COMPLIANCE WITH POSITIVE IMPACT PLAN

Progress or Success Goal 1

Description of Progress or Success: Positive Impact Report - February 2020

In its Positive Impact Plan, Cultivate Holdings, LLC (the "Company") committed to positively impact past or present residents of areas of disproportionate impact as defined by the Cannabis Control Commission, Massachusetts residents who have past drug convictions, and Economic Empowerment Priority and Social Equity Program participants. The Company implemented the Cultivate Launch Program (the "Program") which is providing its participants with exclusive access to the Company's employee and manager training programs and introducing them to the industry through networking events. In addition, Cultivate implemented a charitable giving program in which it designated the first day of the month to donate ten percent (10%) of the Company's gross sales to charities that provide services to past or present residents of areas of disproportionate impact or Massachusetts residents who have past drug convictions.

The Company recruited five participants to the Program. Three are Social Equity Program participants and two are residents of areas of disproportionate impact. Due to the Covid-19 pandemic, Cultivate was not able to offer in-person training as stated in the Positive Impact Plan. Instead the Company offered virtual training through Trainual to the participants in areas such as Retail, Compliance Regulations and Marketing, Production and STOP principles. On July 24, 2020, the Company hosted a virtual event for our Program Participants in which the Company's President and the COO participated as well as a Cannabis business finance and operations consultant. The presenters addressed strategies for starting marijuana related businesses, some of the pitfalls to avoid, some challenges posed by regulations. The Company hosted another virtual event on August 6, 2020 with Cultivate's chef. She focused on the production aspect of the cannabis industry and advice about how to get involved. On August 10, 2020, the Company hosted a third virtual event with the Executive Director of Massachusetts Patient and Advocacy Alliance. She focused on the medical marijuana industry in Massachusetts and the regulatory issues which the Cannabis Control Commission was addressing at that time.

Through the Company's Community First Program, since February 2020, it has donated \$60,055 to charities that serve residents of areas of disproportionate impact and or individuals with past drug convictions.

Worcester County Food Bank (\$19,294 - October, November, December 2020)

They partner with food and fund donors to provide donated food to a network of 114 local pantries and community meal programs to help distribute 6.1 million pounds of donated food to 75,000 people from all cities and towns in Worcester County.

Cultivate Cares Farms (\$12,088 - September 2020)

A non-profit farm based therapy outpatient program in Bolton, MA which provides mental health therapy for adolescents and adults with rescued animals.

Daniel's Table Framingham (\$10,761 - August 2020)

Helps food insecure residents in Framingham through their emergency grocery distribution and their Freezer program. They prepare and freeze healthy meals then places them in freezers located throughout Framingham in Senior Centers, schools, churches and community centers. Their grocery distribution program serves over 650 families a week.

Community Servings (\$9,083 - April, May, June, July 2020)

Project Place (\$3,964 - March 2020)

Helps those transitioning out of poverty and homelessness attain self-sufficiency by providing an array of services including training programs, job search guidance and long-term employment retention support.

1Life at a Time (\$5,365 - February 2020)

A non-profit in Braintree, MA which offers career and recovery services to clients suffering from drug addiction. Many of their clients are residents of areas of disproportionate impact and/or have previous drug convictions.

COMPLIANCE WITH DIVERSITY PLAN
Diversity Progress or Success 1

Description of Progress or Success: In its Diversity Plan, Cultivate Holdings, LLC's goal was to assemble a diverse team of

employees, making a good faith effort to be inclusive of women, veterans, disabled individuals and those with diverse ethnicities. One of our key diversity goals was to meet or exceed the demographic composition of the overall population. Eighteen months after opening, Cultivate Holdings, LLC's workforce is inclusive and diverse, comprising thirty seven percent (37%) women and twelve percent (16%) African Americans. Hispanic or Latino employees comprise eight percent (8%) of Cultivate's workforce. Approximately twenty percent (20%) of Cultivate's employees are from the Cannabis Control Commission's designated Areas of Disproportionate Impact - including Fitchburg, Monson, Southbridge and the Commission's designated Areas of Disproportionate Impact in Worcester. Taken together, Cultivate Holdings LLC is exceeding its goal of a workforce where minorities, women, veterans, and/or people with disabilities represent 40% of all employees.

Cultivate is succeeding in its internal diversity goal to match or exceed the diversity demographics of Leicester in that its African American population is 1.5%, whereas African American employees comprise 16% of our workforce. While women make up 51% of Leicester's population, they comprise only 37% of Cultivate's employees. The Company plans to make female hiring a priority in the coming year and our leadership team is confident we can close this gap as company-wide operations expand.

Cultivate is currently in the process of conducting a full survey of employee demographic information following a recent loss of data brought about by the Company's migration to a new human resources provider. This will provide Cultivate's leadership team with an even more detailed understanding of employee demographics and inform where progress can be made towards diversity and social empowerment goals.

Of the three employees promoted to managers in the past 6 months, one is from an Area of Disproportionate Impact and one is a woman, indicating that Cultivate is providing growth opportunities to our diverse employees. In furtherance of its stated goals, Cultivate Holdings, LLC has contracted with two women-owned businesses: Chatterboss Communications and Forester Consulting.

Cultivate continues to reach its goal of providing comprehensive and ongoing sensitivity training to educate employees about all forms of sexual harassment and discrimination. These trainings are carried out during all employees' initial onboarding and continue to be offered on a recurring basis throughout the year.

How to Read the Adult-Use Marijuana Zoning Analysis Maps

June 2018

The attached maps depict an analysis of zoning eligibility for various categories of Adult Use Marijuana (AUM) establishments. Two factors determine zoning eligibility for any given location:

1. The proposed use must be allowed in the applicable zoning district, as specified by Table 4.1 - Permitted Uses, in the Worcester Zoning Ordinance.
2. A proposed location must not be within 500 feet of certain uses, including schools, parks, and registered child care centers. Additionally, retail stores that sell regulated products to consumers may not be located within 500 feet of one another. These 500 foot areas where AUM establishments are prohibited are termed “buffers”.

These requirements are mapped to show where various categories of AUM establishments may be eligible to locate from a zoning perspective. It is important to note that zoning is only one factor that determines whether an AUM establishment may be developed at a particular given site, and that any AUM establishment requires a Special Permit from the Planning Board.

