COMPLIANCE WITH POSITIVE IMPACT PLAN

Progress or Success Goal 1

Description of Progress or Success: In compliance with its Positive Impact Plan, Silver Therapeutics Inc. (the "Company") held multiple job fairs and posted notices in newspapers of general circulation in areas of disproportionate impact near its proposed Marijuana Establishment, such as the Greenfield Recorder, the Amherst Bulletin and the Pittsfield Gazette. As a result of this outreach, approximately 32% of its total current workforce is from nearby areas of disproportionate impact.

Additionally, at its September 10, 2019 job fair, the Company hired an attorney to hold an expungement clinic for Massachusetts residents with past drug convictions (or whose parents or spouses have past drug convictions). The information obtained for the presentation was done with guidance from the MA ACLU for accuracy and is listed as a separate attachment. Seven individuals attended this meeting.

Another tenant of the Company's Revised Positive Impact Plan was to provide its employees with opportunities to advance within the Company via management training programs. The Company stated that it would allow employees employed for over one year to participate in such program and is engaged with multiple employees interested in the program.

The Company has attached copies of its newspaper advertisements, attendance records at job fairs and the expungement clinic, as well as a copy of the presentation provided for the attendees of the expungement clinic as additional supporting evidence of its compliance with its Revised Positive Impact Plan."

COMPLIANCE WITH DIVERSITY PLAN

Diversity Progress or Success 1

Description of Progress or Success: Silver Therapeutics, Inc. (the "Company" or "Silver Therapeutics") respectfully submits that it has worked diligently to comply with its Diversity Plan and to promote equity among minorities, women, veterans, people with disabilities, and people of all gender identities and sexual orientation in the recruitment and hiring of employees.

The Company has a total of 32 employees. 53% are female, 12% are black/hispanic; 6% are veterans; and 3% identify as two or more races. The Company has endeavored to seek applicants from areas with diverse populations and held hiring events on Monday, April 29th and Tuesday September 10th at the Norad Mill in North Adams, MA and the Hampton Inn & Suites in Greenfield, MA (respectively).

Furthermore, in compliance with its Diversity Plan, the Company has also adopted the following Anti-Discrimination and Anti-Harassment Policy, as set forth in its handbook:

Silver Therapeutics' Anti-Discrimination and Anti-Harassment Policy

Silver Therapeutics is committed to a work environment in which all individuals are treated with respect and dignity. Each individual has the right to work in a professional atmosphere that promotes equal employment opportunities and prohibits unlawful discriminatory practices, including harassment. Therefore, Silver Therapeutics expects that all relationships among persons in the office will be business-like and free of bias, prejudice and harassment. It is the policy of Silver Therapeutics to ensure equal employment opportunity without discrimination or harassment on the basis of race, color, religion, gender, sexual orientation, gender identity, national origin, age, disability, genetic information, marital status, amnesty or status as a covered veteran. Silver Therapeutics prohibits any such discrimination or harassment. Silver Therapeutics encourages reporting of all perceived incidents of discrimination or harassment.

It is the policy of Silver Therapeutics to promptly and thoroughly investigate such reports. Silver Therapeutics prohibits retaliation against any individual who reports discrimination or harassment or who participates in an investigation of such reports. Definitions of Harassment Sexual harassment constitutes discrimination and is illegal under federal, state and local laws. For the purposes of this policy, sexual harassment is defined, as in the Equal Employment Opportunity Commission Guidelines, as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when, for example: a) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; b) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or c) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment. Sexual harassment may include a range of subtle and not-so-subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, these behaviors may include unwanted sexual advances or requests for sexual favors; sexual jokes and innuendo; verbal abuse of a sexual nature; commentary about an individual's body, sexual prowess or sexual deficiencies; leering, whistling or touching; insulting or obscene comments or gestures; display in the workplace of sexually suggestive objects or pictures; and other physical, verbal or visual conduct of a sexual nature.

Harassment on the basis of any other protected characteristic is also strictly prohibited. Under this policy, harassment is verbal, written or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, color, religion, gender, sexual orientation, national origin, age, disability, marital status, citizenship, genetic information or any other characteristic protected by law or that of his/her relatives, friends or associates, and that: a) has the purpose or effect of creating an intimidating, hostile or offensive work environment; b) has the purpose or effect of unreasonably interfering with an individual's work performance; or c) otherwise adversely affects an individual's employment opportunities. Harassing conduct includes epithets, slurs or negative stereotyping; threatening, intimidating or hostile acts; denigrating jokes; and written or graphic material that denigrates or shows hostility or aversion toward an individual or group and that is placed on walls or elsewhere on the employer's premises or circulated in the workplace, on company time or using company equipment via e-mail, phone (including voice messages), text messages, tweets, blogs, social networking sites or other means.

Individuals and Conduct Covered: This policy applies to all applicants and employees, whether related to conduct engaged in by fellow employees or someone not directly connected to Silver Therapeutics (e.g., an outside vendor, consultant or customer). Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business trips, business meetings and business-related social events.

Rule: **935 CMR 500.101(2)(b)(9)**

Dear Commission Staff:

I am the Chief Executive Officer of Silver Therapeutics, Inc. (the “Company”). This letter is submitted in response to the requirement set forth in 935 CMR 500.101(2)(b)(9), which provides:

If physically separate from the RMD location a description of plans to ensure that the Marijuana Establishment is or will be compliant with local codes, ordinances and bylaws for the physical address of the Marijuana Establishment which shall include, but not be limited to, the identification of any local licensing requirements for the adult use of marijuana.

RESPONSE: The location of the proposed Marijuana Cultivator is the same as the RMD location approved by the DPH for a Provisional Certificate of Registration.

The Town of Orange has not adopted a zoning ordinance that specifically affects marijuana uses. There are no public or private schools providing education in kindergarten or any of grades one through 12 within 500 feet of the proposed cultivation facility (measured property line to property line). A list of all such uses is attached to this letter.

The Town’s Zoning By-Law requires that any development involving warehouse space that consists of more than 10,000 square feet, requires a Special Permit. The Company will comply with this zoning by-law by applying for a special use permit.

Rule: **935 CMR 500.101(2)(b)(10)**

Dear Commission Staff:

I am the Chief Executive Officer of Silver Therapeutics, Inc. (the “Company”). This letter is submitted in response to the requirement set forth in 935 CMR 500.101(2)(b)(10), which provides:

A plan by the Marijuana Establishment to positively impact areas of disproportionate impact, as defined by the Commission.

RESPONSE:

I. GOALS - The Company shall adopt a plan for Positive Impact (the “Plan”), the goals of which shall be to (a) recruit and hire employees from Areas of Disproportionate Impact (an “ADI”) and employees with past drug convictions (or whose parents or spouses have drug convictions), (b) assisting individuals within an ADI to have been negatively harmed by cannabis prohibition to have their criminal record expunged of such offenses, and (c) training existing employees to open their own marijuana businesses in areas of Disproportionate Impact.

II. PROGRAMS - With respect to employee recruitment, the Company shall endeavor to hire employees from ADIs, Massachusetts residents who have past drug convictions and Massachusetts residents with parents or spouses who have drug convictions (such employee being a “Preferred Status Employee”). Two times a year the Company shall host a job fair in one of these cities. During the job fair, the Company will have a lawyer present for the purpose of providing assistance to individuals who have been negatively harmed by cannabis prohibition to have their criminal record expunged of such offenses.

At minimum, the management training curriculum shall include instruction on compliance with CCC regulations including security requirements, social equity goals, logistics of raising capital, identification of real property suitable for cannabis use, review of local zoning regulations, and use of payroll and accounting procedures. Following the training curriculum, the Company shall assist such employee to create a business plan and raise capital to open a marijuana related business in an ADI.

In the event that this Plan for Positive Impact is revised in the future to require a donation to an organization, the Company shall first contact such organization to confirm that it can receive the donation or may otherwise work with the Company in the furtherance of its goals.

With respect to any notices published, the Company will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.

Any actions taken, or programs instituted, by the applicant will not violate the Commission's regulations with respect to the limitations on ownership or control or other applicable laws.

III. MEASUREMENTS – The Company shall collect data from all employees as to their status as a Preferred Status Employee. The Company shall also collect data from all prospective employees as to the way in which the employee learned of the job opportunity that they are applying for (i.e. via a job fair, newspaper or website). The Company shall keep a record of all job postings that it publishes in print or online. Such data shall include a copy of the advertisement, the date that it was published and the newspaper/website that it was published on.

The Company shall keep a record of the number of people that consult with the Company's attorney at a job fair event to have their criminal records expunged (personal information relating to any such consult will not be retained).

Within two years of opening, the Company will seek to have at least 50% of its employees be Preferred Status Employees. If that goal is not met, the Company shall revise its Plan to increase the number of job fairs per year and/or change its method of advertising available positions (i.e. more frequent postings or posting in different publications).

The Company shall collect data as to the number of employees engaged with its management training curriculum. Within two years of becoming operational, the Company shall endeavor to have at least one former employee complete the management training program and start a marijuana business in an ADI. Within five years of becoming operational, the Company shall

endeavor to have at least three former employees complete the management training program and start a marijuana business in an ADI. In addition to the above, the Company shall collect data relating to the number of jobs created in ADIs by former employees that have participated in the Company's management training curriculum.

All data described in this section shall be set forth in spreadsheet that shall be readily available to be reviewed at any time. The Company shall record retain such data in accordance with 830 CMR 62C.25.1: Record Retention. The Company shall provide the CCC with a copy of such data in support of any application to renew any Marijuana Establishment license.

On the date that is six (6) months from the date that operations have commenced, and again on each and every six (6) month period thereafter, the Company shall review all data collected pursuant to this Plan for Positive Impact and create a report thereof. These biannual reports will be reviewed and utilized by the company prior to making decision to (a) post an advertisement for a job opening, (b) hire an employee, (c) host a job fair, (d) accept an eligible employee's application into the company's management training curriculum. Such reports will also be used to demonstrate proof of success or progress upon the yearly renewal of the Company's Marijuana Establishment License.

