs imposed on the city or town that are reasonably related to the operation of the ME or MTC. The licensee’s request shall state that, in accordance with M.G.L. c. 94G, § 3(d), any cost to a city or town imposed by the operation of a ME or MTC shall be documented and considered a public record as defined by M.G.L. c. 4, § 7, cl. 26. Documentation shall include the request and the substantive response from the city or town that includes the actual and anticipated expenses resulting from the operation. If the city or town does not submit a substantive response, the licensee shall provide an attestation to that effect.

The renewal application is due on August 1. If you could please confirm receipt of this e-mail it would be greatly appreciated. If you have any questions, please feel free to be in touch. Please say hello to Mayor DiNatale.

Thank-you,

Dean

CAREGIVER-PATIENT CONNECTION – Plan to Positively Impact Areas of Disproportionate Impact

Introduction

The Cannabis Control Commission (“Commission”) has identified certain communities in Massachusetts as areas of disproportionate impact. Fitchburg, Massachusetts is named as one of those communities.

The Caregiver-Patient Connection’s is currently seeking licensing approval from the Commission for a marijuana establishment-retail to be located in Fitchburg. To date CPC has been approved for, and executed a special permit with the Fitchburg planning board and has a fully executed a Community Host Agreement with the Fitchburg City Council. CPC has held a Community Outreach Meeting and is currently engaged in the application process with the Commission for the licensing of this Marijuana Establishment.

Positive Impact Goals

The goal of CPC is to positively impact Fitchburg by providing employment, training, and mentoring to local individuals with the ultimate goal of providing access to career and advancement opportunities in the Massachusetts adult-use cannabis industry. To achieve this goal CPC will target for employment, and internship opportunities, qualified candidates from the city of Fitchburg.

Positive Impact Programs

Prior to commencement of operations, CPC will host a hiring job fair, to be held at its’ retail location, and advertised in the Fitchburg Sentinel, to identify, recruit and hire qualified local residents of the community who have an interest in the adult-use cannabis industry. Subsequently, CPC, with the addition of any other dispensary, manufacturing or cultivation facilities, will hold additional hiring job fairs at its’ Fitchburg location as needed.

In addition to its hiring efforts, CPC will create an internship training program during the first year of operation, whereby a limited number of skilled entry-level positions will be made available to a diverse pool of local applicants at both the CPC retail location as well as any of its’ future establishments, including cultivation and manufacturing operations.

The internship training program will be a three to six- month opportunity for up to two individuals initially. The internship training program will be designed to expose those individuals to the various components of the cannabis industry including cultivation, transportation, manufacturing, branding, marketing, security and retail. The internship program will be used to educate and train Fitchburg residents who otherwise lack experience in the adult-use cannabis industry with the expectation that, upon completion of the program, interns will possess the job skills and experience to secure gainful employment at any adult-use cannabis facility within the Commonwealth. CPC will make available, on-site of its’ ME, informative literature about the internship training program and its’ goals and parameters, and will also advertise the internship program in the Fitchburg Sentinel as part of its’ initial job fair.

CAREGIVER-PATIENT CONNECTION –
Plan to Positively Impact Areas of Disproportionate Impact

CPC's internship program will be reevaluated annually based on staffing capacity and needs, with the expectation that the program will grow proportionally with the company.

All job fair and internship training program advertisement and information will remain in compliance with 935CMR500.105(4)(b)(1-5,12,13)

Positive Impact Measurement

CPC will record and document the date of all job fairs it holds and the results of each job fair. This process will include recording (through use of sign-in sheets or the like) and following-up (via email communications or mailings) with attendees who express interest in employment opportunities at CPC's retail facility in Fitchburg. CPC will then compare and analyze the number of local residents whom ultimately apply for either part or full-time opportunities or internship positions. CPC will record and maintain, in accordance with the Commission's record keeping procedures, the number of local individuals hired, and/or subsequently promoted within the company. The benchmark for success will be to achieve a work force at the Fitchburg location made up of at least 50% from individuals from this impacted City.

