Town of Williamstown Municipal Vulnerability Preparedness & Hazard Mitigation Planning PUBLIC LISTENING SESSION at Municipal Building, 31 North Street

On Thursday, June 7, 2018 at 6 PM, Williamstown residents are invited to a **PUBLIC LISTENING SESSION** at the Municipal Building, 31 North Street, on the results of the Municipal Vulnerability Preparedness & Hazard Mitigation Planning effort that has been underway for the past several months.

The Williamstown Municipal Vulnerability Preparedness Team has been working with the Berkshire Regional Planning Commission to identify the top weather or natural hazards, such as flood, power outage, severe weather, etc., that pose a threat to life, property and the natural environment in Town. The MVP Team has developed a suggested list of priorities and strategies for minimizing or addressing those threats from severe weather, over the short and long-term.

The public is invited to review the findings and make comments on the identified hazards and proposed mitigation measures for each.

Creating a Municipal Vulnerability Preparedness & Hazard Mitigation plan is required by the state and federal governments. An approved plan keeps the Town eligible to apply for funding for hazard mitigation measures. 06/03/18

Canna Corner
2325 Main Street Becket MA 01223

Positive Impact Plan

Spencer House, d/b/a Canna Corner is a woman owned business with the sole owner being Heather Anello. It will be the first of its kind in Massachusetts, as a small convenience establishment selling only finished product marijuana in a rural area affected by marijuana prohibition.

Canna Corner acknowledges, is aware of, and will adhere to the requirements set forth in 935 CMR 500.105 (4) which provide that the permitted and prohibited advertising Branding Marketing, and sponsorship practices of every marijuana establishment.

Any action taken, or programs instituted by Canna Corner will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

Upon annual renewal of Canna Corner's license Canna Corner will evaluate and make readily available to the commission any and all information collected by Canna Corner's staff through our goals, programs and measurements.

Goal #1

To reduce barriers in our small, rural community and modestly introduce the commercial adult use of cannabis in a less intimidating, small environment for those and their families who have been affected by marijuana prohibition and/or residents with past drug convictions.

Program - Canna Corner will implement safe and clean sales practices in compliance with the requirements set forth in 935 CMR 500.105 (4) to gain the trust of community members negatively impacted by marijuana prohibition or previous drug convictions by inviting consumers and non-consumers alike to visit our establishment and get one-on-one mentorship in regard to safe, legal practices of adult-use marijuana, with priority given to individuals with past drug convictions.

We shall advertise quarterly with the Berkshire Eagle and schedule one-on-one appointments for these free educational sessions. We hope to have several people respond to these advertisements and our goal is to do at least four (4) and up to ten (10) mentorship sessions per quarter.

During these mentoring sessions, individuals will learn about different strains and effects of cannabis products, as well as edibles. Additionally, we will mentor individuals on best practices if they become too high or are with someone who becomes too high. We will also

educate individuals about terpenes, cannabinoids, potency and tolerance, signs of substance abuse, and substance abuse help, including hotlines, pamphlets, and other educational materials.

Measurements - Canna Corner will provide a link to our website asking for local feedback on the progress of reducing the stigma surrounding adult use recreational marijuana and rate their experience with our staff on a 1-10 scale. This will be reviewed monthly for improvement and measured for its effectiveness. Canna Corner's sole owner is committed to working one-on-one with residents of Pittsfield and the surrounding smaller towns who have been negatively impacted by marijuana prohibition.

Goal #2

To provide assistance to Becket Police Departments, including assistance with delivering information on the legal use and benefits of recreational adult-use marijuana. We will focus these efforts on our customers and their families who have been negatively impacted by past drug convictions or marijuana prohibition. **See Exhibit A1** attached letter from the Becket Police Dept.

Program – We will provide monetary donations, professional services and/or volunteer opportunities with the police department. We will donate \$500 per year to the Becket Police Department annual town holiday party for kids, along with providing at least one volunteer at the police department's annual fundraiser, known as cops and rodders.

Each employee of Canna Corner will be expected to volunteer a minimum of 5 hours a year with the Becket Police Department.

We will also conduct annual briefings with the local police chief regarding the effects of our efforts and how we can be of further or improved assistance.

Measurements - Canna Corner will record the monetary value of our contributions to the police department and track the number of hours spent volunteering by Canna Corner employees. These measurements will be reviewed annually with the goal to increase contributions and volunteer hours based on our overall success.

Such reimbursement shall be treated as an expense of the Company that shall be deducted in computing the Net Distributable Cash and shall not be deemed to constitute a distributive share of Profits or a distribution or return of capital to any Member.

3.5 Meetings of the Members; Action Without a Meeting.

3.5.1 All meetings of Members shall be held at such place within or without the Commonwealth of Massachusetts as may be designated from time to time by the Members or, if not so designated, at the principal office of the Company. Meetings of the Members may be called at any time by any Member or the Manager. An annual meeting of the Members for the purpose of reviewing the annual report of the Company and the transaction of such other business as may properly come before the meeting may be held on a date and at a time and place determined by the Manager. Each meeting of the Members shall be presided over by the Manager.

3.5.2 Notice of each meeting shall be given at least seven days before the meeting and shall be either mailed to each Member addressed to the addresses set forth on Schedule A, given to each Member in person or by telephone, or sent by

telegraph or facsimile transmission, and in all cases with a copy sent by electronic mail, to such Member's address set forth on Schedule A or usual place of business. Notice of any adjourned meeting need not be given other than by announcement at the meeting at which the adjournment shall be taken. Notice need not be given to any Member who signs a written waiver of notice before or after the meeting or who attends the meeting without protesting the lack of notice to him, either before the meeting or when it begins. The notice of a meeting shall state the place, date and hour of the meeting and the purpose or purposes for which the meeting is called.