When payable, such dividends on the Series B Preferred Stock shall be paid in cash, but only out of funds that are legally available therefor. a. **Common Stock.** Each holder of Shares of Common Stock, as such, shall be entitled to one vote for each share of Common Stock held of record by such stockholder on all matters on which stockholders generally are entitled to vote and consistent with these Restated Articles of Organization

b. **Preferred Stock.** In addition to any other vote or consent required herein or by law, the vote or written consent of the holders of at least a majority of the outstanding Preferred Stock shall be necessary for effecting or validating the following actions (whether by merger, recapitalization or otherwise):

i) Any amendment, alteration, waiver or repeal of any provision of the Restated Articles of Organization or the Bylaws of the Company that alters or changes the voting or other powers, preferences, or other special rights, privileges or restrictions of the Series B Preferred Stock so as to affect them adversely;

ii) the reclassification, alteration or amendment to any any existing security of the Company that is junior to the Series B Preferred Stock in respect of the distribution of assets on the liquidation, dissolution or winding up of the Company, the payment of dividends or rights of redemption, if such reclassification, alteration or amendment would render such other security senior to or pari passu with the Preferred Stock in respect of any such right, preference or privilege; or

iii) Any increase in the authorized number of shares of Series B Preferred Stock.

For purposes of clarity, in all other respects other than those listed in this Section 2 (b), Preferred Stock shall be non-voting Stock.

3. Liquidation Rights.

a. The "**Original Issue Price**" shall mean \$100.00 per share with respect to the Preferred Stock, subject to appropriate adjustments for any stock dividends, combinations, splits, recapitalizations and the like with respect to such series of Series Preferred after the filing date hereof. Upon any liquidation, dissolution, or winding up of the Company, whether voluntary or involuntary (a "**Liquidation Event**"), before any distribution or payment shall be made to the holders of any Series A Preferred Stock or Common Stock, the holders Series B Preferred Stock shall be entitled to be paid out of the

assets of the Company legally available for distribution (or the consideration received by the Company or its stockholders in an Acquisition) for each share of Series B Preferred Stock held by them, an amount per share of Series B Preferred Stock equal to the applicable Original Issue Price plus all declared and unpaid dividends on such share of Series B Preferred Stock for each Share of Series B Preferred Stock held by them. If, upon any such Liquidation Event, the assets of the Company (or the consideration received in such transaction) shall be insufficient to make payment in full to all holders of Series B Preferred Stock of the liquidation preference set forth in this Section 3(a), then such assets (or consideration) shall be distributed among the holders of Series B Preferred Stock at the time outstanding, ratably in proportion to the full amounts to which they would otherwise be respectively entitled.

b. After the payment of the full liquidation preference of the Series B Preferred Stock as set forth in Section 3(a) above, before any distribution or payment shall be made to the holders of Common Stock, the holders of Series A Preferred Stock shall be entitled to be paid out of the assets of the Company legally available for distribution (or the consideration received by the Company or its stockholders in an Acquisition) for each share of Series A Preferred Stock held by them, an amount per share of Series A Preferred Stock equal to the applicable Original Issue Price plus all declared and unpaid dividends on such share of Series A Preferred Stock for each share of Series B Preferred Stock held by them. If, upon any such Liquidation Event, the assets of the Company (or the consideration received in such transaction) shall be insufficient to make payment in full to all holders of Series A Preferred Stock of the liquidation preference set forth in this Section 3(b), then such assets (or consideration) shall be distributed among the holders of Series A Preferred Stock at the time outstanding, ratably in proportion to the full amounts to which they would otherwise be respectively

c. After the payment of the full liquidation preference of the Preferred Stock as set forth in Sections 3(a) and 3(b) above, the remaining assets of the Company legally available for distribution in such Liquidation Event (or the consideration received by the Company or its stockholders in an Acquisition), if any, shall be distributed ratably to the holders of the Common Stock.

d. Notwithstanding anything to the contrary contained in Sections 3(a), or 3(b) above, for purposes of determining the amount each holder of shares of Preferred Stock is entitled to receive with respect to any Liquidation Event, each such holder of Shares of a series of Preferred Stock shall be deemed to have converted (regardless of whether such holder actually converted) such holder's shares of such series into shares of Common Stock immediately prior to such Liquidation Event if, as a result of an actual conversion, such holder would receive, in the aggregate, an amount greater than the amount that would be distributed to such holder in respect of such Shares of such series of Preferred Stock if such holder did not convert such Shares of such series of Preferred Stock into Shares of Common Stock (such greater amount referred to herein with respect to the Series B Preferred Stock as the "**Series B Liquidation Amount**" and with respect to the Series A Preferred Stock as the "**Series A Liquidation Amount**").

e. The following events shall be deemed a Liquidation Event for purposes of this Restated Articles of Organization: (A) an "**Acquisition**", which shall mean (I) any consolidation or merger of the Company with or into any other corporation or other entity or person, or any other corporate reorganization, other than any such consolidation, merger or reorganization in which the Shares of outstanding Stock of the Company immediately prior to such consolidation, merger or reorganization, continue to represent a majority of the voting power of the surviving entity (or, if the surviving entity is a wholly owned subsidiary, its parent) immediately after such consolidation, merger or reorganization, (provided that, for the purpose of this Section 3(d), all shares of Common Stock issuable upon exercise of options outstanding immediately prior to such consolidation or merger or upon conversion of Convertible Securities (as defined below) outstanding immediately prior to such merger or consolidation shall be deemed to be outstanding immediately prior to such merger or consolidation and, if applicable, converted or exchanged in such merger or consolidation on the same terms as the actual outstanding shares of Stock are converted or exchanged); or (II) any transaction or series of related transactions to which the Company is a

party in which in excess of fifty percent (50%) of the Company's voting power is transferred; provided that an Acquisition shall not include any transaction or series of transactions principally for bona fide equity financing purposes; and (B) an "**Asset Transfer**", which shall mean a sale, lease, exclusive license or other disposition of all or substantially all of the assets or intellectual property of the Company; provided, however, that each of the foregoing events shall not be considered an "Acquisition" or "Asset Transfer" if, in addition to any other vote or consent required herein or by law.

i) In any Acquisition or Asset Transfer, if the consideration to be received is securities of a corporation or other property other than cash, its value will be deemed its fair market value as determined in good faith by the Board on the date such determination is made.

ii) The Company shall not have the power to effect an Acquisition or Asset Transfer unless the definitive agreement for such transaction (the "**Agreement**") provides that the consideration payable to the stockholders of the Company in connection therewith shall be allocated among the holders of Stock of the Company in accordance with this Section 3.

iii) In the event of a Liquidation Event (including an Acquisition or Asset Transfer), if any portion of the consideration payable to the stockholders of the Company is placed into escrow or subject to contingencies, the Agreement shall provide that:

(A) the portion of such consideration that is not placed in escrow and not subject to any contingencies (the "**Initial Consideration**") shall be allocated among the holders of capital stock of the Company in accordance with Sections 3(a), 3(b) and 3(c) (and subject to Section 3(d)) as if the Initial Consideration were the only consideration payable in connection with such Acquisition or Asset Transfer and

(B) any additional consideration that becomes payable to the stockholders of the Company upon release from escrow or satisfaction of contingencies shall be allocated among the holders of capital stock of the Company in accordance with Sections 3(a), 3(b) and 3(c) (and subject to Section 3(d)) after taking into account the previous payment of the Initial Consideration as part of the same transaction. For avoidance of doubt, in applying distributions upon a Liquidation Event pursuant to this Section 3(e)(iii) that involve escrow, installment or contingent payments, the holders of the Series Preferred will be entitled to an amount, re-calculated at the time of each escrow, installment or contingent payment and applied on a cumulative basis, that is the greater of (I) the amounts specified in Sections 3(a), 3(b) and 3(c) and (II) the amount to which such holder of Series Preferred would have been entitled to on an as-if-converted to Common Stock basis as provided in Section 3(d), taking into account cumulative escrow, installment or contingent payments.

4. **Conversion Rights.**

The holders of the Preferred Stock shall have the following rights with respect to the conversion of the Preferred Stock into shares of Common Stock (the "**Conversion Rights**"):

a. **Series B Preferred Stock Optional Conversion.** Subject to and in compliance with the provisions of this Section 4, any Shares of Series B Preferred Stock may, at the option of the holder, be converted at any time into fully-paid and nonassessable shares of Common Stock. The number of Shares of Common Stock to which a holder of Series B Preferred Stock shall be entitled upon conversion shall be the product obtained by multiplying the applicable Preferred Stock Conversion Rate then in effect (determined as provided in Section 4(b)) by the number of shares of Series B Preferred Stock being converted.

b. **Preferred Stock Conversion Rate.** The conversion rate in effect at any time for

conversion of the Preferred Stock (the "**Preferred Stock Conversion Rate**") shall be the quotient obtained by dividing the applicable Original Issue Price of the applicable series of Series Preferred by the applicable Preferred Stock Conversion Price, calculated as provided in Section 4(c).

c. **Preferred Stock Conversion Price.** The conversion price for the Preferred Stock shall initially be the applicable Original Issue Price of the applicable series of Preferred Stock (the "**Preferred Stock Conversion Price**"). Each such initial Preferred Stock Conversion Price shall be adjusted from time to time in accordance with this Section 4. All references to any Preferred Stock Conversion Price herein shall mean such Preferred Stock Conversion Price as so adjusted.

d. **Mechanics of Series B Preferred Stock Optional Conversion.** Each holder of Series B Preferred Stock who desires to convert the same into Shares of Common Stock pursuant to this Section 4 shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Company or any transfer agent for the Series B Preferred Stock, and shall give written notice to the Company at such office that such holder elects to convert the same. Such notice shall state the number of shares of Series B Preferred Stock being converted. Thereupon, the Company shall promptly issue and deliver at such office to such holder a certificate or certificates for the number of Shares of Common Stock to which such holder is entitled and shall promptly pay (i) in cash or, to the extent sufficient funds are not then legally available therefor, in Common Stock (at the Common Stock's fair market value determined by the Board as of the date of such conversion), any declared and unpaid dividends on the shares of Series B Preferred Stock being converted and (ii) in cash (at the Common Stock's fair market value determined by the Board as of the date of conversion) the value of any fractional share of Common Stock otherwise issuable to any holder of Series B Preferred Stock. Such conversion shall be deemed to have been made at the close of business on the date of such surrender of the certificates representing the Shares of Series B Preferred Stock to be converted, and the person entitled to receive the Shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder of such Shares of Common Stock on such date.

