ADDITIONAL INFORMATION NOTIFICATION

COMPLIANCE WITH POSITIVE IMPACT PLAN

Progress or Success Goal 1

Description of Progress or Success: Rise Holdings, Inc. launched the Last Prisoner Project ("LPP") initiative during the month of September as an Expungement "initiative". This campaign reached across Massachusetts, providing information on Expungement and restorative Justice. We have also provided information on Expungement to customers all year as part of LPP's "Roll it up" program. Holyoke and RISE Amherst raised over \$50k for LPP during September. The virtual Expungement clinic, sponsored along with N.E.W. and the WNEU Law School, was a huge success. WNEU Law School has offered to continue the pro bono and partner with us on future clinics. This was the first such clinic for N.E.W. in MA. Even though expungement clinics were not being held in person, launching a virtual clinic for Expungement had great success.

Progress or Success Goal 2

Description of Progress or Success: Due to COVID-19 Pandemic RISE Holdings did not have the ability to execute on specific aspects of our Positive Impact Plan for 2020. Our 2020 Positive Impact Plan was examined and adjusted as needed. For example, our "Community Education" programs were implemented in a virtual setting. Out of consideration for the safety of our team members and our community, the attached list of "Programs to meet goals" were re-evaluated. Quarterly Community Service Day: As our community continues to adapt to the impact of the pandemic RISE will continue to serve our community with volunteer work; however, at this point the safety of our employees and community members is our priority. In planning for 2021 volunteer initiatives we have selected two employees to serve as "Volunteer Champions", who will lead our efforts as society continues to re-open.

COMPLIANCE WITH DIVERSITY PLAN

Diversity Progress or Success 1

Description of Progress or Success: Due to COVID-19 Pandemic RISE Holdings did not have the ability to execute on specific aspects of our Diversity Plan for 2020. We were able to advertise job listings on social media in order to appeal to a diverse group of individuals; however, community job fairs and recruitment initiatives were suspended indefinitely due to the current pandemic.

RISE HOLDINGS, INC.

HOST COMMUNITY AGREEMENT

THIS HOST COMMUNITY AGREEMENT ("AGREEMENT") is entered into this 29 day of November, 2018 by and between RISE HOLDINGS, INC., a Massachusetts for profit corporation and any successor in interest with a principal office address of 169 Meadow Street, Amherst, Massachusetts ("the Company"), and the Town of Amherst, a Massachusetts municipal corporation with a principal address of 4 Boltwood Avenue, Amherst, MA ("the Town"), acting by and through its Town Manager.

WHEREAS, the Company wishes to locate a Recreational Marijuana Retailer (the "RMR") for the recreational dispensing of cannabis in an approximately 2,500 square foot space of an approximately 6,500 square foot building located at 169 Meadow Street (the "Facility"), in accordance with and pursuant to applicable state laws and regulations, including, but not limited to 935 CMR 500.00 and such approvals as may be issued by the Town in accordance with its Zoning Bylaw and other applicable local regulations; and

WHEREAS, the Company intends to provide certain benefits to the Town in the event that it receives the requisite licenses from Cannabis Control Commission (the "CCC") or such other state licensing or monitoring authority, as the case may be, to operate the RMR and receives all required local permits and approvals from the Town;

WHEREAS, the parties intend by this Agreement to satisfy the provisions of M.G.L. c. 94G, § 3(d), applicable to the operation of RMRs, such activities to be only done in accordance with the applicable state and local laws and regulations in the Town;

NOW THEREFORE, in consideration of the mutual promises and covenants set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company and the Town agree as follows:

1. Recitals

The Parties agree that the above Recitals are true and accurate and that they are incorporated herein and made a part hereof.

2. Annual Payments

In the event that the Company obtains the requisite licenses and/or approvals as may be required for the operation of an RMR, and receives any and all necessary and required permits and licenses of the Town, and at the expiration of any final appeal period related thereto, said matter not being appealed further, which permits and/or licenses allow the Company to locate, occupy and operate the Recreational Marijuana Dispensary in the Town, and the Company actually begins operations in the Town, then the Company agrees to provide the following Annual Payments, provided, however, that if the Company fails to secure any such other license and/or

approval as may be required, or any of the required municipal approvals, the Company shall reimburse the Town for its costs associated with the negotiation of this Agreement:

A. Community Impact Fee

The Company anticipates that the Town will incur additional expenses and impacts on the Town's road and other infrastructure systems, law enforcement, fire protection services, inspectional services, permitting services, administrative services, and public health services, as well as additional, unforeseen impacts on the Town. Accordingly, in order to mitigate the financial impact on the Town and use of Town resources, the Company agrees to pay an Annual Community Impact Fee to the Town, in the amount and under the terms provided herein.

1. Company shall annually pay an Annual Community Impact Fee in an amount equal to three percent (3%) of gross revenue from marijuana and marijuana product sales, as defined in 935 CMR 500, at the RMR.
2. The Annual Community Impact Fee shall be made quarterly each calendar year on the 1st of January, April, July, and October beginning the first of such dates after the RMR begins sales, and shall continue for a period of 5 years or until a successor agreement is signed, whichever occurs first. In accordance with Section 11 of this Agreement, at the conclusion of each of the respective five year terms, the parties shall negotiate a new Annual Community Impact Fee; provided however, that the Annual Community Impact Fee shall not be reduced below the amount set forth above.
3. The Town shall use the above referenced payments in its sole discretion, but shall make a good faith effort to allocate said payments for road and other infrastructure systems, law enforcement, fire protection services, inspectional services, public health and addiction services, and permitting, administrative, and consulting services, as well as unforeseen impacts upon the Town.
4. The term "gross revenue" referenced above shall mean the total of all sales transactions of the Facility without limitation, whether wholesale or retail, and shall include but not be limited to all sales occurring at the Facility, including the sale of adult-use or recreational marijuana, marijuana infused products, paraphernalia, and any other products sold in person, delivered from, or mailed from the Facility. The term "gross revenue" shall not include sales made under the medical marijuana program, including medical marijuana, marijuana infused products for medical use, or any other products sold at the Facility under the medical marijuana program, which are covered by a separate agreement between the Company and the Town.

B. Additional Costs, Payments and Reimbursements

1. Permit and Connection Fees: The Company hereby acknowledges and accepts, and waives all rights to challenge, contest or appeal, the Town's

reasonable building permit and other permit application fees, sewer and water connection fees, and all other local charges and fees generally applicable to other commercial developments in the Town.

2. Facility Consulting Fees and Costs: The Company shall reimburse the Town for any and all reasonable consulting costs and fees related to any land use applications concerning the Facility, negotiation of this and any other related agreements, and any review concerning the Facility, including planning, engineering, legal and/or environmental professional consultants and any related reasonable disbursements at standard rates charged by the above-referenced consultants in relation to the Facility.
3. Late Payment Penalty: The Company acknowledges that time is of the essence with respect to their timely payment of all funds required under Section 2 of this Agreement. In the event that any such payments are not fully made with ten (10) days of the date they are due, the Company shall be required to pay the Town a late payment penalty equal to five percent (5%) of such required payments.

C. Annual Charitable/Non-Profit Contributions

In recognition of the unique demographic characteristics of the Town, including the fact that approximately 50% of the population of Amherst is under the age of 21, Amherst has the youngest median age in the Commonwealth, and the Town has approximately 5,000 new community members each year, the majority of whom are under 21 years old, the Company, in addition to any funds specified herein, shall annually contribute to public local charities/non-profit organizations in the Town an amount no less than \$20,000 for the purposes of marijuana education and prevention programs to promote safe, legal, and responsible use (the "Annual Donations."). The education programs shall be held in the Town. Prior to the selection of a non-profit entity program for this purpose, the Company will review its intentions with the Town, acting through its Town Manager, to ensure that the proposed programming is consistent with community needs. The Annual Donations shall not be considered part of the Community Impact Fee set forth in section 2.A. If no non-profit entity can offer the appropriate programming to the Town, the contribution shall be paid to the Town to hold in a restricted fund for release upon mutual and written agreement of the Company and Town once an eligible non-profit program is identified.

D. Annual Reporting for Host Community Impact Fees and Benefit Payments

The Company shall notify the Town when the Company commences sales, pursuant to statute and regulations, at the RMR and shall submit annual financial statements to the Town on or before May 1 of each year, which shall include certification of its gross sales for the previous calendar year, and all other information and corroborating documentation required to ascertain compliance with the terms of this Agreement. The Company shall maintain books, financial records, and other compilations of data pertaining to the requirements of this Agreement in accordance with standard accounting practices and any applicable regulations or guidelines of

the CCC. All records shall be kept for a period of at least seven (7) years. Upon request by the Town, the Company shall provide the Town with the same access to its financial records (to be treated as confidential, to the extent allowed by law) as it is required by the CCC and Department of Revenue for purposes of obtaining and maintaining a license for the Facility.

At the request of the Town, the Company shall also report on other aspects of the business, which may include, but are not limited to, the number of customers served, community service hours performed in Amherst by Company employees, contributions to local non-profit establishments, information about employee training and certifications, educational material provided to customers, the Company's sustainability efforts, and employment reports, including the number of local residents, women, minorities, veterans, people with prior marijuana related convictions, and people from areas of disproportionate impact, that are employed at the Company, as well as other reasonable requests from the Town, such as average wage and average length of employment.

During the term of this Agreement and for three years following the termination of this Agreement the Company shall agree, upon request of the Town to have its financial records examined, copied and audited by an Independent Financial Auditor, the expense of which shall be borne by the Company. The Town may, in its sole discretion, accept an audit of the Company's financial records which the Company has prepared as part of its normal course of operations. The Independent Financial Auditor shall review the Company's financial records for purposes of determining that the Annual Payments are in compliance with the terms of this Agreement. Such examination shall be made not less than thirty (30) days following written notice from the Town and shall occur only during normal business hours and at such place where said books, financial records and accounts are maintained. The Independent Financial Audit shall include those parts of the Company's books and financial records which relate to the payment, and shall include a certification of itemized gross sales for the previous calendar year, and all other information required to ascertain compliance with the terms of this Agreement. The independent audit of such records shall be conducted in such a manner as not to interfere with the Company's normal business activities.

3. Community Support

If requested by the Town, the Company shall provide qualified staff to participate in Town-sponsored public health education programs, not to exceed four in any calendar year, and to work cooperatively with other Town departments not explicitly mentioned in the Agreement.

4. Local Vendors and Employment

To the extent such practice and its implementation are consistent with federal, state, and municipal laws and regulations, the Company will make every effort in a legal and non-discriminatory manner to give priority to local businesses, suppliers, contractors, builders, and vendors in the provision of goods and services called for in the construction, maintenance and continued operation of the Recreational Marijuana Dispensary when such contractors and suppliers are properly qualified and price competitive and shall use good faith efforts to hire Town residents.

5. Local Taxes:

At all times during the Term of this Agreement, property, both real and personal, owned or operated by the Company shall be treated as taxable, and all applicable real estate and personal property taxes for that property shall be paid either directly by the Company or by its landlord, and neither the Company nor its landlord shall object or otherwise challenge the taxability of such property and shall not seek a non-profit or agricultural exemption or reduction with respect to such taxes.

6. On-site Consumption

The Company agrees that, even if permitted by statute or regulation, it will prohibit on-site consumption of marijuana and marijuana-infused products at the RMR.

7. Security

To the extent requested by the Town's Chief of Police, and subject to the security and architectural review requirements of the CCC, or such other state licensing or monitoring authority, as the case may be, the Company shall work with the Town's Chief of Police in determining appropriate security measures including, but not limited to the number and location of interior and exterior cameras, lighting, and fencing.

The Company agrees to cooperate with the Police Department through its Chief of Police, including but not limited to periodic meetings to review operational concerns, security, delivery schedule and procedures, cooperation in investigations, and communications with the Police Department of any suspicious activities at or in the immediate vicinity of the Recreational Marijuana Dispensary, and with regard to any anti-diversion procedures.

To the extent requested by the Town's Chief of Police, the Company shall work with the Police Department to implement a comprehensive diversion prevention plan to prevent diversion, such plan to be in place prior to the commencement of operations at the Establishment.

The Company shall maintain security at the RMR at least in accordance with the security plan presented to the Town and approved by the CCC, or such other state licensing or monitoring authority, as the case may be. In addition, the Company shall at all times comply with all applicable laws and regulations regarding the operations of the Retail Establishment and the security thereof. Such compliance shall include, but will not be limited to: providing hours of operation; after-hours contact information and access to surveillance operations; and requiring dispensary agents to produce their Agent Registration Card to law enforcement upon request.

