COMPLIANCE WITH POSITIVE IMPACT PLAN

Progress or Success Goal 1

Description of Progress or Success: Another part of our plan was to ensure that we not discriminate against individuals whom have non-disqualifying cannabis related criminal records when hiring for our Marijuana Retailer.

TWI does not ask potential employees about their criminal backgrounds, and does not run our background checks until we are already prepared to hire an individual. Thus, we are working towards taking any bias on previous cannabis related criminal activity out of the hiring process. We have not denied employment for any individuals based on non-disqualifying cannabis related criminal records.

Progress or Success Goal 2

Description of Progress or Success: Theory has also undertaken a Social Equity program, which is now the cornerstone of our Positive Impact Plan

We selected an Economic Empowerment Applicant "Legal Greens LLC" to be our first participant in the program.

This program has assisted Legal Greens by:

- a. Providing the company with \$100,000 in no interest loans – this has taken place.
- b. Providing the company with \$150,000 worth of initial cannabis inventory. They will pay TWI back for this inventory once it has been sold.
- c. Assisting with all aspects of Legal Green's business plan and execution, including:
 - i. State and local licensing
 - ii. Banking and other professional service relationships
 - iii. Dispensary design and construction
 - iv. Standard operating procedures
 - v. Safety and security plans

We are pleased that Legal Greens has been awarded a provisional license for a Marijuana Retailer in Brockton and is beginning the construction phase of the project.

COMPLIANCE WITH DIVERSITY PLAN

Diversity Progress or Success 1

Description of Progress or Success: The first goal of our plan was to recruit a diverse workforce. We want to be more diverse than the demographics of Berkshire county, where we operate our Marijuana Retailer. The racial makeup of Berkshire County is 92.5% white, 2.7% black or African American, 1.2% Asian, 0.2% American Indian, 1.2% from other races, and 2.1% from two or more races according the 2018 Census.

We have met our goal, as the makeup of our Marijuana Retailer employment base is 17.39% non-white (12 out of 69 employees). This is an improvement from last year where we were at 13.7% non-white. We look to maintain or improv

Diversity Progress or Success 2

Description of Progress or Success: The second goal of our plan was to create a workplace that is free from discrimination.

We are proud to have received no discrimination complaints since our plan was formed. We have held sexual harassment training for our

employees, and have an anonymous 1-800 number that could be used to report discrimination.

Diversity Progress or Success 3

Description of Progress or Success: The third goal of our Diversity plan is to create a diverse management team. At the moment, our management team at this location is:

83.3% female (includes supervisors)

16.7% diverse (includes supervisors)

16.7% diverse & female manager (supervisors)

Diverse for this analysis means black or African American, Asian, American Indian, from other races, or from two or more races.

We want to maintain or to improve on these metrics next year, and will be especially focused on promoting from within our company and training a diverse set of individuals to become leaders. We improved from last year where we had 41% female management.

Diversity Progress or Success 4

Description of Progress or Success: An additional success we have had was partnering with an organic farmer in Sheffield to gain one of the first outdoor cultivation licenses in the State. Theory wishes to prove the concept that outdoor is viable and encourage more farmers to participate in the cannabis industry.

Theory Wellness Inc.

Plan to Remain Compliant with Local Zoning Retailer Application

Overview

Theory Wellness Inc. (“TWI”) currently operates as a Registered Marijuana Dispensary (“RMD”) in Great Barrington (at the same address as our proposed Marijuana Retailer). To date, we have been compliant with the Town’s local zoning bylaw in respect to our operation of an RMD.

Great Barrington Zoning Bylaw Status

Great Barrington has a zoning bylaw in place that pertains to Marijuana Retailers. This zoning bylaw was passed on May 7th 2018 at the annual Town Meeting.

TWI’s Compliance with Great Barrington Zoning Bylaw

1. TWI’s proposed Marijuana Retailer is located in the B2 zoning district in Great Barrington. We are permitted by right to operate a Marijuana Retailer in the B2 zoning district, pursuant to a site plan review by the Planning Board.
2. The Great Barrington Planning Board approved TWI’s site plan on June 28th, 2018.
3. TWI is also compliant with the local buffer zone restrictions, which state:

“No Marijuana Establishment or Medical Marijuana Treatment Center may be located closer than 200 feet from a pre-existing public or private school providing education in kindergarten or any of grades 1 through 12.”

There are no pre-existing public or private schools providing education in kindergarten or any of grades 1 through 12 within 200 feet of our proposed Marijuana Retailer. A licensed engineer confirmed this when we applied for permission to operate an RMD, as the buffer requirements for an RMD are the same as a Marijuana Retailer.

Plan to remain compliant with local zoning in the future:

TWI has a good relationship with the Town, including and especially the Town Planner, whom we would work with if there were any proposed changes to local zoning or licensure that would impact our operations. TWI will adhere to all aspects of the zoning bylaw pertaining to operating our Marijuana Retailer.

Specific provisions we will adhere to include:

1. Retail sales of marijuana products and opening of the premises to the public shall not occur earlier than 8:00 AM or later than 11:00 PM.
2. No marijuana shall be smoked, eaten or otherwise consumed or ingested on the premises, unless specifically authorized by the Town pursuant to G.L. 94G.
3. All aspects of a Marijuana Establishment or Medical Marijuana Treatment Center relative to the acquisition, cultivation, possession, processing, sales, distribution, dispensing, or administration of marijuana, products containing marijuana, marijuana accessories, related supplies, or educational materials shall take place at a fixed location within a fully enclosed building or fenced area dedicated to the cultivation of marijuana and shall not be visible from the exterior of the business.
4. No unprotected storage of marijuana, related supplies, or educational materials is permitted.

Theory Wellness, Municipal Cost Documentation Request for State License >

Brandon Pollock <brandon@theorywellness.org>

10:56 AM (0 minutes ago)

to Mark, Susan, Nick ▾

Good morning Mark and Susan,

As part of our state license renewal process, we are required to request the costs incurred by the Town to date, and the anticipated future costs, from our operations. Specifically, as seen on [page 49 of this guidance](#), we request the following:

"in accordance with M.G.L. c. 94G, § 3(d), any cost to a city or town imposed by the operation of a ME or MTC shall be documented and considered a public record as defined by M.G.L. c. 4, § 7, cl. 26. Documentation shall include the request and the substantive response from the city or town that includes the actual and anticipated expenses resulting from the operation."