e. **Adjustment for Stock Splits and Combinations.** If at any time or from time to time on or after the date that the first share of Preferred Stock is issued (the "**Original Issue Date**") the Company effects a subdivision of the outstanding Common Stock without a corresponding subdivision of any series of the Preferred, the applicable Preferred Stock Conversion Price of such series in effect immediately before that subdivision shall be proportionately decreased. Conversely, if at any time or from time to time after the Original Issue Date the Company combines the outstanding shares of Common Stock into a smaller number of shares without a corresponding combination of any series of the Preferred Stock, the applicable Preferred Stock Conversion Price of such series in effect immediately before the combination shall be proportionately increased. Any adjustment under this Section 4(e) shall become effective at the close of business on the date the subdivision or combination becomes effective.

f. **Adjustment for Common Stock Dividends and Distributions.** If at any time or from time to time on or after the Original Issue Date the Company pays to holders of Common Stock a dividend or other distribution in additional Shares of Common Stock, each Preferred Stock Conversion Price then in effect shall be decreased as of the time of such issuance, as provided below:

i) Such Preferred Stock Conversion Price shall be adjusted by multiplying the applicable Preferred Stock Conversion Price then in effect by a fraction equal to:

(A) the numerator of which is the total number of Shares of Common Stock issued and outstanding immediately prior to the time of such issuance, and

(B) the denominator of which is the total number of Shares of Common Stock issued and outstanding immediately prior to the time of such issuance plus the number of Shares of Common Stock issuable in payment of such dividend or distribution.

ii) If the Company fixes a record date to determine which holders of Common Stock are entitled to receive such dividend or other distribution, each applicable Preferred Stock Conversion Price shall be fixed as of the close of business on such record date and the number of shares of Common Stock shall be calculated immediately prior to the close of business on such record date; and

iii) If such record date is fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, each applicable Preferred Stock Conversion Price shall be recomputed accordingly as of the close of business on such record date and thereafter each applicable Preferred Stock Conversion Price shall be adjusted pursuant to this Section 4(f) to reflect the actual payment of such dividend or distribution.

g. Adjustment for Reclassification, Exchange, Substitution, Reorganization, Merger or Consolidation. If at any time or from time to time on or after the Original Issue Date the Common Stock issuable upon the conversion of any series of Preferred Stock is changed into the same or a different number of shares of any class or classes of stock, whether by recapitalization, reclassification, merger, consolidation or otherwise (other than an Acquisition as defined in Section 3 or a subdivision or combination of shares or stock dividend provided for elsewhere in this Section 4), in any such event each share of such series of Preferred Stock shall thereafter be convertible in lieu of the Common Stock into which it was convertible prior to such event into the kind and amount of securities, cash or other property that a holder of the number of shares of Common Stock of the Company issuable upon conversion of such shares of Preferred Stock immediately prior to such recapitalization, reclassification, merger, consolidation or other transaction would have been entitled to receive pursuant to such transaction, all subject to further adjustment as provided herein or with respect to such other securities or property by the terms thereof. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 with respect to the rights of the holders of any applicable series of Preferred Stock after the capital reorganization to the end that the provisions of this Section 4 (including adjustment of the applicable Preferred Stock Conversion Price then in effect and the number of shares issuable upon conversion of such shares of Preferred Stock) shall be applicable after that event and be as nearly equivalent as practicable.

h. Sale of Shares Below Preferred Stock Conversion Price.

i) If at any time or from time to time on or after the Original Issue Date the Company issues or sells, or is deemed by the express provisions of this Section 4(g) to have issued or sold, Additional Shares of Common Stock (as defined below), other than as provided in Section 4(d), 4(e) or 4(f) above, for an Effective Price (as defined below) less than the then effective Preferred Stock Conversion Price of any series of Preferred Stock (a "*Qualifying Dilutive Issuance*"), then and in each such case, the then existing Preferred Stock Conversion Price of such series shall be reduced, as of the opening of business on the date of such issue or sale, to a price determined by multiplying the applicable Preferred Stock Conversion Price in effect immediately prior to such issuance or sale by a fraction:

(A) the numerator of which shall be (I) the number of shares of Common Stock deemed outstanding (as determined below) immediately prior to such issue or sale, plus (II) the number of shares of Common Stock that the Aggregate Consideration (as defined below) received or deemed received by the Company for the total number of Additional Shares of Common Stock so issued would purchase at such then-existing applicable Preferred Stock Conversion Price, and

(B) the denominator of which shall be the number of shares of Common Stock deemed outstanding (as determined below) immediately prior to such issue or sale plus the total number of Additional Shares of Common Stock so issued.

For the purposes of the preceding sentence, the number of shares of Common Stock

deemed to be outstanding as of a given date shall be the sum of (I) the number of shares of Common Stock outstanding, (II) the number of shares of Common Stock into which the then outstanding shares of Preferred Stock could be converted if fully converted on the day immediately preceding the given date, and (III) the number of shares of Common Stock that are issuable upon the exercise or conversion of all other rights, options and convertible securities outstanding on the day immediately preceding the given date.

ii) No adjustment shall be made to any Preferred Stock Conversion Price in an amount less than one percent of such Preferred Stock Conversion Price then in effect. Any adjustment otherwise required by this Section 4(h) that is not required to be made due to the first sentence of this subsection (2) shall be included in any subsequent adjustment to such Preferred Stock Conversion Price. Any adjustment required by this Section 4(h) shall be rounded to the first decimal for which such rounding represents less than one percent of the applicable Preferred Stock Conversion Price in effect after such adjustment.

iii) For the purpose of making any adjustment required under this Section 4(h), the aggregate consideration received by the Company for any issue or sale of securities (the "**Aggregate Consideration**") shall be defined as: (A) to the extent it consists of cash, the gross amount of cash received by the Company before deduction of any underwriting or similar commissions, compensation or concessions paid or allowed by the Company in connection with such issue or sale and without deduction of any expenses payable by the Company, (B) to the extent it consists of property other than cash, the fair market value of that property as determined in good faith by the Board, and (C) if Additional Shares of Common Stock, Convertible Securities (as defined below) or rights or options to purchase either Additional Shares of Common Stock or Convertible Securities are issued or sold together with other stock or securities or other assets of the Company for a consideration that covers both, the portion of the consideration so received that may be reasonably determined in good faith by the Board to be allocable to such Additional Shares of Common Stock, Convertible Securities or rights or options.

iv) For the purpose of the adjustment required under this Section 4(h), if the Company issues or sells (A) Preferred Stock or other stock, options, warrants, purchase rights or other securities exercisable for or convertible into, Additional Shares of Common Stock (such convertible stock or securities being herein referred to as "**Convertible Securities**") or (B) rights or options for the purchase of Additional Shares of Common Stock or Convertible Securities and if the Effective Price of such Additional Shares of Common Stock is less than the applicable Preferred Stock Conversion Price, in each case the Company shall be deemed to have issued at the time of the issuance of such rights or options or Convertible Securities the maximum number of Additional Shares of Common Stock issuable upon exercise or conversion thereof and to have received as consideration for the issuance of such shares an amount equal to the total amount of the consideration, if any, received by the Company for the issuance of such rights or options or Convertible Securities plus (I) in the case of such rights or options, the minimum amounts of consideration, if any, payable to the Company upon the exercise of such rights or options, and (II) in the case of Convertible Securities, the minimum amounts of consideration, if any, payable to the Company upon the conversion thereof (other than by cancellation of liabilities or obligations evidenced by such Convertible Securities); provided that if the minimum amounts of such consideration cannot be ascertained, but are a function of antidilution or similar protective clauses, the Company shall be deemed to have received the minimum amounts of consideration without reference to such clauses.

(A) If the minimum amount of consideration payable to the Company upon the exercise or conversion of rights, options or Convertible Securities is reduced over time or on the occurrence or non-occurrence of specified events other than by reason of antidilution adjustments, the Effective Price shall be recalculated using the figure to which such minimum amount of consideration is reduced; provided further, that if the minimum amount of consideration payable to the Company upon the exercise or conversion of such rights, options or Convertible Securities is subsequently increased, the Effective Price shall be again recalculated using the increased minimum amount of consideration payable to the Company upon the exercise or conversion of such rights, options or Convertible Securities.

(B) No further adjustment of any Preferred Stock Conversion Price, as adjusted upon the issuance of such rights, options or Convertible Securities, shall be made as a result of the actual issuance of Additional Shares of Common Stock or the exercise of any such rights or options or the conversion of any such Convertible Securities. If any such rights or options or the conversion privilege represented by any such Convertible Securities shall expire without having been exercised, the applicable Preferred Stock Conversion Price, as adjusted upon the issuance of such rights, options or Convertible Securities shall be readjusted to such Preferred Stock Conversion Price that would have been in effect had an adjustment been made on the basis that the only Additional Shares of Common Stock so issued were the Additional Shares of Common Stock, if any, actually issued or sold on the exercise of such rights or options or rights of conversion of such Convertible Securities, and such Additional Shares of Common Stock, if any, were issued or sold for the consideration actually received by the Company upon such exercise, plus the consideration, if any, actually received by the Company for the granting of all such rights or options, whether or not exercised, plus the consideration received for issuing or selling the Convertible Securities actually converted, plus the consideration, if any, actually received by the Company (other than by cancellation of liabilities or obligations evidenced by such Convertible Securities) on the conversion of such Convertible Securities, provided that such readjustment shall not apply to prior conversions of Series Preferred.

v) For the purpose of making any adjustment to the Conversion Price of any series of Preferred Stock required under this Section 4(h), "*Additional Shares of Common Stock*" shall mean all shares of Common Stock issued by the Company or deemed to be issued pursuant to this Section 4(viii) (including shares of Common Stock subsequently reacquired or retired by the Company), other than:

(A) shares of Common Stock issued upon conversion of the Preferred Stock or as dividend or other distribution on the Preferred Stock;

(B) shares of Common Stock or Convertible Securities issued upon a stock split, stock dividend, distribution, recapitalization and the like;

(C) shares of Common Stock or Convertible Securities issued after the Original Issue Date to employees, officers or directors of, or consultants or advisors to the Company or any subsidiary pursuant to stock purchase or equity incentive plans or other arrangements that are approved by the Board, and, if applicable;

(D) shares of Common Stock or Preferred Stock issued pursuant to the exercise or conversion of Convertible Securities outstanding as of the Original Issue Date;

(E) shares of Common Stock or Convertible Securities issued for consideration other than cash pursuant to a merger, consolidation, acquisition, strategic alliance or similar business combination approved by the Board;

(F) shares of Common Stock or Convertible Securities issued pursuant to any equipment loan or leasing arrangement, real property leasing arrangement or debt financing from a bank or similar financial or lending institution approved by the Board;

(G) shares of Common Stock or Convertible Securities issued to third-party service providers in exchange for or as partial consideration for services rendered to the Company as approved by the Board;

(H) a Qualified IPO (as defined below); and

(I) shares of Common Stock or Convertible Securities issued in connection with any strategic transaction, collaboration, joint venture, manufacturing, licensing, marketing or distribution arrangement involving the Company and other entities approved by the Board.

