*Per the Chief of Investigations & Enforcement, General Applicants are typically inspected within 8-10 weeks from the time of request, and Expedited Applicants (SEP, DBE, etc.) within 4-6. Please note these timeframes are unique and largely dependent on the licensees' readiness for inspection, ability to provide requested documentation, and the availability of the assigned Investigator. For PFLI's, the vast majority are conducted within one month of request when all documents are provided.
