## Amended Positive Impact Plan

Delivered Inc was founded by a Social Equity Participant. As such, Delivered Inc plans to help and hire people who were disproportionately harmed by previous cannabis laws.

Delivered Inc will train and hire Holyoke residents who were disproportionately harmed in areas that will help them succeed, such as business development, networking, cultivation practices, etc.

### Goals:

- 1.) Our first goal is to reduce the economic and regulatory barriers to enter into the commercial adult use cannabis industry by providing mentoring, professional and technical services, and access and introductions to potential sources of capital to 5 Holyoke residents.
- 2.) Our second goal is to create a Social Impact Fund. Our Social Impact Fund will be annually used to provide at least 2 individuals a scholarship to be used towards a degree from an accredited college or university. Recipients of the Social Impact Fund will be chosen from current and previous residents of Holyoke, Fitchburg or Worcester (Census Tracts 730200, 730500, 731002, 731203, 731204, 731300, 731400, 731500, 731700,731800,732302,732400, 732700,73300), communities disproportionately impacted by the war on drugs, as defined by the MA CCC.

### Programs:

- 1.) Delivered Inc will launch an incubator program specifically focused on people who were disproportionately harmed by cannabis prohibition, as defined by the CCC. Our goal is to host at least 1 cohort of classes per year, with no more than 5 participants. The goals of our program are to provide participants with access and instructions to potential sources of capital; management training, industry-specific training, mentorship, access to a peer support network, and to host at least 4, 4 hour classes/seminars focused on early-stage startups, and to hire at least 1 participant to become a full time member of Delivered Inc. The application process for potential

participants will be advertised for at least 1 month through The Daily Hampshire Gazette, social media posts, and by posting notices at local community centers, like a staffing agency. Depending on the number of applications received, our CEO, or their designee, will personally review all applications and conduct interviews with prospective participants. 5 applicants will be selected to participate. Classes/seminars will be held on weekends at a time and location to be determined.

2.) Delivered Inc will save a minimum of 5% of our gross profits in a separate bank account called the "Social Impact Fund." This fund will be used to award at least 2 scholarships to 2 current or previous residents of Holyoke, Fitchburg or Worcester (Census Tracts 730200, 730500, 731002, 731203, 731204, 731300, 731400, 731500, 731700,731800,732302,732400, 732700,73300), communities disproportionately impacted by the war on drugs, as defined by the MA CCC. The scholarships will be used to help with the costs of higher education. To be eligible, residents must submit an application, which will be created by Delivered Inc, by a date to be determined, and must be currently enrolled, or in the process of enrolling, to an accredited 2 or 4 year college or university. Delivered Inc will post monthly ads in The Daily Hampshire, notify local schools, and promote our application process through our social media for at least 6 months before the application deadline. The amount of scholarships issued will depend on the total money deposited into our Social Impact Fund after our first year of operation.

#### Measurement and accountability:

Delivered Inc will annually review the following criteria in an effort to measure the success of our Positive Impact Plan:

- 1.) A log of all advertising efforts regarding our Positive Impact Plan;
- 2.) Number of applicants for our incubator and scholarship programs;
- 3.) Number of accepted applicants for our incubator and scholarship program;
- 4.) Classes/seminars logs to ensure the goal of 4, 4hr classes in the first year;

- 5.) Half way through the first year, we will evaluate the development of our incubator program. If we notice we are falling behind, preparation will be accelerated to meet our goals;
- 6.) Total funds distributed through scholarships.
- 7.) Hiring data to ensure at least 1 participant of our incubator program is hired by our staff;

Delivered will assess and review its progress in order to evaluate the success of its Impact Plan and to make changes as needed. Delivered will submit a report documenting progress and success of its Impact Plan to the CCC at least 60 days prior to the annual renewal date of Delivered's Provisional License and each yearly renewal period thereafter.

Disclaimer:

Delivered Inc will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment;

Any actions taken, or programs instituted, by Delivered Inc will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

Such call shall state the date, time, place, and purposes of the meeting.