References to Common Stock in the subsections of this clause (v) above shall mean all shares of Common Stock issued by the Company or deemed to be issued pursuant to this Section 4 (vii). The "*Effective Price*" of Additional Shares of Common Stock shall mean the quotient determined by dividing the total number of Additional Shares of Common Stock issued or sold, or deemed to have been issued or sold by the Company under this Section 4 (viii), into the Aggregate Consideration received, or deemed to have been received by the Company for such issue under this Section 4 (viii), for such Additional Shares of Common Stock. In the event that the number of shares of Additional Shares of Common Stock or the Effective Price cannot be ascertained at the time of issuance, such Additional Shares of Common Stock shall be deemed issued immediately upon the occurrence of the first event that makes such number of shares or the Effective Price, as applicable, ascertainable.

vi) In the event that the Company issues or sells, or is deemed to have issued or sold, Additional Shares of Common Stock in a Qualifying Dilutive Issuance (the "*First Dilutive Issuance*"), then in the event that the Company issues or sells, or is deemed to have issued or sold, Additional Shares of Common Stock in a Qualifying Dilutive Issuance (other than the First Dilutive Issuance) which (A) occurs no more than six months subsequent to the date of the First Dilutive Issuance and (B) together with the First Dilutive Issuance and any other applicable Qualifying Dilutive Issuances is part of a single plan of financing involving issuance of the same class and series of securities for the same type of consideration and for the same general purpose (a "*Subsequent Dilutive Issuance*"), then and in each such case upon a Subsequent Dilutive Issuance the applicable Preferred Stock Conversion Price shall be reduced to the Preferred Stock Conversion Price that would have been in effect had the First Dilutive Issuance and each Subsequent Dilutive Issuance all occurred on the closing date of the First Dilutive Issuance.

i. **Certificate of Adjustment.** In each case of an adjustment or readjustment of any Preferred Stock Conversion Price for the number of shares of Common Stock or other securities issuable upon conversion of the Preferred Stock, if the Preferred Stock is then convertible pursuant to this Section 4, the Company, at its expense, shall compute such adjustment or readjustment in accordance with the provisions hereof and shall, upon request, prepare a certificate showing such adjustment or readjustment, and shall mail such certificate, by first class mail, postage prepaid, to each registered holder of Series Preferred so requesting at the holder's address as shown in the Company's books. The certificate shall set forth such adjustment or readjustment, showing in detail the facts upon which such adjustment or readjustment is based, including a statement of (A) the consideration received or deemed to be received by the Company for any Additional Shares of Common Stock issued or sold or deemed to have been issued or sold, (B) the Preferred Stock Conversion Price at the time in effect, the number of Additional Shares of Common Stock and (D) the type and amount, if any, of other property that at the time would be received upon conversion of the Preferred Stock. Failure to request or provide such notice shall have no effect on any such adjustment.

j. **Notices of Record Date.** Upon (A) any taking by the Company of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, or (B) any Acquisition or other capital reorganization of the Company, any reclassification or recapitalization of the capital stock of the Company, any merger or consolidation of the Company with or into any other corporation, or any Asset Transfer, or any voluntary or involuntary dissolution, liquidation or winding up of the Company, the Company shall mail to each holder of Preferred Stock at least ten days prior to (I) the record date, if any, specified therein; or (II) if no record date is specified, the date upon which such action is to take effect (or, in either case, such shorter period approved by the holders of a majority of the outstanding Preferred Stock) a notice specifying (x) the date on which any such record is to be taken for the purpose of such dividend or distribution and a description of such dividend

or distribution, (y) the date on which any such Acquisition, reorganization, reclassification, transfer, consolidation, merger, Asset Transfer, dissolution, liquidation or winding up is expected to become effective, and (z) the date, if any, that is to be fixed as to when the holders of record of Common Stock (or other securities) shall be entitled to exchange their shares of Common Stock (or other securities) for securities or other property deliverable upon such Acquisition, reorganization, reclassification, transfer, consolidation, merger, Asset Transfer, dissolution, liquidation or winding up.

k. Automatic Conversion.

i) Each share of Series A Preferred Stock shall automatically be converted into shares of Common Stock, based on the then-effective applicable Preferred Stock Conversion Price, immediately upon the closing of a firmly underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended (the "*Securities Act*") covering the offer and sale of Common Stock for the account of the Company and the Company's shares have been listed for trading on the New York Stock Exchange, NASDAQ Global Select Market or NASDAQ Global Market (a "*Qualified IPO*"). Upon such automatic conversion, any declared and unpaid dividends shall be paid in accordance with the provisions of Section 4(d).

ii) Each share of Series B Preferred Stock shall automatically be converted into shares of Common Stock, based on the then-effective applicable Preferred Stock Conversion Price, at any time upon the earlier of (i) the affirmative election of the holders of at least a majority of the then outstanding shares of the Series B Preferred Stock, voting together as a single class, and (ii) immediately upon the closing of Qualified IPO. Upon such automatic conversion, any declared and unpaid dividends shall be paid in accordance with the provisions of Section 4(d).

iii) Upon the occurrence of any of the events specified in Sections 4(k)(i), or (ii) above, the outstanding shares of the applicable series of Preferred Stock shall be converted automatically without any further action by the holders of such shares and whether or not the certificates representing such Shares are surrendered to the Company or its transfer agent; provided, however, that the Company shall not be obligated to issue certificates evidencing the Shares of Common Stock issuable upon such conversion unless the certificates evidencing such Shares of Preferred Stock are either delivered to the Company or its transfer agent as provided below, or the holder notifies the Company or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates. Upon the occurrence of such automatic conversion of the applicable series of Preferred Stock, the holders of the applicable series of Preferred Stock shall surrender the certificates representing such shares at the office of the Company or any transfer agent for the applicable series of Preferred Stock. Thereupon, there shall be issued and delivered to such holder promptly at such office and in its name as shown on such surrendered certificate or certificates, a certificate or certificates for the number of shares of Common Stock into which the shares of Preferred Stock surrendered were convertible on the date on which such automatic conversion occurred, and any declared and unpaid dividends shall be paid in accordance with the provisions of Section 4(d).

1. **Fractional Shares.** No fractional shares of Common Stock shall be issued upon conversion of any Preferred Stock. All shares of Common Stock (including fractions thereof) issuable upon conversion of more than one share of Preferred Stock by a holder thereof shall be aggregated for purposes of determining whether the conversion would result in the issuance of any fractional share. If after the aforementioned aggregation the conversion would result in the issuance of any fractional share, the Company shall, in lieu of issuing any fractional share, pay cash equal to the product of such fraction multiplied by the fair market value of one share of Common Stock (as determined by the Board) on the date of conversion.

m. **Reservation of Stock Issuable Upon Conversion.** The Company shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Preferred Stock. If at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Preferred Stock, the Company will take such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

n. **Notices.** Any notice required by the provisions of this Section 4 shall be in writing and shall be deemed effectively given: (i) upon personal delivery to the party to be notified, (ii) when sent by electronic transmission in compliance with the provisions of the MBCA if sent during normal business hours of the recipient; if not, then on the next business day, (iii) five days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (iv) one day after deposit with a nationally recognized overnight courier, specifying next day delivery, with verification of receipt. All notices shall be addressed to each holder of record at the address of such holder appearing on the books of the Company.

o. **Payment of Taxes.** The Company will pay all taxes (other than taxes based upon income) and other governmental charges that may be imposed with respect to the issue or delivery of shares of Common Stock upon conversion of shares of Preferred Stock, excluding any tax or other charge imposed in connection with any transfer involved in the issue and delivery of shares of Common Stock in a name other than that in which the shares of Preferred Stock so converted were registered.

5. COMMON STOCK

a. **General.** The voting, dividend and liquidation rights of the holders of the Common Stock are subject to and qualified by the rights, powers and preferences of the holders of the Preferred Stock set forth herein.

b. **Voting.** The holders of the Common Stock are entitled to one vote for each Share of Common Stock held at all meetings of stockholders (and written actions in lieu of meetings); provided, however, that, except as otherwise required by law, holders of Common Stock, as such, shall not be entitled to vote on any amendment to the Restated Article of Organization that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to the Restated Article of Organization or pursuant to the MBCA. There shall be no cumulative voting. The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by (in addition to any vote of the holders of one or more series of Preferred Stock that may be required by the terms of the Restated Article of Organization) the affirmative vote of the holders of shares of capital stock of the Company representing a majority of the votes represented by all outstanding shares of capital stock of the Company entitled to vote, irrespective of the provisions of MBCA to the contrary.

Article V. Restrictions On Transfers

No Shares of Common Stock or Preferred Stock may be transferred without the written consent of the Board, unless in accordance with the terms of these Restated Article of Organization, Voting Agreement or the Right of First Refusal and Co-Sale Agreement.

Article VI. Other Lawful Provisions

A. The liability of the directors of the Company for monetary damages shall be eliminated to the fullest extent under applicable law.

B. To the fullest extent permitted by applicable law, the Company is authorized to provide indemnification of (and advancement of expenses to) directors, officers and agents of the Company (and any other persons to which applicable law permits the Company to provide indemnification) (an "**Indemnified Person**") through Bylaw provisions, agreements with such agents or other persons, vote of stockholders or disinterested directors or otherwise in excess of the indemnification and advancement otherwise permitted by such applicable law. If applicable law is amended after approval by the stockholders of this Article VI to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director to the Company shall be eliminated or limited to the fullest extent permitted by applicable law as so amended.

C. The Company's obligation, if any, to indemnify any person who was or is serving at its request as a director, officer or employee of another Company, partnership, limited liability company, joint venture, trust, organization or other enterprise shall be reduced by any amount such person may collect as indemnification from such other Company, partnership, limited liability company, joint venture, trust, organization or other enterprise.

D. Any repeal or modification of this Article VI shall only be prospective and shall not affect the rights or protections or increase the liability of any director under this Article VI in effect at the time of the alleged occurrence of any act or omission to act giving rise to liability or indemnification.

