#### COMPLIANCE WITH POSITIVE IMPACT PLAN

##### Progress or Success Goal 1

**Description of Progress or Success:** It's important to note we have not yet opened. Even with that said Lazy River Products has given to the Dracut Scholarship Fund and was a Platinum Sponsor for their Annual Telethon in Town this year.

We also host a Food Drive each year with the Merrimack Valley Food Bank. We have held 2 since the Company's inception. We work closely with Deb Callery over there and this past food drive in Dec yielded just under 1,000 lbs of food donations from the local community.

We also hold an even in the fall called the Broadway Rd Cleanup Project. This is Route 113 in Dracut. We assembled a team of volunteers this year who cleaned both sides of Rt 113 from the Methuen Town Line all the way back to our facility located at 145 Broadway Rd. Miles of roadway was cleaned up and mountains of trash was collected. The Dracut Police Dept volunteered 2 cruisers and 2 officers for the event. It was a huge success and we will be doing it again this year.

We are very excited about forging new relationships with organizations such as The Clean River Project and many more as we move into our opening year.

#### COMPLIANCE WITH DIVERSITY PLAN

##### Diversity Progress or Success 1

**Description of Progress or Success:** We have and maintain a subscription and relationship with MPN (Minority Professional Network) and advertise positions within it.

We also have plans to attend and source qualified employees through the Boston Bilingual and Diversity Job Fair once COVID Restrictions relax and people are allowed to congregate again.

A large part of our Diversity goals are employment driven. As we move into hiring and training we are vigilant in adhering to the goals set within our diversity planning. To ensure we are on track with goals such as hiring 40% of our employees from specific diversity driven criteria, we have an organized process for tracking where our employees are coming from and provide voluntary employment surveys that are very successful allowing prospective employees to voice their gender identities and other diversity criteria. This allows us to get very granular with tracking our results.

Two special permits and a license were required to permit Lazy River Products, LLC to obtain local permits to expand an existing non-conforming building to accommodate the cultivation, manufacturing, and retail sales operations of Lazy River Products, LLC at 145 Broadway Road, Dracut, Massachusetts.

#### PLANNING BOARD SPECIAL PERMIT

In order to modify/expand one of the buildings at the site to be utilized as a cultivation, manufacturing and retail operations, a special permit from the Planning Board was required to ensure expansion of the facility and proposed operations would not have an adverse impact on the abutting neighborhood and would be consistent and in harmony with the purpose and intent of the Dracut Zoning By-Laws.

The Board approved the project on or about July 12, 2019, and the Planning Board Special Permit was recorded at the Middlesex North District Registry of Deeds on October 3, 2019.

The approved permit provides for the right for the Board to review site operations to ensure compliance with the terms of the special permit. A copy of the recorded permit is annexed hereto as Exhibit 1.

#### LICENSE AND SELECTMAN SPECIAL PERMIT

In order to obtain approval to establish and operate the cultivation, manufacturing and retail sales operations at the site, a Selectman Site Plan Special Permit was required. The permit application required a detailed plan of operations, a traffic study, and a security plan approved by the Dracut Police Department.

After several hearings, the Selectmen voted to approve the special permit subject to restrictions in operations as noted in the permit, and compliance with the security plan and operational plans incorporated in the decision.

The special permit was approved by the Selectmen on July 29, 2019 and recorded with Middlesex North District Registry of Deeds on August 21, 2019. A copy of the recorded special permit is annexed hereto as Exhibit 2.

The special permit provides for periodic reviews of the operation to ensure compliance with the terms of the agreement.

A license to operate the facility under the terms described in the Exhibit 3 letter was also approved on or about July 21, 2019.

Copies of relevant sections of the Dracut Zoning By-Laws applicable to the project are annexed as Exhibit 4.

Please review and get back to me with any questions.

## Positive Impact Plan

---

This Positive Impact Plan will outline the Goals, Programs, and Measurements defined by the Cannabis Control Commission (“CCC” or “Commission”) of the initiative(s) Lazy River Products plans to engage in, in order to positively impact areas of disproportionate impact as defined the by Commission. Lazy River Products is located in Dracut, MA, which is not considered an area of disproportionate impact, thus has selected the city of Lowell as an area which it will positively impact. Lazy River Products will work with The Merrimack Valley Food Bank (“the Bank”), a 501C-3 non-profit organization located on Broadway Street in Lowell that provides food and personal care items to emergency feeding programs serving the low-income, homeless and hungry throughout Lowell. Lazy River Products has contacted and established a relationship with the Bank and plans to positively impact Lowell through programs listed within this plan. Lazy River Products firmly believes that to achieve community relations’ success, leadership must drive these initiatives. Lazy River Products will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of Marijuana Establishments. Any actions taken, or programs instituted, by Lazy River Products will not violate the Commission’s regulations with respect to limitations on ownership or control or other applicable state laws.

### Goals

The goal of Lazy River Products’ Positive Impact Plan is to assist in reducing barriers to entry into the cannabis industry to individuals located in areas of disproportionate impact, mainly in Lowell, Massachusetts. Specifically, Lazy River Products will strive to prioritize the hiring of individuals from Areas of Disproportionate Impact, assist Lowell organizations whose missions are to improve Areas of Disproportionate Impact, and develop the workforce of Lowell’s Areas of Disproportionate Impact. Furthermore, Lazy River Products will use its resources and business assets to provide community services, skill development and education opportunities.

