Plan to Remain Compliant with Local Zoning

The purpose of this plan is to outline how GTE Franklin, LLC, (“GTE”) is and will remain in compliance with local codes, ordinances and bylaws for the physical address of the retail marijuana establishment at 1256 West Central Street, Franklin, MA 02038, which shall include, but not be limited to, the identification of any local licensing requirements for the adult use of marijuana.

1256 West Central Street is located in Marijuana Use Overlay District and properly zoned pursuant to the Town of Franklin Zoning Bylaw Section 185-49 and changes to Section 185-5 Zoning Map. The Marijuana Use Overlay District consist of those parcels of land zoned industrial that are located south or west of the sideline of Interstate 495. In accordance with this section, the marijuana establishment is not within 500 feet of a public or private school, and not within 200 feet of a residential zoning district, library, church, child-care facility, park, and playground.

The 500 feet and 200 feet distances are measured from all property lines of the proposed use. State Forest land shall not be considered when determining the proximity of a parcel to a residential zoning district.

Pursuant to Section 4, GTE appeared before the Franklin Planning Board for a Special Permit on June 17, 2019 for permission to operate a marijuana establishment. The Planning Board continued to hold public hearings on July 22, 2019, August 5, 2019, September 9, 2019 and September 23, 2019. On September 25, 2019, having received all pertinent data and special permit application documents, the Planning Board moved to grant the GTE a special permit to operate the marijuana establishment.

The special permit includes a few conditions imposed by the Franklin Planning Board. The special permit shall lapse if a substantial use or construction has not begun within twenty-four (24) months of approval, unless the Board grants an extension and all signage must be filed with the Design Review Commission. The special permit is for GTE Franklin LLC and non-transferrable. The clients are to arrive by appointment only, which may be lifted with a modification on the special permit thru the planning board.

In addition to GTE remaining compliant with existing Zoning Bylaws; GTE will continuously engage with Town of Franklin officials to remain up to date with local zoning ordinances to remain fully compliant.

PLAN FOR POSITIVE IMPACT

INTENT

Cannabis prohibition has disproportionately impacted certain communities in Massachusetts. As the Commonwealth begins to embrace the adult-use cannabis industry in earnest, GTE Franklin LLC (“GTE Franklin”) recognizes that it has a responsibility to contribute to the communities in which it does business and the surrounding areas in need. GTE Franklin will focus its time and resources on its host community of Franklin and the surrounding community of Mansfield, which has been identified by the Cannabis Control Commission (“CCC”) as an area of disproportionate impact. GTE Franklin is fully committed to ensuring that it is making positive and lasting contributions to the communities where the company resides as well as neighboring localities that have been disproportionately impacted.

PURPOSE

The purpose of this document is to summarize GTE Franklin’s plan to ensure our business creates positive and lasting impacts within the communities in which it will be involved.

GTE Franklin is committed to fostering positive relationships within the community and identifying ways in which to give back. GTE Franklin seeks to utilize our resources – including time, talent and monies – to provide assistance to those who may be underserved and/or in need. We plan to achieve these goals through charitable giving, volunteer time and community engagement.

INITIATIVES AND METRICS

GTE Franklin aims to implement the following initiatives to assist those communities that have been disproportionately impacted.

Proposed Initiative: GTE Franklin will make a minimum annual financial contribution of at least \$5,000 to Safe Coalition (SAFE). SAFE is a regional coalition of community partners in Western Norfolk County who provide a pathway for support, education, treatment options, and coping mechanism for those affected by substance use disorder. SAFE serves Commission-designated areas of disproportionate impact in Western Norfolk County, specifically Mansfield and Walpole. Attached, please find a letter from SAFE acknowledging acceptance of funds from cannabis license holders.

Goal: GTE Franklin will make an annual contribution to SAFE which will in turn support and empower those affected by substance use disorder, granting individuals and their families the necessary tools to succeed on the path to recovery.

Metrics: GTE Franklin will maintain a record of its annual donations to SAFE. GTE Franklin will keep records of feedback that we receive relative to the impact of our contributions, if any. This will in turn help us make decisions about adjustments that need to be made in the future.