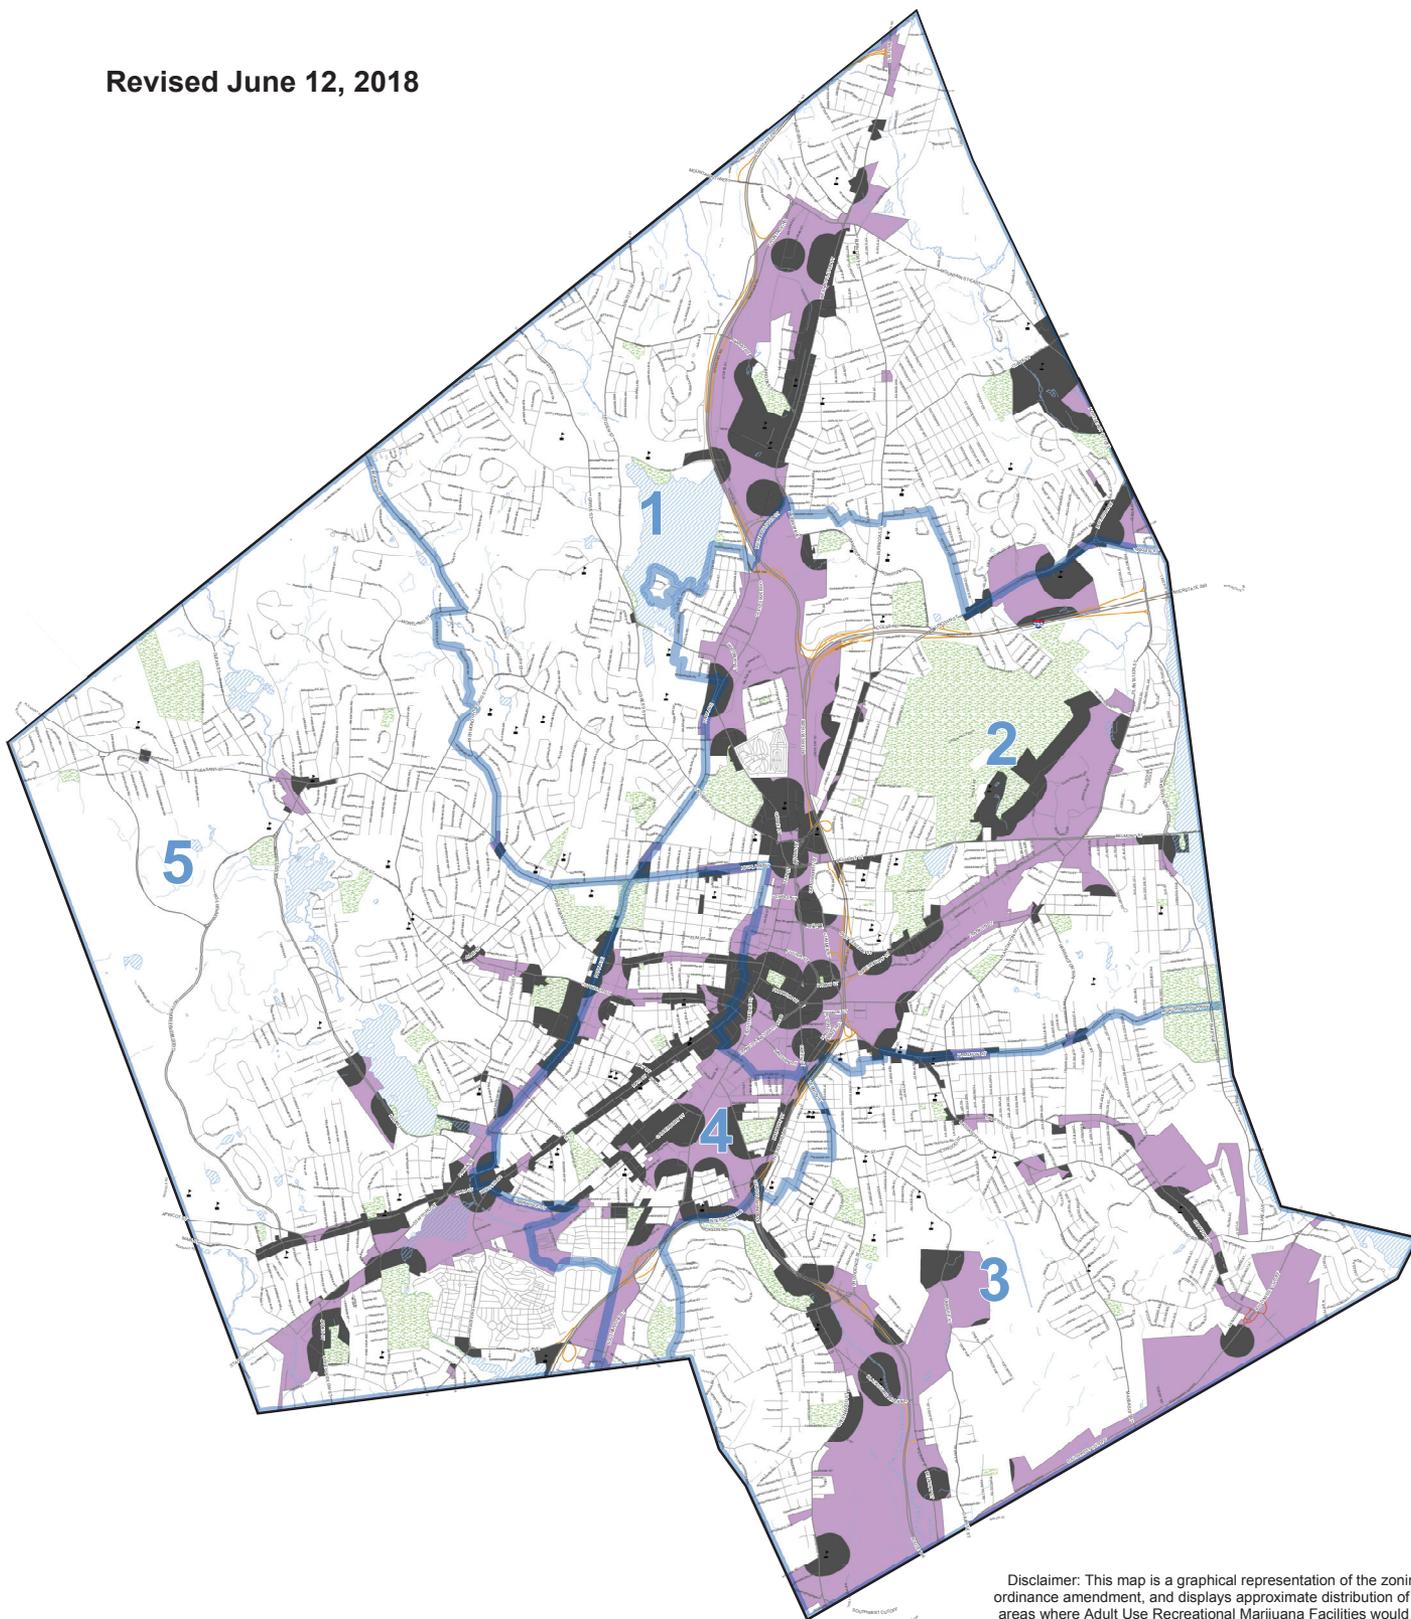

Because the location of buffer zones may change over time, these maps are only an estimate of current zoning eligibility. Any proposed site will require a site specific evaluation of zoning eligibility at the time of application. Further, this mapping exercise is conducted at a parcel level, which means that buffer area boundaries are approximate.

Interpreting the maps

- **Purple** shading depicts those areas that are both within an eligible zoning district and outside of established buffer areas where the use is not allowed. *The purple shading therefore depicts locations that are estimated to be “Eligible Areas” from under zoning regulations.*
- **Gray** shading depicts those areas that are located within a zoning district whether the AUM use is allowed according to Table 4.1 of the Zoning Ordinance, but are nonetheless estimated to be excluded because they are located within a 500-ft buffer area.

Fiscal Year 2020 Host Payment and Municipal Cost Documentation

As part of its annual license renewal, the Code of Massachusetts Regulations in 935 CMR 500.103(4)(f) requires Cultivate Holdings, LLC to provide documentation “that the establishment requested from its Host Community the records of any cost to a city or town reasonably related to the operation of the establishment, which would include the city's or town's anticipated and actual expenses resulting from the operation of the establishment in its community.”

Cultivate Holdings, LLC (“the Company”) entered into a Host Community Agreement (HCA) with the City of Worcester, Massachusetts (“the City”) on June 13, 2019 to operate a Marijuana Retail Establishment at 1023 Southbridge Street in Worcester, Massachusetts. Rather than attempting to itemize and quantify the exact fiscal impact of the Cultivate Holdings, LLC facility on the host community, the Company agreed to pay the City an annual Community Impact Fee equal to three percent of the gross receipts from the Company’s Framingham facility.

According to the HCA, the first Community Impact Fee “payment shall be made... within 90 days of the first anniversary of the Commencement Date.” The Company’s Worcester facility has yet to commence operations and, therefore, has not completed the first fiscal year of its operation. As a result, no Community Impact Fee has been paid.

2019-2020 Positive Impact Plan

Cultivate Holdings, LLC (the “**Company**”) plans to positively impact the following individuals: (i) past or present residents of areas of disproportionate impact as defined by the Cannabis Control Commission; (ii) Massachusetts residents who have past drug convictions; and (iii) Commission designated Economic Empowerment Priority and Social Equity Program participants.

The Company will implement the following goals, programs and measurements pursuant to this Plan for Positive Impact (the “**Positive Impact Plan**”).

Goals:

The Company’s goals for this Positive Impact Plan are as follows:

1. Host ***two (2)*** networking events through the “Cultivate Launch Program”, described in more detail below.
2. Identify and recruit at least ***five (5)*** Economic Empowerment Program (“**EEP**”) and/or Social Equity Program (“**SEP**”) participants to participate in the Cultivate Launch Program.
3. Provide members of the Cultivate Launch Program with the opportunity to complete the Company’s standard ***employee training program*** and ***manager training program***.
4. Implement a charitable giving program wherein it will identify ***one day per month*** that an amount equal to ***ten percent (10%)*** of the Company’s gross sales from that day will be donated to charities that provide services to past or present residents of areas of disproportionate impact and/or who help Massachusetts residents with past drug convictions.

Programs:

In an effort to reach the abovementioned goals, the Company shall implement the following practices and programs:

1. The Cultivate Launch Program

The Company is extremely proud to begin implementing its new “Cultivate Launch Program” (the “**Program**”). The Program is designed to positively impact past or present residents of areas of disproportionate impact as defined by the Cannabis Control Commission; Massachusetts residents who have past drug convictions; and Commission designated Economic Empowerment Priority and Social Equity Program participants by providing a select number of participants with exclusive access to the Company’s training programs and introducing them to the industry through networking events. The Program will not be specifically limited in duration.

The Company will seek to identify and recruit at least five (5) participants in the Program during the first year. In an effort to ensure that the participants in the Program are past or present residents of areas of disproportionate impact as defined by the Cannabis Control Commission or Massachusetts residents who have past drug convictions it will: (1) Post monthly notices for the first six (6) months of the Program in newspapers of general circulation in those municipalities, including but not limited to, the Worcester Telegram and Gazette. These notices will state, among other things, that the Company is specifically looking for Massachusetts residents who are 21 years or older and either (i) live in an area of disproportionate impact as defined by the Cannabis Control Commission; or (ii) have past drug convictions, to participate in the program; (2) Review the Commission's database of approved EEP applicants and attempt to contact those eligible individuals; and (3) Reach out to Boston City Councilors who have expressed an interest in supporting and assisting SEP and EEP applicants.