**2.3 Place of Meetings; Remote Participation**

All meetings of the shareholders shall be at the principal office of the corporation or at such other place as the board of directors, the President, or the person or persons calling into the meeting may determine. If authorized by the directors, any meeting of shareholders need not be held at any place but instead may be held solely by remote communication. Shareholders and proxyholders not physically present at a meeting of shareholders may participate in a meeting of shareholders, be deemed present in person, and vote at a meeting of shareholders, by means of remote communication, subject to such guidelines and procedures as the board of directors may adopt. Such guidelines and procedures shall include reasonable measures (1) to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a shareholder or proxyholder, and (2) to provide such shareholders and proxyholders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the shareholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings. If any shareholder or proxyholder votes or takes other action at the meeting by means of remote communication, the corporation shall maintain a record of such vote or other action.

**2.4 Notice of Shareholder Meetings**

A written notice of each meeting of shareholders, stating the place, day, and hour of such meeting and the purposes for which the meeting is called, shall be given by the Secretary, Assistant Secretary, President, or such person designated by the board of directors, at least seven and no more than 60 days before the meeting, to each shareholder entitled to such notice. A shareholder may waive any notice required by the Massachusetts Business Corporation Act, the articles of organization, or the bylaws before or after the

date and time stated in the notice. The waiver shall be in writing, signed by the shareholder entitled to the notice, and delivered to the corporation for inclusion with the records of the meeting. A shareholder's attendance at a meeting waives objection to lack of notice or defective notice of the meeting, unless the shareholder at the beginning of the meeting objects to holding the meeting or transacting business at the meeting. A shareholder's attendance at a meeting waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless the shareholder objects to considering the matter when it is presented.

## 2.5 Action at Meeting

Unless otherwise provided by the Massachusetts Business Corporation Act, the articles of organization, or these bylaws, at any meeting of the shareholders, a majority of the votes entitled to be cast upon a matter by a voting group at the meeting shall constitute a quorum of that voting group for action on that matter, but a lesser interest may adjourn any meeting from time to time, and the meeting may be held as adjourned without further notice. A share once represented for any purpose at a meeting is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless: (1) the shareholder attends solely to object to lack of notice, defective notice, or the conduct of the meeting on other grounds, and does not vote the shares or otherwise consent that they are to be deemed present; or (2) in the case of an adjournment, a new record date is or shall be set for that adjourned meeting. Unless otherwise required by Massachusetts Business Corporation Act, the articles of organization, or these bylaws, if a quorum of a voting group exists, (1) favorable action on a matter, other than the election of directors, is taken by a voting group if the votes cast within the group favoring the action exceed the votes cast opposing the action, and (2) directors shall be elected by a plurality of the votes cast by the shares entitled to vote in the election at the meeting.

## 2.6 Voting and Proxies

Unless otherwise provided in the articles of organization, each share shall have one vote on any matter to be considered at the meeting. Shareholders may vote either in person or by proxy, which shall be filed with the Secretary or Temporary Secretary at the meeting, or any adjournment of the meeting, before being voted. Unless otherwise provided in the appointment form, a proxy is valid for 11 months from the date the shareholder signed the form, or if it is undated, from the date of its receipt by the officer or agent of the corporation. Such proxy shall entitle the holder thereof to vote at any adjournment of such meeting, but shall not be valid after the final adjournment of such meeting.

## 2.7 Action by Consent; Electronic Transmission

a. Any action required or permitted to be taken at a shareholders' meeting may be taken without a meeting if the action is taken either by all shareholders entitled to vote on the action, or to the extent permitted by the articles of organization, by shareholders having not less than the minimum number of votes necessary to take the action at a meeting at which all shareholders entitled to vote on the action are present and voting. The action shall be evidenced by one or more written consents that describe the action taken, are signed by shareholders having the requisite votes, bear the dates of the signatures of such shareholders, and are delivered to the corporation for inclusion with the records of meetings within 60 days of the earliest dated consent delivered to the corporation. Such consents shall be treated as a vote of shareholders for all purposes. If the shareholders take action by written consent, the corporation shall give such notice of the action to shareholders who have not signed such consent as is required by the Massachusetts Business Corporation Act.

b. Any vote, consent, waiver, proxy appointment, or other action by a shareholder or by the proxy or other agent of any shareholder shall be considered given in writing, dated, and signed if it consists of an electronic transmission that sets forth or is delivered with information from which the corporation can determine (1) that the electronic transmission was transmitted by the shareholder, proxy, or agent or by a person authorized to act for the shareholder, proxy, or agent; and (2) the date on which such shareholder, proxy, agent, or authorized person transmitted the electronic transmission. The date on which the electronic transmission is transmitted shall be considered the date on which it was signed. The electronic transmission shall be considered received by the corporation if it has been sent to any address specified by the corporation for that purpose or, if no address has

been specified, to the principal office of the corporation, addressed to the Secretary or other officer or agent having custody of the records of proceedings of shareholders.