3.5.3 Any Member may authorize any Person to act for him by proxy on all matters in which a Member is entitled to participate, including waiving notice of any meeting, or voting or participating at a meeting. Every proxy must be signed by the Member or the Member's attorney-in-fact.

3.5.4 A quorum for the conduct of any business requires the presence in person or by proxy of Members holding more than a majority of the Membership Interests. Members may participate in a meeting by means of a conference telephone or similar equipment that allows all persons participating in the meeting to hear each other, and participation by such means shall constitute presence in person at such meeting.

3.5.5 Except as otherwise provided by law or this Agreement, any action to be taken by the Members at a meeting shall be authorized by vote of Members holding at least fifty-one percent of the total Membership Interests belonging to the Members participating in person, by telephone, by proxy, or by prior written vote in a duly noticed meeting at which there is a quorum present.

3.5.6 Any action required or permitted to be taken by the Members may be taken without a meeting if one or more written consents to such action shall be signed by Members holding a majority of the Membership Interests or such greater percentage of the Membership Interests as may be required by law or this Agreement in order to approve the action in question. Such written consents shall be delivered to the Manager at the principal office of the Company and, unless otherwise specified, shall be effective on the date when the first consent is so delivered.

3.6 Limitation of Duties and Liabilities of Members. Except as otherwise provided in the Act, no Member shall (a) be obligated personally for any debt, obligation or liability of the Company, whether arising in contract, tort or otherwise, solely by reason of being a Member of the Company, (b) be obligated to restore a deficit balance, if any, in the Member's Capital Account or (c) be liable to the Company for damages resulting from an action taken in the reasonable belief that such action is authorized by the provisions of this Agreement. The failure of the Company to observe any formalities or requirements relating to the exercise of its powers or the management of its business or affairs under this Agreement or the Act shall not be

grounds for making any Member responsible for the liabilities of the Company. The Members shall have no obligation to contribute to the day-to-day operations of the Company.

3.7 No Right to Withdraw. No Member shall have any right to resign as a Member except in the case of an assignment of such Member's entire Interest to either (i) the Manager; or (ii) a Person approved as a Substitute Member pursuant to Section 10.3. No Member shall have any right to receive the fair value of his Interest upon the resignation or withdrawal of such Member from the Company.

3.8 Partition. Each Member hereby waives any and all rights that he may have to partition, or maintain an action for partition of the Company's property.

3.9 Approval of Specific Actions by Members. Notwithstanding any other provision of this Agreement, the following specific actions shall require the approval of the Members:

3.9.1 This Agreement may not be amended except upon approval by vote of Members holding at least seventy-five percent of the total Membership Interests. Any amendment of this Agreement approved by this process shall be binding upon all parties to this Agreement with the same force and effect as if executed by all parties to this Agreement; provided, however, that without the approval of the Members, the Manager may amend this Agreement to (i) reflect changes made in the membership of the Company and in the contributions of the Members to the Company in accordance with the terms of this Agreement (ii) correct typographical or other errors or omissions, or (iii) make similar minor changes or conform this Agreement to law. All amendments made in accordance with this Section 3.9.1 shall be evidenced by a writing executed by any Manager, and a copy of such written amendment shall be kept at the office of the Company. Notwithstanding the foregoing, this Agreement shall be amended from time to time in each and every manner to comply with the then existing requirements of the Code, Regulations and rulings of the IRS affecting the status of the Company as a partnership for Federal income tax purposes, and no amendment shall be proposed which will directly or indirectly affect or jeopardize the then status of the Company as a partnership for Federal income tax purposes.

3.9.2 The following matters shall require approval by Unanimous Written Consent of the Members (excluding those members not eligible to vote on a matter, provided a majority must be eligible to vote):

(i) causing or permitting the Company to sell or otherwise Transfer (A) all or substantially all of its assets or (B) any asset, or group of related assets, other than in the ordinary course of business; or

(ii) causing or permitting the Company to enter into or engage in any transaction, contract, agreement or arrangement that (A) is unrelated to the Company's purposes, (B) otherwise contravenes the Certificate or this Agreement, (C) would make it impossible to carry on the ordinary business of the Company, or (D) is not directly related to the carrying on of the business of the Company in the usual way.

ARTICLE IV CAPITAL ACCOUNTS AND CAPITAL CONTRIBUTIONS

4.1 Separate Capital Accounts. The Company shall maintain a separate Capital Account for each Member in accordance with the Regulations promulgated under Section 704(b) of the Code.

4.2 Initial Capital Contribution. Each Member has contributed in cash, property or services rendered to the capital of the Company the amount set forth opposite such Member's name on Schedule A hereto. Additional capital contributions may be made by any Member only if agreed to by the Manager and shall be reflected on Schedule A hereto.

4.3 No Third Party Rights. The provisions of this Article 4 are not for the benefit of any creditor or other person other than a Member to whom any debts, liabilities or obligations are owed by, or who otherwise has any claim against, the Company or any Member, and no creditor or other person shall obtain any rights under, or by reason of, this Article 4, or shall be able to make any claim in respect of any debts, liabilities or obligations against the Company or any Member.