Once enrolled, each participant in the Program will be offered the opportunity to complete the Company's standard employee training program and manager training program.

The standard employee and manager training programs will provide the participant with hands on training as a responsible vendor including: (1) an understanding of different products and methods of consumption including edibles; potency; effects; secondhand absorption time; (2) procedures to ensure that consumers are not overserved; and (3) procedures for mitigating the risk of an impaired consumer and ensuring the safety of patrons and the general public in the event of impairment. Additionally, these training programs will provide the participants with a review of any applicable department SOP's and compliance regulations and product knowledge training, including information regarding the methods that the Company uses to craft products, the strains that are cultivated and the intended effects of those products. Additional training is provided based on the department the participant is interested in. Collectively, between the manager training program and employee training program, Program participants will be offered up to 104 hours of training.

Furthermore, as described above, the Company will host two (2) networking events each year to introduce its program participants to the Massachusetts cannabis industry. The Company will partner with organizations such as the Commonwealth Dispensary Association, the Massachusetts Recreational Consumer Council and the Massachusetts Patient Advocacy Alliance for these networking events.

The Company has hired Yasue Keyes, who will serve as its community liaison and will be in charge of implementing the Program.

2. Designated Proceed Days:

The Company will implement a charitable giving program wherein it will identify one day per month where an amount equal to ten percent (10%) of the Company's gross sales from that day will be donated to charities that provide services to past or present residents of areas of disproportionate impact or who help Massachusetts residents with past drug convictions. Such donations may be made in that calendar month or in one lump sum at any point throughout the year.

These charities include Home Base Veteran and Family Care, Community Servings, Project Place, Project New Hope, Leukemia & Lymphoma Society, New England Chapter and the Crohn's & Colitis Foundation. Copies of letters from these charities confirming that they serve areas of disproportionate impact and/or Massachusetts residents with previous drug convictions as defined by the Cannabis Control Commission are attached hereto and incorporated herein by reference.

Annual Review:

Each year, the Company will review the following criteria in an effort to measure the success of its Plan to Positively Affect Areas of Disproportionate Impact.

1. Identify the number of individuals participating in the Program;
2. Identify the number of events it has held through the Program;
3. Identify the number of training hours provided to participants of the Program and
4. Identify the amount of charitable donations the Company has made during the positive impact plan year, and to which organizations those donations went (documentation from the abovementioned charities about whether or not they serve Areas of Disproportionate Impact, or residents with previous drug convictions, will be available for inspection by the Commission upon request).

The Company affirmatively states that it: (1) has confirmed that all of the abovementioned charities have (or will) accepted donations from the Company; (2) acknowledges and is aware, and will adhere to, the requirements set forth in 935 CMR 500.105(4), which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment; (3) any actions taken, or programs instituted, will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws; and (4) the Company will be required to document progress or success of this plan, in its entirety, annually upon renewal of this license.

(i) Any income of the Company that is exempt from federal income tax and not otherwise taken into account in computing Profits and Losses pursuant to this definition of “Profits and “Losses” shall be added to such taxable income or loss;

(ii) Any expenditure of the Company described in Code Section 705(a)(2)(B) or treated as Code Section 705(a)(2)(B) expenditures pursuant to Regulations Section 1.704-1(b)(2)(iv)(i) and not otherwise taken into account in computing Profits and Losses pursuant to this definition of “Profits and “Losses” shall be subtracted from such taxable income or loss;

(iii) In the event that the Gross Asset Value of any Company asset is adjusted pursuant to subparagraphs (ii) or (iii) of the definition of “Gross Asset Value,” the amount of such adjustment shall be taken into account as gain or loss from the disposition of such asset for purposes of computing Profits and Losses;

(iv) Gain or loss resulting from any disposition of Company Property with respect to which gain or loss is recognized for federal income tax purposes shall be computed by reference to the Gross Asset Value of the property disposed of, notwithstanding that the adjusted tax basis of such property differs from its Gross Asset Value;

(v) In lieu of the depreciation, amortization and other cost recovery deductions taken into account in computing such taxable income or loss, there shall be taken into account Depreciation for such Fiscal Year or other period, computed in accordance with the definition of “Depreciation”;

(vi) To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Code Section 734(b) or Section 743(b) is required pursuant to Regulations Section 1.704-1(b)(2)(iv)(m) to be taken into account in determining Capital Accounts as a result of a distribution other than in liquidation of a Member’s interest in the Company, the amount of such adjustment shall be treated as an item of gain (if such item increases the basis of such asset) or loss (if the adjustment decreases the basis of such asset) from the disposition of the asset and shall be taken into account for purposes of computing Profit or Loss;

“Regulations” shall mean the rules and regulations promulgated by the Internal Revenue Service pursuant to the Code.

“Taxing Jurisdiction” shall have the meaning set forth in Section 5.4 hereof.

“Transfer” shall mean any offer, sale, conveyance, assignment, hypothecation, pledge, encumbrance, grant of a security interest in, transfer, or other disposition (including any gift, bequeath or other transfer for no consideration (whether or not by operation of law, except in the case of bankruptcy)) of any Unit or any rights therein.

“Transferee” shall mean and include any recipient of a Transfer pursuant to Article VII hereof.

PROFITS, LOSSES AND DISTRIBUTIONS

5.1 Additional Capital Contributions; Capital Account.

(a) Additional Capital Contributions. The Manager may, from time to time, cause the Company to raise additional capital. In connection with any such capital-raising, the Manager may cause the Company to issue and sell Units in the Company which may be pari passu with, or senior in right to, any class of Units.

(b) Capital Accounts. A Capital Account shall be maintained on the books and records of the Company for each Member (each, a "Capital Account") in accordance with the provisions of this Section 5.1:

(i) To each Member's Capital Account there shall be credited such Member's Capital Contributions, such Member's distributive share of Profits and the amount of any Company liabilities assumed by such Member or that are secured by any Company Property distributed to such Member.

(ii) To each Member's Capital Account there shall be debited the amount of cash and the Gross Asset Value of any Company Property distributed to such Member pursuant to any provision of this Agreement, such Member's distributive share of Losses, and the amount of any liabilities of the Company assumed by such Member or that are secured by any property contributed by such Member to the Company.

(iii) In the event that all or a portion of any interest in the Company is Transferred in accordance with this Agreement, the Transferee shall succeed to the Capital Account of the Transferor to the extent it relates to the Transferred interest.

The foregoing provisions, and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 1.704-1(b) of the Regulations and shall be interpreted and applied in a manner consistent with such Regulations. In the event that the Manager shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto (including, without limitation, debits or credits relating to liabilities that are secured by contributed or distributed property or that are assumed by the Company or the Members) are computed in order to comply with such Regulations, the Manager may make such modification, provided that it is not likely to have a material effect on the amounts distributable to any Member pursuant to Section 9.3 hereof upon the dissolution and liquidation of the Company. The Manager shall also (i) make any adjustments necessary or appropriate to maintain equality between the aggregate Capital Accounts of the Members and the amount of Company capital reflected on the Company's balance sheet, as computed for book purposes in accordance with Regulations Section 1.704-1(b)(2)(iv)(q) and make any appropriate modifications in the event unanticipated events might otherwise cause this Agreement not to comply with Regulations Section 1.704-1(b).

(c) Loans. No Member shall have any obligation to loan funds to the Company; provided, however, the Company may borrow funds or enter into other similar financial accommodations with any Member or any Affiliate of any Member. Loans to the Company by any Member shall not be considered Capital Contributions.

5.2 Calculation of Profits and Losses. For financial accounting purposes, the Profits and Losses of the Company shall be determined on an annual basis in accordance with this Agreement.

5.3 Allocation of Profits, Losses, Credits and Other Items.

(a) Profits and Losses. Any Profits and Losses (or items thereof), for each period, shall be allocated among the Members so as to, as nearly as possible increase or decrease, as the case may be, each Member's Capital Account balance to the extent necessary such that each such Member's Capital Account is equal to the amount that such Member would receive if the Company were dissolved, its assets sold for their respective Book Values, its liabilities satisfied in accordance with their terms and all remaining amounts were distributed to the Members in accordance with Section 5.5, immediately after making such allocations. The intent of the foregoing allocations is to comply with Regulation Section 1.704-1(b) and to ensure that the Members receive allocations of Profits and Losses (and items thereof) pursuant to this Section 5.3(a) in accordance with their relative economic interests in the Company.