Thank you,

Brandon

Plan for Areas of Disproportionate Impact Retailer Application

Theory Wellness Inc. (“TWI”) is committed to having a positive impact on areas of disproportionate impact, as defined by the Commission. The closest community of disproportionate impact to our proposed Marijuana Retailer is **Pittsfield, MA**, which is a city about 20 miles away from our proposed Marijuana Retailer in Great Barrington, MA. In order to have a positive impact on the City of Pittsfield, TWI will:

1. To the extent such practice and its implementation are consistent with federal, state, and municipal laws and regulations, make efforts in a legal and non-discriminatory manner to give priority to local, businesses, suppliers, contractors, builders and vendors in the provision of goods and services called for in the maintenance and continued operation of our proposed Marijuana Retailer. TWI expects that through these efforts, we will provide economic stimulus to businesses and individuals based in Pittsfield. In the past, TWI has already utilized vendors based in Pittsfield during the construction of our RMD. As the largest city in Berkshire County, there are many qualified potential vendors based in Pittsfield.
2. To the extent such practice and its implementation are consistent with federal, state, and municipal laws and regulations, make efforts in a legal and non-discriminatory manner to give priority to local individuals for employment at our proposed Marijuana Retailer. TWI expects that through these efforts, we will provide economic stimulus to individuals based in and around Pittsfield. We plan on hiring approximately twenty (20) individuals in anticipation of opening our Marijuana Retailer.
3. TWI will hold a once per year employment fair in Pittsfield. At this event, interested employees will be able to learn about the cannabis industry, our company, and how to apply for a position within TWI. Representatives from TWI’s leadership team will attend this job fair and will provide insight to interested individuals on how best to become a part of the legal cannabis industry.
4. TWI will hold a once per year food drive to benefit a local charitable organization based in Pittsfield. Our customers will be encouraged to bring in non-perishable items to our Marijuana Retailer, which TWI will then transport to the charitable organization in Pittsfield.
5. TWI will hold a once per year educational seminar in Pittsfield. At this event, interested individuals will be able to discuss with representatives from TWI’s leadership team the following:

- a. Business plan review and any questions on how to apply for a cannabis business license in the Commonwealth
 - b. General questions and answers
 - c. How to get involved in the cannabis industry, whether through working at a company such as TWI or working with advocacy groups
6. TWI will not discriminate against individuals whom have non-disqualifying cannabis related criminal records when hiring for our Marijuana Retailer.

TWI also will positively contribute to other areas of disproportionate impact in the Commonwealth by:

1. TWI will sponsor and participate in cannabis industry events that are designed to encourage individuals harmed by the war on drugs to participate in the cannabis industry. For example, TWI is a sponsor and participant in an upcoming event *"Equity and Opportunity: A Jobs Fair and CORI Sealing Clinic for a New Economy."* This event will be held July 25th at Roxbury Community College.
2. TWI financially supports cannabis advocacy groups such Massachusetts Recreational Consumer Council, the Massachusetts Patient Advocacy Alliance, and the Massachusetts Growers Advocacy Council. By donating to these organizations, TWI helps them achieve their goals, which include helping individuals enter the cannabis industry. Many of these individuals come from communities that were disproportionately impacted.
3. To the extent such practice and its implementation are consistent with federal, state, and municipal laws and regulations, TWI will make efforts in a legal and non-discriminatory manner to give priority to businesses, suppliers, contractors, builders and vendors in the provision of goods and services called for in the maintenance and continued operation of our proposed Marijuana Retailer that are based in areas of disproportionate impact, as defined by the Commission. For example, one of our security vendors, Wayne Alarm Systems, is based in Lynn, which is a city that the Commission determined had disproportionate impact.

BYLAWS
OF
THEORY WELLNESS, INC.

BYLAWS OF THEORY WELLNESS, INC.

ARTICLE I OFFICES

Section 1.01 Principal Office. The principal office of the Corporation shall be located at such place within the Commonwealth of Massachusetts as shall be fixed from time to time by the board of Directors, and if no place is fixed by the board of Directors, such place as shall be fixed by the President.

ARTICLE II SHAREHOLDERS

Section 2.01 Place of Meeting. Meetings of the shareholders shall be held at any place within or without the Commonwealth of Massachusetts that may be designated by the board of Directors. Absent such designation, meetings shall be held at the principal office. The board of Directors may, in its discretion, determine that the meeting may be held solely by means of remote electronic communication. If authorized by the board of Directors, and subject to any guidelines and procedures adopted by the board of Directors, shareholders not physically present at a meeting of shareholders, may participate in a meeting of shareholders by means of electronic transmission by and to the Corporation or electronic video screen communication; and, may be considered present in person and may vote at a meeting of shareholders, whether held at a designated place or held solely by means of electronic transmission by and to the Corporation or electronic video screen communication, subject to the conditions imposed by applicable law.

Section 2.02 Annual Meeting. The annual meeting of shareholders of this Corporation shall be held on such date and at such time as may be designated from time to time by the board of Directors. At the annual meeting, Directors shall be elected, and any other business may be transacted that is within the power of the shareholders and allowed by law, provided, however, that, unless the notice of meeting, or the waiver of notice of such meeting, sets forth the general nature of any proposal to (i) approve or ratify a contract or transaction with a Director or with a corporation, firm, or association in which a Director has an interest; (ii) amend the Articles of Organization of this Corporation (the “**Articles of Organization**”); (iii) approve a reorganization or merger involving this Corporation; (iv) elect to wind up and dissolve this Corporation; or (v) effect a plan of distribution upon liquidation otherwise than in accordance with the liquidation preferences of outstanding shares with liquidation preferences, no such proposal may be approved at an annual meeting.

