Tree Beard Inc., d/b/a Old Soul Gardens

Business Plan for a Massachusetts Recreational Marijuana Establishment
under 935 CMR 500.00 and ancillary businesses as of December 2, 2019

I. Summary

This Business Plan is for the operation of Tree Beard, Inc., as a future licensed recreational marijuana establishment for cannabis cultivation, manufacture, retail sale, and transportation upon the issuance of the appropriate licenses from the Cannabis Control Commission (CCC). This plan summarizes our best practices to minimize any potential harms associated with this business as well as maximize potential benefits for the New Bedford community. Through our economic empowerment and social responsibility initiatives we plan to rejuvenate our city that has been so harshly affected by the disproportionate impact of the criminalization of cannabis.

Tree Beard, Inc., comprises of executive officers, board members and close affiliates with particularized skills including extensive knowledge of the local New Bedford area and cannabis industry, legal compliance, real estate investment, insurance, finance, medical, marketing, cannabis cultivation and manufacturing, construction, information technology, retail sales, and existing client relations and networks. Tree Beard intends to initially obtain one of each available license to allow for vertical integration of products from seed to sale in one location. Utilizing one location for the first set of licenses will allow us to be the first to market in our area, maximize profits from selling our own products, and minimize risks associated with transporting products between the license types.

As a certified economic licensee, we intend to prioritize our progressive company policies, community improvements, and employee base of New Bedford residents. Tree Beard intends to lead the state as a shining example of corporate responsibility through our diverse hiring practices and allocating 3% of our gross funds to the City of New Bedford and 1.5% for local programs that deliver substance abuse prevention and education in the City's elementary and secondary school. We believe in correcting the social economic in-justice through the opportunity of providing quality local grown cannabis. Tree Beard is potentially going to be the first locally owned vertically integrated cannabis establishment in a distressed gateway city.

II. Site Control: 1 Nauset Street, New Bedford, Massachusetts

Tree Beard currently has site control over one of the few parcels in the City of New Bedford that meets their zoning ordinance. Phase one is obtaining licensing and permitting for the first set of licenses to perform complete vertical integration of cannabis cultivation, manufacture, transportation, and retail sale of cannabis at 1 Nauset Street, New Bedford, Massachusetts. Phase one vertical integration is required for brand viability in an unprecedented market in Massachusetts with a narrow selection of available properties. Phase one allows for a self-sustaining, efficient, safe, and economic start of the company. 1 Nauset Street is an existing car dealership consisting of 8,901 square feet on a .82 acre lot zoned for industrial use in compliance with the City's Zoning Ordinance for a Marijuana Establishment. Nauset Street is highly desirable because of its zoning compliance, spacious existing showroom and garage, large parking lot for customers and employees, two electric vehicle charging stations, and close proximity to transportation nodes including the Mt. Pleasant/Nauset Street Bus Stop (SRTA), Route 140, and Interstate I95. Tree Beard, Inc., will be the first recreational dispensary in New Bedford and will be a model of how cannabis can properly fit into society while adding societal benefit and minimizing the dangers associated with the industry.

III. Group of Companies

Tree Beard’s cultivation, manufacture, and retail license will be under the trade name **Old Soul Gardens**. Old Soul Gardens is an award winning independent craft cannabis company discreetly styled to provide secure and safe access to only the highest quality cannabis flower from our very own proprietary strains and the highest quality hand-crafted cannabis products including flower, kief, hash, concentrates, edible infusions, custom handrolls, oils and topicals. OSG will be the premier craft cannabis company known for its “never settle approach in crafting high-quality products and promoting a remarkably distinct **“lifted life®”** for our clients.” Our mantra establishes our commitment to providing our clients with the highest quality of cannabis products to attain wellness on all levels they may seek. Old Soul Gardens will strive to grow and manufacture cannabis products of the highest quality to then be dispensed at several of our own uniquely branded retail stores and possibly wholesale to third party retail establishments. Tree Beard intends to capture the broadest market of individuals by creating distinct retail establishments to appeal to everyone’s unique interests. Old Soul Gardens’ craft vibe will attract the existing recreational cannabis consumer, cannabis connoisseurs seeking high-quality hand-crafted products, and a new market of potential cannabis consumers interested in the offering of OSG as a new “modern classic.”