(b) Alternative Allocations. It is the intent of the Members that each Member's distributive share of Profit or Losses (or item thereof) be determined and allocated consistently with the provisions of the Code, including, without limitation, Code Section 704(b) and Code Section 704(c). If in connection with the issuance of Units pursuant to the provisions of this Agreement, or for any other reason, the Manager deem it necessary in order to comply with the Code, the Manager may, and hereby is authorized, to allocate Profit or Losses (or items thereof) arising in any year differently than as provided for in this Article V if, and to the extent, that (i) allocating Profit or Losses (or item thereof) would cause the determinations and allocations of each Member's distributive share of Profit or Losses (or item thereof) not to be permitted by the Code or (ii) such allocation would be inconsistent with a Member's interest in the Company taking into consideration all facts and circumstances. Any allocation made pursuant to this Section 5.3(b) shall be deemed to be a complete substitute for any allocation otherwise provided for in this Agreement, and no further amendment of this Agreement or approval by any Member shall be required to effectuate such allocation. In making any such allocations under this Section 5.3(b) (the "New Allocations"), the Manager is authorized to act in reliance upon advice of counsel to the Company or the Company's regular accountant that, in his or her opinion after examining the relevant provisions of the Code, the New Allocation is necessary in order to ensure that, in either the then-current year or in any preceding year, each Member's distributive share of Profit or Losses (or items thereof) are determined and allocated in accordance with the Code and the Member's interests in the Company. New Allocations made by the Manager in reliance upon the advice of counsel or accountant as described above shall be deemed to be made in the best interests of the Company and all of the Members, and no Member shall have the right to make any claim or cause of action against the Company, any Manager, or any other Member as a result thereof.

5.4 Non-Federal Taxes.

(a) Elections. The Company may make any tax elections allowed under the tax laws of any state or other local jurisdiction having taxing jurisdiction over the Company ("Taxing Jurisdiction").

(b) Taxes of Taxing Jurisdictions. As determined by the Manager, to the extent that the laws of any Taxing Jurisdiction require, each Member requested to do so will submit to the Taxing Jurisdiction an agreement indicating that the Member will timely file all returns and make all income tax payments to the Taxing Jurisdiction or that the Member accepts personal jurisdiction of the Taxing Jurisdiction with regard to the collection of income taxes attributable to the Member's income, and interest and penalties assessed on such income or such other agreement as the Taxing Jurisdiction provides. If the Member fails to provide such agreement, to file such returns, or to make such tax payments, the Company may, and if required by the Taxing Jurisdiction shall, withhold and pay over to such Taxing Jurisdiction the amount of tax, penalty and interest determined as due under the laws of the Taxing Jurisdiction. Any such payments with respect to a Member shall be treated as an advance of a distribution to such Member, provided that if the Member was not entitled to such a distribution, without notice or demand the Member shall pay to the Company the amount the Company paid to the Taxing Jurisdiction. The Company may, where permitted by the rules of any Taxing Jurisdiction, file a composite, combined or aggregate tax return reflecting the income of the Company and pay the tax, interest and penalties of some or all of the Members on such income to the Taxing Jurisdiction, in which case the Company shall inform the Members of the amount of such tax, interest and penalties so paid and such amounts shall be also treated as such an advance distribution and be subject to repayment.

5.5 Distributions.

(a) Generally. Distributions hereunder shall be made to the Members in accordance herewith hereof at such time and in such amounts as may be determined by the Manager. The Manager shall have sole discretion to determine the amounts and time for any distributions. In this regard, the Manager may take into account such matters as the repayment of obligations to creditors and the setting aside of amounts to be retained by the Company for any purpose, including the conduct of the Company's business affairs. No Member shall have the status of, or be entitled to any remedies available to, a creditor of the Company with respect to any distribution to which such Member may become entitled.

(b) Tax Distributions to Members. Notwithstanding the other provisions of this Agreement, to the extent funds are available, the Managers may make distributions to the Members from time to time with respect to any taxable year in an amount to pay when due any federal, state and local income taxes imposed on such Members, calculated using the Assumed Tax Rate, that is attributable to the cumulative taxable income allocated to the Members under this Agreement. Tax distributions pursuant to this Section 5.5(b) shall not be made with respect to the year in which the Company liquidates. Tax distributions made hereunder shall be treated as an advance on other distributions to which a Member is entitled in respect of such Member's Units, and shall therefore reduce the amount of other distributions payable to that Member under this Agreement in respect thereof.

(c) Distributions of Available Cash Flow. After distributions described in Section 5.5(b) are made, all distributions from the Available Cash Flow of the Company shall be made as follows:

(i) First, 30% to the Class C Members and, 70% to the Class B Members (in proportion to each Member's respective Percentage Interests of their Membership Class), until total distributions by the Company to each Class B Member (including those made prior to the date of this amendment) equals each such Class B Member's Capital Contributions, plus the Priority Return on such Class B Member's Capital Contributions from the date such amounts were contributed until the date all such Capital Contributions

are fully returned;

(ii) Second, 100% to the Class C Members (each in proportion to such Member's respective Percentage Interests of their Membership Class), until total distributions by the Company to each Class C Member equals each such Class C Member's Capital Contribution;

Capital Event Proceeds and the net proceeds upon liquidation of the Company shall be distributed to the Members, at such times and in such amounts as the Manager may approve (subject to the full repayment of any loans by Members, which shall be accomplished promptly), as follows:

(i) First, 30% to the Class C Members and, 70% to the Class B Members (in proportion to each Member's respective Percentage Interests of their Membership Class), until total distributions by the Company to each Class B Member (including those made prior to the date of this amendment) equals each such Class B Member's Capital Contributions, plus the Priority Return on such Class B Member's Capital Contributions from the date such amounts were contributed until the date all such Capital Contributions are returned;

(ii) Second, 100% to the Class C Members (each in proportion to such Member's respective Percentage Interests of their Membership Class), until total distributions by the Company to each Class C Member equals each such Class C Member's Capital Contribution;

(iii) Third, 100% to Class A Members (each in proportion to such Member's respective Percentage Interests of their Membership Class), until total distributions by the Company to each Class A Member equals each such Class A Member's Capital Contribution; and

(iv) Thereafter, to the Class A, B and C Members pro rata in proportion to their Percentage Interests.

(e) Prohibited Distributions. Notwithstanding anything to the contrary contained herein, the Company shall not make any distribution to a Member if such distribution would violate the Act or other applicable law.

5.6 Creditor Status. No Member shall have the status of, or be entitled to any remedies available to, a creditor of the Company with respect to any distribution to which such Member may become entitled.

5.7 Withholding Taxes. The Company is authorized to withhold from distributions to the Members, and to pay over to a federal, state or local government, any amounts required to be withheld pursuant to the Internal Revenue Code of 1986, as amended, or any other provisions of

any other federal, state, local or foreign law. Any amounts so withheld shall be treated as having been distributed to the Members pursuant to Section 5.3 for all purposes of this Agreement.

5.8 Condition to Distributions. At any time or from time to time, and prior to making any distributions, the Manager may request from any Member or other Person receiving a distribution an affidavit or other evidence that such Person is not a “foreign person” within the meaning of Code Section 1445 or Code Section 1446. If such Person does not provide such affidavit or other evidence in form and content reasonably satisfactory to the Members within 30 days after such request, the Manager may withhold and pay over to the IRS such portion of such Person’s distribution as may be necessary to comply with Code Section 1445 or Code Section 1446, and any amount so withheld and paid over shall be treated as a distribution to such Person at the time it is paid over to the IRS.

(a) Notwithstanding anything contained herein to the contrary, if the Managers (other than any Manager who proposes to Transfer any Units) do not approve of the proposed Transfer of any Units to a Transferee which is not a Member immediately prior to such Transfer, then the proposed Transferee shall have no right to become a Member or otherwise to participate in the management of the business and affairs of the Company. No Transfer of a Member's Units in the Company (including any transfer of the Economic Interest or any other Transfer which has not been approved by the Manager shall be effective unless and until written notice (including the name and address of the proposed Transferee and the date of such transfer) has been provided to the Company and the non-transferring Members.

(b) Upon and contemporaneously with any Transfer of a Transferring Member's Economic Interest in the Company which does not at the same time Transfer the balance of the rights associated with the Economic Interest transferred by such Transferring Member (including, without limitation, the rights of the Transferring Member to participate in the management of the business and affairs of the Company), the Company shall purchase from the Transferring Member, and the Transferring Member shall sell to the Company for a purchase price of \$100.00, all remaining rights and interests retained by the Transferring Member which immediately prior to such sale or gift were associated with the transferred Economic Interest.

7.3 Right of First Refusal Upon Sale of Units.

(a) In the event that any Member holding Class B Units or Class C Units (a "Transferring Party") shall at any time desire to Transfer all or any portion of his Units to any Person then, in addition to other requirements and limitations set forth in this Agreement, such Transferring Party shall first receive a bona fide written offer (the "Offer") from an offeror (the "Offeror") to purchase such Units. The Transferring Party shall then give written notice (the "Offer Notice") to the Class A Members of his intention to so sell. The Offer Notice shall:

- (i) include a copy of the Offer;
- (ii) state the intention to Transfer the Class B Units or the Class C Units, as applicable, and the amount to be transferred (the "Offered Interest");
- (iii) state the name, business, and address of the Offeror; and
- (iv) state the amount of the consideration and the other terms of the Offer.