#### Specific Goals:

- Have 33% of employees deriving from Areas of Disproportionate Impact
- Lazy River Products’ employees completing 4 hours of community service and volunteer work with the Merrimack Valley Food Bank annually, 2 hours every 6 months.
- Annually hold a holiday food drive supporting the Merrimack Valley Food Bank
- Donate money annually through sponsorship opportunities and regular donations, up to \$5,000 annually.
- Organize or host 3 educational, training or skill development events annually.

## Programs

Lazy River Products will develop specific programs to effectuate its stated goals to positively affect areas of disproportionate impact. The below details actions, activities, and processes that will be utilized to achieve the outlined goals that Lazy River Products plans to implement:

When hiring, Lazy River Products will strive to employ individuals who come from Areas of Disproportionate Impact.

- Human Resources and employees tasked with hiring new employees will prioritize individuals coming from Areas of Disproportionate Impact, with an emphasis on areas within Lowell, as defined by the Commission.
  - When hiring, Lazy River Products will list job postings in local Lowell newspapers that cover the entire city. Additionally, Lazy River Products will list job postings at a community college or technical school in efforts expose the postings to individuals who may come from areas of disproportionate impact.
  - Lazy River Products will prioritize applicants with listed addresses from Areas of Disproportionate Impact. Human Resources and those who assist in the hiring process are required to enter all Lowell addresses provided by applicants into the US Census Bureau tool used to determine areas of disproportionate impact. Applicants who have a home address located within an area of disproportionate impact receive priority status.
- Lazy River Products will require the company and its employees to give back to the Lowell community through volunteering and community service opportunities.
  - Lazy River Products has contacted and developed a relationship with the Merrimack Valley Food Bank who will be the main organization as to which employees can volunteer through. The Bank has several volunteer opportunities throughout the year for company employees to engage in such as filling bags with food for their Operation Nourish children's feeding program and delivering groceries for their Mobile Pantry program. Employees may volunteer through other organizations but must seek approval from Human Resources before time devoted is counted regarding this Plan. Employees are required to volunteer 2 hours every 6 months.
  - In addition to volunteer opportunities, the Bank has several sponsorship opportunities that Lazy River Products will engage in such as their wine tasting and golf tournament fundraising events.
  - Annually, Lazy River Products will hold a holiday food drive during the month of December, where customers may donate food and other related resources at the company retail facility. Upon the end of the food drive, all donations will go toward the Merrimack Valley Food Bank.
- Lazy River Products will assist in workforce development of Areas of Disproportionate Impact within Lowell by assisting in the formation and implementation of classes and education sessions, fostering business-related and other skills to Lowell citizens. Lazy River Products will use the knowledge of its employees, drawing from all departments in these sessions. Examples for classes and sessions could be:
  - Steps to Starting a Business
  - The Science of Cultivation
  - Maintaining Peer Communication in a Digital World

## Measurements

Lazy River Products has outlined methods in which the goals and programs will be tracked and measured for success. Much of the measurements will be a function of Human Resources, who have the resources and abilities to track the success of the Plan. Measuring the success of programs is critical in being able to accurately report to the Commission when applying to renew the license.

In tracking efforts to employ individuals from Areas of Disproportionate Impact, Human Resources will record individuals' home address at the time of employment keep track of the number of employees deriving from Areas of Disproportionate Impact compared to the total number of employees.

Through Lazy River Products' Human Resources department and payroll system, tracking of community service hours will be simple. In the beginning, Lazy River Products will only allow an employee's time spent at the Merrimack Valley Food Bank to count toward their annual goal. If employees feel strongly about an alternative organization, they may suggest it to Lazy River Products, who will ensure the authenticity of the group to confirm time spent is positively impacting an Area of Disproportionate Impact. Employees report their time at the end of the month to be recorded by Human Resources.

Lazy River Products will keep track of the number of educational programs held and the attendees. Additionally, Lazy River Products will track the amount of resources spent on the education programs through actual events put on, and any financial support, tracked through accounting processes.

Annually, starting in year one, one month before the submission to renew an LRP license, designated LRP agents, including members of management will meet to review the Plan. In the internal review, LRP will evaluate the plan and its measurements, analyzing the successes and failure, addressing potential adjustments.

**Section 2.7. VOTING LISTS.** The officer or agent having charge of the share transfer records for shares of the Company shall prepare an alphabetical list of all Members entitled to notice of the meeting, arranged by voting group and by class and series of share, with the address of and the number of shares held by each Member. The list shall also be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any Member during the whole time of the meeting.

**Section 2.8. QUORUM OF MEMBERS.** A quorum shall be present for action on any matter at a Member meeting if a majority of the votes entitled to be cast on the matter by a voting group is represented at the meeting in person or by proxy. A voting group includes all shares of one or more classes or series that are entitled, to vote and to be counted together collectively on a matter at a meeting of Members.

Once a quorum for a voting group has been established at a meeting, the Members in that voting group represented in person or by proxy at the meeting are deemed present for quorum purposes for the remainder of the meeting and for any adjournment unless: (a) the Member attends the meeting solely to object to defective notice or the conduct of the meeting on other grounds and does not vote the shares or take any other action at the meeting; or (b) the meeting is adjourned and a new record date is set for the adjourned meeting.