CPC will also track the progress of graduates of the CPC internship program wishing to gain employment in the Massachusetts cannabis industry, with the goal of achieving a 100% hiring success rate for all interested and qualified CPC internship graduates, either with CPC or another licensed cannabis business in the state.

CPC shall annually audit these results and submit them to the Commission with its' annual licensure renewal application.

No actions taken, or programs instituted by CPC will be in violation of 935CMR500.105(1)(b)(1-3) or any other applicable state laws.

No Director need be a Stockholder.

Section 2. Powers: The Board of Directors shall have the control and management of the business and property of the corporation, and shall also have and may exercise all the powers conferred by or set forth in the Articles of Organization, Massachusetts General Laws, and these by-laws, except as otherwise set forth herein or as otherwise reserved to the Stockholders by law.

Section 1. Resignations: Any Director or officer may resign at any time by delivering his resignation in writing to the President or the Clerk, or to a meeting of the Directors. Such resignation shall take effect at such time as is specified therein, or if no such time is so specified, then upon delivery thereof.

Removals: Directors, including Directors elected by the Directors to fill vacancies in the Board, may be removed with or without assignment of cause by vote of the holders of the majority of the shares entitled to vote in the election of Directors; provided that the Directors of a class elected by a particular class of Stockholders may be removed only by the vote of the holders of a majority of the shares of the particular class of Stockholders entitled to vote for the election of such Directors. The Directors may by vote of a majority of the Directors then in office remove any Director for cause. The Directors may remove any Officer from office with or without

assignment of cause by a vote of a majority of the Directors then in office. A Director or Officer may be removed for cause only after a reasonable notice and opportunity to be heard before the body proposing to remove him. The Directors may terminate or modify the authority of any agent or employee.

Section 3. Vacancies: Any vacancy in the Board of Directors, including a vacancy resulting from an enlargement of the Board, may be filled by vote of a majority of the Directors then in office, or in the absence of such election by the Directors, by the Stockholders at a meeting called for that purpose; provided, however, that any vacancy resulting from action by the Stockholders may be filled by the Stockholders at the same meeting at which such action was taken by them. If the office of any officer becomes vacant, the Directors may elect a successor by vote of a majority of the Directors present at the meeting at which such election is made. Each such successor shall hold office for the unexpired term of his predecessor or until his successor shall be elected and qualified, or until he sooner dies, resigns, is removed or becomes disqualified.

ARTICLE VII

Indemnification of Directors and Others

The corporation may, by vote of the Stockholders, to the extent legally permissible or financially feasible, indemnify any person serving or who has served as a Director or officer of the corporation, or at its request as a Director, Trustee, Officer, Employee or other Agent of any organization in which the corporation owns shares or of which it is a creditor, against all liabilities

and expenses, including amounts paid in satisfaction of judgments, in compromise or as fines and penalties, and counsel fees, reasonably incurred by him in connection with the defense or disposition of any action, suit or other proceeding, whether civil or criminal, in which he may be involved or with which he may be threatened, while serving or thereafter by reason of his being or having been such a Director, Officer, Trustee, Employee, or Agent, except with respect to any matter as to which he shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that his action was in the best interests of the corporation; provided, however, that as to any matter disposed of by a compromise payment by such Director, Officer, Trustee, Employee or Agent, pursuant to a consent decree or otherwise, no indemnification either for said payment or for any other expenses shall be provided, unless:

(a) such compromise shall be approved as in the best interest of the corporation, after notice that it involves such indemnification:

(i) by a disinterested majority of the Directors then in office; or

(ii) by the holders of a majority of the outstanding stock at the time entitled to vote for Directors, voting as a single class, exclusive of any stock owned by any interested Director or officer; or

(b) in the absence of action by disinterested Directors or Stockholders, there has been obtained at the request of a majority of the Directors then in office an opinion in writing of independent legal counsel to the effect that such Director, Officer, Trustee, Employee or Agent, appears to have acted in good faith in the reasonable belief that his action was in the best interests of the corporation.