E. The Company renounces any interest or expectancy of the Company in, or in being offered an opportunity to participate in, any Excluded Opportunity. An "**Excluded Opportunity**" is any matter, transaction or interest that is presented to, or acquired, created or developed by, or which otherwise comes into the possession of any director of the Company who is not an employee of the Company or any of its subsidiaries or any of its subsidiaries.

F. Subject to any additional vote required by the Restated Articles of Organization or Bylaws, in furtherance and not in limitation of the powers conferred by statute, the Board is expressly authorized to make, repeal, alter, amend and rescind any or all of the Bylaws of the Company.

Article VII. Effective Date

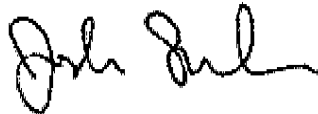

The effective date of organization of the corporation is the date and time the articles were received for filing if the articles are not rejected within the time prescribed by law.

STOCKHOLDERS’ MEETINGS

Section 4. Place of Meetings. Meetings of the stockholders of the Company may be held at such place, either within or without the State of Massachusetts, as may be determined from time to time by the Board. The Board may, in its sole discretion, determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication as provided under the Massachusetts Business Corporation Act (“*MBCA*”).

Section 5. Annual Meeting.

(a) The annual meeting of the stockholders of the Company, for the purpose of election of directors and for such other business as may lawfully come before it, shall be held on such date and at such time as may be designated from time to time by the Board. Nominations of persons for election to the Board of the Company and the proposal of business

to be considered by the stockholders may be made at an annual meeting of stockholders: (i) pursuant to the Company's notice of meeting of stockholders; (ii) by or at the direction of the Board; or (iii) by any stockholder of the Company who was a stockholder of record at the time of giving of notice provided for in the following paragraph, who is entitled to vote at the meeting and who complied with the notice procedures set forth in Section 5.

(b) At an annual meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the meeting. For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to Section 5(a)(iii) : (i) the stockholder must have given timely notice thereof in writing to the Secretary of the Company, (ii) such other business must be a proper matter for stockholder action under the MBCA, (iii) if the stockholder, or the beneficial owner on whose behalf any such proposal or nomination is made, has provided the Company with a Solicitation Notice (as defined in this Section 5(b)), such stockholder or beneficial owner must, in the case of a proposal, have delivered a proxy statement and form of proxy to holders of at least the percentage of the Company's voting shares required under applicable law to carry any such proposal, or, in the case of a nomination or nominations, have delivered a proxy statement and form of proxy to holders of a percentage of the Company's voting shares reasonably believed by such stockholder or beneficial owner to be sufficient to elect the nominee or nominees proposed to be nominated by such stockholder, and must, in either case, have included in such materials the Solicitation Notice, and (iv) if no Solicitation Notice relating thereto has been timely provided pursuant to this section, the stockholder or beneficial owner proposing such business or nomination must not have solicited a number of proxies sufficient to have required the delivery of such a Solicitation Notice under this Section 5. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Company not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced more than thirty (30) days prior to or delayed by more than thirty (30) days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. In no event shall the public announcement of an adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth (A) as to each person whom the stockholder proposed to nominate for election or reelection as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "*1934 Act*") and Rule 14a-4(d) thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (B) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business

of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (C) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on the Company's books, and of such beneficial owner, (ii) the class and number of shares of the Company which are owned beneficially and of record by such stockholder and such beneficial owner, and (iii) whether either such stockholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of, in the case of the proposal, at least the percentage of the Company's voting shares required under applicable law to carry the proposal or, in the case of a nomination or nominations, a sufficient number of holders of the Company's voting shares to elect such nominee or nominees (an affirmative statement of such intent, a "***Solicitation Notice***").

(c) Notwithstanding anything in the second sentence of Section 5(b) of these Bylaws to the contrary, in the event that the number of directors to be elected to the Board of the Company is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board made by the Company at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 5 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Company not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Company.

(d) Only such persons who are nominated in accordance with the procedures set forth in this Section 5 shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 5. Except as otherwise provided by law, the Chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made, or proposed, as the case may be, in accordance with the procedures set forth in these Bylaws and, if any proposed nomination or business is not in compliance with these Bylaws, to declare that such defective proposal or nomination shall not be presented for stockholder action at the meeting and shall be disregarded.

(e) Notwithstanding the foregoing provisions of this Section 5, in order to include information with respect to a stockholder proposal in the proxy statement and form of proxy for a stockholders' meeting, stockholders must provide notice as required by the regulations promulgated under the 1934 Act. Nothing in these Bylaws shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Company proxy statement pursuant to Rule 14a-8 under the 1934 Act.

(f) For purposes of this Section 5, "***public announcement***" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Company with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the 1934 Act.

Section 6. Special Meetings.

(a) Special meetings of the stockholders of the Company may be called, for any purpose or purposes, by (i) the Chairman of the Board, (ii) the Chief Executive Officer, or (iii) the Board pursuant to a resolution adopted by a majority of the total number of authorized directors (whether or not there exist any vacancies in previously authorized directorships at the time any such resolution is presented to the Board for adoption) or (iv) by the holders of shares entitled to cast not less than ten percent (10%) of the votes at the meeting, and shall be held at such place, on such date, and at such time as the Board shall fix.

(b) If a special meeting is properly called by any person or persons other than the Board, the request shall be in writing, specifying the general nature of the business proposed to be transacted, and shall be delivered personally or sent by certified or registered mail, return receipt requested, or by telegraphic or other facsimile transmission to the Chairman of the Board, the Chief Executive Officer, or the Secretary of the Company. No business may be transacted at such special meeting otherwise than specified in such notice. The Board shall determine the time and place of such special meeting, which shall be held not less than thirty-five (35) nor more than one hundred twenty (120) days after the date of the receipt of the request. Upon determination of the time and place of the meeting, the officer receiving the request shall cause notice to be given to the stockholders entitled to vote, in accordance with the provisions of Section 7 of these Bylaws. Nothing contained in this paragraph (b) shall be construed as limiting, fixing, or affecting the time when a meeting of stockholders called by action of the Board may be held.

Section 7. Notice of Meetings. Except as otherwise provided by law, notice, given in writing or by electronic transmission, of each meeting of stockholders shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting, such notice to specify the place, if any, date and hour, in the case of special meetings, the purpose or purposes of the meeting, and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at any such meeting. If mailed, notice is given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the records of the Company. Notice of the time, place, if any, and purpose of any meeting of stockholders may be waived in writing, signed by the person entitled to notice thereof or by electronic transmission by such person, either before or after such meeting, and will be waived by any stockholder by his attendance thereat in person, by remote communication, if applicable, or by proxy, except when the stockholder attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Any stockholder so waiving notice of such meeting shall be bound by the proceedings of any such meeting in all respects as if due notice thereof had been given.

Section 8. Quorum. At all meetings of stockholders, except where otherwise provided by statute or by the Restated Articles of Organization, or by these Bylaws, the presence, in person, by remote communication, if applicable, or by proxy duly authorized, of the holders of a majority of the outstanding shares of stock entitled to vote shall constitute a quorum for the

transaction of business. In the absence of a quorum, any meeting of stockholders may be adjourned, from time to time, either by the chairman of the meeting or by vote of the holders of a majority of the shares represented thereat, but no other business shall be transacted at such meeting. The stockholders present at a duly called or convened meeting, at which a quorum is present, may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum. Except as otherwise provided by statute, or by the Restated Articles of Organization or these Bylaws, in all matters other than the election of directors, the affirmative vote of a majority of shares present in person, by remote communication, if applicable, or represented by proxy duly authorized at the meeting and entitled to vote generally on the subject matter shall be the act of the stockholders. Except as otherwise provided by statute, the Restated Articles of Organization or these Bylaws, directors shall be elected by a plurality of the votes of the shares present in person, by remote communication, if applicable, or represented by proxy duly authorized at the meeting and entitled to vote generally on the election of directors. Where a separate vote by a class or classes or series is required, except where otherwise provided by the statute or by the Restated Articles of Organization or these Bylaws, a majority of the outstanding shares of such class or classes or series, present in person, by remote communication, if applicable, or represented by proxy duly authorized, shall constitute a quorum entitled to take action with respect to that vote on that matter. Except where otherwise provided by statute or by the Restated Articles of Organization or these Bylaws, the affirmative vote of the majority (plurality, in the case of the election of directors) of shares of such class or classes or series present in person, by remote communication, if applicable, or represented by proxy at the meeting shall be the act of such class or classes or series.

Section 9. Adjournment and Notice of Adjourned Meetings. Any meeting of stockholders, whether annual or special, may be adjourned from time to time either by the chairman of the meeting or by the vote of a majority of the shares present in person, by remote communication, if applicable, or represented by proxy. When a meeting is adjourned to another time or place, if any, notice need not be given of the adjourned meeting if the time and place, if any, thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Company may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Section 10. Voting Rights. For the purpose of determining those stockholders entitled to vote at any meeting of the stockholders, except as otherwise provided by law, only persons in whose names shares stand on the stock records of the Company on the record date, as provided in Section 12 of these Bylaws holding a class or series of stock eligible to vote, shall be entitled to vote at any meeting of stockholders. Every person entitled to vote or execute consents shall have the right to do so either in person, by remote communication, if applicable, or by an agent or agents authorized by a proxy granted in accordance with Massachusetts law. An agent so appointed need not be a stockholder. No proxy shall be voted after three (3) years from its date of creation unless the proxy provides for a longer period.

Section 11. Joint Owners of Stock. If shares or other securities having voting power stand of record in the names of two (2) or more persons, whether fiduciaries, members of a

partnership, joint tenants, tenants in common, tenants by the entirety, or otherwise, or if two (2) or more persons have the same fiduciary relationship respecting the same shares, unless the Secretary is given written notice to the contrary and is furnished with a copy of the instrument or order appointing them or creating the relationship wherein it is so provided, their acts with respect to voting shall have the following effect: (a) if only one (1) votes, his act binds all; (b) if more than one (1) votes, the act of the majority so voting binds all; (c) if more than one (1) votes, but the vote is evenly split on any particular matter, each faction may vote the securities in question proportionally, or may apply to the a court of competent jurisdiction for relief as provided in the MBCA. If the instrument filed with the Secretary shows that any such tenancy is held in unequal interests, a majority or even-split for the purpose of subsection (c) shall be a majority or even-split in interest.