The Members in a voting group represented in person or by proxy at a meeting of Members, even if not comprising a quorum, may adjourn the meeting as to the voting group until a time and place as may be determined by a vote of the holders of a majority of the shares of the voting group represented in person or by proxy at that meeting. If the meeting is adjourned for more than one hundred twenty (120) days after the date fixed for the original meeting, a new quorum for the meeting must be established.

**Section 2.10. VOTING OF SHARES.** Each outstanding share, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of Members.

**Section 2.11. VOTING BY PROXY OR NOMINEE.** Shares of the Company's stock owned by the Company itself or by another Company or entity, the majority of the voting stock or interest of which is owned or controlled by the Company, shall not be voted, directly or indirectly, at any meeting, and shall not be counted in determining the total number of outstanding shares at any given time. Nothing in this section shall be construed as limiting the right of the Company or any domestic or foreign Company or other entity to vote shares, held or controlled by it in a fiduciary capacity, or with respect to which it otherwise exercises voting power in a fiduciary capacity.

A Member may vote either in person or by proxy executed in writing by the Member or his or her attorney-in-fact. An appointment of a proxy is effective when received by the Secretary or other officer or agent authorized by the Company to tabulate votes. No proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. A proxy shall be revocable unless the proxy form conspicuously states that the proxy is irrevocable and the proxy is coupled with an interest as defined in the Massachusetts Limited Liability Company Act. An appointment made irrevocable is revoked when the interest with which it is coupled is extinguished. The death or incapacity of the Member appointing a proxy shall not affect the right of the Company to accept the proxy's authority unless notice of the death or incapacity is received by the Secretary or other officer or agent authorized to tabulate votes before the proxy exercises his or her authority under the appointment.

Shares owned by another Company, domestic or foreign, may be voted by any officer, agent, or proxy as the bylaws of that Company may authorize or, in the absence of authorization, as the Board of Managers of that Company may determine.

An administrator, executor, guardian, or conservator may vote shares held in that fiduciary capacity if the shares forming a part of an estate are in the possession and forming a part of the estate being served by the fiduciary, either in person or by proxy, without a transfer of the shares into the fiduciary's name. A trustee may vote shares standing held in trustee's name, either in person or by proxy, but no trustee shall be entitled to vote shares held by him or her without a transfer of the shares into his or her name as trustee.

A receiver may vote shares standing in the name of a receiver and may vote shares held by or under the control of a receiver without the transfer thereof into the receiver's name if authority so to do be contained in an appropriate order of the court by which the receiver was appointed.

A Member whose shares are pledged shall be entitled to vote the shares until the shares have been transferred into the name of the pledgee, and thereafter the pledgee shall be entitled to vote the shares transferred, subject to any agreements containing restrictions on the hypothecation, assignment, pledge, or voluntary or involuntary transfer of shares.

**Section 2.12. ACTION BY MEMBERS WITHOUT A MEETING.** Any action required or permitted to be taken at any annual or special meeting of Members may be taken without a meeting, if a consent or consents in writing, setting forth the action so taken, shall have been signed by the holder or holders of shares with at least the minimum number of votes necessary to take the action at a meeting at which all Members entitled to vote on the action are present and voting. The action shall be evidenced by one or more written consents that (a) describe the action taken, (b) are signed by Members having the requisite votes, (c) bear the date of the signatures of such Members, and (d) are delivered to the Company for inclusion with the records of meetings within sixty (60) days of the earliest dated consent delivered to the Company.

If the action to be taken pursuant to the consent of voting Members without a meeting is one for which notice to all Members would be required by law if the action were to be taken at a meeting, then the Company shall, at least seven (7) days before the action is taken, give notice in the manner specified by Section 2.6 to all nonvoting Members.

## ARTICLE III

**Section 3.1. BOARD OF MANAGERS.** All corporate power shall be exercised by or under the authority of, and the business and affairs of the Company shall be managed under the direction of, the Board of Managers, except such powers expressly conferred upon or reserved to the Members, and subject to any limitations set forth by law, by the Certificate of Formation or by these Bylaws. Managers need not be residents of the State of Delaware or Members of the Company. Managers shall be appointed by the Members.

**Section 3.2. NUMBER OF MANAGERS.** The number of Managers shall be four (4) provided that the number may be increased or decreased from time to time by an amendment to these Bylaws or resolution adopted by Members holding a majority of all outstanding shares. No decrease in the number of Managers shall have the effect of decreasing the number of Managers below the minimum number of individuals permitted by law, nor shall have the effect of shortening the term of any incumbent Manager.

TERM OF OFFICE.** At the first annual meeting of Members and at each annual meeting thereafter, the holders of shares entitled to vote in the election of Managers shall elect Managers to hold office until the next succeeding annual meeting, the Manager's successor has been selected and qualified, or the Manager's earlier death, resignation, or removal.

Despite the expiration of a Manager's term, he or she shall continue to serve until his or her successor is elected and qualified or until there is a decrease in the number of Managers.

A Manager may be removed by Members or Managers only at a meeting called for that purpose, for which the notice must state that the purpose, or one of the purposes, of the meeting is removal of the Manager or Managers.