## **SECTION 3 Directors**

### **3.1 Number and Election**

The corporation shall have a board of directors consisting of one or more individuals. The board of directors shall be elected by such shareholders as have the right to vote at the annual meeting of the shareholders or at a special meeting held in place thereof. No ballot shall be required for such election unless requested by a shareholder present or represented at the meeting and entitled to vote in the election. Subject to any minimum number of directors required by the Massachusetts Business Corporation Act, the number of directors shall be fixed by vote at the meeting at which they are elected, but the shareholders, at any special meeting held for the purpose, or a majority of the directors then in office, may increase the number of directors as thus fixed and elect new directors to complete the number so fixed, and the shareholders, at any such special meeting, may decrease the number of directors as thus fixed and remove directors to reduce the number of directors to the number so fixed. Subject to the articles of organization and these bylaws, each director shall hold office until the next annual meeting and until his or her successor is elected and qualified.

### **3.2 Resignation, Removal, and Vacancy**

A director may resign at any time by delivering written notice of resignation to the board of directors, its chairman, or the corporation. Except as otherwise provided by the Massachusetts Business Corporation Act, the articles of organization, or these bylaws: (1) the shareholders may remove one or more directors with or without cause, (2) the directors may remove a director for cause by vote of a majority of the directors then in office, and (3) the shareholders or board of directors may fill any vacancy, or if the directors remaining in office constitute fewer than a quorum of the board, they may fill the vacancy by the affirmative vote of a majority of all the directors remaining in office.

### **3.3 Powers of Directors**

Subject to law and the articles of organization, all corporate power shall be exercised by or under the authority of, and the business and affairs of the corporation shall be managed under the direction of, its board of directors.

### **3.4 Regular Meetings**

Regular meetings of the board of directors may be held without call or formal notice at such places and at such times as the board may by vote from time to time determine. A regular meeting of the board of directors may be held without call or formal notice immediately after and at the same place as the annual meeting of the shareholders, or the special meeting of the shareholders held in place of such annual meeting.

### **3.5 Special Meetings**

Special meetings of the board of directors may be held at any time and at any place when called by the President, Treasurer, or two or more directors, or the sole director if there is only one director. Notice of such meeting shall be given to each director by the Secretary or, if there is no Secretary, or in case of the death, absence, incapacity, or refusal of the Secretary, by the officer or directors calling the meeting. Such notice (1) must be given at least two days prior to the date of the special meeting, and (2) need not describe the purpose of the meeting unless otherwise required by the articles of organization or these bylaws.

### **3.6 Waiver of Notice**

A director may waive notice of any directors' meeting before or after the date of the meeting. The waiver shall be in writing, signed by the director entitled to the notice, or in the form of an electronic transmission by the director to the corporation, and filed with the minutes or corporate records. A director's attendance at or participation in a meeting waives any required notice to such director of the meeting unless the director at the beginning of the meeting, or promptly upon his or her arrival, objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

### **3.7 Quorum and Voting**

A majority of the directors then in office shall constitute a quorum for the transaction of business, but a lesser number may adjourn any meeting from time to time, and the meeting may be held as adjourned without further notice. If a quorum is present when a vote is taken, the affirmative vote of a majority of the directors present is the act of the board of directors, unless the vote of a greater number of directors is required by the articles of organization or these bylaws.

### 3.8 Action by Consent

Any action by the board of directors may be taken without a meeting by unanimous consent by the directors and filed with the records of the directors' meetings. The action must be evidenced by one or more consents describing the action taken, in writing, signed by each director, or delivered to the corporation by electronic transmission, to the address specified by the corporation for the purpose or, if no address has been specified, to the principal office of the corporation, addressed to the Secretary or other officer having custody of the records of proceedings of directors. Such consent shall be treated as a vote of the board of directors for all purposes.

