PLAN TO POSITIVELY IMPACT AREAS OF DISPROPORTIONATE IMPACT

Overview

Resinate, Inc. (“Resinate”) is dedicated to serving and supporting populations falling within areas of disproportionate impact, which the Commission has identified as the following:

1. Past or present residents of the geographic “areas of disproportionate impact,” which have been defined by the Commission and identified in its Guidance for Identifying Areas of Disproportionate Impact;
2. Commission-designated Economic Empowerment Priority applicants;
3. Commission-designated Social Equity Program participants;
4. Massachusetts residents who have past drug convictions; and
5. Massachusetts residents with parents or spouses who have drug convictions.

To support such populations, Resinate has created the following Plan to Positively Impact Areas of Disproportionate Impact (the “Plan”) and has identified and created goals/programs to positively impact past or present residents of Worcester Census Tract 7312.04, which has been designated by the Commission as an area of disproportionate aspect.

Goals

In order for Resinate to positively impact past or present residents of Worcester Census Tract 7312.04 (a Commission-designated area of disproportionate impact), Resinate has established the following goal:

- Providing business assets (time and organizational skills) to Jeremiah’s Inn, which is located in and serves community members in Worcester Census Tract 7312.04 and is a provider of wrap-around support for men in recovery and food pantry services to local residents.

Programs

Resinate has developed specific programs to effectuate its stated goals to positively impact past or present residents of Worcester Census Tract 7312.04. Such programs, in support of Jeremiah’s Inn, will include the following:

1. Volunteering no less than five (5) hours per month to support programs at Jeremiah’s Inn (such as the Evening Meal Program);
2. Hosting quarterly resume writing and interview skills workshops for residents of Jeremiah’s Inn;
3. Holding quarterly food drives to support Jeremiah’s Inn; and
4. Meeting no less than monthly with the Executive Director of Jeremiah’s Inn to coordinate monthly program directives and needs.

Measurements

The Director of Operations will administer the Plan and will be responsible for developing measurable outcomes to ensure Resinate continues to meet its commitments. Such measurable outcomes, in accordance with Resinate’s goals and programs described above, include:

- Documenting the number of hours (no less than five) per month spent volunteering towards efforts at Jeremiah’s Inn, including documentation regarding the date, subject matter, and participants of such volunteer time;

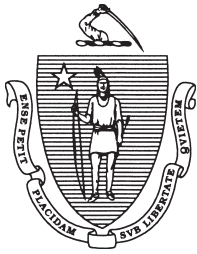

- Evidencing the number of resume writing and interview skills workshops hosted (no less than quarterly), including documentation regarding the number of participants in such workshops and who from Resinate was in attendance;
- Recording the number of food drives held in support of Jeremiah's Inn (no less than quarterly), including an inventory of items donated as a result of such efforts; and
- Logging meetings held with the Executive Director of Jeremiah's Inn (no less than monthly), including a description of the needs of Jeremiah's Inn for the upcoming month and Resinate's plan to assist with such needs.

Beginning upon receipt of Resinate's first Provisional License from the Commission to operate a marijuana establishment in the Commonwealth, Resinate will utilize the proposed measurements to assess its Plan and will account for demonstrating proof of success or progress of the Plan upon the yearly renewal of the license. The Director of Operations will review and evaluate the totality of Resinate's measurable outcomes no less than quarterly to ensure that Resinate is meeting its commitments. Resinate is mindful that demonstration of the Plan's progress and success will be submitted to the Commission upon renewal.

Acknowledgements

- As identified above, Resinate intends to partner with Jeremiah's Inn and acknowledges that Jeremiah's Inn has been contacted and will receive the donation described herein.
- Resinate will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.
- Any actions taken, or programs instituted, by Resinate will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

ARTICLE I

ARTICLES OF ORGANIZATION

The name of the corporation shall be as set forth in the articles of organization. The corporation shall have the purpose of engaging in any lawful business, unless a more limited purpose is set forth in the articles of organization. The powers of the corporation shall be all powers as set forth in the Massachusetts Business Corporation Act (The “Act”), unless more limited powers or restrictions on any powers are set forth in the articles of organization. The powers of the corporation’s directors and Shareholders, or any class of Shareholders if the corporation has more than one class of stock, and all matters concerning the conduct and regulation of the business and affairs of the corporation shall be subject to such provisions in regard thereto, if any, as are set forth in the articles of organization. In the event of any inconsistency between the articles of organization and these by-laws, the articles of organization shall be controlling. All references in these by-laws to the articles of organization shall be construed to mean the articles of organization of the corporation as from time to time in effect.

