

License Renewal Application: Medical Marijuana Treatment Centers

This form is for use by Medical Marijuana Treatment Centers (“MTC”) (formerly known as Registered Marijuana Dispensaries) to request and seek approval from the Cannabis Control Commission (Commission) to renew its license under 935 CMR 501.103(4): *Expiration and Renewal of Licensure*. Please note that the information contained within this document, and any publicly available guidance, is not legal advice. Please consult an attorney if you have any questions regarding the laws and regulations that apply to the medical use of marijuana.

General Information

Pursuant to 935 CMR 501.103(4), an MTC’s license shall expire one (1) year after the date of issuance of the provisional license and annually thereafter, and may be renewed, unless an action has been taken based on the grounds set forth in 935 CMR 501.450. Licensees are required to submit an application for renewal at least 60 days prior from the date the license expires.

Instructions

MTCs requesting a renewal of licensure must complete this application, submit all required documentation, and remit the applicable annual license fee. MTCs may renew multiple licenses at once if they expire during the same time frame. Each license must be renewed using a separate renewal application, separate Payment Remittance Form, and separate payment via check.

The MTC renewal application contains the following four (4) sections that must be fully completed:

- I. MTC Information;
- II. Required Documentation; and
- III. Required Attestations.

In addition to the sections identified above, the required annual license fee payment must be sent with the Payment Remittance Form below.

Please ensure that all responses are typed into the application. All attachments should be labeled so as to reference the particular document that is required. Please use the reference label that will be associated with each required document (i.e. “Document A”). This reference label should be on the top right corner of each page of the document.

Every section and numbered item of this application is required to be filled in with the required information. No section or numbered item should be left blank.

This application cannot be used for adult-use license renewal applications. Additionally, this form cannot be used for waiving requirements, or requesting changes in location, name, or ownership or control.

Completed Request

Once completed, the application and all required information, except the Payment Remittance Form, shall then be combined into a single PDF document and emailed to Licensing@CCCMass.com. Please include the following as the subject line of your email: “MTC Renewal-‘Licensee Name’ ”

Pursuant to 935 CMR 501.005(2), the applicable annual license fee for an MTC is \$50,000 per each MTC license. Please ensure the appropriate fee is paid in association with this application. Please follow the instructions in the Payment Remittance Form, at the end of this application, for the appropriate manner to send payment.

An insufficient payment for this renewal will delay the processing of this application and may result in your license expiring.

Review of the Request

The application will not be reviewed until the applicable annual license fee is received by the Commission. Once the payment is received, the application will be reviewed for completeness. If the Commission requires additional information, a notice will be sent to the business email address stated on the application.