### 3.9 Remote Participation

Members of the board of directors or any committee designated by the board of directors may participate in a meeting of the board or such committee, or conduct any such meeting, through the use of any means of communication by which all directors participating may simultaneously hear each other during the meeting and participation by such means shall constitute presence in person at the meeting.

### 3.10 Committees

Except as otherwise provided in the articles of organization, the board of directors may, by vote of a majority of the directors, appoint from its own number a committee or committees, consisting of one or more members who shall serve at the pleasure of the board of directors, and which may exercise such authority of the board of directors as is delegated by the board, except for those powers which, pursuant to the Massachusetts Business Corporation Act, may not be delegated to any such committee. Subject to the Massachusetts Business Corporation Act, the provisions of such Act and these bylaws governing meetings, action without meetings, notice and waiver of notice, and quorum and voting requirements of the board of directors shall apply to committees and their members.

## **SECTION 4 Officers**

### 4.1 Identity, Election, and Appointment of Officers

The officers of the corporation shall consist of a President, Treasurer, and Secretary, who shall be elected by the board of directors, and such other officers as the board of directors may appoint.

### 4.2 Duties and Powers; Qualification and Tenure

Subject to these bylaws, each officer shall have, in addition to the duties and powers specifically set forth in these bylaws, such duties and powers as are customarily incident to his or her office and such duties and powers as the board of directors may from time to time designate. Any officer may, but need not, be a shareholder or director. Any two or more offices may be held by the same person. Any officer may be required by the board of directors to give bond for the faithful performance of his or her duties to the corporation in such amount and with such sureties as the board of directors may determine. Except as otherwise provided by law, the articles of organization, these bylaws, or the directors' resolution electing or appointing such officer, the President, Treasurer, and Secretary shall hold office until the first meeting of the board of directors following the annual meeting of shareholders and thereafter until his or her successor is elected and qualified, and all other officers shall hold office until the respective successor of each is elected and qualified.

### 4.3 President

The President shall be the chief executive officer of the corporation and shall, subject to the direction of the board of directors, have general supervision and control of its business. Unless otherwise provided by the board of directors, the President shall preside, if present, at all meetings of shareholders and of the board of directors.

### 4.4 Treasurer

The Treasurer, subject to the direction and under the supervision of the board of directors, shall have general charge of the financial concerns of the corporation and the care and custody of the funds and valuable papers of the corporation, except his or her own bond. The Treasurer shall keep, or cause to be kept, accurate books of account, which shall be the property of the corporation.

#### 4.5 Secretary

The Secretary shall keep a record of the meetings of shareholders, the board of directors, and any executive and other committees. In the absence of the Secretary from any such meetings, an Assistant Secretary, if one has been elected, otherwise a Temporary Secretary, designated by the person presiding at the meeting, shall perform the duties of the Secretary.

#### 4.6 Removal and Vacancies

The board of directors may remove any officer at any time with or without cause, and may fill any vacancy in any office.

### SECTION 5 Capital Shares

#### 5.1 Share Certificates

Each shareholder shall be entitled to a share certificate in such form as is prescribed by law and approved from time to time by the board of directors. The certificates shall be signed by the President or any Vice President and by the Treasurer or any Assistant Treasurer. Such signatures may be facsimiles. If any officer who has signed or whose facsimile signature has been placed on such certificate no longer holds office when the certificate is issued, the certificate shall nevertheless be valid.

#### 5.2 Transfer of Shares

Subject to restrictions, if any, imposed by the articles of organization, title to a share certificate and to the shares represented thereby shall be transferred only by delivery of the certificate properly endorsed, or by delivery of the certificate accompanied by a written assignment of shares represented by such certificate, or a written power of attorney to sell, assign, or transfer the certificate or the shares represented thereby, properly executed. The person registered in the records of the corporation as the owner of shares shall have the exclusive right to receive dividends thereon and to vote thereon as such owner, shall be held liable for such calls and assessments, if any, as may lawfully be made thereon, and, except only as may be required by law, may in all respects be treated by the corporation as the exclusive owner thereof unless and to the extent that the corporation has established a procedure by which the beneficial owner of shares that are registered in the name of a nominee will be recognized by the corporation as the shareholder.