(b) The Class A Members shall have an option to Purchase ("Purchase Option") on the same terms and conditions as set forth in the Offer Notice, all, or any portion, of the Offered Interest; provided that such Purchase Option shall be exercisable only during the period ending fifteen (15) Business Days after the receipt by the Class A Members of the Offer Notice.

(c) The Purchase Option granted in this Section to the Class A Members must be exercised by notice within the period designated for such exercise, and the Class A Members may purchase, all or any portion of the Offered Interest within one hundred eighty (180) days of the date of the Offer Notice, or it shall be deemed that the Purchase Option was rejected. If and to the extent that the Class A Members do not exercise their right to purchase such Offered Interest in its entirety, the Transferring Party shall then have the right to transfer that portion of the Offered Interest which the Class A Members have not elected to purchase in accordance with the Offer Notice within a period of thirty (30) days next following the expiration of the Purchase Option. In the event the Transferring Party has not transferred the Offered Interest in accordance with the Offer Notice or the Manager does not approve the transferee then any transfer shall be null and void, and the Offered Interest will continue to be subject to this Agreement.

7.4 Right of First Refusal Upon Involuntary Withdrawal.

(a) In the event that any Class B Member or Class C Member (a "Withdrawing Party") shall suffer an Event of Withdrawal, then in addition to the other requirements and limitations set forth in this Agreement, the legal representatives of the Withdrawing Member ("Representatives") shall give written notice within ninety (90) days of the occurrence of such event (the "Withdrawal Notice") to the Class A Members of the withdrawal of the Withdrawing Party.

(b) For a period of ninety (90) days after the receipt by the Class A Members of the Withdrawal Notice, the Class A Members shall have an option to purchase (“Option”) all, but not less than all, of the Withdrawing Party’s interest in the Company (“Abandoned Interest”), on the terms and conditions set forth below in subparagraphs (c) and (d).

(c) The Option granted in this Section to the Class A Members must be exercised by notice within said ninety (90) day period and the Class A Members must purchase all of the Abandoned Interest, or it shall be deemed that the Option was rejected. If and to the extent that the Class A Members do not exercise their right to purchase the Abandoned Interest in its entirety, the Economic Interest represented by the Abandoned Interest and right to request admission as a substitute Member shall pass to the authorized legal representative(s) of the Withdrawing Party by operation of law, but subject, nevertheless, to the provisions of Section 7.1 hereof.

(d) The purchase price for the Abandoned Interest (“Purchase Price”) shall be the Fair Market Value of the Abandoned Interest as determined by an appraiser selected by the Manager. The value of the Abandoned Interest shall be determined as of the date of the Event of Withdrawal, unless otherwise mutually agreed by the Company and the legal representatives of the Withdrawing Party. The cost of the appraisal shall be paid by the Company. The Purchase Price shall be paid in cash by wire transfer of immediately available funds or by certified or bank treasurer’s check upon the transfer of the Abandoned Interest.

7.5 Permitted Transfers. Notwithstanding anything in the Agreement to the contrary, all transfers of Units or Economic Interests to an Affiliate or to a Family Member can be undertaken without restriction. Notwithstanding anything in this Section 7.5 to the contrary, the Transferring Member shall maintain all voting rights attached to his Units during his lifetime in regard to any Transfer to a Family Member.

7.6 Tax Limitation. Notwithstanding anything to the contrary contained herein, no Transfer of, or Lien on, any interest in the Company shall be permitted if such Transfer or Lien would cause the Company to be treated as an association taxable as a corporation for U.S. federal income tax purposes, including pursuant to Section 7704 of the Internal Revenue Code of 1986, as amended.

7.7 Holder of Record. The Company shall be entitled to treat the record owner of Units as the absolute owner thereof in all respects, and shall incur no liability for distributions of cash or other property made in good faith to such owner until such time as (i) a written assignment of such Units has been received and accepted by the Company in accordance with the terms and conditions set forth in this Agreement and (ii) the transferee has been admitted as a Member of the Company and has fulfilled the terms and conditions of Section 7.1(b) of this Agreement. In the absence of the substitution (as provided herein) of a Member for an assigning or transferring Member, any payment to a Member or any trustee in bankruptcy in accordance with the terms of this Agreement shall acquit the Company and any other Member of all liability to any other persons or entities who may be interested in such payment by reason of any purported assignment or transfer of such Member. In addition to and not in limitation of any other legal or equitable remedies which it may have, the Company and any of its Members may enforce its rights hereunder by actions for specific performance.

7.8 Tag Along Rights.

(a) Notwithstanding anything contained herein to the contrary in this Article VII, in the event that the holders of the Class A Units (the “**Tag-Along Transferors**”) desire to transfer a majority of the Class A Units for consideration (such Units, the “**Tag-Along Units**”) to any one or more Persons in an “arms’-length” single transaction or series of related transactions, then the

Tag-Along Transferors shall provide all other Members of all Classes (the “**Tag-Along Members**”) with written notice (“**Transfer Notice**”) of their intention to transfer the Units, specifying in such Transfer Notice the identity of the proposed transferee, the number of Units to be transferred, the purchase price therefor (the “**Purchase Price**”), and the terms (the “**Transfer Terms**”) of the proposed sale (the “**Proposed Sale**”).

(b) Upon receipt of Transfer Notice, each Member that is not a Tag-Along Transferor, shall, for a period of twenty (20) days (“**Tag-Along Exercise Period**”), have the right and option (“**Tag-Along Right**”) to sell to the proposed Transferee in the Proposed Sale at a price and on terms equivalent to the per Unit Purchase Price and the Transfer Terms, up to that number of Units owned by such Tag-Along Member as shall equal the product of (i) a fraction, the numerator of which is the number of Tag-Along Units and the denominator of which is the aggregate number of Units owned of record as of the date of the Tag-Along Notice by the Tag-Along Transferors, multiplied by (ii) the number of Units owned of record by such Tag-Along Member as of the date of the Tag-Along Notice. Such written notice shall state the aggregate number of Units that such Tag-Along Member proposes to include in such Transfer.

(c) If any Tag-Along Member exercises its rights pursuant to this Section 7.8, then Tag-Along Transferors will attempt to obtain from the proposed Transferee a commitment, for the benefit of each such Tag-Along Member, to purchase the number of Units that such Tag-Along Member proposes to include in such Transfer pursuant to this Section 7.8. To the extent Tag-Along Transferors cannot obtain such a commitment from such proposed Transferee for each of the Tag-Along Members, the Tag-Along Transferors and Tag-Along Members shall reduce the number of Units being sold by the Tag-Along Transferors and Tag-Along Members such that each Tag-Along Transferor and each Tag-Along Member sells a number of Units as is determined by multiplying (i) a fraction, the numerator of which is equal to the number of Units that such Tag-Along Transferor or such Tag-Along Member, as the case may be, would have sold if Tag-Along Transferors had obtained such commitments from such proposed Transferee, and the denominator of which is equal to the total number of Units that would have been sold by all of such Tag-Along Transferors and all of such Tag-Along Members if Tag-Along Transferors had obtained such commitments from such proposed Transferee, multiplied by (ii) the total number of Units that such proposed Transferee is in fact acquiring from all Tag-Along Transferors and all Tag-Along Members. Anything in this Section to the contrary notwithstanding, each reduction shall be determined based on the amount to be distributed to each of the Tag-Along Transferors and each of the Tag-Along Members as if the proceeds were to constitute Capital Event Proceeds (with any non-cash consideration valued at its fair market value) and were to be distributed pursuant to Section 5.5 at the time of such Transfer.

(d) The closing of the Transfer of the Units with respect to which rights have been exercised by a Tag-Along Member pursuant to this Section 7.8 is subject to, and will take place concurrently with, the closing of the Transfer of the Units by Tag-Along Transferors to the proposed Transferee. At such closing, each Tag-Along Member electing to Transfer Units shall deliver to the proposed Transferee, free and clear of all liens, the Units to be sold and shall receive in exchange therefor, the consideration to be paid by the proposed Transferee (but giving effect to the distribution priorities set forth in Section 5.5 as if such sale were a Capital Transaction) in respect of such Units as described in the Tag-Along Notice.

(e) If any Tag-Along Transfer is not closed within six (6) months from the date of the Transfer Notice, with the same proposed transferee and at the same or better Purchase Price and Transfer Terms than those set forth in the Transfer Notice, then prior to concluding any other proposed transfer of a majority of Units to any one or more Persons in a single transaction or series of related transactions, the Tag-Along Transferors shall be required to give all Members a

new notice of their desire to transfer in accordance with the foregoing requirements and the foregoing procedures shall again be followed.