The Company shall promptly report the discovery of the following occurrences within the Town to the Town's Police Department within twenty-four (24) hours of the Company becoming aware of such event: diversion of marijuana; unusual discrepancy in weight or inventory during transportation; any vehicle accidents, diversions, losses, or other reportable incidents that occur during transport; any suspicious act involving the sale, cultivation, distribution, processing, or

production of marijuana by any person; unauthorized destruction of marijuana; any loss or unauthorized alteration of records related to marijuana, or dispensary agents; an alarm activation or other event that requires response by public safety personnel; failure of any security alarm system due to a loss of electrical power or mechanical malfunction that is expected to last longer than eight hours; and any other breach of security.

8. Additional Obligations

The obligations of the Company and the Town recited herein are specifically contingent upon the Company obtaining a license for operation of a Recreational Marijuana Dispensary in the Town, and the Company's receipt of any and all necessary local approvals to locate, occupy, and operate such a Recreational Marijuana Dispensary in the Town.

This agreement does not affect, limit, or control the authority of Town boards, committees, commissions, and departments to carry out their respective powers and duties to decide upon and to issue, or deny, applicable permits and other approvals under the statutes and regulations of the Commonwealth, the General and Zoning Bylaws of the Town, or applicable regulations of those boards, committees, commissions, and departments or to enforce said statutes, bylaws, and regulations. The Town, by entering into this Agreement, is not thereby required or obligated to issue such permits and approvals as may be necessary for a Recreational Marijuana Dispensary to operate in the Town, or to refrain from enforcement action against the Company and/or its Recreational Marijuana Dispensary for violation of the terms of said permits and approvals or said statutes, bylaws, and regulations.

If requested by the Town, the Company shall make the on-site manager available to appear before an appropriate Town-designated body.

9. Re-Opener/Review

The Company or any "controlling person" in the Company, as defined in 935 CMR 500.02, shall be required to provide to the Town notice and a copy of any other Host Community Agreement entered into for any establishment in which the Company, or any controlling person in the Company, has any interest and which is licensed by the CCC as the same type of establishment as the entity governed by this agreement.

In the event the Company or any controlling person enters into a Host Community Agreement for an RMR with another municipality in the Commonwealth that contains financial terms that are superior to what the Company agrees to provide the Town pursuant to this Agreement, then the parties shall reopen this Agreement and negotiate an amendment resulting in financial benefits to the Town equivalent or superior to those provided to the other municipality.

10. Support

The Town agrees to submit to the CCC, or such other state licensing or monitoring authority, as the case may be, the required certifications relating to the Company's application for a license to operate the Facility where such compliance has been properly met, but makes no representation

or promise that it will act on any other license or permit request, including, but not limited to any zoning application submitted for the Facility, in any particular way other than by the Town normal and regular course of conduct and in accordance with its rules and regulations and any statutory guidelines governing them.

11. Term and Termination

Except as expressly provided herein, this Agreement shall take effect on the date set forth above, and shall be applicable for as long as the Company operates a Recreational Marijuana Dispensary or any similar RMR in the Town, or five (5) years from the date of this Agreement, whichever is earlier. At the conclusion of the term of this Agreement, the parties shall renegotiate a new Host Community Agreement in accordance with the current prevailing regulations and laws as such regulations and laws may be amended or replaced. In the event the Company no longer does business in the Town or in any way loses or has its license revoked by the Commonwealth, this Agreement shall become null and void; however, the Company will be responsible for the prorated portion of the Community Impact Fee due under section 2.A above. The Town may terminate this Agreement at any time.

12. Successors/Assigns

The Company shall not assign, sublet, or otherwise transfer its rights nor delegate its obligations under this Agreement, in whole or in part, without the prior written consent from the Town, and shall not assign any of the monies payable under this Agreement, except by and with the written consent of the Town and shall not assign or obligate any of the monies payable under this Agreement, except by and with the written consent of the Town and all such consent shall not be unreasonably withheld, delayed, or conditioned. This Agreement is binding upon the parties hereto, their successors, assigns and legal representatives. Neither the Town nor the Company shall assign, sublet, or otherwise transfer any interest in the Agreement without the written consent of the other, which shall not be unreasonably withheld, delayed, or conditioned.

Events deemed an assignment include, without limitation: (i) Company's final and adjudicated bankruptcy whether voluntary or involuntary; (ii) the Company's takeover or merger by or with any other entity; (iii) the Company's outright sale of assets and equity, majority stock sale to another organization or entity for which the Company does not maintain a controlling equity interest; (iv) or any other change in ownership or status of the Company; (v) any assignment for the benefit of creditors; and/or (vi) any other assignment not approved in advance in writing by the Town.

13. Notices

Any and all notices, consents, demands, requests, approvals or other communications required or permitted under this Agreement, shall be in writing and delivered by hand or mailed postage prepaid, return receipt requested, by registered or certified mail or by other reputable delivery service, and shall be deemed given when so delivered by hand, if so mailed, when deposited with the U.S. Postal Service, or, if sent by private overnight or other delivery service, when deposited with such delivery service.

14. Severability

If any term of condition of this Agreement or any application thereof shall to any extent be held invalid, illegal or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining terms and conditions of this Agreement shall not be deemed affected thereby unless the Town would be substantially or materially prejudiced. Further, the Company agrees that it will not challenge, in any jurisdiction, the enforceability of any provision included in this Agreement; and to the extent the validity of this Agreement is challenged by the Company in a court of competent jurisdiction, the Company shall pay for all reasonable fees and costs incurred by the Town in enforcing this Agreement. Provided, however, that if any provision which is the same as, or similar to in purpose, intent or otherwise included in this Agreement has been found by a court of competent jurisdiction to be unenforceable, illegal, invalid or otherwise offensive, then the Company may, at its sole cost and expense, challenge said provision in this Agreement and the immediately preceding sentence prohibiting challenge shall not apply.

15. Governing Law

This Agreement shall be governed by, construed and enforced in accordance with the laws of the Commonwealth of Massachusetts, and the Company submits to the jurisdiction of any of its appropriate courts for the adjudication of disputes arising out of this Agreement. The Parties hereto agree that nothing contained in this Agreement or any other documents executed in connection herewith is intended or shall be construed to establish the Town, or the Town and any other successor, affiliate or corporate entity as joint ventures or partners.

22. Nullity

This Agreement shall be null and void in the event that the Company does not locate an RMR in the Town or relocates the RMR out of the Town, provided, however, that if the Company decides not to locate an RMR in the Town, the Company shall reimburse the Town for its legal fees and administrative costs associated with the negotiation of this Agreement. Further, in the case of any relocation out of the Town, the Company agrees that an adjustment of Annual Payments due to the Town hereunder shall be calculated based upon the period of occupation of the RMR within the Town, but in no event shall the Town be responsible for the return of any funds provided to it by the Company. If, however, the RMR is relocated out of the Town prior to the second anniversary of the date of this Agreement, the Company shall pay to the Town as liquidated damages an amount equal to twenty-five thousand dollars (\$25,000) in consideration of the expenditure of resources by the Town in negotiating this agreement and preparing for impacts.

RISE HOLDINGS, INC.
PLAN FOR POSITIVE IMPACT

Overview

Rise Holdings, Inc. (“Rise”) is dedicated to serving and supporting the communities around it, particularly those that are classified as areas of disproportionate impact, which the Commission has identified as the following:

1. Past or present residents of the geographic “areas of disproportionate impact,” which have been defined by the Commission and identified in its Guidance for Identifying Areas of Disproportionate Impact;
2. Commission-designated Economic Empowerment Priority applicants;
3. Commission-designated Social Equity Program participants;
4. Massachusetts residents who have past drug convictions; and
5. Massachusetts residents with parents or spouses who have drug convictions are classified as areas of disproportionate impact.

Rise currently operates RMDs in Holyoke and Amherst and is applying to operate Marijuana Cultivator, Product Manufacturer, and Retail Establishments in both. Holyoke and Amherst are considered areas of disproportionate impact. It is Rise's intention to continue to be a contributing, positive force in these areas of disproportionate impact and to assist in changing the perception of those associated with marijuana use. Rise will maintain several employment metrics that currently provide a positive impact to these communities and will also implement new programs as Rise strives to make further investments in the people and environment that it serves.

Rise’s Goal

Rise has established the following goals:

1. To reduce the barrier to entry in the commercial adult use cannabis industry for individuals who reside in an area of disproportionate impact or have lived for five of the preceding ten years in an area of disproportionate impact;
2. To reduce the barrier to entry in the commercial adult use cannabis industry for Massachusetts residents with past drug convictions; and
3. To provide continuing service and reinvestment into the identified areas of disproportionate impact through community initiatives.

Rise’s Positive Impact Plan (the “Plan”) and Measurement

Rise intends to maintain and implement several programs to strengthen the Holyoke and Amherst communities through a means of hiring plans, community reinvestment, and financial support. These initiatives will be closely monitored and tracked to ensure compliance and Rise management

will engage community leaders on a regular basis gauge Rise's success with its Positive Impact Plan and refocus its efforts, if needed.

- Hiring Plans. Rise will seek to maintain a workforce that includes 20% of its employees residing in an area of disproportionate impact or have lived for five of the preceding ten years in an area of disproportionate impact or individuals that have a drug-related CORI but are otherwise legally employable in a cannabis-related enterprise. In alignment with Rise's Diversity Plan, Rise will focus hiring and education efforts on diverse populations including individuals from Black, African American, Hispanic or Latino descent. The management of Rise will measure this on a quarterly basis to ensure that it is at least maintaining this metric and will strive to increase this to 30% over the next 2-4 years.

Rise will evaluate its hiring measures on an annual basis at the end of the calendar year. In the event that Rise's workforce percentage meeting the aforementioned conditions drops below 20% of its employees, Rise will conduct an internal evaluation to determine what led to the reduction, and, if appropriate, reevaluate and modify its hiring practices and will make a financial contribution of \$2,500 to the Social Equity Training and Technical Assistance Fund.

- Community Reinvestment. Rise aims to provide continuing service and reinvestment into areas of disproportionate impact with a focus on restorative justice, workforce development, industry-specific technical assistance, and mentoring services in areas of disproportionate impact. Rise is committed to hosting and participating in events that will support the town of Amherst and other areas of disproportionate impact such as community service days, charity events and charitable donations, and educational seminars.

Rise's medical marijuana dispensary in Amherst opened its doors to registered patients in May 2018. Since that time Rise has established relationships with local community organizations in order to positively impact the community. As part of its Positive Impact Plan, Rise reached out to these organizations and committed to them that it will continue to support the below organizations through donations of time, goods and/or money. These organizations welcome the support, and look forward to participating in discussions with Rise to identify goals and objectives for 2019.

Amherst Survival Center (AMC): AMC is Rise Amherst's neighbor. It is a local community support facility that promotes the health and well-being of residents of Franklin and Hampshire counties with a wide variety of programs designed to help people meet their basic needs. Rise has participated, and will continue to participate, in food drives and clothes drives and volunteering at events.

Food Bank of Western MA: The Food Bank’s pantries, meal sites and shelters are on the front lines of emergency food assistance in western Massachusetts, playing a crucial role helping individuals, families, seniors and children. Rise has participated in food drives benefiting the local pantry and will continue to do so.

MA Cannabis Consumer Council: Rise Amherst was responsible for organizing the Pioneer Valley Cannabis Industry Summit and has participated in the three events that have been held to date. The events focus on educational presentations on topics such as how to become a patient, cannabis consumption methods, and cannabis as medicine. Rise will continue to participate in this Council as a way to spread education.

Quarterly Community Service Day: Rise will require all executives, managers, and employees to participate quarterly in a community service day. Each community service day will be organized with a charitable or local organization based in Amherst or the surrounding community.

In addition, Rise will take the following steps to have a positive impact on the community:

Expungement Clinics:

Rise will hold informational sessions regarding the process for sealing and expunging criminal records at least once every 6 months.

Measuring Impact:

Each year, Rise will do a holistic evaluation of its community investment practices through the following qualitative measures, conducted by the Executive Management Team and Dispensary Managers.

Rise will use a self-appraisal questionnaire to help it assess its role as a community benefit provider and identify necessary actions to include in its community benefit plan and to help set priorities and trigger action.

The self-appraisal will include yes/no questions such as the following:

1. Does your organization reflect its community benefit commitment in its mission statement, vision statement, or values statement?
2. Are target communications and populations clearly defined?
3. Do community members regularly participate in planning and evaluating your community benefit programs?
4. Are community benefits given explicit consideration in the budget process?

5. Does your board receive and discuss a periodic report regarding community benefit activities?

The self-appraisal will be followed by a perception survey. This survey will help Rise gain important insight on whether it is viewed as a community benefit organization. The survey will be given to customers, community partners, official and grassroots community leaders, and other community representatives. The results will help Rise map communication messages and further shape its community benefit plan.

The perception survey will ask respondents to circle the number for each question that comes closest to his/her perception of Rise (rank from 1-5, strongly agree = 1, strongly disagree =5). It will include questions such as the following:

1. Rise understands the needs of the community.
2. Rise is actively involved in efforts to improve the Amherst community.
3. Rise is an important part of the community.
4. People who run Rise seem to understand the problems of this community.
5. Rise is known for sponsoring volunteer activities in the community.