4.4 Member's Interest as Personal Property. A Member's Interest shall for all purposes be personal property. A Member shall have no interest in specific LLC property. A Member's Interest shall not be evidenced by a certificate or instrument.

4.5 Non-Cash Contributions. The Members shall agree in writing as to the value of any property other than cash contributed to the Company prior to contribution.

ARTICLE V PROFITS AND LOSSES

5.1 Net Profits, Net Losses, and Net Cash Flow. The net profits, net losses, and net cash flow of the Company shall be allocated among the Members as set forth on Schedule A hereto ("Percentage Interest").

5.2 Timing of Allocation. Allocations of profits and loss provided for in this Article 5 shall generally be made as of the end of the fiscal year of the Company.

5.3 Allocation of Net Taxable Income. Net profits and net losses shall, for both accounting and tax purposes, be net profits and net losses as determined for reporting of the Company's federal income tax return. For tax purposes, all items of depreciation, gain, loss, deduction or credit shall be determined in accordance with the Code and, except to the extent otherwise required by the Code, allocated to and among the Members in the same percentages in which the Members share in net profits and net losses.

5.4 Regulatory Allocations. Notwithstanding any other provision in this Article 5 to the contrary, in order to comply with the rules set forth in the Regulations for (i) allocations of income, gain, loss and deductions attributable to nonrecourse liabilities, and (ii) partnership allocations where partners are not liable to restore deficit capital accounts, the following rules shall apply:

5.4.1 "Partner nonrecourse deductions" as described and defined in Section 1.704-2 of the Regulations attributable to a particular "partner nonrecourse liability" (as defined in Section 1.704-2(b)(4); for example, a liability of the Company which one or more Members have guaranteed) shall be allocated among the Members in the ratio in which the Members bear the economic risk of loss with respect to such liability;

5.4.2 Items of Company gross income and gain shall be allocated among the Members to the extent necessary to comply with the minimum gain chargeback rules for nonrecourse liabilities set forth in Sections 1.704-2(1) and 1.704-2(i)(4) of the Regulations; and

5.4.3 Items of Company gross income and gain shall be allocated among the Members to the extent necessary to comply with the qualified income offset provisions set forth in Section 1.704-1(b)(2)(ii)(d) of the Regulations, relating to unexpected deficit capital account balances (after taking into account (a) all capital account adjustments prescribed in Section 1.704-1(b)(2)(ii)(d) of the Regulations and (b) each Member's share, if any, of the Company's partnership minimum gain and partner nonrecourse minimum gain as provided in Sections 1.704-2(g)(1) and 1.704-2(i)(5) of the Regulations). Since the allocations set forth in this Section 5.6 (the "Regulatory Allocations") may effect results not consistent with the manner in which the Members intend to divide LLC distributions, the Manager shall be authorized to divide other allocations of Profits, Losses and other items among the Members so as to prevent the Regulatory Allocations from distorting the manner in which distributions would be divided among the Members under Section 6.1 but for application of the Regulatory Allocations. The Manager shall have discretion to accomplish this result in any reasonable manner that is consistent with Section 704 of the Code and the

Regulations thereunder. The Manager may make any election permitted by the Regulations under Section 704 of the Code that may reduce or eliminate any Regulatory Allocation that would otherwise be required.

5.5 Tax Conformity; Reliance on Attorneys or Accountants. The determination of each Member's share of each item of income, gain, loss, deduction or credit of the Company for any period or fiscal year shall, for purposes of Sections 702 and 704 of the Code, be made in accordance with the allocations set forth in this Article 5. The Manager shall have no liability to the Members or the Company if the Manager shall rely upon the opinion of tax counsel or accountants retained by the Company with respect to all matters (including disputes) relating to computations and determinations required to be made under this Article 5 or other provisions of this Agreement:

(a) If in any year there is a net decrease in the amount of Minimum Gain attributable to either (i) Nonrecourse Debt that is not Partner Nonrecourse Debt or (ii) Partner Nonrecourse Debt, then each Member shall first be allocated items of Gross Income for such year (and, if necessary, subsequent years) in an amount equal to such Member's share of the net decrease in such Minimum Gain (determined in accordance with Treasury Regulation Sections 1.704-2(g)(2) and 1.704-2(i)(5)) to the minimum extent required by, and in the manner specified in, Treasury Regulation Sections 1.704-2(f) and 1.704-2(i)(4).

(b) All Nonrecourse Deductions of the Company for any year other than Nonrecourse Deductions attributable to Partner Nonrecourse Debt shall be allocated to the Members in accordance with their Sharing Ratios.

(c) All Nonrecourse Deductions of the Company for any year attributable to Partner Nonrecourse Debt shall be allocated to the Member who bears the Economic Risk of Loss with respect to the debt.

ARTICLE VI APPLICATION OF FUNDS OF THE COMPANY

6.1 Distributions to Members. Except as provided in Articles 5 and Section 11.3, Net Distributable Cash shall be distributed from time to time to the Members in accordance with their respective Membership Interests.

6.2 Distribution of Assets in Kind. No Member shall have the right to require any distribution of any assets of the Company in kind. If any assets of the Company shall be distributed in kind, such assets shall be distributed on the basis of their fair market value as determined by the Manager.