Section 2.03 Special Shareholders’ Meetings. Special meetings of the shareholders, for any purpose whatsoever, may be called at any time by the President, the board of Directors, or by shareholders entitled to cast not less than twenty percent (20%) of the corporation’s voting power. Any person entitled to call a special meeting of shareholders (other than the board of Directors) may make a written request to the chair of the board (if any), President, vice President, or secretary, specifying the general purpose of such meeting and the date, time and place of the meeting, which date shall be not less than thirty-five (35) days nor more than sixty (60) days after the receipt by such officer of the request. Within twenty (20) days after receipt of the request, the officer receiving such request forthwith shall cause notice to be given to the shareholders entitled

to vote at such meeting, stating that a meeting will be held on the date and at the time and place requested by the person or persons requesting a meeting and stating the general purpose of the meeting. If such notice is not given twenty (20) days after receipt by the officer of the request, the person or persons requesting the meeting may give such notice. No business shall be transacted at a special meeting unless its general nature shall have been specified in the notice of such meeting, provided, however, that any business may be validly transacted if the requirements for such validity, as provided in Section 2.12 of these Bylaws, are met.

Section 2.04 Shareholder Nominations and Proposals. For business (including, but not limited to Director nominations) to be properly brought before an annual or special meeting by a shareholder, the shareholder or shareholders of record intending to propose the business (the “**proposing shareholder**”) must have given written notice of the proposing shareholder’s nomination or proposal, either by personal delivery, e-mail (without notice of failure), or by the United States mail to the secretary of the Corporation. In the case of an annual meeting, the proposing shareholder must give such notice to the secretary of the Corporation no earlier than one hundred-twenty (120) calendar days and no later than ninety (90) calendar days before the date such annual meeting is to be held. If the current year’s meeting is called for a date that is not within thirty (30) days of the anniversary of the previous year’s annual meeting, notice must be received not later than ten (10) calendar days following the day on which public announcement of the date of the annual meeting is first made. In no event will an adjournment or postponement of an annual meeting of shareholders begin a new time period for giving a proposing shareholder’s notice as provided above.

For business to be properly brought before a special meeting of shareholders, the notice of meeting sent by or at the direction of the person calling the meeting must set forth the nature of the business to be considered. A shareholder or shareholders who have made a written request for a special meeting pursuant to Section 2.03 of these Bylaws may provide the information required for notice of a shareholder proposal under this Section simultaneously with the written request for the meeting submitted to the secretary or within ten (10) calendar days after delivery of the written request for the meeting to the secretary.

A proposing shareholder’s notice shall include as to each matter the proposing shareholder proposes to bring before either an annual or special meeting:

- (a) The name(s) and address(es) of the proposing shareholder(s).
- (b) The classes and number of shares of capital stock of the Corporation held by the proposing shareholder.
- (c) If the notice regards the nomination of a candidate for election as Director:
 - (i) The name, age, business, and residence address of the candidate;
 - (ii) The principal occupation or employment of the candidate; and
 - (iii) The class and number of shares of the Corporation beneficially owned by the candidate.

(d) If the notice is in regard to a proposal other than a nomination of a candidate for election as Director, a brief description of the business desired to be brought before the meeting and the material interest of the proposing shareholder of such proposal.

Section 2.05 Notice of Shareholders' Meeting. Except as otherwise provided by law, written notice stating the place, day, and hour of the meeting, and, in case of a special meeting, the nature of the business to be transacted at the meeting, shall be given at least ten (10) days (or, if sent by third class mail, thirty (30) days) and not more than sixty (60) days before the meeting. In the case of an annual meeting, notice will include matters the Corporation's board of Directors intends, at the time of the giving of the first of such notices, to present to the shareholders for action, and in the case of a meeting at which Directors are to be elected, the names of nominees that the board of Directors, at the time of the giving of the first of such notices, intends to present to the shareholders for election. Proof that notice was given shall be made by a signed statement of the secretary, assistant secretary, transfer agent, or Director, or of the person acting under the direction of any of the foregoing, who gives such notice, and such proof of notice shall be made part of the minutes of the meeting. Such affidavit shall be prima facie evidence of the giving of such notice. It shall not be necessary to state in a notice of any meeting of shareholders as a purpose thereof any matter relating to the procedural aspects of the conduct of such meeting.

Notice shall be given personally, by electronic transmission, or by mail, by or at the direction of the secretary, or the officer or person calling the meeting, to each shareholder entitled to vote at the meeting. If remote participation in the meeting has been authorized by the board of Directors, the notice shall also provide a description of the means of any electronic transmission by and to the Corporation or electronic video screen communication by which shareholders may be considered present and may vote and otherwise participate at the meeting.

If mailed, the notice shall be deemed to be given when deposited in the United States mail addressed to the shareholder at the shareholder's address as it appears on the share transfer records of the Corporation, with postage thereon prepaid. Notice may be given to the shareholder by electronic transmission with the consent of the shareholder. Notice by electronic transmission is deemed given when the notice satisfies any of the following requirements:

(a) Transmitted to a facsimile number provided by the shareholder for the purpose of receiving notice.

(b) Transmitted to an electronic mail address provided by the shareholder for the purpose of receiving notice.

(c) Posted on an electronic network, with a separate notice sent to the shareholder at the address provided by the shareholder for the purpose of alerting the shareholder of a posting.

(d) Communicated to the shareholder by any other form of electronic transmission consented to by the shareholder.

Notice shall not be given by electronic transmission to a shareholder after either (i) the Corporation is unable to deliver two consecutive notices to such shareholder by such means or (ii) the inability to deliver such notices to such shareholder becomes known to any person responsible for giving

such notices. Any person entitled to notice of a meeting may file a written waiver of notice with the secretary either before or after the time of the meeting. The participation or attendance at a meeting of a person entitled to notice constitutes waiver of notice, except where the person objects, at the beginning of the meeting, to the lawfulness of the convening of the meeting and except that attendance is not a waiver of any right to object to conducting business at a meeting that is required to be included in the notice of the meeting, but not so included.

Section 2.06 Persons Entitled to Vote. Except as otherwise provided by law, and except when a record date has been fixed, only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which notice is given shall be entitled to notice of a shareholders' meeting, or to vote at such meeting. In the event notice is waived, only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which the meeting is held shall be entitled to vote. If no record date has been fixed, the record date shall be:

(a) For determining shareholders entitled to give consent to action by the Corporation without a meeting, the day on which the first written consent is given.