7.9 Drag Along Rights.

(a) Following the expiration of the Tag-Along Exercise Period, the Tag-Along Transferors shall have a period of fifteen (15) days to elect by written notice to require the Members that did not exercise their Tag Along Right to participate in the proposed transaction (the "Drag-Along Right") at a price and on terms equivalent to the per Unit Purchase Price and the Transfer Terms, provided that the liability of any Member for any breach of representations or covenants shall be joint but not several for any Member holding less than 20% of all Units outstanding.

(b) No Member participating in a Proposed Sale ("**Drag-Along Seller**") pursuant to the exercise of Drag Along Rights of the Tag-Along Transferors shall be required to make any representations and warranties other than those related to authority, ownership and the ability to convey title to such Units, including, but not limited to, representations and warranties that (i) the Drag-Along Seller holds all right, title and interest in and to the Units such Drag-Along Seller purports to hold, free and clear of all liens and encumbrances, (ii) the obligations of the Drag-Along Seller in connection with the transaction have been duly authorized, if applicable, (iii) the documents to be entered into by the Drag-Along Seller have been duly executed by the Drag-Along Seller and delivered to the acquirer and are enforceable (subject to customary limitations) against the Drag-Along Seller in accordance with their respective terms; and (iv) neither the execution and delivery of documents to be entered into by the Drag-Along Seller in connection with the transaction, nor the performance of the Drag-Along Seller's obligations thereunder, will cause a breach or violation of the terms of any agreement to which the Drag-Along Seller is a party, or any law or judgment, order or decree of any court or governmental agency that applies to the Drag-Along Seller;

(c) A Drag-Along Seller is not required to agree (unless such Drag-Along Seller is an Officer or employee of the Company) to any restrictive covenant in connection with the Proposed Sale (including without limitation any covenant not to compete or covenant not to solicit customers, employees or suppliers of any party to the Proposed Sale);

(d) A Drag-Along Seller is not liable for the breach of any representation, warranty or covenant made by any other Person in connection with the Proposed Sale, other than the Company (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Company as well as breach by any member of any of identical representations, warranties and covenants provided by all Members);

(e) A Drag-Along Seller's liability shall be limited to such Drag-Along Seller's applicable share (determined based on the respective proceeds payable to each Drag-Along Seller in connection with such Proposed Sale) but that in no event exceeds the amount of consideration otherwise payable to such Drag-Along Seller in connection with the Proposed Sale, except with respect to claims related to fraud by such Drag-Along Seller, the liability for which need not be limited as to such Drag-Along Seller;

(f) Upon the consummation of the Proposed Sale (i) each holder of each class or series of the Units must receive the same form of consideration for their Units of such class or series as is received by other holders in respect of their Units of such same class or series of Units, and (ii) unless waived pursuant to the terms of this Agreement and as may be required by law, the aggregate consideration receivable by all holders of the Units shall be allocated among the holders of the Classes giving effect to the distribution priorities set forth in Section 5.5 as if

such sale were a Capital Transaction).

(g) If any Proposed Sale is not closed within six (6) months from the date of the Transfer Notice, with the same proposed transferee and at the same or better Purchase Price and Transfer Terms than those set forth in the Transfer Notice, then prior to concluding any other proposed transfer of a majority of Units to any one or more Persons in a single transaction or series of related transactions, the Tag-Along Transferors shall be required to give all Members a new notice of their desire to transfer in accordance with the foregoing requirements and the foregoing procedures shall again be followed.

7.10. Securities Issues. If the consideration to be paid in exchange for the Units pursuant to this Section 7 includes any securities and due receipt thereof by any Member would require under applicable law (x) the registration or qualification of such securities or of any person as a broker or dealer or agent with respect to such securities; or (y) the provision to any Member of any information other than such information as a prudent issuer would generally furnish in an offering made solely to “accredited investors” as defined in Regulation D promulgated under the Securities Act of 1933, as amended, the Company may cause to be paid to any such Member in lieu thereof, against surrender of the Units which would have otherwise been sold by such Member, an amount in cash equal to the fair value (as determined in good faith by the Board) of the securities which such Member would otherwise receive as of the date of the issuance of such securities in exchange for the Units; provided that if there is insufficient cash available for such Members, the Company shall make such other arrangements as are reasonably necessary to make such payments within one year of the Closing.

11.5 Amendments of the Agreement. However, the Managers may amend this Agreement without the approval of the Members to (i) reflect changes validly made in the ownership of Units or Economic Interests and the Capital Contributions of the Member, (ii) reflect a change in the name of the Company, (iii) make any change that is necessary to cure any ambiguity, to correct or supplement any provision of this

11.6 Successors, Counterparts. This Agreement (i) shall be a legal, valid and binding agreement of the Company and the Members enforceable against the Company and each Member in accordance with its terms and (ii) may be executed in several counterparts with the same effect as if the parties executing the several counterparts had all executed one counterpart.

In that case, this Agreement shall be construed so as to limit any term or provision so as to make it enforceable or valid within the requirements of any applicable law, and, in the event such term or provisions cannot be so limited, this Agreement shall be construed to omit such invalid or unenforceable terms or provisions. If it shall be determined by a court of competent jurisdiction that any provision relating to the distributions and allocations of the Company or to any expenses payable by the Company is invalid or unenforceable, this Agreement shall be construed or interpreted so as (i) to make it enforceable or valid and (ii) to make the distributions and allocations as closely equivalent to those set forth in this Agreement as is permissible under applicable law.

11.10 Integration. This Agreement constitutes the entire agreement among the parties pertaining to the subject matter hereof, and supersedes all prior agreements and understanding pertaining thereto. No covenant shall affect or be deemed to interpret, change or restrict the express provisions hereof.

11.15 Waivers. The failure of any party to seek redress for violation of or to insist upon strict performance of any covenant or condition of this Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

11.16 Rights and Remedies Cumulative. The rights and remedies provided by this Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive the right to use any or all other remedies. Said rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

11.17 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.

2020 Strategic Business Plan

Cultivate Holdings, LLC (the “**Company**”) currently operates nine marijuana establishment licenses across the Commonwealth of Massachusetts. The Company has been operating as an ME since November of 2018, and as a MTC since December of 2017. The Company was established to deliver world class cannabis to its end users and it is striving to meet that goal each and every day. The Company’s facility in Leicester is currently at full cultivation and production capacity. The Company’s cultivation and production licenses in Uxbridge commenced operations in October 2020 and are also operating at full capacity. Co-located retail and medical dispensaries in Framingham and Leicester are also operating as of December 2020. The Company will continue to provide high quality products for its customers in addition to producing and developing a range of cannabis, extracts, and infused products.

The single most important component of the Company’s business model is consistent, high quality processing practices across the entire extraction and production processes, maintaining the source of the natural compounds needed to produce impeccable cannabis products. Healthy and vibrant plants yield higher quality products and medicine. The more efficient the Company is in producing high-yielding cannabis products, the more affordable products will be for its patients and customers.

This ethos of success starts with the company’s owners and managers, who have been serving the cannabis community for years, from multiple sectors within the legal cannabis markets. The Company brings an unwavering commitment to best practices and agricultural science throughout the entire production cycle as a result of its ownerships combined experiences across the cannabis industry. Their collective experiences will be the soil which allows the company to grow into a healthy and fruitful venture.

The Company applies this commitment towards consistency and quality not only to the medicine and products it produces, but towards the cannabis community at large. It is a core belief of the Company that all those that participate in the cannabis community share a responsibility to the greater society and environment. As such, the Company strives to contribute to the advancement of the industry’s knowledge base of utilizing sustainable processing practices by making available data by the Company’s operations in compliance with state regulations.

The Company defines its commitment to producing consistent and high-quality products and medicine below by detailing crucial components of the business model including compliance, marketing, and philanthropic ventures. The methodologies defined below have been developed and refined by the results of previous success in business across a spectrum of industries, not just cannabis. The Company lets its values and evidence lead its decision-making and, if given the

opportunity, will demonstrate that its team possesses all the necessary tools to create a positive impact in the customer(s) and patient(s) lives it hopes to serve. We will make the Commonwealth of Massachusetts and our local community proud.

Business Model

Management

Board of Managers - The Board oversees the CEO and maintains intimate knowledge of the business and how it relates to the market at large. Pre-licensing, the Board helped in building the procedural plans and approving business decisions. Post-licensing the Board will guide the CEO, judge the efficacy of the executive management team, and provide mid and long-term directives for the Company.

Chief Executive Officer - The CEO oversees the management team. The CEO is responsible for instituting due diligence processes for the all officers and managers. The CEO will utilize information from all members of the business to make effective business decisions. The CEO will institute recommendations of the Board to the management team.

Community Relations Officer - This individual works directly for the executive management team and is tasked with effectively communicating their message to the community, government officials, and regulatory agencies. Responsibilities include maintaining the Company's good standing in the community and designing philanthropic efforts.

Chief Financial Officer - The CFO reports to the CEO and approved financial documents to the Board and regulatory authorities. His/her focus is on projecting costs, developing financial models, and ensuring ample capital has been set aside in order to cover expenses. Additionally, he/she will focus on financial compliance and taxes.

