Western Mass. Pioneers release 2025 schedule

LUDLOW – For several years, the Western Mass. Pioneers have been a mainstay in spring-summer soccer and have entertained the early on many Fridays and Saturday nights with great semi-pro action.

The Pioneers will return to the field at Lusitano Stadium in Ludlow for another round of games in 2025.

One thing missing from the Pioneers schedule is an appearance in the Open Cup. The Pioneers have done that in late March or April the past two seasons, but it does not appear on their schedule this season.

The season opener for the Pioneers is against Boston City on the road on Thursday, May 15 at 7 p.m. They will play the Albany Rush on Monday, May 19 after that, then gear up for their home opener on Friday, May 23 at 7:30 p.m. against league rival Seacoast United Phantoms. The Pioneers have a total of seven home games on their slate.

They also usually schedule a “friendly” game prior to the start of the season, though that has not been scheduled as of press time.

For more information on the 2025 Pioneers, go to www.wmpioneers.com.

Plan to Remain Compliant with Local Zoning

The purpose of this plan is to outline how our company will remain in compliance with local codes, ordinances, and bylaws for the physical address of our Marijuana Establishment at 1 Cabot St in Holyoke, which shall include, but not be limited to, the identification of any local licensing requirements for the adult use of marijuana.

Background

The City of Holyoke has an approved zoning ordinance regulating the time, place and manner of Marijuana Establishments. This ordinance, Section 7-10 allows Recreational Marijuana Establishments, including Cultivation, Product Manufacturing and Retail in the (“IG”) General Industrial Zoning district. 1 Cabot St is located in the IG district and is compliant with all physical siting requirements outlined in the Ordinance. A Special Permit from the Holyoke City Council is also required. Applicant has applied for a Special Permit from the City Council. Special Permits do not expire unless a change of use occurs.

Applicant and its attorneys and consultants have reviewed this ordinance in its entirety and have developed plans and strategies on compliance with all of the requirements and special permit conditions.

Ongoing Compliance

Applicant is committed to remaining in compliance with all local codes, ordinances, and bylaws. Our attorney and compliance consultant will make periodic assessments of our operation for compliance with all applicable local, state and federal laws and regulations, including zoning and special permit compliance.

There have been no updates to local compliance. The City of Holyoke has opted for the Model HCA which the applicant has submitted with renewal.

Our Team is in regular contact with and will remain in contact with the Mayor and other applicable municipal officials to ensure that there is an open line of communications. We will remain up to date with all zoning ordinance changes and requirements to ensure that Applicant remains in compliance.

Community Presence in an ADI: As transporter operations are solely delivering between a business and another business, with all other activity taking place remotely, Holyoke is the closest ADI to Northampton. Any work for ADIs as of this writing will focus on Holyoke.

Programs:

1. Hiring staff from ADIs:

- a. We will utilize online platforms such as LinkedIn, Indeed.com, City Hall, and local newspapers to post job opportunities targeting Holyoke residents. Additionally, we will collaborate with local workforce development programs, career centers, and community organizations to expand outreach efforts. Job postings will be conducted at least annually, with outreach effectiveness reviewed quarterly to ensure continuous improvement and alignment with hiring goals.

2. For Engagement with SE-Owned Businesses:

- a. Collaborate with industry-specific professionals, ancillary and licensed, with owners designated as SE, and identify potential SE-owned business partners through our contacts and networking.
- b. As for finding ancillary businesses, our network within the industry knows of consultants, professionals, and contractors whose owners are certified as Social Equity or Economic Empowerment and operating their businesses while they pursue or sustain participation in the industry. Our engagement with these companies will be through word of mouth among the SE/EE cohort networking events established by the CCC equity department, email groups like [socialequity2@ googlegroups.com](mailto:socialequity2@googlegroups.com), attending conferences and industry events, and other means.

Goals:

These above programs will facilitate direct assistance in the achievement of some or all of the following goals for at least one social equity business and hiring Holyoke PTGs:

1. Hiring from ADIs:

- a. Hire at least 50% of new employees annually from Holyoke.

2. Engage with at least one SE-owned ancillary business.

- a. Form partnerships with at least one Social Equity (SE)-owned ancillary business annually and one SE-owned operating licensee.

Measurements and Metrics:

How will the establishment measure success and demonstrate its commitment to positively impacting Areas of Disproportionate Impact (ADI)?