(b) For determining shareholders for any other purpose, the later of (i) the day on which the board of Directors adopts the resolution relating thereto, or (ii) the sixtieth (60th) day prior to the date of such other action.

Section 2.07 Fixing the Record Date. The board of Directors may fix a time in the future as a record date to determine the shareholders entitled to notice of, and to vote at, any meeting of shareholders or give written consent to action by the Corporation without a meeting or entitled to receive any dividend or distribution, or to any change, conversion, or exchange of shares.

A record date fixed under this Section may not be more than sixty (60) days or less than ten (10) days before the meeting or more than sixty (60) days before any other action requiring a determination of shareholders. When a record date is so fixed, only shareholders of record at the close of business on that date are entitled to notice of and to vote at the meeting or to receive the dividend, distribution, or allotment of rights, or to exercise the rights, as the case may be, notwithstanding any transfer of any shares on the books of the Corporation after the record date. In the event any meeting of shareholders is adjourned for more than forty-five (45) days from the date set for the original meeting, the board shall fix a new record date for purposes of giving notice of, and determining the holders of shares entitled to vote at, such adjourned meeting.

Section 2.08 Quorum of and Action by Shareholders. The presence at a meeting in person or by proxy of the persons entitled to vote a majority of the voting shares constitutes a quorum for the transaction of business. The shareholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment notwithstanding the withdrawal of such number of shareholders so as to leave less than a quorum, if any action taken, other than adjournment, is approved by at least a majority of the shares required to constitute a quorum, except as otherwise provided by law. Except as otherwise provided by law, herein or in

the Articles of Organization, the affirmative vote of a majority of the shares represented at a meeting at which a quorum is present, shall be the act of the shareholders.

Section 2.09 Adjourned Meetings and Notice Thereof. Any shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by a vote of the majority of the shares present, in person or proxy. When a meeting is adjourned for forty-five (45) days or more, or if a new record date for the adjourned meeting is fixed by the board of Directors, notice of the adjourned meeting shall be given to such shareholders of record entitled to vote at the adjourned meeting, as in the case of any original meeting. When a meeting is adjourned for less than forty-five (45) days, and a new record date is not fixed by the board of Directors, it shall not be necessary to give any notice of the time and place of the adjourned meeting, means of electronic transmission or electronic video screen communication, if any, or of the business to be transacted thereat other than by announcement at the meeting at which the adjournment is taken, provided only business that might have been transacted at the original meeting may be conducted at such adjourned meeting.

Section 2.10 Conduct of Meetings. The board of Directors may adopt by resolution rules and regulations for the conduct of meetings of the shareholders as it shall deem appropriate. At every meeting of the shareholders, the President, or in his or her absence or inability to act, a Director or officer designated by the board of Directors shall serve as the presiding officer. The secretary or, in his or her absence or inability to act, the person whom the presiding officer of the meeting shall appoint secretary of the meeting, shall act as secretary of the meeting and keep the minutes thereof.

The presiding officer shall determine the order of business and, in the absence of a rule adopted by the board of Directors, shall establish rules for the conduct of the meeting. The presiding officer shall announce the close of the polls for each matter voted upon at the meeting, after which no ballots, proxies, votes, changes, or revocations will be accepted. Polls for all matters before the meeting will be deemed to be closed upon final adjournment of the meeting.

Section 2.11 Voting of Shares. Unless otherwise provided by law or in the Articles of Organization, each shareholder entitled to vote is entitled to one (1) vote for each share of Preferred Stock and one and one-half (1.5) votes for each share of Common Stock. Any holder of shares entitled to vote on any matter may vote part of such shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal. If a shareholder fails to specify the number of shares such shareholder is voting affirmatively, it will be conclusively presumed that the shareholder's approving vote is with respect to all shares such shareholder is entitled to vote.

Section 2.12 Consent of Absentees. The transactions of any meeting of shareholders, however called or noticed, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. The waiver, notice, or consent need not specify the business transacted or purpose of the meeting, except as required by G.L. c. 156D. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 2.13 Voting by Proxy or Nominee. Every person entitled to vote or execute consents may do so either in person or by one or more agents authorized by a written proxy executed by the person or such person's duly authorized agent and filed with the secretary of the Corporation. A proxy is not valid after the expiration of eleven (11) months from the date of its execution, unless the person executing it specifies therein the length of time for which it is to continue in force. Except as set forth below, any proxy duly executed is not revoked, and continues in full force and effect, until an instrument revoking it, or a duly executed proxy bearing a later date, executed by the person executing the prior proxy and presented to the meeting is filed with the secretary of the Corporation, or unless the person giving the proxy attends the meeting and votes in person, or unless written notice of the death or incapacity of the person executing the proxy is received by the Corporation before the vote by such proxy is counted. A proxy that states on its face that it is irrevocable will be irrevocable for the period of time specified in the proxy, if held by a person (or nominee of a person) specified by law to have sufficient interest to make such proxy irrevocable and only so long as he shall have such interest, subject to G.L. c. 156D, § 7.22.

Section 2.14 Action by Shareholders Without a Meeting. Any action that, under any provision of G.L. c. 156D may be taken at a meeting of the shareholders, may be taken without a meeting and without prior notice if a consent in writing, setting forth the action so taken, shall be signed by the holders of the outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares are entitled to vote thereon were present and voted; provided, however, that unless the consents of all shareholders entitled to vote have been solicited in writing, notice shall be given (in the same manner as notice of meetings is to be given), and within the time limits prescribed by law, of such action to all shareholders entitled to vote who did not consent in writing to such action; and provided, further, that Directors may be elected by written consent only if such consent is given by shareholders holding eighty-five percent (85%) of the outstanding votes held by shareholders, except that action taken by shareholders to fill one or more vacancies on the board other than a vacancy created by the removal of a Director, may be taken by written consent of a majority of the outstanding shares entitled to vote.