Chief Operating Officer - The COO will directly oversee all managers onsite. Pre-licensing the COO will interview staff, build processes, and design facility workflow. Post-licensing the COO is responsible for instituting the policies and procedures of the business.

Chief Compliance Officer - The CCO oversees the security staff on site. The CCO is responsible for ensuring that the Company remains safe and compliant at all times.

Staff

Production Manager(s) - The Production Manager oversees the production team in the product kitchen. They maintain schedules, budgets, and manage production runs. They communicate with the extraction and inventory managers to maintain tight controls over production schedules.

Extraction Manager(s) - The Extraction Manager is in charge of the extraction lab and its staff. They must manage relationships with external cultivators to source the highest quality inputs for use. They strategize with the production manager to maintain appropriate inventory in order to provide a consistent flow of products to meet demand.

Inventory Manager(s) - The Inventory Manager has a narrow scope of focus: inventory control. They have a small team whose success is judged on how efficiently the operations run in between production procedures. Compliance and 100% tracking are top priorities for this individual.

Transportation Manager(s) - They oversee all transportation into, and out of, the facility. They maintain clear reporting and documentation standards and create schedules for transportation agents. Their ability to communicate and coordinate with external dispensary managers, security personnel, and internal managers is paramount to their success.

Sales Manager(s) - Their job is to focus on the needs of Massachusetts dispensaries and their patients and customers. They will maintain sales estimates which will impact production levels. They will hear from patients and those serving them about what is missing in the market and relay that information back to the company. Current market information is critical to superior success and longevity.

Quality Assurance Manager - The Quality Assurance Manager is independent of any individual portion of the facility and acts as an internal auditor. They work in close communication with the Chief Compliance Officer with two-way communication on potential changes and results of current procedural audits.

Compliance in Business

This operations and management team features several experts who have a wide range of experience operating in highly regulated industries. These experts will work together to ensure the Company retains its good standing and that its day-to-day operations are consistently compliant with all regulations.

In order to have a successful business in the cannabis industry, safety and compliance with Massachusetts Code of Regulations must be the number one priority. The Company will remain in compliance at all times and, whenever there is a question of whether an action is compliant, it is the duty of the CEO to confirm with relevant regulatory and law enforcement agencies.

The Facility

The Company has secured the long-term lease for 250 Worcester Road, Framingham 01702, MA 01610, which serves as an ideal location for a marijuana establishment. The Company is in compliance with local ordinances, rules, and regulations. The exterior is structurally sound and already connected to utilities.

Timeline to Implementation

The Company is currently operating an adult use and medical marijuana facility in Leicester, MA. Our current status as an operational ME and MTC means all required SOP's and training have been in place at current facilities. The Company will train new staff at its currently operating facility before opening up new ones to make the new operations run as smooth as possible.

Financial Plan

Financial Projections - The Company is currently profitable. With current projected market prices and production capability third year operating cash flows are projected at \$24 million.

Market Projections - The Company's finance team primarily used an accepted study with adjustments, based on its conservative stance, to determine baseline market assumptions. The projections do not assume any legislative or regulatory agency changes.

Revenue Source - The Company's consumption assumptions are in line with state analysts. The Company utilizes a 3.6 ounces per annum consumption rate covering all forms of cannabis including flowers, tinctures, topicals, etc. At \$21 per gram (retail) and when fully operational that would be \$15 million in gross sales over 12 months. A great many variables affect this prediction but the Company feels this is sound and realistic.

Pricing - The Company has established its pricing assumptions based on existing market data and predictions based on other more mature markets.

Quality Assurance

The Company has developed a quality assurance plan that fully addresses the safety of patients, the surrounding community, and employees. The Company's standard operating procedures (SOPs) have been established to ensure compliance with requirements of the Commission's regulations. These SOPs specifically address Quality Control Measures, Laboratory Testing, Waste Disposal, Adverse Events/Recall, Labelling & Packaging, Inventory Control, Production Control, and everything associated with the processing workflow. The plan relies on an approach that utilizes the fullest extent of the expertise of the team.

Marketing Plan

Cannabis

The Company is first and foremost a cannabis company and that is the very reason it operates as it does. From sowing the seed to selling the flower, the Company's team immerse themselves and engages in all aspects of growing, extracting, producing and selling cannabis. Each team member shares a common trait – a passion for cannabis. The Company strives to deliver the best quality of adult use and medicinal cannabis.

Community

The community shapes every aspect of how the Company operates. The Company seeks to inspire, guide, and motivate people to engage with one another and create lasting relationships. The Company takes pride in understanding its end users and working to exceed their expectations. The Company strives to make its host community and the surrounding area's better through passion, dedication and a commitment to the betterment of the places in which it operates.

Culture

The Company values the unique qualities its customers, patients and team members bring to the Company and these qualities make up the culture of the Company. Embracing these qualities allows for a more collaborative environment, both internally and externally. The Company takes pride in its commitment to foster diverse, collaborative environments and the culture they create.

Field Marketing

The aim of the field marketing strategy is long term relationships. Outreach and industry events facilitate face-to-face interaction necessary to foster relationships. This will allow our team to make connections with stakeholders of this industry.

The Company has researched doctor and patient group conferences and symposiums where it's team, often accompanied by an affiliated researcher, will guest speak on the subject of cannabinoids and regulations pertaining to the appropriate regulatory agency. Many industry meetings and collaborative events that the Company can assist with will be attended by a representative.

Promotion Through Community Involvement

The Company will maintain a philanthropic public image in part by bridging socio-economic gaps between community service organizations, local merchants' associations, corporate sponsors and investors. The Company will host educational seminars for customers, patients, and the community as part of efforts to establish a positive social image and redefine negative stigmas associated with the sale and use of cannabis products. The Company will establish itself as a member of local merchants' associations as part of an effort to demonstrate the company is a dedicated community member concerned with the overall well-being and small business economy of the local area.

Philanthropic Giving Program

The Company has and plans to continue to give back to the community in many forms. Please see the Company's Plan for Positive Impact for more detail on its philanthropic efforts.

Economic Development

Economic development and job-creation have been a hallmark of legal cannabis sales in the states in which it has occurred thus far and the industry is often referred to as "America's Fastest Growing Job Sector". The economic impact from job creation and the tax revenue derived from the industries sales across the Commonwealth of Massachusetts has already shown to be significant and will continue to do so as the industry grows. The Company hopes to be a large contributor to this positive economic boom.

Job Creation

The opportunity afforded to the Company due to its proposed location is perfectly aligned with existing job creation and economic development goals. Long-term and high-paying jobs will do a great deal to benefit the community at large. This facility has budgeted for 25-50 employees for its initial hiring phase. Entry-level wages will range from \$12-\$15 per hour. Processing staff hourly wages will range from \$14-\$22 per hour while management salaries will range from \$40,000 - \$80,000. Employment includes benefits such as health insurance. Please see the Company's diversity plan for additional job creation goals and metrics.

Career development is an associated benefit from working for the Company. Continuous training including cross-training are mandatory of individuals working for the Company. This process prepares employees for careers in a burgeoning industry with massive upside potential. The long-term economic benefits of new careers versus short-term or part-time employment cannot be overstated. The Company is committed to the local community and, given the opportunity, will grow alongside it.

Conclusion

This cannabis operation will grow and succeed in a beautifully built out marijuana establishment. Combined with the Company's community commitments, this project will continue to have a positive impact on the community with which it resides. The Company's ownership team has made careers out of bold and adaptive moves and they believe in the transformative power of cannabis.

- b. Performance reviews and planning sessions are designed for the supervisor and the employee to discuss his/her current job tasks, encourage and recognize attributes, and discuss positive, purposeful approaches for meeting work-related goals. Together, employee and supervisor should discuss ways in which the employee can accomplish goals or learn new skills. The planning sessions are designed for the employee and his or her supervisor to make and agree on new goals, skills, and areas for improvement.
- c. Cultivate Holdings Inc. directly links wage and salary increases with performance. Performance review and planning sessions will have a direct effect on any changes in compensation. For this reason among others, it is important to prepare for these reviews carefully, and participate in them fully. New employees will be reviewed at the end of their probationary period. After the initial review, the employee will be reviewed according to the regular semi-annual schedule.

7. Corrective action

- a. Cultivate Holdings Inc. holds each of its employees to certain rules and Standards of Conduct. When an employee deviates from these rules and standards, Cultivate Holdings Inc. expects the employee's supervisor to take corrective action. Corrective action at Cultivate Holdings Inc. is typically progressive. That is, the action taken in response to a rule infraction or violation of standards typically follows a pattern increasing in seriousness until the infraction or violation is corrected.
- b. The usual sequence of corrective actions includes an oral warning, a written reprimand, probation, and finally termination of employment. In deciding which initial corrective action would be appropriate, a supervisor will consider the seriousness of the infraction, the circumstances surrounding the matter, and the employee's previous record.