ARTICLE II

SHAREHOLDERS

1. Annual Meeting.

The annual meeting of shareholders shall be held at 10:00 A.M., or at such other time as the board of directors shall determine, on the third Wednesday of May in each year unless such date is a legal holiday. If such date is a legal holiday, then the annual meeting shall be held at the same hour on the next succeeding business day not a legal holiday. The purposes for which an annual meeting is to be held include the election of directors and transacting such other business as may properly be brought before such meeting.

2. Special Meetings.

A special meeting of shareholders may be called at any time by the president or by the directors. Upon written application of one or more Shareholders who hold the aggregate at least ten percent of all votes, which written application or applications shall be signed and dated by such shareholders and shall state the purpose for which the meeting is to be held, a special meeting shall be called by the secretary, or in case of the death, absence, incapacity or refusal of the secretary, by any other officer. Each call of a meeting shall state the place, date, hour and purposes of the meeting.

3. Place of Meetings.

The place at which any special or annual meeting of shareholders shall be held shall be fixed by the board of directors. Meetings of shareholders may be held at any physical location in or by the board of directors. Meeting of shareholders may be held at any physical location in or outside Massachusetts. Any adjourned session of any meeting of the shareholders shall be held at the place designated in the vote of adjournment, or if no such place is designated, at the same place or by the same remote communication method as the adjourned meeting.

In addition, the board of directors may authorize any meeting to be held solely by remote communication with no fixed physical location, or may authorize that any shareholder or proxy not physically present at a meeting may participate in the meeting and be deemed present and entitled to vote. In the event that any shareholder or proxy is permitted to participate in a meeting by means of remote electronic communication: (a) the corporation shall implement reasonable measures to verify that each person present and permitted to vote at a meeting is a shareholder or proxy; (b) the corporation shall implement reasonable measures to provide such shareholders and proxies a reasonable opportunity to participate in the meeting and vote; and (c) if a shareholder or proxy votes or takes other action by remote communication at the meeting, a record of the vote or other action shall be maintained by the corporation.

4. Record Date for Purpose of Meetings.

The directors may fix in advance a time not more than 70 days before the date of any meeting of shareholders as the record date for determining the shareholders having the right to notice of and to vote at such meeting and any adjournment thereof. In such case only shareholders of record on such date shall have such right, notwithstanding any transfer of shares on the books of the corporation after the record date. If no record date is fixed, the record date for determining shareholders having the right to notice of or to vote at a meeting of shareholders shall be at the close of business on the day before the day on which notice is given. If any meeting is adjourned to a date more than 120 days after the date fixed for the original meeting, the directors shall fix a new record date.

5. Notice of Meetings.

Written notice of the place, day and hour of all meetings of shareholders shall be given by the secretary, the assistant secretary or an officer designated by the directors, at least seven days but no more than 60 days before the meeting, to each shareholder entitled to vote thereat and to each shareholder who, by the Act, under the articles of organization or under the by-laws, is entitled to such notice. Notice of an adjourned meeting shall be given only if a new record date is fixed, in which case notice shall be given to all shareholders as of the new record date. The notice of a meeting shall state the purposes of the meeting. At a special meeting of the shareholders, only business within the purpose or purposes described in the meeting notice may be conducted. Notice may be given by leaving such notice with the shareholder or at his residence or usual place of business, by mailing it, postage prepaid, and addressed to such shareholder at his address as it appears in the books of the corporation, by facsimile telecommunication directed to a number furnished by the shareholder for the purpose, by

electronic mail to the electronic mail address of the shareholder as it appears in the books of the corporation, or by any other electronic transmission (defined as any process of communication that does not directly involve the physical transfer of paper and that is suitable for the retention, retrieval and reproduction of information by the recipient). The corporation shall be entitled to rely on the address of a shareholder last notified to the corporation. In case of the death, absence, incapacity or refusal of the secretary, the assistant secretary or the officer designated by the directors, such notice may be given by any other officer or by a person designated either by the secretary or by the person or persons calling the meeting or by the board of directors. Whenever notice of a meeting is required to be given to a shareholder under any provision of the Act or of the articles of organization or these by-laws, no such notice need be given to a shareholder, if a written waiver of notice, executed before or after the meeting by such shareholder or his attorney, thereunto authorized, is filed with the records of the meeting.

6. Shareholders List for Meeting.

After fixing a record date for a meeting of shareholders, the secretary shall prepare an alphabetical list of all shareholders who are entitled to notice of the meeting. The shareholders list shall be available for inspection by any shareholder, his agent or attorney during the period beginning two days after notice of the meeting is given and continuing through the meeting at the corporation's principal office, at a place identified in the meeting notice or, if the meeting is to be held only by remote communication, on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting. A shareholder or his agent or attorney may copy the list at the principal office at his own expense as permitted by the Act.