Proposed Initiative: GTE Franklin will commit to provide all employees with a minimum of 8 hours paid time to participate in a neighborhood clean-up initiative that serves identified areas of disproportionate impact. GTE Franklin will focus their clean-ups in Mansfield.

Goal: GTE Franklin is committed to serving communities that have been disproportionately impacted by serving individuals and organization through the contribution of employee volunteer time courtesy of the company with a goal of donating 8 hours per employee per year. GTE Franklin will also have a goal of 85% participation in the neighborhood clean-up program by its employees each calendar year.

Metrics: GTE Franklin will maintain records of each employee who participates in the neighborhood clean-up program and the number of hours contributed by each employee. GTE Franklin will host two clean-up days annually, one in the Spring and one in the Fall. GTE Franklin will then solicit feedback from each employee to learn about their experiences and determine whether adjustments should be made in the future with regards to this program. These metrics will be outlined in a comprehensive report that will be completed 60 days prior to our annual license renewal (one year from provisional licensure, and each year thereafter) to the Cannabis Control Commission. GTE Franklin will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of Marijuana Establishments.

CONCLUSION

GTE Franklin will conduct continuous and regular evaluations of the implementation of its goals and at any point will retool its policies and procedures in order to better accomplish the goals set out in this Plan for Positive Impact. GTE Franklin will receive confirmation from an organization that it can receive a donation or work with the marijuana establishment in furthering its goals. Letters from the organizations will be attached and included in GTE Franklin's Plan for Positive Impact on file at its marijuana establishment. It is important to note that no specific organizations are currently a part of this Plan; however, GTE Franklin will adhere to this acknowledgement should it retool its policies and procedures in the future and in consultation with the Commission. Any actions taken, or programs instituted by GTE Franklin will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

Dear Cannabis Control Commission,

It has been brought to our attention that local organizations that are open to receiving donations through the Positive Impact Plan from a Cannabis establishment will need to express in writing.

Over the last year the SAFE Coalition in Franklin has been in communication with GTE Franklin, LLC and our organization is open to receiving a donation from this company.

Please let us know if you need any further information.

No Member shall be entitled to resign or withdraw from the Company except as expressly provided in this Agreement, and no Member shall be entitled to receive any distribution or otherwise receive the fair market value of its Membership Interest in compensation for any purported resignation or withdrawal not in accordance with the terms of this Agreement.

SECTION 3

ALLOCATION OF PROFITS AND LOSSES; DISTRIBUTIONS

3.1 *Profits/Losses.* For financial accounting and tax purposes, the Company's net profits or net losses shall be determined on an annual basis and shall be allocated to the Members in proportion to each Member's relative percentage interest in the Company as set forth in Schedule 1 as amended from time to time in accordance with U.S. Department of the Treasury Regulation 1.704-1.

3.2 *Distributions.* The Members shall determine and distribute available funds annually or at more frequent intervals as they see fit. 4.1 The Company shall indemnify any person who was or is a party defendant or is threatened to be made a party defendant, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Company) by reason of the fact that he is or was a Member of the Company, Manager, employee or agent of the Company, or is or was serving at the request of the Company, against expenses (including attorney's fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if the Members determine that he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interest of the Company, and with respect to any criminal action proceeding, has no reasonable cause to believe his/her conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of "no lo Contendere" or its equivalent, shall not in itself create a presumption that the person did or did not act in good faith and in a manner which he reasonably believed to be in the best interest of the Company, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his/her conduct was lawful.

SECTION 5

POWERS AND DUTIES OF MANAGERS

5.1 Management of Company. Except as provided in the Act or as expressly provided herein, the Manager shall have the exclusive power and authority over the conduct of the Company's business, operations and affairs. The Manager is hereby authorized and empowered on behalf and in the name of the Company to do the following: (i) carry out the purposes of the Company; (ii) manage the affairs and business of the Company and (iii) perform all acts, and to enter into and to perform all contracts and other undertakings, which the Manager may in its sole discretion deem necessary or advisable, or which are incidental, to carry out the purposes of the Company and which are not in contravention of this Agreement. Any action taken by the Manager shall constitute the act of and serve to bind the Company and each Member thereof. The Manager shall be the sole Person with the power to bind the Company, except to the extent that such power and authority is expressly delegated to any other Person by the Manager or this Agreement. No delegation of power and authority by the Manager shall cause the Manager to cease to be the Manager of the Company.

