CCC Wellfleet NV, LLC

Plan to Remain Compliant with Local Zoning

CCC Wellfleet NV, LLC (the “**Company**”) has thoroughly reviewed the retail marijuana bylaws for the town of Wellfleet.

The Company has discussed the project at length with Town officials and executed a Community Host Agreement on May 6, 2019.

The Company applied for a Special Permit under 5.2 and 5.3.2 for retail use in a commercial district and Wellfleet Zoning Bylaws 6.3.13 for the approval of development of significant impact. If the Board grants the Company a Special Permit, all permits necessary for the work will be obtained from the appropriate officials and construction will be commenced within one year from the date of filing of the Board’s decision with the Town Clerk, pursuant to the Zoning Board Bylaws.

The Company is in the process of obtaining a special permit. A meeting with the Zoning Board was held on March 12, 2020 at which time the Board requested a continuation to April because they wanted additional documents from the Company. There are no duration limits for a special permit in the Bylaws of the Town of Wellfleet. Once the special permit from the Town is granted it will remain valid as long as the business is in compliance with the special permit requirements.

The Company will engage a professional to monitor its compliance. The Company is working with the appropriate authorities in Wellfleet in order to secure the necessary permits to begin operations at 1446 State Highway.

The Company will ensure compliance with local codes, ordinances and bylaws for the physical address of the retail establishment through a comprehensive compliance program that will include, but not be limited to, instituting policies and procedures that comply with said regulations and continuously soliciting input from all local stakeholders, public safety and law enforcement authorities.

No public or private schools exist within 500 feet of the establishment.

Municipal Cost Documentation

CCC Wellfleet NV, LLC (the “Company”) requested the Town of Wellfleet to provide a record of any impact created by the Company and costs created as a result to the town.

The Town of Wellfleet currently has several gaps in its accounting process and a supporting response was not received by the deadline for submission of this renewal application.

Positive Impact Plan

In an effort to promote and encourage full participation in the regulated cannabis industry by individuals from communities disproportionately harmed by marijuana prohibition and enforcement and to support one of the Commission's priorities of having an ongoing positive impact on communities, the Company has created the following Positive Impact Plan.

The Positive Impact Plan is an effort to respond to evidence which demonstrates that certain populations have been disproportionately impacted by high rates of arrest and incarceration for marijuana and other drug crimes as a result of state and federal drug policy. Criminalization has had long-term ill effects, not only on the individuals arrested and incarcerated, but on their families and communities.

TARGET GROUPS

The following areas have been identified as those that were disproportionately harmed in the past by marijuana prohibition and enforcement as evidenced by their having historically high rates of arrest, conviction and incarceration related to marijuana crimes:

1. Residents of Massachusetts who have past drug convictions.
2. Residents of Massachusetts who have parents who have drug convictions.
3. Residents of Massachusetts who have spouses that have drug convictions.
4. Past or present residents of the geographic "areas of disproportionate impact," which have been defined by the Commission.

GOALS

The goal of this Positive Impact Plan is to reduce barriers to entry into the cannabis industry for people in these target groups. provide mentoring, professional and technical services for individuals from the target groups; promote sustainable, reparative practices in the cannabis industry focused on individuals from these target groups; and, provide business assets (time, organizational skills, funds) towards efforts in the areas of disproportionate impact that will have a positive impact on the members of that community.

PROGRAMS

In an effort to reduce barriers to entry into the cannabis industry by expanding opportunities to recruit persons from the target groups, the following programs will be implemented:

1. Funding expungements for 5 individuals a year that fall into one of the four target groups who have cannabis-related felonies. The Company will work with an attorney to volunteer their time to help these residents with completing the necessary expungement paperwork.