ARTICLE III DIRECTORS

Section 3.01 Number of Directors; Identity of Initial Directors. The authorized number of Directors of the Corporation shall be six (6) until changed by an amendment to these Bylaws duly adopted in accordance with these Bylaws. The initial Directors shall be Nicholas Friedman, Brandon Pollock, Andrew Linegar, Steven Derrey, Hunter Pollock and Asher Woodworth. There shall at all times be an individual, appointed by the Founders, to be an observer of all actions and meetings of the Board (such individual the "**Board Observer**"). The Board Observer shall be considered a member of the Board in all respects except with respect to decisions or votes to be made by the Board and with respect to calculation of a quorum. The Board Observer shall initially be Benjamin Friedman.

Section 3.02 Powers. All corporate power shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed under the direction of, the board of Directors, except such powers expressly conferred upon or reserved to the shareholders, and subject to any limitations set forth by law, by the Articles of Organization or by these Bylaws.

Without limiting the generality of the foregoing, and subject to the same limitations, it is hereby expressly declared that the Directors shall have the power and, to the extent required by law the duty to:

(a) Appoint and remove at pleasure of the board, all officers, managers, management companies, agents, and employees of the Corporation, prescribe their duties in addition to those prescribed in these Bylaws, supervise them, fix their compensation, and require from them security for faithful service. Such compensation may be increased or diminished at the pleasure of the Directors;

(b) Conduct, manage, and control the affairs and business of the Corporation; make rules and regulations not inconsistent with the Articles of Organization or applicable law or these Bylaws; make all lawful orders on behalf of the Corporation; and prescribe in the manner of executing the same;

(c) Incur indebtedness and borrow money on behalf of the Corporation and designate from time to time the person or persons who may sign or endorse checks, drafts, or other orders of payment of money, notes, or other evidences of indebtedness, issued in the name of, or payable to, the Corporation, and prescribe the manner of collecting or depositing funds of the Corporation, and the manner of drawing checks thereon;

(d) Appoint by resolution of the Directors an executive committee and other committees and delegate to the executive committee any of the powers and authorities of the board in the management of the business and affairs of the Corporation, except the powers to (i) fill vacancies on the board or any committee, (ii) fix compensation of Directors; (iii) adopt, amend, or repeal these Bylaws; (iv) amend or repeal resolutions of the board that are expressly nonamendable or repealable; (v) declare a dividend or distribution to shareholders or authorize the repurchase of the Corporation's shares except at a rate, in a periodic amount or within a range, determined by the board; (vi) establish other committees of the board; or (vii) approve any action that in addition to board approval requires shareholder approval. The executive committee shall be composed of two (2) or more Directors. The provisions of these Bylaws regarding notice and meetings of Directors shall apply to all committees;

(e) Authorize the issuance of stock of the Corporation from time to time, upon such terms as may be lawful; and

(f) Prepare an annual report to be sent to the shareholders after the close of the fiscal or calendar year of this Corporation, which report shall comply with the requirements of law. To the extent permitted by law, the requirements that an annual report be sent to shareholders and the time limits for sending such reports are hereby waived, the Directors, nevertheless, having the authority to cause such report to be sent to shareholders.

Section 3.03 Term of Office. Directors shall hold office until the next annual meeting of shareholders and until their successors are elected.

Section 3.04 Vacancies and Newly Created Directorships. A vacancy on the board of Directors exists in case of the occurrence of any of the following events:

- (a) The death, resignation, or removal of any Director.
- (b) The removal or declaration of vacancy by the board of Directors of a Director who has been declared of unsound mind by a court order.
- (c) The Director is a member who is divested from ownership of the marijuana business by a decision of either the state or local licensing authority.
- (d) The authorized number of Directors is increased.
- (e) At any annual, regular, or special meeting of shareholders at which any Director is elected, the shareholders fail to elect the fully authorized number of Directors to be voted for at that meeting.

All vacancies (other than vacancies created by removal of a Director) may be filled by the approval of the board of Directors or, if there is less than a quorum of Directors, by (i) a vote of the majority of the remaining Directors at a meeting held pursuant to notice or waivers of notice complying with G.L. c. 156D, (ii) unanimous written consent or (iii) a sole remaining Director. Each Director so elected shall hold office until his successor is elected at an annual, regular, or special meeting of the shareholders. The shareholders may, by vote or written consent of a majority of outstanding shares entitled to vote in the election of Directors, elect a Director at any time to fill any vacancy not filled by the Directors. The shareholders may, by vote of a majority of outstanding shares entitled to vote in the election of Directors or unanimous written consent, elect a Director at any time to fill any vacancy created by removal of a Director, except that a vacancy created pursuant to clause (b) of this Section may be filled by the board of Directors. If the board of Directors accepts the resignation of a Director tendered to take effect at a future time, the board or the shareholders may elect a successor to take office when the resignation becomes effective. A reduction of the authorized number of Directors does not remove any Director prior to the expiration of that Director's term of office.

Section 3.05 Removal. The board of Directors may declare vacant the office of a Director who has been declared of unsound mind by an order of the court or who has been barred from ownership of a marijuana business by a final decision of an applicable state or local licensing authority, or otherwise in a manner provided by law.

Any or all of the Directors may be removed from office at any duly called meeting without cause by a vote of the shareholders entitled to elect them. If one or more Directors are so removed at a meeting of shareholders, the shareholders may elect new Directors at the same meeting.

Section 3.06 Resignation. A Director may resign effective on giving written notice to the President, unless the notice specifies a later effective date.

Section 3.07 Meetings of Directors.

(a) Regular Meetings. A regular annual meeting of the board shall be held immediately after, and at the same place as, the annual meeting of shareholders for the purpose of electing officers and transacting any other business. The board may provide for other regular meetings from time to time by resolution.

(b) Special Meetings. Special meetings of the board for any purpose or purposes may be called at any time by at least two Directors. Notice of the time and place of special meetings shall be delivered by mail or electronic delivery (without notice of failure). If notice is mailed, it shall be deposited in the United States mail at least four days before the time of the meeting. In the case the notice is delivered by electronic delivery, such notice shall be delivered at least forty-eight (48) hours before the time of the meeting. The notice need not specify the purpose of the meeting nor the place if it is to be held at the principal office of the Corporation. Any Director may waive such notice as to himself or herself.