**Section 3.5. RESIGNATION.** Except as otherwise required in the Company's Operating Agreement, a Manager may resign at any time by giving notice in the form of an executed resignation to the Board of Managers, its chairman, or to the Company. A resignation is effective when the notice is delivered unless the notice specifies a future date. Acceptance of the resignation shall not be required to make the resignation effective. The pending vacancy may be filled before the effective date in accordance with Section 3.6 of these Bylaws, but the successor shall not take office until the effective date.

**Section 3.6. VACANCIES.** Vacancies and newly created Managerships, whether resulting from an increase in the size of the Board of Managers, or due to the death, resignation, disqualification or removal of a Manager or otherwise, may be filled by election at an annual or special meeting of Members called for that purpose by the Members or the affirmative vote of a majority of the remaining Managers then in office, even though less than a quorum of the Board of Managers.

A vacancy that will occur at a specific later date may be filled before the vacancy occurs, but the new Manager may not take office until the vacancy occurs. Any elected to fill a vacancy shall serve until the next Members' meeting at which Managers are elected.

**Section 3.7. MEETINGS OF MANAGERS.** A regular meeting of the newly-elected Board of Managers shall be held without other notice immediately following each annual meeting of Members, at which the board shall elect officers and transact any other business as shall come before the meeting. Other regular and special meetings of the Managers may be held at such times and places within or outside the State of Delaware as the Managers may fix. Special meetings of the Board of Managers may be called by the President, by the Chairman of the Board, if any, by the Secretary, by any two Managers, or by one Manager in the event that there is only one Manager.

**Section 3.8. MEETINGS OF MANAGERS BY REMOTE COMMUNICATION.** The Board of Managers may permit any or all Managers to participate in any meeting by, or conduct the meeting through the use of, any means of communication by which all Managers participating may simultaneously hear each other during the meeting. A Manager participating in a meeting by this means is considered to be present in person at the meeting.

**Section 3.9. NOTICE OF MANAGERS' MEETINGS.** Regular meetings may be held without notice of the date, time, place, or purpose of the meeting. All special meetings of the Board of Managers shall be held upon not less than two (2) days' notice. Such notice shall state:

- (a) the date and time of the meeting;
- (b) the place of the meeting;
- (c) the purpose or purposes for which the meeting is called if the meeting is a special meeting.

The Company or person calling the meeting shall give notice of the meeting to each Manager personally, by telephone or voice mail, by mail, by electronic transmission if consented to by the Manager, or by messenger or delivery service. Notice to each Manager shall also be given by electronic transmission at the Manager's last known e-mail address.

A written waiver of the required notice signed by a Manager entitled to the notice, before or after the meeting, is the equivalent of giving notice to the Manager who signs the waiver. A Manager's attendance at any meeting shall constitute a waiver of notice of the meeting, except where the Manager attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called or convened.

**Section 3.10. QUORUM AND ACTION OF MANAGERS.** A majority of the number of Managers shall constitute a quorum for the transaction of business. The act of the majority of the Managers present at a meeting at which a quorum is present at the time of the act shall be the act of the Board of Managers, unless the act of a greater number is required by law, the Certificate of Formation, or these Bylaws. The Managers at a meeting for which a quorum is not present may adjourn the meeting until a time and place as may be determined by a vote of the Managers present at that meeting.

**Section 3.11. COMPENSATION.** Managers shall not receive any stated salary for their services, but by resolution of the Board of Managers a fixed sum and expenses of attendance, if any, may be allowed for attendance at any meeting of the Board of Managers or committee thereof. A Manager shall not be precluded from serving the Company in any other capacity and receiving compensation for services in that capacity.

**Section 3.12. ACTION BY MANAGERS WITHOUT A MEETING.** Unless otherwise provided by these Bylaws, any action required or permitted to be taken at a meeting of the Board of Managers or any committee thereof may be taken without a meeting if all members of the Board of Managers, or all committee members then appointed, consent to such action in writing or by electronic transmission and the writings or electronic transmissions are filed with the minutes of the proceedings of the Board of Managers.

**Section 3.13. COMMITTEES OF THE BOARD OF MANAGERS.** The Board of Managers, by resolution adopted by a majority, may designate one or more Managers to constitute one or more committees, to exercise the authority of the Board of Managers to the extent provided in the resolution of the Board of Managers and allowed under the law of the State of Delaware.

### OFFICERS

**Section 4.1. POSITIONS AND APPOINTMENT.** The officers of the Company shall be appointed by the Board of Managers and shall

be a President, a Treasurer, a Secretary, and any other officers, including assistant officers and agents, as may be deemed necessary by the Board of Managers. Any two or more offices may be held by the same person.

Each officer shall serve until a successor is elected and qualified or until the death, resignation or removal of that officer. Vacancies or new offices shall be filled at the next regular or special meeting of the Board of Managers. Election or appointment of an officer or agent shall not of itself create contract rights.

**Section 4.2. REMOVAL AND RESIGNATION.** Any officer appointed or elected by the Board of Managers may be removed with or without cause by the affirmative vote of the majority of the Board of Managers at any regular or special meeting. Any officer or assistant officer appointed by an authorized officer may be removed at any time with or without cause by any officer with authority to appoint such officer or assistant officer. Removal shall be without prejudice to the contract rights, if any, of the officer so removed.

Any officer may resign at any time by delivering notice to the Company. Resignation is effective when the notice is delivered unless the notice provides a later effective date.