CCC Wellfleet NV, LLC

2. Hiring at least 2 individuals from one of the four target groups. The intended ways to reach those communities for hiring is via local publications, area job fairs and community outreach centers that cater to these groups of individuals in these communities; partner with businesses located in areas of disproportionate impact to recruit candidates for walk-in interviews for potential employment with the Company; and pair new hires with experienced employees so they get the best and most rigorous training in preparation for management opportunities. The Company will attend at least 2 job fairs per year. The Company will advertise job opportunities at least four times per year.
3. Providing professional development and continuing education opportunities for individuals from areas of disproportionate impact who will be employed by the Company. The company will pay for these employees to attend cannabis industry conferences and professional development seminars where they can deepen their knowledge of the industry and sharpen their skills. Employees belonging to targeted groups will attend at least two professional development seminars per year. The Company will pay for at least 5 employees per year to attend professional development seminars.
4. Providing one internship a year with our company to young adults (over 21) from an area of disproportionate impact. Candidates will be recruited from local trade schools, colleges and universities for a year-long paid internship. The purpose of this internship is to teach students about the cannabis industry and to work with them on developing policies and practices to better support and hire persons with cannabis offenses and give them an opportunity to work in the industry. The individuals will be recruited in the Summer with the internship starting in the Fall of each year.

MEASUREMENTS/METRICS

The Company will use the following qualitative and quantitative measurement/metrics in measuring the progress or success of its programs. Upon renewal, we will demonstrate that the identified program(s) in the plan led to measurable success of our goals. Our metrics have an identified data source and method for tracking the data.

The metrics that we will utilize include:

1. Number of individuals the establishment has assisted with funding expungements per year.
2. Number of employees hired, retained or promoted that come from disproportionate impacted areas.
3. Number and subject matter of training offered and performed and to whom.
4. Number of individuals who were provided an internship with the Company.

1446 State Highway, Wellfleet, Barnstable County, MA

CCC Wellfleet NV, LLC

The Company will be able to demonstrate the success of its programs by:

1. Showing, via personnel records, the actual hiring for employment those who are members of the targeted groups.
2. Showing a record of attendance by members of the targeted groups at seminars, continuing education seminars, and other programs.
3. Producing documentation that criminal records of individuals in the targeted groups have had their records expunged.
4. Showing, via personnel records, the actual hiring for an internship those who are members of the targeted groups.

The Company acknowledges and is aware, and will adhere to, the requirements set forth in 935 CMR 500.105(4), which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.

III. **Members.**

A. Members. The Members of the Company (jointly the "Members") and their Membership Interest in the same at the time of adoption of this Agreement are as follows:

C. Limited Liability of the Members. Except as otherwise provided for in this Agreement or otherwise required by Massachusetts law, no Member shall be personally liable for any acts, debts, liabilities or obligations of the Company beyond their respective Initial Contribution, including liability arising under a judgment, decree or order of a court. D. No Transfer of Membership Interests. The Members shall not transfer their Membership Interests, except for certain tax planning and similar reasons agreed to by the majority of the Members as further described in Section III (F) below.

E. Death, Incompetency or Termination of a Member. Should a Member die, be declared incompetent, or withdraw from the Company by choice, the remaining Members will have the option to buy out that Member's Membership Interest in the Company. Should the Members agree to buy out the Membership Interest of the withdrawing Member, that Interest shall be paid for proportionately by the remaining Members, according to their existing Membership Interest and distributed proportionately among the remaining Members. The Members agree to hire an outside firm to assess the value of the Membership Interest.

The Members will have ninety (90) days to decide if they want to buy the Membership Interest together and disperse it proportionately. If all Members do not agree to buy the Membership Interest, individual Members will then have the right to buy the Membership Interest individually. If more than one Member requests to buy the remaining Membership Interest, the Membership Interest will be paid for and split proportionately among those Members wishing to purchase the Membership Interest. If all Members agree by unanimous vote, the Company by majority vote of the Members may choose to allow a non-Member to buy the Membership Interest thereby replacing the previous Member.

If no individual Member(s) finalize a purchase agreement by sixty (60) days, the withdrawing Member, or their estate, may dispose of their Membership Interest however they see fit, subject to the limitations in Section III (F) below. If a Member is a corporation, trust, partnership, limited liability company or other entity and is dissolved or terminated, the powers of that Member may be exercised by its legal representative or successor.

The name of the Company may be amended upon the written and unanimous vote of all Members if a Member withdraws, dies, is found incompetent or is terminated.

F. Creation or Substitution of New Members. Any Member may assign in whole or in part its Membership Interest only after obtaining a majority vote of the Membership and then granting their fellow Members the right of first refusal, as established in Section III (E) above. Under no circumstances shall any Membership Interests sold or otherwise transferred to any person or companies competing with the Company's business, except as specifically set forth herein, or pledged for any purpose of obtaining financing of any kind, including a Chapter 11 process.