Section 12. List of Stockholders. The Secretary shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at said meeting, arranged in alphabetical order, showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or during ordinary business hours, at the principal place of business of the Company. In the event that the Company determines to make the list available on an electronic network, the Company may take reasonable steps to ensure that such information is available only to stockholders of the Company. The list shall be open to examination of any stockholder during the time of the meeting as provided by law.

Section 13. Action Without Meeting.

(a) Unless otherwise provided in the Restated Articles of Organization, any action required by statute to be taken at any annual or special meeting of the stockholders, or any action which may be taken at any annual or special meeting of the stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, or by electronic transmission setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted.

(b) Every written consent or electronic transmission shall bear the date of signature of each stockholder who signs the consent, and no written consent or electronic transmission shall be effective to take the corporate action referred to therein unless, within sixty (60) days of the earliest dated consent delivered to the Company in the manner herein required, written consents or electronic transmissions signed by a sufficient number of stockholders to take action are delivered to the Company by delivery to its registered office in the State of Massachusetts, its principal place of business or an officer or agent of the Company having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to a Company's registered office shall be by hand or by certified or registered mail, return receipt requested.

(c) Prompt notice of the taking of the corporate action without a meeting by

less than unanimous written consent shall be given to those stockholders who have not consented in writing or by electronic transmission and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of stockholders to take action were delivered to the Company as provided in the MBCA. If the action which is consented to is such as would have required the filing of a certificate under any section of the MBCA if such action had been voted on by stockholders at a meeting thereof, then the certificate filed under such section shall state, in lieu of any statement required by such section concerning any vote of stockholders, that written consent has been given in accordance with the MBCA.

(d) A telegram, cablegram or other electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxyholder, shall be deemed to be written, signed and dated for the purposes of this section, provided that any such telegram, cablegram or other electronic transmission sets forth or is delivered with information from which the Company can determine (i) that the telegram, cablegram or other electronic transmission was transmitted by the stockholder or proxyholder or by a person or persons authorized to act for the stockholder and (ii) the date on which such stockholder or proxyholder or authorized person or persons transmitted such telegram, cablegram or electronic transmission. The date on which such telegram, cablegram or electronic transmission is transmitted shall be deemed to be the date on which such consent was signed. The Company may withhold consent for any legitimate corporate purpose, as determined by the Board. Examples of the basis for the Company to withhold its consent include, without limitation, (i) if such Transfer to individuals, companies or any other form of entity identified by the Company as a potential competitor or considered by the Company to be unfriendly; or (ii) if such Transfer increases the risk of the Company having a class of security held of record by two thousand (2,000) or more persons, as described in Section 12(g) of the 1934 Act, and Rule 12g5-1 promulgated thereunder, or otherwise requiring the Company to register any class of securities under the 1934 Act; or (iii) if such Transfer would result in the loss of any federal or state securities law exemption relied upon by the Company in connection with the initial issuance of such shares or the issuance of any other securities; or (iv) if such Transfer is facilitated in any manner by any public posting, message board, trading portal, internet site, or similar method of communication, including without limitation any trading portal or internet site intended to facilitate secondary transfers of securities; or (v) if such Transfer is to be effected in a brokered transaction; or (vi) if such Transfer represents a Transfer of less than all of the shares then held by the stockholder and its affiliates or is to be made to more than a single transferee.

(b) If a stockholder desires to Transfer any shares of common stock or preferred stock, then the stockholder shall first give written notice thereof to the Company. The notice shall name the proposed transferee and state the number of shares of common stock or preferred stock to be transferred, the proposed consideration, and all other terms and conditions of the proposed transfer. Any shares proposed to be transferred to which Transfer the Company has consented pursuant to Section 38(a) will first be subject to any then applicable right of first refusal.

(c) Any Transfer, or purported Transfer, of shares of common stock or preferred stock not made in strict compliance with this Section 38 shall be null and void, shall

not be recorded on the books of the Company and shall not be recognized by the Company.

(d) The foregoing restriction on Transfer shall terminate upon the date securities of the Company are first offered to the public pursuant to a registration statement filed with, and declared effective by, the United States Securities and Exchange Commission under the Securities Act of 1933, as amended.

(e) The certificates representing shares of common stock of the Company shall bear on their face the following legend so long as the foregoing Transfer restrictions are in effect:

(3) A stockholder’s Transfer of any or all of such stockholder’s shares to (i) the Company or (ii) any other stockholder of the Company *provided* that, after giving effect to such Transfer, the receiving stockholder’s direct or indirect ownership of the Company’s capital stock does not exceed three percent (3%) of the Company’s then outstanding voting stock (treating Preferred Stock of the Company on an as-if-converted to Common Stock basis);

(4) A stockholder’s Transfer of any or all of such stockholder’s shares to a person who, at the time of such Transfer, is an officer or director of the Company *provided* that, after giving effect to such Transfer, the direct or indirect ownership of the Company’s capital stock by the receiving officer or director does not exceed three percent (3%) of the Company’s then outstanding voting stock (treating preferred stock of the Company on an as-if- converted to common stock basis);

(5) A corporate stockholder's Transfer of any or all of its shares pursuant to and in accordance with the terms of any merger, consolidation, reclassification of shares or capital reorganization of the corporate stockholder, or pursuant to a sale of all or substantially all of the stock or assets of a corporate stockholder;

(6) A corporate stockholder's Transfer of any or all of its shares to any or all of its stockholders;

(7) A Transfer by a stockholder which is a limited or general partnership to any or all of its partners or former partners in accordance with partnership interests;

(8) Any Transfer in connection with an Approved Sale (as defined in the Company's Voting Agreement, as in effect from time to time), a call right in connection with a stockholder's services agreement (each a "***Services Agreement***"), a put right exercised in connection with a Prohibited Transfer in accordance with the Right of First Refusal and Co-Sale Agreement, if any, as in effect from time to time (the "***ROFR Agreement***"), a purchase exercised in connection with a Prohibited Transaction in accordance with the ROFR Agreement;

(9) A Transfer of shares of the Company's capital stock in connection with the exercise of co-sale rights in accordance with the terms and provisions of the ROFR Agreement.

In any such case, the transferee, assignee, or other recipient (other than the Company) shall receive and hold such stock subject to the transfer restrictions in this Section 38 and the right of first refusal in Section 48, and there shall be no further Transfer of such stock except in accord with the transfer restrictions in this Section 38 and the right of first refusal in Section 48.

Section 39. Fixing Record Dates.

(a) In order that the Company may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the Board may fix, in advance, a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which record date shall, subject to applicable law, not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; *provided, however*, that the Board may fix a new record date for the adjourned meeting.

(b) In order that the Company may determine the stockholders entitled to

consent to corporate action in writing without a meeting, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board. Any stockholder of record seeking to have the stockholders authorize or take corporate action by written consent shall, by written notice to the Secretary, request the Board to fix a record date. The Board shall promptly, but in all events within ten (10) days after the date on which such a request is received, adopt a resolution fixing the record date. If no record date has been fixed by the Board within ten (10) days of the date on which such a request is received, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board is required by applicable law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company by delivery to its registered office in the State of Massachusetts, its principal place of business or an officer or agent of the Company having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Company's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board and prior action by the Board is required by law, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board adopts the resolution taking such prior action.

(c) In order that the Company may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board may fix, in advance, a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. ARTICLE X

FISCAL YEAR

Section 44. Fiscal Year. The fiscal year of the Company shall be fixed by resolution of the Board.

ARTICLE XI

INDEMNIFICATION

Section 45. Indemnification of Directors, Executive Officers, Other Officers, Employees and Other Agents.

(a) **Directors and Executive Officers.** The Company shall indemnify its directors and executive officers (for the purposes of this Article XI, “*executive officers*” shall have the meaning defined in Rule 3b-7 promulgated under the 1934 Act) to the fullest extent not prohibited by the MBCA or any other applicable law; *provided, however*, that the Company may modify the extent of such indemnification by individual contracts with its directors and executive officers; and, *provided, further*, that the Company shall not be required to indemnify any director or executive officer in connection with any proceeding (or part thereof) initiated by such person unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of the Company, (iii) such indemnification is provided by the Company, in its sole discretion, pursuant to the powers vested in the Company under the MBCA or any other applicable law or (iv) such indemnification is required to be made under subsection (d).

(b) **Other Officers, Employees and Other Agents.** The Company shall have power to indemnify its other officers, employees and other agents as set forth in the MBCA or any other applicable law. The Board shall have the power to delegate the determination of whether indemnification shall be given to any such person to such officers or other persons as the Board shall determine.

(c) **Expenses.** The Company shall advance to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director or executive officer, of the Company, or is or was serving at the request of the Company as a director or executive officer of another corporation, partnership, joint venture, trust or other enterprise, prior to the final disposition of the proceeding, promptly following request therefor, all expenses incurred by any director or executive officer in connection with such proceeding, provided, however, that, if the MBCA requires, an advancement of expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the Company of an undertaking, by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such indemnitee is not entitled to be indemnified for such expenses under this Section 43 or otherwise. Notwithstanding the foregoing, unless otherwise determined pursuant to paragraph (e) of this Bylaw, no advance shall be made by the Company to an executive officer of the Company (except by reason of the fact that such executive officer is or was a director of the Company, in which event this paragraph shall not apply) in any action, suit or proceeding, whether civil, criminal, administrative or investigative, if a determination is reasonably and promptly made (i) by a majority vote of a quorum consisting of directors who were not parties to the proceeding, even if not a quorum, or (ii) by a committee of such directors designated by a majority of such directors, even though

less than a quorum, or (iii) if there are no such directors, or such directors so direct, by independent legal counsel in a written opinion, that the facts known to the decision-making party at the time such determination is made demonstrate clearly and convincingly that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the Company.