5.2 Number of Managers; Initial Managers. The number of initial Managers shall be one (1). The initial Manager of the Company shall be Chirag Patel.

5.3 Term of Manager. The Manager shall serve until a successor or successors are duly elected and have qualified, or until its earlier resignation or removal pursuant to Sections 5.6 and 5.7.

5.4 Indemnity. No Manager, Member, officer, agent or employee of the Company shall be liable, responsible or accountable for damages or otherwise to the Members or the Company for any acts taken or performed or for any omission to act, if such conduct does not constitute willful misconduct or recklessness. In any threatened, pending or completed action, suit or investigation in which any Manager, Member, officer, agent or employee of the Company was or is a party by virtue of his status as a Manager, Member, officer, agent or employee of the Company shall, solely from Company assets, indemnify the Manager, Member, officer, agent or employee of the Company against judgments, settlements, penalties, fines or expenses, including attorney's fees, incurred by him in connection therewith, so long as his act or failure to act does not constitute willful misconduct, recklessness, a breach of loyalty, lack of good faith, intentional misconduct, knowing violation of law, or a transaction from which he derived an improper personal benefit. The indemnification rights herein contained shall be cumulative of, and in addition to, any and all other rights and remedies to which the Manager, Member, officer, agent or employee of the Company shall be entitled, whether pursuant to some other provision of this Agreement, at law or in equity.

5.5 Third Party Consultants. The Manager may consult with legal counsel, accountants, appraisers, management consultants and such other consultants and advisors ("Third Party Consultants") as it may deem necessary or advisable. The opinion of such Third Party Consultants as to matters that the Manager reasonably believes to be within such Third Party Consultant's professional or expert competence shall constitute full and complete authorization and protection in respect of any action taken or suffered or omitted by the Manager in good faith and in accordance with such opinion, provided that the Manager acted reasonably and in good faith in the selection of such Person or in reliance on such opinion.

5.6 Resignation of Manager. Any Manager may resign at any time by giving written notice to the Company. The resignation of any Manager shall take effect upon the receipt of notice or at such time as shall be specified in the notice. The acceptance of the resignation shall not be necessary to make it effective.

5.7 Removal of Manager. A Manager may be removed at any time, with or without cause, by a Majority in Interest of Common Unit Holders.

5.8 Appointments of Managers. Members shall fill any vacancies in positions of Manager by the vote of a *Majority in Interest*.

6.1 Organization Expenses. All expenses incurred in connection with organization of the Company will be paid by the Company.

6.2 Salary. No salary will be paid to a Member for the performance of his or her duties under this Agreement unless the salary has been approved in writing by a Majority of the Members.

6.3 Legal and Accounting Services. The Company may obtain legal and accounting services to the extent reasonably necessary for the conduct of the Company's business.

SECTION 7

BOOKS OF ACCOUNT, ACCOUNTING REPORTS, TAX RETURNS, FISCAL YEAR, BANKING

7.1 Method of Accounting. The Company will use the method of accounting previously determined by the Members for financial reporting and tax purposes.

7.2 Fiscal Year; Taxable Year. The fiscal year and the taxable year of the Company is the calendar year.

7.3 Capital Accounts. The Company will maintain a Capital Account for each Member on a cumulative basis in accordance with federal income tax accounting principles.

7.4 Banking. All funds of the Company will be deposited in a separate bank account or in an account or accounts of a savings and loan association in the

name of the Company as determined by a Majority of the Members. Company funds will be invested or deposited with an institution, the accounts or deposits of which are insured or guaranteed by an agency of the United States government.

SECTION 8

TRANSFER OF MEMBERSHIP INTEREST

8.1 Sale or Encumbrance Prohibited. Except as otherwise permitted in this Agreement, no Member may voluntarily or involuntarily transfer, sell, convey, encumber, pledge, assign, or otherwise dispose of (collectively, "Transfer") an interest in the Company without the prior written consent of a majority of the other non-transferring Members determined on a per capita basis.