1. *Entire transfer.* If a Member transfers all of its Membership Interest, the transferee shall be admitted to the Company as a substitute Member upon its execution of an instrument signifying its agreement to be bound by the terms and conditions of this Agreement. Such admission shall be deemed effective immediately upon the transfer, and, simultaneously, the transferor Member shall cease to be a Member of the Company and shall have no further rights or obligations under this Agreement.

2. *Partial transfer.* If a Member transfers only a portion of its Membership Interest, the transferee shall be admitted to the Company as an additional Member upon its execution of an instrument signifying its agreement to be bound by the terms and conditions of this Agreement.

3. Whether a substitute Member or an additional Member, absent the written consent of all existing Members of the Company, the transferee shall be a limited Member and possess only the percentage of the monetary rights of the transferor Member that was transferred without any voting power as a Member in the Company.

G. Member Voting.

1. *Voting power.* The Company's Members shall each have voting power equal to their proportionate share of Membership Interest in the Company.

2. *Proxies.* At all meetings of Members, a Member may vote in person or by proxy executed in writing by the Member or by his duly authorized attorney-in-fact. Such proxy shall be delivered to the Secretary of the Company before or at the time of the meeting. No proxy shall be valid after eleven months from the date of its execution, unless otherwise provided in the proxy.

I. Fiduciary Duties of the Members. The Members shall have no fiduciary duties whatsoever, whether to each other or to the Company, unless that Member is a Manager or an Officer of the Company, in which instance they shall owe only the respective fiduciary duties of a Manager or Officer, as applicable. No Member shall bear any liability to the Company or to other present or former Members by reason of being or having been a Member.

F. Waiver of Partition: Nature of Interest. Except as otherwise expressly provided in this Agreement, to the fullest extent permitted by law, each Member hereby irrevocably waives any right or power that such Member might have to cause the Company or any of its assets to be partitioned, to cause the appointment of a receiver for all or any portion of the assets of the Company, to compel any sale of all or any portion of the assets of the Company pursuant to any applicable law or to file a complaint or to institute any proceeding at law or in equity to cause the dissolution, liquidation, winding up or termination of the Company. No Member shall have any interest in any specific assets of the Company.

IV. Accounting and Distributions.

- A. Fiscal Year. The Company's fiscal year shall end on the last day of December.
- B. Records. All financial records including tax returns and financial statements will be held at the Company's primary business address and will be accessible to all Members.
- C. Distributions. Distributions shall be issued, as directed by the Company's Treasurer or Assistant Treasurer, on a quarterly basis, based upon the Company's fiscal year. The distribution shall not exceed the remaining net cash of the Company after making appropriate provisions for the Company's ongoing and anticipatable liabilities and expenses plus a twenty percent (20%) reserve on each aggregate distribution amount that will be paid out entirely during the first week of the following April. Each Member shall receive a percentage of the overall distribution that matches that Member's proportionate percentage of Membership Interest in the Company.

V. Tax Treatment Election.

The Company has not filed with the Internal Revenue Service for treatment as a corporation. Instead, the Company will be taxed as a pass-through organization. The Members may elect for the Company to be treated as a C-Corporation, S-corporation or a Partnership at any time.

VI. Board of Managers.

A. Creation of a Board of Managers. The Members by majority vote of the Members may create a board of Managers (the "Board") consisting of Managers appointed at the sole discretion of the Members and headed by the Chairman of the Board. If and until a Board is created, the Managers named in this Section VI below, or any other individual or entity appointed by the unanimously or by the Majority Member(s) shall have complete and sole control over the Company. The Members may serve as Managers and may appoint a Member to serve as the Chairman. The Members may determine at any time in their sole and absolute discretion the number of Managers to constitute the Board, subject in all cases to any requirements imposed by Massachusetts law. The authorized number of Managers may be increased or decreased by the Members at any time in their sole and absolute discretion, subject to Massachusetts law. Each Manager elected, designated or appointed shall hold office until a successor Manager is elected and qualified or until such Manager's earlier death, resignation or removal. If no Board is elected, a sole Manager or multiple Managers shall manage the affairs of the Company. Any material decisions shall be consulted with the Majority Member. The Majority Member or seventy percent (70%) of the membership shall in its sole discretion be able to hire and fire the Manager(s) of the Company and set compensation of Managers. The initial Managers are Simon Baker, Larysa Kavaleva and Allan Kronfeld.