7. Quorum.

At any meeting of the shareholders, a majority in interest of all the shares issued, outstanding and entitled to vote upon a question to be considered at such meeting shall constitute a quorum for the consideration of such question, except that, if two or more voting groups are entitled to vote upon such question as separate voting groups, then, in the case of each such voting group, a quorum shall consist of a majority of the votes entitled to be cast by the voting group for action on that matter. Notwithstanding the foregoing, shareholders by a majority of the votes properly cast upon the question whether or not a quorum is present, may adjourn any meeting from time to time, and the meeting may be held as adjourned without further notice. A share once represented for any purpose at a meeting is deemed present for quorum purposes for the remainder of the meeting and for any adjournment thereof, unless (a) the shareholder attends solely to object to lack of notice, defective notice, or the conduct of the meeting on the other grounds, and does not vote the shares or otherwise consent that they are to be deemed present; or (b) in the case of any adjournment, a new record date is or shall be set for that adjourned meeting.

8. Voting and Proxies.

Unless otherwise provided by the articles of organization, each shareholder shall have one vote for each share held by him of record on the record date and entitled to vote on the

question or questions to be considered at any meeting of the shareholders according to the records of the corporation. Shareholders may vote either in person or by proxy appointed by written appointment form signed by the shareholder or his attorney in fact. An appointment form shall be valid for the period stated therein, or, if no period is stated, for a period of 11 months from the date the shareholder signed the form, or the date of its receipt by the secretary or his agent, if undated. Appointment forms shall be filed with the secretary or other officer or agent authorized to tabulate votes before being voted. Except as otherwise limited therein, appointment forms appointing proxies for a particular meeting shall entitle the persons named therein to vote at any adjournment of such meeting but shall not be valid after final adjournment of such meeting.

9. Action at Meeting.

When a quorum of a voting group is present for the consideration of a matter at any meeting of the shareholders, favorable action on a matter, otherwise than the election of directors, is taken by the voting group if a majority in interest of the shares present in person or by proxy and entitled to vote on such question votes in favor of the action, except where a larger vote is required by the Act, the articles of organization or these by-laws. Any election of directors by a voting group shall be determined by a plurality of the votes cast by shareholders in the voting group present in person or by proxy at the meeting and entitled to vote in the election. No ballot shall be required for such election unless requested by a shareholder present in person or by proxy at the meeting and entitled to vote in the election. Shares of the corporation are not entitled to vote if they are owned, directly or indirectly, by another entity of which the corporation owns, directly or indirectly, a majority of the voting interests. The corporation may, however, vote any shares, including its own shares, held by it, directly or indirectly, in a fiduciary capacity.

10. Action without Meeting.

Any action required or permitted to be taken at any meeting of the shareholders may be taken without a meeting by all shareholders entitled to vote on the action, or if the articles of organization so provide, by shareholders having not less than the minimum number of votes necessary to take the action at a meeting at which all shareholders entitled to vote on the action are present and voting, as evidenced by written consents of such shareholders that describe the action taken, are signed by shareholders having the requisite votes, bear the date of the signatures of such shareholders, and are delivered to the corporation for inclusion with the records of meetings within 60 days of the date of the earliest dated consent delivered to the corporation. The corporation must, at least seven days before it takes any action in reliance on the consent obtained in accordance with this provision, given written notice of its intended action to shareholders not entitled to vote on the action in any case where the Act would require such notice if the action were to be taken by voting shareholders at a meeting, and, if the action will be taken with less than unanimous consent, to all shareholders entitled to vote who did not consent to the action. Such notice shall be accompanied by the same material that the Act or these by-laws would require to be sent to such shareholders with a notice of meeting. The corporation may, for convenience, specify an effective date for such consents, provided that the

corporation shall not take action in reliance upon such consents except in compliance with the articles of organization and these by-laws.

11. Electronic Action.

Any vote, consent, waiver, proxy appointment or other action by a shareholder shall be considered given in writing, dated and signed if it consists of an electronic transmission that allows the corporation to determine: (a) the date the transmission was sent; and (b) that the sender of the transmission was the relevant shareholder, proxy, or agent, or a person authorized to act on any such person's behalf. The date on which the electronic transmission was sent shall be considered the date on which it was signed.

ARTICLE III

DIRECTORS

1. Powers.

All corporate power shall be exercised by or under the authority of, and the business and affairs of the corporation shall be managed under the direction of, a board of directors, subject to any limitation set forth in the articles of organization or in a shareholders' agreement. In the event of a vacancy in the board of directors, the remaining directors may exercise the powers of the full board until the vacancy is filled.