(d) Enforcement. Without the necessity of entering into an express contract, all rights to indemnification and advances to directors and executive officers under this Bylaw shall be deemed to be contractual rights and be effective to the same extent and as if provided for in a contract between the Company and the director or executive officer. Any right to indemnification or advances granted by this Bylaw to a director or executive officer shall be enforceable by or on behalf of the person holding such right in any court of competent jurisdiction if (i) the claim for indemnification or advances is denied, in whole or in part, or (ii) no disposition of such claim is made within ninety (90) days of request therefor. The claimant in such enforcement action, if successful in whole or in part, shall be entitled to be paid also the expense of prosecuting the claim. In connection with any claim for indemnification, the Company shall be entitled to raise as a defense to any such action that the claimant has not met the standards of conduct that make it permissible under the MBCA or any other applicable law for the Company to indemnify the claimant for the amount claimed. In connection with any claim by an executive officer of the Company (except in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such executive officer is or was a director of the Company) for advances, the Company shall be entitled to raise as a defense as to any such action clear and convincing evidence that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the Company, or with respect to any criminal action or proceeding that such person acted without reasonable cause to believe that his conduct was lawful. Neither the failure of the Company (including its Board, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the MBCA or any other applicable law, nor an actual determination by the Company (including its Board, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct. In any suit brought by a director or executive officer to enforce a right to indemnification or to an advancement of expenses hereunder, the burden of proving that the director or executive officer is not entitled to be indemnified, or to such advancement of expenses, under this Article XI or otherwise shall be on the Company.

(e) Non-Exclusivity of Rights. The rights conferred on any person by this Bylaw shall not be exclusive of any other right which such person may have or hereafter acquire under any applicable statute, provision of the Restated Articles of Organization, Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office. The Company is specifically authorized to enter into individual contracts with any or all of its directors, officers, employees or agents respecting indemnification and advances, to the fullest extent not prohibited by the MBCA or any other applicable law.

(f) **Survival of Rights.** The rights conferred on any person by this Bylaw shall continue as to a person who has ceased to be a director or executive officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

(g) **Insurance.** To the fullest extent permitted by the MBCA, or any other applicable law, the Company, upon approval by the Board of Directors, may purchase insurance on behalf of any person required or permitted to be indemnified pursuant to this Bylaw.

(h) **Amendments.** Any repeal or modification of this Bylaw shall only be prospective and shall not affect the rights under this Bylaw in effect at the time of the alleged occurrence of any action or omission to act that is the cause of any proceeding against any agent of the Company.

(i) **Saving Clause.** If this Bylaw or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify each director and executive officer to the full extent not prohibited by any applicable portion of this Bylaw that shall not have been invalidated, or by any other applicable law. If this Section 43 shall be invalid due to the application of the indemnification provisions of another jurisdiction, then the Company shall indemnify each director and executive officer to the full extent under applicable law.

(j) **Certain Definitions.** For the purposes of this Bylaw, the following definitions shall apply:

(1) The term “*proceeding*” shall be broadly construed and shall include, without limitation, the investigation, preparation, prosecution, defense, settlement, arbitration and appeal of, and the giving of testimony in, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

(2) The term “*expenses*” shall be broadly construed and shall include, without limitation, court costs, attorneys’ fees, witness fees, fines, amounts paid in settlement or judgment and any other costs and expenses of any nature or kind incurred in connection with any proceeding.

(3) The term the “*corporation*” shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Bylaw with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

(4) References to a “*director*,” “*executive officer*,” “*officer*,” “*employee*,” or “*agent*” of the Company shall include, without limitation, situations where such person is serving at the request of the Company as, respectively, a director, executive officer, officer, employee, trustee or agent of another Company, partnership, joint venture, trust or other enterprise.

(5) References to “*other enterprises*” shall include employee benefit plans; references to “*finances*” shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to “serving at the request of the Company” shall include any service as a director, officer, employee or agent of the Company which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “not opposed to the best interests of the Company” as referred to in this Bylaw.

ARTICLE XII

(a) **Notice to Stockholders.** Written notice to stockholders of stockholder meetings shall be given as provided in Section 7 herein. Without limiting the manner by which notice may otherwise be given effectively to stockholders under any agreement or contract with such stockholder, and except as otherwise required by law, written notice to stockholders for purposes other than stockholder meetings may be sent by United States mail or nationally recognized overnight courier, or by facsimile, telegraph or telex or by electronic mail or other electronic means.

(b) **Notice to Directors.** Any notice required to be given to any director may be given by the method stated in subsection (a), or as provided for in Section 21 of these Bylaws. If such notice is not delivered personally, it shall be sent to such address as such director shall have filed in writing with the Secretary, or, in the absence of such filing, to the last known post office address of such director.

(c) **Affidavit of Mailing.** An affidavit of mailing, executed by a duly authorized and competent employee of the Company or its transfer agent appointed with respect to the class of stock affected or other agent, specifying the name and address or the names and addresses of the stockholder or stockholders, or director or directors, to whom any such notice or notices was or were given, and the time and method of giving the same, shall in the absence of fraud, be prima facie evidence of the facts therein contained.

(d) **Methods of Notice.** It shall not be necessary that the same method of giving notice be employed in respect of all recipients of notice, but one permissible method may be employed in respect of any one or more, and any other permissible method or methods

may be employed in respect of any other or others.

(e) Notice to Person with Whom Communication Is Unlawful.

Whenever notice is required to be given, under any provision of law or of the Restated Articles of Organization or Bylaws of the Company, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting which shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given. In the event that the action taken by the Company is such as to require the filing of a certificate under any provision of the MBCA, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

(f) Notice to Stockholders Sharing an Address.

Except as otherwise prohibited under MBCA, any notice given under the provisions of MBCA, the Restated Articles of Organization or the Bylaws shall be effective if given by a single written notice to stockholders who share an address if consented to by the stockholders at that address to whom such notice is given. Such consent shall have been deemed to have been given if such stockholder fails to object in writing to the Company within 60 days of having been given notice by the Company of its intention to send the single notice. Any consent shall be revocable by the stockholder by written notice to the Company.

ARTICLE XIII

AMENDMENTS

Section 47. Amendments. Unless otherwise provided in the Restated Articles of Organization, the Board is expressly empowered to adopt, amend or repeal Bylaws of the Company. The stockholders shall also have power to adopt, amend or repeal the Bylaws of the Company; *provided, however*, that, in addition to any vote of the holders of any class or series of stock of the Company required by law or by the Restated Articles of Organization, such action by stockholders shall require the affirmative vote of the holders of at least a majority of the voting power of all of the then-outstanding shares of the capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class.

In the event of a gift, property settlement or other Transfer in which the proposed transferee is not paying the full price for the shares, and that is not otherwise exempted from the provisions of this Section 48, the price shall be deemed to be the fair market value of the stock at such time as determined in good faith by the Board. In the event the Company elects to purchase all of the shares or, with consent of the stockholder, a lesser portion of the shares, it shall give written notice to the transferring stockholder of its election and settlement for said shares shall be made as provided below in paragraph (d).

(d) In the event the Company and/or its assignee(s) elect to acquire any of the shares of the transferring stockholder as specified in said transferring stockholder's notice, the Secretary of the Company shall so notify the transferring stockholder and settlement thereof shall be made in cash within thirty (30) days after the Secretary of the Company receives said transferring stockholder's notice; provided that if the terms of payment set forth in said transferring stockholder's notice were other than cash against delivery, the Company and/or its assignee(s) shall pay for said shares on the same terms and conditions set forth in said transferring stockholder's notice.

(e) In the event the Company and/or its assignees(s) do not elect to acquire all of the shares specified in the transferring stockholder's notice, said transferring stockholder may, subject to the Company's approval and all other restrictions on Transfer located in Section 38 hereof, within the sixty-day period following the expiration or waiver of the option rights granted to the Company and/or its assignees(s) herein, Transfer the shares specified in said transferring stockholder's notice which were not acquired by the Company and/or its assignees(s) as specified in said transferring stockholder's notice. All shares so sold by said transferring stockholder shall continue to be subject to the provisions of this bylaw in the same manner as before said Transfer.

(f) Anything to the contrary contained herein notwithstanding, the provisions of this Section XIV shall not apply to Permitted Transfers.

(g) The provisions of this bylaw may be waived with respect to any Transfer either by the Company, upon duly authorized action of its Board, or by the stockholders, upon the express written consent of the owners of a majority of the voting power of the Company (excluding the votes represented by those shares to be transferred by the transferring stockholder). This bylaw may be amended or repealed either by a duly authorized action of the Board or by the stockholders, upon the express written consent of the owners of a majority of the voting power of the Company.

(h) Any Transfer, or purported Transfer, of securities of the Company shall be null and void unless the terms, conditions, and provisions of this bylaw are strictly observed and followed.

(i) The foregoing right of first refusal shall terminate upon the date securities of the Company are first offered to the public pursuant to a registration statement filed with, and declared effective by, the United States Securities and Exchange Commission under the Securities Act of 1933, as amended.

(j) The certificates representing shares of stock of the Company shall bear on their face the following legend so long as the foregoing right of first refusal remains in effect:

The loan, guarantee or other assistance may be with or without interest and may be unsecured, or secured in such manner as the Board shall approve, including, without limitation, a pledge of shares of stock of the Company. Nothing in these Bylaws shall be deemed to deny, limit or restrict the powers of guaranty or warranty of the Company at common law or under any statute.

Executive Summary

This Business Plan relates to Silver Therapeutics Inc.'s ("STI") plan to open a Marijuana Retailer, Marijuana Cultivation Facility and Marijuana Manufacturing Facility pursuant to the State of Massachusetts' Adult-Use of Marijuana laws.

STI's proposed storefront retail location is at 238 Main Street in Williamstown, MA (the "238 Main St."). STI has leased 238 Main St. for up to 10 years, pursuant to a renewable lease. 238 Main St. matches the ideal picture of a community dispensary store. Before taking over the facility, it was used as a retail shop and remains in good condition. STI will be launching with just one dispensary in Williamstown, but we have plans to open other locations. More specifically, STI has entered into an option to

lease a 40,000 square foot warehouse facility and a 2,000 storefront in Orange, MA.

STI's 40,000 square foot warehouse is located at 158 Gov. Dukakis Blvd in Orange. STI will use this facility for the cultivation of marijuana and the processing and manufacturing of marijuana infused produces.

STI has obtained a Preliminary Certificate of Registration to Operate an RMD using the 238 Main St. as its dispensary, and its Orange warehouse facility as its cultivation center. Once the cultivation center becomes operational, STI will be eligible to begin sales of medical marijuana at it's 238 Main St. dispensary. However, this business plan addresses only STI's immediate plans to open a Marijuana Retailer for Adult-Use Marijuana.

238 Main St. will operate from 10am to 8pm 7 days a week as a Marijuana Retailer. Our work force will be trained to operate within the framework of our company's corporate culture and also to meet the needs of all our customers.