B. Powers and Operation of the Board of Managers. The Board, if one is elected by the Majority Ownership, shall have the power to do any and all acts necessary, convenient or incidental to or for the furtherance of the Company's purposes described herein, including all powers, statutory or otherwise.

1. Meetings. The Board may hold meetings, both regular and special, within or outside the state of Massachusetts. Regular meetings of the Board may be held without notice at such time and at such place as shall from time to time be determined by the Board. Special meetings of the Board may be called by the Chairman on not less than one day's notice to each Manager by telephone, electronic mail, facsimile, mail or any other means of communication.

a. At all meetings of the Board, a majority of the Managers shall constitute a quorum for the transaction of business and, except as otherwise provided in any other provision of this Agreement, the act of a majority of the Managers present at any meeting at which there is a quorum shall be the act of the Board. If a quorum shall not be present at any meeting of the Board, the Managers present at such meeting may adjourn the meeting until a quorum shall be present. Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if all Managers consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board.

b. Managers may participate in meetings of the Board by means of telephone conference or similar communications equipment that allows all persons participating in the meeting to hear each other, and such participation in a meeting shall constitute presence in person at the meeting. If all the participants are participating by telephone conference or similar communications equipment, the meeting shall be deemed to be held at the primary business address of the Company.

C. Managers as Agents. To the extent of their powers set forth in this Agreement, the Managers are agents of the Company for the purpose of the Company's business, and the actions of the Managers taken in accordance with such powers set forth in this Agreement shall bind the Company. Except as provided in this Agreement, no Manager may bind the Company.

D. No Power to Dissolve the Company. Notwithstanding any other provision of this Agreement to the contrary or any provision of law that otherwise so empowers the Board, none of the Board or a Manager shall be authorized or empowered, nor shall they permit the Company, without the affirmative vote of the Majority Member, to institute proceedings to have the Company be adjudicated bankrupt or insolvent, or consent to the institution of bankruptcy or insolvency proceedings against the Company or file a petition seeking, or consent to, reorganization or relief with respect to the Company under any applicable federal or state law relating to bankruptcy, or consent to the appointment of a receiver, liquidator, assignee, trustee (or other similar official) of the Company or a substantial part of its property, or make any assignment for the benefit of creditors of the Company, or admit in writing the Company's inability to pay its debts generally as they become due, or, to the fullest extent permitted by law, take action in furtherance of any such action.

E. Duties of the Board. The Board, the Managers and the Members shall cause the Company to do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights (charter and statutory) and franchises. The Board or a Manager also shall cause the Company to:

1. Maintain its own books, records, accounts, financial statements, stationery, invoices, checks and other limited liability company documents and bank accounts separate from any other person;
2. At all times hold itself out as being a legal entity separate from the Members and any other person and conduct its business in its own name;
3. File its own tax returns, if any, as may be required under applicable law, and pay any taxes required to be paid under applicable law;
4. Not commingle its assets with assets of the Members or any other person, and separately identify, maintain and segregate all Company assets;
5. Pay its own liabilities only out of its own funds, except with respect to organizational expenses;
6. Maintain an arm's length relationship with the Members, and, with respect to all business transactions entered into by the Company with the Members, require that the terms and conditions of such transactions (including the terms relating to the amounts paid thereunder) are the same as would be generally available in comparable business transactions if such transactions were with a person that was not a Member;
7. Pay the salaries of its own employees, if any, out of its own funds and maintain a sufficient number of employees in light of its contemplated business operations;
8. Not guarantee or become obligated for the debts of any other person or hold out its credit as being available to satisfy the obligations of others;
9. Allocate fairly and reasonably any overhead for shared office space;
10. Not pledge its assets for the benefit of any other person or make any loans or advances to any person;
11. Correct any known misunderstanding regarding its separate identity;

15. Not require any obligations or securities of the Members; and
16. Observe all other limited liability formalities.

SB L.K.⁷ A.K.