The Company is committed to advancing equity within the cannabis industry by implementing measurable and accountable hiring practices that prioritize individuals from Holyoke, an Area of Disproportionate Impact (ADI). To track success and demonstrate meaningful impact, the following measurements and benchmarks will be implemented:

1. Hiring from Holyoke (ADI):

- a. The Company will aim to ensure that **at least 50% of all new hires annually are residents of Holyoke.**
- b. This will be tracked by verifying residential information during onboarding and maintaining anonymized demographic records.
- c. A quarterly report will be generated to compare new hires versus total hires, allowing us to assess progress and make timely recruitment strategy adjustments if needed.
- d. Annual hiring data will be reviewed and submitted to the Commission as part of our license renewal documentation.

2. Community Outreach and Job Pipeline Development:

- a. The Company will collaborate with Holyoke-based workforce programs, career centers, and community organizations to advertise job opportunities.
- b. Job postings will be shared at least quarterly on employment platforms and within local networks to maintain a strong applicant pipeline.
- c. Participation in local job fairs and CCC-hosted equity networking events will be documented as part of this outreach initiative.

3. Transparency and Accountability:

- a. Documentation of hiring goals, outreach efforts, and outcomes will be maintained and made available for audit or review.
- b. The Company will conduct a yearly internal audit of hiring practices to ensure compliance with its stated goal of at least 50% of new hires from Holyoke.

By tying impact metrics directly to hiring performance, outreach engagement, and documented transparency, the Company will demonstrate a good-faith effort and measurable contribution toward the goals of equity and inclusion outlined in M.G.L. c. 94G § 4 and 935 CMR 500.101(1)(a)(11).

Section 2. Annual meetings of the stockholders, commencing with the year 2019, shall be held in May of each year as may be set by the Board of Directors from time to time, at which the stockholders shall elect by vote a Board of Directors and transact such other business as may properly be brought before the meeting. Meetings may be held by telephonic conference call provided all stockholders are present telephonically or have expressly declined to participate.

Section 3. Such a request shall state the purpose of the proposed meeting.

Section 4. Notices of meetings shall be in writing and signed by the President or the Secretary or by such other person or persons as the directors shall designate. Such notices shall

state the purpose or purposes for which the meeting is called and the time and the place, which maybe within or without the Commonwealth, where it is to be held. If mailed, it shall be directed to a stockholder at his address as it appears upon the records of the corporation and upon such mailing of any such notice, the service thereof shall be complete and the time of the notice shall begin to run from the date upon which such notice is deposited in the mail for transmission to such stockholder. Section 5. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice.

Section 6. ARTICLE III DIRECTORS

Section 1. The business of the corporation shall be managed by its Board of Directors which may exercise all such powers of the corporation and do all such lawful acts and things as are not by statute or by the Articles of Organization or by these Bylaws directed or required to be exercised or done by the stockholders.

The holders of a two-thirds of the outstanding shares of stock entitled to vote may at any time peremptorily terminate the term of office of all or any of the directors by vote at a meeting called for such purpose or by a written statement filed with the secretary or, in his absence, with any other officer. If the Board of Directors accepts the resignation of a director tendered to take effect at a future time, the Board or the stockholders shall have power to elect a successor to take office when the resignation is to become effective.

Section 6. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum be present, and if, either before or after the meeting, each of the directors not present signs a written waiver of notice, or a consent to holding such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 7. A majority of the authorized number of directors shall be necessary to constitute a

quorum for the transaction of business, except to adjourn as hereinafter provided. Every act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board of Directors, unless a greater number be required by law, or by the Articles of Organization. Any action of a majority, although not at a regularly called meeting, and the record thereof, if assented to in writing by all of the other members of the Board shall be as valid and effective in all respects as if passed by the Board in regular meeting.

Section 8. A quorum of the directors may adjourn any directors meeting to meet again at a stated day and hour; provided, however, that in the absence of a quorum, a majority of the directors present at any directors meeting, either regular or special, may adjourn from time to time until the time fixed for the next regular meeting of the Board.

Such committee or committees shall have such name or names as may be determined from time to time by the Board of Directors. The members of any such committee present at any meeting and not disqualified from voting may, whether or not they constitute a quorum, unanimously appoint another member of the Board of Directors to act at the meeting in the place of any absent or disqualified member. At meetings of such committees, a majority of the members or alternate members shall constitute a quorum for the transaction of business, and the act of a majority of the members or alternate members at any meeting at which there is a quorum shall be the act of the committee.

Section 2. The committees shall keep regular minutes of their proceedings and report the same to the Board of Directors.