6.3 Repayment of Advances. If any Member, with the approval of the Company, has made, or shall make, advances to the Company for the payment of expenses related to the business of the Company, such Member shall have the right to repayment of such advances, plus accrued interest, if any, in accordance with a schedule determined by the Members prior to any distribution of Net Distributable Cash to the Members. Unless the Company and the Member shall agree in writing prior to or at the time of the advance on whether interest shall accrue and at what rate, no interest shall accrue on that advance.

6.4 Company's Right to Offset. Except with respect to distributions made pursuant to Section 5.3, whenever the Company is required to make a distribution to a Member, the Company shall have the right to deduct any amount such Member shall owe to the Company from the amount of such distribution.

ARTICLE VII TAX ELECTIONS

7.1 Taxation as Partnership. The Company shall be treated as Partnership for Federal income tax purposes.

7.2 Elections Made by the Manager. All elections by the Company for Federal income tax or other tax purposes shall be determined by the Manager.

7.3 Tax Matters Partner. The Manager shall designate one Member to act as the "tax matters partner" as that term is defined in Section 6231 (a)(7) of the Code (the "Tax Matters Partner").

7.4 Right to Make Section 754 Election. The Tax Matters Partner may, with the approval of the Members, make or revoke, on behalf of the Company, an election in accordance with Section 754 of the Code, so as to adjust the basis of LLC property in the case of a distribution of property within the meaning of Section 734 of the Code, and in the case of a transfer of an LLC interest within the meaning of Section 743 of the Code. Each Member shall, upon request of the Tax Matters Partner, supply the information necessary to give effect to such an election.

ARTICLE VIII MANAGEMENT

8.1 Manager. The Company shall be managed by one or more Managers, who shall be collectively referred to herein as the "Manager," who shall have full, complete and exclusive power, authority, and discretion with respect to the management of the business, affairs and properties of the Company. All powers of the Company shall be exercised by or under the authority of the Manager, except as otherwise set forth herein. The initial Manager of the Company shall be Heather

Anello. A Substitute Manager may replace Heather Anello pursuant to Section 8.6, in which case the Substitute Manager shall have all the authority and powers of the Manager set forth herein.

8.2 Specific Powers of Manager. In furtherance of this authority, the Manager shall have, subject to the Required Approvals, all right, power and authority necessary, appropriate, desirable or incidental to carry out the conduct of the business of the Company, including, but not limited to, the right, power and authority to, in the ordinary course of business:

8.2.1 Enter into, execute, modify, amend, supplement, acknowledge, deliver, perform and carry out contracts of any kind;

8.2.2 Acquire, purchase or contract to purchase, or sell or contract to sell, or to lease or hire any property, real or personal, including interests in general and limited partnerships, limited liability companies and other entities, and to pay the purchase price or make the capital contribution required therefor;

8.2.3 Sell, transfer, assign, finance, convey, lease, mortgage, exchange or otherwise dispose of all or any portion of the Property of the Company, or any interest therein, at any time upon such terms as the Manager shall determine;

8.2.4 Construct, develop, renovate, rehabilitate, operate, purchase, maintain, improve, expand or own any real or personal property;

8.2.5 Borrow money and issue evidences of indebtedness and secure the same by mortgage, pledge, or other lien on the assets of the Company, and guarantee the debt of others and secure the same as aforesaid;

8.2.6 Prepay in whole or in part, refinance, increase, modify, or extend any debt or any mortgage securing the same;

8.2.7 Employ and dismiss from employment any and all employees, officers, agents, managers, independent contractors, advisors, consultants, appraisers, attorneys and accountants, on such terms and for such fees, expenses, salaries, wages or other compensation as the Manager shall determine, and to delegate to such Persons such authority to act on behalf of the Company and such duties and functions as the Manager shall determine, including such duties as would normally be delegated to officers of a corporation holding similar offices;

8.2.8 Incur and pay all costs, expenses and expenditures incurred in the course of the conduct of the business of the Company, including the payment of all taxes, charges and assessments that may be levied, assessed or imposed on any of the Property of the Company;

8.2.9 Invest funds which, in the judgment of the Manager, are not immediately required for the conduct of the business of the Company, in such investments as may be selected by the Manager; which investments may include loans to individuals, corporations, partnerships or other entities affiliated with the Company or the Members;

8.2.10 Pay, extend, renew, modify, submit to arbitration, prosecute, defend or compromise, upon such terms as the Manager shall determine proper and upon any evidence as they may deem sufficient, any obligation, suit, liability, cause of action or claim, either in favor of or against the Company, and adjust, compromise, settle or refer to arbitration any claim in favor of or against the Company or any of its assets;

8.2.11 Make elections in connection with the preparation of any Federal, state and local tax returns of the Company;

8.2.12 Acquire and enter into any contract of insurance necessary or proper for the protection of the Company, any Member or Manager, and the Manager shall ensure that the Company shall have in place at all times policies of general liability insurance and directors and officers insurance with such coverage and at such levels as the Members shall determine is appropriate;

8.2.13 Execute, acknowledge, deliver, modify or amend any and all instruments to effectuate any and all of the foregoing; and

8.2.14 Perform any other act which the Manager shall deem necessary or desirable for the Company or its business.

8.3 Binding the Company. Any action taken by a Manager as Manager of the Company shall bind the Company and shall be deemed to be the action of the Company. Except as otherwise specifically set forth in this Agreement, the signature of the Manager on any agreement, contract, instrument or other document shall be sufficient to bind the Company in respect thereof and shall conclusively evidence the authority of such Manager and the Company with respect thereto, and no third party need look to any other evidence or require joinder or consent of any other party.