F. Prohibited Actions of the Board. Notwithstanding any other provision of this Agreement to the contrary or any provision of law that otherwise so empowers the Board, none of the Board on behalf of the Company, shall, without the unanimous approval of the Board and Venoma Group, LLC, do any of the following:

1. Guarantee any obligation of any person;

The Secretary shall cause to be prepared such reports and/or information as the Company is required to prepare by applicable law, other than financial reports. The Assistant Secretary, or if there be more than one, the Assistant Secretaries in the order determined by the Members (or if there be no such determination, then in order of their election), shall, in the absence of the Secretary or in the event of the Secretary's inability to act, perform the duties and exercise the powers of the Secretary and shall perform such other duties and have such other powers as the Board may from time to time prescribe.

Each of said annual statements shall be prepared on an income tax basis and delivered to the Board forthwith upon its preparation. In addition, the Treasurer shall keep all financial records required to be kept pursuant to Massachusetts law. The Assistant Treasurer, or if there shall be more than one, the Assistant Treasurers in the order determined by the Board (or if there be no such determination, then in the order of their

election), shall, in the absence of the Treasurer or in the event of the Treasurer's inability to act, perform the duties and exercise the powers of the Treasurer and shall perform such other duties and have such other powers as the Board may from time to time prescribe, act, perform the duties and exercise the powers of the Treasurer and shall perform such other duties and have such other powers as the Board may from time to time prescribe.

VIII. Fiduciary Duties of the Board and Officers.

A. Loyalty and Care. Except to the extent otherwise provided herein, each Manager and Officer shall have a fiduciary duty of loyalty and care similar to that of managers of business corporations organized under the laws of Massachusetts.

C. Duties Only to the Company. The Managers' and Officers' fiduciary duties of loyalty and care are to the Company and not to the other Managers or other Officers. The Managers and Officers shall owe fiduciary duties of disclosure, good faith and fair dealing to the Company and to the other Managers but shall owe no such duties to Officers unless the Officer is a Manager. A Manager or Officer who so performs their duties shall not have any liability by reason of being or having been a Manager or an Officer.

D. Reliance on Reports. In discharging the Manager's or Officer's duties, a Manager or Officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by any of the following:

1. One or more Members, Managers, or employees of the Company whom the Manager reasonably believes to be reliable and competent in the matters presented.
2. Legal counsel, public accountants, or other persons as to matters the Manager reasonably believes are within the persons' professional or expert competence.

Each Member waives any right that it may have to agree in writing to dissolve the Company upon the Bankruptcy of any Member or the occurrence of any event that causes any Member to cease to be a Member of the Company.

B. Winding Up. Upon the occurrence of any event specified in Section II(C), the Company shall continue solely for the purpose of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors. One or more Members, selected by the remaining Members, shall be responsible for overseeing the winding up and liquidation of the Company, shall take full account of the liabilities of the Company and its assets, shall either cause its assets to be distributed as provided under this Agreement or sold, and if sold as promptly as is consistent with obtaining the fair market value thereof, shall cause the proceeds therefrom, to the extent sufficient therefor, to be applied and distributed as provided under this Agreement.

C. Distributions in Kind. Any non-cash asset distributed to one or more Members in liquidation of the Company shall first be valued at its fair market value (net of any liability secured by such asset that such Member assumes or takes subject to) to determine the profits or losses that would have resulted if such asset were sold for such value, such profit or loss shall then be allocated as provided under this Agreement. The fair market value of such asset shall be determined by the Members or, if any Member objects, by an independent appraiser (any such appraiser must be recognized as an expert in valuing the type of asset involved) approved by the Members.

D. Termination. G. Notice to Massachusetts Authorities. Upon the winding up of the Company, the Member with the highest percentage of Membership Interest in the Company shall be responsible for the filing of all appropriate notices of dissolution with Massachusetts and any other appropriate state or federal authorities or agencies as may be required by law. In the event that two or more Members have equally high percentages of Membership Interest in the Company, the Member with the longest continuous tenure as a Member of the Company shall be responsible for the filing of such notices.

B. To the fullest extent permitted by applicable law, a Covered Person shall be entitled to indemnification from the Company for any loss, damage or claim incurred by such Covered Person by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on such Covered Person by this Agreement. XIII. Drag-Along Rights.