ARTICLE VI COMPENSATION OF DIRECTORS

Section 1. The directors may be paid their expenses of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as director. If the corporation shall be authorized to issue more than one class of stock or more than one series of any class, the designations, preferences and relative, participating, optional or other special rights of the various classes of stock or series thereof and the qualifications, limitations or restrictions of such rights, shall be set forth in full or summarized on the face or back of the certificate which the corporation shall issue to represent such stock.

Section 2. If a certificate is signed (a) by a transfer agent other than the corporation or its employees or (b) by a registrar other than the corporation or its employees, the signatures of the officers of the corporation may be facsimiles. In case any officer who has signed or whose facsimile signature has been placed upon a certificate shall cease to be such officer before such certificate is issued, such certificate may be issued with the same effect as though the person had not ceased to be such officer. The seal of the corporation, or a facsimile thereof, may, but need not be, affixed to certificates of stock.

Section 3. The Board of Directors may direct a new certificate or certificates to be issued in place of any certificate or certificates therefore issued by the corporation alleged to have been lost or destroyed upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost or destroyed. When authorizing such issue of a new certificate or certificates, the Board of Directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost or destroyed certificate or certificates, or his legal representative, to advertise the same in such manner as it shall require and/or give the corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the corporation with respect to the certificate alleged to have been lost or destroyed.

Section 4. Upon surrender to the corporation or the transfer agent of the corporation of a certificate for share duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, it shall be the duty of the corporation, if it is satisfied that all provisions of the laws and regulations applicable to the corporation regarding transfer and ownership of shares have been complied with, to issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction upon its books.

Section 5. The Board of Directors may fix in advance a date not exceeding sixty (60) days nor less than ten (10) days preceding the date of any meeting of stockholders, or the date for the payment of any dividend, or the date for the allotment of rights, or the date when any change or conversion or exchange of capital stock shall go into effect, or a date in connection with obtaining the consent of stockholders for any purpose, as a record date for the determination of the stockholders entitled to notice of and to vote at any such meeting, and any adjournment thereof, or entitled to receive payment of any such dividend, or to give such consent, and in such case, such stockholders, and only such stockholders as shall be stockholders of record on the date so fixed, shall be entitled to notice of and to vote at such meeting, or any adjournment thereof, or to receive payment of such dividend, or to receive such allotment of rights, or to exercise such rights, or to give such consent, as the case may be, notwithstanding any transfer of any stock on the books of the corporation after any such record date fixed as aforesaid.

Section 6. The corporation shall be entitled to recognize the person registered on its books as the owner of shares to be the exclusive owner for all purposes including voting and dividends, and the corporation shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Massachusetts.

ARTICLE XI INDEMNIFICATION

Every person who was or is a party or is threatened to be made a party to or is involved in any action, suitor proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or a person of whom he is the legal representative is or was a director or officer of the corporation or is or was serving at the request of the corporation or for its benefit as a director or officer of another corporation, or as its representative in a partnership, joint venture, trust or other enterprise, shall be indemnified and held harmless to the fullest extent legally permissible under the law of the Commonwealth of Massachusetts from time to time against all expenses, liability and loss (including attorneys' fees, judgments, fines and amounts paid or to be paid in settlement) reasonably incurred or suffered by him in connection therewith. Such right of indemnification shall not be exclusive of any other right which such directors, officers or representatives may have or hereafter acquire and, without limiting the generality of such statement, they shall be entitled to their respective rights of indemnification under any bylaw, agreement, vote of stockholders, provision of law or otherwise, as well as their rights under this Article.

in a partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred in any such capacity or arising out of such status, whether or not the corporation would have the power to indemnify such person.

The Board of Directors may from time to time adopt further Bylaws with respect to indemnification and may amend these and such Bylaws to provide at all times the fullest indemnification permitted by the law of the Commonwealth of Massachusetts.

ARTICLE XII

We intend to focus our efforts on the following metrics:

1. Have we advertised available positions on Indeed.com and/or other sources with the objective of more effectively reaching women, veterans, people of color, particularly Black, African American, Hispanic, Latinx, and Indigenous people; LGBTQ+ members, and those with disabilities?
2. Do at least 60% of our total hires include a mix of the above demographics with the percentage breakdown of goal #1 above?
3. Have any employees advanced their job roles since hiring, trained with more advanced personnel, or brought on diverse employees in their network which has increased company or management diversity with 50% of promotions being diverse employees?
4. Have we engaged with diverse suppliers, including at least 2 businesses owned by women, veterans, people of color, particularly Black, African American, Hispanic, Latinx, and Indigenous people; LGBTQ+ members, and disabled individuals, as part of our supplier diversity goal?