Article I OFFICES

Section I.01 Principal Office. The principal office of the Corporation shall be located at such place within the Commonwealth of Massachusetts as shall be fixed from time to time by the board of Directors, and if no place is fixed by the board of Directors, such place as shall be fixed by the President.

Article II SHAREHOLDERS

Section II.01 Place of Meeting. Meetings of the shareholders shall be held at any place within or without the Commonwealth of Massachusetts that may be designated by the board of Directors. Absent such designation, meetings shall be held at the principal office. The board of Directors may, in its discretion, determine that the meeting may be held solely by means of remote electronic communication. If authorized by the board of Directors, and subject to any guidelines and procedures adopted by the board of Directors, shareholders not physically present at a meeting of shareholders, may participate in a meeting of shareholders by means of electronic transmission by and to the Corporation or electronic video screen communication; and, may be considered present in person and may vote at a meeting of shareholders, whether held at a designated place or held solely by means of electronic transmission by and to the Corporation or electronic video screen communication, subject to the conditions imposed by applicable law.

Section II.02 Annual Meeting. The annual meeting of shareholders of this Corporation shall be held on such date and at such time as may be designated from time to time by the board of Directors. At the annual meeting, Directors shall be elected, and any other business may be transacted that is within the power of the shareholders and allowed by law, provided, however, that, unless the notice of meeting, or the waiver of notice of such meeting, sets forth the general nature of any proposal to (i) approve or ratify a contract or transaction with a Director or with a corporation, firm, or association in which a Director has an interest; (ii) amend the Articles of Organization of this Corporation (the “**Articles of Organization**”); (iii) approve a reorganization or merger involving this Corporation; (iv) elect to wind up and dissolve this Corporation; or (v) effect a plan of distribution upon liquidation otherwise than in accordance with the liquidation preferences of outstanding shares with liquidation preferences, no such proposal may be approved at an annual meeting.

Section II.03 Special Shareholders’ Meetings. Special meetings of the shareholders, for any purpose whatsoever, may be called at any time by the President, the board of Directors, or by shareholders entitled to cast not less than ten percent (10%) of the corporation’s voting power. Any person entitled to call a special meeting of shareholders (other than the board of Directors) may make a written request to the chair of the board (if any), President, vice President, or secretary, specifying the general purpose of such meeting and the date, time and place of the meeting, which date shall be not less than thirty-five (35) days nor more than sixty (60) days after the receipt by such officer of the request. Within twenty (20) days after receipt of the request, the officer

receiving such request forthwith shall cause notice to be given to the shareholders entitled to vote at such meeting, stating that a meeting will be held on the date and at the time and place requested by the person or persons requesting a meeting and stating the general purpose of the meeting. If such notice is not given twenty (20) days after receipt by the officer of the request, the person or persons requesting the meeting may give such notice. No business shall be transacted at a special meeting unless its general nature shall have been specified in the notice of such meeting, provided, however, that any business may be validly transacted if the requirements for such validity, as provided in Section 2.12 of these Bylaws, are met.

Section II.04 Shareholder Nominations and Proposals. For business (including, but not limited to Director nominations) to be properly brought before an annual or special meeting by a shareholder, the shareholder or shareholders of record intending to propose the business (the “**proposing shareholder**”) must have given written notice of the proposing shareholder’s nomination or proposal, either by personal delivery or by the United States mail to the secretary of the Corporation. In the case of an annual meeting, the proposing shareholder must give such notice to the secretary of the Corporation no earlier than one hundred-twenty (120) calendar days and no later than ninety (90) calendar days before the date such annual meeting is to be held. If the current year’s meeting is called for a date that is not within thirty (30) days of the anniversary of the previous year’s annual meeting, notice must be received not later than ten (10) calendar days following the day on which public announcement of the date of the annual meeting is first made. In no event will an adjournment or postponement of an annual meeting of shareholders begin a new time period for giving a proposing shareholder’s notice as provided above.

For business to be properly brought before a special meeting of shareholders, the notice of meeting sent by or at the direction of the person calling the meeting must set forth the nature of the business to be considered. A shareholder or shareholders who have made a written request for a special meeting pursuant to Section 2.03 of these Bylaws may provide the information required for notice of a shareholder proposal under this Section simultaneously with the written request for the meeting submitted to the secretary or within ten (10) calendar days after delivery of the written request for the meeting to the secretary.

A proposing shareholder’s notice shall include as to each matter the proposing shareholder proposes to bring before either an annual or special meeting:

- (a) The name(s) and address(es) of the proposing shareholder(s).
- (b) The classes and number of shares of capital stock of the Corporation held by the proposing shareholder.
- (c) If the notice regards the nomination of a candidate for election as Director:
 - (i) The name, age, business, and residence address of the candidate;
 - (ii) The principal occupation or employment of the candidate; and
 - (iii) The class and number of shares of the Corporation beneficially owned by the candidate.

(d) If the notice is in regard to a proposal other than a nomination of a candidate for election as Director, a brief description of the business desired to be brought before the meeting and the material interest of the proposing shareholder of such proposal.

Section II.05 Notice of Shareholders' Meeting. Except as otherwise provided by law, written notice stating the place, day, and hour of the meeting, and, in case of a special meeting, the nature of the business to be transacted at the meeting, shall be given at least ten (10) days (or, if sent by third class mail, thirty (30) days) and not more than sixty (60) days before the meeting. In the case of an annual meeting, notice will include matters the Corporation's board of Directors intends, at the time of the giving of the first of such notices, to present to the shareholders for action, and in the case of a meeting at which Directors are to be elected, the names of nominees that the board of Directors, at the time of the giving of the first of such notices, intends to present to the shareholders for election. Proof that notice was given shall be made by affidavit of the secretary, assistant secretary, transfer agent, or Director, or of the person acting under the direction of any of the foregoing, who gives such notice, and such proof of notice shall be made part of the minutes of the meeting. Such affidavit shall be prima facie evidence of the giving of such notice. It shall not be necessary to state in a notice of any meeting of shareholders as a purpose thereof any matter relating to the procedural aspects of the conduct of such meeting.

Notice shall be given personally, by electronic transmission, or by mail, by or at the direction of the secretary, or the officer or person calling the meeting, to each shareholder entitled to vote at the meeting. If remote participation in the meeting has been authorized by the board of Directors, the notice shall also provide a description of the means of any electronic transmission by and to the Corporation or electronic video screen communication by which shareholders may be considered present and may vote and otherwise participate at the meeting.

If mailed, the notice shall be deemed to be given when deposited in the United States mail addressed to the shareholder at the shareholder's address as it appears on the share transfer records of the Corporation, with postage thereon prepaid. Notice may be given to the shareholder by electronic transmission with the consent of the shareholder. Notice by electronic transmission is deemed given when the notice satisfies any of the following requirements:

(a) Transmitted to a facsimile number provided by the shareholder for the purpose of receiving notice.

(b) Transmitted to an electronic mail address provided by the shareholder for the purpose of receiving notice.

(c) Posted on an electronic network, with a separate notice sent to the shareholder at the address provided by the shareholder for the purpose of alerting the shareholder of a posting.

(d) Communicated to the shareholder by any other form of electronic transmission consented to by the shareholder.

Notice shall not be given by electronic transmission to a shareholder after either (i) the Corporation is unable to deliver two consecutive notices to such shareholder by such means or (ii) the inability

to deliver such notices to such shareholder becomes known to any person responsible for giving such notices. Any person entitled to notice of a meeting may file a written waiver of notice with the secretary either before or after the time of the meeting. The participation or attendance at a meeting of a person entitled to notice constitutes waiver of notice, except where the person objects, at the beginning of the meeting, to the lawfulness of the convening of the meeting and except that attendance is not a waiver of any right to object to conducting business at a meeting that is required to be included in the notice of the meeting, but not so included.

Section II.06 Persons Entitled to Vote. Except as otherwise provided by law, and except when a record date has been fixed, only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which notice is given shall be entitled to notice of a shareholders' meeting, or to vote at such meeting. In the event notice is waived, only persons in whose names shares entitled to vote stand on the stock records of the Corporation at the close of business on the business day next preceding the day on which the meeting is held shall be entitled to vote. If no record date has been fixed, the record date shall be:

(a) For determining shareholders entitled to give consent to action by the Corporation without a meeting, the day on which the first written consent is given.

(b) For determining shareholders for any other purpose, the later of (i) the day on which the board of Directors adopts the resolution relating thereto, or (ii) the sixtieth (60th) day prior to the date of such other action.

Section II.07 Fixing the Record Date. The board of Directors may fix a time in the future as a record date to determine the shareholders entitled to notice of, and to vote at, any meeting of shareholders or give written consent to action by the Corporation without a meeting or entitled to receive any dividend or distribution, or to any change, conversion, or exchange of shares.

A record date fixed under this Section may not be more than sixty (60) days or less than ten (10) days before the meeting or more than sixty (60) days before any other action requiring a determination of shareholders. When a record date is so fixed, only shareholders of record at the close of business on that date are entitled to notice of and to vote at the meeting or to receive the dividend, distribution, or allotment of rights, or to exercise the rights, as the case may be, notwithstanding any transfer of any shares on the books of the Corporation after the record date. In the event any meeting of shareholders is adjourned for more than forty-five (45) days from the date set for the original meeting, the board shall fix a new record date for purposes of giving notice of, and determining the holders of shares entitled to vote at, such adjourned meeting.

Section II.08 Quorum of and Action by Shareholders. The presence at a meeting in person or by proxy of the persons entitled to vote a majority of the voting shares constitutes a quorum for the transaction of business. The shareholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment notwithstanding the withdrawal of such number of shareholders so as to leave less than a quorum, if any action taken, other than adjournment, is approved by at least a majority of the shares required to constitute a quorum, except as otherwise provided by law. Except as otherwise provided by law, herein or in

the Articles of Organization, the affirmative vote of a majority of the shares represented at a meeting at which a quorum is present, shall be the act of the shareholders.

Section II.09 Adjourned Meetings and Notice Thereof. Any shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by a vote of the majority of the shares present, in person or proxy. When a meeting is adjourned for forty-five (45) days or more, or if a new record date for the adjourned meeting is fixed by the board of Directors, notice of the adjourned meeting shall be given to such shareholders of record entitled to vote at the adjourned meeting, as in the case of any original meeting. When a meeting is adjourned for less than forty-five (45) days, and a new record date is not fixed by the board of Directors, it shall not be necessary to give any notice of the time and place of the adjourned meeting, means of electronic transmission or electronic video screen communication, if any, or of the business to be transacted thereat other than by announcement at the meeting at which the adjournment is taken, provided only business that might have been transacted at the original meeting may be conducted at such adjourned meeting.

Section II.10 Conduct of Meetings. The board of Directors may adopt by resolution rules and regulations for the conduct of meetings of the shareholders as it shall deem appropriate. At every meeting of the shareholders, the President, or in his or her absence or inability to act, a Director or officer designated by the board of Directors shall serve as the presiding officer. The secretary or, in his or her absence or inability to act, the person whom the presiding officer of the meeting shall appoint secretary of the meeting, shall act as secretary of the meeting and keep the minutes thereof.

The presiding officer shall determine the order of business and, in the absence of a rule adopted by the board of Directors, shall establish rules for the conduct of the meeting. The presiding officer shall announce the close of the polls for each matter voted upon at the meeting, after which no ballots, proxies, votes, changes, or revocations will be accepted. Polls for all matters before the meeting will be deemed to be closed upon final adjournment of the meeting.

Section II.11 Voting of Shares. Unless otherwise provided by law or in the Articles of Organization, each shareholder entitled to vote is entitled to one (1) vote for each share of Common Stock. Any holder of shares entitled to vote on any matter may vote part of such shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal. If a shareholder fails to specify the number of shares such shareholder is voting affirmatively, it will be conclusively presumed that the shareholder's approving vote is with respect to all shares such shareholder is entitled to vote.

Section II.12 Consent of Absentees. The transactions of any meeting of shareholders, however called or noticed, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. The waiver, notice, or consent need not specify the business transacted or purpose of the meeting, except as required by G.L. c. 156D. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section II.13 Voting by Proxy or Nominee. Every person entitled to vote or execute consents may do so either in person or by one or more agents authorized by a written proxy executed by the person or such person's duly authorized agent and filed with the secretary of the Corporation. A proxy is not valid after the expiration of eleven (11) months from the date of its execution, unless the person executing it specifies therein the length of time for which it is to continue in force. Except as set forth below, any proxy duly executed is not revoked, and continues in full force and effect, until an instrument revoking it, or a duly executed proxy bearing a later date, executed by the person executing the prior proxy and presented to the meeting is filed with the secretary of the Corporation, or unless the person giving the proxy attends the meeting and votes in person, or unless written notice of the death or incapacity of the person executing the proxy is received by the Corporation before the vote by such proxy is counted. A proxy that states on its face that it is irrevocable will be irrevocable for the period of time specified in the proxy, if held by a person (or nominee of a person) specified by law to have sufficient interest to make such proxy irrevocable and only so long as he shall have such interest, subject to G.L. c. 156D, § 7.22.