(c) Place of Meetings. Meetings of the Board may be held at any place within or without the Commonwealth of Massachusetts that has been designated in the notice. If a place has not been stated in the notice or there is no notice, meetings shall be held at the principal office of the Corporation unless another place has been designated by a resolution duly adopted by the board.

Section 3.08 Electronic Participation. Members of the board may participate in a meeting through conference telephone, electronic video screen communication, or other electronic transmission by and to the Corporation. Participation in a meeting by conference telephone or electronic video screen communication constitutes presence in person as long as all Directors participating can hear one another. Participation by other electronic transmission by and to the Corporation (other than conference telephone or electronic video screen communication) constitutes presence in person at the meeting as long as participating Directors can communicate with other participants concurrently, each Director has the means to participate in all matters before the board, including the ability to propose or object to a specific corporate action, and the Corporation implements some means of verifying that each person participating is entitled to participate and all votes or other actions are taken by persons entitled to participate.

Section 3.09 Quorum of and Action by Directors. A majority of the authorized number of Directors constitutes a quorum of the board for the transaction of business. Every act or decision done or made by at least four (4) of the Directors then in office is the act of the board of Directors, unless G.L. c. 156D or the Articles of Organization require a greater number. A quorum of the Directors may adjourn any Directors' meeting to meet again at a stated time and place. In the absence of quorum, a majority of the Directors present may adjourn from time to time. Notice of the time and place of a meeting that has been adjourned for more than twenty-four (24) hours shall be given to the Directors not present at the time of the adjournment.

Section 3.10 Compensation. Directors shall not receive compensation or reimbursement in connection with his or her service as a Director. Individuals serving as Directors may not receive, whether in connection with the role of Director, officer, employee, or contractor, compensation that is:

(a) greater than \$250,000.00 annually until the company realizes an effective annual revenue of at least \$10,000,000.00, calculated by multiplying the past three months' revenue by four;

(b) greater than \$400,000.00 annually until the company realizes an effective annual revenue of at least \$15,000,000.00, calculated by multiplying the past three months' revenue by four; and

(c) greater than \$600,000.00 annually thereafter

The Directors may, from time to time, establish compensation policies of the Corporation consistent with this Section.

Section 3.11 Action by Directors Without a Meeting. Any action required or permitted to be taken by the board of Directors or any committee thereof under G.L. c. 156D may be taken without a meeting if, prior or subsequent to the action, a consent or consents thereto by all of the Directors in office, or all the committee members then appointed, is filed with the secretary to be filed with the minutes of the proceedings of the board of Directors. Such action by written consent shall have the same force and effect as a unanimous vote of such Directors.

Section 3.12 Committees of the Board of Directors. The board of Directors, by resolution adopted by the Directors, may designate one or more committees, each consisting of two or more Directors, to serve at the pleasure of the board and to exercise the authority of the board of Directors to the extent provided in the resolution establishing the committee and permitted by law. The board of Directors may adopt governance rules for any committee consistent with these Bylaws. The provisions of these Bylaws applicable to meetings and actions of the board of Directors shall govern meetings and actions of each committee, with the necessary changes made to substitute the committee and its members for the board of Directors and its members.

A committee of the board of Directors does not have the authority to:

- (a) Approve actions that require approval of the shareholders or the outstanding shares.
- (b) Fill vacancies on the board or in any committee.
- (c) Fix compensation of the Directors for serving on the board or on any committee.
- (d) Amend or repeal bylaws or adopt new bylaws.
- (e) Amend or repeal any resolution of the board of Directors that by its terms is not so amendable or repealable.
- (f) Make a distribution to shareholders, except at a rate, in a periodic amount or within a price range set forth in the Articles of Organization or determined by the board.
- (g) Appoint other committees or board members.

The board of Directors, by resolution adopted by the Directors, may designate one or more Directors as alternate members of any committee who may replace any absent or disqualified

member at any meeting of the committee or for the purposes of any written action by the committee.

The designation of a committee of the board of Directors and the delegation thereto of authority shall not operate to relieve the board of Directors, or any member thereof, of any responsibility imposed by law.

ARTICLE IV OFFICERS

Section 4.01 Positions and Election. The officers of the Corporation shall be elected by the board of Directors and shall be a chair of the board or a President or both, a secretary and a treasurer. Any two or more offices may be held by the same person.

Each officer shall serve until a successor is elected and qualified or until the earlier death, resignation or removal of that officer. Vacancies or new offices shall be filled at the next regular or special meeting of the board of Directors.

Section 4.02 Removal and Resignation. Any officer elected or appointed by the board of Directors may be removed with or without cause by the affirmative vote of the board of Directors. Removal shall be without prejudice to the contract rights, if any, of the officer so removed.

Any officer chosen by the board of Directors may resign at any time by giving written notice to the Corporation. Unless a different time is specified in the notice, the resignation shall be effective upon its receipt by the chair, the President, the secretary, or the board.

Section 4.03 Powers and Duties of Officers. The powers and duties of the officers of the Corporation shall be as provided from time to time by resolution of the board of Directors or by direction of an officer authorized by the board of Directors to prescribe the duties of other officers. In the absence of such resolution, the respective officers shall have the powers and shall discharge the duties customarily and usually held and performed by like officers of corporations similar in organization and business purposes to the Corporation subject to the control of the board of Directors.

ARTICLE V INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 5.01 Indemnification of Officers or Directors. The Corporation shall, to the extent permitted by G.L c. 156D, indemnify all persons who have served or may serve at any time as officers or Directors of the Corporation and their heirs, executors, administrators, successors, and assigns, from and against any and all loss and expense, including amounts paid in settlement before or after suit is commenced, and reasonable attorney's fees, actually and necessarily incurred

as a result of any claim, demand, action, proceeding, or judgment that may have been asserted against any such persons, or in which these persons are made parties by reason of their being or having been officers or Directors of the Corporation. This right of indemnification shall not exist in relation to matters as to which it is adjudged in any action, suit or proceeding that these persons are liable for gross negligence or willful misconduct in the performance of duty.

Section 5.02 Non-Exclusivity of Indemnification Rights and Authority to Insure.