8.2 Right of First Refusal. Notwithstanding Section 8.1, a Member may transfer all or any part of the Member's interest in the Company (the "Interest") as follows:

8.2.1 The Member desiring to transfer his or her Interest first must provide written notice (the "Notice") to the other Members, specifying the price and terms on which the Member is prepared to sell the Interest (the "Offer").

8.2.2 For a period of 30 days after receipt of the Notice, the Members may acquire all, but not less than all, of the Interest at the price and under the terms specified in the Offer. If the other Members desiring to acquire the Interest cannot agree among themselves on the allocation of the Interest among them, the allocation will be proportional to the Ownership Interests of those Members desiring to acquire the Interest.

8.2.3 Closing of the sale of the Interest will occur as stated in the Offer; provided, however, that the closing will not be less than 45 days after expiration of the 30-day notice period.

8.2.4 If the other Members fail or refuse to notify the transferring Member of their desire to acquire all of the Interest proposed to be transferred within the 30-day period following receipt of the Notice, then the Members will be deemed to have waived their right to acquire the Interest on the terms described in the Offer, and the transferring Member may sell and convey the Interest consistent with the Offer to any other person or entity; provided, however, that notwithstanding anything in Section 8.2 to the contrary, should the sale to a third person be at a price or on terms that are more favorable to the purchaser than stated in the Offer, then the transferring Member must reoffer the sale of the Interest to the remaining Members at that other price or other terms; provided, further, that if the sale to a third person

is not closed within six months after the expiration of the 30-day period describe above, then the provisions of Section 8.2 will again apply to the Interest proposed to be sold or conveyed.

8.2.5 Notwithstanding the foregoing provisions of Section 8.2, should the sole remaining Member be entitled to and elect to acquire all the Interests of the other Members of the Company in accordance with the provisions of Section 8.2, the acquiring Member may assign the right to acquire the Interests to a spouse, lineal descendent, or an affiliated entity if the assignment is reasonably believed to be necessary to continue the existence of the Company as a limited liability company.

8.3 Substituted Parties. Any transfer in which the Transferee becomes a fully substituted Member is not permitted unless and until: (i) the transferor and assignee execute and deliver to the Company the documents and instruments of conveyance necessary or appropriate in the opinion of counsel to the Company to effect the transfer and to confirm the agreement of the permitted assignee to be bound by the provisions of this Agreement; and (ii) the transferor furnishes to the Company an opinion of counsel, satisfactory to the Company, that the transfer will not cause the Company to terminate for federal income tax purposes or that any termination is not adverse to the Company or the other Members.

8.4 Death, Incompetency, or Bankruptcy of Member. On the death, adjudicated incompetence, or bankruptcy of a Member, unless the Company exercises its rights under Section 8.5, the successor in interest to the Member (whether an estate, bankruptcy trustee, or otherwise) will receive only the economic right to receive distributions whenever made by the Company and the Member's allocable share of taxable income, gain, loss, deduction, and credit (the "Economic Rights") unless and until a majority of the other Members determined on a per capita basis admit the transferee as a fully substituted Member in accordance with the provisions of Section 8.3.

8.4.1 Any transfer of Economic Rights pursuant to Section 8.4 will not include any right to participate in management of the Company, including any right to vote, consent to, and will not include any right to information on the Company or its operations or financial condition. Following any transfer of only the Economic Rights of a Member's Interest in the Company, the transferring Member's power and right to vote or consent to any matter submitted to the Members will be eliminated, and the Ownership Interests of the remaining Members, for purposes only of such votes, consents, and participation in management, will be proportionately increased until such time, if any, as the transferee of the Economic Rights becomes a fully substituted Member.

8.5 Notwithstanding the foregoing provision of Section 8, the Members covenant and agree that on the death of any Member, the Company, at its option, by

providing written notice to the estate of the deceased Member within 180 days of the death of the Member, may purchase, acquire, and redeem the Interest of the deceased Member in the Company pursuant to the provision of Section 8.5.