Section II.14 Action by Shareholders Without a Meeting. Any action, that, under any provision of G.L. c. 156D may be taken at a meeting of the shareholders, may be taken without a meeting and without prior notice if a consent in writing, setting forth the action so taken, shall be signed by the holders of the outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares are entitled to vote thereon were present and voted; provided, however, that unless the consents of all shareholders entitled to vote have been solicited in writing, notice shall be given (in the same manner as notice of meetings is to be given), and within the time limits prescribed by law, of such action to all shareholders entitled to vote who did not consent in writing to such action; and provided, further, that Directors may be elected by written consent only if such consent is unanimously given by all shareholders entitled to vote, except that action taken by shareholders to fill one or more vacancies on the board other than a vacancy created by the removal of a Director, may be taken by written consent of a majority of the outstanding shares entitled to vote.

Article III DIRECTORS

Section III.01 Number of Directors; Identity of Initial Directors. The authorized number of Directors of the Corporation shall be five (5) until changed by an amendment to these Bylaws duly adopted in accordance with these Bylaws by the vote or written consent of a majority of the outstanding shares entitled to vote. (d) Appoint by resolution of a majority of the authorized number of Directors an executive committee and other committees and delegate to the executive committee any of the powers and authorities of the board in the management of the business and affairs of the Corporation, except the powers to (i) fill vacancies on the board or any committee, (ii) fix compensation of Directors; (iii) adopt, amend, or repeal these Bylaws; (iv) amend or repeal resolutions of the board that are expressly non-amendable or repealable; (v) declare a dividend or distribution to shareholders or authorize the repurchase of the Corporation's shares except at a rate, in a periodic amount or within a range, determined by the board; (vi) establish other committees of the board; or (vii) approve any action that in addition to board approval requires shareholder approval. The executive committee shall be composed of two (2) or more Directors. The provisions of these Bylaws regarding notice and meetings of Directors shall apply to all committees;

(e) Authorize the issuance of stock of the Corporation from time to time, upon such terms as may be lawful; and

(f) Prepare an annual report to be sent to the shareholders after the close of the fiscal or calendar year of this Corporation, which report shall comply with the requirements of law. To the extent permitted by law, the requirements that an annual report be sent to shareholders and the time limits for sending such reports are hereby waived, the Directors, nevertheless, having the authority to cause such report to be sent to shareholders.

Section III.03 Term of Office. Directors shall hold office until the next annual meeting of shareholders and until their successors are elected.

Section III.04 Vacancies and Newly Created Directorships. A vacancy on the board of Directors exists in case of the occurrence of any of the following events:

(a) The death, resignation, or removal of any Director.

(b) The removal or declaration of vacancy by the board of Directors of a Director who has been declared of unsound mind by a court order or convicted of a felony.

(c) The Director is a member who is divested from ownership of the marijuana business by a decision of either the state or local licensing authority.

(d) The authorized number of Directors is increased.

(e) At any annual, regular, or special meeting of shareholders at which any Director is elected, the shareholders fail to elect the full authorized number of Directors to be voted for at that meeting.

All vacancies (other than vacancies created by removal of a Director) may be filled by the approval of the board of Directors or, if there is less than a quorum of Directors, by (i) a vote of the majority of the remaining Directors at a meeting held pursuant to notice or waivers of notice complying with G.L. c. 156D, (ii) unanimous written consent or (iii) a sole remaining Director. Each Director so elected shall hold office until his successor is elected at an annual, regular, or special meeting of the shareholders. The shareholders may, by vote or written consent of a majority of outstanding shares entitled to vote in the election of Directors, elect a Director at any time to fill any vacancy not filled by the Directors. The shareholders may, by vote of a majority of outstanding shares entitled to vote in the election of Directors or unanimous written consent, elect a Director at any time to fill any vacancy created by removal of a Director, except that a vacancy created pursuant to clause (b) of this Section may be filled by the board of Directors. If the board of Directors accepts the resignation of a Director tendered to take effect at a future time, the board or the shareholders may elect a successor to take office when the resignation becomes effective. A reduction of the authorized number of Directors does not remove any Director prior to the expiration of that Director's term of office.

Section III.05 Removal. The board of Directors may declare vacant the office of a Director who has been declared of unsound mind by an order of the court or convicted of a felony, or who has been barred from ownership of a marijuana business by a final decision of an applicable state or local licensing authority, or otherwise in a manner provided by law.

Any or all of the Directors may be removed from office at any duly called meeting without cause by a vote of the shareholders entitled to elect them. If one or more Directors are so removed at a meeting of shareholders, the shareholders may elect new Directors at the same meeting.

Section III.06 Resignation. A Director may resign effective on giving written notice to the President, unless the notice specifies a later effective date.

Section III.07 Meetings of Directors.

(a) Regular Meetings. A regular annual meeting of the board shall be held immediately after, and at the same place as, the annual meeting of shareholders for the purpose of electing officers and transacting any other business. The board may provide for other regular meetings from time to time by resolution.

(b) Special Meetings. Special meetings of the board for any purpose or purposes may be called at any time by at least two Directors. Notice of the time and place of special meetings shall be delivered by mail, electronic delivery, or orally. If notice is mailed, it shall be deposited in the United States mail at least four days before the time of the meeting. In the case the notice is delivered either orally or by electronic delivery shall be delivered at least forty-eight (48) hours before the time of the meeting. Any oral notice given personally or by telephone may be communicated either to the Director or to a person at the office of the Director whom the person giving notice has reason to believe will promptly communicate it to the Director. The notice need not specify the purpose of the meeting nor the place if it is to be held at the principal office of the Corporation.

(c) Place of Meetings. Meetings of the Board may be held at any place within or without the Commonwealth of Massachusetts that has been designated in the notice. If a place has not been stated in the notice or there is no notice, meetings shall be held at the principal office of the Corporation unless another place has been designated by a resolution duly adopted by the board.

Section III.08 Electronic Participation. Members of the board may participate in a meeting through conference telephone, electronic video screen communication, or other electronic transmission by and to the Corporation. Participation in a meeting by conference telephone or electronic video screen communication constitutes presence in person as long as all Directors participating can hear one another. Participation by other electronic transmission by and to the Corporation (other than conference telephone or electronic video screen communication) constitutes presence in person at the meeting as long as participating Directors can communicate with other participants concurrently, each Director has the means to participate in all matters before the board, including the ability to propose or object to a specific corporate action, and the Corporation implements some means of verifying that each person participating is entitled to participate and all votes or other actions are taken by persons entitled to participate.

Section III.09 Quorum of and Action by Directors. A majority of the authorized number of Directors constitutes a quorum of the board for the transaction of business. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present is the act of the board of Directors, unless G.L. c. 156D or the Articles of Organization require a greater number. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, if any action is approved by at least a majority of the Directors who constitute the required quorum for such meeting. A quorum of the Directors may adjourn any Directors' meeting to meet again at a stated time and place. In the absence of quorum, a majority of the Directors present may adjourn from time to time. Notice of the time and place of a meeting that has been adjourned for more than twenty-four (24) hours shall be given to the Directors not present at the time of the adjournment.

Section III.10 Compensation. Directors shall not receive compensation or reimbursement in connection with his or her service as a Director, but shall be eligible to receive reimbursement for reasonable out-of-pocket expenses related to Director's performance of duties.

Section III.11 Action by Directors Without a Meeting. Any action required or permitted to be taken by the board of Directors or any committee thereof under G.L. c. 156D may be taken

without a meeting if, prior or subsequent to the action, a consent or consents thereto by all of the Directors in office, or all the committee members then appointed, is filed with the secretary to be filed with the minutes of the proceedings of the board of Directors. Such action by written consent shall have the same force and effect as a unanimous vote of such Directors.

Section III.12 Committees of the Board of Directors. The board of Directors, by resolution adopted by a majority of authorized Directors, may designate one or more committees, each consisting of two or more Directors, to serve at the pleasure of the board and to exercise the authority of the board of Directors to the extent provided in the resolution establishing the committee and permitted by law. The board of Directors may adopt governance rules for any committee consistent with these Bylaws. The provisions of these Bylaws applicable to meetings and actions of the board of Directors shall govern meetings and actions of each committee, with the necessary changes made to substitute the committee and its members for the board of Directors and its members.

A committee of the board of Directors does not have the authority to:

- (a) Approve actions that require approval of the shareholders or the outstanding shares.
- (b) Fill vacancies on the board or in any committee.
- (c) Fix compensation of the Directors for serving on the board or on any committee.
- (d) Amend or repeal bylaws or adopt new bylaws.
- (e) Amend or repeal any resolution of the board of Directors that by its terms is not so amendable or repealable.
- (f) Make a distribution to shareholders, except at a rate, in a periodic amount or within a price range set forth in the Articles of Organization or determined by the board.
- (g) Appoint other committees or board members.

The board of Directors, by resolution adopted by the majority of authorized Directors, may designate one or more Directors as alternate members of any committee who may replace any absent or disqualified member at any meeting of the committee or for the purposes of any written action by the committee.

The designation of a committee of the board of Directors and the delegation thereto of authority shall not operate to relieve the board of Directors, or any member thereof, of any responsibility imposed by law.

**INVENTORY MANAGEMENT POLICIES & PROCEDURES
SEPARATION OF MEDICAL-USE AND ADULT-USE MARIJUANA**

GENERAL OVERVIEW	2
INVENTORY CONTROL SYSTEM	2
INVENTORY TRACKING	2
<i>Virtual Separation of Medical-Use and Adult-Use Marijuana.....</i>	<i>3</i>
TRANSFER OF PRODUCT	3

GENERAL OVERVIEW

RISE Holdings, Inc. (“RISE”) has established inventory control policies in order to ensure the safe and secure production, movement and storage of marijuana and marijuana products from seed to sale. RISE will limit its inventory of seeds, plants, and usable marijuana to reflect the projected needs of its customers (patients and consumers). As a result, inventory levels will be reviewed and adjusted on an on-going basis. In addition, RISE has developed internal controls to mitigate the risk of inventory loss.

INVENTORY CONTROL SYSTEM

RISE shall maintain an electronic, real-time inventory tracking system that provides the electronic tracking of an individual cannabis or marijuana plant, including its cultivation, growth, harvest and preparation of cannabis or marijuana products, if any, and final sale. It will also be able to track agents’ and licensees’ involvement with the marijuana product.

RISE’s inventory control system includes cultivation tracking, patient management, point-of-sale (POS) system, and the state Seed-to-sale SOR. Records will be retained and will have the ability to show which RISE agent inputted the information. In addition, Real-time inventory levels will be reported through the POS system. Each product will have a unique transaction record that shows the details of the sale or acquisition, the addition or removal of the product from inventory, the date/time of the transaction, and the RISE agent who performed the transaction. All sales transactions will be tied to the individual patient’s record.

INVENTORY TRACKING

All RISE marijuana inventory shall be tracked using plant tags on all marijuana clones and plants and package tags on all finished marijuana, MIPs and marijuana products with unique tracking number(s) for the Seed-to-sale SOR. All marijuana will be weighed with a certified Class II NTEP Balance. All RISE agents shall follow the Commission’s “Massachusetts Seed-To Sale Guidance” document to ensure RISE’s inventory is properly tracked. RISE shall maintain real-time tracking of its inventory, including:

- Marijuana plants.
- Marijuana plant-seeds and clones in any phase of development, including propagation, vegetation, and flowering.

- Marijuana ready for dispensing.
- All MIPs or marijuana products
- All damaged, defective, expired, or contaminated marijuana, MIPs or marijuana products awaiting disposal.

At the conclusion of each operational period, designated personnel shall:

- Ensure that all marijuana products are properly stored in the final product vault.
- Ensure that all work tables and surfaces are clear of marijuana product.
- Ensure that all marijuana product has been removed from processing equipment and is properly stored.

Virtual Separation of Medical-Use and Adult-Use Marijuana

RISE shall electronically separate medical-use and adult-use marijuana, MIPs, and marijuana products using plant or package tags in the Seed-to-sale SOR. The Seed-to-sale SOR shall have record of RISE's entire inventory.

Transfer of Product

Subject to marijuana product or MIPs being entered into the Seed-to-sale SOR, an RMD may transfer product to a Marijuana Establishment; and a Marijuana Establishment may transfer product to an RMD as long as there is no violation of the dosing limitations set forth in 935 CMR 500.150(4).