8.4 Reimbursement. The Company shall reimburse the Manager for all ordinary and necessary out-of-pocket expenses incurred by the Manager on behalf of the Company. Such reimbursement shall be treated as an expense of the Company that shall be deducted in computing the Net Distributable Cash and shall not be deemed to constitute a distributive share of Profits or a distribution or return of capital to any Manager who is also a Member.

8.5 Limitation of Duties and Liabilities of Managers. Except as otherwise provided in the Act, no Manager shall (a) be obligated personally for any debt, obligation or liability of the Company, whether arising in contract, tort or otherwise, solely by reason of being a Manager of the Company, or (b) be liable to the Company or any Member for any acts or omissions performed or omitted in good faith and in a manner reasonably believed by the Manager to be within the scope of the authority conferred by this Agreement and in the best interests of the Company. The failure of the Company to observe any formalities or requirements relating to the exercise of its powers or the management of its business or affairs under this Agreement or the Act shall not be grounds for making any Manager responsible for the liabilities of the Company.

8.6 Resignations and Removal of Managers; Election of Managers.

8.6.1. Resignation and Removal of Managers. Any Manager of the Company may resign at any time by giving notice to the Board. Such resignation shall take effect at the time specified therein or, if such time is not specified therein, then upon receipt thereof, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. Any Manager of the Company may be removed, either with or without cause, at any time by a vote or written consent of the Members holding at least 67% of the Membership Interests.

8.6.2 Election of Managers. In the event of the removal or resignation of any Manager, a Substitute Manager may be elected by a vote or written consent of the Members holding at least 67% of the Membership Interest.

8.7 Action by Written Consent. Any action required or permitted to be taken by the Manager may be taken without a meeting if a written consent to such action shall be signed by the Manager.

8.8 Actions Binding on Members. Decisions and actions of the Manager within the scope of the Manager's authority shall be binding on the Company and each Member. Any action taken by the Company in compliance with the direction of the Manager pursuant to the Manager's authority hereunder shall be binding on the Company and each Member.

8.9 Management Standards. The Manager shall conduct the affairs of the Company in good faith and in a manner designed to further the best interests of the Company. Except in instances of bad faith or willful misconduct, the Manager shall not be liable to the Company or any Member for errors or omissions in the performance of their duties with respect to the Company.

8.10. Outside Business Ventures. Any Member, Manager or affiliate of a Member or Manager may engage in or possess an interest in other business ventures

of any nature or description, independently or with others, and neither the Company nor the Members shall have any rights by virtue of this Agreement in and to such independent ventures or the income or profits derived therefrom, and the pursuit of any such venture shall not be deemed wrongful or improper. No Member, Manager or affiliate of a Member or Manager shall be obligated to present any particular business or investment opportunity to the Company even if such opportunity is of a character that, if presented to the Company, could be taken by the Company, and any Member, Manager or affiliate thereof shall have the right to act on any such business or investment opportunity for his own account (either individually or as a partner or a fiduciary) or to recommend any such business or investment opportunity to others.

8.11. Reliance by Third Parties. Any Person dealing with the Company, other than a Member, may rely on the certificate of any Manager as to the authorization of the Board of any action in taking any action in the name of the Company without inquiry into the provisions of this Agreement or compliance with it, regardless of whether that action actually is taken in accordance with the provisions of this Agreement. Any Manager who shall execute a false certificate shall indemnify and hold harmless the Company and the other Members and Managers for all costs directly or indirectly resulting from the false certificate and any transactions consummated in reliance thereon.

8.12 Bank Accounts. All funds of the Company shall be deposited in such bank account or accounts as shall be designated by the Manager. Withdrawals from any such bank account shall be made upon such signature or signatures as the Manager may designate, and shall be made only for the purposes of the Company.

8.13 Books and Records. The Manager shall keep true, exact and complete books of account in which shall be entered fully and accurately each and every transaction of the Company. The fiscal year and the taxable year of the Company shall be the calendar year. All books of account shall be kept by the Manager at the principal office of the Company and all Members shall have the right to inspect and copy such books at the Member's expense at all reasonable times. An accounting shall be made at the end of each fiscal year and a copy of the accounting report shall be transmitted to each Member.

ARTICLE IX INDEMNIFICATION

9.1 Right to Indemnification. The Company shall indemnify, to the fullest extent permitted by Massachusetts law, each person who is or was a Member or Manager of the Company, each person who is or was serving at the request of the Company as a director, trustee or officer of another organization, and each person who is or was serving at the request of the Company in any capacity with respect to any employee benefit plan, against all liabilities, costs and expenses (including,

without limitation, amounts paid in satisfaction of judgments, in settlement or as fines and penalties, and counsel fees and disbursements reasonably incurred) in connection with the defense or disposition of or otherwise in connection with or resulting from, any pending or threatened action, suit or other proceeding, whether civil, criminal, administrative or investigative, before any court or administrative or legislative or investigative body, in which he may be or may have been involved as a party or otherwise or with which he may be or may have been threatened, while in office or thereafter, by reason of his being or having been such a Member, Manager, director, trustee or officer, or having served in any capacity with respect to any employee benefit plan, or by reason of any action taken or not taken in any such capacity, except with respect to any matter as to which he shall have been finally adjudicated by a court of competent jurisdiction not to have acted in good faith in the reasonable belief that his action was in the best interests of the Company or, to the extent that such matter relates to services with respect to any employee benefit plan, in the best interest of the participants or beneficiaries of such employee benefit plan. Expenses, including, without limitation, counsel fees and disbursements, so incurred by any such person in defending any such action, suit or proceeding may be paid from time to time by the Company in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the person indemnified to repay the amounts so paid if it shall ultimately be determined that indemnification of such expenses is not authorized hereunder, which undertaking may be accepted without reference to the financial ability of such person to make repayment.