A. For so long as the Members holding, in the aggregate, greater than fifty percent (50%) of the outstanding Membership Interests and one or more Sponsors agree to enter into a transaction which would result in the Transfer of greater than 25% of the Membership Interests to a non-Affiliate third party (a "Drag-Along Buyer"), such Sponsor(s) (the "Selling Members") may compel each other Member (together, the "Drag-Along Members") to sell its pro rata portion Membership Interests by delivering written notice (a "Drag-Along Notice") to the Drag-Along Members stating that such Selling Members wish to exercise their rights under this Section XIII with respect to such Transfer, and setting forth the name and address of the Drag-Along Buyer, the number and class(es) of Membership Interests proposed to be Transferred, the proposed amount and form of the consideration, and all other material terms and conditions offered by the Drag-Along Buyer.

B. Upon delivery of a Drag-Along Notice, each Drag-Along Member shall be required to Transfer its pro rata portion, on the same terms and conditions (including, without limitation, as to price, time of payment and form of consideration) as agreed by the Selling Members and the Drag-Along Buyer, and shall make to the Drag-Along Buyer representations, warranties, covenants, indemnities and agreements comparable to those made by the Selling Members in connection with the Transfer (other than any non-competition, non-solicitation or similar agreements or covenants that would bind the Drag-Along Member, its Affiliates or any of their respective portfolio companies), and shall agree to the same conditions to the Transfer as the Selling Members agree, it being understood that all such representations, warranties, covenants, indemnities and agreements shall be made by each Selling Member and each Drag-Along Member severally and not jointly and that, the aggregate amount of the liability of the Drag-Along Member shall not exceed, except with respect to individual representations, warranties, covenants, indemnities and other agreements of the Drag-Along Member as to the unencumbered

title to its Membership Interests and the power, authority and legal right to Transfer such Membership Interests, such Drag-Along Member's pro rata portion of any such liability, to be determined in accordance with such Drag-Along Member's portion of the total number of Membership Interests included in such Transfer; provided that, in any event the amount of liability of any Drag-Along Member shall not exceed the proceeds such Drag-Along Member received in connection with such Transfer.

C. In the event that any such Transfer is structured as a merger, consolidation, or similar business combination, each Drag-Along Member agrees to (i) vote in favor of the transaction, (ii) take such other action as may be required to effect such transaction and (iii) take all action to waive any dissenters, appraisal or other similar rights with respect thereto.

D. If any Drag-Along Member fails to deliver to the Drag-Along Buyer the certificate or certificates evidencing Membership Interests to be sold pursuant to this Section XIII, the Selling Members may, at their option, in addition to all other remedies they may have, deposit the purchase price (including any promissory note constituting all or any portion thereof) for such Membership Interests with any national bank or trust company having combined capital, surplus and undivided profits in excess of \$20 million (the "Escrow Agent"), and the Company shall cancel on its books the certificate or certificates representing such Membership Interests and thereupon all of such Drag-Along Member's rights in and to such Membership Interests shall terminate. Thereafter, upon delivery to the Company by such Drag-Along Member of the certificate or certificates evidencing such Membership Interests (duly endorsed, or with stock powers duly endorsed, for transfer, with signature guaranteed, free and clear of any liens or encumbrances, and with any stock transfer tax stamps affixed), the Selling Members shall instruct the Escrow Agent to deliver the purchase price (without any interest from the date of the closing to the date of such delivery, any such interest to accrue to the Company) to such Drag-Along Member.

XIV. Independent Counsel.

All Members entering into this Agreement have been advised of their right to seek the advice of independent legal counsel before signing this Agreement. All Members and each of them have entered into this Agreement freely and voluntarily and without any coercion or duress.

XV. General Provisions.

A. Notices. All notices, offers or other communications required or permitted to be given pursuant to this Agreement shall be in writing and may be personally served or sent by United States mail and shall be deemed to have been given when delivered in person or three (3) business days after deposit in United States mail, registered or certified, postage prepaid, and properly addressed, by or to the appropriate party.

E. Headings. The Article and Section headings in this Agreement are for convenience and they form no part of this Agreement and shall not affect its interpretation.

F. Controlling Law. This Agreement shall be governed by and construed in all respects in accordance with the laws of the state of Massachusetts (without regard to conflicts of law principles thereof).