Such transfers cannot violate provisions protecting patient supply under 935 CMR 502.140(9). An RMD must limit its transfer of inventory of seeds, plants, and usable marijuana to reflect the projected needs of registered Qualifying Patients.

RISE agents shall ensure all affiliated and unaffiliated transfers are documented proper per Commission regulations and guidance documents.

INTRODUCTION

RISE Holdings, Inc. (“RISE”) has prepared and developed security policies and procedures to provide for the safe, orderly, and legal production and distribution of marijuana. The following policies and procedures are necessary to ensure the safety and security of RISE facilities. RISE shall share its security plan and procedures with law enforcement authorities and fire services and periodically update law enforcement authorities and fire services if the plans or procedures are, if approved by the Commission, modified in a material way.

ACCESS CONTROL

Access to the facility shall be limited to individuals 21 years of age or older. Only employees with a valid Commission agent registration card or authorized visitor shall be granted access.

Limited Access Areas include where cannabis or marijuana products, or their byproducts are cultivated, stored, weighed, packaged, processed, or disposed of. Access to Limited Access Areas shall be limited to persons that are essential to operations in these areas and specifically permitted by RISE; representatives of the Commission acting in accordance with their authority under the adult-use, medical-use and collocated operations laws; Commission designee(s); and law enforcement authorities; and emergency responders acting within their lawful jurisdiction.

Authorized visitors will be issued a Visitor Badge and be escorted by an authorized RISE agent at all times. Agents will be notified when an authorized visitor is entering a Limited Access Area. Authorized visitors are prohibited from remaining on the premises once the purpose of their visit has been completed.

Visitor Access Procedures

- Photograph identification, such as a valid driver’s license, will be required for all authorized visitors.

Access Control to Limited Access Areas

Limited Access Areas include where cannabis or marijuana products, or their byproducts are cultivated, stored, weighed, packaged, processed, or disposed of. Individuals who are not registered agents of RISE will not be permitted to enter Limited Access Areas (with the exception of limited visitor access, see above “Limited Access Areas – Authorized Visitors”).

- The minimum number of authorized agents essential for efficient operation will have access to inventory, cash, and management offices. Access will be restricted using zoned proximity reader key cards and by maintaining internal automatic locking doors.
- RISE agents will visibly display their RISE ID badge while performing job duties on-site or off-site.
- Agents may not bring bags, camera phones, backpacks or purses from the break room into the areas where patients, caregivers and visitors are present. Agents will use individual lockers for storing personal belongings during scheduled work hours. Any item that could be used for diversion may be prohibited at the discretion of the Director of Security.

- Badges will be promptly recovered or, when appropriate, re-issued whenever an agent's requirement for entry to RISE no longer exists, including immediate card deactivation, due to an internal transfer, termination of employment, or for any other appropriate reasons.

Badge Preparation

- Prior to badge preparation for a new agent, the Director of Security will ensure that all required background checks have been completed and documented and that the agent is granted the appropriate level of access for the job the agent will be performing.
- A color photograph will be taken and the agent's last name and assigned agent number will appear on the badge.
- The badge will include a number, date of issue, and agent's name, and this information will be recorded in the badge log maintained as part of RISE's recordkeeping requirements.
- Badges shall be worn on the outer garment, above the waist. Neck lanyards are acceptable to display badges.

Badge Control/Accountability

- All permanent badge "blanks" will be individually numbered with a sequential number on the front.
- Permanent badges are recorded in a master log, using the preprinted sequential number on the front, date of issue and printed name and maintained as part of RISE's recordkeeping requirements.
- Visitor badges are maintained by the Director of Security or a designated alternate.
- All visitor badges are individually numbered and are issued to specific individuals.
- The type of badge issued is determined by the purpose of the visit and verified authorized access level.
- Upon issue, the badge number is recorded in the visitor log.
- Upon departure, badges will be returned and the departure time is recorded on the visitor log. Badges will be checked to ensure the individual has returned the same badge issued.

Proximity Access Cards

- In addition to the identification badges worn by all agents, proximity card readers will secure all Limited Access Areas and will only be issued to those agents who require access to Limited Access Areas to complete job functions.
- Access Cards will be issued and accounted for in RISE's Access Card database and be maintained in accordance with RISE's recordkeeping requirements.
- Each access card will grant access to specific zoned areas for authorized access; access may be limited as necessary.

The notification from Rise will describe a proposed plan of action for both the destruction of the contaminated product and the assessment of the source of contamination;
- d. Rise will maintain the results of all testing for no less than one year, and acknowledges and understands that testing results will be valid for a period of one year, and that marijuana or marijuana products with testing dates in excess of one year will be deemed expired and may not be dispensed, sold, transferred or otherwise conveyed until retested;
- e. The sale of seeds is not subject to these testing provisions;
- f. Clones are subject to these testing provisions but are exempt from testing for metals;
- g. All transportation of marijuana to and from Independent Testing Laboratories providing marijuana testing services will comply with 935 CMR 500.105(13);
- h. All storage of marijuana at a laboratory providing marijuana testing services will comply with 935 CMR 500.105(11);
- i. All excess marijuana will be disposed of in compliance with 935 CMR 500.105(12), either by the Independent Testing Laboratory returning excess marijuana to Rise for disposal or by the Independent Testing Laboratory disposing of it directly;
- j. No marijuana product will be sold or otherwise marketed for adult use that has not first been tested by an Independent Testing Laboratory and deemed to comply with the standards required under 935 CMR 500.160;
- k. Single-servings of marijuana products tested for potency in accordance with 935 CMR 500.150(4)(a) will be subject to a potency variance of no greater than plus/minus ten percent (+/- 10%).
- l. Any marijuana or marijuana products submitted for retesting prior to remediation will be submitted to an Independent Testing Laboratory other than the laboratory which provided

the initial failed result. Marijuana submitted for retesting after documented remediation may be submitted to the same Independent Testing Laboratory that produced the initial failed testing result prior to remediation.

SOLID GROWING MEDIA SAMPLING

Cultivation media will be tested in compliance with Commission protocols. Soil for cultivation will meet the federal standards identified by the Commission, including but not limited to the U.S. Agency for Toxic Substances and Disease Registry's Environmental Media Evaluation Guidelines for residential soil levels. All soils and solid growing media will be sampled and analyzed initially prior to use for cultivation of marijuana, and at least annually, or quarterly if the soil is amended. Specifically, all source soils or solids will be sampled and analyzed prior to use in cultivation and whenever new soils or solids are received from a different source. Samples will be taken from 5% of individual plant containers. Sample collection documentation will identify the sample collection date and start time, participating personnel, a general description of the media and locations sampled, relevant environmental conditions, a description of the sampling procedures and equipment decontamination/cleaning used, and a record of plants or batches that would potentially be impacted should analysis results indicate unacceptable contamination. Agents performing sampling will use decontaminated sampling tools and equipment to ensure that samples are not contaminated. All instructions from the analyzing laboratory will be followed in the transportation of samples. Laboratory analysis will be performed by a laboratory that is:

- Accredited to International Organization for Standardization (ISO) 17025 by a third-party accrediting body that is a signatory to the International Laboratory Accreditation Cooperation (ILAC) Mutual Recognition Arrangement; or
- Certified, registered, or accredited by an organization.

Source soils will be sampled and analyzed:

- Prior to use in cultivation;
- Whenever a new source material is utilized; or
- At a rate of one sample per cubic yard of source soil or, when collected prior to distribution among beds or containers, source soil or solids samples will be taken to best represent the overall source soils (e.g., collected from different areas and depths of a stockpile).

Source soils and solids passing initial testing requirements may be stockpiled for later use without requiring re-analysis unless the stockpile has been contaminated or altered while stored. Situations for re-analysis may include, but are not limited to, soils that have been amended, mixed with other source soils/solids, subject to pesticide application, used for other purposes, or inundated by flood waters.

Cultivation soils will be analyzed at least annually during the calendar year of use. Solids tested initially as source soils or solids prior to use in cultivation do not require retesting until the following year (or quarter if amended as described below). If amended, the solid growing media/soil used in cultivation will be sampled and analyzed during the quarter in which it was amended. Cultivation soil and solid samples will be collected to represent the broad range of cultivation units, growth stages, and soil and solid types whether from beds or containers.

Sources of solid growing media including soils must be sampled and analyzed prior to use in cultivation and upon any change in the source of solids. Once cleared for use in cultivation, cultivation soils must be sampled and analyzed at least annually and within the quarter that soils are amended. The spatial distribution of samples must be considered to ensure representativeness across the entire cultivation operation. Sampling and analysis frequency, sample locations, and quality control (QC) samples are detailed herein and will comply with all regulatory guidance and will be periodically reviewed and amended to ensure such compliance.

MINIMUM SAMPLING AND ANALYSIS FREQUENCY FOR SOILS AND SOLIDS

Source Soils and Solids

- All source soils and solids will be sampled and analyzed prior to use in cultivation.
- All source soils and solids will be sampled and analyzed whenever a new source material is utilized (e.g., different source soil location or different source solid manufacturer).
- All source soils and solids for initial use must be sampled at the rate of one (1) sample per cubic yard of solid media/soil.
- Source soils and solids passing initial testing requirements may be stockpiled for later use without requiring re-analysis unless the stockpile has been contaminated or altered while stored. Situations for re-analysis may include but are not limited to soils that have been amended, mixed with other source soils/solids, subject to pesticide application, used for other purposes, or inundated by flood waters.

Cultivation Soils or Solids

- All cultivation soils and solid materials will be analyzed at least annually during the calendar year of use. Solids tested initially as source soils or solids prior to use in cultivation do not require retesting until the following year (or quarter if amended as described below).
- If amended, the solid growing media/soil used in cultivation will be sampled and analyzed during the quarter in which it was amended. Note that soil amendment includes any material added to a soil, including other soils, to improve its physical properties, such as water retention, permeability, water infiltration, drainage, aeration, and structure. Note that soil amendment does not include addition of water or fertilizers added solely for nutrients. Materials such as compost or manure that are added for nutrients and to change the character of the soil and that are added in bulk are considered soil amendments for the

purpose of this protocol. Application of soil amendments must be consistent with all Commission requirements.

- For cultivation that utilizes beds or other broad area cultivation, solid growing media/soil samples will be collected at the rate of 1 sample per discrete cultivation unit or at least 1 sample per 100 square feet of soil area for larger discrete cultivation units.
- For cultivation that utilizes individual plant containers (as opposed to beds or in-ground cultivation), solid growing media/soil samples will be collected from a minimum of 5 percent of the total number of growing containers.
- Solid growing media samples will be collected to be representative of the horizontal and vertical conditions of the growing configuration.
- When collected prior to distribution among beds or containers, source soil or solids samples will be taken to best represent the overall source soils (e.g., collected from different areas and depths of a stockpile).
- Cultivation soil and solid samples will be collected to represent the broad range of cultivation units, growth stages, and soil and solid types whether from beds or containers.
- Samples will be analyzed individually as grab samples unless the analysis methods used allow analytical reporting limits to be achieved on composite sample analyses that would demonstrate that any single sample in the composite would not exceed the contaminant limits described later in this protocol. In no case may more than five (5) primary samples be composited into a single sample for analysis. When analyzed as a composite, the laboratory results of the composite must demonstrate that each composite subsample is below the relevant contaminant limits, not just the composite itself. For example, if the results of a five-sample composite are reported as 1.0 mg/kg, any one subsample (20% of the total composite) could contain up to 5 mg/kg when accounting for the effective dilution of the other four subsamples (i.e., 1 sample at 5 mg/kg + 4 samples at 0 mg/kg = average of 1 mg/kg).
- Composite samples are not recommended but are allowable to scale sampling and analysis to fit the cultivation scale and approach. However, use of composite samples to demonstrate compliance would require corrective actions on all individual samples should the composite sample fail to achieve acceptable limits on any target analyte.

A diagram of the cultivation area, the sampling design, and the horizontal and vertical location of each sample will be created for each sampling event and maintained on file for review by inspection authorities.

QUALITY CONTROL (QC) SAMPLES FOR SOILS AND SOLIDS

Field duplicate samples will be collected at least annually and one (1) for every twenty (20) field samples of the solid samples collected to provide verification of field and laboratory procedures. Field duplicate samples will be collected and analyzed for each analytical method performed on the samples. Field duplicate samples will not be identified to the laboratory (blind QC). Blank samples are required to provide important information on potential positive bias on any positive results in field samples.

Equipment rinsate blanks are required whenever non-disposable sampling equipment is used to collect samples at multiple locations such as in source soil testing or testing of hydroponic nutrient solutions. Equipment rinsate blanks must be collected at the rate of one (1) per sampling event per sampling equipment type with at least one (1) equipment rinsate blank for every twenty (20) field samples of the same matrix. Where equipment rinsate blanks are not appropriate (i.e., use of disposable sampling equipment, collection of just one sample location, or direct collection into the sampling container), field blanks may be used to evaluate potential for contamination and potential positive bias at the same frequency of one (1) per sampling event per sampling equipment type with at least one (1) for every twenty (20) field samples of the same matrix.