- 8.5.1 The value of each Member's Interest in the Company will be determined by a existing appraisal of the assets of the Company performed by a certified appraiser conducted by the Company's mortgage lender. However, if the latest valuation is more than two years before the death of the deceased Member, the provisions of Section 8.5.2 will apply in determining the value of the Member's Interest in the Company.
- 8.5.2 If the Members have failed to value the deceased Member's Interest within the prior two year period, the value of each Member's Interest in the Company on the date of death, in the first instance, will be determined by mutual agreement of the surviving Members and the personal representative of the estate of the deceased Member. If the parties cannot reach an agreement on the value within 30 days after the appointment of the personal representative of the deceased Member, then the surviving Members and the personal representative each must select a qualified appraiser within the next succeeding 30 days. The appraisers so selected must attempt to determine the value of the Company Interest owned by the decedent at the time of death based solely on their appraisal of the total value of the Company's assets and the amount the decedent would have received had the assets of the Company been sold at that time for an amount equal to their fair market value and the proceeds (after payment of all Company obligations) were distributed in the manner contemplated in Section 8. The appraisal may not consider and discount for the sale of a minority Interest in the Company. In the event the appraisers cannot agree on the value within 30 days after being selected, the two appraisers must, within 30 days, select a third appraiser. The value of the Interest of the decedent in the Company and the purchase price of it will be the average of the two appraisals nearest in amount to one another. That amount will be final and binding on all parties and their respective successors, assigns, and representatives. The costs and expenses of the third appraiser and any costs and expenses of the appraiser retained but not paid for by the estate of the deceased Member will be offset against the purchase price paid for the deceased Member's Interest in the Company.
- 8.5.3 Closing of the sale of the deceased Member's Interest in the Company will be held at the office of the Company on a date designated by the Company, not be later than 90 days after agreement with the personal representative of the deceased Member's estate on the fair market value of the deceased Member's Interest in the Company; provided, however, that if the purchase price are determined by appraisals as set forth in Section 8.5.2, the closing will be 30 days after the final

appraisal and purchase price are determined. If no personal representative has been appointed within 60 days after the deceased Member's death, the surviving Members have the right to apply for and have a personal representative appointed.

8.5.4 At closing, the Company will pay the purchase price for the deceased Member's Interest in the Company. If the purchase price is less than \$1,000.00, the purchase price will be paid in cash; if the purchase price is \$1,000.00 or more, the purchase price will be paid as follows:

8.5.4.1 \$1,000.00 in cash, bank cashier's check, or certified funds;

8.5.4.2 The balance of the purchase price by the Company executing and delivering its promissory note for the balance, with interest at the prime interest rate stated by primary banking institution utilized by the Company, its successors and assigns, at the time of the deceased Member's death. Interest will be payable monthly, with the principal sum being due and payable in three equal annual installments. The promissory note will be unsecured and will contain provisions that the principal sum may be paid in whole or in part at any time, without penalty.

8.5.5 At the closing, the deceased Member's estate or personal representative must assign to the Company all of the deceased Member's Interest in the Company free and clear of all liens, claims, and encumbrances, and, at the request of the Company, the estate or personal representative must execute all other instruments as may reasonably be necessary to vest in the Company all of the deceased Member's right, title, and interest in the Company and its assets. If either the Company or the deceased Member's estate or personal representative fails or refuses to execute any instrument required by this Agreement, the other party is hereby granted the irrevocable power of attorney which, it is agreed, is coupled with an interest, to execute and deliver on behalf of the failing or refusing party all instruments required to be executed and delivered by the failing or refusing party.

8.5.6 On completion of the purchase of the deceased Member's Interest in the Company, the Ownership Interests of the remaining Members will increase proportionately to their then-existing Ownership Interests.

SECTION 9

DISSOLUTION AND WINDING UP OF THE COMPANY

9.1 Dissolution. The Company will be dissolved on the happening of any of the following events:

- 9.1.1 Sale, transfer, or other disposition of all or substantially all of the property of the Company;
- 9.1.2 The agreement of all of the Members;
- 9.1.3 By operation of law; or
- 9.1.4 The death, incompetence, expulsion, or bankruptcy of a Member, or the occurrence of any event that terminates the continued membership of a Member in the Company, unless there are then remaining at least the minimum number of Members required by law and all of the remaining Members, within 120 days after the date of the event, elect to continue the business of the Company.