IV. Executives:

The transportation license is operated by Daphney Williams and Leona Leaver who are taking their expertise from owning two successful medical transportation services in Massachusetts and Rhode Island with twelve vehicles per business and transitioning into the cannabis industry. Daphney Williams’s parents came to this country from Haiti when she was 9. She learned a deep respect for the need of safety from her father who was in the security industry. This mindset allowed her to create, New Generation Transportation as well as qualify for the “Women-Owned Small Business Federal Contract Program.” As a board member of the RI Non-emergency Medical Transportation Association, she has fought for the elderly population at the

state level. Her goal has always been to ensure quality service from experienced, qualified, and properly trained drivers. Her existing transportation company already implements security and safety protocols for elderly patients. Daphney's other passion is serving on the board of the Wickford SDA Church as well as helping young children in the Pathfinder program.

Leona Leaver, Managing Director, has successfully owned LL Medical Transportation for the past 4 years with one of the highest customer service ratings. Leona has assisted the community with her work at the Humane Society rescuing kittens and pets. Leona was severely injured as a pedestrian in an automobile accident resulting in a spinal cord injury. After being forced to take disability benefits she thought working again, never mind owning a business, was out of reach. After a long recovery, she took the very little money she had and 30 yrs. of knowledge in para-transit to start her own transportation business. Leona's perseverance and rigid work ethic allowed her to return to the work force and she is now flourishing.

The Tree Beard Group of Companies consists of six original officers and owners. Jeffrey Pepi is the original founder of the Tree Beard concept of companies. Jeffrey Pepi has successfully owned an insurance company since 1998. Jeff diversified his company to specialize in health insurance under a new company, Health Plan Solutions, which assisted businesses staying legally compliant with Massachusetts' Fair Share Contributions. The company evolved to assist patients navigate the arduous task of completing Mass Health & Connector Care enrollments. Tree Beard was realized when medical marijuana became legal in Massachusetts and Jeff saw an opportunity to continue his passion for helping people.

Joshua R. Craig is the founder of the Old Soul Gardens brand and is a master cannabis cultivator. Joshua has over ten years' experience with cultivation of cannabis including lead-management of large-scale operations out-of-state and strain development. Joshua maintains over 20 proprietary strains of cannabis and has extensive knowledge in the science and technical aspects of cultivation. Joshua's hand-crafted techniques and attention to detail creates a premium cannabis product fitting of the OSG "never settle" mantra. Joshua is recognized by his peers as an artisanal cultivator and has received top placement in awards for concentrate and flower.

Chris Thistle is a self-taught Web & Graphic Design/IT Guru with experience serving clients professionally for over twelve years. Chris became an EMT in pursuit of his passion of helping others with medicine and science. Chris strengthened his passion by learning about cannabidiol and tetrahydrocannabinol. Chris is the in-house expert on the human endocannabinoid system and the effects of CBD & THC. Chris has developed a proprietary branded "Terpene Station," called Thistle Terpenes, with intent to develop into a cannabis infused product upon

licensure. Chris' terpene mixtures and infusions assist in improving quality of life and alleviating a plethora of ailments.

Attorney Nicholas A. Gomes has owned and operated a general law practice for the past five years with offices in New Bedford, Fall River and Boston. Nicholas specializes in civil litigation, real estate, construction contracts and disputes, environmental matters, business, estate planning, personal injury, and consumer protection law. Nicholas represents many individuals and businesses in the City of New Bedford including retail, restaurant, and construction industries. Nicholas has extensive knowledge and experience of working with the local municipality. Nicholas also provides legal services to low-to-moderate income individuals as a member of the Justice Bridge non-profit.

Job Roach has been associated with the Medical Industry for the past 15 years, working with many physicians & specialists. He has spent the last 8 years working in medical sales and helping patients improve their quality of life. Recently in 2016, Job co-founded JASGAR Medical, which is a medical distributor of wellness & supplement products. His extensive medical background allows him to work simultaneously with physicians and patients on a daily basis, bringing great value to the team.

Hans Doherty has a background in the insurance & culinary arts industry. After graduating from Johnson & Wales University, Hans worked up and down the east coast as a chef and restaurant manager. He spent the next 25 years selling home, auto, business & marine insurance. Now, acting as the Chief Marketing Officer for Tree Beard Inc., Hans utilizes his vast book of business to make networking connections and bring new contracts and partnerships to the table.