The initial employee training, otherwise referred to as "onboarding," would be conducted by experienced

operators from developed markets including Washington, Nevada, and Hawaii. Each would educate new employees on aspects of the cannabis industry in which they hold the most personal experience. Our stakeholders experienced in cultivation would present information about cannabis' growth process and biological characteristics, while those versed in processing would provide detailed instruction about the production of extracted goods and other infused products. More specialized training is administered depending on the unit in which and employee works, particularly in cultivation or production.

The initial training consists of 35 distinct training modules, amounting to 100 total hours of training. A minimum of 2 hours will be spent on each module, excluding time spent on breaks, opening, or closing remarks. Successful completion of each module will be documented using the following information:

The employee observes as the trainer walks through the procedure, form, description, pertinent log, or resource affiliated with a training module. Employees are encouraged to voice questions at any time during presentations for additional clarification. This step merges theory with practice in the minds and behaviors of our employees.

During the second step, the supervisor or unit manager follows the new hire through each of the procedures or knowledge points until they are perfected. Sometimes this is comprised of individuals giving presentations on the same material similar to giving a book report. In other instances a trainee may be navigating the inventory management system as the trainer watches and guides. In this format the supervisor or unit manager pushes questions to the trainee before, during, and after the process is completed to force the individual

Third, a member of the on-site management team follows the new hire down the list of standard operating procedures. Each and every step of this process is documented, culminating with the completion and submission of the onboarding checklist.

Ongoing training will continue monthly. Each employee is required to complete and document 50 hours of training per annum not including the four week onboarding training. This culminates with an annual employment review and discussion on how the employee can improve their practices. Internally, The Company maintains reference guides which accompany managers and agents throughout their training. This knowledge is engrained in the employee and remains an integral part of daily process maintenance throughout their employment.

All waste composed of or containing cannabis at each dispensary, will be stored, secured and prepared for incineration in accordance with applicable state and local laws and regulations. All waste disposed of will be recorded in a Waste Disposal Log, including the date of disposal, the type and quantity disposed of, the manner of disposal, the reason for disposal and the name of the customer who supplied the waste, if applicable.

Incident Records

Any loss or unauthorized alteration of any company records discovered or suspected by any employee must be reported immediately. Upon discovery of a records security breach, the General Manager must review all recordkeeping and security policies to identify deficiencies and necessary corrective measures. The General Manager must engage the service of a third-party data security expert as needed.

Restricting Access to Age 21 or Older

Verification of Identification

Upon entry into the Cultivate Holdings, LLC facility by any individual, a Cultivate agent shall immediately inspect the individual's proof of identification and determine that the individual is 21 years of age or older. If the individual is younger than 21 years old but 18 years of age or older, he or she shall not be admitted unless they produce an active medical registration card issued by the Department of Public Health. If the individual is younger than 18 years old, he or she shall not be admitted unless they produce an active medical registration card and they are accompanied by a personal caregiver with an active medical registration card. In addition to the medical registration card, registered qualifying patients 18 years of age and older and personal caregivers must also produce proof of identification.

Medical patient consultation

When a medical patient presents their medical registration card to the Cultivate agent in the entry vestibule, the agent will direct the patient to the area of the sales floor dedicated to serving medical patients. If it is the patient's first time purchasing medical or marijuana, the agent will direct the patient to the patient consultation area for a private meeting with a Cultivate agent. The private consultation area will be a new area of the dispensary sales floor cordoned off and separated by semi-permanent walls. Patient consultations are also available upon request at any time.

Physical separation of sales areas

The Cultivate dispensary sales floor will be physically divided into two different areas: one serving retail marijuana customers and another which exclusively serves medical patients. As currently configured, the sales floor contains a long, L-shaped sales counter on which eight POS stations evenly spaced. The two POS stations on the sales counter furthest from the entrance to the sales floor will be dedicated to medical patient sales. The medical and retail sales areas will be separated using a stanchion which will be placed perpendicular to the sales counter between the second and third POS stations. Signage will also delineate one sales area from the other. Medical patients, however, are not limited to the medical sales-only area of the dispensary; they may use the retail area of the sales floor if they so choose. GreenBits, the POS software utilized by Cultivate Holdings, LLC, has the capability of conducting medical or retail sales on a sale-by-sale basis, meaning it is very easy to assist medical patients in the retail sales area and will not disrupt operations in any way.

Reserved medical marijuana inventory

To comply with 935 CMR 500.140(10), Cultivate Holdings, LLC will ensure that 35% of all marijuana and marijuana product inventory will be reserved for medical patients. Each quarter, Cultivate Holdings, LLC will conduct a review of all medical and retail sales figures from the previous six months to ensure that the products reserved for medical sales reflect the trends in demand exhibited by both medical and retail patient populations. These reviews will be made available to the Commission in a format determined by the Commission. Weekly audits will also be conducted by inventory staff to ensure that appropriate levels of medical inventory are being

reserved. These audits will be carried out in conjunction with other weekly inventory count procedures as not to duplicate efforts.

Digital separation at the point-of-sale

Cultivate Holdings, LLC utilizes GreenBits for its POS software. Prior to beginning a transaction, a sales agent is prompted by GreenBits to indicate whether the transaction will be for medical or retail sales. Medical patients will be prompted to present their medical cards upon entry to the Cultivate facility in the entry vestibule and directed to the medical area of the sales floor. The vast majority of medical sales will take place in the medical sales floor area, but this feature also gives flexibility, if necessary, to conduct medical sales in the retail sales area. As an added measure, patient consultants executing any sales transaction will again ask the patient to see their medical registration card before carrying out the transaction.

Energy Compliance Plan

Cultivate Holdings LLC will implement the following energy use reduction strategies at the Leicester facility to comply with the energy efficiency and conservation regulations codified in 935 CMR 500.105(15).

- A series of several windows allow the sales floor to take advantage of natural lighting during the day, significantly reducing the need for overhead lighting.
- A smart thermostat will be installed to reduce overall electricity consumption by the building's heating and air conditioning systems. Fully automating the heating and cooling systems will result in more efficient energy use.
- High efficiency, motion-activated LED lighting systems will be used in areas of the facility to minimize potential energy use. The electrical subcontractor will calibrate all sensor time delays and sensitivity settings to ensure proper detection of occupants and energy savings.
- All appliances and equipment used at the facility will be Energy Star certified.

Cultivate Holdings LLC will implement the following energy use reduction strategies at the company's Leicester facility to comply with the energy efficiency and conservation regulations codified in 935 CMR 500.105(15) relating to manufacturing and cultivation operations.

- Cultivate Holdings will utilize a greenhouse-based cultivation system at the Leicester facility. Greenhouse-based systems tend to utilize 60-75% less energy per pound of flower produced than traditional indoor cultivation designs, making this the cornerstone of Cultivate Holdings' energy efficiency strategy. According to an analysis of greenhouse cultivation methods in Colorado,⁴ indoor grow operations require between 18 and 24 hours per day of artificial light during the vegetative stage and 12 hours during the flowering stage. Greenhouses only require up to six hours per day of supplemental artificial lighting for the vegetative stage (depending on the geographic location), and may not require any supplemental lighting for the flowering stage. In addition greenhouses are typically designed for much more air circulation than an indoor grow, which allows greenhouses to use evaporative cooling systems, which save up to 75% of the energy needed compared to refrigerant-based cooling and dehumidification.¹
- Cultivate Holdings LLC will use Fluence VYPR LED lamps in its cultivation processes. Light intensity for plant growth is measured in micromoles and is referred to as PAR (Photosynthetically Active Radiation). Seedlings and Cloned Plants require the lowest

levels of light intensity. These plant types will be illuminated by T5 LED Fixtures. Seedlings and Cloned Plants are illuminated to a PAR intensity of 120-150 micromoles $\text{m}^{-2} \text{s}^{-1}$ using this fixture. The height of the fixture from the plant will be adjusted according to the type (seedling or cloned plant) in order to produce different responses from the plant as needed. The use of LED lamps in this style of fixture in place of the more common fluorescent lamp results in a larger amount of micromoles per watt, resulting in a decrease in energy consumption needed to obtain optimum lighting levels. Flowering plants have the highest PAR intensity requirement, thus, yield and quality are highly correlated with PAR intensity during this stage. Approximately 1100 micromoles $\text{m}^{-2} \text{s}^{-1}$ are supplied to flowering bench areas by Fluence VYPR LED lamps. These lamps are currently the most efficient lamps at converting electrical energy to PAR light (1.7 micromoles/watt), rivaled by only a few High Pressure Sodium lighting manufacturers for PAR light. However, using LED's in place of High Pressure Sodium fixtures reduces the output of heat considerably, which in turn reduces overall HVAC costs and minimizes instances of "hot spots" that endanger the health of the cannabis plant. By producing a larger amount of micromoles/watt, fewer watts are needed to illuminate flowering benches to this intensity value. This drastically reduces facility energy demands for plant illumination and mechanical cooling.