9.2 Winding Up. On the dissolution of the Company (if the Company is not continued), the Members must take full account of the Company's assets and liabilities, and the assets will be liquidated as promptly as is consistent with obtaining their fair value, and the proceeds, to the extent sufficient to pay the Company's obligations with respect to the liquidation, will be applied and distributed, after any gain or loss realized in connection with the liquidation has been allocated in accordance with Section 3 of this Agreement, and the Members' Capital Accounts have been adjusted to reflect the allocation and all other transactions through the date of the distribution, in the following order:

- 9.2.1 To payment and discharge of the expenses of liquidation and of all the Company's debts and liabilities to persons or organizations other than Members;
- 9.2.2 To the payment and discharge of any Company debts and liabilities owed to Members; and
- 9.2.3 To Members in the amount of their respective adjusted Capital Account balances on the date of distribution; provided, however, that any then outstanding Default Advances (with interest and costs of collection) first must be repaid from distributions otherwise allocable to the Defaulting Member pursuant to Section 9.2.3.

SECTION 10

2. COMPANY DESCRIPTION

2.1 Corporate and Application Status

GTE Franklin is a Massachusetts limited liability company in good standing with the Commonwealth that is applying for a license from the Commission to operate an adult use MRE in the Commonwealth.

GTE Franklin will file, in a form and manner specified by the Commission, an application for licensure as a MRE consisting of three (3) packets: an Application of Intent packet; a Background Check packet; and a Management and Operations Profile packet, in addition to submission of the required fees.

2.2 Operations

GTE Franklin has executed a Letter of Intent to Lease for 1256 West Central Street in Franklin to use as a MRE. 1256 West Central Street is a 18,000 square foot commercial building that is currently being used as a warehouse and office space. GTE Franklin intends to use 4,000 square feet of the existing building to operate the dispensary. There is ample existing parking on site for customers and we will be adding an additional 42 parking spaces.

GTE Franklin's facility will be designed with the specific intentions of ensuring consumer and client safety; promoting a smooth flow of business throughout the facility; eliminating queuing; and incorporating design nuance that is intended to facilitate one-on-one conversations between customer service representatives and customers. GTE Franklin will meticulously invest in security, interior design, quality control, product testing, and staff training. The company intends to mitigate traffic issues by starting off the business with appointment-only visitations thereby limiting the customers to the number of parking spaces.

GTE Franklin plans to obtain the marijuana flower and marijuana products to be sold at its Retailer Establishment from other licensed Marijuana Cultivator and Product Manufacturer Establishments in the Commonwealth.

2.3 Inventory Procedures

GTE Franklin will establish inventory controls and procedures for reviewing comprehensive inventories of marijuana products; conduct a monthly inventory of finished, stored marijuana; conduct a comprehensive annual inventory at least once every year after the date of the previous comprehensive inventory; and promptly transcribe inventories if taken by use of an oral recording device.

GTE Franklin will track all marijuana products using a seed-to-sale methodology in a form and manner approved by the Commission. Such procedures have a well-established track record in the industry of preventing internal diversion of product.

GTE Franklin will maintain records which will be available for inspection by the Commission and host upon request. The records will be maintained in accordance with generally accepted accounting principles. Records will be maintained for at least 12 months.

Additional information on GTE Franklin's inventory procedures are available in the Inventory Procedures document included with this submission.

The system will also include a failure notification system that will immediately alert the executive management team if a system failure occurs. A redundant alarm system will be installed to ensure that active alarms remain operational if the primary system is compromised.

Interior and exterior HD video surveillance of all areas that contain marijuana, entrances, exits, and parking lots will be operational 24/7 and available to the Franklin Police Department. These surveillance cameras will remain operational even in the event of a power outage. The exterior of the dispensary and surrounding area will be sufficiently lit, and foliage will always be minimized to ensure clear visibility of the area.