#### 5.3 Transfer Records

Unless a transfer agent is appointed, the Secretary shall keep or cause to be kept, at the principal office of the corporation or at the office of the Secretary, the share and transfer records of the corporation, in which are contained the names of all shareholders and the record address and the amount of shares held by each. The transfer records of the shares of the corporation may be closed for such period from time to time in anticipation of shareholders' meetings or the declaration or payment of dividends as the board of directors may determine.

#### 5.4 Lost or Destroyed Certificates

In case of the alleged loss, destruction, or mutilation of a share certificate, a new share certificate may be issued in place of the lost, destroyed, or mutilated certificate upon such terms as the board of directors may determine.

### SECTION 6 Fiscal Year

Except as from time to time otherwise determined by the board of directors, the fiscal year of the corporation shall end on December 31.

### SECTION 7 Indemnification

The corporation shall indemnify and hold harmless each present or former director or officer of the corporation

to the fullest extent permitted by law, subject to such determination as the law may require that indemnification is permissible, for any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, arbitrative, or investigative, and whether formal or informal ("Proceeding"), against such director or officer in his or her capacity as such or in his or her capacity as a director, officer, partner, trustee, manager, employee, or agent of another domestic or foreign corporation, partnership, joint venture, trust, limited liability company, employee benefit plan, or other entity, if the corporation requested him or her to so serve. A director or officer is considered to be serving an employee benefit plan at the corporation's request if his or her duties to the corporation also impose duties on, or otherwise involve services by, him or her to the plan or to participants in or beneficiaries of the plan. The corporation may, before final disposition of any Proceeding, advance funds to pay for or reimburse the reasonable expenses incurred by a director or officer who is a party to a Proceeding to the extent permitted by law. Nothing in this Section shall affect any rights to indemnification to which any person may be entitled by contract or otherwise under law. No amendment or repeal of any provision of this Section shall adversely affect the right of a person to indemnification under this Section with respect to his or her acts or omissions that occurred at any time prior to such amendment or repeal.

## **SECTION 8 Other Provisions**

### **8.1 Notices**

Notices to or from any shareholder, director, officer, or the corporation may be given in any manner permitted under the Massachusetts Business Corporation Act.

### **8.2 Voting of Securities**

Except as the board of directors may otherwise designate, the President may waive notice of, or vote for this corporation or appoint any person or persons to act as proxy or attorney in fact for this corporation with or without power of substitution at, any meeting of shareholders of any other corporation or organization, the securities of which may be held by this corporation.

## **SECTION 9 Amendments**

These bylaws may be amended or repealed by the shareholders. If authorized by the articles of organization, the board of directors may also make, amend, or repeal the bylaws in whole or in part, except with respect to this Section and any provision of these bylaws which, by an express provision in the Massachusetts Business Corporation Act, the articles of organization, or these bylaws, requires action by the shareholders. Not later than the time of giving notice of the meeting of shareholders next following the making, amending, or repealing by the board of directors of any bylaw, notice stating the substance of the action taken by the board of directors shall be given to all shareholders entitled to vote on amending the bylaws. Any action taken by the board of directors with respect to the bylaws may be amended or repealed by the shareholders.

## Introduction

Delivered, Inc will safely connect consumers with recreational cannabis and cannabis products from the comfort of their home in Massachusetts.

With exclusive access to a portion of the recreational delivery market, Delivered, Inc., will be one of Massachusetts' first recreational cannabis delivery services, safely connecting recreational users and their favorite cannabis products in an eco-friendly platform.

## Executive Summary

The Massachusetts marketplace for legal, recreational cannabis delivery is currently non-existent. As the CCC begins to issue Delivery Licenses, specifically to Social Equity and Economic Empowerment applicants, Delivered, Inc, as a Social Equity-owned business, is positioned to capture the new market as it is created.

The US demand for cannabis and cannabis products is estimated to be a 52.5 billion dollar industry. The industry is growing with this demand; some experts have estimated that there will be another 50% growth in sales just in the following year.

These facts paint an opportunistic future for the cannabis industry. Cannabis consumers are spending an average of \$645 on cannabis products each year, which is almost 50% more than alcohol (\$435).

Delivered, Inc will make cannabis more accessible to consumers. Customers will place orders online for rapid delivery of their favorite products from their local recreational dispensaries. Our delivery program will partner with top and medium tier cannabis dispensaries to match the expectations of the growing consumer base while providing an ample range of prices to meet all consumer demands.