Any vacancies may be filled in accordance with Section 4.1 of these Bylaws.

**Section 4.3. POWERS AND DUTIES OF OFFICERS.** The powers and duties of the officers of the Company shall be as provided from time to time by resolution of the Board of Managers or by direction of an officer authorized by the Board of Managers to prescribe the duties of other officers. In the absence of such resolution, the respective officers shall have the powers and shall discharge the duties customarily and usually held and performed by like officers of Companies similar in organization and business purposes to the Company subject to the control of the Board of Managers.

## ARTICLE V

### INDEMNIFICATION OF MANAGERS AND OFFICERS

The Company shall indemnify a Manager or officer who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he or she was a party because he or she was a Manager or officer of the Company against reasonable expenses incurred by him or her in connection with the proceeding.

The Company may, to the fullest extent permitted by law, indemnify each person who may serve or who has served at any time as a Manager or officer of the Company or of any of its subsidiaries, or who at the request of the Company may serve or at any time has served as a Manager, officer, administrator or trustee of, or in a similar capacity with, another organization or any employee benefit plan, against all expenses and liabilities, including counsel fees, reasonably incurred by or imposed upon such person in connection with any proceeding in which he may become involved by reason of his serving or having served in such capacity.

The indemnification provided hereunder shall inure to the benefit of the heirs, executors and administrators of a Manager, officer or other person entitled to indemnification hereunder.

The foregoing right of indemnification shall be in addition to and not exclusive of any other rights which such Manager or officer or other person may be entitled under the Certificate of Formation, any agreement, or pursuant to any action taken by the Managers or Members of the Company or otherwise.

## ARTICLE VI

### SHARE CERTIFICATES AND TRANSFER

**Section 6.1. CERTIFICATES REPRESENTING SHARES.** Shares may be certificated or uncertificated. In the event the shares are certificated, the certificates representing shares of the Company shall state:

- (a) the name of the Company and that it is organized under the laws of the State of Delaware;
- (b) the name of the person to whom issued;
- (c) the number and class of shares and the designation of the series, if any, which the certificate represents; and
- (d) a conspicuous statement setting forth restrictions on the transfer of the shares, if any.

No share shall be issued until the consideration therefor, fixed as provided by law, has been fully paid.

**Section 6.3. REGISTERED MEMBERS.** The Company may treat the registered owner of any shares issued by the Company as the holder in fact thereof, for purposes of voting those shares, receiving distributions thereon or notices in respect thereof, transferring those shares, exercising rights of dissent with respect to those shares, exercising or waiving any preemptive right with respect to those shares, entering into agreements with respect to those shares in accordance with the laws of the State of Delaware, or giving proxies with respect to those shares.

Neither the Company nor any of its officers, Managers, employees, or agents shall be liable for treating that person as the owner of those shares at that time for those purposes, regardless of whether that person possesses a certificate for those shares and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express notice thereof, except as otherwise provided by law.

**Section 6.4. LOST CERTIFICATES.** The Company may issue a new certificate for its shares in place of any certificate theretofore issued and alleged by its owner of record or such owner's authorized representative to have been lost, stolen, or destroyed if the Company, transfer agent, or registrar is not on notice that such certificate has been acquired by a bona fide purchaser.

A new certificate may be issued in lieu of any certificate previously issued that has become defaced or mutilated upon surrender for cancellation of a part of the old certificate sufficient, in the opinion of the Secretary and the transfer agent or the registrar, if any, to identify the owner of the defaced or mutilated certificate, the number of shares represented thereby, and the number of the certificate and its authenticity and to protect the Company and the transfer agent or the registrar against loss or liability. When sufficient identification for such defaced or mutilated certificate is lacking, a new certificate may be issued upon compliance with all of the conditions set forth in this Section in connection with the replacement of lost, stolen, or destroyed certificates.

## ARTICLE VII

**Section 8.5. INVALID PROVISIONS.** If any one or more of the provisions of these Bylaws, or the applicability of any provision to a specific situation, shall be held invalid or unenforceable, the provision shall be modified to the minimum extent necessary to make it or its application valid and enforceable, and the validity and enforceability of all other provisions of these Bylaws and all other applications of any provision shall not be affected thereby.

## ARTICLE VIII

## Restricting Access to Ages 21 and Older

In alignment with the emphasis placed on restricting the accessibility of Marijuana Establishments to qualified individuals aged 21 years and older, Lazy River Products (“LRP”) has policies and procedures in place to meet and/or exceed the requirements set by the Commission. Pursuant to 935 CMR 500.050(8)(b), the LRP retail facility will only be accessible to individuals 21 years of age or older with a verified and valid, government-issued photo ID. Upon entry to the LRP facility premises, an LRP agent will immediately inspect and scan the individual’s proof of identification and determine the individual’s age using an age verifying software ID scanner, in accordance with 935 CMR 500.140(2)(a). In accordance with 935 CMR 500.140(2)(b), a customer’s identification will also be verified by an LRP agent a second time at the front desk as well as a third time at POS terminal checkout. Individuals who cannot provide a valid, government-issued photo ID will be denied access into the facility.

### Main Entrance Check-In Duties

It is company policy to have at least one Security agent present at the retail main entrance where the customer’s ID will be verified the first time. Customers will then enter the retail facility lobby and will proceed to the front desk. This is where customer’s ID will be verified a second time before entering the retail dispensary.