The foregoing rights of indemnification and advancement of expenses shall be in addition to and not exclusive of any other rights to which any person may be entitled pursuant to any agreement with the Corporation, or under any statute, provision of the Articles of Organization or any action taken by the Directors or shareholders of the Corporation.

The Corporation may buy and maintain insurance to protect itself and any agent against any expense asserted against them or incurred by an agent, whether or not the Corporation could indemnify the agent against the expense under applicable law or the provisions of this Article V.

Except as otherwise provided by law, upon surrender to the Corporation or its transfer agent of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignment, or authority to transfer, it shall be the duty of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate, and record the transaction upon its books.

Section 6.03 Registered Shareholders. The Corporation may treat the holder of record of any shares issued by the Corporation as the holder in fact thereof, for purposes of voting those shares, receiving distributions thereon or notices in respect thereof, transferring those shares, exercising rights of dissent with respect to those shares, exercising or waiving any preemptive right

with respect to those shares, entering into agreements with respect to those shares in accordance with the laws of the Commonwealth of Massachusetts, or giving proxies with respect to those shares.

Section 6.04 Lost, Stolen, or Destroyed Certificates. The board of Directors may issue a new share certificate in place of any certificate it previously issued that the shareholder alleges to have been lost, stolen, or destroyed provided that the shareholder or the shareholder's legal representative of the lost, stolen, or destroyed certificate shall give the Corporation a bond or other adequate security sufficient to indemnify the Corporation against any potential claim against the Corporation because of the alleged loss, theft, or destruction of any such certificate or the issuance of such new certificate.

CONTINUATION SHEET ARTICLE IV

1. General.

"Common Stock" means the voting Common Stock, no par value, of the Theory Wellness, Inc. (the **"Company"**) and any securities issued in respect thereof, or in substitution therefor, in connection with any stock split, dividend or combination, or any reclassification, recapitalization, merger, consolidation, exchange or similar reorganization.

"Preferred Stock" means the voting Preferred Stock, no par value, of the Company having the privileges, preference, duties, liabilities, obligations and rights specified with respect to **"Preferred Stock"** set forth herein, and any securities issued in respect thereof, or in substitution therefor, in connection with any stock split, dividend or combination, or any reclassification, recapitalization, merger, consolidation, exchange or similar reorganization.

2. Voting.

Each shareholder entitled to vote is entitled to one (1) vote for each share of Preferred Stock and one and one-half (1.5) votes for each share of Common Stock. Any holder of shares entitled to vote on any matter may vote part of such shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal. If a shareholder fails to specify the number of shares such shareholder is voting affirmatively, it will be conclusively presumed that the shareholder's approving vote is with respect to all shares such shareholder is entitled to vote.

3. Anti-Dilution.

Pursuant to procedures established by the Company, in the event the Company issues capital stock or other equity securities (**"New Securities"**), each holder of Preferred Stock, at his or her sole discretion, may receive, and the Company shall issue, such number of shares of Preferred Stock such that the electing holder of Preferred Stock holds the same percentage of Company capital stock issued and outstanding after the issuance of the New Securities as the holder of Preferred Stock held prior to the issuance of New Securities.

ARTICLE VI: CONTINUATION SHEET

1. **Limitation of Director Liability.** Except as required by applicable law, no Director of the corporation shall have any personal liability to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. The preceding sentence shall not eliminate or limit the liability of a director for any act or omission occurring prior to the date upon which such provision becomes effective.
2. **Indemnification.** The Corporation shall, to the extent permitted by G.L. c. 156D, indemnify all persons who have served or may serve at any time as officers or Directors of the Corporation and their heirs, executors, administrators, successors, and assigns, from and against any and all loss and expense, including amounts paid in settlement before or after suit is commenced, and reasonable attorney's fees, actually and necessarily incurred as a result of any claim, demand, action, proceeding, or judgment that may have been asserted against any such persons, or in which these persons are made parties by reason of their being or having been officers or Directors of the Corporation. This right of indemnification shall not exist in relation to matters as to which it is adjudged in any action, suit or proceeding that these persons are liable for negligence or misconduct in the performance of duty. The indemnification rights provided herein (i) shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any law, agreement, vote of shareholders or otherwise; and (ii) shall inure to the benefit of the heirs, executors and administrators of such persons entitled to indemnification. Plan for Obtaining Liability Insurance

Theory Wellness Inc. (“TWI”) currently operates as a Registered Marijuana Dispensary (“RMD”) and has a full suite of insurance products.

TWI has in place coverage to ensure that we are properly covered {as defined in 935 CMR 500.105(10)(a)} when we become licensed as a Marijuana Retailer. Our liability insurance coverage is no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually. TWI also has obtained product liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually. **Please see Exhibit A for a copy of our insurance policy.**

If at some point in the future, we are unable to maintain insurance that is in compliance with 935 CMR 500.105(10)(a), TWI will move \$250,000 or such other amount approved by the Commission, into escrow, to be expended for coverage of liabilities. In this instance, the escrow account would be replenished within ten business days of any expenditure. TWI has sufficient capital on hand to do this if necessary.

TWI will always maintain compliance with to 935 CMR 500.105(10).

TWI has contracted with two professional security and alarm companies to design, implement and monitor our comprehensive security plan to ensure that the facility is a safe and secure environment for employees and the local community. We currently work with Signet Electronic Systems (primary vendor) and Wayne Alarm (secondary vendor).

TWI's state-of-the-art security system consists of panic alarms connected to local law enforcement for efficient notification and response in the event of a security threat. A redundant alarm system is installed to ensure that active alarms remain operational if the primary system is compromised.

Interior and exterior HD video surveillance exists in all areas that contain cannabis, entrances, exits, and parking lots. TWI's surveillance is operational 24/7 and will remain operational even in the event of a power outage. This video storage is maintained for 90 days.

The exterior of our locations is sufficiently lit and foliage will be minimized to ensure clear visibility of the area at all times.

Only TWI's registered agents and other authorized visitors (e.g. contractors, vendors) are allowed access to the facility, and a visitor log is maintained. All agents and visitors are required to visibly display an ID badge, and TWI maintains a current list of individuals with access.

On-site consumption of cannabis is prohibited.