## Objectives

- Establish Delivered, Inc as a leader in recreational cannabis delivery by averaging at least a 8.5/10 customer reviews within a year of operations;
- Secure Delivery Agreements with at least 10 cultivators in the first year of operation;
- Lead the industry in sustainability by operating a net-zero carbon footprint operation within 5 years of launch;
- Become a vertically integrated organization.

## Mission

We aim to connect recreational cannabis users with their favorite cannabis products from the comfort of a customer's home.

Delivered, Inc will provide superior customer service while leading the industry in sustainability. With our superior customer service and dedication to the environment, Delivered, Inc will establish a new standard for cannabis in Massachusetts.

## Keys to success

- Empower our employees to provide customers with superior customer service;
- Network and secure various agreements with recreational cultivators across the state to ensure a variety of products and prices;
- Develop environmentally friendly policies and procedures to reduce our emissions and reliance on fossil fuels, reducing our costs in the long run;
- Create a series of partnerships to leverage our resources and eventually become vertically integrated;
- Become an integral part of our community by taking part in community events and volunteering employee time and company resources to the community.

## Company Summary

Delivered, Inc is a recreational cannabis delivery company connecting recreational cannabis consumers in Massachusetts with their favorite cannabis products.

## Company Ownership

Ruben Seyde, Owner and CEO of Delivered, Inc, is a participant of the Cannabis Control Commission's Social Equity Program. Through this program, Ruben has received training in all aspects of cannabis business ownership in Massachusetts and unparalleled insight into the Commission's license adjudication process. Finally, Ruben's Social Equity (SE) status provides Delivered, Inc with exclusive access to apply for a Delivery-only license, significantly lowering the barriers to enter, along with other benefits, such as fee waivers for our application, discounts on our renewal application, and free access to METRC, the Commonwealth's seed-to-sale tracking system, to name a few.

## Start-up Summary

The start-up costs of Delivered, Inc will primarily consist of vehicles and their modifications, building rights and maintenance, and the cost of employees.

## Products

Delivered, Inc will secure agreements to purchase bulk cannabis and cannabis products from licensed cultivators and manufacturers at or below market price. Products will be securely stored in our warehouse, following all CCC and local regulations.

## Market Analysis

In Massachusetts' first year of legal cannabis sales, nearly \$490 million in sales were recorded. Of that, nearly 75% of the product sold consisted of dry cannabis. The average sold per transaction was approximately \$40. Approximately 59% of cannabis consumers consume cannabis at least once per week.

Although there are no direct numbers regarding cannabis delivery, Drizly, an online alcohol delivery service, reports that orders have spiked 485% during the coronavirus pandemic, as customers have largely preferred home delivery to venturing out to storefronts<sup>1</sup>. As people search for convenience, this trend is expected to continue well past the pandemic. With our exclusive application rights to Delivery-only licenses, and with current and expected trends, Delivered, Inc is in a position to seize the emerging market before out of state competitors are allowed to compete.

## Strategy and Implementation

### Competitive Edge

Our competitive edge comes from our exclusive rights to apply for a Delivery-only license. Beyond this, Delivered, Inc will position ourselves to have the lowest operating costs by implementing environmentally friendly policies.

### Sales Strategy

Our sales strategy is to target retailers without Social Equity or Economic Empowerment status. Networking and cultivating business relationships with those in the industry, and delivering on the promise of superior customer service in a timely and professional manner.

### Sales Forecast

Based on the cannabis consumption of states and countries with legal recreational cannabis, we base our projections on the demand being much higher than the supply. This remains true in virtually every legal cannabis market, and the Grandview research firm calculates that the market will continue to grow to almost \$150 billion by 2025.

## Management and Personnel Plan Summary

Delivered, Inc will start with its owner, Ruben Seyde, a director of operations, and a consultant with extensive experience in the cultivation and production of marijuana. Delivered, Inc will hire a minimum of six (6) employees as drivers and dispatch operators. Delivered, Inc will expand and hire more employees as needed.

## Financial Plan

### Break-even Analysis

As this is such a new industry, we continue to work on the financials of the company. More details will be provided when we submit the provisional license application.