9.2 Rights Not Exclusive. The right of indemnification hereby provided shall not be exclusive of or affect any other rights to which any Member, Manager, or any such person serving in any capacity with respect to any employee benefit plan may be entitled or which may lawfully be granted to him.

9.3 Insurance. By action of the Manager, notwithstanding any interest of the Manager in such action, the Company may purchase and maintain insurance, in such amounts as the Members may from time to time deem appropriate, on behalf of any person who is or was a Member or Manager of the Company, or is or was serving at the request of the Company as a director, trustee or officer of another organization or in any capacity with respect to any employee benefit plan, against any liability incurred by him in such capacity, or arising out of his status as such, whether or not the Company would have the power to indemnify him against such liability. The Company may enter into indemnity contracts with such Persons as the Manager shall determine and adopt written procedures for the advancement of expenses and the funding of obligations under Section 9.1 and such other matters regarding indemnification as the Manager shall deem appropriate. The Company shall have in place at all times policies of general liability insurance and directors and officers insurance with such coverage and at such levels as the Members shall determine are appropriate.

9.4 Amendment. No amendment or repeal of any of the provisions of this Article 9 which adversely affects the rights under this Article 9 of a Member or Manager of the Company, a person serving at the request of the Company as a director, trustee or officer of another organization, or any person serving at the request of the Company in any capacity under any employee benefit plan shall apply with respect to such party's acts or omissions that occurred at any time prior to such amendment or repeal, unless such amendment or repeal was voted for or was made with the written consent of such party.

ARTICLE X

TRANSFERABILITY OF INTERESTS; SUBSTITUTE MEMBERS

10.1 Transferability of Interests. No Member may sell, assign, give, pledge, hypothecate, encumber or otherwise transfer, including, without limitation, any assignment to transfer by operation of law or by order of court, such Member's interest in the Company or any part thereof, or in all or any part of the assets of the Company, without the prior written consent of the Manager, and any purported assignment without such consent shall be null and void and of no effect whatsoever.

10.1.2 Permitted Family Transfer. Notwithstanding anything herein to the contrary, any Member shall be entitled to transfer his Units to a trust for the benefit of his spouse or children, subject to the condition that he retain all voting rights of the transferred Units unless transfer of the voting rights shall be permitted by the Manager (each a "Permitted Family Transfer").

10.2 Right of First Refusal. All transfers of Membership Interests shall be subject to a right of first refusal benefitting the Company. Each time a Member (the "Transferring Member") proposes to Transfer all or any part of such Transferring Member's Membership Interest, such Transferring Member shall first offer such Membership Interest to the Company and the other Members (collectively, the "Non-Transferring Members" and individually, a "Non-Transferring Member") in accordance with the following provisions:

10.2.1 The Transferring Member shall deliver a written notice (a "Notice of Proposed Transfer") to the Company and the Non-Transferring Members stating (a) such Member's bona fide intention to Transfer all or a portion of the Transferring Member's Membership Interest, (b) the name and address of the proposed transferee (the "Proposed Transferee"), (c) the portion of the Transferring Member's Membership Interest to be Transferred (the "TM Interest") and (d) the purchase price for which the Transferring Member proposes to Transfer the TM Interest and all other terms and conditions of such proposed bona fide Transfer (collectively, the "Transfer Terms").

10.2.2 The Company shall have the right to elect to purchase the TM Interest upon the Transfer Terms by giving the Transferring Member notice of such election not later than 30 days after the Notice of Proposed Transfer shall have been given (the "First Refusal Period"). If the Company shall fail to exercise its right to purchase the TM Interest within the First Refusal Period, the Company shall give notice (the "LLC Notice") of such failure to each Non- Transferring Member within five days after the expiration of the First Refusal Period. Each Non- Transferring Member shall then have the right to elect to purchase the TM Interest upon the Transfer Terms by giving the Company and the Transferring Member notice (an "NTM Notice") of such election not later than 30 days after the Company Notice shall have been given (the "Second Refusal Period"). If more than one Non-Transferring Member shall give an NTM Notice, then, in the absence of any agreement otherwise between or among them, each such Non-Transferring Member shall be entitled to purchase a portion of the TM Interest in the same proportion that the Membership Interest then owned by such Non-Transferring Member bears to the aggregate Membership Interests of all of the Non-Transferring Members who shall have elected to purchase the TM Interest.

10.2.3 If either the Company or one or more of the Non-Transferring Members shall elect to purchase the TM Interest, the closing of such purchase shall take place (a) within 30 days after the end of the First Refusal Period, if such purchase shall be made by the Company or (b) within 30 days after the end of the Second Refusal Period, if such purchase shall be made by one or more of the Non-Transferring Members. At the closing, the Transferring Member shall Transfer the TM Interest to the Company or the Non-Transferring Member or Members, as the case may be, free and clear of all liens, claims and other encumbrances.