2. Election and Enlargement of Board.

The board of directors shall consist of at least one director. The board of directors shall consist of a number of directors not more than five, and the number of directors shall be fixed from time to time by vote of a majority of the directors then in office or by the shareholders. The number of directors may be decreased or increased beyond such range only by vote of the shareholders. No director need be a shareholder.

3. Vacancies.

Any vacancy in the board of directors, including a vacancy resulting from the enlargement of the board, may be filled by the shareholders, by the board of directors, or if the directors remaining in office constitute fewer than a quorum, they may fill the vacancy by the vote of a majority of all the directors remaining in office. If the vacant office was held by a director elected by a voting group of shareholders, only the shareholders of that voting group or directors elected by that voting group are entitled to fill the vacancy.

4. Tenure.

Except as otherwise provided by the articles of organization or by these by-laws, each director shall hold office until the next annual meeting of shareholders and thereafter until such

director's successor is elected and qualified or until such director sooner dies, resigns, is removed or becomes disqualified.

5. Committees.

The directors may, by vote of a majority of all directors then in office, elect from their number an executive or other committees, provided however that if the articles of organization or these by-laws provide that the number of directors required to take board action is greater than a majority of all directors then in office, then the vote of such greater number shall be required to elect any committee. Except as the directors may otherwise determine, any such committee may make rules for the conduct of its business, but unless otherwise provided by the directors or in such rules, its business shall be conducted as nearly as may be in the same manner as is provided by these by-laws for the directors. The directors may delegate to any committee some or all of their powers except those which they are prohibited from delegating by any provision of law or by the articles of organization or these by-laws. Without limitation of the foregoing, a committee may not (a) authorize distributions; (b) approve or propose to shareholders action that is required by law to be approved by shareholders; (c) change the number of the board of directors, remove directors from office or fill vacancies on the board of directors; (d) amend the articles of organization; (e) adopt, amend or repeal the by-laws; or (f) authorize or approve reacquisition of shares, except according to a formula or method prescribed by the board of directors.

6. Meetings.

Regular meetings of the directors may be held without call or notice at such places and at such times as the directors may from time to time determine. Any or all of the directors may participate in a meeting of the directors or of a committee thereof by, or conduct the meeting through the use of, any means of communication by which all directors participating may simultaneously hear each other during the meeting; and participation by such means shall constitute presence in person at any such meeting.

A regular meeting of the directors may be held immediately following the annual meeting of shareholders at the same place as such shareholders' meeting. Special meetings of the directors may be held at any time and place designated in a call of the meeting by the chairman of the board, if any, the president or two or more directors.

7. Notice of Special Meetings.

Notice of the date, time and place of all special meetings of the directors shall be given to each director by the secretary, or assistant secretary, or by the officer or one of the directors calling the meeting. Notice shall be given to each director in person, by telephone, voice mail, facsimile telecommunication, telegram or other electronic means sent to his usual or last known business or home address or phone number or by electronic mail to the electronic mail address of the director as last notified to the corporation at least 24 hours in advance of the meeting or by mailing it to either such business or home address at least 48 hours in advance of the meeting. Notice need not be given to any director if a written waiver of notice, executed by him

before or after the meeting, is filed with the records of the meeting, or to any director who attends the meeting without protesting, prior to or at the meeting's commencement, the lack of notice to him. A notice or waiver of notice of a directors' meeting need not specify the purposes of the meeting.

8. Quorum.

At any meeting of the directors, a quorum of the board of directors shall be a majority of the number of directors fixed pursuant to Section 2 of this Article, or if no such number was prescribed, a majority of the directors in office immediately before the meeting begins. Any meeting may be adjourned from time to time by a majority of the votes cast upon the question, whether or not a quorum is present, and the meeting may be held as adjourned without further notice.

9. Action at Meeting.

If a quorum is present when a vote is taken, the vote of a majority of the directors present is an act of the board of directors, unless the articles of organization or these by-laws require the vote of a greater number of directors.

10. Action by Consent.

Any action required or permitted to be taken at any meeting of the directors may be taken without a meeting if all directors then in office consent to the action in a writing signed by each director, or by electronic transmission delivered to the corporation to the address specified by the corporation for the purpose or, if no address is specified, to the principal office of the corporation addressed to the secretary or other officers or agent having custody of the record of proceedings of directors, provided that such written consents and/or electronic transmission shall be included in the minutes or filed with the corporate records reflecting the action taken. Action taken by written consent is effective when the last director signs or delivers consent, unless the consent specifies a difference effective date. Consents given in accordance with this provision shall be treated as a vote of the directors for all purposes.