WATER SAMPLES

Rise's water supply will be sufficient for necessary operations. Water will not be sampled because water is from a Public Water Source (PWS) used in solids-based cultivation. Public water analysis records will be maintained by Rise and available to inspectors to demonstrate adequate analysis of the water and exemption from analysis.

INTRODUCTION TO HANDBOOK

It is our pleasure to issue a copy of our Agent Handbook containing information that will assist in answering your questions regarding RISE Holdings, Inc. (“RISE” or the “Company”) policies and benefits. Please do not hesitate to request clarification on any item that is not immediately clear. The Company may alter or amend the policies and provisions contained in this handbook at any time at its discretion. As changes occur, the Company will promptly inform its agents of any such changes.

This handbook has been written to provide guidance and to help Agents know more about the Company. Brief outlines of the benefits, salary plan, rules and regulations, etc., are contained for review. For more detailed information on any of these subjects, please contact the Human Resources Manager. **THIS HANDBOOK IS NOT A CONTRACT. THE BENEFITS, POLICIES AND PROCEDURES OUTLINED IN THIS HANDBOOK ARE SUBJECT TO CHANGE AT ANY TIME, AT THE SOLE DISCRETION OF THE COMPANY.** This handbook does not make any enforceable promises or guarantees.

Notwithstanding any statements made in this handbook or any employment-related discussion, it is understood that all agents at the Company are employed on an at-will basis and may resign or be terminated at any time.

SECTION I – FEDERAL, STATE AND LOCAL REGULATIONS

Americans with Disabilities Act (ADA)

RISE is committed to fully complying with the Americans with Disabilities Act (ADA) and ensuring opportunities in employment for qualified persons with disabilities. All employment practices and activities are conducted on a non-discriminatory basis.

Reasonable accommodation is available to all agents qualifying under the ADA, where their disability affects the performance of job functions. All employment decisions are based on the merits of the situation in accordance with defined criteria, not the disability of the individual.

Qualified individuals with disabilities are entitled to equal pay and other forms of compensation (or changes in compensation) as well as in job assignments, classifications, organizational

structures, and position description. To the extent applicable, leave will be available to all qualified agents on an equal basis.

RISE is also committed to not discriminating against any qualified applicants because those applicants are related to or associated with a person with a disability. RISE will follow any state or local law that provides individuals with disabilities greater protection than the ADA.

This policy is neither exhaustive nor exclusive. RISE is committed to taking all other actions necessary to ensure equal employment opportunity for persons with disabilities in accordance with the ADA and all other applicable federal, state, and local laws.

COBRA

Full-time agents who leave RISE for any reason other than gross misconduct may extend their medical coverage for themselves and their immediate family members for up to 18 months, unless they leave RISE because they become (a) disabled, then they have up to 29 months, (b) die, then beneficiaries have 36 months, (c) become divorced or legally separated, or participate in Medicare, then they have 36 months.

If agents elect to use COBRA, they must notify RISE in writing within 60 days of termination. Agents must pay 100% of the premium in addition to a 2% administrative fee.

All premiums must be pre-paid for each month of extended coverage. Failure to pre-pay the premium will result in the termination of medical insurance coverage. Coverage will also be terminated should RISE terminate coverage for all agents, or if the agent becomes eligible for coverage under another group medical insurance plan.

All requests for COBRA should be received in writing. Requests to terminate coverage should also be submitted in writing.

Employment Eligibility

RISE complies with all federal and state immigration laws and regulations and is committed to providing a workplace free from discrimination, including discrimination based on national origin or citizenship status. To meet these obligations, RISE will verify employment eligibility of all new hires and re-verify such eligibility as required by law.

All new agents must complete and sign Section One of Federal Form I-9 at the time of hire. RISE will furnish new agents with this form. Agents are required to provide RISE with documentation of identity and employment eligibility within 3 business days after their employment starts. RISE will only accept identity and employment eligibility documents as listed on Form I-9 that appear to be genuine (e.g. United States passport; birth certificate, etc.). Please note that payroll cannot begin until Form I-9 is completed and submitted to RISE.

Equal Employment Opportunity

In order to provide equal employment and advancement opportunities to all individuals, employment decisions at RISE will be based on merit, qualifications, and abilities. RISE does not discriminate in employment opportunities or practices on the basis of race, sex, color, age, national origin, ancestry, sexual orientation, handicap, disability, genetic information, pregnancy, marital status, gender identity/expression, religion, creed, veteran's status, national guard or reserve unit obligations, or other protected status.

This policy governs all aspects of employment, including selection, job assignment, compensation, discipline, termination, and access to benefits and training.

Any agents with questions or concerns about any type of discrimination in the workplace are encouraged to bring these issues to the attention of their manager. Agents can raise concerns and make reports without fear of reprisal. Anyone found to be engaging in any type of unlawful discrimination will be subject to disciplinary action, up to and including termination of employment.

Family Medical Leave Act (FMLA)

RISE provides family leaves of absence without pay to eligible agents who wish to take time off from work duties to fulfill family obligations relating directly to childbirth, adoption, or placement of a foster child; or to care for a child, spouse, or parent with a serious health condition. A serious health condition means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility; or continuing treatment by a healthcare provider.

Agents in the following employment classifications are eligible to request family leave as described in this policy:

- All agents who have worked for RISE for at least 12 months and at least 1,250 hours in the 12 months prior to the leave request.

Eligible agents should make requests for family leave to their manager at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events.

Agents requesting family leave related to the serious health condition of himself/herself, a child, spouse, or parent may be required to submit a health care provider's statement verifying the need for a family leave to provide care, its beginning and expected ending dates, and the estimated time required.

Eligible agents may request up to a maximum of 12 weeks of family leave within any 12-month period. Any combination of family leave and medical leave may not exceed this maximum limit. Agents will be required to first use any accrued paid leave time before taking unpaid family leave. Married agents/couples may be restricted to a combined total of 12 weeks leave within any 12-month period for childbirth, adoption, or placement of a foster child; or to care for a parent with a serious health condition. Where leave is taken for the purpose of giving birth or caring for an adopted child, the leave may be counted simultaneously against entitlement under the Maternity and FMLA leave.

Subject to the terms, conditions, and limitations of the applicable plans, RISE will continue to provide health insurance benefits for the full period of the approved family leave. Other benefits will be maintained by RISE under the same conditions as for active agents.

So that an agent's return to work can be properly scheduled, an agent on family leave is requested to provide RISE with at least two weeks advance notice of the date the agent intends to return to work. When family leave ends, provided the agent has complied with the above requirements set forth in this Section, the agent will be reinstated to the same position, if it is available, or to an equivalent position for which the agent is qualified.

If an agent fails to return to work on the agreed upon return date, RISE will assume that the agent has resigned.

Section 125 Plan

As required under Section 125 of the Internal Revenue Code, RISE offers a Section 125 program to all eligible agents. Participation in the program allows agents to contribute pre-tax dollars to pay their health insurance premiums. Thus, eligible agents do not pay federal and state income tax or social security tax on dollars deducted from their pay to cover health insurance premiums. Participation in the program is voluntary.

Workers' Compensation

RISE agents are covered by the Massachusetts Workers' Compensation Act that provides financial compensation and the payment of certain medical expenses to workers for certain injuries sustained or illnesses arising from their employment. In the event an agent is injured, he/she may be eligible to receive weekly workers' compensation wage- replacement benefits. RISE bears the full cost of this program.

Agents must immediately report all injuries or illnesses, regardless of severity to their manager. RISE management will work with the injured agent to complete the injury report no later than 72 hours after the injury occurs.

Agents may not use group health plans for injuries or illnesses covered under the Workers' Compensation Act. Further, agents may not use accrued leave while they are receiving wage-replacement benefits under workers' compensation.

RISE works closely with its workers' compensation insurer to investigate any suspected fraudulent workers' compensation claims. As a result, RISE reserves the right to prosecute any agent who files a fraudulent claim or engages in other workers' compensation fraud.

SECTION II – PERSONNEL POLICIES

Agent Registration

All RISE agents are required to complete the Commission issued paperwork in order to register with the MMJ Online System and obtain a registration card. Agent registration cards are valid for one year from the date of issue and must be renewed in order to be employed by RISE. Changes to information (e.g. address, name change, etc.) must be reported to the Commission within five (5) business days. An agent may be registered under 935 CMR 500.000: Adult Use of Marijuana

or 935 CMR 501.000: Medical Use of Marijuana. RISE agents may only perform tasks and duties permitted by the license or registration under which they are registered (Adult Use or Medical Use) and may perform colocated tasks and duties only if registered under both 935 CMR 500.000-Adult Use and 501.000-Medical Use.

In addition, all RISE agents are required to submit to a CORI report at the time of employment and on an annual basis. On-going employment is subject to the agent's ability to meet agent registration requirements set forth by the Commission. CORI reports will be kept separately from the agent's personnel record.

Attendance

RISE's successful operation depends in large part upon the regular and punctual attendance of each of its agents. Agents have an important job which fits into the pattern of company operations. Absences are undesirable because they affect fellow agents and RISE's registered patients and caregivers ("P/Cs") and adult consumers ("consumers").

Agents are required to be at work for their scheduled start time. If agents anticipate being late, their manager should be notified prior to the scheduled start time in person, by telephone, or e-mail. Agents are asked to arrive at work no more than 15 minutes early.

Sick agents should notify their manager prior to the start of the work day (preferably the night before if possible) if they are unable to come to work due to illness.

Dress Code

Dress, grooming, and personal cleanliness standards contribute to the morale of all agents and the image RISE presents to P/Cs, consumers, and visitors. During hours of operation, agents are expected to present a clean and neat appearance and to dress according to the requirements of their positions.

Drug-Free Workplace

It is RISE's desire and intent to provide a drug-free, healthful, and safe workplace for all agents. To promote this goal, agents are required to report to work in appropriate mental and physical condition to perform their jobs in an exemplary and professional manner. This policy is violated

when agents engage in the use and/or possession of illegal drugs and when they abuse alcohol and illegal drugs.

Thus, while on the premises of RISE and while conducting business-related activities off RISE premises, agents may not use, possess, distribute, sell, or be under the influence of alcohol or illegal drugs.

Working while engaged in the legal use of prescribed drugs is allowed only to the extent that the agent's ability to perform the essential functions of the job effectively and in a safe manner is not impaired and that other individuals in the workplace are not endangered. Agents should notify their manager whenever the use of legal drugs for medical purposes may impair the agent's performance, safety, and/or judgment so that the appropriate accommodations can be made.

Violations of this policy may lead to disciplinary actions, up to and including immediate termination of employment, and/or required participation in a substance abuse rehabilitation or treatment program. Such violations may also have legal consequences.

Employment on an At-Will Basis

All agents of RISE, regardless of their classification or position, are employed on an at- will basis. This means that each agent's employment is terminable at the will of RISE or the agent at any time, for any reason, or no reason, and with or without notice.

Furthermore, nothing contained in the policies, procedures, handbooks, manuals, job descriptions, application for employment, or any other document of the company shall in any way create an express or implied contract of employment or an employment relationship other than an at-will basis.

Employment Classifications

The first three (3) months of employment at RISE for all agents are training period months. A supervisor may recommend that a new agent 's employment be terminated at any time during the three (3) month training period if the overall evaluation of the person and the position warrants such action.

At the end of three (3) months, the agent 's performance will be appraised. At this appraisal, the supervisor will inform the agent that the agent will become a regular agent; that the trial period is being extended, or that at RISE no longer needs the agent 's services.

For the sole purpose of determining the allowance of certain benefits, agents are classified as one of the following:

- **Regular Full-Time Agent:** An agent who is scheduled to work an average of 30 or more hours per week on a regular and continuous basis. Regular Full-Time agents are eligible for the following benefits:
 - Paid Time Off (PTO)
 - Holiday Time
 - Health Insurance
 - Retirement Plan
 - Bereavement Leave
 - Jury Duty Leave; and
 - Any other leave permitted by law.
- **Regular Part-Time Agent:** An agent who is scheduled to work less than an average of 30 hours per week. Regular Part-Time agents may be eligible for the following benefits on a prorated basis according to regularly scheduled hours worked:
 - Paid Time Off (PTO)
 - Holiday time; and
 - Any other leave permitted by law

For payroll purposes agents will be classified as one of the following:

- **Exempt Agents:** Certain agents such as executive and administrative agents are paid on a salary basis for all hours worked each week. These agents are expected to work whatever hours are required to accomplish their duties, even if it exceeds the normal workweek. No overtime pay will be paid to exempt agents.
- **Non-Exempt Agents:** All agents who are not identified as exempt agents are considered non-exempt agents. Non-exempt agents are eligible for payment of overtime premium pay.