- All customer IDs must be unexpired and there are no exceptions made regarding accepted photo IDs. Forms of valid, unexpired, government-issued photo IDs accepted by LRP are:
  - Driver’s License
  - Government-Issued ID Card
  - Military ID card
  - Passport or Passport ID Card

In accordance with 935 CMR 500.030, all LRP employees and agents will be 21 years of age or older. LRP agents will not be required to enter and check-in through the retail main entrance. LRP agents will have their own dedicated employee entrance on the west side of the facility. Here, there will be an employee security check-in where the arriving LRP agent will provide her/his government issued ID and LRP credentials. Once confirmed, the LRP agent may enter the locker rooms and proceed with their daily duties. If the individual requesting access is a contractor or visitor with a reasonable need to visit (inspections, repairs, etc.), they must follow the LRP procedure for Contractor/Visitor access. Those individuals must first register in the company guest log and present their valid government-issued photo ID as well as their Company ID. Once verified, they will be provided with a visitor badge and security personnel will escort said guests/vendors to their destination where they will be supervised at all times. Once said task is complete those individuals will be escorted through the same entrance point on the west side of the building that they entered through and only after returning their Guest Pass and logging out of the guest log.

Notwithstanding the foregoing, at no time shall any contractors/visitors be permitted to enter Limited Access Areas or any areas of the facility containing marijuana or marijuana products unless they have first obtained a Visitor ID badge and are escorted at all times by an LRP agent who is otherwise authorized to enter the Limited Access Area. In accordance with 935 CMR 500.110(4)(c), access to Limited Access Areas in LRP’s facility shall be restricted to employees, agents or volunteers specifically permitted by LRP, agents of the Commission,

Commission Delegees, and state and local Law Enforcement Authorities acting within their lawful jurisdictions, police and fire departments, and emergency medical services acting in the course of their official capacity.

### General Accessibility

LRP will remain compliant with accessibility rules outlined by the Commission in 935 CMR 500.110. with a heightened focus on the restriction of access to those under the age of 21 years. All emergency exits and access points are secure and locked during both operating and non-operating hours with cameras angled to properly monitor those areas. LRP security specifics, such as the facility's alarm and surveillance systems, can be found within the Security Plan document within the relevant application section.

### Customer Data

LRP will not acquire or record consumer personal information other than information typically required in a retail transaction, which may include identifying information to determine the particular consumer's age. In accordance with 935 CMR 500.140(2)(d), LRP will not record or retain any personal information from a consumer without the consumer's voluntary written permission.

**COVID NOTICE:** *Due to the outbreak of COVID-19, our business is taking extra precautions for the care of every employee to include enhanced sanitation/disinfecting procedures and full PPE in compliance with CDC guidelines. For updates through this pandemic please refer to the CDC and MA Department of Public Health guidelines, as applicable.*

## Personnel Policies Including Background Checks

Lazy River Products (“LRP”) will apply for registration of all its board members, directors, employees, executives, managers, and volunteers who are associated with LRP as Marijuana Establishment Agents. Applications will comply with 935 CMR 500.030. All LRP individuals applying for registration will have signed and notarized CORI Acknowledgement Form, pursuant to 803 CMR 2.09. Applicants will also give authorization to obtain a full set of fingerprints in accordance with M.G.L. c. 94G, § 21. LRP employees will not assume any duties of employment or otherwise participate in the operations of the company unless and until they receive their Marijuana Establishment Agent registration from the Commission. For extensive details on LRP personnel initially registering to be Marijuana Establishment Agents, see documents ‘LRP Background Check Policy’ as well as ‘Hiring Process SOP’.

Once a licensed Marijuana Retailer, LRP’s Human Resources Coordinator is held responsible for the proper registration of new agents.

### Record Keeping

LRP will keep and maintain personnel records and personnel policies in accordance with 935 CMR 500.105(9)(d). These records will include but won’t be limited to the following:

- Job descriptions for each employee and volunteer position, as well as organizational charts consistent with the job descriptions;
- A personnel record for each Marijuana Establishment Agent. These records shall be maintained for at least 12 months after termination of the individual’s affiliation with LRP and shall include, at a minimum, the following:
  - all materials submitted to the Commission pursuant to 935 CMR 500.030(2);
  - documentation of verification of references;
  - the job description or employment contract that includes duties, authority, responsibilities, qualifications, and supervision;
  - documentation of all required training, including training regarding privacy and confidentiality requirements, and the signed statement of the individual indicating the date, time, and place he or she received said training and the topics discussed, including the name and title of presenters;
  - documentation of periodic performance evaluations;
  - a record of any disciplinary action taken; and
  - notice of completed responsible vendor and eight-hour related duty training.
- A staffing plan in accordance with 935 CMR 500.105(1)(i) that will demonstrate accessible business hours and safe cultivation conditions;
- Personnel policies and procedures; and
- All background check reports obtained in accordance with 935 CMR 500.030.

LRP shall also maintain and disseminate alcohol-, smoke- and drug-free workplace policies in accordance with 935 CMR 500.105(1)(k). LRP's Human Resources department is ultimately responsible for the keeping and maintenance of these records.