Only GTE Franklin's registered agents and other authorized visitors (e.g. contractors, vendors) will be allowed access to the facility, and a visitor log will be maintained in perpetuity. All agents and visitors will be required to visibly display an ID badge, and GTE Franklin will maintain a current list of individuals with access.

The Town stands to benefit in various ways, including but not limited to the following:

- b. Host Community Agreement.** A Host Community Agreements under which GTE Franklin will make significant community impact payments to the Town will provide additional financial benefits beyond local property taxes to fund a variety of community and local programs, services, or organizations.
- c. Access to Quality Legal Product for Consumers.** GTE Franklin will ensure only qualified consumers ages 21 and over are able to purchase consistent, high-quality marijuana and marijuana products that are regulated and tested for cannabinoid content and contaminants. This will help to eliminate the current black market, in which consumers are not required to verify their age and marijuana products are not tested.

- d. **Local Sales Tax Revenue.** The Town will receive additional tax revenue through the adoption of a local sales tax of up to 3% on each retail sale to consumers.
- e. **Control.** In addition to the Commission, the Franklin Police Department and other municipal departments will have oversight over GTE Franklin's security systems and processes.
- f. **Responsibility.** GTE Franklin is comprised of experienced professionals who will be thoroughly background checked and vetted by the Commission.
- g. **Economic Development.** GTE Franklin's project will revitalize the surrounding area and contribute to the overall economic development of the local community.

The proposed location has properly identified as compliant with the siting requirements in the Marijuana Overlay Map.

In compliance with 935 CMR 500.110(3) and the Town of Franklin Zoning Map, GTE Franklin's proposed facility is not located within three hundred (500) feet of a public or private school providing education to children in kindergarten or grades 1 through 12. GTE Franklin will apply for any other local permits, approvals, registrations or certificates required to operate a Marijuana Retailer Establishment at the proposed location. GTE Franklin will comply with all conditions and standards set forth in any required local permit or approval.

Prior to entering the dispensary, a customer must present a valid, government-issued photo identification to a GTE Franklin security agent through a glass window to verify that the customer is 21 years of age or older. Once the customer's identity and age are verified through our Advance ID detection system, the security agent will permit the customer to enter the waiting area.

Once inside the waiting area, the customer will be called over to obtain individualized service from a GTE Franklin agent who will help the customer select from the available products and complete the transaction. Prior to checkout, customers will be required to confirm their identities and age a second time. The checkout also activates the seed-to-sale tracking system that will be compliant with 935 CMR 500.105(8). Sales will be limited to one (1) ounce of marijuana flower or five (5) grams of marijuana concentrate per adult-use consumer transaction. All required taxes will be collected at the point of sale.

Once a customer has selected products for purchase, a GTE Franklin agent will collect the requested items from the secure product storage area behind the counter. The agent will then scan each product's barcode into the Commission-approved point of sale system. All products will be packaged in tamper and child-resistant, resealable packaging that is compliant with 935 CMR 500.105(5) and properly labeled with warnings, strain information, cannabinoid profile and other information detailed in 935 CMR 500.105. For products that are not readily stored in the secure product storage area behind the counter – our POS system will be capable of sending back the order for fulfillment by an Agent in the stock room.

In the event a GTE Franklin agent determines a consumer would place themselves or the public at risk, the agent will refuse to sell any marijuana products to the consumer.

GTE Franklin will use the point of sale system to accept payment and complete the sale. The system will back up and securely cache each sale for inspection.

In compliance with 935 CMR 500.140(8), GTE Franklin will provide educational materials designed to help consumers make informed marijuana product purchases. The educational materials will describe the various types of products available, as well as the types and methods of responsible consumption. The materials will offer education on titration, which is the method of using the smallest amount of product necessary to achieve the desired effect. Additional topics discussed in the education materials will include potency, proper dosing, the delayed effects of edible marijuana products, substance abuse and related treatment programs, and marijuana tolerance, dependence, and withdrawal.

GTE Franklin LLC

GTE Franklin LLC (“GTE Franklin”) has a company-wide policy to create a diverse workforce that ensures equitable opportunity for minorities, women, veterans and individuals that are disabled, LGBTQ+ or identify as non-normative sexual identities.

