RECOMMENDATION

Commission staff recommend final licensure with the following conditions:

1. The licensee may possess, prepare, produce, and otherwise acquire marijuana, but shall not sell, or otherwise transport marijuana to other Marijuana Establishments, until upon inspection, receiving permission from the Commission to commence full operations.
2. The licensee is subject to inspection to ascertain compliance with Commission regulations.
3. The licensee remains suitable for licensure.
4. The licensee shall cooperate with and provide information to Commission staff.
5. Licensure is subject to notification to the Commission of any update to written operations plans required by 935 CMR 500.105(1) prior to the issuance of a commencement of operations and that Commission staff be given adequate opportunity to review said plans at the business location or the location where any such plans are maintained in the normal course of business.

The licensee has demonstrated compliance with the laws and regulations of the Commonwealth and suitability for licensure. Therefore, the licensee is recommended for final licensure.

As part of the approval of final licensure, the Commission authorizes staff to take all necessary actions to review compliance with the above-referenced conditions and to approve the commencement of operations.