STI will ensure that all our customers are provided with compassionate treatment whenever they visit our store. We have a CRM software that will enable us manage one on one relationships with our customers no matter how large the number of our customer base grows. In regards to the products we offer, we will ensure that we educate our customers and suggest the best product/s relative to their symptoms. We will additionally ask for customer input in future business decisions.

Silver Therapeutics is owned and managed by Joshua Silver (CEO), Joshua Ferranto (COO), and Brendan McKee (CFO).

Our Products

Aside from the dispensary of medical marijuana flower, Silver Therapeutics will retail a wide range of marijuana infused products, i.e. edibles, distillates, concentrates, oils, and topical creams. We have letters-of-intent in place with existin Massachusetts marijuana cultivators to wholesale purchase a wide range of medical marijuana products to be sold in the first

few months of operation. We will only enter into agreements for the wholesale purchase of marijuana from licensed cultivators.

Our Vision Statement

Our vision is to provide the highest quality marijuana products for our patients and serve the communities we operate in.

Our Mission Statement

Our mission is to establish a premier Marijuana Retailer that that will sell only the highest quality marijuana and marijuana infused products made available a at affordable prices to the residents of Williamstown and surrounding areas.

Business Structure

STI is a business that will be built on a solid foundation of compassion and ethics. From the outset, we have decided to recruit only qualified people to take on the various job positions in our organization. We will, of course, operate within the rules and regulations set forth by the CCC and DPH, as the case may be. We are recruiting experienced and qualified employees to be the foundational staff of the organization. We hope to leverage on their expertise to build our business and brand as the premiere medical marijuana dispensary in the area.

When hiring, we will look for applicants that are not just qualified and experienced, but honest, customer centric and willing to learn. Our team will help us build a prosperous business that will benefit all stake holders (the owners, workforce, and customers). We are considering a profit-sharing arrangement that will be made available to all of our management team. It will be performance based for a period of three years or more.

Market Analysis

Market Trends

Cannabis industry analysts see major potential for the Massachusetts marijuana market. Legal pot sales, which are expected to begin this July, are projected to reach \$1.2 billion statewide by 2021, bringing in approximately \$240 million in state and local tax revenue, according to multiple analyses.

New Frontier Data, a cannabis industry analytics firm based in Washington, D.C., forecasts \$450 million in Massachusetts marijuana sales in 2018, with sales figures gradually climbing each year as the fledgling industry gains traction. Under that projection, legal pot sales in Massachusetts would generate \$90 million in taxes the first year.

The Department of Revenue issued an analysis in March of 2017 examining potential sales and tax revenue scenarios, including potential outcomes under the effective 12 percent tax rate that was still on the table at that time. Under the 12 percent tax, the DOR projected first year sales could range from \$375 million to \$696 million, and by fiscal 2020 would reach a range of \$747 million to \$1.38 billion.

The March 9th analysis did not include projections under a 20 percent effective tax rate, but forecast that under a rate of 22 percent, fiscal 2020 cannabis sales would be approximately \$1 billion, with a projected low of \$716 million and a high of \$1.33 billion.

Tom Adams, of ArcView Market Research, said that in addition to seeing \$1.2 billion in sales by 2021, his organization projects that the legal cannabis industry will generate \$2.3 billion in total economic activity in Massachusetts, including nearly 17,400 pot industry jobs statewide.

The industry will continue to grow and become more profitable due to the aging baby-boomer generation in the United States which is projected to drive increasing demand for medical marijuana and prescription drugs.

Existing medical marijuana dispensary stores are now making use of technology to effectively manage their business by plugging financial leakages which happens to be one of the biggest challenges that retail businesses face. The use of technology, i.e. CRM software is very effective in helping retail businesses manage their clientele base.

Our Target Market

It should come as no surprise that the majority of respondents are between the ages of 21-35. What is significant is that a combined 32.52% of adults 45 years or older consume Cannabis. This signifies that Cannabis consumers are professional adults and not those types that are stereotypically portrayed as misguided and unmotivated young adults. When adding in the 36-45 year old group, a total of 58.27% of cannabis consumers are in the age group of professional adults. Another important thing to consider is that baby boomers, those born between 1946 and 1964, are reaching retirement and by 2030, all of them will be over the age of 65. According to analysts, combined, people between the ages of 46 – 65 make up 28.76% of Cannabis consumers. Our Competitive Advantage

In every business there is competition, however, we believe we possess several strengths that will allow us to be successful in Williamstown, MA.

In this industry, the competitive dynamics center around the quality of cannabis dispensed, the service offered, the location, discounts offered for the products, and the branding, as this plays a significant role in positive perception.

It is through our customer service that we can secure a fair share of the available market. We will ensure that all patients are educated, and that each order is properly dispensed under the State's guidelines with informational printouts. The printouts accompanying the medications will provide directions on how patients can safely and effectively consume as well as other useful information relevant to how they can treat their symptoms.

Silver Therapeutics is entering into the market prepared to favorably compete in the industry. Our store is well positioned and visible. We have plenty of parking available with qualified security. Our management staff is well groomed in retail/hospitality and all our employees will be trained to provide customized customer service to all of our clients.

Marketing

The marketing and sales strategy of STI will be based on generating long-term personalized relationships with customers. We will ensure that we offer the highest quality product at fair pricing.

All of our employees will be well trained and equipped to provide excellent and knowledgeable customer service. We know that if we are consistent with offering high quality medical marijuana and excellent customer service, we will consistently increase our customer base.

Before choosing a location for our medical marijuana dispensary store, we conducted a thorough market survey and feasibility studies confirming the

ability for us to penetrate the available market and become the preferred market choice.

We have hired experts who have a solid understanding of the retail industry to help us develop marketing strategies that will allow us to achieve our business goal of winning a larger percentage of the available market in Williamstown. Hiring these groups in marketing and data management is a wise investment that will guarantee a large return within a short period of time.

In summary, STI will adopt the following informational and marketing approach to communicate with the community we will serve;

- Introduce our business by offering informational sessions to residents, business owners and organizations
- Responsibly advertise our business where permitted
- Engage in email segmentation and marketing with our customers
- Encourage and leverage word of mouth marketing (referrals)

Publicity and Advertising Strategy

Although 238 Main St. has a highly visible storefront, we will constantly attempt to intensify public awareness for our business within the guidelines for advertising set forth by the State regulatory agencies. We are going to explore all available conventional and non – conventional means to promote our retail business.

STI has a one-year plan of opening two other retail locations in Massachusetts. We will build our brand and expect to be well accepted in Williamstown prior to opening in other locations. Our publicity and advertising strategy is to responsibly and effectively communicate our brand to the general public.

Below are the platforms we intend to leverage in order to promote and advertise STI;

- Place adverts on both print (community based newspapers and magazines) and electronic media platforms

- Sponsor relevant community programs
- Leverage social media platforms like; Instagram, Facebook , twitter, YouTube, Google +

Our Pricing Strategy

It would be short-sighted to fix pricing without first determining other factors that surround costing. This is one of the reasons why we will work towards ensuring that all our products are offered at highly competitive prices compared to what is obtainable in the market area.

Although we may offer our products at lower prices than our competitors does not in any way mean that we will sell sub – standard products. Selling our products at a lower price than what is obtainable in our competitors' stores means that we will only reduce our profit margin and gain sales margin.

Growth

It is the wish of any business to become so successful that there is a good succession plan to act upon. More often than not, having a good succession plan will help you know the direction your business is headed. As such, the future of a business lies in the number of loyal customers, the capacity and competence of the employees, their investment strategy, and the business structure.

One of our major goals in starting STI is to build a business that will survive off its own cash flow without the need for injecting finances from external sources once the business is officially up and running. We know that one of the ways of gaining approval and winning customers over is to sell our product cheaper than what is currently obtainable in the market. We are well prepared to survive on lower than normal profit margins.

STI will implement the correct foundation, structures, and processes to ensure that our staff is well taken of. Our company's corporate culture is designed to drive our business to greater heights and training and re – training of our workforce is a top priority. A profit-sharing arrangement will be made available to all our management staff and it will be based on their performance for a period of three years or more. We know that with this policy, we will be able to successfully hire and retain the best team we can get in the industry; they will be more committed to help us build a sustainable business.

Financial Projections

Leadership Ratings

The CCC has established four Leadership Rating Categories that Marijuana Businesses may earn by meeting certain goals. These categories are (a) Social Justice Leader (b) Local Employment Leader (c) Energy and Environmental Leader and (d) Compliance Leader. We believe that achieving Leadership Ratings in all of these categories are important goals as a corporate citizen, and also that it makes good business sense to do so, since Marijuana Establishments that have earned Leadership Ratings, may use special symbols on their packaging that advertises their enhanced credentials. ST believes that informed consumers will be more likely to consider buying products that have such markings on their packaging. ST's plan to achieve Leadership Ratings are as follows:

a. Social Justice Leader

If certain financial milestones are met, ST will set aside 1% of its annual revenue for the CCC's Social Equity Training and Technical Assistance Fund and will conduct conducted 50 hours of educational seminars targeted to residents of areas of disproportionate impact in one or more of

the following: marijuana cultivation, marijuana product manufacturing, marijuana retailing, or marijuana business training.

b. Local Employment Leader

ST may become a Local Employment Leader by hiring Massachusetts residents as 51% of its employees and executives. ST will focus all recruitment efforts to the Williamstown Area for staffing of 238 Main St., which will likely result in receiving applications from Massachusetts residents.

Currently, of the three executives at ST, only Brendan McKee is a Massachusetts Resident. However, Joshua Ferranto intends to move to Massachusetts to manage a future cultivation facility owned by ST, thus bringing the executive residency rate to 66.6%.

c. Energy and Environmental Leader

ST may become an Energy and Environmental Leader by meet or exceeded its energy and environmental impact goals for its registration period; complying with best management practices for energy use, waste disposal and environmental impact; using renewable energy credits and labeling all products as being produced using 100% renewable energy.

ST will work with its builder and design team during the fit out of 238 Main St. to make sure that it is constructed with these goals in mind. ST will adopt standard operating procedures that comply with best management practices for energy use, waste disposal and environmental impact. ST will also make inquiry as to the availability of renewable energy credits to off-set its electrical usage.

d. Compliance Leader

ST may become a compliance leader by insuring that all employees complete all phases of training within 90 days of being hired and by operating within all CCC regulations at all times. ST will achieve this by adopting standard operating procedures require timely training. CEO,

Joshua Silver will be the person responsible for insuring compliance with all CCC regulations.