2. Market Overview

2.1.Global Cannabis Market

Worldwide cannabis sales reached \$15 billion in 2019. The 48% growth was mostly driven by sales in Canada and seven U.S. states, where sales more than doubled.³ The global market is expected to grow further and eventually reach \$57 billion by 2027.⁴

Tom Adams, editor-in-chief of Arcview Market Research and managing director for BDS Analytics, writes that: "...the expansion of medical cannabis markets can be expected to lead to broader acceptance, setting the stage for eventual move to adult-use-legalization" and that this model "will drive the world market, excluding the United States and Canada, to grow at 35% annually to \$10.5 billion by 2027, as a key part of the \$57 billion overall market."

The largest group of cannabis buyers will be in North America, going from \$9.2 billion in 2017 to \$47.3 billion a decade later. The largest growth spread, however, is predicted within the rest-of-world markets, from \$52 million spent in 2017 to a projected \$2.5 billion in 2027.

2.2.North America Cannabis Market

More than half the states of America have legalized it in some form. Most states sell it only for medical purposes, often broadly defined. But eleven states – Alaska, California, Colorado, Illinois, Maine, Massachusetts, Michigan, Nevada, Oregon, Vermont, Washington and the District of Columbia – have gone further, legalizing the recreational use.⁵

Legal cannabis sales reached \$9.2 billion in North America in 2017, according to a new report from cannabis industry Arcview Market Research, in partnership with BDS Analytics.

As more states legalize cannabis for recreational use and existing markets matures, the cannabis market in North America is projected to be worth \$47.3 billion by 2024.⁶

2.3.U.S. Cannabis Retail Market

At least 60% of the U.S. population now lives in states that have legalized some form of cannabis sales and use, illustrating the rising acceptance of cannabis nationwide and highlighting the industries immense potential for future growth.

As of December 2018, there were 17,350 licenses for cannabis business in the U.S. according to Ed Keating chief data officer for Cannabiz Media, which tracks cannabis licenses.⁷ This includes cultivators, manufacturers, retailers, distributors and test labs.

The industry employed 121,000 people in 2017. If cannabis continues its growth trajectory, the number of workers in that field could reach 292,000 by 2021, according to BDS Analytics.

According to research firm Cowen & Co. the U.S. legal cannabis is expected to reach \$75 billion in sales by 2030.⁸

Chart 3. Cannabis retail industry economic impact.

BDS Analytics estimates that the retail sector owed \$1 billion in state taxes in 2016 and owes another \$1.4 billion for 2017.

In 2017, overall cannabis sales in the United States at the retail level will soar by 31.5%, hitting \$5.7 billion on the back of continued growth in existing recreational cannabis markets. The growing numbers of dispensaries is a large part as to why New Frontier projects the industry to top \$25 billion in revenue by 2025.

The increase in retail sales over the next five years will provide a substantial economic boost for the United States. The total economic output from legal cannabis will grow 150% from \$16 billion in 2017 to \$40 billion by 2021, according to the “US Legal Cannabis: Driving \$40 Billion Economic Output” report released by ArcView Research, in partnership with BDS Analytics.

The level of sophistication and involvement among investors in the marijuana industry varies quite widely, as some belong to cannabis-specific venture capital firms, while others have taken a material interest in a friend or family members' cannabis business. For example, only a handful of investors in a survey indicated they intend to invest over \$25 million in cannabis companies, whereas a large portion of respondents plans to invest less than \$20,000.

But in general, more investors are pumping money into the cannabis industry than ever before, and they are also increasing the size of their capital placements. The average investor/investment firm involved in the cannabis industry has placed \$450,000 in cannabis companies.

3. Market Strategy/Objective

3.1. Marketing Plan

Due to prevailing regulations, the most effective marketing strategy for legal marijuana companies are direct marketing at industry conferences and other events, building communities around marijuana – related concerns such as health and wellness. The marketing and sales strategy of the Company's dispensary/retail store will be based on generating long-term personalized relationship with growers and manufactures.

All Company's policies for the marketing of marijuana products will be in compliance with 935 CMR 500.105(4).