ARTICLE IV

OFFICERS

1. Enumeration.

The officers of the corporation shall consist of a president, a treasurer, a secretary, and such other officers, if any, including a chairman and a vice chairman of the board of directors, one or more vice presidents, assistant treasurers and assistant secretaries, as the incorporators at their initial meeting or the directors from time to time may choose or appoint.

2. Appointment.

The president, treasurer and secretary shall be appointed annually by the directors at their first meeting following the annual meeting of shareholders. Other officers, if any, may be appointed by the board of directors at such meeting or at any other time.

3. Vacancies.

If any office becomes vacant by reason of death, resignation, removal, disqualification or otherwise, the directors may choose a successor or successors, who shall hold office for the unexpired term, except as otherwise provided by the Act, by the articles of organization or by these by-laws.

4. Qualification.

The president may, but need not be, a director. No officer need be a shareholder. Any two or more offices may be held by the same person. Any officer may be required by the directors to give bond for the faithful performance of his duties to the corporation in such amount and with such sureties as the directors may determine.

5. Tenure.

Except as otherwise provided by the articles of organization or by these by-laws, the president, treasurer and secretary shall hold office until the first meeting of the directors following the annual meeting of shareholders, and thereafter until such officer's successor is chosen and qualified; and all other officers shall hold office until the first meeting of the directors following the annual meeting of the shareholders or the special meeting in lieu thereof, unless a shorter term is specified in the vote choosing or appointing them, or in each case until such officer sooner dies, resigns, is removed or becomes disqualified.

6. Chairman and Vice Chairman of the Board.

A chairman or vice chairman of the board of directors shall have such powers as the directors may from time to time designate. Unless the board of directors otherwise specifies, the chairman of the board, or in his absence the vice chairman, shall preside at all meetings of the shareholders and of the board of directors. The chairman or vice chairman must be a director.

7. President and Vice President.

Except as otherwise determined by the directors, the president shall be the chief executive officer of the corporation and shall, subject to the direction of the directors, have general supervision and control of its business. Unless the board of directors otherwise specifies, in the absence of the chairman and vice chairman, if any, of the board of directors, the president shall preside, when present, at all meetings of shareholders and of the board of directors.

Any vice president shall have such powers as the directors may from time to time designate.

8. Treasurer and Assistant Treasurers.

The treasurer shall, subject to the direction of the directors, have general charge of the financial concerns of the corporation and the care and custody of the funds and valuable papers of the corporation, and books of account and accounting records. He shall have power to endorse for deposit or collection all notes, checks, drafts, and other obligations for the payment

of money payable to the corporation or its order, and to accept drafts on behalf of the corporation.

Any assistant treasurer shall have such powers as the directors may from time to time designate.

9. Secretary and Assistant Secretary

Unless a transfer agent is appointed, the secretary shall keep or cause to be kept the stock and transfer records of the corporation in which are contained the names of all shareholders and the record address and the amount of shares held by each. The secretary shall record all proceedings of the shareholders in a paper record, or in another form capable of conversion into a paper record within a reasonable time. Such records shall be kept at the principal office of the corporation or at the office of its transfer agent or of the secretary and shall be open at all reasonable times to the inspection of any shareholder.

If a secretary is elected, he shall record all proceedings of the directors in a paper record, or in another form capable of conversion into a paper record within a reasonable time. Any assistant secretary shall have such powers as the directors may from time to time designate. In the absence of the secretary from any meeting of the directors, any assistant secretary, or a temporary secretary designated by the person presiding at such meeting, shall record such proceedings.

10. Other Powers and Duties.

Each officer shall, subject to these by-laws, have in addition to the duties and powers specifically set forth in these by-laws, such duties and powers as are customarily incident to his office, and such duties and powers as the directors may from time to time designate.

ARTICLE V

RESIGNATIONS AND REMOVALS

1. Resignation.

Any director or officer may resign at any time by delivering his resignation in writing to the chairman of the board, if any, the president, the treasurer or the secretary or to a meeting of the directors. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

2. Removal of Directors.

A director (including persons elected by directors to fill vacancies in the board) may be removed from office (a) with or without cause by majority vote of the shareholder voting group entitled to appoint such director, or (b) with cause by vote of the greater of a majority of the directors then in office or of the number of directors otherwise required to take an action of the

board, except that if a director is appointed by a voting group of shareholders, only directors appointed by that voting group may vote to remove him. A director may be removed by the shareholders or the directors only at a meeting called for the purpose of removing him and the meeting notice must state that the purpose, or one of the purposes, of the meeting is removal of the director.

3. Removal of Officer.

The directors may remove any officer at any time with or without cause.