Expenses, including counsel fees reasonably incurred by any such Director, Officer, Trustee, Employee or Agent in connection with the defense or disposition of any such action, suit or other proceeding may be paid from time to time by the corporation in advance of the final disposition thereof upon receipt of an undertaking by such individual to repay the amounts so paid to the corporation if it is ultimately determined that indemnification for such expenses is not authorized under this section. The right of indemnification hereby provided shall not be exclusive of or affect any other rights to which any such Director, Officer, Trustee, Employee or Agent may be entitled. Nothing contained in this Article shall affect any rights to indemnification to which corporate personnel other than such Directors, Officers, Trustees, Employees or Agents may be entitled by contract or otherwise under law. As used in this Article, the terms "Director," "Officer," "Trustee," "Employee," and "Agent" include their respective heirs, executors and administrators, and an "interested" Director, Officer, Trustee, Employee or Agent is one against whom in such capacity the proceedings in question or other proceedings on the same or similar grounds are then pending.

ARTICLE VIII

Stock and Stock Certificates

Section 1. Stock Authorized: The total number of shares and the par value, if any, of each class of stock which the corporation is authorized to issue, and if more than one class is authorized, a description of each class with the preferences, voting powers, qualifications and special and

relative rights and privileges as to each class and any series thereof, shall be as stated in the Articles of Organization or authorized amendments thereto.

Section 2. Issue of Authorized Unissued Capital Stock: The initial issuance of stock shall be in accordance with the subscriptions for stock accepted and authorized by the incorporators and made by the appropriate officers of the corporation as directed by the Board of Directors at the first meeting of the Board of Directors. Thereafter, any unissued capital stock from time to time authorized under the Articles of Organization may be issued by vote of the Stockholders. No stock shall be issued unless the cash, so far as due, or the property, services or expenses for which it was authorized to be issued, has been actually received or incurred by, or conveyed or rendered to, the corporation, or is in its possession as surplus.

Section 3. Certificates of Stock: Each Stockholder shall be entitled to a certificate or certificates in form selected by the Board of Directors stating the number and the class and the designation of the series, if any, of the shares held by him. Each such certificate shall be signed by the Chairman of the Board of Directors or the President or a Vice President, and by the Treasurer or an Assistant Treasurer. Each certificate for shares of stock subject to any restriction on transfer pursuant to the Articles of Organization, these by-laws, or any agreement to which the corporation is a party shall have the restriction noted conspicuously on the certificate and shall also set forth on the face or back either the full text of the restriction or a statement of the existence of such restriction and a statement that the corporation will furnish a copy to the holder of such certificate upon written request and without charge. Every certificate issued when the corporation is authorized to issue

more than one class or series of stock shall set forth on its face or back either the full text or the preferences, voting powers, qualifications and special and relative rights of the shares of each class and series authorized to be issued or a statement of the existence of such preferences, powers, qualifications and rights, and a statement that the corporation will furnish a copy thereof to the holder of such certificate upon written request and without charge.

Section 4. Transfer: Subject to the restrictions, if any, imposed by the Articles of Organization, these by-laws or any agreement to which the corporation is a party, shares of stock shall be transferred on the books of the corporation only by the surrender to the corporation or its transfer agent of the certificate representing such shares properly endorsed or accompanied by a written assignment of such shares or by a written power of attorney to sell, assign or transfer such shares, properly executed, with necessary transfer stamps affixed, and with such proof that the endorsement, assignment or power of attorney is genuine and effective as the corporation or its transfer agent may reasonably require. Except as may be otherwise required by law, the corporation shall be entitled to treat the record holder of stock as shown on its books as the owner of such stock for all purposes, including the payment of dividends and the right to vote with respect thereto, regardless of any transfer, pledge or other disposition of such stock, until the shares have been transferred on the books of the corporation in accordance with the requirements of these by-laws. It shall be the duty of each Stockholder to notify the corporation of his post office address.