10.2.4 If neither the Company nor any of the Non-Transferring Members shall elect to purchase the TM Interest, then the Transferring Member may Transfer the TM Interest to the Proposed Transferee, provided such Transfer shall be (a) completed within 30 days after the expiration of the Second Refusal Period and (b) made on terms no less favorable to the Transferring Member than the Transfer Terms. If the TM Interest shall not be so Transferred, or if the TM Interest shall be so transferred but shall not constitute the Transferring Member's entire Interest, the Transferring Member shall give notice in accordance with Section 10.2.1 prior to any other or subsequent Transfer of the TM Interest or any other portion of his Membership Interest.

10.3 Transferee Not to Become a Member Without Approval of the Manager. If a Transfer of a Members rights or interest in such rights shall occur such Transfer shall, nevertheless, not entitle the transferee to become a Member (a "Substitute Member") or to be entitled to exercise or receive any of the rights, powers or benefits of a Member other than the right to receive distributions to which the Transferor

would be entitled, unless the Transferor shall (i) request, in a written instrument delivered to the Manager, that the transferee become a Substitute Member; and (ii) the Manager provides prior written approval to make the Transferee a Substitute Member. Each Person admitted as a Substitute Member shall execute and deliver to the Manager a New Member Packet and such other documents or instruments as the Manager shall deem necessary to confirm the Substitute Member's agreement to be bound by all of the terms and provisions of this Agreement. Immediately following such admission, the Transferor shall cease to be a Member of the Company and Schedule A shall be amended to include the Substitute Member in place of the Transferor. Upon the approval of all of the Manager of the admission of a Substitute Member, the Manager shall have the authority to execute the New Member Packet on behalf of all of the other existing Members.

10.4 Recognition of Transfer by the Company. No Transfer or any part thereof that shall be in violation of this Article 10 shall be valid or effective, and neither the Company nor the Members shall recognize the same for the purpose of making distributions pursuant to Article 6 or Section 11.3. Neither the Company nor the Manager or Members shall incur any liability as a result of refusing to make any such distributions to the assignee of any such invalid Transfer. Unless named in this Agreement, or unless admitted to the Company as a Substitute Member or Additional Member as provided herein, no person shall be considered a Member, and the Company need deal only with the Members so named and so admitted. The Company shall not be required to deal with any other person by reason of an assignment by a Member or by reason of the death or Bankruptcy of a Member, except as otherwise provided in this Agreement.

BUSINESS PLAN

Spencer House LLC
D/B/A Canna Corner
3235 Main Street
Becket, MA 01223

BUSINESS PLAN

The Ownership

The company, Spencer House LLC (the “Spencer House”), is a Massachusetts limited liability company.

The Management

The sole member and manager of the Company is Heather Anello. All decisions are made by Ms. Anello. There is no board of directors, management group, or silent partner.

Business Sector

The Spencer House owns and manages commercial real estate.

The Goals and Objectives

The Spencer House’s objective is to own and operate a mixed-use real estate property located at 3235 Main Street, Becket, Massachusetts and known as the Spencer House. Its main source of business is leasing to a local restaurant and store called the Becket General Store and Restaurant (the “Becket General Store”). Additionally, the Spencer House offers two one-bedroom apartments that provide affordable rental housing to an important, strong, and unmet demand in the small towns of Becket and Washington. Finally, the Spencer House hopes to be a locally owned, small Adult-Use Marijuana Retail Establishment for off premise use only.

The Products

The primary services provided by the Spencer House are the residential and commercial leasing opportunities, including its lease to the local Becket General Store. The Becket General Store is a space and an outlet for many of the residents of our community to socialize, and to stay connected and informed about topics directly related to our community.

The Spencer House is also proud to provide affordable rental apartments to community residents. The Spencer House is unique in that it owns one of the only buildings in Becket and Washington able to provide affordable, all-inclusive, one bedroom rental housing.

Finally, the Spencer House plans to operate a very small Adult-Use Marijuana Retail Establishment under the D/B/A, Canna Corner. The Spencer House is hoping to be a leader in this new industry, especially for small, local entrepreneurs in rural areas, establishing convenient, adult-use marijuana in a safe and controlled environment for its local community. Providing these services is essential for the growth, employment opportunities, and overall development of our small town.

The Target Market

The Spencer House has many different target markets. Young professionals and tradespeople have a market for affordable housing, while managing their education and careers. Very busy families have the convenience of a local restaurant and market for their families, without having to commute twenty or more minutes to an abutting City or Town. Senior-citizens have their coffee counter to maintain their daily retirement rituals. Finally, the Spencer House hopes to increase its revenues with the safe and secure distribution of adult-use retail marijuana from a small and local business owner with strong ties and affection to the local community. It is important to the future of this industry that a member of the immediate community take the responsibility of retail distribution into our neighborhoods. Having roots in the area secures a safe and responsible outfit for this new license. These are all important parts of what makes the small town of Becket so desirable to live in.

Pricing Strategy

In an effort to provide the community with affordable living, I plan to provide all inclusive, one bedroom apartments to a wide variety of residents in our area. Each apartment will include heat, hot water, electricity, and internet. Each apartment will be \$850.00 per month, provide a space for one vehicle, and allow for a small yard area.

Spencer House is aspiring to obtain one of only two adult use marijuana retail licenses available in our town. Our outfit will be named “Canna Corner”. It will be a “one cabinet” convenience shop distributing only what is in demand for local residence. I have high hopes for the most safe and secure ME establishment in our area. Canna Corner will provide a very - in demand - tax revenue surplus for our local municipality. Canna Corner will also eventually pay a rent to Spencer House. To be determined after renovations and demand have been accurately studied and completed. The Becket General Store is already be paying 1,000 per month for rent.