### Immediate Termination

In accordance with 935 CMR 500.105(1)(m), LRP has an immediate termination policy that applies to LRP staff who have diverted marijuana, engaged in unsafe practices with regard to the operation of the dispensary, or been convicted or entered a guilty plea, plea of nolo contendere, or admission to sufficient facts of a felony drug offense involving the distribution to a minor.

If LRP determines that diversion has occurred or that an employee has engaged in unsafe practices, LRP will report such findings to the Cannabis Control Commission ("CCC" or "Commission") and/or local law enforcement officials within 24 hours of discovering the reportable event. In accordance with 935 CMR 500.110(9)(b), within 10 days after discovering the reportable event, LRP will file an incident report describing the reportable event and the actions taken by LRP in response to the event.

### Training

LRP will ensure that all of its marijuana establishment agents complete training prior to performing any job functions. Training is tailored to roles and responsibilities of the job and will include a Responsible Vendor Program in accordance with 935 CMR 500.105(2)(b). LRP agents will also receive at least 8 hours of on-going training annually in accordance with 935 CMR 500.105(2)(a). For more, see the LRP Qualifications and Training document.

### Structural Failure or Power Loss

If the LRP dispensary experiences a structural failure or power loss, the Facilities Manager or its designee will be the one to decide if evacuation is necessary. If evacuation is deemed necessary, the designated LRP manager will verbally transmit the evacuation message or sound the evacuation alarm, depending on the severity of the evacuation. Scenarios exist where only a section of the facility may lose power. To ensure the type of power failure, employees are trained to check separate sections to confirm how much of the facility has lost power. If the entire facility has lost power, staff will move to the facility common area and using emergency lighting, maneuver through the facility towards exits. Once everyone is outside, the facility is locked and secured.

### Robbery

LRP employees are instructed to never risk their life for merchandise or money as those can be replaced. In the event of a robbery, LRP employees are trained to remain calm while not trying to outsmart or verbally confront the individual. If staff feels safe, they may push the panic button which will notify authorities. If unable to push a panic button, staff are instructed to call 911 when possible and shall still push the panic button.

If, when opening, the dispensary looks to have been broken into, staff are instructed not to enter, but rather shall alert authorities and management and flee to a safe space.

## Fire Emergencies

The LRP dispensary will be equipped with fire alarm systems that include smoke detectors and pull-down alarms that notify the local fire department when triggered. The emergency response system is also equipped with sirens and flashing strobe lights that activate in times of emergencies. At the signal of a fire emergency, employees are to evacuate immediately. Employees are trained to handle fire emergency situations and are educated on some of the dangers when fleeing a fire, for example the varied toxicity of smoke and the importance of avoiding it. Employees are trained to use fire extinguishers and are made familiar of their locations during training. When fires are noticed by employees and not severe, employees are to immediately notify management and utilize the facility's fire extinguishers to extinguish the fire. For more serious fires, the fire alarm is triggered before notification of management.

## Bomb or Terrorist Threat (Call)

When a call comes into the facility that identifies itself as a bomb threat, LRP employees are instructed to keep the caller on the line as long as possible. If the caller doesn't give specific details to a bomb, employees are to inquire. LRP trains employees to pay attention to the phone call, specifically for anything that could help in identifying the caller (male or female, other sounds giving locational clues). Immediately after the caller hangs up, the employee receiving the call must report the information to law enforcement authorities. Management will be notified after.

1. **Recordkeeping:** LRP will maintain business records compliant with the regulations set forth in 935 CMR 500. These records along with any other records outlined in 935 CMR 500 will be made available to the Commission upon request. Business and financial records will be maintained in accordance with generally accepted accounting principles. Financial records maintained by LRP include but are not limited:

## Handling Cash

(Storage, Collection, Frequency, and Transport) At the end of every day, LRP staff will collect the cash from their respective registers and reconcile. After a successful reconciliation, the cash will be bundled together before given to a designated employee who will place the cash into a lockbox located within the locked safe. Only the General Manager and Controller have access to the safe and lockbox. Cash will get picked up by International Protective Services, Inc. (IPS) as a courier service, scheduled at the discretion of the General Manager and Controller. The courier will meet at the dispensary once a week (or more often as required) to drive and deposit money in an unmarked armored vehicle, making sure to randomize the route and remain in communication with the Controller, who will monitor the drop remotely.

### Daily Cash and Debit Card Handling Process:

The following steps have been defined as it pertains to daily management of cash drawers and drops to the cash safe. This is also outlined in policy 'LRP\_Employee\_CashHandling\_Policy'.