3. MARKET RESEARCH

3.1 Industry

TWI's proposed Marijuana Retailer is located in Great Barrington, MA, which is located in Berkshire County.

3.2 Customers

In Massachusetts, cannabis sales are expected to increase from \$106 million in 2017 to \$457 million in 2018, and eventually to \$1.4 billion in 2025, according to New Frontier Data.

3.3 Competitors

TWI's main competitors include Berkshire Roots in Pittsfield MA, and NETA in Northampton, MA. We expect over time more Marijuana Retailers to open up in the Berkshires.

3.4 Competitive Advantage

TWI's competitive advantages include our unique cannabis genetics, our outstanding customer service, and our commitment to focusing on quality. We believe that customers will be scrutinizing the quality of cannabis available for sale, and that our commitment to small-batch, premium quality will differentiate us from our competition.

4. MARKETING & SALES

4.1 Growth Strategy

TWI plans to continue to grow the company by adding additional retail locations throughout Massachusetts as well as expand the footprint of our cultivation operations over time. Adding a wholesale component to our revenue generation and focusing on maintaining quality to reduce the downward pressures on pricing, will be equally important to realize and sustain our growth projections.

4.2 Communication

TWI plans on engaging in reasonable marketing, advertising, and branding practices that are not otherwise prohibited in 935 CMR 500.105(4) that do not jeopardize the public health, welfare or safety of the general public or promote the diversion of cannabis or cannabis use in individuals younger than 21 years old. Any such marketing, advertising and branding created for viewing by the public shall include the statement “Please Consume Responsibly,” in a conspicuous manner on the face of the advertisement and shall include a minimum of two of the warnings, located at 935 CMR 500.105(4)(a), in their entirety in a conspicuous manner on the face of the advertisement.

Additionally, TWI will communicate with our customers through our existing social media accounts, and our website.

TWI will provide a catalogue and a printed list of the prices and strains of cannabis available to Consumers and registered patients, and will post the same catalogue and list on its website and in the Marijuana Retailer.

5. FINANCIAL PROJECTIONS

5.1 Financial Assumptions

As further detailed in our Income Statement, Balance Sheet, and Cash Flow, displayed below, years 2015-2019 are modeled bottom-up, with years 2020-2021 modeled top down.

REVENUES

Theory's top-line revenue projections stem from the following key revenue generating assumptions:

- 1) Continued medical cannabis sales out of our Bridgewater RMD location
- 2) Dual use sales (Adult Use + Medical Cannabis) out of our Great Barrington location
- 3) Surplus in production sold as wholesale to other licensed Cannabis Establishments

Medical Cannabis sales are forecasted off our actuals, based on our realized average transaction size, product pricing, and discounts provided.

Adult Use sales are based on the following key assumptions:

- 1) Average Transaction Size: \$85/visit decreasing to \$75/visit by year 2
- 2) A 17% average usage rate across MA residents
- 3) Downward pressure on prices, as seen in the table below:

COSTS

All costs & projected yields are modeled off TWI actuals (TWI is a currently operating RMD), adjusted up or down based of Adult Use market conditions, with departmental contingencies throughout.

Operating Policies and Procedures Proposed Plan for Diversity

All licenses – Theory Wellness Inc.

Diversity Plan

Theory Wellness Inc. (“TWI”) is committed to a policy of equal employment opportunity. We recruit and hire applicants without regard to race, color, religion, sex (including pregnancy), national origin, disability, age, sexual orientation, veteran status, genetic information, or any other factor prohibited by law.

In order to ensure we have a workforce that represents the diverse communities we do business in, TWI will create and execute a diversity plan. The goals of the plan are to (a) recruit a diverse workforce, (b) create a workplace that is free from discrimination, and (c) encourage a diverse management team. The plan will be broken down to three parts:

Hiring Practices

- Post job opportunities across multiple platforms
- Ensure applicants are screened by staff trained to be free from discrimination
- TWI will not discriminate against candidates whom have a non–disqualifying cannabis related criminal record
- TWI will embrace and acknowledge how individuals with diverse backgrounds can bring a wide range of talents to TWI. Our goal is to have a workforce equally if not more diverse than the average demographics in the communities we operate in (measured by comparing our data to the demographic of the county in which we operate in).
- TWI will offer automatic in person interviews to any individuals trained by the Commission’s Social Equity Program

Training Practices

- Train all staff, as part of initial and ongoing training, on our zero tolerance harassment and discrimination policy.
- Our Human Resources Department Staff will take, once per year, a course on diversity / discrimination in the workplace.
- Create safe avenues for employees to report potential discrimination or harassment
- Provide resources, as needed, for any individuals whom may need additional training

Management Practices

- Aim to create a diverse management team

- Encourage internal applicants for all promotional opportunities – identify and address any potential barriers to promotions for certain individuals
- Support all employees in their professional growth plans
- Allow and encourage managers to hold round table discussions on diversity if a manager feels it would be advantageous to do so
- Ensure Management properly addresses any reports of discrimination or harassment

Equity Provisions

In addition to hiring a diverse workforce, TWI has launched a social equity program. We recently selected an Economic Empowerment Applicant “Legal Greens” to be our first participant in the program. This program will assist Legal Greens by:

- a. Providing the company with \$100,000 in no interest loans – we expect to have this loan complete by August 15th, 2019.
- b. Providing the company with \$150,000 worth of initial cannabis inventory. They will pay TWI back for this inventory once it has been sold.
- c. Assisting with all aspects of Legal Green’s business plan and execution, including:
 - i. State and local licensing
 - ii. Banking and other professional service relationships
 - iii. Dispensary design and construction
 - iv. Standard operating procedures
 - v. Safety and security plans

Measurement and Accountability

TWI’s Board of Directors will examine, once per year, the effectiveness of our diversity plan by looking at the following metrics:

- Number and percentage of jobs held by people of color, specifically people of African-American/Black and/or Hispanic or Latino descent, women, veterans, farmers, and people with drug convictions
- Number and percentage of **management** positions held by people of color, specifically people of African-American/Black and/or Hispanic or Latino descent, women, veterans, farmers, and people with drug convictions
- Number of individuals that TWI employs that were trained by the Commission’s Social Equity Program