3.2. Target Customers

The Company will limit access and sale of its products only to individuals 21 years of age or older as required under 935 CMR 500.105(14) CCC Regulations.

Aside from cannabis flower, which is our core product, the Company will retail a wide range of cannabis infused products to customers in the Wellfleet. We will also engage in the sale of accessories such as pipes, lighters, apparel, etc.

The Company's retail store will ensure that all our customers receive first class treatment whenever they visit our store. Through our CRM (Customer Relationship Management) software we will maintain a one-on-one relationship with each customer. Also, we will encourage our customers to be meaningfully involved in their own personal health decisions to make the right choices for their unique recreational needs.

Cannabis brand awareness remains very low (80% do not know any brands). Most consumers are interested in edible (20%) and topical products (10%), though heavy users (use daily or almost every day) still prefer smoking (70%)

3.3.Sales Forecast

Assumptions:

At the start of operations, the Company plans to accept customers by appointment only. Later on, the Company will allow walk-in customers and will promote the use of online pre-orders that help customer get to the checkout process much faster, compared to regular appointment and walk-in customers. The Company expects to generate first revenue in the 2nd quarter of 2020.

Justin Blair, CCO

Has had a successful career as a scientist and a medical marijuana industry entrepreneur. His lifelong passion has been the fields of plant biology and medicinal plants. Justin's journey began while working in the family garden with his mother. He spent many summers learning how to grow healthy vegetables and built a deep appreciation for sustainable horticultural practices. In Keen State College, he earned a Bachelor of Science in biology and spent a semester cataloging and researching medicinal plants in Belize at a medical plant research center.

This research was funded by the National Institute of Cancer, National Institute of Health with additional grants from the New York Botanical Gardens. The aim of the research was to find plant-based treatments for cancer and autoimmune deficiency syndrome. Justin's hard work and passion for plant-based medicine paid off by attaining Tri Beta Biology Honors Society membership prior to graduation in 1997. Justin brings this same level of excellence to all his endeavors.

Justin is currently a medical marijuana caregiver for three Rhode Island patients and has scaled down recently to prepare for a much larger licensed cultivation operation. During his tenure as a caregiver, and to supplement his knowledge of best practices, he has tried virtually every marijuana cultivation methodology including soil, coco, soilless mix, ebb and flow, aeroponics and deep water culture. This experience will position Justin to enter the licensed cultivation industry with efficiencies and know how most other cultivators will take years to develop.

As a caregiver, Justin has been a proponent of testing since the first testing operations opened in the State of Rhode Island. As the owner of Good to Grow, he has persuaded numerous patients and caregivers to have their products tested. Further, given Justin's scientific background, he is very well versed in the use of testing equipment, such as high-performance liquid gas chromatography (HPLC) and mass spectroscopy and understands the statistical methods and testing regimens required to ensure accurate testing data.

Justin has utilized several point-of-sale systems comparable to the seed-to-sale systems required by the DBR regulations. Justin maintains inventory for four retail outlets on a daily basis. He has succeeded in running a controlled inventory management system through the point of sale system. Justin has a proven track record of implementing strong organizational protocols, which have facilitated smooth company expansion into multiple locations.

The following is an outline of the Company’s goals for our diversity plan, the programs we will implement to achieve those goals and specific metrics that will be implemented to assess the progress and success of the programs.

The Company will design and implement a clear Diversity and Inclusion Plan along with practical training modules. This will be done in partnership with a recognized minority-owned and/or woman-owned firm that is experienced in diversity and inclusion strategic planning so as to ensure adherence to our Plan.

The Diversity and Inclusion Plan will set the standard of adherence, Company-wide. Upper management will meet quarterly to evaluate the adherence and implement any improvements to the plan. The management team will consider the Company’s current diversity status, inclusion plans, overall recruitment efforts, and pursued and missed diversity opportunities as a measure of the effectiveness of the plan. Each employee will be assessed upon completion of training and each team’s adherence will be reviewed on a quarterly basis and records will be kept by the Company.

The Company is confident that by designing a clear Diversity Plan and training all employees on adherence to the plan, there will be company-wide awareness and observance of the plan. The Diversity Plan will be developed before permit issuance, with employee trainings to begin within 90 days of permit issuance. Quarterly meetings to assess company-wide adherence will begin in the second quarter of operations.