1. Checkout Associate (CA) assumes responsibility for a cash drawer for making change for customers paying with cash at the beginning of their shift.
2. Each drawer will be counted by the CA, in the presence of a team lead, at the beginning of each shift and will contain \$200 in cash.
3. All payments (no matter what form) will be entered into the POS system and a copy of the printed receipt will be attached to the customer exit bag. The option of emailing a copy of the receipt to the customer will also be available.
4. During mid-shift if the cash drawer requires a cash drop, the CA will contact the Team Lead or Manager on duty for a cash pickup following the steps below:
  1. When cash drawer bill clip is level with the top of the drawer.
  2. The Team Lead or Manager on duty is then contacted for a cash pickup.
  3. The Team Lead or Manager on duty will then collect cash from the POS cash drawer and will put it into a secure deposit bag with a lock. The deposit bag will then get locked at the POS station.
  4. Team Lead or Manager on duty will carry the deposit bag back to the cash vault where it will be stored and remain locked until the end of the CA's shift.
5. At the end of the shift the CA shall:
  1. Printout a report from the POS station of daily transactions.
  2. Printout a report from the debit card transaction devices.
  3. Bring cash drawer over to open office 115 for drawer count down.
  4. This is when the Team Lead or Manager on duty will collect any mid-shift cash drop bags from the cash vault and will bring them for cash drawer count down.
  5. As part of this process the CA will use the balance sheet to countdown and tie out drawer and reconcile cash and debit card transactions.
  6. If the debit card transactions report does not match what's reported in the POS debit card transactions report then the CA will notify the Manager on duty. At this point the discrepancy policy will be followed.
  7. After all discrepancies have been rectified then close-out procedures will proceed for POS and debit card terminal as listed below:
    1. Leaf Logix POS close-out.
    2. Debit Card terminal close-out.

## Sales and POS System

LRP will utilize Leaf Logix as its POS system. Leaf Logix will be utilized at the stationary terminals as well as the floating terminals used by Sales Associates. In accordance with 935 CMR 500.140(6)(c), LRP will never utilize software or other methods to manipulate or alter sales data. The POS system will be inspected monthly to determine no software or other methods to alter sales data have been implemented. LRP shall maintain records that it has performed this monthly analysis. If an inspection reveals that software has been installed or another method has been implemented to alter sales data, LRP will notify the Commission, cooperate with the Commission in any related investigations, and take any other actions directed by the Commission. LRP will also comply with 830 CMR 62C.25.1 regarding recordkeeping requirements. The POS system is enabled to separately account for marijuana and non-marijuana sales, and LRP agents are trained to appropriately separate marijuana and marijuana products sales from non-marijuana sales using the POS system. In accordance with 935 CMR 500.140(5)(g), the DOR and Commission may audit and examine LRP's POS system to ensure compliance with Massachusetts tax laws and 935 CMR 500 as necessary.

**COVID NOTICE:** *Due to the outbreak of COVID-19, our business is taking extra precautions for the care of every employee to include enhanced sanitation/disinfecting procedures and full PPE in compliance with CDC guidelines. ## Programs

**Program One:** Increasing the number of individuals falling into the above-listed demographics working in the establishment and providing tools to ensure their success.

Lazy River Products will promote a diverse workforce by ensuring that at least 40% of annual hires fall into the above-listed demographics. To ensure Lazy River Product’s commitment to a diverse and inclusive workplace, we have chosen to partner with Minorities Professional Network (“MPN”) ([www.mpndiversityjobs.com](http://www.mpndiversityjobs.com)), which has a 20+ year proven track record for diversity recruiting. MPN is highly ranked “organically” on Google for “top” diversity job sites/job boards, minority job sites, etc., and has generated results for over 1,000 clients and partners including Fortune 500 businesses.

Lazy River Products will also annually attend the Boston Bilingual and Diversity job fair, where it will be able to educate and promote diverse hiring and connect with potential candidates, all of which must be 21 years or older.

To promote equity among employees, management will organize bi-annual internal training workshops that focus on topics such as public speaking, professional development, resume writing, management, and leadership. **Program Two: Distributing internal workplace newsletters that encourage current employees to recommend individuals falling into the above-listed demographics for employment.**

As part of efforts to increase the number of individuals falling into the above-listed demographics working in the establishment, Lazy River Products will distribute internal workplace newsletters, at least once a quarter, to current employees encouraging them to recommend diverse individuals for employment.

### Measurements

Lazy River Products has outlined methods in which the goals and programs will be tracked and measured for success. Measuring the success of programs is critical in being able to accurately report to the Commission when applying to renew the license. One month before the submission to renew a Lazy River Products license, designated Lazy River Products agents, including members of management, will meet to review the Diversity Plan. As part of this internal review, Lazy River Products will evaluate the plan and measurements, analyze successes and failures, and address potential adjustments. The Human Resources Coordinator is responsible for guiding and ensuring the success of this plan and will update the CEO on progress on a monthly basis.

**Program One Metrics:** To track Lazy River Products' goal of hiring 40% of its workforce from individuals in the above-listed groups, Human Resources will keep detailed records of relevant information, so employee composition can be easily tracked. The number of individuals hired who are minorities, women, veterans, people with disabilities, or members of the LGBTQ+ community will be counted and assessed from the total number of individuals hired to ensure at least 40% of all individuals hired fall within this goal. LRP will use a [\*Voluntary Self-Identifying Survey\*](#) during the applicant's application process that will allow them the opportunity to identify themselves as one of the above mentioned cohorts if they choose to do so. Human Resources will also keep record of outreach efforts to specifically identify diverse candidates for employment, including job postings through MPN and diversity job fair participation. Lazy River Products will also track the number and subject matter of internal trainings offered and performed, and to whom. Human Resources will report progress of these metrics to the CEO on a monthly basis.

**Program Two Metrics:** The internal workplace newsletter will be circulated by Human Resources, and Human Resources will keep an electronic copy of each newsletter as record and will also keep record of the number of new employees hired through this program. Human Resources will report progress of these metrics to the CEO on a quarterly basis.