Electronic Communications

RISE uses various means of electronic communications in its normal course of business. The purpose of this policy is to describe RISE's general rules regarding use of electronic communications. Agents that violate RISE's electronic communications policy are subject to discipline, up to termination. Additionally, agents who use RISE's electronic communications systems for illegal or fraudulent purposes are subject to legal action by appropriate local, state and federal authorities.

E-mail

RISE operates a corporate e-mail system. As such, RISE's email system should primarily be used to discuss business related activities. Agents must use RISE's email system to create, send, receive, and store all work-related emails; they cannot use personal email accounts to create, send, receive, or store work-related email.

RISE agents should not expect any privacy when using the corporate email system and are expected to abide by RISE's harassment policy and any other applicable policies when sending emails over the corporate email system.

Internet

Email and Internet communications are not private. Email and Internet access are valuable communication and research tools for conducting the RISE's business.

Because RISE provides agents with these tools, agents and members of RISE do not have a reasonable expectation of privacy in email and Internet communications. RISE has the right to view and disclose all electronic communications including email and Internet access.

RISE agents may not knowingly transmit, receive, or store any communication that; (i) is discriminatory, harassing, defamatory, or otherwise prohibited by federal law, (ii) appears derogatory and/or obscene to anyone, (iii) is a chain letter, joke, solicitation, offer to buy/sell goods, or other non-business related material of frivolous or trivial nature, and/or reveals company trade secrets, confidential information regarding P/Cs, or other information that could harm RISE or any of its affiliates.

Social Media

Agent use of social media (e.g. Facebook, Instagram, message boards, personal blogs, etc.) is prohibited during work time and through RISE owned and operated systems. RISE recognizes that agents may own various forms of electronic communications equipment (e.g. cell-phones, smart phones, etc.) that provide access to the internet and social media websites. Agents can only use personal electronic communications equipment and devices at the workplace according to RISE's electronic communications policy and other harassment policies in this handbook.

Agents who use social media should be mindful of their responsibilities towards RISE and fellow co-workers at all times. Once content is posted online, it is no longer under the author's control. RISE strives to maintain a professional work environment and considers harassment in all forms to be a serious offense in violation of RISE's harassment policy.

Cell phones

Cell phones are not permitted in any work-related area. Taking pictures or videos of any work-related areas is strictly prohibited.

Agent Privacy

In collecting, maintaining, and disclosing personnel information, RISE makes every effort to protect agents' privacy rights and interests and prevent inappropriate or unnecessary disclosures of information from any worker's file or record.

RISE treats personal information about agents as confidential and respects the need for protecting each agent's privacy by enforcing secure information handling procedures on the part of all personnel whose job duties involve gathering, retaining, using, or releasing personal information about RISE agents.

On occasion, RISE must provide information from its personnel records and files to federal, state, and local government agencies in accordance with reporting requirements imposed by such agencies. In the event a government agency requests information beyond which it normally requires, RISE ordinarily advises the affected agents of the agency's request unless the request occurs in the course of an agency investigation or if an agency asks RISE to keep such a request confidential.

In response to an information request from an outside organization or individual, RISE normally verifies only the employment status and dates of employment for former or present agents. RISE does not provide any other information unless and until it receives a written request from the agent or former agent.

Anti-Harassment Policy and Complaint Procedure

It is the goal of RISE to promote a workplace that is free of harassment based on race, color, religion, creed, national origin, sex, age, ancestry, sexual orientation, genetics, pregnancy, marital status, gender identity/expression, disability, handicap, military obligations, veteran status, participation in discrimination complaint-related activities or any other category protected by law (“protected class status”). Harassment of agents occurring in the workplace or in other settings in which agents may find themselves in

connection with their employment is unlawful and will not be tolerated by RISE. Further, any retaliation against an individual who has complained about harassment or retaliation against individuals for cooperating with an investigation of a harassment complaint is similarly unlawful and will not be tolerated. To achieve RISE’s goal of providing a workplace free from harassment, the harassment conduct that is described in this policy will not be tolerated; RISE has provided a procedure by which inappropriate conduct will be dealt with, if encountered by agents.

Because RISE takes allegations of harassment seriously, RISE will respond promptly to complaints of harassment and, when it is determined that such inappropriate conduct has occurred, RISE will act promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action where appropriate.

Please note that while this policy sets forth RISE’s goals of promoting a workplace that is free of harassment, the policy is not designed or intended to limit our authority to discipline or take remedial action for workplace conduct which we deem unacceptable, regardless of whether that conduct satisfies the definition of sexual or other harassment.

Definition of Sexual Harassment

In Massachusetts, the legal definition for sexual harassment means sexual advances, requests for sexual favors, and verbal or physical conduct of a sexual nature when:

Submission to or rejection of such advances, requests or conduct is made either explicitly or implicitly a term or condition of employment or as a basis for employment decisions; or,

Such advances, requests or conduct have the purpose or effect of unreasonably interfering with an individual's work performance by creating an intimidating, hostile, humiliating or sexually offensive work environment.

Under this definition, direct or implied requests by a supervisor for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits, or continued employment constitutes sexual harassment.

The legal definition of sexual harassment is broad and, in addition to the above examples, other sexually-oriented conduct, whether intended or not, that is unwelcome and has the effect of creating a workplace environment that is hostile, offensive, intimidating, or humiliating to male or female workers may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct which if unwelcome, may constitute sexual harassment depending upon the totality of the circumstances including the severity of the conduct and its pervasiveness:

- Unwelcome sexual advances - whether they involve physical touching or not;
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life; comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess;
- Displaying sexually suggestive objects, pictures, cartoons;
- Unwelcome leering, whistling, brushing against the body, sexual gestures, suggestive or insulting comments;
- Inquiries into one's sexual experiences;
- Discussion of one's sexual activities; and
- Dissemination in the workplace of sexually-explicit voice mail, e-mail, graphics, downloaded material or websites.

All agents should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment, and retaliation against individuals for cooperating with an

investigation of a sexual harassment complaint is unlawful and will not be tolerated by this organization.

Complaints of Harassment

If any RISE agent believes that he or she has been subjected to harassment, the agent has the right to file a complaint with our organization. This may be done in writing or orally.

Complaints may be filed by contacting the Human Resources Manager or other appropriate supervisory person, who are also available to discuss any concerns and to provide information about RISE's policy on harassment and RISE's complaint process.

Harassment Investigation

When RISE receives a complaint, RISE will promptly investigate the allegation in a fair and expeditious manner. The investigation will be conducted in such a way as to maintain confidentiality to the extent practicable under the circumstances. RISE's investigation will include a private interview with the person filing the complaint and with witnesses. RISE will also interview the person alleged to have committed harassment. When RISE has completed its investigation, RISE will, to the extent appropriate, inform the person filing the complaint and the person alleged to have committed the conduct of the results of that investigation.

If it is determined that inappropriate conduct has occurred, RISE will act promptly to eliminate the offending conduct, and where it is appropriate RISE will also impose disciplinary action.

Disciplinary Action

If it is determined that inappropriate conduct has been committed by one of RISE's agents, RISE will take such action as is appropriate under the circumstances. Such action may range from counseling to termination from employment, and may include such other forms of disciplinary action as RISE deems appropriate under the circumstances.

State and Federal Remedies

In addition to the above, if an agent believes he or she has been subjected to unlawful harassment, he or she may file a formal complaint with either or both of the government agencies set forth below. Using RISE's complaint process does not prohibit an agent from

filing a complaint with these agencies. Each of the agencies has a short time period for filing a claim (EEOC and MCAD – 300 days).

Occupational Safety Program

Safety is a top priority at RISE. To assist in providing a safe and healthful work environment for agents, P/Cs, consumers, and visitors, RISE has established workplace safety programs.

RISE provides information to agents about workplace safety and health issues through internal communication channels such as agent meetings, bulletin board postings, memos, or other written communications.

Each agent is expected to obey safety regulations and to exercise caution in all work activities. Agents must immediately report any unsafe condition to the appropriate manager. Agents who engage in unsafe behavior, who cause hazardous or dangerous situations, or who fail to report, or, where appropriate, remedy such situations, may be subject to disciplinary action, up to and including termination.

In the case of accidents that result in injury, regardless of how insignificant the injury may appear, agents should immediately notify any member of the RISE management team. Such reports are necessary to comply with laws and initiate insurance and workers' compensation benefits procedures.

Patient Confidentiality

RISE is committed to providing P/Cs with the best possible service. It is imperative that all issues regarding P/Cs are held in strict confidence. All RISE agents must abide by the following standards:

- All agents agree that any and all files, lists and computer files belong to and are the sole and exclusive property of RISE. All information found in patient charts, files, lists, and computer files are confidential and constitute trade secrets of RISE. All agents further promise not to disclose any such information to any other person and shall not share such information other than in connection with their employment at RISE;
- All personal data and medical notes are highly confidential and may not be communicated to anyone without the patient's written consent;
- No patient records or other written materials are to be left on the counters or open on the computer screens where confidentiality could be compromised;
- Agents must not discuss a patient's illness with any staff member who does not need to know;
- Agents must not discuss the medical treatments or personal information of patients outside of RISE;
- Loose talk that others overhear can be the basis for a defamation or invasion of privacy suit. Agents must speak softly or privately with P/Cs so that others do not overhear;
- All agents must understand that the violation of a patient's privacy is support for immediate termination and must sign a form pledging confidentiality of patient information. This signed form will become a part of the agent's personnel record;
- Agents may only release a copy of patient records when a patient submits a written request specifying whether a portion of or all of the records are needed. The request must show the date, to whom, and to where a copy/copies are being sent and should be added to the patient's record immediately;

- Agents must not remove or make copies of any patient records or of business records, reports or documents without express permission from management; and,
- Upon termination, agents are required to return any property in their possession that belongs to RISE. Employment with RISE assumes an obligation to maintain confidentiality even after leaving RISE.

Because any violation of confidentiality could seriously injure RISE's reputation and effectiveness, any unauthorized disclosure of confidential information or divulging any information to anyone outside RISE concerning RISE or its P/Cs is cause for immediate dismissal.

Agent/Personnel Records

As required by the Commission, RISE will maintain a personnel record for each dispensary agent. Personnel records will be maintained by RISE for a minimum of 12 months after the agent's affiliation with RISE concludes. At a minimum, the personnel record will contain the following:

- Documents submitted to the Commission for the purposes of obtaining/maintaining agent registration;
- Documentation of verification of references;
- Job description that details duties, authority, responsibilities, qualifications, and supervision;
- Offer letter or employment contract;
- Documentation of all required training, including training regarding privacy and confidentiality requirements, and the signed statement of the agent indicating the date, time and place the training was received, the topics discussed and the name and title of the presenter(s);
- A copy of the application that RISE submitted to the Commission on behalf of the prospective agent;
- Documentation of periodic performance evaluations; and
- A record of any disciplinary action taken.

Note: CORI reports will be maintained separately from an agent's personnel record.

Workplace Violence

RISE does not tolerate acts of workplace violence committed by or against agents, visitors, or guests. RISE strictly prohibits agents from making threats or engaging in violent acts.

Prohibited conduct includes, but is not limited to: (i) injuring another person physically, engaging in behavior that creates a reasonable fear of injury in another person, (iii) engaging in behavior that subjects another individual to extreme emotional distress, (iv) threatening to injure an individual or damage property and (v) committing acts motivated by, or related to sexual harassment. In addition, the Company is sensitive to issues of domestic violence and the potential danger it poses to our agents and our workplace. Accordingly, the Company will not hesitate to contact the appropriate law enforcement authorities in the event of any threatening behavior or act of violence against agents, visitors or guests of the Company, and to initiate criminal prosecution, if appropriate.

Agents are prohibited from carrying any guns, knives, or other items which could be considered weapons while on duty. In addition, RISE agents who hold a license to carry a concealed weapon are prohibited from carrying a weapon while on duty.

This is a zero-tolerance policy, meaning RISE disciplines or terminates every agent found to have violated this policy.

Whistleblower Policy

If an agent believes or has knowledge that an RISE agent is engaging in illegal activities while at work, including but not limited to diverting or stealing marijuana or marijuana products, falsifying records, stealing cash, or any other activity which jeopardizes RISE's assets or agents, they should immediately report the incident to the Chief Executive Officer, or if unavailable the Chief Operating Officer. Illegal activities by others with whom RISE has a relationship (including but not limited to vendors, independent contractors, P/Cs, consumers etc.) should also be reported.

The Chief Executive Officer will lead the investigation, with assistance from the Director of Security and the agent's manager, if necessary. Investigations will be completed as discreetly and confidentially as is determined to be practical. If it is determined that an agent engaged in illegal or prohibited activity, RISE will take appropriate disciplinary measures against the offending

agent(s). Disciplinary measures include but are not limited to warnings, suspensions, and termination. Agents who report violations and/or cooperate with an investigation will not be subject to retaliation. The Chief Executive Officer will inform the agent who made the complaint of the results of the investigation upon its completion.