Section 5. Lost, Mutilated or Destroyed Certificates: Except as otherwise provided by law, the Board of Directors may determine the conditions upon which a new certificate of stock may be issued in place of any certificate alleged to have been lost, mutilated or destroyed. It may, in its discretion, require the owner of a lost, mutilated or destroyed certificate, or his legal representative, to give a bond, sufficient in its opinion, with or without surety, to indemnify the corporation against any loss or claim which may arise by reason of the issue of a certificate in place of such lost, mutilated or destroyed stock certificate.

Section 6. Transfer Agent and Registrar: The Board of Directors may appoint a transfer agent or a registrar or both for its capital stock or any class or series thereof and require all certificates for such stock to bear the signature or facsimile thereof of any such transfer agent or registrar.

Section 7. Setting Record Date and Closing Transfer Records: The stock transfer books shall be closed for meetings of Stockholders and for the payment of dividends during such periods as from time to time may be fixed by the Directors; during such periods no stock shall be transferred. If no record date is fixed and the transfer books are not closed, then the record date for determining Stockholders having the right to notice of or to vote at a meeting of Stockholders shall be at the close of business on the day next preceding the day on which notice is given, and the record date for determining Stockholders for any other purpose shall be at the close of business on the day on which the Board of Directors acts with respect thereto.

Section 8. Restrictions on Transfer: No Stockholder, including the heirs, assigns, executors, or administrators of a deceased Stockholder shall sell, transfer, assign, pledge, hypothecate or otherwise dispose of, including by gift or by any other manner, whether or not ordered by a court of competent jurisdiction, any of his shares of capital stock of the corporation without first

offering said stock to the corporation through the Board of Directors in accordance with the restrictions of this section.

Any executor, administrator, trustee in bankruptcy, assignee in insolvency, receiver or other person who shall become the holder of any shares of stock otherwise than by issue or sale by the corporation or by transfer in accordance with these restrictions shall offer said stock to the corporation through the Board of Directors in the following manner.

He shall notify the Directors of his desire to sell or transfer by notice in writing, which notice shall contain the price at which he is willing to sell or transfer and the name of one arbitrator. The Directors shall within thirty days thereafter either accept the offer, or by notice to him in writing name a second arbitrator, and these two shall name a third. It shall then be the duty of the arbitrators to ascertain the value of the stock, and if any arbitrator shall neglect or refuse to appear at any meeting appointed by the arbitrators, a majority may act in the absence of such arbitrator.

After the acceptance of the offer, or the report of the arbitrators as to the value of the stock, the Directors shall have thirty days within which to purchase the same at such valuation, but if at the expiration of thirty days, the Corporation shall not have exercised the right to so purchase, the owner of the stock shall be at liberty to dispose of the same in any manner he may see fit.

No shares of stock shall be sold or transferred on the books of the Corporation until these provisions have been complied with, but the Board of Directors may in any particular instance waive the requirement.

ARTICLE IX
Amendments

These By-Laws may be altered, amended or repealed only by an affirmative vote of a majority of all the Stockholders of the corporation then outstanding and entitled to vote, represented in person or by proxy, at any meeting of the Stockholders, provided a notice of such proposed alteration, amendment or repeal is given in the call for the meeting.

Caregiver Patient Connection

Executive Summary

The Caregiver-Patient Connection ('CPC') is a two year-old company based in Barre, MA with a current Provisional Certificate of Registration as a Registered Marijuana Dispensary in good standing with the Massachusetts Department of Public Health. CPC also qualifies for Priority Applicant Status with the Cannabis Control Commission, has been approved for a Provisional Certificate of Registration from the CCC for Tier II AU cultivation. Originally formed as a non-profit, CPC has converted to a for-profit Massachusetts C-Corp.