4. No Right to Compensation.

No director or officer resigning and (except where a right to receive compensation shall be expressly provided in a duly authorized written agreement with the corporation) no director or officer removed, shall have any right to any compensation as such director or officer for any period following his resignation or removal, or any right to damages on account of such removal, whether his compensation be by the month or by the year or otherwise, unless in the case of a resignation, the directors, or in the case of a removal, the body acting on the removal, shall in their or its discretion provide for compensation.

ARTICLE VI

SHARES

1. Amount Authorized.

The total number of authorized shares shall be as fixed in the articles of organization.

2. Stock Certificates; Statements for Uncertificated Stock.

Shares of the corporation may be certificated or uncertificated. Each shareholder shall be entitled to: (a) for certificated stock, a certificate of the stock of the corporation setting forth the number of shares and the class and the designation of the series in such form as shall, in conformity with law, be prescribed from time to time by the directors; and (b) for uncertificated stock, a written information statement setting forth the number of shares and the class and the designation of the series of the stock. Each certificate shall be signed by any two of the following officers: the president, any vice president, the treasurer, any assistant treasurer, the secretary or any assistant secretary, either by real or facsimile signatures, and may bear the corporate seal or its facsimile. In case any officer who has signed or whose facsimile signature has been placed on such certificate shall have ceased to be such officer before such certificate is issued, it may be issued by the corporation with the same effect as if he were such officer at the time of its issue.

Every certificate or information statement for shares which are subject to any restriction on transfer pursuant to the articles of organization, the by-laws or any agreement to which the corporation is a party shall have the restriction noted conspicuously on the certificate or

information statement and shall also set forth on the face or back either the full text of the restriction or a statement of the existence of such restriction and a statement that the corporation will furnish a copy thereof to the holder of such certificate or statement upon written request and without charge. Every certificate or statement issued when the corporation is authorized to issue more than one class or series of stock shall set forth on its face or back either the full text of the preferences, voting powers, qualifications and special and relative rights of the stock of each class and series authorized to be issued or a statement of the existence of such preferences, powers, qualifications and rights and a statement that the corporation will furnish a copy thereof to the holder of such certificate or statement upon written request and without charge.

3. Transfers.

Subject to the restrictions, if any, stated or noted on the stock certificates or information statements, shares may be transferred on the books of the corporation by: (a) for certificated stock, the surrender to the corporation or its transfer agent of the certificate therefor properly endorsed or accompanied by a written assignment and power of attorney properly executed, with necessary transfer stamps affixed, and with such proof of the authenticity of signature as the corporation or its transfer agent may reasonably require; and (b) for uncertificated stock, by delivery to the corporation or its transfer agent of an instruction with a request to register a transfer properly executed by the transferring shareholder, and with such proof of authenticity of signature as the corporation or its transfer agent may reasonably require. Except as may be otherwise required by the Act, by the articles of organization or by these by-laws, the corporation shall be entitled to treat the record holder of shares as shown on its books as the owner of such shares for all purposes, including the payment of dividends and the right to receive notice and to vote with respect thereto, regardless of any transfer, pledge or other disposition of such shares, until the shares have been transferred on the books of the corporation in accordance with the requirements of these by-laws.

4. Record Date for Purposes Other Than Meetings.

The directors may fix in advance a time not more than 70 days preceding the date for the payment of any dividend or the making of any distribution to shareholders or the last day on which the consent or dissent of shareholders may be effectively expressed for any purpose, as the record date for determining the shareholders having the right to receive such dividend or distribution or the right to express such consent or dissent. In such case only shareholders of record on such date shall have such right, notwithstanding any transfer of shares on the books of the corporation after the record date. If no record date is fixed, the record date for determining shareholders shall be at the close of business on the day on which the board of directors acts with respect thereto.

5. Replacement of Certificates.

In case of the alleged loss or destruction or the mutilation of a stock certificate, a duplicate certificate may be issued in place thereof, upon such terms as the directors may prescribe.

ARTICLE VII

MISCELLANEOUS PROVISIONS

1. Fiscal Year.

The fiscal year of the corporation shall end on the date determined from time to time by the board of directors.

2. Seal.

The seal of the corporation shall, subject to alteration by the directors, consist of a flat-faced circular die with the word "Massachusetts", together with the name of the corporation and the year of its organization cut or engraved thereon.

3. Registered Agent and Registered Office.

The corporation shall continuously maintain in Massachusetts: (a) a registered agent who may be an officer of the corporation or another individual, a domestic corporation or not-for-profit domestic corporation, or a foreign corporation or not-for-profit foreign corporation qualified to do business in Massachusetts; and (b) a registered office, which may, but need not be, the same as any of its places of business. The business office of the registered agent shall also be the registered office of the corporation. The corporation shall record any change of its registered office or registered agent by filing a statement of change with the Secretary of the Commonwealth.