Re: Commercial Cannabis Insurance Procurement

Dear Mr. Gomes:

Tree Beard Inc., d/b/a Old Soul Gardens ("Tree Beard") to be located at 1 Nauset Street, New Bedford, MA 02746 has begun the process for meeting the statutory insurance requirements stated in 935 CMR: CANNABIS CONTROL COMMISSION CMR 500.000, ADULT USE OF MARIJUANA Section 500.105: General Operational Requirements for Marijuana Establishments (J).

Greenpoint Insurance Advisors, LLC is pleased to provide you with a proposal for commercial liability and business property insurance as part of your application process to be granted a recreational cannabis licensee in the State of Massachusetts.

Re: Acceptance of Donations

Dear Attorney Gomes:

Please be advised the International Cannabis Physicians Association (ICPA) is honored to accept donations of money and time from your organization. The ICPA is based in New Bedford and is involved in the local community and around the world with a network of affiliates. The ICPA provides educational seminars on cannabis with a focus on reducing the stigma associated with cannabis and assisting those who were disproportionately affected by cannabis prohibition. All of our events are located in New Bedford and we seek to market our programs to the general public with a target demographic of those affected by cannabis prohibition. We sponsor expungement events aimed at crimes associated with the war on drugs. We have created and are in the process of conducting a cannabis curriculum for individuals who want to learn more about cannabis and potentially pursue a career in the industry.

Please feel free to contact me with any questions or concerns. We look forward to continued work together to better our local community and repair the damages of the past.

Tree Beard seeks to hire 50% of its employees and third-party vendors from New Bedford. Tree Beard promotes full participation in the cannabis industry and intends to benefit the local New Bedford community and economy. Tree Beard will keep statistical data to ensure at least 50% of its employees and third-party vendors are from New Bedford.

As a fellow Economic Empowerment company, Tree Beard intends to expand upon its economic impact indirectly through programs designed to assist the local economy and Commission-designated Economic Empowerment applicants and Social Equity Program participants from New Bedford. We intend to assist individuals in entering the adult-use cannabis industry by reducing access barriers. Our hiring practices, community outreach, education seminars, training seminars, and volunteer training program will ensure increased economic opportunities in the adult-use cannabis industry is realized for residents of New Bedford and those who are designated as Economic Empowerment and Social Equity. Tree Beard will keep statistical

data to ensure at least its positive impact programs assist individuals from New Bedford and Commission-designated Economic Empowerment and Social Equity statuses. Tree Beard's ultimate intention is for 100% of its positive impact programs to assist individuals from New Bedford. We will be providing our time, skills, and finances towards promoting our own employee base as well as helping others seeking to enter the industry. Our owners and employees will work together on our initiatives to ensure our goals are met. The owners are members of the non-profit, the International Cannabis Physicians Association, currently seeking 501c3 approval. The Owners plan to continue volunteering and hosting educational seminars on cannabis in the City of New Bedford. The entity provides cannabis education on safe consumption, uses, history, home-growing, and industry specific workshops. These education and training seminars will be more frequent and industry specific upon licensure and funding. We intend to offer grants, training, and hands-on industry-space. Statistical data will be gathered to ensure at least 50% of our programs are reserved for individuals from New Bedford and other areas designated as disproportionately impacted by the Commission.

Tree Beard seeks to create economic opportunity indirectly by partnerships with local companies and organizations focusing on creating economic opportunities in the local community. The International Cannabis Physicians Association (ICPA) has agreed to be our partner and donee to promote small businesses and cannabis related businesses in our designated areas. The ICPA will assist by providing grants, mentorship, equity funding, group clean-ups, substance abuse prevention, elderly and homelessness assistance, and fundraising initiatives.

II. Assisting individuals impacted directly and indirectly with past drug convictions.

Tree Beard intends to assist individuals who have direct past drug convictions and their friends and families dealing with the collateral effects of those charges. Tree Beard intends to sponsor the local non-profit, Justice Bridge, affiliated with the University of Massachusetts School of Law, which provides low-moderate income individuals with access to justice.
