EQUITYWORKS CAREER HUB

Cannabis Careers Start Here

An inclusive job and networking platform built to connect job seekers, Social Equity Participants, and licensees in the Massachusetts cannabis industry.

- Access live job postings and virtual career fairs
- Connect directly with cannabis employers statewide
- Join exclusive training, mentorship, and hiring events
- Grow your career with tools designed for equity and success

FACT

EquityWorks supports participants, including those from disproportionately impacted communities, and is designed to expand career pathways, increase representation, and strengthen equity in the cannabis workforce.

Cannabis Control Commission
COMMONWEALTH OF MASSACHUSETTS

MassCannabisControl.com/EquityWorks

EquityWorks Career Hub is a new digital platform from the Cannabis Control Commission, powered by Premier Virtual, to help connect equity applicants and job seekers with licensed cannabis businesses across Massachusetts.

Use EquityWorks to explore job openings, attend virtual hiring events, and build relationships with companies committed to equity and inclusion.

This platform also offers access to resources for resume building, interview prep, and professional development—all tailored to help you succeed in the cannabis industry.

Sign up today to create your profile, register for training sessions, and view tutorials.