4. Execution of Instruments.

All deeds, leases, transfers, contracts, bonds, notes and other obligations authorized to be executed on behalf of the corporation shall be signed by the chairman of the board, if any, the president or the treasurer except as the directors may generally or in particular cases otherwise determine.

5. Voting of Securities.

Except as the directors may otherwise designate, the president or treasurer may waive notice of, act and appoint any person or persons to act as proxy or attorney in fact for this corporation (with or without power of substitution) at any meeting of the shareholders, members or other constituent parties of any other corporation, organization or entity in which the corporation holds securities or other type of ownership interest.

6. Corporate Records to be Maintained and Available to All Shareholders.

The corporation shall keep in Massachusetts at the principal office of the corporation, or at any office of its transfer agent, secretary, assistant secretary or registered agent, a copy of the following records: (a) its articles of organization and by-laws then in effect; (b) resolutions

adopted by the directors creating classes or series of stock and fixing their relative rights, preferences and limitations, if shares issued pursuant to those resolutions are outstanding; (c) the minutes of all shareholders' meetings, and records of all action taken by shareholders without a meeting, for the past three years; (d) all written communications to shareholders generally during the past three years, including annual financial statements issued pursuant to the Act; (e) a list of the names and business addresses of its current directors and offices; and (f) its most recent annual report delivered to the Massachusetts Secretary of the Commonwealth. Said copies and records may be kept in written form or in another form capable of conversion into written form within a reasonable time. A shareholder is entitled to inspect and copy such records, during regular business hours at the office at which they are maintained, on written notice given at least five business days before the date he wishes to inspect and copy.

7. Indemnification.

The corporation shall, to the fullest extent permitted by law, indemnify each of its directors and officers (including persons who serve at its request as directors, officers, or trustees of another organization in which it has any interest as a shareholder, creditor or otherwise or in any capacity with respect to any employee benefit plan), against all liabilities and expenses, including amounts paid in satisfaction of judgments, in settlement or as fines and penalties, and counsel fees, reasonably incurred by him in connection with the defense or disposition of any action, suit or other proceeding, whether civil or criminal, in which he may be involved or with which he may be threatened, while in office or thereafter, by reason of his being or having been such a director or officer, if: (a) he conducted himself in good faith and in the reasonable belief that his conduct was in the best interests of the corporation or at least not opposed to the best interests of the corporation, and, in the case of any criminal proceedings, he had no reasonable cause to believe his conduct was unlawful; or (b) he engaged in conduct for which he shall not be liable under the articles of organization; provided, however, that the corporation shall not indemnify or advance expenses to any person in connection with any action, suit, proceeding, claim or counterclaim initiated by or on behalf of such person. Such indemnification shall be provided although the person to be indemnified is not currently a director, officer, partner, trustee, employee or agent of the corporation or such other organization or no longer serves with respect to any such employee benefit plan.

Notwithstanding the foregoing, no indemnification shall be provided unless a determination has been made that indemnification is permitted by law for a specific proceeding:

(a) if there are two or more disinterested directors, by the board of directors by a majority vote of all the disinterested directors, a majority of whom for such purpose shall constitute a quorum, or by a majority of the members of a committee of two or more disinterested directors appointed by vote; or

(b) by special legal counsel selected either (i) in the manner prescribed in clause (a) above, or (ii) if there are fewer than two disinterested directors, by the board of directors, in which case directors who do not qualify as disinterested directors may participate in the selection; or

(c) by the holders of a majority of the corporation's outstanding shares at the time entitled to vote for directors, voting as a single voting group, exclusive of any shares owned by or voted under the control of any interested director or officer.

The right of indemnification hereby provided shall not be exclusive of or affect any other rights to which any director or officer may be entitled; nothing contained in this section shall affect any rights to indemnification to which employees, independent contractors or agents, other than directors and officers, may be entitled by contract or otherwise under law. As used in this paragraph, the terms "director" and "officer" include their respective heirs, executors and administrators, and an "interested" director or officer is one against whom in such capacity the proceedings in question or another proceeding on the same or similar grounds is then pending.

Any repeal or modification of the foregoing provisions of this section shall not adversely affect any right or protection of a director or officer of the corporation with respect to any acts or omission of such director or officer occurring prior to such repeal or modification.