CPC is dedicated to the cultivation and production of the highest quality medical and adult use cannabis, and cannabis infused products in the state of Massachusetts. By leveraging a well thought out business plan executed by a skilled management team, CPC anticipates creating approximately fifteen jobs in Barre, a rural community desperately in need of economic growth. In addition, we anticipate twenty jobs in Framingham to operate the planned cultivation and manufacturing operation at 61 Tripp Street. CPC anticipates creating overall revenues nearing \$15 million in its second year of operation.

Keys to Success

CPC has identified three keys that will be instrumental in its success:

- The implementation of strict financial and operational controls resulting in maximum production efficiency and product quality;
- The acquisition and cultivation of proprietary strains with targeted phenotypes designed to maximize product quality; and,
- The recognition and implementation of the philosophy that 100% customer satisfaction is required to ensure a profitable business.

Products

CPC's founding members own a six acre, industrially zoned site in Barre, MA and an industrial complex at 35-61 Tripp Street in Framingham where the product will be cultivated, manufactured and packaged. CPC has partnered with a master grower with over 12 years' experience in the industry in California, Colorado and Vermont. In addition, we have a consulting arrangement with an experienced dispensary operator in California. These partners currently own the rights to numerous unique strains, and are all leaders in their respective markets.

In addition to cultivating the highest quality flower, we intend to set up an extraction and manufacturing operation in Framingham that will wholesale to dispensaries across the state, both under our brand as well as offering white label branding. This site will have state of the art

extraction operation and commercial kitchen to produce oils and tinctures as well as edibles such as cookies, chocolates, gummies, lozenges and other specialty products.

Market

CPC intends to operate as a fully integrated cannabis company with cultivation in Barre and Framingham, three dispensaries and extraction/manufacturing in Framingham.

- Cultivation will be used to supply our stores and to wholesale to select dispensaries that emphasize quality and are willing to pay a premium for that quality.
- CPC is currently working on permitting two dispensary sites in order to grow the brand name and capture retail revenue streams as well. CPC has site control and an HCA for a dispensary at 371 Lunenburg Street, Fitchburg and site control for a dispensary at 910 Boston Post Road, Marlboro. In addition, CPC is actively seeking a third site as allowed under their current RMD license.
- CPC intends to use the Framingham location for additional cultivation, extraction and manufacturing of oils, tinctures and edibles. Product from this location will be marketed to dispensaries across the entire state.

Management Team

CPC was started by Dean landoli and Catherine Trifilo in 2016. Richard Olstein and Michael Staiti joined the company as owners in November, 2018. landoli brings a wealth of entrepreneurial and management skills to the company. After graduating from Boston College, landoli acquired, repositioned, developed and sold a 400 site campground in Barre, MA. He followed this success with developing three commercial scale solar farms in Barre along with Staiti which they currently own and manage. With this background, landoli will be responsible for the day to day operations of the company.

Catherine is a licensed Massachusetts attorney with extensive experience in real estate and contract law. She will oversee regulatory compliance, lease negotiation and wholesale contracts.

Staiti also brings an extensive business background to the team. Staiti has 25 years' experience in starting and operating businesses. He currently is manager/member in 21 operating companies/LLCs in real estate development, construction, commercial solar, property management and banking. Utilizing his CPA and MBA along with his construction background, Staiti will oversee development of the cultivation facility and dispensaries. Staiti will also serve as CFO of the company.

Richard Olstein has over twenty five years' experience in the construction and real estate development industry. He is also owner of the Tripp Street facility along with other family members and will assist with permitting and construction of the different facilities.

Anthony Brach is advising CPC on the design of the facilities and cultivation techniques. He will also assume the role of COO and Director of Cultivation for the company once we become operational.

Financial Plan

CPC has capital commitments for \$5.0 million. Our current budgets show capital needs of \$4.6 million for the licensing costs to date, site development, grow facility construction, buildout of two dispensaries and six months of operating costs. We anticipate the need for another \$400,000 for the buildout of a third retail spaces for a total capital requirement of \$5.0 million.

