6. The proposed parties do not appear to have exceeded any ownership or control limits over any license type.
7. Commission staff conducted an organizational and financial inspection into the parties associated with this request and found no issues or inconsistencies with the information provided to the Commission.

RECOMMENDATION

Commission staff recommend review and decision on the request for change of ownership and control, and if approved, request that the approval be subject to the following conditions:

1. The licensee and proposed parties may now effectuate the approved change.
2. The licensee shall notify the Commission when the change has occurred.
3. The licensee shall submit a change of name request following this approval if any business or doing-business-as names associated with the license(s) will require modification.
4. The licensee is subject to inspection to ascertain compliance with Commission regulations.
5. The licensee shall remain suitable for licensure.
6. The licensee shall cooperate with and provide information to Commission staff.
7. The licensure is subject to notification to the Commission of any update to written operations plans required by 935 CMR 500.105(1) and/or 935 CMR 501.105(1) after effectuating the change, if applicable, and shall give Commission staff adequate opportunity to review said plans at the business location or the location where any such plans are maintained in the normal course of business.