GTE Franklin’s Diversity Plan has been created to ensure that our hiring practices create a diverse and inclusive organization. We believe this plan will promote work environment allowing individuals to apply their life experiences and talents to support the goals of the company.

GTE Franklin’s Diversity Plan is meant to be an evolving document designed to guide decisions and practices that ensure equitable opportunity. The Diversity Plan represents an initial approach to establish a comprehensive management plan with goals and measures for inclusion and diversity. The Diversity Plan will be evaluated and modified, when necessary, as our company grows and expands. We will conduct continuous and regular evaluations of the implementation of its goals and at any point will retool its policies and procedures in order to better accomplish the goals set out in this Diversity Plan.

GTE Franklin acknowledges and is aware, and will adhere to, the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment and that any actions taken, or programs instituted, will not violate the Commission’s regulations with respect to limitations on ownership or control or other applicable state laws.

Proposed Initiatives, Goals and Metrics

GOAL 1: Recruit and hire a diverse group of employees that values and promotes inclusiveness among the workforce with a goal of having a workforce that is at least 50% women and 35% minorities, LGBTQ+, persons with non-normative sexual identities, veterans, and persons with disabilities.

Proposed Initiative: To achieve this goal, GTE Franklin will;

- Create gender-neutral job descriptions
- Use job descriptions that are catered to and appeal to diverse candidates within Franklin such as: local veterans, individuals with disabilities, and minority groups.
- Recruit from state and local employment and staffing groups such as MassHire Taunton Career Center, MassHire Attleboro Career Center, and MassHire Fall River Career Center.
- Post hiring needs in diverse publications such as a variety of web-based recruitment platforms such as indeed.com and the Massachusetts LGBT Chamber of Commerce as needed to fill vacant or open job positions.
- Participate in local hiring events and job fairs, including events held by the Massachusetts Cannabis Business Association (CBA) at least once annually.

To ensure that our workplace is an inclusive environment and to promote equity among our team, all hiring managers will undergo training to address bias and cultural sensitivity. This training will be completed by the hiring managers once provisionally licensed by the Commission and at least once annually thereafter.

Metrics and Evaluation: GTE Franklin will assess the demographics of its employees to see if it is meeting its goal of increasing diversity in these positions. GTE Franklin will annually analyze the staffing makeup and based upon the outcome of those analytics, determine what steps are necessary to further increase the diversity of GTE Franklin. GTE Franklin will assess and review its progress within a year of receiving its Provisional License from the Cannabis Control Commission for an adult-use marijuana establishment and then annually, thereafter. Based upon this annual review and in conjunction with the renewal of its license, GTE Franklin will be able to demonstrate to the Commission the success of this initiative upon its annual renewal of its Provisional License.

GOAL 2: Ensure that all participants in our supply chain and ancillary services are committed to the same goals of promoting equity and diversity in the adult-use marijuana industry. GTE Franklin's goal will be to work with at least 25% of businesses who identify as one of the target groups throughout its supply chain and services.

Proposed Initiative: To accomplish this goal, GTE Franklin will prioritize working with businesses in our supply chain and required ancillary services that are owned and/or managed by minority groups; women, veterans, people with disabilities, LBGTQ+ and persons with non-normative sexual identities.

Metrics and Evaluation: GTE Franklin will measure how many of its ancillary services and participants in its supply chain are owned and/or managed by minorities, women, veterans, people with disabilities, LBGTQ+ and/or persons with non-normative sexual identities and will calculate the percentage of services and members of its supply chain who meet this requirement. GTE Franklin will ask suppliers and ancillary services if they would identify themselves as a business that is owned or managed by one of the targeted groups and give priority to these businesses. GTE Franklin will assess these percentages annually and will be able to demonstrate to the Commission the success of its progress upon the renewal of its license each year.

Annual Reporting

Sixty days prior to GTE Franklin's Annual License Renewal, GTE Franklin will draft a comprehensive report that will be presented to the Commission for review during the License Renewal Process to take place annually upon the issuance of our Provisional License. This report will include the metrics outlined in the Programs outlined in this Plan along with an analysis of each Program and the success, or progress of each Programs goals.