It is imperative that all agents recognize and acknowledge that compliance with this policy is a condition of each agent's employment. Agents are encouraged to raise any questions and/or concerns about this policy with their manager or the Chief Executive Officer.

SECTION III – SALARY ADMINISTRATION

Overtime Policy

Full-time non-exempt (hourly) agents may occasionally be asked to work more than 40 hours in a given work week. Each work week is considered separately in computing overtime pay. Such overtime work, which is undertaken only when necessary, must be approved in advance by the agent's manager. The agent will be compensated for overtime hours worked at the rate of one and one-half times the agent's base rate of pay. Working unapproved overtime may be cause for disciplinary action.

Please note that PTO, closed holiday, or leave without pay hours occurring in a 40+ hour work week, do not count as hours worked for the purposes of calculating overtime. For example, if an hourly agent worked 40 hours during the week of Thanksgiving in addition to the 8 hours paid for the Thanksgiving holiday, the total hours paid would be 48 at regular time rather than 40 hours regular time plus 8 hours of overtime.

Pay Procedures

RISE agents are paid every other Friday. If a regularly scheduled payday falls on a holiday, agents are paid on the last regular workday immediately preceding the holiday.

Federal and state withholding taxes and Social Security taxes are deducted from every paycheck. Voluntary deductions for health care benefits, retirement plan deferrals, and the like can be made after an agent completes the necessary authorization forms. RISE deducts court-ordered garnishments for personal debts – such as child support – without the agent's prior authorization. Deductions for federal and state taxes can also be made by RISE without prior authorization.

Agents should report a lost or stolen paycheck to their manager immediately. RISE will issue a new paycheck to the agent after payment is stopped on the original check.

However, if a check is lost through no fault of RISE and RISE is unable to stop payment on the check, RISE is not obligated to compensate the agent for the loss.

Direct Deposit

RISE encourages all agents to participate in the Direct Deposit Program. A standardized procedure is used to verify account numbers and account types before an actual electronic transfer occurs. Agents will be asked to complete a direct deposit form and provide a cancelled check during new hire orientation. Agents will be able to view an online earnings statement each payday that includes the same information that would be included in a paystub.

SECTION IV – BENEFITS

Health Insurance

RISE offers agents the opportunity to participate in its group health insurance program. Agents can select an individual or family coverage. All full-time, benefit-eligible agents are eligible for health insurance following a 90-day trial period.

Retirement Plan

RISE plans to implement a retirement plan option (i.e. 401(k), Simple IRA Plan) for the benefit of its agents. The purpose of this benefit is to afford to all eligible agents the opportunity to make contributions towards their retirement while deferring federal income taxes on the amounts contributed, and to reward eligible agents for long and loyal service by providing them with retirement benefits.

As a participant, agents may elect to contribute through payroll deductions. The total elective deferral in any calendar year may not exceed a dollar limit which is set by law.

To be eligible, an agent must have completed one year of service, and have worked a minimum of 1,000 hours. Upon completion of this requirement, agents will receive an enrollment packet.

Holidays

RISE anticipates observing the following holidays, subject to the needs of the agent's department:

- New Year's Day
- Martin Luther King Day
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

Holidays that fall on a Saturday or Sunday will be observed on a Friday or Monday, respectively. Holidays occurring during an agent's vacation period during may (not) be taken on another day. If Christmas Day or New Year's Day occur during a work week, the Company usually closes earlier on the previous day. In addition, RISE will make a good faith effort to accommodate religious holidays upon request.

Leaves of Absence

Bereavement Leave

Benefit-eligible agents are allowed up to 3 days of paid leave in the case of death in the agent's immediate family. Immediate family is defined to include parents, spouse, domestic partner, children, brothers and sisters, grandparents, grandchildren, mother-in-law or father-in-law. Regular full-time agents are entitled to up to one-day paid leave in the case of death in the spouse's immediate family. Additional unpaid leave may be authorized by RISE. Bereavement Leave will not apply in the event the death in the family occurs when the agent is not scheduled to work, such as being on vacation or on an approved leave of absence.

Military Leave

Agents who are required to serve a period of time in a reserve component of the U.S. Armed Forces are allowed an unpaid leave of absence. All agents (except those with jobs that are for a brief, non-recurrent period with no reasonable expectation the job will continue indefinitely or for a significant period), regardless of length of service, are entitled to reserve duty leave. There will be no loss of seniority-based benefits during military leave.

Continuation of coverage under RISE's health care plan during military leave depends on the length of the leave. For leaves of absence less than 31 days in duration, RISE will continue to pay its share of the health care premium contribution, and the employee will be responsible for his/her own share. For leaves of absence greater than 31 days, a covered agent may elect to continue health plan coverage at his/her own expense for a period of up to 24 months. For more information concerning health care coverage during leave, please see the Human Resources Department.

An agent requesting military leave must request the leave as soon as the need for leave becomes known. A copy of the orders to go to the reserves must accompany the request for the leave.

An eligible agent may also be able to take FMLA leave in connection with certain situations related to military service: (a) an eligible employee may take up to 26 weeks of leave during a single 12-month period to care for a covered family member who has suffered a qualifying injury or illness in the line of active duty in the Armed Forces; and an eligible agent may take up to 12 weeks of leave during a 12-month period in connection with a 'qualifying exigency' arising out of a covered family member's active duty or call to active duty in the Armed Forces in support of a contingency plan.

Parental Leave

Full-time agents are eligible for eight (8) weeks of unpaid parental leave under the Massachusetts Parental Leave Statute. To be eligible, agents must have completed RISE's initial trial period. Agents must provide at least two weeks' written notice of the date of departure and intention to return to work following the leave, or provide notice as soon as is practicable if the delay in notice is for reasons beyond the agent's control.

Leave may be taken for the purpose of giving birth, for adopting a child under the age of eighteen (twenty-three if the child is mentally or physically disabled), for placement of a child under the age of eighteen (twenty-three if the child is mentally or physically disabled), or for the placement of a child pursuant to a court order. If two agents of RISE require leave to care for the same child, they are entitled to eight (8) weeks total parental leave between them.

Agents on Parental leave may, but are not required to, apply unused PTO or sick time towards the leave period. Agents who wish to use unused PTO during all or part of the leave, may do so, and should submit the request in writing prior to taking the leave.

However, no PTO will accrue during the leave. Health coverage will continue on the same basis as before the leave.

Upon returning to work, agents will be restored to their position, or a similar one with the same status, pay, length of service credit and seniority as of the date of the leave, unless economic or business conditions during the leave period would have resulted in a lay-off had leave not been taken.

Small Necessities Leave Act

Agents who are eligible for leave under RISE's Family and Medical Leave Policy are also eligible for leave under the Massachusetts "Small Necessities Leave Act" (SNLA). During any twelve (12) month period, eligible agents may take up to twenty-four (24) hours of leave for the following reasons:

- To participate in school activities directly related to the educational advancement of your child, such as parent-teacher conferences or interviewing for a new school ("school" includes licensed day-care centers);
- To accompany their child to routine medical or dental appointments, such as check-ups or vaccinations; or
- To accompany an elderly relative to routine medical or dental appointments or other appointments for professional services related to the elder's care, such as interviewing at nursing or group homes.

Where SNLA leave is foreseeable, agents must provide at least seven (7) days advance written notice to the RISE. Where leave is not foreseeable, agents must notify RISE as soon as practicable. Agents may be required to provide a certification (which can serve as notice), in the following form, for each period of leave taken pursuant to this policy:

Sample Agent 's Certification

I certify that on_____I will/did take_hour(s) of leave for the following purpose (check one):

- ☐ To participate in school activities directly related to the educational advancement of my child
- ☐ To accompany my child to a routine medical or dental appointment

- ☐ To accompany an elderly relative to a routine medical or dental appointment or for an appointment for other professional services related to my relative's care

Agent 's Signature:_____Date: _____

The available 24 hours of SNLA leave does not need to be taken all at once. Rather, leave may be taken intermittently, in minimum increments of one hour.

Agents are required to substitute accrued vacation time and/or sick leave towards SNLA leave. Once paid leave is used up, SNLA leave is unpaid.

Jury Duty

For time served on jury duty, RISE will pay agents the difference between their salary and any amount paid by the government, unless prohibited by law, up to a

maximum of 3 days. If an agent is required to serve more than 3 days of jury duty, RISE will provide the agent with unpaid leave or the agent may use accrued PTO. Upon request, agents must provide RISE a copy of proof of service from the court in which they appeared.

Family Medical Leave Act (FMLA)

See Section II

Paid Time Off

Eligibility: All regular, non-probation period agents scheduled to work a minimum of 30 hours per week.

Paid Time Off Accrual: PTO shall be calculated from the 1st day of employment, but shall not be considered to have been earned and shall not become available for use, until an agent has completed his/her 90-day probationary period.

The following reflects the accrual rates for agents working a minimum of 30 hours per week:

- Up to 1 year: 2 weeks - 3.12 hours per pay period (.039*80 hours)
- 1-10 years: 3 weeks - 4.64 hours per pay period (.058*80 hours)
- 10+ years: 4 weeks - 6.16 hours per pay period (.077*80 hours)

Agents are not allowed to accrue/carry over more than two times their allotted annual accrual. For example, once a full-time agent who has been working 2 years has accrued 4 weeks of PTO, that agent will not be eligible to accrue any additional PTO time until some of the existing time has been taken.

Agents who work less than 30 hours per week may be eligible for pro-rated PTO.

Except at time of termination, agents are not eligible to receive compensation in lieu of taking time off.

Sick Leave

All RISE agents are entitled to receive paid sick leave each year. Agents will earn 1 hour of sick time for every 30 hours worked – up to 40 hours per year. For accrual purposes, exempt agents will be assumed to work 40 hours per week, unless they are normally scheduled to work fewer than 40 hours, in which case earned sick time accrues based on their regular schedule. Up to 40 hours of unused sick time may be carried over into the following year. Agents start accumulating paid sick leave on their date of hire, yet will not be eligible to use accumulated sick leave until they have completed the 90-day probationary period. Agents may use sick leave in increments of 1 hour or more.

Unlike PTO, agents will not be compensated for accumulated sick leave at the time of termination.

SECTION V – EMPLOYEE TRAINING

Agents who are both an RMD agent and a marijuana establishment agent must receive the trainings provided in both 935 CMR 500.105(2)(a) and (b), and 935 CMR 501.105(8): RMD Agent Training, including training regarding privacy and confidentiality requirements for patients. Agents responsible for tracking and entering product into the Seed-to-sale SOR must receive training in a form and manner determined by the Commission. All Agents must complete training prior to performing job functions. Training shall be tailored to the roles and responsibilities of the job function of each Agent, and at a minimum must include a responsible vendor program under 935 CMR 500.105(B), training on confidentiality, and other topics as specified by the Commission. At a minimum, Agents shall receive 8 hours of on-going training annually.

SECTION VI – RESIGNATION AND TERMINATION

Resignation and Termination Policies

RISE asks that agents who resign give at least 2 weeks' notice of intention to leave their job and submit written notice stating reasons for resigning and the effective date. RISE reserves the right to immediately dismiss an agent who resigns; however, the agent will be paid during the notice period. An exit interview will be scheduled on or near the final day of employment.

Health insurance plans continue through the end of the month in which agents work their last day, provided they have paid contributions for that month. Under federal law, resigning agents are entitled to participate in RISE's group health plan at their own expense for at least 18 months (see COBRA).

RISE will issue a final paycheck, including payment for any unused PTO, on the next regular payday after resignation. RISE will notify the Commission no more than 1 business day after the agent's employment concludes.

Immediate termination of employment will occur if an agent is found to have:

- Diverted marijuana, which shall be reported to law enforcement officials and to the Commission
- Engaged in unsafe practices with regard to operation of the RISE Marijuana Establishment, which shall be reported to the Commission
- Been convicted or entered a guilty plea, plea of nolo contendere, or admission to sufficient facts of a felony drug offense involving distribution to a minor in the Commonwealth, or a like violation of the laws of another state, the United States or a foreign jurisdiction, or a military, territorial, or Native American tribal authority.

Agents who are terminated will receive a final paycheck, which includes any accrued PTO, at the time of termination. immediate dismissal of any marijuana establishment agent who has:

Exit Interview

Agents who resign from RISE are asked to complete an exit interview with their manager or a member of the executive management team. The purpose of the exit interview is to give the agent

the opportunity to explain what they liked and disliked about working at RISE and to gather suggestions for how RISE can improve policies and practices.

Exit interviews are designed and intended to be constructive for both RISE and the agent. As a result, RISE does not share information or discriminate against agents who voluntarily share their opinions during exit interviews.