The Competition

The Spencer House has no known competitors, although there is some local anxiety that a large, non-local business without ties to the community may move in if the Spencer House does not obtain a license to run the Canna Corner as an Adult Use Marijuana Retail Establishment. The Spencer House is unique to the local community. It will be the first mixed use establishment of this nature in the history of Becket and Washington. Ms. Anello has lived in Becket and Washington for 30 years and, to date, she has never come across such an establishment.

Ownership Background

Heather Anello is the sole owner of the Spencer House.

Ms. Anello has owned and operated this business since it was created on June 24, 2016. The Spencer House owns and manages the real estate located at 3235 Main Street Becket, Massachusetts. Ms. Anello has fifteen years of experience owning and operating a food-service establishment in Massachusetts. Ms. Anello owned and operated White Tail Food Services for nine years out of the Bucksteep Manor property in Washington, Massachusetts. Over the last 15 years, she has sold over five million dollars in food sales and generated over 1.5 million dollars in profits. Ms. Anello has also been a landlord for a three-bedroom ranch house in Washington, Massachusetts.

Organizational Timeline

The Spencer House is already organized and operating a commercial real estate business. The Spencer House also hopes to secure an Adult Use Marijuana Retail Establishment license from the Massachusetts Cannabis Control Commission on or before Dec 31, 2018. The Spencer House anticipates to be completely finished with small renovations and to be operational by January 31, 2019.

Company Assets

Spencer LLC owns the real estate located at 3235 Main Street, Becket, Massachusetts, and all the fixtures, appliances, equipment associated with the management of the property, i.e. lawnmowers, tools, fences, walk-in hood suppression system, dishwasher, etc.

The Current Products

The primary service the Spencer House will provide is commercial and residential space for local members of our immediate community. Spencer House takes pride in the responsibilities of a unique outfit with diverse capabilities that keep our rural community appealing and safe to new and upcoming residents. Providing these services is essential for the growth and overall development of our small town.

Future Products

The Spencer House has many advantages for future development and growth. Ms. Anello is a well-known member of the community who has been able to have a personal relationship with nearly each and every resident who is a consumer in the area. Ms. Anello is uniquely situated from her experience to have a strong perspective on the community's issues, priorities, and needs.

Many of the community's members have expressed interest in community gardens, outdoor eatery space, and the strong need for baked goods and products. Ms. Anello hopes to add these aspects to the Spencer's House's business plans in the near future. As owner operator of the Spencer House, Ms.

Anello is a pillar of the local community who focuses on the growth and development of our Town's government, youth, and outreach programs. Ms. Anello donate hundreds of dollars, and countless hours, a year to hardships created by natural disaster, fire, low-income projects, and local school district and athletic groups.

Staffing

In its current phase, as well as the initial phase of starting up the Canna Corner, the Spencer House is and will be run by only Heather Anello, the sole owner. Depending on demand for the products offered by the Canna Corner, the Spencer House may hire up to 5 employees, who will be trained extensively on the Canna Corner's security and safety procedures.

Capital Repayment Plan

The Spencer House generates roughly \$2,600.00 per month in rental income, as follows:

- Becket General Store \$1000.00 per month
- Apartment #1 \$850.00 per
- Apartment #2 \$850.00 per

The income from these rentals exceeds the monthly mortgage payment, which is approximately \$1,650.00 per month. The excess \$950/month is sufficient to cover other costs, but with the additional revenue generated from the Canna Corner, the hope and expectation is that the Spencer House will be significantly more profitable leading to potential growth in other areas.

The Canna Corner income shall be determined based on costs of operation and demand in this new market.

Marketing and Pricing Plan

Location Analysis

The location at 3235 Main Street is a competitive location, on a main transit highway leading to several major cities and towns in Western, Massachusetts. This location is also one of only two main routes to the Mass Pike exit from many of the towns in the hills of Pioneer Valley and Berkshire County. Many people exiting the Mass Pike also have to pass by this location to reach major attractions like Jacob's Pillow in the same town of Becket, Massachusetts, as well as other local attractions like the Clark, Mass MoCA, and Tanglewood.

Established Customers

The Canna Corner has the benefit of operating in an area already known to established customers of the Becket General Store and Restaurant. The Spencer House has established a wide variety of customers over several years. All of the customers rely on the Spencer House as a place to gather various essential products that are otherwise unavailable without driving 15-20 miles to another city or town, as well as a meeting place for coffee and meals.

Many of the Spencer House's regular customers have expressed overwhelming interest in safe and secure use of recreational marijuana. These local community members have also expressed how important it is to them that a retail marijuana establishment be operated by someone with deep ties to the community, who understands the challenges faced by rural towns and the importance of safety and protecting the youth.

Pricing

In an effort to provide the community with affordable living, the Spencer House provides two (2) all-inclusive, one-bedroom apartments. Each apartment includes heat, hot water, electricity, and internet, as well as a parking space for one vehicle. Each apartment rents for \$850.00 per month.

The Spencer House also hopes to be offering safe and secure adult-use marijuana for off-premises consumption. It is anticipated that the cost of marijuana products will be similar, but, due to our remote location, slightly higher than that available in nearby cities and towns such as Pittsfield, Great Barrington, and Northampton.

Advertising and Word of Mouth

The Spencer House will advertise locally by signage, as well as through its Facebook page. However, the best source of marketing for the Spencer House has always been word of mouth from our happy local customers.