CPC anticipates to generate \$8 million in revenues in year one growing to \$15 million in years two and three. Framingham is expected to generate approximately \$9 million while Barre will generate \$3 million at the wholesale level.

Fitchburg Dispensary:

CPC has two properties under agreement which will allow for 30 parking spaces and a 1,700 SF dispensary at 371 Lunenburg Street. Lunenburg Street is a heavily travelled commuter road with over 15,000 cars per day at this location. The property is located on the Lunenburg/Fitchburg line with easy access to southern New Hampshire and nearby communities of Lunenburg, Townsend and parts of Leominster. While Fitchburg will eventually have several dispensaries, our site provides easy access, customer focused retail space and plenty of parking. CPC anticipates this location will generate approximately \$5 million in retail sales during it's first year of operation.

THE CAREGIVER • PATIENT CONNECTION

CPC Diversity Plan

Introduction

The Cannabis Control Commission (“Commission”), through 935CMR500.000, requires applicants for licensure to establish goals to promote equity for minorities, women, veterans, people with disabilities and people with gender identities and sexual orientations.

The Caregiver-Patient Connection, Inc. (CPC) is currently seeking licensing approval from the Commission for a marijuana establishment-retail to be located in Fitchburg, Massachusetts. To date, CPC has received a special permit from the Fitchburg planning board and has a fully executed Community Host Agreement with the Fitchburg City Council. CPC has held a Community Outreach Meeting and is currently engaged in the application process with the Commission for the licensing of this Marijuana Establishment.

Goals

It is the goal of CPC to promote equity and provide opportunities to qualified veteran applicants with disregard to race, sex, disabilities, gender identities or sexual orientation. CPC will achieve this goal through a targeted outreach to the City of Fitchburg Veterans Services Offices in order to facilitate and promote employment and career opportunities within the CPC structure. Our goal will be to have a workforce comprised of at least 20% local veterans by the end of the first year of operation and to, at minimum, retain that rate annually.

Programs

CPC representatives have already held discussions with representatives from the City of Fitchburg Veterans Services Offices with regard to employment and career opportunities available to local veterans both at the CPC Fitchburg Marijuana Establishment, and all subsequent CPC facilities upon their final licensures.

In order to accomplish this, prior to commencement of operations, CPC will hold a job fair at the CPC retail location, specifically for local veterans, without regard for race, sex, disabilities or gender identities or sexual orientation. Advertisements for said job fair and notices of jobs available will be published in the Fitchburg Sentinel (a publication that serves the City of Fitchburg).

CPC will also hold an initial informational session, prior to the commencement of operations, at the Fitchburg Public Library, for local veterans interested in learning more about the opportunities in the Massachusetts cannabis industry including cultivation, transportation, security, marketing and retail operations. This meeting will be promoted and advertised through the City of Fitchburg Veterans Services Office.

CPC will also implement a program, in conjunction with the City of Fitchburg Veterans Office, designed to help mentor and place qualified local veterans, with an interest in the Massachusetts cannabis industry, with other operators within the state with employment opportunities. CPC will achieve this through a placement recommendation program communicated to CPC's network of licensed industry business owners and operators throughout the state and also in conjunction with the City of Fitchburg Veterans Services Office.

Measurements

CPC will, on an annual basis, measure the success of its' veterans outreach and hiring efforts through collected data which will include the dates, time(s) and attendance of any job fairs held as well as the number eventual hires from that pool of candidates as well as the retain rate and promotion rate.

CPC will also, on an annual basis, collect data to measure the success of its' veteran's mentoring and placement program, which will include the number of program participants who successfully become employed in the Massachusetts cannabis industry. Data will also include the type of positions and locations of their employment.

All data will be provided to the CCC with the annual submission for license renewal.

No actions taken, or programs instituted by CPC will be in violation of 935CMR500.105(1)(b)(1-3) with respect to limitations on ownership or control, or any other applicable state laws.