8. Advance of Expenses.

The corporation shall, before final disposition of a proceeding, and to the fullest extent permitted by law, advance funds to pay for or reimburse the reasonable expenses incurred by a director, officer or other person who is a party to a proceeding for which he would be or may be entitled to indemnification as set forth in these by-laws, provided that he delivers to the corporation a written affirmation of his good faith belief that he has met the relevant standard of conduct described in these by-laws, and his written undertaking to repay any funds advanced if he is not entitled to mandatory indemnification under applicable law and it is ultimately determined that he has not met the relevant standard for indemnification set forth in these by-laws.

9. Amendments to By-laws.

These by-laws may at any time be amended by vote of the shareholders or may be amended by vote of a majority of the directors then in office, except that by-law provisions dealing with quorum or voting requirements for shareholders, including additional voting groups, may not be adopted, amended or repealed by the board of directors. Notice of any change to the by-laws by the directors, stating the substance of such change, shall be given to all shareholders entitled to vote on amending the by-laws not later than the time that notice of the shareholders' meeting next following such change is required to be given.

10. Director Conflict of Interest.

A conflict of interest transaction is a transaction with the corporation in which a director has a material direct or indirect interest (an "Interested Director"). Without limiting the interests that may create conflict of interest transactions, a director has an indirect interest in a transaction if another entity in which he has a material financial interest or in which he is a general partner is a party to the transaction (a "Related Party"), or if another entity of which he is a director,

officer, or trustee or in which he holds another position is a party to the transaction and the transaction is or should be considered by the board of directors of the corporation.

A conflict of interest transaction is not voidable by the corporation solely because of the director's interest in the transaction if: (a) the material facts of the transaction and the director's interest were disclosed or known to the board or a committee of the board, and the board or committee authorized, approved or ratified the transaction by the vote of a majority of the directors on the board or committee who have no direct or indirect interest in the transaction, but a transaction may not be authorized, approved, or ratified by a single director; (b) the material facts of the transaction and the director's interest were disclosed or known to the shareholders entitled to vote and they authorized, approved, or ratified the transaction by the vote of a majority of the shares entitled to vote or (c) the transaction was fair to the corporation. In the case of clause (b) above, shares owned by or voted under the control of any Interested Director or Related Party shall not be entitled to vote.

DIVERSITY PLAN

Overview

Resinate, Inc. ("Resinate") is dedicated to promoting equity in its operations for diverse populations, which the Commission has identified as the following:

1. Minorities;
2. Women;
3. Veterans;
4. People with disabilities; and
5. LGBTQ+

To support such populations, Resinate has created the following Diversity Plan (the "Plan") and has identified and created goals/programs to promote equity in Resinate's operations.

Goals

In order for Resinate to promote equity for the above-listed groups in its operations, Resinate has established the following goal:

- Increasing the number of minorities, women, veterans, individuals with disabilities, and individuals of LGBTQ+ working at Resinate to 30% or greater.

Programs

Resinate has developed specific programs to effectuate its stated goals to promote diversity and equity in its operations, which will include the following:

1. Host at least 2 career fair/job fair events per year targeted towards the identified demographics.
2. We will advertise employment opportunities and employment events (as they become available) in diverse media such as El Planeta, El Mundo, World Journal, Rainbow Times, EDGE Boston, Spirit Magazine, and the Bay State Banner; and
3. Supporting suppliers who are also committed to diversity and inclusion. This will be demonstrated by asking potential vendors for their company's demographic data or/and diversity plans. These questions will be added to our new vendor form.

Measurements

The Director of Operations will administer the Plan and will be responsible for developing measurable outcomes to ensure Resinate continues to meet its commitments. Such measurable outcomes, in accordance with Resinate's goals and programs described above, include:

- Document the number of career fair/job fair events Resinate participated in, (minimally 2) including documentation regarding date, location, description of type of event and participants.
- Collect documentation of the ads that are posted and survey thru the application process how they heard about the position. Evaluate this data quarterly with

marketing team to increase targeted applicant pool to at least 30% of the applications received.

- Track vendor data thru the vetting vendor process. When new vendors are being considered their companies diversity plans should be discussed and considered. At least 20% of the vendors we do business with must demonstrate a diverse workforce.
- Resinate will strive to build and maintain a workforce that is 30% diversified or greater as defined by the Commission for our first year of operations.

Beginning upon receipt of Resinate's first "Commence Operations" designation from the Commission to operate a marijuana establishment in the Commonwealth, Resinate will utilize the proposed measurements to assess its Plan and will account for demonstrating proof of success or progress of the Plan upon the yearly renewal of the license. The Director of Operations will review and evaluate Resinate's measurable outcomes no less than quarterly to ensure that Resinate is meeting its commitments. Resinate is mindful that demonstration of the Plan's progress and success will be submitted to the Commission upon renewal.

Acknowledgements

- Resinate will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.
- Any actions taken, or programs instituted, by Resinate will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.
